Reports Read At Meeting of PTA Council

Reports of individual PTA presidents and school principals in the city were read at a PTA council meeting held Monday evening at high school. Mrs. A. C. Hamann, president of the local organization, presided over the meeting. Members were asked to contact members of the state legislature before special session next month to note the mass check-out program.

Fund importance noted. Legislative chairman, Mrs. J. H. O'Connell, pointed out the importance of a sufficient appropriation for the teacher's retirement fund and asked the president to advise her organization. The Idaho was the last state to set up a retirement fund and is now a long way behind other states. Funds are delinquent. This is a detriment when competing with other states for new teachers.

It was announced that Memorial school would prepare the radio broadcasts and Washington school would be in charge of the program.

Future reported. A sub-committee reported plans to get definite information from the school board for a new cafeteria in connection with the new Twin Falls high school.

Talent Show Sponsored by Jerome BPW

JEROME, Jan. 10—Residents of Jerome county, young and old alike and with even a smattering of talent, are invited to enter the third annual amateur contest sponsored by the Business and Professional Women's club. The performance has been scheduled for 8 p. m. Jan. 23 at the high school auditorium.

This year there will be two divisions in the contest. One division includes all children and students who have not completed their senior year and the other division is for adults only.

First, second and third prizes will be offered in each division. Last year's first prize winner may not compete in the same field this year.

The deadline for entering the contest is next Monday and entry blanks may be obtained from the Chamber of Commerce office or from the high school principal's office.

Last year there were several entries from the Eden-Hazelton area and it is hoped that many more will enter this year.

Each year the program becomes more entertaining to the spectators and the entrants. Last year a packed high school auditorium heard Jack Moxley sing "Mister Machine" to win the first prize and little Maxine Thompson won the hearts of all with her blonde hair, her dance and singing of "Shoreline" blues.

There are many talented people in Jerome county and the BPW urges all to enter the amateur contest now.

The committee in charge of the contest includes Eva Nelson, Susie Williams, Marie Thomas, Virginia Moore, Jean O'Griff, Leona, Albert and Mary Motler.

Holiday Party Is Held by Students At Burley School

BULEY, Jan. 10—Dorley Junior high school students held their holiday dancing party Friday night in the high school gym with a large crowd attending.

The dance was sponsored by the Y-teens, newly organized Junior high girls club. Sponsors of the dance were Martha Weeks and Mrs. Julia Kernington.

Arrangements were in charge of Ruth Marie Judd, club president, assisted by Junior high girls. Highlights of the evening was two large numbers on a vacant lot adjoining the school. Discarded Christmas trees were gathered by the students during the week and two large-size hills of trees were built up.

Fairfield Village Officials Change

FAIRFIELD, Jan. 10—H. C. Kinman has been named chairman of the village board, succeeding Charles Gaskill who resigned because of advancing age and press of personal business, according to V. Ufer, village clerk.

Wayland Muffley was named by the board to fill Gaskill's unexpired term. Muffley was appointed street commissioner, replacing Kinman in that position. Austin Paulus was appointed village marshal, succeeding Fred Price.

ENGINEERS, TRAFFIC EXPERTS, STYLISTS endorse the new Dodge! "For my money, Dodge is the best engineered car on the road," exclaims G. H. Knipp, Los Angeles engineer. Traffic experts laud Dodge's practical design and handling ease, while the fashion-wise agree Dodge styling is perfect inside and out.

VALVE-IN-HEAD

Corona 4-Door Sedan

Nothing will thrill you like this year's DODGE!

You could pay a thousand dollars more and not get all the new beauty... extra room... famous ruggedness of this great new Dodge

Big, rugged, smarter than ever—this year's new Dodge gives you still more for your money...

Inside, you get the roominess of cars costing much more. You get head room, leg room, hip room so you can sit naturally, ride comfortably all day long.

On the outside, Dodge compact design gives you the edge in parking, in busy, bumper-to-bumper traffic.

Out front, a sleek new grille enhances Dodge well-bred beauty. While in the rear, a huge new "picture window" allows safe driving vision—gives all passengers a wonderful feeling of interior spaciousness.

When you go to see this new Dodge, get behind the wheel. Notice how those extra-wide "knee-level" seats support your legs. Notice the full shoulder room. Then feel the surging power of the big high-compression "Get-away" Engine—the amazing smoothness of Dodge Fluid Drive—all yours at no extra cost.

Ask any Dodge Dealer for a "Magic Mile" demonstration ride. Prove for yourself how much more value Dodge gives you for your money in sound engineering and rugged dependability.

YOU'LL THRILL to the velvet smoothness of Dodge Fluid Drive. Dodge Gyro-Matic, to free you from shifting, operates on all Coronet models at moderate extra cost.

TUCKER'S NATIONAL WHIRLIGIG

WASHINGTON—The spinning top of world politics has suddenly produced an ironic situation in which the Truman administration hopes and prays for the defeat of Hoover in the presidential election.

It is not forgotten in political circles here that Foreign Minister, Neyn, in an angry exchange in parliament, snarled critics of British acceptance of a "call by a different name, but they have a philo-lator in the United States, too!"

PHI-LABOR—Minor members of the British mission to Washington for discussion of the recent devaluation of the pound-talloon for the entanglement of American and British politics.

Our reluctance in devaluation itself was a political booster for the Hoover administration.

IMPERIALISTIC—Another ironic twist in this strange realignment is that our present disagreements with the British derive from the fact that the British are pursuing the world policies once enunciated by Churchill.

Some statesmen have shown themselves to be almost as imperialistic as the man who said that he "did not become the king's first minister to precede over the empire of the British."

FOREIGN POLICY ISSUE

The 1932 session of congress may become embroiled in bitter, deadly, right from the start. The issue: Foreign policy.

Certain key Republicans have declared they believe bipartisanship in this field should lead forth Senator Wherry, GOP floor leader, and Senator Taft, who has been talking in similar style.

These spokesmen argue that as practiced by the Truman administration, bipartisanship in foreign affairs is a one-way street.

How serious the opposition is becoming can be seen from the fact that Wherry and others are making ill-disguised attacks on Senator Vandenberg, chief Republican creator and protector of the bipartisan policy.

Both these practices hardly make for healthy bipartisanship. Democrats ought to welcome any cooperation and to promote accord by consulting top Republicans in advance of major moves.

How this independent businessman got his start

Meet a man who has hung out his own shingle. This Standard of California Distributor, like those all over the West, works as an independent businessman... and here's how we helped him get his start.

We helped him over a going business to him with a good list of customers. We helped him learn the best methods of serving his neighbors well... supplied the finest products, expert engineering help in meeting tough lubricating problems, the benefits of all our laboratory research and every other practical assistance possible.

He, in turn, supplied the ingenuity, skill and ambition of a man who is working for himself.

This teamwork between small and large business has benefited everyone. Your Standard Distributor has his roots and interests right in his own town; the money he makes stays in your community. And because he knows local conditions through long experience and is building his own business, he does a better job for us by doing an outstandingly good job of serving you.

STANDARD OIL COMPANY OF CALIFORNIA plans ahead to serve you better.

Family Reunion Held in Honor Of Woman, 89, Area Pioneer

Pioneer Feted

MRS. SARAH SUDWECKS

By Mrs. Jerry Kruger
DEPT. CHIEF, Dec. 10.—Dr. Sarah Sudweeks was honored at a recent family reunion at the home of her son, the master, Mr. and Mrs. Roy Wood, Buhl. A resident of Utah, she is visiting relatives in Twin Falls.

Mrs. Sudweeks is 89 years old and is the mother of five sons and six daughters of whom four are living. One son, Don Sudweeks, died two years ago at Kimberly. Her husband died 15 years ago.

Mr. and Mrs. Sudweeks came to Idaho from Utah in 1905. They settled near Kimberly before the town was settled, cleared their land of sagebrush and began farming the first year the water was put on the land.

A musical program was given following the family dinner. The main feature of the program was a reading of the life of Mrs. Sudweeks, which she learned more than 75 years ago as a school girl.

During the afternoon a telephone call was received from a son who could not attend the reunion. Dr. Joseph Sudweeks, a member of the faculty of Brigham Young University, Provo, Utah, was invited.

Mrs. Sudweeks' children include Stella Wood, Buhl; Leslie E. Sudweeks, Buhl; Mrs. G. S. Bailey, Elmberly; and Dr. Sudweeks, Provo. Attending the reunion were 38 relatives.

Out-of-town guests were Mr. and Mrs. Mark Stearn and family, Casper, Wyo.; Mrs. G. S. Bailey, Elmberly; and family, Gooding; Mr. and Mrs. Lewis Sudweeks and family, Boise and Eldon and Lowens, Wood, Provo.

Guests from Kimberly included Mr. and Mrs. B. J. Bailey and Dorothy Galt, Mr. and Mrs. John Robertson and children and Mr. and Mrs. Garth Price and daughter.

RETURN TO COLLEGE

Growers Ask Greater Beet Wage Return

BALT LAKE CITY, Jan. 10 (UP)—Western beet sugar producers want more efficient beet returns for the wages they pay. That was the gist of much of the testimony given at a hearing conducted by officials of the U. S. department of agriculture on 1939 wage scales.

Want More Returns

Grower after grower said he didn't mind paying as much for labor next year as last season, but wanted more return for his money. Some suggested a clause for penalties to be imposed on workers performing poorly. Such penalties would result in lower wages for the inefficient, it was suggested.

See Labor Changes

Allen, in a statement, noted that growing mechanization of beet harvesting means that in the near future there will be large numbers of migrant laborers who will be needed, he said. He urged that the state be prepared to meet the needs of these laborers.

Northwestern Congressmen Satisfied With Power Funds

WASHINGTON, Jan. 10—Rep. R. C. Conner expressed satisfaction with the \$125,000,000 appropriation for hydroelectric projects.

He said the nearly \$300,000,000 in cash requested for 1950 for Columbia basin, Calif. Joseph dam, McNary dam—Detroit reservoir, Lookout Point reservoir and the Bonneville power administration seemed sufficient to carry on the work in the year starting July 1.

Requests Cut

Senator Magnuson, D. Wash., said requests for the Columbia basin and Chief Joseph dam by the reclamation bureau and army engineers had not cut some because of lower construction costs.

He said if the amount in the budget did not meet the needs he would have no hesitancy in asking for supplemental appropriations.

The Columbia basin requests had been cut about \$25,000,000, he said, and that for Chief Joseph dam \$20,000,000. The former was allotted \$35,250,000 and Chief Joseph \$17,500,000.

Salons Represented

Washington Representative Jackson, D. Ore., and Senator Morse, D. Ore., were also present.

Change Reported In Sales Price of Government Wool

WASHINGTON, Jan. 10—The agriculture department announces revision in the selling prices of government-owned wool acquired under price support programs.

In general, prices for shorn wool acquired under 1948 and 1949 programs were increased from one cent nine cents to one cent ten cents, depending on the type.

Medium and lower grades of shorn wool purchased under the 1947 program were reduced two to five cents a pound, while shorn wool from the 1946 program was reduced from five to six cents.

Prices for pulled wools were increased from three to five cents a pound for a number of grades purchased under the 1947 to 1949 programs. Pulled wools acquired in 1946 were reduced two to three cents.

Prices for pulled wools have been between 60 cents and \$1.50 a pound, depending on grade and quality.

Officials said the change was made to bring the government's prices in line with market conditions.

State's Land Board Okays Timber Sales

BOISE, Jan. 10—Public sales of state-owned timber were approved Monday by the state land board.

The board's decision includes 9,945,000 board feet in Clearwater county, 17,000,000 board feet in Boise county and 500,000 board feet in Idaho county.

Mining Lease Granted

A 49½ acre oil and gas lease was granted D. Miller, Los Angeles, in Caribou county, a 180-acre placer mining lease was granted E. B. Casner in Idaho county in Boise county; 60 acres for quartz mining in Blaine county was also approved. In Blaine county, the state land board also approved the 71½-acre placer mining lease in Owyhee county.

The board gave permission for drilling a water well at Heburn state park. Specifications will be drawn up by the department of public works, Edward Woolley, state land commissioner, said.

Woolley Said Construction of a forest headquarters building at Coeur d'Alene was also approved. It will house offices of the deputy state forester, the state land agent and state forester. Utilizing surplus material construction cost will be about \$6,000, Woolley said.

Architectural plans are expected to be carried over June 30, would make \$21,400 available to the state starting July 1.

President Asks \$1,462,000 Fund For Basin Work

WASHINGTON, Jan. 10—The president's appropriation of \$1,462,000 for the Missouri-Bourne reclamation project in the Kansas basin is recommended by President Truman for the year starting July 1.

This money would largely be spent for work on the Missouri diversion from its original course.

Michael Sivras, reclamation commissioner, said tonight it is hoped that plans and specifications for the diversion dam will be ready so that bids for constructing the dam can be asked within "the next couple of weeks."

The Missouri-Bourne unit has an estimated cost of \$2,000,000. It is figured that \$1,018,174 will have been spent on the project by July 1.

Under work schedules set up for the project it is planned to deliver water for the first 400 acres in 1950. The completed project is expected to provide irrigation water for 160,000 acres.

Mr. Truman asked \$174,000 in new construction money for the Fort Peck, Mont., reclamation project. This with \$400,000 which is expected to be carried over June 30, would make \$574,000 available to the state starting July 1.

Senate Gains Forecast by Demo Group

WASHINGTON, Jan. 10—A canvass by the Democratic senatorial campaign committee produced today claims that the Democrats will pick up from five to nine seats in this year's elections.

Senator Kerr, D. Okla., a member of the committee, told reporters he thinks the Democrats will knock off at least five Republican senators and lose none of their seats in the November vote.

Senate Secretary Leslie L. Biffin, who met with the group, told reporters that from an "optimistic" standpoint the Democrats might make a net gain of nine in the 36 senate races to be held this year.

He and Senator Kerr declined to go into state-by-state details.

Among other Democratic candidates the two races to be held in Idaho.

Senator Taylor, D. Ida., who ran for vice president on Henry A. Wallace's Progressive ticket last year, is seeking re-election as a Democrat. He is likely to be opposed in the primary by former Sen. D. Welch Clark.

Members said neither the senatorial group nor the Democratic national committee can be expected to take any part in the primary fight. They added, however, that if Taylor should win re-election, he would be almost certain to have the backing of both groups in the general election battle with Republicans.

The schedule compiled by Senator Dewarshak, R. Ida., also is at stake in Idaho this year.

Collection Figure Revealed on Tax

RUPERT, Jan. 10—County Treasurer Anna Grace said preliminary figures for collection of 1949 taxes show almost the same percentage of collection as for 1948 taxes—about 65.9 per cent.

O. I. \$12,372.86 due in 1949 taxes, \$22,243.76 has been collected. At this time last year \$13,562.63 had been collected of the \$20,112.18 due in 1948 taxes. Other tax collections during 1949 include \$7,252.68 on delinquent 1948 taxes and \$1,021.48 on delinquent 1947 taxes and \$472.00 on delinquent 1946 taxes.

Federal Officials Discuss '50 Honey Support Program

WASHINGTON, Jan. 10—Federal officials from 12 states met Monday with agriculture department executives to talk over details of a 1950 honey price support program.

Representatives of the beekeepers industry have been invited to join the discussions today and Wednesday.

After the closed sessions are ended, the department will decide how the new program will be put into effect. It was made mandatory in legislation passed by congress last year.

The honey price must be supported at 90 to 95 per cent of parity. Parity is a standard for measuring farm prices, designed to be fair to producers and consumers.

The officials who took part in yesterday's session included members of production and marketing committees in Idaho and Oregon.

Meeting Is Held By Bliss Grange

BLISS, Jan. 10—The Bliss Grange held a short business meeting Thursday night. It was voted to give Mrs. O. C. Smith her 1949 membership pin at the next meeting.

Mr. Butler thanked Bliss members for their help in a Grange installation of officers at Bliss Hill, August 6, 1949. Bliss, master of the Bliss Grange for several years, attended the meeting.

The next meeting will be held Jan. 10. A potluck dinner will be served at 7 p. m.

Called To Boise

FAIRFIELD, Jan. 10—Mr. and Mrs. Don Bausher and daughters, Marilyn and Shari, have returned from Boise where they were called by the serious illness of her father, Henry Cook.

The Buick 4-Door 4-Door Buick Special Sedan is shown in a view of the front, all powered with the surprising new F-263 drive shaft system, very latest word in drive shaft design.

"FASHIONED for every taste — Priced for every BUDGET"

Look over the 1950 Buick line, which these two high-fashion models represent, and decide for yourself if that's truth or just talk.

Nineteen—Yes, 19—smart and varied models to choose from, and all with the eye-catching styling of bold-edged bumper-guard grilles, sleek tapering fenders, the overall look of a jet plane in flight.

Three full series—SPECIAL, SUPER and ROADMASTER—each with SPECIAL models available in both standard or deluxe finish.

Three separate power plants—in five horsepower ratings—all more powerful, higher in compression, all Fireball valve-in-head—and one of them, the sensational new F-263, giving SUPER models extra brilliance on the road.

Four wheelbases—all planned for riding comfort—with overhang reduced to make parking and garaging easier. Roominess, saloons, with rear seats as much as 13 inches wider.

Plenty of outlook as well. And the abiding comfort of coil springs on all four wheels. And the steady-going of torque-tube drive, plus Safety-Ride rims for comfort plus control.

Then look at prices—do they really fit any budget?

They range from the fine-car level of the ROADMASTER down to just above the lowest figures on the SPECIAL. But even these are so little above anything else you buy you so often give your car of such consistently-better trade-in value—that you'll find Buick reasonable by buyers in any price range.

So why not get the whole story, price and all, from your Buick dealer now? Deliveries are good, the deal is right, and a signed-up order steps you up to that Buick you've always dreamed about!
