Long-Term Investment that pays daily dividends

These days thoughtful people turn their minds to the durability of things they purchase. But it's rare when doing your duty turns out to be the best way to satisfy your heart's desire. That's what's so marvelous about this '51 Buick. If you picked a car just for the life it gives you—your pride in its power—or its generous comfort—you couldn't make a better choice. But make note of this: *That gleaming new-pubber-forefront*, which greets your eye with flashing beauty, contains 25 grille bars made of stamped steel, individually mounted to "give" and come back unharmed. Combined with a massive, wrap-around bumper, bolstered by two stalwart "bumper bombs" and two added uprights, it gives unsurpassed protection. *Springs of stout spiraled steel* on all four wheels let your wheels course over bumps, while your ride level as a lance. But they also need no servicing, and breakage is virtually unknown. *Buick's great-powered engine* is a Fireball, wondrously lively and eager at the mere touch of your toe—but it also brings extra power from every drop of fuel, and has the mechanical perfection that comes only from years of experience with this basic design. *Dynaflow Drive* gives you effortless smoothness of control—but it also eliminates clutch repair bills, saves tires, eases strain on the whole driving mechanism, from engine to differential. *The road-steady gait* of a Buick assures related security—and is also evidence that you have a durable, deep-silled, X-braced frame beneath you. However you check it, you'll discover this: *The things that make you yearn for a Buick on first acquaintance, are the very same things that make Buick such a smart long-lame buy.* Better see your Buick dealer—soon.

STANDARD EQUIPMENT

- 4-WHEEL HAIL SPRINGING • DUAL VENTILATION
- PUSH-BAR FRONTEND • TORQUE-TUBE DRIVE
- WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
- BODY BY FISHER

Standard on Buick models, optional on other models. See Chevrolet and Buick dealers for details.

When better automobiles are built Buick will build them.

"Country Needs Them"

Work on modern posts being made for rural mailboxes by the Twin Falls Grange for rural mailboxes in the country. The posts, conforming to postal regulations, are four feet high and set in concrete. (Staff photo-enslaving)

Grange Makes Modern Posts for Rural Mailboxes to Raise Fund for Hospital

The latest project of the Twin Falls Grange, making modern posts for rural mailboxes, is being made by the Grange are made of iron pipe. They are four feet high and set in a 16-inch reinforced concrete base. Grange likes to point out the many advantages of the Grange-type mail-box posts. Being set in concrete, they do not have to be buried in the ground, so they can be placed near the highway for the mail carrier. However, if a mailbox located at a corner is struck by a wide load of hay or a truck the post merely tips out of the way without damage. This feature eliminates the practice of having to set a new post every time the box gets in the way of some vehicle. The posts which are being made by the Grange are made of iron pipe. Program Planned For PTA Meeting

BURLEY, Feb. 1 — Southwest school PTA will present a special "World Brotherhood" program in connection with its observance of Founders Day next Thursday in the school auditorium.

Appearing on the program will be people from other countries or who have visited those countries from each country will be used. Dances, songs and musical numbers will be included on the program and a parade of the nations will constitute the finale. Mrs. Kenneth Henderson, president, will give a short talk during the program.

Refreshments will feature a smorgasbord. Among the national costumes to be worn at the program are those from India, Hawaii, Germany, Alaska, China, Japan, Belgium, Holland and Switzerland.

Pleds Guilty

JEROME, Feb. 1 — Clyde E. Rogers, Hazelton, was arraigned before Probate Judge Theron Ward Monday on an assault and battery charge. The complaint was signed by Mary Robbins, Hazelton, who charged that Rogers struck and beat her with his fists. Rogers pleaded guilty to the charge and was fined \$100. Costs and was sentenced to 30 days in jail. The sentence was suspended. Rogers was represented by Wayne Barclay.

Former 'Redcoat' To Speak at Meet

BURLEY, Feb. 1 — Burley-Rupers Knite and Fork club will meet Feb. 11 at Southern Idaho College of Education to hear Sydney R. Montague, former member of Royal Canadian Mounted Police, speak on "Arcade Adventure."

Montague will relate his adventures while living in the north and his experiences in the north. An author of several books, he spent some time living with the North-eastern Eskimos on the rim of Baffin Land.

Club officials report that three directors will be elected at a short business meeting. Dinner will be served at 7 p. m. The meeting will follow by the lecture at 8 p. m. in Dookoff auditorium.

Kidney Slow-Down May Bring Restless Nights

When kidney function slows down, many people experience restless nights. This is because the kidneys are the body's natural filter. When they slow down, waste products build up in the blood, causing discomfort and restlessness.

Older Pays Oregon Cash On Old Debt

BURLEY, Ky., Feb. 1 (AP)—A collection agency received a check of depreciated Korean money from a former soldier from in payment of a debt.

The soldier, identified as Capt. W. H. Brown, of the fifth cavalry, wrote in response to a note in the legal action if he had any more money.

He had been paid \$100 since July, 1945, but he therefore has no American currency left. He has \$100 in Korean money which he converted into North Korean.

The soldier, identified as Capt. W. H. Brown, of the fifth cavalry, wrote in response to a note in the legal action if he had any more money.

Burley's Hospital Is Meeting Topic

BURLEY, Feb. 1 — Jacqueline Byrd, superintendent of Cottage hospital, spoke at the Thursday noon meeting of Burley Rotary club. She related her experiences in working in various hospitals throughout the United States.

Small hospitals fill a definite need in the community, Mrs. Byrd said, and the spirit of friendliness found in smaller units makes the work a pleasure. She told of the staff at the local hospital and said that at present she is conducting a class for 23 women in practical nursing at the hospital.

Dr. Charles Terhune had charge of the program and H. O. Hall presided. The Rev. A. M. Thomas gave the opening prayer and the Rev. Martin Chiles led the singing. Guests were Jess Parson, Miss Leary and Miss Farris. Allen Petersen, Watonsville, Calif., who is now in his 11th year of perfect attendance in Bolivia, was a visitor.

Don Childs will have charge of an international service meeting next Tuesday and on Feb. 13 there will be the annual "Fathers and Daughters" dinner party.

NATIONAL REPRESENTATIVE

W. H. RICHARDS, 1000 Second Street, Twin Falls, Idaho.

TUCKER'S NATIONAL WATERLOO

WASHINGTON—The Democratic majority heavy-handedness in the case of the congressional representatives has enabled it to manipulate the organization of the committee to nullify the 20-cent gain which the bill would have brought.

The Rayburn-McCormack legislative program has been a failure from the start. It was a surprise move, the coalition between the Democrats and the Republicans had returned to the anti-Truman rules committee the power which it had exercised in the first day of the session.

In a surprise move, the coalition between the Democrats and the Republicans had returned to the anti-Truman rules committee the power which it had exercised in the first day of the session.

POT SHOTS

TAMPERING EQUALS CONFISSION

NEW YORK—I have received a copy of the bill which is finally ratified in 1938.

Reynolds said people did go to church in Russia. He had been there.

Then he said if he had ever troubled to look the Soviet constitution he would find it was a Catholicism for the things which he had thought about Russia's situation.

He believed the money and time spent might better have been spent on investigations of anti-Soviet propaganda.

This is exactly what the communist propaganda in the United States has been arguing for years. This is not the only time Reynolds had given such weight as he carries to the attack on the congressional anti-communism.

HOW THINGS APPEAR FROM PEGLER'S ANGLE

NEW YORK—I have received a copy of the bill which is finally ratified in 1938.

Reynolds said people did go to church in Russia. He had been there.

Then he said if he had ever troubled to look the Soviet constitution he would find it was a Catholicism for the things which he had thought about Russia's situation.

He believed the money and time spent might better have been spent on investigations of anti-Soviet propaganda.

This is exactly what the communist propaganda in the United States has been arguing for years. This is not the only time Reynolds had given such weight as he carries to the attack on the congressional anti-communism.

BOB HOPE

All the world's a stage. Yes Mr. British actor Robert Douglas contacts a correspondence school which teaches acting by mail.

Mr. Douglas says that acting is a matter of the soul. He has been in the business for 15 years. He has been in the business for 15 years. He has been in the business for 15 years.

THE NEW YORK BASEBALL SCANDAL

The New York baseball scandal involving two youths from Manhattan is about the seventh unearthed in the past few years.

When a sordid story like this keeps repeating itself, it seems fair to ask: What can we do about it?

It's not enough to deplore the character weakness that leads an occasional young athlete to succumb to a bribe. Some of the younger teams have been inclined to put the full blame on this. One went so far as to describe the newest plot as a "crime of the times," adding: "We're living in a period of necessities."

MARGIN—The 1940-1950 referendum on committee is based on their proportional strength in the house. It varies from reason, because the margin is not equal. The GOP strength has been given about a 45 per cent membership as against the Democrats. It has been kept as low as 30 per cent in many instances.

The leaders preserved their ancient authority in the case of the 1940-1950 referendum on committee is based on their proportional strength in the house. It varies from reason, because the margin is not equal. The GOP strength has been given about a 45 per cent membership as against the Democrats. It has been kept as low as 30 per cent in many instances.

HERE'S A PUZZLER!

Dear Peeler: Some time ago you quoted Chief Clinton as saying: "The traffic sign (no parking, etc.) mean just what they say. All well and good, but..."

How about these two you are all allowed to park two hours at the city hall if your business needs that long a time and 10 minutes if we don't know so much time? If we park longer than 10 minutes will we be tagged? Or is the two-hour sign meant just for the city cars that stay there so long? What do you think? Most confused!

REYNOLDS—The 1940-1950 referendum on committee is based on their proportional strength in the house. It varies from reason, because the margin is not equal. The GOP strength has been given about a 45 per cent membership as against the Democrats. It has been kept as low as 30 per cent in many instances.

It has been kept as low as 30 per cent in many instances.

Minidoka Reports In Polo Campaign

RUPERT, Feb. 1—Mr. Albert Steiner, vice chairman for the Minidoka County March of Dimes campaign, announced today that \$2,163.75 has been collected to date with the iron lung track in England and Georgia scheduled to report.

This amount is \$300 short of last year's total which amounted to \$2,463.75.

Contributors from schools are Hoyburner, \$224; Paul, \$64.47; Lincoln, \$21.20; Park, \$88.45; Acoquia, \$140.50; and south of the railroad on Highway 30 northeast of Rupert, \$114.12.

Amounts received from assisting schools are: Rupert-Bullback school, \$25.27; square dance at Acoquia, \$14.50; and the school at Park, \$15.00.

Amalgamated Sugar company, \$10 each. Women's club, \$10.

ONE STAND-OUT FACT is that in recent years basketball has become much more of a spectacle than a sport. This change has paved the way for high-sports duels were a prelude. Then the sports promoters began taking the game off the campus and into the big arenas. From the campus garden, the Chicago Stadium, and others.

They couldn't have done this, of course, without the collaboration of the colleges involved. The schools obviously were attracted by the lure of big gate receipts. As a result, basketball became the same sort of provider that football is to big schools.

MEANS—The advent of the overboarded voters, as expressed in the election figures of 1932, was ignored completely in formation of the two house groups. This was a mistake. This may be significant, in view of bipartisan charges that the administration's efforts to reform the government through domestic reforms under the guise of emergency measures.

Ways and means, which will levy unprecedented peacetime taxes under the Truman program, remains a major factor in the election. It should have been changed to a 1-1-1 arrangement. GOP representation is only 40 per cent, as against 60 per cent for the Democrats.

REYNOLDS—The 1940-1950 referendum on committee is based on their proportional strength in the house. It varies from reason, because the margin is not equal. The GOP strength has been given about a 45 per cent membership as against the Democrats. It has been kept as low as 30 per cent in many instances.

NOT ONLY do the receipts help the schools defray other athletic costs; they add prestige and lure to the institutions and thus help their general revenues.

Some of the basketball contests have had all the flavor of football bowl games: Big inter-sectional matches between top teams from coast to coast. From the same viewpoint, this meant a great show. From the players' standpoint, excitement, travel, the test of the "big time."

Not only do these good things have been bought at a considerable price. The game has become infected with extreme commercialization. It has become an open invitation to big interests, and they have accepted the opportunity. The record of fixed games tells the tale.

FOLKS IN EMERSON

Travel, Entertain

EMERSON, Feb. 1—Members of the MIA of the LDS church held a party after the MIA meeting Monday.

Mr. and Mrs. Roy Letzbe have received word that their son, Paul, a member of the seminary students at Boston University, is on tour.

Mr. and Mrs. Dale Park, Idaho Falls, has been a guest of her parents, Mr. and Mrs. G. D. Hollenbeck.

Colleen Schodde, who is in Russia, is waiting in Los Angeles, in waiting for her parents, Mr. and Mrs. Fred Schodde.

Mrs. Jean Cheney, Pocatello, returned home Tuesday after visiting her parents, Mr. and Mrs. W. E. Neeson.

Charles Cofer has returned from Chester, Calif., where he visited his sons, Eugene and George.

Mrs. Floyd Burdick, Salt Lake City, is visiting her parents, Mr. and Mrs. G. D. Hollenbeck.

Read Times-News want ads.

COLLEGE authorities who first took the Idaho State football game out of Yankee Stadium and then canceled the series felt otherwise. They believed that going back to the campus would indeed be a discouragement to the game.

It seems clear that putting a college sport into the category of a spectacle has the opposite effect. Gambling in this field is unlikely to diminish so long as the great arenas are made the scene of major football.

When commercial exploitation of college athletes proceeds to the point where scandal is almost commonplace, it is time for colleges to take the game back to the campus. Profits are not now outweighed by the destructive moral consequences.

POTATOES HAVE THEIR PLACE

Once more we are hearing agitation for a return to the Idaho potato on the state's auto license plates.

The contention is that it's a cheap way of getting good advertising for one of the state's principal products.

All of which raises the question as to what constitutes good advertising, and what's the chief purpose of the auto license plate.

The potato-looking reproduction of an Idaho potato and the more apple-looking butter which formerly adorned our license plates prompted more ridicule of Idaho than any demand for our potatoes.

It is always a temptation to clutter up Idaho's license plates in such a way as to make the numbers more difficult to read.

There is a very logical reason for having them as simple as possible. It plays an important part in the state's efforts to cope with tragedies on our highways.

We may have the best potatoes in the country, but we also have the poorest record of any state in the union when it comes to controlling death on our highways.

A modest line across the bottom of our license plates might not be objectionable, but with "red" corners, the state's potato and with replicas of potatoes, skins and the like, that's carrying the advertising idea too far.

REALLY "DELIBERATIVE"

When a new senator goes to Washington, he is always taken him aside and tells him that in joining the senate he is entering the "greatest deliberative body in the world."

From the latest statistics issued by the Congressional Budget office, it is evident the senate takes that reputation very seriously.

During the two years 1949 and 1950—the period of the 81st congress—the house met for 202 days and 48 minutes, but the senate met for 172 days and 48 minutes. But the senate's minutes of discussion, minutes and talks nearly 2,000 hours.

As you see, friends, the upper classmen aren't exaggerating a bit.

People Okays City Care for Other Tots

WADSWORTH, Feb. 1 (AP)—The city's school board and school superintendent today approved a plan to care for the children of other tots in addition to the 40 children who are being cared for by the city.

The plan was approved by a 5-0 vote of the board.

The plan provides for the care of 100 children in the city's day care centers.

The plan also provides for the care of 100 children in the city's day care centers.

Fireman Dies, 6 Are Hurt in Houston Blaze

HOUSTON, Tex., Feb. 1 (AP)—One fireman died of a heart attack and six others were injured fighting a four-hour, \$1,000,000 downtown fire in sub-freezing weather yesterday.

The blaze damaging seven buildings was one of many that dotted Texas. Ice and snow of the worst weather this winter hampered firemen almost everywhere.

The chief of a Middlefield boosters club estimated the damage at \$1,000,000 for the seven buildings affected, placed losses at about \$400,000.

Manson Destroyed

The blaze was discovered minutes after 12 fire companies on Houston's south side had finished fighting a fire that destroyed the \$400,000 mansion of Gus Workman, president of the American Legion company.

Joseph Earl (Bull) Connor, 50, fire department hook and ladder chauffeur, collapsed at the scene of the downtown fire. He was later taken to a hospital.

Death was blamed on a heart attack.

Heater Blamed

Fire Inspector Alton Greer said he believes the downtown blaze started from a heater on the second floor of a store being renovated.

It was the biggest business district fire here in 20 years.

Three stores—Krugger Jewels, Alkman Fur company and the National Shirt shop—had heavy fire damage. Four other stores received severe smoke and water damage.

GI Insurance Dividend Pay Slated by VA

WASHINGTON, Feb. 1 (AP)—The veterans administration announced today it will start paying a second GI insurance dividend of \$65,000,000 in April to about 8,000,000 veterans.

Administrator Carl R. Gray, Jr., was unable to say what the most any one holder of a national service life insurance would receive. But it was certain to be less than the maximum of \$28 paid under the first dividend.

\$100,000 in First Cut

In that dividend, a surplus of \$200,000,000 was available for distribution among 16,000,000 policyholders. The dividend covered from 1940, when the national service life insurance law was passed, through the anniversary date of policies in 1948.

In the new dividend anyone who took out a policy before 1931 and held it in force for three months or longer during 1948, 1949 and 1950 will be eligible.

Provisions Explained

The amount of individual payments will depend on the number of months the policy was in force, the plan of insurance, face value of the policy and the age of the insured at the time it became effective. The

Two Movies Set for Legion Meet

Two motion pictures will be shown by local movie renters at the Twin Falls American Legion meeting at 8 p. m. Friday in the Legion hall. All veterans and their wives are invited to attend the meeting.

The pictures are "Why We Fight—We Go to America" and "The Glenn Service." The first picture is American history and an explanation of what the nation has fought.

The other film is the story of American submarines in the Pacific in World War II.

Attends Funeral

RICHFIELD, Feb. 1 (AP)—Mr. and Mrs. C. A. Johnson and Mr. and Mrs. L. T. Sanders left Wednesday for Richfield, Utah, to attend funeral services for Elvyn Payne, wife of Mrs. Johnson. Mrs. Payne resided with the Johnsons in Richfield a number of years ago. Her death of burns received in a fire in

Deadline Nearing for Filing Claims On POW Benefits

The deadline for filing claims of World War II prisoners of war or their families is March 1, Thomas Silvers, Twin Falls American Legion service officer, reminded claimants Thursday.

He pointed out that what claims contain is the authorized payment of \$1 a day for the time a man was a prisoner of war. If the man died, the payment can be made to his widow, children or parents. A widow who remarries still is eligible for the payment and parents do not have to establish dependency on the claim.

Silvers pointed out that about 30,000 missing claimants have not filed claims. He said that many of these are widows, children or parents of former prisoners of war. He urged that these people understand their rights as survivors and bring the claim immediately. The March 1 deadline was by law and cannot be changed.

Official claim forms and further information can be obtained from Silvers at the Legion hall or from Arnold Helver, Magic Valley veterans administration contact representative, Twin Falls.

Firemen Called

Answering their fourth call in two days firemen found fire in the east curb of a 1930 Chevrolet, parked in the Magic Valley Memorial hospital parking lot.

Firemen said the car's muffler had burned through the floorboard, setting off the main fire. Damage was limited to the cushion. Owner of the car was not identified. The fire was answered at 11 a. m. Thursday.

Hand Found Frozen to Death

IDAHO, Feb. 1 (AP)—The body of a man was found east of here, near William O'Neill reports. The victim was found on a road near 40 Wells, a former Pacific and Western Pacific mail worker.

The body was found between 20 and 30 miles on the Western side.

Fair Joins Army

Recruitment of two men in the fair was announced Thursday by John Larribaue, Twin Falls promoter.

The volunteers are Robert Joseph and Mr. and Mrs. Herbert A. Allen, Twin Falls, and Allen Dana, Jr., 19, son of Mr. and Mrs. Charles Dana, Dunsmuir. The volunteers for four years have been ordered to San Diego, Calif. for recruit training.

Auto production, on the rise since World War II, is expected to drop off sharply in 1951 as a result of the government program. How much it will fall from this year's record production is anybody's guess. Some experts predict somewhere between 4,000,000 and 5,000,000, but impact of war mobilization on the industry will call the tune.

Progress of Arco-AEC Work Is Described in 1951 Report

TWIN FALLS, Feb. 1.—Work at the Arco nuclear reactor station in Idaho is described in the ninth semiannual report to congress made public here today.

The report mentions the following items:

- Construction of the experimental breeder reactor at the Arco station in Idaho. This is the first of a series of reactors to be built in the West.
- Development of a small turbine generator which will be run by the reactor in heat-transfer tests and power studies.
- The reactor itself was being fabricated at Argonne national laboratory which designed it. A technical staff of about 30 people from Argonne will handle start-up, testing, and operating.
- Materials testing reactor—During the calendar year, basic design and construction of a materials testing reactor was completed. It will produce a small amount of power for testing of materials.
- Operation in the thermal or slow neutron energy range, this reactor will be used to test materials under intense neutron bombardment.
- Submarine thermal reactor—Construction of facilities for a land-based "ship-type" operation of a reactor was started by two contractors to the Westinghouse Electric corporation. The Argonne laboratory and Westinghouse, handling the AEC project jointly, advanced their work.
- The weather bureau and the geological survey supplied information essential for designing the chemical processing plant at the station.
- The center was included development of the central facilities area, which makes use of the cluster of buildings formerly headquarters for the Arco naval proving grounds.

Man Held For Court Action

TWIN FALLS, Feb. 1.—Fred Bodenhof, charged with assault with a deadly weapon, was held for court action today by Justice of the Peace M. Wright. Bail was \$100 which was not furnished.

Bodenhof was arrested Jan. 23 and charged with assault with a deadly weapon of the Gem bar, who was threatened with a rifle after the bar was refused the defendant.

Bodenhof is charged with assault with a knife as Coleman and the two men pleaded guilty to the assault before Judge Wright and demanded preliminary hearing, set for Thursday afternoon, Feb. 7.

Defense Unit Formed in Buhl

Formation of a defense organization was completed, Donald J. Smith, chairman, announced today.

The committee includes A. Maloney, mayor; Lloyd O. Smith, Chandler C. and George M. Likness. Air units have been appointed to be notified of their appointment. Members of the department will be assisted by members of the Buhl rifle and pistol club.

The unit will be under the command of Dr. Vern H. Anderson. The first aid classes will be given by Charles M. A. Anderson. Spradley and Boyd. Charles and judges will handle and facilities for and hot meals. Red Cross will donate and all matters, Mackay said.

Tests Scheduled

Tests will be given at the Utah State Agricultural College, will give personality tests. This Falls high school senior class, Feb. 8 in connection with research study of personality will rate the tests, and the upper and lower brackets will be interpreted individually. The tests will be given later this year.

Services Held

Funeral services for O. Smith were held today at the Thompson Chapel by Rev. James E. Crowe of Buhl. Burial was made in the cemetery. Mrs. Helen Smith, Mrs. King's, Palmarera were Mrs. W. W. Parrish, worth, Buhl, Jay Outright, Fritz and J. M. Ayres, all Buhl.

Paul Seniors Plan Play

MARGARET ABADIA **JACKIE FIELDER**
The senior class of the Paul high school will present "Battle for Bilt" at the school gymnasium at 8 p.m. Wednesday. The comedy is under the direction of Marie Spera. Two of the main characters will be portrayed by Margaret Abadia and Jackie Fielder. Others in the cast are Barbara Giesler, Leonard Martin, Duibert Bettsch, Bill Martin, Berlie Andrew, Leetee Higley Dudley and Lucille Marquez. (Staff engravings)

Train Strike Forcing Halt Of Activities

CHICAGO, Feb. 10.—The strike of railroad switchmen has started a domino effect, forcing a halt to many activities. The strike has caused a shortage of heating gas and fuel oil in the Midwest. This was the situation on the second day of the strike: The Phico corporation has closed down its plants in Philadelphia, making more than 10,000 idle. The Budd company, one of the nation's largest manufacturers of railroad cars, laid off 1,700 in Philadelphia. The Body Plastics Co. The Chevrolet and Fisher body plants in St. Louis notified some 3,000 workers on afternoon shifts to stay home. The International Harvester company's Wisconsin steel works laid off 1,000 in Chicago. The Caterpillar tractor company sent home 100 men in two machine shipping departments in Peoria, Ill. The A. G. Smith corporation in Milwaukee said it will lay off 1,000 workers in two days if the strike continues.

Business Slow Down
Milwaukee breweries attempted to move their output by truck, then announced a slowdown. A. W. Peake, president of the Standard Oil company, declared a halt to a heating fuel oil crisis will develop in the Midwest by the end of the week if the strike continues. The spreading rail tieup was blamed partly for a sag in prices on the New York stock exchange.

Events Related by Residents of Eden

EDEN, Feb. 10.—Carol Redick returned home Tuesday from visiting in Milton, Ore. Mrs. Kenneth Beards and daughter are visiting in Bamaria, Ida. Mrs. Wyatt Harris, Burke, Ida, is visiting her mother, Mrs. Ella Jones. Mr. and Mrs. Frank McDonald and Mrs. Oscar Meredith left Wednesday for Pocatello to accompany Meredith home from the hospital. Hugh Richards was taken to Pocatello Tuesday for an emergency operation for appendicitis.

Funds Collected

PATL, Feb. 10.—A house-to-house canvass was conducted recently by the OEA and the Paul American Legion auxiliary for the polo drive. Mrs. James Stevens and Mrs. Edith Morgan were in charge. The collectors collected \$415.70. This amount does not include funds contributed in March of 1935 and collection boxes in the village or various sums donated by individuals and societies.

Elected

OLIGNESS FEBRUARY, Feb. 10.—Wade Green, Oligness Ferry; Wesley Pink King Hill, and Ernest Eichholz, Oligness Ferry, were elected directors of the Oligness Ferry supply Monday. Jack Craig and Karl Anderson are notable members of the board. Wayne Bruner, manager of the Orange wholesale supply at Shoshone, and Sam Sims, Orange supply director from Gooding, spoke at the meeting.

Paul of Church in Paul Is Undecided

PAUL, Feb. 10.—Decision on the continuance or abandonment of the Paul Community church was deferred until a meeting of the general conference in June following a meeting at the church Tuesday evening.

Attending the meeting were Roy LaFite, Heyburn, Carl Dudley, Twin Falls; the Rev. W. H. Hering, Blackfoot; the Rev. F. W. Weitz, Twin Falls; the Rev. James R. Crowe, Rupert; the Rev. Charles Easley, Bluff; the Rev. J. D. Wilford, Ellettsville; and the Rev. Albert B. Parrett, Twin Falls.

Following reports by the Rev. Mr. Crowe and the Rev. Mr. Parrett, the group decided to appoint reports on the status of the church to the quarterly conference in August and to make a final report at the general conference in June. Elder Watson, Otha McGill and Allan Hardin were named temporary trustees to assist in building up attendance at the church before a final decision is reached.

Governor of Lions Is Richfield Guest

RICHFIELD, Feb. 10.—Importance of Lions' Club Work in Community, State and National Affairs was the topic of a talk by Erwin Schwieter, Lions district governor, at the "ladies night" meeting of the Richfield club Tuesday evening.

Other guests were Zane Chairman and Mrs. Jack Russell, Mr. and Mrs. Ed Buttane, Mr. and Mrs. Carl Worthington, James, Mr. and Mrs. Harvey Wood, Mr. and Mrs. Luther Kuntz, Gooding, and Mr. and Mrs. Grant Stevens and Mrs. Esther Vassant, Richfield. Carl Worthington led group singing with Mrs. Esther Vassant as pianist. Lynn Wood, Gooding, sang two selections. Her mother, Mrs. Harvey Wood, accompanied.

Felton Guests

PAUL, Feb. 10.—Mr. and Mrs. Bill Felton, Blumhite, have been guests of his parents—Mr. and Mrs. Tom Felton. Beverly and Martina Felton, both students at St. Theresa's academy, Boise, with their guest, Donna Reid, also, also to be a weekend at St. Theresa's spent last week-end visiting Mr. and Mrs. Tom Felton.

Buchanan Tells of School Problems

BOISE, Feb. 1 (UPI)—The new school problems that might be solved by the training of more officers were presented last night by J. P. Buchanan, president of the University of Idaho, at a banquet of alumni and friends.

He said the university is faced with one of the major problems facing the country—the problem of educating the higher education system in America.

Storm Hampering Hunt on Escapees

LITTLE ROCK, Ark., Feb. 1 (UPI)—A swirling storm hampered efforts today to capture 11 men who escaped from the criminal ward of a state mental hospital after slugging three guards.

Twelve inmates, four of them "extremely dangerous," escaped the "extremely well planned" escape last night. However, one was captured in a downtown bus station three hours later.

Conclave Planned By Outdoor Group

BOISE, Feb. 1 (UPI)—Some 100 delegates are expected here tomorrow when the three-day convention of the Idaho State Outdoor Association opens.

Secretary David Brandt, Boise, and registration and a short business meeting will be held Friday, followed by a dance committee meeting which will be held Saturday with committee reports and an election of association directors Sunday. The convention banquet will be Sunday night with former Gov. Arnold Williams as speaker.

AEC Seeks Bids

IDAHO FALLS, Feb. 1 (UPI)—Bids for furnishing radio transmitting and receiving equipment were called for today by the atomic energy commission's Idaho operations office.

The AEC said the equipment would be installed at headquarters here and at the reactor testing station near Arco. Officials said they would complete the AEC's radio network.

State Grain Store Is Reported High

BOISE, Feb. 1 (UPI)—Idaho grain stocks in mills, elevators, warehouses and on farms Jan. 1 were about 16 percent above the same date a year ago.

The U.S. department of agriculture estimated storage stocks at 1,125,000 tons, which is about 23 percent below the October, 1949, stocks. Storage stocks totaled 26,821,000 bushels, about 13 percent larger than a year ago. Stocks of other grains included 797,700 bushels of oats, 4,677,000 bushels of barley, 600,000 bushels of corn and 33,000 bushels of rye.

Return Home

RICHTFIELD, Feb. 1 (UPI)—Mary and Paul McGaughey have returned from Boise where they visited relatives. Their cousin, Mrs. Lynn Woodman, and husband accompanied them to Richtfield to visit Mr. and Mrs. J. T. McGaughey.

The latest report, Ceres, is believed to be about 400 miles in diameter.

Bruins Travel to Caldwell in Try To Leave Basement

Attempting to climb out of the cellar in Big Six conference
standings, the Twin Falls Bruins travel to Caldwell Friday
night for what promises to be a hot tussle with the Cougars
and their straggleman center, Hugh Strating. A full round
of games is set Friday in the
Big Seven conference loop.
Rupert plays at Jerome, Filer
at Burley and Oakley at Buhl.
The Gooding team drew a bye
in conference play Friday night.

Play in class B circles will find
Shoshone at Eden, Gooding at Buhl,
Clatskanie at Burley, Caldwell
at Mountain Home, Elko, Nev.,
at Kimberly, Richfield at Kimberville
(Jaycee), Malin at Paul, Bellevue at
Carroll, Alton at Acquia, Hanger at
Caldwell and Heppburn at Halley.

Coach Harold Brown's Twin Falls
team, with one win and five defeats
in the conference record, will have to
hustle right now to the line to pull
itself out of the league basement.
The Bruins posted their first con-
ference win of the year over Poca-
tan last Friday.

Pocatello holds a win over Cald-
well and Twin Falls is leaving for the
Boise valley enroute with a victory
on its mind. Twin Falls will
have to stop Stringfield, the leading
Bruin conference team. This will
prove a problem for the team.
The Twin Falls falls as Stringfield
will have a superior look shot and
lots of experience.

Bobby Fairley, ace Bruin guard,
will lead the Bruins into Caldwell for
the Bruins conference lead. The
winners in the state, has been the
backbone for the Bruins this season.
The Bruins' most starters will be Ed-
dies Allison or Bob Nielsen at the
other guard position. Bud Cross at
center and Lee Buhl.

Robert D. Deagle at forwards.
Jerry Herick, a sparkplug in the
Bruins' attack, will have to be
top try out tournament-time. He
has, however, "triger" will be out
to even the score with Rupert in their
game at Meridian. The team looks
like a winner. The team looks
like a winner. The team looks
like a winner.

Phils Sign Texas Ace With \$50,000 Bonus

PHILADELPHIA, Feb. 1 (AP)—The Philadelphia Phillies
Wednesday paid a bonus of some \$50,000 to sign Ben Tomkins,
University of Texas junior ranked by owner Bob Carpenter as a
"great prospect." Tomkins will leave school to join the Phils.

Carpenter said the 21-year-
old Tomkins was a slugger who con-
tracted with the Phils' class B
farm club at Wilmington, Del.,
of the Interstate League.

The young infielder is better
known right now as a football play-
er. He started as quarterback on the
Texas Longhorns' Southwest con-
ference championship team last sea-
son.

Phils' Scout Nap Morse said at
Dallas "I want it definitely stated
that he did not go after Tomkins
but that he called the scout in and
talked contract. I don't want any-
body to start saying we raided the
club."

Carpenter refused to disclose the
exact sum for which Tomkins
signed up. However, an informed
source said the youth was paid a
figure "slightly less than that paid
Curt Simmons."

Simmons is the Ezzell P. A. led
who got \$65,000 as a bonus for
signing and playing for the Phils
in 1949 by winning 17 games in the
club's permanent debut last season.
Curt is now in the army.

Tomkins may find himself in
the army soon, too. Morse said he
is in line for induction. He's been
called up, however, he will report
to the Phils' Camp Green, Pa., train-
ing camp and then play at Wil-
mington.

Gooding's Outlaw Tourney Opens With Paul Scoring Surprise Win

GOODING, Feb. 1—Play opened Wednesday night in the 24th annual Gooding
Outlaw basketball tournament with the first round of 23 contests to decide the winners of \$400
in cash prizes and numerous merchandise awards.

One upset scored the opening round when the Paul team surprised the strong Shoshone
Redskins 37-36 in a nip and
tuck game. Other action ran
true-to-form with the Wendell
Gem Staters running over
Hagerman 67-24. Rupert
outlined Fairfield 72-28 and
the defending champion Gooding
Elks tripping Bull Jaycee-
ward 47-25.

Play was to resume this afternoon
with the American Falls Damblers
meeting the Postlejo Rogues, Boise's
Hunting Cats tackling Caldwell Cas-
sars, Boise State playing Rich-
field and Twin Falls United Oil
meeting Gooding M-Men.

Action tonight starting at seven
o'clock in the Gooding Junior high
school gymnasium, pairs Shoshone
and Buhl Gem Staters and Rupert
Elks and Gooding and Fairfield and
Hagerman. The losers of the first
and last games tonight will elimi-
nated from the tournament with
their second defeat.

Play was on hand for the
opening round of play in spite of the
cold weather. It saw Paul and Sho-
shone battle back and forth with
no more than two and three points
difference separating the squads
throughout the game until Paul
scored its winning basket in the
fourth quarter.

Paul scored 19 points and Dickson
scored 10 points and Shoshone
scored 37 points. Paul's top scor-
er was Shoshone's Dickson.
The Gem Staters, sponsored by
Hagerman, had little trouble with
Caldwell, running up a 67-24 lead
at the half and coasting in with
reserves. Kerns was high for Hager-
man.

The high-scoring Rupert town
team walked over Fairfield after
running up a 72-28 lead at the half.
Wally Peterson was the spark of
the club with 22 points. Five men
on the Rupert team scored for
the club with six each.

The Gooding Elks, a veteran out-
law team, led the game in the
first half in tournament play, eased
by Buhl. Gooding led 26-8 at the
half. Davis led Gooding with 10 points
and V. Hopkins was high for Buhl
with eight.

HILL BEARS AIDED
ON SUNDAY, Feb. 1 (AP)—Jesse
Hill, newly named head football
coach at the University of Southern
California, is in the market for a
teach line coach and an equally
talented assistant for the track and
field team.

quitting hunters to check in and out

Bowling Scores

Table with bowling scores for various leagues and players.

Wov! BINGHAMTON, N. Y., Feb. 1 (AP)—The final score was 100-0 Wednesday night in favor of the Cemetery Angels over the Warriors' basketball team. Both teams are boys of 12 and 13 in the championship City club.

Idaho Hunt Ends On Cottontails BOISE, Feb. 1 (AP)—Little Peter Cottontail and all his brothers and sisters were shot today in Idaho lands without any danger of Mr. McGregor's Idaho hunters.

Twenty Fourth Annual GOODING OUTLAW TOURNAMENT With the strongest Magic Valley and State Outlaw Teams performing at their best.

REGULAR SEASONS 50c SATURDAY NIGHT 85c GOODING LIONS CLUB, SPONSORS

Rizzuto Eyes Long Arms of Cage Veteran

NEW YORK, Feb. 1 (AP)—Phil Rizzuto looked up at Jay Lapchick, the leaning tower who coaches pro baseball and said "Boy if I had those arms."

If Hiltz Phil had it would be just too bad. It's tough enough for other American league teams to get a hit through shortstop the way the catcher covers ground and catches the ball away. With Lapchick's arms, he would be the closest thing to a human vacuum cleaner. No ball would ever get past him.

The New York Yankees' great shortstop stands five feet, six inches, and weighs 150 pounds soaking wet. Yet he was the New York club's iron man, playing in all 155 games, was named the American league's most valuable player and the star athlete of the year.

Rizzuto and Lapchick, the 6-4 pitcher of the New York Yankees, were swapping stories with writers the other day when one of the scribes asked the 32-year-old shortstop how long he expected to play.

"That's a hard question," said Phil. "Maybe you lose a little speed as you get along but you gain more by experience."

When Rizzuto asked Lapchick "You know when I was 30 I was playing the best baseball of my life. You know you used to take two steps before you used to take only one step when you used to take two before. This little guy has learned to move much more than he used to, he has the strength and energy to do it. Simply by saving it on most of his other plays."

WILLIAMS SCORES VICTORY DETROIT, Feb. 1 (AP)—Lightweight champion Bill Williams ran into a mighty tough customer Wednesday night and had to bill young Joe Cardiel of Hartford, Conn., with everything in his book before stopping him in a TKO. Cardiel failed to answer the bell for the second round.

NOBODY who you can decide which whiskey really tastes best to you. That's why we invite you to make your own taste test between Calvert Reserve and your present brand. We are confident you will choose Calvert. But if you really prefer the other brand, then that's the whiskey for you. Fair enough?

Panel Debates Legislation for Help of Youth

(From Page One)

An ideal system would be the establishment of probation officers who would take an interest in the youths and oversee their activities, Radford said. Judge Wall used such a system effectively on a limited basis in Rupert, he said.

The attorneys association sets an appropriation to set up a commission to study the existing juvenile code and revise it to cope with today's problems, Radford concluded.

National legislation under consideration which would aid the exceptional child was outlined by Mrs. Howe, president of the National Congress of Parents and Teachers.

However, she emphasized that the exceptional child was first of all the concern of the community, she defined the exceptional child as any youth who is not like the average run of children—the brilliant, retarded, crippled, emotionally upset or other maladjusted child.

"In our own community we must find out where the handicapped child is, what the handicap is, face the fact the child is deserving of special care and that special facilities must be provided."

Mrs. Norris, dean of girls at Twin Falls high school and local public relations chairman for the Idaho Education association, explained the equalization program and the teachers' retirement plan.

Adequate funds for public schools and sufficient benefits to attract and keep good teachers are essential for the growth of school children, she stated.

A brief discussion period followed the panel talks.

The third meeting of the series will be announced by Mrs. Thomas Howendorn, chairman of the parent education committee.

When Twin Falls Was Younger... First Corn Crop Got Attention

When the first crop of corn grown on the Twin Falls tract was harvested about 1902, it got a lot of attention. These men were on hand to have their photo-taken with a wagonload of the corn. The crop was sown by Thomas Woods. (Blaise photo—staff engraving)

Benefit Held

FILED, Feb. 1.—The potluck dinner at the Poplar Hill school, sponsored by the Poplar Hill club, netted \$170 for the March of Dimes. Following the dinner games were played. Mrs. Will Greary and Mrs. Clif Blitker were in charge of the program.

GROUP MEETS

PAUL, Feb. 1.—The Paul PTA held a study group meeting Friday afternoon at the home of Mrs. John Duff, chairman of PTA study groups. The lesson was given by Mrs. Roy Francisco, PTA president. Refreshments were served by the hostess.

Guests Listed

DIETRICH, Feb. 1.—Mr. and Mrs. Victor Gustin, Rock Island, Wash., en route to Dayton, O., have been guests of Mr. and Mrs. Eubert Heiker and Mr. and Mrs. Virgil Heiker.

BACK HOME

FAIRVIEW, Feb. 1.—Mrs. and Mrs. R. G. Harding returned home Tuesday after visiting Dr. Harry Wilkinson and Dr. Charles Wilfred in Los Angeles and touring the southwest. They also visited their daughter, Mrs. Lloyd Cunningham, in Eiko, Nev.

People Urged To Watch for Meat Vendor

(From Page One)

public consumption. It was enforcement officials intercept the meat somewhere between the sale yard and the unsuspecting consumer, the peddler handily sends the meat to fresh farms and claims that is where the product was headed all the time.

There also is strong suspicion on the part of officials that horsemeat is being sold for beef in parts of western.

Post urged all persons to make sure they get good meat by buying only inspected meat from licensed packing houses or from private sources they know and trust.

Some people might like to take the chance of bargain meat from an unlicensed peddler. Post added, "but I don't want to take a chance on meat that might be dangerous."

He pointed out that state law requires meat dealers to be licensed. This license in turn requires that a state meat inspector approve and stamp all meat sold by the operator.

"Meat inspection is for the public protection," he said. "You are assured of this safety and protection only when you buy inspected meat from a licensed meat packer."

Concert Given in Shoshone by Band

SHOSHONE, Feb. 1.—Overture, marches, novelty numbers and ensembles made up the program of the winter concert of the Shoshone-High school band, Tuesday night at the Lincoln auditorium. The program was arranged and directed by Burton Thorne, high school music instructor. One number was directed by Edwin Hahn, a senior, who is assistant band director.

Dick Thomas played a trombone solo, accompanied by Percy Campbell and Bert Brookbank. Becky Gwin, Gloria Hill and Margie Sweet played a drum quartet. Solo parts in two of the band numbers were played by Charles Brown, Gail Brandon and Edwin Hahn. Warren Kenaston and Eddie Kinsey gave a novelty piano duet.

The Shoshone band played 13 numbers. Officers of the group are: Kenneth Shimmitt, president; Bert Brookbank, vice president; Jess Schuppens, secretary; Wanda McMeer, treasurer; Marilyn Brookbank, music librarian; Becky Gwin, uniform librarian; Marie Garmendia, creaser librarian; Frank McWayne, property manager; Edwin Hahn, assistant director; and Burton Thorne, director.

Outcast U. S. Red Returns To Homeland

NEW YORK, Feb. 18 (AP)—An outcast American communist, who tried to make a pilgrimage to the Soviet Union, came home today glad to be back and sorry it had to be temporary.

He was Arden Perin, 29, who said he found the quiet life behind the iron curtain.

Learned Hard Way
"Some people learn the expensive way," he said of his trip. He asserted he once hoped to settle in Russia.

Perin, a machine engineer, came home on the liner Washington, with his wife, Lillian, 25, and their 6-month-old daughter, Dolores.

"I've lost my interest in communism after seeing it in practice," he told newsmen. "Ideologically, too, because you can't put any trust in communism."

Perin, short and dark-haired, said his family flew to Finland last Nov. 23 where he planned to get a job. It didn't materialize.

Early Denial
He said he then tried to go to Russia, but authorities would not let him in.

So Perin and his family went to Prague, in Soviet-dominated Czechoslovakia.

He said they were placed under fairly unpleasant but mentally house arrest and treated "very brutally." Perin said, Czech officials gave him two hours to get out of the country or else be sent to Russia, which they know how to treat your kind."

Takes Hint
Perin, with no further yen for communism, took the hint. "I saw things in Prague more shocking than in England," he said. "You see old women walking on cold streets without hats and coats and wearing old discarded sweaters trying to make a living by picking up things we wouldn't consider garbage."

Perin said he was thrown out of the American consulate, partly because "I disagreed with the leadership and they said I was a no room for criticism."

This falling-out, he added, apparently was known to Moscow.

The FBI, he said, was waiting to talk to him on his arrival. He did not say what questions were put to him.

Later, he left the liner's pier for an undisclosed destination.

Two Women File Suit for Divorce

Two women filed suit for divorce in district court Wednesday. One charged desertion and the other who has been married less than a year accused her husband of extreme cruelty.

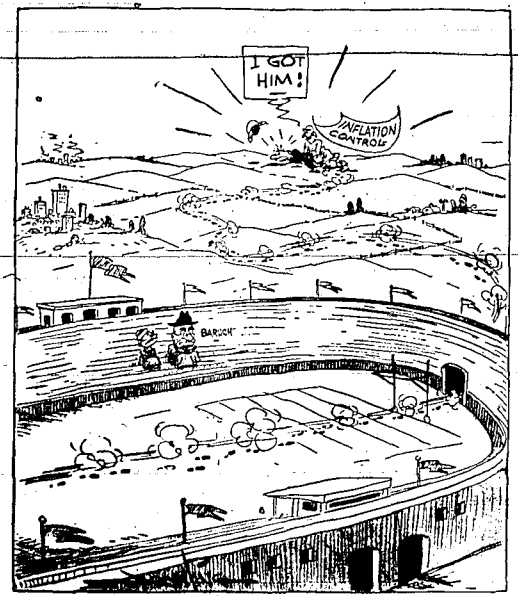

Goldie Brown, Twin Falls, filed suit against Paul Taylor, 41, of Oxnard, Calif., charging he deserted her in May, 1940. They were married May 21, 1940.

Mrs. Brown seeks the return of her children named Coley and Raymond. Her attorneys are Rayburn and Rayburn.

Extremes cruelty is charged by Della R. Danner against Donald Dated. The couple was married Dec. 1, 1936, at Tulsa.

Mrs. Danner claims her husband quitted violently, sexually abused and threatened her with bodily injury. W. L. Dunn is her attorney.

The Post-Season Tackle

Lucille Langdon Is Guest Artist At Talent Show

Lucille Langdon, 1940 graduate of Twin Falls high school, is guest star at the fourth annual talent show being presented by students Thursday and Friday nights. Miss Langdon is a sophomore at UCLA.

Miss Langdon, who will direct the talent show, has been teaching dancing classes in addition to studying dancing in Hollywood and attending school. She has danced professionally.

She is president of the dance theater at UCLA and director for the 1941 Broadway type musical show to be presented at the university. She also is dance representative on the campus theater board. She belongs to Phi Beta, honorary speech and drama society, and Delta Zeta sorority.

There will be 10 variety numbers.

on the program. The show is sponsored by the Journalism department of the high school.

Tickets will be available in the READ TIMES-NEWS WANT ADS.

Colgate-Palmolive-Peet Co.

Date for Trial of Mays Is Changed

Trial date of Aubrey C. Mays, Twin Falls, charged with assault with a deadly weapon, has been changed from Feb. 7 to March 13, according to an order filed Wednesday by District Judge Klaus E. Lowe.

Judge Lowe acted on a stipulation for delay filed jointly by Prosecutors Arthur May Lloyd and Troy E. Smith, Mays' attorney. The delay was sought so that Mays could attend the funeral of his father-in-law in Butler, Mo., and assist in settling the estate.

Mays is accused of shooting Keith Huntley in the leg with a .410 shotgun following a wage dispute. He is free on \$500 bond.

RETURN HOME

PAUL, Feb. 18—Mr. and Mrs. Joe Mays returned Monday from a trip to Chicago. They were accompanied by his sisters, Mrs. Dean Geddes, Fossilville, and Mrs. Paul Clark, Blackfoot.

"Who wants to upset the West's oil industry now?"

I'd Like to Know...

You may have heard that a lawsuit has recently been filed by the Antitrust Division in Washington, D. C. to break up Standard of California as well as six other West Coast oil companies. Many people have written us protesting this action, and have asked pertinent questions. We feel they should be answered for everyone. And we take this way of doing so.

If you have a question we urge you to write:

"I'D LIKE TO KNOW" 225 Bush St., San Francisco 20

John E. Clark, insurance man from San Francisco, California, writes, "From all I can gather, the West oil companies have contributed a lot to our area. Now there's talk about breaking them up. What I'd like to know is who wants to upset the West's oil industry now?"

Do stockholders? Surely not. There has never been a year when Standard has failed to pay a dividend. 68,500 individuals share Standard's earnings, depend on Standard's stability to assure safety for their savings.

Do tax collectors? Standard turns in the taxes you pay when you buy gasoline and oil, and we are also taxed, of course, as a company. Because we are big, our taxes are sizeable. Last year, for example, they totaled over \$95,000,000.

Do military men? Flaming, high-pressure pumps are powered with oil. Military planes really look to the big companies to supply their big needs. As in World War I, Standard's facilities are producing petroleum products at full speed.

Do small business men? Standard of California is a big customer for small business in the West. Last year, for example, we spent more than \$50,000,000 with some 10,000 business firms.

Do employees? The average income of 28,000 Standard people was \$4,447 last year. And Standard Oilers are covered by sickness, fire, insurance, retirement and other employee benefits.

Do big business men? Standard turns in the taxes you pay when you buy gasoline and oil, and we are also taxed, of course, as a company. Because we are big, our taxes are sizeable. Last year, for example, they totaled over \$95,000,000.

A certain minority in the U. S. seems to believe big companies should be broken up... even though big companies have led the way in helping provide an unmatched standard of living and helped keep the nation strong. The U. S. was very thankful for its big companies during the last

Two world wars... and is again in today's critical days. This is a big country with big problems, and it needs big and small companies to meet them. You can be sure we will do everything we can to continue doing a productive job for you and the nation... a good job.

STANDARD OIL COMPANY OF CALIFORNIA

plans ahead to serve you better

Bank Scoffs at Idea of Army Cooks Showing Improvements

WENNY MAHERON, head chef at the Veterans Affairs hospital in the Optima building here, has a new idea to show the army cooks that they are not as good as they used to be. He has a new "seasoning" he'll be lucky to make two weeks in the kitchen, standing in the center of the parade ground with a khaki dune cap on his head.

Who, then, sets the cooking job well when it is in the army, my first cook was a weight lifter, and he got the job chiefly because of his strength. He was the only man in the company who could lift me from reading catalogues advertising for well and like.

But my favorite cook was one who prepared our meals on the "Island of Mookala." He cooked one night under a load of jungle juice he had concocted from various, and I was a reformed army drummer who once worked the upper ridges of Arizona.

Asked how he liked cooking, he said he liked it well, that there was only one drawback. "I have to get my own cooking equipment," he said. "I have to get a praxer."

(Reprinted by Mithought syndicate, Inc.)

Lucerne People Entertain Guests

LUCERNE, Feb. 1—Mr. and Mrs. Jack McElrinie, San Diego, Calif., are visiting her parents, Mr. and Mrs. J. B. Miller.

Mrs. Doris Bradley visited the Lucerne school Monday to show pictures to the students.

Mr. and Mrs. Arthur J. Simmons and Mr. and Mrs. Donald Simmons, Valentine, Neb., were week-end guests of Mr. and Mrs. John Stewart.

PTA executive committee met at the school Thursday afternoon to make tentative plans for a benefit entertainment to be held in February.

Mr. and Mrs. Howard Kifer, Nampa, and Esthelle Kifer, Boise, were week-end guests of their parents, Mr. and Mrs. Ben Kifer.

MYF MEETS

MURTAUGH, Feb. 1—The MYF met in the basement of the church recently. The evening was spent learning to square dance. Mrs. Brown, Kimberley, was the instructor.

Joan Bennett Compares Blue Bonnet — Always Puts It On!

JOAN BENNETT, 11—Mrs. George Bennett, Ore., who has her son, Art Barker, here, has a new idea to show the army cooks that they are not as good as they used to be. She has a new "seasoning" she'll be lucky to make two weeks in the kitchen, standing in the center of the parade ground with a khaki dune cap on his head.

Who, then, sets the cooking job well when it is in the army, my first cook was a weight lifter, and he got the job chiefly because of his strength. He was the only man in the company who could lift me from reading catalogues advertising for well and like.

But my favorite cook was one who prepared our meals on the "Island of Mookala." He cooked one night under a load of jungle juice he had concocted from various, and I was a reformed army drummer who once worked the upper ridges of Arizona.

Asked how he liked cooking, he said he liked it well, that there was only one drawback. "I have to get my own cooking equipment," he said. "I have to get a praxer."

Home Building Boom Passes Peak

Despite a sharp slump in building beginning in September, the year 1950 was the biggest construction year on record. Actually, more new homes were started in the first 10 months of the year than in any other full year on record.

Jaunts, Visits at King Hill Related

KING HILL, Feb. 1.—Audrey McKellan, Ottawa, visited her parents, Mr. and Mrs. Rius McMillan, over the week-end.

Richfield Events, Activities Noted

RICHFIELD, Feb. 1.—Mrs. Ruth Supan has left for Oxnard, Calif., to visit relatives.

Fairview Visitors

FAIRVIEW, Feb. 1.—Irving Tvedy and Dale Strayton, Idaho State college students, visited Mr. and Mrs. Tom Tvedy over the week-end.

Jerome Residents Travel, Entertain

JEROME, Feb. 1.—Mr. and Mrs. Robert Daley have returned from Salt Lake City where they attended a convention of hardware and implement dealers.

Trips and Visits Listed at Jerome

JEROME, Feb. 1.—Maxine Hansen is visiting relatives in Oxnard and San Francisco, Calif.

Hills Bros Coffee advertisement featuring an illustration of a coffee cup and a can of Hills Bros Coffee. Text includes 'make friends', 'with Hills Bros friendlier flavor!', and 'try it... see why Hills Bros Coffee makes—and keeps—friends!'.

TRAPPED BY WINTER WASH?

LET AN AUTOMATIC WASHER AND DRYER HELP YOU OUT...

Stringing the week's wash up and down the basement is still a burdensome stormy-weather practice in some homes. But today, with automatic laundry equipment within practically everyone's reach, wash-lines are by and behind the times.
