## Colons Trim Income Tax, End Session

(See Editorial on Page Four)  
MARCH 7 (AP)—Idaho legislators, their 32nd session ended with a 15 per cent tax cut, headed home today with a summation for future campaigns.  
They enacted virtually all of Gov. Len Jordan's program, with him the job of appointing a new fish and game commission. Senate President Pro-Tem Clyde Starr, R., Lemhi, led it up for the Republicans: "We stayed out of debt, the largest appropriation requests in history and still cut income taxes. I think the \$5 dependency deduction is the people who really need relief."  
The Democrats, Rep. Max Hanson, D., Camas, minority leader, said: "Despite having only about one-fourth of the majority, most of our legislation was enacted into law. Tax reduction, sought by the Democrats earlier, was passed because the minority senators helped defeat two large appropriations."  
Sen. Robert E. Smylie noted that Idaho's first major legislative victory in history came on the third attempt—that the anti-control senate defeated the two earlier ones straight party vote in 1949 and 1950.  
Session adjourned sine die at 10:30 p.m. Friday, leaving until March 18 to act on the bills. He signed five bills today to raise the total with his signature to 113. Governor said he had received requests to veto "two," which he declined to identify, but that his "heaviest" was on the measure allowing him to name a new fish and game commission.  
He will be guided exclusively by what the sportsmen's want," he said. "They probably represent only part sportsmen. I'm trying to find a balance rather than capitulate of special groups." The tax reduction bills, he said, will be passed.

## Presiding Bishop Admires New Chapel

The presiding bishop of the LDS church, Joseph L. Wirthlin, Salt Lake City, left, discusses with Floyd H. Olsen, bishop of Kimberly ward, plans to dedicate the new Kimberly chapel. They stand in the portico of the new chapel. (Staff photo—spraying)

## Maenkov Choice of Molotov Hints Russ Plan Tougher View

(See Editorial on Page Four)  
WASHINGTON, March 7 (AP)—Appointment of V. M. Molotov as foreign minister in Georgi Maenkov's new Soviet government is regarded by top U. S. officials as a move toward giving Russia a more aggressive foreign policy.  
While none in high position here could say how or in what way Russia's steady pressure for communist expansion might be intensified, the tendency of the best informed officials was to look for possible trouble in the middle east.  
That vulnerable area is of great importance to the west and even before Stalin's death the Soviets had been wooing the Arabs with propaganda.  
President Eisenhower, Secretary of State Dulles and British Foreign Secretary Eden have been reviewing the possible effects of the Russian government reorganization. They are reported to agree that for the moment the western powers should act in light, avoiding any action which might be considered provocative or offending their deterrent, but to defend the free world.  
A communique from the British-American talks issued this afternoon affirmed that the Russian situation had been reviewed, saying that the principal "exchange view regarding developments in the Soviet union."  
Foreign strengthen the results of the talks presented a stronger allied front to the new Soviet government, especially in lightening economic blockades against strategic shipments to red China, strengthening the oil pipeline from the Persian Gulf by Iran, and concerting plans for free trade and currencies in the free world.  
While authorities now believe the Kremlin may embark on a more aggressive pursuit of its foreign policy goals, no one here is predicting a basic change in those aims. After all, the men who are now in the Kremlin in Russia were the Premier Stalin and presumably were decisive influences in his policies.  
Maenkov himself, so far as factual information and firsthand impressions go, almost as unknown to the west as the new Soviet government. Many American officials claimed the Kremlin was being treated "less criminal." He quoted the law on quo warranto proceedings at length.  
Lloyd agreed, no rumors had been issued, but he pointed out that the law was a good indication. Idaho law is somewhat different in that it provides for quo warranto proceedings for a writ of quo warranto in Idaho law.

## Epidemic Quarantine Lifted for Buhl Area

Unless there is a sudden reversal in the current downward trend of diphtheria cases in the Buhl area, the quarantine that was imposed on the city early this week will be lifted Sunday evening, Dr. V. V. Telford, director of the southern Idaho district health unit, reported Saturday.  
Dr. Telford said the decision to lift the quarantine was reached after a conference with Dr. Cecil H. Reinstein, Hamilton, Mont., U. S. department of health epidemiologist, and Dr. Ray W. Kellogg, county physician. Dr. Telford said the trend in Buhl has been one of fewer and milder cases even though two new cases were reported Saturday. The hospital for the county now stands at zero.  
Should there be a sudden increase in the number of cases or if the epidemic should be broken, the quarantine will be continued, Dr. Telford said. He added, however, that such a possibility is not expected. The epidemic in Buhl will show a steady decline, he said.  
Meanwhile it is urged by the health authorities that parents continue their anti-diphtheria complete immunizations. Dr. Telford said health officials are pleased with the cooperation of the parents in Magic Valley in this emergency and feels they should be congratulated. The Buhl epidemic is now over. (Continued on Page 11, Column 2)

## Court Actions On Castleford Case Pending

District Judge Hugh A. Baker ruled today that the Castleford village board must be given 20 days in which to answer the writ of quo warranto proceedings by which it must show its authority for annexing a tavern near Buhl.  
Judge Baker told Lloyd and the village attorney that the village board had to decide the case in 20 days. However, he indicated that in 20 days to answer a summons should be filed.  
May argued that the complaint was a regular civil case, but the writ of quo warranto was not given under civil proceedings, therefore the writ should not have jurisdiction. He claimed the defendants were being treated "less criminal." He quoted the law on quo warranto proceedings at length.  
Lloyd agreed, no rumors had been issued, but he pointed out that the law was a good indication. Idaho law is somewhat different in that it provides for quo warranto proceedings for a writ of quo warranto in Idaho law.

## EC Plans Nevada Tests Of Atomic Cannon Shell

WASHINGTON, March 7 (AP)—The United States, in a nuclear weapons race with Russia, need tonight it is about to test an atomic shell from a giant cannon.  
The atomic shell, which is about 10 feet long and weighs 10,000 pounds, will be fired during the week of March 10-15 from the Nevada Test Site. It will be the first atomic shell fired from a cannon.

## Meeting, Dedication Will Feature Bishop

Joseph L. Wirthlin, Salt Lake City, presiding bishop of the LDS church, will dedicate the new Kimberly chapel, which he is here Sunday to preside at the quarterly conference of the Twin Falls stake.  
Dedication services will be held at 5 p.m. in the new chapel, sandwiched in between the conference session at 4 p.m. and the program at 8 p.m., both in the Twin Falls tabernacle.  
The first conference session will be held at 10 a.m. in the tabernacle. The presiding bishop will address both sessions.  
The stake welfare organization and the priesthood Saturday night precluded the conference.  
Bishop Wirthlin will present the dedicatory address at the Kimberly services. Floyd H. Olsen, bishop of the ward, will speak. The women's chorus, directed by Mrs. John Stout and accompanied by Mrs. Thurman Stout, will sing.  
Bishop Olsen took the bishop's reins in December from Dudley T. Whittle, who had headed the ward through the years of raising the money to build the \$112,000 chapel and erecting it.  
The ward has been holding services in the new building for two and a half years, but only recently were the furnishings completed.  
The drive to raise the funds was launched in 1944. Ground was broken for the building in the spring of 1949.  
Bishop Dudley's biographic consisted Wendell Glenn as first counselor and Evert Morgan as second counselor.  
Ray O. Condie is first counselor to Bishop Olsen and Edwin D. Crockett is second counselor.

## Pravda Urges Unity Behind Soviet Regime

MOSCOW, March 7 (AP)—Russian millions mourning their dead leader today urged Communist party members to call for unity is the best of Stalin's immortal legacy and that the party will cooperate with the bureau to decrease strain in the Communist party under his successor, Georgi M. Maenkov.  
The main message was pronounced as endless lines of men, women and children, some red-eyed from weeping, shuffled from below toward the funeral home to be buried in columns for a look at the body of the man who guided the nation, in war and peace, for 20 years.  
The Regime's Announcement  
The consolidation of ministries and changes in command ordered by party and government officials Friday night—only 24 hours after Stalin died from the complications of a stroke—were described by the Communist party newspaper as a program to insure continuity of the state and party organs.  
"This most important political decision," the newspaper said, "is the result of the party and the entire Soviet people with unanimous approval." It said:  
"The main fact disclosed in this decision is the appointment of V. M. Molotov, who has been an important man in the Soviet union since the formation of the party, had for years been a protégé of Stalin and his closest adviser in party and government affairs."  
One recognizes particularly the importance of retaining their jobs as deputies.  
Adorned by Medals  
In death as in life, Joseph Stalin is a simple man, the figure of a man in a simple suit with a simple tie. He is a monumental dignity about him. Over his breast many medals and orders are pinned. He is the star of the hero of Soviet labor.  
With several thousand foreigners, including diplomats and newsmen, he will attend the funeral today. The foreign ministry press service (Continued on Page 11, Column 2)

## 'Ke' Urged to Take Lead on Budget Slash

WASHINGTON, March 7 (AP)—Senators urged today that the President Eisenhower will have to lead in demanding that Congress slash taxes and cut expenses if the Republican administration is to balance the budget.  
Byrd, who aided Eisenhower in his victory, said he is not willing to support his Democratic opponent, said he is impressed with the sincerity of GOP officials in their desire to balance the budget and revenues.  
But the Virginia senator said he is not sure the federal deficit can be reached unless Congress continues present taxes in force for the year ending July 1, and cuts at least \$7 billion from the former President Truman's \$78,000,000,000 spending program for that period.  
"The only hope of a federal deficit," he said, "is to cut that amount and not reduce taxes." Byrd said the deficit could be reached unless Congress continues present taxes in force for the year ending July 1, and cuts at least \$7 billion from the former President Truman's \$78,000,000,000 spending program for that period.

## 225 Bulls to Be Sold At Sale on Saturday

FILER, March 7 (AP)—A total of 225 bulls will be auctioned at the 14th annual range bull sale of the Idaho Cattlemen's association here next Saturday.  
Walter Schodde, Burley, state bull committee chairman and sale manager, said all bulls will be 18 months or older by April 1 and are guaranteed by the consigners. All are hereafter consigned by some of the most prominent Hereford breeders in the state and Wyoming, Utah and Oregon.  
Schodde said the bulls will be sold in pens of one to five head and mixed Hereford and Red Angus, before being sold in that order.  
Grading will be made by C. W. Hickman, University of Idaho animal husbandman, and Lyman Jensen, Malad, and Nelson Hogan, Bancroft, ranchers. Col. E. O. Walter, Filor; James A. Goodhue, Jerome, and Howard Brown, Woodland, Calif., will be auctioneers.  
Schodde explained the sale is being held to bring top quality bulls to one point for convenience of cattlemen in securing range bulls. None is to be purchased for resale, he added.  
Idaho consignors are Grant M. Andrus, Ucon; Bar V. O ranch, Pring; Floyd M. Bradbury and Frank Brackentrick brothers, Tripp; Dale and Betty Breckenridge, Tonia; Seth and Frank Burstedt, Chino; James Cahill and William Ferguson, Preston; Homer E. Pullerton, Whitefish; F. S. Swilman and son, Welser; J. E. Hadley and son, Emmett; Hank Hestrod and son, Granger; Chas. H. Hayes, Eden; Richard Hauger, Penn; O. A. Carrell and Jerry Hendricks, Pocatello; J. J. Havel and son, Malad; N. S. (Continued on Page 6, Column 2)

## Driver Faces Topsy Charge After Mishap

Two Twin Falls men escaped serious injury and one of them was arrested on a drunken driving charge after their car overturned and rolled over on its wheels.  
The car was a 1951 Buick Wildcat, owned by Roy G. Halpern, 111 S. State, who was driving at the time. The car was overturned on its wheels and rolled over on its wheels.

## Man Slaughter Trial to Begin Here Monday

Members of the district court jury panel report Monday morning that an effort will be made to select a jury for the trial of Dale A. Jasper on a charge of involuntary manslaughter, Billif J. O. Thorpe said today. The trial is slated to start at 10 a.m.  
Jasper was charged with involuntary manslaughter after the car he was driving collided with a car driven by William O. Brown, Jr., at Kimberly road and Locust street. The killing of a young boy, a passenger in Brown's car, Rayborn, Rayborn and Kramer represent Jasper who is free on bail.  
Reckless driving charges probably will be filed in Kimberly justice court against Ansel E. Hill whose car went off highway 30 and struck a traffic cone, a speed limit sign and a pole counting device last week. Sheriff Jesse Carlson said Saturday.  
It is expected to be hospitalized for some time and probably will not be arrested until he has recovered from his injuries, the sheriff added. (Continued on Page 6, Column 2)

## C Will Test A-Blast Effect on 100 Automobiles and 2 Houses in Nevada

It pitched the problem to dealers like this:  
"One of the great gaps in our knowledge is the amount of protection afforded by typical American automobiles. Because the American public owns and operates nearly 40 million automobiles, it is certain that an enemy attack would find many thousands of people in jeopardy."  
Glenn Jensen, director of the project, says FCDA is proud of the patriotic response, in view of the fact that the cars will be driven here in their owners' expense, and back again for exhibition purposes if they are damaged. FCDA will take care of each driver, FCDA will take care of each driver, FCDA will take care of each driver.

## New Subdivision Is Planned East of School Building Site

Plans for construction of 38 residences along an estimated 400,000 sq. ft. subdivision east of the school building site were announced by John C. Blahop and Richard O. Hunt, Twin Falls. Dwellings will be constructed on a 10-acre site east of the school building site.  
The subdivision is planned east of the school building site. The subdivision is planned east of the school building site. The subdivision is planned east of the school building site.

## Four Autos Crash In Vicinity of Paul

Four automobiles were involved in a crash near Paul on highway 25. The crash occurred on Sunday morning, March 7, 1953. The crash occurred on Sunday morning, March 7, 1953. The crash occurred on Sunday morning, March 7, 1953.

### Hobby Show Scheduled to Get Camp Aid

A hobby show, sponsored by the Camp Fire Girls, council, is scheduled for March 13, 14 and 15 at the American Legion hall to raise money to erect permanent buildings on the south hills camp site.

The site is located at Buchanan springs about one and one-half miles south of the camp site at the beginning of the Goose creek drainage area.

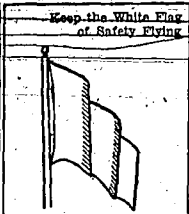

Tentative plans have been made by the camp camping committee to build one large building for the kitchen, dining room, and room for office and large meeting room. Other plans have been made to erect girls' sleeping quarters to include cabins about 16 by 32 feet. The plans have been approved by the forestry department.

The council says the amount of money available will determine how much of this can be accomplished this summer. However, the project is to be completed over a number of years.

Two Camp Fire groups have made plans to help with the development of the camp. Mrs. Thomas Trevelyan's Candelabra group raised \$201 in a recent rummage sale. The girls plan to buy a flag and pole for erection at the site.

Mrs. R. E. Davis' Wayzambaya group is planning a fund raising activity. Details will be announced later.

Members of the council camping committee are Mrs. Elizabeth Sawyer and W. C. Walstra, co-chairmen. Mrs. J. C. Smallwood, Mrs. Lewis Clark, Mr. and Mrs. Harold Lacey, Mr. and Mrs. H. L. Alawach, Mrs. Glenn Voyles, J. C. Williams, Albert Murphy, R. A. Armstrong, Mrs. W. A. Farnsworth, Mrs. M. J. Threlkeld, Dr. Malcolm Sawyer, Louis Threlson and Rudy Ahnstrom.

Now 30 days without a traffic death in our Magic Valley.

### Driver Faces Tipsy Charge After Mishap

To avoid a collision, he lost control of his car which skidded 204 feet before it overturned on the left side of the highway.

Edna Madsen stated.

Jenkins was cited because the skid-marks of his car indicated he was attempting to pass in a no-passing zone, state police said. Driver of the car which caused the accident did not stop at the scene, officers said.

A 1930 Chevrolet driven by Florence A. Boyd, Twin Falls, and a 1932 Chevrolet pickup driven by Leonard P. Wiseman, 208 Heyburn avenue west, were involved in a collision at Fourth avenue west and Shoshone street Friday morning. The bumper and left rear of the car and the front end of the truck were damaged, police reported.

Truck Involved

A 1932 two-ton Chevrolet truck driven by George Clemens, Jerome, collided with a 1940 Oldsmobile at 12:38 p.m. Saturday at Clemens street and Fourth avenue west. The bumper and left rear of the truck and the right door of the truck rolled ahead and hit the Oldsmobile. The Oldsmobile was damaged. Both vehicles were damaged. 1940 Oldsmobile was being driven from a curb Saturday when it collided with a 1932 Dodge driven by George R. Egan, 141 Walnut street. Asher R. Morton, Buhl, was driving the Oldsmobile.

Mrs. Ernest Mollath, 237 Blue Lake boulevard south, reported to police that she scratched her car at 9 p.m. Friday on the license plate of a pickup truck as she backed into a parking space on Fourth avenue north. She used 125 Fifth street south. She called police last Saturday afternoon. She bent the right rear wheel of her car when she hit a curb at Main avenue and Second street east.

Overlook

George Cox, route 3, Twin Falls, reported the right front fender of his 1941 Dodge was hit by a Ford pickup truck in the 100 block of Fifth avenue south last Saturday afternoon. He said the truck did not stop at the scene.

James Hoob, 945 Adams street, was the driver of the 1932 Plymouth truck which was involved in a collision with a 1932 Lincoln driven by Roger J. Hansen, 141 Walnut street, at the block of Kimberly road early Saturday night. Both cars were damaged.

### Harry A. Ball, 61, Dies at T. F. Home

Harry A. Ball, 61, Twin Falls pioneer, died suddenly at his home at 1544 Poplar avenue at 2:45 p.m. Saturday.

He was born Nov. 2, 1871, in Bonanza, Nev., and came to Twin Falls in 1898. In the early days he owned and operated the Palace and the Travel company. Mr. Ball was a member of the Twin Falls Presbyterian church and was a past exalted ruler of Twin Falls Elks lodge No. 1123. He was a veteran of World War I. He married Gladys Larabee in 1933 in Harrington, W. Va.

In addition to his widow, he is survived by one daughter, Mrs. Elizabeth Helmick, New Jersey, and one brother, Ernest Ball, Moscow.

Funeral services will be conducted at 2 p.m. Tuesday at the Twin Falls Presbyterian church with the Rev. Donald B. Blackstone officiating. Burial will be made in the Twin Falls cemetery.

### Reward Offer for Graze Withdrawal

Half of a \$2,000 reward for discovery of the body of Ray Agee, Twin Falls attorney, who was last seen hunting in central Idaho in the fall of 1931, has been withdrawn, Idaho county Sheriff Bud Taylor said today.

Taylor said \$1,000 still will be paid to the person who finds Agee's body. The reward has been posted by Agee's family.

Concealed searches for his body proved fruitless during the latter part of the 1931 season. Spurred by reports several woodmen from this area and a number from southern Idaho renewed the search during the summer and fall of 1932—all to no avail.

### Events Reported

WILSON. March 7—Mrs. D. W. Gibson left Friday for Beverly Hills, Calif., to visit her daughter, Mrs. Ann Tull.

Lucille White, daughter of Mr. and Mrs. E. J. White, Shoshone, and a freshman at the College of Idaho, Odell, is one of the 10 college delegates entering the northwest debate tournament at Linfield college, McMinnville, Ore.

### Magic Valley Funerals

TWIN FALLS—Funeral services for Harry A. Ball will be held at 2 p.m. Tuesday at the Twin Falls Presbyterian church with the Rev. Donald B. Blackstone officiating. Interment will be made in the Twin Falls cemetery.

JEROME—Funeral services for Edwin Albert Eastery will be held at 3 p.m. Sunday at the Methodist church with the Rev. J. D. Crego officiating. Burial will be made in the Jerome cemetery.

TWIN FALLS—Graveside services for Winfield Dwyer will be conducted at 11 a.m. Monday at Sunset Memorial park with the Rev. Elmer Green pastor of the Church of the Nazarene, officiating. Military rites will be conducted by Twin Falls post No. 1 American Legion. Friends may call at the Twin Falls mortuary from 2 to 4 p.m. Sunday and 9 to 10:30 a.m. Monday.

### Weather

### Twin Falls News in Brief

**Assassinated**  
HARTFORD, Conn., March 7 (AP)—Premier Stalin was assassinated and Kremlin doctors connected the details of his death by conspiracy with the Communist Party of the United States in a copyrighted story today.

The court quoted a "reputable authority" on Russian affairs.

"The local man asked that his name be withheld because he has relatives living in the Russian capital," the court said.

The newspaper said the man received a letter from "underground sources" in Russia that said Stalin was dead by assassination at the time the Kremlin first announced his illness this week. The letter was postmarked Helsinki, Finland, March 5, the court said.

The smuggled letter was one of several received by the Russian-born Hartford man from his native country. The court said he would not reveal how the letters are smuggled out.

The court quoted the informant as saying the assassination was planned by the Communist Party of the United States and the anti-communist world.

### Driver Faces Tipsy Charge After Mishap

To avoid a collision, he lost control of his car which skidded 204 feet before it overturned on the left side of the highway.

Edna Madsen stated.

Jenkins was cited because the skid-marks of his car indicated he was attempting to pass in a no-passing zone, state police said. Driver of the car which caused the accident did not stop at the scene, officers said.

A 1930 Chevrolet driven by Florence A. Boyd, Twin Falls, and a 1932 Chevrolet pickup driven by Leonard P. Wiseman, 208 Heyburn avenue west, were involved in a collision at Fourth avenue west and Shoshone street Friday morning. The bumper and left rear of the car and the front end of the truck were damaged, police reported.

Truck Involved

A 1932 two-ton Chevrolet truck driven by George Clemens, Jerome, collided with a 1940 Oldsmobile at 12:38 p.m. Saturday at Clemens street and Fourth avenue west. The bumper and left rear of the truck and the right door of the truck rolled ahead and hit the Oldsmobile. The Oldsmobile was damaged. Both vehicles were damaged. 1940 Oldsmobile was being driven from a curb Saturday when it collided with a 1932 Dodge driven by George R. Egan, 141 Walnut street. Asher R. Morton, Buhl, was driving the Oldsmobile.

Mrs. Ernest Mollath, 237 Blue Lake boulevard south, reported to police that she scratched her car at 9 p.m. Friday on the license plate of a pickup truck as she backed into a parking space on Fourth avenue north. She used 125 Fifth street south. She called police last Saturday afternoon. She bent the right rear wheel of her car when she hit a curb at Main avenue and Second street east.

Overlook

George Cox, route 3, Twin Falls, reported the right front fender of his 1941 Dodge was hit by a Ford pickup truck in the 100 block of Fifth avenue south last Saturday afternoon. He said the truck did not stop at the scene.

James Hoob, 945 Adams street, was the driver of the 1932 Plymouth truck which was involved in a collision with a 1932 Lincoln driven by Roger J. Hansen, 141 Walnut street, at the block of Kimberly road early Saturday night. Both cars were damaged.

### Harry A. Ball, 61, Dies at T. F. Home

Harry A. Ball, 61, Twin Falls pioneer, died suddenly at his home at 1544 Poplar avenue at 2:45 p.m. Saturday.

He was born Nov. 2, 1871, in Bonanza, Nev., and came to Twin Falls in 1898. In the early days he owned and operated the Palace and the Travel company. Mr. Ball was a member of the Twin Falls Presbyterian church and was a past exalted ruler of Twin Falls Elks lodge No. 1123. He was a veteran of World War I. He married Gladys Larabee in 1933 in Harrington, W. Va.

In addition to his widow, he is survived by one daughter, Mrs. Elizabeth Helmick, New Jersey, and one brother, Ernest Ball, Moscow.

Funeral services will be conducted at 2 p.m. Tuesday at the Twin Falls Presbyterian church with the Rev. Donald B. Blackstone officiating. Burial will be made in the Twin Falls cemetery.

### Reward Offer for Graze Withdrawal

Half of a \$2,000 reward for discovery of the body of Ray Agee, Twin Falls attorney, who was last seen hunting in central Idaho in the fall of 1931, has been withdrawn, Idaho county Sheriff Bud Taylor said today.

Taylor said \$1,000 still will be paid to the person who finds Agee's body. The reward has been posted by Agee's family.

Concealed searches for his body proved fruitless during the latter part of the 1931 season. Spurred by reports several woodmen from this area and a number from southern Idaho renewed the search during the summer and fall of 1932—all to no avail.

### Events Reported

WILSON. March 7—Mrs. D. W. Gibson left Friday for Beverly Hills, Calif., to visit her daughter, Mrs. Ann Tull.

Lucille White, daughter of Mr. and Mrs. E. J. White, Shoshone, and a freshman at the College of Idaho, Odell, is one of the 10 college delegates entering the northwest debate tournament at Linfield college, McMinnville, Ore.

**Workmen  
Red Cross  
Five Chosen**

**CONV. March 7**—Soldiers from the Red Cross fund campaign was held Wednesday at a meeting in the courthouse. Charles J. Wood, chairman, was in attendance. Five workmen were named and a money spent locally during the year was given. The five chosen are: Mr. E. Z. Alexander, Mr. Jim Barabara, Mrs. Leocadia, south; Mr. William Trammel, Mrs. Mildred Conner, Mrs. Joe Pappas and Mrs. Joe Pappas, north; Mrs. Fred Schwarz, captain; Mrs. Howard Atkins, Mrs. Mrs. Herb Love and Mrs. Leocadia, northwest.

locally during the period May, 1952 to March, 1953. The total included \$10,223. The fund was used for messages in aiding families, \$38.79 for hospital supplies for hospital in home airmen and to entertainment facilities; disaster emergency relief; a home possession in \$117.87 for blood service; daily costs for the period March, covering assuming instructions for during the summer. The fund for Lincoln county has total of \$1,286, according to Mrs. C. H. Chase, chapter secretary.

**Camp Fire Girls Give Service in Crisis**

Sonia Allen, Barbara Kroll and Bethene Trenhale, from left, roll cotton balls used by doctors and nurses in giving diphtheria immunizations. The girls are members of the Camp Fire Girls' CanOlawaki group. Camp Fire Girls of the area have been visiting the southcentral Idaho health district unit office after school on Wednesdays and Fridays and on Saturdays to aid in making cotton balls and swab sticks, freeing other unit personnel of these tasks during the current diphtheria crisis. (Staff photo-enshrining)

**Herit Estate**

**PAUL, March 7 (Special)**—Paul, 672 Fourth avenue, died at 11:50 a.m. on March 7. He was 68 years old. He was left by the Twin Falls estate. The will was signed on May 28, 1942. The residue of the estate is to be divided among his children and family who live in Port Angeles, Wash., and Victoria, B.C.

**Reunion for Unity  
Draws Big Crowd**

**UNITY, March 7**—About 400 persons were served at the Unity LDS ward reunion Thursday. Dinner for adults was served at 1 p.m. and school children were served at 4:30 p.m. MIA officers were in charge of the dinner and Relief society members arranged the decorations. A program of acts, readings and dancing in costumes was presented in the evening, followed by dancing. "WAG" BAKER was master of ceremonies in the afternoon and Mose Baker in the evening. Mrs. Raymond Kelley presented MIA girls in original dances.

**Laws Drafted**

**PAUL, March 7**—The Paul student body council is working on a constitution. The group is being advised by representatives from each classroom. Edward Bell and Don Blakely have been faculty advisers for the council.

Three thousand pounds of pepper were part of the ransom of Rome when besieged by Alaric in 408.

NOTICE TO CREDITORS... **SON BORN**... **LEGAL ADVERTISEMENTS**... **EXTENSION AREAS**...

### STALIN'S DEATH

The biggest story this last week, no doubt, was the death of Russia's Premier, Joseph Stalin, one of the most powerful and ruthless dictators in all history.

In spite of the formal diplomatic "condolences" and "sympathies" expressed by our government, largely as a matter of custom, there are few red-blooded Americans who will feel any regret as a result of Stalin's passing.

Up to the very moment of his death, the Russian propaganda machine was spewing venom from its mouth and its pen. It had the same old familiar ring.

This government of ours, whether run by Democrats or Republicans, is really in the hands of wicked capitalists who want only the profits to be made from wars. They got a taste of this largesse in two great wars, and now are thirsting for the rewards of a third.

As for President Eisenhower, he was a good military man, but, alas, he has surrounded himself with war-minded capitalists who are sure to block a decent settlement of world issues.

As for former President Truman, he wasn't a bad sort, either, except that he fell under the influence of Prime Minister Churchill of Britain, and got off the track.

Those British, incidentally, have been rather puzzling. They haven't supported Russian policy the way you'd expect. Don't they remember that the Russians saved Britain from disaster in World War II?

Well, why go further? Obviously, it's the same old Russian propaganda line. All the elements in there—the world peace, or peace with renewed determination to satisfy communism's thirst for world power, and thus precipitate World War III?

### DEFENSE SPENDING

Why is the United States spending 20 times as much for defense as Canada? "I have received an invitation to..."

Canada may be almost as large as the United States, geographically, but she has only one-tenth the population. Despite current booms and mineral developments, Canada's financial resources are relatively small.

Moreover, Canada gives defense aid in many indirect ways as a member of the British commonwealth. "I have received an invitation to..."

## A COMPLETE and DEPENDABLE HEATING SERVICE

To assure you of greater comfort, lower fuel bills and complete satisfaction in all your heating problems, we offer you the finest in nationally known heating units. With over 300 different models to choose from to suit your every need... whether it be a two-room cottage or a large business building; in addition to our staff of trained, qualified installation and service, to competently advise you on the correct unit for your particular need, and to assure you of lower heating bills.

**AUTOMATIC OIL HEAT**

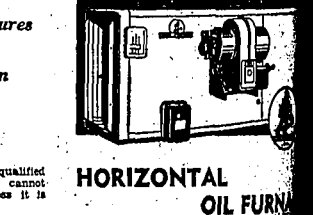

**OIL FURNACE**

A completely automatic oil-fired furnace, in one compact, space-saving unit. Warm, clean, and humidifies the air. Has famous Iron Fireman Vortex flame for outstanding fuel savings and performance.

Plus These Added Features to Guarantee You Complete Satisfaction

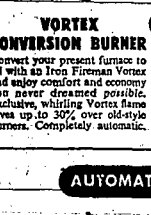

**QUALIFIED INSTALLATION**

All installation is done by qualified craftsmen. The finest furnace cannot give you economical heat unless it is installed properly.

**HORIZONTAL OIL FURNACE**

A modern space-saver to install under the eaves from the ceiling. Can be tucked into attic, crawl-away, basement or suspended unit to heat business or shop space.

**VORTEX CONVERSION BURNER**

Convert your present furnace to oil with our Iron Fireman Vortex and enjoy comfort and economy with the lowest operating cost. Exclusive, whirling Vortex flame saves up to 30% over old-style burners. Completely automatic.

**TRAINED SERVICE MEN**

Our staff of trained, competent service men assure you of trouble-free operation for years to come.

**Oil Floor Furnace**

For the lowest cost, most economical, and most efficient heating unit for your home or business.

**AUTOMATIC COAL HEAT**

**HOPPER MODEL**

Fits right in your present coal furnace or boiler and makes it automatic. Hopper holds large coal supply—feeds automatically as needed. No drafts to adjust, no grates to shake. Requires only a few minutes attention once a day.

**F.H.A. APPROVED PLAN SERVICE**

A special plan service of heating layouts for builders and contractors. For F. H. A. approval.

**Oil Wall Furnace**

For wall installation, it has warm and cold air registers on both sides, with adjustable damper for directing desired volume into either room. Forced draft, forced circulation with built-in life motors.

**COAL-FLOW MODEL**

Coal-flow is the best. Coal flows directly from bin to fire through a sealed tube. No coal handling whatever—Converter tube can be moved and cleaned if necessary. A fuel and labor saver, with completely automatic control. Exclusive heat retaining layers are guaranteed for five years.

### Britain Plans

### Halt China

### Material Help

WASHINGTON, March 7 (AP)—Britain has promised to help the United States in its economic blockade on shipping of strategic materials to red China. It was announced today at the London meeting of the British-American forum of economic talks.

At the same time, the two nations agreed to discuss the possibility of the United States helping Britain to plunge into a program to increase its foreign trade and to improve its balance of payments.

The British will try to eliminate the red Chinese from the United States market for raw materials. At the same time, they will try to bring their own strategic materials to the Chinese.

The British will cooperate with the United States in a program to increase its foreign trade and to improve its balance of payments.

### Sort of Garb "Mother-in-Law" Wore

Mrs. Granville Allen, right, displays a costume from the "gay 20's" era at the Toastmasters club meeting. Admiring the costume is Mrs. Graydon Smith, Mrs. Allen's "illustrated" speech on "Fashions of Yesterday" won her the club award as the most-improved speaker. (Staff photo-enlarging)

### Mrs. Allen Wins Blue Pencil With "Illustrated" Talk

About the time you'd expect a woman to show up at club meetings in the latest spring garb, Mrs. Granville Allen put in an appearance in a costume from the "gay 20's" era.

Needless to say, Mrs. Allen took fellow members of the Toastmasters club somewhat unawares Friday morning.

As a result, she won the blue pencil for her "illustrated" seven-minute speech on "Fashions of Yesterday." She described the coat and "ten-gallon" feather-bedecked hat she wore as the sort of attire her mother-in-law dressed up in when

she came to Magic Valley 61 years ago.

Mrs. Max Lloyd spoke on "Spring Syles in Poetry." Mrs. Max Mitchell presented her "debunker" talk.

Mrs. Gordon Tobin, president, led the table topics discussion.

Mrs. Lillian Strong was chief evaluator. Mrs. Graydon Smith was toastmaster.

### DAUGHTER BORN

DECLIO, March 7—Mr. and Mrs. J. Roy James, Eugene, Ore., are the parents of a daughter, Mrs. James DECIO, daughter of Mr. and Mrs. J. L. Stevens, Declo.

### es in California

DENA, Calif., March 7 (AP)—The success story of the Union Pacific Railroad in California is being told in a new book, "The Union Pacific in California," written by the railroad's president, J. W. Jefferson.

The book, which is being published by the railroad, tells the story of the railroad's growth in California from its first line in 1853 to its present-day operations.

Jefferson, who has been president of the railroad since 1947, says that the railroad's success in California is due to its ability to adapt to the needs of the state's economy.

### The TV Story

We were wrong about last Sunday's ad. Truly we didn't think many of you would read that much copy. We would like to buy more space and use heavy type for easier reading but after all, "Don't donate this space."

FROM THE MANY COMMENTS ON OUR PAGE WE ARE CONVINCED THAT IT IS NOT NECESSARY TO GIVE PICTURES TO GET PEOPLE TO READ.

NOW LET'S GET ON WITH THIS TV QUESTION

One more TV AND ANSWER SESSION.

Q—Will you be behind us (perhaps by the time you read this), the granting of a TVCP Commission Permit for Twin Falls?

A—We don't know. It is up to the Federal Communications Commission. We will have TV in six months or less.

Q—What Do We Mean By C P?

A—C P means that the Federal Communications Commission has approved the local application for a TV station in Twin Falls.

Q—How long will it be on the Air?

A—As we understand it, the applicant is given six months to build a station and be on the air from the date their C P is granted.

Q—Does That Mean We Will Have TV in Six Months or Less?

A—Not necessarily. If for reasons beyond control of the applicant, the FCC will grant a six-month extension to build a station and be on the air.

Q—We doubt if the applicants will be suffering from any other news. How is the situation in Magic Valley?

A—We don't see why Twin Falls will be an exception. We don't see why it will be any different from the rest of the area.

Q—The first TV construction permit opens up the hunting season for the "gas" while getting good boys. Briefly, there is the station, which is that within twelve months after TV hits a new area, approximately 75% of the homes have TV receivers. Divide the population of Magic Valley by eight, multiply the quotient by 400 and you come up with the answer in dollars . . . and, brother, that ain't hay. Those outside

#### He Says We Should Call Halt To Britain's Trade With Reds

Editor, Times-News:

How far are we Americans going in this current attitude of Britain's toward communism?

If the news that I read has been reported correctly, I think it is time that our leaders in England have two things more important than money. For some time now there have been reports of how British ships have been loading in trade with the communists in all parts of the world. These same reports go on to say that the type of cargo involved is necessary for war. How foolish can we get in our international relations if we tolerate such actions?

Do the United Nations want to stop this war or are we in it to help

build up the treasury at the expense of lives. At the present time we have two representatives from England who are in Washington to encourage measures that will injure their economic stability.

We owe a lot to our fatherland for the part she has played in our history. We also should find a position of respect only as long as the principles of greatness are kept. If England is going to stay on her feet by its monetary transmutation, let us make it plain that the emergency is necessary for further United Nations standards instead of those of communism.

FRANK WELLS (Hansen)

#### U. N. Seen Communist Hothbed; Extravagant Spending Flayed

Editor, Times-News:

This tax burden on the backs of the American people is being generated into a racket, could be alleviated without delay if criminal and extravagant leaks were plugged.

A total of \$160,000,000 of your tax money was given by former secretary of State Dean Acheson to the communists in Poland to crush this pernicious nation under a ruthless Russian heel.

Remove that dagger, the United Nations, from the back. It is packed with spies, saboteurs and communists from the beginning, many of the latter placed there by the state department and Harry Truman. Do that, has the U. N. come to the end of their being a gross expense, destroying our sovereignty and exhibiting an unparalleled agility for shoveling out American dollars? Our own powers that be are supinely request cooperation in the Korean conflict, which never materialized. The "division of economic affairs" controlled by communists, is busy passing out more of your dollars

pretending to stabilize and develop countries other than your own.

In 1952, \$12,244,860 of your tax money was contributed to run the U. N.—35 per cent of the budget. Russia, with the outstanding vote, paid 9.83 per cent. Some 20 million went to a "technical assistance" program. This is only a fraction of the amount absorbed by the U. N., and Mr. Truman calls for more. We have no mind to share our atomic secrets with friends or the U. N., and Mr. Truman calls for more. We have no mind to share our atomic secrets with friends or the U. N., and Mr. Truman calls for more.

There is a "central intelligence agency" funneling millions to a clique, all approved communist, Jay Lovestone, Irving Brown and Dave Dubinsky, union racketeers, are doing business with the communists in Europe in your name and with your dollars. This same Irving Brown was recently hailed before the senate and publicly abused by General Eisenhower. Kindly investigate, Mr. President.

MRS. W. A. MASTER (Boatle, Wash.)

#### He Agrees Cross Improper Symbol For Easter Rites

Editor, Times-News:

I thought of my amen to the thought of brother Norman E. Wood in regard to the cross not being a symbol for an Easter sunrise service.

I hastily agree that the empty lamb would make a much more fitting symbol, depicting the resurrection. The resurrection absolutely proves the deity of the Christ. If Christ be not risen, our hope is in vain and we are yet in our sins.

LEE P. MOORE (Gooding)

#### Merchants' Help To 4-H Program Is Acknowledged

Editor, Times-News:

National 4-H club week, March 7-15, offers an opportunity time to extend my thanks to the Times-News for the support of your paper and to the local business people who offer assistance through 4-H awards, the sponsoring of a Christmas party for the education of our most important crop, the youth of this area.

ROBERT D. KEENE (County 4-H club agent)

#### Former Resident Dies in Aberdeen

Word has been received here of the death of James Wright Wall, former Twin Falls resident and son of Mrs. Mary M. Wall. He died Wednesday in Aberdeen, Wash., where he had been making his home for the past 40 years.

Burial will be made Monday in Aberdeen.

Mr. Wall is survived, in addition to his mother, by three sisters, Mrs. J. G. H. Wall, Mrs. L. E. Wall, and Mrs. W. A. Wall, Los Angeles.

#### Enlistment of 11 Men Noted In Area Units

Eleven enlistments in the 11th armored cavalry regiment, Idaho national guard, were reported Saturday by Capt. Larry Laughridge, regimental adjutant.

The adjutant also announced Pfc. Harry C. Buech, Gooding, company 7, is having to attend a three-month course in armored track vehicle maintenance at Fort Knox, Ky.

Enlist in U. S.

Enlistments in the regimental headquarters company, Twin Falls, included Marvin T. Smith, 17, whose guardians are Mr. and Mrs. T. M. Smith; Gerald L. Lowe, 18, son of Mr. and Mrs. Clifton Lower; Carl D. Lucas, 11, son of Mr. and Mrs. Victor L. Roberts; Glen O. Harkin, 17, son of Mr. and Mrs. J. C. Harkin, and Charles E. Henry, all Filer; and Glen N. Hartman, 18, son of Mr. and Mrs. Norman B. Hartman, Rulo, Neb.

#### Plan to Improve Hall Is Approved By Knoll Grange

Improvements for the Knoll Grange hall were planned at the group's meeting Wednesday evening. A stage and a basement will be provided.

The Grange also observed its 18th anniversary with a reading of its history by E. M. Dosselt. Improvements in character officers will be the Grange's next project. Mrs. Judy Dosselt and Marjorie Holloway, Larry Holloway played piano solo and a vocal "All-day sucker" contest was won by Mrs. Carroll Holloway.

Members also voted to sponsor the Red Cross drive in the community. Mrs. Lulu Jones was appointed chairman.

Federal crop insurance was explained by Ben O'Harrow.

Mr. and Mrs. Richard Carter and Mr. and Mrs. Levi Beason were hosts.

A birthday anniversary supper for those born in January, February and March is scheduled for the next regular meeting, March 18.

#### Filer Grange Hall Rites Set

March 11—The Filer Grange will dedicate their new hall on April 15 with W. E. Adams, Eagle, Filer, Grange master, attending members decided at their meeting Friday evening.

The hall is almost completed and necessary material has been selected.

Members voted \$10 for the Red Cross drive and the dance committee announced a dance has been arranged for Saturday, March 21.

Degrees were conferred on Mr. and Mrs. Homer Crawford, Mrs. E. R. Harding and Mr. and Mrs. Max Lancaster.

The degree team will go to Murtaugh Monday, March 18, to confer degrees on Murtaugh Grangers.

#### Magician Slates Second Showing To Help Church

Buhl, March 7—Paul Sundquist will dedicate his new hall on April 15 with W. E. Adams, Eagle, Filer, Grange master, attending members decided at their meeting Friday evening.

The hall is almost completed and necessary material has been selected.

Members voted \$10 for the Red Cross drive and the dance committee announced a dance has been arranged for Saturday, March 21.

Degrees were conferred on Mr. and Mrs. Homer Crawford, Mrs. E. R. Harding and Mr. and Mrs. Max Lancaster.

The degree team will go to Murtaugh Monday, March 18, to confer degrees on Murtaugh Grangers.

#### Long Jail Term Ended For

James W. West, who had served a record for the county jail, paid the fine of \$100 and was released from jail on Friday. He had been in jail since Feb. 16, 1949, except for a working out when he was in the county jail. West, arrested for a killing case, had three months in jail. After losing his appeal, court, he was in jail for 18 months. He had served six months in the state penitentiary and \$100 and \$100 fine.

#### Arrangement on Blood Donor Car Set at Shoshone

SHOSHONE, March 7—Final arrangements for the use of the Union Pacific blood for freedom car have been announced by Mrs. F. H. Dinmore, county chairman.

The car will be located east of the Shoshone depot from 12 to 2 p.m. March 10, during a 100-mile, 100-vehicle tour, she explained.

Workers on the train will include Mrs. Edwin Crook, Mrs. C. W. Dill, Mrs. Howard Atkins, Mrs. Carolyn Mayer, Mrs. Robert Mann, Mrs. J. E. Redden, and nurses Mrs. Fredrick Kibbey, Mrs. Robert Ferberauer, Mrs. Charles Hansen, Mrs. Clyde Hupp and Mrs. Zannie Alexander.

Fruit juices are being furnished by the Methodist Women's Society of Christian Services and the cookies by the PEO.

Soliciting for donors is being made by members of the Legion auxiliary. Mrs. Charles Peck, president, is assisted by Mrs. Ella Wedenburgh, Mrs. E. W. Werry, Mrs. Emille Thomson, Mrs. Harry Stoner, Mrs. Omer Shook, Mrs. E. I. Shaw, Mrs. Thomas Jackson, Mrs. Clyde Brown, Jr., and Mrs. Jay Skidell.

Persons wishing to sign as donors are asked to call Mrs. F. H. Dinmore at Mrs. Peck's.

#### \$1,000 Fine Is Set For Liquor Count

JEROME, March 7—Patrick F. McMonigle is fined \$1,000 and costs by District Judge Hugh A. Baker Saturday after pleading guilty Feb. 23 to selling liquor without a permit.

Judge Baker suspended \$500 of the fine, giving McMonigle \$500 immediately and McMonigle has charges filed against him for one year.

Penitencing of Robert Hancock on a charge of assault with a deadly weapon was postponed until the opening day of the May term of court. Irving Brown and Dave Dubinsky, union racketeers, are doing business with the communists in Europe in your name and with your dollars. This same Irving Brown was recently hailed before the senate and publicly abused by General Eisenhower. Kindly investigate, Mr. President.

#### Trial Slated

A trial of Elmer Alfred, charged with petty larceny has been set for 3 p.m. Monday in justice court. Alfred pleaded innocent Friday afternoon.

He is charged with taking a kitchen sink Thursday from the C and H auction company. Sink has been set at \$50, and he is being held in the city jail.

#### Mrs. McRoberts Paid Last Honor

SHOSHONE, March 7—Funeral services for Mrs. Minnie Dell McRoberts were held Wednesday afternoon at the Burdett funeral home with the Rev. Burr A. Powell, Methodist minister in charge. Mrs. Claude Ches furnished background music.

Funerals were Roy Bean, Joe Farnes and her four sons, Clifford, Glen, Harley and James.

Burial was made in the Shoshone cemetery.

#### Dinner Planned

PAUL, March 7—A potluck dinner for school faculty members will be held at 5 p.m. Wednesday, March 18, at the school.

Mrs. B. Toons and Mrs. Norma Anderson are arranging the menu and Mrs. Vera Williams and Mrs. Farnell Higley are planning the program.

#### Comic Operetta Is Slated at Rupert

RUPERT, March 7—"Oh, Doctor" has been chosen for the Rupert high school comic operetta to be presented at 8 p.m. Thursday and Friday.

The leading roles are being played by Kendall Whitaker, Lee Egan Johnson, LeRoy Hopp, Theron Griffin, Donetta Dugraf, Bernay Hobbs, Norman Bagnall and Richard Duke.

Tickets may be purchased at the Minkola pharmacy and Pop club and chorus members.

The operetta is under the direction of Ned Stocka.

### Pravda Urges Unity Behind Soviet Regime

(From Pravda) had telephoned that we could make the visit if we wished. A million persons must have seen the spotlighted figure in the grey military jacket by that time and more than a million more are expected to pass by the pier before the parade is held at noon (3 a.m. MST) Monday.

It's a bitterly cold day, the kind that makes the feet of the icy pavement seem through the soles of your shoes. The sun shines, but the temperature is below zero.

Moosey's wife stands near the house of the union, a green colored building which houses the hall of the American Nurses Association.

There are all kinds of people on this mission to the building near the Kremlin, who are glad to see the American nurses.

Some carry wreaths of spring flowers, some hold small bunches of golden pinecones. Two or three can be seen laboring along under gigantic wreaths.

There is a shuffle, shuffle, shuffle from thousands of feet. There is a great hum, then a hush, then a hum that comes from thousands and thousands of persons talking in whispers in open places.

There is the open double doors of the building and walked in beneath a huge, framed portrait of Stalin, the premier, who is five times bigger than the doors themselves. A wreath of evergreen boughs hangs beneath the picture, a symbol that Stalin's memory will live.

Inside, uniformed men indicate the way. The lines, four or three abreast, keep moving into a high hallway, up some stairs to a corridor into still another corridor that is lit by electric lights over the line, illuminating the pier.

The pier, with the lights on it, is the center of everything. Stalin's head is on it. Through the feet, the face is stern, the mustache full and neat, the hair brushed, the jaw resolute. A strong face, like the name Stalin, which means "steel."

Somewhere in the room there is a chinked door. A stringed orchestra plays softly. After the funeral Monday, Stalin will be laid to rest in red square beside Lenin, the man he succeeded.

### Western Nations Seek U. N. Meet To Select Leader

UNITED NATIONS, N. Y., March 7.—U. N. big power delegates today called for a security council meeting early next week to discuss choosing a new U. N. secretary-general.

France and Britain were behind the move to get a quick survey of the situation as the means of a water-tight Mr. A. G. L. Leites.

Mr. Leites himself said she would not run for the post now held by Norway's Trygve Lie but that if anybody agrees on her she would take on the job. India is still backing Lester B. Pearson, Canadian foreign secretary and president of the U. N. assembly. Mrs. Pandit is being hailed as a candidate if a deadlock develops on Pearson.

The U. S. has refused to make its position known on any candidate. This is deliberate. Anybody actively supported by the U. S. automatically would get a Soviet veto in the council. It is automatic as western opposition to the Soviet candidate for the job, Poland's Foreign Minister Stanislaw Grotowski.

ADELA HERZVITZ, assistant executive secretary of the American Nurses Association, who will attend a meeting of the nurses at Jerome Thursday.

### Epidemic Ban May Be Lifted In Buhl Area

(From Page One) studying the disease in the area, said he has ascertained that the disease was brought into the Buhl area from out of the state. He said he could say no more about the source of the disease now but would discuss a detailed report later.

Late Hours Knighted Mrs. B. D. Knight, district health unit nursing supervisor, said the unit's office in Twin Falls will continue to remain open until 5 p.m. throughout next week. She said it is staying open from 5 p.m. to 8 p.m. for the convenience of workers and that the general public is expected to apply for this prior to 5 p.m.

Mr. Knight said it works a hardship on health employees to have entire families appear at the unit just before closing time. Those who can attend the clinic prior to 5 p.m. are urged to do so. He estimates that the unit office has administered 7,000 inoculations this week.

Clinics Planned Meanwhile, plans for clinics throughout Magic Valley are continuing. Clinics for Hazelton-Buhl area residents will be held at 9 a.m. Monday and a clinic for Hagerman area residents has been set for 9 a.m. Tuesday. At 10:30 a.m. Tuesday a clinic will be held at Gooding.

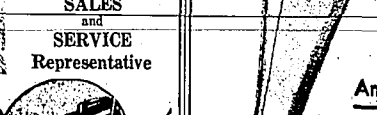

Despite the lifting of the ban at Buhl at least one meeting will not be held next week as a result of the epidemic. The regular monthly meeting of the Buhl Boy Scout district committee, scheduled for 8 p.m. Tuesday, has been postponed, reported C. T. McVeety, chairman.

### Free Book on Arthritis and Rheumatism

How to Avoid Crippling Deformities An amazing newly enlarged 44-page book entitled "Rheumatism" will be sent free to anyone who will write for it. It reveals why drugs and medicines give only temporary relief and fail to remove the cause of the trouble; explains a radical non-surgical, non-medical treatment which has proven successful for the past 33 years.

You incur no obligation in sending for this instructive book. It may be the means of saving you years of untold misery. Write today to The Ball Clinic, Dept. 4503, Excelsior Springs, Missouri, adv.

### Bill Paving Way For School Uses Of Spud Surplus

WASHINGTON, March 7.—(Special)—Sen. Herman Welker is co-sponsoring a bill to enable the federal school lunch program to buy surplus potatoes.

The bill, submitted by former agriculture committee chairman Allen J. Ellender, D. La., is designed to amend the law which now blocks use of federal funds for buying potatoes under the school program.

"While the legislation necessarily puts potatoes under discretionary support status," Welker said, "it is a confidence that the new secretary of agriculture, Mr. Benson, would use the discretionary power only if absolutely required."

The senator explained that lunch program purchases would probably never be extensive but might be useful in stabilizing the market in the future.

"I realize that Idaho farmers have had enough of controls, but I know they are absolutely required," he said. "The views on the subject are well known," Welker declared.

### Grandchild Killed

Mr. and Mrs. Warren S. Parker, former residents of Twin Falls now living at Boise, have retained word of the accidental death of their 6-year-old granddaughter, Kathleen Parker, in Okinawa.

"We were some aid to cities, towns and villages, although not enough. Our problems of juvenile delinquency should be materially lessened when the new code and other laws affecting juveniles go into effect."

"I think that although controversial, the truck bill is one that will work, giving our trucks reciprocity and providing the state more revenue at the same time. I think both interim studies—taxes and the medical care program—will be very important."

"We also provided a basic underground water code, outlawed no machines, and by the agreement with the legislature that the state should maintain only two state-supported institutions of higher learning."

"The name 'Formosa' comes from the Portuguese, 'ilha formosa' which means 'beautiful island.'"

### Five Parleys on Beet Raising Are Slated During This Week

Five meetings of interest to present and prospective sugar beet growers are scheduled in Twin Falls during the week ending Monday through Friday, Annamattag Sugar company officials announced Saturday.

The meetings are being held in the Nampa district and slide pictures of Twin Falls district growers are scheduled for Feb. 11. Field representatives and officials of the Twin Falls plant also are scheduled to speak at each of the meetings.

All will begin at 8 p.m. The first is scheduled Monday night at the Murtaugh high school. Schedule for the rest of the week is Eden Grange hall Tuesday night, Buhl city hall Wednesday night, Filer Grange hall Thursday night and Twin Falls 1009-half Friday night.

Robert Day, Twin Falls plant official, said Saturday the company hopes to sign up 15,000 acres for beet production in 1953. He said slightly over 10,000 acres produced beets in the district last year and so far this year 11,000 acres have been contracted.

In 1952 772 growers were contracted and this year 685 have been contracted to date. Day said the outlook on prices and production is favorable for 1953. The company expects beets will bring growers \$150 to \$15 per ton. Last year Twin Falls county had an average of 21.4 tons of beets per acre. Sugar content of the beets exceeded the national average of slightly over 16 per cent by totaling 16.84, Day said. This is an outstanding record, he added.

Speakers at the meetings during the week will include Robert Peterson, Buhl field man on seed development; Dale Strong, Twin Falls, on fertilizing; and Robert Hughes, Hazelton, on modern prairie beet. Paul Sandy, Curry area beet

Care of Your Children  
By ANGELO PATRI

It is wise to consult books to get the best advice of the author, and learn the needs of your child. He will certainly differ in some respects from other children and those differences must be respected if we are to rear a happy well-adjusted child. How to do it is a personal problem that must be worked out by the parent, always with consideration for the child's peculiar needs. Each child is different.

# JEROME, TWIN FALLS KEEP CLEAN SLATES IN CAGE TOURNEY

## Sports

FROM ALL ANGLES

By MARION DUNN

A group of young boys were playing baseball on the adjoining playground Saturday morning, but four youngsters were standing in front of Jerome park looking at the same way as the boys who were playing. "Home of the Cowboys" was the name of the game, and the boys were playing it. "Right in the middle of the game," they were told.

The four made a rush for the Cowboys office and in a room at First and Montague, new business manager, was snored under by the four applicants. Montague handled the situation skillfully, and the four boys were sent to the park. A cowboy outfit in their hands, a flock of dreams about something regarding the homecoming in their hearts.

It seemed as if spring had arrived in Magic Valley. To make the picture complete, Montague and the boys were open to the idea of sorting out equipment for the Cowboys' coming spring training. The equipment was sorted out, and the two men looked as happy as youngsters themselves as they handled the equipment.

"I've got to remember just how I pack this trunk," Montague said as he put in a pair of new Louisville sneakers.

"Why?" he was asked.

"We might get off to a winning start and if so I want to pack it the same way every time. If we lose I want to be sure and change it," he answered.

Someone snorted something about sneakers and Montague came back.

"I remember one day when I was with the Cronin down south. We cooked breakfast for the guys on the team. Made pancakes. Big and heavy. Well, you know that day, and we cooked pancakes again the next day, same recipe. That went on for 11 days and we were very fat. It was a relief when we lost so we could stop eating those pancakes."

There was a lot of excitement coming out of Friday's opening round of the National Invitational basketball tournament at Jerome.

But in the action that most of the fans had seen in the first round, the Bulls came from back to edge out Jersey at the finish.

While the excitement was making the crowd wild, coach Leo Popper was being alerted by a telegram on the bench. He signed the telegram and then started to walk without taking the telegram. The messenger finally showed it in his hand and started to walk back to the office.

His team lost by one of the biggest margins but Piler's Don Davis led the show from the Bulls in the first quarter. Piler was having a hard time getting in close for the second and third quarters.

Then Davis started shooting from away back by the center line. He took five shots and hit four of them. Roy Kimmerring and Don Hall chipped in four points and the score was 12-10 at one point before Jerome got rolling again.

Bollie Leeper, Gooding, is one of the outstanding floor captains in the tourney. A cool thinker, Leeper led his team with the ability of a topflight quarterback.

## Burley, Pirates Keep up Hopes In Second Round

JEROME, March 7—Jerome and Twin Falls set the stage Saturday for another chapter in their torrid basketball rivalry this year as the two teams came through second-round play as the only unbeaten teams in the annual district four class A tournament here.

Jerome defeated Buhl 49-32 and Twin Falls dished Gooding 33-24. In afternoon play Saturday, Rupert downed Oakley 61-55 and Burley tripped Piler 67-50.

In Friday's first-round play, Buhl stopped Burley 47-39 in a tight and tense thriller. Jerome defeated Piler 60-40, Gooding handed last year's winner from Oakley a 61-49 beating, and Twin Falls hurled Rupert 65-32.

Burley and Rupert will open Monday's action at 3:30 p.m. Buhl meets Gooding at 7:30 p.m. and Jerome and Twin Falls battle in the final game of the night.

The meeting Monday will be the third of the year between the Bruins and Tigers with each holding a one-sided win over the other in earlier games.

Jerome had to weather a thrilling last quarter rally by Buhl Saturday night as the Bulls came down from behind with a frenzied rush to the final canto.

Going into the last quarter Jerome was in front 22-22 and by the first bell the Tigers were clinging to a three-point margin.

Jerome showed a well-balanced attack as Doug Capps led scorers with 12 points. Pete Shaver was second high with nine. Junior Walden scored 11 points and Paul Brown 10 for Buhl.

Twin Falls led by Bud Sweet for the second straight night as the senior cager scored 12 points and was strong on both boards. Gary Simmons scored 11 points and Knute Westergren and Dale Tilly eight each for the Bruins.

Rollie Leeper, who scored 27 points Friday, was held to 10 points Saturday and had a share of honors for Everett Middleworth for Gooding.

The tournament opened right action Saturday night as the Bruins and Burley game was figured to be a tossup, it was Jerome, Gooding and Twin Falls were favored to win and they did.

But the only really exciting game from a spectator point of view came in the first round when the Bruins came back from five points behind in the final quarter to win.

Clark was the hero, working for the Bulls team, was the big gun in the comeback. Trailing 38-33 in the last cano, Brown hooked in a basket, then came a layup behind the hoop and the margin was cut to 40-36. Then Danny Hudson hit the shot that made a layup behind the hoop and the margin was cut to 40-36.

Then Danny Hudson hit the shot that made a layup behind the hoop and the margin was cut to 40-36. Then Danny Hudson hit the shot that made a layup behind the hoop and the margin was cut to 40-36.

Claxton hit foul try and Bob Campbell did likewise. Shaver and with two and a half minutes to go the score was 44-43 for Buhl.

Claxton, Brown and Walden all hit foul try and Shaver scored eight points in the last half of the four-minute mark.

In the second game of the afternoon, Jerome had a close fight with Piler in the first half which the Tigers led 30-24 but Gary Tomlinson, Skip Eastersbrook, Pete Shaver and company were the much for the Wildcats in the last half and the game turned to a rout, to lead Twin Falls while Dale Tilly mired beautifully from the field to get 18. Buckley was high for Rupert with nine points.

Piler was the first team to drop from the tournament as Burley administered the knockout punch 67-50 Saturday afternoon. A few minutes later Oakley joined Piler on the outside after losing 61-55 to Rupert.

Garth Wilson led Burley to its initial win of the meet by scoring 16 points while Bob Campbell scored 15. Roy Kimmerring scored 14 points for Piler and Don Davis added 13. Twin Falls broke loose for Rupert to score 23 points and eliminate the defending champions from the meet. Jarl Olson scored 13 points for Rupert.

As usual, Delmar Hardy led Oakley in the scoring column with 18 points while Allen Woodhouse and Bob Storey scored nine each.

### Keep Him Warm, Coach!

A. Vinzen Carter, left, coach of Gooding high school basketball team, and Everett Middleworth, right, help Bollie Leeper into his warmup jacket after Leeper scored 27 points against Oakley Friday night. Leeper's total was high for individuals during the first day's play. Middleworth also played a great game and dropped in 16 points during the game. (Staff photo-entouring)

## Washington Downs Bears 80-57 for Pacific Coast Conference Crown

SEATTLE, March 7 (AP)—Washington Huskies romped into the Pacific Coast conference basketball championship Saturday night, blasting and besting California's Golden Bears for an 80-57 triumph.

The hook-shot wizardry of Bob Houbrges, Washington's all-American, produced 31 points as the champions settled the issue with their second straight defeat.

The Huskies won Friday night's opener 69-57.

Washington's 80 points were a new high for a winning team in a coast conference playoff game.

A capably crowd of 11,000 watched Houbrges hit a phenomenal 12-22 in 45 attempts to lead Washington into a berth in the NCAA regional next week at Corvallis, Ore.

The Houbrges' hook shot was control tactics put the Bears 21 points in arrears for a time and after that they never got close and it was early in the final period, Washington's airtight defense again stopped all the Californians except Bob McKen, 6-foot, 7-inch sophomore. He capped 22 points.

Joe Cipriano, hero of Friday night's triumph, got Washington away in front with a long one-ender. California never did go in front, although the Bears pulled even for a couple of seconds at the 6-6 mark on a free toss by Rupe Rickson.

By the close of the first quarter, the Huskies were in front 10-11 and they spread the margin to 24-22 by recess.

California tied practically everything in the book and it all backed. A third quarter effort at Berkeley.

Valley Tips Filer In Junior Tourney

HAZLETON, March 7—Valley threw the junior high school basketball tournament here into an extra day Saturday by upsetting favored Piler after eliminating Kimberly in an afternoon game.

Valley defeated Kimberly 29-19 in the first game when three Piler matches left before a champion was crowned.

Last year's champion, David Tucker, was high in the running after the first day's firing as he took the first three places in the initial round.

The crowd was much smaller than had been expected with no riflemen from Boise or Salt Lake City entering the meet as had been the case in past years. But while small in quantity the field was loaded with quality and Magic Valley shooters were walking off with most of the honors.

The results: Match 1, 20-man team—David Tucker and Tom Hill, Twin Falls, 383; Master—Earnest Roland and Chester Bowyer, 327; Harou Moeckel and Robert Jones, 316; Expert—Harry and Frank Malcom, 381; Carl and Hal Van Ostran, 374; Sharpshooter—Gordon and Le Van Ostran, 365; George Edwards and Murray Christensen, 357.

Match 2, Four position—Cecil Duce, Postville, 885; Tom Hill, Twin Falls, 354; Frank Jenkins, Twin Falls, 358; Master—Lewis Hill, Twin Falls, 332; Clyde Ross, Twin Falls, 321; Expert—Eva Ross, Twin Falls, 311; Parry Piler, Buhl, 378; Leonard—Gusman, Twin Falls, 370; Howard Barnes, Buhl, 374; Marksmen—Ray Pester, Logan, Utah, 377; Lee Van Ostran, 368; and five sights—Renie Van Match 3, any sights—Renie Van Paeppegren, Meridian, 292; Tom Hill, 289; Robert Dolzer, 288; Master—David Tucker, 287; Clyde Ross, 286; Expert—Leonard Titmus, 280; Frank Jenkins, 284; Marcella Oswald, 283; High Lady—Eva Ross, 282; Murray Christiansen, 275; George Edwards, 271; Marksmen—Ray Pester, 265; Lee Van Ostran, 262; Joe Bauer, 252.

Match 4, aggregate of matches 2 and 3—Tom Hill won trophy with 1178; Renie Van Paeppegren, 673; Cecil Duce, 669; Master—David Tucker, 668; Lewis Hill, 665; Expert—Frank Jenkins, 661; Leonard Titmus, 663; Marcella Oswald, 657; Sharpshooter—Howard Barnes, 654; George Edwards, 653; Gregory Bell, 644; High Lady—Eva Ross, 660; Marksmen—Ray Pester, 650; Lee Van Ostran, 647; Joe Bauer, 644.

33-25 at night. Valley and Piler will settle the issue for good Monday at 7 p.m. The Hansen character was judged best by a panel of parents at the games.

## Small Field Open 1953 Idaho State Rifle Shoot Here

A small field of 66 shooters raced through the first matches in the 1953 Idaho State Gallery Rifle championship at the Twin Falls range Saturday.

The shooters will resume firing at 7 a.m. Sunday with matches left before a champion can be crowned.

Last year's champion, David Tucker, was high in the running after the first day's firing as he took the first three places in the initial round.

The crowd was much smaller than had been expected with no riflemen from Boise or Salt Lake City entering the meet as had been the case in past years. But while small in quantity the field was loaded with quality and Magic Valley shooters were walking off with most of the honors.

The results: Match 1, 20-man team—David Tucker and Tom Hill, Twin Falls, 383; Master—Earnest Roland and Chester Bowyer, 327; Harou Moeckel and Robert Jones, 316; Expert—Harry and Frank Malcom, 381; Carl and Hal Van Ostran, 374; Sharpshooter—Gordon and Le Van Ostran, 365; George Edwards and Murray Christensen, 357.

Match 2, Four position—Cecil Duce, Postville, 885; Tom Hill, Twin Falls, 354; Frank Jenkins, Twin Falls, 358; Master—Lewis Hill, Twin Falls, 332; Clyde Ross, Twin Falls, 321; Expert—Eva Ross, Twin Falls, 311; Parry Piler, Buhl, 378; Leonard—Gusman, Twin Falls, 370; Howard Barnes, Buhl, 374; Marksmen—Ray Pester, Logan, Utah, 377; Lee Van Ostran, 368; and five sights—Renie Van Match 3, any sights—Renie Van Paeppegren, Meridian, 292; Tom Hill, 289; Robert Dolzer, 288; Master—David Tucker, 287; Clyde Ross, 286; Expert—Leonard Titmus, 280; Frank Jenkins, 284; Marcella Oswald, 283; High Lady—Eva Ross, 282; Murray Christiansen, 275; George Edwards, 271; Marksmen—Ray Pester, 265; Lee Van Ostran, 262; Joe Bauer, 252.

Match 4, aggregate of matches 2 and 3—Tom Hill won trophy with 1178; Renie Van Paeppegren, 673; Cecil Duce, 669; Master—David Tucker, 668; Lewis Hill, 665; Expert—Frank Jenkins, 661; Leonard Titmus, 663; Marcella Oswald, 657; Sharpshooter—Howard Barnes, 654; George Edwards, 653; Gregory Bell, 644; High Lady—Eva Ross, 660; Marksmen—Ray Pester, 650; Lee Van Ostran, 647; Joe Bauer, 644.

33-25 at night. Valley and Piler will settle the issue for good Monday at 7 p.m. The Hansen character was judged best by a panel of parents at the games.

## Redmen Down St. Louis

NEW YORK, March 7 (AP)—The St. John's Redmen, a red-hot team at the end of the first round of the National Invitational basketball tournament, were downed Saturday night by the St. Louis University Bulldogs in the opening round of the National Invitational basketball tournament. A crowd of 12,821 jammed the Mt. Kisco Madison Square Garden, say Duquesne and Louisville also advanced to the second round in the NIT tournament.

A beefy substitute, 6-foot 8-inch, 230-pound Jim Walsh, turned in a great clutch performance to lead St. John's in its upset victory. Walsh replaced left Jim Davis after the regular center accumulated three personal fouls early in the proceedings, and about every time St. Louis threatened to get behind, Walsh stepped in a field goal to check the threat. He wound up with 24 points, all but two of them from the floor.

Walsh's 24 points were the key to St. John's victory. He scored 12 points in the first half and 12 in the second. He also had four rebounds and two assists.

St. Louis' coach, Alvin Woodhouse, said his team was "out of sync" in the first half. He said his team was "out of sync" in the first half.

### Best Friend a Dollar Ever Had!

This wonderful Dual-Streak beauty is the perfect example of the idea: to build the finest, most beautiful, best performing car that can be created to sell at a price just above the lowest. If you want to see how well Pontiac has succeeded in the aim, come in and inspect this greatest of all Pontiacs. Notice how big it is, with its long 127" wheelbase and its roomy body by Fisher. Notice, too, its superb beauty. No car in America is more distinctive. Then get behind the wheel and learn what driving can really be. Feel the idea: to build the finest, most beautiful, best performing car that can be created to sell at a price just above the lowest. Remember this, too: Pontiac is famous for delivering thousands upon thousands of wonderful miles with only routine-servicing attention. In beauty, performance, comfort, resale value, downright pride of possession—we're sure you'll find that Pontiac is the best friend a new car dollar ever had!

# BARNARD AUTO COMPANY

203-223 SECOND AVENUE EAST TWIN FALLS, IDAHO

### WANTED District Manager

Our company is seeking a man capable of managing our operations in Idaho. Can earn \$9,000 to \$15,000 a year. We have a national institution with a high caliber digitized program receiving national publicity and endorsement. No special experience necessary. Our office will give you continual assistance and cooperation. Area is set up for your expansion. Can be part time to start. We prefer a man having about \$200 working capital. Write, giving your qualifications. Howard Co. Box 6-O Times-News

# Magic Valley Cowboys Open New Stock Sale Drive; Hopes Soar for Good Year

"It is the time for all good fans to come to the aid of the Cowboys," was the theme around the Magic Valley baseball office Saturday.

The local baseball club is starting a stock drive and with the backing of the Boston Red Sox in the player market, a boom in stock sales seemed likely to assure the Cowboys of a great season this summer.

Free Montague, club business manager, got the new stock sale going Friday when he bought a share from club secretary-treasurer Carl Sherwood.

"By Saturday morning some orders for stock had reached the club office at Jaycee park and it seemed as if the drive was off to a good start."

The club's stockholders will meet at 8 p.m. Wednesday in the Idaho Power auditorium. Officers will be elected and new members will be chosen to replace the three members who rotate on the board of directors.

Last year's operation will be explained and plans for the coming season outlined, according to club president Bill Wiseman, who urges all stockholders to attend the important meeting.

While the election of officers and board of directors members loomed high on the local agenda, things were starting to take a firmer shape on the playing front.

The Red Sox have given their assurance that some good talent will be ready and waiting when the team opens its spring training camp at Santa Clara April 19.

So far the Cowboys have lined up eight practice games. They will play San Jose at San Jose April 11 and 12, then will move to Santa Clara for a third game against the San Jose team. April 14 they meet Payette at Santa Clara and San Jose at Santa Clara on April 15.

The Cowboys play at Monterey April 19 and Tuesday April 20. They will then win their first Pioneer league club April 21 at Elko, Nev., against Pocatello, giving Magic Valley fans a chance to see the team in action before it actually gets back to the home park.

Plans were on the league schedule will be April 24 when the Cowboys' home game will be a two-game affair. April 25 will see the two teams move to Boise to open their respective home seasons and the long daylight will be on.

The first long home stand for the Magic Valley team will start May 7 with Billings here three days, Great Falls three and Boise one before the Cowboys move to Idaho Falls.

With hopes high in the front office the bucking of a major league pitcher, Walker, has been a big item in the Magic Valley team's plans.

Walker's name goes on the big trophy along with Tom Wilson, 1930 and 1951 winner and Harry Fovey, last year's champ.

Walker and Green were thrown into finals when Walker defeated Max Merkley 65-10 and Floyd Pinell upset Green 215 to 121 in what is last round action.

That left both Green and Walker with two wins and one loss each and brought about the final game.

# Sure Sign of Spring

Carl Sherwood, left, helps Magic Valley business manager, Fred Montague, try on catching paraphernalia as the two men inspect Cowboy's equipment prior to opening of spring training camp. Sherwood, team's secretary-treasurer, said Montague is a share in club's stock. Montague plans to leave Monday or Tuesday for west coast to help manager, Dolph Canfield set up training camp. # National Champs To Defend Titles In NCAA Meet

POCATELLO, March 7—Idaho State college boxing coach Milton Holt said Saturday that three defending national champions will be on hand to defend their titles when the NCAA national boxing tournament is held in the ISC gymnasium April 9, 10 and 11.

Included among the 72 contestants competing for nine divisional NCAA boxing titles will be Archie Staten, Miami, Fla., universal 132-pounder; Bob Morgan, University of Wisconsin 147-pound performer; and Ellsworth (Spider) Webb, Idaho State college 166-pound champ.

New champions will be crowned in the 119, 123, 136, 145, 176, 212-pound and heavyweight divisions.

Invitations to the big three-day tournament have been extended to over 25 schools in the nation.

After all entries have been received by the ISC touring committee, the NCAA rules committee will designate the collegiate boxes to be admitted to the tournament. Eight of the nation's outstanding colleges will participate in each of nine weight divisions, making a total of 72 boxes competing in the tourney.

The rules committee, composed of faculty representatives from six colleges and universities will arrive in Pocatello and weigh-in will occur before the tournament gets under way to screen each candidate for the 72 tournament boxes.

Members of the rules committee are William Blackwelder, University of Wisconsin; Edmund LaPointe, University of California; David Carl Schott, Penn State; James Louis Lott, Louisiana State; and Ralph Young, Michigan State.

Idaho State players placed on the mythical five by coaches in the 8-in-team league are Sam Brekham and Les Rob. Brekham was voted the outstanding player in the conference. Rob, a freshman sensation from Idaho Falls, was the top scorer with an average of 16.5 points per game. He was a unanimous choice.

Colorado State's representative are Don Doolin, a repeater from last year, and Earl Sandstedt, smooth playing forward. Doolin is one of the state's best handball players in the league and is one of the smallest, weighing only 150 pounds.

The fifth member of the first team is Andy Sybok, Western State's 6-5 center, who ranked second to Rob in scoring with an average of 16 points.

Second team Holgrim Holo and Jerry Gausser, Montana State; Richard Bauer, Idaho State; Gene Kazarek, Colorado Mines; Paul Lamat, Colorado State.

Honorable mention: Keith Edwards and Bob Tucker, Colorado State; Tom Parac, Montana State; Lowell Bloucum and Don Stone, Colorado college; Tom Wyman, Colorado Mines; Gus Connor, Idaho State.

San Jose State's boxing team handed Idaho State's ringmen their first defeat of the season last night by edging out the visitors 5 to 4.

An upset was scored in the 126-pound division when San Jose's Mike Guerrero defeated Vic Khome, defending Pacific Coast champion.

It was the Idaho batter's first loss of the season.

In a 147-pound class match, Dick Bender, San Jose, rallied in the final round to win a decision over Russ Lundgren.

Idaho State's Ellsworth Webb, 165-pound class NCAA champion and member of the Olympic squad, defeated Ed Heinrich in 1:33 of the final round on a referee's decision.

The results: 119 pounds—Al Accurso, SJ, drew with Leo Daniels, 126 pounds—Mike Guerrero, SJ, 132 pounds—Mike Guerrero, SJ, 136 pounds—Mike Guerrero, SJ, 145 pounds—Mike Guerrero, SJ, 176 pounds—Mike Guerrero, SJ, 212 pounds—Mike Guerrero, SJ, heavyweight—Purcell to San Jose.

Walker shows form that brought him to an unprecedented position in final round of Evergreen billiards tournament and put him in the rotating championship trophy. (Staff photo-entraping)

# Walker Grabs Trophy Title Billiards Tournament

It was the former boy scout who beat Green 215 to 200 in 38 innings.

While Green lost the tournament, he managed to rack up a high run in the annual Evergreen billiards tournament.

Walker, beaten out during the A division championship play, may not win the championship with an upset over favorite Frank Green.

Walker had a 143-point handicap.

## Gypsy Joe Sets Title Defense On Local Card

Gypsy Joe will put his "world's light-heavyweight wrestling title" on the block before Twin Falls wrestling fans at the Radio Round-up Tuesday night when he tangles with Sully Hayama in the weekly main event.

Gypsy Joe has been making a tour of the nation, putting his title on the line before all comers since winning it from Johnny Balbo three months ago at Des Moines, Ia.

Hayama, known for his judo and deeper holds, should be a formidable opponent for the Gypsy. The bout will be one hour or best two out of three falls.

Jack Carter will team with Paul DeChalco against Joe Campbell and Tony Mullington in the semifinal match over 45 minutes of two out of three falls.

The special event will pit Billy Hickson against Billy Sandow on a 20-minute or one-fall match.

Starting time will be 8:30 p.m.

## Shoshone Basketball Club Compiles Good Record

SHOSHONE, March 7—Shoshone high school's basketball team, defeated in the fourth district class B tournament, nevertheless compiled an enviable record during the past season.

Figures released by coach Paul Ostyn show that the Indians held their opponents to an average of 47.2 points per game, a better than fair record in this day of high scoring teams.

Ostyn also released his squad's all-around team and individual figures.

Ted Burgess, a junior, was the top offensive player on the team this season. Burgess played in 23 games, 88 quarters, 668 minutes, scored 75 field goals, 92 free throws for 242 points. He took 119 defensive rebounds, controlled 47 jump-balls and "pounded up" with a 295 points per game average.

That just about gave the young career a sweep in top honors. Ostyn first on the team went to center Austin Young who took 104 offensive rebounds and sophomore Lewis Mastalunas who compiled a .39 average in field goal shooting.

Named to the all-opponent first team by the Indians were Ted Leach, Engerman; Gary McDowell, Kimberly; Teddy Tate, Kimberly; Dick Sletke, Wendell; Rolfe Leep-

er, Gooding, and Don Barlogi, Hagerman.

Second team—Dale Boyer, Engerman; Gary Dolan, Castletford; Mac McCoy, Castletford; Jim Reese, Kimberly; and Adams, Salmon.

Third team—Wendell Allen, Oatley; Mac Smith, Wendell; Dick Rash, Glenns Ferry; and Dick Foster, Hatley, were on the third team while Cur-Maxwell, Hagerman; Don Davis, Filer; Charlie Bloom, Glenns Ferry; and Everett Middleworth, Gooding, received honorable mention.

## Ehlers Stars

A young Twin Falls basketball star has compiled an enviable record this year while playing with Concordia academy, Portland, Ore.

Ron (Spike) Ehlers, six-foot, seven-inch center for the academy, has scored 24 points this season, highest on his team. That gives Ehlers the lead in the Mid-Columbia league with a total of 125 points and an average of 43 per cent from the field.

Ehlers is a student at Concordia, a preparatory school for the Lutheran church—Missouri synod.

## Olympic Champion Gets Ski Crown

STOWE, Vt., March 7 (U.S.—Olympic champion Andrea Lawrence won her second ski title in as many days by beating a select field of women racers for the North American downhill championship Saturday.

The 20-year-old mother from Rutland raced the dangerous mile-and-a-quarter course—lay in some spots and heavy with windblown snow in others—in 2:12.

Fourteen-year-old Mary Litchfield, Sun Valley, took third place in 2:28.4, and Sally Kingman, Wisconsin Rapids, Wis., was fourth in 2:28.8. Sally took a spill at the finish line but was not hurt.

Kathy Randolph, Sun Valley, was eighth in 2:33.2.

### Neither Stars Nor Compass Points North

By J. HUGH FREYET  
Astronomer, Extension Division  
Oregon Higher Education System

A young man bought a knife with a small compass in the handle and stepped to the street, which he had always thought ran about the north and south for a long time.

Dr. Frey

To his amazement the compass needle pointed east of the street direction. He at once reported to the salesman that the compass did not work correctly. The salesman somewhat surprised, ventured the opinion that the trouble is the street is 20 degrees east of true north and south.

Both men were mistaken. The compass was all right and so was the street. The magnetic north is not necessarily determined by the direction of the compass needle. This is because of the magnetic north in the United States that point varies from 24 degrees east of true north in northwestern Washington to 23 degrees west in northern Maine. It indicates true north only along a line running roughly through Michigan, Indiana, Kentucky and South Carolina.

Still Useful Device  
But the compass is a very useful instrument if you know its deviation from true north in your own locality. This needed correction can be obtained from any civil engineer in your community.

In the north star, or Polaris, then the indicator of true north. Like the compass, it can be so used if its deviations are considered. Only for a moment twice a day is Polaris due north. It seems daily to trace a little circle in the sky which at present is slightly less than one degree (twice the width of the full moon) from the point that is true north, during an entire 24 hours.

Shakespeare made his Julius Caesar say, "I am constant as the northern star, of whose true fixed and resting quality there is no fellow in the firmament." But this great poet was not an unerring astronomer.

Polaris was off about four degrees from the "true resting" point in Shakespeare's time and 10 degrees off when his Caesar was supposed to have been speaking. Several fainter stars seemed to be more "resting" than the north star.

Geographical Center  
If neither the compass nor Polaris defines true north, what does? North is the direction toward the geographical north pole of the earth. We cannot take sightings on this starless pole, but we can find the place in the sky toward which the pole points. This place, the celestial pole, is the center of the circle Polaris and other stars seem to trace daily, due to the rotation of the earth on its axis.

From a very dark place, direct an open camera in general toward Polaris and leave it for a few hours. Polaris and other nearby stars will trace partial circles around the celestial pole. A few years ago a telescopic star Polaris was almost exactly at the celestial pole—the true north point.

Dividend Planned  
The Nashville Investment company has reported that national income series will pay a quarterly dividend of eight cents per share from net investment income on March 15 to holders of record on Feb. 23.

### Teams Honored

HAUGERMAN, March 7—The girls and boys basketball teams and their parents were entertained at a dinner given at the Turf club Thursday evening. Hosts were Mr. and Mrs. Jay Farmer, Jim Burlog, Merle Owsley, E. C. Moore, Lloyd Jensen, Robert Gardner and Thomas Owsley.

### Hogs and Sheep Gain, Cattle Fall At Burley's Sale

BURLEY, March 7—Hogs and sheep were higher and more chances of cattle lower at the Burley Livestock Commission company sale Thursday. Saleable cattle totaled 400 with no choice quality offered. Commercial and good fed steers brought \$15-\$19; utility and commercial heifers \$10-\$15; fed Holstein steers \$15-\$19; with bulk around \$17. Feeder Holstein steers \$12-\$16.50; fat cows \$10-\$17; cullers, \$12.50-\$14.50; cullers \$8-\$12; odd steer calves \$10-\$23.50; heifer calves \$10-\$21; veal calves up to \$29; bulls \$15-\$18.50.

Hogs totaled 350 with 190 to 230 lb. selling at \$21.50-\$23.50; bulk around \$22.50; light hogs \$20-\$22; heavy butchers \$19-\$21.50; heavy sows \$17-\$19; light sows up to \$20; feeder pigs \$20-\$25.50; weiners \$8-\$16. There were 276 head of sheep with fat lambs bringing \$21.50-\$23.50, one duck at \$10.70; feeder lambs down to \$10; fat ewes \$6-\$8.75; cull and canners, \$1-\$5 a head. Horses brought \$1.50 to \$4.75.

### Snow Depths Are Taken in Forest Areas

BURLEY, March 7—Snow measurements and water content on four snow courses in the Minidoka national forest were taken recently by forest employees. Forest Supervisor A. E. Briggs reported Saturday.

Measurements in Howell canyon in the Albion division are near normal but measurements in the Buttelets division are considerably below 1932. They are, however, near the eight-year average. Measurements at Roseter and Magic mountain were taken before the last general storm and while the measurements show that you snow and water content are below average it is believed they now are near normal because of the recent snow, Briggs said.

The average snow depth at Roseter this year is 57.4 inches with 18.95 inches of water. The depth in 1932 was 67.6 inches with 24.1 inches of water and the eight-year average is 66.56 inches of snow with 19.22 inches of water.

On the Sublett snow course the snow is 41.7 inches deep with 13.3 inches of water. Last year there was 51 inches of snow with 16.5 inches of snow and 11.3 inches of water. The snow is 45.5 inches deep on Magic mountain as of Feb. 25. The water content is 17.9 inches. Last year the measurement was 75.9

### Contracts Signed For Cassia's Fair

BURLEY, March 7—Contracts for the Cassia county fair and rodeo Aug. 29-32 were signed with Harley Tucker, Joseph Ore, for rodeo stock and with Sibrand brothers carnival at the Monday meeting of the board.

Joe Carlson, Albion, was elected president; F. C. White, Malia, vice president; I. H. Hartz, Burley, treasurer, and Saul Clark, Burley, secretary.

A "30-foot" display building is to be built at the fairgrounds as soon as weather permits. Several horse races are planned for the summer.

Other board members are H. C. Matthews, Oakley; and Glenn Bodley, Wealey Blazemore, George McGonigle and Charles Haight of Burley.

Inches of snow with 24.43 inches of water. The eight-year average is 55.63 inches of snow and 18.83 inches of water.

### Soil Engineer Is Sent Here

Robert Wagener, soil conservation service civil engineer, has been assigned to the Twin Falls soil conservation district staff in Twin Falls, according to Clarence Hedrick, district soil conservationist.

Wagener will assist district farmers with their agricultural engineering problems. His offices are in the Twin Falls soil conservation district quarters in the basement of the old hospital building.

Wagener and his wife moved to Twin Falls from Sandpoint, where he was employed by the soil conservation service for four and one-half years. He is a graduate of the University of Nebraska civil engineering school.

Wagener served three and one-half years with the army engineers in the Asiatic-Pacific theater during World War II.

### Students Active

COLLEGE OF IDAHO, Caldwell, March 7—Big Magic Valley students have been active in two College of Idaho events.

Freda Joe Muller and Zoe Ann Warner, Twin Falls, and Marilyn Pember, Buhl, were among students assisting in arrangements for a birthday anniversary dinner party Wednesday evening at Supt. hall.

Alber B. Wilson, jr. Twin Falls, has supervised making of scenery and other items for a comedy show at "Bell Book and Candy" staged March 11-14. Among his assistants were Miss Muller and Charlene Holma, Twin Falls.

DAUGHTER BORN  
ALBION, March 7—Mr. and Mrs. V. E. Neyman have received word of the birth of a daughter to Mr. and Mrs. Jimmie Neyman, Halley. The child is their fourth girl.

### IF RUPTURED TRY THIS OUT

Modern Protection Provides Great Comfort and Relief WITHOUT TORTUROUS TRUSS WEAR

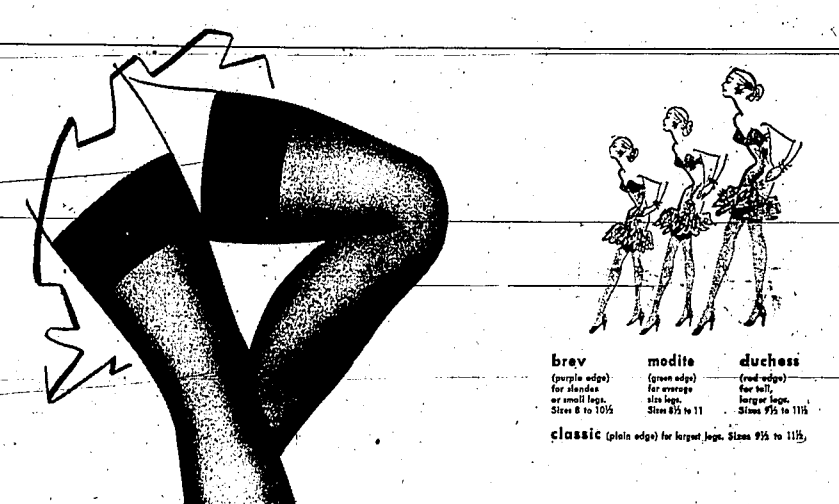

An "eye-opening" revelation in sensible and comfortable this rupture protection may be yours for the asking. Write for obligation. Simply tear this out and mail with your name and address to William E. Rice, Inc., Dept. 330-74 Adams St., full details of the new and different Rice Method of Free. Without hard flesh-gouging pads or tormenting straps, here's a support that has brought joy and comfort to thousands by releasing them from trusses with springs and steel bands and cuts. Designed to securely hold a rupture up and it belongs and yet give freedom of body and genuine comfort. FREE TREATISE and full information—write today!

### Officially Finishes New Water System

Shoshone's new waterworks system is hailed as the cleanest and most efficient in Idaho. Water for the town has been pumped, the interior of the building has been covered with a coat of paint that can be washed off and the floor is covered with a new tile. The pumps and piping were installed last fall when work was completed and the entire system was considered as finished this morning.

Many costs have been saved by the new system. Formerly, 100 pounds of chlorine a day were used to purify the water. Now only 13 pounds are used only 13 days a week and it is used only to pass through the water from the reservoir. The water from the reservoir is taken from the state laboratory at the state laboratory in the city for water samples.

The new system is in ammonia. The water is now in it at 172-foot level. The water is now in it at 172-foot level. The water is now in it at 172-foot level.

### Carey's Nominee

MRS. EMANUEL WILDE  
is Carey's nominee for mother of the year. A resident of Carey since 1909, Mrs. Wilde was born in England and had lived in Scotland and Australia before coming to the United States. (Staff photo-enslaving)

## New Leader for Russia Described as Ambition-Driven, Secretive Red Zealot

By United Press  
Georgi Maximilianovich Malenkov, the new premier of Soviet Russia, is an ambition-driven, secretive communist zealot. His devotion to world revolution is tempered by a practicality reflected in his belief that the co-existence of socialism and capitalism is inevitable for some time to come.

Malenkov, 51 and hardy for his years, shared Stalin's most private party secrets for 25 years. He has a private card index of all communist officials built up from Stalin's own files, and any deviationists escape Stalin's cold reprisal can expect the worst now.

"The pudgy, moon-faced Cosack placed the importance of improved economy and increased production above all else on the national Soviet agenda. Under his direction, the vast and sluggish system of bureaus that cling like barnacles to the socialist state are expected to get a thorough cleaning. He holds bureaucrats in contempt, calling them 'windbags' and 'ignoramuses.' Malenkov never has sought the limelight, but he long ago won the complete confidence of Stalin and accrued to himself the silent positions of power that eventually outweighed the influence of Khrushchev and Beria, his closest competitors.

Even his youth was in his favor for the toll of death and defection leaves little room for great size in the communist hierarchy.

He began as Stalin's private secretary and moved on to become a party official and later deputy prime minister. Last October he took precedence over all other speakers at the first Communist party conference in 13 years and presented the policy report formerly presented by Stalin himself.

In that speech, the most recent indication of possible Russian policy under Malenkov's regime, included an appeal to non-communist countries to break away from American influence and develop a peaceful and friendly relationship with Russia.

At the creation of the cominform in Warsaw in 1947, Malenkov declared: "We believe that the co-existence of two systems—capitalism and socialism—is inevitable for a long period of time."

Such a statement is indicative of Malenkov's caution, learned perhaps from Stalin himself. Stalin's cool head often prevailed when more hot-blooded members of the politburo proposed action that might have inflamed the world. Malenkov can be expected to act as just such a restraining agent.

Malenkov has been at Orenburg, southwest of the Ural, on Jan. 8, 1902. His father was believed to have been a Cossack subaltern but little is known of his youth. He left school to join the red army and was admitted to the Communist party in 1920.

The dark-haired, blue-eyed Malenkov was graduated from a technical school of engineering in Moscow in 1925 with a brilliant record. He worked quietly for the party for 15 years and then was made one of the five members of Stalin's supreme war cabinet when Germany invaded Russia in World War II.

### Religious Western To Play in Valley

MURTAUGH, March 7—A religious motion picture, "A Western," will be shown at 7:45 p.m. Wednesday at the Murtaugh high school auditorium.

All local churches are cooperating in bringing the free motion picture to Murtaugh but arrangements were made by the Rev. Lloyd Miller.

The film was shown at Shoshone several weeks ago.

### Grangers Discuss Mountain Repairs

KING HILL, March 7—The King Hill Grange Wednesday discussed fixing up the old water fountain in the middle of Main street but no action was taken. Frank Jones spoke on soil conservation and urged farmers to send samples of their soil to the county agent at Mountain Home for tests.

Mr. and Mrs. Terrell Foster reported on the Pomona Grange meeting at Mountain Home on Monday and Frank Jones announced that a meeting of the Grange supply will be held at 8 p.m. Monday at the American Legion hall in Glenns Ferry.

Mr. and Mrs. W. C. Smith and Mr. and Mrs. Tom Timbers served refreshments and Mrs. Golden Math, lecturer, was in charge of games.

# Life in MAGIC VALLEY

It would be hard to imagine a life of greater contrast to that in the United States than the life experienced by Mr. and Mrs. Harry Bidwell in their four years in Johannesburg, Union of South Africa. Mr. and Mrs. Bidwell are visiting relatives near BULLHORN, a British town and married an American girl in Ocala, Fla., while she was attached to the American embassy and he to the British intelligence service. Following the war he became general manager of an airline in South Africa. The venture was short-lived, however, since the airline was American airplanes for which replacement parts could not be purchased.

"Johannesburg is ideal in many respects. I've lived in the terrible tensions of the native problem and the political situation as long as I care to," Bidwell said.

In South Africa, he said, it is necessary to bar all doors, put iron lattice work over the windows and carry a gun. "This means never doing any manual labor, even to fitting a golf bag from an automobile."

The contrast between Johannesburg and Magic Valley is wonderful, he said. "The first grade school with a menu of carrot sticks and barbecued sandwiches, and for a salad, they chose plain jelly with whipped cream. For dessert they had ice cream sandwiches. The beverage, of course, was milk, although some couldn't decide if they should have chocolate milk or the plain variety."

When Mr. and Mrs. A. C. Veigt, BULLHORN, hear a sound like the bellow of a bull moose, they start to hunt for their son, Bernard, King St. Bernards don't do much in the way of barking, but King, who is sensitive to the phlegm of all the animals and loyal to his owner, has his own way of letting the Volga's know when something is wrong.

Late last fall when an enterprising hen hatched out some chicks, one became lost on a dark and rainy night. King found the peeping chick and led it to his owner; but his own way of letting the Volga's know when something is wrong.

Late last fall when an enterprising hen hatched out some chicks, one became lost on a dark and rainy night. King found the peeping chick and led it to his owner; but his own way of letting the Volga's know when something is wrong.

"Nothing they can steal is worth losing a hand. The pole is edged with razor blades."

Bidwell explained that the best thing to do is to shoot in the general direction of the far end of the pole. If the bird is killed no questions are asked, he said, and no penalty imposed.

"The native natives are treated cruelly, are beginning to resent and retaliate against Europeans. In King's native village, the whites are into an underground group with extermination of the whites as the main object. Since it is impossible to live without native services there always is the possibility that a member of the underground is working for you and waiting to slit your throat," Bidwell said.

"That isn't something you hear in BETHLEHEM when a resident refers to the village's new police officer. That's his name. He's Deputy Marshal Marshall. His full name is Marshal Lafayette Marshall."

Marshall was appointed deputy marshal by the village council last week. W. F. Boyd is marshal. At the same time Mrs. Mabel Lott was given the oath of office as village clerk and board treasurer. Mrs. Bruce Brewer, former treasurer, will remain as a member of the board.

It isn't every day that two little girls have the opportunity to take an airplane ride. Those who do are expected, at least, to return home by airplane. It wasn't that way, however, for two FAIRFIELD girls, Carolyn Bauscher, 11, daughter of Mr. and Mrs. Don Bauscher, and Marjorie Vanakha, 10, daughter of Mr. and Mrs. Roy Vanakha.

Last week the two girls, both fifth graders at the Fairfield grade school, were invited to make a flying trip to Boise with Walter in his four-place Blinson. They left the Fairfield airport at 3 p.m. Feb. 25. This was the first airplane ride for either of them and they said they enjoyed it very much. However, at 4 p.m. when it was time to start home, it was moving so fast that visibility was only one-fourth of a mile.

One of the girls has grandparents living in Boise so the girls were taken out to spend Saturday night with Mr. and Mrs. Don Bauscher. Bauscher and the girls returned to Fairfield by car.

The girls claim they had a most

wonderful trip in spite of the fact that they started out by plane and returned by car.

A new feature of the hot lunch program for HANSEN school has been started. Each Wednesday one of the grades chooses the menu for that day and pupils invite their parents as guests.

The first grade started Feb. 23 with a menu of carrot sticks and barbecued sandwiches, and for a salad, they chose plain jelly with whipped cream. For dessert they had ice cream sandwiches. The beverage, of course, was milk, although some couldn't decide if they should have chocolate milk or the plain variety."

When Mr. and Mrs. A. C. Veigt, BULLHORN, hear a sound like the bellow of a bull moose, they start to hunt for their son, Bernard, King St. Bernards don't do much in the way of barking, but King, who is sensitive to the phlegm of all the animals and loyal to his owner, has his own way of letting the Volga's know when something is wrong.

## Fire Damages Home in Area

SHOSHONE, March 7.—One family was made homeless and personal belongings of two other families were destroyed in a fire in a two-story frame structure here at 3:18 p.m. Thursday.

Personal effects of Mrs. Zepa Jones, Dietrich, owner of the building, and Mr. and Mrs. Ben Walker, also Dietrich, stored on the second floor of the building were destroyed. Mr. and Mrs. Walker Cole, who were living in the building, managed to save all of their household goods except one mattress.

The fire is believed to have been caused by spontaneous combustion in one of the upstairs storage rooms. Mrs. Cole said she smelled smoke during the afternoon and turned in the alarm. Among the personal items destroyed in the fire were four mattresses, an electric iron, a food mixer, a vacuum cleaner, bedspread, linen, clothing and books belonging to Mrs. Jones and a bed and radio belonging to Mr. and Mrs. Walker.

### Tri-County Dairies Given Ratings

March 7 — of the 64 dairies in the Gooding-Linden Dairy Reproduction Association testing unit, 10 dairies averaged more than 80 pounds of butterfat per cow for 1952, according to reports from Russell, tester for the association.

But, with 13 registered Holsteins, averaged 82 pounds of milk and 8.2 pounds of butterfat. Loretta, registered Holstein, averaged 82 pounds of milk and 8.2 pounds of butterfat. Loretta, registered Holstein, averaged 82 pounds of milk and 8.2 pounds of butterfat.

... (repetitive text continues) ...

### Herds Tested

March 7 — Fred Johnson, DHEA supervisor for Mini-Cassia county, reports that 270 cows from 23 herds in the association produced an average of 21.4 pounds of butterfat per pound of milk during February.

The high herd was owned by Eldon Jenks, Heyburn. The high individual cow was White Diamond, a registered Holstein owned by M. Cardon, Burley. She produced 80.3 pounds of butterfat. High registered cow was White Diamond, Jenks and High Guernsey was Terry, owned by Rulon Stoker.

... (repetitive text continues) ...

### Average Worker Paying \$80 Annually on Interest of Debt

PORTLAND, March 7 — Each Idaho wage earner now pays \$80.64 a year, on the average, as his share of the interest on the national debt, according to the Portland office of the National Association of Manufacturers.

"This payment on debt interest is the second highest item on the budget. Military expenditures for 1952 were the largest—\$39,777,000,000; interest is second highest, \$3,288,000,000; the NAM points out.

... (repetitive text continues) ...

### Farm Prices Still Decline in Idaho

BOISE, March 7 — Farm prices still are going down in Idaho, the U. S. department of agriculture reported today.

The price index for last month was 206—the points below the previous month.

The sharpest declines during the month were alfalfa hay, down 42.2 per cent, wheat, down one cent a bushel, barley and oats, down eight and 12 cents, respectively, and potatoes, down 10 cents a bushel. Dry beans gained 20 cents per hundred pounds.

... (repetitive text continues) ...

**TRIP TAKEN** — Mrs. and Mrs. Shoshone, March 7 — Mr. and Mrs. Horse-McCarty, Dietrich, and Mrs. James McCarty and Mrs. Ida Church, Shoshone, left Monday for the Madigan army hospital in Washington to visit Pfc. James McCarty who is hospitalized there.

**CLUB REORGANIZED** — SHOSHONE, March 7 — The Top Kick 4-H club, Dietrich, held an organizational meeting recently at the home of their leaders, Mr. and Mrs. A. R. Scott. Keith Ward was elected president; Gene Ward, vice president; Gary Scott, secretary; and Dayle Robertson, reporter.

Alplanes were first used in war against the Turkish forces in Tripoli in 1911 and 1912.

MARCH 7

BOARDING HOUSE - MAJOR HOOPLE

LIFE'S LIKE THAT

"Don't be so modest, dear ... stop asking where the money is coming from."

OUT OUR WAY

SIDE GLANCES

"I always have two or three hats sent home—then when I keep one, it impresses my husband how much I'm saving!"

CARNIVAL

"First let me ask you a question, Melvin—how do you feel about charge accounts?"

THE GUMPS
