

Safety Panels Organized in Two Regions

Spokee, April 4.—Conducted the session: Norman Hinman, Spokee president and said the interest shown impressed—any previous organizational meeting.

Delegates voted to mark Spokee's contribution to safety accident reduction in the future with white circles and crosses.

The council will work to increase industrial safety, help develop safety programs in schools. It plans to encourage the support of Grangers and other organizations in its activities.

Spokee reported on the driver training course conducted at Valley High School how the vehicle was obtained and how the course is organized to train students in proper driving.

Delegates discussed the program and decided a similar course would be valuable for Jerome high school. Costs, teachers, and other details were made.

School officials and the various local PTA groups will be contacted regarding the program before further details are worked out.

The need for public education in preventing fire hazards, fire prevention devices and smoke alarms quickly.

Ahrens explained a committee conducted the survey and determined monthly ratings are issued according to the number of accidents.

He said so far, Jerome has reached a rating of 100 and has been rated 100 or 120. This proves the need for a safety program in Jerome, he declared.

Ahrens explained the operation of traffic lights and traffic lights in the city.

Delegates discussed but made no decision on special stickers to identify commercial vehicles.

The group's next meeting will be held at 6 p.m. Friday at the courthouse.

Solons Invited to Witness A-Tests

WASHINGTON, April 4 (UPI)—Senate members of Congress invited to witness atomic tests in Nevada to aid in their evaluation of the national defense problems.

But he told them in effect they had no scientific basis to make "meaningful" experiments.

Cole, newly elected chairman of the Senate's atomic energy committee, made the invitation to Senator John Warner of Virginia and congressional leaders. He attached a note from Chairman Gordon Dean of the atomic energy commission approval for the trip.

The congressmen, Cole said, could select one of four dates for a two-day trip to Nevada apparently by military transport plane April 24, 25, 26 or 27.

Air Force Plans Largest Airstrip For Atom Craft

EDWARDS AIR FORCE BASE, Calif., April 4 (UPI)—The Air Force today planned construction of what will probably be the largest air strip in the world, the first atomic-powered aircraft.

Speculative as to the possible size and purpose of the air strip arose yesterday when the first atomic-powered aircraft, a specially-constructed

construction companies for the building of the huge runway at this Mojave desert airport.

The strip, probably the largest ever built in history, the runway will be three miles long, 16-18 inches thick and capable of supporting a 600,000-pound aircraft.

The aircraft, which was as heavy as that made on an air strip by the massive B-52 bombers.

Atomic-powered aircraft now being developed by the Air Force, the design of which is the largest aircraft now in use, due to thick shielding about its atomic power plant to protect the crew.

Journalism Dean Ends Cooperation On Investigations

NEW YORK, April 4 (UPI)—Dean Carl W. Ackerman of the Columbia University school of journalism says he is stopping full cooperation with federal and state agencies investigating the school's students and graduates.

Ackerman adds that he intends to work with the agencies only "on their request and advice of counsel."

He said the issues are academic freedom and political freedom and that he fears American journalists will lose the era of "crude independence."

Disease Noted in Northwest Cattle

PORTLAND, April 4 (UPI)—Leptospirosis, a livestock disease, is spreading through Pacific-northwest-beef-and cattle herds.

The disease, which causes fever, anorexia and a drop in milk production of dairy cows, has infected a number of herds—in Klatskanie, Wash., and in Washington counties. Washington cattle ranchers and in at least five sections of Oregon.

Though seldom fatal, cattle which recover from the disease become carriers.

To stamp it out, Washington has undertaken a slaughter program.

Church Services, Dinners Highlight Easter Sunday.

The Easter services will be held at the various church activities for Twin Falls families. The day will start early for those who plan to attend sunrise services and special worship services at the various places of worship.

Relatives and close friends will follow and in many homes the special guests will include students from Idaho and out-of-state who have come to Twin Falls to spend the holiday vacation with their families.

Spending Easter vacation with Dr. and Mrs. Charles B. Beymer will be Mrs. Charles' father, Dr. C. W. Beymer, and a guest, Shirley Jensen, Oklahoma City student at Scripps College at Claremont, Calif. They expect to arrive in Twin Falls Saturday morning. Another visitor, Charles H. (Chill) Beymer, Jr., has been spending the past week vacationing with his parents. He is a student at Shattuck School at Fairbank, Minn.

Man Soden, a freshman at Whitman College at Walla Walla, Wash., arrived this week and for a week will stay with his parents, Mr. and Mrs. John Soden.

Mr. and Mrs. R. E. Commons left Wednesday for Denver, where they will remain for a week. Also leaving Tuesday were Mr. and Mrs. Paul Ellis and daughter.

Among the college students planning to home for Easter are Carol Greene, a freshman at Colorado Woman's college at Denver, who arrived Saturday to visit her parents, Mr. and Mrs. Percy Greene.

Mrs. Ella White is spending the day as the guest of her son-in-law and daughter, Mr. and Mrs. Clyde Bacon, Jerome. All expect to be at the home of Mr. and Mrs. Carl and Mrs. T. C. Bacon, also Twin Falls.

Mr. and Mrs. Sam Gamble will be joined by their son-in-law and daughter, Mr. and Mrs. R. G. O'Donnell, and son and daughter-in-law, Mr. and Mrs. James Kinney. Other guests will be Mr. and Mrs. Fred and Mrs. W. A. deJill; young Mary Kinney and the O'Donnell children, Judith and Patricia.

Mr. and Mrs. W. C. Pierce and son, Stanley, will be dinner guests of Mrs. Pierce's mother, Mrs. Alice Klemmer. Klemmer, All others at the family dinner will be Mr. and Mrs. Harold Howe, and children, Eric, Michael, Karen and Elizabeth.

Visiting in Twin Falls with her parents, Mr. and Mrs. W. G. Smith, and her sister, Kathy, is Judith Swin, a freshman at the University of Idaho. She arrived Saturday evening. Also spending the Easter vacation in Twin Falls is Mary Anderson, a University of Idaho freshman, who is here with her parents, Mr. and Mrs. Leo Anderson, and her sisters, Eleanor and Leah. She arrived on Thursday evening and plans to return Monday to Moscow.

Mr. and Mrs. Perle Sweet will entertain with a potluck dinner for members of their family Easter Sunday. Their grandsons, the sons of Mr. and Mrs. Alvin and Mrs. Alene Lafferty, and his family, Mr. and Mrs. J. F. Sweet and son, Darrel, and the hostess' grandparents, Mr. and Mrs. W. R. and Edna Gordon, also will be there. The hostess' two children, Vaughn and Milne.

Moderating last week from the University of Idaho to spend the holidays with their families in Spokane Valley were Grant Gillette, son of Mr. and Mrs. Howard Gillette, Twin Falls, and Mrs. Howard Gillette, wife of Mr. and Mrs. Claude Bernard, Pocatello. The latter student also will visit his grandparents, Mr. and Mrs. Woody Seal, Twin Falls. They were joined by Bob Thornton, son of the Sam Thorntons, Eden, and

Care of Your Children

By ANGELO PATRI

Throughout the Christian world, a church service and end on a particular day.

Especially everywhere, it is found to be the custom, throughout the world, to have a church service, beginning at dawn, as held in honor and for families, towns and cities. The importance of the great festival is shared by children, as noted by Angelo Patri.

Eggs are one of the Easter symbols and when they are colored they are often special delight to boys and girls, who also also that no end of pleasure can be had in coloring them.

For young children a happy benefit for the moment when you are coloring eggs is that they are not afraid to get dirty. The children of the church, however, are bound to suffer with the steady handling of the boys and girls.

It will probably offend the children to be told that the reason for the risk of mess and disarray is that the eggs included chocolate.

On that day we should sit at home and let the children have the fun of coloring eggs.

MAGIC VALLEY COWBOYS OPEN SPRING TRAINING CAMP TODAY

New Manager Camilli Greets 19 Team Hopefuls as Squad Gathers at Santa Cruz Hotel

SANTA CRUZ, Calif., April 4 (Special).—The 1953 edition of the Magic Valley Cowboys will open spring training camp here Sunday under the tutelage of new manager Dolph Camilli and the watchful eye of the Boston Red Sox.

The Cowboys will check-in at the Casa Del Ray hotel here Sunday where they will get acquainted and get the training agenda from Camilli and business manager Fred Dickey.

The first practice will be held Monday with the first practice slated for Wednesday against Santa Clara in Santa Clara.

The Cowboys will break camp April 19 and arrive in the city Friday night of April 21 with the first practice before the home folks slated for the following afternoon.

Between now and then the Cowboys are in for a lot of work, a lot of drill practice and undoubtedly a few changes.

There are 18 players on the present roster with more help expected from the Red Sox. The Cowboys are training with the San Jose Red Sox, a team of their own, and will get two from that source.

Camilli, big former Nalle league slinger, is making his debut as a Pioneer league manager. Last year Magic Valley finished locked with Ogden in the second place.

Three members of last year's club will be among the first arrivals Sunday. Catcher Bernie Sakemich and Dean Krumm, and pitcher Bill McCoy are the ones who will be back. McCoy was with Pocatello last year. Len Karp, first baseman, was with Ogden-Davis Falls in 1951. But the remainder of the team will be newcomers to the fast class C baseball circuit.

Hill O'Donnell, catcher; Paul Byrne, Hal Taylor, Gene Sanderson, Joe Cook, infielders; James Scott, Larry Mammal and Charles Bedolla, outfielders, and Thomas Hoffmann, Jim Goss, Don Boykin, pitchers, complete the roster.

Since the strength of a ball club traditionally lies down the center, catcher, pitcher, shortstop, second baseman and first baseman, it is thought that gives some clue as to how the Cowboys will fare this year.

* With four catchers on the roster that position should be covered. One of them is from Hagerman, the Magic Valley representative on the team. He will have to hustle to beat out the other backup catchers and end up in the starting line-up.

Sakemich and Karp are both veterans but O'Donnell signed by Camilli this winter, could beat out the others for the regular job.

O'Donnell is 26 years old, weight 165, height 5 feet 11 inches, making him the shortest and lightest of the four. But Camilli was sold on him after watching him play with the Indians in the Indian River Dodgers. Details of his career are furnished in this story by Sporting News.

The pitching problem is always a headache, but Camilli has a lot of novices to look over.

Six batters are on the roster as well and only one throw from the outside. The lone lefty is Wenzel who was with the Indians last year.

Carlo Lanza is the only veteran at that stage. The 1-year-old San Francisco toed-off with the University of San Francisco last year when he attracted the attention of Camilli.

All of the pitchers are listed as having either service or professional experience. In fact there are only two novices on the staff.

Once a first baseman, O'Donnell is the rookie. That seems to indicate the club is getting off to a fast start.

Add to that the fact that only one of the 19 team members on the team are under six feet tall and Muhi is the oldest at 28.

Taylor is 23, Sanderson and McCoy of 24 and the rest range from 18 to 22.

That's the club Camilli will look at Sunday. Many of them still will be around when the club finally comes home, but there are bound to be some changes.

Gala Homecoming Planned for Braves

MILWAUKEE, April 4 (AP)—The roll out the red carpet when the Milwaukee Braves hit town April 8—and well they might.

The team's reception committee is no secret. When the team rolled in the Milwaukee red carpet in mid-morning, April 8, plans call for a length of red carpeting to be rolled out from the front door of the team's car.

Each player will walk his length as he leaves the train and the team will file down the platform.

After the team has walked, the band leads a parade through the downtown section—a banquet and continuous other tried and proven gimmicks. The club will play exhibition games with the Boston Red Sox April 8 and 9, then leave with the AL's 16 National League opener with St. Louis.

Umps Meet

There will be a meeting for all prospective high school baseball umpires Monday night at Joe's.

The meeting will be held at Joe's High School. Starting time is 8 p.m.

RELAY

RELAY, Calif., April 4 (UPI)—Perry, holder of the heavyweight divisional record of Mexico, will meet Johnny Miller, Stockton, Calif., in a 10-round match here April 5.

1,500 Take Part in Jerome's Easter Egg Hunts, Contests

JEROME, April 4.—Some 1,500 Jerome county youngsters and their parents participated in the annual Easter egg hunt and contests Saturday.

They congregated at Yingwall's corner and marched behind the high school band to the east-side meeting location at 1 p.m. from 5 to 6 p.m. for eggs in Bothell park, while toddlers aged 2 to 4 hunted in the swimming pool area.

Those too old to take part in either hunt competed in a special song contest. Displays in merchants' windows were arranged to give hints on song titles. Three top winners, still to be announced, will receive cash prizes of \$100, \$50 and \$25.

Grangers Plan Fill to Straighten Bridge

Dale Webster, Harvey Quarrell and J. T. Creed unload rock near the Blue Lakes boulevard bridge over Rock Creek Canyon. Grangers hope to fill up part of the canyon so the narrow bridge can be shifted and the road straightened. (Staff photo-engraving)

Grange Sponsors Project to

Move Narrow Canyon Bridge

A Twin Falls Grange project which the group hopes will bring a shift in the "horse and buggy" bridge over Rock Creek canyon on Blue Lakes boulevard about 50 yards east of the bridge.

The sign shows persons where to dump. Creek and the highway deviate about 50 yards of each other. A sign is to prevent dumping into the canyon to rock, concrete and other non-rotting material.

The Grangers hope to shift the narrow bridge so the road approaching it. According to J. T. Creed, the turns slope down hill and when icy, make the bridge extremely dangerous.

They propose to shift it to follow the existing line as nearly as possible. At present, the old bridge sets nearly cross ways to the line, which the road follows.

Creed would like to have someone come out to the amount of material needed to fill the area about 25 feet up from the canyon floor. An estimate of 200,000 cubic yards has been made.

Raymond Williams acted as master. The address of welcome was given by Mrs. Milton Schaefer, president of the City Club. Responses were given by Coach George Hansen and Dick Rooker, co-captain of the football squad; Dennis Head and David Patterson, co-captains of the varsity squad; Head, Bob Drafer and Eugene Gaver, high school basketball team; LeRoy Shipp and

The planet Venus, so splendid all this year in the western evening sky—a small neighbor boy once said it "transcended."

In the solar rays...

"On April 13 it will be in inferior conjunction, when it will pass almost between the earth and the sun. Somewhat later, it will appear in the dawn as a 'morning star.'

This planet can be seen in the west-northwest...

few evenings yet.

Brilliant Jupiter still is well up in the west after sunset.

Brighter still, Mars is seen early but is not very bright.

An Idaho star student two months ago noticing Mars huddling near the bright star Arcturus, noted of his glory gone because of distance, remarked that this famous and good war "now looks like a hunched-up dog."

Arcturus

return now is rising slightly south of the east and still is quite close to the bright star Spica. Twins twinkle.

Conjunction of the eastern horizon a little before sunrise, but is too low for easy observation.

The five mentioned above are the principal other worlds of our own solar system and relatively near us.

For spotting the brighter of the real stars, themselves enormous masses and distances apart, let us turn about an hour after sunset.

Antares

Well up in the sky about due east, orange Arcturus, which in 1933 turned—the other stars of the Chicago group—into the southern crown tip of the kite, a large figure now lying on its side.

Just below the wide part of the kite, the tail of the kite, an interesting half circle of little stars forms the northern crown. Far over in the north-northeast, bright Vega is rising, soon will be very bright in the south-southeast Regulus is prominent.

Sirius

Turning our gaze toward the western sky, we find brilliant Sirius, the blue-white star of southwest.

Above the horns in the southwest—the attractive stars of the large Orion group are prominent.

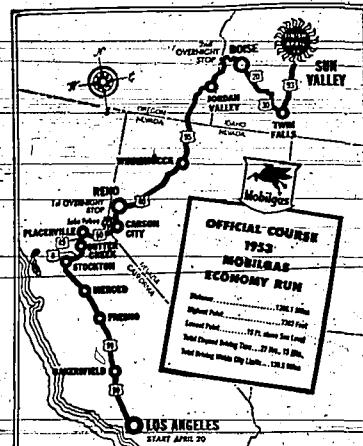

The brightest two are blue-white Rigel and Betelgeuse. About midway between these two, the short line of three evenly-spaced stars immediately catches the eye. This is Orion's belt.

Considerably above Sirius and toward the zenith, the little dog star, Procyon, is conspicuous. Still higher, the bright star Altair, bright only a little southward of the meridian.

Polux is the southern and orangish-colored one of the pair.

Well up in the sky and almost due

Route Set for Test

Here's the 1,984-mile route selected for the 1953 Mobilgas Economy Run, which starts at Los Angeles April 28 and ends at Sun Valley April 28. Although the course includes Twin Falls, it did not last year, the stretch of U.S. highway 93 between Twin Falls and Sun Valley is the only duplication of the course. Twin Falls is not a refueling stop this year.

26 Autos Are Entered in 1953 Test Run From L. A. to Resort

LOS ANGELES, April 4 (UPI)—This year's Mobilgas economy run is shifting scenes and heading for Sun Valley via California's historical Mother Lode country.

General Petroleum corporation, which is sponsoring the annual event, will have 26 entrants, cars with drivers skilled in getting the most out of their machines from an economy standpoint.

The course is 1,984 miles, through four states—California, Nevada, Oregon and Idaho. Overnight stops will be made at Reno and Boise.

The first day's run, April 28, from here to the resort town of Carson City, Nev., will be stop-and-go city driving.

The second day will follow the old pioneer emigrant trail between Reno and Winnemucca, then through the southeast corner of Oregon to the Idaho border, a distance of 481.5 miles.

The third day's run, 228.3 miles, will take the cars into the resort of Sun Valley via Twin Falls.

The fourth day's run, 481.5 miles, 18 hours on the first lap, nine hours on the second, 15 minutes on the third.

Refueling stops will be made at Marcell, Calico, Carson City, Winnemucca and Boise.

Elected

SHOSHONE, April 4—Joy Edwards has been elected president of the Shoshone Lions Club. District Janet Orr was elected vice president; June Neikirk, secretary; Linda Edwards, song leader; and Merton Harrison, reporter.

The next meeting will be held April 14 unless there is a basketball game in which case, the meeting will be held April 16.

The Sierra Nevada will be crossed on U.S. 39, with a peak elevation of 13,880 feet at Echo summit; at the south end of Lake Tahoe. Then west stands upright a V-shaped figure, the tail of which leads to Reno, Stockton, then into the Mother Lode country, through such ghost towns as Sibley Gulch, Rawhide, White Pine, Elko, Riddle, and Yerington, once

known as Hangtown.

Burley High's "Career Day" Events Slated

BURLEY. April 4—Burley high school annual career day will take place Wednesday evening. Oscar Dummer, school senate advisor, will be assisted by Lynn Stoker, student body president and member of the school board.

The purpose of the day is to get a first-hand idea of various occupations a student can enter after graduating from high school. The program for the day will begin at 9 a.m. with the following program:

Invocation by Rev. Martin Crabbe of the Burley Presbyterian church;

talk on economic opportunities in the United States by Adolph Nischen, Burley attorney; "The importance of college training to success and a career," by Professor Bentley, Idaho State college; and "What to do after college," by Rev. A. W. Wadsworth, Thomas, Burley Methodist church.

This first session, an orientation period, will be held in the Burley high school auditorium.

The second session will start at 10 a.m. and will be divided into seven groups in the vocational field. Included will be discussions of electric light and power, electrical, automotive, industrial, vocational agriculture, E. C. Smith, sponsored by the Kiwanis club; building trades, Wayne Long, Long Sand and Gravel; Englehardt and art majors, Myrtle Chafford and Irene Bradley, Twin Falls business college; Science, Lorraine Johnson, vocational teacher in the field of science, sponsored by the Idaho State college industrial department; railroad occupations, sponsored by the Burley Chamber of Commerce; vocations, sponsored by the Kiwanis club; Grady Davis, chairman; vocational agriculture, sponsored by the Kiwanis club; Robert Gooch, chairman, and careers for domestic science majors by Jean Curtis and Elizabeth Darby.

The students' session begins at 1 p.m. Students may attend sessions in careers for commercial majors, sponsored by the Twin Falls business college; Science, Lorraine Johnson, vocational teacher in the field of science, sponsored by the Idaho State college industrial department; railroad occupations, sponsored by the Burley Chamber of Commerce; vocations, sponsored by the Kiwanis club; Cloyd Ross, chairman, or careers in health service, sponsored by the Lions club; Dr. J. M. Kirkpatrick, chairman, or careers in public welfare.

The chairman will introduce the field, name the various jobs in that field and introduce the speaker for the separate career areas. At 15 minutes after the end of each session and answer period, will be denoted to each career.

3 Seized in S.L. On License Theft

SHOOSHONE. April 4—Two youths, 14 and 15 years old, and a girl, 16, were apprehended in Salt Lake City last night in connection with the theft of a car from the Joe's Nederhof car at Shoshone about two weeks ago and were spotted by police there.

The youths—two 14-year-olds, Fred and John, and a 16-year-old, Shirley, the girl, had been living in Wyoming.

The three confessed to police they were the ones who had attempted an entry through the rear door of the Nehderhof car and had taken his license plates.

They had sold the license plates to another youth in Oregon, then to Salt Lake City.

The plates were returned to Shoshone by State Patrolman Clark Hand.

Bids Asked

SHOOSHONE. April 4—Bids on lots 11 and 12, block four, Shooshone, will be received until 4 p.m. Friday, April 9, at the office of the Burdett for the Farmer's State Bank.

The bids are to be delivered to the Burdett and home and terms of sale are listed as follows and the right to bid is reserved to the highest bidder.

The bids will be open to all bidders by the time of sale.

Life in MAGIC VALLEY

Residents of HEYBURN have been asking, "What are the two tall white poles at First and Y streets and what does the lettering WPTF-WTGINQ mean?"

The pole is the amateur-radio station of Mr. and Mrs. Boyd E. Boyd. The WPTF is the international call sign assigned to Boyd by the Federal communications commission.

The station is located in the same room where the other is maintained to communicate with local stations throughout Idaho, Montana, Wyoming, California and the middle states. This is the largest of the two stations. The other is smaller and the two operate independently.

The maximum power permitted by the FCC is 1,000 watts in the amateur service.

Amateur radio has been in the Boyd family since 1924 when Boyd's father, John, obtained a license in the Hawaiian Islands. Mrs. Boyd obtained her license in 1937 and has been active at various times ever since.

The station is a member of the American Radio Relay League, a national organization, and has been designated as a coordinating station in national or local emergencies.

The wall of the radio room displays the many FCC certificates which are issued to holders of licenses for 10 years or more and a telegraph code proficiency certificate for 33 words a minute. Mr. and Mrs. Boyd also belong to the Twin Falls Radio Club and have many friends on the air with whom they communicate regularly.

Mrs. Boyd thinks it is fun to swap favorite recipes with other amateurs but the field is limited.

She says the only recipe known was an amateur in Minidoka county.

Among the many contacts made in the past few years have been South America, Philippines Islands, Africa, Panama, Mexico and Japan.

The radio car also has been used with a trailer and when it is necessary for Boyd to make a trip alone he can keep in constant contact with Mrs. Boyd.

Sister Connie, now a mail carrier from HAGERMAN, has had his faith in human nature reaffirmed.

Condit is in his third year as a mail carrier and in the last 14 months he has been in the hospital seven times and has undergone five operations. He is still not fully active but, added to that, the 100 patrons on his rural route swelled his happiness Monday by telling him they appreciated and liked him.

The letter, accompanied by a purse of \$10, "All the best," said Condit.

You may carry on the mail, while you're digging out of snow drifts or riding horseback or even walking to get the mail to us, or at other times doing a hundred and one things that we consider important, but there were far beyond the 'call of duty' perhaps you sometimes wondered whether or not we are on the route anticipated yesterday. Well, we know now that you are very much appreciated. We have been talking about it through the years but some of us would like to tell you how much we have appreciated all the service you have given and how much we have come to enjoy and value your friendship."

"Please accept our thanks and we would like to show our appreciation in a little more than a simple way so we are sending this purse to you to spend in any way that you see fit."

We thought you could choose what you like better than we. Perhaps you would even like to use it for gasoline and go on a trip with your wife when you are feeling better this summer and visit all the country roads of Idaho."

"Anyways we all hope and pray you will soon be back on your feet and back at your old job."

"Thank God-bless you and keep you."

George Sargent, 16, son of Mr. and Mrs. James Sargent, MILLWOOD, has been happy to report his return to school in the fall when he will be a senior in the high school. On Feb. 22 he and a friend were holding sticks and stone rock and trying to break them when each other hit him by striking them together.

One piece of his friend's stick broke off and hit George in the right eye. For days he was in danger of losing his sight but after spending more than a week in the Magic Valley Memorial hospital he was sent home with a pair of goggles, one of which let in only a sliver of light.

Since he had goggles which let in a little more light, George hopes to be able to put aside his

Two Villages Study Parks

SHOHONE, April 4.—Landscape plans for both the Dietrich- and Richfield village parks have been made by Tony Horn, extension horticulturist, and local park committee.

The Dietrich park committee is composed of Mrs. McDonald Cleveland, Mrs. John Clegg, Mrs. Dietrich, Mr. and Mrs. Steven Stearns. Consideration in Dietrich is leveling the 300-by-300-foot park area and seedling trees will be ordered.

The Richfield park committee is to be organized.

Planting of shrubs and installation of fireplaces and other equipment will be done later.

Wooden planter boxes were made for the Richfield park. There the committee consists of Clifford Ward, Frank Pope and Mrs. Esther Swanson.

Shohone has been established since '52 and its lawn is to be gradually replaced by the large popular varieties.

The extension horticulturist also conducted a meeting on gardening in Shohone yesterday. Discussions include fruit and vegetables, insects, disease and other problems.

He also showed slides and books on landscaping with the use of flowers, shrubs and trees.

MEETINGS CALLED

SHOHONE, April 4.—The Shohone board will meet at 7 p.m. Tuesday at the library rooms. The city council will meet at 8 p.m. Tuesday at the city hall.

Club Meets

BURLEY, April 4.—The Rev. A. M. Thomas, Methodist pastor, spoke on Easter at the meeting of the Kiwanis club this week. Hal Matthews, accompanied by Mrs. Matthews, sang two solos.

Gandy Garrard reported on "Career Days" to be held April 10 at the seniors of the Burley high school next week. Each service club is to furnish a panel of business men to discuss their businesses with the students.
