

Tension Increases In U.N. Over Red China's Demands

UNITED NATIONS, N. Y., Sept. 14 (AP)—Tension built up again in the United Nations today as explosive new debate became a certainty in the wake of communist China's demands for a "roundtable" Korean peace conference.

A spokesman for the United States at once emphatically rejected the Peiping proposals, made in a long telegram Sunday from Chinese Premier-Chinese Minister Chou En-Lai to U.N. Secretary-General Dag Hammarskjöld.

Communist North Korea announced today it fully supported the proposals and sent a telegram to Hammarskjöld detailing its position. The message was broadcast by

Six persons pleaded guilty, two pleaded innocent and five others were given additional time when arraigned before District Judge Hugh A. Baker on criminal charges as the fall

term of court opened here Monday.

Highlight of the morning were guilty pleas entered by Bill Gragg and George Midmer who held up the cashier of the Motor-Vu theater Aug. 13. They will be sentenced for robbery at 10 a.m. Tuesday. They waived their rights to an attorney.

—Arnold-Hogue, facing trial here on a charge of involuntary manslaughter for a traffic fatality in Minidoka county, had al-

ready pleaded innocent. His attorney, S. T. Lowe, appeared in court as did Minniko County Prosecutor Sherman Bellwood and agreed to a trial in October.

Belgian Poses Novel Plan on Europe Peace

STRAZBOURG, France, Sept. 14 (U)—Former Belgian Premier Paul Henri-Spaak proposed today that

The Belgian statesman told the key general affairs committee of the council of Europe the west must meet Russia at the conference table.

Spaak warned that neither side must go to the conference table with predetermined positions from which they would not back down. But he said the west should go to the conference table.

Scientists Exploring Methods

Of Increasing Growth Season

MADISON, Wis. Sept. 14 (AP)—Scientists are planning to explore the possibilities of chemically speeding up the growth of plants.

Two methods are being used: (1) chemically treating the ground

In Austria, the funds of the mutual security administration, "in the main" have gone into developments built, owned and rented by municipalities.

"This," Bodfish says, "is entirely contrary to the spirit of self-help and makes no contribution to home ownership. The building of a large apartment project in Vienna owned

and operated by the municipality is a shocking example of an arrangement of which the American people would undoubtedly be most critical. Not only is permanent public ownership financed by MSA funds but the repayment is stretched out over 100 years with a one per cent rate of interest."

In Germany, Austria and France Bodliah discovered the municipal officials and professional union bosses have manipulated matters so cleverly the people feel grateful to the city politicians and the unions although the American taxpayer furnished most of the money.

His Retort On GOP Rap

Sept. 14 (AP)—Former House Speaker Charles McNary, Republican of Oregon, today retorted to charges that the GOP was "selling out" by attacking the Democratic Party.

McNary, editor of the "Oregonian," said he was "not a Republican" and "not a Democrat" but "a citizen." He said he was "not a member of either party" and "not a supporter of either party."

He said he was "not a member of either party" and "not a supporter of either party."

Eberhard Rettig, 17, exchange student from Usteren, Germany, is greeted at the Filer Grange hall by W. E. Adams, Eagle, Idaho Grange master. The youth is making his home with Mr. and Mrs. Francis Wygal, Castelford. (Staff photo-engraving)

German Youth Impressed by "Careful" Drivers Who "Stop When Light Is Red"

FILER, Sept. 14 (AP)—"American drivers are very careful. They stop when there are red lights," commented Eberhard Rettig, Usteren, Germany, exchange student making his home for the year with Mr. and Mrs. Francis Wygal, Castelford.

The 17-year-old youth became a member of the Pomona Grange at Filer Saturday night. Present for the occasion was the Idaho Grange master, W. E. Adams, Eagle.

Expanding on his statement on American drivers, the youth said Americans have so many accidents because they have so many "motor cars." Only people who need cars for work or wealthy people, have them in Germany. Rettig pointed out there is a high tax and gas is high. He was surprised to see that all American cars have cars here.

Rettig arrived here Aug. 23. He left his home Aug. 8 and sailed from Bonn, July, with 31 other exchange students Aug. 10. After arriving in New York, they went to the National Grange headquarters in Washington, D. C., where they spent a day sightseeing. Then they came west by bus. Herman Pfeil, sticker, who is making his home near Oakley, came west with Rettig and two or three students en route to Oregon.

They expect to leave for Germany in mid July or early-August next year. He is attending Castelford high school as a senior. He is already a member of the Castelford Grange. He will study American living and farming. His parents, a brother and a sister are at home in Germany.

Asked about the difference between farms here and in Germany, Rettig said farms he has seen are mostly one family farms, rather than farms by many-hired hands as in Germany. He said the crops are somewhat different, although potatoes are a major food in Germany. Farms are about the same size as in Germany, from what the youth has seen so far.

He said people here eat more meat. He pointed out meat is expensive in Germany because the land is needed for crops rather than cattle. He said he has found the people here helpful and friendly, even in the big eastern cities.

He pointed out there was quite a difference between Chicago and Pittsburgh, the large eastern cities he passed through, and Cheyenne, Wyo.

Rettig says he had language difficulties when he arrived in America. He said he was taught excellent Oxford English, but it seems American slang was neglected. Saturday night he was stopped by the use of "bunch" when it was applied to a group of people.

Key Reveals Plan to Dispose Of Basin Power

WASHINGTON, Sept. 14 (AP)—A key revelation today in the disposal of federal power in the western did not come from the Missouri river basin but from the Tennessee valley.

Secretary of the Interior, Charles McNary, said he would guide negotiations for the disposal of federal power in the Tennessee valley. He said he would guide negotiations for the disposal of federal power in the Tennessee valley.

Thinks Budget Balance Possible Without Levy Boost

WASHINGTON, Sept. 14 (AP)—The treasury department today said it believed that lowering taxes on business would increase tax revenue. The treasury has estimated it will lose five billion dollars next year in excess profits and personal income taxes and an additional three billion dollars from other cuts on business and estate taxes set for April 1.

Elmore Shooting Inquiry Is Slated

MOUNTAIN HOME, Sept. 14 (AP)—The shooting of an Atlanta miner Saturday will be investigated, Sheriff Earl Winter said today.

Fred Hornbuckle is in good condition at a Boise hospital with a bullet wound in his left shoulder. The sheriff quoted Hornbuckle as saying he was sitting in a parked car when a man identified as Ken Liddard, Atlanta, rode up on horseback and started shooting.

Stockman Hurt

BOISE, Sept. 14 (AP)—A prominent Idaho stockman is in a Boise hospital with injuries received when his car struck a horse Friday night.

Albert W. Campbell, who with his mother and brother operates the Circle O ranch near New Meadows, was flown to Boise over the weekend.

3 Poles Flee

OSBO, Norway, Sept. 14 (AP)—Three young Poles slipped through the iron curtain by stowing away in the comfortable seats of Soviet-built autos being exported to Norway in the hold of the Polish freighter "Gawiazd," police reported today.

College Teams to Compete in Show

COOKE, Sept. 14 (AP)—College teams will make their return to Odeon livestock show competition with the reinstatement of college judging contests during the exhibit 33rd annual run Nov. 13-18.

The intercollegiate livestock judging event is sponsored by the Odeon Junior Chamber of Commerce. W. Robert White, Jayce chairman, said invitations to enter a judging team have been mailed to some 25 colleges and universities in the west. The Utah State Agricultural college and Brigham Young University already have entered five-man judging teams. College judging will take place Saturday, Nov. 14.

Solon Backing Carrier Work At West Yard

WASHINGTON, Sept. 14 (AP)—The house armed services committee has thrown its support behind proposals to build the navy's third super aircraft carrier on the west coast.

He has talked over the east-west coast issue with his secretary, Robert B. Anderson and with Adm. Arthur H. Radford, chairman of the joint chiefs of staff.

He was understood to have told them he thinks the anticipated extra cost of constructing the carrier at the Bremerton, Wash., yard will be offset by the advantage of having one of the new supercarriers based on the west coast and having a yard equipped to keep it in shape.

Won't Clear Canal

The new carriers will not clear the Panama canal.

A decision on where to build the new flat-top is expected in the next few days. The issue has been hotly debated between the west coast and the east and west coasts.

The first supercarrier now is under construction at the Newport News Shipbuilding and Drydock company, Newport News, Va. The second is being built at the Brooklyn navy yard.

Cost Great

Estimated cost of the third of the giant flat-top ships is about 212 million dollars. However, building it on the west coast—due to cost of transporting materials—has been put at up to 12 million dollars additional. The job will take about 30 months. Up to 3,000 men probably would be employed.

S. L. Gas War Spread Noted

SALT LAKE CITY, Sept. 14 (AP)—The gasoline price war which started last week along Utah's "refinery strip" north of the state capital, has spread to Salt Lake Sunday, and operators predicted further price reductions.

The battle for the highest was still led by stations along Highway 91 to Bountiful, where the lowest price posted was 19.9 cents a gallon for regular grade gasoline.

Other stations in the area were selling regular at 21.4 and premium at 26. Price cuts ranged from 6.5 to 6.4 cents per gallon below prices prevailing most of the week.

Prices dropped in downtown Salt Lake City Sunday from 23.9 and 24.4 to 21.4 and 21.9.

Faculty Feted by Richfield Groups

RICHFIELD, Sept. 14—Richfield's faculty of 15 teachers and school board members were fêted by a reception Friday evening sponsored by the PTA and Women's club. Mrs. Lester Jones, PTA president, announced the program and introduced Mrs. Joe Seward, Women's club president, who gave the address of welcome.

Supt. Clint Bug introduced the teachers. Two girls were presented by Clifford Ward, Ray Vaden, Buzz Woodrow Ash, Vera R. Thomas, Ray Briggs, Ray Barnes and Keith Renstrom. Mrs. C. O. Chatfield gave two readings.

Dolores Hays, Mrs. Ash, Mrs. Vera R. Thomas, Mrs. Howard Campbell, Mrs. Clifford Ward, Mrs. C. A. Johnson, Mrs. George A. Coates, Mrs. Howard Jensen, Mrs. Thomas, Mrs. Keith Renstrom, and Mrs. Ernest Warburton sang. Mrs. Kenneth Johnson was accompanist and Mrs. Charles Householder directed.

During the refreshment hour Mrs. Seward and Mrs. Bug presided at the punch bowl and coffee service. Mrs. Pete Conrads, Mrs. John Gies, Mrs. Hays Vaden, Mrs. Leon Bass, Mrs. N. E. Silvey, Ray Appel, and Mrs. Theo Bruhn were hostesses.

Mrs. C. O. Chatfield was in charge of decorations. Mrs. J. McIntosh was program chairman.

Grangers Serve Products Dinner

BUENOS AIRES, Sept. 14—Grange members held an Idaho products potluck dinner Friday evening at the Grange hall.

Four reports were given during the meeting. Approximately \$175 was made on the produce booth with first prize being won on the quality of the produce and also on the completeness of the exhibit.

The 4-H Cedar-Draw "Thing" was sponsored by the Grange, with a membership of 10 girls, won six blue ribbons and four red ribbons on their exhibits. The annual booster night program is slated for Oct. 9.

The benefit committee, under the direction of Herb Cobb, held a "fit party" during the social. Approximately \$35 was realized from the party which will be used toward the improvement of the Grange hall.

Budget Set

HAILLEY, Sept. 14—The budget for the coming year for the American Red Cross Blaine chapter, was set at a meeting last week at the courthouse.

Officers for the year are Jack Davies, president; Mrs. Joseph M. Padden, secretary; Mrs. Ed Anderson, treasurer; and Rev. Charles Shirk, vice chairman.

HAVE YOU ENROLLED?

HOSPITAL BOARD AND ROOM

IN THE

National Benefit Plans of Protection

Hospital - Surgical - Medical - Nursing

All residents of Twin Falls and Twin Falls county who qualify will have the opportunity to have the National Benefit Plans of Protection. These famous Plans now protect many thousands of individuals and families against expensive hospital, surgical, nursing and doctor bills for either sickness or accident. The Program to explain this protection to all residents of the county is now beginning and it will continue until all residents of the county have been contacted and the National Benefit Plans of Protection explained to them.

SURGERY

CHILDBIRTH

These Famous Plans of Protection Provide In Specified Amounts For

PLAN A

HOSPITAL ROOM AND BOARD

In the hospital of your choice for either sickness or accident.

HOSPITAL EXTRA EXPENSE

X-Ray, operating room, anesthetic, ambulance, medicines, iron lung, etc.

SURGEONS' BILLS

For operations performed either in the hospital or in the doctor's office.

CHILDBIRTH

Double benefits for twin births. Triple benefits for Caesarian birth.

HOME NURSING

For either sickness or accident.

PLAN B

DOCTORS' BILLS

For doctor's calls to your home. For treatment at the doctor's office or clinic. For visits in the hospital.

DOCTORS' BILLS

HERE ARE A FEW REASONS WHY IT IS IMPORTANT FOR YOU TO HEAR A FULL EXPLANATION OF THE NATIONAL BENEFIT PLANS.

They Are a Safeguard Against Government Control of Hospitals and Doctors:

Socialized medicine is unnecessary for you when you and your family are protected under National Benefit Plans.

Hospital and Medical Care Has Become Tremendously Expensive:

If you or a member of your family has been recently hospitalized and has had expensive medical or surgical care you know the importance of a National Benefit Plan to prepay the cost of this necessary but expensive care.

One Person Out of Every Two Families Will Be a Hospital Patient This Year:

The advanced medical techniques and the ultra modern Hospital facilities are being used now more than ever to safeguard health and prolong life. If you or a member of your family takes sick or meets with an accident, you, too, may become a hospital patient. And 6 of every 10 hospital patients require expensive surgical operations.

You May Prepay Expensive Hospital, Surgical, Medical and Nursing Care at Low Cost:

National Benefit Plans of Protection are low in cost. You will be surprised at the small monthly deposits to keep them in force to protect you and your family.

TWO GREAT NATIONAL BENEFIT PLANS

Plan "A"

- HOSPITAL
- SURGICAL
- NURSING

This is the tremendously popular Hospital, Surgical and Nursing Plan. It now protects thousands and thousands of individuals and families. If you and your family are not protected under this Plan you may now learn how it may be available to you if you qualify.

Plan "B"

- MEDICAL
- SURGICAL
- NURSING

This is the Plan that pays toward Doctor Bills in the home, at the doctor's office, in a clinic, in a hospital --- in fact anywhere. It covers sickness, accident and delivery charge for childbirth. The benefits for doctor bills, operations and nursing will give added protection to the National Benefit Hospital, Surgical and Nursing Plan or to any other plan of protection.

COUNTY-WIDE PROGRAM

We Are Pledged to Interview All County Residents!
The National Benefit Plans of Protection Will Be Explained to Individuals and Families

During the time necessary to contact all county residents, representatives will be interviewing individuals and families. The National Benefit Plans of Protection will be explained by fully qualified, specially trained representatives. They are pledged to contact all residents and to make the plans available to all who qualify.

A FEW MINUTES TIME IS ALL THAT IS NEEDED

Just a few minutes of your time is needed for you to receive a full explanation of the Plans. The representative who calls on you will arrange a time that is convenient for you to receive full information.

INCOME PROTECTION: Ask the representative, who calls on you about the National Benefit Income Protector Plans that give you a monthly pay check when you are sick or injured.

IF YOU ALREADY HAVE A PLAN, HAVE YOU ENOUGH PROTECTION?

You possibly now have a National Benefit Hospital and Surgical Plan, or you may have some other Plan, or be protected through your employment in a Group Plan of some kind. GET A MEDICAL PLAN, TOO!

REMEMBER: National Benefit pays benefits direct to you, or to the hospital or doctor as you direct. Benefits are NEVER prorated or reduced on account of any other protection you may have or any payments you receive from any other source. A low cost National Benefit Plan will give you the protection you need.

Catholics Say Attacks Made In Yugoslavia

BELOGRADE, Yugoslavia, Sept. 14 (AP)—Roman Catholics said today the attacks on them have been made and some injured seriously in the last week in mounting outbursts of public violence against clergymen.

One attack was witnessed by six American tourists. Police seized cameras films that one of the tourists, a woman, had taken of the attack.

The campaign, aimed at both the Roman Catholic and Serb Orthodox religions, has been mounting for some months. Church circles said it now is taking on the character of organized hooliganism and police apparently are permitting it to go on without interference.

An attack on the Rev. Pavel Ponsa, elderly rector of Dubrovnik cathedral who ranks second to Bishop Pavel Sutornic, was reported by the American press.

They are the Rev. William D. Larkin, director of Catholic charities for the Polish Catholic church in Belgrade; Jesse Voss, Nevada, Mo., attached to U. S. army headquarters at Heidelberg; George W. D. Smith, Capt. Walter Dodge, Philadelphia, Pa., also at Heidelberg; Ann Marie K. Toledo, C. O., at Heidelberg; and the U. S. high commission at Frankfurt, Germany; T. J. LaVelle, Sen. C. H. Smith, U. S. high commission, and travel writer Norman Ford, Fairwater, Fla.

Don't Try to Be Hero if You Hear Burglar, Expert Warns

IOWA CITY, Ia., Sept. 14 (AP)—If you hear a burglar rattling around in your bedroom, don't try to be a hero. Your best bet is to play dead to the world.

This advice comes from Prof. Richard L. Holcomb, University of Iowa specialist in police methods, and an authority on the lore of housebreaking.

A former Kansas City, Mo., police lieutenant, Holcomb has assembled a complete compendium of breaking and entering in a book called "Protection Against Burglary."

He worked both sides of the street in gathering his material. "I talked at length with several highly skilled burglars now serving time," he says. "I found that one kind of burglar usually prefers to work in the same room where his victims are sleeping—so he can keep his eye on them."

This type of burglar can be extremely dangerous. If he disturbs your slumber, the best thing to do is just go right on letting him think you are asleep.

"Don't sacrifice your life just to save \$500 or even \$500 a burglar may find in your room," says Holcomb.

Other pointers Holcomb gleaned from the men who know house-breaking best:

That house key you hide under the porch flower pot is duck soup for a burglar to find.

A skilled burglar can get through any door and into any sort of place. If you keep your money at home (which is foolish) don't brag about it.

The best safeguard against burglary in a place of business is to keep it well lighted.

A smart watchdog is a good protection.

Grange Discusses Changes for Fair

SPOKANE, Sept. 14—The possibility of changing requirements for the community produce booths at the county fair for next year was discussed at a meeting of the Grange Friday night. Membership felt that sponsoring a booth in addition to money-raising booths requires too much work.

A committee may be named later to meet with the fair board to present proposals for a change in the program, the Grange decided.

Mr. and Mrs. V. C. Wentworth were introduced as guests from Wood River Center-Grange. Wentworth spoke. Reports on the two booths at the fair were given and members of the Home Economics club were to purchase materials for the booth for future use.

Named as Judge

BLACKFOOT, Sept. 14—Warren Daigh, Twin Falls county agent, is to be one of the judges of the horticultural and agricultural exhibits at the Eastern Idaho state fair in Blackfoot Sept. 15-16.

Howard B. Roylance, state extension agronomist, and Anton S. Horn, state extension horticulturist, are to be the other judges.

B-57 night intruder: Its intrusion is with atomic bomb.

Newest USAF Atomic Weapon Is Unique Twin-Jet B-57 Plane

By DOUGLAS LARSEN

BALTIMORE, Md., Sept. 11 (AP)—America has a brand new vehicle for delivering atomic bombs which would greatly enhance the nation's growing stockpile of tactical A-weapons.

It's the Glenn L. Martin B-57 night intruder twin-jet light bomber, soon to be coming off the assembly line in large numbers.

The plane's unique "bat" design is that of the latest report air force's Electric Canberra. With Martin modifications it is one of the most versatile jet aircraft to

be developed since the end of World War II. It incorporates great speed range and maneuverability which provide a long unrefueled time in the air.

The B-57 is actually a brand new "weapons system" air force spokesman claim.

In a recent demonstration the plane fired a series of rockets and aviation experts with its amazing flight characteristics.

The "powerful" Wright-Sapphire engine, also of British design, are started very quickly by a blast of powder which spins the huge turbines into action. This starting device, developed by General Electric, has great tactical importance.

Inquiries May Boost Korean Toll to 30,000

WASHINGTON, Sept. 14 (AP)—The official toll of American deaths in the Korean war will rise to more than 30,000 in the months ahead as the defense department writes direct across the names of thousands now listed as missing in action.

With the prisoner exchange completed, the services now are trying to determine the fate of some 7,000 Americans still missing.

In many cases their fate never will be determined definitely. But military officials said today that for most of the missing the conclusion can be that they are dead.

Detailed Check

Before declaring a missing man to be dead, the services must make a detailed investigation, piecing together all available scraps of information about what happened to him.

It will be a time-consuming job. The army estimates it will be two years before it has determined officially the fate of all its missing men. By the time the job is complete the Korean death toll, which now stands at 26,000, is expected to top 30,000.

Sport?

SOMERVILLE, Mass., Sept. 14 (AP)—Teenage hooligans had a time today in the streets of Somerville behind the Somerville-Buck company.

After a salesman chased them away, company officials counted 14 cars smashed and estimated damage—ripped off fenders, shattered headlamps and twisted bumpers—would total at least \$5,000.

They said the boys look advanced of the fact that mechanics had left keys in the ignition locks.

Federal Housing Development for Germany Rapped

WASHINGTON, Sept. 14 (AP)—Congressional investigators have criticized a \$100-million U. S. housing development in Bonn, Germany.

The development, planned by the state department in 1951 to house American government officials and employees transferred to Bonn when the West German capital was moved there from Frankfurt.

Representative Brown, R., Ind., chairman of a house subcommittee on government operations which is studying the report, referred to the project as "a case of curtailed quarters."

Five officials' homes were put up at a cost of from \$115,000 to \$227,000 each, the report said. In addition, 450 one- to four-bedroom apartments, complete with furnishings that include everything from hammers to chainsaws, were built at a cost of \$25,000 per unit, the report added.

In its Saturday report the group commended the project as necessary to avoid further requisitioning of German homes for Americans. But it said the construction should have been on a more modest scale.

About 25,000 people were killed in motor vehicle accidents in the United States in 1952.

Quake, Tidal Wave Ravage Pacific Island

SUVA, Fiji Islands, Sept. 14 (AP)—A severe earthquake shook this Pacific island early today and an accompanying 10-foot tidal wave caused heavy damage to the town.

The tidal wave swept hundreds of yards inland at the dock area, carrying scores of small boats ashore and wrecking them.

Two persons were reported killed here. An Indian girl drowned in the tidal wave and a Chinese was killed by falling masonry at an Indian sick temple.

The tidal wave littered the shore with thousands of dead fish. Suva's only communication with the outside world is a single radio-telephone.

Assistant Postmaster-General H. Edmunds used the radio-telephone to report that Suva was being shaken by a series of tremors.

Radio reports from other islands in the Fijian group did not reveal any casualties but damage was expected to be considerable.

Decline Predicted In Globe's Cotton

WASHINGTON, Sept. 14 (AP)—The international cotton advisory committee today predicted a decline of \$80,000 to one million bales in free world cotton production this year.

It said the American crop is expected to remain near the 1952-53 level of 18 million bales and production in Africa is expected to show little change.

India is expected to show an increase in production, but this will be offset by anticipated reductions in Mexico, Pakistan, Egypt, Turkey and Syria. Last year's free world output was put at 28,700,000 bales, a postwar record.

Newcomers Club Sets Tea, Hears T.F. Attorney Speak

Newcomers club will hold its annual tea at the home of Mrs. W. R. Bopard, 323 Seventh avenue east.

Arrangement of plans for the tea and a speech by Douglas Kramer, Twin Falls attorney, on the topic "Equality of Men and Women Before the Law" will be the main feature of the luncheon held Saturday at the Bopard home.

Kramer explained Idaho's community property system, under which husband and wife share equally the property. He pointed out that in all respect under Idaho law, the woman comes of legal age at 18 and the man at 21.

Mrs. Kath Jacobson will serve as general chairman of the tea. Club officers noted the tea will be held from 2 to 5 p. m.

Eleven newcomers were introduced to the club. These guests, and their former addresses, included: Mrs. Duane Harrison, Mrs. John Potter, Mrs. William H. Smith and Mrs. Vernon Harris, all Boise; Mrs. A. R. Hennes, Vancouver, Wash.; Mrs. James H. Alford, Ft. Snelling, Minn.; Mrs. C. A. Holme and Mrs. Hugh Cell, both Salt Lake City; Mrs. R. M. Tourne, Las Vegas, N. M.; and Mrs. A. Howard, Phoenix, Ariz.

Care of Your Children

By ANGELO PATRI

Girls and boys who are about to enter college or who are starting on their first job should be eager to profit by enlightening experiences. Too often, these rich years are looked upon by youth as a period for mere pleasure and wasting time. Most experiences give food for thought. Each day should bring the load of valuable information, which can be added to the store acquired through the years. If youth does not benefit by these opportunities, he is missing a great deal, much that might mean success in life.

Are you endeavoring to learn something in your new job? Did you make the most of your chance in high school? Are you gaining information from your classmates in college? The meeting of young minds should result in imparting to each other something of value to know. Do you take your associations with other young people seriously? Or, is it merely a case of "Hello, that was some affair last Tuesday! Where are you going tonight?" or, "so you may be neglecting something of paramount importance. Pleasure is all very well, but is it not a waste when youth permits it to overshadow the desire to learn.

And those who are for the first time earning a steady wage, what are they doing to use their position as a stepping stone to something better? Are they a understanding of their work? Have they analyzed the reason for what they are doing? I wonder if they have a feeling of usefulness, of self-respect and spiritual satisfaction? If not, these young people are wasting a golden time—cheating themselves.

Who, we teach children and guide youth should ask ourselves, what are we doing to show them the way? What example are we setting that will help the young people to select their way with wisdom and discrimination?

—Let us take heed. Instead of setting the highest value on receiving and retaining, we should set it where it belongs—on sharing. Instead of giving so much thought to material possessions—clothes, jewelry, cars—let us concentrate more on human relations. We should impress on youth that the real values of life grow out of fine human relationships, and not those to be found in the realm of pleasure and recreation.

Year class life is valuable for a real child. Part tells how to overcome fear in children in his first job. "Fear to admit a copy and give it to him," says Time-News, P. O. Box 99, Station 10, New York 10, N. Y.

Nutmeg Spices Recipe Related For Doughnuts

Nutmeg is the ingredient that makes Mrs. Van Auden's glazed doughnuts something special. She buys the whole nutmeg and grates it into the dough and glaze.

Ingredients of her recipe include one cup warm water, one egg, one yeast cake, one-fourth cup shortening or lard, three-fourths teaspoon salt, one-third cup sugar, three and one-half cups flour (or enough for soft dough) and one-fourth cup grated nutmeg.

Melt the shortening in hot water and cool it before adding yeast. Add yeast and stir until dissolved. Add egg, shortening, salt, sugar, flour and nutmeg, and mix until smooth and elastic. Place in a greased bowl and cover. Set in a warm place until the bulk doubles in size. Roll dough out to a half inch thick. Cut out the doughnuts and let them rise 45 minutes, or until almost double in size. Fry in hot fat (175°) until brown, then drain. Dip each doughnut in glaze.

The glaze is made with two cups powdered sugar, one-fourth of a cup of grated nutmeg (or enough to suit taste) and enough hot milk to make a thin sauce. Place the glaze over hot water to keep thin, and dip doughnuts into it.

Recipe makes about two dozen doughnuts.

Senator Avers Probe on Vote Wastes Funds

WASHINGTON, Sept. 14 (AP)—Senator Charles McNary, D., Ore., today said the Republican-controlled Senate has wasted thousands of dollars in a politically motivated investigation of his reelection last year.

McNary said he should be investigated, not who was elected senator, and that the Senate knows that, but that the taxpayers' dollars are being wasted.

McNary, a veteran of many battles, has been undergoing the toughest moments of his career since the GOP-controlled Senate subcommittee began recounting the ballots and the election results.

Confident of outcome, McNary said, the subcommittee's investigation is a waste of time and money.

McNary said, more than \$100,000 has been spent on the investigation. In the closing days of session, the Senate refused to request \$100,000 to continue the inquiry, but agreed to enough to wind up the investigation in New Mexico.

The committee, headed by Sen. Charles McNary, R., Wyo., is expected to reach some decision on McNary's case in the next two weeks.

McNary's opponents are Sen. Thomas J. D. McLean, and Charles McNary, R., Mich. None of the McNarys publicly what the has disclosed.

In Just 7 Days Start Your Child Growing Again With Wonder Bread!

The Bread That Helps Build Strong Bodies 8 Ways!

**Note How Wonder Bread Compares With Meat,
Milk, Fish and Eggs—See Chart**

**Children go for Wonder Bread
because it's Doubly Fresh!**

An average boy of 10 should gain about 6 pounds in one year.

Which is at the rate of 1 1/2 pounds per month; or less than 2 ounces each week. But any time your child fails to gain puts her or him that far behind.

Why Lack of Food-Energy Causes Weight and Growth Loss
Carbohydrate and fat supply food-energy. Protein supplies the "building blocks" of growth.

Now Nature cannot use carbohydrate and fat alone for growth, but it can use protein for energy.

Thus, when your child fails to get enough carbohydrate and fat food-energy, Nature uses the protein for

food-energy instead of growth.

The result: Your child's growth is stunted.

Wonder Bread Helps Your Child Grow Bigger and Stronger 8 Ways

A well-balanced diet calls for meat, milk, eggs, fruit and both yellow and green leafy vegetables. And carbohydrate food for energy. Like Wonder Bread.

Because not only does Wonder Bread supply food-energy but protein. Study the chart and see how Wonder Bread helps build bigger and stronger bodies 8 ways.

To encourage your child to eat a well-balanced diet and 8 slices of Wonder Bread each day, show him or her this ad. Because it shows how any boy or girl can grow bigger and stronger

8 ways—which is what they want to excel in their favorite sports.

Measure your child in the doorway. Make a pencil mark now. Then in 3 months and 6 months—watch the mark shoot up!

Get Wonder Bread Today

Wonder Bread is a wonderful food. Because it helps build strong bodies 8 ways.

And Wonder Bread has a wonderful flavor. Because it is doubly fresh—fresh when you buy it and fresh when you eat it.

Get Wonder Bread fresh from your grocer today. And—start your child growing again in just 7 days.

Bees Keep on Win Trail by Downning Great Falls 8-7

GREAT FALLS, Mont., Sept. 13 (AP)—Salt Lake City, fourth in the final Pioneer league standings, remained on the victory trail in post-season play Sunday night by defeating second-place Great Falls, 8-7, in the first game of the final Shaughnessy playoff series.

Great Falls and Salt Lake took best-of-three series in playoff preliminaries last week, the fourth placers defeating Ogden, the pennant winner, and Great Falls downing Billings, both in straight games.

Irish Picked As Top Grid Team in '53

NEW YORK, Sept. 14 (AP)—No one generally expects the football season to be the pick of the writers and broadcasters to be the outstanding college team of 1953. The Irish, picked by the Associated Press, put the Irish first on 84 of the ballots and showed Michigan State as winner of the 1953 honor, to second place, Georgia Tech was a close third to the Spartans, each club getting 24 votes, the No. 1 spot in the annual pre-season poll.

The collegiate season starts this coming Saturday although college football action isn't general until Sept. 26.

The University of California at Los Angeles and Alabama complete the closely-bunched top five and are followed in order by Oklahoma, Ohio State, Southern California, Maryland and Duke. In all, 31 colleges received points in the voting. The placing of Notre Dame at the top of the heap is another big step in the Irish comeback since the graduation of the mighty 1949 team. The Irish were out of sight during the final polls of 1950 and 1951 but last year had climbed back to third place at the end of the season behind Michigan State and Georgia Tech.

The Irish polled 1,555 points to 1,305 for Michigan State and 1,128 for Georgia Tech. The UCLA total was 1,005 and Alabama got 865. The other members of the top 10 got points as follows: Oklahoma 763, Ohio State 685, Southern California 165, Maryland 143 and Duke 96. Points are awarded on a basis of ten for first place, nine for second and so on down the list until only one is given for 10th place.

GAME DEPARTMENT BUSY

Pennsylvania Entry Is New Mrs. America

ASHBURY PARK, N. J., Sept. 14 (AP)—Mrs. Pennsylvania won the title of "Mrs. America" last night only 24 hours after another Keystone state beauty became "Miss America."

Mrs. Anna Snyder, Rutland, a brown-haired mother of two boys, was shocked when she learned this judge had picked her from six contestants in the final drawings. "I can't believe it," she said. "I didn't have the slightest anticipation of winning."

Other Winners
Mrs. Connecticut, Mrs. Mary Ann Marcus, Danbury, was runner-up. Mrs. North Carolina, Mrs. Melvyn Harper, Snow Hill, was third. Mrs. Snyder, whose husband, Kenneth, is a photo offset operator in a Rutland printing office, won \$10,000 in prizes and a free trip to Guatemala with him. She said the trip and the four-week personal appearance tour she will make as Mrs. America almost prevented her from entering, because her husband was afraid she would be able to take care of their children while she was gone.

Still Has Doubts
Snyder said he hopes his mother-in-law, Mrs. Joseph Fursi, would be able to take care of Steven, 3, and Kevin, 1. He said earlier he still had his doubts about the contest.
Mrs. Snyder has brown eyes, to match her hair. She is five feet, 4 1/2 inches tall and weighs 115 pounds. Her measurements are 34-23-34 and she is 34 years old.

Two Are Held on Forgery Charges

VERMONT, Sept. 14—Eddie Trullio, 27, and Clifford Medina, 23, both Salt Lake City, are confined to the county jail following their appearance before Probate Judge Theron W. Ward last week on charges of forgery of a check for \$42.50. The check was made out to the Smoke Shop. The name signed on it was George Clifford.
Jim Ray, manager of the Smoke Shop, signed the complaint. Trullio was extradited from Utah while Medina waived extradition. When they appeared before Judge Ward they waived preliminary examination and are being held for district court. Bond for each was set at \$1,000.

Medina also is charged with another count of forgery in a complaint signed by Virgil Halbert, Jerome grocer. The check given at Halbert's store was in the amount of \$42.50 and the name signed on it was George Trappan. Medina waived preliminary examination on this count and his bond was set at \$1,000.

Puzzle Raised By 13th Body In Mausoleum

FRONHAG, France, Sept. 14 (AP)—The French village buzzed today over the mystery of the 13th coffin. It all began when P. Dornieu said of the village cemetery watchman to open the family mausoleum and rearrange the 12 coffins it contained to make room for additional burials. Jules Tardif, the watchman, went about the task. When the mausoleum was opened, he inspected the coffins. There were 13 instead of 12. He counted again... 13.

Mayor Notified
He notified P. Dornieu. The latter could not explain. Only 12 members of the Dornieu family were buried there. He notified the mayor, who refused to believe his story. Then the 13th coffin was opened. It contained the body of a fair-haired girl, dressed in a low-cut ball gown and dancing slippers. No one in the village could identify her. The cemetery had no record showing the body was there.

Murder Mystery?
Police believe the girl may have been murdered. There were indications of head injuries. But if a murder: Who is the victim? What was the motive? Who was the murderer?

Police confessed they did not even know where to begin an investigation of the mystery. Judicial authorities in nearby Lille are expected to send orders soon for an official exhumation and the opening of an official inquiry.

No More Cobras Located in Town

SPRINGFIELD, Mo., Sept. 14 (AP)—The count of deadly king cobras found here remained at six today and police said tension among residents seemed to be easing slightly. No snakes had been discovered since Wednesday night, although false reports kept police busy and citizens jittery during the week-end.

If tension was easing locally, it seemed to be increasing in the surrounding area. The proprietor of a repulse show at the Bolivar country fair said the public was so leery of snakes he had decided to ship his cobras to relatives elsewhere.

Meanwhile, Police Chief Frank Pike said he would accept assistance offered by the owner of a pet shop in the area where the cobras have been killed.
