

Boy Dead After Bouncing Crash of Car on Crossing And Curve Near Richfield

SHOSHONE, June 3—Larry Dean Hansen, 17, Jerome, early Thursday morning became Magic Valley's 15th traffic fatality this year. He died in St. Benedict's hospital, Jerome, from injuries received in a crash west of Richfield some time before midnight Wednesday.

Exact time of the accident is not known but Sheriff Thomas Conner said he received a phone call from Ted Ollieu, Richfield, about the accident at almost exactly midnight.

Early Photographer, Clarence Bisbee, Dies

Clarence Bisbee, about 78, Twin Falls, pioneer photographer, died suddenly of a heart attack at his home here today. He was a pioneer photographer in the Magic Valley and was extensively used in publishing the Magic Valley Memorial hospital following a brief illness.

Bisbee came to Twin Falls from Effingham, Ill., Jan. 27, 1908. He set up a studio in a tent on Main avenue south and took photographs and albums to land promoters.

His photographs were used by business promoters and businessmen. Mr. Bisbee had been photographing for many years and had a large collection of photographs and negatives.

Volcano Erupts

Flery lava spurts 100 feet in the air from cracks in Hawaii's Kilauea crater floor in the volcano's most active eruption since 1823. Rim of two-by-three mile crater can be seen in the background. It was estimated 10,000,000 yards of lava was spewed forth from what used to be steam cracks often visited by tourists. (AP wirephoto)

Attack Upon Belgian Aircraft Kills Officer

VIENNA, Austria, June 3 (AP)—A Belgian freight plane was shot up by another plane today near the Yugoslav-Austrian frontier and its radio officer killed. Two of the surviving crewmen described the attacking plane as a Russian-made MIG, possibly from Hungary.

The Belgian legation in Belgrade said the freight plane was shot at by "several" Soviet fighter planes.

The Belgian transport was a DC3 carrying pedigreed pigs from Britain to Belgrade, Yugoslavia. It had a crew of four—three Belgians and a Briton. The dead radio operator was a Belgian, as were the pilot and a mechanic, both injured.

The British co-pilot, uninjured, said the attacking plane was a MIG jet fighter, and an injured Belgian told a similar story.

The DC3, hit on the left side by cannon fire at perhaps 6,000 feet, made an emergency landing at Graz, Austria. The British co-pilot took 20 minutes to fly it back to Graz.

Accounts Differ

The British embassy here said the DC3 was attacked over Maribor, Yugoslavia. This town is about 15 miles from the British zone of Austria and about 80 miles from the Hungarian frontier.

However, the British co-pilot said the incident took place at Murka, only 12 miles from the Hungarian border. The Austrian, Yugoslav and Hungarian borders all are in this general area.

"Two cannon shells hit the plane," the embassy said.

A second transport in the pig-lift operated by Sabena Air Line flew on to Belgrade without incident.

Message Quoted

The Belgian legation at Belgrade quoted the crew of this second plane as having intercepted a message from the attacked plane saying Soviet fighters were after it. However, the pilot of the second plane had not seen the attack and knew nothing about it except what he heard on the radio.

The Sabena planes have been carrying pigs from Britain to Belgrade for the use of the Yugoslav government since May 24.

The incident came while President Marshal Tito of Yugoslavia was in the midst of a state visit to Greece.

Found Loyal

A special three-man security board found Oppenheimer a loyal citizen but recommended that he not be given security clearance in the future.

Condon declared that any statement on the merits of the application for his security clearance would be inappropriate. But he added that his loyalty to the United States was not in issue and there has been no suggestion that he ever breached security regulations or was indiscreet in handling classified information.

MEAT OUTPUT UP

BOISE, June 3 (AP)—Production of dressed meat in Idaho during April totaled 6,401,000 pounds, slightly above production for the same month a year ago, the U. S. department of agriculture reported today. The total was down 18 per cent from the record level reached in March.

Not Sure on Cost

He said he was not sure what the cost of such a center would be. He also suggested possible expansion of existing hospital facilities, which could be done without constructing buildings or additions.

Dacco said that Boise would be a logical place for the center because of the accessibility of a professional staff in this area.

Firm Gets Okay

BOISE, June 3 (AP)—Pacific Power and Light company had a go-ahead from the state public utilities commission today to operate the \$400,000 electrical facilities of Mountain States Power company in Bonner county, which were acquired in a recent merger. Pacific Power will serve former customers of Mountain States in Sandpoint, Priest River, Clark Fork, Kootenai, Hope, East Hope, Old Town and Ponderay.

Republican Group Turns Down Deal On Price Supports

WASHINGTON, June 3 (U.P.)—Republican members of the house agriculture committee today ruled out a compromise with President Eisenhower on the farm price support issue and called for a showdown vote which seemed almost certain to go against the President.

Chairman Clifford R. Hope, R., Kans., told newsmen it is impossible to get committee members to agree on a compromise between present rigid high supports and the flexible supports recommended by the administration.

Therefore, he said, he is calling for a showdown committee vote on the issue tomorrow. Hope declined to forecast the outcome. But other members agreed the committee is certain to vote overwhelmingly to extend present rigid high supports for at least another year.

That would raise prospects of a head-on clash between the congressional farm bloc and Mr. Eisenhower on the house floor.

Hope made it clear that efforts to work out a compromise would continue after the bill leaves his committee. He pointed out the bill still has a long way to go before it reaches the White House.

Mr. Eisenhower could put his own program of flexible supports into force next year merely by vetoing whatever legislation congress passes.

Republican leaders had hoped to get the house agriculture committee to agree on a "compromise" bill which would be satisfactory to both the administration and the farm bloc.

Prospect Dims

But that prospect dimmed yesterday when Mr. Eisenhower told his news conference he will not compromise on the principles of the flexible price support program.

And a few hours later key committee Republicans from the midwest west coast belt served notice at a secret meeting at the capitol that they want rigid high supports continued.

The midwestern congressmen told Chairman Hope that they could not agree even a limited extension of flexible price supports for "corn" and "wheat" lower price supports next year for corn, the nation's major feed crop, is a key plank in the administration's flexible plan.

The administration wants to discourage corn production and encourage greater consumption of livestock in order to curtail the record high surplus.

Pegged at 90 Per Cent

Government price guarantees for corn and other basic crops, wheat, cotton, peanuts and rice, now are pegged at 90 per cent of parity by a law which expires at the end of this year. If no new legislation is enacted, the administration's flexible supports would automatically go into force. Supporters then could range from 75 to 90 per cent of parity.

Partly is the government's yardstick of the "fair price" for things a farmer sells in relation to prices he pays for things he buys.

The house agriculture committee was expected to vote to extend further rigid high supports for at least one year through 1955.

Welker Denies

WASHINGTON, June 3 (Special)—Sen. Herman Welker denied today report he may take an active part in the coming Republican primary.

His statement followed publication in the Times-News last week of a Washington dispatch saying the senator "quite likely" would do so.

The story said that he would support Idaho's Gov. Len Jordan, should he announce against incumbent Sen. Henry Dworshak.

Welker's statement reads: "There is no truth to any rumor that I favor one individual over another in the coming Republican primary. I have taken no stand on the primary race in Idaho and I do not intend to. It would be totally improper for me to voice an opinion on so important a subject when it is up to the voters themselves to decide."

"I shall take no active part in the Republican primary either for state or national offices. I believe the Republican voters of Idaho are capable of making their own choices without any assistance or advice from me. I shall naturally support the candidates nominated by the party."

Damage

BOISE, June 3 (AP)—Frosts of May 26-28 damaged peas, beans and sweet corn extensively in Idaho, the weather bureau said today. Some damage was reported to alfalfa, sugar beets, grains and fruits.

The bureau said the full extent of damage is not known in all areas. The freezing temperatures were statewide. Hail which occurred late in May apparently did little harm.

Series of Burglaries Ended as 3 Arrested

The recent series of "after-dinner" burglaries which has plagued local residents was ended Wednesday evening when city police arrested three suspects on charges of forgery and burglary.

Held in the city jail pending further investigation are Fred Bear, 24, Cody, Wyo., his wife, Jane, 17, Athens, Ore., and Louis Glasby, 21, Pendleton, Ore.

According to Police Chief Howard Gillette, the arrest was made on Blue Lakes boulevard north. The three suspects were riding in a 1947 Ford sedan to which none of the three claims ownership.

Immediate investigation following the arrest took police officers to a stock ranch 12 miles north of Jerome where the suspects have been living in a tenant house for the past two months.

Chief Gillette said a large quantity of stolen items was recovered at the ranch, linking the suspects to all of the recent burglaries here and in the Jerome and Shoshone areas.

Catholic Women End Annual Confab Here

The Idaho Council of Catholic Women climaxed their two-day state convention here Wednesday with installation of officers to preside over next year's conference in Lewiston.

Mrs. H. J. Gilbert assumed new duties as president of the ICOW. Mrs. James Shaw, vice president; Mrs. Ralph Hammer, financial secretary; Mrs. Deborah Griffin, treasurer; Miss Jacqueline Murdock, recording secretary; and Mrs. Amelia Jacks, auditor. Mrs. A. J. Finke, Buhl, installed the officers, who were all from Lewiston.

Featured speakers at the "Twin club luncheon" were the Rev. Father Thomas Heenan, Gooding, addressing the group on "All Generations Shall Call Me Blessed," and Mrs. F. E. Loran, Great Falls, director of the National Council of Catholic Women, who praised the Virgin Mary in her speech, "Mary, Our Model and Inspiration."

The luncheon was called the Ave Maria luncheon in accordance with the current Marian year, so named by the Pope in honor of the Virgin Mary. Chairman of the luncheon was Mrs. B. Y. Ellsworth, assisted by Mrs. James Cunningham and Mrs. James Sidwell, all Twin Falls, and Mrs. L. J. Radloff, Burley. Rosemary Hof, Jerome, sang selections.

Six past presidents of the ICOW were introduced to the women at the conclusion of the luncheon. They are Mrs. A. M. Florin, Wallace; Mrs. F. E. Loran, Great Falls; Mrs. John Jenny, Cottonwood; Mrs. Fred Costello, Boise; and Mrs. Hugh McMonigle, Pocatello.

Mrs. C. E. Wadsworth, Twin Falls, who received a Papal blessing from Bishop Kelly for her outstanding service as this year's president of the ICOW, paid high tribute to the Rev. Msgr. J. P. O'Toole, pastor of St. Edward's church, Twin Falls, during her luncheon speech, "Marian in Marian Houses," Tuesday.

Brannan Talk

At Banquet Is Planned Here

Charles F. Brannan, former secretary of agriculture, is slated to speak at the Twin Falls American Legion hall June 26 at a Magic Valley Jackson-Jefferson day banquet, reports Harry Barry, Twin Falls Democratic county chairman.

Barry said much of the former secretary's program is being vindicated through its adoption by the present administration, and added that "the Democrats always had a program for the farmer."

He said that in Magic Valley, "where the economy depends almost entirely on agriculture, former Secretary Brannan will be a most appropriate speaker."

The Twin Falls county chairman reported Cassia, Jerome, Gooding, Blaine, Minidoka and Lincoln counties will participate in making the banquet "one of the most successful ever held here."

He said the three district and one state banquets held since the beginning of this year were attended by over 100,000.

Enson Says Rigid Dairy Price Props Would Have Increased Federal Control

BOISE, June 3 (AP)—Agriculture Secretary Earl Warren today said that a continuation of rigid dairy price supports would result in "further and further governmental control of the industry."

Warren said that the government can "take away" the industry's right to a guaranteed price for its products.

"Any industry is in a perilous position when a significant part of its income is dependent upon an artificial economy that leaves its future open to the whims of legislative process," he said.

Warren's remarks were in a speech prepared for a meeting sponsored by the Chicago Association of Commerce and Industry. Cooperating in sponsorship were dairy and farm groups and processors and purveyors of dairy products in the Chicago area. His speech marked the major

Death Claims Buhl Farmer, 78, at Capital

BOULDER, June 3—Samuel D. Briggs, Gooding area, pioneer and veteran of the Spanish-American war, died at the Boise veterans hospital early Wednesday following a prolonged illness. He was 78.

Mr. Briggs was born at Boise April 16, 1876.

He moved with his parents to the Gooding area from which the Indians made the family tie to Rock Creek several times for security. He farmed in Clear Lake canyon when the Twin Falls area was still a desert, then moved to the Buhl community where he was a farmer most of his life.

He was a member of the Assembly of God church, Buhl.

He is survived by four children, Claude Briggs, District; Ray Briggs, Richfield, and Mrs. J. C. Holmes and Mrs. Charles Dearing, both Buhl; two sisters, Mrs. Frances Orslew, Idaho Falls, and Mrs. Bertha Jensen, Reno; six grandchildren and two great-grandchildren.

Funeral services will be held at 2 p. m. Monday in the Buhl Assembly of God church with the Rev. O. W. Fish presiding. Charles Burbank, commander of the Buhl American Legion, will be in charge of military rites. Concluding services will be held in the Buhl cemetery under direction of the Alburton funeral home.

Two Coast Boys Held for Felony

Two Stockton, Calif., youths, Robert Cassidy, 18, and Robert Lindsey, 16, were arrested by city police Wednesday afternoon on a warrant from California charging the two boys with burglary.

According to Police Chief Howard Gillette, the investigation following the arrest resulted in clearing up a recent warehouse burglary in Jerome.

California authorities have been notified of the arrest and will claim the boys for prosecution in Stockton.

T. F. Man Talks On Dairy Month

BUHL, June 3—Dairy month was observed at the meeting of the Kiwanis club Wednesday noon at the R and R cafe.

Lyons Smith, Twin Falls, state chairman of the "June Is Dairy Month" committee of the Idaho Dairy association, spoke on the necessity for finding a solution to the problem of dairy surpluses.

Smith deplored the fact so much attention is given to the excess supply of butter in contrast to the small amount of attention given to other surplus commodities such as tobacco and cotton. A film was shown.

The Rev. Charles Easley, pastor of the First Methodist church and a member of the Buhl club for a number of years, is moving to Payette.

Injured Youth Gets Attention

LeMar Allison was flown to Salt Lake City Wednesday afternoon for an emergency brain operation.

He was injured in a crash following a 100-mile-an-hour flight from law officers near Buhl.

Two girl passengers, Joy Allen, 15, and Patsy Lund, 13, were released from Magic Valley Memorial hospital under parental custody to return to their homes in Salt Lake City. Neither was hurt seriously.

The 16-year-old Salt Lake City boy was pinned in the wreckage of the stolen car he was driving until a wrecker arrived to assist in releasing him. He was taken to Magic Valley Memorial hospital.

Deputy Sheriff Chad Thompson said the chase started at 2:15 a. m. when he saw the teen-agers' car stopped on the highway two miles west of Twin Falls.

The three were passengers in a car stolen from Fild Shore in Salt Lake City Tuesday afternoon. When wrecked the car bore Idaho license plates which had been stolen from a Packard belonging to J. H. Carlson, Twin Falls fireman. While it was parked behind the fire station Tuesday night.

Twin Falls County Sheriff Jesse Carlson said Allison is subject to prosecution in Utah under the Dyer act, which makes it an unlawful offense to transport a stolen car over a state border.

Crash Near Arco Is Fatal to Utahn

ARCO, June 3 (AP)—One Utah construction worker was killed and his cousin injured in a traffic accident last night on U. S. highway 30 three miles west of the National Reactor Testing station.

Killed when his car went out of control and rolled over was Walter P. Olsen, 26, Logan, Wendell Olsen, 24, Providence, a second cousin, received back injuries. He was reported in good condition today in an Idaho Falls hospital.

The two men were employed by LeGrand Johnston Construction company, Logan. The firm has a contract for the surfacing of U. S. highway 20 east from its junction with highway 26.

Teenager Killed In Cliff Tumble

LAVA HOT SPRINGS, June 3 (AP)—Ray Richards, 17, a Blackfoot high school junior, was killed yesterday afternoon when he fell 75 feet while climbing a cliff near the railroad tracks here.

The boy, a son of Mr. and Mrs. John A. Richards, Blackfoot, was climbing with a companion, Lloyd Oldham, 18, also Blackfoot. They had started to descend the cliff when the Richards youth fell. He was brought down from the rocks where he fell by Lieut. Alfred Nord of the Idaho state highway patrol, and Dr. Leo Burchett, Lava Hot Springs.

They rushed him to a hospital at Pocatello, where he died of head injuries.

Piper, Mountain Home air force base, and Betty Wood, Twin Falls.

John H. Hill, 74, Taken by Death

BURLEY, June 3—John Henry Hill, 74, died Wednesday at the Cottage hospital following a short illness.

Mr. Hill was born Dec. 17, 1879, at Orchard, Ia. He had been a resident of the Burley area for many years, was a member of the LDS church, and an elder and a teacher in the third ward.

He married Ella Etta Stephenson, who survives. Also surviving are three sons, Walter Hill, Malta James Hill, Wendell and Albert Hill, Burley; two daughters, Mrs. Orpha Benson, Boise, and Mrs. Afton Teague, Kennewick, Wash.; one brother, Earl Hill, Hammett, and two sisters, Mrs. Cora Brown and Mrs. Kate Barrett, both Iowa.

Funeral services are pending at the Payne mortuary.

Auto Demolished By Gravel Truck

A 1930 Buick was demolished Wednesday morning when it collided with a city-owned 1948 Ford truck loaded with gravel one mile east of the county farm on Sugar Factory road.

The Buick, driven by Shirli L. Todd, 20, 748 Morningside drive, was hit broadside on the right door by the truck driven on Sugar Factory road by Robert D. Burgoyne, 27, 126 1/2 S. Main, Burley. Damage to the truck was estimated at \$500.

According to State Patrolman J. J. Bays, jr., the Buick being driven north at the intersection was knocked about 45 feet by the truck which left skid marks 14 feet long. The Buick left no skid marks, Bays said. Neither driver was injured.

Wife's Desertion Charged in Case

Robert S. Sullivan filed a divorce suit against Mrs. M. Fern Sullivan in district court Wednesday, charging willful desertion.

The Sullivans were married July 11, 1936, in Yuma, Ariz., and have two children.

Sullivan, represented by Earl E. Walker, claims Mrs. Sullivan left their home more than a year ago with the two children and he has been unable to locate them.

Rites Conducted

GLENN'S FERRY, June 3—Gravestone rites at Glen Rest cemetery were held Wednesday for Bradley Edward Harder, infant son of Mr. and Mrs. Elmer Harder, Glenn's Ferry.

The infant died late Monday at the Gooding County Memorial hospital shortly after birth.

Besides his parents he is survived by one sister, Elizabeth Mae Harder; one brother, Elmer Richard Harder, jr., and his maternal grandfather, Jim B. Beggante, Glenn's Ferry.

Rites were under the direction of the city mortuary with Donald McGill officiating.

Sentenced

BURLEY, June 3—William H. Bridge was sentenced to not more than 18 months in the state penitentiary Thursday morning by District Judge R. W. Beckwith on a charge of first degree burglary.

Bridge was convicted here Friday by a district court jury in the second trial for the same offense. The jury was unable to reach a verdict in the first trial.

Six Witnesses Questioned in Damages Case

The \$37,181.50 damage suit against the Union Pacific railroad continued in district court Thursday morning with cross-examination of the two plaintiffs and testimony of six witnesses.

The plaintiff rested the case and the defendant immediately moved for non-suit which was denied by Judge Hugh A. Baker. The trial was to be continued Thursday afternoon.

Cross-examined were Lionel Mounce, who is suing through his guardian, Orville Mounce, sr., and his aunt Mrs. Pauline Mounce. The younger Mounce asks \$21,183.30 in compensation for loss of work and injuries incurred in the accident which happened at the Grandview avenue crossing Jan. 17, 1933. His aunt is suing for \$16,018.30.

Witnesses who testified Thursday morning included Dr. Ivan A. Anderson and Dr. Max W. Carver, Filer; Mrs. Cleo Montgomery, mother of Mrs. Pauline Mounce; Mr. and Mrs. Orville Mounce, sr., and T. J. Foley, engineer on the train which collided with the automobile in which Mrs. Pauline Mounce, Lionel Mounce and his brother, Orville Mounce, jr., were riding.

Twin Falls County Sheriff Jesse Carlson, who was the first witness called in the case, continued his testimony after the afternoon recess Wednesday.

He was followed to the stand by State Police Lieut. Clark Hand and State Officer M. J. Bays, jr., who testified the intersection was marked only by a railroad crossing warning sign.

The next witness, E. F. Thymart, a farmer who lives near the crossing, told the court he heard three short blasts of a train whistle followed by the sound of a crash as he returned from milking.

However, Mrs. Mounce testified she heard no whistle when the car neared the crossing. She admitted the car's radio was turned on at the time, but claimed she would have heard any warning signal of the train.

However, Mrs. Mounce, the day's final witness, testified she heard no whistle when the car neared the crossing. She admitted the car's radio was turned on at the time, but claimed she would have heard any warning signal of the train.

5 Military Chiefs Meet at Pentagon

WASHINGTON, June 3 (AP)—The military commanders of five powers assembled today at the Pentagon to consider the problems of communist-menaced southeast Asia—questions which Secretary of Defense William terms more political than military.

Ahead of the chiefs of staff or their representatives for the United States, Britain, France, Australia, and New Zealand were five or six days of discussion of what might be done in a military way to save southeast Asia, including directly threatened Indochina, from falling to red domination.

But any strategy, any further arms aid considered in these exploratory discussions was limited to existing or future decisions by the chiefs of state and diplomatic representatives of the five powers.

Elected

SPRINGFIELD, Mass., June 3 (AP)—D. G. Simon, Ft. Worth, Tex., was elected president of the American Jersey cattle club at its 88th annual national convention here last night.

Among the directors chosen were J. Edgar Smoot, Ogden, and Joe Elcan, Waldo, Ark.

Series of Church Services Planned

RUPERT, June 3—First in a series of religious services for migrant workers in this area will be held at 2 p. m. Sunday at Paul labor camp, and at 4 p. m. at Wilson labor camp. The Rupert Ministerial association announces.

The Rev. A. Dumin, pastor of Salem Evangelical-Reformed church, and new president of the association, will be in charge of the services. The service will be composed mostly of musical numbers with all churches in the community urged to take part.

The Rev. Mr. Dumin, former vice president of the association, became president last month when the Rev. William C. Johnson moved to Boise and vacated the post. New vice president is the Rev. Wendell L. Coe, and the Rev. Reinhold Opp remains as secretary.

Report Made

HAGERMAN, June 3—More than \$25 worth of poppies were sold May 29 by members of the Hagerman American Legion auxiliary members, Mrs. Dudley Cameron, chairman, reports.

The women also sponsored a cooked food sale at Owsley's grocery with Mrs. O. F. Molony and Mrs. Claude Butts, sr., in charge.

Permit Issued

RUPERT, June 3—A permit for extensive remodeling of the Green-walt building on F street was granted by the city council Tuesday.

Details of the work were not listed, but remodeling costs were estimated at \$8,000. The building has been used temporarily by the Idaho First National bank but was vacated last week-end.

Guy McAllister's bid of \$800 was accepted for moving some of the

veteran apartments from the east to the west end of the present location on the main canal. The move is necessary to make room for a shop being erected by the bureau of reclamation.

HAGERMAN, June 3—Word has been received here of the death of Charles Marsh, 60, brother of Howard Marsh and Ward Marsh, Hagerman, who died at his home in San Francisco, Calif., on Tuesday following a long illness.

He is survived by one daughter and one son. His wife preceded him in death. Funeral services will be held at Nampa.

Atomic Panel Avers Nation All Prepared

WASHINGTON, June 3 (AP)—The atomic energy commission reports it has spent over 9 billion dollars on nuclear weapons and said this has bought a "high state of preparedness against aggression."

Now, the AEC said, it is time to spend more public funds for the "constructive and peacetime use of the atom" which may eventually make a contribution "to the maintenance of peace . . . as great or greater than its effect as a deterrent to war."

Members of the commission read to the senate-house atomic energy committee a formal statement to support an omnibus atomic energy bill. The statement said the bill would "substantially meet all of the objectives" of President Eisenhower's atomic program.

The AEC statement endorsed provisions permitting wider private participation in developing electricity from nuclear power but said this can "best be accomplished by joint effort of both industry and government as a working team." Some industrial witnesses have suggested that private industry take over the project alone.

The commission predicted that under present circumstances "only a small number of full-scale privately owned and operated reactors (atomic power plants) are likely to be on the line before 1965." It also said chances are that by 1975 between 2 and 10 per cent of the nation's expanding electricity needs would be furnished by nuclear-run plants.

Surprise!

Three camels turned up on an accident report in the Twin Falls police station late Wednesday.

An hour earlier they turned up in front of motorists' headlights at the dark intersection of Washington street and Sixth avenue west. Jerry Horejs stopped his car so suddenly Ronald Tiley's car slammed into his rear bumper.

The camels? They belonged to the Clyde Beatty circus, and didn't seem to mind the noise of banging bumpers—they just eased on down the street with their trainer to board the circus train.

Graduation Is Set at College

Graduation exercises for Twin Falls Business college will be held Friday, June 11.

Randall K. Wilson, instructor at the college, is in charge of the arrangements with Kathryn Weaver, graduating student, as chairman.

The class will wear the traditional caps and gowns for graduation. The 1954 class will be the fifth graduating class from Twin Falls Business college. It will be the first class to wear the cap and gown.

At commencement exercises, the Rev. R. E. Crow, pastor of the First Baptist church, will be the featured speaker. Sterling C. Larson, director of the college, will present the diploma. Also on the program are talks by students and numbers by the Twin Falls Business college chorus.

The program will be held in the First Baptist church, at 8 p. m.

Commissioners Change Stand Upheld By City Board

Commissioners approved Monday night a refusal by the city planning and zoning commission on a rezoning of 2.5 acres of land, owned by J. Shelby for the rezoning of the land to residential, to zone 1, in Glynn's addition, and the rezoning of 2.5 acres of land, owned by Johnson, to zone 1, in the further recommended that the rezoning be made in zones of 1, as to the various zones of the city. It was brought out by the city engineer that the entire zoning ordinance might need a revision to meet the future.

Manager J. H. Latimore, on the other hand, expressed his thanks to Police Chief Howard and his department for their handling of the parade Tuesday.

The department reported that the police department collected a total of \$1,297 in fines, bonds and other charges. During the same time, the department answered 1,427 calls. The estimated loss on buildings was set at \$175. Total revenue was \$395. The rezoning was approved unanimously.

Mr. Ballenger, superintendent of streets and waterworks, gave a report on the convention of the American Water Works association which he attended in Seattle.

Spraying Time Declared Here

Now is the time to spray Canada thistle and spring grain, reminds Rodney Tegan, county weed supervisor.

Canada thistle should be sprayed when it is well out of the ground. Best time for spraying spring grain is when grain is between the stooling and boot stage.

For irrigated cereals, the recommended spray mixture is two pounds of 2,4-D to 50 gallons of water per acre. Less water can be used, but it is likely to result in more damage to the grain, says Tegan. For dryland cereals, two pounds of 2,4-D should be used in 20 gallons of water.

Double doses of spray are suggested for badly infested spots. This may be done by allowing the spraying machine to half speed.

Heavy application may cause some damage to grain in the infested area, but the actual loss of yield will be small in comparison if the weeds were left alone.

Pressure of 30 to 40 pounds for spray apparatus is suggested. If weed stands are heavy, a higher pressure is advisable. Low pressure should be used and spray booms set not more than 20 inches above weeds for complete coverage and least drift, says Tegan.

Mevin Larson Sunday. Joan Larson and Renee Fillmore directed the music. Prayers were given by James Bronson and DeWayne Johnson. Earl Christensen, Eddy Craythorn and Marlow Yost spoke.

Farm Mishaps Are Discussed In Knoll Meet

Mrs. E. M. Dosselt, presented a program on farm and home safety Wednesday night at the regular meeting of the Knoll Grange in the community center.

Each member told of some accident that could have been prevented or a hazard that should be corrected on their farm or in their home. Mrs. Dosselt gave a reading illustrating safety. She also read a report on the percentage of farm accidents and gave a quiz on farm accidents.

Mrs. T. M. Knight, home economics committee chairman, urged all members to save gold spectacles and old jewelry to send to New Eyes for the Needy, Inc., Short Hills, N. J. A vote of thanks was extended to all members who helped prepare the float for the Golden Jubilee parade.

Mr. and Mrs. E. G. Carroll, Twin Falls Grange, were guests. Hosts were Mr. and Mrs. Gene Hull and Mrs. Elma Fouts.

McKay Will Talk In Salt Lake City

SALT LAKE CITY, June 3 (AP)—Utah Republican leaders said yesterday that Secretary of the Interior Douglas McKay will make a major address on reclamation and public land administration in Salt Lake City Saturday evening.

Word of the secretary's plans was brought from Washington by N. G. Morgan, Jr., general chairman of the state GOP Centennial dinner, and State Atty. Gen. E. R. Callister.

They said McKay is expected to discuss specifically the Upper Colorado river reclamation project and the administration program to speed up surveys of public lands.

The dinner is a \$100-a-plate affair, to be held in the Rainbow ballroom.

Tot Lives After Dip Into Water

DECATUR, Ala., June 3 (AP)—I called for mama and cried and I scratched the window and I didn't think anybody was ever going to get me.

Seven-year-old Florine Fugate today told these words of being trapped for 20 minutes in a car submerged in eight feet of water Tuesday. She was kept alive by a bubble of air until a wrecker pulled the automobile from backwaters of the Tennessee river.

Two persons were killed when the car skidded and overturned into the water. The dead were Bessie Collier, 33, and Mary Alice Vinson, 8. Florine suffered from shock but is recovering in a Decatur hospital.

Bus Firm's Rate Increase Okayed

BOISE, June 3 (AP)—The state public utilities commission has awarded a general increase in freight rates to Mount Hood Stages, Inc., which operates buses on U. S. 30 in Idaho between the Oregon and Utah borders.

The commissioners agreed with the company claim that the increase is needed to eliminate an operating deficit in Idaho. It is expected to raise revenue \$3,000 a year.

The order authorizes a 50 per cent increase in minimum rates, progressive increases for heavier articles and higher charges for flowers, glassware and other fragile goods.

WAGE FACT

NEW YORK, June 3 (AP)—Western Electric company has announced a 5 per cent year wage agreement giving a five-to-seven-cent-an-hour pay increase to 6,000 workers in 20 major cities.

FISHING CONDITIONS TERMED "EXCELLENT" AS OPENING NEARS

Local Conservation Men by Magic Valley Streams are Mostly "Low and Clear"

Anglers hitting Magic Valley streams on opening day Friday will find the fishing excellent, conservation officers throughout the district reported Wednesday.

Conservation officers from Wendell to Mackay all said fishing should be "hot" on the opening day of the 1954 season. Hawley Hill, fourth district chief, said most of the streams in the Magic Valley are low and clear. "Only a few of the streams might be a little high on opening day," he said.

Big and Little Lost rivers are rather high on opening day. Unless the weather changes in the next few days, the opening day will be the best in several years.

Up to Mackay, the river was up to the top of the bank, and the fish were in the water like raindrops.

Conservation officers will be on hand to take the new rule book before the opening.

A new bag limit this year will be 15 fish or 10 trout and one fish.

There are several streams that do not open Friday. The bag limit is 15 fish or 10 trout and one fish.

Little early yet, but there are some good blueback shiners in the Magic Valley and Alturas lakes in the middle of June," he said.

Under the fish and game department reminded anglers that the opening day of the season will be on Friday, June 4.

Cowboys Catch Idaho Falls 12-10 in Eighth Hooks Blasts Grand-Slam Homer; Ihde Gets Second

The Magic Valley Cowboys got a semblance of pitching to back up their powerful batting order here Wednesday and battered the Idaho Falls Russets 12-10 before 545 fans at Jaycee park. The win by the Cowboys gave them an even split in their two-game series. Gene Hooks was the big gun for the Cowboys with a bases-loaded homer in the third and a double, accounting for two more RBIs, in the eighth. Hooks had seven RBIs for his night's work at the plate.

Thursday the Cowboys take the long hop to Billings where they open a three-game series Friday. Al Ihde, who was called in to relieve starter Bob Faust and checked a Russel rally, will probably go for the Cowboys in Billings.

The Cowboys did all their scoring Wednesday in three innings with two runs in the first, five in the third and five more in the eighth.

The opening inning looked like another battering was in store for the Wranglers as Bob Faust gave up five runs on three hits to put the Cowboys way in the hole.

The Wranglers bounced back in their half of the same frame to tally two runs and bring the game within reach.

Eddie McDade and Bob Lemmel both drew walks and Everett Robinson drilled a single to score McDade. Hooks rolled out to short with Lemmel moving in to score after the catch.

In the big Cowboy third, they tallied five times to take a 7-5 lead.

McDade started things off with a single, Lemmel walked and Robinson drew a base on balls. Up came Gene Hooks and blasted a long homer over the leftfield wall scoring all three ahead of him.

Bob Hanny singled, Cy Gonsalves singled, Bill Mills drew a base on balls and Manns hit into double play with Hanny scoring.

That was all for the Cowboys until the eighth.

The Russes, meanwhile, worked Faust for two more runs in the fifth inning to tie the game at 7-7.

In the eighth, the Russes went ahead by one run when Bob Mavis clipped a long, high fly that carried over the rightfield wall for a homer.

Robinson decided Faust had had enough and called in Al Ihde to finish for the Cowboys.

Ihde got the side out without any more runs scoring and the Cowboys showed their appreciation by pushing across five runs in the bottom of the eighth.

Dean Manns, who twice before hit into a double play with men on bases, lined a sharp single to center. Ihde laid down the bunt and all hands were safe, when the Russes pitcher threw high to second trying to get Manns in the foreground.

McDade best out an infield single to lead the bases and Lemmel brought in Manns with a long fly to center. Robinson singled to score Ihde and Hooks came through with his double to score McDade and Robinson.

Hanny walked and Gonsalves singled to wind up the Cowboy scoring.

Jerry Streeter's homer in the first inning was the longest seen in Jaycee field this year. The blast carried over the dead center field wall just to the left of the flagpole. The distance was figured to be about 385 feet.

Faust made sure Streeter didn't get a toe-hold at the plate his next time up and hit the Russes' stop with a high inside pitch. Faust walked Streeter in the fifth and came very near to hitting him again. Streeter took the long way around to first and exchanged a few words with the Cowboy hurler.

Tom Manns nearly drilled a hole through Faust in the second inning when he drove one right back at the Cowboy hurler. Faust caught the ball on his side and was not hurt.

Three Cowboys are on the injured list and will not make the Montana jaunt. Jim Stoddard has a sore arm, Jim Speer is laid up with a bum pitching hand and Al Berger is still nursing a sore ankle.

Bosox Nip Chisox; A's Drop to Cellar; Indians Nip Yanks

Fine clutch pitching by Frank Sullivan and reliever Ellis Kinder stemmed Chicago's late-inning comeback bids Wednesday night as Boston defeated the White Sox 5-2. When Chico Carrasquel led off Chicago's eighth with his sixth homerun into the leftfield screen on an 0-1 pitch and Sullivan worked the count to 3-1 on Nellie Fox, Kinder came on to save the rangers' second victory of the season.

Baltimore righthander Joe Coleman, traded away by the Philadelphia Athletics last year, defeated his old club 9-1 with the help of a six-run, eighth-inning in which Clint Courtney poked a three-run homer.

The Orioles and A's were tied for the American league cellar spot going into Wednesday night's game. Philadelphia's loss "won" them sole possession of last place.

Washington shelled Steve Gromek for six runs in the first four innings and coasted to a 7-2 victory over Detroit behind the six-hit pitching of rookie Dean Stone in Washington. Pete Runnels pounded a three-run homer, his first at Griffith stadium, in the fourth.

Curt Simmons pitched the Philadelphia Phils to a 7-0 shutout over the Cincinnati Redlegs in Cincinnati.

Al Smith homered into the leftfield seats in the 10th inning for the winning run as the league-leading Cleveland Indians overcame a seven-run, first-inning deficit and whipped the New York Yankees 8-7 in New York.

Boise Pilots Belt Bannoeks In 12-1 Fray

BOISE, June 3 (AP)—The Boise Pilots pounded out a 12-1 victory over Pocatello Wednesday evening to pull within four games of first place in the Pioneer Baseball league.

The Pilots cut loose with a barrage of extra base blows, including a double and a triple by Les Kast. And Gordy Tench held the Bannoeks to six hits.

The lone Pocatello run crossed in the second inning. Dick Bergen, Al Casino and John Whiney all singled and Bergen came home when Willie Neal hit into a double play.

Boles grabbed two counters in the first inning, then wrapped things up with seven in the fourth.

Frank Hardy walked, and the Pilots slipped out five successive singles by Gordy Becorot, Matthew Kellum Rose, Gordy Tench, Ernie Sierra and Ray Herrera to score four runs. With Sierra and Herrera still on base, Kast tripled two more in and Markley singled to score Kast.

Pioneer Head Turns Billings' Protest Down

SALT LAKE CITY, June 3 (AP)—President Claude Engberg refused Wednesday to allow a protest in which Ogden trimmed Billings 5-1 May 29.

Manager Cliff Dapper, Billings, lodged the protest. He objected to an umpire's ruling in the sixth inning.

John White, Ogden catcher, hit down the rightfield line with one man on base. Ralph Wilcox, Billings' rightfielder, got his glove on the ball but the ball was deflected. White rambled around the bases, with one run scoring ahead of him.

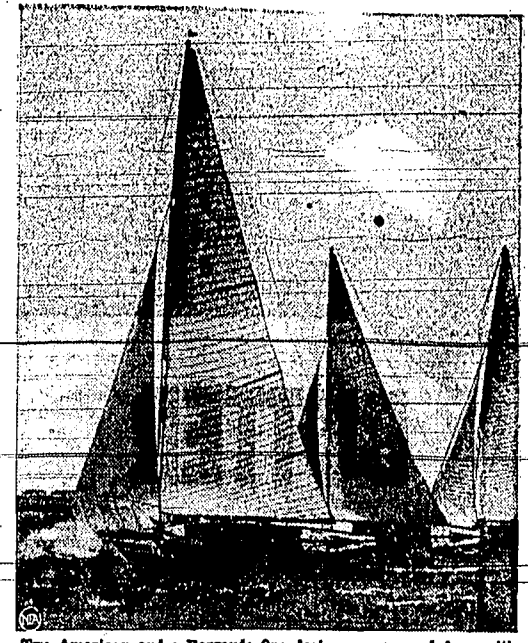

Dapper argued that when the ball was deflected it left the playing field and the hit should have been limited to two bases, instead of a homerun.

"The umpire ruled," Engberg said, "the ball did not leave the playing field, but became lost in some tall grass adjacent to the fence in foul territory and consequently was in play all the time."

Hank Bauer Becomes New "Old Reliable"

NEW YORK, June 3 (AP)—They used to call Tommy Heinrich "Old Reliable" when he drove in the important runs for the New York Yankees. Tommy is gone now but the Yankees have had another "reliable" in Hank Bauer. The husky, 6-foot, 32-year-old is growing into the big guy of the club little by little. He's coming through when the clutch play is needed. Tuesday, for instance, he drove in four runs with a three-run homer and a single. Some days it's a hit, other days it's a sparkling catch.

It was Bauer who, three weeks ago, was confused with someone else when a report out of Washington said he was listed by a house committee investigating athletes allegedly coddled by the military services.

This was denied by the Yankee ball club and probably by a lot of ex-marines who had done what Sgt. Bauer told them to when they were together in the islands.

Hank Bauer, out of East St. Louis, Ill., enlisted in the United States marines Jan. 19, 1942.

"I was a gunner, a platoon sergeant," he said. "We were in four invasions, New Georgia, Okinawa, Guam and Emiraui."

"Which was the roughest?" Hank was asked.

"Okinawa. There were more Japs there, there was more artillery, it was closer to their homeland and they fought harder."

"There was no opposition at first. We didn't hear a shot for four days. They were waiting in the hills for us."

"I was 32 months overseas. It was my 53rd day on Okinawa when I got hit. We were evacuating wounded. I was coming back from a forward aid station. We just took a kid up there. A shell went off." Hank said. "It killed this master sergeant and hit me in the left thigh."

Bauer was taken off Okinawa then. He went to Saipan then and they took the shrapnel out of his leg.

Ogden Reds' Rally Catches Electrics 5-3

OGDEN, June 3.—The Ogden Reds rallied from an early 3-0 deficit Wednesday night to register a 5-3 Pioneer league victory over the Great Falls Electrics.

The Reds broke a 3-3 tie when Bill Campo singled home Jim Lankford in the seventh and added an insurance run on Lankford's run-producing double in the eighth.

Great Falls leaped to a 2-0 lead in the first inning. The Red's Jerry Elder dropped Duke Schuerman's fly ball and Duke went to second, from where he scored on Clem Moore's triple. "Pat" Enos' sacrifice bunt scored Moore.

Another Ogden error led to the Electrics' third tally in the fourth. Mike Witwicki was safe when Carl Poyor fumbled his grounder. He moved to second on an infield out and scored on Dick Akers' one-bagger.

The Reds roared back in their half of the fourth to score three runs.

Ed Schnieler pitched the distance for the Reds, allowing seven hits. Ogden collected 11 safeties off Morris Milburn and Bill Herdt. Milburn was the loser.

Baseball's Top Relief Hurlers Are Released

NEW YORK, June 3 (AP)—There is nothing more pathetic and pathetic than a relief pitcher who is released from a team. It is a sad sight to see a pitcher who has been a star in one team and then released from another team. Mustangs Hand Mike Shade First Defeat

SALT LAKE CITY, June 3 (AP)—The Billings Mustangs handed Salt Lake City pitcher Mike Shade his first loss of the season 14-5 Wednesday night and moved to within half a game of the Pioneer league leading Bees.

Shade had won seven straight games before Wednesday night. The Mustangs pounded him for 12 of their 16 hits in the 5 2/3 innings he worked. Bob Harrell finished on the mound for the Bees.

Meanwhile, Billings' hurler Jim Dunn steadied after a rocky start to scatter 13 Salt Lake hits and pick up his seventh win in 10 decisions.

Billings opened up a 3-0 margin in the top of the first, only to have the Bees knot the count in the bottom of that frame. But the Mustangs broke the game open with four runs in the second to go ahead for good.

The Montanans upped their margin to 11-3 before Salt Lake picked up its final two tallies in the sixth.

Manager Cliff Dapper was the big man in the Billings assault, pounding out a home run and three doubles for a perfect night and driving in four runs. Pablo Bernard also homered for the Mustangs.

The win gave Billings the series two to one.

Philippine Leaders Smell Plot In Surrender by Rebels' Chief

Editor's note: The recent surrender of Luis Taruc, best known Huk leader in the Philippines, was one bright spot in a picture dark with communist successes in Asia. But his capture also has the anti-communist government worried. The situation is analyzed in the following dispatch by Gene Symonds, chief of the U. S. Manila bureau.

By GENE SYMONDS

MANILA, June 3 (AP)—The government of President Ramon Magsaysay is puzzled and worried because the best known of the pro-communist Hukbalahap rebels has fallen into its hands.

Luis M. Taruc, a slight, bland-faced little man who is a not unloved symbol of revolt, came down from the hills and surrendered himself on May 17.

Now confined to a well guarded room in the Officers club of Camp Murphy outside Manila, he has refused legal aid for his trial. He will say only that he is "spiritually prepared" and that he gave himself up to "join the government."

Magsaysay and his top aide, Jose

Crisol, do not believe Taruc's surrender meant anything like political capitulation by the Huk's even though the communist revolutionary attempts are at the lowest point since the end of the war.

True Taruc was trapped in an iron cordon of soldiers with his back to Mt. Arayat on central Luzon. But Taruc has slipped through army lines dozens of times before. And there are other communist leaders—Dr. Jesus Lava, Casto Alejandrino, Mariano Balgos and Taruc's brother, Peregrino—still prowling the mountain wastes of the Philippines.

Magsaysay, Crisol and other top members of the administration know that in Taruc they have what can be a boomerang.

To do anything less than try him for dozens of capital crimes with which he is charged, including murder, arson and rebellion, would be unthinkable.

But to imprison or execute him may make Taruc a martyr to the

peasants of central Luzon where he drew his strength.

The government thinks Taruc's surrender may be a shrewd part of a plan by the Huk's to move in politically—on trade unions, the press, schools and party groups. The rea-

soning is that the communists realize military success has eluded them and they must take another tack.

Navy's Vertical Takeoff Craft Makes First Flight in Hangar

MOFFET FIELD, Calif., June 3 (AP) — The navy's radically new XFV-1 vertical takeoff fighter plane has made a successful test flight of some 80 feet straight up.

Flying inside the giant dirigible hangar at the navy base here some 50 miles south of San Francisco yesterday, it flew on a leash in what Consolidated-Vultee aircraft officials referred to as a "tethered flight test."

At the controls of the experimental plane, nicknamed the "Pogo Stick" by the navy, was veteran Convair test pilot J. P. (Skeets) Coleman, who celebrated his 38th birthday with the brief flight.

Some 200 press, television and radio representatives looked on from a catwalk 50 feet up the side of the hangar as Coleman gunned the tremendous turbo-prop engine into an ear-splitting roar and slowly lifted the plane straight up towards the roof of the hangar 184 feet above.

The plane rose slowly with gathering speed, much like the takeoff of a propeller driven rocket. At approximately 80 feet above the floor the test pilot brought the plane to a halt and hung suspended with the six huge counter-rotating propeller blades stirring up a small cyclone.

Coleman flew with the canopy open, lying almost flat on his back and looking backward over his shoulder at the hangar floor as he maneuvered the controls with his hands and feet in adjusting the power of the engine to the flight.

Then gently, like a man setting down a crate of eggs, he brought the plane to the floor at rest position—on its tail with its nose pointed skyward.

In a second flight Coleman took the craft aloft on its leash once more and made it dance from side to side in the air, showing that if the plane was untethered he could have swung over on level flight and left the hangar for the air spaces outside.

It was the first public demonstration of the plane which has been in construction at the Consolidated Vultee plant in San Diego for about four years.

The Fastest Twine-Tie Baler in the World!

New Super "77" bales up to 12 tons an hour—and more—in field tests on private farms!

New Holland proudly introduces the Super "77"—the new baler for the farmer or custom operator who puts a premium on capacity.

Design is based on the time-tested features of the famous Model 77, America's most widely used baler. The big increase in tons per hour is made through 25 new improvements to cut friction, reduce power waste.

Result? A Super "77" will outbale any other twine-tie or wire-tie, regardless of conditions.

To demonstrate this, New Holland engineers ran production models of the Super "77" in field tests on private farms in all parts of the United States throughout the '53 season. Again and again, the Super "77" baled 12 tons an hour! Under good field conditions, results were even higher.

See us for full details. We can show you a full line of balers to fit your farm and budget requirements.

Frosts Harm Crop Chance In Utah Area

SALT LAKE CITY, June 3 (AP)—Frost that nipped at tender plants in widespread areas during the last week in May may cut the yield of some Utah farm crops, it was indicated.

Frost May 27 and 28 did varying amounts of damage to tender vegetable plants, developing fruit, alfalfa and sugar beets.

"Many alfalfa fields were nipped especially at higher elevations," the weekly crop summary of federal and state agencies said. "Reports show considerable variation in the amount of damage sustained ranging from 'spotted' in some sections to 'severe' in others.

"Alfalfa hay prospects are quite variable throughout the state. Lack of water combined with frost damage has resulted in reduced yield prospects in some areas. In western and southern counties, however, the present outlook is for a better than average crop, generally.

"Sugar beets are reported to be making normal growth and the development of the crop to date compares favorably with recent years. Some abandonment has occurred because of frost damage and drought conditions but will apparently be no more than usual."
