Secondary' Polio Victim Dies in Idaho as 7 More Gem Cases Are Reported

The state health department has recorded the first fatality in its secondary polio cases—those who were associated with Salk-vaccinated children in close contact with a case of primary polio yesterday.

Peter R. Rockne, 35, Boise, who had been in close contact with two of his children, died of bulbar polio yesterday, according to the state health department. The two were in children's cases of various types were recorded during the past month.

They brought the total to 19 vaccinated cases, 23 secondary, and 16 non-connected. Meanwhile, health department director L. J. Peterson received a telephone call from Dr. Jonas E. Salk, who said he was unable to accept an earlier invitation to visit Idaho.

Peterson said Salk expressed concern over the Idaho situation and requested that the department send a state health officer to confer with him.

Salk, who said he was unable to accept an earlier invitation to visit Idaho, also said Peterson that as studies continue on the national level he will try to work out a solution to the Idaho problem and he may come to the state later.

Public health doctors are continuing their painstaking investigation of each case. Dr. Stanley J. Leland, state director of preventive medicine, is in the Magic Valley area and Dr. Carl Peterson, state director of public health services, is in northern Idaho.

Dr. George Patton, another public health service doctor, is in northern Idaho. Among those attending the session were Dr. Jonas Salk, chief director of the National Foundation for Infantile Paralysis.

O'Connor publicly said yesterday that the government may call off immediately of its study of vaccine produced by Cutter Laboratories, Berkeley, Calif.

The vaccination program was halted for a new check on safety standards with a number of cases of polio developed among children who had received the Cutter product.

The number of cases has now reached 60. In addition, there have been 28 cases among children who received vaccine made by four other manufacturers.

Old Bridge Collapses

Built in 1902 at a cost of \$15,000, the old Orange blossom bridge over the Statuon river near Oskdale, Calif., was completely destroyed by a heavily loaded truck crossing the mid-point, Albert Harris, 46, Fresno, Calif., the driver, was injured slightly on the downward trip. (AP wirephoto)

Contempt Conviction Of 3 Reds Is Upset

WASHINGTON, May 24 (AP)—The supreme court threw out contempt-of-congress convictions of three men who refused to answer questions put to them by congressional communist hunters. Chief Justice Warren, who spoke for the majority in all three cases, said government "bodies cannot be scrupulous in protecting the rights of a witness under the fifth amendment's guarantee against compulsory self-incrimination. Warren also said that congressional committees, in laying the foundation for a contempt prosecution, must make it clear to a witness that he is in danger of prosecution for refusing to answer questions.

In none of the three cases, Warren said, the congressional committee confronted the witness with a clear-cut choice between answering a question and risking prosecution.

The following convictions were reversed and sent back to U. S. district courts here with instructions to enter judgments of acquittal: Julius Emppak, secretary-treasurer of the National Electrical Workers union, which was expelled from the CIO several years ago on the grounds of being a communist; and Eugene Budge, a brother of Councilman Eugene Budge, Schmidt is a member of the council and Budge has been manager of the municipal golf course.

The three men were released from work before the state prison. Phil Hart, general manager of the Daily Worker, Communist party newspaper, a witness before the same committee in connection with Emppak and Quinn received sentences of six months in jail and \$500 fines. Hart got a three-month sentence and a \$500 fine.

Meanwhile, four Burley men have opened negotiations with the city to lease the municipal golf course. Burley, who also is the Burley city council coach, continues as manager. The four are Tom Church, Burley city president, and William Morgan and John J. Howe.

Charles C. Freed, Salt Lake City, called for an expansion of the highway system yesterday at a meeting of the Idaho Automobile Dealers association. He said the program should be financed with bonds.

Hearing Scheduled On Federal Dam by Reclamation Group

WASHINGTON, May 24 (AP)—The house interior reclamation subcommittee has scheduled hearings here June 29-July 1 on a bill to authorize the federal Hells canyon dam. A similar senate subcommittee held hearings here and in the Pacific northwest this spring on identical legislation to authorize a federal project in Snake river along the Idaho-Oregon border, where three private power dams have been proposed. The senate group is expected to vote next week on that bill introduced by Senator Morse, D., Ore., and co-sponsored by 29 other senators.

Farmers on Salmon Tract Get Allotment

HOLLISTER, May 24—An allotment of 2 of an acre foot of irrigation water per acre was made by the board of directors of the Salmon River Canal company here Monday night. This year the farming on the tract will be entitled to receive 2 of an acre foot of water for irrigation for every acre of stock they own in the canal company. This amount is comparable to the amount now being furnished on the tract last year.

Currently there are 18 1/2 feet of water being held in the reservoir. This is slightly less than there was at this time last year but at this time a year ago the runoff had been completed. Additional runoff is expected from the watershed this year. The reservoir is impounding 18,500 acre feet of water now.

Orders for water will be taken Wednesday and if enough are received water will be turned into the canal on Friday for a four-day run, officials said.

Cool Commission to Consider New Zoning Rules

Cooler than normal weather is predicted for Magic Valley in the week ahead, forecasters predicted here Tuesday via Associated Press.

"Cool, but not cold, we hope," said the AP reporter, reading this report: "Temperatures averaging below normal will be forecast after Thursday. High temperatures 62 to 72, lows 38 to 48. There will be showers, mostly over mountains Tuesday evening and again Sunday." (Probably.)

New Airport Is Dedicated In Ceremony

CAREY, May 24—Even though a blustering wind did its best to discourage a crowd from gathering, the new Carey airport was dedicated today morning to witness the dedication ceremony of Carey's new airport by State Senator Herman Weir.

Dedication of the strip was the culmination of more than two years work to produce a landing strip for the Carey area. The new airport is a 1,500-foot-long, 100-foot-wide strip of red infill of earth. "Thomas Quinn, a field organizer for the exact union, who was called as a witness during the same investigation. Quinn, general manager of the Daily Worker, Communist party newspaper, a witness before the same committee in connection with Emppak and Quinn received sentences of six months in jail and \$500 fines. Hart got a three-month sentence and a \$500 fine.

Also introduced was Chet Moulton, state director of aeronautics. Quinn who reviewed some of the activities concerning the selection of the site and building of the airport. Among the guests invited was the dedication of the old Carey airport by former President Harry S. Truman during his "white-stripe" campaign.

Possibility for Polio Vaccine Today Probed

WASHINGTON, May 24 (AP)—Although state public health officials expressed the belief that the Cutter vaccine may be the current high incidence of polio in Idaho, a study that the congregation of children in the vaccination program may have contributed to the outbreak here today, Dr. Stanley J. Leland, state director of preventive medicine, said.

Dr. Leland said that the vaccine used in the program was not the same as the one used in the program here today. He said that the vaccine used in the program here today was not the same as the one used in the program here today.

Dr. Leland said that the vaccine used in the program was not the same as the one used in the program here today. He said that the vaccine used in the program here today was not the same as the one used in the program here today.

Burley Takes No Action on Reinstatement

BURLEY, May 24—No action was taken at a recessed meeting of the city council Monday night on a petition containing 400 names to reinstate a city employee who had been released from work because of relationship with the Communist Party.

The petition was filed for the reinstatement of Marvin Fekke, a member of the street crew, who is a member of the Communist Party. Released from work last week along with Fekke also were Billy Schmidt, a member of the street crew, and Eugene Budge, a brother of Councilman Eugene Budge. Schmidt is a member of the council and Budge has been manager of the municipal golf course.

The three men were released from work before the state prison. Phil Hart, general manager of the Daily Worker, Communist party newspaper, a witness before the same committee in connection with Emppak and Quinn received sentences of six months in jail and \$500 fines. Hart got a three-month sentence and a \$500 fine.

Meanwhile, four Burley men have opened negotiations with the city to lease the municipal golf course. Burley, who also is the Burley city council coach, continues as manager. The four are Tom Church, Burley city president, and William Morgan and John J. Howe.

Charles C. Freed, Salt Lake City, called for an expansion of the highway system yesterday at a meeting of the Idaho Automobile Dealers association. He said the program should be financed with bonds.

CIO Readies Lengthy Talk On Big Issue

DETROIT, May 24 (AP)—General Motors corporation and the CIO United Auto Workers today began day-long negotiations for the first time since the talks on the guarantee of work started early last month.

The company's negotiators had been meeting with the union for several days at a time previously although Ford Motor company and the union negotiators have held several all-day sessions on the annual wage issue.

Ford's contract with the union expires June 1 and GM's contract expires July 1. CIO and UAW President Walter Reuther attended the union talks through the day. Reuther is expected to shift to the GM talks this afternoon. Reuther has been attending talks with company negotiators for several weeks.

Meanwhile, the union announced that General Motors workers through the day. Reuther is expected to shift to the GM talks this afternoon. Reuther has been attending talks with company negotiators for several weeks.

Shots Canceled

WASHINGTON, May 24 (AP)—The mass inoculation of school children was halted in Brocton, Calif., today because the children have already postponed their programs.

Dr. Stanley J. Leland, state director of preventive medicine, is in the Magic Valley area and Dr. Carl Peterson, state director of public health services, is in northern Idaho.

Dr. George Patton, another public health service doctor, is in northern Idaho. Among those attending the session were Dr. Jonas Salk, chief director of the National Foundation for Infantile Paralysis.

O'Connor publicly said yesterday that the government may call off immediately of its study of vaccine produced by Cutter Laboratories, Berkeley, Calif.

Driver Cited In T. F. Over Car Accident

BOISE, May 24 (AP)—A driver was cited for negligent driving by city police after his 1947 Plymouth collided with a 1953 Packard sedan on the intersection of 21st and Addison avenues east, at Second street and Third avenue south.

Police said the accident occurred at about 1:10 p.m. on the intersection of 21st and Addison avenues east, at Second street and Third avenue south.

Plan for Convention Next Fall

Planning the annual state home demonstration convention to be held in Twin Falls Oct. 27-28 are, standing, Mrs. Sam Waymont, Jerome, southcentral district chairman, left, and Mrs. H. W. Ronk, Twin Falls, general chairman, and seated, left, Mrs. Brooks Markwell, Caldwell, state president, and Mildred Haberty, state home demonstration leader, University of Idaho. (Staff photo-engraving)

Death Toll Is Big in Homes In Gem State

BOISE, May 24 (AP) - Be it ever so humble - there was a piecer-like-homes for an Idahoan to meet accidental death.

The Idaho public health department's division of vital statistics, for example, listed a piece of popcorn and a cat as some of the state's more unusual hazards during 1954.

One handy 26-year-old man who apparently thought he had a cast-iron constitution ended it all with a slug of chili sauce.

An 85-year-old woman, evidently unhappy with a cat, threw a stick at the animal and was fatally injured when she slipped and fell.

A 10-month-old boy struggled to death when he sucked a piece of popcorn into his lungs while attempting to reach it under a stove.

Equally tragic was the death of a year-old girl who was sealed to death when she turned on a gas-water heater to light.

Even the seemingly-innocuous waxed milk carton turned into an instrument of death. A woman, 69, was fatally burned when she tried to add wood to a stove and the carton exploded, causing the lint on her hair sweater to ignite.

Record showed that falls, generally among elderly persons, accounted for 22 of the accidental deaths in homes; fires or explosions caused another 20 and there were 16 unspecified deaths within the hour.

The 87 home deaths were among...

Shoo in

PHOENIX, Ariz., May 24 (AP) - The kids had a chance to name their new school today and who did they pick? Yup, Davy Crockett.

"Only 50 parents voted," sighed W. A. Griffith, superintendent of the school district. "So there wasn't much doubt what name would win."

The 497 accidental fatalities listed by the department last year. All are tragic, the department said, because for every accident there was a directly-contributing cause which could have been eliminated.

INSURANCE GAINS

NEW YORK, May 24 (AP) - Purchases of life insurance for the first four months of 1955 amounted to \$13,840,000, the Life Insurance Agency Management Association reported yesterday.

This is a 15 per cent increase over the same period a year ago.

First Session Held Here for Plans of Meeting in October

First in a series of meetings for the planning of the state home demonstration convention to be held in Twin Falls Oct. 27 and 28 was held Monday with directors of the state group and local chairmen attending.

Twenty-eight county councils will take part in the event, announced Mrs. H. W. Ronk, Twin Falls, general chairman. The meeting, with feature discussion of business as well as work sessions.

Committee chairmen appointed to far include Mrs. Fred Montgomery, Salmon Homemakers club, housing; Mrs. Glen Patterson, Springs club, local arrangements; Mrs. Adolph Mahacek, West End club, hospitality; Mrs. G. K. Nesbitt, Neighborhood club, registration; Mrs. Vern Routh, Merry Marrieds, tickets; Mrs. Dean Davis, Home-builders, program; Mrs. John E. Hayes, publicity, and Mrs. Donald Yotis, music.

The county councils of Jerome, Gooding, Cassia and Blaine counties are in charge of decorations, Mrs. Ronk says.

Part held HAILEY, May 24 - The LDS church held a party Sunday evening at the church for Mr. and Mrs. Louis Price, Mr. and Mrs. Jack Allred and Mr. and Mrs. Boyd Shirts, recently released members of the bishopric.

Heat, Storms Batter Areas; Cold Coming

By United Press

A muggy heat wave, sparked by savage electrical storms and street-flooding rains, stretched across the nation's eastern half today.

Downpours and tipping white ruts in Wisconsin, Kentucky and Indiana as an advancing cold front battled with a vast blanket of hot, moist air.

The storms hit hardest at eastern Texas, Louisiana, and Mississippi. Communications were washed out, city streets were flooded, and tornado winds tore down buildings.

The heat cracked with more storms further east, and at Tampa, Fla., a 6-year-old boy, McDuffie, was killed by a lightning bolt as he played in his back yard during a thunderstorm.

At New York, a 10-year-old sister, standing only a few feet away, was unharmed.

Temperatures Soar

The May heat wave sent the temperature to 81 late yesterday at Carthage, on the northern tip of Maine, where a stretch of the nation's coldest readings are often registered. It was a blistering 104 at Laredo, Tex.

The humidity made the heat far worse. New York City sweltered in 80 per cent humidity and the humidity was 75 per cent early today in Chicago.

Streets were washed out in Tyler, Tex.; Vicksburg, Miss.; and Shreveport, La., where rising waters forced many residents to evacuate homes. Debris blocked four Greenwood streets and communications were cut for a time between Logansport, Miss., and other points.

Tornado Hits

At least one tornado cracked across the top of the 100-foot-tall tower across a farm and wooded section near Arcadia, La. One person was killed and another injured. The tower destroyed, and timber was leveled.

The storm decreased in violence farther north, but was strong enough to strip leaves off trees and damage roofs with hail in the Phoenix, Ia., region. Lightning sparked a number of fires in the Holland, Mich., area.

Temperatures dropped sharply behind the storm, falling to a chilly 29 degrees at Mullin, Okla. A. Cooler temperatures were promised for much of the Midwest today.

Korea POWs Ask to Leave India Asylum

NEW DELHI, India, May 24 (U.P.)—Life in neutral India has palled on 43 Koreans who were prisoners of war here, and they are asking to be repatriated to their native land.

They appealed to the United Nations yesterday to speed their repatriation to their native land.

They also asked protection from the United Nations to return to their North Korea or Red China. Indian officials denied the group had been subjected any such pressure.

Over Two Years

The former prisoners have been in India since March, 1953, when they were captured by the Chinese in a neutral zone with Indian army units on the repatriation teams. They wanted to live in neither North or South Korea.

Eighty-two Koreans in all were brought here and housed in barracks but 39 elected to settle in India. The remaining 43 have been waiting for two years for permission to migrate to other countries, but the appeal of this group joined in the appeal to the U. N.

Leaders Jailed

The group's leaders were arrested and jailed at an Indian military base when they refused to submit to military discipline and sought to appeal directly to Prime Minister Nehru.

Indian military officers said the leader was detained after the group became restive over lack of action to move them to Latin America.

Tito Pledges Yugoslavia to Remain Free

WASHINGTON, May 24 (U.P.)—Yugoslavia has pledged it will stick to its "firm independence" despite the U. S. State Department's decision to meet with Russia's top leaders.

The State Department reported the pledge only a few minutes after Secretary Dulles met with Yugoslavian ambassador yesterday.

Backing up the State Department's pledge, the Yugoslavian ambassador told the press that Yugoslavia will be no changes in its foreign policy as a result of the visit to Belgrade.

Been at Odds

Tito's Yugoslavia, while a communist bloc, has been at odds with Moscow since 1948.

Mates said the Yugoslav government has given its assurances "by diplomatic contract" in Belgrade with the American ambassador. He declined to elaborate but said it was "very decided" Yugoslavia's policy to "stick to its independent policy of recent years."

Both the State Department's and Mates' comments appeared designed to ease concerns in the West over the scheduled visit later this month to Belgrade of Soviet Premier Bulganin and Communist Party chief Nikita Khrushchev.

Talks Held

The State Department, in an announcement which acknowledged the visit was "unusual," said Dulles called in Mates to discuss "recent developments in Europe," including the forthcoming visit of the heads of the Soviet union to Belgrade.

Dulles reacted during this discussion, it said, "The main element of hostility which the Soviet union had since 1948 manifested against the Yugoslav government because of its policy of firm independence."

Petition Is Filed To Settle Estate

A petition for probate of will in the estate of Hattie May Donald was filed Monday in Twin Falls probate court by attorney Henry Donald.

Donald, husband of Mrs. Donald, is the petitioner and is listed as the only heir. The estate consists of real and personal property and is valued at \$40,000. A hearing in the matter will be held at 10 a. m., June 13. Hattie May died in 1953.

Rumor Denied

LONDON, May 24 (U.P.)—The Labor party today sharply denied a Conservative newspaper's claim that America-hating "A" men in Britain would become British citizens after the start of the Socialist war Thursday's election.

The Party London Daily Sketch said it had found evidence of a plot to replace Clement Attlee with Brown as Labor party leader and, if successful, to name him as prime minister if Labor wins at the polls.

Truck Firms Aver Drivers Ignore Pleas

LOS ANGELES, May 24 (U.P.)—As the trucking tie-up intensified in the West, trucking firms accused A.P. Truckers of ignoring their appeal to discuss the handling of emergency supplies such as medicines, mail and defense shipments.

They said the appeal was telegraphed Friday to Director J. L. Wozberg of the Western Life Drivers' Association, which has been received since a wire. President Frank Brewster of the Western Conference of Truckers said he had not received the appeal, either.

"Ready to Work"

"But our position is the same as before," a union spokesman said. "We stand ready to work any trucking line but three which are struck. We are ready to handle emergency supplies even on the struck lines."

A shipment has a government bill of lading on it, it goes, as far as we are concerned."

Since the Western division of Consolidated Freightways and Pacific Motor Trucking company were the only ones to handle the strike, trucking associations in several states have ordered all members to shut down.

The associations say a strike against one line is a strike against all.

Talked for Month

Brewster accused management of refusing to take the issue to a federal conciliator. A management spokesman countered by saying the truckers have not been approached to make such a move.

The tie-up, which has lasted a month of negotiations. The union seeks 10 cents an hour more this year, plus 8 cents additional in each of the next two years. The companies' latest offer of 5 cents more plus 1 cent additional in each of the next two years, plus 1 cent per hour or 7 1/2 cents a mile, whichever was greater.

Demonstration of Survival Planned

A demonstration of survival skills taught by the United States Air Force will be given at 8 p.m. today at the Washington school auditorium by Lieut. Fred Zwigg, fourth air force headquarters, Portland, Ore.

Glenn Zwigg, who is air force liaison officer for Explorer Scouts, said 14 Scouts over 14 are invited to attend the demonstration.

Zwigg said that he is air force liaison officer for Explorer Scouts, and will demonstrate survival skills and life raft. He also will show the Scouts how to make animal traps and fishlines out of bark and twigs.

Tough

CHICAGO, May 24 (U.P.)—Adm. Ash, a lady wrestler, had two setbacks in pursuing her professional wrestling career today when the Illinois supreme court ruled when the supreme court ruled she had the right to become a professional wrestler.

As for her family, she said: "I had a father and three brothers who thought I was too frail, so I went to work all up and then turned pro."

Escapes Injury

Stanley Van Buren, 151 Borah avenue west, escaped injury when his bicycle grazed the side of a car driven by Lynnville Brown, Flor., at the intersection of Main avenue north and Third street north at 6:55 p. m. Monday.

Van Buren was not knocked from the bicycle but was taken to a doctor for a medical check.

Payment of Note Sought in Action

John Woodland was named defendant in a collection action filed Monday in Twin Falls justice court by the Professional Adjustment Bureau.

The bureau seeks payment of a promissory note for \$63.90 made payable to Magic Valley Memorial hospital and dated May 11, 1953. It also seeks \$8.02 interest on the note.

In a second cause for action the bureau seeks payment of a \$154 bill owed Twin Falls Clinic for professional care rendered between March, 1952, and August, 1953. H. N. Jewell is attorney for the bureau.

CHILE NABS OFFICERS

SANTIAGO, Chile, May 24 (U.P.)—Two general "are colonel" were arrested and other high-ranking officers were being interrogated yesterday in a secret investigation of "action in the ranks."

British Dock Workers Cripple

LONDON, May 24 (U.P.)—Striking dockers crippled Britain's four biggest ports yesterday in a bitter union fight for bargaining rights on the nation's waterfronts. The Labor party's chances in Thursday's poll are thought to be enhanced thereby.

Food ships began to pile up in the Thames estuary and government officials warned the nation's oil exports would be crippled if the strike continues.

More than 18,000 longshoremen quit work at London, Manchester, Hull and the twin Mersey ports of Liverpool and Birkenhead. A handful of others came out at the smaller ports up and down the country. Another 30,000 remained on the job, but with working teams split up many said they were unable to cope with their normal jobs.

Altogether, 174 ships were either idle or underrmanned in the four ports.

Prime Minister Anthony Eden kept in touch with strike developments at his country home at Chequer, as government officials worked feverishly to head off a second election week week-end—a threatened walkout next week-end of 70,000 railway engineers and firemen seeking higher pay rates.

The events added fresh burdens to the Conservative government on the eve of the May 29 general election—and Laborite campaigners did their best to make the voters see their side of the picture.

The official party attitude, however, is that the strikes will not help Labor's cause. The party is closely identified with the trade union movement and another big walkout—especially a rail stoppage during next week-end of the Wimbledon holiday—is not likely to be too warmly received.

Slumping Posture May Harm Vision

SUN VALLEY, May 24 (U.P.)—Some people would be able to see better if they stood up straighter, an optometrist said yesterday.

Defective posture can result in defective vision, Dr. Roy Clunes, Corvallis, Ore., told a northwest group of optometrists sponsored by the Idaho Optometric Association.

"Elimination of postural problems can many times result in better vision," Clunes added.

The association elected Dr. Dale A. Harris, Sandpoint, president; Dr. W. H. Harrison, Boise, vice president, and Dr. Lester Aschenbrenner, Lewiston, secretary-treasurer.

Group Will Fight Liquor by Drink

NAMPA, May 24 (U.P.)—Church and civic groups are forming a committee of 100 to oppose sale of liquor by the drink in Nampa, but petitions are being circulated for a new election.

First steps toward formation of the committee were made at a meeting Sunday in a Nampa church. Liquor by the drink was voted out of Nampa in 1950, but petitions are being circulated for a new election.

ATTENDING CONFAB

RUPERT, May 24—Dr. and Mrs. A. P. Dingley and Dr. E. J. Elmore are attending a three-day surgical convention in Ogden.

Billboard Curbs Taken From Bill

WASHINGTON, May 24 (U.P.)—At the insistence of Senator George D. Aiken, the Senate yesterday took action to curtail the use of billboards.

The bill, which would provide for regulation of billboards, George said he had no objection to states controlling the use of billboards. But he said, the federal government had no business acquiring advertising rights up to 500 feet on one side of the right-of-way of a 40,000-mile interstate system of superhighways.

Natural Gas Scheduled by Fall

Idaho Natural Gas company plans to build complete natural gas distribution systems in 33 cities of southern Idaho and be ready to deliver the fuel as soon as it arrives from the San Juan basin. Communities shown on the map will be given service immediately. If franchises are awarded in each community soon enough to allow time for construction. Other cities will be served when engineering studies indicate economic feasibility, and when supplies of natural gas are increased. Inset map shows Idaho in the center of a vast network of pipelines using natural gas resources of both United States and Canada.

Natural Gas Company Plans Five-Year Outlay for the Valley Above 16 Millions

The Idaho Natural Gas company, based in Boise, plans an estimated five-year investment in excess of 16 million dollars in southern Idaho, with an estimated \$3,745,000 of that amount scheduled in Magic Valley.

Idaho Natural Gas company will contract for purchase of gas from Pacific Northwest Pipeline corporation. The pipeline firm will build a 22-inch transmission line through southern Idaho, generally following U. S. highway 30. The company has applied for gas franchises in 33 southern Idaho communities. Additional applications are expected to be made.

Estimated costs have been figured for five-year investments in distribution systems in various communities.

In Magic Valley, costs are estimated for Piler at \$85,000, Rupert \$332,000, Burley \$400,000, Gooding \$460,000, Kimberly \$78,000, Wendell \$475,000, Jerome \$500,000, Buhl \$172,000, Twin Falls \$1,060,000, Glenns Ferry \$200,000, Hansen \$50,000 and Heyburn \$23,000.

A total investment after five years of some 40 million dollars is anticipated.

For Magic Valley towns, this total five-year investment is estimated for Piler at \$235,000, Rupert \$700,000, Burley \$1,130,000, Gooding \$483,000, Kimberly \$225,000, Wendell \$700,000, Jerome \$900,000, Buhl \$450,000, Twin Falls \$3,350,000, Glenns Ferry \$24,000, Hansen \$14,000 and Heyburn \$63,000.

The gas firm anticipates building new distributing systems in franchised cities which will include service to the entire built-up area within or near to municipal boundaries. (This entails installation of hundreds of thousands of gas mains and service lines.)

For Magic Valley, anticipated gas mains and fee-of-service lines, in that order, are, for Piler, 28,000 and 123,000 feet, Rupert, 114,000 and 49,000 feet, Burley, 102,000 and 111,000, Gooding 124,000 and 56,000, Kimberly 21,000 and 23,000, Wendell, 83,000 and 35,000, Jerome 149,000 and 94,000, Buhl 56,000 and 43,000, Twin Falls 112,000 and 43,000.

Yanks Found In Ravine on Mountaineering

PORT WILLIAM, Scotland, May 24 (AP)—Two young American mountaineers were found dead today in a deep gully of Britain's tallest peak.

Royal air force rescue crews found the mountaineers roped together on the north buttress of 4,000-foot Ben Nevis, a rugged peak whose slopes plunge sharply into disguised crevasses.

The rescue had set out at dawn today when it was feared the Americans were lost in a blizzard on the mountain. They had not been seen since Sunday morning when they began the treacherous ascent.

The dead men were Frederic G. Hadden, Pasadena, Calif., and Bert Woodburn, San Gabriel, Calif., both 21-year-old students at the University of Edinburgh.

The rescue party immediately started back down the snow-covered mountain with the bodies.

Ben Nevis is a gentle but tricky peak of Appalachian proportions overlooking beautiful Loch Lomond. Although well below alpine height, its upper reaches are bare of trees and snowstorms are known throughout the year.

Wins Scholarship

ILENE COLEMAN, daughter of Mr. and Mrs. Frank Coleman, Wendell, has received the trustee honor award for a \$1,000 scholarship at the College of Idaho, Caldwell. The award is based on a written theme, autobiographical essay and character references. (Staff engraving.)

Filer Man Wins 2 Pencils for Talks

John Sierra, Filer, was penciled for the best table topic speech and the most improved long speech Monday evening when the I. B. Perrine Toastmaster's club met at the Rogerson hotel.

Keith Jacobson and Don Somers tied for honors for the best formal speech.

A new member, Henry O. Westendorf, Filer, was welcomed into the club.

In colonial times, 40 per cent of the people in what became the United States were under 15 years old compared with 27 per cent today.

Members Change 4-H Club's Name

The Twin Falls 4-H club, Twin Falls, has been re-named the Double "B" 4-H club, according to Bobby Carlson, club reporter. The "double B" stands for "beef and butter."

A new member of the club is Kathryn D'Arcy, who joined the club with a pig project. The club's next meeting will be held at the home of Jim and Pete Johnston on June 1.

Fires Rage

HALIPAX, N. S., May 24 (AP)—Forest fires raged in two Canadian provinces yesterday and officials said only a break in weather conditions could halt the flames in the tinder-dry woodlands.

Near Chapleau in central Ontario, more than 100 square miles of bush country was a charred ruin at the province's biggest fire since 1948 continued out of control.

The firm expects to use local contractors and workers wherever possible. Most of the construction work on lines will be done this year and next year.

Several potential large users of natural gas have been contacted in Magic Valley. They include the Amalgamated Sugar company plant and Jerome Cooperative Creamery in Twin Falls; Amalgamated Sugar company and National Alliance Dehydrating company in Rupert; Sego Creamery and Green Giant company, Buhl; Jerome Cooperative Creamery, Idaho Products and Marshall warehouse, Jerome; state tuberculosis hospital and state deaf and blind school, Gooding, and J. R. Simplot company, Burley.

OFFICIAL DIES

BOISE, May 24 (AP)—Daniel Pitch Banks, Boise city treasurer since 1942 and former state treasurer, died yesterday after having a heart attack in his office. He was 77.

Perfect fit. Complete, illustrated new chart shows you every step. Send thirty-five cents in coins for this pattern—add 2 cents for each pattern for last-class mailing. Send to Marian Martin, care of Times-News Pattern Dept., 235 Third St., New York 11, N. Y. Print kindly name, address with zone, size and style number.

Pair United in Church Rites

MR. AND MRS. LAYVENE SCHROEDER. Photo—Miss G. Conner.

Miss Lawyer Exchanges Vows With L. Schroeder

HANSEN, May 24—Terry Ann Lawyer, daughter of Mr. and Mrs. W. C. Lawyer, and Layvене Schroeder, daughter of Mr. and Mrs. Walter Schroeder, were united in marriage at the Kimberly Methodist church Sunday.

The Rev. Rex Lindemood officiated at the double ring ceremony before an arch trimmed with greenery and tied with pink ribbon, flanked with candorosa and bouquets of pink and lavender stocks and carnations. Tall baskets of gladioli, stocks and carnations completed the decorations.

The bride, given in marriage by her father, wore a gown fashioned with a fitted bodice with a V neckline and long pointed sleeves. The full floor-length skirt was trimmed with a fitted bodice with a V neckline and long pointed sleeves. The full floor-length skirt was trimmed with a fitted bodice with a V neckline and long pointed sleeves. Care of Your Children

By ANGELO PATRI

"How old should a girl be to act as a baby sitter?" asks a mother whose young daughter wants to earn needed money. This way. As usual in any situation concerning children, we must say, "It depends."

It is never a young person's age, but the number of his birthdays, that makes him eligible for a position of responsibility. It is his maturity, his judgment, his dependability, his knowledge of the requirements of the job that matters. I know a son of a boy of 3 who could be trusted with his baby sister which she had in a sling in the parlor, and I know a young woman of 19 who could not be depended upon for any such thing.

It is a responsible baby sitter, and no other kind is acceptable. Experience with young children is essential. The sitter must know something about the nature of the child she takes care of, how to amuse him, how to control him; how he is to be bathed, fed and dressed.

Anybody engaging a baby sitter, or of young, should be more than careful about getting references from people who have a thorough acquaintance with the candidate. The fact that a girl lives next door is not the qualification in this matter. Before employing her, ask her teachers about her qualifications for baby sitting, ask the neighbors, too.

My favorite baby sitter is grand-mother, or grand-father. After the child has been under their care, they usually like an auntie to take care of the child, or children, that she loves. Falling then, she experienced, motherly.

Review Featured At Silver Tea of Chapter of OES

SHOSHONE, May 24—Mrs. J. Woodson Creed, Twin Falls, reviewed the "Coffee Train" at the silver tea sponsored by Lincoln chapter No. 42, Order of Eastern Star, Saturday at the Masonic temple.

Mrs. Martha Corwin, worthy matron, presided at the tea and coffee service.

Guests were Mrs. Lillian Barton, Wendell, state chapter grant treasurer; Mrs. Edna Pave, Wendell, chapter UD worthy matron.

Committee members were Mrs. Bill, Mrs. Elizabeth Perrebar, Mrs. Adelaide Gerard and Mrs. Willie Boesiger.

Decorations were flowers, candles and a freight-train and tumbledown theme depicting the city industry.

President Talks To International Club Convention

PHILADELPHIA, May 24—An international club convention highlighted the opening business session today of the international convention and fourth annual meeting of the General Federation of Women's Clubs.

Mrs. Theodore B. Chapman told the 1200 delegates from the United States and 22 foreign countries that "tremendous strides" had been made in strengthening the program of the federation during the past level and in stimulating community participation.

She said club members throughout the United States had "accepted" the challenge of ridding "every newspaper and horror, crime and sex comic books." She added that the work was being done out cautioned that it must be continued.

Mrs. Chapman said 350 American women club members will be in Geneva, Switzerland, for the second part of the international convention, which will follow the business session. She said the two-day Geneva meeting also will be attended by delegates from Europe and the Middle East.

Dr. Kenneth D. Wells, president of Freedom Foundation at Valley Forge, Pa., delivered the keynote address at the opening business session. Adlai E. Stevenson, Democratic candidate for President in 1952, will speak at the evening session.

Dance Slated

Boots and Slippers Square Dance club will dance at 9 p. m. Saturday at the Kimberly Grange hall. Max Moffat will call.

Miss Mrs. Don Taylor, Kimberly, Mr. and Mrs. Bob Todd, Mr. and Mrs. Al Hankins and Mr. and Mrs. Dale Bowman, all Twin Falls, and Mrs. Max Moffat, Kimberly, are the serving committee.

Plans will be completed for a week-end outing at Cape Henry, lodge featuring a big square dance.

Piano Recital of Students Played

Mrs. Marilee Tensley presented her students in a piano recital for the Red Cross.

In August a picnic is given at the home of Myrtle Eldred.

A turkey dinner and gift exchange is featured at Christmas time.

Dinner Served

RUFERT, May 24—Members of the MNO bridge club entertained their husbands at the Kenneth Peterson home, Saturday evening.

A turkey dinner was served buffet style at four quart tables centered with japonica.

Prizes for double pinocle were received by Mr. and Mrs. John Cameron and Mr. and Mrs. Richard Fisher.

Sorority Officers Installed at Dinner

Shirley Van Tilburg, left, was installed treasurer of Epulson Sigma Alpha sorority at a Chinese dinner Monday evening at the home of Mrs. Christina Peterson. Mrs. Dwayne Simpson was seated at recording secretary; Mrs. Ben Eldridge, president, and Mrs. Harold Gerber, right, vice president. Mrs. A. A. Brandt is the new secretary. Geraldine Hagler, outgoing president. The group discussed tentative plans for next year's activities. Mrs. Ben Eldridge photo-entraying

Club Organized By Two Women

In 1937, Mrs. Sadie Rodgers and Mrs. Nettie Burger organized the PM club with 16 members. Mrs. Jennie Schillman was the first president. Two of the original members, Mrs. Ted Maher and Mrs. A. I. Ross, are still active.

The members, limited to 14, met the fourth Friday of each month for a luncheon, business meeting and pinocle. The women also make contributions for charity and help in various ways. Many of them received recognition for personal service during World War II from the Red Cross.

In August a picnic is given at the home of Myrtle Eldred.

A turkey dinner and gift exchange is featured at Christmas time.

Nominations for Officers Told by Legion Auxiliary

BURLEY, May 2—Nominations of officers was conducted by Mrs. Loren Lewis, president, for the American Legion auxiliary Friday evening in the IOOF hall.

Nominatees were Mrs. Glen Bailey, president; Mrs. Robert S. Larsen, first vice president; Mrs. Lewis, treasurer; Mrs. Kate Blachoff, chaplain; Mrs. Al Neffger, historian, and Mrs. James Wolf, secretary-at-large. Election will be held June 17 at the home of Mrs. Lewis.

Mrs. Bailey, poppy chairman, reported that \$155 was earned from the sale May 14. She stated that 52 per cent will go to the state fund and the remainder will be used by the group for its local welfare work.

Meeting for LDS Slated Saturday

SHOSHONE, May 24—Blaine LDS stake primary will hold a preparation meeting at 2:30 p. m. Saturday at the church. Blue ribbon awards and a social will be given. The awards will go to all teachers and officers in the stake who have had perfect attendance at primary, stake preparation meetings and ward correlation meetings for the past nine months.

Arthritis?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my scales were set.

Limited space prevents telling you more here but if you will write me, I will reply at once and tell you how I received this wonderful relief.

Low Number of Leafhoppers and Late Movement Forecast by Expert in T.F.

(From Free Press) Another statement will be issued later, giving an estimate of the size of the leafhopper population; the probable date of the movement, and the percentage carrying the virus of curly top.

Records maintained at the Twin Falls laboratory of the entomology research branch showed the temperature to be 10 degrees Fahrenheit below normal and the precipitation 2.10 inches below normal from Oct. 1, 1934, to March 31, 1935.

"The above information on current beet-leafhopper conditions in southern Idaho is derived from the following: 1) Beet-leafhopper population during the fall period of 1934-35, and 2) weather and weed host-plant conditions during the fall of 1934-35.

Harvey E. Wood, 90, Dies at Home KIMBERLY, May 24—Harvey E. Wood, 90, former general contractor, died at 2:30 p.m. Monday at his home.

These small areas may range in size from a few square feet to an acre or more and frequently are the source of leafhoppers that cause the greatest damage to beans and other susceptible garden crops grown near these patches.

"The average population of overwintered females infesting these patches in the western Idaho-eastern Oregon and Magic Valley areas, respectively, are 29 and 5 per 100 square feet of wood-host area, as compared with an average of 46 and 42 for the past 14 and 16 years.

"The following general information is furnished regarding the habits of the beet leafhopper during the seasons of the year covered by this and the statement that is to follow later: The beet leafhopper is a sun-loving, dry-climate insect.

"Egg-laying normally begins in March, and adults of the first or second generation appear in May and June. This generation is produced on spring weed hosts, chiefly mustard, and more seriously infested with the curly-top disease transmitted by the leafhopper."

Additional germination occurs in the spring. These weed hosts have become established on idle, waste and over-grazed lands. They mature and dry about the time the spring-generation leafhopper reaches the adult or winged stage and when weather conditions are favorable for flight, the leafhoppers move to their summer hosts. They travel with the wind and infest practically all of the host plants in their path.

"It is during this spring movement into the fields nearest the spring breeding grounds and gradually move farther into the cultivated lands; consequently, susceptible crops situated nearest the breeding grounds are more heavily infested than those farther away and are, therefore, more seriously infested with the curly-top disease transmitted by the leafhopper."

In Soft Drinks Smirnoff the greatest name in VODKA So smooth it leaves you breathless

"I'm getting lots more power" says Sgt. Jim Ramey of Moscow, Idaho. "Detergent-Action" deposits extra power by cleaning out carburetor deposits. What's more, you prevent new formations as long as you drive on Chevron Gasoline. No other gasoline gives you this power bonus—alone with high-octane balanced performance.

"My engine doesn't stall anymore" reports Wanda F. Murray, San Francisco, Calif. "Detergent-Action" tunes up your motor while you drive. Carburetor repairs once accounted for 1 out of 2 repair bills; now you can do that job by switching to Chevron Gasoline. A few tankfuls wash away deposits that strangle your engine... end stalling, give you a smoother-running, more responsive car.

"Longer gas mileage now" says Robert G. Trevitt of Portland, Oregon. "Detergent-Action" saves money every mile by keeping carburetor factory clean, to provide correct fuel mixture, prevent gas waste, to provide correct fuel mixture, prevent gas waste. Put this economy into your driving—with Chevron Supreme for plug-free performance in high-compression engines, or Chevron Regular for peak power from engines with lower octane requirements.

Can you tell any difference in today's gasolines?

A.

Yes... when you switch to

"Detergent-Action" the one kind of gasoline that ends the biggest single cause of engine trouble

CHEVRON GASOLINE SUPREME GASOLINE *Balanced for: Detergent-Action, Quick starting, Area blending, Vapor-lock prevention, Full power, Smooth acceleration, Anti-knock, Economy mileage, Fast warm-up, Rust and corrosion protection

Man Arrested BISHOP, May 24 —Thomas Nickerson, Atlanta, Ga., was arrested Monday night for possession of a large quantity of marijuana.

Pupil Awards Are Given at School Event

SHOSHONE, May 24—Awards in athletics, music, speech, typing and shorthand were made at a high school assembly last week.

Eugene Schultz, music instructor, presented the music awards in honor of Marsha Adkins, Martin Amundson, Janet Bell, Austin Bergin, Alicia Bond, Florence Bond, Bruce Cairns, Marlene Carroway, Barbara Connel, Richard Diakoff, Betty Finlayson, Jeanette Gehrig, Bruce Hall, Fred Hughes, Ellen Inesa, Jim Knight, Diana Lequerica, Rupert Manning, Sharon Martin, Gary Meyer, Robert Modlin, Bert Myers, Boyd Nelson, Vernon Peugh, Alice Sorenson, Mike Schwager, Arlen Swafford, Fred Tanaka, Harold Tanaka, Nancy Tanaka, Richard Tanaka, William Tanaka, Lois Webb, Mary Lou Webb and Shannon Wilson.

Chorus awards went to Betty Dollar, Marjory Butler, Donna Burgess, Marlene Carroway, Beverly Casch, Betty Finlayson, Anita Lele, Inez Lequerica, Barbara Morris, Donna Simonson, Alice Sorenson and Mary Ellen Stowell.

Typing awards were presented by Mary Sue Borden, Manning Berger, Eugene Schmitt, Ellen Inesa, Marsha Adkins, Dorothy Payton, Wills Shank, Barbara Cannon, Mary Ellen Stowell, Donna Simonson, Leola Whitehead, Beverly Casch, Sharon Martin, Rosalie Buel, Vera Barney, Nancy Tanaka, Florence Bond, Nancy Peak, Lois Webb, Ralph Mitchell, Betty Finlayson, Ellen Knigge, Inez Lequerica, Edna Eiden, Diane Lequerica, James Hunter, Vernon Peugh, Charles Mitchell, Larry Hansen, Dee Ann Nebeker, Jeanette Gehrig, Janet Bate and Evelyn Holl.

Shorthand awards went to Alyce Fromm, Barbara Connel, Kay Rogers, Fred Tanaka, Bob Velasquez, Leola Whitehead, Dianne Lequerica and Ellen Inesa.

Conning Tower of Supersub

The conning tower of the Seawolf, the U. S. navy's second nuclear-powered submarine, gets her new "hat" in mid-July at Groton, Conn. The Seawolf is under construction at the Groton yard of the electric boat division of General Dynamics corporation where the nation's first atom sub, the USS Nautilus, was launched nearly 18 months ago. The two ribs are much alike externally, but there is a difference in the atomic reactor propulsion plants. (AP wirephoto)

Sitter or Teacher Choice Presented For U. S. Parents

CHICAGO, May 24 (AP)—The president of the National Education Association told American parents last night they must decide which is more important for their children—the teacher or the baby sitter.

Right now, she said, the baby sitter is paid at a higher rate.

Waurine Walker, Austin, Tex., said in a speech at the convention of the national congress of parents and teachers that "most of us are living pretty high off the hog."

"We are the only people in the world who are concerned with the questions 'where can I park?' and 'how can I reduce?'" she said.

"How can we pretend, in the midst of plenty, that it's all right to dump children into packed classrooms and cheat them of their educational birthright?"

Poet

HELENA, Ark., May 24 (AP)—Poetry isn't easy for third graders, but Christine Newkirk found a word that rhymed when his class made Mother's day gifts recently.

The teacher told them to write a sweet little verse on a paper plate, something beginning with "Mother Dear."

Christie scrawled on his plate: Mother dear Do you like beer?

McCarthy States Opposition to Ike

WASHINGTON, May 24 (AP)—Sen. Joseph R. McCarthy, R. Wis., said last night he may oppose President Eisenhower as a candidate for reelection in any presidential primaries.

"I'm someone as far to the left as (Adlai) Stevenson," McCarthy also said he has no plans "at this time" to run for president himself next year and "doubts very much" that his name will be entered in any presidential primaries.

He said his political plans are "very fluid."

The Wisconsin Republican was interviewed on radio program.

Garage Destroyed

RUPERT, May 23—A garage belonging to N. K. Jensen, 906 Elmwood street, was destroyed in a fire at 12:45 p.m. Monday. The house attached was scorched on the west side and half the roof was burned. The garage was valued at \$900.

Managers receiving awards

Managers receiving varsity awards were Fred Hughes and William Tanaka. Larry Sweet received a Junior varsity manager award.

Speech awards were presented by Harold A. Thorne to Austin Bergin and Betty Finlayson.

Four Different Colors FOR FAMILY FUN

CHAMPION—in color, will walk on tennis courts, over the lava—everywhere the family enjoys sports! For foot comfort and speed—these famous Keds features: SCRAMBLE LASH; Shock-proof Arch Cushion and Cushioned Insole; Duo-Life Counter; Men's, boys', women's, girls', children's in: red, dark blue, faded blue and multi-color crazy Keds.

5-12 2.98
12 1/2-3 3.29
4-7 3.49

Light! Flexible! BOOSTER GOLF SHOE cushions your feet in cool comfort!

BROWN 6.95

YOU COULD DANCE LIKE A DREAM IN Waikiki

4.95

You relax from the moment you step foot into these soft, rubbery mesh caparillies! They are woven with Latex® to assure excellent fit and perfect ease.

- Look and crepe wedge soles.
- Scientific foot-conforming last.
- Full-cushioned insoles.
- M and N widths.

For Cool, Cool Leisure

COOL, washable straw cloth, reinforced with corage. Wonderful with paired pants or ballooning skirts. Pink.

4.95

BOOSTER, lightweight it floats. Handmade side-pore fabric with that look, thick platform sole. It's cork and crepe rubber—really "airy" walking. Scientific Foot-Fitting Lasts please Dad and Mom. Washable. Popular colors for your family.

BLUE OR BROWN 5.95

LAUREL LEI! You're light and limber in.

LIGHT BLUE 3.95

SUNNY STEPS Everywhere you go in these shoes! Keds' extra-cushioning sole gives you extra-cushioning sole with you. The soles are flexible and light. Bright colors are extra wide.

Western Growers prefer REYNOLDS Lifetime ALUMINUM SIPHON TUBES

Ask any grower why he prefers Reynolds Lifetime Aluminum Siphon Tubes. He'll tell you they're lightweight and labor saving—easy to carry and easy to put in operation. Strong, rust-free aluminum gives them long life—and still soft and easy to grip and handle freely. Better than other type siphons, too, because they never slip or warp, yet are light and easy to use.

Close from the complete Reynolds line at your dealer a size and shape for every irrigation need!

FREE! 8 PAGE SIPHON TUBE BOOK

Reynolds Metals Company Dept. M Phoenix, Arizona Please send me the book on the right side tube irrigation.
