Plane Crash and Bodies Found in Snowy Hill Area

IDAHO FALLS, March 12 (AP)—The wrecked plane of Idaho Falls electrical contractor Elden Jacobson was found about 25 miles southeast of here yesterday. Jacobson, 46, and his wife were dead. The couple had taken off from here last Sunday in their single engine Cessna 170B, en route for St. George, Utah, the first leg of a flight to Acapulco, Mexico.

Hunt Started For Downed B-47 Bomber

PORT LYAUTEY, Morocco, March 12 (AP)—British warships, Spanish and French soldiers and U.S. air force planes searched for a B-47 Stratofortress bomber missing since Saturday and presumed lost.

First Lieut. George Winkler, public information officer at the nearby Sidi Slimane air base, said the B-47 must be considered lost since it has not been seen since shortly before midnight and must have crashed.

Winkler said the next of kin of the three crewmen had been informed. The men, flying from MacCall air force base, Fla., were making a routine flight to North Africa.

Rats Complete Invasion, Now Noted in Area

BOISE, March 12 (AP)—Rats have completed their invasion of the United States.

The U. S. public health service said today Idaho, eastern Oregon and eastern Washington—heretofore the last major area in the United States that was free of the vermin-ridden rodent—are free no more.

Joseph W. Hunt of the health service's communicable disease center in Atlanta, Ga., said rats have invaded Idaho.

Like Thanked By Soviet for Martini Path

MOSCOW, March 12 (AP)—Premier Nikolai Bulganin thanked President Eisenhower last night for opening the "path to martinis" during the Geneva summit conference last summer.

Bulganin expressed his pleasure with the American cocktail during an exceptionally jovial party last night for Danish Premier Hans Hansen.

"We cannot forget those moments when we drank martinis to world peace and friendship," Bulganin said in a scene of rare conviviality. Hansen tossed a champagne glass at his shoulder and broke it against a wall and led a chorus of dances in singing "Auld Lang Syne" in one of the most jovial parties ever seen in Moscow. Other champagne glasses hit the wall. One landed on the shoulder of a reporter from the London Daily Worker.

Winter Winds Sweep Idaho, Mercury Dips

By The Associated Press

A bright sun beamed upon most of the western states Monday, but icy winds from the north-northeast swept away all warmth and temperatures continued at winter levels.

The weather bureau said the cold blasts would continue through Monday night, but allowed there might be some warming Tuesday.

In northern Utah temperatures stayed below 35, and in southeastern Idaho they ranged from 22 to 32. Southwestern Idaho was a bit warmer—30 to 38.

Lows Monday night were forecast at 10-16 in northern Utah, zero to 15 above in southeastern and Idaho to 25 in southwestern Idaho. Idaho Falls was one of the coldest spots with a low of 4 Monday morning and a high of only 24 Sunday.

Other readings: Pocatello 27 and 12; Boise 36 and 17; Twin Falls 35 and 17; Lewiston 36 and 21; Salt Lake City 33 and 13.

Funds Sought

WASHINGTON, March 12 (AP)—The Senate was asked today to follow the House action and increase funding for the fiscal year beginning July 1. The increase, requested in the president's budget, would bring the total for the fiscal year to \$41,360,000.

Contest Winner

AUSTIN BERGIN
 ... 17, son of Mrs. Ruth Bergin, Shoshone, won the state American Legion speech contest at Nampa Friday. Bergin is president of the Shoshone high school student body. (Staff engraving)

Arabia Tanks Near Port on Vessel of U.S.

PORT SAID, Egypt, March 12 (AP)—The American cargo vessel SS James Monroe sailed through the Suez canal today in convoy, carrying 18 U. S.-built Walker Building tanks for Saudi Arabia.

The ship arrived at the mouth of the canal last night and was met by an Egyptian port police motorboat carrying six armed policemen. It sailed a few hours later in a convoy for the trip to Suez.

The 3,000-ton ship, carrying crew members of 16 different nationalities, will dock in Jeddah in the Red Sea to unload non-military goods and then will proceed to Tamman, Saudi Arabia, March 24, to unload the tanks.

The ship's captain, H. B. Castle, 32, denied the tanks would be transhipped before they arrived in Tamman. He said the trip from New York was "quite smooth" and the weather "good."

The 18 tanks, sold to Saudi Arabia by the U. S. Navy, were loaded on a barge in New York and were on the ship when it was allowed to sail.

Greeks Demand U.S. Aid in Cyprus Issue

ATHENS, Greece, March 12 (AP)—Greece today demanded "decisive intervention" by the United States in the explosive Cyprus dispute.

Greek Premier Constantine Karamanlis told a group of visiting news editors, "Greeks demand that the United States, which leads the world, intervene decisively in the quarrel."

"If the United States refuses to use its power to discipline the western world in favor of justice and liberty, one may be concerned about the future of the free world," he said.

Greece earlier today called off nationwide anti-British demonstrations when a church leader warned that communist elements were planning to create trouble during the meetings.

Karamanlis said the West's policy as regards the future of the strategic Mediterranean island "is spreading butter on Russia's toast."

"Russia will try to exploit it," he said.

The handsome prime minister, answering questions from a group of visiting American editors, said the United States should aid in seeking a solution to Cyprus because this issue threatens to take Greece away from the Western world.

Cyprus itself was reported ominously quiet, with a general strike at an end. Anti-British activity was small. A few bombs were thrown but nothing on the scale that was expected as a protest against the deportations of Archbishop Makarios Friday.

Observers in Nicosia said the stiff British crackdown after the arrest and deportation of Makarios was largely responsible for putting a clamp on large-scale operations against the British.

Dulles Meets Anti-SEATO Jibes, Taunts

JAKARTA, Indonesia, March 12 (AP)—A dozen young communists shrilled anti-SEATO slogans to greet Secretary of State Dulles when he landed here today. But most of Indonesia's 80 million people appeared indifferent to the American diplomat's visit.

During his 24-hour stopover Dulles planned to confer with President Soekarno. His program does not include a visit with Premier-Designate Ali Sastroamidjojo.

Sastroamidjojo, former ambassador to Washington, headed a pro-communist government for two years until he was ousted last July. Soekarno called on him to form a new cabinet after last fall's first popular election in which the communists gained considerable strength in parliament.

Eleven jeering youths and one girl were arrested by police when they began demonstrating as Dulles stepped out of his plane.

As the secretary's automobile pulled away from the airport, one of several hundred spectators hurled a piece of purple paper at it. A policeman who threatened the paper thrower with his gun but was restrained by a superior officer. Police said later the paper carried the slogan "Destroy SEATO."

A foreign office spokesman said communist workers had threatened yesterday to stage a demonstration on Dulles' arrival. He said the girl arrested admitted she was a member of the Indonesian Gerwani, a Communist nationalist organization.

Gives No Sign

Dulles gave no sign of hearing the slogan shouters as he walked into the airport and was greeted by outgoing Foreign Minister Anak Agung A. Agung.

Also on hand at the airport were U. S. Ambassador Hugh S. Cummings and the envoys from India, Canada and Britain.

Dulles said he looked forward to exchanging views with Soekarno and other Indonesian leaders.

2-Day Traffic School Planned By State Police During March

Idaho state police will conduct a two-day traffic school March 27 and 28 in the Idaho Power company auditorium here for police officers, announced State Police Supt. A. E. Perkins.

The program has been designed especially to benefit the traffic patrol officers. Following the introductory sessions, Police Chief Howard Gillette will address the officers on notes taking and report writing. State Patrolman M. J. Hays, Jr., will speak on appearance and care of equipment, and Prosecuting Attorney James M. Cunningham will explain problems of prosecution.

State Police Lieut. Clark Hand will open the afternoon session with an introduction to traffic control and Patrolmen M. J. Snyder and R. E. Young will give talks on accident investigation and reporting.

District Judge Hugh A. Baker will open the second day's session with an address, the topic of which has not been announced. Other speakers heard during the day will be Probate Judge Theron Ward, Jerome; Assistant Prosecuting Attorney Sherman Bellwood, Rupert, and Patrolmen E. A. Hager and James Dassel.

Films on hit and run, skidmarks and a traffic officer in court will be shown.

Flames, Winds, Blizzard, Floods Slug U.S. Areas

By United Press

High winds and fire harassed Californians near Los Angeles today, the northern Midwest cleared its roads and sidewalks of snow from a far-reaching week-end storm, and floods or high winds plagued sections of the eastern states.

Gale-force winds up to 70 miles an hour picked up a fire in the dry brush country of Haines canyon in the Verdugo mountains near Los Angeles, destroyed two homes and threatened others, and drove some dwellers out of their residences. The winds deroofed buildings, broke windows, trees and power lines.

Across the country in New York state, highway crews cleared away snowdrifts piled up by 75-mile-per-hour winds in the St. Lawrence valley region, and maintenance crews repaired broken power lines. The Santa river flooded and isolated 100 homes north of Syracuse, N. Y.

The first day of spring was only eight days away, but the midlands were blanketed out from the worst storm of the winter weather season. Temperatures went as low as 24 below at Bismarck, N.D., and were on the downgrade from the Rockies to the Appalachians.

Sweeps Plains

The fast-moving blizzard swept across the Dakotas, Nebraska, Iowa, Minnesota, Wisconsin and Michigan over the weekend. It killed three persons, hit snow depths of almost two feet, and piled up mountainous road-blocking drifts.

One of the most pathetic deaths was that of Mrs. Ruth White, a South Dakota farm wife who set out with her husband, Cornelius, to fetch aid for their five children and relatives who were trapped in a snow-drifted car.

Mrs. White insisted on accompanying her husband because she is subject to fainting spells and she feared he would collapse and freeze to death.

Wailed by Road

She had no overcoats and had to wait by the roadside three quarters of a mile from the farm house. Her husband hurried on, summoned aid, and when he returned his wife told him "I'm really played out."

White, 32, hurried back to the farmhouse for blankets. When he came back the second time, she was dead.

Another tragedy was narrowly averted last night at Rochester, Minn., where neighbors dug through snowdrifts to find a car.

2 Gooding Motorists Held in Tippy Counts

Two Gooding motorists are awaiting hearings in the Gooding county jail on charges of drunken driving, second offense. Both were arrested Saturday night by Gooding police.

Wesley F. Hudson and Willard Murray, both Gooding, demanded preliminary hearings when arraigned before Probate Judge James P. Gossett on the second offense charges and Judge Gossett set bail for each at \$1,000. Since neither was able to post bond they were sent to jail pending their hearings at 2 p.m. Tuesday.

Driver's license of Hobart McCain, Rupert, was revoked for one year and he was fined \$100 and \$3 costs Monday in Twin Falls justice court when he pleaded guilty to a charge of drunken driving.

McCain's 1951 Ford was stopped on Second avenue south early Monday by city police when it was noted that it did not bear 1956 license plates. On questioning McCain police found he was intoxicated.

A week's stay of execution of sentence for Archie Parish, 34, Burley, convicted of hit and run driving, has been granted by District Judge Hugh A. Baker to give his attorney, Kales E. Lowe, Burley, time to file an appeal to the state supreme court.

Parish, convicted of the charge Feb. 26, was due to begin serving a four-month sentence in the Twin Falls county jail Monday. Following his trial in Twin Falls district court Lowe served notice of appeal and Judge Baker granted him 15 days to prepare it. Lowe has been ill and the extension was granted.

A 12-member jury found Parish guilty after a three day trial. He was fined \$500 and costs in addition to being sentenced to jail. Two Port Wayne, Ind. men, Richard Brown and E. R. Noble, were struck down by a car driven by Parish last July. Junior F. McMillen, 760 Main avenue south, was fined a total of \$17 and \$6 costs Monday in Twin Falls justice court for speeding and driving without a valid driver's license.

State police arrested him on highway 30 one mile east of Twin Falls after he was clocked driving 70 miles an hour after dark. The night speed limit is 55 miles an hour.

Vernon C. Barnard, 1615 Seventh avenue east, was fined \$10 and \$3 costs Monday in Twin Falls justice court for running a stop sign at Flier avenue and Buchanan street. He was cited by state police.

Thomas Mueller, 235 Fifth avenue east, was fined \$7 and \$3 costs Monday in Twin Falls police court after pleading guilty of speeding. He was cited by city police on Blue Lakes boulevard north after he was clocked on a radar unit driving 32 miles an hour in a 25-mile zone.

Kenneth Eppers, Rupert, was fined \$10 and \$3 costs Saturday by Rupert Police Judge George Redford on a charge of speeding.

Allen G. Fingerson, Buhl, was fined \$10 and \$3 costs Monday by Buhl Police Judge Floyd Dalas on a charge of running through a stop sign.

Demo Expects Disfavor With Farm Rulings

WASHINGTON, March 12 (AP)—The senate's Democratic leader predicted today that "nobody's going to be happy" with the new farm bill now that it is short of rigid high price supports.

Sen. Lyndon B. Johnson, D. Tex., made the statement in reporting that Agriculture Secretary Ezra T. Benson's intervention is "resented" even by administration supporters who opposed the rigid supports.

The bill, as it now stands, he said, "can compound our farm surplus problem. Nobody's going to be happy with it."

Final action on the bill is expected this week. Johnson refused to predict the outcome but agreed with Republican Leader William F. Knowland, Calif., that no more late night sessions are needed.

Other congressional developments: Segregation-Southerners formally laid before the senate and house their pledge to use "all lawful means" to upset the supreme court's ban on school segregation. Their manifesto, signed by 19 senators and 77 house members from the South, denounced the court's ruling as a "clear abuse of judicial power." It said the decision has sown "hatred and suspicion" throughout the South.

Contributions—Henry Ford II, president of the Ford Motor company, said to his knowledge no one in the firm exerted pressure on Ford dealers to contribute to President Eisenhower's 1952 campaign. He said an assistant, Allen W. Merrell, a GOP finance committee member, contacted dealers "as a private citizen" but used no pressure. Son A. S. Mike Monroney, D. Okla., said

Brother Rescues Tot From Water

A quick-thinking 8-year-old was credited with saving his 2-year-old brother from drowning in a sump hole on Fall street Sunday afternoon.

When Clinton Mills, son of Mr. and Mrs. Lloyd Mills, 474 Fall street, tumbled into the partially-filled hole at the home of Everett Murrell, 450 Fall street, the elder brother, Leroy, scrambled into the two-foot deep depression to haul out the submerged tot, according to Murrell who investigated when he heard the youngster cry.

The brothers were getting water from the Murrell hydrant adjacent to the sump hole when water pipes at the Mills home were frozen. The youngsters apparently sustained no ill effects.

Negro Favored At Jerome Meet

WASHINGTON, March 12 (AP)—The supreme court declared unanimously today that state universities may not delay the admission of Negro students pending a study of problems involved.

The high tribunal issued an order overturning a Florida supreme court decision that permitted a delay in the admission of Virgil D. Hawkins to the law school of the all-white University of Florida.

It will be the governor's third speaking appearance of last week. He is scheduled to talk to the 80th anniversary celebration of the Clearwater and Potlatch Timber Protection association in Lewiston March 19 and address the annual convention of the county, Calif., potato growers convention in Bakersfield March 30.

New Border Fights In Mid-East Region Boost War Danger

JERUSALEM (Israeli sector), March 12 (AP)—Israel today reported new border incidents with Egypt, Syria and Jordan and accused Egypt of concentrating troops and armored forces along the frontier in a warlike atmosphere. In Cairo the Arab "big three" conference was ending with the heads of state of Egypt, Saudi Arabia and Syria lining up their cold and hot war policies against Israel but failing to "buy" Jordan away from British influence.

The United Nations armistice commission promised an immediate investigation of the new Israeli charges made by spokesman for the Israeli foreign ministry. Israel said the troop concentrations constituted a "direct threat" to Israel security.

Israel said increasing numbers of Egyptian fighting forces had massed in recent weeks in the disrupted Gaza strip and the El Arish area in violation of the armistice agreement and far exceeding any defensive requirements.

Incidents Reported

Israel also reported these new incidents along the border.

1. An Israeli army spokesman said a patrol captured three Jordan infiltrators near Lachish after a brief fight and then encountered a second group of Jordanian infiltrators and drove them off in a second fight.

2. A spokesman said Syrian troops fired several shots at an Israeli fishing vessel on Lake Kinneret. The vessel was not hit.

3. A spokesman said an Egyptian position opened fire twice on Israel positions in the Kissufim area east of the Gaza strip. The Israelis returned the fire and there were no casualties.

Plan's Mapped

Meanwhile in Washington, the United States mapped plans today to exert strong diplomatic pressures to get the British and Cyprus negotiating the Cyprus crisis, again.

Undersecretary Herbert Hoover, Jr., confers with President Eisenhower today and they were expected to discuss not only Cyprus but the border clashes between Israel and her Arab neighbors and the British-Jordan dispute.

Truman Says Daughter to Wed in April

KANSAS CITY, Mo., March 12 (AP)—Former President and Mrs. Harry S. Truman today announced the engagement of their daughter, Margaret, to E. C. Daniel, Jr., 44, a New York newspaperman.

With a broad parental smile Mr. Truman told newsmen in his downtown offices that the wedding would be held in Independence, Mo., in April.

Reading from a prepared statement, Mr. Truman said "both Miss Truman and Mr. Daniel are residents of New York where Miss Truman has been engaged in radio and television broadcasting and Mr. Daniel is employed as assistant to the foreign news editor of the New York Times."

He declined to answer questions on other matters.

"My daughter's wedding is all I want to talk about today," he said. "It is of vital importance to me, her mother and our daughter."

Mrs. Truman Absent

Mrs. Truman was not present at the news conference.

The announcement was not wholly unexpected. Speculation circulated during the week-end that a romance for the 32-year-old daughter of the former President was in the air. Miss Truman and Daniel waited his parents' home in Zebulon, N. C., yesterday.

School Board Asks for Help In Land Deal

ELKO, Nev., March 12 (AP)—The advisory board of the Nevada State Industrial school at Elko Sunday asked Gov. Charles H. Russell to appoint legal counsel to assist the board so the 600 acres of school land, sold nearly a year ago, can be retained by the school. The sale did not become public knowledge until last week and leaves the school with only 25 acres of land.

The board pointed out to the governor that in 1951 the state legislature appropriated \$23,000 to improve the buildings and grounds at the school and that \$12,000 was spent to drill a well, lay a pipeline and fence the land that was sold last May to Mr. and Mrs. William Byrne, Henderson, for \$750. The land was sold for \$150 cash, the balance to be paid in 50 years.

The board, in its message to the governor, said it did not concede the sale of the land. The sale was approved by State Surveyor General Louis Ferrari.

School Supt. Ward Spain said Ormsby county has called a grand jury to investigate the records of the surveyor general for the last few years to ascertain how much state land has been sold to whom and for how much with his approval.

The school has been using the land in Elko county for 25 years and officials were of the opinion the land belonged to the school.

The governor informed the board he had asked Mr. and Mrs. Byrne to return the land to the school but had received no reply from them.

Railroad Sets Work Project In State Area

BOISE, March 12 (AP)—Union Pacific railroad said today it was planning a \$3,630,000 program of new rail installation, roadbed rehabilitating and replacement in its Idaho division this year.

The program is part of a 17 million dollar improvement program to be carried out system-wide in Nebraska, Colorado, Wyoming, Utah, Oregon and California as well as in Idaho. The Idaho program includes:

Fifty-one track miles of new 133-pound rail between Idaho Falls and Dubois, 39 miles of rehabilitating, 12 of it between Pocatello and McCammon, another 12 around Mountain Home and 15 in Wyoming immediately east of Montpelier, and replacement of 180,000 cross ties.

Work on the various projects is expected to begin next month.

Union Pacific said on a system-wide basis it would lay 188.99 miles of new rail, almost 181.50 track miles and lay almost one million new ties.

The railroad's headquarters in Omaha said new rail costs \$45,000 per mile to lay, a mile of rehabilitating runs to \$10,000 and replacement of ties is figured at \$5.25 per tie.

Cypriots Exiled To Africa Isles

MOMBASA, Kenya, March 12 (AP)—Archbishop Makarios is expected to arrive in the Seychelles Islands tonight or tomorrow morning to begin his exile from Cyprus. It was reported today.

The manager of the Shimon fishing station just south of the East African port city, said he saw the archbishop transferred yesterday to the British naval vessel Loch Fada for the trip to the Seychelles.

It was understood Britain originally intended to take Makarios and other exiled Cypriot nationalist leaders to Aden but changed their minds at the last minute and brought them here.

Hospitals

Magic Valley Memorial
Visiting hours at Magic Valley Memorial hospital are from 2 to 4 and 7 to 8 p.m.

ADMITTED
Hattie McCoy, Mrs. E. F. Pedersen, Jr., Mrs. Lewis Arrington, Mrs. Ray Crossaint, JoAnn Mouriesen, Mrs. Roy Koch, Leah Smith, Diane Nellis, Hallie Welch and Roy Plesinger, all Twin Falls; Mrs. Robert Jones, Marion Lowe, Mrs. Robert Corrie, Mrs. Ernest Ullery, Mrs. Earl Loughlin and William Gibb, all Buhl; Mrs. Roy Eastman, Filer; Chester Willis, Eden; Larry Kindred and Lester Updyke, both Kimberly; and Florence Sheppard, Holister.

DISMISSED
Mrs. Robert Hoge, Mrs. J. Stanley Miracle and son, Mrs. O. W. Lindemood and Keith Bird, all Twin Falls; Mrs. LaMar Olson, Walter Caldwell, Mrs. Earl Hudson and Mrs. Roy Atkinson, all Buhl; Mrs. Richard Erwin, Kimberly, and Mrs. Ludwig Haight, Burley.

BIRTHS
Sunday births include sons to Mr. and Mrs. Robert Jones, Buhl, Mr. and Mrs. Lewis Arrington, Twin Falls, and Mr. and Mrs. Clarence Shockey, Twin Falls, and daughters to Mr. and Mrs. Elmer Anderson, Twin Falls, Mr. and Mrs. E. F. Pedersen, Jr., Twin Falls, and Mr. and Mrs. Ray Crossaint, Twin Falls.

St. Benedict's, Jerome
Visiting hours at St. Benedict's hospital are from 2 to 4 and 7 to 8 p.m.

ADMITTED
Mrs. Kenneth Russell, Mrs. Ray Salzer, Mrs. Frank Barnes, William Constock, Daniel Maddox, Junior Isom, Mr. Richard Olson and Mrs. Frank Posey, all Jerome; Mrs. Eddie Woodbridge, Mackay; LaDona Brauburger, Eden; Mrs. Ray Clayton, Shoshone; Julia Gates, Mrs. Muncie Mink and Mrs. Walter Jones, all Wendell; Mrs. Roy Collins, Glens Ferry, and Sandra Hall, Hazelton.

DISMISSED
Wayne Hanni, Arco; Caroline Kirkman, Jerry Kirkman, Terry Kirkman and Mrs. Darwin Osborn and daughter, all Twin Falls; Mrs. James Laswell, Edmund Robinson, Mrs. Carlos Johnson and daughter, Mrs. Jack Thomson and son, Mrs. Harry Struok, all Jerome; Landon Hiatt and Mrs. Eddie Woodbridge, north Mackay; Mrs. Pete Lanning, Francis Coleman and Pete Lanning, all Shoshone; Jerry Grater, Wendell; Mrs. Alvin Herworth and daughter, and LaDona Brauburger, all Eden; Albert Lanning, Gooding, and Mrs. Truman Bentley and son, Hazelton.

BIRTHS
Sons were born to Mr. and Mrs. Kenneth Russell and Mr. and Mrs. Richard Olson, all Jerome; Mr. and Mrs. Ray Wilding, Twin Falls, and Mr. and Mrs. Ray Collins, Glens Ferry, and daughters were born to Mr. and Mrs. Walter Jones, Wendell, and Mr. and Mrs. Roy Clayton, Shoshone.

Gooding Memorial
Visiting hours at Gooding County Memorial Hospital are from 3 to 4:30 and 7 to 8:30 p.m.

ADMITTED
Larry Fanning and Charles Kelley, both Buhl; Mrs. George Hamilton and Mrs. Walter Reinke, both Gooding, and Mrs. Victor Johnson, Mackay.

DISMISSED
Wes Henson, Gooding; Mrs. George Dimon, Wendell; and Walter Wolf, Fairfield.

BIRTHS
A son was born to Mr. and Mrs. George Allen, King Hill.

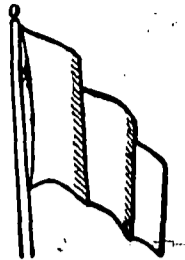

Cottage, Burley
ADMITTED
Mrs. Raquel Hinz, Nelson Lewis and Mrs. Bertha Bond, all Burley, and Barbara Nielsen, Paul.

DISMISSED
Mrs. Forrest Adams, Mrs. Eva Hilt, Tommy Agawa and Mrs. Shirley Patchett, all Burley, and Mrs. Lorraine Wright and Mrs. Lela Campbell, both Rupert.

BIRTHS
A son was born to Mr. and Mrs. Theo Hinz, Burley, and a daughter to Mr. and Mrs. Howard Wilkins, Paul.

Rupert General
ADMITTED
Rita Crawford, Twin Falls, and Ivan Bishop, Rupert.

Keep the White Flag of Safety Flying

Now four days without a traffic death in our Magic Valley.

Range Feed Put Below Averages

DENVER, March 12 (AP) — As of March 1, range feed conditions in the 17 western states were four points below the 10-year average. Condition of cattle and calves was 78 per cent, three points below the 10-year average, while sheep and lambs were rated at 80 per cent, two points below the average. The observations were contained in the monthly report of the U.S. agriculture department released Monday.

Magic Valley Funerals

HAGERMAN—Funeral services for Mrs. Genevieve Warwick Gribble will be held at 2 p.m. Wednesday at the Hagerman Methodist church with the Rev. J. D. Crego, assisted by the Rev. Leonard Clark, pastor of the Buhl Methodist church, officiating. Concluding rites will be held at the Buhl cemetery.

BURLEY—Funeral services for Noel Radford (Shorty) Winter will be held at 2 p.m. Thursday at the third-sixth ward LDS church with Bishop Robert Ramsey officiating. Military rites will be held at Pleasant View cemetery by the DAV. Friends may call at the McCulloch-Burley funeral home Wednesday and Thursday.

CASTLEFORD—Funeral services for William Henry Graybeal will be held at 2 p.m. Tuesday at the First Baptist church here with the Rev. W. B. Phipps, assisted by the Rev. Virgil Florence, pastor of the First Will Baptist church, officiating. Concluding rites will be held at Sunset Memorial park, Twin Falls.

TWIN FALLS—Funeral services for Mrs. Lula Oliver will be conducted at 2 p.m. Tuesday at the White mortuary chapel by the Rev. Ray E. Crow. Concluding rites will be held in Buhl cemetery.

Weather

Magic Valley — Fair tonight and tomorrow with slowly rising temperatures. High tomorrow 40 to 45; low tonight 17 to 22. Low last night 17, 22 at 8 a. m., and 34 at noon.

Women Voter Group to Hold Confab Series

"Measures to provide Idaho municipalities with a greater degree of home rule" will be discussed by the Twin Falls League of Women Voters at a series of meetings this week, reports Mrs. Steward Wegener, acting study chairman. Unit 1 will meet at 8 p.m. Tuesday with Mrs. T. M. Robertson, east of Twin Falls—Mrs. R. L. Sumnerfield, 2088 Addison avenue east, will be hostess to unit 2 at 9:30 a.m. Wednesday. Unit 3 will meet at the home of Mrs. Robert Patee, 475 Sophomora boulevard, at 8 p.m. Thursday.

The study is an outgrowth of previous study on state-local relations in the field of taxation which local leagues throughout the state made from 1953 to 1955, Mrs. Wegener said.

"During this study," she noted, "it was found that some cities are having difficulty in financing, others are compelled to stretch their fiscal authority in order to stay within the law. Many limitations are placed on city powers, which are either unnecessary or undesirable." The committee in charge of the discussion includes Mrs. Richard Irwin, chairman, Mrs. Robert Haas, Mrs. Wegener and Mrs. Joe McCollum.

Mrs. Gribble, 76, Taken by Death

Buhl, March 12—Mrs. Genevieve Warwick Gribble, 76, died at 10:30 p. m. Saturday at the home of her daughter, Mrs. Iram Sheldon.

Mrs. Gribble was born Dec. 31, 1879, at Oregonia, O. She was married to Walter L. Gribble at Lebanon, O., Oct. 30, 1899. They came to Hagerman in 1915 from Morrow, O., and lived there until two years ago when they moved to Buhl. She was a member of the Methodist church in Hagerman and the Gold Star Mothers.

Surviving besides the daughter with whom she lived are her husband, two other daughters, Mrs. K. L. Sullivan, Salt Lake City, and Mrs. C. W. Bourdeau, Collins, Calif.; two sons, Marjoun Gribble, Seattle, and C. L. Gribble, Panama, Nev.; one brother, J. W. Warwick, Xenia, O.; one sister, Mrs. Janie Grubley, San Francisco, 18 grandchildren and three great-grandchildren. Funeral services will be held at 2 p. m. Wednesday at the Hagerman Methodist church with the Rev. J. D. Crego, assisted by the Rev. Leonard Clark, pastor of Methodist church in Buhl, officiating. Concluding rites will be held at the McCulloch-Burley funeral home. Thursday.

FINED TWICE

Buhl, March 12—Walter Eggleston, Buhl, was fined \$5 and \$3 costs twice Monday by Police Judge Floyd Dalls on charges of operating a vehicle with a noisy muffler and for driving at night on a daytime license.

LITTLE LIZ

The hydrogen bomb makes it possible for all men to be created equal.

AUCTION SALE

Because of the death of my husband, I will sell the following located 1/2-Mile West, and 1/4-Mile North of the Townsite of Murtaugh; or 4 Miles on the Paved Road going East of the Underpass East of Hansen, on—

WEDNESDAY, MARCH 14

SALE STARTS 12:30 LUNCH BY MURTAUGH GRANGE

Twin Falls News in Brief

Ketchum Man Fined
Charles J. Helm, Ketchum, paid a \$2 fine and \$3 costs in Twin Falls justice court after pleading guilty of driving a car without a front license plate. He was cited by state police.

Son Born
Mr. and Mrs. Mark C. Fellow, Oakland, Calif., are parents of a son born Friday. Mrs. Fellow is the former Shawna Stokes, daughter of Mr. and Mrs. Eldon Stokes, Twin Falls.

Firemen Called
Smoldering paper towels at the Richfield service station on Kimberly road near Elm street caused a fire alarm at 11:45 p. m. Sunday. Sparks from an oil furnace blew into the towels. Damage was negligible.

Chamber Unit Slates Project
Final plans for the "Lucky Bunny days" Easter promotion were formulated at the Commercial division of the Twin Falls Chamber of Commerce meeting Monday noon.

The event will include free drawings three times a day with a grand prize drawing to be held each afternoon. No purchases are required and winners do not have to be present.

Norman Anthony, division chairman, reported the Twin Falls stores will be closed from 1 p. m. until the concluding of church services on Good Friday, March 30.

He also read a letter announcing the annual Aberdeen Angus bull sale will be held in Twin Falls March 24. A showing will begin at 10 a. m. and the sale at 1 p. m., he said.

Noel Winter, 66, Taken by Death

Burley, March 12 — Noel Radford (Shorty) Winter, 66, died Friday night at the veterans hospital in Boise following a long illness. Mr. Winter was born Dec. 19, 1889, in England. He came to Burley from Canada in 1914. He was a veteran of World War I. He married Bonita Lee Nov. 9, 1928, in Rupert. He was a member of the Mini-Cassia chapter, DAV.

Surviving are his widow, two daughters, Mrs. J. J. Williams, Burley, and Mrs. Dale Stilwell, Bend, Ore.; one son, William N. Winter, Bend; two brothers, Austin Winter, Calgary, Canada, and Bert Winter, Arrowhead Lake, Calif.; four sisters, Mrs. J. F. Frazier, Sidney, British Columbia; Mrs. T. G. Campbell, San Jose, Calif.; Mrs. G. C. Murray, Merca, Calif.; and Mrs. Vera Bennett, Calgary, and five grandchildren.

Funeral services will be held at 2 p.m. Thursday at the third-sixth ward LDS church with Bishop Robert Ramsey officiating. Military rites will be conducted at Pleasant View cemetery by the DAV. Friends may call at the McCulloch-Burley funeral home Wednesday and Thursday.

Concerts Set

SALT LAKE CITY, March 12 (AP) —The famed Salt Lake Tabernacle choir will present two concerts in Denver this summer, officials announced today.

The announcement, by David O. McKay, president of the LDS church and Choir President Lester F. Hewlett, said the concerts will be July 13 and 14 in the outdoor Red Rock amphitheater.

Demo Expects Disfavor With Farm Rulings

(From Page One)

dealers were subjected to "indirect coercion" and got the impression they were being solicited with the "advice and consent" of Henry Ford. He emphasized that he does not believe Ford was personally responsible.

Plane builders—Rep. Clare E. Hoffman, R., Mich., dissented from recent findings of a house government operations subcommittee that the navy, Westinghouse and the McDonnell Aircraft corporation, St. Louis, were responsible for "failure" of the navy's 500 million dollar Demon jet fighter program. Hoffman said the criticism was "excessive" and the committee had adopted "Monday morning quarterbacking methods."

Treaties—Senate Republican Leader William F. Knowland said he would support the new version of the Bricker amendment on treaty-making powers. Sen. Thomas C. Hennings, D., Mo., warned the amendment might wreck the government's treaty-making procedures and kill 30 per cent of all U. S. treaties signed since 1789.

Return From Washington
Mr. and Mrs. Guy H. Shearer, Twin Falls, have returned from Washington, D. C., where they were called by the death of his brother, Russell E. Shearer. Mr. Shearer, assistant chairman of the federal deposit insurance corporation, was well-known in Twin Falls.

Bank Employees Seek Large Note
NEW YORK, March 12 (AP)—Clerks resumed searching today for a one-million-dollar U.S. treasury note somebody "misplaced" in the vast vaults of the Chase Manhattan bank.

More than 100 employees worked overtime during the week-end in a hunt for the missing note. When they went home late yesterday, they had rummaged through about half of 4,500 file drawers in the bank's basement.

The note, first missed last Wednesday, is not negotiable. "The note will almost certainly be found," the bank said in a statement, "but even if it never were, the bank's insurance fully covers a loss of this kind."

Car, Truck Meet In Headon Crash
Neither driver was injured at 8:20 a.m. Sunday in the headon collision of a 1955 DeSoto and a 1955 Chevrolet truck on a bridge spanning the lowline canal one mile east and three miles south of Kimberly.

Damage to the 1955 DeSoto driven by Arthur E. Jones, Hansen, was estimated at \$500 by State Patrolman H. E. Carr. The truck driven by John R. Heck had an estimated \$20 damage.

Carr's report says the approaches are lower than the bridge and that neither driver saw the other vehicle approaching until it was too late to avoid a collision.

Seen ...

Many signs of spring ... Crows beginning to peep through ground ... Fertilizer on grass at city park ... Children trying to fly kites ... Drive-ins closed for the winter with "open" signs on windows ... Man cleaning leaves from kelp beds beside house ... State and city police firing on range at rifle and pistol club ... Montana-licensed convertible with top down ... Flight of starlings scattering on telephone wires along Washington street north ... Monday wash hanging on outside clothes lines ... Sport jackets replacing overcoats ... Woman wearing large bow of ribbon around neck ... Man shoveling broken bricks into truck near Main avenue and Shoshone street ... Man displaying sunburn on partially bald head to friends ... Referee airing out shirt and gym shoes for one last tournament ... And overhead: "Now that spring weather is here we are soon going to be tired of the hot weather."

Record Claimed
LONDON, March 12 (AP)—Britain claims her dart-like new jet fighter, the Falcy Delta 2, has captured the world speed record with a mark of 1,132 miles an hour. The Royal Aero club said the single-jet plane known to airmen as the "drop snoot" struck this average in two runs over a nine-mile course in southern England. It recaptured the record from the United States.

England Halts French Swing Of Neutralism

LONDON, March 12 (AP)—Britain appeared today to have halted a French swing toward neutralism that could have wrecked joint Western policy.

The two nations issued a joint communiqué announcing they had reached "wide agreement" and strengthened joint policy after a hurried, 24-hour meeting between the British and French prime ministers.

"They reaffirmed their attachment to the Atlantic alliance and their intention to maintain and reinforce the common front of the free nations," the communiqué said.

Points Reached

- Areas of agreement reached according to the communiqué:
1. "Relations between the free world and the Soviet bloc."
 2. Reaffirmation of "their attachment to the Atlantic alliance and their intention to maintain and reinforce the common front of the free nations."
 3. British support of French policy in North Africa.
 4. Joint action on the Middle East to be worked out in current tripartite talks in Washington.
 5. Increased economic aid to the Far East, the Middle East and Africa.
 6. To press ahead with plans for general and controlled disarmament.

Informed sources said Mollet made it clear to Eden that Poincaré's recent criticism of Western policy did not mean any weakening of French ties with the United States and Britain or any swing toward neutralism as some Britons had feared.

The sources said Mollet emphasized that his left-wing government wanted to strengthen the entente cordiale among the three nations. Eden then promised British support for France in any peaceful and liberal steps to sort out France's North African troubles.

Eden conferred with President Eisenhower earlier this year on Anglo-American policy. He also was believed to have aligned Franco-British policy toward Russia in preparation for the visit here soon of Soviet Premier Nikolai Bulganin and Communist Party Chief Nikita S. Khrushchev.

Mollet will go to Moscow to visit Bulganin and Khrushchev soon after their visit to Britain.

Driver Just Can't Cross His Bridge

WATERBURY, Conn., March 12 (AP)—Norman A. Lezotte, 28, was going to cross the Washington avenue bridge when he came to it yesterday, but the bridge wasn't there and he and his car plunged 20 feet into the water.

It wasn't until after he climbed out of the wrecked car with cuts and bruises that he learned the bridge was washed out in the August floods.

Thieves Sought

MOSCOW, March 12 (AP)—Police were watching today for two men who robbed a Moscow filling station of \$50 Saturday night and fled, perhaps on foot.

Stanley Desjardins, attendant at the station, said the unmasked men apparently were walking. Police, believing they might have had a car hidden nearby, set up roadblocks but found no suspects.

Communists in U. S. to Open Drive to Beat Security Plan

WASHINGTON, March 12 (AP)—The principal communist publication in the United States is ballyhooing a new mass meeting designed to knock a permanent hole in government security fences.

The Daily Worker, published in New York, announces for Friday a rally in that city sponsored by the Seaman's Defense committee and the Emergency Civil Liberties committee. The purpose is to press for a permanent injunction against U. S. coast guard members of screening American ships and of longshoremen in American ports.

The screening process began in 1950. Since then, the coast guard has screened and cleared 430,465 applications by merchant seamen for port security cards. It denied 1,838 applications, and 58 applications are pending on appeal against denial.

An even 398,000 longshoremen have been screened, cleared and have received their security credentials. The coast guard denied 1,066 applications and there are 64 on appeal.

The U. S. court of appeals in the ninth circuit (San Francisco) held the screening process to be unconstitutional. The department of justice has until March 26 to appeal the decision. If no appeal is taken, the present security system for merchant seamen and longshoremen is finished.

The court found against the security system because individuals screened were not informed of the source of the charges brought against them. It might be possible to interpret the opinion to mean that an individual being screened also must be brought face to face with any individual challenging his patriotism.

Vice Adm. Alfred C. Richmond, coast guard commandant, explained to a house appropriations subcommittee last January:

"The source of the information is rarely in the hands of the coast guard. We obtain it from other agencies and the other agencies will not make that information available for disclosure."

Most of the information against subversive individuals comes from the FBI which does not permit inspection of its files nor often reveal the identity of its informants. Every President and congress has upheld the FBI on those two points since it was organized in 1924 under the direction of J. Edgar Hoover. There has been adverse criticism. But no one has come up with a method by which the FBI could open its files or identify its informants and stay in business.

The communists may make a lot

Solon Asserts Lobby Probes To Be Helpful

WASHINGTON, March 12 (AP)—Senate Democratic Leader Lyndon B. Johnson said today that the senate's investigation of lobbying will be "fruitful" despite delays in getting it organized.

The Texas Democrat said he regrets that some people believe the delay in launching the investigation will limit its scope or effectiveness.

In rapid-fire week-end activity the lobbying investigating committee finally cleared its major hurdle—a partisan dispute over rules and named Sen. John L. McClellan chairman. Immediately the group began searching for a "quality" staff.

McClellan promised all possible speed. But he cautioned that it will not be possible to organize the staff for such an important investigation quickly.

Probe Ordered

The investigation was ordered by the senate after the furor which developed over a \$2,500 campaign contribution offered to, but rejected by, Sen. Francis Case, R. S. D., during controversy over the natural gas bill.

Sen. Ralph Flanders, R. Vt., commenting on lobbying for the natural gas bill, said yesterday that "four or five men a day" from the oil-gas industry came to see him during senate debate on the measure.

Flanders said he told them he thought they were "overdoing it." He said the men were "not professional lobbyists" and did not seem to be part of an "organized effort." But he added that their efforts were "highly concentrated."

Lobbying Defended

Flanders emphasized that "lobbying is a useful institution." He said lobbyists have a place in the legislative picture just as lawyers for the defense and prosecution have a place in the judicial.

Sen. Carl T. Curtis, R. Nebr., said that there should be "no stigma" attached to a gift to a political campaign.

"It is just as honorable for someone to make a gift to a campaign as it is for his neighbor to ring doorbells to attend political meetings, or maybe another neighbor offering himself as a candidate for political office," he said.

But Sen. Richard L. Neuberger, D. Ore., said that any man in public office who is "benefited" by 10 or 20 thousand dollars "from a family that owns oil and wants something done in the field of oil" is "obligated."

Mediterranean to See Super Carrier

ABOARD U. S. S. FORRESTAL, GUANTANAMO, Cuba, March 12 (AP)—The United States will send this super aircraft carrier, the most powerful vessel of its fleet, to bolster American naval forces in the Mediterranean next January.

This was disclosed by ship officers today as newsmen arrived to witness the first public demonstration of the 70,000-ton carrier's jet plane operations.

At anchor in the harbor of Guantanamo, Cuba, last night were no less than 27 warships. Adm. Arleigh Burke, chief of naval operations, took note of this in telling navy personnel at the Guantanamo base:

"The vast changes in weapons systems which are occurring in the navy today are indicated by the presence in Guantanamo right now of four of the navy's newest ships—the Boston, world's first guided missile cruiser; the Forrestal, newest and most modern aircraft carrier; the Northampton, newest and finest command and communications ship, and the Forest Sherman, the first of the new class of destroyer."

Riddle Solved of Intolerance Of Milk Disease in Children

WASHINGTON, March 12 (AP)—Government scientists have finally solved the riddle of a mysterious disease which often blinds and kills children who cannot tolerate milk.

They announced they have discovered a new enzyme in the blood of normal persons and that the absence of this enzyme causes this condition known as galactosemia or galactose diabetes.

Infants born with this basic defect in their chemical machinery are unable to utilize or even tolerate galactose, one of the sugars in milk. The more milk they take the more the galactose piles up in their system like a poison.

The first symptoms are diarrhea, lack of appetite, loss of weight, and jaundice. In the later stages, the disease leads to cirrhosis of the liver, blindness and finally death.

These serious complications can be prevented if the disorder is diagnosed early and victims are immediately put on a completely milk-free diet. But the disease sometimes isn't discovered until it's too late because the symptoms resemble those of so many other diseases.

Hence, the importance of the new enzyme. Scientists at the national institute of arthritis and metabolic diseases said it doesn't offer a cure. But they said it does promise physicians a simple, sure-fire and safe test for diagnosing galactosemia before it causes serious damage.

It also provides researchers with a tool for looking into the possibility that errors in galactose chemistry may be responsible for a number of other diseases—including some obscure mental and eye disorders—where the causes have remained a mystery.

Dr. Herman M. Kalckar of the national institute discovered the new enzyme while doing basic research on sugar metabolism. He and his co-workers—Dr. Elisabeth P. Anderson and Kurt J. Isselbacher—named it P-Gal Transferase.

They linked the new enzyme with galactosemia after British researchers reported finding certain abnormal

'Lost' Airman Safe at Base, Retells Story

LANGLEY AIR FORCE BASE, Va., March 12 (AP)—A parachuting airman who became the object of a search through a mountainous wilderness was safe at his base today, and with an explanation of how he jumped by mistake.

First Lieut. John D. Heffer, Gainesville, Fla., said he jettisoned his canopy in preparation for a possible jump when the F94C Starfire jet he was riding as radar observer went into an unexplained spin.

The wind whipped off his helmet and intercom earphones so he was unable to confer with the pilot, he said, so he jumped at 8,000 feet near West Point, Va., he said. The jump was timed at 8 p.m. EST Saturday.

The pilot, First Lieut. R. C. Weaver, 29, Escondido, Calif., returned the jet safely to Langley. The air force navy, marines and state highway patrol began a search for Heffer.

Heffer meanwhile landed unhurt in shoulder-deep water of the York river. After wandering lost all night he made his way to a farmhouse at 6 a.m. yesterday. The farmer took him to the base.

The steel industry had 770,000 stockholders in 1954, but only 763,000 employees in its main plants and affiliated enterprises.

Welker Protests Ike's Farm Bill

WASHINGTON, March 12 (AP)—Sen. Herman Welker, R. Ida., says the administration farm bill doesn't do enough for small farmers and stockmen.

"I would like to hear a little discourse on what has been done for the small farmer instead of so much talk about the big operators," Welker said in debate on the Aiken amendment.

Welker made the statement in challenging one by Sen. Karl Mundt, R. S. D., that "in this bill, we have done something for virtually every segment of the farm economy."

The amendment passed 46-45 with Welker voting in favor of it.

Job's Daughters Plan for Confab At Bethel Meet

Final plans for the grand visit of the grand council of Idaho, were made Thursday night at the meeting of Bethel No. 43, International Order of Job's Daughters.

Mrs. Fry will visit the order March 22. A formal banquet in her honor will be held at 6 p.m. in the Masonic temple followed by a meeting and initiation.

Evelyn Shotwell, honored queen, appointed committees. Named for appointable decorations were Evelyn Shotwell, Nancy Hilt, Jo-Ann Galtier, Judy Newcomb, Jeanne Stettler and Margaret Pryor; Lynda Brown, chairman; Jeanne Sharkey, Carolyn Blackburn, Jeanne Morris, Karen Colner, Sharon Miller, Barbara Hamilton, Ethel Urban and Patsy Miller, and programs, Micky Hulbert and Ann Ingram; co-chairmen, Clair Slaughter, Sharon Turner, Judy Franzer and Elizabeth Peterson.

Open House Set For Jerome Pair

JEROME, March 12—Mr. and Mrs. Omer Dorman will mark their golden wedding anniversary Wednesday at their home, 301 E. avenue H, with open house from 2 to 5 p. m. for friends and relatives.

The couple was born and raised near Hermitage, Mo., and married in 1906 in Pittsburg, Mo. Dorman is a retired farmer. They have lived in Jerome approximately 30 years.

They have five children, Estee Dorman, Lakeport, Calif.; Lee Dorman, Jerome; Mrs. Edward Messinger, Jerome; Mrs. John McIntyre, Roseburg, Ore.; and Mrs. Clifford Bain, Pocatello. They also have 15 grandchildren and three great-grandchildren.

Varied Recipes Given for Meet

Mrs. Floyd Sharp showed pictures and different ways to use peaches to the Maroa club Thursday afternoon at the home of Mrs. Cecil Brown.

Mrs. Kenneth Tucker was narrator for Mrs. Sharp.

Roll call was answered with "what I do on windy wash days." Mrs. Tucker conducted the program and gave a reading on "club fever." Mrs. Ted Sierer and Mrs. Tucker received white elephants.

Mrs. Wren Ellsworth was accepted as a new member and Mrs. Jacob Tok was guest. Mrs. Ernest Ihler was co-hostess.

The next meeting will be held March 22 at the home of Mrs. Morris Carlson. Roll call will be answered with flower and garden hints. Seeds and bulbs will be exchanged.

ENTERTAINED

SHOSHONE, March 12—Mrs. Laverne Carpenter entertained Friday with a birthday anniversary dinner in honor of her daughter, Nancy, 4.

Care of Your Children

By ANGELO PATRI

"Our boy is 11 years old and a bright, good boy at home and in school. One thing worries us. We want him to enjoy every good thing that life brings his way, so we expected he would be a Scout. We thought he would join the 4-H, and he wants nothing of them. What ought we to do?"

Just leave him alone. Of course, we think the Scouts are about the best ever. We think that their organizations are a great help to the boys and girls, giving them wholesome companionship, a knowledge of wood crafts, a feeling of brotherly, sisterly unity. All to the good.

Everybody knows what a fine thing the 4-H clubs are. They give boys and girls training in a field of usefulness that is priceless. More, they train boys and girls to love the earth "and all that dwells therein." Again, a priceless opportunity for youngsters.

But all children, being children, differ one from another in mind and body, tastes and abilities. "One man's meat is another's poison." All children do not need to join the Scouts, or the 4-H, or any other group. Most children do need to "belong," but there are always some, like this boy, who do not. They have other interests, other tastes, other abilities. As long as they indicate definite lines of interest and follow them, they are doing well.

Most thoughtful parents feel uneasy when one of the children stands out as different from the

Awards Given to Camp Fire Girls At Council Fire

Halgweddy Camp Fire Girls met Friday in the Idaho Power auditorium for the first group council fire.

Trail seekers' certificates were awarded to Linda Burns, Ruth Anderson, Carmen Hankins, Linda Johnson, Marilyn McKean, Myrna Pippitt, Karen Wolff, and the leaders, Mrs. Duane Hankins and Mrs. Ben Lozier, who are taking rank with the girls.

The group was awarded honor bands by Mrs. Hankins and Mrs. Lozier. Carmen Hankins' Memory book was recommended for the National Memory book award.

Judy Laughlin, Carol Ann Partin and Pamela Stewart, beginners in Camp Fire, were candle-lighters.

"Life in Camp Fire" was presented as the program. Each member of the group told of her most exciting event in Camp Fire. The girls sang Camp Fire songs.

The girls had made up a display table of items they had made and things they have done in Camp Fire this past year.

The girls prepared and served refreshments following the St. Patrick's day theme to their parents and friends.

Cards Played

SHOSHONE, March 12—Mrs. Paul Ostyn, Filer, was hostess to Tyro bridge club Thursday night. Mrs. Thomas Turner and Mrs. Phyllis Savage, both Filer, and Mrs. Richard Baumann and Mrs. Robert Haddock, Shoshone, were guests.

Prizes were awarded Mrs. Richard Baumann, Mrs. Joseph Berrioches and Mrs. Dean Baumann, Shoshone. A baby gift was presented Mrs. Ray Sarna, Filer.

The next meeting will be held at the home of Mrs. Robert Parsons, Shoshone.

Mrs. Phil Hirrel Selected Leader

HAGERMAN, March 12—Mrs. Phil Hirrel was elected president of the Wendell Past Matron's club Wednesday at the Masonic temple. Other officers elected include Mrs. Albert Lancaster, vice president, and Mrs. Carl Fay, secretary.

Mrs. Carl Fay, Junior past matron of Star of the West chapter No. 35, was initiated under the direction of Mrs. G. D. MacQuilvey. Mrs. Fred Eaton played and sang "One God" and Mrs. H. J. Barton gave a reading, "Whatever Things Are Love."

Mrs. S. H. Lamb conducted the election and business meeting. Yearly reports were given by Mrs. Homer Moon and Mrs. Lamb.

The next meeting will be held Friday at the home of Mrs. Hirrel. The program for the year will be organized.

Musical Program Given by Church

CASTLEFORD, March 12—A "musical fun night" program was presented Wednesday by the choir of the Castleford Methodist church with Mrs. George Blick as director and Mrs. Leo Senften, pianist.

The program included group singing of the choir and congregation. There were also selections by the choir; vocal solos by Camille Zach, Gale Conner, Esther Ann McClain and Mrs. Blick, and instrumental numbers, Carolyn Kudiac, Elaine Platters, Gary Heidel, and Carolyn Kudiac.

An offering was taken to help buy robes for the choir.

The program concluded by the choir singing the benediction. Refreshments were served.

Parties Slated

FILER, March 12—Mr. and Mrs. Fred Clifton will observe their golden wedding anniversary Tuesday. Open house will be held from 7 to 9 p.m. at the home of their daughter, Mrs. Guy Kimball.

The Poplar Hill club will honor the couple Wednesday evening at the home of Mrs. Kimball.

Darla Anderson Gets FHA Office

DECLO, March 12—Darla Anderson was installed president of the Declo high school Future Homemakers of America at a banquet Wednesday evening at the school.

Other officers installed are Margaret Lewis, vice president; Sheila Gummerson, secretary; Wilma Bunn, treasurer; Della Brackenburg, reporter; Patsy Tyler, parliamentarian; Janice Brewerson, historian; Beverly Redman, song leader, and Marcine Bowdoin, pianist.

Mrs. Ervne Dewey is adviser and chapter fathers and mothers are Mr. and Mrs. Richard Anderson and Mr. and Mrs. Wayne Newcomb.

Eleven girls and their adviser from the Buhl chapter conducted the installation ceremony. The Declo student body presented the FHA a bouquet of red roses. Cleone Parks gave the after-dinner speech, "Here We Are."

Miss Anderson, Miss Lewis, Miss Gummerson and Miss Brackenburg will represent the Declo chapter at the regional convention March 22-24 at Idaho Falls.

Faculty guests present were Principal and Mrs. Lovell Turner, Mr. and Mrs. Devon Anderson, Mr. and Mrs. Ervne Dewey, Mr. and Mrs. Clyde Wardle and Mr. and Mrs. H. E. Weisel.

Mrs. Phil Hirrel Selected Leader

HAGERMAN, March 12—Mrs. Phil Hirrel was elected president of the Wendell Past Matron's club Wednesday at the Masonic temple. Other officers elected include Mrs. Albert Lancaster, vice president, and Mrs. Carl Fay, secretary.

Mrs. Carl Fay, Junior past matron of Star of the West chapter No. 35, was initiated under the direction of Mrs. G. D. MacQuilvey. Mrs. Fred Eaton played and sang "One God" and Mrs. H. J. Barton gave a reading, "Whatever Things Are Love."

Mrs. S. H. Lamb conducted the election and business meeting. Yearly reports were given by Mrs. Homer Moon and Mrs. Lamb.

The next meeting will be held Friday at the home of Mrs. Hirrel. The program for the year will be organized.

Musical Program Given by Church

CASTLEFORD, March 12—A "musical fun night" program was presented Wednesday by the choir of the Castleford Methodist church with Mrs. George Blick as director and Mrs. Leo Senften, pianist.

The program included group singing of the choir and congregation. There were also selections by the choir; vocal solos by Camille Zach, Gale Conner, Esther Ann McClain and Mrs. Blick, and instrumental numbers, Carolyn Kudiac, Elaine Platters, Gary Heidel, and Carolyn Kudiac.

FILER, March 12—Mr. and Mrs. Fred Clifton will observe their golden wedding anniversary Tuesday. Open house will be held from 7 to 9 p.m. at the home of their daughter, Mrs. Guy Kimball.

The Poplar Hill club will honor the couple Wednesday evening at the home of Mrs. Kimball.

Plans for Future Events Reported

WENDELL, March 12—Plans for future activities were made by the Star of the West chapter, Order of Eastern Star, Wednesday evening at the Masonic temple.

Past Matrons will meet at 8 p.m. Friday at the home of Mrs. Phil Hirrel. Mrs. A. J. Ritter will entertain the Star Social club at her home March 20. A bulb, slip and seed exchange will be held for roll call.

Plans were made to entertain Masonic lodge members at the April 4 meeting. Mrs. Homer Moon will be chairman of refreshments and Mrs. Albert Lancaster, Mrs. Wes Trouserson, Mrs. Denton Adams, and Mrs. P. D. Marlow will arrange the program.

The Job's Daughters coronation ball will be held April 6. Mrs. J. Marlow is in charge of refreshments.

A donation has been made to the International Peace Garden located on the boundary of North Dakota and the province of Manitoba, Canada. A report was given by Mrs. Elmer Miller, chairman of the sick and visiting committee. Mrs. Thomas Prith announced that clothing will be sent to needy families in Germany.

Mrs. H. S. Lamb, retiring president, presented Mrs. Prith a white OES Bible. A history of the chapter Bible and the antique table used by the worthy matrons will be written by Mrs. H. J. Barton.

Mrs. E. I. Turner, Mrs. Ray Turner, Mrs. Lalia Long, Mrs. Orville Henry, Mrs. Adams, Mrs. Carl Fay, Mrs. Owen Bolan, A. J. Ritter, Fred Eaton and Maynard Welsh were honored guests at the birthday anniversary table. Mrs. Long received the prize birthday anniversary cake.

Past matrons and past patrons of the OES were honored guests. Each was presented a birthday anniversary cake.

Refreshments were served by Mrs. A. T. Brown, Mrs. V. A. Cassingham, Mrs. Bolan and Mr. and Mrs. A. J. Ritter.

Husbands Feted

The Past Noble Grand club entertained their husbands and members of the IOOF lodge and their wives at a dinner Thursday evening at the IOOF hall.

Cards were played. Mrs. J. C. Doolittle, general chairman, was assisted by Mrs. Carl Ridgeway, Mrs. Tressa Bell, Mrs. Myrtle Bair and Mrs. Dora Wilks.

LESSON GIVEN

ALMO, March 12—Mrs. Henry Cahoon presented the theology lesson at the Wednesday afternoon meeting of the Relief society in the church. Prayers were given by Mrs. Elbert Durfee and Mrs. Thern Ward.

Continental "Red Seal" ENGINES PARTS and SERVICE

Motor Merc. Co.

Social Calendar

The Ceramics club will have a potluck supper Tuesday at the home of Mrs. Floyd Mail, 234 Walnut street.

Panhellenic association will meet at 1 p.m. Saturday at the Turf club for luncheon followed by bridge. All national society members are invited. Reservations may be obtained by calling Mrs. R. S. Tofflelire, 1309, or Mrs. A. J. Peavey, 815. Transportation will be provided if desired.

Church Projects Are Discussed by Lincoln Women

SHOSHONE, March 12—Projects of the Methodist church were reported and discussed Wednesday at a meeting of the Methodist Woman's Society of Christian Service.

The meeting was held at the home of Mrs. George Kenaston with Mrs. Leonard Daugherty as co-hostess. Mrs. C. W. Dill led the devotions and Mrs. Edith Tamaka reported that a box of toys had been sent to Neighborhood House, San Francisco. She also reported on the district conference recently held at Rupert, Idaho. \$10 had been donated to the fund for Korea.

Bandages are ready to mail to a hospital in Korea, according to a report by Mrs. J. H. Cairns.

The group decided to hold study group lessons with the first to be held at 3 p.m. Wednesday at the home of Mrs. P. H. Dunsmore.

Methodist church projects in Korea were reported by Mrs. J. H. Cairns, program chairman. Mrs. A. V. Nelson spoke on a Methodist university which the church is building at Anchorage, Alaska.

The next meeting will be held at 8 p.m. March 21 at the home of Mrs. Marx Neilsen.

Dinners Served

WENDELL, March 12—Mr. and Mrs. Gova Hoskins and their house guest, Ben Edler, Salem, Ore., were dinner guests Wednesday night at the home of Mr. and Mrs. Roy Haverland.

Thursday night, Mr. and Mrs. Hoskins and Edler were dinner guests of Mr. and Mrs. Glen Parsons.

Edler left Friday for Boise before returning home.

Wendell Slates Spring Festival

WENDELL, March 12—A spring blossom festival, tea and program, were discussed at the meeting of the Woman's Society of Christian Service Thursday evening at the Methodist church. No date has been set for the festival.

The Wendell WSCS will attend the Hagerman church at 2 p.m. March 15, for the "day apart" observance. Mrs. Roy Haverland and Mrs. Arthur Byce were named delegates to the WSCS conference April 17 and 18 at Nampa.

"Introduction to the Five Spiritual Classics," was the theme of the lesson given by Mrs. Hugh Caldwell. The classics will be presented in a series of three lessons. The devotions were given by Mrs. Byce and Mrs. Roy Haverland. Mrs. Fred Eaton sang, accompanied by Mrs. H. J. Barton.

Hostesses were Mrs. James Eaton, Mrs. C. B. Eaton and Mrs. Estu Burks. The next meeting will be held at 2 p.m. April 12.

McKay Plans To Quit Post By May 18th

WASHINGTON, March 12 (AP)—Interior Secretary Douglas McKay said today he expects to resign before Oregon's May 18 Republican primary in which he will seek the GOP senatorial nomination.

As he worked to put the finishing touches on his job as head of the interior department, McKay said "I will resign as soon as I can." That should be long before the June 1 tentative date he set last Friday when he announced for the senate, McKay said.

McKay's objective in entering the senate race is to try to unseat Sen. Wayne Morse, D. Ore., but, at the moment, he has a primary fight on his hands before he squares off against Morse.

The extent of this fight may hinge on whether Philip S. Hitchcock, a former state senator, bowed out of the race today. He had until 5 p. m. PST to do so.

Opposition Seen

But even without Hitchcock, McKay still would have opposition in the primary unless Elmer Deetz, a former Portland and engineer, also declined to run. Deetz has said he would not withdraw.

Lamar Toose, a Portland attorney, withdrew Friday after McKay became a surprise candidate.

Most of McKay's top aides and political observers were convinced that the secretary, who had said he wanted to retire from politics, had not definitely made up his mind to run for the GOP nomination before he went to the White House and talked with President Eisenhower Thursday.

Surprise Noted

A reporter told McKay his sudden move surprised him. "I surprised myself," McKay said. Morse welcomed McKay's decision and said the battle would be pitched on McKay's water, power and natural resources policies as head of the interior department. McKay said the issues "would be President Eisenhower's policies vs. Wayne Morse's policies."

Husband, Wife Funerals Held

SHOSHONE, March 12 — Funeral services for Mr. and Mrs. Ferris L. Cline were held at 2 p. m. Friday at the LDS chapel with Bishop W. F. Simpson presiding and the Rev. Charles Shackle, Rupert Assembly of God minister, officiating. Mr. and Mrs. Cline died as a result of injuries received in an auto accident near Mountain Home.

Mrs. Velma Allen played the organ prelude and postlude. The scripture was read by the Rev. Joseph McLeod, Shoshone Baptist minister. The Rev. Mr. Shackle gave the prayer, obituary and address.

Mrs. Allen, accompanied by Mrs. Claude Chess, sang and Mrs. Chess and Mrs. Howard Adkins, with the violin, played a duet.

The singing part in Rebekah lodge rites were Mrs. Omer Shock, Mrs. Winifred Reisinger and Mrs. Luella Kinsey. Graveyard rites were conducted at the Richfield cemetery by the Shoshone and Richfield American Legion posts.

Palbearers for Mrs. Cline were Joe Piper, Mont Johnson and Lute Austin, Richfield, and Ward B. Rawson, Burton R. Thorne and George Young, Shoshone. For Mr. Cline they were Ervin Funderberg, Boise; Jerry Reed, Dennie Everett, Dick Grove, Chalmer Martin and Don Williams, Shoshone.

Sea Is Searched For Missing Men

MANILLA, March 12 (AP)—Warships and planes searched the South China sea off the island of Luzon today for two American sailors missing from the collision of a U.S. cruiser and a U.S. destroyer.

The cruiser Columbus and the destroyer Fred B. Parks collided during task force operations off the Luzon coast at dawn yesterday. Four crewmen aboard the Parks were injured.

Crewmen Handed Icy Building Lots

WELLINGTON, N.Z., March 12 (AP)—The crew of the U.S. ice breaker Edisto will receive building lots in the suburbs of the South Pole.

Cmdr. B. W. Luther marked off the shores of Edisto bay, on the western shores of Ross sea, into 100-foot-square lots, gave each lot a number and said each crew member would be given a claim as a souvenir of his participation in the polar expedition.

Reunion Held

VIEW, March 9—The View had reunion was held Friday. Delos Stoker was master of ceremonies. Mrs. Byron Wayment led community singing.

On the program were Diane Bowen, Virgil Dana, Elaine Gruwel, Delso Wrigley, Eva Bowen, Thomas Geary, Newell Dayley, Carol Stoker, Linda Freymiller, J. E. Searle, Burt Silcox, Roy Lowder, Leland Woodbury, Elton Hatch, Milton Payne, D. S. Moffett and Roy Jensen.

South Solons Tell Stand on Racial Issues

WASHINGTON, March 12 (AP)—Ninety-six southern congressmen threw their powerful support today behind "all lawful means" to upset the supreme court's school segregation decision.

In a strongly worded "declaration of constitutional principles," the 19 senators and 77 house members last night denounced the ruling as "clear abuse of judicial power" that has sown "hatred and suspicion" throughout the South.

They commended states for lawful attempts to resist integration but called for all citizens to "scrupulously refrain from disorder and lawless acts."

Strong Conviction

The statement was considerably milder than the original draft which some southern lawmakers refused to sign. But it was one of the strongest criticisms of the high court by a group of congressmen in recent years. It was to be presented in both houses today by Sen. Walter F. George, D., Ga., and Rep. Howard W. Smith, D., Va.

In the declaration, the southerners said "we pledge ourselves to use all lawful means to bring about a reversal of this decision, which is contrary to the Constitution, and to prevent the use of force in its implementation."

Contention Stated

They contended that the court had no constitutional authority for its ruling and accused the high tribunal of "unwarranted exercise of power" that is "creating chaos and confusion in the states principally affected."

They warned that the public school systems of "outside states may be destroyed by outside agitators... threatening immediate and revolutionary changes."

The weight of the declaration is shown clearly by the positions of power many of its sponsors hold in congress. They include the chairman of nine standing senate committees and one special committee. Many of the house's more prominent figures are also signers.

8 Didn't Sign

From the traditional "old South," only Sens. Estes Kefauver, D., Tenn., and Albert Gore, D., Tenn., and Senate Democratic Leader Lyndon B. Johnson, Tex., failed to sign in the upper chamber. Johnson said he was not consulted because he is the party's floor leader. However, four house members each from Texas and Tennessee were among the signers.

Kefauver said he did not sign the manifesto because the "supreme court must be the final authority on constitutional questions" and "its decision now is the law of the land and must be followed."

Meeting Dates of Grange Changed

BUHL, March 12 — Meeting dates for the Buhl Grange were changed Friday evening. Instead of meeting on the second and fourth Friday of each month, the Grange will meet on the first and third Friday, beginning April 6.

The building committee reported a completed job on remodeling the kitchen and main hall of the Grange building. Grangers will attend services in a group on May 6 at the Methodist church.

A gift was presented to Mr. and Mrs. J. J. Brennan, members who worked for many years in building up the Buhl Grange. Mr. and Mrs. Brennan are moving to Kimberly. A past master's pin was given Dean Smith and ritualistic work was practiced at close of meeting. Refreshments were served by Mr. and Mrs. A. B. Fairchild and Mrs. Ermina Bell.

No Hands, One Wheel

When safety inspectors tested Lakeview school students in Birmingham, Ala., on their ability to operate bicycles safely, 9-year-old Sylvia Sanders toured the obstacle course on her unicycle. They passed her, even if she didn't hold on to the handle bars... there weren't any. (AP wirephoto)

Limits Sought On Lands for 'Withdrawals'

WASHINGTON, March 12 (AP)—Rep. Clair Engle, D., Calif., said today he will sponsor legislation to set a limit of 5,000 acres on tracts of public land that federal departments can take over without congressional action.

Engle pointed out that an agency at present can take over tracts of any size. Huge so-called "withdrawals" have been made recently in his congressional district to the detriment of grazing, mining and other uses, he said.

Engle is chairman of the house interior committee which has been looking into military withdrawals of public land in California, Nevada, New Mexico and other western states. He said he plans to introduce two other bills to change the withdrawal procedure.

1. Require direct return of public tracts to the interior department when the withdrawing agency is through with them. Under present procedure, the general services administration can dispose of the tracts. Engle said this could lead to "secret skullduggery."

2. Require a notice of withdrawal be published in the federal register, listing uses which can be made of the land in spite of the reservation. Engle mentioned such uses as grazing, mining, lumbering and hunting and fishing.

Indians Hear Pakistan Will Not Open Tiff

NEW DELHI, India, March 12 (AP)—Secretary of State Dulles wound up a world review with Prime Minister Nehru Saturday and sought to assure Indians the United States would not tolerate Pakistani aggression against this country.

Pakistan receives U. S. military aid and many Indians have been convinced Pakistan is accepting the arms to use against India in the bitter dispute between the two countries over Kashmir.

"India should be confident that Pakistan will not use arms for aggression," Dulles told a news conference. "If Pakistan did, its government knows it would mean a quick ending of good relations between the United States and Pakistan."

"And the United States would be on India's side if the matter was brought before the United Nations."

Meet in Private

Dulles and Nehru met in private for four hours yesterday and two today. The American told correspondents he saw "no occasion for any change in our policies toward each other." He said he considered those policies basically friendly.

While the two leaders indicated they are anxious to have a better understanding between their two countries, neither was reported ready to modify his views. Nevertheless, the result of their talks was the easing of strained relations.

Turbulence Noted

Today's news conference was turbulent at times, with some Indian reporters obviously hostile, particularly in asking questions about Kashmir and Goa. Dulles' statement last fall that he considered Goa to be a province of Portugal caused an uproar here. Dulles told questioners he never expressed himself on the merits of either of these two controversies.

Dulles was asked if arms aid to Pakistan might cause an arms race and force India into following Egypt's decision to buy Communist arms.

"We have offered India arms in the past," he added, saying the offer still stood. "There is no reason why India should go Egypt's way."

Program Given Church's Temple Opened by Rites

LOS ANGELES, March 12 (AP)—The four-day dedication of the magnificent Los Angeles temple of the LDS church continued today, with thousands of church members from throughout the west attending.

When the rituals are completed Wednesday 50,000 persons will have participated, hearing Church President David O. McKay and other general authorities.

The dedication services are scheduled twice daily through Wednesday, with more than 6,000 attending each ceremony.

Kefauver Has Good Hope of Primary Vote

MANCHESTER, N. H., March 12 (AP)—Sen. Estes Kefauver predicted today he would win "more than a majority of the delegates" from New Hampshire in tomorrow's first-of-the-nation primary.

The outcome of the voting will be the first test of strength between Kefauver and Adlai E. Stevenson.

Kefauver is visiting the state for the third time to seek support and control of New Hampshire's 12-member 8-vote delegation to the Democratic national convention.

Stevenson supporters have entered a full slate of delegates favorable to the former Illinois governor. But Stevenson has not campaigned actively in the state and has said he has nothing to gain from entering the primary.

Delegates favorable to Gov. Averell Harriman of New York and Gov. G. Mennen Williams of Michigan also entered in the primary contest.

Elected

GOODING, March 12 — Frank Lukens was elected president of the Gooding Jaycees Thursday night.

Others elected were William Prosser, vice president; J. D. Page, secretary; Buster Willey, treasurer; and Floyd Eklund, Phil Reed, Milton Butler and Ramon Ensuna.

The new officers will be installed jointly with new Jay-C-Elite officers in April.

Asthma Formula Prescribed Most By Doctors—Available Now Without Prescription

Stops Attacks in Minutes... Relief Lasts for Hours!

New York, N. Y. (Special)—The asthma formula prescribed more than any other by doctors for their private patients is now available to asthma sufferers without prescription.

Medical tests proved this formula stops asthma attacks in minutes and gives hours of freedom from recurrence of painful asthma spasms.

This formula is so effective that it is the physicians' leading asthma prescription—so safe that now it can be sold without prescription—in tiny tablets called Primatene®.

Primatene opens bronchial tubes, loosens mucus congestion, relieves taut nervous tension. All this without taking painful injections.

The secret is—Primatene combines 3 medicines (in full prescription strength) found most effective in combination for asthma distress. Each performs a special purpose.

So look forward to sleep at night and freedom from asthma spasms... get Primatene, at any drugstore. Only 98¢—money-back guarantee. Only 98¢—money-back guarantee.

Factors Approve Wage Agreement LOS ANGELES, March 12 (AP)—Western Air lines announced today it has signed a wage agreement with the Brotherhood of Railway and Air Transport paving the way for the end of a 63-day strike. The new contract means an average wage increase of \$20 a month for the freight handlers. A company spokesman said former wage for the 850 members of the brotherhood ranged from \$230 to \$300 monthly. The air line, which operates 45 cities in 12 Western states and Canada, said it hopes to reach agreements soon with the Air Line Pilots association, representing 12 of its pilots, and the International Association of Machinists. A spokesman said that probably the air line will not resume operation until agreements are reached with these two unions. But he added WAL hopes to reach settlements within a couple of days.
