

Woman Hurt by Action Against Stopped October Wreck Is Claimed by Death By City Commissioners On Highway Rerouting

At the time of the accident, Mrs. Betty Tanner, 33, route 2, Hansen, injured on Oct. 3, 1936, in an automobile accident three miles southwest of Kimberly, died at 12:30 a. m. Tuesday in a Salt Lake City hospital. She had regained consciousness since the accident. Her death was the third traffic fatality for 1937 even though the accident in which she was injured happened in 1936. The fatality was the first for Twin Falls county this year. The other two fatalities in 1937 happened in Lincoln and Cassia counties. Mrs. Tanner, driving a 1936 Chrysler, was going east when her car collided with a 1937 Pontiac driven by Leonard Peterson, 31, Twin Falls, who was also injured in the crash. Both he and Mrs. Tanner were taken to Magic Valley Memorial hospital and later Mrs. Tanner was transferred to Salt Lake City.

Traffic Death Scoreboard

Here is a comparison of traffic fatalities as of this date for 1936 and 1937 for Magic Valley and the entire state:

Area	1936	1937
Magic Valley, 1936	4	1
Magic Valley, 1937	1	1
Idaho, 1936	154	23
Idaho, 1937	15	15

At the time of the accident, State Patrolman M. J. Bays, Jr., said that Mrs. Tanner was driving on a highway that was under construction. The highway was being rerouted and the old highway was closed. Mrs. Tanner was driving on the old highway when she was struck by the car of Leonard Peterson.

Mrs. Tanner is survived by her husband, her parents, Mr. and Mrs. W. Phillips, Salt Lake City. Her father, Dennis Tanner, is a resident of Twin Falls. Her mother, Mrs. Tanner, is a resident of Twin Falls. Her sister, Mrs. Tanner, is a resident of Twin Falls. Her brother, Mr. Tanner, is a resident of Twin Falls.

Board Names Principal for Local School

Jay N. Anderson was appointed principal of Bickel school No. 10, at the regular meeting of the board of education for class A school district No. 411 Monday afternoon.

Anderson will assume his duties next fall. At present, he is a fifth grade teacher at Bickel school. The principal position is the result of the retirement of Vivian Klink.

In other action, the board approved purchase of 270 new books for the remodelled junior high school auditorium. The books will cost \$21.97 each. The acceptance bid was submitted by Carson Printers, Caldwell.

A tuition waiver for two European high school teachers, who are approved if formal applications are submitted. Such action was requested by Mrs. Wm. C. Bickel, principal of the high school.

Don Miller, representing the HPA committee, attended the session.

BOISE, Feb. 12 (AP)—The Lincoln day banquet for Idaho Republicans here tonight will be addressed by Rep. Paul H. Douglas, U. S. House of Representatives.

Ex-Chief for T. F. Investment Firm Faces Embezzling Count

Harold L. Nielsen, 29, former Twin Falls resident and one time president of Nielsen Investment Company, was arraigned Monday in federal court on a charge of embezzlement.

Figure in Guard Dispute

Three principals in the current dispute over the national guard get together in a house armed services subcommittee hearing room in Washington. From left: Gen. Nathan Twining, chief of staff, army; Maj. Gen. E. A. Walsh, president of the National Guard association; and Gen. James F. Polaris. In his testimony, Polaris accused government officials of "deliberate efforts to reduce the national guard."

Farm Income, Prices Up, Benson Reports

SPOKANE, Feb. 12 (AP)—Secretary of Agriculture Ezra T. Benson said last night prices received by farmers have been running 5 to 7 per cent above a year ago. And he said realized net farm income in 1936 was 5 per cent above 1935.

"For the first time in many years a secretary of agriculture is able to report such favorable peace-time developments," he said. Benson made the remarks in a speech prepared for the fourth annual Pacific Northwest farm forum, a two-day round table sponsored by the Spokane Chamber of Commerce and designed to promote better understanding between farmers and businessmen.

"Investment of the commodity crop corporation in farm products owned and under loan are expected to total approximately 7.6 billion dollars on June 30, 1937, a net reduction of 700 million dollars in a period of 12 months," he said.

"This will be a net reduction of approximately 1.3 billion dollars, or 13 per cent of the total, since the peak holdings of February, 1935."

"Domestic consumption is increasing. Diet is improving. More food is being produced at home and abroad."

The secretary told his audience that "agriculture is not out of the woods."

"Agriculture was borrowing money to pay for its losses in 1932," he said. "When we look at the situation today, we find that the industry is now producing more than it is consuming."

Courthouse to Get New Area To Park Cars

The Twin Falls county commissioners voted Monday to eliminate parking congestion near the courthouse by having the new area at the rear of the building and making the space into a parking lot.

Nation Grows

WASHINGTON, Feb. 12 (AP)—The population of the United States will hit 170 million a few minutes after 11 a. m. EST Friday.

That's a guess, of course. But it's an educated guess and one that is probably quite accurate. The two plans city commissioners are seriously considering are outlined in a study made by the state highway department.

One, Plan D, would make the two Second avenue one-way couples for the highway between Five Points east and west. Second avenue east and north would be the one-way couple. This is the plan the state highway department has indicated it favors.

City Manager Joseph Lattimore reported to the commissioners on a meeting he and other representatives had with the state highway board at which, he said, the board had indicated that Plan D would cost the city approximately twice as much as Plan E.

Necessity for changing the routing is due to the fact that the highway plans to improve Kimberly road.

T. F. Motorist To Enter Plea For Tipiness

A Twin Falls motorist was jailed Tuesday and bond set at \$500 when he asked for 24 hours to enter a plea on a charge of drunken driving.

The motorist, who was arrested on a charge of drunken driving, was fined \$100 and costs on a drunken driving count.

Both men appeared before Burley Police Judge Henry W. Tucker following an accident at Burley. The motorist was charged with driving on a highway under the influence of alcohol.

Reds Propose 'Hands Off' in Mid-East Plan

MOSCOW, Feb. 12 (AP)—Soviet Foreign Minister Dimitri T. Gromyko asked the West today to stop trying to "roll back Communism," and instead to "let the people of the Middle East decide their own fate."

Sheep in a major foreign policy address, said was "an inevitable result of the situation in the Middle East."

Action on Revenue Programs Is Urged For Idaho's House

BOISE, Feb. 12 (AP)—Rep. A. F. Hintze, D., called upon the house revenue and taxation committee today to come up with "a definite program of revenue" and a "satisfactory commitment" as to when the program will be offered to the Idaho legislature. If this is not done, Hintze told the house, "I may after four days from this date move that all appropriation bills be held on the table until revenue measures have been presented and passed upon."

"I feel that the people of my county and the people of the state of Idaho should be given an opportunity to know what the source of revenue is to be and have enough time to indicate their wishes in regard to the tax," Hintze said.

"It has been publicly stated by members of the revenue and taxation committee that no revenue measures will be forthcoming until after appropriations are made and many members of this house have told me that they do not approve of this, and neither do I," he added.

Hintze said that he would stand by his earlier statement that "major" revenue measures should be made before the appropriation bills only "over my dead body."

Hintze, a first-term legislator, said he would be greatly assisted if they knew the amount and the source of the revenue. He said that the appropriations they recommended "might be a general opinion that some extra appropriations will be made—possibly as high as \$5 million dollars, 15 million more than the budget for the current biennium."

Gov. Robert E. Smylie presented a budget of \$55,000,000, but many legislators were not satisfied with it. They felt that the budget was too low and that it did not provide for the needs of the state.

"So far there is no indication from the revenue and taxation committee that the money is to be raised," Hintze said.

"My vote on appropriations will be guided by my approval or disapproval of the source of revenue to provide the money."

The senate met very briefly before adjourning. The senate will meet again on Wednesday.

Stockholders Of Canal Firm Voice Protest

Thirty-one Twin Falls Canal company stockholders were assured Monday that the company's board of directors that their rights will be protected in all decisions made by the board, especially in regard to a proposed sale of the company.

Representatives of the Hansen butte group met with the board at its January meeting to discuss the proposed sale of the company.

In answer to questions from the board, the Hansen butte group said that they were not interested in the sale of the company.

"From what I have heard," Sharp said, "the Hansen butte group is a little over-enthusiastic about this."

He added that the company's board had not yet consulted attorneys on the matter, a step which would be a prelude to a sale.

He also stated that the company's stockholders would be notified before any action was taken. He said that the company's board was not interested in the sale of the company.

Firm Seeks Springs Water in Power Use

BOISE, Feb. 12 (AP)—Action on applications for water for power purposes from Crystal and Niagara springs in southern Idaho was pending Tuesday by the state reclamation department, where the applications have been filed.

Elmer Humphrey, deputy state reclamation engineer, said records show that Crystal Springs Irrigation company has requested 400 second feet from Crystal and 200 second feet from Niagara for power purposes.

Earlier, Reclamation Engineer Mark Kulp approved applications for 100 second feet from the Gooding county springs for irrigation of desert land in the Skyrler creek area.

An earlier Associated Press story incorrectly stated that Kulp has discovered the request for water to supply the pumping station.

Humphrey said if any protests are received in the power applications, hearings will be set to allow interested parties to present their views.

15 Shells Not Found From Bellevue Blast

BELLEVUE, Feb. 12—Forty-one of the 56 artillery shells scattered east of here Sunday in a dynamite explosion have been recovered by a detachment of national guardsmen from Boise. Three of the shells recovered had been exploded and the fuse control centers on most of the others had been blown off.

National guardsmen are of the opinion that the remaining 15 shells probably will not be found. They feel the unrecovered shells probably were blown in bits in Sunday's explosion.

The 56 rounds of 105 millimeter shells were stored in a concrete bunker here ago and exploded in a dynamite blast. The shells had been issued to the Idaho national guard units for use in avalanche control work and were stored in the powder magazine belonging to Francis Jones, Inc., Halley, Harlawer, and Jumper.

The blast occurred at 1:30 p. m. Sunday. Cause of the fire has not been determined. The blast left five men down intact in Bellevue but caused only slight injuries to three persons.

One man, Charles Chappell, was injured in the blast and a daughter of Mr. and Mrs. Charles Wright received minor facial cuts. The blast occurred at a young man's house. The blast was caused by the last name of Pascoe was taken to the Halley hospital. The blast was caused by a silver of glass removed from the back.

Capt. Irwin Johnson, in command of the Idaho state detachment team, said the search for missing shells would continue "Tuesday afternoon" and "Wednesday morning." (Continued on Page 3, Column 3)

Senator Raps Russian Veto Of U. N. Veto

WASHINGTON, Feb. 12 (AP)—Senate Republican Leader William F. Knowland said last night that the United Nations should not be expected to do the veto even if the Soviets walk out of the world organization.

In a major speech at Georgetown university, the California senator, now a U. N. delegate, lashed Soviet abuse of the veto power as one of the "major defects" of the United Nations.

And he said that steps must be taken to remedy these defects "now" — not a year from now or 10 years hence "if the organization 'is to be saved for as an effective agency for collective security.'"

He noted that Russia has resorted to a veto 10 times in the United Nations, while France has used it only four times, Great Britain twice, China once and the United States none.

Knowland said he believed the security council could circumvent the Soviet veto by invoking a U. N. charter provision dealing with "peaceful settlement of disputes. The provision requires a party to a dispute to refrain from using force."

In addition, addresses of three faculty members are needed. They are John Goodrich Watkins, Edna Scholberg and Jessie McDonald. Anyone knowing the addresses of these people is asked to contact Mrs. Manning, Mrs. Josephine Mason or Bob Broadhead.

A survey among U. S. steelworkers reveals that only 16 per cent of those surveyed last year say on spending the paycheck.

Sen. Frank Carlson, R., Kans., Milton Young, R., D. and Wayne Morse, D., Ore., joined in sponsoring the bill.

Helpful

DETROIT, Feb. 12.—Although Thomas Olsoy, 20, was not able to secure the release from jail of his buddy, police did give him the opportunity to console his friend.

When Olsoy demanded to know why his friend had been arrested on a reckless driving charge, police remembered there was a warrant issued for Olsoy's arrest last December and put him in the same cell with his buddy.

Foreign Relations Group Is Formed

WASHINGTON, Feb. 12.—A citizens' foreign relations committee has been formed by several prominent Americans urging a break of diplomatic ties with communist countries and "democratic subversion" of them.

Former Gov. J. Bracken Lee, Utah, an outspoken critic of the administration's foreign policy, along with former Gov. Charles Edison, New Jersey and retired Gen. Albert C. Wedemeyer, George E. Stratemyer and Charles A. Willoughby.

In a statement yesterday the organization said, in connection with diplomatic recognition: "The policy of recognizing and appealing the status quo—which policy has been bankrupt for over two decades—is as false and evil as the red dictatorship it has served to strengthen and uphold."

In connection with communist subversion of the free world, the group said, "We should fight fire with fire."

Plan for Surplus Sale Is Reported

WASHINGTON, Feb. 12.—Sen. Richard L. Neuberger, D., Ore., today introduced legislation to authorize sale of one hundred million bushels of surplus wheat to feed poultry and other farm animals.

Under the bill, the commodity credit corporation would be allowed to market surplus wheat of "less desirable milling quality."

Sen. Frank Carlson, R., Kans., Milton Young, R., D. and Wayne Morse, D., Ore., joined in sponsoring the bill.

Production Is Up On Winter Spuds

WASHINGTON, Feb. 12.—The agriculture department yesterday estimated the production of winter potatoes at 7,445,000 hundredweight, an increase of 42 per cent over last year's winter crop.

The estimate is 125,000 hundredweight below a forecast of a month ago and reflected lower yields in Florida.

Production was indicated at 3,815,000 hundredweight in Florida and 3,630,000 in California.

Growers of early spring, late spring and early summer potatoes have reported intentions to plant 304,500 acres this year, or 4 per cent more than last year.

Stoltz also won an individual rating of excellent in radio speaking.

Honduras Moves To Halt Invasion

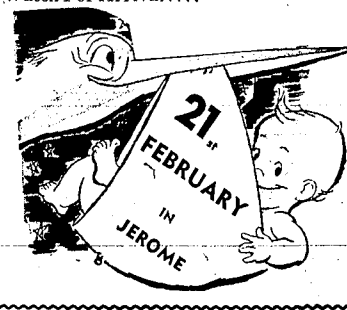

TEGUCIGALPA, Honduras, Feb. 12.—War games conducted by Honduras air and infantry forces in areas bordering on Nicaragua last week-end were intended to discourage a planned invasion of Nicaragua, qualified sources said today.

They said governments of the two nations fear Nicaraguan political exiles in Honduras are planning to invade their own country.

Solons Offer 6-Point Fund Savings Plan

BOISE, Feb. 12 (U.P.)—The two senators responsible for the creation of a Little Hoover commission in the senate a month ago, yesterday presented the committee's six-point program. They said it was "in the interest of more efficient and economical government in the state of Idaho."

The program was presented by Sen. Jack Murphy, R-Lincoln, and A. W. Nagle, R-Bonerville, to Sen. Edward S. Middleton, chairman of the special senate committee created to investigate ways and means of saving state expenditures.

The committee, told to report 30 days after it was created, is expected to present its findings Tuesday.

The two senators proposed:

1. Eliminate the state income tax deduction by providing that Idahoans pay the state a percentage of the total tax they pay the federal government.
2. Survey the "numerous boards and commissions of the state government created over the past several years" with the idea of merging or reducing their number.
3. Provide for the state government to streamline the "managerial operation in all phases of state government."

Authorize a survey of all federal money provided the state and its various commissions and boards.

4. Make a survey to determine whether public and automobile pools should be created to "eliminate duplication and depreciation of those very expensive items."
5. Survey the possibilities of placing all state institutions under professional custodial care.

Accident Causes \$150 in Damages

Approximately \$150 damages were reported Monday afternoon as the result of an automobile accident in the 100 block of Sixth avenue north between a 1946 Lincoln, driven by John W. Ross, 60, 130 Jackson street, and a 1941 Lincoln, driven by Mrs. Marge, 42, route 2, Twin Falls.

Damages to the Ross vehicle was estimated at \$80 and to the Marge car at \$100.

Police reported Ross was backing from a driveway at the Junior high school and collided with the car driven by Marge.

Solons Kill Bill On Sheriff's Pay

BOISE, Feb. 12 (U.P.)—Idaho legislators declined yesterday to take on the job of setting the pay for the state's sheriffs.

The house defeated, 35-20, a bill by Rep. C. Robert Yoe, R-Canyon, to have the legislature fix the pay for what he called "the forgotten man of law enforcement."

Rep. W. Clay Stinson, D-Washington, termed the measure "a legislative proposal with the idea of representative government."

And Rep. E. E. Lutzner, R-Jerome, added it would be "opening the door" for other county officials to ask for similar legislation.

The bill proposed setting the job should be left to the county commissioners because they have a better idea of what kind of a job the sheriff is doing.

Chemical School Planned for T. F.

A chemicals school and luncheon for Chamber of Commerce members will be conducted by the Idaho State Steel corporation Monday in the American Legion hall.

Arthur McQuiddy, Salt Lake City, public relations representative for the company, reports members of all chambers of commerce in the area are invited to the free luncheon.

However, only persons associated with chemicals and fertilizer firms may attend the school, which will be held at a banquet Monday night.

Farm Bureau to Meet in Burley

BURLEY, Feb. 12—The board of directors of the Idaho county Farm Bureau and the county legislative committee will meet at 8 p. m. Thursday at the county office on east Main street in Burley.

On the agenda for the meeting is a discussion of the fertilizer contract for next year and the bureau membership drive.

The legislative committee will discuss the Saturday closing of banks.

Fastest Plane

PARIS, Feb. 12 (U.P.)—French plane builder Messier-Dowson said today that its company's new delta-wing fighter has already traveled more than 1 1/2 times the speed of sound, and may turn out to be the world's fastest military plane.

In tests during the past few days, the Messier-Dowson said, the new delta-wing fighter has reached a ground speed of more than 1,000 miles an hour in level flight with a full military load.

Breakfast Is Held by T. F. Music Group

Boise Music club members provided the entertainment at the Twin Falls Music club's annual White breakfast Monday afternoon at the Turf club.

Adelaide Anderson, soprano, sang "Oh in My Dreams" by Lark. Mrs. Wayne as accompanist. Her next number was "The Blue Danube" by Strauss in which she was accompanied by Mrs. James Hopper, violinist. Mrs. Paul Blier, cello, and Mrs. Wayne, final number was "Stephen Klend Me in the Spring" by Newman.

The Boise Piano Quartet played "Bringing a Quiet in G Major" which included three movements "Allegro," "Intermezzo" and "Gypsy Rondo." Members of the Piano Quartet are Mrs. Hopper, Mrs. Blier, Mrs. Wayne and Mrs. Richard Eggleston, violinist.

Mrs. Leonard Matus was chairman of the decorating committee, assisted by Mrs. Howard Wiseman and Mrs. W. H. Barnard.

Mrs. Robert White, scholarship fund chairman, announced that for the first time there will be a scholarship available for any music student who can qualify and who is registered to play in the spring music festival.

Mrs. Max Brown read the club collect. Mrs. J. Garland Gibbs, president, presided and introduced Mrs. McDonald, program chairman.

Winners Reported For Bridge Group

Winners have been reported for Monday night's meeting of the Twin Falls Duplicate Bridge club.

North and south winners were Mrs. Sturgeon McCoy and Mrs. Harry Enoch, first; Mrs. R. E. Tolmie and Mrs. M. C. Olson, second; Mrs. H. H. Barnard and Mrs. Harry Light, third; and Dr. M. E. Brown and Robert Tucker, fourth.

East and west winners were Mr. C. Thomas and Mrs. John H. Moore, first; Mrs. and Mrs. John Paulsen, second; Mrs. Ann Thorpe, third; and Mrs. Joe Shelby and Mrs. Jerry Cove, fourth.

Next Monday the club will hold its annual Washington's birthday party.

Breakfast Served SHOSHONE, Feb. 12—About 115 Scouts, club Scouts and their fathers were guests of the Shoshone Chamber of Commerce at breakfast Sunday morning.

The breakfast was served at the Lincoln school cafeteria. R. L. Shaw was chairman of the Chamber committee in charge of the project.

Scouts Receive Award

Hal Stoliz, left, and Bob Morris, members of Boy Scout troop No. 36, sponsored by the Jerome Methodist church, wear the God and Country awards given to them Sunday by the church for work in the church.

The high awards are given by the church and not by Boy Scouts of America. The presentation of the two awards was made at the church's observation of Scout Sunday. (Staff engraving)

Two Jerome Boy Scouts Given High Awards in Church Work

JEROME, Feb. 12—Two boys belonging to Boy Scout troop 36, sponsored by the Jerome Methodist church, received their God and Country Award Sunday at the church. They are Hal Stoliz, son of Mr. and Mrs. Harold Stoliz, and Bob Morris, son of Mr. and Mrs. Harold Morris.

God and country awards are not required in Scouting but are given for work and assistance in the church and for meeting requirements and knowledge of the Bible. The church gives the award and not the Boy Scouts of America.

A large crowd attended the service in observation of Boy Scout Sunday. All Cubs, Scouts and Explorers marched to the front of the church with the colors. The invocation was given by Harold Stoliz, Scout Gordon Vining led the congregation in the pledge of allegiance to the flag. Donald Gass

Youths Arraigned For Theft of Beer

Two teen-age youths waived preliminary hearing Monday on charges of first degree burglary and were bound over to district court on a \$500 bond, and a third youth, a 16-year-old juvenile, was turned over to probate court for a hearing under the juvenile law.

Ralph Heck, 19, 202 Jefferson street, and Alex O. Ballen, 18, 129 Elmer street, were charged along with the juvenile with burglarizing the Twin Falls Tavern, located at 102 Railroad avenue, of "several cases of beer. The burglary was reported to police late Friday.

The juvenile and Ballen were arrested at 5 p.m. Saturday. Heck was arrested Saturday night in connection with the burglary. Police later recovered two and one-half cases of beer. One of the youths had told police they had hauled the beer north of Snake river canyon and hidden it in a gravel pit.

Mezzo-Soprano Mildred Miller Slated for Community Concert

Mildred Miller, mezzo-soprano star of the Metropolitan opera, will be featured in a concert at 8:15 p.m. Wednesday at the Pater high school auditorium, sponsored by the Magic Valley Community Concert association.

A native of Cleveland, Miss Miller began her musical career as a pianist and accompanist for choruses and soloists. Once, while filling in as a member of a chorus, she discovered an interest and enjoyment in singing which led to her career.

At the suggestion of one of her high school teachers, she enrolled for vocal studies at Cleveland's Institute of Music. She later studied at the New England conservatory, Boston, appearing with the New England opera under Boris Goldovsky.

Making her debut as Cherubino in "The Marriage of Figaro," Miss Miller played other roles before going to Europe for further experience. While in Germany, she met Wesley Weaver, a former high school classmate, to whom she was married in Stuttgart. They now have two children.

She sang a guest performance of "Carmen" in Munich and word of her success reached Rudolf Bing, general manager of the Metropolitan opera, who signed her to a contract at the Met.

She made her debut again in the role of Cherubino, going on to sing regularly at the Met, in addition to making numerous tours. Carmen is the role for which she is best known.

How's your HOUSEPOWER ?

Check and See!

- ☐ Do you have to unplug one appliance to use another?
- ☐ Is there a maze of wires leading out of each outlet?
- ☐ Do your toaster, electric fry pan, waffle iron heat too slowly?
- ☐ Does your TV picture shrink when other appliances or lights are turned on?

You're not alone in this situation. 4 out of 5 of today's homes are short of HOUSEPOWER . . . the ability of the wiring in your home to carry the load of modern electrical living. The answer, of course, lies in the service entrance boxes and the size and number of wires and outlets in your home. Call your electrical contractor. Let him tell you how easily you can have full and adequate HOUSEPOWER. Then wire . . . not only for immediate use, but for future expansion. Do this and you'll LIVE BETTER . . . Electrically!
