

T. F. Woman Greeted at Airport After Winning 'Mrs. Idaho' Laurels

Mrs. George Bever, named winner of the "Mrs. Idaho" contest in Boise Friday, is welcomed home officially by R. Lyons Smith, chairman of the Twin Falls city commission. About 40 persons, including friends and service club representatives were on hand at Jostin field Saturday night to greet Mrs. Bever. She will represent Idaho in national competition in Fort Lauderdale, Fla. (Staff photo-encouraging)

Mrs. George Bever returns home from Boise Saturday evening after placing the "Mrs. Idaho" title and gets a proud welcome from sons, Bill Bever, right, and Bill Bever, and husband, George Bever. (Staff photo-encouraging)

Program Planned By Grange Group

Buhl, April 22—Buhl Grange today voted to have an exchange program with other Granges. Mrs. Blanche Smith told of the community service project. The Grange committee report was given by Mrs. Earl Fyrlinger and Mrs. Arthur Bell, home economics chairman, reported for that group. A silver drill will be held at the next meeting for the heart fund. During the program, Milo Davis gave Easter thoughts and Mrs. R. L. Williamson played a piano solo. Mrs. Rose Smithson gave a reading on Easter and a piano solo was played by R. L. Williamson. Mr. and Mrs. Aubrey Tanner and Mr. and Mrs. W. A. Oida served refreshments.

Auto Crashes

An estimated \$75 damage resulted to the front end of an automobile Sunday on a county road one mile south of Filer when the driver, Barbara A. Pubenzer, 15, route 2, Filer, lost control of the vehicle and it went off the road. She told a deputy sheriff she took her eyes off the road to reach for something on the front seat and the car went into the ditch. She was not injured.

Petition Is Filed For Wild-Estate

A petition for letters of administration to the estate of W. J. Wild was filed Monday in Twin Falls probate court by a representative of the Twin Falls Bank and Trust company. Mr. Wild died April 11. His estate value is unknown, but estimated to exceed \$5,000 by attorney's request. Heirs to Mr. Wild's estate are two sisters, Anna Wild and Eleanor Wild, both Twin Falls. The bank agreed to act as administrator of the estate at the request of the sisters. Judge Everett M. Sweeney will hear the petition at 10 a.m. May 2. The firm of Benoit and Benoit represents the bank.

VISITS RELATIVES

KING HILL, April 22—Murray Baxter, Durkee, Ore., has been visiting his uncle and aunt, Mr. and Mrs. Ernest Dundvall.

Border Fence & Garden Supplies at Globe Seed and Feed Co. Adv.

Mobilgas Economy Run

| CLASS | CLASS WINNER | MILES PER GALLON | DRIVER |
|--------------|----------------------|------------------|----------------|
| LOW | Plymouth Belvedere 8 | 21.3 | Mary Davis |
| LOW MEDIUM | Dodge Coronet "500" | 22.0 | Wm. J. Losher |
| UPPER MEDIUM | Chrysler Saratoga | 20.7 | George Alsby |
| HIGH | Imperial Crown | 20.9 | McL Alsby, Jr. |

(Based on highest ten-miles per gallon. Ten-miles is the mileage performance in relation to weight of car.)

***SWEEPSTAKES WINNER Imperial Crown**

OFFICIAL MILEAGE—AVERAGE FOR ALL CARS. 20.4

TOP PERFORMANCE—TOP MILEAGE. Cars representing over 90% of U. S. 1957 model automobile production got a thorough testing in the tough Mobilgas Economy Run—just completed.

These high-horsepower stock cars, all with automatic transmission, used 1957 Mobilgas Special—the same gasoline you buy at your Mobil station. Despite increased horsepower and size of car, official average mileage was outstanding.

Over 1568 rugged miles of mountain passes, long stretches of open road, tight town traffic, in all kinds of weather, with altitudes ranging from sea level to 7582 feet, every car reported dependable, knock-free performance and mileage.

TOUGH, IMPARTIAL TEST. Rules for the Run are rigidly made, rigorously enforced. Impartial observers, provided by the Sports Commission of the United States Auto Club, see consistently along side Run drivers.

Their job: to be sure cars were held to maximum legal speeds, never coasted, and all traffic laws scrupulously observed.

CHECK THE MILEAGE OF YOUR CAR. Column at lower left shows the best mileage each make gives when 1957 cars, 1957 Mobilgas Special, and competent drivers are challenged to "put out" their best. You'll get top mileage and performance, too, with 1957 Mobilgas Special.

BEST MILEAGE BY MAKE:

| | |
|---------------------------------|------|
| Buick Roadmaster | 18.6 |
| Chevrolet Bel Air Sport Sedan 6 | 21.4 |
| Chevrolet Bel Air Sport Sedan 8 | 21.2 |
| Chrysler Saratoga | 20.7 |
| De Soto Firestone | 20.9 |
| Dodge Coronet "500" | 22.0 |
| Ford Fairlane "500" 6 | 22.2 |
| Ford Fairlane "500" 8 | 19.1 |
| Imperial Crown | 20.9 |
| Oldsmobile "88" Holiday | 19.5 |
| Oldsmobile "98" Holiday | 19.2 |
| Plymouth Belvedere 8 | 21.3 |
| Pontiac Chieftain | 20.4 |
| Rambler Rebel 8 | 21.6 |
| Studebaker President | 19.9 |

HERE'S THE RUN THEY FOLLOWED:

The Mobilgas Economy Run is an impartial test of cars competing against others in the same price class. Sponsored annually by General Petroleum Corporation as a public service to motorists.

Optimism for Russian Note Is Considered

MOSCOW, April 22 (U.S. Diplomatic Circle)—Optimism is expressed today that the Russian note to the United States regarding the Soviet Union and the West in the London Declaration will be considered as a measure of agreement reached between the two nations.

The prediction came as Russia made public its latest notes to the western bloc. The government said it was of force in settling disputes in the Middle East.

The Soviet press has not yet indicated Soviet reaction to these proposals, but observers believed there was more than a 50-50 chance that Zorin was returning to the London talks with instructions to accept or at least to agree to some modifications to the plan.

In any case they feel that the Soviet Union will agree to some reduction in conventional arms and armed forces.

Continues Tests
Meanwhile the Russians are expected to continue their controversial nuclear tests pending the lack of international agreement on the subject, Marshal Georgi Zhukov, the defense minister, made it clear the tests are his right to carry out.

Observers said the main reason for optimism in disarmament is the serious businesslike discussion of problems by Zorin and a significant move recently by Zorin and Nikita Khrushchev. It was felt that the Russians have moved away from their "no-nothing" approach to disarmament.

Responds to Notes
The Soviet's notes to the United States and France on the Middle East was in response to the March 11 replies to the original Soviet proposal. The three nations said they were not ready to accept the draft declaration proposed by Russia.

The note sent to the United States said that if no arms other than those of preserving peace and security in the Middle East are permitted, there can be no grounds for refusing to accept the principles outlined in the Soviet note.

Young Woman Is Found Dead and Mate Near Death

DAHO FALLS, April 22 (U.S. Press)—The body of a young woman was found dead yesterday in a trailer house on a farm northeast of here. The woman, Linda Salazar, 30, was found unconscious. Somerville County-Coroner-Jack A. Wood, Jr., said the woman was found in a trailer house on a farm northeast of here. He said the woman was found either gas or food poisoning. The Salazar had moved into the trailer house the day before Saturday. It was believed that he recently came to Idaho from Colorado. The woman's name was Linda Salazar, 30, was found unconscious.

A farm hand found the couple and rushed Salazar to the hospital where he was reported recovering. Mrs. Salazar's body was found on the bed, her husband on the floor.

Oil Imports Tax Is Advocated by Wyoming Solon

WASHINGTON, April 22 (U.S. Press)—A bill to impose a tax on oil imports is being introduced by Senator O'Mahoney, D. Wyo., who contends it would be more effective than the existing tariff in reducing imports of oil by major oil companies.

"This national security will be seriously impaired if the world's largest producers of foreign oil are enabled to flood American producers with their highly subsidized oil," O'Mahoney said in a statement Monday.

O'Mahoney also made public a letter to Gordon Gray, director of the Office of Defense Mobilization. In it, O'Mahoney asked that consideration be given to "the imposition of a suitable tariff as a device for regulating imports which threaten the national security."

He wrote that "Such a tariff need not be prohibitive, but should be such as to allow a reasonable level of imports to be maintained consistent with national security requirements."

Worlds Apart
LONDON, April 22 (U.S. Press)—The British and Soviet Union have been awarded the 1957 Lenin prize presented for "outstanding works in science, technology, literature and the fine arts," radio Moscow said today.

Miss Ulanova, who captivated British audiences during her tour with the Bolshoi company last year, received her award for "outstanding achievement in the art of ballet."

Dupont won a Lenin prize for designing the TV-10 jet airplane.

Police Widen Their Search For S. F. Man

SAN FRANCISCO, April 22 (AP)—Police searching for the hit-run driver of Leslie W. Stephens widened their search today to include cars of the make and model of the 1952-53 Mercury they have been emphasizing in their week-long investigation.

The witness told Smith he followed the death car in his own car for a full block on 16th street last Sunday night, right after the hit-run driver of Leslie W. Stephens, a 68-year-old man, was killed.

He gave Smith a description of the car, and then left before investigators from the accident investigation bureau arrived on the scene.

Another clue came from Bonifacio Silverio, who also saw the incident. Silverio said under hypnosis that the license plate of the death car was on the rear of the car.

Police already have checked 5,000 autos in San Francisco without results. Meanwhile, there was no further word from the writer of an anonymous letter received Saturday, in which the writer "confessed" the killing of Stephens and said he wanted to turn himself in.

The letter was mailed in Berkeley. The writer said he wanted to surrender but was afraid of the gas chamber. Stephens was returning home from a baseball game last Sunday night when the mystery car struck him. Witnesses believed he had survived but the driver apparently drove off.

Surviving are his widow, one son, William M. Blue, Salem; one daughter, Mrs. Helen Jones, Liberty, Mo.; four brothers, Ira, Blue, Muskogee, Okla.; Earl Blue, Tulsa, Okla.; T. Blue, Clayton, Mo.; and Harry Blue, Portland; two sisters, Mrs. Corrie Dunn, and Mrs. Margaret Diegelman, both Hamilton, Mo., four grandchildren and five great-grandchildren.

Funeral services will be held at 2 p.m. Wednesday at the First Baptist church with the Rev. Charles Condon officiating. Concluding rites will be held at the Piner 1000 cemetery under the direction of the Albertson funeral home, Buhl.

Mrs. Conklin, 82, Claimed by Death. HAGERMAN, April 22 (AP)—Mrs. Minnie Conklin, 82, died Sunday morning.

Soldiers Face Court Martial Over Beating

FT. CARSON, Colo., April 22 (AP)—Six noncommissioned officers face court martial sometime this week for beating and mistreating an 18-year-old inmate from Chicago.

Authorities at the army post said the incident involving Pvt. Daniel Chuechue, of Chicago, occurred last Friday afternoon in a barracks room. Young Chuechue, who had only one week of eight weeks training to go, was hospitalized for treatment of cuts and bruises.

Make Charges. Maj. Billy G. Short, "top kick" of battery C, 68th field artillery battalion, has been charged with cruelty and mistreatment for ordering Chuechue to assume "dead leaning rest," a painful position illegal under army regulations.

Chuechue refused to follow the sergeant's order and in the ensuing exchange ordered to fight any of the noncommissioned officers. Spec. J. Robert G. Parker accepted the challenge, but the husky Chuechue was too much for him. The other noncoms, with the exception of Short, allegedly pounced on the private and beat him with their fists.

The charge against Short—cruelty and mistreatment—was the most serious. The other five noncommissioned officers were charged only with simple assault.

Others Involved. The other four involved in the incident were identified as Sgt. Billy Fowler, Clinton, Tenn.; James E. Ramoza, Seneca, S. C.; and Spec. J. C. James E. Harding of Murfreesboro, Tenn., and Claude E. Owens. The Ft. Carson public relations officer said the ages of the six men and the home towns of Short, Parker and Owens were not immediately available.

Damage Hearing Denied by Court. WASHINGTON, April 22 (AP)—The supreme court today denied a hearing on a writ of habeas corpus for a man who sought damages from RKO Radio pictures after he was fired for being a communist.

Today's brief order let stand as final a decision against Scott by the ninth U. S. circuit court of appeals last Jan. 10.

Scott, who was one of the "Hollywood 10," is summoned before the house committee on un-American activities in 1947. The group was investigating communism in the film industry at the time.

Cancer Classified Deficiency Disease by Scientific Theory

NEW YORK, April 22.—Because the formulation of a sound theory capable of explaining the cause of cancer is the theory proposed by Dr. L. A. Erbe and B. J. Miller of the University of Oregon Medical School, Portland, Ore., is the theory that cancer is a deficiency disease.

Interest is sharpened by the fact that this theory was formulated by the same time when Dr. L. A. Erbe and B. J. Miller of the University of Oregon Medical School, Portland, Ore., is the theory that cancer is a deficiency disease.

Both Dr. Miller and Osgood then theorized that the deficiency was in whatever substance caused new body cells to mature and take up their place in the body chemistry. Such substances except in one instance are not known to exist; the theorists proposed that they do.

Both Dr. Miller and Osgood took pernicious anemia as a theoretical basis. There was a time when it was considered a form of cancer, since it was marked by uncontrolled multiplication of immature red blood cells, and as a disease it was uniformly fatal.

Then it was discovered it was a deficiency disease.

Senator Byrd Argues He'll Slash Budget

WASHINGTON, April 22.—Sen. Harry F. Byrd today stood by his determination to try to slash President Eisenhower's fiscal 1958 budget. He said Eisenhower's recently proposed budget reductions were "totally inconsistent with the Virginia Democrat is a leader of the Senate Economy-Block group, which is fighting to cut the 1958 budget by \$1.5 billion, starting July 1.

Byrd said his figures show the government, through the 70 billion dollars available for the fiscal year from money appropriated by Congress in recent years. Added to these figures, he said, the amount available would total about 140 billion dollars.

The President, sensitive to the high economy fever gripping a running this year, suggested in a speech last week that \$143,000,000 be shaved from his requests for new spending authority.

Eisenhower said, however, that less than half his proposed cuts in spending authority "actually would show up in reduced federal spending next fiscal year."

Byrd, interviewed by telephone yesterday at his home in Berryville, Va., said he was sticking to his recommendation to cut \$1.5 billion out of the administration's appropriations request.

He said he believed this would not be a five billion dollar reduction in federal spending next fiscal year. "The senator, however, said that he has long tried to persuade Congress to do this."

Byrd said Congress "has lost control of the budget completely" and that he proposed "actually would show up in reduced federal spending next fiscal year."

Byrd said Congress "has lost control of the budget completely" and that he proposed "actually would show up in reduced federal spending next fiscal year."

LDS Apostle Is Speaker at Church Meet

SHOSHONE, April 22—“Whatever comes to my hand today I’ll do to the best of my ability,” was the motto urged by Harold B. Lee, Salt Lake City, an LDS apostle, at a special session of the Blaine stake quarterly conference here Saturday night.

“Knowledge alone is not enough,” Elder Lee said. “There must be the will and power to act upon that knowledge before it can serve man.”

President Ward B. Rawson, Shoshone, conducted the meeting.

Kenneth Cook, Carey, was chorister. Singing in a trio were Curt Tyrah, Walter Peck and Dale Cameron, Carey.

Prayers were offered by Curtis Parker, Richfield, and Loren Price, Richfield.

A dance was held in the church recreation hall following the services with the stake MIA officers in charge of arrangements.

Awards in GOC Work Presented

WENDELL, April 22—M/Est. Howard B. Lehman, Idaho spoke at the ground observer camp meeting Thursday evening at the civic club rooms. He presented awards and certificates to the GOC executives and workers.

One hundred-hour merit pins, 25-hour wings and certificates were presented to Bill Bunn, chief observer; Mrs. Bunn and Mrs. Floyd Commons, assistant chief observers; and Mrs. Quincy Gates, area supervisor.

Other workers receiving 25-hour wings and certificates were Mrs. Jessie Benson, Barry Brown, Jay Chandler, David Christensen, Bill Cooper, Jack Cox, Jerry Gates, Bill Latta, Eva Jo Maxwell, Verne Miles, David Rodriguez and Kenny Von Weller.

Initiative pins were made for a trip to Boise to tour the field center and Gowan field soon after school closes.

Rites Conducted

SHOSHONE, April 22—Good Friday interdenominational worship services were held at noon Friday at the First Baptist church.

The Rev. G. C. Roberts, Jerome, president of the Jerome Ministerial association, spoke. Music was provided by the Baptist church and the Rev. F. L. Garrison, pastor of the Assembly of God church, led the services.

FIRST VISITOR

TAMPA-LAUREN, Bal, April 22—Indonesian government officials said today President Sukarno hopes President Eisenhower will be the first visitor to use a \$300,000 Oriental guest house being built in exotic Bali. Sukarno sent an invitation to the U. S. President through Ambassador John Allison two weeks ago.

Avalanche Roars Down Mountainside

A man-made avalanche cascade down a mountainside near Berthoud Pass, Colorado; seconds before it engulfed John Hermann, Salt Lake City cameraman, and took his life along with that of a highway worker. Hermann was photographing the avalanche for an independent Hollywood producer, N. Paul Kenworthy, and apparently was oblivious to the danger. (AP wirephoto)

Buhl Children Hunt Eggs for Season Event

BUHL, April 22—About 500 children participated in the annual Easter egg hunt Saturday morning in Buhl, Kent Olet, Jayce chairman of the event, reports.

The hunt is sponsored by the Chamber of Commerce and directed by the Jaycees. Olet said it took the children less than four minutes to gather the 1500 eggs hidden by Jaycees and the Buhl Explorer Scouts.

Pre-school children hunted for eggs at the P. H. Buhl school while older children up to the sixth grade had their hunt at the city park. Eggs were marked with merchant names and each egg was worth a dime. Olet said he kept eight dozen eggs back to pass out to children who hadn't found any.

The eggs were hidden at 6:30 a.m. Saturday. Boy Scout Troop No. 3 patrolled the area until Police Chief T. M. Kendrick blew the whistle for the hunt to begin. Assisting Olet with the hunt were Chester Parker, Gene Hopkins, Larry Olet and John Crawford.

SERVICES HELD

SHOSHONE, April 22—Good Friday prayer meditation services were held at the Episcopal church with The Rev. Kenneth Whitney officiating. The choir sang under direction of Mrs. J. Howard Manning. Mrs. Charles Hansen was accompanist.

Mrs. Rasmussen Taken by Death

SPRINGDALE, April 22—Mrs. Mildred Steiner Rasmussen, 56, died Saturday at the Magic Valley Invalid home following a long illness.

Mrs. Rasmussen was born Dec. 29, 1900, in Mexico. She was married to Tavel Rasmussen Dec. 12, 1921, in Burley. Later the marriage was solemnized in the Idaho Falls LDS temple. She was active in the LDS primary and the Relief society.

Surviving are her husband, two sons, Tavel Rasmussen, Jr., and Arvel Rasmussen, both Burley area; one daughter, Maida Rasmussen, also Burley area, nine grandchildren; her mother, Mrs. Luella Steiner, Orem, Utah; two sisters, Mrs. Clara Rowley, Orem, and Mrs. Harmin Schober, Murray, Utah; and five brothers, Ernest Steiner, Sloan, Nev.; Grandin Steiner, Burley; Alton Steiner, American Fork, Utah; Darrell Steiner, Woodland Hills, Calif.; and Arles Steiner, Kayaville, Utah.

Funeral services will be held at 1 p.m. Wednesday at the Unity ward LDS chapel with Bishop George D. Johnson, Springdale, officiating. Concluding rites will be held at Orem Memorial gardens, Burley, under the direction of the McCulloch funeral home.

Drive Is Held By Grangers

BUHL, April 22—Mrs. Charles Bremmers, home economic chairman for Fairview Grange, announced at the Grange meeting Friday evening that \$119 had been collected in the cancer drive.

Mrs. Bremmers also urged adults to take polio shots.

The program, directed by Mrs. R. C. Atkins, lecturer, featured an Easter parade. Participating in the style show were Sandra Voss, Margie Noh, Susan Skeem, Margie Atkins, Donna Jean and Linda Calhoun, Mrs. George Atkins, Mrs. Chester

Daimler-Benz CURTIS-WRIGHT Studebaker-Packard

These three companies employing 107,000 people, with sales in 1956 totaling one billion, two hundred sixty-six million dollars, announce the signing of agreements providing for a fully-integrated program of engineering, production, sales and service of automotive vehicles; automotive, marine and industrial gasoline and diesel engines; and diesel and gasoline fuel injection systems. All of these companies have been associated for years with quality, precision manufacture and high-performance products.

Pursuant to these agreements Daimler-Benz and Curtis-Wright have formed an American company—Curtis-Wright and Mercedes-Benz, Inc.—to provide for the development and sale of Daimler-Benz products in the United States, Canada, Mexico and Cuba.

Studebaker-Packard Corporation in signing the agreements will now make available to its dealers a full line of domestic and imported sports cars, convertibles, sedans and station wagons—ranging in price from under \$2,000 up to \$13,000—gasoline and diesel powered trucks and all-wheel drive utility vehicles.

Mercedes-Benz cars and distinctive Mercedes-Benz features—such as fine coachwork, swing axles and transmissions—will be exclusive to Studebaker-Packard.

The U.S.-Benz Division of Curtis-Wright Corporation, now building diesel engines for the U. S. Navy, will import and manufacture Mercedes-Benz diesel engines and diesel and gasoline engine fuel injection systems under the agreements. The engines will range from a 4-cylinder model of 25 h.p. to a supercharged 8-cylinder model of 600 h.p.

Further agreements are being negotiated between Daimler-Benz and Curtis-Wright Corporation for the interchange of rights for the manufacture of aircraft products.

Carl F. Oyer, President, Daimler-Benz of North America, Inc.
Roy T. Hurrell, Chairman and President, Curtis-Wright Corporation
H. E. Churchhill, President, Studebaker-Packard Corporation
