

Power Policy Is Rapped by Dakota Solon

WASHINGTON, Aug. 12 (AP)—Sen. Frank Case, R., S. D., said today he will be interested to see what the federal government's policy is on power from Missouri river dams.

Case commented in a statement following announcement by the bureau of reclamation that it is ready to contract the additional power for "preference" customers in North Dakota, South Dakota, Montana, Minnesota, Iowa and Nebraska.

"The waters rise, the rain falls and the dams are located only in the three states named," Case's statement said. "It's a strange rule that forces the bureau of reclamation to take the power from those states and ship it to publicly-served utilities in other states while there is a shortage of power and higher rates closer to the dams."

Case said, "Some folks in my state got quite worked up because the army engineers were re-creating some water for use downstream without converting it into power."

No Difference

"Personally, I see no difference between sending water out of the state before it is made into power or sending it out in the form of power," he said.

Case said in asking that power from Big Bend dam be reserved for use in North Dakota, "It was simply doing what Montana did at Hungry Horse dam, what Oklahoma did on a dam located near her state lines, what New York asks at Niagara and what Oregon is now proposing for power produced in that state."

Prison Rules Are Relaxed

HAVANA, Aug. 13 (AP)—The new warden at Isle of Pines, the "Alcazar" of Cuba's political prisons, has revised regulations to permit inmates wives to visit them privately once a week, it was reported today.

Col. Tomas Sogo was said also to have authorized prisoners to keep radio sets in their cells.

Sogo was appointed warden of the "maximum security" prison over the very-end in place of Col. Manuel Gayde Carrillo, whose severity had been bitterly protested by sons of President Fulgencio Batista.

The inmates of Isle of Pines are army officers found guilty of plotting against the government, hard-core rebels, and prisoners classed as dangerous agitators and terrorists.

Quake Donations Being Sent Back

MEXICO CITY, Aug. 13 (AP)—The interior department says it is returning donations sent by persons to help victims of last month's earthquake.

In a statement yesterday, the department said the donations were being returned with a note of thanks and the explanation that the government is handling all urgent problems resulting from the quake.

Promotion of Reservists in Area Is Cited

Promotions of several members of the 9430th air force reserve squadron, released from group headquarters in Boise, were announced at a special meeting of the local Twin Falls air force reserve center Sunday evening.

Promoted were Earl K. Rayborn, lieutenant colonel, Arnold W. Coleman, major, George E. Haney, Jr., captain, and Norman E. Olsen, first lieutenant, all Twin Falls; Dean H. Blair, Buhl, captain, Truman P. Bradley, captain, Edward W. Morgan, captain, Perry C. Stephenson, captain, and Tad B. Wolf, captain, all Burley, and Charles B. Handwright, major, Frank G. Beila, first lieutenant, and William E. Quinn, captain, all Elko, Nev.

Recent 50th anniversary celebration activities were reviewed and formal letters of appreciation were approved, with special attention to the many local people and organizations cooperating.

The local air force reserve received credit for one of the largest and most successful air force activities held in the region. Squadron commander, Major K. Baisch stated that the response to displays including the air show held at the local airport exceeded the highest expectations.

A unit similar to this one is scheduled for a test firing this year at the air force missile center in Florida. The pint-sized satellite, containing radio transmitters, will be placed in the nose of a rocket for launching. The operation is part of International Geophysical year. (NEA telephoto)

Plot Denied

DAMASCUS, Syria, Aug. 13 (AP)—Syria accused the United States today of plotting to overthrow President Shukri Kuwattli's government.

The United States embassy here quickly labeled the charge a "complete fabrication."

T. F. Man Fined In Gooding Court

GOODING, Aug. 13—Frank Routh, 23, Twin Falls, Monday appeared before Probate Judge James P. Gossett and was fined \$50 and costs for permitting an unauthorized person to drive his automobile which was involved in an accident July 21 six miles south of Gooding on highway 46.

Routh was cited by Deputy Sheriff Bill Bunn for allowing a teen-age girl without a license or learner's permit to drive his 1951 Ford. The girl lost control of the car which ran off the road, hit a rock and was demolished.

Routh received a broken arm in the accident and the driver had a minor head injury.

Young Driver Of Motorboat Dies of Injury

NYSSA, Ore., Aug. 17 (AP)—A south-west Idaho motorboat driver died of a broken neck last night when he struck a guy wire stretched across the Snake river near here.

State police said Darrell Butcher, 17, Parma, was steering a boat along a water skier when the accident occurred. Butcher died immediately.

His passenger, 15-year-old Bruce Delavan of Nyssa, Ore., was taken to Malheur County hospital with chest injuries. The water skier, John Smith, was not injured.

Butcher was apparently looking back over his shoulder when struck in the neck by the half-inch wide wire, police reported. Officers said the guy wire was used to secure one of several barges being used in the construction of a new bridge across the Snake from Nyssa to the Idaho shore.

The accident occurred near dusk. The victim was the son of Mr. and Mrs. Clayton Butcher of Parma.

Defense Line To Get First Official Test

POINT BARROW, Alaska, Aug. 13—America's great Arctic venture, the half-billion-dollar DEW line gets its first official test today when a friendly aircraft skims through its radar signals to send a warning to the air defense command at Colorado Springs, Colo.

The DEW line for distant early warning has been completed right on schedule in 32 months as a 20th century defense bulwark not unlike China's great wall, but with electronic gimmicks.

Dedication

Here on the edge-of-the-Arctic ocean, Maj. Gen. Stanley T. Wray, military boss of the DEW line, is scheduled to fly his staff plane, the "Dewdick," through one section of the 3,000-mile-long line of radar stations, setting off the official dedication test alarm.

General Wray is to accept the warning system, constructed under a Canadian-United States agreement, from the builders of Western Electric and then turn its actual operation over to the Federal Electric company.

Long Line

Dewliners will dedicate the warning system they hope will never be used on any other but a friendly aircraft. It begins in western Alaska along the upper rim of the North American continent, then extends through Canada to Baffin Island and entirely above the Arctic circle.

Military spokesmen said the strange rubber radar domes that stick like farm silos into the cold northern sky cannot be compared to anything like the Maginot line because they cannot repulse the enemy in a physical sense, although an elaborate and almost unbelievable electronic system can detect and warn of the approach of high speed enemy aircraft or guided missiles.

Yale university has courses in Thai, Indonesian and Southeast Asian languages.

Flu Epidemic Seen Possible In September

WASHINGTON, Aug. 13 (AP)—Public health officials think it is increasingly probable that this country will have an epidemic of Asiatic influenza.

On the wall of Dr. William H. Stewart's office is a big map of the United States. It is already liberally stippled with red dots which indicate localized outbreaks in 13 states from Rhode Island to California.

Prepares for Epidemic

Dr. Stewart is assistant to the surgeon general. U. S. public health service. His main job these days is preparing for the expected epidemic. His map depicts with long red arrows how the disease has been "spread" all over the country—by Boy Scouts returning from their annual jamboree at Valley Forge, Pa.; by college girls who attended a national conference at Grinnell, Ia.; by participants in a youth meeting at Santa Calif.; by sailors from ships which came from the Far East to San Diego, Calif., Newport, R. I., and Norfolk, Va., and by many individual travelers.

The big question is when these localized outbreaks—still rather widely scattered—will flare into an epidemic.

Historically, most flu epidemics in this country flare up in late October or November. But the deadly one of 1918, began in Boston at the end of August and swept across the nation like a great tidal wave within four weeks.

Guess Made
The best guess of public health experts at the moment is that the national epidemic is not likely to start before Sept. 15. After that, the probability will grow greater with each passing day.

Drug manufacturers are working hard around the clock to produce a new vaccine which is expected to give about 70 per cent protection against Asiatic flu. But at best, only about five million shots will be pouring into civilian medical channels at a rate of about five million doses a week.

It takes 10 to 14 days for the vaccine to take effect. So it is obvious that an early epidemic would find comparatively few civilians inoculated.

Priorities Seen
Although no formal system of rationing or priorities is planned, the public health service is urging that doctors, nurses and hospital workers get their shots at the first opportunity. It is imperative that they stay on their feet during an epidemic, to take care of the minority of patients who will develop serious complications.

Other groups who perform essential community services—such as firemen, police, transportation workers—also are being asked to get vaccinated early.

Remember that you aren't likely to die of Asiatic flu. The death rate was only two per 1,000 cases in Asia, where medical facilities are notoriously inadequate. So far in this country it has been much lower—three deaths recorded among about 20,000 cases.

The public health service hopes that the public will understand that getting vaccinated against flu is not a life-or-death matter which should set off a panic scramble for scarce shots. But it is the prudent and patriotic thing to do when supplies of vaccine are available through your doctor.

Brotherhood Asks To Join AFL-CIO

CHICAGO, Aug. 13 (AP)—The Brotherhood of Railway Trainmen yesterday formally applied for membership in the AFL-CIO.

The largest of the railway brotherhoods asked for membership after a referendum of its 210,000 members voted for affiliation by a better than four to one vote.

The AFL-CIO executive council which is now meeting in Chicago has the authority to admit the brotherhood to the federation.

Hard Rainstorms Battering Europe

LONDON, Aug. 13 (AP)—More heavy rain fell on Britain today in the wake of a wild night of storms. The overnight downpour flooded railways, roads and cellars and caused motorists to wade to safety from abandoned cars.

On the continent, Norwegians were counting the cost of flood damage in Oslo, which yesterday had the heaviest rainfall—7½ inches—ever recorded in a single day.

Food Prices Vary Widely Throughout Nation--Often Without Apparent Cause

CHICAGO, Aug. 13 (AP)—The high cost of eating varies in different cities and regions, a survey showed today.

Vacation travelers frequently are surprised and puzzled by price differences on certain foods.

A United Press survey of retail grocery prices in 16 major cities indicates good reason for some of the puzzlement that often exists.

Jordan, Formosa Begin Relations

TAIPEI, Formosa, Aug. 13 (AP)—Nationalist China and Jordan have agreed to establish diplomatic relations, it was announced today.

The agreement was nationalist China's second with a Middle Eastern country within two weeks in its drive to strengthen ties with non-communist countries. The nationalists, recently made a similar pact with Saudi Arabia.

Water Is Costly

NEW DELHI, India, Aug. 13 (AP)—Water is selling for two annas (about two cents) a glass in Flatpur Sikiri near the city of Agra in northcentral India, it was reported today. The area has had a heat wave for the past few weeks.

ing on local taxes and transportation showed a 15-cent-a-pound spread.

In Boston and New York, ports of entry for much of the nation's coffee, the price was \$1.05 a pound last week.

In Minneapolis the same kind of coffee sold for about 90 cents a pound.

Another import item, sugar, showed less than two cents a pound difference throughout the nation.

The bureau of labor statistics, federal watchdog of food prices, warns that place-to-place comparisons of food prices must take into account the different food habits in one area and another.

The bureau publishes a monthly survey of some 80 items in 46 cities.

The distance from the point of production is important in some items, not in others.

Minneapolis residents, near the heart of America's dairy belt, were paying only 17 cents for a quart of milk. In Atlanta, away from the large dairy herds, the same type of milk cost 27 cents.

Elementary

MELBOURNE, Australia, Aug. 13 (AP)—Burglars who rifled a print shop here apparently were trying to get at the root of the matter. They stole 10,000 copies of a booklet to be distributed to local police.

The booklet described the best methods to thwart crime.

In Baltimore apples sold for slightly more than 20 cents a pound. In New York City a short distance away the same grade cost 26.7 cents.

In some staple items such as bread the price picture was a crazy quilt of confusion. In Kansas City a one-pound loaf cost about 15 cents. In Chicago the average was about 21 cents, in New York and Boston 17 cents, Cleveland 23 cents and Denver and Dallas 25 cents.

"Some items are affected by the fact that it costs more to ship in one direction than another," an agriculture spokesman said.

He said railroad rates favor west to east and south to north shipment.

Food retailers suggested local taxes, the strength and demands of local unions and processing costs as factors where large price differences appeared.

"In the end the retailer sets the price," said one national food association representative.

"He knows what the people in his area are willing to pay for a given item and he sets his price accordingly."

"Middlemen have carried the blame too long. You must remember they take their cue from the grocer. If they set their prices too high sales stop and so does their income."

Members of the industry checked on the subject agreed that the end of the economic chain reaction which has edged food prices up more than 15 per cent in the past seven years was not in sight.

The federal survey showed only beef, eggs and dressed poultry selling at lower prices than June, 1950.

Morros Tells Of Career as 'Double Spy'

NEW YORK, Aug. 13 (AP)—Hollywood movie producer Boris Morros yesterday related the bizarre story of his 12 years as an American counter-espionage.

For the first time the 62-year-old, Russian-born Morros told how he gained the trust of the Soviet secret police as a spy while taking orders from the FBI from 1945 until early this year, when he became suspect by the Russians. Morros said he acted as a counter espionage agent for the United States.

Talks to Press

Morros, who composed "The Parade of the Wooden Soldiers," disclosed the details of his double-life at a press conference. Speaking with a heavy Russian accent, Morros spoke proudly of his association with the FBI and of his counter-espionage activities. On several occasions, a government attorney had to restrain him from telling too much.

The identification of Morros as an FBI counter-spy first was disclosed with the arrests of Jack and Myra Sobel and Jacob Albani as Soviet spies. His testimony resulted in their indictment and also the indictment of an American couple now living in Paris.

Acting Job

Of his Russian associates, he said: "I hated everything they stood for, and when I had to express myself to high-Russian officials and to American spies employed by them in terms supportive their vicious ideology I really had to do a more realistic acting job than any of the players I had ever directed in Hollywood."

Miss Thieme and F. C. Gammel, jr. Vows Exchanged

FILER, Aug. 13—The Immanuel Lutheran church in Twin Falls was the scene of a candlelight service uniting in marriage Ardele Delores Thieme and Floyd Clark Gammel, Jr., Eden. The bride is the daughter of Mr. and Mrs. Herbert Thieme, Filer, and the bridegroom the son of Mr. and Mrs. Floyd C. Gammel, Eden.

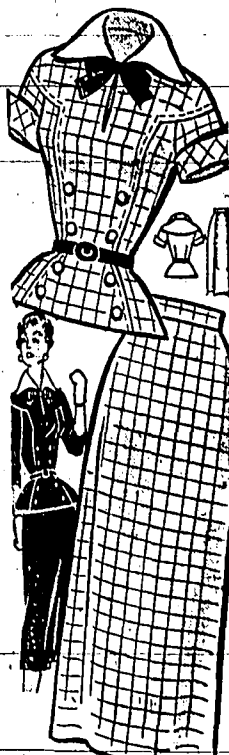

The Rev. Armand E. Mueller performed the double ring ceremony before the altar flanked by candelabra and baskets of white gladioli. The pew ends were marked with white satin bows.

Ruth Heller sang, "Oh Perfect Love" and "The Lord's Prayer." She was accompanied by Betty Lou Heller who also played the wedding marches.

Given in marriage by her father, the bride wore a floor-length gown of lace and net over satin. The fitted bodice was fashioned with a high neckline of scalloped lace with an illusion yolk, lily-point sleeves and buttoned down the back with satin covered buttons. The full net skirt featured front and back panels and a ruffled skirt over satin.

Her fingertip veil was held in place by a tulle of opalescent sequins and seed pearls. She wore a three-strand pearl necklace, a gift

Miss Lemmon Is Bride of Inman In Church Rites

RICHFIELD, Aug. 13—Carol Angela Lemmon, daughter of Mr. and Mrs. Clarence Lemmon, and George Inman, Jr., son of Mr. and Mrs. George Inman, sr., Terre Haute, Ind., were married at 3:30 p. m. Sunday at the Richfield Community Methodist church.

The Rev. Lynfield Crowder, Kuna, cousin of the bride, performed the double ring ceremony before a candlelighted background of red and white gladioli.

Mrs. C. M. Pridmore was prelude pianist. Mrs. L. T. Sanders was accompanist for Mrs. Melvin Pope, who sang, "Indian Love Call" and "The Lord's Prayer." Mrs. Thomas Cromwell, sister of the bride, played the wedding marches.

The bride chose a wedding gown of white brocade, styled with a full skirt with rows of bowties marking the back, and a bolero jacket with bracelet sleeves. Her fingertip veil was held by a ruffled net tulle. She carried a white net fan with pink and white carnations.

Julia Lemmon, sister of the bride, was maid of honor. Judy Alexander was bridesmaid. Miss Lemmon wore a gown of pink dotted swiss, with Miss Alexander in a matching gown of aqua dotted swiss. Their flower trimmed headpieces matched their gowns and they carried carnation and sweetpeas on white net fans.

Barbara Inman, sister of the bridegroom, was flower girl. Her gown and headpiece were made of pink nylon. Norland Pope was ring-bearer. Darrell Pelley and Melvin Pelley were candlelighters.

George Inman, sr., acted as best man for his son. Oscar Leonard, Los Angeles, and Thomas Cromwell, brothers-in-law of the bride, were ushers.

Mrs. Lemmon chose a pink linen afternoon dress with white accessories for her daughter's wedding. Her corsage was of lavender gladioli. The bridegroom's mother wore a printed blue and white gown with white accessories. Mrs. Gertrude Vanlandingham, grandmother of the bridegroom, Terre Haute, wore a blue gown with white accessories. Their corsages were of pink carnations. Mrs. R. J. Lemmon, grandmother of the bride, wore yellow nylon with a corsage of sweetpeas.

A reception in the church recreation rooms followed the ceremony. The five-tiered wedding cake was topped by nuptial figurines and surrounded by sweetpeas. Mrs. Joe Magill, aunt of the bride, Alameda, Calif., served the cake. Mrs. R. J. Lemmon and Mrs. Alan Erwin, Wendell, served the punch, and Mrs. Vanlandingham presided at the coffee service.

Mrs. Jake DeGlee, Castletford; Mrs. John Base, Mrs. Eugene Alexander, were receptionists. Mrs. Victor Cernacusa, Mrs. Forest Armstrong, Jeanette DeGlee and Genevieve Armstrong were in charge of the gift tables. Rita Base kept the guest book.

will be at home at 3648 Wyandotte avenue, Kansas City, Mo. For traveling the bride chose a costume of pink figured linen with white accessories.

The former Carol Lemmon is a graduate of Richfield high school and attended an airlines training school in Kansas City. Inman was graduated from the Gerahmer high school at Terre Haute, and attended Indiana State college.

Other relatives coming here for the wedding included Mr. and Mrs. Robert Foster, Idaho Falls; Mrs. Charles Crowder and daughter, American Falls; Mrs. Callie Crowder and daughter, Pocatello; Mrs. Ada McGill, Boise; Mrs. Ruby Keele, Grouse, Ida., and friends from nearby towns.

Miss Peterson Is Bride of Hoskins In T. F. Services

WENDELL, Aug. 13—Reva Mae Peterson, Twin Falls, daughter of Mrs. Ruby J. Peterson and the late Carl G. Peterson, Wendell, became the bride of Carl T. Hoskins, son of Mrs. Rose Hoskins, Twin Falls, in rites Aug. 2 at the home of Lyman Schenk, Twin Falls.

Schenk, president of the Twin Falls stake of the LDS church, performed the ceremony.

The bride wore a street length gown of white brocade satin with a corsage of deep pink roses. Louise Peterson was bridesmaid for her sister. She wore a dress of hunters green with a pink carnation corsage.

Dale Hoskins, Idaho Falls, brother of the bridegroom, served as best man.

For her daughter's wedding, Mrs. Peterson chose a dress of ice blue with a white carnation corsage. The mother of the bridegroom wore a dress of white with a white carnation corsage.

The bride was graduated from the Wendell high school and Hoskins was graduated from the Valley high school.

They will make their home in Twin Falls where the bridegroom is employed.

Twin Falls Bride Betsy I. Becker Marries Read in Pocatello Rites

MRS. CARL T. HOSKINS (Staff engraving)

Betsy I. Becker was married to Fred W. Read in services Sunday afternoon at the First Baptist church in Pocatello. The double ring ceremony was performed by the Rev. George Thomas.

They were attended by Mr. and Mrs. William Read, Pocatello, son and daughter-in-law of the bridegroom. George A. Becker, son of the bride, and Mr. and Mrs. Timothy O'Brien also witnessed the ceremony.

The new Mrs. Read has been manager of the Twin Falls Western Union telegraph office for the past five years and will continue in that capacity. Read is a well known local contractor.

Good Attendance Noted for Picnic

The annual Magic Valley Newseas potluck picnic was attended by approximately 150 persons Sunday afternoon at the Twin Falls city park.

Mrs. Paul Crumbliss was elected president for the coming year. Charles Kernin, Kimberly, was president; Mrs. W. R. Sanner Bull, secretary-treasurer, and Mr. and Mrs. Pete Tesar, Buhl, entertainment committee.

Care of Your Children

By ANGELO PATRI

"Marie, where is Claire? She ought to be home by now. Where did she go?" "I really couldn't say, dear. She went some place with Eleanor. Some dance or other in late afternoon at the club house. Why?" "Why? Because I think we ought to know where she is and with whom. We can't just let her run loose at her age. Sixteen isn't a ripe old age. Didn't she say when she would be home?" "No, I didn't make a point of it. You have to trust children you know. You just can't pin them down to a minute."

Now that is all very good in theory but it does leave a wide margin for practically everyday facts of life. Children and adolescents of 16 are still children in many respects, ignorant of many of life's pitfalls and they need protection from that ignorance. One ought to know where they are and with whom and there ought to be a fixed time for coming home as well as for leaving home. Trust is a flexible idea. It can be stretched out of its endurance as well as limited to nothingness.

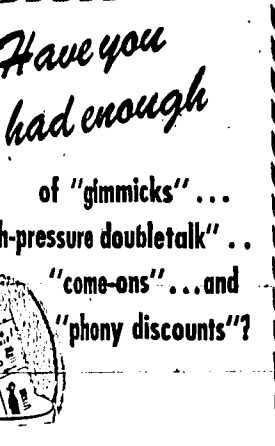

It is right to rear a child to understand that he is trusted to do what is right on his own power but it is a mistake to burden him with a responsibility beyond his strength. Strength, physical and spiritual, is born of exercise suited to the stage of growth and development of the child and always with an eye to his understanding of the situation.

A small boy can be taught to leave a chocolate cake alone and be "trusted." A small girl can be taught to go to the store to buy groceries and bring back the correct change and so be "trusted." These activities and trusts are within the child's understanding and within his ability to carry. But adolescent boys and girls must be taught, trained and experienced in social situations and carefully supervised before they can be "trusted" with safety to themselves.

Parents are hard-working people, no doubt about it, and when the day comes toward its close they are weary. Going to a dance to bring a girl home does seem like an additional chore, an unreasonable one until a bit of thinking about the situation is done. Then it is realized that the time is not yet ripe for

Cowboys Dropped to Third Place in League as Great Falls Takes 4-2 Victory

GREAT FALLS, Mont., Aug. 13 (AP)—Glen Plaster doubled and scored on a single in the fifth Monday night and the Great Falls Dodgers coasted from there to a 4-2 Pioneer league triumph over the Magic Valley Cowboys. The loss dropped the Cowboys one and a half games behind league leading Billings, which scored an 8-2 win over Pocatello. They chalked up two runs in the second as Ed Palmquist

Giants Series Almost Kills Dodger Hopes

NEW YORK, Aug. 13 (AP)—The Dodgers having discovered the Giants are still in the league, Brooklyn fans were beginning to wonder if their team still was in the National League pennant race after the Bums dropped three games to the New Yorkers last week. There was considerable apprehension over the river particularly as the three defeats dropped the champions five games behind the ambitious Milwaukee Braves.

Umpire Hurt In Collision At Pocatello

BILLINGS, Mont., Aug. 13 (AP)—A 37-year-old Pioneer league baseball umpire, knocked down in a home-plate collision with a ballplayer last night, was hospitalized Monday with a serious knee injury. A physician said George Sosnak, Pittsburgh, Pa., will be out of action for six to eight weeks and "probably eight."

Sosnak was on the base path near home plate in the eighth inning of the Billings Mustangs-Pocatello Athletics game when a collision with Pocatello third baseman Joe Al dropped him to the dirt. The umpire was down for several minutes but got up and continued umpiring the remainder of the game.

The doctor described the injury as a tear of the ligaments and cartilage in the left knee. He said he would perform surgery today for repair of the injured ligaments. The physician expressed surprise that Sosnak was able to finish umpiring the game.

"I don't know how he did actually," the doctor said. "He has been in a lot more pain than he's let on." The physician indicated that although Sosnak is through umpiring for this season that he will be able to resume his duties next year. "He's a pretty tough guy," the doctor said.

Maury Enright, business manager for the Billings Mustangs, said this was the first serious accident involving an umpire that he could recall in the history of the class C league park.

"I've never known of one really bad one happening before," Enright said.

Homerun Gives Missoula 4-3 Win Over Bees

SALT LAKE CITY, Aug. 13 (AP)—Bennie Siquel's solo homer in the 10th inning brought the Missoula Timberjacks a 4-3 Pioneer league triumph over the Salt Lake Bees here Monday.

The Jacks started the eighth inning to start their scoring when Jim Russell blasted another solo homer. Missoula led the contest in the ninth when Wayne Tucker clouted a two-run homer.

Salt Lake tallied two in the second when Fred Hopke tripled. Gene Klinger walked and Don Jacquin singled to score Hopke. John Wisniewski forced Klinger at third but Manager Cliff Dapper singled home Jacquin.

The Bees last tally came in the seventh when Fern Carson walked and was bunted to second. Bob Hunt poked a double along the first base line to score Carson.

FITCHER HURT CLEVELAND, O., Aug. 13 (AP)—Fitcher Cal McLain of the Cleveland Indians will be sidelined at least 10 days with a concussion and severe lacerations received during infield practice before a game with Kansas City yesterday.

Lions Coach Resigns in Sudden Move

DETROIT, Aug. 13 (AP)—Raymond (Buddy) Parker resigned Monday night as coach of the professional football Detroit Lions in a sudden announcement that caught Lions' fans by surprise.

Parker, playing his seventh season as head coach made the startling announcement at the eighth annual Detroit Lions banquet at a downtown Detroit hotel. He said, "When I get to a situation where you can't handle football players, it's time to get out and that's what I'm going to do. I'm through with football in Detroit."

Club President Edwin J. Anderson of General Manager W. N. Kervy immediately went into a room with Parker in an effort to talk him out of his dramatic decision. Anderson returned to the speaker's podium a moment later and told more than 500 fans that Parker had emotionally upset about several "things that happened today."

"I can't handle this team," Parker explained after his dramatic announcement. "It's the worst team I've ever seen in training camp."

mean material-wise. We've got good boys but there has been no discipline. No go... it's a completely bad team."

Parker refused to pin the blame on any individual. He made it clear that he was talking about the team as a whole.

Racer Killed

HAGERSTOWN, Md., Aug. 13 (AP)—A midge race rained another life as a driver was killed and the driver Sunday at nearby Monocacy speedway.

Ronald J. Polk, 21, Philadelphia, died on arrival at Washington county hospital of a fractured skull.

call him—if the team can just win a championship before he quits. "I figure I have a couple more years of top-notch competition," he says. "If we don't make it by then, I expect to retire."

By "make it," Hugh was referring to a championship. As far as money goes, he already "made it."

The recent congressional hearing revealed that the Forty Niners had the highest paid man in professional football on their pay-roll. The top price was \$20,000. Observers close to the team lean toward McElhenny at this figure rather than quarterback Y. A. Tittle, the only other possibility.

In five campaigns in the national league, Hurlin's Hugh has averaged 4.4 yards per carry. He has gained 2,945 yards. Those statistics aren't what make Mac the highest paid player in the game. It is his God-given ability to be so elusive in the open field that he can electrify a crowd of 60,000. Not since the days of Red Grange has there been such a swivel-headed man in the open.

Coach Frank Albert, in his second year at the helm of the Forty Niners, banking heavily on McElhenny to make the San Francisco

Boxing Champ Shifts Camp To West Coast

SEATTLE, Aug. 13 (AP)—World's heavyweight champion Floyd Patterson switched his workout arena from baggage car to tennis court Monday in preparation for his Aug. 22 go against the world's amateur titlist Pete Rademacher.

Patterson ended his cross country train ride early Monday morning. He was greeted by promoter Jack Hurley and whisked away to the sleepy little valley community of Kent, about 15 miles south of here.

An outdoor ring had been set up on the town's public tennis courts just off the business district and the champ obliged by going four fast rounds against sparring partners Bob Woodall, of Boston and Wilson Hannibal of New York City. Rademacher, who is training for the bout at nearby Issaquah, took the day off for a complete physical going over by three Seattle physicians.

Patterson said he gained a pound or so on the trip. "I eat good on the train," he hoped to go against the bulky Rademacher at about 185 or 186. He said he "loosened up" during the trip in a baggage car.

Patterson will train on the tennis court when the weather's good, and down the street at the junior high school gym when it's not. "Asked if he was taking the coming match seriously, he replied: 'I've got to take Pete seriously. He's a pro. You have to be an excellent fighter to qualify for the Olympics and in my book Rademacher, with all his experience, ranks as a pro.'"

Cuban Takes Win

NEW YORK, Aug. 13 (AP)—Cuban lightweight contender Orlando Zulueta, relied on his stabbing left jab Monday night to score a close but unanimous 10-round decision over scrappy Frankie Ippolito, a New York school teacher, at St. Nicholas arena.

Zulueta weighed 137, Ippolito 140.

ROBINSON HANDLERS PLEASED GREENWOOD LAKE, N. Y., Aug. 13 (AP)—Sugar Ray Robinson's handlers said today they were well pleased with the middleweight champion's showing in his first boxing drill in preparation for next month's title bout against welterweight king Carmen Basilio.

Gerrish to Head Ticket Sale for Bruin Boosters

Twin Falls Bruin Boosters Monday established Aug. 26 for the official kick-off of the group's annual season ticket sale. First vice president Howard Gerrish was named chairman of the event with Ernest C. Craner, second vice president, appointed as his assistant. The drive was slated to coincide with the first scrimmage of the local high school football team.

The tickets, which will cost \$7.50, will entitle the purchaser to attend any of the school athletic functions, which this year include five home football and 10 home basketball games. Gerrish pointed this represents a saving of 50 per cent over general admission prices. V. L. Lefebvre added the cost was below the rate being charged by most schools in the state and other Big Six opponents.

In other business, the group re-organized to a degree, catching up on some unfinished business from last year. This year's officers include Keith Cutler, president, Gerrish, Craner and Dr. George Warner, secretary-treasurer.

The group passed a motion calling for filming four Twin Falls football games and the purchase of a fifth reel from Las Vegas, which the Bruins will play in the forefront of the season. The action was after head football coach Bob Hilliard noted the films were invaluable, especially at the first of the season, in picking out flaws in the Bruins' offense and defense.

In reviewing this year's outlook, Hilliard said this season should begin showing the results of the building program he inaugurated two years ago on accepting the local position. He said the aim this year was a 50-50 season, but smiled "if we can win five, we'll be gunning for 60-40."

He said the return of seven senior veterans along with members of last year's undefeated sophomore team will give the Bruins speed, experience and weight. Hilliard pointed out "this is the first year we'll have a backfield with the speed necessary for winning."

He invited members of the Booster group to visit the new dressing rooms located in the basement of Lincoln Hotel. He added new lighting of Lincoln field, also should improve local games, especially from the spectators' angle.

Jockey Given Suspension for Poor Riding

ATLANTIC CITY, N. J., Aug. 13 (AP)—Jockey Eddie Arcare Monday drew a 10-day suspension on the grounds of "careless riding" in Saturday's \$100,000 Atlantic City Handicap.

Stewards at the Atlantic City race course also disallowed the track record set by Arcare's mount Dedicate, before the horse was disqualified.

Dedicate, the favored entry owned by Mrs. Jan Burke of New York and Miami, finished the mile and three-sixteenths race in 1:54 4-5, three lengths ahead of Royal Beacon II. But stewards said they detected interference at the far turn and disqualified Dedicate.

In addition to suspending Arcare effective Tuesday, the stewards said Monday they feel a "disqualified" horse is not qualified to hold a track record.

The record of 1:57 3-5 set by Turbine in 1946 still stands. For Arcare, it was the third time in less than a month he has been involved in a disqualification in a rich stakes race.

The jockey was at Washington Park in Chicago Monday to ride Alhambra in the \$20,000 added Preakness State stake. His suspension will run from Tuesday through Aug. 23. He can't ride at any track during that period.

Quest Ends

CHICAGO, Aug. 13 (AP)—Jim Hickey, Pocatello, Sunday ended his quest of the "World" amateur golf title by carding a four-round 303 at Tam O'Shanter Country club for fifth place. Don Cherry of Wichita Falls, Tex., won the crown with a 298 total.

Hickey, Idaho amateur king and University of Houston team collier, had rounds of 76, 78, 77 and 73 over the par-72 course. Cherry had a 73 Sunday also.

Russets Score Early to Beat Braves 6-2

BOISE, Aug. 13 (AP)—Bob Scariato gave Idaho Falls a one-run start in the first inning with his solo homer and the Russets were never headed as they defeated the Boise Braves 6-2 in a Pioneer league contest here Monday.

Idaho Falls added two in the second when Al Luce was safe on an error. Jim Gilechrist hit to Bob King who errored, and two walks forced in one tally. The second tally scored on Jack Risch's sacrifice fly.

The Braves scored a singleton in the first when King blasted a solo homer over left field. They added a second score in the seventh on Frosty Kennedy's single and Don Severson's sacrifice fly.

Scariato added another homer in the third frame with one out. The Russets scored one in the sixth on a walk, a wild pitch and Luce's single and added another in the seventh on four straight walks.

Mayer Gives Part Of Purse To Golfer

CHICAGO, Aug. 13 (AP)—Golfers Al Bessellink finished with a 289 in the "world" tournament good for only \$400, but picked up an additional \$5,000 from Dick Mayer's first place prize of \$50,000.

Mayer's wife, Doris, confirmed reports Monday of Mayer's payment to Bessellink.

"It was a pre-tournament agreement," she said. "Bessellink had several deals with other players also. When Bob Tusk won the 'world' championship two years ago, Bessellink collected \$10,000."

It was understood that Bessellink and Mayer had an agreement whereby if either won the championship the winner would pay the other \$5,000.

Open Field Running Rewards McElhenny As Highest Paid Man in Pro Football

MORAGA, Calif., Aug. 13 (AP)—They call him "The King." He is the highest paid player in all of professional football. He is the most feared break-away runner in the game and in the five years he has been in the league, consistently one of the top ground

thrusts. The Hugh McElhenny, 27-year-old former University of Washington star who has thrilled millions with his fancy-stepping performance on the gridiron for the San Francisco Forty Niners in the past few years figures the future is

bright. "I don't see any other possibility," he says. "I'm getting a lot older and it seems to me I'll never be going to win a championship with the talent we have. The muffin-faced star has been called 'Hurryin' Hugh' by the sports writers. But this team-mate called him 'The King' or 'Granny' and the latter after a potato

chip team for which he works in the same reason. Or they combine the names and call him 'Hurryin' Hugh' and 'Granny' too."

But Mac doesn't care what they
