Creed Is Selected As Chief of Area Health Unit Here

Dr. J. Woodson Creed, Twin Falls county coroner and pathologist at Magic Valley Memorial hospital, has been selected acting medical director of the southcentral district health department. Dr. Creed assumes the position Monday, replacing Dr. Cecil R. Reinstein who has accepted the position of director of preventive medicine and state epidemiology for the state of Wyoming. The announcement was made by Emerson Pugmire, chairman of the southcentral district board of health. Dr. Creed had a three-month course in public health at Johns Hopkins university, Baltimore, Md. He has served as a pathologist with Magic Valley Memorial hospital for 10 years. Dr. Creed received his doctor of medicine degree in 1933 from St. Louis university in St. Louis, Mo. He received an AB degree in chemistry from the University of Missouri in 1931. He married the former Noma Milton, DeSoto, Mo., in 1929. The couple has three sons, James 26, Dudley, 22, and Robert, 18. They reside at 184 Tyler street in Twin Falls. Dr. Creed is a member of the American Medical association and the Idaho State Medical association. He came to Twin Falls county in 1936 and set up general medical practice in Filer. He maintained that practice until 1940 when he joined the faculty of the Indiana university medical school at Indianapolis, Ind. In 1942 he was enlisted in the army and was the chief of the laboratory service for Ft. Douglas, Utah, and Ft. Lewis, Wash. He was discharged from the service with the rank of lieutenant colonel. Following his release from the service, Dr. Creed attended Tufts Medical college in Boston.

Hoffa Claims Intention for Clean Union

WASHINGTON, Aug. 23 (AP)—R. Hoffa pronounced himself "clean and disturbed" today by the presence of New York underworld characters in the Teamsters' union and pledged a cleanup if he is elected union president. Hoffa said that "from in-laws around the country" he believed he will be called on to head the giant union at its convention next month. Hoffa's declaration of cleanup intentions was given to the senate subcommittee investigating committee. Hoffa's counsel, Robert P. Kennedy, said Hoffa has been "preparing a contention that the underworld characters got into the union in the first place through the influence of Hoffa in alliance with mobster Johnny Dio. Hoffa moments earlier, Hoffa had been asked Kennedy's question that he has agreed to "look out" for the union.

U.S., Britain Hold Middle East Parley

LONDON, Aug. 23 (U.P.)—Prime Minister Harold MacMillan today called in the senior United States diplomat here for urgent consultations on the Syrian crisis. MacMillan met with U.S. Minister W. Averell Harrington at No. 10 Downing street in the absence of Ambassador John Hay Whitney who is on vacation. Authoritative sources here said the Middle East situation in general and Syrian events in particular were the main topics of discussion. MacMillan's first since he returned yesterday from his own vacation. MacMillan, who once served as foreign secretary, has taken over responsibility for the foreign office in the absence of Foreign Secretary Selwyn Lloyd, now on a holiday. Diplomatic sources said before the Harrington-Barbour session that the United States and Britain were in agreement against taking any direct counteraction against leftist moves in Syria. They agreed instead to adopt a wait-and-see attitude at least until the trend of the recent Syrian political and military moves has emerged more clearly. Diplomatic sources said that in the meantime "unobtrusive" use may be made of the anti-subversion committee of the five-power Baghdad defense alliance in which the United States cooperates with Britain. Perfect Game Is Pitched in Softball Play

Clint Nelson pitched a perfect game as Pat's Beeline, Burley, won 1-0 over Okay Food Center Teen-Agers, Blackfoot, in the opening session of the Idaho state softball tournament at Jaycee park Friday morning. Nelson chalked up 19 strikeouts and no opposing batter reached first base. His battery mate, Bradshaw, provided the hitting power to win the game with his homerun. Pat's had three hits and no errors while the Teen-Agers committed two mistakes. In the other game Friday morning, Simplot, Caldwell, downed Triangle Dairy, Boise, 5 to 3. A homerun smacked by Williams of Triangle didn't help out either. Simplot combined 11 hits with 8 runs and 11 errors while Triangle managed only 3 runs off five hits and two Simplot errors.

Crash Kills 5

MINIDOKA, Nev., Aug. 23 (U.P.)—A station wagon and a passenger car collided yesterday, killing five people, including an entire family. The coroner's office listed the victims as Mr. and Mrs. William O. and their two children, one of whom was a 10-year-old boy. The crash occurred on Highway 10, near the town of Minidoka.

Three Fairs in Progress Give Residents of Area Big One-Day Schedule

What amounts to Magic Valley's heaviest fair schedule this season got under way Friday with fairs in full swing in Jerome, Burley and Carey. The fair at Carey, a one-day event for 4-H and FFA members, will be concluded Friday night with an amateur rodeo sponsored by the Carey Riding club. The Jerome county and Cassia county expositions are in close Saturday night with final showings of their respective rodeos. The Jerome celebration, however, will swing immediately into the community's golden jubilee celebration which will last through Thursday.

Champion Showman

The grand champion fitting and showman in all FFA divisions is Wayne Buschhorn, Eden. A 60-foot parade expressing the theme "From Sackcloth to Prosperity" was held Thursday in Jerome. Three bands from Twin Falls and two from Jerome also participated in the parade. Early pioneers led the march. A horse-drawn vehicle, a common sight during sagebrush days, was driven by Mrs. Rose Otto with Mrs. Lula Ungrat, jubilee queen, and Mrs. Stella Moore, an attendant, as passengers. The First Security bank won first place in the commercial division of the parade. Second place went to L'Harrison, Inc., and third place to Heiss Investment company. In the religious and civic department, Job's Daughters won first prize. The West Field Community (Continued on Page 2, Column 3)

Three People Cut, Bruised in Car Crash

Three persons were hospitalized with minor injuries following a collision at 8:15 a. m. Friday on highway 30 two miles east of Murlaugh. All had minor cuts and bruises. Taken to Twin Falls hospital for treatment were Mr. and Mrs. J. M. Williamson, Dallas, Tex., and Parley Ebert, Murlaugh. Shortly before noon a physician said the three were being held for observation but were in good condition. Deputy Sheriff Paul Ross said Williamson's 1951 Dodge was traveling east and crashed into the side of a 1954 Pontiac driven by Ebert as he drove from a driveway onto the highway. The impact is believed to have thrown Ebert from his car. When Ross and State Patrolman H. E. Carr arrived at the scene, Ebert was under his car. Neither vehicle was overturned. Ross estimated damage to both vehicles as total. Charges against Ebert are pending.

One of Two Boys Saved From Mine

TIMMINS, Ont., Aug. 23 (U.P.)—Rescuers this morning uncovered the body of 15-year-old Ronnie Blake, more as they dug into a mass of debris wedged part way down a 1,400-foot mine shaft. The body was found about 10 feet below the level where 16-year-old Bonar Scholte was rescued last night. The boys fell into the shaft while dropping stones to hear the echoes. Three other teenagers scrambled to safety when timbers covering the hole collapsed.

Talks Continue

BOISE, Aug. 23 (U.P.)—Negotiators sat down today with a federal mediator again today for another attempt to settle a month-old strike by southern Idaho carpenters against the Associated General Contractors. The meetings with federal mediator Dan Edwards resumed yesterday after a 13-day recess. Spokesmen said little progress was made yesterday and there was much ground to be covered before a settlement would be reached.

FLU SUSPECTED

LONDON, Aug. 23 (U.P.)—Eighty-four suspected cases of Asiatic flu from five U. S. air force installations in the London area are in a hospital at nearby Bushey Park.

Traffic Death Scoreboard

Here is a comparison of traffic fatalities as of this date for 1956 and 1957 for Magic Valley and for the entire state:

Sweeping Changes In Federal Power Law Are Proposed

WASHINGTON, Aug. 23 (U.P.)—Six Pacific Northwest senators today proposed a sweeping revision of the federal power act to prevent government licensing of "inferior" private dam projects without congressional approval. The move was a new slap at the federal power commission's authorization of the controversial Idaho Power company dams in the Hells canyon reach of the Snake river on the Idaho-Oregon border. Democratic Sens. Warren G. Magnuson, Wash., Henry M. Jackson, Wash., Frank Church, Ida., Mike Mansfield, Mont., James E. Murray, Mont., and Richard L. Neuberger, Ore., joined in the proposal—the latest move in the public-versus-private power controversy.

Utah Youth Dies of Area Crash Injuries

RUPERT, Aug. 23—Bryant Skeen, 16-year-old son of Mr. and Mrs. Maurice Skeen, Warren, Utah, died early Friday in a Salt Lake City hospital as a result of injuries received in an automobile accident near Rupert on Aug. 20. His death is the 34th traffic fatality for Magic Valley and the fourth for Minidoka county this year. Prosecuting Attorney Charles Creason said no inquest is planned in the boy's death at this time but that Minidoka county officials are continuing their investigation of the mishap. Following the accident, the boy was flown to Salt Lake City for treatment. He received a skull fracture in the accident.

Dulles Praised for Road Project To Be Talked At Local Meet

WASHINGTON, Aug. 23 (U.P.)—Secretary of State Dulles won commendation in congress today for his decision to permit 24 American newsmen to report from inside red China. Dulles' action yesterday allowing these newsmen to be stationed there on a six-month trial basis points to an end of an eight-year blackout on direct reporting by Americans from the China mainland. Spokesman for groups in the newspaper field said Dulles' move was a step in the right direction—but that it ought to go farther. Senator Humphrey, D., Minn., called it "a long overdue but welcome retreat from an untenable position."

Plea Delayed For Reckless Driver Count

BURTON C. Silvers, Kimberly, charged with reckless driving as the result of an accident late last month on highway 30 east of Twin Falls, Thursday requested time to obtain an attorney before making a plea in Twin Falls probate court. Judge Everett Sweezy continued the case until 2 p. m. Friday. In a complaint signed by James H. Benham, Twin Falls county sheriff, Silvers is charged with "unlawful and wanton disregard of the rights and safety of others" in operating a 1957 Chevrolet station wagon which collided with a 1949 Plymouth from the rear causing damage to the vehicles and injuries to the persons riding in the vehicle. At time of the accident, Sheriff Benham was told an unidentified man was operating the station wagon.

Funds Okayed On Building of AEC Reactors

WASHINGTON, Aug. 23 (U.P.)—The senate appropriations committee has approved an atomic energy commission money bill containing starter funds for three power reactors the administration doesn't want to build. The committee yesterday approved an appropriation of \$2,323,632,500—24 million dollars more than the house granted but 132 millions less than President Eisenhower originally requested. The AEC weapons program accounts for about 80 per cent of the funds involved. Other AEC construction projects also are included. Eisenhower signed an earlier authorization measure on Wednesday with a statement indicating he did not regard it as requiring the AEC to construct the reactors, only to conduct studies and like preliminaries. Democrats contend the legislation contains a directive to go ahead with preparations to build the nuclear reactors.

ROME, Aug. 23 (U.P.)—Col. Ibrahim Hussein, ousted Syrian military attaché in Rome, has asked for political asylum in Italy, a reliable Italian interior ministry informant said today.

Warm Again

Although only a week remains in August, the end of summer is not in sight in Magic Valley so far as the weatherman is concerned. High temperatures ranging nearly to the 100-degree mark are predicted in the five-day forecast received from the Associated Press. "Dandy" weather for county fairs, the AP reporter noted as he read this forecast. "Temperatures averaging above normal with maximums mostly 80 to 90, minimums 50 to 60. Little or no precipitation." (Probably.)

Governor's Traffic Court Conference Series Ends After Day-Long Meeting

William B. Taylor, assistant state attorney general and moderator for the governor's traffic court conference series, brought the final session of the conference series to a close here Thursday afternoon by urging cooperation and coordination among magistrates and state agencies. Taylor brought "this and the five previous conferences in what we hope will be a successful conclusion," he said, after a p. m. session opened Thursday morning. He expressed hope the conference series would be "successful in the sense of establishing closer working relationships and solution of our mutual problems."

NEWS BULLETINS

WASHINGTON, Aug. 23 (U.P.)—The house today cited for contempt of congress three communications workers who based their refusal to answer questions about communism on recent supreme court rulings. The three had specifically declined to invoke the fifth amendment. Instead they challenged the right of the house committee on un-American activities to ask the questions.

Fire Extinguished

SHOSHONE, Aug. 23—Two range fires were extinguished by bureau of land management fire fighting crews from Shoshone and Jerome Thursday. The first fire, which blackened 200 acres, was reported at 4:30 p. m. east of Dietrich. The second fire, fought by a Jerome crew, blackened 60 acres near the Perrine Memorial bridge. The second blaze was reported at 6 p. m.

Bulletin

Buhl, Aug. 23—The 2½-year-old daughter of Mr. and Mrs. Don Achenbach, Buhl, was killed at about 1:40 p. m. Friday when run over by a car near the driveway of her home. The child was riding in the rear seat of the automobile driven by her father, Don Achenbach, and fell from a rear window as the car backed and turned out of the driveway. The wheels of the car passed over the child's body. She was rushed to a Buhl physician but was pronounced dead on arrival.

Reuther, GM Chief Trade Verbal Blows

DETROIT, Aug. 23 (U.P.)—President Harlow Curtis of General Motors and Walter Reuther of the United Auto workers were squared off in verbal battle today on inflation remedies. GM, replying to the union's proposal for an average \$100 cut on 1958 car models, has counterproposed a two-year extension of its union contract that expires next spring. Reuther, commenting on the countermove, accused General Motors of "shocking disregard" of public welfare. He also charged the company with intending to "go on short-changing American consumers through higher prices."

Medic Claims Upper Air Is Not Friendly

MINNEAPOLIS, Minn., Aug. 23 (AP)—An air force physician who spent more than a day sailing some 19 miles above earth said one of his most striking impressions was the "unfriendly" loneliness in an "unfriendly" realm.

But the next man to attempt the feat may have company.

May David G. Simons, 35, looking fresh and relaxed after his 32-hour flight to the rim of the stratosphere, told a news conference here after he had made the unprecedented trip in a small gondola below a 200-foot round helium-filled balloon.

Absolute Silence

The space adventurer said he took off his earphones several times and the "silence was like nobody ever experienced on earth." He said in that "definitely unfriendly realm there was absolute silence."

Simons told of sights at that height "so beautiful that I hardly had time to make my observations and manage the balloon."

He said the sky changed as he climbed from light blue to deep purple and then to almost black at 100,000 feet. However, he was not able to see stars during the day.

"At sunset the colors were very interesting," he said. "An orange band lined the horizon and above that was a band of blue."

Flash of Green

"The most fascinating sight," Simons said, came at sunrise when, as the sun appeared, he saw a momentary flash of green across the horizon.

Asked if he felt any spiritual experiences while viewing the heavens, Simons replied:

"I consecrated myself to pushing back the frontiers of science in making the flight, and I felt that I was doing that."

Others at the press conference were Otto Winzen, head of the firm that manufactured the balloon, and Col. John Stapp, medical director of the project, who reported Simons "checked out quite adequately" on his post-flight medical tests.

Spokesmen of the aero-medical center at Holloman air force base, where Simons is attached, said the next step may be to send up a gondola containing four or five men.

Nation's Top Check Passer Still at Work

SACRAMENTO, Calif., Aug. 23 (AP)—Beware of "the Traveler"—he is the nation's champion phony check passer. He has been operating for 12 years and his collections now total about \$300,000.

He also is known to police as P. J. McNeil, but he has a list of aliases 10 feet long. They were accumulated from his activities in 40 of the 48 states.

Thousands of detectives have searched for him, but all they catch are ziphymers. Recently he cashed a bad check only three blocks from headquarters of California's identification and investigation bureau.

On Coast

For the last few months "the Traveler" has been fleeing the west coast. When last heard from, he had just written a check on the Williamette Concrete Products company, Eugene, Ore.

McNeil got his start at Oklahoma City in 1945 when he took a job as John L. Stone for a printing firm. He learned the business quickly.

In 1947, after three days he departed without even picking up his wages.

Instead he printed himself his own checks and ever since he has been criss-crossing the continent equipped with his own press and scribbling signatures of various purport company treasurers.

Gets Confidence

"The Traveler" spends several days in an area making purchases from small merchants to win their confidence. Then, on Friday afternoon or Saturday, he turns up in work clothes with an inquiry whether he can cash a pay check to buy a loaf of bread.

However, police artists have put together a composite drawing which his victims say is accurate. He is about five feet eight, weighs about 150, has graying hair and often is accompanied by a blonde. An Illinois camera merchant once took his picture but McNeil bought the camera with the film inside.

In the last few months McNeil has turned his charm on merchants in Oklahoma City, Little Rock, Ark., Beaumont, Tex., Indianapolis and Elmer City, Ia. During the summer in California he passed checks in Bakersfield, Inglewood, San Jose, Berkeley, Richmond and Sacramento.

Detectives say he leaves occasional clues which may trap him yet but one searcher remarked that with his fortune "he can retire."

Police Hunt for Real 'Fire' Truck

HOPE VALLEY, R. I., Aug. 23 (AP)—State police today were searching for a diesel-operated truck believed responsible for starting 20 fires along Connecticut and Rhode Island highway.

The blazes were set off Thursday along route 165 in Connecticut and route 3 in Rhode Island. The most serious was in the Hopeville Point state forest in Connecticut, where 40 acres were destroyed.

Police believe the fires were started by carbon sparks thrown off by a truck.

Agricultural Aid Program Started

WASHINGTON, Aug. 23 (AP)—Ten states are eligible for assistance under a Great Plains conservation program which the agriculture department said yesterday it is putting into effect.

The program was authorized by congress last year to assist farmers and ranchers in carrying out conservation plans, and appropriated 10 million dollars this year for its first year's operation.

Only ranchers and farmers in designated counties in the 10 states are eligible. The states include Colorado, Kansas, Montana, Nebraska, New Mexico, North Dakota, Oklahoma, South Dakota, Texas and Wyoming.

Horseback Clubs Vie at Pocatello

POCATELLO, Aug. 23 (AP)—Horseback groups from Utah and Idaho—350 of them—are expected here Saturday for the opening of the annual Rocky Mountain Riding association show.

About 35 Utah mounted posers and 16 from Idaho will participate in a parade, the show and other events.

HANSEN, Aug. 23 — School will start here Monday morning with a complete teaching staff. Supt. Bernard Hopwood announced.

Mrs. Fanny Hopwood will be first grade teacher. Mrs. Rachel Meyers, Kimberly second grade. Mrs. June Wilson, Hansen third. Mrs. Norma Anderson, Burley fourth. Mrs. Redlah Murray, Kimberly fifth. Mary Rose, Twin Falls sixth. Carol Payne seventh, and John Hardin, Kimberly eighth grade. Hardin also is grade school principal.

The high school teaching staff includes Ronald Koford, music; Mrs. Barbara Ladeguest, library; Edward Stephens, Spanish-English; Ted Crockett, science, mathematics and coach; Paul Kenny, Kimberly, commercial; Mrs. Hilda Burgess, Twin Falls, home economics and speech; and Charles Humphries, Twin Falls, agriculture and science.

Registration will be held at 9 a.m. Monday. Book fees will be \$4 for grades and \$5 for high school, payable at time of registration.

Hot lunches will not be served until Sept. 9. School buses will have the same routes as last year.

Improvements made during the summer months include a 1 1/2 inch water line to the primary building for fire protection and more adequate water supply. The primary building and the superintendent's residence have been painted. Floors in all buildings have been refinished. The new science laboratory also will be in use for the coming school term. Hansen has installed a three-inch meter for a more adequate water supply throughout all the buildings.

Asphalt tile is being laid in the entryways of both schools and fire hose equipment will be installed in both the primary and high school buildings.

A-Test Effects Probe Started For Survivors

LEWISTON, Mich., Aug. 23 (AP)—A former soldier meets with the widow of one of his buddies today to start an investigation of whether some 210 GI's suffered cancerous effects from a 1952 atomic bomb test.

John Wambold said he believes Mrs. Joanne Mock, Toledo, O., whose husband, former Pfc. Dale Mock, died of cancer, simply wants him to help list and find the names and addresses of the "about 210" men in the foxhole atomic bomb drill.

Gela Call

"She called me the other day and said 'well be up' so I just assumed some friends or relatives would bring her. I don't know anything about any fellows from the outfit coming with her," Wambold said.

He said so far Mock, "my closest buddy," Larry Fitz, also from Toledo, and "a boy from New York whose name I can't remember," have died of cancer.

Wambold said his 210-men company—"we were told we didn't have to take part in the test"—was one of at least three details taking part in the atomic bomb test.

"It was in the week after Easter, 1952. It was an air blast. We were in foxholes about two miles from ground zero. There was an outfit from the 47th division, too. And paratroopers jumped beyond the blast area."

Blast Described

"When the bomb went off, we were in foxholes with our backs to the blast. Were you ever in a row-coat when it was real rough on a lake—Brie?"

"That's the way the ground rolled. The light was like a giant flashbulb went off. Then we walked right through ground zero," he said.

Arguments on Tariff Boosts Still Resound

WASHINGTON, Aug. 23 (AP)—The lead-also tariff controversy simmered on in congress yesterday.

Two Democratic house members took the floor to call upon President Eisenhower to use his authority under the trade agreements act to provide tariff protection for the domestic mining industry, hard hit by falling prices.

No Legislation

"They spoke as it became increasingly apparent that congress is in no mood to pass special tariff legislation to aid the industry at this session."

Representative Brown, D. Mo., noted that the President at his Wednesday news conference had expressed the opinion that action through the tariff commission probably would be the best long-range approach toward solving the lead-zinc problem.

The President said that the administration sponsored legislation to provide for a sliding scale of import duties on lead after the situation had been represented to him as so critical that it could hardly wait an extended review by the tariff commission.

Sees Authority

Brown said this constituted an acknowledgment by the President that he does have authority to raise tariffs himself. He pointed out, too, that the administration-backed import fee plan would not have become effective until next January.

"The President can and should, and I think wants to, do something," Brown said.

"I just hope someone doesn't get to his ear before he does something, and stops him again."

Brown also referred to the President's action in turning down a tariff commission proposal for higher lead-zinc tariffs in 1954.

"Apparently when the tariff commission was talking in one ear of the President, someone else was talking in the other," he said.

"Now we are about to see the point of no return in our lead-zinc policy."

Awards Going To Ex-Marine

BOISE, Aug. 23—Maj. Gen. John E. Walsh, Idaho adjutant general, announced today that the department of the navy had forwarded six awards, including the presidential unit citation, for presentation to Second Lieut. James W. Cobb, Buhl, company G of the Idaho army national guard's 116th armored cavalry.

Walsh explained that Cobb had won the awards while a member of the first marine division during the Korean campaign.

In addition to the presidential unit citation, the secretary of navy also forwarded the navy citation, Korean presidential unit citation, Korean service medal, United Nations service medal and the good conduct award.

He was discharged from the marine corps Jan. 4, 1954, and joined the national guard March 30, 1956. He was commissioned a second lieutenant with the Idaho guard Jan. 22, 1957.

Cobb is fish culturist at the Snake River trout farm at Buhl.

POLES SEEK ASYLUM

COPENHAGEN, Denmark, Aug. 23 (AP)—Fifteen passengers on a holiday liner from Poland quit the Polish liner Batory yesterday and asked political asylum in Denmark, police reported.

Michigan's first automobile manufacturing company was started in Lansing in 1897.

KING HILL, Aug. 23 — Elaine Carnahan, daughter of Mrs. Ralph N. Carnahan, and Everett Pachner, son of Mr. and Mrs. Joe Pachner, Glens Ferry, were united in marriage at 3 o'clock Sunday afternoon in the United Presbyterian Community church.

The Rev. R. I. Barnes performed the double ring ceremony before the altar decorated with baskets of pastel gladioli and floor candelabra. Escorted down the aisle by her brother, Donald Carnahan, Glens Ferry, the bride wore a floor-length gown of nylon lace and net over satin. Her fingertip veil was attached to a crown of pearls. Her bouquet was pink carnations and ribbon streamers tied with orange blossoms which she carried on a white Bible.

Margie Carnahan, sister of the bride, was maid of honor. Her gown was of green crystal and she carried a nosegay of pastel gladioli. Mrs. Claude Equiquis, Glens Ferry, sister of the bridegroom, and Mrs. Delbert Lawrence, Caldwell, were bridesmaids. They wore matching gowns of orchid crystal and carried nosegays of pastel gladioli.

Candlelighters were Grace Shluma, Ontario, and Beverly Covington, Fruitland. Flower girls, Debbie Carnahan and Diane Carnahan, Glens Ferry, nieces of the bride, wore orchid organza ballerina-length gowns.

Eddie Bostle, Glens Ferry, served as best man. Don Blackwell, Glens Ferry, and Keith Schwager, Hammett, ushered.

Wed to Bragg in
Jerome Services

JEROME, Aug. 23—Lois Arlene Stockton, daughter of Mr. and Mrs. Leon Stockton, and Elmore J. Bragg, Jr., son of Mr. and Mrs. Elmore J. Bragg, exchanged wedding vows Sunday afternoon at the First Christian church.

The Rev. Ralph Perry performed the ceremony before a background of lighted white tapers in candelabra with baskets of pink and white gladioli on either side. Marking the bridal aisle were pink gladioli tied with white satin ribbons.

Maria Van Orman, pianist, played the wedding marches and accompanied Mrs. Calvin Harper, soloist. Larry Moss, Twin Falls, and Charles Hosman were candlelighters.

Given in marriage by her father, the bride wore a gown of white satin and Chantilly lace. The gown was fashioned with a fitted bodice of lace over satin, long sleeves pointed over the wrist and a Queen Anne collar. Small covered buttons were used to the waist in the back and the skirt was styled with an over panel of lace.

The fingertip veil of nylon net was caught to a Juliet cap of seed pearls and rhinestones. She carried a crescent bouquet of pink roses and stephanotis.

Mrs. Don Thibault, sister of the bride, was matron of honor. She wore a gown of pink brocade taffeta and carried a bouquet of feathered pink carnations.

Mrs. Ed Stockton, sister-in-law of the bride, and Nancy Priel, Rock Springs, Wyo., were bridesmaids. They wore matching dresses of pink brocade taffeta and carried crescent bouquets of pink and white carnations.

Sandra Thibault, niece of the bride, was flower girl. She was gowned in pink brocade taffeta.

Bruce Bragg served his brother as best man, and ushers were Ed Stockton, brother of the bride, Ted Peterson and Don Thibault, brother-in-law of the bride.

Mrs. Stockton was attired in a blue afternoon dress with white accessories. Mrs. Bragg wore an afternoon dress of dusty rose with black accessories. Both wore corsages of red roses.

A reception followed in the church parlors. The refreshment table was centered with a four-tiered wedding cake with lighted tapers on either side.

Mrs. Harold Cook, Twin Falls, aunt of the bride, assisted by Mrs. Max Poulter, served the cake. Pouring were Mrs. E. E. Adams and Mrs. Darrel Rigney.

The gifts were arranged by Mrs. Donald Taylor, Kimberly, and Mrs. William Kerner, Shoshone. Assisting were Wilma Silvers and Fern Bishop, Mountain Home.

For her wedding trip the new Mrs. Bragg selected a blue sheath dress with embroidered jacket and white accessories.

The bride was graduated from Jerome high school in 1934 and from Holy Cross School of Nursing. She is employed by the Twin Falls Clinic.

Bragg was graduated from Jerome high school in 1931 and served with the army for three years. He is engaged in business at Moe's Paint and Body shop east of Jerome.

Prior to her wedding the bride was honored at a shower at the home of Mrs. E. O. Minor with Mrs. Donald Taylor and Mrs. E. E. Adams assisting.

Out-of-town guests included Dr. and Mrs. Ralph Zeck, Seattle, Wash.; Mr. and Mrs. I. D. Bishop and family, Mountain Home; Mr. and Mrs. Clarence Bishop, Albion; Mr. and Mrs. H. C. Bishop, Phoenix, Ariz.; Mr. and Mrs. Donald Taylor, Kimberly; Mrs. Freda Swearingen, Mr. and Mrs. Gene Poulter and Mr. and Mrs. Harold Cook and son, all Twin Falls; and Mr. and Mrs. William Kerner, Shoshone.

Care of Your Children

By ANGELO PATRI

"Katherine, why didn't you answer Mr. Tom when he spoke to you, instead of standing there like a Siamese cat?"

"Mother, I didn't know what to say. He said, 'I'm glad to meet the daughter of my old friend.' What was I to say? I couldn't think of a thing."

"Goodness, you should have said something—not just stand there looking dumb."

Children will not know "what to say" unless someone teaches them; unless they have opportunities for saying something. Polite, kindly, appreciative words must be learned and then used. The mother who is so fortunate these days as to be at home with the children can teach them what to say, when to say it and how. A good way is to dramatize the situation.

Someone can play he is Mr. Tom and someone else play the little girl. Mother can be the director of the play. Children enjoy this sort of thing immensely and the practice makes meeting people with pleasant courtesy a matter of habit. Children of the early years can learn good manners and use them fit-

tingly, so certainly the adolescent boys and girls can learn "what to say."

Of course children copy their parents' ways. They will say what they hear said, so this sort of training starts at home. But it is the daily practice that fixes the courteous manner and makes it second nature for the boy or girl to say the right thing, the kind thing.

Emily Post, our top authority on manners, always says that good manners are just a way of being kind. A friendly, kindly, gracious feeling has to be expressed in courteous terms. How are we to set that sort of feeling in children?

The best way is to speak kindly of other people always. To refrain from unsympathetic remarks about them. To remind children that making an unkind remark about someone, telling a story about them that reflects error is to take on that error upon themselves and cast a shadow on their own personality.

Selfishness should make one guard against mean or grudging thoughts because they leave their marks, their stains, on one's own being.

Part of every child's training should be lessons in what to say and when and how to say it, remembering that the best manners are summed up in the "art of being kind."

Life is easier for both the parent and the child when obedience is taught during babyhood. Dr. Peit explains how to teach obedience in his booklet, No. 301, "Obedience." To obtain a copy, send 25 cents in coin to him, c/o Times-News, P.O. Box 25, Station C, New York 19, N.Y.

Della Gay Brown
And S. R. Jordan
Vows Exchanged

Before the altar decorated with white gladioli and lighted tapers, Della Gay Brown and Selmer R. Jordan exchanged wedding vows last Saturday in the Episcopal Church of the Ascension. The Rev. Norman E. Stockwell officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. R. Howard Brown and Jordan, the son of Mr. and Mrs. Elmer C. Jordan.

Given in marriage by her father, the bride wore a gown of white fallie crystalet, fashioned with a sabrina neckline, cap sleeves and bouffant skirt. The shoulder-length veil of embroidered illusion net was held in place by a crown of seed pearls and orange blossoms. She carried an old fashioned nosegay of pink elf rosebuds.

Mrs. James R. Munn, matron of honor, was gowned in red crystalet accented with pink embroidered crystalet. Her bouquet was a nosegay of pink feathered carnations.

Serving as best man for his brother-in-law was Milan G. Richardson.

"Because," the song chosen by the couple, was sung by Lawton A. Hull, brother-in-law of the bridegroom.

For her daughter's wedding, Mrs. Brown chose a dress of pink and white silk with pink and white accessories. Mrs. Jordan, mother of the bridegroom, wore a suit of blue silk shantung with white accessories. Both wore corsages of pink feathered carnations.

The red and pink color theme was repeated at the reception immediately following the ceremony in the church basement. The pale pink wedding cake, topped with a nosegay of red rosebuds, was served by Mrs. E. J. Boer, aunt of the bride.

Mrs. Milan G. Richardson poured. Out-of-town guests were Mr. and Mrs. Shriver and Myrtle V. Ball, both

repeated at the reception immediately following the ceremony in the church basement. The pale pink wedding cake, topped with a nosegay of red rosebuds, was served by Mrs. E. J. Boer, aunt of the bride.

Heavyweight Champ Keeps Crown With Sixth Round Knockout Over Rademacher

TATTLE, Aug. 23 (AP)—Big Pete Rademacher's wild dream of stepping from the top of amateur boxing to the championship of the world was blasted and wrecked by Patterson Thursday night as the king of the pros scored a knockout in the sixth of their scheduled 15-round fight. Seven times the talented Patterson, in the second defense of the title, put a game but far outclassed Rademacher on the deck, and the winner, after 2 minutes 57 seconds of the fatal sixth, was declared champion.

Patterson, 16, paid a gross of \$100 to see a match most critics considered a mismatch of the kind which turned out to be a one-sided affair. The 22-year-old young champion, the 1956 Olympic Games champion, on the other hand, was a professional who was as weary as he was punched tired after the beating.

Yanks Salvage Last Tilt With Athletics 11-4

By The Associated Press
Kansas City's Cinderella coach turned back into a pumpkin Thursday night as the visiting New York Yankees blasted five Athletics pitchers in a 11-4 victory.

The Yankees, shutout in the first game of the series and defeated again Wednesday night by the seventh-place A's, unloaded a six-run third inning, including a grand slam homer by Harry Simpson. This was enough to seal the defeat for starter Wally Bunker. It was his ninth loss against four victories.

The Yankees smacked 14 hits and scored twice in the seventh inning against Dave Hill, a \$300,000 bonus southpaw making his first appearance in the big leagues after being called up by the fifth. Hill gave up a single to Mickey Mantle, the first hit of the series for the Yank centerfielder. Yogi Berra followed with a liner over the right field fence.

Ted Williams got two hits in four times at bat as the Boston Red Sox defeated the Cleveland Indians 11-3 at Municipal stadium. The hits, his first in the series, raised Williams' average to .386.

Mike Fornieles blanked the Indians on five scattered hits in the first eight innings in winning his eighth game against 10 losses. The Tribe got to him for all their runs in the ninth on a bases-loaded walk, two singles and a double.

Boston had scored two runs in the top of the ninth on Jackie Jensen's 10th homerun of the season, an error, a single and an infield out.

Frank Lary, coming on strong after early season miseries, won his third straight game, blanking the Baltimore Orioles 4-0 on a four-hitter as the Detroit Tigers took the final game of a three-game series at Briggs stadium.

The stocky little right-hander retired the Orioles in order in seven of nine innings, and faced only 29 batters.

A's Trounce Salt Lake for 14-2 Victory

POCATELLO, Aug. 23 (AP)—The Salt Lake Bees got back in their slump form Thursday night by dropping a 14-2 Pioneer league game to the Pocatello Athletics.

"The loss put the Bees, who won the first half of the league's split season, 11 games behind the leading Billings Mustangs and in seventh place, just ahead of the Great Falls Dodgers.

The Bees' game was the only one scheduled Thursday night. Pocatello scored in every one of its innings but the first and five homers were racked up by both teams.

Both Bees runs were of the homer variety. John Moskous tagged one in the leadoff position in the sixth and Don Jacquelin led off with a four-bagger in the eighth.

Ron McCutcheon singled in two runs in the A's second. Don DeGroote drove in one in the third with a single. Two walks and an error produced one in the fourth. Al Casino got a two-run homer for the winners in the fifth and in the sixth frame, four runs came home on two walks, two errors, a homer and a sacrifice fly.

Tony Cannizzo slugged a homer for Pocatello in the seventh and Mel Wright poked a two-run round tripper out of the park in the eighth.

Pro Football Players Association May Turn to Labor Board in Talks

ATLANTIC CITY, N. J., Aug. 23 (AP)—Commissioner Bert Bell of the National Football league Thursday, in effect, told the Players association to peddle its demands to the national labor relations board if it was not satisfied with his handling of negotiations. An exchange of words between Bell and Attorney Creighton Miller threatens to break up negotiations begun shortly after Bell dramatically announced at a recent congressional hearing that he recognized the association.

Miller disclosed in Cleveland that he had written to Rep. Emanuel Celler (R-N.Y.) charging Bell with stalling in negotiations with the Players association which the attorney represents. Bell replied that the association could go to the NLRB.

Said the commissioner: "Since the supreme court has held that professional football is a business engaged in interstate commerce, the Taft-Hartley act is clearly applicable. Accordingly, I suggest that you join us in requesting the national labor relations board to assume jurisdiction over professional football."

Miller, former Notre Dame football player, said Wednesday in Cleveland that he would file an action with the NLRB if Bell did not speed up action. Bell replied: "Let's make it clear. Our attorney wrote Miller Aug. 18, suggesting that he go to the NLRB. It is our idea to go to the NLRB, not Miller's."

Miller wrote Celler—chairman of a congressional committee investigating sports—that Bell has refused to sign a recognition agreement. Bell answered: "The agreement Miller wants me to sign goes far beyond recognition of the Players association and willingness to negotiate with representatives of the association. Counsel has advised me not to sign it. Bell said further that he lacked the power to sign such an agreement without approval of 10 of the 12 NFL club owners.

14 Teams to See Action as State Softball Tournament Opens in Twin Falls Today

Action in the state softball tournament gets under way here Thursday at 9 a.m. with 14 of the top teams in Idaho participating. The tournament will feature almost continuous play from 9 a.m. to 10 p.m. Friday through Sunday night when the state champion will be crowned. All games will be played at Jaycee park. Pairings for the first round include Simplot, Caldwell, vs. Triangle Dairy, Boise, at 9 a.m. and Fat's Beeline service vs. Okay Food center, Blackfoot, at 10:30 a.m.

Cowboys Golf Tourney Is Won by Walt Dixon

Manager Walt Dixon led the Magic Valley Cowboys again Thursday only this time it was at the municipal golf course. Dixon put together some fancy handicaps to post a 73 net to become the 1957 golf champion of the Cowboys. But also crowding into the act was business manager Ed Schaeck, who shared top honors with Dixon as he posted low gross of 82.

Batting Race
CHICAGO, Aug. 23 (AP)—Ted Williams snapped out of a batting slump yesterday and now leads Mickey Mantle, 386 to 377, in their race for the American league batting title.

Williams sent two hits in four tries yesterday as the Red Sox pummeled the Indians. The Yankees whipped the Athletics. But Mantle had only one hit in four attempts. Mantle leads in homers, 32-31, and runs batted in, 86-73.

The 18-hole tournament was played on the last "off-day" of the Cowboys will have this season. Friday they open up a three game series at Idaho Falls and follow that one up with three more games in Pocatello. They will return to Twin Falls next Friday for their last home stand of the year.

Dixon posted a gross score of 109 but using the Calloway system was able to throw out the poorest scores on three and one-half holes. That gave him a net of 73. Schaeck, whose 82 was best for low gross, didn't get to use the very liberal handicap but still wound up with a 73 net. The registration money of 25 cents per player was split between the two winners but they turned it back by buying refreshments for the field.

Other top scores include: Catcher Bill Schmidt, 96 gross, 74 net; Pitcher Bill Pleiss, 93 gross, 74 net; Pitcher Bill Denney, 95 gross, 79 net; Pitcher Bob Moore, 101 gross, 75 net; Second baseman Denney Loud-enback, 125 gross, 79 net; shortstop Vic Kray, 99 gross, 78 net; Dave Brien, 99 gross, 77 net; Outfielder Duane Hermon, 118 gross, 77 net; Pitcher Jim Powers, 116 gross, 79 net; Pitcher Jack Schomer, 104 gross, 77 net, and bat boys Gary Graner, 103 gross, 74 net, and Steve Berg, 105 gross, 77 net.

Cowboy president R. M. Serpa also joined the tourney and posted scores of 104 gross and 74 net. Board member Ken Curtis, Buhl, shot an 87 gross and 76 net.

The tournament was sponsored by Ernest C. Craner and the city parks and recreation department and was supervised by assistant pro Dale Kelly.

EX-MANAGER DIES
NEWPORT, Ore., Aug. 23 (AP)—Hugh D. Pace, 64, one-time manager of the Twin Falls, Ida., baseball team in the Pioneer league, died of an apparent heart attack here Wednesday night.

Laest entries are Jim Hiskey of Pocatello, Ida.; Steve Caravallo of Madison, Wis.; and Gordon McKenzie of Ontario, Canada. McKenzie won the Washington State tournament.

Danny O'Connell opened the first inning with a single.

Righthander Lew Burdette, given a quick lead by Hank Aaron's three-run homer, gained his first Ebbets field victory in two years as Milwaukee's first place Braves whipped third place Brooklyn 6-1. The loss, in the opener of a crucial 3-game series, plunked the Dodgers 7½ games behind.

Neither starting pitcher tolled the full route. The Phil's rookie ace Jack Sanford, seeking his 17th victory, was routed in the fifth inning after giving up five runs and seven hits, one of them Ken Boyer's 10th homerun of the year. Cards' starter Larry Jackson was shelled in the sixth.

At Pittsburgh the lowly Pirates bounced Cincinnati's Redlegs 8-3 to give the once pennant contending team its 10th consecutive defeat, longest losing streak of the National league this season.

Gene Freese and Frank Thomas led the 15-hit attack on the faltering Redleg pitchers, each collecting three safeties.

Willie Mays rapped a two-run homer in the first inning and Hank Sauer hammered another into the stands with one aboard in the fifth to provide most of the fireworks as the New York Giants defeated the visiting Chicago Cubs 6-2.

Mays, who also hit two doubles in four trips, lined his 28th homer into the upper left field seats after
