## Senate Calls Back Measure on Court Power Over Youth

BOISE, Feb. 10 (AP)—A bill intended to give probate courts more control over juvenile law makers was called back by the Idaho senate today for further consideration. It was put in order of business permitting amendments and there were indications a compromise measure was being worked out. The house-approved measure was killed by the senate yesterday. It would have given probate courts the right to order 30-day jail sentences or commitments to the state industrial training school for youthful law violators.

## Emergency Generator For Hospital Gets OK

Installation of a recently-purchased emergency generator at Magic Valley Memorial hospital will start as soon as possible, it was decided by the hospital board at a meeting Monday. Merritt Shotwell, Angus Walker and Vern Thomas explained details of the installation process, which will cost approximately \$7,500, including a transfer switch which automatically will put the generator into operation in the event of a power failure. Up to now the hospital has had no auxiliary power plant to take care of emergency equipment and lighting. The generator was obtained through the aid of an Idaho surplus agency from government surplus supplies. Actual cost to the hospital for the generator was \$150, plus \$125 for transportation costs from California. A new generator of similar capacity would cost in excess of \$10,000.

## State's Attorney Asks Condemnation Power

BOISE, Feb. 10 (AP)—Idaho Attorney General Frank Benson demanded yesterday that one of his appointees be given wide powers in settling land condemnation cases for the state highway board. The board disagreed with Benson in a lengthy and at times stormy session. "We take the position that the board itself is responsible for seeing that state highway money is wisely spent," said its chairman, Roscoe Burley. Today Benson said he would try to have salaries of the board's chief legal counsel and three other attorneys paid directly to the attorney general's office. Benson appoints assistant attorney generals who serve the highway department in its legal work. Recently he named as chief legal counsel Tom Gwilliam, Nampa, who appeared late in the meeting and joined Benson in criticizing board policy on acquiring land for right-of-way along the federal interstate highway.

## Plans Readied On T.E. Wheat Growers' Unit

Five men were selected, at a meeting in Twin Falls Monday afternoon, to talk to county wheat growers and enlist their participation in a countywide organization. The men are Bruce Kunkel, Rogge; Jake Prodek, Castleford; R. G. Hansen, David Chadwick, Twin Falls; Lawrence Hill, Roscoe; and W. B. Savage, Kimberly. The group was selected at a meeting in the county courthouse of approximately 15 wheat growers from parts of the county, who gathered to take the initial steps in forming a county wheat growers association. The farmers decided to select five association officers and hold organizational meetings in their future to set up a permanent group. The five men chosen to encourage farmer participation form the association's temporary board of directors. Donald Youtz, assistant county agent, was designated temporary secretary-treasurer of the association. W. Delph, county agent, opened the meeting, explaining that now is the time when wheat growers in other parts of the state are organizing.

## Second Jewel Theft Staged In South City

MIAMI, Fla., Feb. 10 (UPI)—Gentlemen jewel thieves took an estimated \$300,000 in gems from an exclusive jewelry shop yesterday in the second major robbery in this resort area within two days. Jewelry worth \$400,000 were stolen from a suite at the Americana hotel in Miami Beach Sunday. Police declined to link the two cases, but said both looked like the work of professionals. Two well-dressed, polite talking men held up Levinson's jewelry store yesterday at gun point and in gentlemanly fashion took only jewelry that was insured. They escaped with "between \$200,000 and \$300,000," officers estimated, along with about \$5,000 in cash. However, Detective Marion Murrah said they cautiously left behind a ring worn by one of the store employees. One of the gunmen asked the employee, Irving Getz, if his ring was insured. Getz said no, and the gunman replied, "Well, you keep it, then." "At least they were gentlemen about the whole thing," Murrah said dryly.

## COHEN TRIAL SET

LOS ANGELES, Feb. 10 (UPI)—Ex-Gambler Mickey Cohen will go on trial March 2 for the third time on a charge of attacking a federal narcotics officer a year ago. Rep. Sam Kaufman, R., Ada, said "it looks like we will have to dig up eight or nine million more than the legislature appropriated, two years ago. That would call for a budget of nearly 74 million dollars." Rep. George L. Crockham, R., Canyon, one of the prime proponents of a sales tax, said he figured the state will need about 16 million dollars in new revenue. He said "you are making a big mistake in opposing a sales tax." Banners opposing the sales levy were brought to the meeting by businessmen from Payette, which is just across the river from Ontario, Ore. The banners read: "Don't release the monster sales tax." "Sales tax is a regressive tax." "Sales tax—the road to bankruptcy." "Sales tax robs the poor man."

## Emmett Area Residents Voice Much Opposition to Sales Tax

EMMETT, Feb. 10 (AP)—More opposition to the sales tax was voiced at the last of a series of legislative committee meetings than at any of the earlier sessions. Rep. James Monroe, D., Nez Perce, reported to day. Monroe, chairman of the committee on revenue and taxation committee, directed the meeting last night in the Emmett high school auditorium. Every person who spoke expressed opposition to a sales tax and banners urging defeat of such a levy were draped around the hall. Earlier meetings were held in Coeur d'Alene, Lewiston, Idaho Falls, Pocatello and Twin Falls. Representatives of the committee told the audience they expected the legislature to make some increase in the two-year budget of \$71,000,000 proposed by the 1958 finance and appropriations committee.

## Moisture of Area Above Normal

BOISE, Feb. 10 (AP)—More rain and snow than usual fell over the Snake valley last month, the weather bureau says. Supply forecasts were revised upward but still are below normal. The bureau said January precipitation was 130 per cent of normal. The Salmon river drainage had 170 per cent of normal precipitation, but water supplies below normal there too.

## Dulles Sick; No Delays Seen in East-West Talk

WASHINGTON, Feb. 10 (AP)—President Eisenhower predicted today that Secretary of State Dulles' illness will cause no delay in western talks with the Soviets about German problems. Eisenhower spoke at a news conference just after Dulles had entered Walter Reed Army hospital for a hernia operation. The secretary expects to be out of action for some weeks. Despite his age of 70 and his recent history of illness, officials predict he will be back in harness. But western allies expressed a degree of dismay over the illness at a crucial time. In his news conference statement Eisenhower praised Dulles as the most valuable man he has ever known in the foreign affairs field. He also made clear that he represents the harsh criticism of American leaders and policy which Soviet Premier Nikita Khrushchev couched last week in an invitation to Eisenhower himself to visit the Soviet Union. Eisenhower said he understands Khrushchev is more concerned about having an informal heads of government meeting than about having a session of foreign ministers. A summit conference, Eisenhower said, would require even more time to prepare. In any case the President expects Dulles to be back on the job in time to contribute to the preparations. Once his hernia operation is out of the way, Eisenhower said, Dulles will have more time to think about U. S. policy on such issues as the future of Germany. Heaton, a surgeon who will do the operation, told newsmen he expected it would be done either Friday or early next week. Heaton said it would take about two weeks for Dulles to recuperate from the operation. His ailment, kept secret for more than a month, was disclosed by President Eisenhower last night as Dulles asked and got a formal leave of absence.

## Citizen Group Asks 'Hold Line' on Tax

A decision to recommend holding the line on the current state budget was made by the Citizens for Good Government Tuesday morning at a breakfast meeting. After a discussion of problems and needs of various groups, particularly education, the consensus was that a more feasible type of formula could be devised for school appropriations. Carl Irwin, former Twin Falls legislator, explained steps taken by the interim committee when he was a member of the Pea body commission for a study of school tax needs. He pointed out some of the subterfuges that have been engaged in by some school districts to get increases in appropriations under the present formula set up. "Most of the legislators want to be able to raise the salaries of the teachers," Irwin pointed out, "but cannot do so without adopting the entire increase demanded by the school pressure groups, who have an extremely effective lobby setup." Irwin pointed out that legislators have been extremely irritated with the abuses indulged in by these groups such as sending children home with letters to parents or legislators, imploring them to keep the schools open. Exploitation of children has been known to accomplish many things, but has never been an acceptable procedure, he noted. "I don't deny that the schools need money, but until they provide a more equitable and understandable (Continued on Page 2, Column 4)

## Area Lad Picked For Navy School

WASHINGTON, Feb. 10 (UPI)—Selection of nine Idaho youths for three principal and six alternate nominations for appointment to the U. S. Naval academy was announced today by Sen. Henry Dworshak, R., Ida. The principals are Scott M. Anderson, Gooding; Larry E. Grimes, Montpelier; and James G. Linhart, Kellogg. Alternates include David M. Collins, Boise; John Howard Stucki, Pocatello; Gary Lee Weed, New Meadows; Michael Travis McCourt, Boise; Terence H. Wolfley, Blackfoot; and Melvin D. Reader, Blackfoot. Dworshak said the youths will be selected for final appointment by qualifying examinations to be taken this spring.

## Storms and New Floods Strike in Midwest; 17 Die

A tornado cut a path of death and destruction in St. Louis today, killing at least 17 and flash floods sent lowland residents fleeing to higher ground across wide areas of the Midwest. A giant winter storm lashed the nation from the southern Rockies to New England. It included devastating winds, torrential rains, heavy snow, ice and freezing drizzle, fog and even dust storms. St. Louis took the heaviest blow. The twister, a "sleeper," ripped into the southwest edge of the city and wreaked havoc through the central area. Seventeen bodies were in the city morgue at mid-morning and the death toll was expected to rise. Hospitals reported that more than 320 persons were injured. A seven by 30-block area bore the brunt of the winds up to 110 miles an hour. A rooming house was smashed, many other rooming houses were damaged, and two radio and TV transmitting towers were blown down. The St. Louis arena was damaged heavily and a roller rink next to it was destroyed. Flash floods hit the St. Louis suburban area, wide areas of Ohio and a six-county strip in north central Indiana because heavy rains fell on land already clogged with snow and ice. Many Ohio rivers and streams already were overflowing and the state's residents, many of them hardly recovered from the effects of (Continued on Page 2, Column 7)

## Reuther Testifies Before Economic Unit

Walter Reuther, president of the United Auto Workers union, points to a chart set up for his testimony before the senate-economic committee in Washington, D. C. Reuther said different governmental policies could have pushed the nation's production more than 100 billion dollars higher in the past six years. (AP wirephoto)

## County Votes Approval for Budget of '59

Twin Falls county's 1959 budget, calling for a maximum spending program of \$1,915,795, was approved by the county commissioners late Monday afternoon. Approval of the budget followed Commission Chairman Russell C. (Bud) Larsen's return from a meeting with members of the Magic Valley Memorial hospital board. At that meeting Larsen submitted a petition by east end residents questioning the justification of the hospital's budget of \$1,038,245. The hospital budget is included in the total amount approved for the county, although only about \$60,000 of property tax receipts are needed to defray hospital expenses. Fees and other charges provide the major portion of the hospital's income. In other county commission business, the three-member board accepted a bid of \$501.50 from Hutchins and Davis, paint contractors, to remodel the sheriff's apartment in the county courthouse. Plans are that Sheriff James E. Benjamin will move into the apartment after completion. The only other bid for the job came from Henry Gathing who bid \$450.95. Benjamin's decision to reside in the courthouse apartment followed discussions with the commissioners. Benjamin, an officer from the sheriff's office should be available at the courthouse during the night. The apartment has not been used for permanent residence for several years.

## 'Signs' Rule Is Adopted Here

At their final meeting to complete a recommended sign ordinance for the city of Twin Falls, the planning and zoning commission Tuesday morning passed on types permitted for zones C-2, C-3, C-4 and C-5. These designations include neighborhood business districts, plant nursery districts and community service districts. Regulations for signs in parking lot zones will be restricted to directional or regulatory, with lighting to be steady and unanimated and signs to be motionless. Suggestions on public service signs, with ownership limited to governmental bodies, were approved by the commission. The corrected ordinance will be re-drafted by the city attorney and presented to the city commission for adoption after the next meeting of the zoning group on March 3.

## Report Shows Fine Is Heavier For Muffler Noise Than Speed

Twelve speeders who appeared in Twin Falls police court during the month of January paid less in fines than did an equal number of drivers cited for driving with improper mufflers, the Twin Falls city commissioners were told Monday night at their regular meeting. The relative fines were pointed out by City Manager Joseph Lattimore in a summary of the traffic citations filed by city police in the police court. The report disclosed that 12 speeders were fined a total of \$138 while 12 muffler violators paid fines totaling \$180. Thirty-four of the 38 drivers cited into the city court paid fines totaling \$598 during the month. Four cases are pending. No drunken drivers were cited during January. Two reckless drivers were cited, with one paying a \$25 fine and the other one pending. Five cases of failure to yield the right of way were filed, with four being fined a total of \$110. Three drivers were cited on traffic sign violations and paid total fines of \$45. One driver cited for failure to stop at the scene of an accident was fined \$25, and three drivers cited for following too closely were fined a total of \$75. In other business, the commissioners voted to discontinue maintenance of the Larspur esplanade unless delinquent bills from property owners living on Larspur drive are paid before April 1. Lattimore said there was an agreement in the past that the city would maintain the esplanade at a cost of \$10 per year to each property owner on the street. He said there are five who have not paid the assessment and that some of them have paid nothing for two years. The commissioners voted to erect 2,500 lumen street lights at the intersections of Highland avenue and Noble street, and Noble street and Gardner avenue. By unanimous vote, the commissioners moved to write the Twin Falls county legislative delegation that the city board favors house bill 124, which would raise the tax on beer to one and one-half cents. Part of the money would be prorated to cities on basis of population. The bill would receive about \$2.50 per capita as a result of the raise.

### NEWS BULLETINS

HARRISONBURG, Va., Feb. 10 (AP)—U. S. District Judge John Paul today ordered the reopening of Warren county high school on a desegregation basis on Feb. 18. The school at Front Royal in northern Virginia—the county's only high school—was the first to be closed under the state's now defunct massive resistance program when 22 Negroes were ordered admitted.

WASHINGTON, Feb. 10 (UPI)—A former juke box executive testified today that his company had to use gangland connections to fight violence in order to sell its machines. The witness was Milton Hammerberg, former vice president of the Wurliwitzer company. He told the senate rackets committee that racketeering and violence, including murder, was a pattern in the juke box industry.

NEW YORK, Feb. 10 (AP)—Mayor Willy Brandt, West Berlin, was treated to a ticker tape parade up Lower Broadway today. The weather was cool and rainy but the reception was warm.

ALEXANDRIA, Va., Feb. 10 (UPI)—This historic Virginia town reluctantly but quietly admitted nine Negro children to three of its public schools today.

Public Power Policy Flayed By Humphrey

WASHINGTON, Feb. 10 (UPI)—Sen. Hubert H. Humphrey, D. Minn., said today the Eisenhower administration is suppressing public power programs while the Soviet power program is gearing for all-out expansion.

"There is quite a contrast between plans for power development here and in Russia," Humphrey said. "The administration seems to be in the opposite direction: 'To retard and retard public power development.'"

Humphrey, back from a recent trip to Russia, contrasted power development in the United States and the Soviet Union in a speech prepared for delivery before the 17th annual meeting of the National Rural Electric Cooperative Association (NRECA). The association is the service organization of rural electric systems.

Interest rate spotlighted topmost in the minds of congressional delegates is the administration proposal that rural electric systems stop depending on the government for money at a "bargain basement" interest rate for development and expansion.

The administration contends that after 25 years the rural systems should stand on their own feet and stop loans at two per cent interest from the rural electrification administration (REA). It has suggested the systems get their money from private sources where the interest rate would be higher.

**He Will Speak**  
President Eisenhower is scheduled to speak informally at the convention tomorrow and outline the administration's position. Besides a major interest rate, he has suggested other financing changes for the rural systems.

"To put it in military terms," Humphrey said, "one could say the administration is conducting a holding action."

He is holding the line on hydro power development; holding the lid on public atomic power production; holding the door open for the power company hierarchy to strengthen its power and position; Secretary (of Agriculture Ezra Taft) Benson is holding the reins of REA, and if immediate steps are not taken you know who will be holding the bag."

Humphrey urged the delegates to keep hydro power development high on its list, and to demand that government harness streams as well as atomic energy for development of additional power.

**Graham's Isle Rest Is Ended**  
HONOLULU, Feb. 10 (AP)—Sunbanned and rested, Billy Graham left his plane last night for a five-month religious crusade in Australia and New Zealand.

The 40-year-old evangelist spent three weeks in Hawaii recuperating from a nervous disorder in his left eye which doctors ascribed to overwork and strain.

Graham said that his eye was "much improved."  
"It's about 75 per cent normal," he said, "and far better than I'd hoped for. It gives me no pain."  
Graham said he had been confined to bed for two or three days with a virus infection but that he was over it.

He will begin his crusade in Melbourne next Sunday and will conduct meetings there for five or six weeks.

**Talk Contest Won By Lloyd Hamilton**  
Lloyd Hamilton won the inter-city speech contest at the meeting of the F. B. Perrine Toastmasters Club Monday night at the Roger's hotel.

Hamilton spoke on "Let's Put Spirit Back into American Education." Homer Roberts was runnerup with his speech on "Are The Children of Working Mothers Handicapped?"

James Sidwell spoke on "Learn How, Pay Later." Leslie Jones' speech topic was "How I Bought My Wife a New Spring Outfit."  
Kenneth Reed served as chairman for the evening. Millard Ewing conducted table topics on "continuous day theme," with each speaker taking up where the preceding speaker left off.

William Doan was general evaluator. Donald Hutchins was grammarian and John Storrs was timer. By Graham, Piler, was a guest.

Six Scouts of One Troop Receive Eagle Rank

Six Boy Scouts of troop 66 were awarded Scouting's highest honor, the eagle rank, Monday night at a banquet held at the Presbyterian church. Jimmy Vissers, center, holds the award. Other Scouts, clockwise, are Scott Bridges, Douglas Tell, Jerry Tell, David McClusky and Bob Bradley. All six Scouts will receive the award again at a district court of honor to be held Wednesday evening. (Staff photo-engraving)

Six Members of Presbyterian Troop Earn Eagle Scout Rank

Eagle rank was presented to David McClusky, Scott Bridges, Jerry Tell, Douglas Tell, Jim Vissers and Bob Bradley, all troop 66, at a banquet held Monday evening in the Presbyterian church.

Pierce Roan and Jerry Kepner received life awards.

First class rank was presented to Harry Wilson, Gary Moore and Jerry McCalmon received second class awards. Harold Miller and John Olson received tenderfoot awards.

Cooking merit badges were presented to Larry Newby, Ronald Hodge, Gene Severt, David Armstrong, Dick Gyer, Ronnie Gray and David Whitney.

Bob Bradley received merit badges for firemanship, safety, personal fitness, soil and water, public health and citizen in the nation.

Jerry Kepner received scholarship, first aid, nature and firemanship merit badges.

Firemanship, first-aid-and-nature merit badges were presented to Pierce Roan, Tommy Tinker received safety merit badge.

Dean Patterson, Scoutmaster of troop 66, was presented a gift by members of the troop.

**Last Rites Held For Jacob Maier**  
RUPERT, Feb. 10—Funeral services for Jacob J. Maier were held at 2 p. m. Monday at the Rupert Pentecostal church with the Rev. Norman Rutzger officiating. He was assisted by the Rev. A. D. Hurt and the Rev. Kenneth Wine.

Music was furnished by Mrs. Sharon Yaden who played the prelude and postlude and accompanied Mrs. Rose Craven and Mrs. Winona Rosa, and Mr. and Mrs. Orrell Yaden, who sang.

Pallbearers were Dee Mahler, Dan Satterwhite, Jay Craven, Melvin Bruza, David Hardin and Robert Pfinstler. Honorary pallbearers were Wiley Craven, James Russell, John Barz, Oliver Clark, Winton Walker and the Rev. Mr. Rutzger.

Flowers were arranged by Kay Satterwhite, Mabel Bruza, Leona Dempsey, Eva Dobbins, Pauline Stein and Katherine Payne.

Concluding rites were held at the Rupert cemetery.

**VOLGO BUILDERS SUPPLY Twin Falls**

Lawyer Profession Puts Most Members in Congress of U. S.

WASHINGTON, Feb. 10—Although they suffered a slight loss in last year's elections, lawyers still have a working majority of both the senate and house in the 86th congress.

They outnumber fertilizer distributors 288 to 1, congressional biographies listing only one member in the latter category. He is Rep. D. S. Saund, D., Calif., who makes no bones about the fact that his business is "commercial fertilizer distributor."

Lawyers have 59 of the senate's 98 seats and 229 of the 436 in the house. In the last congress there were 56 lawyers in the senate and 234 in the house.

The presence of so many lawyers may account for the fact that it takes the proverbial "Philadelphia lawyers" to interpret so many acts of congress.

Among the more than 20 congressional occupations listed by the legislative reference service are 51 business or manufacturing executives. They constitute the second largest group, with nine in the sen-

ate and 42 in the house. The field of journalism, including radio and television, is represented by eight senators and 23 representatives. Agriculture has five senators and 30 representatives, while education has seven senators and 18 representatives.

There are three accountants and six advertising and public relations specialists, all in the house. The senate has one banker, while the house has at least five.

No dentists are listed in either branch, although there are seven doctors or pharmacists in the house. Three senators and 16 representatives are listed as having made a career out of being public officials.

Five members, all in the house, have been labor leaders. Alaska's two senators proudly proclaim in their biographies that they have been gold miners.

Miscellaneous categories include one chemist, two funeral directors, three clergymen, an inventor, a landscape consultant, a linguist, a forester and a restaurateur.

Two Are Fined

RUPERT, Feb. 10—La Vaur Coates, Carey, was fined \$45 plus costs by Police Judge George Redford Monday on a charge of public intoxication. In lieu of the fine, he is spending five and one-half days in jail.

James Cheeks, Rupert, appeared on a similar charge, second offense, and was fined \$50 plus costs. He is spending 10 days in jail in lieu of the fine.

**FARM BUREAU MEETS**

**NO OTHER PICKUP ...RIDES LIKE A '59 FORD**  
You get the smoothest ride of any 1/2-ton pickup, thanks to Ford's heavy-duty, 2-stage rear springs and long, tapered leaf front springs. Scientific Impact-O-Graph tests prove it. Non-sag type wire springing in seats provides natural body support for added comfort.

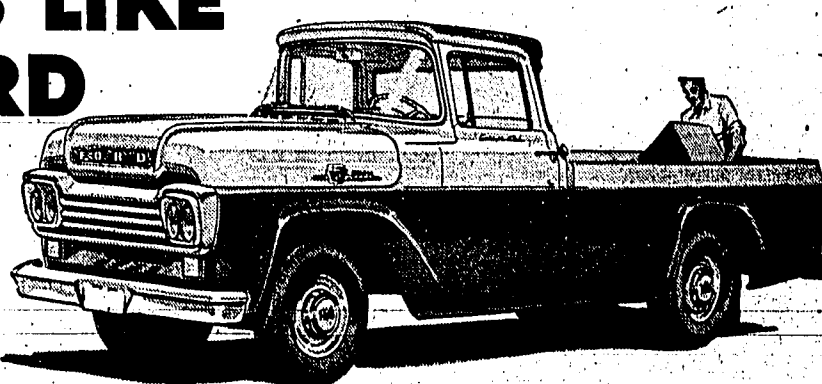

27 Ford pickups for '59! Choice of 3 wheelbases, 3 body styles, 4 body sizes and 5 Short Stroke engines.

**...HAULS LIKE A '59 FORD**  
Roomy Styleside box gives you 56 cubic feet of loadspace on 110-inch wheelbase. Big 8-foot box with 70 cubic feet of load capacity is available with 118-inch wheelbase. Both bodies feature welded all-metal construction with cross sills full width under body to give the structural strength you need for heavy hauls. Ford's toggle-type latches hold tailgate firmly in position to eliminate annoying rattles. And you've got Ford Short Stroke power to haul without huffing or puffing!

'59 Ford Styleside is roomy—and rugged! Wrap-around rear corners with rigid box-girder type construction strengthen both body and tailgate.

**...SAVES LIKE A '59 FORD**  
To the only Short Stroke Six in pickups today, Ford now adds a new economy carburetor. Net result: the greatest gas-saving combination on the road—and it's yours at no extra cost! And remember—if you need the extra power of a V-8, Ford has had more experience in building V-8 engines than any other truck manufacturer.

And Ford keeps on saving! Maintenance is low, trade-in value is traditionally high. And insurance studies prove that Ford trucks last longer!

### Buhl Minister Is Speaker for Scouting Fete

WENDELL, Feb. 10 — The Rev. Warren McConnell, Buhl Methodist minister, was the guest speaker for the annual father-son banquet commemorating the 49th anniversary of the Scout week.

More than 100 guests attended at the Methodist church. In honor of the occasion, the church introduced and benediction were given by the Rev. A. E. Gilbert. Walter H. Rea, toastmaster. J. H. Freckley was the song leader.

Bert Passmore, Bert Weston and Roy Parr, members of Scout troop 1011, gave the flag ceremony. "Toast to the sons" was given by Ward and the response by Ray and Volkers.

Leaders introduced were Robert Lujan, Explorer leader; Oren Hutcheon, assistant advisor for the Explorer post and Floyd Commons, senior postmaster; Beryl Passmore, senior patrol leader; Rollin Parr, assistant; Clifford Weinberg, leader of the Flaming Arrow patrol; Bert Peterson, assistant; Richard Phillips, Shooting Star patrol leader; Rex Taylor, assistant; Rex Stevenson, Confeders patrol leader; Donnie Dunn, assistant.

Boy Scout committee chairman introduced were Clifford Weinberg, chairman of the Wendell district; Arnold Runyon, finance; Lee Miles, camping; Lloyd Andersen, institutional representative; Oliver Phillips, program; Marvin Johnson, transportation.

Members of the Woman's Society of Christian Service in charge of the dinner were Mrs. Bess Edwards, Mrs. Bessie Benson, Mrs. Elmer Miller, Mrs. Cora Frith, tables; Mrs. Hugh Caldwell, Mrs. Earl Nielson, Mrs. David Rodriguez, Mrs. Joe Miller, Mrs. Mabel Robertson, Mrs. H. Freeman, kitchen; Mrs. Ed Johnson, Mrs. Fester Anderson, Mrs. James Eaton, Paula Lee Eaton, Diane Nielson, Mrs. A. E. Branch, Sharon Branch, and Mrs. H. J. Barton, serving; Mrs. Fred Eaton and Mrs. Glen Parsons, Mrs. A. E. Gilbert, program, and Mrs. Parsons, tickets.

### Penny Parade Is Topic of Service

HAGERMAN, Feb. 10 — Penny Parade for the Children's hospital, Salt Lake City, was explained by Mrs. Stanley Penfold, primary president, at the Sunday evening service at the LDS church.

Wallace Akers spoke of his experience while a patient there. Mrs. Linwood Warwick spoke of "What it takes for a home," and a quartet composed of Jack Allen, Vern Lott, Linwood Warwick and Monte Peterson, sang, accompanied by Mrs. C. E. Prince at the organ.

Mrs. Vern Lott spoke on "Pathways to Happiness" by David O. McKay, and Bishop D. H. Gold gave the final talk. Invocation was by Doug Wood and Orlan Richards gave the benediction. Linwood Warwick acted as chorister and Mrs. Prince as organist.

### Naval Enlistees Listed for Area

February enlistees in the United States navy from the Magic Valley area include Robert Dean Koozick, son of Mrs. Eiva Sutton; Jerry Lee Bauges, son of Mrs. Jesse Lippe, and Richard Eugene Davis, son of Mr. and Mrs. Ervin Davis, all Gooding; Kirby Newman, husband of Mrs. Roberta Newman, Twin Falls, recruited for four years; Ernest Lee Jordan, son of Mr. and Mrs. Hilda Jordan, Buhl; Virgil Lee Hughes, Twin Falls; and Billy Lee Dorman, son of Mrs. Christine Walston, Bliss, also enlisted.

Other enlistments included Billie Joe Matlock, son of Mr. and Mrs. William Matlock, Twin Falls; Jackie Ted Bortz, son of Mrs. Leland Peters, formerly of Rupert; Bonnie Dean Keen, son of Mr. and Mrs. Loye Keen, Buhl; Nellis Edward Burkhardt, son of Mr. and Mrs. John Thomas Burkhardt, Castletford; and Le Mont Joe Haley, son of Mrs. Marion Clark, Castletford.

### Church Arranges Lenten Services

Two services will be conducted each Wednesday during Lent at 7 and 8:15 p.m. at Immanuel Lutheran church, according to Irvin Ehlers, chairman of the board of elders.

The Rev. C. A. Rattgen, pastor, will deliver a series of sermons on "The Back of the Cross."

The sermon theme for this Wednesday will be "Enmity Between Two."

Annis Lindemann, music director, has arranged special music by various vocal groups of the church.

Lindemann, H. Einsphar, Mrs. Lindemann, Darlene Krueger and Ruth Werner will be organists.

### Perfect Score in Army Test Listed

Wayne L. Casten, son of Mr. and Mrs. Nile Casten, route 3, Buhl, enlisted for three years in the army and received a perfect score in his aptitude tests.

Casten received a score of 1-A in his tests in Boise, Sgt. John Roncevic reports.

Following his basic training at Ft. Ord, Calif., Casten will be enrolled in a 16-week medical laboratory procedures course at Brook Army Medical Hospital in Texas.

Casten is a graduate of Buhl high school and attended Idaho state college, majoring in bacteriology.

## Volunteer Service for Crippled Children Recognized

O. A. Kelker, Twin Falls, receives Shriner certificate from Dr. Frank McAtee in recognition of his volunteer services in connection with admission of crippled children to the Shrine hospital. (Staff photo- engraving)

### New Language Teaching Way Being Studied

PHILADELPHIA, Feb. 10 — The traditional methods of teaching foreign languages must be junked and an entirely new approach adopted.

That is the gist of a set of recommendations being made to more than 5,000 junior and senior high school principals. They are expected to have far reaching effects in the public schools.

The recommendations came from the committee on curriculum planning and development of the National Association of Secondary School Principals. The association is in convention here.

"What we need," the committee said, "is a complete change of emphasis from learning about the language to learning the language itself."

To bring this about, it urged that foreign language programs be made available to all capable and interested students, starting in the seventh grade if possible. The study of one language would continue for a minimum of four years; six if possible. The courses would be elective, not required.

Emphasis at the start would be on learning to converse in the language. Grammar, direct translation and reading and writing the language would follow later.

Grammar and the ability to read will come easily and naturally if adequate time has first been spent in learning how to hear and speak the language, the committee said.

Principals who heard the plan outlined yesterday were generally enthusiastic, but they had two bothersome questions:

"Where are we going to get the teachers? And how are we going to fit this into an already crowded schedule—what goes out if this comes in?"

### Award Is Given For Services to Shrine Children

In recognition of gratuitous services in connection with pictures required for admission to the Shrine hospital for Crippled Children, O. A. Kelker was presented a permanent voluntary subscription to the hospital by the Twin Falls Shrine club Monday night.

Three pictures are required of each child requesting admission to the hospital. Although not a member of the Shrine club, Kelker has provided these photos free of charge for a number of years, says club President C. A. Gore.

The presentation was made by Dr. Frank McAtee, vice president of the local club.

### Hospital Project Noted at Service

VIEW, Feb. 10 — Penny parade program to help the primary children's hospital in Salt Lake City was explained at the LDS sacrament meeting Sunday night.

Members of the Blue Bird class, under direction of Zelma Hatch, gave a skit on the subject. Larel Osterhout was graduated from primary by Mrs. Eward Gibby and accepted as a deacon in the Aaronic priesthood by Bishop Payne.

Talks were given by Sandra Knowland, Retta Bronson and Paul Tegan. Virgil Dana led singing and prayers were offered by J. E. Searle and David Moffett.

### Mrs. Wubker Is Honored at Rite

Mrs. LaVerne Wubker was honored at funeral services Tuesday afternoon at White memorial chapel with the Rev. W. A. MacArthur officiating.

Mrs. Nellie Ostrom Babcock was soloist and organist.

Palbearers were John Rogers, sr., John Rogers, jr., Charles Anderson, Wayland Custer, Robert Stansell and James Fisher.

Final services were held at Sunset Memorial park.

### Parking Fines

Posting overtime parking bonds of \$1 each with city police Monday were Sterling Larson, Bruce McCham, John E. Campbell, Mrs. Boyd Forsling, D. C. Malone, Norma Larson, Jim Finigan, Donald Johnson, Charlene Bengoechea, Dorothy Heldeman, R. A. Penning, Joffre Jensen, N. O. Grimm, May Perkins, June Moody, N. C. Weir, Donna Rudnick, Mrs. H. L. Stowe, Wilbur Ulrich, Larry Gier, Peggy Rambaud, Donald Johnson, Rolt Noh and Cain's, Inc.

### LDS Meet Held

ELBA, Feb. 10 — LDS Sacrament meeting was conducted by Bishop Orvil Beecher, with the opening prayer given by Don Chandler.

Mrs. Lewis Otley spoke and a piano solo was presented by Joyce Ward. Art Ward spoke and the benediction was given by Ewart Otley.

### Perfect Score in Army Test Listed

Wayne L. Casten, son of Mr. and Mrs. Nile Casten, route 3, Buhl, enlisted for three years in the army and received a perfect score in his aptitude tests.

Casten received a score of 1-A in his tests in Boise, Sgt. John Roncevic reports.

Following his basic training at Ft. Ord, Calif., Casten will be enrolled in a 16-week medical laboratory procedures course at Brook Army Medical Hospital in Texas.

## Job Training Described for PTA Meeting

BUHL, Feb. 10 — Alva Borders, superintendent of schools, speaker at the Buhl Chamber of Commerce meeting Monday at the R and R cafe, discussed "on the job training" for some 20 students of the Buhl high school commercial and secretarial classes.

Borders stated these students could be available for one to two hours daily and urged members to give work to these students to acquaint them with actual business problems. The matter was referred to the education committee.

Dr. Garth Atwood, temporary chairman of the rodeo board, reported favorable progress on plans to hold a rodeo in Buhl next summer.

President Pat Hamilton introduced Joe Hansen of Hansen and Hansen Livestock Feeders, Wendell, who spoke on the operation of the business. He said from 1,500 to 2,000 head of cattle are fed from 90 to 120 days and then sold for choice beef.

Ninety per cent of the fat cattle are taken by trucks to California markets. He also said it took approximately 14 pounds of feed per day per head. His talk was followed by a question period.

### Plan to Be Told

MOSCOW, Feb. 10 — The entire propaganda machinery of the Soviet Union was ordered mobilized today to popularize the new seven-year economic plan approved by the Soviet Communist party conference last week.

Pravda, the Communist party newspaper, ordered the mobilization of film, radio, television and publishing houses, and said lectures were to be held everywhere.

## Dog Days

CHICAGO, Feb. 10 (UPI) — Despite the frigid weather, these are dog days in Chicago.

Foundmaster Henry Yahn has advised the city's dogcatchers that "it's too slippery out there — when you chase dogs on those icy streets you wind up with plenty of fractures and no dogs."

## Meeting Is Held

### By Farm Bureau

Tom Alworth gave a speech on "Wills and Taxes" at a meeting of the Twin Falls Community Farm Bureau Monday night in the YWCA building.

G. A. Siren was in charge of the meeting. A report on the county meeting was given by John Burkhardt. Jay Williams gave a report on dairymen.

A wheat commission report was given by Warren Daugh. The Farm Bureau went on record as opposing the fertilizer lien bill.

Refreshments were served by Mrs. Melvin Sackett and Mrs. Al Hankins. Prizes were given to Mrs. Herman Stammerjohn and Walter Jones.

## 4-H Club to Hold First Aid Course

HOLLISTER, Feb. 10 — Members of the Salmon tract Chefs 4-H club decided to take a first aid course when they met Saturday at the home of LeRoy Messner.

Demonstrations were given by Velva Kellog on/boils and how to care for them; Idona Kellog, poison ivy; oak and sumac; William Loughmiller, artificial respiration; Marjorie Kellog burns; Cynthia Loughmiller, nosebleeds; Gilbert Kellog, ticks, and Joanne Owens, fingernail care.

Mrs. Heber Loughmiller, club leader, gave a talk on "Food for Fitness."

Roll call was answered by "What we learned on a tour of Hudson's Shoe store."

Next meeting will be held Feb. 21 at the home of Joe Owens.

### PROGRAM SLATED

RICHFIELD, Feb. 10 — Richfield PTA will meet at 8 p.m. Thursday in the high school with the Cub Scouts to present a program in observance of Scout week. There will also be a discussion on scholarships, reports Mrs. L. W. Magoffin, publicity chairman.

## Does More Than Just "Shrink" Pile Tissues! No Surgery Needed To Stop Pain Of Swollen Tissue While They Heal!

To stop nagging discomfort of swollen piles in minutes, thousands use **Stainless Pazo®**. Not only reduces tissue swelling but stops pain at once, promotes healing of inflamed tissues too—all without surgery! Preparations that just act to "shrink" piles can't offer complete symptomatic relief. For real comfort, fast, you need this more complete medication. In doctors' tests, patients had immediate relief. That's because **Stainless Pazo** combines the most effective ingredients known for piles. Thus works 3 ways at once: (1) stops pain, itching in minutes; (2) shrinks tissue swelling, congestion; (3) promotes healing of raw tissues. You get immediate new comfort while Nature's own healing magic goes to work! Don't suffer needlessly. Get **Stainless Pazo** Suppositories or Ointment at drugstore. Get relief without surgery or money back!

JOAN PETERSON (Leyson photo—staff engraving)

Joan Peterson to Marry Henderson

JEROME, Feb. 10—Mr. and Mrs. Elmer C. J. Peterson have announced the engagement of their daughter, Joan, to Darrell Henderson, son of Mr. and Mrs. Glen Henderson, Rexburg.

The bride-elect is a sophomore at Ricks college, Rexburg, majoring in elementary education.

Her fiance is attending the University of Utah, Salt Lake City, majoring in mathematics.

Friendship Club Fetes Husbands

HANSEN, Feb. 10—Members of the Friendship club decided to have their annual party for husbands Wednesday evening at the Rice Bowl, at their regular meeting Thursday afternoon at the home of Mrs. Blake Froehlich.

The group will meet at 6:15 p.m. at the A. F. Daw home. Following the dinner, the group will return to the Tom Steelsmith home for a special program.

Mrs. Dell Wright, Mrs. Charles Bally and Mrs. Eldon Durk were named to the yearbook committee.

A discussion was held on finishing the quilts for the Idaho Ranch for Youth. Three quilt tops were given the club by Mrs. Joe Engel.

Thank-you notes for Christmas gifts were read from the adopted patients at the Tuberculosis hospital at Gooding.

Mrs. Ralph Ivie presented the program, a quiz concerning data on Lincoln's life. Mrs. Ralph Simmons received the prize.

The Feb. 19 meeting will be held at the home of Mrs. Allen. Mrs. L. W. Moore will assist. Mrs. Kenneth Naylor is program chairman.

Meeting Planned By Hailey Group

HAILY, Feb. 10—Members of the Mission society of the Community Baptist church are planning a second work and business meeting at the church for Wednesday.

The meeting will start at 1:30 p.m. and bandages will be rolled as a part of the white cross quota.

The group rolled 45 bandages at a meeting last week to begin filling the quota for the year.

Mrs. Roy Reeder carried at this work meeting and served out the Valentine motif in her table decorations.

Valentine Party Slated for Girls

Final plans were made by Tan-Ka Camp Fire group for a Valentine party when they met last week at the home of Mrs. Sam Garmire, guardian.

The party will be held Friday. Committee to make and distribute invitations are Judy Motzner, Cheryl Flynn and Sandra Drake.

Miss Drake conducted the meeting. Mrs. Garmire reported on the candy sale and awarded each member her bonus.

A note was read from the Presbyterian board of deacons secretary thanking the group for the table decorations made for the annual Presbyterian congregation dinner.

Mrs. Leo Durfee Conducts Lesson

ALMO, Feb. 10—"Seek not to counsel you God" was the visiting teacher message presented by Mrs. Leo Durfee in a preliminary officers' and teachers' meeting last week at the LDS church.

The theology lesson, "The church organized in the last dispensation" was presented for the Relief society by Mrs. Ottella Tracy.

To emphasize the preparations made for the formal organization of the church and to indicate a relationship between the teachings of the "Doctrine and Covenants" and the "Book of Mormon" was the objective developed through class discussion.

Mrs. Arthur Taylor and Mrs. Durfee assisted with the lesson.

Richfield's North End Club Notes Varied Activities

RICHFIELD, Feb. 10—Committee reports were made, a new member welcomed and community needs discussed at the North End club meeting Thursday at the home of Mrs. Otis Brush, with Mrs. James Brown as co-hostess.

The club decided to donate funds raised for the swimming pool to the Richfield Lions club for use in community betterment.

Mrs. Odell Chatfield was received as a new member.

Mrs. Ray Appell, president, named Mrs. Lester Stubbs and Mrs. Edgar Stubbs, as ticket chairman for the quilt project, which has been completed.

Mrs. Robert Bell, Mrs. James Brown and Mrs. Everett Ward were named as cooked food committee.

Mrs. Lester Stubbs received the club "guess what" prize.

Mrs. Brown will entertain the club at the Feb. 19 meeting.

Memorial Ritual Held by Chapter

JEROME, Feb. 10—The altar was draped in memory of three past grand patrons of grand chapter of Idaho, Order of Eastern Star, at the meeting of the local chapter last week.

Mrs. Max Fuller was chosen as "Star of the evening" by Mrs. Alva Morton, worthy matron.

During the business meeting, a proposed amendment of the by-laws was read by Mrs. S. G. Davis.

Mrs. Bart Shlmmir gave a report of accomplishments of ESTARL central committee.

Mrs. Morton thanked Mrs. Mal Stuart and Mrs. Vernon Vinyard for serving as substitute officers.

Refreshments were served by Mrs. William Diehl, Mrs. Fred Patz and Mrs. Max Fuller.

Order in Wendell Conducts Rituals

WENDELL, Feb. 10—A memorial service for Walter C. Clark, Kellogg; Albert E. White, Payette, and Dr. Virgil P. Garst, Malad, past grand patrons of the Idaho chapter of the Order of Eastern Star, was conducted at last week's meeting of Star of the West chapter No. 35.

Mrs. S. G. Clower, worthy matron, presided for the meeting.

Mrs. S. G. Clower, worthy matron, presided for the meeting. The star choir accompanied by Mrs. H. J. Barton sang. Choir members include Mrs. Walter Kelley, Mrs. Fred Eaton, Mrs. Phil Hirrel, Mrs. Albert Lancaster and Mrs. Ortha Hoskins.

Reports of participation in the Mothers' March for polio by members of the order was made.

Mrs. T. H. Boyd read a paper about the lives of George Washington and Abraham Lincoln.

Refreshments were served by Mrs. Boyd, Mrs. Esta Burk, Mrs. James Gossett, Mrs. Owen Bolan and Mr. and Mrs. Ed Oschner.

Fair Is Scheduled For Area Women

BURLEY, Feb. 10—All women are invited to attend the Hen House fair and pollock luncheon at 10 a.m. Wednesday at the Emerson Grange hall.

Mrs. Helen King, editor of the homemakers department of the Pacific Northwest Cooperator, will show slides of the Portland Hen House fair.

Mrs. James Horner and Mrs. R. D. McDermott from the Burley Cooperative association will head the hostess committee.

Valley Club Meets

HAGERMAN, Feb. 10—Past Noble Grand club of the Rebekah lodge met Thursday afternoon at the home of Mrs. Charles Robinson with Mrs. Howard Marsh, chairman, conducting the meeting.

Next meeting will be held at the home of Mrs. Frank Henslee.

ARLENE LARM (Staff engraving)

Miss Larm Plans Spring Ceremony

BUHL, Feb. 10—The engagement of Arlene Larm to Lyle Masters, son of Mr. and Mrs. J. E. Masters, Buhl, is announced by her parents, Mr. and Mrs. David Larm, Mount Vernon, Wash.

Miss Larm is a 1954 graduate of LaConner high school and attended Western Washington college of education in Bellingham for one year.

Masters was graduated in 1954 from Buhl high school and also was graduated from the Reppert school of auctioneering.

Masters is engaged in farming with his father.

Donation Set at Buhl AWM Meet

BUHL, Feb. 10—American War Mothers voted to send \$25 to the veterans hospital in Boise when they met last week in the civic rooms.

The annual contribution is to be used for potted plants, birthday cake and gifts and chapel flowers at the hospital.

A letter was read from Mrs. Nelle Dickey, state president, stating the state convention will be held June 1 and 2 in Lewiston.

Refreshments were served following the meeting by the hostesses, Mrs. Rutherford and Mrs. Emmett Bauer, Filer.

Proceeds Listed For Buhl Benefit

BUHL, Feb. 10—A total of \$176 was raised at the benefit party of the Rebekahs and Odd Fellows, it was announced when the Buhl Rebekah lodge met last week at the IOOF hall.

Mrs. Emily Kramer was elected as financial secretary and Mrs. Mable Ripley was appointed as temporary chaplain.

Mrs. William Chambers spoke on Thomas Wildie, founder of Odd Fellows in America.

Refreshments were served following the meeting by the hostesses, Mrs. Wes Fuller, Mrs. Art Wilson, Mrs. William Worland, Mrs. Walter Shaver and Mrs. Mabel Ripley.

Birthday Marked

PAUL, Feb. 10—A party was given last week for Kenneth Reidinger, son of Mr. and Mrs. Otto Reidinger, on his second birthday anniversary.

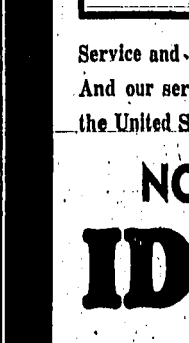

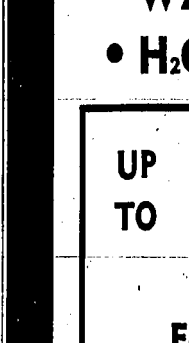

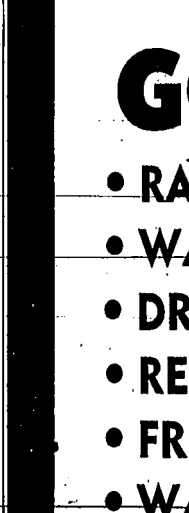

The party was at the home of his grandparents, Mr. and Mrs. John Reidinger.

Other guests included Mr. and Mrs. George Comstock, Burley.

Cards Played

HEYBURN, Feb. 10—Holsten was hostess to the at a dessert card party at her home. Prizes for netta Pullman. Pinocchio won by Mrs. John Blank. Mrs. Dorothy Ross, Peterson and Mrs. Er were guests. Mrs. Erwin guest prize.

The club will meet in the home of Mrs. Darland.

# Willer Leads Buhl Past Burley 49-38 In Big 7 Action

BULL, Feb. 10—Junior Mike Willer poured through 17 points here Monday night as the injury-ridden Buhl Indians struck down the Burley Bobcats 49-38. Willer, who filled the shoes of Ross, scored 17 points on 11 jump shots plus one free throw, and Drown and Wayne Buehl, the Indians' top scorers who have been sidelined by sprained ankles. Willer's early sharp-shooting finally ignited the entire team late in the third quarter as they boomed to a big margin and at one point enjoyed a 17-point bulge. Only a five-point effort by Little Abbie Vaughn in the final three minutes pulled the Bobcats back into a respectable finish.

## Borne, Lenz To Meet in Return Match

A "winner-take-all" return match between the hot Tony Borne-Henry Lenz "wrestling series" will feature the "Big 7" weekly wrestling card at the Idaho Rodeo tonight. Matches begin at 8:30 p.m.

As an added incentive, promoter Cliff Thiede stated the winner of this week's match would be probable opponent for newly crowned world heavyweight champion Pat O'Connor, who is slated to appear here Feb. 17.

Lenz and Borne brought the "wrestling series" to Idaho from Portland, where Lenz said he chased Borne out of town. Last week most of the action took place outside the ring and ended up as a "no contest" ring and ended up as the worst of it decision. Borne got the worst of it, however, as Lenz batted his head against the turnbuckle and wall before the match ended.

In the semi-final, Bill Melby will take on Dan McDonald, who is returning to Twin Falls following a absence of several months.

The opener finds an old villain "Luger" Larsen taking on Nelson Royal.

## BOWLING

# They're Not Practicing Ballet

In spite of appearance, this group is not practicing for a ballet program, the boys are after a rebound during the Burley Bobcat-Buhl Indian basketball game. Buhl's Doug Pember (23) and Ron Starley, Burley, (12) are off their timing in fighting for possession. Surrounding them with a circle of upraised arms from left are Roger Wilson (21) and Ron Bryant (15) both Burley and Gary Matlock, Buhl, 13. In foreground at right is Carl Leth (53) of Buhl. The Indians took the game 49-38. (Staff photo-engraving)

## 4 Conference Hoop Games Set Tonight

Three Northside conference games and a contest between Buhl and Pler represent all the conference action for tonight's high school basketball schedule. Only one other game is slated, the Murrtaugh Red Devils traveling to Kimberly in a non-league affair.

Buhl, best from a 49-38 victory over Burley Monday night, will be out to further cement its second place ruling in the Big Seven conference while the Pler Wildcats have the opportunity of breaking above the 500 mark. Buhl now boasts a 6-3 league mark, second only to the champions, Minico Spartans, and Pler is 4-4. The game will be played at the Pler gymnasium.

On the Northside, pace-setting Dietrich, holding a one-game edge in the championship race, entertains the Mushers of Oamas, who are 5-4. Third place Bellevue will be the visiting team when it meets the fifth place Carey Panthers and Bliss Bears, in sixth place, go to Gooding to meet the cellar dwelling Gooding Staters.

All preliminary games begin at 7 p.m. except the Dietrich-Oamas County contest, which opens at 8:30 p.m.

## NEW TOURNAMENT

**JUNIOR TOURNAMENT**

## 38-Year-Old Stan Musial Signs Second \$100,000 Contract With St. Louis Cards

ST. LOUIS, Feb. 10—Stan the Man Musial, plucked and confident but making concessions to his advanced baseball age of 38, signed his second straight \$100,000 contract with the St. Louis Cardinals Monday.

Musial, who signed his first baseball contract 21 years ago for \$85 a month, is the highest-paid player in National league history. His salary is second in the game's annals only to the \$125,000-plus paid to Boston's Ted Williams.

Stan said he was fully recovered from a lame left leg which hampered him through the last half of last year and ruined his bid for an eighth National league batting crown.

Cardinal owner August A. Busch Jr. said "I'm sure Stan won't mind signing a long year."

"I'm going to have another great year and I think the Cardinals will

## Methods for Supervising Ballpark Set

Supervision of Jaycee ballpark will be under the direction of a committee representing three groups, the city commission ruled Monday night.

As there will be no professional team in Twin Falls this year to utilize the park, means of opening it for the use of the general public were studied.

Supervision will be divided between representatives of the Magic Valley Cowboy baseball club, Inc., city recreation committee and John Wolfe and Vern Riddle, city commissioners.

The recreation commission recommended the park be opened to such uses as high school and American Legion baseball along with other social activities suitable for outdoor showing. The commission suggested a "cost of operation" charge to the groups using the park to cover cleaning up and lighting expenses.

R. M. (Dick) Serpa, president of the Cowboy club, suggested the joint committee type of supervision, noting if the club lost complete control of the park, the club's chances of fielding a team in a future season would diminish. He suggested whatever profits would accrue through use of the park be shared with the ball club to help reduce its \$700 debt.

Commission chairman J. Ted Davis directed the interested parties to name their representatives to the board and meet to study the problem as soon as possible.

## Meeting Slated

**HAZELTON**, Feb. 10—Regular monthly meeting of the Jerome County Rod and Gun club will be conducted at 8 p.m. Wednesday at the Hazelton Presbyterian church.

A film will be shown and refreshments served.

## Mississippi State Upsets Wildcats 66-58

STARKVILLE, Miss., Feb. 10 (AP)—Mississippi State, led by Bailey Howell who had 27 points before fouling out, tripped top-ranked Kentucky 66-58 Monday night. An overflow crowd of 5,600 saw the game. The victory gave Mississippi State an 8-1 Southeastern conference record to 8-2 for Kentucky, the defending national champion. It shoved State into second place in the SEC standings behind Auburn's perfect 10-0 chart. Kentucky still may be the conference representative in the NCAA tournament next month, however. Auburn is ineligible because of NCAA probation, and Mississippi State may not be able to play because a state law in Mississippi prohibits competition between a school in the university system with teams having Negro players.

State took the lead 5-4 with 12:58 remaining in the first half and never relinquished it, bottling Kentucky's offense with a zorie defense. Howell, who fouled out with 4:24 remaining, hit 10 of 18 field goal attempts and seven of eight free throws. Howell also led both teams with 17 rebounds.

State was ahead by 18 points, 56-38, when Howell left the game. The victory was State's 19th in 20 games. The loss was Kentucky's second against 18 victories.

Mississippi State hit 19 of 38 field goal attempts for a 52.6 percentage. In the second half, the Maroons had 78.6 percentage, hitting 11 of 14 from the field.

## Gets New Contract

**LARAMIE**, Wyo., Feb. 10 (AP)—Bob Devaney's coaching success at the University of Wyoming was rewarded here Monday with a new five-year contract.

The new agreement replaces Devaney's original three-year contract which had one year to run. Salary terms were not announced.

# SPORTS

## Indoor Seven-Foot High Jump Leap May Not Be Allowed as New Record

NEW YORK, Feb. 10 (AP)—John Thomas' seven-foot high jump—the first in history indoors—may be tossed out the window, AAU chief Dan Ferris indicated Monday. "There's no doubt about it," said Ferris, "the height was not measured after the jump as required by the rules." Thomas, the 17-year-old Boston university freshman, made his record leap in the Millrose Games in Madison Square Garden a week ago last Saturday. Of course, the chances are that young John will go even higher before the AAU rules committee meets to pass on records in Miami in December.

## Burley Man Challenges Cranney in Big 7 Race

Oakley's Gary Cranney lost a fraction of a point in Big Seven conference action last week but held his lead in the individual scoring race but faced a new challenger in Roger Wilson of Burley, who pulled into the runner-up spot. Cranney, one of the smaller men in the league, has poured through 144 points in 10 games for a 14.4 average.

The Hornet sharpshooter took fifth in the scoring parade last year with 152 points, in 12 games, just eight more than he has in 10 contests this year.

Wilson, No. 9 on last year's scoring list, displaced Minico's Pat O'Donnell for second place. Wilson raised his average seven-tenths of a point to 13.6 while O'Donnell skidded slightly to 13.0. In placing ninth last year, Wilson scored 126 points in his 12 games and this year has 110 in only eight.

Flier's Mel Hine recovered slightly during the week to stay in fourth place at 12.3, leveling off a tailsip that started with a 14-point average. Mike Tegan, Flier, was next at 12.2. In sixth place was Jay Scanlon of Gooding at 11.7 followed by teammate Ray Gibbons at 11.4. Two Buhl men, Wayne Buel and Ross Brown, held the next two spots with 11.1 and 10.7 points averages, respectively, but both have been injured and may not be able to complete the full 12-game cycle. Bill Block of Jerome was the 10th man at 10.2.

The newly crowned champion Minico Spartans continue to pace the circuit in offense with 56.9 points average in 10 games. Burley is second at 50.3. Defensively, Jerome still enjoys a healthy margin, holding opposition to 36.5 points per game compared with Minico in second on a 41.5 percentage.

Wilson still is tops in free throw shooting with 42 conversions in eight games, but Tegan, who already has missed one game because of a sprained ankle and may miss more, has 39 in seven outings for a better average. For teams, Gooding is high with 87.3 percentage of conversions to opponent fouls followed by Oakley with .837 and Burley with .820.

"Hatchet man" honors go to Minico's Gerald Mays with 42 fouls, second by Oakley's Hunter with 36 and Hine with 31. Burley has become the "foulingest" team with a 17.3 average per game but Oakley is right behind with 17.1.

Conference standings with point totals (overall won-lost records in parenthesis) includes:

Team	Won	Lost	For	Against
Minico (13-2)	10	0	569	415
Buhl (8-6)	6	2	279	268
Jerome (10-7)	6	2	357	329
Flier (8-8)	4	4	246	257
Burley (6-7)	3	6	408	408
Gooding (8-9)	5	6	391	458
Oakley (2-10)	0	10	311	474

## Seven-Footer Quits School

SPOKANE, Feb. 10 (AP)—Jean Claude Leteuvre, the nation's tallest college basketball player at 7 feet, 3 inches, withdrew from Gonzaga university today and said he is going back to France the victim of promotion, emotion and a bum knee.

"People expected too much," he said, "and when things did not all go well I lost my confidence. Basketball is my life, but I cannot progress here now as I must."

He said he would fly to Paris Tuesday and rejoin his coach, Robert Bushell, to start practicing with the French national team for the European championships in May. He has already been picked for the 1959 French Olympic team.

Leteuvre, who didn't play the game at all until he was 18, leaves an odd record at Gonzaga. As a freshman a year ago he set an all-time school high of 50 points in a 75-72 victory over Whitworth, an arch cross-town rival.

## TASTE THE GREATNESS ... of Historic Old Crow

ANDREW JACKSON often received JAMES POLK at his home. He was known to drink Old Crow in the highest terms. (Reported in a 19th century newspaper)

When Old Crow was born 124 years ago in Kentucky, it was the nation's first real bourbon. Today, lighter, mellower Old Crow is the favorite bourbon of all America.

Clontz alleges that the equipment, some of it his personal property and some of it leased, was worth \$70,858.26.

Participate in Tour (continued)
The Rev. John T. Loftus, dean of the Catholic school said the action was in line with Bellarmine's policy of making students live up to "academic excellence."

It takes 'N' men (continued)
"Without fertilizer, we could get only 200 sacks an acre from our potatoes. With fertilizer, we get 350 sacks—that's why we see that fertilizer is applied and that we use enough," Mr. Lee says.

USS Nitrogen Fertilizers (continued)
In addition to 130 acres of potatoes, Mr. Lee has 148 acres in wheat, which he sends to the mill. "We use 50 pounds of available N per acre, and our yields are 80 bushels an acre, and up. That's a real increase—we used to get about 50 bushels an acre without nitrogen," Mr. Lee reports.

USS Nitrogen Fertilizers (continued)
Order USS Nitrogen Fertilizers from your dealer today for that added income at harvest time. USS Nitrogen Fertilizers, made by United States Steel, are easy to use and they help farmers achieve higher yields and higher profits.

### Lost Boy, 9; Uses Advice; He Stays Put

EVERETT, Wash., Feb. 10 (AP)—Young Pat Lance followed his parents' advice Sunday and that may have saved his life.

The 9-year-old Seattle boy became lost in the dense woods 14 miles northeast of here while chasing a rabbit.

Boy Stays Put

Despite a heavy snowstorm and temperatures that hovered just above the freezing mark, the youngster stayed in one spot as he had been told to do if he ever got lost.

When searchers found him about 6 p.m., Pat had bedded down for the night.

"The little guy had crawled under a log with some boughs hanging over it," Charles Keller, one of the men who found him, said.

Night Spent in Woods

The men built a fire and stayed at Pat's makeshift bivouac through the night and returned him to his anxious parents, Mr. and Mrs. James Lance, yesterday.

Aside from a tremendous appetite, Pat showed no ill effects from his night in the woods.

The boy had accompanied his father to the family's summer cabin at Lake Bosworth where Lance was clearing some land.

### T. F. Man Among Plane Crash Survivors

Charles W. Crow, Twin Falls, left, discusses his sprained ankle with Thomas J. Bronson, Ironsides, Ore., following crash of a transport plane near Comfort, Tex. Crow was recuperating at Lackland air force base hospital at San Antonio and Bronson was released from hospital just after photo was taken. Crow is the son of Mr. and Mrs. Charles Crow, Twin Falls. (Air force photo—staff engraving)

### C. of C. Gives Donation for New Hospital

BURLEY, Feb. 10—Highlight of the Burley Chamber of Commerce meeting Tuesday noon was the appropriation of \$1,600 as a donation for the Cassia Memorial hospital, \$1,050 of which is earmarked for furnishing a semi-private room.

Included in the total was \$300 previously given to the hospital board by the chamber to be used as publicity funds, it was pointed out by Mrs. Fred Anderson, Chamber secretary. The original suggestion for the amount of the gift came from Frank Goodwin.

Mrs. Anderson reported initial work has been completed on a proposed Burley and Cassia county directory by the R. L. Polk company. Soon to be started is contacting all citizens 18 years of age and over by team of workers.

It will require about three to four months to finish the job, Mrs. Anderson stated.

The publishing firm has promised the Burley Chamber of Commerce a library of directories valued at \$5,000. Several volumes of this library are already on hand. These may be used by anyone at the chamber office in the lobby of the National hotel.

Charles Hendricks, who with his wife, Mrs. Anderson and Mr. and Mrs. Jess Parsons, attended the annual banquet of the Twin Falls Chamber of Commerce last week reported on the meeting.

E. Dennis Skoglund, chairman of the local Exchange club's business week observance in Burley, urged businessmen to attend the open house of the Burley police department.

Morris Munson, manager of the Cascade Container corporation, was

### What?

CHICAGO, Feb. 10 (AP)—One of the most unusual things about an instrument which measures respiration changes in a patient reacting to sound is its name.

It's a psychostethokrytograph-phonometer.

Dr. Harry C. Peake, Parkhill, Ont., Canada, discussed use of the instrument yesterday at the mid-winter meeting of the Chicago Dental society.

After pronouncing it once, he referred to it thereafter simply as the psychograph.

The word has 31 letters—three more than the favorite old law-breaker, antidisestablishmentarianism.

### Party Slated

KING HILL, Feb. 10—Members who have birthdays in January, February or March will be honored at the King Hill Grange party slated for Wednesday night. The event will open with a dinner at 7 p. m.

The Rev. and Mrs. R. I. Barnes and Mr. and Mrs. Martin Woodward are in charge of the valentine party.

### Election Held for Filer 4-H Council

FILER, Feb. 10—Mrs. Heber Loughmiller was reelected president at a meeting of the Filer 4-H council Monday night.

Other officers elected are Ivan Garmad, vice president; Mrs. A. E. Harper, secretary, and Mrs. Walter Mathieson, county council delegate.

Mrs. Clinton Dougherty and Laura Lee Harper were appointed newspaper reporters.

Donald Youtz, assistant county agent, announced that National 4-H club week will be observed from Feb. 28 to March 7. Any 4-H club interested in decorating a store window for 4-H week is asked to contact Youtz.

Mrs. Loughmiller reported that the Twin Falls county Pomona Grange will donate \$250 and the county Farm Bureau will donate \$180 for summer camp and 4-H club congress scholarships.

### Breakin Probed

BUHL, Feb. 10—Deputy Sheriff Curtis Proyer is investigating a break-in at the Roy Hayers grocery store located on the Burley corner here sometime Saturday night.

A window was broken in the east door and the burglar reached in and unlocked the night latch.

Millard Stahlman, who lives near the grocery, was driving by Sunday morning and noticed the broken window and reported it to Deputy Sheriff Proyer.

The window was opened in the meat counter but Hayers said he could not tell if anything was stolen without taking inventory.

### PTA TO MEET

FILER, Feb. 10—A roundtable discussion on student extra-curricular activities will be featured at the PTA meeting at 8 p.m. Thursday.

Participating will be Mrs. Saras, Mrs. Horace Smith, Mrs. Parrott, Ellen Leirman and Elizabeth Lammers.

### Legislative Log

By Associated Press  
Introduced in Senate

SB102 (Insurance)—Redefining methods of making payments by fraternal and benefit societies.  
Passed by Senate

SB48 (Counties and municipalities)—Exempting vehicles used by non-profit educational organizations from operating fees.

SB50 (Hochster, et al)—Proposing a constitutional amendment to make the state's bonded limit three per cent of the assessed valuation, instead of two million dollars.

HB61 (State affairs)—Authorizing investment of surplus funds in Idaho tax anticipation notes and registered warrants.

HB70 (State affairs)—Providing that certified mail may be used wherever the law says registered mail.  
Passed by House

HB71 (State affairs)—Permitting investment of permanent endowment funds in U. S. government bonds.

SB8 (Donor)—To provide a method for foreclosure of prior mortgages on liens on real property also covered by a lien under public assistance laws.

HB45 (Kistler)—Requiring truck buyers, agents and dealers to furnish products to carry identification stickers on their vehicles.

SB23 (Elections)—Requiring that a county commissioner appointed to fill a vacancy be of the same political party as his predecessor.

Passed by House

HB13 (Public welfare and health)—Authorizing department of law enforcement to require additional study for renewal of chiropractic licenses.

Introduced in House

HB100 (Printing)—Abolishing Idaho state seal commission.

HB174 (Counties and municipalities)—Permitting county coroner who is a physician and surgeon to collect claims for funeral expenses.

HB171 (Counties and municipalities)—Increasing permissible tax levies and assessments for support of policeman's retirement fund.

HB172 (Forestry and public lands)—Making it unlawful to range livestock on state highways.

HB173 (Elections)—Providing for primary convention.

HB174 (Elections)—Providing for "call-for ballots."

HB175 (Industry and labor)—Creating air pollution control authority in state board of health.

HB176 (Public health)—Requiring two years of high school and setting up other qualifications for barbers' apprentices.

HB177 (Public health)—Providing for appeal from action of department of law enforcement denying, suspending or revoking a certificate of registration or license.

HB178 (Public health)—Providing for certificate of death, pending in connection with pre-arranged funeral plans.

HB179 (Public health)—Prohibiting a coroner who is an undertaker from performing undertaker services in connection with a death he investigates as coroner.

HB180 (Public health)—Prohibiting licensing of funeral homes which negotiate contracts for pre-arranged funeral plans.

HB181 (Reclamation and irrigation)—Providing for penalties for delinquencies in paying assessments of irrigation districts.

HB182 (Insurance)—Providing for organization and incorporation of mutual modified reserve life insurance companies.

HB183 (Insurance)—Authorizing state banks to accept deposits up to \$1,000 to their officers and employees.

HB184 (Insurance)—Amending law on assignment of accounts receivable.

HB185 (Insurance)—Increasing minimum capital required for organization of a state bank.

HB186 (Insurance)—Eliminating a requirement that consent of existing banks in a town be obtained for establishment of a new branch.

HB187 (Education)—Spelling out reasons school board must give for decision not to re-employ a teacher.

HB188 (Education)—Providing for codification of Idaho state school laws, appropriating \$25,000 to state board of education.

HB189 (Education)—Providing additional grounds for revocation of teachers' certificates.

HB190 (Commerce and development)—Permitting bars to open at 7 a. m. instead of 10 a. m.

HB191 (Highways)—Amending law relating to refunding tax upon motor fuels.

HB192 (Highways)—Declaring section lines on public lands as public highways.

HB193 (Education)—Repealing law providing for levy on behalf of school districts where assessment ratio is below that established.

HB194 (Insurance)—Providing that insurance companies may provide that their policies do or do not cover damage by nuclear reaction or radiation.

HB195 (Judiciary)—Permitting probate judges to appoint committees to assist in conduct of proceedings under youth rehabilitation act.

HB196 (Judiciary)—Providing for physical examination of persons being sent to Idaho Industrial Training school.

HB197 (Judiciary)—Providing that 15-year-olds charged with misdemeanors may be prosecuted as adults.

HB198 (Judiciary)—Providing that a parent consent to adoption of child shall not be set aside because the parent is a minor.

HB199 (Revenue and taxation)—Lev-

ing an annual ad valorem tax of two million dollars each for 1959 and 1960.

HB200 (Judiciary)—Providing that positions for district judges and supreme justices be based on their home pay.

HB201 (Appropriations)—Authorizing issuance of state building fund bonds.

HB202 (Education)—Providing for auditing school district books and accounts and student activity accounts at least once every two years.

HB203 (Aeronautics)—Authorizing surplus property agency to contract with similar agencies in other states.

HB204 (Insurance)—Providing basis for premium and valuation for the required reserve of mutual benefit or life associations.

HB205 (Judiciary)—Providing contracts are void if they restrain anyone from engaging in a lawful profession, trade or business of any kind.

HB206 (Reclamation and irrigation)—Setting June 20 and Dec. 20 as assessment dates for irrigation districts.

HB207 (Counties and municipalities)—Setting salaries for county commissioners.

HB208 (Printing)—Giving state land board authority over lands acquired by state and department for grazing or forage.

HB209 (Counties and municipalities)—Providing for merger of municipalities.

HB210 (Printing)—Prohibiting fish and game department from acquiring land for grazing or forage.

HB211 (Counties and municipalities)—Providing salaries for prosecuting attorneys.

HB212 (Reclamation and irrigation)—Exempting property of irrigation districts from taxation.

HB213 (Judiciary)—Making it unlawful to deliver a phony summons, complaint, writ or court process.

HB214 (Livestock and dairying)—Increasing maximum fee for brand inspection of livestock sale rings from 10 cents to 15 cents.

HB215 (Livestock and dairying)—Prescribing fees for inspections by state brand board.

HB216 (Industry and labor)—Bringing state and public employees under minimum wage law.

HB217 (Industry and labor)—Bringing regular agricultural employees of state institutions under employment security law.

HB218 (Livestock and dairying)—Pro-

viding maximum fees for brand inspection.

HB219 (Livestock and dairying)—Creating a state board of veterinary examiners.

HB220 (Fish and game)—Prohibiting free fishing and hunting for servicemen on leave.

HB221 (Fish and game)—Raising resident fish and game license fees to \$3 for fishing or hunting separately and \$5 for combination.

HB222 (Fish and game)—Eliminating free fishing and hunting for servicemen on leave.

HB223 (Fish and game)—Eliminating provision that members of the armed forces may obtain resident fishing and hunting licenses.

HB224 (Fish and game)—Establishing salmon fishing permits, with a fee of one dollar.

### Fire Misses U. S. Research Project

NEW YORK, Feb. 10 (AP)—Material on government-subsidized research projects escaped damage in a half-million-dollar fire in a chemistry building at Fordham university.

Firemen fought the explosion-dotted blaze on the Bronx campus for an hour to bring it under control yesterday. A student laboratory assistant was treated for smoke poisoning.

The salvaged material pertained to cancer research projects for the National Institute of Health and the air force and an undisclosed project for the atomic energy commission.

## These Rambler Quality Features Show You Why

**ROOMINESS.** Plenty of leg-room, shoulder room and leg-room for six big 6-footers, without big car bulk.

**MANEUVERABILITY.** Easier handling, parking. Rambler makes U-turns in streets 4 feet too narrow for others.

**TOP ECONOMY** combined with surprising performance, proved by NASCAR border-to-border economy runs.

**SMOOTHER RIDE** with better cornering results from Rambler's Deep Coil Springs that absorb bumps 3 times better.

**SINGLE UNIT CONSTRUCTION**—pioneered by Rambler, copied by highest-priced cars. Stronger, safer, rattles-free.

**"DEEP DIP"** RUSTPROOFING submorgos-base Rambler body in primer paint. Aluminum window frames, too.

**PERSONALIZED COMFORT**—front seats glide back and forth individually, adjustable headrests, reclining seat backs.

**HIGHEST RESALE VALUE:** Rambler officially returns more of its original cost than any other low-priced car.
