One Beam family for six generations ...

IDAHO'S NO. 1 **BOURBON**

One Kentucky Bourbon formula for 164 years . . . One purpose always—the world's finest bourbon!

What makes Beam bourbon taste so good? Starting with Jacob Beam in 1785 and continuing with today is fifth and sixth generations—it has always been the Beams who make Beam, in Kentucky where bourbon wan born.

The precise measure of choice grains in the formula, the rare and priceless strain of the sweet juy east, the exacting ritual of hiltop aging—these are parts of the secret formula that have remained within the Beam family for over a century and a half.
