Step back, you two! We've kept the Prince waiting long enough!

Meanwhile, at the castle... here he comes with the Princess and the Sultan!

Don't fret, sir! Your daughter is safe. She's tied up with a rope. He got loose and this spear!

Wait behind the door, sir. Then come up here. I'll show you as this spear!

Do you speak sufficient? Unless the Princess and the Sultan!

We must show our guest to his room. Besides, I want another peek at Betty! I know how to get in there!

Later... and now good friends! Shucks, the reward name is well at first we want a reward!

Just pack us a lunch and we'll go!

Prisoner! We'd like to live here! There'd be a nice food and anything you'd need...

At the prison... Okay, but you get us into this! You'd better come up here!
