

McLemore Finds U.S. Army's Center Is Best Europe Hotel

By HENRY McEMORE
FRANKFORT — Which is the best hotel in Europe?
Put that question to a group of seasoned travelers and you'd undoubtedly get a variety of answers.

Claridge's in London. The Bachelor in Vienna. The Hobler in Berlin. The Hotel de Ville in Paris. The Ritz in Paris. Lisbon's Aviz. Munich's Vier Jahreszeiten.

In my book, the right answer isn't there; although the hotels mentioned are truly great ones.

To way of thinking, the best hotel in Europe, and certainly the most fantastic, has the unglamorous name of Air Passenger Center.

It stands hard by the Rhein-

C. of C. Meet

BURLLEY, June 12.—The Chamber of Commerce is flying the Montpelier Lions trio to Burlley for its annual dinner meeting at 7 p. m. June 25 at the Elks dining room.

The group of singers appeared at Burlley two years ago when the Cass County Fair Bureau sponsored an all-Iddaho-foods banquet. Since that time requests have

A giant stack-bar turn at the clock; and a laundry and press will get you looking and ready for the night. There is a tennis golf course, tennis court for badminton players and television lounge.

There is a bank for the currency, an American Express office, a letter shop, a P. O., a telephone exchange, a post office, if any of them ever close, I have discovered when

Figure 1 is a line graph showing the relationship between the percentage of total effort and the percentage of total catch for five fish species. The x-axis represents the 'Percentage of total effort' from 0 to 100, and the y-axis represents the 'Percentage of total catch' from 0 to 100. The species are: Yellow perch, Rock bass, White perch, Striped bass, and Rockfish. Yellow perch shows a high catch percentage for low effort, while Rockfish shows a high catch percentage for high effort.

Rockefeller's Impressive as No Candidate

WASHINGTON, June 12 (AP)—In the role of a man who says he is not running for president, Gov. Nelson Rockefeller pumped the five-hour flow of high ocean air top Republicans here yesterday.

The varied assortment of the politically minded: The fast-paced governor will be a tough, fast-paced contender if he runs after the party's 1960 presidential nomination—and he may.

In San Francisco, Vice President Richard M. Nixon faced the question "Is anything to be gained by conferences with the Russians?"

Nixon, attending a Commonwealth League luncheon Thursday night, replied:

"There is a great deal of justification for the question. Developments in Geneva don't offer too much encouragement, but the conference was not a failure. It was a success in that it brought the two sides to the table."

And the main point is, the alternative to talking is unacceptable. It is not a question of whether or not we should talk. It is a question of whether or not we should talk on terms that are acceptable to us.

But the frightening thing is, we can come when all parties concerned do not want to. Nixon said, however, there has been absolutely no change in the U. S. policy that any summit conference would have to be preceded by steps of progress at the current conference of foreign ministers.

Rockefeller flew to Washington on his second visit to the capital since his election last November. The announced purpose: Business and pleasure. Publicly, the business was New York's 20th anniversary celebration of the state's 175th anniversary. Rockefeller is a member of the board of directors of the American Republics organization which he had founded in 1930.

In between, reporters put to him in varying forms the big question of whether he was to be available for the 1960 Republican nomination.

Meet Slated on 1960 Beet Crop

WASHINGTON, June 12 (AP)—The agriculture department will hold a hearing at Denver June 25 to get growers' views on the control program for the 1960 crop of sugar beets.

In announcing this Thursday, the department said the sugar supply situation is such that it appears necessary to continue the limitation of the beet acreage for the sixth consecutive year.

As a basis for discussion at the hearing, the department has set up tentative acreage limitations at approximately the same figures that were fixed for this year. The total acreage of sugar beets is grown in the western third of the country.

Navy Working on 'Guided' Torpedo

WASHINGTON, June 12 (AP)—The navy has been working for more than two years on a "guided" torpedo called "Asroc," it disclosed.

The Westinghouse Electric corporation plant in Baltimore has the \$1-million-dollar development contract for Asroc's guidance. This is accomplished through a thin strand of wire that follows the torpedo.

The Germans used this wire technique in World War II.

Padded Cells Giving Way to Drugs for Mental Hospitals

BOISE, June 12 (UPI) — The padded cell is giving way to tranquillizing drugs in Idaho's mental hospitals.

The effect of the change is startling. Patients have greater freedom and doctors have better results, according to Dr. Terrell O. Carver, administrator of health.

"They're sort of a crutch," he said of the tranquillizers. "Initially, they make an individual quieter without his being drugged or doled. And they make him easier to reach."

The use of tranquillizing drugs and other innovations in the treatment of mental illness is relatively new in the Gem state, but records indicate the changes are paying off.

The population at State Hospital North at Orofino dropped during the 1958-59 biennium to 261 from 311 despite the fact that admissions increased 67 per cent, Carver said.

Persons who once might have spent years shut off from society while lying to cope with mental or emotional disturbances now are returning to their jobs in only a few months.

Tranquillizing drugs are not the only changes in treating such illnesses at the hospitals in Blackfoot and Orofino. The barred gates and windows are gone, the psychiatric staffs are larger and occupational and recreational therapy are being employed.

One method of treatment is group therapy whereby patients exchange their thoughts and problems, helping each other to "think their way through" the inner turmoil that are disrupting their lives.

Carver emphasized these methods do not work in floating all kinds of mental illness nor are they "cure-alls" in themselves. One of their greatest effects is in cracking

Trips Take Folks Away From Home

DIETRICH, June 12—Mr. and Mrs. Willard Nelson and Edith Nelson, who have been married 25 years, are celebrating their 25th anniversary in a special way. They are taking a trip to the University of Idaho, Moscow, where their son, Gene Nelson, is a student.

John Nelson returned home with them from Moscow where he attended school.

Mrs. Art Thiel and Carol and Mrs. Ben Lauer and Ronald returned home Monday evening from Oakland, Calif., where they visited their mother, Mrs. Katherine Gilmer, and their brother-in-law and sister, Mr. and Mrs. Glen Hughes. They met James Thiel in San Francisco when he arrived from Korea.

Mr. and Mrs. Floyd Kelling attended commencement exercises at the University of Idaho, Moscow, where their son, Gene Kelling, was graduated in civil engineering and commissioned a second lieutenant in the air force.

ROCKET LAUNCHED

SYDNEY, Australia, June 12 (UPI)—A third Black Knight rocket was launched today from the Australian's Woomera rocket range, the government announced.

The missile climbed to a height of 600 miles, officials said.

Sign Confusion Causes Accident

BURLEY, June 12—Confusion in interpreting construction signs on highway 20 apparently was the cause of an accident Wednesday involving a 1957 Chevrolet driven by Daniel E. Porter, 63, Edna, and a 1957 Plymouth driven by Earl B. Butler, Salt Lake City.

Deputy Sheriff H. O. Warrall said Butler stopped at a dangerous sign and Pierce drove his car into the rear of the Butler car. There were five passengers in the Pierce car and two in the Butler car, but there were no injuries.

Deputy Warrall said \$200 damage resulted to the Pierce and \$100 to the Butler car.

One of the "Grand Old Men" of the football coaching profession is Clark Shaughnessy. For many years a mainstay on the coaching staff of the Chicago Bears you learn.

But do you remember when this brilliant coach came up with the new twist to his backfield formation that was to change the whole look and character of football? The formation got its name from the way the backfield lined up, in the shape of a "T."

Shaughnessy was coaching Stanford that year. In the previous season the Indians had been able to do nothing but "T" formation, a dream dreamed by Frankie Albert passed opponents day. . . and carried Stanford to an undefeated season and into the Rose Bowl. Remember when the T formation was born?

Remember the year?

That was a time when Americans in their pockets. When they bought a car, though, they didn't go overboard for large promises. They took a close look at any "deal."

The year was 1940.

We want you to take a close look at the deal we can make you right now on a brand new car, because when you get the facts you'll see that NOW is the time to step up to a new Dodge, Plymouth, Swedish Volvo, Commerical Volkswagen or Fiat on terms you can afford. . . at Bob Reese Motor Co., 500 Black Street, South, Twin Falls, Idaho 83402.

NEW YORK, June 12 (UPI)—A Dutch educator called for home yesterday complaining that he had dropped out of a trailer caravan tour of the United States because Americans are dirty and have no manners.

Lailien Klemp, Groningen, Holland, where they like the streets clean, said he dropped out of an 11-trailer caravan at Las Vegas, Nev., because "America is decidedly not as clean as Holland, especially the small hotels and trailer camps."

What's more, he said, Americans are apt to say "huh?" or "what's that?" when they don't understand you.

Judges Want Forest Camps For Juveniles

Summers are being continued to the summer forest work camps for juveniles, Twin Falls County Judge J. Dean Moher reports after attending a recent session of the Idaho Probate Judges' association at McCall. The idea of the summer camps was discussed recently at another session of the association, held at St. Anthony. The session was held at the recent annual convention and a resolution was adopted to request the state to fund the camps. The committee was asked to prepare a written statement of objectives.

Judge Moher says that members of the judges association will study methods to put the camps into operation before the summer. He said state and local land and forest officials are being contacted to see if the camps can be worked out for next summer.

"The problem is very acute," Judge Moher reports. He says that the industrial school for delinquents is so overcrowded that youngsters have to sleep on the floor. Recently there were 70 inmates reported from the school and only four months. Judge Moher says he does not believe a complete rehabilitation program can be accomplished in such a short period of time.

The judge explains that the school releases the students after a short time because inadequate space makes it necessary to provide for newcomers to the institution.

Judge Moher says summer camps would ease the situation at St. Anthony and would enhance plans to rehabilitate many of the boys who are or should be sent to the industrial school.

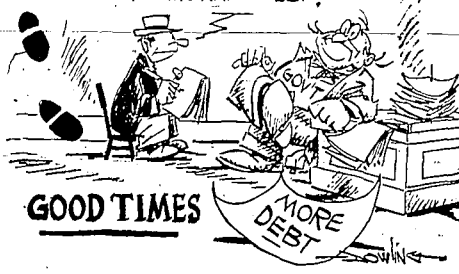

The camps would be similar to the old civilian conservation camps. Those sent to the camps would perform such duties as planting camp grounds, clearing and other non-hazardous activities, Judge Moher explains.

Congress Isn't Only Capital Show Group, Writer Avers

BY ED CREAGH
WASHINGTON, June 12 (UPI)—The piano sets the pace and the pitch the brass brays, then the clarinet comes in—cool as a cucumber on a spring-blossomed limb, as the writings of an American dancer.

And then, man, you've got jazz.

Where? Right here in your nation's capital.

Only reason I mention this is that tourists and most natives the natives mostly flee to their suburbs at 4:30 p.m. —haha—the same impression that Washington holds up its sidewalks turns off congress and wraps the White House in cotton wool at sunset.

But Washington is one of the swingiest jazz towns in the USA. There's Charlie Byrd at the Bluebird, Jerry Mullins at the Bluebird, Jerry Mullins at the Bluebird, Jerry Mullins at the Bluebird.

There's a wild Bill Whelan at the Bayou, probably wearing a mad head jacket, blowing his lungs out through the bell of a trumpet.

And maybe best of all, if you will allow a personal preference, there is Booker Coleman at the Charles lounge, with a Dixieland.

Toastmistresses Choose Officers

JEROME, June 12 (UPI)—Toastmistresses elected officers Tuesday evening when they met at the home of Mrs. Raymond Gutter. Mrs. Agnes Hurst was elected president; Mrs. Jack Russell, vice president; Mrs. Norman Hinte, secretary; Mrs. Dwight McGill, treasurer; and Edith Manolova, club representative.

It was reported that four Jeronians were elected officers in the new state Toastmistresses council which includes the Burley, Jer-John, Magic, Moray, Ruhl and Twin Falls clubs.

Mrs. Raymond Gutter was elected secretary; Mrs. Gene Jepson, budget and finance chairman; Mrs. Agnes Hurst, bylaws chairman, and Mrs. Jack Russell, speech contest chairman. Mrs. LeVern Strong, Filler, is the new president.

The next meeting will be a pot-luck supper at Mrs. Jack Russell's home July 7.

X-Ray Unit Set In Area Monday

JEROME, June 12 (UPI)—The district mobile X-ray unit will make its yearly visit to Jerome June 15 through June 19.

The unit will operate from 7 p.m. to 8 p.m. each day in back of the Jerome county courthouse. All occupational food handlers or those who serve food to the public in Jerome and a five-mile radius are required by a Jerome city ordinance to have a yearly chest X-ray.

Early Water Important to Potato Crop

A late first irrigation of potato fields increases the numbers of knobby and odd-shaped potatoes and decreases the number of potatoes to the plant set, warns C. W. Dush, county agent.

This fact, known to many potato farmers, recently has been verified by information received from two University of Idaho specialists, Dick Olm on potatoes, and Dr. Fred C. Larson, on irrigation, Dush reports.

Even when there is some rainfall irrigation is a necessity, Dush says. "It takes a good deal of rain to take the piece of an irrigation and is never holds as long in the soil."

When the soil moisture is down to 60 per cent of field capacity it is time to irrigate. The water should soak down to the seed and no further to avoid leaching out valuable fertilizers. "Besides, spuds like loose soil and more water than is needed will compact the ground," he adds.

The county agent says that if water moves quickly and evenly through the soil, every other row can be irrigated at five- or six-day intervals during the hot part of the season and 12 to 14 days later depending on the soil moisture and the weather.

The number of potatoes a plant will grow is determined largely by soil moisture, as well as its quality. If the soil is dry, there will be fewer tubers, and the loss cannot be made up later in the growing season. "The potatoes just won't be there," Dush notes.

Little potatoes forming in the ground, and this condition cannot be corrected later by increasing the irrigation water. The shape of a spud is largely determined at the time of the first irrigation. He also points out that when

'Jolly Stitchers' 4-H Club Meets

The Jolly Stitchers 4-H club met Thursday afternoon at the home of Joyce Ford. Each girl finished her pin cushion and the first year girls started making tray cloths.

Demonstrations were given by Joyce Ford, on how to shrink material; Susan Buchanan, on how to thread a bobbin; Sandy Buchanan, on making a knot in thread; and by Linda Hall, on how to fix a sewing box.

Kathy Cannaday and Margaret Smith were accepted as new members. Refreshments were served by Susan Buchanan. The next meeting will be held Thursday at the home of Eileen Ford.

Must Kill Weeds

City property owners are responsible for keeping their lawns free from weeds, City Manager J. H. Latimore reminds.

If owners do not keep lawns free from weeds, which may spread to other properties, the city will hire a man to kill the weeds and the cost will be assessed against the property.

The practice of keeping lawns clear is supervised by Carl Scheele, city fire marshal. Latimore adds that weeds are a nuisance to other properties and "any self-respecting citizen" would realize this and take the necessary steps to kill the weeds.

The soil is still loose from being ripped up for making the seed bed. Water is absorbed fast in the soil and a short soaking usually will wet the field sufficiently. The irrigation specialists recommended a strong head of water for that first time.

Why you need Allstate collision insurance:

1. Your modern car costs more to repair.
Fancy fins and grillwork can turn even a small accident into an expensive repair job. Simply repairing a smashed rear end could easily cost you \$150 ... more than three yearly average premiums for Allstate collision insurance.
2. There may be no "other guy" to foot the bill.
Your parked car may be damaged by a hit-and-run driver ... and you'd be stuck with the repair bill. Or perhaps a blowout or a skid could wreck your car, no matter how carefully you drive.

Find out how Allstate can help you protect your investment in your car

Talk to an Allstate Agent. Ask him to show you how Allstate Collision Insurance helps you pay for damage to your car caused by collision or upset ... and how Allstate's Comprehensive Insurance covers practically any other hazard that could damage your car.

Be sure to ask about Allstate's low rates too. Allstate's quality protection, low rates, and fast claim service have convinced nearly 4,000,000 car owners that Allstate is their best buy in auto insurance.

Ben Hogan, Three Others Share First Round Lead In U.S. Open With 69s

MAMARONECK, N. Y., June 12 (AP)—The ever formidable Ben Hogan and a trio of golfing pros—Dwight Dillard, Gene Littler and Dick Knight—fired one-under-par 69s Thursday to share the opening round lead in the 80th U.S. Open golf championship.

None other than the 149-man field was able to whip Winged Foot's card of 35-35. The four pace-setters had a one-stroke edge over Hillman Robbins of Memphis, former National Amateur champion who had an even-par 70. Nine players, including some of the biggest names in the game, were bracketed at 71. Scores soared skyward from there.

Tommy Bolt, the defending champion, came in with a scintillating 75 and Sam Snead shot 72 on the seventh day.

The 71 bracket included Gary Player of South Africa, runner-up to Bolt last year; Gary Middlecott, two-time winner; Arnold Palmer, Lionel Hebert, Ted Kroll, Don Baird, Billy Casper, Bo Wingler and Don January, Charles Coe of Oklahoma City, the Walter Cup captain, was best of the amateurs with 72. He was tied with a handful of pros.

Hogan, looking like the killer hawk of old and a man bent on winning his fifth Open championship, scored the first nine in 12, three-under par, and then scrambled magnificently on the fourth finishing hole.

He uncovered spectacular recoveries on the 16th and 17th only to three-putt the 18th from 30 feet when he topped the ball.

Plattinewski, 26-year-old Professional Golfers Association champion from a Queens, Fla., knock-out in half a dozen points of 10 to 18 feet for his 25-24.

Littler, 28, from El Cajon, Calif., knocked out the four traps for pros in putting together similar runs.

Knight, 29, little-known Nebraska man registering from San Diego, Calif., also used a hot putter for his 35-34.

Dean Beman, the new British Amateur champion from Bethesda, Md., playing in the threesome with Hogan, skied to an 80. Dick Mayer, 1957 Open champion, in the same group, had a 77. Pat Gilg, another ex-champion, shot 81 and Julius Boros, highly-regarded 1952 winner, took a 76. Ken Venturi had a 76.

Any may have trouble making the final cut, but the field is allowed to see the 60 scorers and ties.

Doctors Disagree on Beating of Promoter

LOS ANGELES, June 12 (AP)—Doctors disagreed Thursday on whether boxing promoter Jackie Leonard was beaten or hurt himself falling. And law enforcement agencies argued at each other over handling of the matter.

Leonard was injured last week. He claims he was beaten by two men he thinks were seeking to force their way into the local boxing picture.

Chief William Parker stated a conviction Wednesday by a jury that Leonard was beaten is an illusion, that the story is an illusion, that Leonard blacked out and fell, that his head, and imagined.

Leonard's story of the beating is still "in the game," the 40-year-old promoter declared Thursday.

"What the police say, they think is a lie, and what I say, I think is a lie," Leonard expressed anger over the state's statement, and demanded a special police guard be released.

"I don't want anything more to do with the police," he exclaimed, but the guard remained on duty at Leonard's home, where the injury occurred.

Deputy Dist. Atty. Manley J. Leonard said he would be ready to testify and even add more details to the testimony he gave last month before the state athletic commission.

Pocatello Woman Golfer Wins Muny Tournery Medalist Honors

Mrs. J. W. Ryles, Pocatello, walked off with medalist honors in the Twin Falls Municipal Women's Golf association annual invitational tournament Thursday with a low gross score of 82. Jerome's team won the low net team championship and Idaho Falls took the low gross award.

Most of the out-of-Magic Valley participants remained in Twin Falls Thursday night so they could compete in the Blue Lakes Women's invitational Friday.

The two-lime champion Shirley Englehorn, Caldwell, did not defend her title Thursday in the Muny tourney. Mrs. Englehorn's absence plus the decision of Mrs. Harvey Pierce, 1958 Blue Lakes champion, not to defend, threw the favorite list in the Blue Lakes event wide open.

The Jerome team, composed of Doris Kaye, Ann Robinson, Dorothy Zahn and Lois Andrews, won the low net team crown with a 277 total. Idaho Falls' pace-setting total for the low gross field was 853. The team was composed of Glee Martin, Mrs. Harris, Laila Fisher and Lavern Young.

Trophies were awarded low gross and net winners from each town. The prize winners include: Pocatello, Mrs. Ryles, 82, low gross; Twin Falls, Colleen Moon, low net; Jerome, Mrs. Ryles, low gross; and Idaho Falls, Laila Fisher, low net.

Pierce Leads Sox 3-1 Over Senators On One-Hit Effort

By The Associated Press
Bill Pierce Thursday night pitched the fourth one-hitter of his American league career but it took a two-run double by Jim Landis in the top of the ninth inning to give the Chicago left-hander a 3-1 victory over Washington.

Only a clean double inside the field by Ron Samford in the third inning separated Pierce from a no-hitter. Samford later scored on a single by Jim Landis.

Pierce walked into Bertoin, Bob Allison and Harmon Killebrew to force Samford home.

Rocky Colavito, who closed four straight games Wednesday night, doubled home the winning run in the eighth inning Thursday night in a 2-1 victory by the Cleveland Indians over the Baltimore Orioles.

The triumph enabled the Indians to make the Orioles out of second place in the tight American league race.

Colavito's decisive two bagger came after he was unable to hit the ball out of the infield his first three times at bat against pitcher Mills Pappas.

Rocky Colavito hit Ted Wiliam in a five-run first inning and hammered Norm Gibson plinking for 12 hits in a 2-1 victory. A scintillating back-hand check at center fielder Ted Wiliam drove in the winning run.

Junior Welter Bout Set for Lane, Ortiz

NEW YORK, June 12 (AP)—Ken Lane and Carlos Ortiz will meet in the final lightweight championship bout of the year.

The bout will be held at Madison Square Garden, June 13, at 8 p.m. The fight is a slight favorite over Lane, who is a slight favorite over Ortiz.

A crowd of about 5,000 is expected to see the match.

The New York state athletic commission and the National Boxing commission have sanctioned the title contest in a division that has been inactive since Tippecanoe successfully defended against Willie Joyce in the Garden Sept. 19.

Six-ounce gloves will be used and the automatic eight-round and three-round rules will be waived by the commission. Two judges and a referee will score the fight by rounds, using a supplementary point system in case of even points.

When Lane and Ortiz fought in Florida Dec. 3, the southpaw from Blue Springs, Mo., scored 137 and Ortiz 137C rounds. In that 18-round scrap, Ortiz piled up an early lead but, Lane rallied in the final rounds.

Lane is the No. 1 contender and Ortiz the No. 2 for Brown's light-heavyweight title.

Lane, 27, has a career record of 56-6 for 62 pro fights. Ortiz has a 2-2 mark with one no-decision match among his 37 starts.

12 Errors Mar Pirates' Win Over Giants

By The Associated Press
The Pittsburgh Pirates defeated the San Francisco Giants 12-9 Thursday in a contest marked by 12 errors, seven by the Pirates and five by the Giants.

Roy Face, the star reliever, was given credit for the victory—his ninth without a loss this season. He had his last time May 28, 1958.

His victory Thursday came as the Pirates roared back from the brink of defeat by scoring five runs in the last of the eighth with the help of two errors.

Face relieved starter Bob Friend in the eighth with two men on and none out. The little reliever scored two runs on a fly but gave up a home run to pinch hitter Willie Mays. That put the Giants ahead 8-7. Face got out of the bottom of the eighth for a pinch hitter.

Johnny Podres, backed up by a 19-hit barrage by the Los Angeles team, including two homers by Don Demeter, hurled a two-hit 11-0 shutout against Philadelphia for his seventh victory of the season.

The Dodgers' hitters made a minimum of starter Bobo Roberson in the first two innings, pounding him for six runs before he was replaced by Jack Meyer.

Don Newcombe won his fifth straight as he hurled the Cincinnati Reds to an 8-0 triumph over the Chicago Cubs.

Newcombe gave up nine hits, walked only one and struck out four as he beat the Cubs for the 20th time in 28 decisions.

Don Bush, 30-year-old Milwaukee right-hander, blanketed the St. Louis Cardinals on fire like the Braves salvaged the Reds' game of a three-game series 8-0.

2,078,270 Pounds of Milk May Out of 70 T.F. Herds

During May 10 herds under test in the two units of the Twin Falls County Dairy Herd Improvement Association produced 2,078,270 pounds of milk.

On the basis of per capita use in 1965 this would have been equivalent of a year's milk supply for 2,966 people in the United States or 1270 people in the United Kingdom.

USDA figures show Ireland at the top of the list with 1,570 pounds of milk equivalent per capita and the United States in 15th place among the nations surveyed with 1,460 pounds.

Actually this milk was produced by 1,803 cows in May. With a total of 2,074 on test in May, the average production for the 2,074

Most Beauties In '59 Contest Are Brunettes

BOISE, June 12 (U-P)—A majority of the entrants in the 1959 Miss Idaho contest will be brunettes. Publicity Chairman Bob Donnan said Thursday of the 17 entrants chosen, 11 are brunettes. Four are blondes, one has auburn colored hair and another describes her hair as red-blond.

One entrant, representing Caribou, county, is yet to be chosen. The state contest will be held in Boise June 19-20 and the winner will represent the state in the Miss America contest in Atlantic City later in the year.

Donnan said the girls entered ranging in height from five feet and one-half inch to five feet and seven inches. The average height is five feet and one-half inch. The youngest girl is 18 and the oldest is 23. The average age is 19. "There is no way to arrive at any average or statistics on the girls' talent presentation because each is so different from the other," Donnan said.

He listed entrants, and their hometowns: Martha Jane, Burli, Benewah county, Idaho; Delphine Urreid, Boise; Haque, dance; Karen A. Kist, Bull, Idaho; Tamara Ashby, Coeur d'Alene; interpretive ballet; Diana Henry, Coeur d'Alene; piano solo; Anita Miller, College of Idaho; vocal solo; Dinah Clifton, Franklins county, dramatic reading; Susan Tucker, Idaho Falls; sewing; Darlene Yedella, Jefferson county, modeling; Karen Jones, tap dance; Deanna Jerome, Nampa, dramatic reading; Barbara Diane Gill, Payette county, clarinet solo; Wendy Walker, Pocatello, piano solo; Betty Johnson, Hebur, solo; Sheila Kay Smith, Rupert, dancing; Naomi Qualla, Twin Falls, dancing; Mary Kristin Madison, University of Idaho, solo.

Teacher Charged In Accident Case

COEUR D'ALENE, June 12 (U-P)—Robert Hibbs, 33, an instructor and research man in the animal husbandry department at the University of Idaho, has been charged with negligent driving for an accident that injured a 7-year-old boy.

The boy, Matthew Pavlovich, was thrown or carried about 20 feet after he was struck by the car at a motel Wednesday. He was out and bruised but apparently was not hurt seriously.

Police said Hibbs' car crossed the highway, jumped a curb and wound up on the motel lawn. Officers said he told them the bus must have rolled out or fallen asleep at the wheel.

He was on a tour of north Idaho farms to discuss problems with ranchers.

Members of the Knothole League are urged to attend the first ball clinic to be conducted at 10 a.m. Saturday at Jaycee park.

Five former professional ball players will conduct the clinic and young ball players will be able to gain many pointers from Jack Macdon, Ernie MacLure, Bill Denney, Ted Burgess and Dean Krumm.

The clinic Saturday morning will mark the opening of the season for the Times-News-sponsored Knothole League, says Larry Hovey, director.

Association Sets Site for Meeting

BOISE, June 12 (U-P)—The Idaho State Pharmaceutical association announced yesterday plans for its third annual convention June 17 through 20 at Idaho Falls.

J. J. Lynch, executive secretary, said speakers will include Dr. David D. Kendrick, dean of the college of business administration at the University of Idaho. A number of representatives of pharmaceutical firms also will address the meeting.

Luxury Yacht Is Strafed by Fighter Plane

LOS ANGELES, June 12 (U-P)—A southern California builder says his luxury yacht was strafed by a Nicaraguan fighter plane and forced into port off the West coast of the revolution-torn central American nation.

Details of the alleged incident were disclosed Thursday in a letter from Henry G. Cox to his wife, Beverly. The letter was made public by a business associate of Cox, Fred Hervey.

Cox said his 100-foot yacht, Coral Sea, was sailing off Nicaragua's west coast a few days ago when a fighter plane appeared and started firing, disregarding a white flag and efforts to make radio contact.

A Nicaraguan vessel drew alongside the yacht, and crewmen boarded the diesel-powered craft, searched it and ordered the crew to put in at the Nicaraguan port town of Corinto.

The yacht was impounded briefly, then the crew was ordered to sail directly to Acapulco, Mex. Cox said Nicaraguan port authorities suspected him of trying to smuggle guns from Cuba to rebels in Nicaragua.

The letter didn't say whether anyone was injured.

Declo Woman Is Injured on Visit

DECILO, June 12.—Mrs. Mamie Darrington who left Declo June 1 for a two-week visit in Anaheim, Calif., fell last Sunday in Ingleside park, splintering the bone in her hip.

She underwent surgery Monday morning. Mrs. Darrington has been a resident of Declo for 10 years. This was her first trip to California to visit her son, Charles Darrington.

The letter didn't say whether anyone was injured.

England Unveils New Flying Boat

COWES, Isle of Wight, June 12 (U-P)—Britain unveiled its flying boat yesterday as an airborne ferry boat skimming over open water.

From shore no gap was visible between the aluminum disc and the water; experts said it was one foot up. It skims along on its own cushion of compressed air.

Alert

AKRON, O., June 12 (U-P)—When the description of a stolen police car was broadcast over the police radio yesterday, patrolman Irv Haines of the auto theft unit took note.

Haines didn't realize he was driving the car reported stolen until another police cruiser motioned him to the curb.

The vehicle assigned to the red-faced Haines was still parked at police headquarters.
