AN LARD AND HELDA CAME UP, AND HELDA HAD A BALL!

WELL, HELLO TO YOU!

EEK!

QUIET! THE WRECKER JUST CAME UP LOOKS THICK AS STEEP GOING DOWN!

BAW! I WUNDER IF THE FOREIGN LEGION TAKES RANGERS?

BOHOH

THE BIRD WATCHER'S GUIDE IS LOONEY? I DON'T NEED A TELESCOPE!

IT'LL BE RIGHT HERE TO WATCH THESE BIRDS CLOSE UP WHEN THEY HATCH!

SCREECH!

DOGS! GUESS WHO USED MY TELESCOPE AFTER ALL!

Wormy loses the Golden Bell from a magic of wand and wins a friend...

I feel so... sorry for the Wreckers! There's a frightened job! We'll try to help them get unstuck!

Speaking of scared ones... I heard that the conjure man is deathly afraid of water!

Wormy tells Wendies about the conjure man and this evil one chased the dogs and hid it in a harmless eel!

Now I need your help! We've got to get the conjure man out of our valley before he heroes all of us!

Agnes, where the needles live! Don't go away, friend!

LITTLE PEOPLE

The Golden Bell told me the wicked wizard is fearful of water! Now listen to my plan! Tonight we will—

That night...

That's the evil conjure house! Take this end of the rope and slide into the oval! Don't fall out! Quietly now!

Who heard that? Look! What's there?

Wackabony

Your portrait's finished, Wackabony!

Look at me! Be careful, Wackabony!

Now look at that!

And now... look at you!
