The unseen Enid has a question for you, but I'll leave it to him by Scott.

I'm sorry I asked if you were really a ghost, Enid!

I'm sorry I got so upset. I mean I might as well tell you I'm not a ghost.

I belong to a clan called the Ugly Ones! And we are that, but we have a certain power.

Power? The power to make guys dress themselves in sort of make-up for being so ugly!

But I'm handsome and handsome guys work win any beauty prizes!

Yes, but you don't scare the animals and the little people!

The Ugly Ones have never harmed anyone, but because of our looks we have few friends!

I know you are my friends, now but once you've seen me, you'll run too!

Then sit and watch! This takes a bit of doing!

There! See, near that rock! Now he's getting clean!

Try us!

### HUCKLEBERRY and ZOWIE
