ROCKEFELLER'S QUANDARY

In a month and a half, it will be time for Gov. Nelson Rockefeller of New York to make the decision he says now he cannot make. That will bring him to the Novem-ber deadline he set for himself as the mo-ment. either to move or drop-away-from the Republican presidential race. The choice could be an agonizing one for bin

him. Ideally, he would jump into the fight at that time if he found party leaders around the country growing dubous about Vice President Nixons chances of beating the principal Democratic prospects. But he may not encounter any such clear-cut altunition. —Nixon at this time still seems to be rid-ing high: His opinion poil showings sug-gath he would give any Democrat - rough time. If the Elsenhower-Khrushhev ex-chance should anonchow he successful in

On the other hand, neither has the New York governor sold himself to party poli-ticians across the nation as the irresistible alternative to Nixon,

nen controri, uniertess, AND DUALITY Doort bat open wider—exist fo get in and out. Family-size interior. Sexis that are higher more deeply cushioned, and repositioned to provide more comfort for fest and these. Separate rear such text control. Careful comparisons indicate today's Buick, with it extensive use of inpulsion and torque-tube drive is pechago the quieter running, smoothest, riding ear in America. Buick's modern pro-gram of quality control comes to a peak in the Turbine Drive Buick '60.
