"ENDURING" CASTRO

"EXAMPLETATION CASTRO The United States has good reason to be adigmant over the conduct of Chan Pre-PAIRWARMIN-Social life Field Cablo and his government, Yet, include States and social of as understand there is not too much support from the Unit e can do to translate this indignation in-trate.

rec friends. And we would give to Soviet Russia and "event as the logistic davance davance ked China the raw material for the greatest frequencies of the logistic davance and the logistic davance on have on the logistic davance and the logistic davance on have on the logistic davance and logistic davance on have on the logistic davance and logistic davance on have on the logistic davance and logistic davance on have on the logistic davance and logistic davance on have on the logistic davance and logistic davance on have on the logistic davance and logistic davance and logistic davance on the logistic davance and logistic davance and logistic davance on the logistic davance and logistic davance and logistic davance and logistic davance on the logistic davance and logistic davance and logistic davance and logistic davance on the logistic davance and logistic davance and logistic davance and logistic davance and logistic davance on the logistic davance and logistic davance

opportunities, and their aspiritions. FAVORITE SONS In presidential polities the idea of the favorite son was originally a simple and in-mocent one. It was a way of giving a brief moment of national giory to some relatively "In this banners could be raised in the con-If this banners could be raised in the con-tor a bala," and one make bandled about for a bala, and one make bandled about for a bala, and one make bandled about for a bala, and one make bandled about for a bala. Certainly no him was done, such a man might even be turned to as a compromise prospect for the nomination. But today the favorite son idea is no longer what it was. In most instances it does not serve to a dvance legitimately the such a man mene term of the nomination. Built today the favorite son idea is no longer what it was. In most instances it does not serve to advance legitimately the cause of an unsung hero. It is resigned to generate the serve to advance legitimately the content of an unsung hero. It is resigned to generate the serve to advance legitimately the content of a vertex of the appring national methods. Its most effect tive use is to ward off aspiring national dential contenders have learned to go be-hind-the cloak. In their-quest. But-often they do so at their peril. Those who use the favorite son technique the to suggest that going behind it repre-sents a kind of ponching. In fact it is merely a way of lossening a leader's tight grasp or bobbly it mobibly it is a grad distribution that it is just a way of chosening a leader's tight grasp or bobbly it is a grad then favorite son idea as been in Oregon. The oregon primary law was specifically allered in recent years to alford voters the real candidates. The Oregon primary law was specifically allered in recent years to alford voters and the astates rest with genume tavorite cons continue to put them forward. Let other as son used would the moders and the as been in Oregon. The Oregon primary law was specifically allered in recent years to alford voters called favorite son be no place in the scheme at all, on has no place in the determine to put them forward. Let other sign using the device as a 'no tres-mas' sign to bar the path of the real presi-dential aspirants. DIRECT FIROM BIRDIANN
