## Three Congo Factions OK Pact Against Rebels Whose Threat Lessens

LEOPOLDVILLE, The Congo, Feb. 28 (AP)—The central Congo government today signed a military pact with independent Katanga and the Kasai mining state for a united front against the leftist rebels. But a rebel threat to this capital seemed to be waning. As the pact was signed in Katanga President Moise Tshombe's capital Elisabethville, the United Nations reported that leftist rebels had pulled out of the Kasai provincial capital of Luluabourg while their spearhead at the frontier of Leopoldville province had vanished.

## Jaycee Award Event Features ISC's Chief

Dr. Donald E. Walker, president of Idaho State college, will be the principal speaker at the Twin Falls Junior Chamber of Commerce distinguished service awards banquet at 7:30 p.m. Wednesday, Jaycee President Wayne Purnell said Tuesday.

The dinner at the Turf club will honor an outstanding junior and senior citizen of Twin Falls selected by the club for community work.

Dr. Jerry Bruce, Caldwell, will be master of ceremonies. The banquet will honor all past award winners attending. The event is open to the public. Information on tickets and reservations can be obtained by phoning Eldon Jackman, Redwood 3-2363.

## Wind Change Offers Hope of More Water

IDAHO FALLS, Feb. 28 (AP)—Merle Tillery, bureau of reclamation director of the Minidoka pumping project at Burley, said yesterday Snake river reservoirs were low but a change in the prevailing westerly winds offers a good chance for more precipitation this spring. Snake River Watermaster Henry Eagle told the Upper Snake River Water Users Protective union he was hopeful more snow and spring rain would come because it was necessary to replenish the reservoirs.

## Directors for Egg Unit Are Selected Here

Thomas H. Barnes, Jerome, was elected director of the southern Idaho district, and Joseph Caldwell, was selected director of the southwest Idaho district at the 37th annual meeting of Idaho-Best, Inc., formerly the Idaho Egg Producers association, at the group's meeting Monday at the Turf club, Twin Falls.

## Board Okays Purchase on City Vehicles

The Twin Falls city commission approved purchase of five vehicles for city departments at the commission meeting Monday evening. City Manager H. L. Derrick said all purchases are in the current city budget.

## Algerian Mob Kills 2 Women

ORAN, Algeria, Feb. 28 (AP)—An Algerian mob went on a rampage in Oran's Arab quarter today and killed two European women and injured another.

## Former City Manager Doesn't Face Dismissal From New Job

Joseph H. Latimore, former city manager here, has not been dismissed as Reno city manager, nor is any such action pending, he said in a conversation from Reno.

## NEWS BULLETINS

WASHINGTON, Feb. 28 (AP)—Secretary of State Dean Rusk today denounced as "irresponsible and reckless" some published reports that he has submitted a memo proposing less reliance on nuclear weapons in plans for defending Europe.

WASHINGTON, Feb. 28 (AP)—The house rules committee, scene of a bitter power struggle last month, gave its approval today to the first Kennedy administration anti-recession bill to come before it.

By United Press International

Rains dripped across the floodplains of the deep South today and new snowfalls left Ohioans and Indiana residents wading through a blanket of slush.

## Living Costs Take First Drop in Last 12 Months

WASHINGTON, Feb. 28 (AP)—Living costs declined slightly in January, the first drop in 12 months.

The bureau of labor statistics reported today its consumers price index dropped by a tenth of one per cent because of lower prices for clothing, used cars, eggs, milk, fresh fruits and tomatoes.

The index fell at 127.4 from December's record level of 127.5. In the index, 100 represents average prices in 1947-49.

Despite the drop from December, January prices were 1.6 per cent higher than in January, 1960. The index rose in every month last year except August, when it held steady.

Because prices did not rise in January, there will be no change in wages of about a million workers in the auto industry and related fields whose pay is adjusted to the living cost index.

Robert J. Myers, BLS deputy commissioner, attributed much of the January price drop to weather conditions, although adding that a recession decline in demand doubtless had some effect.

Myers said the weather curtailed clothing sales in December and that department stores, because of large January inventories, offered sharp price reductions in women's suits and coats. There also were some price cuts in shoes and other clothing items.

Average clothing prices dropped by 1.1 per cent from December to January.

Used car prices were down 2.5 per cent and Myers said this development was influenced, too, by the weather.

Food prices, on the average were down a tenth of one per cent.

As for the February outlook, Myers said he would expect little change although a drop between January and February is normal.

In a separate report, the bureau said the spendable earnings and buying power of factory workers were virtually unchanged in January.

## Industrial Site Fund Receives \$1,000

J. G. Bradley, left, senior vice president of the Twin Falls Bank and Trust company, hands a check for \$1,000 to Harold Hove, chairman of the Twin Falls Chamber of Commerce industrial development commission, to help the chamber purchase a 65-acre tract southeast of Twin Falls. The option on the property with Mr. and Mrs. Floyd Lincoln, route 2, Twin Falls, expires at noon Wednesday. Hove anticipates that by Tuesday evening approximately \$60,000 will have been contributed towards buying the site. (Staff photo-photography)

## T. F. Man Makes \$1,000 Donation to Industry Site, \$60,000 Now in Fund

J. G. Bradley, senior vice president of Twin Falls Bank and Trust and 52-year resident of Twin Falls, donated \$1,000 to the industrial development fund Tuesday morning.

Approximately \$60,000 will be in the fund by Tuesday evening, anticipates Harold Hove, chairman of the Twin Falls Chamber of Commerce industrial development commission, enough to exercise an option on a 65-acre tract by noon Wednesday.

## Board Rents County Poor Farm Fields

The Twin Falls county commission Monday accepted the highest of three bids submitted for rental of 33.93 acres of land, formerly the county poor farm.

The \$1,068.73 bid, submitted by Leslie Anderson, Twin Falls, topped the next in line by \$140.

The other bids were \$1,448.55 and \$1,588.28.

## Western Airlines Cancels 3 Flights

LOS ANGELES, Feb. 28 (AP)—Western Airlines has canceled its three flights in the Rocky mountain area, the only ones it kept going in the face of a nation-wide strike of flight engineers.

The company had planned to add two more flights yesterday but instead suspended all flying operations. It gave no reason.

Western has refused to rehire 130 flight engineers who walked out during the wildcat strike last week. In contrast, other major air carriers have agreed to rehire the wildcat strikers. Western is training replacements.

## Road Conditions Varied in State

By United Press International

Idaho was in between, storms today and road conditions varied across the state.

The weather bureau predicted, however, that new rain or snow would blow into the western portion of the state by tomorrow and add a new glaze to the roadways.

## Idaho Civil Rights Plan Is Approved

BOISE, Feb. 28 (UPI and AP)—A civil rights bill for Idaho passed the senate today despite charges that the language in the bill would create new problems and that one Democrat was attempting to make a political issue out of it. The entire morning was devoted to the civil rights issue, which finally passed 29 to 14 and now goes to the governor. The house, meantime, killed 30-26 a \$4,545,024 appropriation from special funds to the department of law enforcement after more than an hour of debate about "discourteous" state police officers. There was notice of reconsideration, however.

## 2 Tippy Cases Reported for Valley Courts

Two Burley men were fined \$100 each for drunk driving and a Jerome man is serving out a five-day jail sentence and \$100 fine for driving on a revoked license as a result of Magic Valley court action Monday afternoon.

Glen L. Leen, 28, Burley, was fined \$100 and costs by Cassia County Probate Judge Vern Carter Monday afternoon for drunk driving. Leen was arrested as the result of a three-car accident at 1:45 a. m. Sunday in Burley. He posted a \$150 bond with Judge Carter Sunday night. Leen also was assessed 25 demerits and his driver's license was revoked for one year.

## HIGHLIGHTS in Today's Times-News

Page 1—Idaho civil rights bill passed by senate, Kennedy asks congress to cut proposed gas tax and raise heavy trucking levies. ## Company Plans New Television Station in T.F.

IDAHO FALLS, Feb. 28 (AP)—Three local men have formed a company to operate a television station in Twin Falls.

Articles of incorporation for Valley Broadcasting company, with capitalization of \$250,000, have been filed with the secretary of state, businessman Sam H. Bennion, one of the incorporators, reports.

Other incorporators were C. N. Layne, former manager of a local television station, KID-TV, and E. W. Pike, attorney.

The federal communications commission has granted Bennion a television construction permit in Twin Falls and he said Valley Broadcasting hopes to begin operations this year. No date was set.

Bennion said the firm also expects to operate a television station in Pocatello, where he also holds a permit.

## Williams Startles Congo President

LEOPOLDVILLE, The Congo, Feb. 28 (AP)—G. Mennen Williams, U. S. assistant secretary of state for African affairs, startled Congolese President Joseph Kasavubu today by suggesting he incorporate journalists into his government.

Williams was greeting the president at his home. After shaking hands, he jokingly pointed to reporters and photographers and said, "You have enough people here to form a new government." Kasavubu didn't appear to get the joke right away. But he caught on and said, "No, I'll form a cultural circle with them."

The visit to Kasavubu was Williams' first face-to-face contact with Congolese authorities.

## Dollars Taken

HAVANA, Feb. 28 (AP)—Safety-deposit boxes throughout Cuba, sealed last week by the government, were opened in the presence of their owners yesterday by Castro's men who seized any dollars or other "illegal tender."

Bank sources said at least one aged man in the Havana suburbs burst into tears when the authorities took \$4,000 from him.

## Kennedy Asks Congress to Cancel Cut in Gas Tax, Raise Heavy Truck Levies

WASHINGTON, Feb. 28 (AP)—President Kennedy asked congress today to cancel a scheduled one-cent cut in gasoline taxes and raise other levies, chiefly on heavy trucks, to get the federal highway program out of financial trouble.

The President said in a special message that "our federal pay-as-you-go highway program is in peril." He said the 41 billion dollar superhighway program would fall five years behind its 1972 target date unless it gets 900 million dollars more annually.

## Enough Vacation

BOISE, Feb. 28 (AP)—The senate yesterday decided state employees are getting enough vacation time.

It killed 28 to 13 a senate bill which would have changed the vacation schedule to allow 12 days each year for the first three years, 18 days each year for the next 12 years and 24 days each year thereafter.

He urged workers and businesses to get their money to the chamber office as soon as possible so an accurate count may be established.

## Enough Vacation

BOISE, Feb. 28 (AP)—The senate yesterday decided state employees are getting enough vacation time.

It killed 28 to 13 a senate bill which would have changed the vacation schedule to allow 12 days each year for the first three years, 18 days each year for the next 12 years and 24 days each year thereafter.

He urged workers and businesses to get their money to the chamber office as soon as possible so an accurate count may be established.

### Vocational Course Planned at Rupert

Mrs. Hazeldean Hunter works out outline for vocational information to be presented to class with George Hellewell, teacher at Washington junior high school, Rupert. Mrs. Hunter will show a film, "The Big Question," and will speak on the subject of choosing a vocation to members of the social studies class Tuesday. (Staff photo-engraving)

### Vocational Choice Is Taught In Rupert Junior High Class

RUPERT, Feb. 28 — Special training on the choice of a vocation is being given in a class taught by George Hellewell, teacher at Washington junior-high school.

An added feature is a talk given by Mrs. Hazeldean Hunter, agent for the New York Life Insurance company. Brochures and information on 40 different vocations or professions are offered through the course. A film, "The Big Question," is shown.

A comparison between the life earnings of a college graduate compared with that of a person who goes only as far as high school shows the college graduate may make as much as \$100,000 more during his lifetime. More than 50 per cent of high school graduates are dependent on others for support by the time they are 65.

Purpose of the series offered by Mrs. Hunter is to urge students to plan early, and choose courses that will fit them for their career. She stresses the importance of having definite goals, and staying with them rather than drifting. Changes in job opportunities during the past 15 years also are noted.

Mrs. Hunter explained the course is a public service of her company, and the material is prepared by successful businessmen in the various fields. The service has won awards for the company from Freedom foundation and the Saturday Review, she said.

In describing the class here, Hellewell said that besides the textbook work, students had actual training by individuals and establishments in the area. Boys interested in the study of law, for in-

time at the Minidoka Memorial hospital where Mrs. Norma Garatea, supervisor of nurses, instructed them in the nursing profession. Other girls visited the Louise beauty shop where Mrs. Louise Schab explained training to become an operator. Students interested in secretarial work visited the bureau of reclamation office where they were told office procedures and training.

Hellewell said the students have prepared reports to be presented to the class. He explained that the text, "Vocations," taught the importance of proper job preparation, making the right choice of a vocation and stressed the importance of continually trying to improve oneself after entering the chosen field.

Several girls have spent some time at the Minidoka Memorial hospital where Mrs. Norma Garatea, supervisor of nurses, instructed them in the nursing profession. Other girls visited the Louise beauty shop where Mrs. Louise Schab explained training to become an operator. Students interested in secretarial work visited the bureau of reclamation office where they were told office procedures and training.

### Hagerman Lists Honor Students

HAGERMAN, Feb. 28 — Supt. Clement Prince reports students who made the honor roll the past six weeks.

They are Dorothy Baughman, Joel Caldwell, Richard Grimes, Giffon Jensen, Frank Erwin, Karol LeMoine, Karen Kenitzer and Ruby Brackett, freshmen; Donna Reinke, Carolyn Ravenscroft, Walter Davis, Betty Irving, Robert Simmons, Coleen Silgar, Bill Alexander, Bonnie Pope, Donna Pope, Lois Stokes, Carol Wilson and Bert Brackett, all juniors.

Brent Tidwell, Ann Jensen, Marie Hanson, Bernice Hoskovec, Nancy Mavencamp, Maria Hawkes, Jim Henslee, Gerald Prince, Kay Starry, Sharon McAnulty, Mary Erwin, Louise Rast and Bill Lowe, seniors.

### Main Points Of Highway Plan Listed

WASHINGTON, Feb. 28 (AP)—Highlights of President Kennedy's special message to congress on highways:

Taxes—Should be raised, mainly on heavy trucks, to rescue the interstate highway system from financial peril. A drop of one cent a gallon in the federal gasoline tax, scheduled for July 1, should be prevented.

Pay-as-you-go—The 41,000-mile national highway network should be financed out of current revenues. There should be no borrowing from the treasury or through special bond issues.

Economic impact—A slowdown or stretchout would hurt cement, steel and construction industries and possibly increase unemployment just when the economy needs pepping up.

Completion—The system should be completed as planned by 1972 to improve highway safety, meet traffic needs, improve defense capability.

Billboards—Congress should double the financial incentive to the states to control billboards along the highways. If this doesn't lead to stricter control, a federal charge on billboards may be necessary.

Costs—Motorists have been paying more than their fair share of highway costs. Heavy trucks have derived benefits in excess of what they pay in taxes.

### Nurse Talks

GLENNIS FERRY, Feb. 28—Mrs. Glenn True, Elmore county health nurse, was a special guest at the meeting of the Do and Make 4-H club when it met at the home of the club leader, Mrs. Ralph Clark, Saturday.

Mrs. True talked on baby sitting, preparing simple meals for children, and things to look for in case of illnesses. Mrs. Glen Aaron, Mrs. George Elchholz, Mrs. Robert Oil and Mrs. Karl Carrman were also guests, as were eight 4-H members from Mrs. Larson and Mrs. Elchholz' club.

### Barefoot Dad

WASHINGTON, Feb. 28 (AP)—"Barefoot Daddy" Just Sits There, reads the headline on a page-one item in the Washington Post.

The story tells of 3-year-old Caroline Kennedy, the President's daughter, wandering into the communications room at the White House. She was asked what her daddy was doing. "He's not doing anything," she replied, "he's just sitting up there with his shoes and socks off doing nothing."

### NURSERY PROVIDED

SHOSHONE, Feb. 28—The junior class of the Methodist church school will handle the nursery care for pre-school children to be sponsored by the church during worship services each week. The care will be provided in the upstairs Sunday school room, reports Laurie Serpa, chairman.

### Question of Wilderness Area Protection Aired at Meeting

WASHINGTON, Feb. 28 (AP)—Whether there is an immediate need for a national wilderness preservation system was a major point of discussion before the senate interior committee yesterday. Witnesses for timber, mining and farm interests questioned the need for such a system now while the spokesmen for wildlife and conservation groups stressed urgency.

The committee opened two days of hearings on a bill by Sen. Clinton P. Anderson D. N. M., which would set up the wilderness system and place it under executive and congressional review over 15 years.

The secretaries of interior and agriculture endorsed the plan while several senators suggested amendments to make sure congress has the final word in deciding what areas are to remain set aside in the wilderness system.

John C. Mason, counsel for the federal power commission, told the committee the bill is not quite clear on whether the commission can license projects on land in wilderness areas. He suggested the bill should spell out the commission's authority.

Mining spokesmen said large areas should not be set aside until adequate exploration of mineral potential can be made. They also expressed fear that although the bill would give the president authority to open certain

areas for mineral exploration and development, it might not be done as a practical matter.

James Keage, speaking for the Idaho Mining Association, said such entry would not be authorized because commercial enterprise is excluded from the wilderness system and "no geological work could be carried on to determine whether prospecting or mining would be desirable."

### Derby Slated

RICHFIELD, Feb. 28—The Boy Scout and Cub Scout pinewood derby will be held at the American Legion hall Friday evening with Scout troop 54 as host group. All Scouts and Cub Scouts are invited to participate. Jerry Johnston, Scoutmaster, is in charge of arrangements.

### Forest Area Cut Proposal Draws Attack

WASHINGTON, Feb. 23 (AP)—The Wilderness Society says it is opposed to three reductions in a forest service proposal to reclassify the Selway-Bitterroot reserve area as a national forest wilderness area.

The national conservation organization, headquartered in Washington, said out of a proposed reduction of some 549,000 acres, it objected to three eliminations totaling more than 400,000 acres.

The large cuts recommended would in part defeat the very purpose for which sportsmen and wilderness enthusiasts seek preservation, the society said in a statement.

The society statement pointed out that it supports the reclassification proposal itself.

Regional Forester Charles L. Mont, Missoula, Mont., said public hearings will be held on the proposal there March 7 and other hearings will be held in Lewiston March 9 and Grangeville on March 14.

Those areas affected by reductions which the society opposes include the Selway River basin, Snake River canyon and the lower Selway River.

### '60 Tax Bill Double That Of '50 Total

NEW YORK, Feb. 23 (AP)—Americans paid twice as much in taxes in 1960 as in 1950 and will pay about eight billion dollars more this year than last, the Tax Foundation said today.

The foundation published a 275-page book (facts and figures on government finance, 1960-81) Prentice-Hall, New York, which details the mounting spiral of tax payments by Uncle Sam, states, cities and hamlets.

Total taxes collected last year from Americans were 127 billion dollars, just over double the 1950 total, the book says. Uncle Sam got 73 percent of this. The total tax bill was nearly 30 percent of the gross national product.

On top of the taxes collected, government agencies spent 26 billion dollars in borrowings, and the gross public debt of the national and local governments climbed 13 billion dollars to 356 billion dollars.

However, over one-half of federal spending in 1959 and one-third of all this tax and bond spending in the whole country went for defense, foreign aid and international relations.

### Pegler Again Asks Divorce

TUCSON, Ariz., Feb. 23 (AP)—Newspaper columnist Westbrook Pegler has filed a divorce action here against his wife, Pearl Doane Pegler.

It is the second such action filed by the 66-year-old columnist, who has a home here. He again charged with cruelty.

Pegler's complaint also accused his 45-year-old wife with "falsely and maliciously accusing him of committing an assault and threatening to have him arrested on a groundless charge."

Pegler said he has not been living with his wife for several weeks because of her conduct.

The Peglers were married on May 11, 1950, in New York City. They separated some five months later and Pegler filed his first divorce suit.

Pending trial, Pegler was ordered to pay his wife \$1,000 a month at that time because she testified she was unemployed and had no income. The first divorce action was dismissed without reaching trial.

### Soft Drink Tax Plan Is Tabled

BOISE, Feb. 23 (AP)—The revenue and taxation committee of the Idaho house of representatives voted to table the bill imposing a one-cent tax per bottle of soft drinks last night.

The action came after representatives from each of the state's 19 soft drink bottling plants appeared before the committee and said imposition of the tax would drive many of them into bankruptcy.

The committee's action likely will have the result of killing the bill, since it will now take a two-thirds majority vote to bring it to the floor of the house.

Spaniards began to settle Venezuela and develop its agricultural resources in the 16th century.

### Former Resident Dies at Lewiston

LEWISTON, Feb. 23 — W. E. (Bill) Bitter, Lewiston insurance man and real estate broker, died Thursday at Lewiston.

In 1923, Mr. Bitter entered the life insurance business, becoming a special agent for the California State Life Insurance company at Twin Falls before moving to Lewiston in 1937 to become president and general manager of the Pacific Life Benefit association.

### Charter Presented

John Martin presented the Union school with a Cub Scout pack charter at the PTA meeting held Monday night.

Mrs. Roy Blakeslee and Mrs. Beulah Turner, den mothers, each helped their groups present a skit.

Refreshments were served by Mrs. Robert Kunsman, Mrs. Melba Smith and Mrs. Jack Tucker.

### 3 Candidates Nominated to Head Jaycees

Larry Motzner, James Maynard and Robert Shiner were nominated as candidates for Twin Falls Jaycees president at a meeting Monday night in the Rogerson hotel Roundup room.

Nominated for first vice president are Elden Jackman, Nell Turner, Wayne Forey and Richard Lennon. Second vice president nominees are Eugene Sharp, Larry Rowe and Steven Bancroft.

Max Woodall, Carl Olson and Dick Lewis were nominated for treasurer; secretary nominees are Jay Farnsworth and LeRoy Dodson, and sergeant-at-arms nominee is Steven Pouch.

Larry Alot, Charles Brown and Vernon Doshier were nominated for board of directors.

Officers will be elected March 13. During other business, Motzner discussed requirements for one-year Jaycee members in order for them to receive the Spoke award for outstanding service in the first year of Jaycee work.

Wayne Durnil presided over the meeting and Jackman gave the invocation.

### Senate Vote on Annual Session Proposal Listed

BOISE, Feb. 23 (AP)—Here is the roll call vote by which the senate last week killed the proposed constitutional amendment which would have required annual sessions of the legislature:

Republicans for (3)—Hansen, McClure and Wallington.

Democrats for (15)—Andrus, Burge, Duxon, Chase, Cox, Donart, Frederickson, Hechtner, Lough, McLeod, Murphy of Shoshone, Nock, Sandberg, Stenson and Wetherell.

Republicans against (19)—Barlow, Biles, Bottelofson, Campbell, Cook, Heath, Cooper, Murphy of Lincoln, Naegle, Nally, Poole, Prather, Rasmussen, Rodden, Samuelson, Seeley, Smith, Yensen and Young of Canyon.

Democrats against (5)—Aulich, Dee, Daniels, Parkins and Young of Fremont.

### Divorce Asked

Charles W. Reed filed a divorce suit in district court Monday against Mrs. Lois Reed, charging mental cruelty.

They were married in Elko, Nev., April 24, 1947, and have two daughters, 6 and 11. Reed asks for custody of the children, and a division of community property.

He is represented by the Twin Falls law firm of Rayborn, Rayborn, Rayborn and Webb.

## Boise Man Practices Bagpipe for "Brigadoon"

Saundra Hopkins, 9-year-old daughter of Mr. and Mrs. Charles Hopkins, Twin Falls, listens to Ted Anderson, Boise, practice playing the bagpipe during a dress rehearsal of "Brigadoon," to be presented at the Filer high school auditorium Thursday through Monday by the Twin Falls Dilettante group. Anderson is a member of the cast for the play. (Staff photo- engraving)

### Authentic Touch to Be Added by Use Of Bagpipe in "Brigadoon" Musical

The skill of the bagpipers will echo through the Filer high school auditorium this week as the final authentic touch is added to "Brigadoon," the Dilettante group production on which the curtain goes up at 8 p.m. Thursday.

Ted K. Anderson, a member of the Boise Scottish Piping and Dancing society, will come to Twin Falls for five performances to play the bagpipes for several scenes in the musical comedy. Anderson, who is also a drummer with the Boise Civic symphony, has offered his services to the Dilettante group of Magic Valley, and is taking time off from his job with the highway department.

Anderson, who numbers Scotsmen among his ancestors, has played the bagpipes for two years, but previous appearances in productions of "Brigadoon" have been in other capacities.

"Anderson, towers well over six feet and makes a dramatic appearance in the kilt and tartan of the Buchanan clan, to which he is entitled genealogically.

Vern G. Hedner, production manager of the show, and Mrs. Tom F. Alworth, director, report "the addition of Anderson to the production gives the final touch to the show." "Brigadoon" is set in the Scottish highlands in a little town of 200 years ago.

The curtain will go up at 8 p.m. Thursday, Friday, Saturday and Monday. Sunday matinee of "Brigadoon" is at 2:30 p.m.

### No Cure

WASHINGTON, Feb. 23 (AP)—The federal government has moved to protect unwary consumers against an age-old quack cure—seawater.

The U. S. food and drug administration (FDA) said today that an Ohio promoter has been selling Atlantic ocean water as a cure for everything from arthritis to cancer.

He has been charging prices up to \$375 a gallon for water taken from the Atlantic off Belmar, N. J., and carted to Ohio, the FDA said.

The product is worthless medically, the FDA said, but at least it has been selling at bargain prices compared to the \$20-a-gallon charged by another promoter for Pacific ocean water some years ago.

### U.S. Believes Cuba Appeal Shows Fright

WASHINGTON, Feb. 23 (AP)—U. S. officials today viewed Cuba's plea to other hemisphere republics as an act of desperation and deception by the Fidel Castro regime.

"They said the facts simply do not give any credence whatever to the bearded man's promise last week-end that Cuba will not try to spread Castro's revolution to other Latin American republics.

He has been trying his best for many months to do just that and has been detected in a half a dozen cases, officials said.

The Castro government delivered in Havana during the week-end a 22-page document promising not to intervene in internal affairs of other American republics and attacking the United States, the United Nations and the Organization of American States.

It acted after the government of Guatemala had circulated, by cable, a suggestion among hemisphere nations that the time had come to talk about specific measures to solve the Cuban problem.

There were reports in Latin American circles that the Castro regime has obtained a promise from the new government of President Janio Quadros in Brazil that it will oppose any plan for hemisphere nations to sanction or isolate the Castro regime.

Similar Cuban pressure is reported being put on Mexico, where a communist-style peace conference — backed by Mexico's leftist ex-President Lazaro Cardenas and by the Castro regime in Cuba—will open shortly.

### Divorce Alleges Mental Cruelty

Mrs. Martha F. Berlich filed a divorce suit in Twin Falls district court Monday, charging John Berlich with mental cruelty.

They were married at Elko, Nev., Sept. 27, 1950, and have four children. Mrs. Berlich asks for custody of the children, \$25 monthly support for each child, an equitable division of community property, and payment of attorney's fee and court costs.

She is represented by J. Alfred May, of the Twin Falls law firm of May and May.

### Books Available

BLISS, Feb. 23—A project of the Bliss PTA has been the organization of a community library of state books. The library is kept at the home of Mrs. Sam Bishop, Jr., and can be checked out on Monday, Wednesday and Fridays from 10 a.m. to noon.

Books are available of all kinds and can be kept for a two-week period. All Bliss community residents are invited to obtain and use these books.

Ambergis is obtained from the sperm whale.

### 60 Tax Bill Double That Of '50 Total

NEW YORK, Feb. 23 (AP)—Americans paid twice as much in taxes in 1960 as in 1950 and will pay about eight billion dollars more this year than last, the Tax Foundation said today.

The foundation published a 275-page book (facts and figures on government finance, 1960-81) Prentice-Hall, New York, which details the mounting spiral of tax payments by Uncle Sam, states, cities and hamlets.

Total taxes collected last year from Americans were 127 billion dollars, just over double the 1950 total, the book says. Uncle Sam got 73 percent of this. The total tax bill was nearly 30 percent of the gross national product.

On top of the taxes collected, government agencies spent 26 billion dollars in borrowings, and the gross public debt of the national and local governments climbed 13 billion dollars to 356 billion dollars.

However, over one-half of federal spending in 1959 and one-third of all this tax and bond spending in the whole country went for defense, foreign aid and international relations.

### Senate Vote on Annual Session Proposal Listed

BOISE, Feb. 23 (AP)—Here is the roll call vote by which the senate last week killed the proposed constitutional amendment which would have required annual sessions of the legislature:

Republicans for (3)—Hansen, McClure and Wallington.

Democrats for (15)—Andrus, Burge, Duxon, Chase, Cox, Donart, Frederickson, Hechtner, Lough, McLeod, Murphy of Shoshone, Nock, Sandberg, Stenson and Wetherell.

Republicans against (19)—Barlow, Biles, Bottelofson, Campbell, Cook, Heath, Cooper, Murphy of Lincoln, Naegle, Nally, Poole, Prather, Rasmussen, Rodden, Samuelson, Seeley, Smith, Yensen and Young of Canyon.

Democrats against (5)—Aulich, Dee, Daniels, Parkins and Young of Fremont.

### Divorce Asked

Charles W. Reed filed a divorce suit in district court Monday against Mrs. Lois Reed, charging mental cruelty.

They were married in Elko, Nev., April 24, 1947, and have two daughters, 6 and 11. Reed asks for custody of the children, and a division of community property.

He is represented by the Twin Falls law firm of Rayborn, Rayborn, Rayborn and Webb.

### 3 Candidates Nominated to Head Jaycees

Larry Motzner, James Maynard and Robert Shiner were nominated as candidates for Twin Falls Jaycees president at a meeting Monday night in the Rogerson hotel Roundup room.

Nominated for first vice president are Elden Jackman, Nell Turner, Wayne Forey and Richard Lennon. Second vice president nominees are Eugene Sharp, Larry Rowe and Steven Bancroft.

Max Woodall, Carl Olson and Dick Lewis were nominated for treasurer; secretary nominees are Jay Farnsworth and LeRoy Dodson, and sergeant-at-arms nominee is Steven Pouch.

Larry Alot, Charles Brown and Vernon Doshier were nominated for board of directors.

Officers will be elected March 13. During other business, Motzner discussed requirements for one-year Jaycee members in order for them to receive the Spoke award for outstanding service in the first year of Jaycee work.

Wayne Durnil presided over the meeting and Jackman gave the invocation.

### Former Resident Dies at Lewiston

LEWISTON, Feb. 23 — W. E. (Bill) Bitter, Lewiston insurance man and real estate broker, died Thursday at Lewiston.

In 1923, Mr. Bitter entered the life insurance business, becoming a special agent for the California State Life Insurance company at Twin Falls before moving to Lewiston in 1937 to become president and general manager of the Pacific Life Benefit association.

### Charter Presented

John Martin presented the Union school with a Cub Scout pack charter at the PTA meeting held Monday night.

Mrs. Roy Blakeslee and Mrs. Beulah Turner, den mothers, each helped their groups present a skit.

Refreshments were served by Mrs. Robert Kunsman, Mrs. Melba Smith and Mrs. Jack Tucker.

This is the most important seat in the country

Tom here, is discovering the atom. But the most exciting discovery in the classroom could well be Tom himself. For he's the owner of a bright, inquiring mind—and possible seeds of greatness. His and other keen minds should be given the chance to develop their capabilities to the fullest... for the nation's very existence depends on their growth. Today, industry and education are uniting to help provide this chance. For its part, Standard is investing \$1,300,000 this year in scholarships, research grants, fellowships, direct aid to colleges and universities, teaching aids, educational broadcasts. Industry's investment, we believe, will be returned many times over in enriched minds and improved technology.

### Ohio Worker Floats for Six Miles on Log

PORTSMOUTH, O., Feb. 28 (AP)—I could think about my wife and three children from a hospital bed, James E. Walden, 37, a construction worker, told of his nightmare ride on a log trunk early yesterday, more than six miles down the swollen Ohio river.

Rescued by deputy sheriffs and volunteer firemen, Walden suffered from exposure to the cold water and is hospitalized. His condition is not considered serious.

He was thrown into the river from the collapse of a 1,000-foot steel trestle, weakened by flood waters at Greenup dam, Ky., 14 miles east of Portsmouth.

Two other workmen, Thomas D. Lowry, 40, Portsmouth, and Charles Ball, Greenup, were on the trestle but managed to cling to a ladder and reach the safety of a pier. Lowry was admitted to the hospital for treatment of minor injuries. Ball was released after treatment.

### Bureau Plans To Appeal on Mixed Grain

Plans to carry to the department of agriculture in Washington, D. C., an appeal to increase the permissible amount of wheat in mixed grain from 25 per cent, as presently allowed, to 50 per cent were discussed by Twin Falls County Farm Bureau directors at their monthly meeting Monday night.

Robert Colner, chairman of the bureau's county commodity committee, said members of his group and a special mixed grain committee will meet with State Sen. Don Frederickson, Gooding, and Harold West, secretary of the Idaho state wheat commission, early in March to discuss best possible methods of obtaining a hearing with Washington officials.

Present plans call for sending a delegate, probably Frederickson, to Washington to present the story of southern Idaho farmers in their effort to change what they term a "discriminatory" and unfair department of agriculture ruling issued last year.

Until that time farmers were allowed a 50 per cent wheat mixture in their feed grain production. The department ruling reduced this to 25 per cent.

Cattle feeders and farmers alike have protested the ruling. More than 4,000 southern Idaho farmers have signed petitions asking the department to rescind the action and restore the previous limit.

Rough draft of a plan to erect intersection signs throughout Twin Falls county as an aid to persons attempting to locate rural addresses was presented to the meeting by Lyman Engle, chairman of a recently appointed highway sign committee.

The program would include markers similar to street intersection signs at each rural intersection based on a series of numbers radiating from a central point in the county. It was estimated more than 400 crossings would be involved.

Engle said cooperation of chambers of commerce and other civic groups, highway departments and commercial establishments using country roads extensively would have to be obtained to ensure success of the program.

Directors voted \$130 to send Mrs. Max Lougimiller to the National Youth Power conference in Chicago. John Wells, Twin Falls, state youth power contest winner, will attend the conference at State Farm Bureau expense.

County Farm Bureau President Floyd Lincoln reported the Twin Falls Chamber of Commerce is attempting to reactivate its agricultural division. The group indicated it would support the plan.

A budget of \$10,700 for 1961 was approved by a unanimous vote of the board.

### Boys Graduated At LDS Service

EHOSHONE, Feb. 28—Two boys were graduated from Primary during the LDS sacrament meeting Sunday morning.

Mrs. L. T. Sorenson, counselor in the Primary, presented Marvin Rands and Spencer Bateman to Bishop J. Oscar Stimpson.

Bishop Stimpson congratulated the boys and presented them with their certificate of graduation. Ben Combs, MTA superintendent, welcomed the boys into that organization. They were advanced to the office of deacon in the priesthood.

Harley Handy was sustained to the office of secretary of the welfare program of the ward.

### Red Cross Month Proclaimed Here

Mrs. Bliss Russell, residential chairman of the fund and membership drive of the Twin Falls chapter of the American Red Cross, watches Vernon Riddle, chairman of the Twin Falls city commission, sign a proclamation designating March as "Red Cross month" in Twin Falls. (Staff photo-engraving)

### Chairman Signs Proclamation March for Red Cross Month

"I urge all Twin Falls residents to join the American Red Cross—a membership is still one dollar—and to support the many worthwhile volunteer programs carried on in the local chapter," Vernon Riddle, chairman of the Twin Falls city commission, stated as he signed a proclamation designating March "Red Cross Month." This is the first time a Red Cross month has been proclaimed for Twin Falls since 1952.

"In addition to the tremendous value of all the first aid, home nursing, water safety and home service programs provided by the Red Cross in the Twin Falls area, our own people saved approximately \$56,000 through the whole blood and blood derivatives provided through the Red Cross blood program," Riddle added.

Chairman of the local Red Cross membership and fund campaign is Robert King, assisted by John Wilkerson. Louis Meligs is serving as chairman for the business campaign and Robert Stephan will handle the professional group. Mrs. Bliss Russell is residential chairman of Twin Falls and rural

### Minidoka Dairy Group Sets Plan

RUPERT, Feb. 28—Plans for the coming year were outlined at a meeting of the Minidoka county dairy advisory committee Friday at the courthouse.

Study groups and tours on roughage and corn for silage will be set up for spring and summer, according to LaMont Smith, county agent. Other studies undertaken by the group will include the proper handling and cutting of alfalfa hay, and during the late fall or winter, a study of disease control for dairy cattle.

Smith said that sometime during the winter, the committee plans to sponsor the appearance here of Daniel Norland, formerly with the University of California, who will speak on the proper handling of milking equipment.

Plans for a meeting of the youth advisory committee to be held at 2 p. m. Thursday were announced. Committee members attending were Thomas Maberly, chairman; C. F. Tolman, Odell Smith, Don McCombs, LaMar Nef, Rex Broadhead, Earl Blacker, Clyde Ross and Smith. Other members serving with the group are John Thain, Ron Hawkes, Duane Hansen, Grady Evans and Thomas Pierce.

### Tax Ban Bill Defeated

BISMARCK, N. D., Feb. 28 (AP)—The North Dakota senate yesterday defeated without a word of debate a house-passed resolution approving abolition of the federal income tax.

### Dog Goes to Court to Tell "Testimony"

LOS ANGELES, Feb. 28 (AP)—A dog came to court yesterday to say a few words, and to some it sounded as if he did.

Court reporter Frank Van Horn refused to transcribe the growling, guttural sounds uttered by London, a canine actor.

But to his owner, Charles P. Eisenmann, and to several courtroom observers—the noise came out like: "Hello... how are you?... I don't wanna"

\$35,000 Asked

London, the dog, was in court as part of Eisenmann's \$35,000 suit against a delivery company whose truck collided with Eisenmann's auto in 1957, injuring the German shepherd.

He claims the dog, now 10, incurred a leg fracture and a bump on his head which limits his abilities as a movie and TV actor.

He ordered London to turn off the lights, and the dog walked to the light switch and pointed with a paw—unable, apparently, to finish the job.

Eisenmann had London demonstrate his grasp of the English language. He asked, "What gentleman in this room uses an item to see better with?"

London walked in front of the jury to reporter Van Horn.

"What is the item?" asked Eisenmann.

Glasses Nuzzled

London nuzzled Van Horn's glasses.

"What man is your counsel?" he asked.

London walked to Jerry Adelman, Eisenmann's attorney.

The trial of Eisenmann's suit is continuing.

### Help With Drive

RICHFIELD, Feb. 28—Mrs. Rita Powell is Richfield chairman of the Heart fund drive now in progress.

Assisting her are Mrs. Jack Tewes, Mrs. Gail Hansen, Mrs. Lee Monroe, Mrs. James M. Brown, Mrs. Walter J. Stubbs, Mrs. Gerald Stowell, Mrs. Mack Crowther, Mrs. Orrin Capps, Mrs. Norman Mills, Mrs. Everett Ward, Mrs. Lyle Deeds, Carl Riley, Mrs. Jerry Davis, Ronald Ralls, Mrs. Ray Appel and Mrs. Odell Chatfield. Ruben Braun assisted Mrs. Powell with arrangements.

### June Start Eyed For Food Stamps

WASHINGTON, Feb. 28 (AP)—Agriculture Secretary Orville L. Freeman says he hopes pilot food stamp programs will begin in eight areas by June 1 or June 15 at the latest.

President Kennedy announced the experimental program to bolster the diet of needy persons more than three weeks ago. However, no target date for getting it into effect was set.

Freeman told a news conference yesterday that eight areas would be involved in the test instead of six, as previously announced. Western Montana and northern New Mexico were added to the list of areas in which localities will be selected for the tests.

### Film Shown

FAIRFIELD, Feb. 28—The film, "A Lie That Orew," was shown at the Sunday evening service of the Community church.

Friday evening the Rev. Wilmer Brown, northwest regional director of the National Association of Evangelicals, was guest speaker and presented a film on the life of John Noble in a Soviet slave labor camp. The Rev. Mr. Brown also presented numbers on the musical saw with Mrs. Brown accompanying on the piano.

### Student Life Adjustments Plan Scored

SAN FRANCISCO, Feb. 28 (AP)—A California school superintendent said today the mushrooming rate of "slobbism" during the past 20 years demonstrate a complete failure of life adjustment programs in the classroom.

Dr. Max L. Rafferty, jr., Needles, said, "An awful lot of these cold-eyed, sadistic, perverted punks we read about every day in the public press spend a good many years in programs designed to teach effective social living."

"Juveniles Not Adjusted" "Don't get me wrong," Rafferty said. "It didn't cause their delinquency. But it hasn't noticeably adjusted our current crop of juveniles, either."

Rafferty in an address for the American Association of School Administrators, convening here, said superintendents should beware of new and gimmick-laden approaches to education.

He spoke of the growing enthusiasm for team teaching, in which several teachers combine their talents to teach as many as 150 to 200 pupils at a time.

Perils Outlined Superintendents considering the team teaching approach, Rafferty said, should ponder these perils: 1. The teachers assigned to any given team may not be capable of working together congenially.

2. The school plant may not have room which can accommodate 150 pupils or 100, 75 or even 50.

3. Can even the best teacher in the world teach up to her potential before a group of normally curious, inattentive, giggling fourth graders numbering 100 or more?

Impossibility Claimed A basic assumption in team teaching, Rafferty said, is that it is now impossible to staff each classroom with a competent, inspiring teacher and it will remain impossible in the foreseeable future. This assumption, he added, can't be proved.

"Our profession has long agreed that a top teacher with a class of about 25 pupils is the best instructional setup there is," Rafferty said.

### Idaho Board Of Examiners Session Quiet

BOISE, Feb. 28 (AP)—The state board of examiners met here yesterday for a routine business session and the meeting was one of the quietest in recent months.

The meetings often have been the scene of numerous battles between Gov. Robert E. Smylie and Attorney General Frank L. Benson, but neither ignited the feud yesterday.

The meeting was held, however, just two days after a house subcommittee had asked them to bury the hatchet and get down to the job they were elected to do.

Among the business transacted, the board okayed state insurance fund payments with the exception of legal fees—a normal procedure of the last few meetings.

Benson has been against payment of the legal fees contending the state law matters should be handled by an attorney from his office and not an outside firm.

The third member of the board, Secretary of State Arnold Williams, asked Benson if any court progress had been made on this matter. The attorney general shook his head "no."

### Awards Given For Cub Pack

RUPERT, Feb. 28—Presentation of awards and a display of handicrafts highlighted the monthly meeting of the Cub Scout pack 51 held at St. Nicholas school Friday night.

Jody Marcotte was in charge of the color guard, and Gary Kifer gave the opening prayer. Robert Clark, Cub master, presented awards.

David Kifer received a wolf badge, gold and silver arrow; Danny Schab, denner stripe, wolf badge, and gold arrow; George Giraud, bear and assistant denner stripe; Bobbie Schab and Tommy Kifer, both bobcat; Billy Mitchell, Steve Trevino, Tommy Warhurst and Burdell Hammond, all wolf. Hammond also got a gold and silver arrow.

Mrs. A. L. Karella exhibited a display of handicrafts completed by her den one and projects made by dens three and four with their "Genius Kits" were displayed by Mrs. Thomas Peabody and Mrs. Jack Walker, leaders. These projects will be displayed in the downtown area soon, they said.

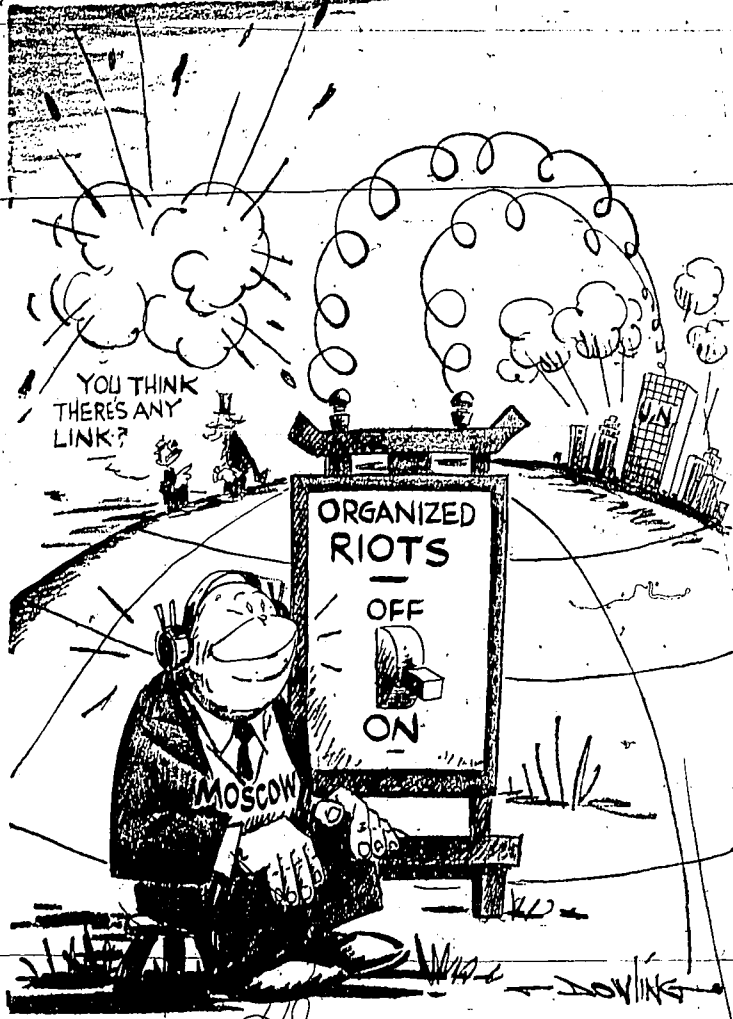

Committee chairman is Harvey Marcotte, and A. G. Salten is treasurer and achievements chairman.

### Speaker Slated

RUPERT, Feb. 28—Aldrich Bowler, English teacher in the Bliss high school, will be the featured speaker at the March 16 meeting of the Washington school PTA, reports Ed Rensmeyer, president.

He said that Aldrich would report on his year spent as an exchange teacher in Antwerp, Holland, during the past school year. Officers will be elected, Rensmeyer said, and he stressed that the public was invited.

### What Every Communist Knows

### Pilots Claim Airports Not Safe Enough

WASHINGTON, Feb. 28 (AP)—The Airline Pilots association, citing last year's record death toll from plane crashes, yesterday accused the government of failing to provide enough safety equipment.

Confidence Sayen, the union's president, called it "shocking neglect." He added it was one reason why 499 persons died in commercial carrier accidents last year. His statements were in testimony to the senate aviation subcommittee, which is investigating air safety problems.

Of 409 airports now certificated for airline service, Sayen said, fewer than half have instrument landing systems, approach lighting or even fire and rescue facilities in case of trouble, and only 42 percent of them have commissioned control tower facilities.

Federal aviation agency officials, who testified before Sayen, told the subcommittee FAA is conducting research with an improved form of radar designed to avoid disasters such as the collision of two airliners over New York City last Dec. 16 which killed 134 persons.

### Book Review Is Given at Burley

BURLEY, Feb. 28—Mrs. Roger Thomas, Kimberly, reviewed "Testament of Trust," Saturday afternoon at the library sponsored by the Friends of the Library.

The book deals with personalities and effect persons have on others. Mrs. William Roper and Mrs. Rulon Stoker poured with arrangements made by the hospital committee.

The review was sponsored by the book review committee, Mrs. Preston Stocks, chairman, introducing the guest speaker.

### Russians Shown Film of Kennedy

MOSCOW, Feb. 28 (AP)—In an unprecedented gesture the Soviet Union last night televised films of two of President Kennedy's news conferences.

From the program the Soviet public got a broad hint that Pre-

mier Khrushchev may visit New York for part of the U. N. general assembly next month.

The screenings coincided with the arrival in Moscow of U. S. Ambassador Llewellyn Thompson, who came back from Washington bearing a message from Kennedy to Khrushchev.

The Richfield choir sang with Mrs. C. M. Pridmore accompanist.

### Hold Service

SHOSHONE, Feb. 28—Worship services at the Wood River Convalescent center Sunday afternoon were held under direction of the Shoshone and Richfield Methodist churches, with the Rev. Woodrow Harris officiating.

The Richfield choir sang with Mrs. C. M. Pridmore accompanist.

Print plainly name, address with zone, size and style number. 100 fashion finds—the best, newest, most beautiful printed patterns for Spring-Summer, 1961. See them all in our brand-new color catalog. Send 25c now!

New Member Is Greeted at Meet

BURLEY, Feb. 28 — Barbara Harkness was inducted as a new member of the Burley Royal Neighbors of America lodge Friday evening at the IOOP hall. Shirley Mae Paramore was accepted as a new member. Mrs. Carl Leslie, oracle, reported Mrs. Hazel White, Burley, had a heart attack and is recuperating at her daughter's home in Caldwell. A rosebud and card were sent to her. During the social hour games were played and refreshments were served by Mrs. Ina Reese and Mrs. John Ashcraft, hostess.

Journey Related By Mrs. Thomas

SHOSHONE, Feb. 28 — Mothers circle members heard a program on France Friday afternoon when Mrs. John Thomas told of her trip to Europe last summer. The group met at the home of Mrs. T. V. Strunk. Mrs. R. L. Baumann conducted the business meeting. The next meeting will be held March 10 at the home of Mrs. Emily Firebaugh with Mrs. J. E. Harrison as program chairman.

Care of Your Children

Regular attendance at school is one of the most cherished education commandments, but it does have certain exceptions. These are what thoughtful parents observe regardless of the children's protests. Some morning it is evident that a child is not well. He seems to have a cold coming on, or his head aches and he looks feverish. That child should stay home until he completely recovers. In these days of school buses and groups of 40 or more children, infections are easily spread. A cold, an oncoming attack of some childhood disorder can quickly spread through the group. By keeping a child with sniffles at home, such a misfortune might be prevented. Also, when such a child goes to school, he may grow worse by the minute. He is miles from home; the bus won't come until afternoon. Then what is to be done? Common sense tells us to keep sniffing children home. Occasionally, we meet with a child, usually in the lower grades, who shows fatigue. He does not

Leads Devotions

BLISS, Feb. 28—"Before we were born" was the topic of the devotions given by Mrs. Harold Halverson at the Ladies Aid meeting Thursday at the home of Mrs. Lloyd Hansen. Mrs. Mervin Leidig read two poems and gave a prayer. The afternoon was spent quilting. The next meeting will be held March 9 at the home of Mrs. Lesley Parsons with Mrs. Leidig as hostess.

Suzanne Butler Speaks at Meet

BURLEY, Feb. 28—Suzanne Butler reported on refining oil during the meeting of the Xi Omega chapter, Beta Sigma Phi sorority, last week at the home of Mrs. Joe Huckabee. She displayed charts and test tubes of oil in different stages to illustrate her talk. Miss Butler, eighth grade student at Burley junior high school, gave a semester report she had prepared for school. Mrs. Dean Van Engelen, vice president, conducted the business meeting and announced a report would be given by the nominating committee March 9 at the home of Mrs. Al Mortenson. Refreshments were served by the hostess and Mrs. Bert Wilson, co-hostess.

Richfield Group Schedules Event

RICHFIELD, Feb. 28—Plans for the March 10 benefit dinner at the Richfield school cafeteria have been announced by Bonnie Patterson, girls' league president. The dinner is an annual event to raise funds to send delegates to the Tri-state Federation of Girls' leagues meeting. The convention will be held at Pendleton, Ore., this year. Miss Patterson named Mary Ann Lee, Elaine Behr, Carlee Riley and Phyllis Helderman to the entertainment and decorating committee; Ellene Brush, Maxine Behr, Agnes Schisler and Janet Armstrong, advertising and tickets; and Miss Patterson, Shirley Whitesell, Bobette Fehلمان, Carol Ann Stubbs and Mary Chaffield, menu committee.

Plans Listed for District Meeting

RICHFIELD, Feb. 28—The district council meeting to be held at Rupert March 30 was discussed at the Burmah club meeting Friday afternoon at the home of Mrs. Kenneth Johnson. Mrs. Francis Stowell, club representative to the County council, outlined the program. Delegates will be appointed at the March 10 meeting. Mrs. J. S. McIntosh and Mrs. W. L. Jensen reported on visits to shut-ins and directed the program. Mrs. Clifford Dayley demonstrated making room centerpieces for the program. Mrs. Roy Peak received the hostess gift. Mrs. Ellis Newby was co-hostess with Mrs. William Brown assisting Mr. Johnson with serving. The March 10 meeting will be held at the home of Mrs. P. N. Stowell, Shoshone.

Couple Marries in Nevada Rites

Bea Crom, Idaho Falls, and L. H. (Bus) Cowham were married Thursday in a ceremony at Elko, Nev. Saturday evening they were honored at a buffet dinner for families and friends at the home of his son-in-law and daughter, Mr. and Mrs. Robert Mingo. Cowham is a painting contractor here and the new Mrs. Cowham is a former local resident.

Diary Is Lesson Given for Declo Pioneers' Camp

DECLO, Feb. 28 — Mrs. Henry Norton gave the lesson on excerpts from the diary of William K. Rigby when the Sarah-Sophia camp, Daughters of Utah pioneers met Friday at the home of Mrs. Emma Preston. Mrs. Norton told of the early settlement of Rexburg and noted the town of Rigby was named after his relatives. She also told of the hardships and pioneering as related in the diary. Mrs. Bernice Fries gave a history that she had written of the settlement of Almo. She said the first pioneers came in 1874 and they lived in dugouts made in the side of the hills. The first cabins were built in 1878 of logs with dirt floors and dirt roofs. They went to the hills for the logs. The name "Almo" is Spanish and means great battles, she said. There was some discussion on naming the town as some wanted it named Durfeeville. After some of the early settlers, but it was finally decided to name it Almo, as there were a number of Indian battles fought in that area. Mrs. Fries told a story of an Indian battle that was fought at her parents' home where she was born. Almo was noted for its brass band that was organized in 1903, and it used to play at the celebrations, she recalled. The LDS church was organized there in 1884 and the first church was a log house with a dirt roof. Later it was replaced by a brick building which has been remodeled several times. Part of the old building is still in use. Mrs. Clark Darrington was in charge of the meeting. Mrs. Mamie Darrington gave opening prayer. The white elephant prize was furnished by Mrs. Norman Wood and received by Mrs. Henry Norton.

Marks Summer

YVONNE ANDERSON... whose engagement to Bert Early Lamb, son of Mr. and Mrs. Arden Lamb, Magna, Utah, is announced by her parents, Dr. and Mrs. Vern H. Anderson Buhl. The bride-elect is attending school at Salt Lake City and Lamb is attending school at Magna. A summer wedding is planned. (Staff engraving)

Observance Set By Local Group

The anniversary dinner of the auxiliary to Magic Valley barracks, No. 509, Veterans of World War I, will be held April 13. The department president and some of her officers also will be entertained. Plans were made for the annual event at last week's meeting at the home of Mrs. W. L. Hayward. It was announced the district meeting will be held in March. The group was invited to the benefit card party sponsored by the American War Mothers. A dessert luncheon was served by the hostess.

# TWIN FALLS DUBBED FAVORITE FOR DISTRICT AAA TOURNEY

## Action to Begin Thursday Night At Jerome, Minico

The Twin Falls Bruins, who posted the best won-lost record among triple A teams but ended the season with four straight losses, rate the favorite tag in the fourth district class AAA basketball tournament which opens in Jerome and Minico Thursday night. The Bruins will meet the Gooding Senators in the first game at Jerome while the homesteading Tigers test Filer in the nightcap. Oakley meets Burley at 7 p. m. and Minico tests Buhl in the second game at Minico.

Although they ended on a losing note, the Bruins rate the edge in this one on two counts. They didn't lose a game to local competition this season, although all seven games came early in the year, and if they can survive the first two nights at Jerome they will return to their home floor. The Bruins also would like to erase the memory of going into last year's tournament with a 15-5 season record and losing out in two straight games. The team with the momentum behind it is the Minico club. After losing seven of their first eight games, the Spartans rebounded to win the Big Seven conference with a 10-2 record and were 11-9 for the year. However, the Buhl Indians, who haven't decided as yet whether they will play as a team or as individuals, rates the darkhorse tag as last year's runners-up are potentially stronger man-for-man than any team besides Twin Falls. Still the tournament is not lopsided in favor of those three teams. Burley's Bobcats ran Minico a close second in the Big Seven conference and the scrappy little Gooding Senators might suddenly regain their form of two weeks ago and make it tough for anyone. The district will be waiting to see whether those last four losses indicated Twin Falls was going stale. The Bruins, playing a wide-open offense, were accused of that last spring when they bowed out early. Many feel the same thing has overtaken the Bruins again, particularly since the Nampa game. However, coach Ollie Butler, Twin Falls, states "They don't take into account that Bart Strong was taken away from us just before the tournament last year. At that time, Bart was our main threat. That hurt our boys much more psychologically than anything else."

The Bruins carry a height advantage into the meet against most teams, but not too much over three of them. The first two nights of the tournament will be conducted on the split-site opening format. Saturday night the remaining teams move to Twin Falls and the four losing teams will meet there. The championship semi-finals and loser-bracket quarter-finals are slated for Wednesday with one game per night after that until the championship is decided. The champion and runner-up will advance to the state meet in Boise, although the runner-up will have to meet the fifth district champions. That probably will be tall Pocatello, the favorite to win state laurels.

**Lane Has Tickets He Can't Peddle**  
WEST PALM BEACH, Fla., Feb. 28 (AP)—Frank Lane, general manager of the Kansas City Athletics, has a couple of tickets he can't give away. They are the kind you get when you are stopped for speeding.  
Lane, acquired two of them in the past week at the wheel of his sports car, the gift of his boss, owner Charles O. Finley.  
He got his second ticket Sunday as he was going down the Florida turnpike to Miami. He was clocked at 75 miles an hour.

**DUMPS GONZAGA**  
VANCOUVER, Wash., Feb. 28 (AP)—Sophomore Art Easterly with 21 outpoints the nation's leading scorer and led the University of Portland to a 98-69 basketball victory over Gonzaga university here Monday night.

## This Five Will Open Tourney for Bruins

These five Bruins are the probable starters for coach Ollie Butler and Twin Falls for the opening game of the fourth district AAA basketball tournament. The Bruins will meet Gooding's Senators at Jerome Thursday night while other action will be raging at Minico. From left are John Jenkins, Allen Sanderson, Bob Sorenson, Charles (Chick) Cutler and Dan Keller. The Twin Falls Bruins have been installed as favorites for the tournament. (Staff photo-engraving)

# SPORTS

**District LDS Senior Meet Set Wednesday**  
The fifth district class A basketball tournament will open at 7 p. m. Tuesday at the Fairfield and Hagerman high school gymnasiums. At Hagerman, Bruneau will play Grand View and Hagerman will host Bliss in the nightcap. Bellevue meets Gooding State and Carey tests Camas County at Fairfield. The tournament will stay at those sites Wednesday night and all action shifts to Hagerman Thursday.

**U. S. Claims Boxer Owes Back Taxes**  
WASHINGTON, Feb. 28 (AP)—The government charged today that former world heavyweight champion Ingemar Johansson of Sweden owes the United States \$508,000 in back taxes. It moved to freeze box office receipts from the impending championship fight at Miami. The justice department announced that the government asked federal district courts at both Miami and New York today to freeze funds payable to Johansson for his comeback engagement with Floyd Patterson March 13. The action was taken after internal revenue service agents served Johansson with a demand for the back taxes at his training camp at West Palm Beach, Fla. The IRS has been engaged in a dispute with Johansson over his tax status for some time. It claimed that he owes the federal government \$388,161 for his 1955 and 1960 bouts with Patterson and for entertainment and television appearances in this country.

**College of Idaho Cops Second Spot**  
CALDWELL, Feb. 28 (AP)—College of Idaho came from behind in the last three minutes of play here Monday night to snatch victory from Pacific college 72-63 and nail down second place in the Northwest conference. The Coyotes rode to victory on the scoring of its mainstay of the season—Bob Moreno—who copped high point honors for the game with 24. High for the Oregon squad was Leon Johnson with 14. Two fights broke out in the spirited game in which four Iowa players and two Purdue starters fouled out. The Hawkeyes now 9-2 in conference play, took charge of the runnerup spot behind unbeaten Ohio State, Purdue slipped to third with a 9-3 Big Ten mark. Iowa yielded only 22 points in the first half while building a 10-point lead and despite the 35-point scoring of Terry Dichtinger the Bollermakers were unable to cut the margin in the second half. The Hawkeyes' conquest avenged an earlier 47-41 loss to Purdue in which Iowa scored only 14 points in the first half.

**Weber Cops Lead In Cage Playoff**  
OGDEN, Utah, Feb. 28 (AP)—Weber junior college broke away in the second half and beat Eastern Arizona 98-80 Monday night in the first game of a best-of-three playoff to determine the region one representative in the national junior college basketball tournament. Bob Belka and Phil Johnson, each with 27 points, were high for Weber. John Payne had 24 for Eastern Arizona.

## Rupert, T.F. to Play Tonight for LDS Cage Crown

JEROME, Feb. 28—Rupert first ward climbed into the LDS junior district basketball finals Monday and will play the Twin Falls fifth ward Tuesday night in the championship game. Game time is 8 p. m. at the Jerome stake recreation hall.

Rupert dumped pre-tourney favored Burley seventh ward 42-30 Monday to gain the finals. Since Twin Falls fifth ward is undefeated, Rupert must win two games to claim the title. If a second championship game is necessary, it will be played at 8 p. m. Wednesday at Jerome. The champion will meet the Boise district winner in a one-game playoff Saturday with the winner of that game becoming eligible for the all-church tournament in Provo later in March.

Niagara has a 15-4 record for the season and has won eight of its last nine games. The team beat St. Bonaventure Saturday night at Olean, N. Y., 67-77.

## Paul Ostyn New Basketball Coach For Twin Falls

Paul Ostyn, football coach for the past two years at Twin Falls high school and athletic director this year, accepted the job as head basketball coach Monday night. The action was authorized by the board of education to fill the vacancy left by Oliver J. Butler, who resigned two weeks ago. Ostyn will continue as football coach and athletic director. "I am very pleased the board had enough faith in me to give me this position," Ostyn said late Monday night.

## Jayhawks Cop Big Eight's NCAA Berth

LINCOLN, Nebr., Feb. 28 (AP)—Kansas State's hustling Wildcats nailed down the Big Eight conference spot in the NCAA basketball tournament Monday night with a 77-67 victory over Nebraska.

The win made the State record 10-2 in the Big Eight and 19-4 for the season. The Wildcats are the No. 7 nationally rated team this week.

State was out in front all the way after breaking a tie at 11-11 in the first half on a basket by Ced Price and near the end of the half held a 10-point lead.

Four fielders by Ivan Grupe, Rex Swett and Al Russell cut the State margin to two points before Larry Comley and Pat McKenzie hit from the field to give State a 42-36 lead.

The Wildcats opened up the second half with six points by Comley, McKenzie and Dick Ewy for a 12-point advantage. The Wildcats consistently held a lead of 10 to 12 points.

## Bernardi Leads PGA Club Meet

DUNEDIN, Fla., Feb. 28 (AP)—Sam Bernardi, a 54-year-old resident pro at Winnetka, Ill., turned on a red-hot putting game Monday and established a commanding five-stroke lead in the third round of the PGA club championship.

Bernardi fired a five-under-par 33-34-67 for a 54-hole total of 204. He used only 30 putts on the 6,589-yard PGA National Golf course here, having an eagle, five birdies, two bogeys and 10 pars.

Ron Montrossor, 29, of Venice, Fla., who entered the round a stroke ahead, slipped to a 73 and second place with a total of 209.

SEE THE NEW VALUE-PACKED **COMET..**  
THE BETTER COMPACT CAR

**PRICED**  
UP TO \$331 BELOW OTHER COMPACTS

**HIGH RESALE VALUE**  
UP TO \$546 MORE THAN OTHER COMPACTS

**FAMILY-CAR SIZE FINE-CAR RIDE**

Comet is one of the least expensive compacts you can own! These are the facts. Comet costs less when you buy—up to \$331\* below other compacts. Comet gives you high resale value—up to \$546† more than other compacts. That's why it pays to own a Comet. But that's not all. Comet has fine-car features, too. It's the first family-size compact Longer wheelbase—up to 7.5" longer than other compacts—means more Comet room, not only in pleasurable comfort-for-six seating but in over 28 cu. ft. of trunk space—up to twice as much as other compacts. Comet's big-car ride is the comfort difference. Extra length also contributes to Comet's road-leveling ride. The refined new suspension and easier-action springs give Comet a better ride than many standard cars. And you'll find Comet turns, parks and handles almost as easily as a tri-cycle!

Talk about economy and you're talking Comet. To save on gas, choose either of Comet's two thrifty engines. You change Comet oil only every 4,000 miles, get 10% better tire mileage, save on licenses and insurance. And Comet's super-enamel finish won't cost you a cent for waxing—never needs it!

Both two- and four-door sedans and wagons. Take your pick from sedans or wagons. Comet wagons have up to 30% more cargo space behind the front seat than most other compacts, plus a convenient roll-down rear window.

Lasting quality, even where it doesn't show. Comet is quality, inside and out. Unit-built to keep quiet, stay sturdy and durable, Comet also has rustproofed vital underbody parts, complete soundproofing and an aluminum muffler.
