Uneasy Cease-Fire Ends Katanga Battle; Cause Of Fight Still Unsolved

NDOLA, Northern Rhodesia, Sept. 21 (AP)—An uneasy cease-fire was proclaimed today in embattled Katanga but the danger of civil war still hung over the Congo. President Moise Tshombe, Katanga, and the U. N. command signed a provisional cease-fire that froze the positions of their warring forces. Still pending is the issue that led to the shooting—Katanga's secession.

New U. N. President

A new threat came from the Congo. The U. N. government, which has been a bystander during the eight days of fighting between the Katanga forces and the U. N. troops, according to the government request.

With Tshombe as adamant as ever in keeping his mineral-rich province independent, Congo Premier Cyrille Adoula alerted the Congolese army with the declaration that the central government would "spare no effort to end Katanga's secession."

Speaking in Leopoldville before the cease-fire was announced, Adoula warned his government "will reply to force with force."

The shadow of the late Patrice Lumumba hung over the Congo. A Soviet-backed, anti-Communist, left-leaning former premier demonstrated in the streets shouting anti-western slogans, and Soviet diplomats picked out after Lumumba's overthrow, moved back to set up shop again.

Speaking in Leopoldville before the cease-fire was announced, Adoula warned his government "will reply to force with force."

Larks to Be Longer With Lower Style

Up the 15 inches longer, the new Studebaker Lark presents new silhouette styling and new power windows for 1962.

Leading the line is the new Lark Daytona, a sports-styled series offering bucket seats with console, optional four-speed floor shift, transmissions and floor-mounted sliding Skytop sun-roof. Daytona hardtops and vinyls are available with six-cylinder V-8 engines.

The Studebaker Lark cruiser offers "limousine luxury" in a four-door sedan. The Cruiser displays a newly-designed interior with front and rear seat trap-around bumper extensions. Other features offered are door pockets, folding rear seat, front rear wing window vents and exclusive interior and upholstery trim.

Lark hardtops and convertibles are offered with the company's Regal styling; accessories are usually optional. Four-door models are available in either Regal or the more economical Deluxe styling.

Overall body lengths have been increased on all Lark models, the company notes. These changes include a new frame assembly, to accommodate the long-wheelbase, three inches longer wheelbase, with the exception of the stationwagon.

Rear springs have been improved on models with live rear axles by leaving replacing leaf springs in place, according to the company.

A new spring insulator has been installed between the pad and spring. Gear synchronization has been improved in standard and over-drive transmissions, and a new timing control assembly serves to reduce vibration and rattle, the company asserts.

Stiffeners and muffler shields are constructed of aluminum steel for longer life. Studebaker states that the new Lark's quiet pipes have been lengthened. Rear axle ratios have been changed for improved performance, and all Larks except stationwagons have a new gasoline tank assembly to provide for a

TUCKER'S NATIONAL WHIRLIGIG

By J. F. TERHOUT
Ray Tucker, Editor

WASHINGTON, Sept. 20.—A few things which are going on in Washington, D. C., are worth noting. Almost everything, especially of government policy, is an inseparable compound of the two.

Congress was reminded of this a few days ago by a respected Republican member. He was speaking on the successful operation of the Land-Grant Act, which has done the most for certain labor unions fought it bitterly, calling it "another slave labor bill like the Taft-Hartley act." The speaker has done the best of the land and temper. And so has the Landrum-Griffin act, now considered a "minimum standard" of ethical unionism by Labor Secretary Arthur Goldberg, the former labor counsel of the United Steelworkers.

Fine Support

Citizens of Twin Falls can be proud of the way they supported their school system by overwhelming approval of the \$1,200,000 bond issue. Results of the ballot are particularly gratifying in comparison to a 1955 school bond election which passed by only two votes more than the required two-thirds majority.

Inasmuch as voters were restricted to those citizens who pay taxes on real property, the total of 4,199 ballots can be considered a particularly good turnout. Contrast this excellent record with the dismal total of only eight (8) ballots cast in the annual school trustee election a few years ago, with many more people qualified to vote.

Any election in which only eight people bother to vote is a shameful commentary on public attitude. It's almost unbelievable that a school election is more important than electing a president of the United States. Yet Kennedy was elected by a majority of less than one per cent.

The current law is an obstacle, hindering attempts by local governments until to finance needed improvements without begging for federal funds.

Why didn't the bond approval stall fresh in minds, it also would be wise to devote some thought now to immediate use of a fairly new law which permits "pay-as-you-go" financing of necessary school expansion. Idaho law now permits what is known as a plant facilities fund levy to construct new schools and finance certain other expansion and renovation.

The Twin Falls school district has had a two-mill plant facilities levy which provided funds for needed additions to buildings.

However, the law permits a plant facilities levy of up to 10 mills per year for 10 years. The full 10-mill levy probably would be necessary to pay for the expansion of the Twin Falls district for the next 10 years without a bond election. The levy would eliminate payment of interest which has totaled a considerable amount during the past 10 years. Indeed, Idaho law permits investment of funds in government notes until the money is used in payment of plant facilities—plant facilities funds accumulate interest.

Since 1946, Twin Falls school district voters have approved bond issues totaling \$9,700,000. Without doubt, interest payments in the last 12 years have exceeded a quarter of a million dollars.

There is no reason to expect school needs here to remain unchanged during the next 10 years and it would be smart business to keep future expansion on a cash basis insofar as possible.

Voter approval of the full 10-mill plant facilities fund levy would eliminate any more school bond elections for the next 10 years. It's something to think about.

HIGH CALIBER

With less than three weeks remaining until city elections scheduled Oct. 10, the first three candidates have announced their intent to seek commissioner offices.

The three, sponsored by a Citizens' Committee, are local businessmen and pose formidable opposition to any other candidates who enter the race later.

It is in the credit of the Citizens' committee that it obtained candidates of such high caliber as Lee Fillmore, John Angerbaug and Robert Warberg. Although it is the first venture into city politics for all three men, they are well-known and have been leaders in their community affairs, their churches and lodges for a number of years. They are three solid candidates who could be expected to try to reach the right decision on any issue.

Citizens should keep in mind that the job of a city commissioner is not exactly easy. A commissioner is subjected to all sorts of whims and pressures by many people for a variety of reasons, including ulterior purposes at times.

For this reason it is important to have men of integrity serving on the city commission, and Twin Falls has been fortunate in this respect. For a good many years, the first three candidates to announce for the Oct. 10 election measure up well to the traditional standard.

That's one of the reasons a city manager form of government can function smoothly. When the policy-determining city commission is composed of men of high personal and moral character in their positions, the city manager or studies committee has a clear-cut position in carrying out previously determined policies. Again, Twin Falls is fortunate in this respect, too.

Why wait three weeks to go before electing the city commission? The prospect of a brief campaign with a minimum of bombast and repetition. Wouldn't it be a relief if some of the other elections could be telescoped into such a brief period?

EXEMPTIONS—As a salary congress winds to a close, it might be worthwhile reviewing some of the instances in which logic seemed to have been overcome by the force of the long-gone precedent. For not in many a congressional session, under the shadow of war, have members of both parties and important positions in the nation been exempted from military service, name-calling and indignities.

At times, Thurmond seemed to be implying that the FBI was doing a "good job" against the Communist Party. He was in an ardent FBI booster.

And while Thurmond and his supporters want to "immunize" the generals, they want to muzzle the Congress. The Senate and the House are American O.G.s. But if all this seems contradictory, what of the Thurmond critics who have been charged with the time—but not for Pentagon brass?

There are a few things wholly evil or wholly good.

SCHOOL AID INCONSISTENCY—Conservative Republicans and Democrats effectively blocked the Kennedy bill which provides for federal aid to education. One of the main arguments was the threat of federal control. But the same opposition apparently approved a \$1.3 billion dollar for the next two years to continue the national defense education act and aid schools in the states. The latter provides federal dollars to build and operate public schools and pay teachers—the same kind of aid rejected for the rest of the nation.

WELFARE FOR SOLONS ONLY—Great oratory was expended to block federal aid for persons over 60 and to deplore the complaint of welfare state and welfare state. Then, almost in the next breath, the opponents of welfare state joined their liberal colleagues in approving the extension of the federal pension plan for the next 10 years without a bond election. The levy would eliminate payment of interest which has totaled a considerable amount during the past 10 years. Indeed, Idaho law permits investment of funds in government notes until the money is used in payment of plant facilities—plant facilities funds accumulate interest.

UPSIDE DOWN VIEW

The world situation, said Russia's Premier Khrushchev in a speech before the United Nations, is doing everything to speed up the arms race, threaten us openly and at the same time threaten us with a nuclear holocaust. The Soviet Union as the main culprit in the matter of international tensions.

Who speeded up the arms race? Khrushchev started by halting his announced reduction in military forces. He moved more men into battle stations. He broke off talks on nuclear testing. He started a long series of boasts about Russian might.

In Germany he increased world tensions by sending his army to Berlin. He threatened to attack West Germany.

In the West, almost in the next breath, the opponents of welfare state joined their liberal colleagues in approving the extension of the federal pension plan for the next 10 years without a bond election. Dear Sir:

Thank you very much for your letter concerning Mrs. Ethel Chappell, who was cook at Gooding college for so many years. The response had been wonderful.

I heard today from her daughter, who said her mother had received many letters from former students and friends and she seems to have taken a new interest in living. She is now diligently practicing writing each day so that sometime she may be able to answer these letters.

Her daughter has asked me to write to you again to see if it is possible for her to express her gratitude via your column and to tell you that her mother's address has been changed to 1000 No. 4th Street, Seattle, Wash.

Mrs. Ethel Chappell

Poor Man's Plato

By HAL BUTLER

NEW YORK, Sept. 21.—Now that Christmas is just a few days away, the most thoughtful corporations are filling this gap in the starved Christmas market with their own products.

The annual office picnic is changing to a more profitable one over Christmas. The annual office picnic is changing to a more profitable one over Christmas. The annual office picnic is changing to a more profitable one over Christmas.

HOW THINGS APPEAR FROM PEGLER'S VIEW

During the second administration of Wood Wilson my mind was not infrequently with a suspicion that Americans owe reverence to the man who was in the White House. This suspicion was complicated by the fact that the man who was in the White House was a man who was in the White House.

In the first place, the man who was in the White House was a man who was in the White House. This suspicion was complicated by the fact that the man who was in the White House was a man who was in the White House.

For years he had booked his bets with acknowledged runners who then held franchises in all the states of the Union. He had been in the White House. He had been in the White House.

There was perhaps one other factor in the picture. The man who was in the White House was a man who was in the White House. This suspicion was complicated by the fact that the man who was in the White House was a man who was in the White House.

3 Great Church Gatherings Pointing to Christian Unity

(Editor)—Three great church gatherings in the offing—the first next week in the Pacific Northwest, the second religious developments of the year in the Midwest, and the third in the Atlantic—will be the most significant in the history of the church since the time of the apostles.

By GEORGE CORNELL
Associated Press Religion Writer

Churches of the world are rallying their scattered forces today in the largest and most important quest for unity in Christian annals.

They're reestablishing ties that have been broken for centuries. They're halting each other as "brothers" after long estrangement.

They're conceding mutual offenses of the past, and vowing regret.

In a turbulent age swept by hostile ideologies, they're acting to forge closer bonds of faith.

The movement has crisscrossed the old tripartite shape of Christendom—Protestant, Roman Catholic and Eastern Orthodox.

—Topping one procession after another.

Over-all, the development is known as the ecumenical movement—meaning churches of the whole inhabited Earth. It takes its name from the Greek word for recorded in John 17:21—"That they all may be one."

The gathering, reconciliation has already produced a number of precedent-breaking changes, and it is a prime concern of a series of forthcoming global Christian conclaves of "unprecedented scope."

The Pan-Orthodox council Sept. 25 to Oct. 1, on the island of Rhodes, Greece, bringing together representatives of all Orthodox church jurisdictions, with about 200 million members—its first such meeting in 30 years.

The general assembly of the World Council of Churches Nov. 15 to Dec. 6 in New Delhi, India, including delegates of 176 Orthodox, Anglican, Old Catholic and Protestant denominations with 250 million members in 50 countries, the most widely encompassing Christian gathering ever.

The Second Vatican council, now in its second session, convened in 1962, convening the cardinals, archbishops, bishops and other ecclesiastical superiors of the 500-million-member Roman Catholic church throughout the world, its first such meeting in 92 years, and the biggest of its kind.

Protestant and Orthodox observers are expected to be invited for the first time, the Roman Catholic church also is sending official observers to the Protestant and Orthodox assemblies.

At all of the meetings, among many other subjects, church reunion will be a major consideration.

No one expects the time-crusted divisions to be quickly overcome. Formidable obstacles remain—There are disagreements in many quarters, and questions as to the form eventual reunion should take, and the means for progressing toward it.

Nevertheless, the march is on. In that direction, some churchmen have called it the greatest development in religious history since the 16th century Reformation when Protestants broke with Rome.

Set Example, Church Head Tells Confab

MALTA, Sept. 21—Live by the standards of the church and set a good example, was the advice given by Antonio F. Frits, archbishop of the Maltese islands, at the first council of the Maltese state house Sunday.

Missionary work was the theme of the convocation. Ephraim S. Miller, conducted the convocation, which was directed by Heber Zollinger with Mrs. H. E. King as organist.

Speakers during the afternoon session were Ephraim S. Miller, Darrel Paskett, Rolfo Dutton, and Alton Nye. Mr. and Mrs. Elmo Eison sang, accompanied by Mrs. Kay Udy.

Prayers were given by Arthur Taylor and Charles Warr. Rawlins Harper, Ruel Barker, Charles Lind, Harvey Wright, Edwin Paskett and others were the afternoon speakers. Robert Thompson sang a solo and prayers were offered by J. C. Steele and Frank Gardiner.

Lee Darrington was released as state mission president, along with his counselors, Eld Alfred and Lorin Barrett. Ruel Barker was sustained as state mission president with Orville Sears as first counselor and Jay Cottle as second counselor.

Elye Eard was released from the second counselor's post in the state Sunday school superintendency and J. C. Steele was sustained to the position.

Kent Tracy was ordained to the office of elder, Charles Lind, Eldon Lind, Harold Anderson, and Jay Harper were ordained high priests. Mrs. Orville Udy was released from her position as state chorister and Heber Zollinger was sustained to the post.

Glen L. Ridd, of the welfare board from Salt Lake City, spoke at a welfare meeting and priesthood leadership session Saturday night.

13 Ministers Tell Support For Negroes

ATLANTA, Sept. 21—Thirteen Episcopal ministers, including the son-in-law of Gov. Nelson Rockefeller, the Rev. Robert Pierson, claim that their anti-segregation efforts in the deep South were an attempt to "show Negroes the church is for them."

The bipartisan group arrived here after passing 5,000 appeal bonds on breach of the peace convictions in Jackson, Miss., for refusing to obey police orders to leave a segregated bus terminal restaurant.

"The group later left for the National Episcopal convention in Detroit."

The Rev. John B. Morris, Atlanta, who organized the "pray-in," said the group did not attend a campaign of civil disobedience to segregation laws.

The group said their aim was to count segregation in the Episcopal church rather than undermine segregation laws in the deep South.

Morris said one aim was to encourage elimination of "separate but equal" practices in the North as well as the South.

Roy C. Williams Honored at Rites

JEROME, Sept. 21—Funeral services for Roy C. Williams were held at 2 p.m. Monday at the Wiley funeral chapel with the Rev. Ralph Colberg, Methodist pastor, officiating.

Mrs. Lee Mavey was pianist. Griefbearers were Kent Gatz, Albert Lickley, Larry Lickley, Frank Rex, Ray Lickley and Harold Spillers.

Final rites were held in the Jerome cemetery.

Water Goes Into Jerome Area Canals

JEROME, Sept. 21—Irrigation water was turned into the North Side Canal system today for the first time since the canal was completed last week.

The water will probably reach the Jerome area late Saturday or Sunday morning and the Weddell area Monday, Wilcomb said.

The water will be delivered through the system for approximately one week.

While recent rains have relieved demand for water, most of the beet growers feel that a short irrigation is necessary in order to prepare the ground for the first part of October. Wilcomb stated. This final run will be made with approximately two-thirds of the head which was the main canal at the time of the Sept. 6 turnout, he explained.

There will not be a run of stock or winter water after the last turnout approximately Sept. 28.

For those with allotment remaining, deliveries will be made to the farmer's headgate in approximately the amount ordered at the time of the Sept. 6 turnout. Farmers with allotment credit who may not want water at this time should notify the canal office by phone as soon as possible, Wilcomb requested.

Rains in the upper Snake River valley have been considerably above normal since the first of September. Wilcomb added. American Falls had 30 inches of rain Tuesday. Moran has had more than three inches since Sept. 1 compared to a normal of 1 1/2 for the month.

Plummers likewise have received more than three inches to date with normal being 2.46 for the month. Idaho Falls precipitation has exceeded three inches so far, Wilcomb said.

fresh-from-the-farm FLAVOR

CHALLENGE

PONTIAC TRIGGERS ANOTHER TEAM OF WINNERS. Every one is a fancy mover. Convertible. Sedan. Wagon. Two Coupes. Choice of 110, 115, 120 or 140 h.p., gas-saving 4-cylinder engine. A couple of extra coat options: Put on a 4-barrel carb and get 158 h.p. The citizen-who wants even more can go for an aluminum V-8 option that pulls 165 horses.

TEMPEST HAS INDEPENDENT SUSPENSION—FRONT AND REAR! Each wheel (and it's a big 15" one) moves up and down independently of the opposite wheel. There's no solid axle in the rear. Result: firm ride on pavement, soft ride in the bumpy old Swing axle in the rear help the Tempest to carve out clean, firm curves.

TEMPEST HAS A FRONT ENGINE/REAR TRANSMISSION! (The only American car with this feature)—It gives Tempest equal weight at every wheel. It has biting traction on the bricks or in the mud. Tires last longer. Brakes take hold like they mean it. The front floor is practically flat (no big hump in the middle). Tempest seats etc.—easily!

PLUSH NEW SERIES—THE LE MANS (LUH-MAHNS). The Tempest Convertible and Coupe are out this year in special custom trim. Call them the Le Mans! They both have sports-type bucket seats, full carpeting, floor mounted stick shift, acceleration rear axle option—no extra cost. Extra cost option: 4-speed gearbox. Take one out—it's a going machine!

Drive America's only front engine/rear transmission car... it's balanced like none of the others!

New Cadillac Silhouette Is 1962 Feature

Beginning its fourth year in the automobile industry, the new Cadillac silhouette is the most complete and competitive line of new models in the division.

According to Harold O. Hildner, Cadillac general manager, the new models will be introduced at the Motorama show in the United States on Sept. 21.

"A dramatically new silhouette, containing engineering achievements and important new features, such as any safety features, are commensurate with our anniversary automobile," Warner contended.

Emphasis on "new" is spelled with a "new" dual-braking system and "significant" lighting developments, both in the front and rear of the automobile, said Warner.

Cadillac offers 12 models the year. Five of the new models are: "Classic new design" giving an entirely new silhouette to the car, changing the most-all styling personality of the auto maker announced. The low roof window appears on the Coupe de Ville, Sixty-Two Coupe, Town Sedan and Fleetwood Sedan. The new lighting development, Cadillac asserted. At the side of the headlight, a new "cornering light" which illuminates the way into a turn at night. The tail lamp, which also is completely new, houses a tall lamp, stop lamp, turn signal and daytime running light. The exterior lens of the tail light appears white.

The 1962 Cadillac has a three-speed power brake system, first of its kind in the automobile industry, according to the manufacturer. The system is a dual-piston power brake master cylinder with a separate piston and shaft reservoir for front and rear brakes.

With the parking brake, which again this year can be employed as a true auxiliary brake, the Cadillac has three separate brake systems in an emergency, Cadillac said.

The 30 cubic inch, V-8 engine remains unchanged in specifications, with 325 horsepower and 101 to 1 compression ratio. However, the General Motors division contends this year's motor is quieter in operation. The motor will be standard equipment on all 1962 Cadillacs. Air conditioned cars will be available. The use of a newly designed fan clutch and a smaller, lighter, yet higher output six-cylinder preon compressor, states the company.

Kennedy; Congress Setting Record Peacetime Spending

WASHINGTON, Sept. 21 (AP)—President Kennedy and the 87th Congress together are setting new peacetime records for federal spending.

Congress this year already has appropriated more cash for President Kennedy than the record peacetime amount that the Eisenhower administration requested, and got, last year.

Before the laymakers quit work for the year they will top last year's appropriations by more than 11 billion dollars.

This year's appropriations now total 87.5 billion dollars. And that does not count funds for foreign aid, rivers and harbors projects and a variety of other programs. This additional money is contained in three big money bills on which Congress has not yet reached final agreement.

Enactment of these measures will boost this year's total to 95 billion dollars or more. That compares with 85 billion dollars appropriated last year when Congress cut 211 million dollars from Eisenhower's requests. Congress is likely to wind up cutting at least 25 billion dollars from Kennedy's requests.

However, Congress in only three previous years has appropriated more cash. All three were war years. Allocations total 149 billion dollars in 1943, 114 billion dollars in 1944, and 97.3 billion dollars in 1951 (Korean conflict).

For various reasons total money appropriated by Congress in a calendar year usually is not closely related to the amount an administration spends in the immediate fiscal year. Spending is computed on a fiscal year basis.

Some of the appropriations since January were spent before the current fiscal year started on July 1. Much of the remainder will be used in future fiscal years. To complicate matters further, Congress allots money for some programs without going through the appropriation process.

However, in the current fiscal year the Kennedy administration

has estimated it will surpass by more than seven billion dollars the peacetime spending record of 81.5 billion dollars established in the previous 12 months. More than half of the time was included in the Eisenhower administration.

The Kennedy administration anticipates spending more than 88 billion dollars during the current fiscal year, with a consequent budget deficit of close to six billion dollars.

The previous fiscal year's outlays were exceeded in only two previous years—both war years. The government spent 89 billion dollars in the fiscal year ending June 30, 1944, and 88.4 billion dollars in the following 12 months. Budget deficits then ran more than 60 billion dollars a year.

Despite the upsurge in spending under the Kennedy administration former President Dwight D. Eisenhower's deficit for the biggest peacetime deficit in a single fiscal year is in no immediate danger of being overtaken.

Largely because an economic recession curtailed tax revenues, Eisenhower wound up with 12.4 billion dollars in red-ink spending in the fiscal year which ended June 30, 1959.

Lions Meet

PAUL, Sept. 21 — Assignments for fund raising projects for the Paul Lions club were made at a meeting last week, reports Clyde Richins, president.

Such discussion was given concerning the proposed Mindoka County new Jail, approved Friday, in the county. The dinner meeting was held at Conner cafe.

Rites Honor M. Tremayne

ALBION, Sept. 21 — Final rites for Mrs. M. Tremayne were held at 2 p.m. Monday at the Albion LDS ward chapel with Bishop Leo Bell officiating. The prayer was given by Mrs. L. Sorenson. Prayers and psalms organ music was played by Maria Bell and the intercession was given by Joseph Gillette. A duet was sung by Valona Mahoney and Vard Chabirum and the Magic Valley Choral Union. The choir presented a number.

The obituary was read by Bishop Leo Bell, remarks were made by Dr. J. P. Kurfess and the speaker was Merlin Stook. Benediction was given by H. E. King.

Palbearers were Ray, Marvin, Leand, Glenn, Lindy and Alton Orvasco. Honorary palbearers were Mike Winesland, John Chapman, William Barrett, V. E. Newman, Curtis Mahoney, E. R. Gray, Bill Rowe and Frank Price.

Flower girls were Margaret Perry, Mikka Perry, Betty Brackebury, Glorinda Brackebury, Edith Carlson and Vela Johnson.

Last rites were held in the Albion Community cemetery where Merlin Stook dedicated the grave.

Insurance Firm Denies Liability

BOISE, Sept. 21 (AP)—The Prudential Risk Mutual Insurance company, an Ohio corporation, has filed suit in U. S. court here asking that it not be required to defend, be held liable in a \$200,000 damage suit against a Boise man in Ada county district court.

The insurance company claimed that it should not be held liable because Delwin Orr, son of Dean H. Orr, Boise, who operated a non-owned auto at the time of a traffic accident which took the life of a Twin Falls woman.

William V. Long, Twin Falls, has added \$200,000 in damages to the injuries to himself, his wife and the death of his wife which he alleged resulted from the accident on March 9, 1961, a mile east of Hammett.

Governor Presented With Gift of Wool

Mrs. Lawrence Taylor, Bearburg, state director of the "Make It Yourself With Wool" contest, presents a piece of wool material to Gov. Robert E. Smylie, for him to present to Idaho's first lady, Mrs. Lou Smylie, as a compliment of the Idaho Wool Growers auxiliary. (Staff engraving)

Wool Industries Set Contest for Gem State Girls

"Wool production is one of our major industries and teaching our young women to work with and value American-loomed 100 per cent wool fabric is promoting our own prosperity," remarked Gov. Robert E. Smylie in a statement concerning the fifteenth annual "Make It Yourself With Wool" contest, co-sponsored by the Idaho auxiliary to the National Wool Growers association and the American Wool Council.

"The governor added that for the seventh year the National Association of Secondary School Principals has placed the contest on the Approved List of National Activities and Activities. Enrollment is open to all girls between the ages of 13 and 21."

Mrs. Lawrence Taylor, Bearburg, Idaho state contest director, stated that "This year's contest has attracted many gifted women from Idaho cities and rural areas."

"We hope to produce the national winner this year," Mrs. Taylor told the governor, "because we think we have the smartest girls in the nation and would like to see them win a national and a junior winner to Hawaii next spring. District winners will be selected from six Idaho districts early this fall. District winners will model their winning garments at a state contest in Boise."

Church Groups Make Plans for Year's Projects

KLIMSKY, Sept. 21—Plans for new projects for the fall session were made during the October group meetings of the Kimberly Christian Women's Fellowship.

Group one met at the home of Mrs. J. Young to discuss plans for the group's fall project. Mrs. Herbert Hanes led the devotion. The program was presented by Mrs. Milton Elliott.

Mrs. Louise Teeter was hostess for group two. Plans were made to make lap robes for red home patients. Members were asked to bring white or light colored shirts to make into hospital gowns.

Various Christmas projects were discussed. Pearl Russey gave the devotion and the program was directed by Mrs. Vernon Strother.

Mrs. Gordon Hill presented a Christmas box to the Intermountain Indian school in Utah. Cake mixes and other items for the box. The devotion and lesson were given by Mrs. Bob Emerson.

Mrs. James Eaton resigned as a council member and Mrs. Hazel Hamilton was elected to fill the vacancy. Mrs. Roy Lancaster was hostess.

Home Agent Is Guest Speaker

WENDLE, Sept. 21—June Hoelzel, county home demonstration agent was the speaker for a meeting of the Home Improvement club held at the civic club rooms this week.

Mrs. Hoelzel spoke on appearance and posture. She presented a Christmas box to the Intermountain Indian school in Utah. Cake mixes and other items for the box. The devotion and lesson were given by Mrs. Bob Emerson.

Wendell Group Holds Session

WENDLE, Sept. 21—The Wendell Improvement club held a meeting at the Civic Club rooms this week.

Mrs. Grace Porter received a contest prize. Mrs. Gunning collected the hostess gift. Mrs. Porter gave a reading and Mrs. Ralph Newberry read a story.

Mrs. James Eaton resigned as a council member and Mrs. Hazel Hamilton was elected to fill the vacancy. Mrs. Roy Lancaster was hostess.

Chesley Weds. Miss Drussel

In Chapel Rite

BURLEY, Sept. 21—Barbara Drussel, daughter of Mr. and Mrs. E. Drussel, Burley, and Bill L. Chesley, son of Mr. and Mrs. Veri Chesley, Burley, were united in marriage Aug. 31 at the Burley First Methodist church. The Rev. E. E. Dixon performed the double ring ceremony. The couple stood before a white archway with greenery, topped with white wedding bells and centered with white candles. The bride wore a white cathedral train. Tall baskets of pink gladioli tied with white satin ribbons flanked the arch.

The bride, given in marriage by her father, wore a gown of white chiffon over bridal satin designed with a fitted lace bodice, a Queen Elizabeth collar and lace yoke and sleeves. The skirt was accented with white ruffles and the back of the bodice was trimmed with tiny satin ribbons and the back panel of the skirt flowed into a chapel train.

Her fingertip veil of bridal tulle was held by a crown of matching lace. The bride's hair was styled with white pearls with a tress of matching lace.

BRUNS OPEN HOME GRID SLATE FRIDAY

T.F. Shoots for Third in Row in Hosting Jerome

The last of the unbeaten class A football teams in the fourth district collide Friday night when the Twin Falls Bruins host the Jerome Tigers at Lincoln field. It will be a big night for junior runners as the Bruins send tailback Doug Schow and wingback Joe McCollum against the power thrusts of Jerome's Tim Lavens. Each of the teams hold two victories and while the Bruins carry the advantage in ground attack, the Tigers, with little skip Hall doing the honors, have the edge in passing.

Post Powers Redlegs Past Pirates 3-2

By The Associated Press
Wally Post lashed a towering homerun over the left field screen on one in the sixth Wednesday night and the Cincinnati Reds took another step toward a National league pennant with a 3-2 victory over the Pittsburgh Pirates.

The payoff wallop came after Bruce Face (6-1) hit walked Veda Pinson to start the inning. Face went into the game in the eighth to relieve starter Jose Cito.

Frank Aaron's bases - loaded single for two runs in the seventh made a 3-2 tie. In the eighth, Face hit a 2-1 fly ball to left on the way to a 3-2 victory over San Francisco.

The win snapped the Braves eight-game losing streak. It was a Grand winning string of five. Orlando Cepeda hit his 43rd homerun for the Braves. Don Ferrares pitched a seven-inning and Clay Dymally and Kenesaw Mountain Davis in two runs apiece, leading the Philadelphia Phillies to a 6-1 victory over the St. Louis Cardinals.

Wally Moon with an unearned run in the bottom of the 10th inning to bring the Los Angeles Dodgers to a 3-2 victory over the Chicago Cubs.

Randy Koutsky went all the way for Hank Aaron and struck out 13 men, his greatest total of the season, to bring his 1961 out-pitching record to 259 strikeouts, third-best in National league history. Koutsky gave up seven hits and three walks, one intentional.

Good Things Come in Small Packages

A major part of the Twin Falls Bruins grid success rides on the shoulders of Southern Idaho's two smallest guards, David King, left, 119 pounds, and Buddy Bengschke, 145 pounds, bellwether the Bruins' offensive and defensive lines despite their size. Both are starters at last year's club. They, along with the Twin Falls club, bow into the local season Friday night at Lincoln field where the Bruins will host the Jerome Tigers. Game time is 8 p.m. (Staff photograph)

Dorow Is Top Passer for Grid League

DALLAS, Sept. 21 (AP) — Al Dorow of New York held onto his lead in American Football League passing last week but the ascension of the circuit was 27-year-old Butch Songin of Boston.

Songin came off the bench against Denver and whipped out four touchdown passes to lead the Patriots to a 45-17 victory. The four scoring tosses gave Songin a share of the one-game league record.

In all Songin hit 13 of 26 passes for 250 yards, allowing no interceptions, and jumped from nowhere to the No. 2 spot in passing behind Dorow.

Dorow has completed 59 of 70 passes for 464 yards and leads the passers under the six-point system that includes interceptions and touchdowns passes in arriving at the efficiency point. He has 47 points to 40 for Songin.

Paul Lowe of San Diego moved into the lead in rushing with 72-yard yard against Oakland for a two-game total of 172 yards. First-week leader Jack Spikes of Dallas was idle and slipped to fourth. Lowe's mate, Bo Robertson, is second with 146 yards.

Mets Certain Of Success in National Loop

CHICAGO, Sept. 21 (AP) — The fact-finding committee has all but completed its job for the New York Mets who hope their debut in the National league next season will be nothing short of successful.

Roger Hornsby, the Mets' chief scout in the Chicago area, has gone about his job as diligently as he did when he was winning batting championships and earning his way into baseball hall of fame.

Hornsby has scouted both National league and American league teams and feels the Mets will come up with a team better than the 1961 American league entries of Washington and Los Angeles.

Those two teams did real well," says Hornsby. "A lot of people figured they'd be lucky to win 100 games between them. They fooled all those people and we hope to do even better."

"I don't know for sure," said Hornsby, "but I have a pretty good idea of the players we'll get a chance to see."

"I can't reveal any names but when I turn in my reports I'll give you some names that will be a bigger help to us in the Polo ground. That's where we'll start playing our summer game."

The Mets have scouts like Hornsby in nearly all the major league areas. Their reports are being submitted to General Manager George Weiss in New York.

From these reports, the Mets will decide which players are worth taking over the other clubs in the league reveal what players they are willing to let go.

Coliseum Has Seen Last Baseball Game

LOS ANGELES, Sept. 21 (AP) — Barring a National league playoff series here—and the only thing less likely to be held here is the Florida state fair—Wednesday night was the Coliseum's last night as a major league baseball park. The Dodgers are fading from the 1961 National league picture along with their vast stadium.

The Coliseum, largest park in the major league, is hardly as rich in baseball history as the Dodgers' previous home in Brooklyn. But, in four seasons, it has had a few moments that will not be forgotten.

The Coliseum also is the home of one of the greatest curiosities in baseball history—the left-field screen. In four seasons, 741 homeruns have been hit at the Coliseum, and something like 80 or 85 percent of them have gone to left field, sailing over or near the screen.

The homerun records expected to be set here never materialized. The National league pennant in a 12-inning thriller.

Earlier in the same season, on May 11, a crowd of 23,100 watched the Dodgers and Yankees play a benefit game for Roy Campanella, the paralyzed Dodger catcher. It was the largest turnout in U. S. baseball history.

The most curious baseball innovation introduced here, besides the screen, was the bugle call. Dozens of fans started bringing horns to the park. When the Dodgers came to bat, they blew cavalcade calls and the crowd yelled "Charge!"

Tuesday night, however, a different ball was thrown by a musician in the left-field stands. In the top of the 15th inning, while the Dodgers were changing pitchers, the man with the horn played "Taps."

Perhaps he feels the same way about the Coliseum as dodger manager Walter Alton, who recently remarked: "I'll be glad when we get the hell out of here."

ISC Frosh Squad Sets First Game

FOGATELLO, Sept. 21 (AP) — Boasting an extremely well backfield, the Idaho State college freshman football team opens its season Friday night at Irving field against the Western Montana state team.

Game time will be at 7:30 p.m. Although this in number, the ISC frosh are highly regarded by the Bengal coaching staff. In fact, the first-year men have more backfield speed than the 1-state varsity.

MARIS HITS 59TH, MISSES HOMERUN MARK

Bid for 60th Curves Foul In Seventh as Ruth's Record Bests Challenger

Roger Maris hit his 59th homer Tuesday night, missed No. 60 when a long drive to right went foul in the Babe Ruth's 60-homer record while the New York Yankees' pennant. Battling to tie or surpass

Maris Tired, Happy Homer Chase Is Over

BALTIMORE, Sept. 21 (UPI)—"I tried... I'm lucky hit as many as I did... these were the utterances tonight upon entering the triumphant New York Yankees' clubhouse after hitting his 59th homer and then falling to the Babe Ruth's all-time record by a mere matter of some 15 feet. For Maris, it was close but elegant. "I'm tired and happy," he said. "The chase is over."

Sports

By LARRY HOVY
Roger Maris has missed in his spectacular attempt to break what must be considered the most hallowed and sacred record in baseball. It must be hallowed and sacred since everything was done to preserve it.

The 194-game record that was set by Babe Ruth in 1927 was broken by Maris in 1961. Maris hit his 59th homer in the seventh inning of a game against the Detroit Tigers. He missed the 60th when a long drive to right went foul in the seventh inning.

It was through no fault of his own that Ruth played when 154 games composed a season. Maris was signed to play 162 games in 1961. He missed 10 games in 1961 because of injury.

It would be interesting to see what Maris would do if he had a 162-game season in 1961. He would have broken Ruth's record of 70 and 500.

Now if Maris goes on to hit 60 homers, will we have two home run records? And baseball's record book... which contains such records as most hits in double-battle by left-handed in Yankee stadium by a slugger...

Jim Thorne and Jose Owens established great records in track and field. But these have been eliminated. They were to their sport what Ruth is to his. No one has forgotten them and no one reads special provisions to protect their records. It is time to take the record and not the man.

There is credit due Maris both for hitting 59 homers and for not allowing or crying about the 60-game rule. And American League pitchers also deserve some praise for pitching the game plan through it all. Intentional walks have ruined challenges before.

It was all interesting, though, and baseball got a shot in the arm. Maris earned a pay raise for 1962.

ISC "Redshirts" Top Quarterback

POCATELLO, Sept. 21 — Italo (Ebbe) Caccia, head football coach of Idaho State college, Tuesday officially announced that ace quarterback Bill Locher will be "red shirted" this season. Locher, top passer on last year's team, will be saved for the 1962 football season, when Idaho State has a tough schedule planned, including its first grid competition with the University of Idaho.

Glenns Ferry Teachers Are Feted by PTA

GLENN'S FERRY, Sept. 21 — Teachers of the area were honored at the first meeting of the Glenns Ferry PTA when they met Monday night.

Members of Club-About-ten o'clock, including Bette Ball, Miss Sheltie, Ward Ballin and Ernest Alwood, presented the flag. Mayor Harry Bergstrom welcomed the teachers on behalf of the community.

Devon Rickert, superintendent, introduced the teachers who were presented certificates and letters by Mrs. Paul Strum and Mrs. D. D. Anderson, hospitality chairman.

Mrs. Don Carnahan was elected and installed, as treasurer to fill the vacancy created by the resignation of Mrs. Stanley Jones who has accepted a teaching position. Dayle Messery acted as installing officer.

Rickert spoke on the problems encountered with the teen-agers. He stated they operate in a triangle consisting of home, school and community. The school wishes to do its part and asks the home and community to fulfill their responsibility.

One aid would be to be able to locate citizens arrests. Expanding auto violations when necessary, he said. For the most part the students like the rules and feel the need of them for their protection but there are always a few persons who make trouble, the superintendent added.

Mrs. Larry Gerlach, membership chairman, announced the membership drive is now open and will be closed Oct. 31, with prizes given to the groups having the largest per cent parent membership.

The sale of appointment calendars was recommended by the executive board as a money-making project again this year.

Room count was won by Cecel Watson's eighth grade with 44 per cent parent attendance. The room will receive a gold award.

Mrs. William Skille, president, introduced her officers, Mrs. Wesley Woolen, vice president; Mrs. Richard King, secretary; and Mrs. Don Carnahan, treasurer.

Committee chairmen are Mrs. Paul Strum and Mrs. D. D. Anderson, hospitality; Mrs. Larry Gerlach, Glenns Ferry; Mrs. Wes Lee, Elsie Hansen; and Mrs. Marilyn Helvick, King Hill membership; Mrs. Charles Parris, Mrs. Segal Johnson and Mrs. Martin Woodward, magazine; Mrs. Robert Utz and Mrs. O. H. Teahar, publicity; Mrs. D. D. Anderson, program; Mrs. Lee Bybee, budget and finance; Mrs. Ray Whit, fund-raiser; Mrs. David Strum, congress publication; Mrs. Dick Robertson,

pre-school; Mrs. Doro Rickert, room representative; Mrs. Earl Harmon, bylaws; Mrs. Bob Pusey, procedure book; Mrs. G. R. McCher, study group; and Mrs. Deva Rickert, legislative.

Special committee chairmen include Mrs. W. E. Hoast, non-official life membership; Mrs. Lynn Pack, football booth; Mrs. Norman Tripp, homecoming booth; Mrs. Wesley Woolen, calendar; Mrs. Frieda Barrow, library; and Mrs. L. Golosobal, dance.

Mrs. Dayle Messery, program chairman, announced the program which consisted of solos by Robert Fullerton and Mrs. William Motta, both accompanied by Mrs. Les Nichol.

Day Slated

PILER, Sept. 21 — Christian Education Rally Sunday will be observed Oct. 1 at the Clover Lutheran church and the Pile school church. Pupils in Sunday school classes will be promoted at this time and Sunday school teachers will be inducted into their teaching offices.

Anniversary of Wendell Church Set for Sunday

WENDELL, Sept. 21 — The 60th anniversary of St. Anthony's Catholic Mission church, Wendell, will be observed with special services and open house Sunday, reports the Rev. Merold Pascal.

Open house will be held from 2 to 4 p.m. Sunday on the church lawn. At 4:30 p.m. a service of thanksgiving will be conducted by the bishop of the diocese. Assisting in the ceremony will be the Rev. William Ordway Gooding, as deacon; the Rev. John Casey, Shoshone, sub-deacon; and the Rev. Bernard McBride, Jerome, and the Rev. Jerome T. O'Connor, Buhl, chaplains.

Drivers Fined

BUHL, Sept. 21 — Peter G. Teas, Buhl, was fined \$5 plus costs by Justice of the Peace William Nungesser for driving with an expired license.

Darwin L. Otark, W. Wendell, was fined \$5 plus costs by night judge Nungesser for driving with a daytime license. Clyde E. Cox, Buhl, was fined \$2 plus costs for having no tail lights and Tommy D. Rydahl, Wendell, was fined \$2 plus costs for faulty tail lights.

GIVEN TITLE
MCFIELD, Sept. 21 — Margaret Ann Striron, former Richfield girl, was named Miss Congeniality at the Miss Emore county pageant at Mountain Home. She is the daughter of Mrs. Lyle Northrup, Mountain Home, and the late George. Striron, Richfield.

Sisters from Rupert and Jerome will form the choir for the celebration. It is planned to have a public address system installed so that those outside may participate in the mass. After the service dinner will be served for the clergy at the home of Mr. and Mrs. Charles Miller.

Teacher Fete Held by PTA At Shoshone

SHOSHONE, Sept. 21 — Teachers of the local school system were honored at a reception held by the PTA Monday night at the Lincoln school auditorium.

Faculty members were introduced with an original song written by L. M. Hatmaker, PTA president, and Mrs. Velma Allen, music instructor. School board members also were introduced.

Featured on the program were the high school Teens and Teenettes, directed by Mrs. Allen. A girls' trio from Dietrich sang. The girls, Tish Paulson, Donna and Nancy Royce, were accompanied by the Rev. Paul Winkler.

Mrs. Ray Tanaka was presented the past president's pin.

New PTA board chairman introduced included Mrs. Joe Myers, magazine; Mrs. D. A. Bennett, room representative; Joe Myers, publication; and Mrs. Ralph Anderson, membership.

Francis Bergin, program chairman, reported the October meeting will feature a program on Idaho and Silver City by O. A. (Ous) Keller, Twin Falls.

Mr. Clifford Blutzman presented the budget which was adopted. Mrs. R. G. Neher made a request for a book cupboard or table which could be mounted on wheels and used to house the PTA purchased books for the grade school.

Supt. John Severson announced education materials available. Mr. and Mrs. E. W. Brown were in charge of social dancing after the program.

Mr. and Mrs. Douglas Hansen were in charge of serving.

Shelters for Cassia Urged By Chairman

BURLEY, Sept. 21 — All residents of Cassia county should take steps to protect themselves in case of a nuclear attack by constructing fallout shelters.

Norman Blazon, civil defense chairman of Cassia county, told the Burley Chamber of Commerce at a luncheon meeting at Cousin Roy's Monday noon.

He said that there should be a three weeks supply of food in the shelter. He stressed other specifications of the shelters and showed a film of a mock nuclear attack.

Fred Linton, area Scout executive, told of the opening of the Boy Scout finance campaign.

Charles Hendricks, president of the local chamber, was named a candidate for the state director post.

William Grange, Twin Falls, and George W. Gregg, South Bend, Ind., will attend Burley chamber meeting next Monday to talk on the proposed revision of Idaho's tax laws.

It also was announced that Gov. Robert E. Smylie will speak at 8:30 p.m. Monday, Sept. 25, on Idaho's water rights. His appearance here is sponsored by the Young Republican club of Cassia county.

Members voted to enter community service contest. Hostesses were Mrs. Roy Marquess and Mrs. James Horner.

Thursday and a tax school at 100 Friday and Saturday.

Robert Detmers reported the Cassia county school board had decided to not allow the buses to be used for transporting students to the Pomerville ski area. He urged members to voice their opinion on the matter to the school board.

Ladybugs do not die at the end of the season as do many other insects, but hibernate for the winter.

Get your **free package** of **Grand National Cake Mix** right inside **25 lb. sacks of Pillsbury's BEST Flour**

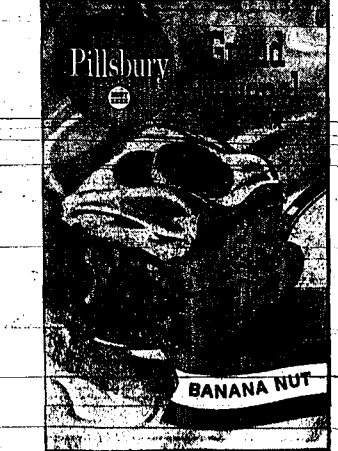

Why such a spectacular offer? To introduce you to the great new mixes that began with Pillsbury's BEST Flour at the Grand National Bake-Off!

Banana Nut Cake Mix is as gloriously rich and good as Bake-Off winner Mrs. Elisabeth Bolander baked it at the second Grand National. Moist! Delicate banana flavor! Fresh, crisp nuts to spare! And the same flour you put into your best baking is in this new triumph of a mix: Pillsbury's BEST. Try now... when there's free cake mix waiting in specially marked sacks!

Free cake mix with 5 and 10-lb. sacks, too! Mail in certificate from 5 and 10-lb. sacks and get a coupon good for a free package of new Grand National Cake Mix!

PRE-SIFTED, YES! Pillsbury's BEST will give you the best results whether you sift or not.

...and because only the best will do: **Pillsbury's BEST Flour**
