President Urges Congress to Okay Huge School Bill

WASHINGTON, Feb. 6 (AP)—President Kennedy told Congress today a crisis in American schooling makes it imperative that a five-year \$7.5 billion dollar aid to education program be enacted this year. He asked no help for church and private day-care and child care. It was this exclusion of private day-care that angered the aid for classroom construction and teachers' salaries program last year in a congressional row over help for church schools. But Kennedy, a Roman Catholic, said again today in a special message that the program offers "the maximum scope permitted by our constitution."

Burley Donors Go Over Blood Quota

BURLEY, Feb. 6.—Mrs. Robert Malberg, Burley Red Cross bloodmobile chairman, reported Burley donors exceeded their quota by 23 pints in the drive held at the Burley Elks lodge Monday. T.F. Jaycees Back Try for Project Fund

Twin Falls Jaycees voted Monday night to back the Chamber of Commerce in sending representatives to Washington, D.C., to ask for the agricultural research laboratory to be built in this area.

In other business, members voted to disapprove backing of a proposed missile site in this area, and tabled until the next meeting Twin Falls Junior College.

All three projects are being considered by the Chamber of Commerce.

Robert Shiner was selected to succeed Gene Sharp as Jaycee vice president and Thomas Moore was named to replace Shiner on the board of directors.

According to LeRoy (Buck) Dodson, Jaycee board members, nominations for officers for next year were submitted. He stated that candidate selections will be conducted this week and will be concluded at the Jaycee next meeting. He added that elections will be held in May.

A restaurant merry-go-round program, initiated by the Idaho Jaycees, was announced at a meeting. The program consists of 40 restaurants throughout Idaho giving a free meal with each ticket purchased by a holder of a Jaycee ticket. Tickets may be purchased from Jaycee members and cost five dollars.

Thorite Located At Idaho Border

WASHINGTON, Feb. 6 (AP)—Recent discovery of thorite along the Idaho-Montana border will give the nation a thorium reserve of 100,000 tons, Sen. Henry Dworshak, D., Ida., reported Monday.

Dworshak, a member of the joint committee on atomic energy, said thorium is considered potentially important as a source of fuel for nuclear power.

Although drilling and underground development in the Lemhi pass area have not been extensive, Dworshak said, "large persistent veins have been exposed."

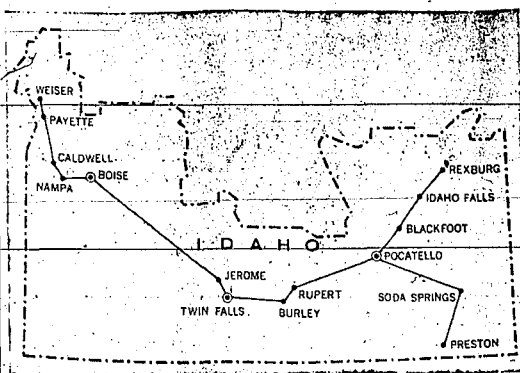

On the basis of geological information and limited amount of sampling, it appears that these deposits may contain approximately 100,000 tons of thorite in one that would be commercial at current prices.

School Cleared In Blast Threat

POCATELLO, Feb. 6 (AP)—More than 2,000 students at Pocatello high school were evacuated Monday when a telephone call warned a bomb was planted in the school building.

The students were first evacuated to the auditorium but school officials said they planned to send the student body to a downtown theater while the search continued.

A switchboard operator said a male voice called at around 9:30 a.m. and warned of the bomb.

Smylie Asks Slowdown of Timber Sale

BOISE, Feb. 6 (AP)—Final approval of a sales program calling for disposal of 138 million board feet of state-owned timber has been delayed to permit further study.

The proposal was submitted to the state land board by Roger Guernsey, state forester.

Final approval was held up at the request of Gov. Robert E. Smylie—He requested that the program be approved as of Feb. 28 if no action to the contrary is taken by the board prior to that time.

The board agreed to the proposal.

The governor said he wanted the time to study the proposals but anticipated no objection to them.

"I just feel," he said, "that we ought to know what we're approving."

The program calls for sale of 37.9 million board feet of lumber in the Klamath area, 36.2 million in the Sitka area, 40.3 million in the Clearwater region, 16.1 million in southwestern Idaho and 5.1 million in the southeast.

Cheers Mark Elizabeth II's 10-Year Rule

LONDON, Feb. 6 (AP)—The second decade of the new Elizabethan era began today with acclivity and King Charles II and Queen Elizabeth II and toast in the pubs to a long and happy reign for the 35-year-old monarch.

Elizabeth was expected to spend the 10th anniversary of her becoming queen quietly with her family. It was a day of leaving for the monarch and her husband, Prince Philip, who leaves by plane tonight for a two-month tour of Latin America.

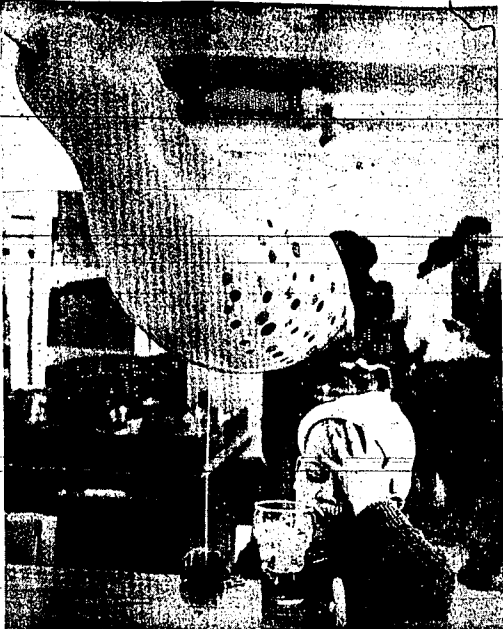

It was also a day of sad memory, the 10th anniversary of the death of her father, King George VI. She was in Africa on Feb. 6, 1936, dressed in slacks, excitedly watching wild game, when the news was brought that the king had died and she was Britain's ruler.

Telegrams flooding into Buckingham palace indicated her place in the heart of the vast number of Britons as is strong as ever. Newspapers trumpeted joys leads.

Pleads Guilty

SALT LAKE CITY, Feb. 6 (AP)—Richard O. Donelson, 33, a junior high school teacher accused of taking a 14-year-old girl to New York City, pleaded guilty Monday to a charge of having carnal knowledge of the girl.

Work Hard, State Grange Master Urges

SHOSHONE, Feb. 6 (AP)—Need for making work more seriously was stressed by state Grange master, Emil Jerome, Kuns, when he spoke to members of the Lincoln Blaine Pomona Saturday during the day session held at North Shoshone.

The master said more Grange members should be solicited and all members need to take their responsibilities seriously. He also reported on the national Grange stand on the current farm program.

Also speaking to the group briefly was state Grange secretary, Ferrin G. Harland, Caldwell, his wife and the wife of the state master.

In conclusion to a discussion held on the farm program, the group decided that only the farm success stories reach the news

media, and a means to show the real picture of the farming business should be worked out. In order to better inform the public of the difficult times many farmers are having.

Odel Chatfield, Pomona master, presided. The meeting began with a potluck dinner at noon, followed by the business meeting.

Reports from subordinate Granges were given by R. B. Kelley, Wood River Center Orange; John McMonigal, Upper Big Wood River at Halley; Paul Bancroft, Magle; Mrs. John Edwards, Dietrich, and Mrs. Glenn Ross, Richfield.

Each Grange was asked to be responsible for presenting a degree.

For the literary program, D. G. Mitchell, lecturer, was in charge. Mrs. Ward Mills gave the reading and George Horn led a discussion on common markets.

Concluding thought was given by the lecturer.

The next regular meeting will be held March 3, to begin with a potluck dinner at noon at Upper

U. S. Checks Stock Push by Wall Street Publicity Men

WASHINGTON, Feb. 6 (AP)—The government is investigating the possible manipulation of stock market prices through publicity men.

This is one of two new areas being studied by the securities and exchange commission in its extensive inquiry into the securities industry.

It was learned today that SEC staff members also have been interviewing industry leaders in New York about the operations of money lenders who finance stock transactions. This was believed to be the prelude to a more intensive study of leaders who are exempt from the stock market credit restrictions imposed by the federal reserve board.

The manipulation through publicity phase of the inquiry is focusing on the activities of a small group of financial public relations firms, most of them located in New York.

The SEC wants to find out whether any of these firms, in their effort to promote the corporations that hire them, have circulated press releases aimed at affecting stock prices.

From what is known of the investigation, it seems apparent that the SEC is checking newspaper usage of certain releases and subsequent changes in stock prices.

An area of special concern is the possibility that publicity campaigns have helped generate public enthusiasm for certain recent "hot issues"—new stock issues which have shown sharp price advances immediately or soon after reaching the market.

The SEC never has tried to use its anti-trust powers against public relations organizations. However officials said the powers could be used if a firm conspired to juggle market prices by distributing inaccurate or misleading press releases.

Soviets Deny Attempt for Nikita's Life

MOSCOW, Feb. 6 (AP)—The Soviet foreign office press spokesman today branded as a "provocative rumor" without any foundation at all a story current in Moscow that an attempt had been made to assassinate Premier Khrushchev.

"It is an invention and completely false," the spokesman added.

The rumors had been investigated by correspondents and diplomats for several days. No one could find any substance to them.

The first report was that Khrushchev had been shot in the lung during a public meeting in mid-January. But on Jan. 20, some days after the rumored attack, Khrushchev spent three hours with a Burmese trade and diplomatic delegation in Kiev, in the Ukraine.

One of the Burmese said the premier was clearly in good health and good spirits.

On Jan. 30, Mrs. Khrushchev told guests at a meeting commemorating the birthday of Franklin D. Roosevelt that her husband was in Gagra, in the Caucasus.

A rumor then sprang up over the week-end that he had been stabbed Saturday in Gagra.

The foreign office said this morning this was false.

Divorce Case Is Entered in T. F.

Mrs. Maurine Long filed suit for divorce from William V. Long Monday in district court charging extreme mental cruelty.

In the petition she claims he "drinks intoxicants excessively," threatens her and "stays out all hours without advising her."

She asks custody of the child which could be used if a firm child support after its birth, \$150 per month alimony until the child is born, attorney fees and an equitable division of the community property.

They were married Oct. 14, 1951, at Elkton, Rayborn, Rayborn, Rayborn and Webb, Twin Falls law firm, is representing Mrs. Long.

Romney Gets GOP Chiefs' Cautious OK

WASHINGTON, Feb. 6 (AP)—Automaker George W. Romney's week-end visit to Washington with GOP Republicans with the impression their party may have another presidential candidate—but with a change in design.

Most party members commenting on Romney's appointment during the time of the election felt that he will have to get himself elected governor of Michigan before he can show his worth in the 1964 presidential nomination bidding.

There didn't seem to be much doubt that Romney, president of American Motors, would depart from the government to seek the office before he won the 1964 GOP presidential nomination. He was registered as a Democrat as late as 1957.

Such party pros as Sen. Hugh Scott of Pennsylvania, once the national Republican chairman, did not discount Romney's chances in the years from now if he can muster the support of a substantial majority of Michigan voters this year.

"I think we may well see the Wendell Willkie thing all over again if Romney can get elected governor of Michigan," Scott said.

Sen. Kenneth B. Keating of New York said he thought Romney "made a good impression" on Republicans here last week when he was elected governor this year. He is bound to be a contender in 1964, Keating said.

Congress Reviews Plans for Grand Canyon's Barroom

WASHINGTON, Feb. 6 (AP)—Picture if you will, if you can, a glass enclosed cocktail lounge overlooking the Grand Canyon. Sort of takes your breath away, doesn't it? I mean, who've been dreamed up that idea was indubitably capable of thinking big.

Just the plain, dry-throated view from the rim of the canyon is enough to intoxicate most people. Mix a little alcohol in with the scenery and you've got something. The possibility of a "banken" saloon being built in the wall of the canyon is prominent in a house debate yesterday on a bill involving mineral rights in the Grand Canyon national park.

It estimates that 20 acres in the middle of the park are owned by a private company. Four of the acres are horizontal, and the other 16 are perpendicular.

The national park service would like very much to get title to this land. Its desire was whetted some months ago by a report that the company planned to adjoin the property with a resort hotel and cocktail lounge.

The very thought of a saloon overlooking the majestic gorge was enough to give nature lovers the delirium tremens. Clearly something had to be done to head off the project.

So a plan was worked out under which the government would acquire title to the land, with the company retaining the right to mine uranium from the soil.

But when a bill authorizing the transfer reached the house floor yesterday, trouble developed in the form of Rep. John P. Saylor, a Pennsylvania Republican.

Saylor voiced suspicion that the publicized project to drink on the brink was nothing more than a figment planted in his mind by the company's representatives by threatening to build this monstrosity on the face of the canyon," he averred.

"They have attempted to blackmail the house of representatives by threatening to build this monstrosity on the face of the canyon," he averred.

Area Grange Report Given

BURN, Feb. 6.—Pete Tesar read an article on possible federal control of cattle and reported on a recent meeting he attended in Twin Falls regarding the sugar beet program when the Kootenai Grange met last week.

Mrs. John Davis reported on the lecture county-wide meeting she attended and Mrs. Frank Karel spoke on the recent meeting she attended of 4-H leaders in Twin Falls.

Plans were discussed for a pre-pressing party and a date for the event will be announced during the next meeting.

A Valentine matching and a "New Year" contest was conducted with the men competing against the women. Thomas Helmarck and Mrs. Ervin Morrison were first place winners. Frank Sedivy and Mrs. Frank Karel won second place.

Mrs. Bob Chandler and Mrs. Karl gave readings. Mr. and Mrs. Helmarck were hosts.

Plea to Probate Estate Is Filed

A petition to probate the will of Emil Johnson was filed with Probate Judge Zoe Ann Warburg Tuesday. The estate is estimated at not more than \$10,000.

Mr. Johnson died in Twin Falls Jan. 23.

His heirs are listed as Leo, Carl and Herbert Johnson, all of Illinois; and J. M. Johnson of Breda.

C. F. Schenberger, attorney for the heirs, will appear at a hearing on the will before Judge Warburg Feb. 20.

CARDINAL DIES
VATICAN CITY, Feb. 6 (AP)—Giacinto Cardinal Cicognani, 80, died Monday.

His death reduced the number of cardinals in the college to 70—on its peak of 82—and again set off speculation that Pope John might call a consistory to create new cardinals.

"Judge Not..."

VAN NUYS, Calif., Feb. 6 (AP)—A note of levity greeted juries of traffic tickets at the clerk's window in Van Nuys, Calif., yesterday.

Municipal Judge Charles M. Hughes, who presides in Van Nuys traffic court, appeared to pay a \$2 ticket for his wife.

"My wife," explained Hughes, "she got a ticket for over-parking."

"Well, it is the judge," quipped someone in line.

FLU STRIKES TOKYO

TOKYO, Feb. 6 (AP)—Asian flu has hit Tokyo again, and some 250 schools have been closed officials say it is a milder version than the virus which killed 63 persons here in 1956. No fatalities from the disease have been reported thus far.

Jerome Reports Minor Accident

JEROME, Feb. 6.—Jerome Sheriff James B. (Pat) Burns investigated a minor accident seven and one half miles east of Jerome on state highway 24 at 9:40 a.m. Sunday.

Mrs. John Thonson driving a 1958 Chevrolet station wagon was backing from her driveway, John T. Weisel, 35, Medford, Ore., saw the car and applied the brakes. The 1950 Pontiac he was driving skidded on black ice and collided with the right rear of the Chevrolet.

Sheriff Burns said both cars were able to drive away following the accident. Burns did not estimate the damages.

Oakley Plans Stake Confab On Feb. 17-18

OAKLEY, Feb. 6.—Visiting dignitaries for the LDS quarterly conference of the Cassia stake here Feb. 17 and 18 will be Elder Antoine R. Ivins, member of the first council of seventy, and Paul C. Child, member of the general welfare committee, both Salt Lake City.

Wade Baker, Burley, stake president, will conduct the sessions at 10 a.m. and 2 p.m. Feb. 18. Leadership sessions are slated for Saturday evening, Feb. 17.

Elder Ivins, one of the seven-member council assigned to the worldwide mission work of the church, has lived in Colonia Juarez, Mexico, and Hawaii. He was president of the Mexican mission and is a director of the church welfare plan.

Born in St. George, Utah, he moved to Mexico when he was 15 since his father directed church activities there. He operated a livestock ranch at Enterprise, Utah, until called by the church to direct the agricultural division of the Land Home for boys in Centerville.

He also served as manager of the church-owned sugar plantation in the Hawaiian Islands for 10 years. He became a member of the first council of seventy in 1931.

THE SIX

The new size Dodge Dart has the most powerful standard six engine in the business. It develops 145 horsepower from 226 cubic inches. It takes a V8 in other cars priced near Dart to keep up with it. Even then most of them can't. Dead weight and useless overhang have been all but eliminated in the '62 Dart. What results is an amazing power-to-weight ratio that makes any Dart-6 not like an eight. A very quiet eight at that! This same six got better than 23 miles to the gallon in last year's Mobilgas Economy Run.

Frankly, we don't think anybody but a power fan can get this kind of mileage. But it does give you an idea of the engine's potential. Repeated tests in the new size Dart prove that it will deliver at least 5% better gas economy than last year. See the new size Dodge Dart. There's no better value on the market.

MINICO FAVORED IN DISTRICT MAT MEET

Spartans Have Four 1961 Champions; Tournament Opens in Buhl Thursday

BUHL, Feb. 6.—The Minico Spartans, who have terrorized the fourth district for the past three years, are again favorites to collect their third straight district wrestling title this week. The Spartans, who have never tasted defeat in this district, have four returning district champions and three runners-up back from last year's title team. The tournament will be conducted in three sessions.

Three Teams Battle For Big Seven Title

It's still a three-way race in the Big Seven conference with Burley, Jerome and Minico battling for the title in the final one-third of the season. But it could be all over this week or even tonight. Burley meets both its strongest opponents on foreign courts, playing at Minico—Thursday—and Jerome

Friday. The Bobcats carry the longest best scoring punch—into the big school, hitting 51.3 points in the Big Seven and 48.1 over Minico in tops on defense with 38.1 in offense and 29 overall. Jerome is less than a point behind. Oakley's Horvath, crippled in the race by their third losing week, held the free throw shooting lead at 72.8 based on conversions to opponent fouls. Minico is best overall with a 68.1 percentage. Gooding has the most loop fouls—160—while Oakley has 139.

Individual statistics show Kent Henderson, Filer, moving into free throw shooting with 10 league conversions and 53 overall. Allen Dowd, Bull sophomore, has 35 league fouls, just one more than Ron Schilling, Filer. Dowd is tied with Duane Golococha, Gooding, with 53 fouls overall.

Don Franks, Oakley, maintained his scoring lead with a 14-point league average and 14.5 overall. His 12.4 in a game at Minico, Cranney, is right behind at 13.2 and 13.4.

Others hitting over 10 per game are: Henderson—12 in 14; Grant Martinson, Burley, 11.3 and 9.6; Mark Tilly, Jerome, 11 and 10.5; Mark Mastandino, Oakley, 10.6 and 9.2; and Bill Manning, Minico, 10.1 and 12.8.

Minidoka County to Host Burley Tonight

The Burley Bobcats, top triple A point producing team in the district, open their "week of decision" Tuesday night by hosting the Minico Spartans. The Tuesday match followed by a Friday date with Jerome will prove the big item in the Big Seven conference title chase. Burley currently leads the league with a 7:1 record and has a one-game lead over Minico and Jerome in the loss column. The Bobcats won the first meeting with their closest foes but this time gave away the home court advantage.

Burley picked up three points in the closing minutes of its first game with Minico and hung on by a one-point edge. Burley has the best offensive mark in the district, hitting 51.3 points per 100 outing. But Minico will come down with the league's best defensive mark—limiting foes to 36.1 points per game.

Montana Will Not Open Elk Hunts

HELENA, Mont., Feb. 6 (AP)—The Montana fish and game commission decided Monday to stand on its earlier decision not to declare an elk hunting season in the state.

"The farmers and ranchers are not complaining and the people of Montana don't want a season so I see no need to even discuss the subject further at this time."

"The farmers and ranchers are not complaining and the people of Montana don't want a season so I see no need to even discuss the subject further at this time."

Three Men Renamed To Cowboy Board

Carl Berg, Maurice Roth and Warren Lowry were unanimously reelected to the board of directors for the Magic Valley Cowboys at the annual stockholders meeting Monday night. It proved a quiet meeting with the stockholders, about 35 strong, voting their appreciation to all those connected with the team's successful showing in the 1961 year. Warren E. (Ben) Jewell, general manager, told the group the income from advertising was running even with last spring. He noted the pre-season ticket sales campaign has not been launched as yet.

Twin Falls Has Split in Mat Action

The Twin Falls Bruins split a wrestling match with the combined forces of Gooding State and Gooding High school Monday night.

The Bruins beat Gooding 17-10 while bowing to Gooding State 10-5.

All three teams now point to the district—wrestling—tournament which opens in Bull Thursday evening.

\$600,000 Football Injury Suit Filed

VICTORIA, Tex., Feb. 6 (AP)—A \$600,000 damage action based on the aftermath of a football injury has been filed in federal court here.

Eugene G. McCain, a former student at Victoria college, and his father, E. V. McCain, both of New York, are suing Citizens Memorial hospital and Doctors Charles Haveler, B. P. Bolton, Lloyd Jones and P. L. Duckworth.

Pro Wrestling

A tag team match will highlight action at the VFW's weekly professional wrestling matches, beginning at 7:30 p.m. today at the Radio Room.

The team of Logger Larsen and Theron Zimba takes on Johnnie Baker and Rod O'Reil.

In preliminary matches, O'Reil will meet the Rebel; Larsen takes on Zimba, and Ron Ball will clash with Bill Lewis. All preliminaries will be 20 minutes or one fall.

Minico Takes Mat Victory From Filer

FILER, Feb. 6.—The Minico Spartans ran through their final lineup before "defending" their district wrestling title Monday night by blanking the Filer Wildcats 33-0.

The match ended the season for both clubs. They will participate, along with five others, in the district tournament which opens at Buhl, 8:45 p.m. Thursday.

Results of the matches: Filer men listed first, include Clingrich won by decision; Henderson—108; Jones was declared by stoppage; 115—Patrick was declared by Froggert; 123—Rawlings was declared by Corns; 120—Henderson was declared by Newcomb; 128—McCabe was declared by Schnabel; 148—Gerra was pinned by Andrews; 180—McCabe was pinned by Hastings, and played Wendt. Kelly was declared by Wendt.

Moon Blocks Sun, Yielding Science Data

LAE, Australian New Guinea, Feb. 6 (AP)—The moon slid directly between the earth and the sun Monday, darkening an 800-mile slice of earth with its shadow and giving astronomers a rare, perfect view of a total eclipse.

U.S.—Japanese and Australian astronomers trained nearly one million dollars worth of equipment on the phenomenon at this beach, famed for a World War II allied landing, and were delighted with their observations.

For two minutes and 45 seconds day turned to night so dark that Editor Jim Huxley of the New Guinea Times could not see the numbers on his camera.

Dogs barked, roosters crowed and Papuan natives throughout the area disappeared in their homes and huts or under crude grass shelters.

As the world turned dark, the sun's corona, or outer shell of gas, burst into view, yellow and scarlet white, broken by three tongue-like jets of incandescent hydrogen gas called "prominences."

Dr. Richard Dunn of Sacramento peak observatory, New Mexico, described the eclipse as "magnificent."

"It was 100 per cent perfect," he said.

Making this eclipse even more extraordinary was the fact that the five planets that can be seen with the naked eye from Earth—Mercury, Venus, Jupiter and Saturn—were lined up with the sun and the moon, giving the scientists a remarkable view.

Cruelty Charged In Divorce Case

Charging extreme cruelty, Mrs. Jay Blair filed suit for divorce from Samuel Blair, Jr. Monday in district court.

She states in the petition that on "many occasions the defendant has struck her and thrown her with physical force and violence" adding that he also has directed profane language at her.

She asks custody of their three children, \$50 per month each child support and attorney fees. She asks title to household furniture, equity in a 1956 Mercury and 1949 Pontiac and equity in a home at 132 Wiseman avenue, Twin Falls.

She requests that the court require Blair to make payments on the home during the divorce. They were married July 18, 1949, at Reno, Nev.

Howard E. Adams, Shoshone attorney, is representing Mrs. Blair.
