

Tax Fight Looms in Congress

WASHINGTON, Feb. 28 (UPI)—A partisan fight shaped up in the house today over President Kennedy's proposal to withhold taxes on stock dividends and interest.

The measure—a compromise version of Kennedy's tax program—represented the most extensive income tax revision since the entire code was overhauled by a Republican congress in 1954.

The measure was expected to reach the house floor in a vote on Feb. 29.

GOP leaders said they would attempt to pass a single-stroke bill to repeal the dividend and interest tax treatment applied to foreign income of American business.

Republicans said their revisions would result in considerably less revenue than the committee bill and therefore would be a net loss to the treasury.

The committee bill would directly affect tens of millions of individual taxpayers by withholding for taxes 20 cents on every dollar in stock dividends and on interest on savings accounts in banks and savings and loan associations.

The bill would allow industry business proprietors and farmers tax cuts ranging up to \$8 for every \$100 spent for income-producing property in 1962.

Other provisions include: a 10 percent cut in tax on interest on bonds; a 10 percent cut in tax on interest on mortgages; a 10 percent cut in tax on interest on bonds; a 10 percent cut in tax on interest on mortgages; a 10 percent cut in tax on interest on bonds; a 10 percent cut in tax on interest on mortgages.

Spouse Held Without Bail In Slay Case

SALMON, Feb. 28 (AP)—The husband of a woman who has been charged with first-degree murder in connection with the slaying of her husband, was held without bail in connection with the case.

Lemhi County Prosecutor Charles Herndon Tuesday said that George E. Holmes, 31, admitted firing the fatal shot at his wife, Mrs. Bernice Holmes, 29, at their home north of here.

Holmes' arraignment yesterday before Probate Judge Irvin Robertson was continued to Monday to allow Holmes time to get an attorney. He was being held in Lemhi county jail without bail.

The woman was shot in the neck with a .38-caliber pistol. He said the couple was married while Holmes served in the army in Germany about four years ago.

Fund Not Budgeted For Lab Personnel

WASHINGTON, D. C., Feb. 28 (AP)—Sen. Henry Dvorshak, R., Idaho, said today the department of agriculture has failed to include in its budget for the fiscal year, which begins next July, \$1.5 million for staffing the authorized soil and water laboratory in Twin Falls county.

He said he questioned Dr. B. T. Shaw, head of the agriculture research service, about the omission at a senate appropriations subcommittee hearing.

Dr. Shaw said he was aware of the funds for staffing the soon-to-be-constructed soil and water laboratory had not been budgeted and suggested it would have been well if at least a small amount of initial staffing was included in the budget.

Senator Dvorshak stated, "It is financially foolish not to have some funds for staffing a laboratory of the magnitude of the Twin Falls station when it is completed."

"While it is true that it probably will not be completed until July 1, 1963, which is the beginning of the 1964 fiscal year, I feel that we are cutting this quite close and might wind up with an expensive laboratory but no funds to put people to work in it."

He added that, of course, he would further delay this much needed research work which has already been long delayed because of site selection difficulties.

The Idaho senator said Dr. Shaw reported a construction contract for the laboratory probably will be awarded in May.

Penny Train Derailed, 18 Persons Hurt

LEWISTOWN, Pa., Feb. 28 (AP)—A Pennsylvania Railroad passenger train today plowed into the wreckage of a freight train which had derailed almost simultaneously. Three diesel locomotives and 17 of 18 cars of the passenger train derailed, injuring 18 persons.

The passenger train was bound for New York to Chicago when the accident occurred 23 miles east of this central Pennsylvania community hospital here.

Amputees took seven of the injured to Lewistown hospital and two others to the Black Community hospital here.

A spokesman at Lewistown hospital said only one person there appeared to be seriously injured.

County Lists \$68,745 for Flood Losses

SHOENOE, Feb. 28—A total of \$68,745 for flood damage to property in Lincoln county, according to final statistics compiled by Civil Defense Director W. A. Hall.

The compilation has been made, Hall says, through assistance of the county agricultural stabilization committee, the county soil conservation service, and the state and the civil defense department.

There are reported 6,873 head of livestock in the county with 486; while damage to dwellings is estimated at \$3,275; to fences and corrals, \$2,300; and to grain, \$1,400; farm cropland, \$2,600; culverts and bridges, \$34,010; road fills and repairs, \$10,510; and canals and headgates at \$1,100.

Hall notes that the heaviest flood damage in the county was to highways and bridges. The city of Shoshone has about 7,000 damage from ice to water control structures, including ripping and removal of silt.

At the time of the flood Mayor Harold C. Burdell said the city there was very little damage to the city, but this tabulation came forth as a later estimate.

There are also reported 11 cases as showing up in ice jams, Hall said.

Expansion Is Reported by Green Giant

SAN FRANCISCO, Feb. 28 (AP)—The Green Giant company today announced a capital expansion and improvement budget of five million dollars involving 10 of the firm's 27 plants.

The budget, largest in the company's history, provides for expansion of Green Giant's food processing plants in Washington, Delaware, Wisconsin, and Tennessee, Ontario, Canada.

Felton declined to reveal the amount of money to be spent on each plant.

He said that about 3 million dollars of the budget will be spent on new facilities and equipment in each community to improve quality and reduce costs.

This year's sales, Felton predicted, will be up 10 percent over last year's total of \$67,500,000.

Stock Market Figure Quits After Charge

NEW YORK, Feb. 28 (AP)—J. Truman Bidwell has resigned the powerful post of chairman of the board of governors of the New York stock exchange following a federal grand jury indictment charging him with evading \$55,000 in taxes in connection with the stock exchange.

He claimed persecution from "high places in Washington," and said he would be investing his money in other activities.

Nevertheless, the indictment against Bidwell, the chairman of a widespread tax investigation in the securities field.

The internal revenue service has been investigating Bidwell more than three years ago. Last year, the securities and exchange commission turned an investigative eye on Wall Street that resulted in a shakeup at the American Stock Exchange.

The two-up committee indictment was against Bidwell, 69, Tuesday, accused him of concealing his income and failing to pay taxes on his income.

He had previously been indicted on Monday before federal Judge John M. Conlin, issued a statement in which he declared that he fully paid all his taxes.

Deep Freeze Holds West In Iron Grip

DENVER, Feb. 28 (AP)—The Rocky Mountain region today is suffering from a sixth straight day today with a chance of slight relief at night for Thursday.

The mercury dipped far below zero along the eastern face of the Rocky Mountains from Montana to the New Mexico border.

It reached 13 below in Denver where the temperature has been below zero continuously since Monday.

The lowest temperature recorded was minus 3, was named by the National Weather Service.

The forecast for the region today was for temperatures ranging from higher than 10 to below zero in the mountains. The weatherman said the Arctic blast should show signs of breaking up Thursday.

Hundreds of motorists throughout the region were stalled by the cold. Charges of frostbite were swamped by calls for assistance.

County Sets Sixth Try-on School Issue

HALLEY, Feb. 28—Blaine county school patrons will be asked to approve a \$1,000,000 bond issue for school improvements.

The \$1,000,000 bond issue, approved by the Blaine county school board members today, will be the sixth time the bond issue has been held in Blaine county school district.

The point out the current proposal is a revision of all plans received from committees approved in each community in the county to present local school needs.

The money will amount to \$1,000,000 per student for Oracy, \$474 for Halley, \$438 at Ketchum and \$1,384 per student at Bellevue.

The money will be used to build a new eight-room elementary school for 257 students at cost of \$200,000, a multipurpose building at a cost of \$700,000 and four rooms added to the present high school including shop, music and science rooms, would cost \$100,000.

The sum of \$1,000,000 would be used to repair, add rooms and buy equipment for the high school at \$100,000. This would be done if and when the high school at \$1,000,000 would be used for tearing down a portion of the present high school and remodeling.

Two extra teachers would be added to the Halley high school, leaving 478,000 and four rooms added to the present high school including shop, music and science rooms, would cost \$100,000.

Six elementary rooms would be added to the present building at \$100,000.

Members of the school board include Carl Pothier, Ketchum; William Mallory, Halley; Roy Williams, Bellevue; John McGonigal, Connet; and J. M. Barton, Oracy.

Senate Unit Passes Debt Limit Boost

WASHINGTON, Feb. 28 (AP)—The senate today approved a \$2 billion debt limit increase in the national debt ceiling to a percentage high of \$69 billion dollars.

Treasury Secretary Douglas Dillon, appearing behind closed doors to urge approval of the legislation, said increased military outlays because of the Berlin crisis and other factors had pushed the debt dangerously close to the present legal ceiling.

Committee Chairman Harry F. Byrd, D., Va., said the temporary \$2 billion dollar increase was unanimously approved by the committee by voice vote.

The house passed the measure Feb. 20 by a vote of 231 to 114.

Peace for Algiers Is Foreseen After Rebel Agreement

PARIS, Feb. 28 (UPI)—The Algerian rebel government-in-exile in Tunis announced today it has been authorized to complete peace talks with the French.

A cease-fire in the seven-and-a-half year Algerian conflict appeared likely by March 15. The announcement was made in Tunis two and one-half hours before President Charles de Gaulle met here with his cabinet at 9:30 a.m. EST. The cabinet had the rebel announcement before it.

It followed a six-day meeting in the Libyan capital of Tripoli of the Algerian rebel parliament or National Council of the Algerian revolution.

Contrary to expectation, a bald communiqué issued this afternoon talks about one hour whether the rebel parliament had ratified the draft cease-fire agreement already concluded with the French.

It merely stated that the government-in-exile had been authorized to enter the next week whether before a cease-fire is proclaimed.

This time they would be semipublic instead of held behind the elaborate cloak of secrecy which covered the earlier negotiations.

The sources said a considerable number of pilots remained unsettled at the close of the latest secret session with the French.

The refugee government will meet tomorrow in Tunis to choose a tentative date for further talks, probably early next week. Algerian officials expected the talks to last at least a week.

Man Figures Best, Glenn Tells Senate

WASHINGTON, Feb. 28 (UPI)—Astronaut John H. Glenn, Jr., told lawmakers today one of the most important finds from his three-orbit flight was that man, not machine, is the world's best computer. As a result of this lesson, he said, future space capsules will be "greatly simplified" to put more responsibility on the pilot.

Similarly, his fellow astronaut, Alan Shepard, told a senate committee the gear from the space capsule suit—now already planned—would provide the weight capacity for a second passenger.

"At the moment, however, there is not sufficient need to add a word," Shepard said. Glenn told members of the house space committee that "man is the computer in there."

"And, to carry it one step further," he added with a grin, "he can be produced cheaply and easily."

In an earlier appearance by the astronaut, a senate group was told that the star mission (developed by ancient mariners) can be used by spacemen to travel to the moon. Shepard said the same space capsule that carried navigation was proved feasible during Glenn's triple orbit of the earth.

Glenn and fellow astronaut Shepard and Virgil I. (Gus) Grissom made their final appearance in three days on Capitol Hill, testifying first before the senate space committee and then before the similar group in the house.

At their previous appearance, they were greeted at every turn by cheers, applause, and the invariable cry of demands for their seats with individual lawmakers—and by everybody who could get within shouting distance for a moment.

Under questioning by Sen. John O. Pastore, D., R., Glenn said the astronauts at one time harbored misgivings about opening their eyes to the world of space.

In view of Russia's first jump into orbit, Glenn said, the early days of the space program had a dramatic effect and "made us look even worse."

Woman Dies In Jerome of Blast Burns

Jerome, Feb. 28 (AP)—Mrs. Mary Joyce Glenn, 42, died Tuesday afternoon in B. Benedict's hospital as a result of burns suffered in a fire in her home exploded Tuesday.

She was born June 8, 1922, in Pocatello, Idaho, and lived with her parents in 1941. She was married to Joseph Glenn on April 21, 1948, in Elko, Nev., and has three children.

Surviving are her husband, three daughters, Lily May Hinton, one son, Joseph Glenn, and two sons, eleven Wayne Hinton and Kenneth Ross; two sons, eleven Wayne Hinton and Kenneth Ross; two sons, eleven Wayne Hinton and Kenneth Ross; two sons, eleven Wayne Hinton and Kenneth Ross.

Funeral services will be conducted at 2 p.m. Saturday at the Orpington funeral chapel, Jerome, by the Rev. John W. Logan. Burial will be held in the Jerome cemetery.

Gotham Reads Hero's Welcome For 3 Astronauts

NEW YORK, Feb. 28 (AP)—It takes a real American here to make New York turn handsprings for the three astronauts who returned from their historic space flight.

That's just what it will have Thursday—Léon, Col. John H. Glenn, Jr., and his fellow astronaut, Walter Terence P. ("Dick") Scobee, who they say will be the limit.

Gotham is preparing for one of the biggest celebrations of all times, weather permitting.

Fellow said they couldn't imagine how many of the city's eight million residents will turn out but that they were expecting something close to a situation like that of the weather is fair.

In any case, Glenn and colleagues will get the royal treatment.

There'll be the traditional ticker-tape parade from the battery park to the city hall, and they also discussed questions of cooperation between the USSR and the East German Democratic Republic. The Soviet Union will send a German Democratic Republic a supplementary commodity credit.

Red Chiefs Talk On Berlin Peace

MOSCOW, Feb. 28 (AP)—Soviet Premier Khrushchev and East German Communist leader Walter Ulbricht have had a two-day talk on a German peace treaty and "normalization of the situation in West Berlin," the London news agency said.

The Soviet news agency said the conference took place here Monday and Tuesday. It added that the two leaders discussed questions of cooperation between the USSR and the East German Democratic Republic. The Soviet Union will send a German Democratic Republic a supplementary commodity credit.

Powers May Face Probe In Congress

WASHINGTON, Feb. 28 (AP)—Pilot Francis Gray Powers may step out of the deep pocket of secrecy within a few days. But where or when wasn't made clear.

Officials said Tuesday a special inquiry board was winding up its questioning of Powers—22 and was reported to have decided he had conducted himself about as well as possible under the circumstances when he was downed in the Soviet Union.

Powers, the officials said, would be available by Thursday to appear before any congressional committee that wants to talk to him. He has been tucked away in seclusion since the Russians freed him Feb. 19.

President Kennedy said at his news conference last week that the Powers inquiry would be completed by the middle of this week and the pilot would then be available to congress and the press.

Informants indicated Tuesday that the offer could talk with the press before he appears before a congressional committee.

So far only one congressional group, the House Foreign Affairs Committee, has said definitely that it plans to question Powers. Chairman Thomas F. Morgan, D. Pa., announced the committee will call Powers at a closed session, probably next week.

Labor Force Cut Is Urged On Railroads

WASHINGTON, Feb. 28 (AP)—A presidential commission recommended today that labor unions on the nation's railroads broad way to streamline operations and eliminate thousands of jobs, and unnecessary to run the trains.

The commission, reporting to President Kennedy, concluded in an exhaustive year-long study, said "however the carriers would be prepared to ease the blow on dispirited workers by providing them with partial pay for periods up to three years as well as schooling for other jobs."

The report agreed with industry complaints that the railroads have been saddled with costly featherbedding rules and practices, requiring pay for unneeded work. Most locomotive firemen were found to serve no useful purpose and for other jobs.

But the commission also had much to say about the plight of the rail workers, whose ranks have dwindled from more than two million in 1920 to less than 800,000 today. The study was concerned only with the problems of the 200,000 rail operating employees whose manning the moving trains.

The report brought an angry dissent from the commission's union members who said it may lead to a nationwide strike. It was also disappointing to the rail industry, which had hoped for greater savings than will be immediately possible.

Damage Escaped In Chile's Quake

SANTIAGO, Chile, Feb. 28 (AP)—Several earthquakes shook eastern Chile Tuesday but no damage or casualties were reported.

The first tremor hit the province of Arauco, about 430 miles south of Santiago.

Also shaken were Concepcion, Chile's second largest city, Lota, Curico, Anko, Los Angeles and others in the province of rebelling from the violent earthquakes of May 1960.

Council Rejects Castro's Charge

UNITED NATIONS, N. Y., Feb. 28 (AP)—A new Cuban attempt to air charges that the United States is meddling illegally in her affairs was rejected Tuesday night by the U. N. security council.

The council also defeated a Soviet move to let Cuba speak in the procedural debate on whether to take up the complaint.

DEATH PLOT CHARGED

PORT AU PRINCE, Haiti, Feb. 28 (AP)—The army announced Tuesday two former army officers have been sentenced to assassinate President Francois Duvalier.

She never makes the mistake of saying, "Oh, you drew a horse," when the child meant it for a ship. If an adult makes that type of mistake too often, the child quits drawing or at least quits showing his art to adults.

CREATIVE ACTIVITIES

Creative activities at home can be used to help stimulate the curiosity of youngsters. Such stimulation is needed because the very nature of today's schools serves to reward conformity.

Help Your Child in School - No. 8 Schools Reward Conformity, Hence Parents Must Stimulate Curiosity

BY DR. LESLIE J. NASON, Professor of Education, University of Southern Calif.

By the very nature of formal education, schools as they are set up in this country stifle curiosity and creativity and reward conformity.

Too bad, you say? Of course it is.

But look at the other side of the coin. The teacher has a little wiggle in her class. She must see that the lessons are learned. Examination time leaves no room for doubt.

Examinations demand facts. They test the child's understanding of ideas. In most examinations the child can imitate nothing. He must know what the textbook said; he must do as the teacher told him to do.

After examination, the subject is closed, as far as the school is concerned.

But wait a minute! Curiosity tends to knowing more than the teacher says you must know.

No matter how good schools are, children need parents who keep curiosity alive. One of the thrilling things about being a parent is the opportunity to encourage a child's curiosity—curiosity and creativity.

I know a busy mother of five who provides drawing, modeling materials, etc., and places her children on their own during the hour that she prepares dinner.

A small child brings her a peculiar looking picture. "What a nice picture!" she says. "Tell me about it."

If he starts woodworking in the garage, don't crowd around and breathe down his neck. And don't go downtown and buy him a complete kit of tools. Let him procure them, a hammer and a saw at a time. You can smother interest as well as stimulate it.

Tomorrow: Teach your child to communicate.

Children need chances to practice creativity and they need to exercise their imaginations and resources without a parental accompaniment of "No! No! That's not the way to do it."

Let a child do his own way unless he asks for help or you realize a suggestion from him will prevent frustration or failure. Encourage him to learn more about each school subject than the teacher requires. This habit will carry over beyond his school years.

If your child has intellectual curiosity, encourage him to ask questions and look up the answers. If he has a project, encourage him, but don't take over. Remember, it is HIS project.

Auditions Are Slated for Music Scholarships Here

Auditions for school and summer camp music scholarships offered through the National Federation of Music Clubs will be held at 2 p.m. April 9 in the Falls Junior high school auditorium. Mrs. Donald Youtz, scholarship and auditions chairman for the Idaho Federation of Music Clubs, reports.

Scholarships and grants are available to six schools. Applicants for the school scholarships must be mailed by March 10 to Mrs. Youtz, 795 Walnut street, north.

The Manhattan Street music offers three full tuition grants in piano, voice or strings at \$100 each. The grants are renewable each year.

Millikin university offers four-year scholarships, each totaling \$1,000 for piano, voice, strings or orchestral winds.

The Peabody music scholarship for \$1,200 renewable annually up to four years, is offered to a string player, covering full tuition and partial maintenance.

The Eastman violin scholarship covers four years of violin study at the Eastman school of music, Rochester, N.Y.

Five tuition scholarships are offered to students of string instruments at the New School of Music. Valued at \$1,000 each and renewable for three or four years, the scholarships are available in violin, viola, cello and contrabass.

The Marie-Morrissey Keith scholarship for \$500, payable in two annual installments, is available in the Western region. Students of piano, voice, strings or orchestral winds may apply.

Scholarships for 16 summer camps also are available through the federation.

Applicants must be members of the federation either through group membership in a club, music school or orchestra which is federated, or as individual members. They must present letters of recommendation from a minister, teacher or member of a music club.

For complete summer camp scholarship information, applications may be written to the director of the camp or school, Mrs. Charles H. Pascoe, 10 Calle Zen-

LeMay Takes Side Against Budget Limit

WASHINGTON, Feb. 28 (AP)—Air Force Chief of Staff Gen. Curtis E. LeMay said Tuesday he is afraid that budget limitations in a critical statement on President Kennedy's defense budget. LeMay urged a senate appropriations subcommittee to give more money for air force maintenance and accelerated development of the B70 supersonic bomber.

LeMay drew the support of Air Force Secretary Eugene M. Zuckey, who said Secretary of Defense Robert S. McNamara and the air force obviously do not agree.

LeMay said he had serious reservations about the air force's \$8.8 billion dollar budget for fiscal 1963 and was "not satisfied" with how some of the money would be spent. Limitations on strategic forces caused him to be "worried about going downhill" in this area, and said if the trend continued, "I doubt if we can maintain superiority."

News Around Idaho

By The Associated Press

New snow covered highways in some areas of northern Idaho today but little change in news was reported in the condition of major roads. State police said one-half inch of new snow was reported in the Sandpoint area. Lookout Pass on U. S. 10 was icy on one mile south of the summit and U. S. 95 was snow covered and icy, but well sealed, at Whitehall hill. In the southeast U. S. 26 east of Swan Valley and U. S. 101 north of Ashton were snow covered and slick. U. S. 93 had icy spots in the Salmon-Lost Trail pass south of the town.

POCATELLO, Feb. 28 (UP)—Testimony resumes Wednesday in an appeal of the first racial disturbance in Pocatello in many years. Buddy Lee Welch, 23, Pocatello, is charged with aggravated assault in connection with the slaying of Charles Woods, 33, president of the Pocatello chapter of the National Association for the Advancement of Colored People. Woods was cut on the face during a scuffle at a local tavern. He had gone there to investigate an alleged racial discrimination and to inform the owner of Idaho's civil rights laws.

IDAHO FALLS, Feb. 28 (UP)—Too much snow—not a lack of it—has caused postponement of "Operation Snowbound" planned for a week-end for Explorer Scouts of the Teton Peaks Boy Scout council. Thirty Explorer Scouts had signed up to participate in the winter encampment scheduled Friday through Sunday. Officials postponed the outing for two weeks when informed Tuesday that blizzard conditions in North Fremont were so bad that highway crews were having a difficult time keeping state highways open.

IDAHO FALLS, Feb. 28 (UP)—Twenty top quality shorthorn bulls will be shown and sold at the annual spring sale of the Idaho Shorthorn Breeders' association Friday in Idaho Falls. Scene of the show, to start at 10 a.m. and the sale at 11 a.m., is at the Yellowstone EDB state summer camp northwest of Ashton. Scout officials postponed the outing for two weeks when informed Tuesday that blizzard conditions in North Fremont were so bad that highway crews were having a difficult time keeping state highways open.

BOISE, Feb. 28 (UP)—Voluntary agreements restricting the aerial application of pesticides have been signed by all persons carrying out such work in Canyon and Owyhee counties, Stanley J. Trexler, state commissioner of agriculture, announced today. He said the agreements are the result of actions taken by the Idaho Aviation Trades association.

BOISE, Feb. 28 (UP)—Reappointment of the Idaho legislature to that "best of the hour" of representatives representing people, not agriculture, was urged Tuesday by Darrell H. Dorman, president of the Idaho State AFL-CIO. Dorman referred to a recent decision in a third district in formulas enacted in 1941 and 1951, which he said was an earlier formula approved in 1933. Those who oppose the new representation or any future legislation which might improve it, Dorman said in a statement, "are in effect trying to disenfranchise Idaho voters living in the towns."

CALDWELL, Feb. 28 (UP)—The philosophy and program of the New Frontier are based on public utility, Jack Hawley, director of the Idaho Republican senatorial nomination, told the Caldwell Exchange club here Tuesday night. He said President Kennedy's effort to create an urban affairs department "is in the philosophy of the New Frontier to pump money into the cities so they can be controlled along with the states in which they are situated."

BOISE, Feb. 28 (UP)—The Idaho Chamber of Commerce has asked its members to urge the Idaho congressional delegation to oppose the water resources planning act. Hearings on the senate measure, which would be a "best of the hour" of representatives representing people, not agriculture, was urged Tuesday by Darrell H. Dorman, president of the Idaho State AFL-CIO. Dorman referred to a recent decision in a third district in formulas enacted in 1941 and 1951, which he said was an earlier formula approved in 1933. Those who oppose the new representation or any future legislation which might improve it, Dorman said in a statement, "are in effect trying to disenfranchise Idaho voters living in the towns."

AMERICAN FALLS, Feb. 28 (UP)—Voters approved one part of a bond issue proposal in an election Tuesday, but rejected the second. A proposal to issue \$150,000 in bonds for sewer and water improvements passed 54-46. A second proposal, which would be a "best of the hour" of representatives representing people, not agriculture, was urged Tuesday by Darrell H. Dorman, president of the Idaho State AFL-CIO. Dorman referred to a recent decision in a third district in formulas enacted in 1941 and 1951, which he said was an earlier formula approved in 1933. Those who oppose the new representation or any future legislation which might improve it, Dorman said in a statement, "are in effect trying to disenfranchise Idaho voters living in the towns."

BOISE, Feb. 28 (UP)—Milk production in Idaho during 1961 was estimated at 1,564,000 pounds compared with 1,644,000 a year earlier, according to a report by the Idaho Department of Agriculture. The number of milk cows on Idaho farms was estimated at 200,000, down from 202,000 a year earlier, but production per cow increased from 8,140 pounds to 8,250, a new record high.

Spud Control May Be Due At Year End

WASHINGTON, Feb. 28 (UP)—Sen. Henry Dworthak, R., Idaho, said today the U. S. department of agriculture apparently plans to have a potato control program "ready right after election in November."

He said he based that belief on statements made by S. R. Smith, director of the department's agriculture marketing service, during an appropriations subcommittee hearing in Washington. He said he asked Smith to outline the department's potato program plans and quoted Smith as saying:

"The department of agriculture has been working with the potato industry in a very active way. An advisory committee was established representing cross sections of the potato industry. They met with the department a number of times and they in turn reviewed the proposals which they submitted to the secretary. One of them involves a national marketing agreement and order for potatoes. Another one involves proposals for legislation to provide an acreage allotment program. A third legislative proposal involves authority for marketing quotas."

"The latter two are in the process of being developed and supposedly will be submitted to the congress for its consideration."

Dworthak noted that hearings are planned on the department's proposed marketing agreement and order with one of the senators planned in Idaho at Pocatello, beginning March 28.

Civic Group Hears Talk By General

Mal. Gen. John E. Walsh, adjutant general of the Idaho National Guard and state director of the selective service system, was featured speaker during the Tuesday noon luncheon meeting of Exchange Club in the Rogers Hotel Roundup room.

General Walsh discussed last year's reserve mobilization and explained the army's reserve and national guard system. He mentioned that there was a "misunderstanding in the purpose of the mobilization" and that the reserves were called out to prevent a war, not be in one, as some people thought.

He said since his call-up from Idaho national guardmen to be relieved from active duty. General Walsh explained that the reserve system is adding the ready, standby and retired reserves, with ready reserve units including national guard, drilling army reserve units and non-drilling army reserve units.

He noted that of the 625,000 voluntary reserves available, only 119,500 were mobilized, adding that about 40 per cent of the reservists mobilized were from the non-drilling units. He mentioned that the government has spent "a lot of time and money" to train the drilling national guard and reserve units, but only 60 per cent of the mobilized reservists came from drilling units.

Exchange club members were reminded that a box social will be held at 7 p.m. Thursday in the American Legion hall. Calvin Harper, Buhl, will be auctioneer. James May reported he had discussed the club's scholarship project with Kenneth Kall, student counselor at Twin Falls high school, and it had been recommended that the club sponsor two smaller scholarships instead of one large one.

Guests were Robert Eastman, Larry Dexter and Major Lawrence Laughridge.

\$27,021 Suit For Damage Filed in T.F.

A \$27,021.00 civil suit, resulting from two-car accident Aug. 4, 1961, 12 miles south of Rogerson on highway 95, was filed Tuesday by Joseph Gassner, 40, Twin Falls, in district court against David L. Friedel, 41, Pocatello.

Gassner claims his neck and spine were permanently injured in the accident and asks \$25,000 damages. In addition, he asks \$811.60 to cover hospital, doctor and ambulance expenses; \$10 for reimbursement for lost wages, and \$810 to cover damage to his car.

The petition states Friedel "negligently and carelessly" drove a 1957 Ford into the rear of a 1955 Plymouth driven by Gassner.

The accident occurred during a violent thunderstorm and both drivers were cited for failure to drive reasonably and prudently, state police reported.

BURL GIRL ELECTED

BURL, Feb. 28 (UP)—Betsy Barnes, daughter of Mr. and Mrs. Howard Barnes, route 1, Buhl, was elected vice president of Bismarck High school social society at Linfield college, McMinnville, Ore., where she is a senior majoring in English speech.

Consultant Named

BOISE, Feb. 28 (UP)—Appointment of Nyal Rydbeck, chairman of the Governor's Potato Coordinating committee, as a special consultant on Idaho's potato problems has been announced by Gov. Robert E. Smylie. Rydbeck, who also serves as Bismarck's special consultant in addition to his duties on the 12-member coordinating committee.

State Okays Loan Firms' Applications

BOISE, Feb. 28 (UP)—The Idaho department of finance announced Tuesday it has approved applications for small loan companies in six Magic Valley communities.

The order issued by finance commissioner J. L. McCarthy, 63 applications were denied, and 63 applications were approved in 28 Idaho communities.

"In each instance wherein application for license is granted the population of the trade area has increased sufficiently to sustain additional small loan activity," the order said.

Licenses were granted for six new offices in Idaho Falls and Boise, four new offices in Burley, three in Twin Falls, Blackfoot and Mountain Home, and two in Laytonville, Jerome, Rupert, and Naupa.

The Magic Valley communities and names of the small loan companies granted licenses included: Buhl, Consolidated Credit Corporation; Gooding, James L. Farmer; Burley, Commonwealth Credit Corporation; Friendly Finance company, Jack Murdoch and Reliance Credit corporation; Twin Falls, City Finance company; Seaboard Finance company and Commercial Credit Plan Incorporated, and Jerome, Pacific Finance loans and Brevitt-Patterson Loan company.

CONSULTANT NAMED

BOISE, Feb. 28 (UP)—Appointment of Nyal Rydbeck, chairman of the Governor's Potato Coordinating committee, as a special consultant on Idaho's potato problems has been announced by Gov. Robert E. Smylie. Rydbeck, who also serves as Bismarck's special consultant in addition to his duties on the 12-member coordinating committee.

Free Speech

EUGENE, Ore., Feb. 28 (UP)—A free speech platform, which can be used by any speaker without an advance scheduling, has been dedicated at the University of Oregon by Arthur B. Flemming, school president.

The project was suggested by the student union board after the appearance on campus last fall of Homer Tomlinson, who said he was general overseer of the Church of God.

Tomlinson was pelted with fruit and sprayed with slugs, and he was arrested when he attempted to crown himself king of the universe.

Students plan to use the platform for rallies and election campaign speeches.

U. S. communist leader Gus Hall recently spoke to several thousand students and townspeople at Hayward field, the university's football stadium.

Opening of Bids Set for Armory

RUPERT, Feb. 28 (UP)—Minkota county commissioners will attend the Thursday bid opening for the new Rupert armory in Boise, according to Willard Hayward, county clerk.

The bids will be opened at 2 p.m. at the state capital, he said. Attending from here will be Bert VanEvery, chairman; Alex Roemer and George Sullivan, board members.

Construction of the building to be located on the county fairgrounds just east of Rupert on highway 77 will begin as soon as possible, Hayward said.

COLLEGE OF IDAHO, Caldwell, Feb. 28 (UP)—Anna Marie Walton, Hansen, is a new pledge of the Ring sorority at the College of Idaho.

Strike Talk Halt Called

MILWAUKEE, Feb. 28 (UP)—Wary negotiators for the Allis-Chalmers Manufacturing company and the International United Auto Workers took a day off today, but contract talks continue between the company and striking IAWW local 248 of the West Allis, Wis., plant.

The West Allis union, largest of the seven IAWW locals, was taking a day off in celebration of the strike that began mid-February.

Federal Mediator George Rose said he expects that central level talks be suspended until tomorrow, adding that both sides were "in a state of fatigue" from marathon bargaining sessions over the week-end in efforts to head off a walkout.

The move opened the way for Pat Griffith, IAWW vice president and the director of the union's farm implement division, to take part in the talks between the company and Local 248.

Both company and union spokesmen said they were not widely separated on issues, indicating the strike probably would not be a repeat of the 77-day walkout of 1959.

Chocolate, Raisin Souffle Is Perfect Winter Dessert

As a perfect accompaniment to the recipe for Chicken Valentin you might want to try this make-ahead dessert, raisin chocolate souffle. The taste is somewhat exotic and rich; the effect is dazzling!

You'll need:
 1 cup dark or golden raisins
 1 1/2 cups sugar, unweakened chocolate
 2 envelopes plain gelatin

Each of these dishes may be used to supplement your winter menu with turkey, duck, game or other meats. Makes about 1 1/2 cups relish.

1/2 cup water
 2 cups hot boiling milk
 4 eggs, separated
 1 teaspoon vanilla
 1 teaspoon rum extract
 1/2 cup sugar
 1/2 teaspoon salt
 1/2 pint whipping cream

Chop raisins. Melt chocolate over hot (not boiling) water; set aside to cool. Soften gelatin in 1/2 cup water and add to hot milk, stirring until dissolved. Beat egg yolks, cream, sugar and salt together until thick and lemon-colored; stir in chocolate.

Slowly beat in dissolved gelatin mixture. Chill until mixture thickens and mounds on top. Beat egg whites until stiff, but not dry. Fold cream into stiff. Beat chocolate mixture lightly to fluid and smooth out.

Fill in egg whites first, then cream, evenly fold in raisins. Turn into a 7-inch souffle dish (about 1 1/2 quarts) fitted with a dash of salt.

Chill three or four hours or overnight before serving. Makes 10 to 12 servings.

For the dish collar, cut a strip of foil six inches wide and about 24 inches long. Place around dish to stand three inches above dish top; tie firmly in place with string.

Brightly-colored fresh garden vegetables in a sweet-sour spiced raisin syrup make one of the best relishes to go with grilled or other outdoor foods.

1/2 cup light brown sugar (packed)
 1/2 cup red wine vinegar
 3 tablespoons water
 1/2 teaspoon ginger
 1/2 teaspoon cinnamon
 1/2 teaspoon cloves
 1/2 teaspoon seasoned salt
 1/2 cup dark or golden raisins
 1/2 cup water
 3 stalks celery
 1 green pepper
 1 cucumber

Combine sugar, vinegar, water, spices and salt. Bring to boil. Cover heat and simmer five minutes.

Add raisins, cover, and cook in store, in refrigerator until ready to use. Cut onions and celery into small diagonal slices; add and chop green pepper; peel and dice cucumber; coarsely chop and drain tomatoes.

Combine vegetables, cover and refrigerate. When ready to use, stir vegetables in spiced raisin syrup. Serve with grilled meats, fish or poultry or as a relish with cold meat and salad plates.

Makes about one quart of fresh garden chutney.

Here's a quickie you'll want to serve with many kinds of meat.

1 tablespoon water
 1 1/2 cups onion, raw pineapple
 1/2 cup dark or golden raisins
 1/2 cup onion into water and let stand a few minutes. Combine with all remaining ingredients in jar or small crock. Cover and let stand overnight or longer. Remove will mellow in flavor and become thickened.

Serve with turkey, duck, game or other meats. Makes about 1 1/2 cups relish.

CAJUN MEAT PIE
 We enjoyed Cajun meat pie last night! Made from a 200-year-old heirloom recipe of a southern Louisiana family. It was served at a dinner given by the American Spice Trade association to food editors. Want to try it?

Cajun Meat Pie (8 to 10 servings)
 3 cups sifted all-purpose flour
 1 1/2 teaspoons salt
 1/2 cup shortening
 2 eggs, beaten
 1/2 cup cold water

Sift together into a mixing bowl flour and salt. Cut in shortening with a pastry blender or 2 knives. Mix egg yolks with water and add. Toss mixture lightly to form a dough. Shape into a ball. Wrap in foil or waxed paper and chill overnight or several hours.

MEAT FILLING
 1/2 cup sifted all-purpose flour
 1/2 cup cooking oil
 3 tablespoons instant minced onion
 3 tablespoons water
 2 tablespoons finely diced celery
 2 tablespoons finely diced green pepper

Food for Americans
 By GAYOR MADDOX

1 cup water
 1 1/2 lbs. ground chuck
 2 1/2 teaspoons salt
 1/4 teaspoon ground black pepper
 2 teaspoons chili powder
 1/4 teaspoon powdered mustard
 1/2 teaspoon garlic powder
 1/16 teaspoon ground ginger
 1 teaspoon fresh lemon juice
 Blend flour with oil. Stir and cook 20 minutes or until the mixture is brown (roux). Soften onion in water and add to roux, along with celery and green pepper. Stir and cook over low heat 3 minutes. Remove from heat and stir in 1/2 cup water. Mix until well blended. Add meat and remaining 1/2 cup water. Stir and cook 15 minutes. Stir in salt, spices and lemon juice. Roll 1/2 of the pastry 1/4-inch thick and line a 10-inch pie plate. Add meat filling. Roll remaining pastry 1/4-inch thick, cut into strips. 1/2-inch wide and arrange over pie in lattice crust fashion. Trim excess pastry from around edge of pie. Bake in a preheated very hot oven (450 degrees F.) 10 minutes. Reduce heat to 350 degrees F. (Furnish) and bake 20 minutes.

Gooding Group Has Patriotic Theme For Event

GOODING, Feb. 28—The War Memorial hall was decorated with a patriotic theme for the February dance of the Gooding Dance club.

Silhouettes of historical figures, red, white and blue streamers, and small American flags were used. The refreshment table was covered with a beige lace cloth, centered with red and white carnations and tall, red and red tapered tapers. Music was by Arlon Bastian's orchestra.

Decorations were by Mr. and Mrs. Dennis Gunnard and Mrs. Allen Osborne and Mr. and Mrs. Robert Euyart.

Co-chairmen were Mr. and Mrs. Robert Westrom and Mr. and Mrs. William Proschner. Other couples on the host committee were Dr. and Mrs. John Bryant, Mr. and Mrs. John Smith, Mr. and Mrs. Richard Brunson, Mr. and Mrs. Charles Brunson, Mr. and Mrs. Walter Higgins, Mr. and Mrs. Eugene Morse, Mr. and Mrs. Robert Rice, Mr. and Mrs. Lauren Shaver, Mr. and Mrs. Calvin Willard and Mr. and Mrs. J. E. Thompson.

New officers are Mrs. Don Stinis, president; and Mrs. Cona Drake, secretary-treasurer.

It was announced by Mrs. John Higgins, retiring president, that there will be a dance in March.

Valley OES Unit Has Anniversary

HAGERMAN, Feb. 28—The originating of Hagerman OES Unit No. 78, OES, was celebrated at a regular meeting. Mrs. Arlene Bennett, worthy matron, and Frank Lenker, worthy patron, were in charge. Mrs. Bennett read an anniversary message for the 4th observance.

Plans were made for the visit of Mrs. Milton Shaffer, worthy grand mistress, Saturday. A banquet will be served at 6:30 p.m. at the Hagerman hotel for all members, with the Fast Matrons club as host.

A cake walk was held, with funds to be used for ESTRAAL. Fundraising officers were Mrs. John Ayres, Mrs. Charles Robinson, Mrs. Bennett, Mrs. Lenker and Mrs. Martin.

Refreshments were served by Mrs. Harry Lemoyne, Jr., Mr. and Mrs. Charles Robinson and Mrs. Kenneth Hulme.

Judy Ellsworth, Eddings to Wed In March 17 Rite

PIELER, Feb. 28—Mrs. and C. L. Ellsworth, Pielier, announce the engagement of their daughter, Judy Ellsworth, to Mr. Alvin Eddings, son of Mr. and Mrs. Alvin Eddings, Twin Falls.

The couple plans a March 17 wedding.

Eddings was graduated in 1958 from Kimberly high school. He is serving in the navy. The bride is graduated from Pielier high school in 1959. She is employed at the Fidelity National bank, Twin Falls.

Workshop Set By Dorcas Unit

RUBEN, Feb. 28—Plans for a workshop March 12 were outlined at the meeting of the Dorcas unit of the Trinity Lutheran church. The meeting will be held with women of the Trinity Lutheran church. It was announced.

The opening devotion was given by the Rev. Alfred E. Jones as a young man, was given by Mrs. Armin Dils, and the topic "John the Baptist" was given by Mrs. Cass Leoni.

The group voted to hold its social night at 7 p.m. March 4. A free will offering will be taken to help defray expenses of painting the church.

Mrs. Leonard Martin, president, appointed Mrs. Metz Fluorhoft and Mrs. Frank Seydor to serve on the farm aid committee.

A donation of \$50 was suggested to help with preparing a World's Fair, and the group voted to add members of the church in need from the first in Idaho Falls and Pocatello.

Girls' League Officers Picked

RICHFIELD, Feb. 28—New Girls' League officers were elected at a special meeting at the high school. Officers selected will attend the Girls' League convention at Yakima, Wash., March 30-31.

They are Marilyn Crowther, president; Lana Sanders, vice president; Elene Brush, representative; and Janet Andrews, historian. June Matney was named alternate.

Mrs. William Katz, faculty supervisor, was present.

Mrs. Armstrong was recently named "Miss Winter" for richfield high school in the league's "Girl of the Season" project. She has served as varsity cheerleader the past two years; student council, freshman year; homecoming attendant for two years and class officer. She is a sophomore.

CLASS AA TEAMS RESUME PLAY TONIGHT

Glenns Ferry and Valley Collide In Semi-Finals

Glenns Ferry and Valley, after two games this year, collide in the championship semi-finals of the fourth district class AA basketball tournament tonight in the Shoshone gymnasium. Riding on the outcome will be a pole position for the only state tournament berth out of the area this year. The action will begin at 7:30 p.m. with the Wendell Trojans playing the Hallett Wolverines. The loser of that game will be eliminated.

Glenns Ferry and Valley shared the Little Six conference championship this year, splitting home-and-home meetings. Valley carries a slight advantage into the fray but it is represented largely in 6-foot-8-inch John Smith. The loser of tonight's game must drop back into the loser bracket semi-finals, meeting the rest of the attack out of area. They will meet in a single game Thursday night with the winner advancing into the finals Friday.

The Glenns Ferry attack is paced by 6-foot, 11-inch Sherman Pack and guard Terry Helwich. Valley gets its inside points from Brune, Little Six conference scoring champion, and balances the rest of the attack out of area.

Wendell will be trying to complete a big tournament year following a drab season record. The Trojans ousted defending champion Kimberly last week to stay alive.

Halley, a late comer, dropped Shoshone with a last-quarter rally.

Bonus Baby Working Like Green Rookie

WEST PALM BEACH, Fla., Feb. 28 (AP)—You'd think young Lew Krause didn't have a dime when he was drafted into the military in the Kansas City Athletics training camp.

His weight is just right and he will be in his training for the Boston Marathon. Scouts with bulging checkbooks were camped on Krause's doorstep when he was drafted from Chester, Pa., high school last spring.

The 23-year-old pitcher for \$125,000. He signed them, he started the baseball world by pitching a three-hit shutout over Los Angeles in his first professional game. He pitched well in his second start, although defeated.

He closed out the year with a 2-5 average and a 4.82 earned run average. At one time he was declared for several weeks by a sore arm.

Clyde Kluttwitz, who was Krause's manager in the Florida Rookie league this winter, claims Krause's troubles were nothing more than inexperience.

"He had a big adjustment to make last year," Kluttwitz said. "He came right out of high school into professional baseball and he had a lot of growing up to do."

The best growth among observers now is that Krause will have to go down to the minors for a little seasoning. But those who have watched his progress in camp figure he won't linger in the minors for long.

MAINTAINS PACE
CHICAGO, Feb. 28 (AP)—Connie Hawkins of Pittsburgh maintained his lead in the American Basketball league scoring race this week with a comfortable 27.6 average.

LEADING SCORER Mike Cranney, Oakley, gets off a two-point, part of his 17 points for the night, as the Oakley Hornets dumped Castledorf Tuesday night to remain unbeaten in the sixth district class A tournament. Coming into the picture for a possible rebound is junior center Mark Martindale. Castledorf players are Jerry Griggs, behind Cranney, Dean Reynolds (30) and Jim Griffith (23). Idaho Drops WSU to Take Season Series

MOSCOW, Feb. 28 (AP)—The Idaho Vandals took the rubber game of their five-game set with Washington State by beating the Cougars 65-60 in a ragged basketball game here Tuesday night. It was Idaho's 16th win in its last 18 games at home. The Vandal season record stands at 13-11 while WSU is 8-15. The Cougars, minus ace scorer Terry Ball, made a game of it all the way although they never led the second half. Ball was bedded down in the school infirmary with a sore throat.

The Vandals scored 19 times in the first half before Idaho took a 32-28 edge at intermission. In the second half the Vandals preserved a lead which ranged from one to seven points.

With a 1-40 left, WSU had overcome a 56-45 deficit to make it 61-60. Then Rich Porter cannot a pair of free throws and Lyle Parks converted a triple play to put victory in the bank for Idaho.

Charlie Sells tried to take up the slack created by Ball's absence and scored 21 points for WSU, 16 in the first half. Chuck White potted 22 for Idaho.

The Vandals used ball control with varying success, for the last seven minutes of the encounter, WSU led 20-19, Idaho 21-20, WSU 22-20, Idaho 23-20, WSU 24-20, Idaho 25-20, WSU 26-20, Idaho 27-20, WSU 28-20, Idaho 29-20, WSU 30-20, Idaho 31-20, WSU 32-20, Idaho 33-20, WSU 34-20, Idaho 35-20, WSU 36-20, Idaho 37-20, WSU 38-20, Idaho 39-20, WSU 40-20, Idaho 41-20, WSU 42-20, Idaho 43-20, WSU 44-20, Idaho 45-20, WSU 46-20, Idaho 47-20, WSU 48-20, Idaho 49-20, WSU 50-20, Idaho 51-20, WSU 52-20, Idaho 53-20, WSU 54-20, Idaho 55-20, WSU 56-20, Idaho 57-20, WSU 58-20, Idaho 59-20, WSU 60-20, Idaho 61-20, WSU 62-20, Idaho 63-20, WSU 64-20, Idaho 65-20.

He said he was paid \$15,000 last year and was offered \$20,000 for 1962. But, he added, he is asking \$30,000 or more.

Reds' general manager Bill Dewitt said the offer to Jay was \$22,500.

"I've declared 'the next move is up to Dewitt and I have made no move to contact him. Maybe if he doesn't want me some other club does. If not, I have no alternative but to quit."

Jay is part owner of five West Virginia oil wells.

He said he had been in the major leagues for six years and that now is the time for him to get a "big raise."

Dewitt told an observer he had telegraphed an offer to Jay last Saturday but had received no reply. He declared only a couple of Redleg players got raises anywhere near as big, recognizing who, as that offerer the right handed hurler and that he had to think of all other players on the club.

Hunt Continues Attack on NFL Expansion

BALTIMORE, Feb. 28 (AP)—Lamar Hunt, youthful founder of the American Football League, described in court Tuesday how he said — the older National Football League tried to discourage formation of the AFL.

Hunt testified in U. S. district court that NFL owners repeatedly told him he stood to lose a "great deal of money" if he went ahead with plans to organize the new league.

He added that at least one owner, Carroll Rosenbloom of the Baltimore Colts, told him "I would do everything he could to fight the AFL."

The Texas millionaire completed more than eight hours of the witness stand with his testimony on the second day of the trial of the AFL's 10 million dollar antitrust suit against NFL.

Hunt still was on the stand when Judge Roszel C. Thomson recessed court until Wednesday.

Hunt described, in turn, meetings and telephone conversations with each of the five NFL owners.

He cited player contracts, huge financial obligations and the offer for him to assume the Dallas (NFL) franchise as methods used by the NFL owners to discourage him from founding a new league.

He added that he was injured and greatly hindered in his efforts to bring professional football to Dallas by an NFL announcement that it intended to expand to Dallas in 1960.

Hunt, who sought the Dallas (NFL) franchise in 1958, under took a nationwide search for cities to join the American Football League in the fall of 1959.

Only after he had secured a general AFL franchise commitment did he testify, did the NFL announce its intention to expand to 12-team league.

Hunt listed Rosenbloom, late Tom Monahan of the San Francisco 49ers; George M. Paulsen, Jr., of the Los Angeles Rams; and the late Tim Mara of the New York Giants as the owners who told him the AFL would be "a one-year wonder."

He testified that General Hunt had no intention of following the Chicago Bears and the 1960 Pittsburgh Pirates into the valley of the plains.

"It's tough to repeat in this league," said Hutchinson, manager of the National League champions. "There are half a dozen good pitching in the league. It all depends on escaping injury to a key man."

"You'd have to say Los Angeles, Milwaukee, San Francisco, St. Louis and Pittsburgh will be in there. If the Chicago Cubs announce its intention to monopolize professional football, they'll be tough too. They have come up with some good looking young fellows like Ron Santo, Billy Williams, Dick Eklund and Jack Curtis. And they always have Ernie Banks."

Hunt spent a busy winter on the banquet circuit, telling fans how the Reds moved from sixth to first in 1961. He also had to follow a few embarrassing questions about the world series, lost by the Reds to the New York Yankees in five games.

"In the world series we just didn't hit. It is as easy to explain as that. Before the series I thought we could win if we got good pitching. The pitching was good but our big hitters didn't hit."

"This is not a club like the '59 White Sox, when a lot of older men all had a good year at the same time. This is a young club. We could be just as good if it were better."

"How can anybody say we were lucky to win? You don't win 93 games on luck. We had the best club."

Griffith Plans To Win Back Boxing Title

NEW YORK, Feb. 28 (AP)—Losing the welterweight title was an expensive lesson, says Ennie Griffith.

"I learned," said Griffith, 24-year-old ex-champ, "and Paré is going to pay for the lesson."

Griffith and Benny (Kid) Paré of Cuba will meet in a third and rubber title bout at New York's Madison Square Garden March 24. Griffith dethroned Paré on a 14th-round knockout at Miami Beach last April 17. Paré regained the crown on a split, unpopular decision at New York on Sept. 30.

The two signed official contracts before the New York State athletic commission Tuesday.

"I liked being the champion and I'm going to be the champion again the night of the 24th," said Griffith of the Virgin Islands. "Paré got that decision by his flurrying punch on a split, unpopular decision at New York on Sept. 30."

"Okay, he got away with the flurrying. This time he won't. If he flurries I'm going to flurry more than him."

Blackfoot Wins State Meet Berth

FOCATTELLO, Feb. 28 (AP)—Blackfoot won a berth in the state AAA basketball tournament here Tuesday night by edging Montpelier 47-45 in a close contest. The Vandals preserved a lead which ranged from one to seven points.

Blackfoot boosted its overall record to 10-5 in winning over Montpelier. A pair of flashy scorers, Russ Arnell and Bedford Parker, each hit 10 points for the Bears.

Snake River, a fast-break team with a tremendous passing attack, turned on the steam. Guy Glenisky tallied 22 for the Indians and teammate Terry Campbell was right on his heels with 18. Campbell also picked off 17 rebounds.

Power Pays

LAKELAND, Fla., Feb. 28 (AP)—Norm Cash signed his Detroit Tigers contract today and learned the financial power of the honorarium.

Cash won the American league batting derby last season. But Roger Maris of the New York Yankees, who hit 61 home runs, will make about \$43,000 more than Cash. Maris is signed for \$72,000. Cash, who hit 41 home runs and batted .361 — 92 percentage points more than Maris — accepted a \$29,000 offer.

"I'm satisfied," said Cash. "We compromised and I got a nice raise."

Cash's raise was \$10,000.

Yank Payroll Soars Past \$800,000

PORT LAUDERDALE, Fla., Feb. 28 (AP)—The skyrocketing New York Yankee payroll, highest in the major leagues, reached unprecedented heights Tuesday following the signing of Roger Maris to a \$72,000 contract for 1962.

With four players earning \$50,000 or better to dates receiving \$200,000 or more, the Yankee payroll is a record \$800,000.

The mighty rafter, who hit 61 home runs '61, for a one-season major league high, received a per cent increase. He was paid \$37,500 last year, when he led the American league with 142 runs batted in, 368 total bases and was voted the most valuable player for the second straight time.

The 28-year-old left-handed slugger thus becomes the fourth highest salaried player in Yankee history. Guy D'Amico drew \$180,000 a season in 1959 and 1961. Babe Ruth was paid \$80,000 a year in 1930 and 1931, and Mickey Mantle reportedly is getting \$22,000 this season.

"This easily is the largest payroll in the history of the Yankee organization or that of any other organization for that matter," said Roy Hamey, the Yankees' general manager. "We are happy to pay it. The Yankees enjoyed a good year in 1961 — both financially and artistically — and the players were responsible. I hope we have an even better year in '62 and we will gladly pay the fellows accordingly."

"I'll take them as they come," he said. "I don't believe in counting my chickens before they are hatched."

Red Manager Claims Club Can Repeat

TAMPA, Fla., Feb. 28 (AP)—The Big Bear sportswear store owner called the Cincinnati Reds a "one-year wonder."

Fred Hutchinson has no intentions of following the Chicago Bears and the 1960 Pittsburgh Pirates into the valley of the plains.

RAFT RIVER IS UNBEATEN IN CLASS A TOURNEY

Raft River and Rockland Win in Losers' Bracket

The Oakley Hornets emerged as the only undefeated team in the sixth district class A basketball tournament Tuesday night as they downed the Castleford Wolves 34-40. Defeating champion Rockland and Raft River also kept their title chances alive with hard fought victories in the loser bracket. Rockland had to battle off the short but spunky Hansen Huskies all the way to claim a 34-30 win while Raft River pulled away in the last five minutes to dump Murtaugh 51-36 in a battle of red-hot shooting teams.

Action continued Wednesday night, beginning at 7 p.m., with two games. Richfield will meet Raft River in the first contest while Castleford draws Rockland in the second battle.

Oakley grabbed the lead over Castleford early in the second quarter and held it throughout to hand the Wolves their first loss of the tournament.

The Hornets, getting solid support from Mark Martin and Mike Cranney, opened up a 10-point edge in the third quarter and held that most of the time.

Twice during the closing half, Castleford cut the margin to eight and seven points but each time Cranney would get the Hornets' attack underway again. The Hornets held a 13-point margin at 3:34 late in the game, more than enough to outlast Castleford's frantic closing finish.

But the gem of the night came in the second game when the Hansen Huskies forgot they were three or four inches shorter per man on the knockouts and allowed the vaunted Rockland crew to land a stunner.

Rockland opened in a hurry, pushing to a 12-1 lead but then the Huskies, getting some great play from Ray Stroberg, started coming back and the final three quarters saw Rockland hold to one and three-point edges.

The Huskies had their chance at the big upset, but they were out of sync, mostly as three crumbles and rebound shots rolled off the rim.

Raft River and Murtaugh both took off like teams going for 100 points as they ripped the net consistently from outside and the game became a matter of who could maintain the heads pace.

The score was tied and second-half lead and fourth until the end of the first half. Then Raft River pushed in front 44-40 on a long one by Terry Barrett. Doan Wright, Raft River's other two-pointer for Raft River as the Trojans moved in front 50-47 after they controlled the ball over the last two minutes.

THE FASTEST KNOCKOUT on record came Sept. 2, 1952, when Bob Robert, a welterweight, stopped Eddy Baker in 10 seconds of the first round at Maestag, Wales.

Mets Trying To Land 3 More Players

ST. PETERSBURG, Fla., Feb. 28 (AP)—George M. Weiss, president of the New York Mets, said Tuesday he is dickering for two or three more established players, particularly a shortstop and a pitcher.

"Some of the clubs we're talking to have a player who has been in New York and it is essential to get a presentable club in there," Weiss said. "For many years the management of the Mets has been Yankees and now at the helm of the new National League team, I prefer to make my own choices because we are not too deep in material now. I have been in touch by telephone in the last few days with several clubs, but everyone wants to wait a few weeks to see how their younger players are coming along."

Although manager Casey Stengel of the Mets has not named his starting team, he has repeatedly mentioned veteran players at seven positions as follows: catcher Hank Hodges; second baseman Charlie Neal, third baseman Don Zimmer and first baseman Ed Kubacki. Outfielders Willie Mays, Hank Aaron, Dick Groat and Frank Thomas.

There are four candidates for the shortstop berth: Gus Triunfo, Willie Mays, Sam Drake, who spent most of last year at Houston of the American league, and Fred Fitzpatrick, from Newton Highlands, Mass., who has never played professional ball.

Bowling Green Trounces Detroit

BOWLING GREEN, O., Feb. 28 (AP)—Bowling Green and Detroit, both members of the National Middleweight Athletic Conference, today night but it was virtually no contest as Bowling Green won 20-5.

Nate Thurmond and Howie Kohns led the seventh-ranked Falcons with 24 and 22 points respectively.

Detroit was deprived of a real chance when star Dave DeBussche sprained an ankle early in the game. He was used only sparingly the rest of the night and scored only nine points.

Detroit, which now has a 15-0 non-loss record, jumped ahead 4-0. Then DeBussche was injured for a while and Detroit began spurring ahead 6-4 and finally built their lead to its final net proportion.

Bowling Green, 10-1, won its 21st of 22 games.

Army Reserves Get Shoot Title

The army reserve defeated the state police 1,082-1,050 Tuesday night to claim the championship of the Twin Falls Pistol club winter series.

Individual scores included army reserve, Joe Malberg 474, Rex O'Neil 372, Larry Platt 270 and M. J. Bays, Jr., 208, and state police, Jim Clarke 232, Ed Luckert 201, M. J. Snyder 208 and Richard Durso 205.

Basket Raised For Height Experiments

PHILADELPHIA, Feb. 28 (AP)—The basketball was raised a foot and a half during a two-hour workout of the University of Pennsylvania basketball squad Tuesday.

As Penn Coach Jack McCloskey put it: one experiment was too little to draw conclusions, but the players had definite impressions—some saying that with practice it wouldn't make much difference.

"The scrimmage was held for the enlightenment of the NCAA experimental committee," McCloskey is a member of the committee.

It was planned originally to raise the height to 12 feet to be placed when the basket was lifted at 11 feet, 6 inches. It looked so high they stopped there.

Joe Andrews, a 6-foot, 7-inch center, said he had trouble blocking shots from some distance out because of the high arc. John Wideman, Penn's leading rebounder, found timing to be the big difference. "It's hard to get up there," he said during the experiment.

During a fast break coming down the floor, the middle man had to give the ball off to a wingman a lot faster, the players said. McCloskey didn't say whether he'd have the man try the experiment again.

Captain

VERO BEACH, Fla., Feb. 28 (AP)—Duke Sneider, 35-year-old outfielder beginning his 15th National League season, looks almost certain to be the Los Angeles Dodgers' Tuesday, filling a vacancy created by shortstop Pee Wee Reese's retirement after the 1958 campaign.

Sneider's appointment, which carries with it \$600 in additional pay per year, was made by Manager Walter Alston.

"Duke is the senior member of the club," said Alston.

Spencer to Stay With Oiler Club

HOUSTON, Feb. 28 (AP)—Joe Spencer, line coach for the Houston Oilers, decided Tuesday to remain with the Oilers instead of moving to the St. Louis Cardinals of the National League.

Spencer said he notified K. S. (Bud) Adams, Oiler owner-president, and W. W. Lamm, new head coach of the Cardinals, of his decision.

Lamm left the American Football league champion Oilers last week to take the job in St. Louis. He gave Spencer a week in which to decide whether to become an assistant with the Cardinals.

Brown Will Get Bout on April 21

LAS VEGAS, Feb. 28 (AP)—Lightweight champion U. S. Brown's manager has offered to post a bond guaranteeing his fighter will go against with a title bout April 21 against Gordon Ortiz, promoter said Tuesday.

Matchmaker Mel Greb of Las Vegas said the offer was telephoned to him by the manager, Lou Viscusi.

It was made, Greb added, because of rumors that Brown was not sick enough to warrant postponement of the Ortiz fight. Doctors said the champion had tonsillitis.

64 Boxers Take Ring Victories

CHICAGO, Feb. 28 (AP)—Sixty-four boxers out of a field of 270 took part in the 35th annual Golden Gloves tournament of champions, at the stadium last night.

These survivors of two nights of elimination bouts will fight in quarter-final matches in two rings tonight. The 64 will cut down to 32 winners who move into the semi-final and championship bouts March 7.

Toledo, O., took the team lead in point standings with 11 points. It has boxers left in the 126, 135, 147 and heavyweight divisions.

Port Worth, Tex., and Lowell, Mass., tied for second with 10 points each. Port Worth had fighters left in the 126, 135, 147 and 169 pound classes, while Lowell kept its state edge in the 112, 118, 126, and 160 pound classes.

Wraps for Park Sought by Man

SAN FRANCISCO, Feb. 28 (AP)—A one-share stockholder in the San Francisco Giants came up with an idea Tuesday to wrap window blinds in plastic to deflect the wind.

Sam Cohen's project would use 10 acres of screening, cost an estimated \$2.3 million and necessitate relocating the light tower.

Cohen, a San Francisco restaurateur, told a news conference he hired an architect to draw up the wrapper plans at a fee of \$200. The same price Cohen paid for his one share of Giants stock.

Expansion of Golf Chapter Set

SALT LAKE CITY, Feb. 28 (AP)—The Las Vegas area may be incorporated into the Rocky Mountain section of the Professional Golfers association.

This was disclosed by Bill E. (Bud) Oakley, vice president of the PGA. He addressed the spring meeting of the Rocky Mountain section.

Oakley said Las Vegas would give a big boost to the southern end of the golfing area that already comprises Utah, Idaho and parts of eastern Nevada and eastern Oregon.

In other business, the group approved its biggest schedule history. It starts March 26 with a pro-am at the Blue Lakes Country club in Twin Falls, and ends there Nov. 5-7 with pro-match play.

The date of the Utah open was moved up from Sept. 19-22 to Sept. 6-8. It was also decided that a pro-am will precede the 54-hole affair. The site is yet to be determined.

Skyline Clubs High-Scoring And Accurate

DENVER, Feb. 28 (AP)—Led by Utah and the incomparable Bill Green, the Skyline club, a current crop of Skyline conference sharpshooters, is proving one of the highest scoring and most accurate in the league's history.

In case of doubt, take a look at this:

First place Utah (11-1) is averaging 85.8 points a game and is hitting 51 per cent of its field goal attempts.

McGill, the 6-9 senior from Los Angeles, has averaged 39.8 points a game and is leading in rebounds with an average of 13.5.

Bill Green, Colorado State university (10-2), the loopy third leading scorer with a 21.6 average, has a slender edge over McGill in accuracy from the floor.

Green, a 6-6 performer from Gadsden, Ala., has a 56.3 shooting average to McGill's 55.1.

Those two standouts will clash at Salt Lake City Thursday night when CSU and Utah meet for the second time this season. They shared the Skyline title last season.

Cornell Green of Utah State (10-2) ranks second in the scoring race with a 24.3 average.

Mike Lucero of New Mexico has the best eye from the free throw line, hitting 67 of 86 tries for an 84 average.

Among the team leaders, CSU again is the league's top defensive outfit, allowing opponents an average of 58.1 points a game. Utah State, with 52.8 rebounds a game, leads in that department and Wyoming is tops in free throw percentage with 72.8.

Baer Says Liston Could Stop Floyd

SALT LAKE CITY, Feb. 28 (AP)—One-time heavyweight contender Buddy Baer says he thinks Sonny Liston will beat Heavyweight Champion Floyd Patterson if a Liston-Patterson fight is held, this summer.

Liston will knock him out. Liston is a good puncher and Patterson goes down when he's hit," Baer said here Tuesday. "Patterson can't run or hit for 15 rounds without Sonny getting to him."

Baer was in Utah to attend a benefit fight card at Ogden Thursday night. He is appearing on behalf of the Max Baer heart fund, a memorial to his late brother, who once held the heavyweight title.

Buddy also predicted that NBA Middleweight Champion Gene Fulmer could take Archie Moore if a bout between those two went 15 rounds.

U. S. Reports Living Costs Are Constant

WASHINGTON, Feb. 28 (AP)—Living costs last month were unchanged from December, the government announced today. Higher food prices prevented a decline.

While consumer prices were stable, the buying power and after-tax income of factory workers dropped nearly 4 percent—due largely to a 42-minute reduction in the average work week.

The labor department, unwilling a revised consumer price index, said living costs in January were 4.3 per cent higher than the average for 1957-58, or the same level as in December.

The biggest price increases in January were for poultry, fresh vegetables and meats. The biggest reductions were in women's and girl's clothing, some fresh fruits, used cars and household textiles.

Tourists Ask About Burley On Fair Trip

BURLEY, Feb. 28—At the Chamber of Commerce luncheon meeting, Monday noon at the National hotel, members were told of the many requests the Chamber has had concerning Burley as a stopover for people on their way to the World's Fair.

A letter was received from some 40 people in Alabama, who are going to make the tour, asking about tourist accommodations here. Burley will be one of the major stops of many tourists on their way to the World's Fair, Mrs. Fred Anderson, Chamber Secretary, declared.

The United States Chamber of Commerce Study course, "From Iowa versus communism" will start with a breakfast at 7 a. m. Wednesday, March 14, at the National hotel. This is an eight-week course and will be taught by E. R. Blauer, Burley.

Enrolled are Ray Bohart, Mrs. Lyle Martin, Elroy Sheldahl, John Chisholm, Robert Gibbs, Wendell McMurray, James Anness, Charles Hendricks, Moore, William Toolson and Mrs. Anderson. After the course is

ended, the textbooks will be available to other civic groups. Several members of the chamber will attend the United States Fair, Salt Lake City, March 9. Planning to attend are Mr. and Mrs. Wendell McMurray, Mr. and Mrs. Lloyd Hollinger, Mr. and Mrs. Reed Starley, Dale Buckley, Elroy Sheldahl, Charles Hendricks, Mr. and Mrs. Clifford Strom, Clive Holland, Donald Chisholm, Thomas Geary, Ernest Blauer, James Anness, Mrs. Anderson and J. H. Harris.

A letter was read from the state department of commerce and development informing the chamber that "Atoms in Idaho" display will be available for Idaho this summer. The display

has been prepared by the Oak Ridge institute of nuclear energy. Members voted to sponsor the show in Burley this summer.

David Lewis, chairman for Red Cross in Cassia county, introduced Mrs. Robert Madsen, who spoke on the bloodmobile and the help given to the poor through the Red Cross. Guest of Mrs. Madsen was Ronald Heyworth, Paul, who is now the Red Cross in his hometown when he needed his donations.

Members of the chamber will be in charge of the program at the chamber meeting March 5.

Silver Dollars Are Slated for Seattle's Fair

WASHINGTON, Feb. 28 (AP) — One million silver dollars — enough for a stack 600 feet high — will be displayed at the Seattle world's fair opening in April, it was announced today.

The silver dollars, if they could be stacked one on top of another, would tower to the moon and as the "space needle" which symbolizes the pace-age fair.

Sen. Carl T. Curtis, R., Neb., said the million silver dollars had been sold by the U. S. mint to the Behlen Manufacturing Company, Columbus, Neb., for display at the Century 21 exposition.

Company President Walter D. Behlen said two tractor-trailer trucks would be used to transport the 30 tons of silver dollars from the Philadelphia mint to Seattle. They will be displayed in a building manufactured by the company.

Church Gets Oregon Man As Minister

GOODING, Feb. 28 — The Rev. Don Stram will begin duties as the new minister of the Gooding Christian church about March 1. The Rev. Mr. Stram was minister of the Christian in Salem, Ore., nearly six years.

He is a graduate of Dakota Bible college and studied in Old-west Christ in the city of Omaha City. During his ministry in Salem, 146 new members have been added to the church and a building addition is being completed doubling the size of the facilities. While in Salem, the Rev. Mr. Stram was active in community and civic affairs.

He has served both as secretary and president of the Salem Ministerial association and is presently its chaplain for the South Salem Chamber of Commerce. He has assisted in a part time chaplaincy capacity both in the Oregon State TB hospital and the Oregon State Penitentiary. During his tenure in Oregon, the minister has taken part in various state-wide activities. He is currently editor of "Fellowship Tidings," a monthly periodical of the Christian churches. He is on the board of directors of the television Mission, and the Oregon Christian Evangelistic fellowship. For the past two years he has directed a high school camp at Wi-Ne-Ma Christian camp on the Oregon coast.

The Rev. Mr. and Mrs. Stram are parents of four children. Mrs. Stram is a graduate of Immanuel hospital school of nursing, Portland.

HAVE YOU DISCOVERED HOW FAST AND EASY IT IS TO DIAL YOUR OWN LONG DISTANCE CALLS?

Suppose you want to call 552-5998 in San Francisco. Here's all you need to do...

- 1 Be sure to have the complete number, you're calling — including the area code — in front of you.
- 2 Listen for the dial tone. Then dial the numeral "1". This connects you with the Direct Distance Dialing equipment.
- 3 Dial the area code for San Francisco, 415. You'll find a partial list of other area code numbers in your new directory or Blue Book.
- 4 Dial the number of the phone you want to reach — in our example, 552-5998. Then you'll hear the phone you're calling begin to ring.

Suppose you dial a wrong number... Get the name of the city you've reached by mistake while the other party is still on the line. Then hang up and dial the operator (the figure "0") to tell her what happened so that you won't be billed for the call.

For complete information on how to dial your own long distance calls and get "Information" in distant cities, look in the instruction pages of your new directory or Blue Book.

* If you are dialing a call within Idaho, no area code is necessary. Just dial the local number in the town you're calling (preceded by the numeral "1").

It's fast, fun, and easy to dial direct

**Canada, U.S.
To Swap View
About Castro**

Ottawa, Feb. 28 (AP)—Canada's refusal to join a trade embargo against Cuba is expected to get a thorough airing this week when 48 legislators from the United States and Canada meet for an informal exchange of views.

Cuba trade and items as Berlin, China, the common market and the Columbia river, head the agenda for the sixth meeting of the Canadian-American inter-parliamentary group opening here tomorrow.

The two-day closed-door meeting will involve only discussions and no formal decisions. But it should offer both sides an opportunity to clarify points at issue between them.

The Canadian delegation—18 members of parliament and six senators headed by speakers Roland Michener and Marc Trépanier—probably will spend a good deal of time defending this country's attitude toward the Cuban regime of Fidel Castro. The Canadian government has branded Castro a communist, but has maintained diplomatic relations with his government and continued normal trade with Cuba in non-strategic goods.

The Kennedy administration, as well as many members of the U.S. congress, has taken public issue with Canada's policy. To date, however, the United States has had little success in convincing this country and other NATO nations to join in the drive to isolate Castro.

From the Canadian viewpoint, the meeting affords an opportunity to quiz U.S. senators and congressmen for any hint of a change in attitude toward communist China. Canada joined the United States in voting against Rep. Chinn's admission to the United Nations at the current U.N. assembly, but there are continuing signs this country may be looking for a new approach.

The U.S. delegation, headed by Sen. George Allen, R., Va., and Rep. Cornelius E. Gallagher, D., N.J., also may question the Canadian group on the implications of this country's large grain trade with Peking.

**Hailey Ward
Ex-Officials
Are Honored**

HAILEY, Feb. 28—Floyd Dorius, retiring bishop of the Hailey LDS ward and V. K. Jepsen and Lesley Smith, retiring counselors, were honored at a party held at the church Friday evening. Lloyd E. Smith, now serving as bishop, presented each with a gift.

In a style show narrated by Mrs. Orville Bowden mode models presented the latest in feminine attire. By the applause recording machine Ralph Glasco, who wore a fitted metallic (kitchen foil) gown and a pill-box hat, won first prize.

In a television-pulling game conducted by Mrs. Jack Allison and Mrs. Vernie Bjornson, Glasco and Vern Shaffer didn't lose to 8 p.m. March 12 noon. They forfeited their piece by piece when they failed to give the correct answer.

Diane Elyington won the sack of candy found in the middle of the "package-opening" musical game. Group singing was led by Mrs. Smith with Mrs. Bowden at the piano.

Members of the MIA were in charge of the program. Refreshments were served by Mrs. Mildred Fox, Mrs. Shiris, Mrs. LaGrand Young and Mrs. Earl Grace.

FRIDAY, MARCH 2

SALE TIME: 12:00 Noon Come early as there will be very little miscellaneous on wagon

LUNCH ON GROUNDS BY: Castleford Grange

MACHINERY

Allis-Chalmers D17 tractor with power steering, excellent condition including motor, new 6-ply front tires, optional 3-point hook-up

John Deere 40 tractor, live hydraulics with built-in 3-pt. load and depth control.

Ford tractor, distributor on side, a good tractor and well cared for

Ford dump truck, 1947 model, 1 1/2 ton, has extension sides for grain and beans and a choice of steel or "sacker" endgate, motor is lousy but still the handiest item on the farm, sacker endgate also dumps built directly into spreader

Massey-Harris swather, 10-foot cutter, Wisconsin air-cooled motor in fine condition with self starter

Gehl chopper, Red Seal motor in good condition, hay head only

McCormick 76 combine, PTO bean machine with double pick-up to eliminate dirt, we cut our beans, all four rows to center, last full high winds did not blow them, then we picked them up right out of cutter rows with this combine.

We really feel we found a system that works well. Remove hydraulic cylinder on header and spring cone and cylinder teeth

John Deere 40 loader, heavy duty manure loader with slip-on bucket, angle of penetration controlled without leaving tractor seat, finely tempered spring-steel teeth

Johnson hydraulic stacker, has push-off and is equipped with flex-steel burn-in teeth. We use this to stack hay and it is in a real top in like-new condition, mounts very easily

Chopped hay wagons, matched and equipped with roller-mounted forks and easily handled crank return, tongues are held suspended for automatic snap hitching

Oliver 20-hold steel grain drill, double disc and dual power lift, steel header box

John Deere bean cutter, hand surfaced blades

John Deere rear cultivator, front mounted and fits JD 40, also rear set-up

Allis Chalmers tool carrier, heavy duty snap coupler

Allis Chalmers 4-row corn and spud cultivator, rear mounted snap-coupled and new

Ferguson 9-point steel harrow

AC 2-bottom spinner plow, has automatic turn-over device and 10-inch bottom

AC 7-foot disc, sealed bearings and 3-point hitch

Ford Dearborn motor, 6-foot rear mount, 2-belt

David Bradley tandem wheeled flat bed wagon, laminated floor and grain sides

Weed sprayer—3-point

Von Ruden hydraulic motor, now, never been used

All-steel, one wheeled trailer

Rubber tired roller-packer, same width as 20-hold grain drill, also good for apud field use

3-point weight barrel

3-point snap coupling device for hooking and unhooking hay wagons without leaving tractor seat

Craftsman 180 amp welder, also brazing attachment

Oliver 4-row beat and bean planter, wooden box

Moyer 3-point digger with 11-lb linkage

Olsen hand layer

Roll-up steel harrows, 2-section

Now riding lawn mower, Clinton cast-iron gas motor

Set markers

John Deere automatics

Barbed wire roller, power take off

John Deere 2 1/4-inch bar, 8-foot, 3-point hook-up

2 tool bar extensions, also 2 gauge wheels with 2 1/4-inch tool mount

John Deere heavy duty colls, 11 of these

Oliver hang-on 2-way plow

Galih grind-hill, stationary hay and corn head

1049 4-wheel drive Tractor

Some miscellaneous shop and tool items, linkages, turnbuckles, stabilizers, etc.

AUCTIONEERS' NOTE: This machinery has been well cared for and under cover all of its life.

Awards Given To 12 Youths

SPRINGDALE, Feb. 28—Twelve boys received Aaronic priesthood attendance awards from Bishop Noel Boucat at the LDS church services Sunday evening. They include Dale Johnson, Larry Larson, Steven M. Johnson, Orant Dayley, Dean Johnson, Jerry L. Bowen, Stanley Ellis, Allen Zollinger, Ronald Johnson, Russell Wardle, Michael Streeter and Larry Jess Ellis. Francis Carter, representing the Burley stake presidency, presented an Aaronic priesthood award from the presiding bishopric in Salt Lake City to the Springdale ward. This is two years in succession the award has been received by the local ward. Aaronic priesthood children are Howard Christensen, deacons: Lowell Beckstrand, teachers and Reed Larson, priests. Marie Broadhead and Dorothy Zollinger gave the speeches they gave in the MIA speech festival recently. Guest speakers were Elwood Allred and Oscar Robertson, Burley, whose wives also attended the meeting. Clyde Wardle played a violin solo, accompanied by his wife. Ray Zollinger, member of the bishopric, conducted and Jon Bingley and Ivan Dayley offered prayers.
