

# Smith and Williams Excesses, State Canims

BOISE, June 26 (AP)—Expenditures of nearly three times the limit set by law were listed today by Vernon S. Smith for his successful bid to win a Democratic nomination for governor. Smith reported to Secretary of State Arnold Williams expenditure of \$5,196, with the largest amount, \$2,863, used for television and radio time. Williams said the limit set by law for a candidate for governor or other state office is \$2,000.

He said, however, he has found no instance of violation of the statute.

Smith reported spending \$172 for newspaper advertising, \$452 for travel and other expenses and other campaign material. Miscellaneous items made up the remainder.

In his report, Smith listed \$1,920 as spent by himself and he named other amounts as disbursed by others. Williams said the law, however, makes no distinction between the two.

Monday night was the deadline for submitting campaign expense reports and Williams said four candidates failed to file.

They were Asael Lyman, Sugar City, Democratic candidate for representative in the 1st district; James Amodee, Burley, Republican congressional candidate for the 1st district; George Hansen, Alameda, Republican candidate for U.S. Senator, and Alfred F. Ames, Idaho Falls, Republican candidate for state auditor.

Williams said one of the penalties for failure to file the report is that the candidate will not have his name on the ballot. However, the four candidates who failed to file were defeated in the primary.

Gov. Robert E. Smylie, who was announcing his nomination for reelection last Monday, reported spending \$1,841 in his campaign. Of the amount \$227 was for lodging and \$147 for air travel.

### Hottest

The hottest weather of the summer gripped the Magic Valley and most of southern Idaho today, sending the mercury soaring near or above the 100-degree mark.

Wendell with a 103 reading was the hottest spot in Magic Valley, lying Mountain Home and the degree hotter than the 102 at Boise. Other century marks in Magic Valley were recorded at Jerome, 101 at Cassiopolis and 100 at Gooding.

Temperatures were considerably cooler Tuesday in Magic Valley with a noon reading in Twin Falls of 75. A slight rain was expected Wednesday.

New officers are Mrs. Billy Fry, president; Mrs. Ruth Smith, secretary; Katherine Cox, Pooleville, secretary; Lois Blunt, Caldwell, secretary; and Mrs. Alice Smith, secretary.

Miss Fry has time remaining a treasurer.

Addressed to the board of directors was Mrs. Arlene Armstrong, Boise. She will serve for a year term.

Members of the nominating committee are Pearl Boshart, Idaho Falls; Dorothy Laitner, Boise; and Madge Haroutunian, Pocatello.

New members on the budget and finance committee are Alice Smith, Boise; and Mildred Johnson, Twin Falls.

Tuesday afternoon Margery Zolotzer, Boise, executive secretary, reported on the state registration and nursing education, and Donald D. Sullivan, Boise, reported on the state French laboratories will discuss convention members.

The convention will conclude with the banquet at 7:30 p. m. Tuesday evening in the Roger-Beechey Hotel Roundup room.

Members of the association are Dr. W. Carlyle Small, Jerome.

### Red Chinese Mobilizing For 'Attack'

HONG KONG, June 26 (AP)—Communist China was reported mobilizing workers today in Canton, southern China, for an attack on this month, ostensibly to meet a National Radio said every worker in the city was being placed on "voluntary mobilization" and being sent to the front line to action against a possible nationalist invasion.

The Chinese ministry at Peking reported that Communist shells the Nationalist offshore islands of Quemoy and Matsu with 176 rounds yesterday.

There was no indication whether a fire was returned. It marked the eighth time this month that Quemoy has been bombarded and the fourth time for Matsu.

Officials in both Washington and London have expressed concern at intelligence reports which depict a military buildup in Red China and the French in the Formosa strait from the Nationalist island.

The Cantonese announced Chinese demand there was "extremely good response" among the workers to anti-American and anti-French propaganda held in the city the past two days.

### LDS Leaders Remain Mute On Prayers

BAIT LAKE CITY, June 26 (AP)—Leaders of the LDS church took no position today on a Supreme court's controversial ruling on school prayer.

The high court ruled unanimously Monday the recitation of official prayers in public schools is a decision viewed by some as a challenge to many aspects of religious services in the schools.

"We're not involved in the issue," an LDS church spokesman said in a statement. "We believe that the state automatically separates from the state."

The Supreme court's ruling on school prayer was issued in a church-supported school. The spokesman said no statement on the decision was expected from high church officials.

### Dutch Advance On Indonesians

HOLLANDA, Dutch New Guinea, June 26 (AP)—Dutch forces advanced cautiously to surround the Indonesian island of Irian Jaya, dropping north of Merauke last Sunday. A Dutch military spokesman said the Indonesian army had been ordered to surrender its arms and to allow Dutch troops to enter the area.

An estimated 1,200 Dutch marines supported by mobile army units landed on Irian Jaya. The Indonesian army has been ordered to surrender its arms and to allow Dutch troops to enter the area.

Civilians in Hollandia, Indonesian New Guinea, said the town was quiet today. Last night about 2,500 Indonesian troops were ordered to surrender any weapons they possessed. This apparently resulted in the peaceful occupation of the town.

It has been observed on the ground shortly before the latest Indonesian military withdrawal was carried out, indicating cooperation from Indonesian residents.

### Formosa Fleet Buildup Denied

HONOLULU, June 26 (AP)—The United States navy today denied reports that units of the U.S. Seventh fleet were being moved to Formosa strait have been emphatically denied by a spokesman for the navy.

The spokesman said an investigation showed that no investigation for the Pacific fleet ever made it into the strait. The way could be construed to mean that seventh fleet units were being moved to the strait.

The spokesman said the United States navy has sent aircraft to the strait to monitor the strait patrol because it would be too restrictive on their operations.

### Only Six Days Left to Obtain Flag for Fourth

## Directors Selected For United Fund

A major organizational step for starting a United Fund program in Twin Falls was taken Monday night with the selection of a board of directors and signing of articles of incorporation. Meeting at the Idaho Power company auditorium, some 22 persons under the guidance of Owen Fisher, temporary chairman, elected 15 members from the community to the board and six representatives from participating agencies. After articles of incorporation were signed, the board members scheduled a special directors meeting at 7 a.m. Wednesday.

Members of the board are: Owen Fisher, temporary chairman; Bill Bricker, American Red Cross; Grant Busby, Boy Scouts of America; Gordon H. Hunsman, Camp Fire Girls; Dr. Roy Shubb, Artistic Guild; Bert Layton, Salvation Army; and James A. Smith, U.S. Post Office.

Persons elected from the community at large are Mrs. John Breckenridge, Mrs. Tim Roberts, Mrs. David Barry, Howard Allen, Jim Phelps, J. O'Connor, A. E. Vaughn, John Taylor, Dr. Paul Heaton, William Koch, John Platt, Robert Day, Curtis Eaton and Fisher.

Signers of the articles of incorporation were Mrs. E. E. McCord, Vaughn, Koch, Platt, Fisher and Phelps.

A unanimous vote of the board was given Fisher by the board for the effort he has expended as chairman of the study committee which laid the necessary groundwork for starting a United Fund.

## Engineers For Water Study Considered

Members of the Twin Falls city commission Monday night discussed hiring an engineering firm to make a water study for the city. The matter was discussed at a meeting held in the city hall.

H. L. (Herb) Derrick, city commissioner, presented to the commission a chart of the area which sent brochures to him. The commissioners discussed the matter and later will choose five to invite for an interview.

Paul Newton, city engineer, said the firm will charge \$1,000 for the study. Newton said that the figure for the firm will be credited to the total amount of the design or construction.

Derrick said the applicants will be narrowed to five firms at the next meeting.

Firms discussed Monday night included Cornell, Howland, Hayes and Men, Corrollis, Morrison and Mariele, Helena, Mont, Johnson and Underwood, Nantz, Hamilton and Voecker, Pooleville, Hoffman, Fike and Millar, Boice, Caldwell, Richman and Peterson, the City of Kennedy Engineers, San Francisco, and Ivar Lyons, Los Angeles.

Commissioner Glenn Kroll of Newton how the water situation was holding up. Newton said the firm will charge \$1,000 for the study. Newton said that the figure for the firm will be credited to the total amount of the design or construction.

## Pa American Strike Hinges On Hearings

NEW YORK, June 26 (AP)—Federal Judge George Rosling today suspended for 15 days his order for a flight engineers strike against Pan American World Airways.

The suspension was granted after a hearing before Judge Rosling. The suspension is for 15 days, during which time the union and the airline must reach an agreement.

The suspension is a temporary measure to allow the parties to negotiate a settlement. If no agreement is reached by the end of the suspension period, the strike will resume.

## Solon Plans Amendment to Allow Prayer

WASHINGTON, June 26 (AP)—Sen. J. Glenn Beall, R-Md., today introduced a constitutional amendment to permit prayer in the public schools.

The amendment would allow states to pass laws that permit prayer in public schools. It would also allow states to pass laws that prohibit prayer in public schools.

Beall said he is a legislator and he is not a theologian. He said he is not making a statement on the merits of the amendment, but he is making a statement on the right of states to pass laws that permit prayer in public schools.

## Katanga Talks End in Discord

LEOPOLDVILLE, The Congo, June 26 (AP)—Premier Cyrille Adoula and Katanga President Mutoro Tshombe ended six weeks of negotiations in discord today.

Tshombe left for Elisabethville, Adoula said peaceful talks have broken down. He said the United Nations for more effective measures—there nature unspecified—must be taken to end Katanga's secession.

Quoting documents, Adoula said Tshombe had hardened his position and renunciation had hardened rather than weakened. The two had 41 meetings.

## Lawyer Charges Commercial Solvents Was "up to Its Neck" in Estes Deals

WASHINGTON, June 26 (AP)—Attorney Frank Cain said today he was convinced that Commercial Solvents corporation was involved in the "up to its neck" in the Estes deal.

Cain contradicted earlier testimony that he had given to the Senate subcommittee. He said he had given the testimony because he had given in April before a Texas court of inquiry. Wheeler has called that testimony "false and defamatory" and "slander of the most vicious kind."

Wheeler testified June 13 that Commercial Solvents was unaware of Estes' financial difficulties when he visited the West Coast in March 1961. Cain also visited Estes briefly at that time.

Wheeler said he was charged with finding Estes and his financial empire was in a state of collapse.

Cain represented a financial company that Estes owed \$4.5 million dollars. He said he had suggested that Estes should expand his liquid fertilizer and grain storage activities. At that time, Commercial Solvents was a small company with a few million dollars in assets.

Cain said he told Wheeler that Estes owed him millions of dollars and that he needed cooperation from Commercial Solvents, which

# Wave of Criticism Directed at Court For Prayer Ruling

WASHINGTON, June 26 (AP)—A supreme court ruling striking down the saying of official prayers in public schools has stirred a cauldron of criticism from churchmen and members of congress. Many of them asked, "How far does it go?"

The court's ruling, which was announced today by Chief Justice Warren, was widely criticized by church leaders and members of congress. Many of them argued that the ruling was a violation of the First Amendment.

## Sanborn, Hansen Vie In Runoff Balloting

BOISE, June 26 (AP-UP)—Former Rep. John Sanborn fighting for a political comeback, and Orval Hansen, Idaho Falls, battled out today for the Republican nomination in Idaho's second district.

The victor in today's runoff contest will meet Rep. Carl Hardling, the Democratic incumbent, in the fall general election campaign. The 70-year-old Sanborn, a Hagerman rancher, previously served two terms in congress, Hansen, 35, is an attorney and state legislator.

## Revenuers Are Hooked On Worm Tax

**MADISON, Wis., June 25**—Tax commissioner John Cronquist says his staff wants to meet today to discuss the latest turn in the worm tax problem.

The commissioner's aides have been digging to find out if youngsters who sell angle worms and night crawlers to fishermen should be classified as peddlers and subject to the sales tax.

Under state law, tax experts said, the little merchants may be required to purchase a 42 percent license and turn in monthly payments for the state's 3 percent selective sales tax.

The problem arose when a department investigator went to Rhineholder, Wis. to see about the tax on the worms. It affects several seasonal occupations. There, the sleuth uncovered a young boy, named, ranging in age from 7 to 14 years, who hadn't even heard of the sales tax.

According to one irate parent, the investigator went around town telling the boys they would have to collect sales tax on their worm deals and turn the money over to the state.

The boys reportedly were selling angle worms for 10 cents a dozen and the fatter night crawlers for 25 cents a dozen.

## Frosh Pedals From Utah to Bay State

**LOGANSPORT, Ind., June 25**—A bluish high school frosh from Sunset, Utah, pedaled across Indiana on U. S. 24 today, hoping to reach his former home in Williamson, Mass., by July 4.

A suspicious policeman who saw Dean Millman in a telephone booth Sunday night, calling his Utah home, lent a hand when he learned of the boy's cross-country bicycle trip. Central fire station bedded him down for the night, and a barber gave him a hair haircut.

The boy said he travels 80 to 100 miles a day on his Erskine-style bike with 10 gears—"two of them don't work."

Young Millman wears Bermuda shorts, sports a shirt and a cap and carries two changes of clothes in a pack strapped behind the seat. He'll return to Utah by bus in August.

## Beat, Beat of Tom-Toms Air Indians' Protest at Hospital

**BELOUNT, N. D., June 25**—The steady beat of tom-toms, the wail of Indian chants and the beat-rattling, beat-jangling symphonies of Indian dances, resounded in the hills around the government hospital last night.

For the sixth night, about a dozen Indians from the nearby Turtle Mountain reservation danced their displeasure with treatment of Indians at the hospital.

The dancing started last Wednesday evening. How long it will continue was uncertain. Chipewake tribal council chairman Francis Greer said he had no other Indians said they would dance until they received assurance that they would receive better treatment at the hospital.

Meanwhile, hospital doctors and area Indian affairs officials denied there was anything wrong with treatment given Indians.

## Texas Student Tour Stops In Twin Falls

An unexpected over-night stop was made in Twin Falls Monday night by 25 Episcopal high school students, including six clergymen, the Rev. and Mrs. James Forewood, the Rev. and Mrs. James Dannelley, Mrs. Joan Holdren and Kern Markwardt, all from southern Texas. They are on their way to the world's fair.

The tour of the U. S. was not actually planned, but just happened, explained the Rev. Mr. Dannelley. He and his wife volunteered last year to take a boy and girl on a tour of the northern U. S. and with encouragement of a number of Texas students about seven months ago, a bus soon was hired.

The group left Texas June 10 and plans to return July 9. They will have camped 16 of the 20 nights. Some of their stops include Yellowstone national park, Salt Lake City, and Mesa Verde park.

Money for the trip was earned through group projects, personal savings and a few donations. One of the members of the group had sprained her leg enroute and was taken to Maricopa Valley Memorial hospital for treatment. While the girl was being treated, the rest of the group went to the Harmon park swimming pool for showers and a swim.

They slept in the Episcopal church Monday night. They were fed supper and breakfast there by members of the church. They left Twin Falls at 6 a.m. Monday and planned to camp somewhere in eastern Oregon during the night.

## Wool Checks For Growers Are Reported

**WASHINGTON, June 25**—Incentive payments to wool growers in the 1961 marketing year totaled \$45.00 on each 100 worth of wool sold on the open market, the department of agriculture said today.

An incentive price of 62 cents a pound is offered by the government under the national wool act. During the marketing year—April 1961 through March 1962—the average wool price at the market place were 42.9 cents per pound.

The formula for incentive payments resulted in the extra \$45.00 which goes to the farmer.

The payment for the 1961 marketing year were \$17.00 per 100 worth of wool sold.

The latest payments are expected to start shortly after July 1.

The average wool price this year was two per cent more than a year earlier, but 18 per cent below the 1951-52 average of 52.2 cents a pound.

# "Teens on Tour" Ensemble To Present Concert Here

A Pacific Northwest Youth for Christ "Teens on Tour" team of 20 high school and college students will appear in a "Teens-A-Rama of Music" program at 8 p.m. Wednesday at the Twin Falls First Baptist church.

The students will present a program of multi-arranged brass and vocal ensemble directed by Larry A. Moore, music director of Yakima Valley Youth for Christ. Moore has discovered, trained and will present the vocal ensemble, the YVC "Saturday Nites."

Featured on the program with the brass and vocal ensemble will be Victor Schofield, a 12-year-old trumpet player and member of the Vancouver, B. C., Canada, Junior Symphony orchestra.

Jaquie Bucholtz, Moro, Ore., will be one of the vocal soloists. Miss Bucholtz was just featured as soloist soloist with the International Group Quartet Festival at the Opera house at the World's Fair.

Tummy Keene, pianist from Vancouver, B. C., will be featured in piano solos with his own arrangements. He also is accompanist for the team.

Other musical features will include both brass and vocal trios and for novelty, a set of slush tubs.

Their manager and organizer is the Rev. Paul "Tex" McVernon, YVC International Regional director for Washington state. "Tex" will arrive as master of ceremonies and conduct the 1 1/2 hour program with a brief ten-minute Blue note solo to finish.

High school and college students for the past 17 years, "Tex" has spoken before thousands of high school and college students across the U. S., Canada, Mexico and Europe. In August he will head a team of Washington state youth to participate in the presentation, West Berlin and Europe.

Vaughn Nemrick, in charge of the program, will be featured in piano solos with his own arrangements. He also is accompanist for the team.

Other musical features will include both brass and vocal trios and for novelty, a set of slush tubs.

## Dean Martin Files Suit Against Fox

**HOLLYWOOD, June 25**—Attorneys for Dean Martin filed a suit today against the television network for a nearly six million dollar counter-suit against 20th Century Fox studios charged with defaming the actor's image and breach of contract.

Martin's attorney, Arthur Groman, said three separate suits were filed against the studio including the collaring of the actor's "Something to Get a Girl" which was to costar Marilyn Monroe and Martin.

Mrs. Monroe was fired from the production and Les Remick was named as her replacement, but Martin refused to work in the film without Marilyn.

Groman said, "Dean's suit is for defamation based on a release of statements by the studio that he violated his contract and that he failed to disclose to the public the death of his wife." He said the studio's right of approval for his leading lady. That suit is a million dollars each for damages and attorney's fees.

"The second suit totals two million dollars for costs on the picture which had cost two million dollars and was less than half completed. Fox charged Martin refused to continue the film with Miss Remick.

## Raging Fires Set in Oran By Terrorists

**ORAN, Algeria, June 26**—Raging fires all first touched off by secret army organization terrorists in Oran harbor still smoldered tonight, black smoke billowing over this western Algerian seaport today.

Terrorists blew up three British Petroleum company tanks late Monday and the burning oil quickly ignited seven other tanks in the dock area. Fed by an estimated 2.6 million gallons of gasoline, flames continued to shoot skyward today, but a threat to other dock front oil tanks and a military depot appeared over.

Overworked firemen poured tons of water on the undamaged oil tanks to keep the fire from spreading. Harbor traffic was paralyzed.

Thousands of Europeans hurried out after daylight to witness the latest secret army efforts to turn Oran into scorched earth before Moslems take over an independent Algeria.

Heavy traffic jams formed on the waterfront boulevard 200 feet above the waterline. Many Europeans hunkered ear horns in the five-bay French settler slogan "Al-gie-rie Fran-aise" (Algeria is French).

No one was reported injured in the fires. Secret army demolitions warned away workers before touching off their plastic bombs.

Shortly after the blasts, two ships filled with Europeans bound for France sailed out of the harbor, passing within 100 yards of the flames.

Some of the top cutting horses in the nation have been entered for the Teton Valley Western Horse Show in Twin Falls July 6 and 7 and show officials reported that entries are coming in "real well" and they expect to exceed those who have not yet entered that the deadline is Thursday.

The show, sponsored by the Twin Falls Junior Riding Club, will be held from 8 a.m. July 6 and 7 and at 2 p.m. July 8 at the Piller grounds. Entries have been received from throughout Idaho and from out-of-state horse owners.

Included in the 25 classes are junior and senior roping and performance classes for the quarter horse division in the halter and working classes approved by the International Quarter Horse Association and the American Quarter Horse Association and approved halter classes for Arabian and Appaloosa divisions.

Other classes include pleasure classes, musical chairs, matched pair class, reining, barrel races, costume classes and the family class, which is new this year.

Highlighting the show will be the quarter horse division in which Valley girls competing for prizes donated by local merchants.

Those interested in entering any of the classes must do so by the deadline Thursday. Entries can be made with Mrs. Jean Vickers, 810 West Heyburn, or at Vicker's Saddlery, 250 Shoshone street south.

GOD AND COUNTRY awards were presented Sunday to seven Boy Scouts and Explorers. ### Extended Grazing in Laidlaw Park

SHOESHONE, June 26 — Grazing in Laidlaw park has been extended one week for the summer season. The extension, says Richard Gerdy of the district headquarters of land management office.

Laidlaw park was scheduled to close to grazing last Saturday, the normal termination date, but ample forage and water were still available.

By this time of year, water holes normally are drying up.

### Curtis Enters GOP Primary in Bay State

BOSTON, June 26 (AP) — Republican Curtis has announced he will run to back a Massachusetts Republican tradition. He will run in the September primary against George Cabot Lodge for the party's U.S. senate nomination.

Not since conventions were resumed in Massachusetts in 1906 has a Republican candidate failed to abide by the will of the convention.

The 1962 state convention 10 days ago endorsed Lodge for Curtis for the senate and the "major margin, 536 to 818 votes."

Curtis told a news conference Monday he does not consider his own defeat decisive and believes the party as a whole should choose the nominee.

Lodge, 74, is the son of Henry Cabot Lodge, former United Nations ambassador and 1950 GOP nominee for vice president.

The Democratic party's convention endorsement went to Edward "M. Kennedy," youngest brother of the president, who will have opposition in the September primary from state Attorney General Edward J. McCormack, Jr., nephew of the speaker of the U.S. house.

### GOP Leader Lauds Work of Women

Sterling Larson, chairman of the Twin Falls county Republican Central committee, was a speaker in the Republican Women's organization at a luncheon Monday in the fire room of the Rogerson hotel.

Special recognition was given to the women for doing much of the effective work in getting out the vote and Larson said the women may spell the difference between defeat and victory in the November election.

Larson remarked that a record Republican win in Twin Falls county is possible because of the dissatisfaction of the people with the new frontier program.

The basic philosophy of the Republican party is that the people are supreme," he said. "Personal politics and economic freedoms are inseparable. Each must be preserved or all will be lost."

"Government should refrain from unnecessary meddling in the daily normal problems of living and working. We reject the argument that the nation can pump its way to permanent prosperity by an outpouring of federal dollars.

"Our economic strength is not in Washington but in the initiative and industry and spirit of the people. Excessive concentration in any hands—industrial, commercial, labor movement, or even government, is unjust and harmful to all.

"In all things that must be done by government we strive to have the responsibility born by local and state government, which are closest to the people."

### Copper Company Spokesmen Meet

SALT LAKE CITY, June 26 (AP) — Kennecott Copper Corporation negotiators met separately again today with representatives of the unions whose contracts expire July 30.

Negotiators for the International Union of Mine, Mill and Smelter Workers (IUMS) and the United Steelworkers of America (AFL-CIO) bargained on contract terms with Kennecott.

A meeting with the Unity Council, which represents both groups, will be scheduled for Thursday afternoon.

### Leader Says Police Make Union 'Patsy'

WASHINGTON, June 26 (AP) — The head of the American Guild of Variety Artists (AGVA) contends police witnesses have tried to make the union a "patsy" at senate hearings for their own flight to clean up honky tonk night spots.

Jackie Bright, administrative secretary and operating head of the AFL-CIO union for entertainers, fired back at witnesses who had denounced him and had plotted the union as conniving with hoodlums in prostitution and other "vice" markets.

He said the senate investigations subcommittee's hearings have shown that the union needs a major housecleaning. He said that AGVA "will use downright force" to clean up some situations.

He also branded some of the testimony as a series of lies, half-truths and misstatements. "Blow us beyond-all-normal-proportions."

Bright accepted the subcommittee's invitation to take a lie detector test.

### Tour Is Held

HOLLISTER, June 26 — A tour highlighted the Thursday meeting of the Salmon Trout Club.

Accompanied by Mrs. Heber Louschmiller and Mrs. Pete Thornton, the group visited the 26-Gem Dairy, Inc., the Adams orchid greenhouse, and the state fish and game farm at Jerome. They also toured the Pepsi-Cola plant in Twin Falls.

### JUST YOUR LUCK: 1 COAT REPAIRS YOUR HOUSE

Our point chemists are peculiar ducks. For 10 years they've been trying to develop a house paint that would repaint a house in 1 coat, instead of the usual 2 coats. (This would cut our house paint sales in half — sob!)

Well, they've come dangerously close to succeeding. Bennett's House Paint, 1962 Model, will repaint a house (not new wood; we said RE-PAINT) with only 1 coat, in about 8 out of 10 cases. Try it; be just your luck to find it works.

### British Unit Guards Town After Riots

SCHNEVERDINGEN, Germany, June 25 (AP) — Special squads of British military police moved into this small West German town today to prevent any more destructive rampages by British soldiers.

They set up tents in front of the local police station which was handling complaints that British soldiers broke store windows, smashed street lamps, overturned automobiles and assaulted pedestrians early Sunday morning.

Residents said it was the worst incident here involving western troops and German civilians since the end of World War II. It marked the high point of a recent flare-up of bad feeling between soldiers of Britain's 50,000-man army of the Rhine and Germans.

Eight soldiers of the 40th regiment royal artillery have been placed in close arrest as a result of Sunday's incident.

When a UPI correspondent walked into town hall yesterday a city clerk was taking notes from a local citizen who complained he had been beaten up by British soldiers.

Mayor Walter Peters walked down Schulstrasse, in the heart of Schneverdingen, interviewing shop and tavern owners on the damage.

"It will cost us thousands of marks altogether," he said as he gazed sadly at a smashed shop window of a large decorator shop.

Residents seemed more upset that angry at the rampage and tended to blame it on a few soldiers rather than the British army in general. Some were

### Teaching Conditions Are Decried

PORT COLLINS, Colo., June 26 (AP) — Public school teachers are becoming increasingly impatient with what they call intolerable working conditions and in some circumstances, may feel forced to go on strike. An official of the National Education Association said today.

"Teachers strikes are undesirable, but so are the conditions that cause them," said T. M. Sinnott, national executive secretary of the NEA.

Sinnott said he does not approve of teacher strikes, but added that all probabilities will continue to see such strikes in the years ahead because they are the last resort to dramatic but unrealistic end move the public to action.

The strike in New York City last spring, he said, was the result of the total dissatisfaction of the city's teachers.

"It was an accumulation of intolerable conditions," Sinnott said, "including pollution, bureaucracy, obsolete and outmoded buildings and rotten equipment."

Sinnott is attending the annual conference of the national commission on teacher education and professional standards, opening here tonight. He headed the commission for 10 years, until last August.

**Bonneville Power Rate Hike Seen**  
WASHINGTON, June 26 (AP)—Bonneville power administrator Charles F. Luce says his agency may increase rates to get out of the red.

Luce told the house appropriations committee at a recent hearing that a rate boost is likely if a federal California power intertie falls through. His testimony was made public Monday.

Luce said Bonneville has lost 40 million dollars since 1958, and that millions of dollars worth of unused power is going to waste. However, he told the committee that an intertie with California would allow Bonneville to sell 9 million dollars of secondary power and million dollars of excess peaking capacity.

The Bonneville chief said Pacific Northwest utility firms are in favor of the federal intertie and that utilities now building a private tie line to connect with a federal line in Southern Oregon are expected to propose the California hookup soon.

The effects of a rate increase to maintain companies served by Bonneville are under study by the agency, Luce said.

## Relay Causes Power Loss In 5 States

**OMAHA, Neb., June 26 (AP)—**Faulty operation of a protective relay at Fort Randall dam in South Dakota caused power loss in five states to lose their electric power Monday.

About 300,000 square miles of territory was involved, officials estimated. The protective relay is one protecting the power circuit from overloading and when the relay failed, the bureau of reclamation said, the resulting overloads caused opening of transmission lines throughout the Fort Randall area.

Ralph Platt, chief mechanical and electrical engineer for the army engineers' utility office at Omaha, said no human error was involved in the failure and that it was solely mechanical.

The grid system from Fort Randall included the Nebraska public power agency, the Omaha public power district, where the generator trouble came; the bureau of reclamation, Iowa Public Service company, the Iowa Light and Power company, and the Kansas Gas and Electric system. The area took most of Nebraska, most of Iowa, southern South Dakota, a small part of northern Kansas and one point in Wisconsin, power officials said.

## Hansen Says Ad Not Right About Voters

**MONTREAL, N. C., June 26 (AP)—**Twelve-time U.S. Senator Bill Graham said he was shocked and disappointed over Monday's supreme court decision holding prayers in public schools unconstitutional.

"This is another step toward the secularization of the United States," Graham said. "Followed to its logical conclusion," he continued, "we will have to take this chaplain out of the armed forces, prayers can not be said in congress, and the president can not put his hand on the Bible when he takes the oath of office."

## Ketchum Man Is Injured in Auto Mishap

**KETCHUM, June 26 (AP)—**A Ketchum man was injured Monday afternoon when his late model Volkswagen went off U.S. highway 23 south of Ketchum and wrapped around a power pole.

Robert Brown, Ketchum, is reported in good condition at the Sun Valley hospital with several severe cuts and bruises. According to investigating officers, Brown was traveling north on highway 23 and lost control of the car. The car traveled 60 feet before leaving the road, then went 45 feet along the borrow pit and soared through the air for 25 feet before landing on a power pole. The bottom of the car hit the pole six feet from the ground.

Cross bars on the pole were knocked loose and the pole was moved about four inches. Some of the wires across the cross bars carried 46,000 volts and the rest carried 12,500 volts.

Two unidentified men, first at the scene, said Brown was flung away out of the windshield. They said they pulled him out and put him on the ground, then called for help.

According to Blaine county Sheriff Frank Hestit, the car which was "draped" on the pole, was demolished. Assisting Sheriff Hestit was Lester Jankow, Ketchum city marshal.

## S. Carolina; North Dakota Hold Polling

**By The Associated Press**  
North Dakota residents voted today in a primary election without major contests while runoff elections were under way to name two congressional candidates in South Carolina and Idaho.

There were no contests on the Democratic ballot to North Dakota where one senate and two house seats as well as the governorship were at stake. Ben. Milton R. Young was expected to gain the Republican nomination for a third term over Roger Vorchick, a banker with the backing of a fish-voting group called Liberty League Republicans. GOP Rep. Hjalmar Vignarson and Sen. L. Short had no opposition.

In South Carolina, second district senate chair between Albert Watson, an attorney and state representative, and Dr. Frank Owens, a physician and former Columbia mayor. They were top men in the first primary runoff vote. The winter runs in November against State Rep. Floyd Spencer of Lexington county, who left the Democratic party and won the Republican nomination. Mrs. John H. Hester, a congresswoman, is not seeking re-election.

# McKinley Leads Group of Yanks Into Second Round Of Wimbledon Tourney

WIMBLEDON, England, June 26 (AP)—Chuck McKinley, the 21-year-old husky Davis Cup player, led seven Americans into the second round of the 76th Wimbledon Lawn Tennis championships Monday. McKinley, St. Anne, Mo., delighted a crowd of about 300 gathered around court 13—one out in the wilderness—with his enthusiasm and verve in beating 20-year-old Aussie, 6-1, 6-2, 6-1.

## Twin Wins Give Boise First Place

BILLINGS, Mont., June 26 (AP)—Billings moved into first place in the light flyweight league final of the championship battle Monday night, sweeping a crucial doubleheader from Billings, 10-9 and 7-4.

The Braves moved one-half game ahead of Great Falls, 10-3 and defeated Gardiner, 10-3 and a full game ahead of Billings and Margio Valley.

The home team in the top of the seventh inning broke up a pitching duet in the slugging batsmen Larry Carter and Billings and Mary Berbek of Boise.

It was a heartbreaker for Emerson, who had limited Boies to two hits until the seventh and struck out the first two men in the eighth.

He yielded only three hits. One was a triple to Chuck Hasenstab to the sixth inning. Hasenstab scored on a sacrifice fly.

Boies won the opener with a 3-1 lead in the eighth. The Braves sent 11 men to bat and collected four hits and 11 runs. The pitcher Tom Major of Billings helped the rally along by making three hits and a home run. He was pulled for another reliever.

## Relief Stint Helps Cards Down Cubs

By the Associated Press  
 Relief pitcher Lindy McDaniel, making his third appearance in four days, extended his scoreless streak to 23 1/3 innings Monday at St. Louis. Cardinals catcher Ray Washburn's 4-0 conquest of the Chicago Cubs.

St. Louis left behind 3-0 in the third inning when Ernie Banks clubbed his 21st home run with two runners aboard.

McDaniel, working the final 2 1/3 innings in relief of Washburn, pitched just two scattered singles.

Billy O'Connell pitched San Francisco in a straight, low-hit complete-game victory, stopping Cincinnati 3-1.

O'Connell yielded only five hits all night in winning his eighth game against six losers.

Tony Taylor's single in the ninth inning with one out scored Bob Wine from second base and gave the Philadelphia Phillies a 4-2 victory over the Houston Colts.

The same-winning hit was his third strike in four official trips to the plate. The Phillies leader off batter also walked once.

Snooky Burgess and Steve Clemente led the 15-hit barrage against the New York Mets as the Pittsburgh Pirates, down 3-0 in the Mets' eighth inning on the National League cellar with a 13-0 lead.

Burgess' drive in three runs with a triple, double and single and Clemente batted in three other runs with three singles.

Frank Aaron and Eddie Mathews drove in five runs between them to bring the Milwaukee Braves from behind for a 4-1 victory over the Los Angeles Dodgers.

With the Braves trailing, 4-0, in the sixth inning, Aaron homered to tie the score. Mathews added of him. The Braves scored three more runs in the seventh on five hits with two runs in.

McClay, 40-year-old favorite of Wimbledon crowd, bowed out in the first round to countryman Tom. He was pulled for another reliever.

## Army Tracks Chemicals to Protect GIs

WASHINGTON, June 26 (AP) — Army medical scientists are on the track of chemicals which may convert a soldier's skin into armor against disease-bearing insects and sunburn.

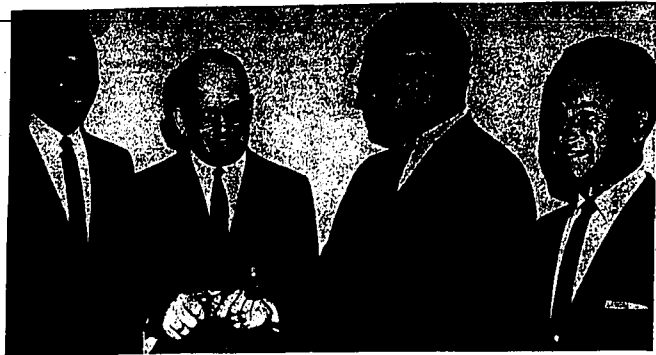

The research is especially important to military operations in Southeast Asia and other tropical areas where Western troops are vulnerable to certain types of fevers and strong sunlight.

The work is being done under a broad program aimed at giving each soldier entering a combat zone his own built-in shield against disease, climate, and various kinds of stressors.

Dr. Marion B. Sulzberger of the army's medical research and development command said a big effort is being made to discover chemical substances which would enter the skin after being swallowed or applied on the outside.

These substances, he said in a paper, would make the skin's surface and its secretions repellent to mosquitoes, ticks, fleas and other insects, which carry most of the important diseases affecting military operations.

Another line of approach, the army dermatologist said, is intensive study of the differences between the skin of people who usually attract insects and others whose body chemistry repels them.

HAGERMAN, June 26 — Mrs. Ray Clawson, lay member, spoke at the Methodist church morning service Sunday on the recent annual conference.

After church a potluck dinner was held for official board members and their families, to celebrate events for the coming year.

## GOP Blaming Kennedy for Market Dips

WASHINGTON, June 26 (AP) — Although there is some dissent within the party about the use of gloom-and-doom tactics, Republicans are pounding the theme that President Kennedy's policies caused the stock market drop.

The senate Republican policy committee has added its critical voice to that of the Republican national committee, which has been suggesting that Wall Street has witnessed a "Kennedy crash."

In its weekly memo to members, the policy group said that returns from Kennedy's Yale speech June 11 "in which he made ambiguous statements to say the least, about the 'myths of federal fiscal responsibility began to come home to roost' in the market declines.

"And so it apparently began to look as if one couldn't strew a time-tested, sound economic altar with fiscal policy garbage such as an expenditure of Yale that deficits are just 'sometimes dangerous,'" the memo said.

Sen. Jacob K. Javits, R., N. Y., decried gloom-and-doom statements. But he suggested in the senate Monday that Kennedy ought to send to congress now "a tax program for the restoration of business confidence and the acceleration of economic activity."

## Sharp Edge Closing Event

CHICAGO, June 26 (AP) — There was a sharp edge to a trucking terminal theft report police got yesterday. Burglars stole \$20,000 worth of razor blades.

## Boots and Bows Have 4-H Meet

The third meeting of the Boots and Bows 4-H club was held Monday at Vicky Fairchild's home.

The club members discussed the ordering of blankets and elected a new secretary, Leola Fairchild. Lana Fairchild gave a report on the chincocogus and Pat Light gave a talk on how to give a demonstration.

The members then worked on their record books. Refreshments were served by Mrs. Max Fairchild. The next meeting will be held at Carolyn Hill's July 2.

## Shoshone Sets Closing Event

SHOSHONE, June 26 — Graduation exercises for the Vacation Bible school students of the Methodist church will be held at 8 p. m. Thursday at the church. Parents and friends are invited.

Staff members for the school have included Mrs. Russell Brown, Mrs. Clifford Stutzman and Mrs. Floyd Carpenter; business managers, Maurice Manning and Barbara Hughes, primary group; Jack Dunn, Mrs. Robert Baker, and Susan Hall, junior group; and Mrs. Charles Brown, Junior high group.

Mrs. Woodrow Harris is the superintendent of the school. Mrs. Marilyn Pearson as accompanist and Mrs. Florence Oate as soloists each morning. The refreshments are provided by members of the WBS and women of the church.

There have been 55 children enrolled in the school with a 90 percent attendance of 62.

## Stake Visitors Are Speakers

HAGERMAN, June 26 — Stake visitors Allen O. Johnson, Wendell, and Malton Barlow, Jerome, members of the senior Aronnie priesthood, were guests at the LDS church services Sunday.

Douglas Johnson conducted the meeting. Stanley Penfold talked on fast offerings. Don Giles gave the youth talk. Prayers were given by Mrs. Carl Udy and Mrs. Jack Allen.

Evening services were conducted by Bishop James Mecham. Guest speaker was Sharon Dunlap, Cape Canaveral, Fla., who told of the schools there and the effect of the missile base on the schools.

Ray Jones and Nell Perkins, both Jerome, stake high councilmen, spoke on missions. The benediction was given by W. C. Choules.

Mrs. R. K. Bendorf was sustained as Relief society president, with Mrs. Roy Kenitzer as work counselor. Mrs. George Palmer was sustained as Relief society secretary.
