Solons Say Hope Dim on School Aid

WASHINGTON, Jan. 7 (AP)—House members responsible for a bill to pass President Kennedy's education program are pessimistic that Congress will pass the bill before the school year begins.

Although the administration has yet to unveil its 1962 budget, it is expected that there will be little of a school bill there to indicate it will differ from those that failed to pass in 1961 and 1960.

With the makeup of the new Congress, it is expected that the bill will be rejected by the House and the Senate will amend it in a way that would help those members still amending it to a different outcome this year.

None would express such views publicly, but privately they predict no federal aid for the nation's elementary and secondary schools is likely to be voted this year.

That doesn't mean none of Kennedy's education proposals are a chance. Once again, Kennedy's proposals are fair for some sort of aid to higher education. Any reasonable chance for getting the bills passed is a specific target, such as improving teacher pay and better teacher training.

But no such victories would compensate in the administration's view for loss of the general school aid for 1962, which Kennedy has repeatedly called the heart of his policy to improve the nation's educational system.

Although the President seems confident in putting forward the bill each year, some supporters of such legislation think that the bill should be forgone for a while.

The House is barren soil at the moment, they believe, and should be allowed to fall fallow while efforts are made to find a solution to the church-state controversy that has contributed to the succession of defeats.

Some congressional leaders expect to see full support of Kennedy's leadership could produce a school bill. And they regard it as a slim, but not hopeless, chance. While, however, force, are all-out fight that might tend to drive the nation along religious lines.

Jesse W. Palmer Honored at Rites

BURLEY, Jan. 7—Funeral rites for Jesse W. Palmer were held at 1 p. m. Saturday at the Oakley LDS tabernacle with Bishop Donald J. Clark officiating.

The family prayer was given by Mel Peterson, and Mrs. Martin gave the invocation.

Funeral music was by May Fisher, Mrs. Whitely, Elaine Matthews and Leola Martin.

Speakers were Lewis R. Critchfield and John A. Clark and the officiating minister—Bishop Donald J. Clark.

A "Wells-dust" was played by Leola Martin and Elaine Matthews and a double mixed quartet included John R. Martin, Mel Peterson, George Butler, Keith Warr, Jane Whitely, Bonnie Hardy, Kyda Wake and Elaine Matthews.

The benediction was given by Daren P. Critchfield.

Flowers were arranged by the first ward Relief society assisted by the grandchildren.

Final rites were held in the Oakley cemetery where the grave was dedicated by J. Garnet Port.

January Is Proclaimed 25th March of Dimes Anniversary

BOISE, Jan. 7—Gov. Robert E. Smylie today issued a proclamation declaring January as the 25th anniversary of the March of Dimes.

In his proclamation, the governor urged all citizens to support the March of Dimes campaign this month and to "give for the life of a child."

He pointed out the March of Dimes supports medical care for the community through a nationwide network of treatment centers. He noted the March of Dimes supports public and professional education to "increase general awareness and understanding of the problems of chronic crippling diseases and makes available the most advanced knowledge concerning effective care and treatment."

"More than 250,000 infants are born each year with a significant physical defect," he said, "and thousands of our children are disabled by arthritis and rheumatic diseases. Also, millions of dollars must still be spent annually to aid the thousands stricken by polio."

This month thousands of Idaho volunteers, along with state campaign Chairman James G. James, Boise, will raise funds to continue the March of Dimes program.

Conservation Is Topic at Meeting

BULLH, Jan. 7—Members of the balanced rock water and soil conservation district were guest speakers at an open meeting of the Orange Grove Friday night district members' meeting.

District members taking part in the program were Leo Bennett, John Quinn, James Chapman, Gene Thomas and Vern Johnson. They explained what soil conservation stands for and how the farmer can change, improve and build his soil to prevent erosion. A question and answer period also was conducted.

Sack lunches and coffee were served at the conclusion of the meeting. The next regular Orange meeting is set Jan. 18.

Minor Damage Reported

BULLH, Jan. 7—Minor damage was reported when Mrs. Sara B. Hobson, Bull, backed her 1950 Rambler from a parking space on main street and collided with an oncoming 1959 "Ford" driven by Douglas L. Noh, route 1, Bull, at 4:30 p. m. Friday.

City Patrolman James Lowder noted the Rambler wasn't damaged. The Ford had \$25 damage.

Does BLADDER IRRITATION MAKE YOU NERVOUS?

Bladder irritation may be a distressing effect which may mean more than just a nuisance and is often caused by bacteria and infection from both urinary tract infections and from the prostate gland. It is a common condition, especially in men, and is usually easily treated with the correct medicine.

Wheat Policy Word May Be Given Soon

WASHINGTON, Jan. 7 (AP)—An early announcement of wheat policy is expected.

The program faces stiff opposition at a growers referendum to be held on a date in the spring to be set by Secretary of Agriculture Orville L. Freeman. The secretary has said that Freeman's results of the referendum could be the most important agricultural development of the year.

Factors pointing to early disclosure of details of the new program include a report Freeman made to the President at Palm Beach last week in which he predicted a drop in wheat prices from \$2 to \$1 a bushel and overproduction should the plan be turned down by producers. The program will require approval by at least two-thirds of the growers.

The American Farm Bureau federation, the largest of the general farm organizations, had called for the program's defeat. It wants less control and a gradual adjustment to a free market price system.

Top Freeman associates have been holding closed meetings on the program and the referendum. Plans are being made for carrying on an intensive campaign in behalf of the plan among growers.

The program provides for a two-price system coupled with a guaranteed average controls. A top price of around \$1 would be provided for wheat grown for domestic food use and for a pair for all of the wheat exported. Each grower would get a share of the market.

Wheat grown on allotted acreage would be designated as "export" and the acreage would bring a lower price — one which would be designed to encourage use of grain for livestock feed and other nonfood uses. This price may range between \$1.50 and \$1.60 a bushel.

Hansen Man Discharged

HANSEN, Jan. 7—Mr. and Mrs. Finn Ross have received word their son, Carl Glen Ross, has been released from the Long Beach naval base following four years of service. Ross and his wife plan to live in Long Beach, where he plans to enter a diesel engineering school.

Judy Walker and Terry Butler Head Ceremony

HANSEN, Jan. 7—Judy Walker was crowned queen and Terry Butler, king, at the winter prom Saturday evening at the school gymnasium.

They were chosen by Junior class members and were crowned by class President Judy Proctor.

Other class officers in attendance were Roy Hendrick, vice president; Julia Koenig, secretary; and Terry La w y e r, treasurer.

"Some Enchanted Evening" was the theme of the formal dance and the gym was decorated with a false ceiling of white streamers with pink streamers at the sides. A scene depicting the theme was at the entrance end of the room and was painted by Betty Froehlich and Susan Johnson. The Esquires played for the dance.

During intermission Judy Walker sang "Some Enchanted Evening" accompanied by Carol Loug, Linda Froehlich sang "Tonight" accompanied by Sylvia Preston.

Chaperons were Charles Humphreys, class sponsor, Mr. and Mrs. Connie Butler, Mr. and Mrs. Raymond Butler and Mr. and Mrs. Blake Froehlich.

No Luck

PHILADELPHIA, Jan. 7 (AP)—Mrs. Anna Hunt, 52, said her robbery gift shop here because she attacked the armed intruder and sent him fleeing.

Mrs. Hunt was talking with a woman sales clerk when the gunman appeared and announced: "This is a holdup."

"Holdup nothing," replied Mrs. Hunt, as she brandished the would-be hand. He fled to a waiting taxi.

Opposition To Library Change Made

BULLH, Jan. 7—Fairview Community center is opposed to the formation of a county-wide library district following a discussion held in a closed panel at the regular Orange meeting Friday night.

The group selected since many farmers regularly went to town they could use present library facilities in the area and there was no need for a traveling library mobile unit. Unfavorable comments also were voiced that the forthcoming election on this library program would cost approximately \$20,000.

Special guests of the evening were Rex Enneking, superintendent of Bull, public schools; Fred Bradford, chairman, and William Atkins, vice chairman of the Bull school board.

Enneking showed slides and explained in detail the breakdown of state monies spent for education.

He referred to state and local school district financial program for education. The program was under the direction of Mr. and Mrs. Frank Atkins.

Gene Oatman, chairman of the agriculture committee, gave a report on United States imports in agriculture. The relief committee reported Squida Voeckel. Hosts for the evening were Mr. and Mrs. Al Ranner and Mr. and Mrs. W. R. Ranner.

Wheat Policy Word May Be Given Soon

WASHINGTON, Jan. 7 (AP)—An early announcement of wheat policy is expected.

The program faces stiff opposition at a growers referendum to be held on a date in the spring to be set by Secretary of Agriculture Orville L. Freeman. The secretary has said that Freeman's results of the referendum could be the most important agricultural development of the year.

Factors pointing to early disclosure of details of the new program include a report Freeman made to the President at Palm Beach last week in which he predicted a drop in wheat prices from \$2 to \$1 a bushel and overproduction should the plan be turned down by producers. The program will require approval by at least two-thirds of the growers.

The American Farm Bureau federation, the largest of the general farm organizations, had called for the program's defeat. It wants less control and a gradual adjustment to a free market price system.

Top Freeman associates have been holding closed meetings on the program and the referendum. Plans are being made for carrying on an intensive campaign in behalf of the plan among growers.

The program provides for a two-price system coupled with a guaranteed average controls. A top price of around \$1 would be provided for wheat grown for domestic food use and for a pair for all of the wheat exported. Each grower would get a share of the market.

Wheat grown on allotted acreage would be designated as "export" and the acreage would bring a lower price — one which would be designed to encourage use of grain for livestock feed and other nonfood uses. This price may range between \$1.50 and \$1.60 a bushel.

Music Clubs To Give 41 Scholarships

Forty-one scholarships and awards will be offered this year to winners in the 1963 instrumental and young artists auditions sponsored by the National Federation of Music Clubs. The program is announced by Mrs. Donald Young, state president.

Musicians from 18 to 25 years of age are eligible and auditions will be held at 10 a.m. on March 2 in Boise. Applications must be received by Feb. 18 and complete details for applicants may be obtained from Mrs. Douglas Trail, 4400 Crane Creek road, Boise, by contacting Mrs. Young, 705 Walnut street, at 725-1022.

The student auditions, awards of \$200 will be made in seven classes: piano, organ, saxophone, vocal, voice, violin, violoncello and orchestral winds (flute, oboe, bassoon and French horn).

Winners will be invited to appear on youth day at the 1963 national convention, held March 19-23 in Pittsburgh, Pa. Different scholarships will be awarded to the students in the young artists auditions, 20 auditions will be given the year day.

Last year, there were three 1200 youths who won scholarships as a result of the auditions. They were Dennis Jones, Kenden, and Jeff Davis. Also Best, Bob Bole.

Scholarships and awards in the student auditions include:

The Guy Miller Memorial Award, valued at \$50, is offered to the outstanding pianist in the Mark Morley Kelly auditions.

Fifteen full tuition scholarships, piano, voice, violin and cello. Auditions are offered by Chapman College, Hillsdale, Montana, for the August 1963 summer session of their open workshop. The minimum age limit here is 21 years.

One full tuition grant covering four years of undergraduate study is offered in July at the Yulman School of Music of the University of Rochester, N. Y.

Also the Manhattan School of Music, New York City, offers three full tuition grants valued at \$750 each, to be given in piano, voice, or strings, renewable for three years.

Also four four-year \$1,500 scholarships are offered at Millers University, Decatur, Ill., in piano, voice, strings, orchestral winds.

Five tuition scholarships, valued at \$1,000 each, and renewable for three or four years, are offered at the New School of Music, Philadelphia, Pa. Two are for violin, and one each for viola, cello, and contrabass.

The Peabody Conservatory of Music, Baltimore, Md., a \$1200 scholarship renewable for four years is offered to a string winner in violin, viola, violin-cello, or contrabass.

The Shenandoah Conservatory of Music, Shenandoah, Va., offers four tuition scholarships, valued at \$400 each, renewable to a B.A. degree (room and board included) in plagues of orchestral string instruments, violin, viola, cello or contrabass.

Scholarships and awards in the young artist class are for male voice, oratorio, piano, violin and women's voice. To the winner in each group, the National Federation of Music Clubs will give a \$100 award of \$200 toward expenses of a debut recital in New York City or another major musical center.

Supplementary awards include a Chicago debut recital, all expenses paid, for one winner; an audition for the winners and runner-up by representative of the National Concert and Artists corporation; an audition at the Metropolitan Opera for the winners by man and woman's voice; a paid solo appearance with the Boston "Pop" orchestra under the baton of Arthur Fiedler; a paid solo appearance for one winner at the Transylvania Music Camp or Brevard Music Festival of the Brevard Music center, Brevard, N.C., in 1963 and 1964; a paid solo appearance with the Detroit Symphony orchestra in 1963; a paid solo appearance with the Pittsburgh Symphony; a paid engagement with the Orchestra of America, Richard Kohn, musical director; a standard contract is offered for each winner to appear in a commercial record for Golden Crest records; two \$500 Harry Miller awards in the National Semi-finals auditions, and \$150 award from the Chalmers club of Rhode Island to the woman's voice winner.

Piano or violin entrants must be between 20- and 30-years of age, and voice entrants between 23 and 35. The above age limits may be extended by the equivalent of the time which an entrant may have spent in any branch of the military service of the United States.

Advisers who selected the representative for the various classifications include: Sergei Tarouso, piano; Nadine Corner, women's voice; Joseph Knitzer, violin; John Brunwin, male voice; and Marie Morley Kelly, organ.

The annual auditions are sponsored by the National Federation of Music Clubs.

Government Not In Favor of Railroad Merger

The Justice department says the proposed merger of the Northern Pacific, Burlington and Great Northern railroads would create a huge and powerful rail monopoly extending four northern states.

The railroads' brief said the merger would result in better transportation at lower cost.

The Justice department took a different view in a brief filed with the Interstate Commerce commission opposing the merger application.

Have Fun!

JOPLIN, Mo., Jan. 7 (AP)—Three men held up a Joplin store six miles west of here last night and took \$275 in cash, a 25-caliber pistol and some checks that had bounced.

Although upset by the armed robbery, proprietor John Lindsey had one cheerful remark:

"If they can do any good with those no-account checks, they're welcome to them."

EAST, NORTH WIN WEEK-END BOWL GAMES

Vanderkelen Is Spark for 20-13 Hula Bowl Win

HONOLULU, Jan. 7 (AP)—The north rode the passing arm of Wisconsin's Ron Vanderkelen and an ill-starred assortment of runners for a somewhat 20-13 victory over the South Sunday in the 17th annual Hula Bowl football game, Vanderkelen, who sparked a final period Wisconsin rally in the Rose Bowl last week, pushed the North college stars in the last 10 minutes to overcome a South lead that had stood up since the second quarter.

Vandy passed to Washington State's Hugh Campbell for 17 yards and the go-ahead score with less than seven minutes remaining.

Soccer Riots Mar Games In Italy

ROME, Jan. 7 (AP)—Violent marred four Italian soccer games Sunday, two of them major encounters.

Players rioted after two matches. Fans mobbed a team at another, still sending eight players to the hospital. A spectator at the fourth encounter threw a giant firecracker that put a team manager in hospital.

It was one of the liveliest soccer afternoons in Italy, where less than a month ago a minor league referee altered a national uproar by firing a pistol into the air as an excited player expected him to release a red flag and he was acting in self-defense.

Violence came in two major league games at Naples, where Napoli and Torino tied at 2-1 and at Modena, where league-leading Internazionale of Milan and Modena played a scoreless tie.

Eraldo Monzeglio, technical director of Napoli, was seriously injured when a fan threw the firecracker at him during the match. It bounced off his head, exploding at his feet. He fainted, fell and struck his head.

At Modena players scabbled frequently during a rough second half. At the end when they headed for the dressing room several became involved in fights.

League Will Take Worries To Frick

NEW YORK, Jan. 7 (AP)—The International League, troubled over the formal admission of Little Rock and bolstered by some incomplete financial arrangements, adjourned a two-day meeting Sunday and prepared to take its problems to baseball commissioner Ford Purnell.

International league president Tommy Richardson said he and two members of the league's board of directors will meet with Frick Monday in an effort to solve some key questions.

One problem involves additional travel funds the league is asking from the league teams, a problem which in turn is the principal barrier to formal admission of Little Rock, one of two new cities in the league.

The league recently expanded to 10 teams with the addition of conditional bids of Indianapolis and Little Rock. Formal admission of those teams was one item on the agenda. In the case of Little Rock, at least, it was not accomplished.

Gabe Paul, president of the Cleveland Indians, whose Jacksonville farm team is a member of the league, objected to the admission of Little Rock Saturday and said he would not assist toward the expansion until he had assurances from Arkansas Gov. Orville Faubus that Negro players would receive the same treatment in Little Rock as white players.

Ronnie Goodwin of Baylor scored first for the South on an 11-yard end sweep seven minutes after the initial kickoff.

The second South touchdown came on a six-yard pass to the second-string team's Charles Kerroll. Alexander, missed the outstanding back of the game, Alexander grabbed the ball away from two red-shirted Northers at the goal line.

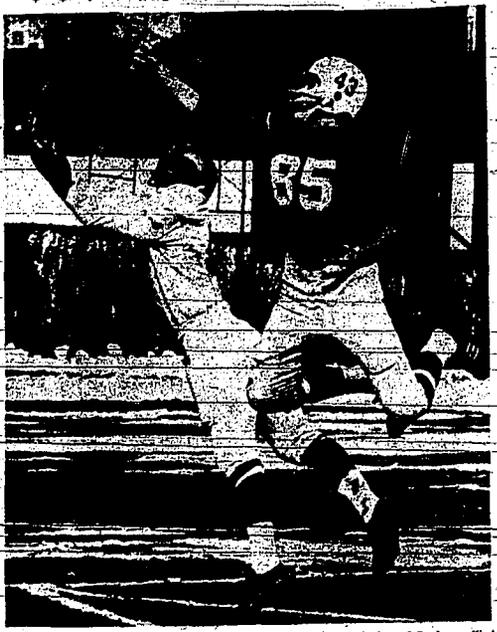

The South almost got another touchdown in the second period but All-American tackle Bobby Bell of Minnesota stopped Ray Foster of Texas on a fourth down thrust from the one-yard line.

Vanderkelen completed 20 of 33 passes for 34 yards and had three interceptions.

The North's main offensive play was a 13-yard pass from Vandy to Dave Robinson of Penn State. Salves carried on the last three plays, going in for the score from the yard out.

The final North touchdown came after Salves recovered Page's fumble on the South's 56. It took eight plays before the end went over center from two yards out. Alexander, in addition to scoring on touchdown, delighted the packed grandstand of Honolulu stadium with his fancy punting.

The final North touchdown came after Salves recovered Page's fumble on the South's 56. It took eight plays before the end went over center from two yards out. Alexander, in addition to scoring on touchdown, delighted the packed grandstand of Honolulu stadium with his fancy punting.

PASS FALLS INCOMPLETE through the hands of East end John Greiner of Purdue as West halfback Tom Brown of Maryland, (85) deflected it. The pass was from Lynn Amodee of LSU, who starred in his second postseason game and sparked the East to a 38-10 victory. (AP wirephoto)

West Crushed by Amdee Heroics In Crusade Bowl

BALTIMORE, Jan. 7 (AP)—Lynn Amodee of Louisiana State, overlooked in the draft by professional football teams, turned in his second spectacular post-season game Sunday as he directed the East to a 38-10 victory over the West in the Crusade Bowl. Amodee was voted the outstanding player as he completed 13 of 26 passes, including a 61-yard touchdown aerial, sneaked for another score and kicked a 22-yard field goal and five extra points. He also was the most valuable player in last Tuesday's Cotton Bowl.

The game in spacious Memorial Stadium was the first postseason contest in Baltimore. The 23-player squads featured college veterans—drafted into professional football teams from Louisiana State, voted the outstanding player in the Crusade Bowl as well as last day's Cotton Bowl—was bypassed in the professional football draft.

When he wasn't passing, Amodee sent halfback Ed Campbell of LSU and fullback Dave Francis of Ohio State and Billy Joe Williams through the West line. Francis, who scored two touchdowns, and Joe, who kicked a 22-yard field goal, were the Washington Redskins.

Amodee's first touchdown came on a 61-yard pass to Jim Sharp of Penn State. Amodee's second touchdown came on a 22-yard field goal.

Amodee's third touchdown came on a 22-yard field goal.

Amodee's fourth touchdown came on a 22-yard field goal.

Amodee's fifth touchdown came on a 22-yard field goal.

Amodee's sixth touchdown came on a 22-yard field goal.

Amodee's seventh touchdown came on a 22-yard field goal.

Amodee's eighth touchdown came on a 22-yard field goal.

Amodee's ninth touchdown came on a 22-yard field goal.

Amodee's tenth touchdown came on a 22-yard field goal.

Amodee's eleventh touchdown came on a 22-yard field goal.

Amodee's twelfth touchdown came on a 22-yard field goal.

Amodee's thirteenth touchdown came on a 22-yard field goal.

BIG DOUG SCHOW dunks one for Twin Falls during fast action in the game with the Pocatello Indians at the Gate city Saturday night. Schow tallied 18 points for the Bruins. His 20th career dunk came in the game with the Pocatello Indians. Schow follows the action while Kendall Kinghorn, 21, Twin Falls, moves in for a possible rebound. Twin Falls lost 48-42 to the Indians, stalled most of the last four minutes. (Times-News photo)

FAVORED LIONS WIN PRO PLAYOFF BOWL

Rugged Defense, Plum's Passing Dump Steelers

MIAMI, Fla., Jan. 7 (AP)—Sharpshooting Mike Plum eased the favored Detroit Lions to a 17-10 victory over the Pittsburgh Steelers Sunday in a bruising defensive battle between the National Football league's division runners-up. Going to the air when the surprisingly tough Steeler defenders contained Detroit's running attack, Plum threw for one touchdown and pitched the Lions into position for another and a field goal by Wayne Walker.

Senate Will Investigate Casares

WASHINGTON, Jan. 7 (AP)—Senate investigators said Sunday they plan to question Pittsburgh's Casares of the charges he bears in a widening scandal of gambling on sports events.

It was disclosed Sunday that Casares had submitted to two Detroit detectives which showed, he said, that "the investigation was to 'point slaving' or been cleared money to throw a football game."

Not having in a term used for the forbidden practice of betting down or signing the names of an athletic contest to the purposes of gamblers who have given odds on the winners.

John J. McGinnis, D., chairman of the Senate investigations subcommittee, said a report the inquiry into professional football is only part of Casares' activities have been continuing over a period of years.

As the Casares detective McGinnis said, "We didn't know that."

Coaches Go For Unlimited Substitution

LOS ANGELES, Jan. 7 (AP)—The National Football league's coaches voted Sunday to allow unlimited substitution, former Stanford coach Chuck Curcio announced today.

Adoption of the unlimited rule, Curcio said, has been recommended by the National Football league's coaches' association football rules committee for consideration at its annual meeting in Chicago, Ill., beginning Jan. 11.

Curcio is chairman of the 24-member American Football coaches' association's rules advisory committee, which he charged with leading out the membership on what changes, if any, they would like to see in college football rules.

Curcio refused to speculate whether the NCAA committee, which alone has the power to change the rules, would vote for a return to unlimited substitution which was thrown out of the rulebook in 1928.

"There's no question that the vote has been back toward unrestricted substitution," said Curcio. "In my three years as chairman of the advisory committee, there has been a steady increase in sentiment in favor of a return after the 1928 season, the coaches answering our questionnaire were split about even, half yes and half no, on the proposal. Last year, it was close to 2-1 in favor."

"The vote of coaches queried was 516 in favor, and 19 against."

CHUNGING THROUGH the line for six yards and a touchdown is Mike Tank, Pittsburgh Steeler halfback, in the second period of the Playoff Bowl at Miami. Detroit defenders are (83) Dick Land and (88) Sam Williams. No. 88 is Pitt's offensive end John Burrell. (AP wirephoto)

SPORTS

Jerome Meets Mountain Home to Head Tuesday Hoop Schedule

Jerome will be playing host to Mountain Home Tuesday night in a non-conference battle that heads up the basketball slate for Magic Valley. The Carey Panthers will travel to Bellevue to test the late-starting Bulldogs, who have won one and lost one in their young season. Buhl and Piler will battle it out at Piler in a Big Seven tilt, while the touted-Camas County Mustangs will pit their winning streak against the Blue Devils at Delia.

Richfield travels to Hanssen to round out hoop action Tuesday night. In addition, the Twin Falls Juniors are currently riding a 4-2 season record, and apolitics in conference play, will be looking for revenge when Mo and a tie in Home takes the floor. The Tigers lost a tight one earlier in the season to Mountain Home, and as a young ball club that has come along rapidly, they hope to turn the tables Tuesday night.

Mountain Home, who has been playing SBC contenders in warm-up games all during the young season, should prove a real test for the high-flying Tigers, who have dropped their only contest with SBC team Nampa, which accounts for their only other loss.

The top-seeded teams of Buhl and Piler will meet in what shapes up as a light one, depending on whether or not Randle Davis of Piler has an off night. The sharp-shooting forward Wildcat hit in the 20s for two consecutive games, then dropped off to below the 10-point level last week-end.

Both the Indians and Piler are smelting from recent losses. Buhl got soundly drubbed by the undefeated Burley Bobcats Friday night, and Jerome was whipped by Coaling and Piler over the week-end.

Lund Is Named Coach of Year
LOS ANGELES, Jan. 7 (AP)—Don Lund, former major league pitcher, was named coach of the University of Michigan to the national collegiate championship, was named coach of the year Sunday night by the American association of college baseball coaches.

The 30-year-old Lund, who since has left Michigan to become team director for the Detroit Tigers, received the award at the baseball coaches' annual banquet.

STAVERMAN SIGNS
CHICAGO, Jan. 7 (AP)—Larry Slaverman, leading shot-maker of the American Basketball league when it shut down last week, was signed Sunday by the Chicago Zephyrs of the National Basketball association.

Art Wall Leads in L.A. Golf Tourney

LOS ANGELES, Jan. 7 (AP)—Art Wall, Duffer of the Year in 1958, but an ailing star most of the month since, shot into the top spot of the \$50,000 Los Angeles Open golf tournament Sunday with a 4-under-par 67 in the third round.

The always popular Wall, now 39, posted a 64-hole score of 203 and edged into the final round of the tournament Monday with a lead of two strokes over his nearest challenger.

Tied at 207 were Ed Furgol, Johnny Dill, Paul Henderson and Bud Hoelcher.

Masters and British Open Champion Arthur Palmer settled for a 70, PGA Champion Cley Player had a 68, and Gene Lutter a 71, for a tie at 208 with every other professional.

Three veterans, Dutch Harrison, Furgol and Bob Roebig, led the way into Sunday's play with 30-hole scores of 135 at the par 35-35-71 Rancho Park Golf course and 136 at the Rancho where those who were two strokes off the pace.

Another Bowl

HIALEAL, Fla., Jan. 7 (AP)—Still another "bowl" football game will come up Tuesday night when the Jacksonville Jaguars play the Jacksonville Jaguars in what is billed as the "bowl bowl."

Twenty-two of the 110 college players are national champions, and 11 are national players.

The Jaguars have a 15-0 record, including wins in the Christmas and New Year games, and the Jaguars will play the Santa Claus bowl at Lakeland, Fla., and the Golden Bowl at Brunswick, Ga.

Harness Racing Boom Reported

NEW YORK, Jan. 7 (AP)—The president of Harness Races of America (HRA) predicted Sunday that harness racing is entering an era of the greatest growth in its history as the organization opened its annual meeting.

More than 100 officials of the nation's major parimutuel trotting tracks gathered for the convention, presided over by Donald D. MacFarlane, head of Hazel Park, Detroit.

In his report, MacFarlane noted that for the tenth straight year attendance and receipts at the tracks in 1962 reached all time highs. He said attendance at parimutuel racetracks led by 16,677,282, up six per cent over 1961, with tax revenue to the 13 states with parimutuel betting up 13 per cent. Revenue was \$60,000,224, an increase of almost \$3,000,000 over 1961, MacFarlane said.

MacFarlane said parimutuel harness racing meetings will be held in Pennsylvania, Illinois and Florida in 1963, and predicted its spread to other states within a few years.

Seattle Invades Bengal-Land Tonight

POCAHONTO, Jan. 7 (AP)—The double-figure, 100-plus, although Chittians, tagged as one of the three top teams on the Pacific coast, bring their vaunting machine here Monday night against Idaho State's Bengals in a game featuring two All-American candidates.

Seattle is one-up on the Bengals this the highest scoring first month on the chief's floor, but this is the game center-center Dwan's 1960 club has been awaiting ever since. The two teams have been meeting annually since 1953 with Seattle's average is 127 and Bengal's average is 127 and machine here Monday night against Idaho State's Bengals in a game featuring two All-American candidates.

Other Chittian performers scoring in double figures are Dunston, 127, "Sweet" Charley Williams, 126, and Tarrant, 114.

The Bengals have won their first three outings against West Texas State, Western Montana, and Gonzaga University, all on the road, and will be seeking to improve their season record, to 7-1.

A near capacity crowd is expected and Faculty Director Joe Richmond said most reserved tickets have been sold in advance. Ticket windows open at 5:45 p.m. and the 190 form will battle in a trial for a percentage of American candidates.

Services Set For Hornsby
AUSTIN, Tex., Jan. 7 (AP)—Ticket windows will be held in Austin Thursday for Rogers Hornsby, the famed "Raj" of baseball.

Services here will be at the West and Canton funeral home followed by burial at Hornsby Bend, nine miles south of Austin.
