WASHINGTON, Feb. 21 (AP) — President Kennedy ordered the armed forces today "to take all necessary action" to prevent a recurrence of Wednesday's rocket attack by Cuba-based MIG planes on an American shrimp boat.

Kennedy's action was announced by the White House, which attributed the attack in the Florida Straits to "Cuban agents."

In a second announcement, the White House said the Soviet Union has told this government that several thousand Soviet military personnel will be withdrawn from Cuba, as well as some military specialists who have been training Cuban military leaders.

"The United States government considers this action by the Soviet government a useful step in reduction of international tensions," the White House statement said.

As for the shrimp boat incident, press secretary Pierre Salinger announced a statement saying that the firing of MIG rockets at the shrimp boat Albatross was "deliberate."

"The United States government will expect a full explanation of the attack," the statement said.

Swiss channels were used to forward the note because the United States does not maintain diplomatic relations with Cuba.

The key sentence in the White House statement reads: "Orders have been given to the armed forces to take all necessary action against any repetition of such an attack."

The shrimp boat was not hit by the rockets.

While the White House called it an attack, the opinion in some U.S. quarters was that the missiles were deliberate. "This opinion was on the presumption that the planes could easily have hit the boat if they had desired."

Salinger was asked if the White House description of the planes as Cuban meant the U.S. government was certain Soviet planes were not involved.

"I think I'll let the note speak for itself," Salinger said.

Asked if there had been any earlier or later incident of the type involving the Albatross, Salinger said, "I know of no other."

At the Pentagon, a spokesman declined to spell out what was meant by "all necessary action."

It could mean opening fire on MIGs which threaten U.S. surface or aircraft.

Apparently U.S. fighters which witnessed the attack on the shrimp boat were under no such firing orders. It was understood they closed to within a couple of miles of the MIGs. Sources said the Russian-built planes were in a turn heading back for the Cuban mainland.

Bad Year

ST. PETERSBURG, Fla., Feb. 21 (AP)—Dietrich Ken Mackenzie, the New York Mets has a lament that would soften the heart of the sternest editor in the history of the Harvard Lampoon.

Mackenzie, who had a 5-4 record for the Mets last season, is holding out for higher wages this year.

"I've got it figured out," he said yesterday, "that I'm the lowest-paid member of the Yale class of 1956."

Owners of Tanker Will View Debris

KEY WEST, Fla., Feb. 21 (AP)—Owners of the missing tanker Marine Sulphur Queen planned an inspection of debris today while coast guard ships searched for the ship.

A search for the tanker, which vanished after sailing Feb. 2 with 29 men aboard.

An unidentified flare and floatation lettered "Sulphur Queen" stimulated the search. The coast guard had no assurance that the light had anything to do with the 523-foot vessel.

One possible explanation—that the flare was fired by the crew of a missing light plane—was eliminated when the plane was located on the ground at Miami. It had been thought missing on a flight from Miami to the Bahamas.

Grain Millers Win In Simplot Voting

HEYBURN, Feb. 21 (AP)—The Grain Millers union (AFL-CIO) scored a surprising upset victory in a labor representation election at the J. R. Simplot Heyburn plant here Wednesday. The union got 222 votes compared to 12 votes for the Teamsters union and 196 votes against any union representation. The return, supervised by the national labor relations board, came as a shock to Simplot officials who were confident of the no union forces. It was the third election held in the Heyburn plant and union representation was defeated twice before.

Bill Daniels, Burley, plant personnel manager, commented the election was successful, but that he was surprised at the outcome because "Simplot had expected the employees to vote for no union because of recent management efforts to improve employee working conditions."

Burley Hosts Spud Growers State Confab

BURLEY, Feb. 21—A one-day state-wide confab of Idaho potato growers and marketers was held here Thursday in the Burley Elks hall with about 250 persons attending.

Virgil Kennedy, extension economist from the University of Idaho, spoke about income effects of adopting improved technological methods.

"Despite technical progress, we have big problems," Kennedy said, "including surpluses, farm income, and so on."

The speaker told the news conference it would be far more difficult to reach agreement on a test ban than on nuclear disarmament because testing is easier than.

Tender Ships, Floating Docks Asked by Navy

WASHINGTON, Feb. 21 (AP)—The navy is enlarging its fleet of tender ships and floating docks to provide more floating overseas bases for its Pacific submarines.

Included in the new shipbuilding program submitted to congress in the defense budget is a request for funds to construct a fifth tender and to convert an older floating drydock capable of servicing the largest 63-foot long Polaris submarines.

Details were disclosed in testimony Wednesday before the House Armed Services committee by Vice Adm. Charles D. Griffin, deputy chief of naval operations for fleet readiness.

For the planned fleet of 41 Polaris submarines, the navy estimates it will need six tender ships with accompanying craft. Two tender ships are now in commission, a third was launched last month and a fourth is under construction.

Grazing Law Is Discussed At Meet Here

Several speakers highlighted the Wednesday afternoon meeting of the 71 livestock association reminding about grazing laws in days past, and announcements about new grazing activities.

The meeting, at the Elks hall, was presided over by Secretary of the association, J. R. Bookert, secretary of the association.

Club Closed

CARSON CITY, Nev., Feb. 21 (AP)—A Nevada gaming board, acting on an emergency order, closed the Stardust club at Jackpot Wednesday for non-payment of gambling taxes and fees.

The club is a small 200-room town on the Nevada-Idaho border.

Magic Valley Solons Mull Over Sales Tax

BOISE, Feb. 21 (Special)—Magic Valley's house of representatives members are now mulling over the sales tax bill which was introduced in the house Wednesday afternoon. Some of them are for it, some against it and some have yet to decide.

They were asked after the bill was introduced how they planned to vote and in general, what they thought of the bill.

The bill will be printed and available for study by Friday at the earliest, according to Peter T. Carrasara, R., Blaine, speaker of the house. He added that debate on the bill probably won't start for another week.

Senate Votes to Eliminate Idaho Fire Insurance

BOISE, Feb. 21 (AP)—The Idaho senate voted today to eliminate fire insurance on all state-owned buildings after a legislator implied that any opposition to the measure would be based on premiums received. "If you ignore the fact of who is getting the premiums," said Sen. Cecil D. Andrus, D., Clearwater, principal spokesman for the measure, "You couldn't help but support this bill." He called the measure the first one before this session of the Idaho legislature which would "actually save the state money."

But Sen. Jack Murphy, R., Lincoln, one of the 20 who voted against it, contended it would leave the state without adequate protection during the period of time a reserve fund was being built up. The vote for the measure was 21-2.

The senate sidestepped immediate action on the issue—passed election revision bill which still allows lawmakers machinery much of the legislature would not submit the matter to conference with legislative leaders in the House in an effort to reach an amicable settlement.

Chief Rewraps Old Medicare Package

WASHINGTON, Feb. 21 (AP)—President Kennedy put his battered plans for health care of the elderly into new wrappings today—part of a 10 billion dollar, five-year plan aimed to better life, income and housing for senior Americans. But it was bound to be old hat to congress. Besides the expected, and once-defeated proposals for hospital insurance for the aged through social security, the President asked again for tax benefits for the elderly, part of his tax message last month. The hospital insurance plan is expected to cost \$5.6 billion for the first four years, the tax benefits \$3 billion dollars for the first five years.

Thus, in this special message on problems of the aging—the first ever by an American president—the new Medicare package is quite familiar.

But, in addition, the President asked for:

More money for low-interest loans to build rental housing for elderly persons of moderate income.

New emphasis on building group residences for the elderly where central dining and housekeeping services are available, where nursing care can be provided, but privacy is preserved.

More jobs for those past retirement age who want to work—including a directive to federal agencies to evaluate applicants and employees on the basis of ability, not age.

President Kennedy recommended \$35 million to better the lot of senior citizens. But the heart of the program was hospital insurance. Concurrent with the President's message, a new administration bill to be introduced in congress.

Canadian To Back Strong Atomic Stand

OTTAWA, Feb. 21 (AP)—Lester Pearson has committed his liberal party to a new defense policy based on a strong pro-nuclear stand.

Pearson's sources said today that Pearson has decided that previous attempts to build up a balanced nuclear defense policy were creating an ineffective image and costing too much money.

The balanced policy laid equal stress on immediate acquisition of atomic weapons and on efforts to "renegotiate" a non-nuclear pact for Canada.

Canada's nuclear policy caused the collapse of Prime Minister John Diefenbaker's conservative government in 1957. Diefenbaker, elected April 8, Diefenbaker had declined to accept nuclear weapons for missiles and bombs in Canada.

Informed sources said that Pearson would announce a new policy Saturday in Montreal. Pearson would lay almost total emphasis on a compromise to meet what he considers Canada's immediate commitments to arm its forces in the event of a Europe with nuclear weapons.

Over 10 billion dollars for first five years. The health insurance program is expected to cost \$5.6 billion dollars in social security trust funds plus 360 million dollars in new taxes "not covered by social security."

Purpose: "To enable our senior citizens to achieve both a better standard of life and a more active, useful and joyful life than they have had."

Chattahoochee, R., Canada—"I haven't seen the bill yet, but if it is the right kind—and I hope it is—and if it gives relief to the areas that are now carrying an unjust share of the load, I don't think we have anything to say against it."

The lower income brackets and some inventory relief. These are the areas that are most unjustly burdened.

There is a lot of talk on small taxes here and there, as has been done in prior sessions. It seems to me that this is perhaps the only session that a sales tax has been proposed which would bring in the tens of millions of dollars that others who have had

GLENN FERRY, Feb. 21 — Jack Craig and Dale Goodson, Glenns Ferry high school counselors, were given the past nine years' very given life membership pins at the open house and special founders day program at the Glenns Ferry PTA meeting Tuesday night.

The colors were presented by club Scout dens two and three. The opening prayer was by the Rev. Alice Martin, of the Nazarene church.

Room count for the evening was won by Mrs. Brown's first and second grade with a 70 per cent attendance.

Mrs. Charles Parris, president, announced open house will be held at the Hannett school Monday.

Mrs. Louis Solobohal was elected treasurer of the nominating committee by the PTA executive board.

Mrs. Iris Thompson and Mrs. Dan Carahan are members.

Mrs. Elden Allen, magazine chairman, announced a year's mailing to subscribe for the PTA magazine, should contact Mrs. Jess Edwards.

A silver offering was taken for the support of the Idaho state PTA.

Mrs. Ralph Hall was chairman and Mrs. Charles Grow, co-chairman for the Founders day program with a special candle-lighting ceremony.

Mrs. Paul Bhrum sang a solo accompanied by Mrs. Dan Wicher at the piano.

Mrs. Devoe Hickett was in charge of refreshments. A cake decorated with the Founders day motif was made by Mrs. Rollin McKee.

Speculation Rises on Red Troop Order

MOSCOW, Feb. 21 — Western diplomats speculated yesterday that the Kremlin's pledge to withdraw some Russian troops from Cuba might be intended to avert another Soviet-American showdown in the Caribbean.

But the diplomats greeted the promise with as much caution as optimism.

They pointed out that the true intentions of Premier Nikita S. Khrushchev's move depended upon "how many and what kind."

According to reports from Washington yesterday, Khrushchev promised to remove "several thousand" Russian soldiers from Cuba by mid-March. Russia has an estimated 17,000 soldiers and technicians on Premier Fidel Castro's Caribbean island, 6,000 of them combat troops.

The Kremlin's continued with the take-it-or-leave-it attitude assumed by the Russians at the Geneva disarmament conference in refusing to negotiate a nuclear test ban treaty except on the Kremlin's terms.

Red General Beats Chest Over Rockets

MOSCOW, Feb. 21 — A top Russian general said today the Soviet Union has perfected 100-megaton warheads for rocket assault and anti-missile defenses to guard against any attack.

Col. Gen. Vladimir P. Tolubko told the red army newspaper Red Star that Soviet rocket power far outstriped United States capabilities.

"Indeed how can one compare the strength of the biggest American warhead, that installed in Titan rockets, which is seven megatons, with the warheads of Soviet rockets, which go up to a strength of 100 million tons of TNT," he said.

News Around Idaho

BOISE, Feb. 21 (AP)—Idaho's third district court clerk today filed an application for organization of the 7th-10th district in the state. The application was filed with the state finance commissioner on an application for organization of the 7th-10th district in the state. The application was filed with the state finance commissioner on an application for organization of the 7th-10th district in the state.

POCAATELLO, Feb. 21 (AP)—The Pocateello school board has purchased a \$17,000 site on the eastern edge of the city for construction of a new high school. The school site is about a quarter of a mile east of the Pocateello creek interchange. It was purchased from town and county real estate with money from a federal plant facility reserve fund. The school board said it would help serve the area now served by Snyders and Tindley schools. Both schools are overcrowded, he said.

BOISE, Feb. 21 (AP)—Gov. Robert F. Smylie refused Wednesday to sign a bill that would require the state to insure the liability of insurance companies in the state. Smylie said "I just don't think the legislature has the right to do that."

BOISE, Feb. 21 (AP)—A bill providing an appropriation of \$1,000,000 to the state hospital for the construction of a new hospital wing was introduced Wednesday in the Idaho house of representatives. That figure is the same as recommended by Gov. Robert F. Smylie. The bill would provide \$1,000,000 to the state hospital for the construction of a new hospital wing.

BOISE, Feb. 21 (AP)—Methods of purchasing by state agencies were questioned Wednesday in a statement on the senate floor by Sen. C. Chase. Dr. Chase said he had received information from the state finance commissioner that the state was purchasing goods and services from a single source. to opportunity to help maintain the business of government. Cenarrusa said "I would like to make a thorough study of the bill before I make my decision."

William Lanning, R., Twin Falls— "I still intend to vote for the sales tax bill—provided we get the whole package and provide the general fund expenditures are maintained at a reasonable level. I still feel that the bill will pass the house by about five votes."

Verdon, R., Ravenna, D., Gooding—"I haven't read or studied the bill yet, so I wouldn't take a particular stand, but my inclination is to oppose the bill. I feel it would work a hardship on the farmers who would not be part of their net income."

Turner, R., Twin Falls—"I intend to vote for the proposed sales tax measure. In my opinion there has been a lot of constructive thought and research in the preparation of this particular bill than any of the others that have been proposed to the Idaho state legislature."

"It is my understanding that the proposal as written—in comparison to other states in which the sales tax is in effect—is one of the best. It is not the best sales tax measure with all its proposed tax revisions."

James O. Martin, R., Jerome—"Yesterday, I would have voted for the bill—today I am undecided. I feel this is one of the best, best, best bills that I have ever seen. It has been offered because it is a replacement tax rather than an additional tax. But I feel that it is not a sense working for a good tax."

Doctor Reports Flu Outbreak Is Not Asian Type

OKLAHOMA, Wash., Feb. 21 (AP)—The state health department says an illness which has broken out in the Pand Creek community of Okla. is not Asian flu. The state health department says an illness which has broken out in the Pand Creek community of Okla. is not Asian flu.

"We are trying to find out who the children have," Dr. E. A. Ager, head of the department of communicable diseases, said Tuesday. "It seems to be a one-day illness with stomach and respiratory complaints."

Ager's assistant, Dr. George J. Jones, said that of the 299 pupils in the Pand Creek consolidated school district were absent. No diagnoses were made, but some of the cases were described as resembling Asian flu.

Asian flu has been spreading across the United States, but no cases have been reported in Washington. Ager predicted some will occur within two weeks. He said he had the prediction on the rate the disease is spreading.

Sales Tax Look Shows Many Facets

BOISE, Feb. 21 (U-P)—Here in brief is what the live-bill sales tax package introduced Wednesday in Idaho's house of representatives would do:

Provide these levies on retail sales:

- Sales from 15 through 44 cents, one cent tax; sales from 45 cents through 74 cents, two cent tax; sales from 75 cents to \$1, three cent tax.
- Provide these income tax reductions:

 - First \$1,000 of taxable income, from 3 per cent to 1 per cent; second \$1,000, 5 to 1 1/2 per cent; third \$1,000, 6 1/2 to 6 per cent; fourth \$1,000, 7 1/2 to 7 per cent; fifth \$1,000, 8 1/2 to 8 per cent; over \$5,000, 9 1/2 to 8 1/2 per cent.
 - Eliminate the \$10 head tax filed with income tax returns and appropriate four million dollars in sales tax revenue to the permanent building fund.
 - Eliminate the clerk mill local school levy and appropriate to each county from the sales tax fund an amount equal to the sum that would be raised by applying the eight-mill levy to the equalized assessed valuation.
 - Allow incorporated cities to receive 50 per cent of profits from state liquor fund and eliminate state's share, now 42 1/2 per cent.
 - Eliminate payment of the state's share of social security tax from the federal Social Security retirement fund. Money would be paid from receipts of the sales tax.
 - Appropriate \$800,000 for the next two years to administer the sales tax law.

Henry A. McGhee Honored at Rites

GOODENO, Feb. 21—Funeral services for Henry Arthur McGhee were held at 2 p.m. Tuesday in the Thompson chapel by the Rev. Jim Davis of the Assembly of God church.

Mrs. Jim Davis presented two songs, accompanied by Mrs. Ray McGhee.

Palbearers were Albert Hall, Paul Daniel, Kenneth Peterson, Star Umphreys, James Vaughan and Dean Rogers. 15 honorary palbearers included William O. Shoup, George Daniel, Fred Winters, Harold Shoup, Harry Shoup and Herbert Warren.

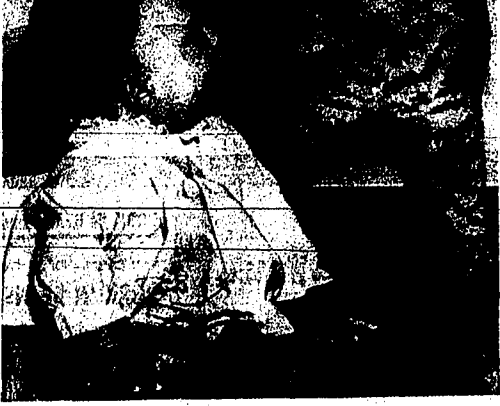

Last rites were held at Elmwood cemetery.

Declo Hears Talk By Burley Aides

BOISE, Feb. 21—Dave Lewis of the Burley Kiwanis club spoke on the youth program Monday noon at the Declo club luncheon at 400 N. Main.

Joe Varrington, also from the Burley club, showed a film on the youth program. Leon Street and Wayne Konrad, other Burley members, were guests.

The club pledge was led by Francis Lynch and Joseph Preston gave the invocation. Linda Johnson was the accompanist for the singing.

THERE'S NOTHING LIKE a pet in the household. In the Frank Cacks, Jr., home the pet happens to be a 14-pound bobcat named Chokers. Six-month-old Lisa Cacks and Chokers seem to be trying to get better acquainted—close range. The Cacks were given the bobcat by a state trapper. (AP wirephoto)

Pianist Lauded for Talent At Community Concert Here

By MRS. MARSHALL LABARON

Andre Juliette Brun, pianist, appeared as a last minute replacement for violinist David Abad in the fourth concert of the current Community Concert series at the P.T.A. high school auditorium Wednesday night.

There was nothing "last minute" about Miss Brun's presentation. It was the work of an artist who is well grounded technically, has the possession of a high degree of musicianship and is capable of almost masculine strength and subtle delicacy in the lyric sections.

Her "Fantasy in C minor K. 457," beautifully stated pianistically, was followed by Beethoven's "Sonata Op. 15 in C major." In this, she played the first passages with flashing brilliancy, the slower sections with deep expressiveness, and throughout the work showed finesse in dynamic shading and beautiful built crescendos.

The first section of the program closed with Chopin's "Andante-Spianato at Grande Polacca Brillante Opus 22." The selection provided Miss Brun with ample opportunity to show both subtle expressiveness and command over the technical demands of bravura passages.

Her interpretation of Fauré's "Impromptu Opus 34" and Debussy's "La Puerta del Vino" and "Le Jardin Sec" was most sensitive. To her these works presented by an artist whose cultural background is similar to that of the composer, and therefore perhaps more attuned to the stylistic demands of these works.

Two weeks by Franz Liszt concluded the program. First was "Un Sospiro" with an impressively poetic quality, then the "Hungarian Rhapsody No. 12." From the thunderous opening through the assorted virtuosic passages it was a brilliant finale to the concert. Her encores were Chopin's "Nocturne in C Sharp Minor" and "The Revolutionary Etude."

Program Set

FILIP, Feb. 21—The Victory-Montreal P.T.A. will meet at 8 p.m. Monday at the high school auditorium. A special Pioneers day program will be presented. There will also be several music numbers.

A nominating committee will be appointed for election of officers in March.

Grange Has Film on Soil Conditioning

HAMILTON, Feb. 21—Frontier Grange members were shown a film on "Soil Conditioning" by Harper Husaker, Paul, when the Grange met Monday evening at the Frontier hall.

Husaker, district manager for the Planter Soil Conditioner company, was accompanied by Mr. and Mrs. Don Lanning and Mr. and Mrs. Malone, Twin Falls. He also are representatives of the company. Mrs. Elwyn Allison, lecturer, introduced them.

Husaker stressed the importance of his trip to Boise to talk with senators concerning legislation of interest to Grange members. He said a resolution was presented from Remona Grange opposing a sales tax.

Mrs. Sam Thornton was given the obligation as new secretary by Master Ed Carlson, who presided at the business meeting. An application for membership of Mrs. Scott H. Harkness was approved by the group, and plans were made for a card party to be held at the hall March 11.

Refreshments were served by Mr. and Mrs. Bill Brown, Jr.

The meeting, March 11, will feature an auction of cooked food, fancy work or other articles.

Parks Report Is Given for Rupert Meet

RUPERT, Feb. 21—Members of the Rupert city council heard a report from the parks committee and from a representative from Hamilton and Voller engineering firm at the regular meeting Tuesday night.

Clarence Birrer and Grant Cammell of the parks committee, reported committee members had decided against the development of the multi-pilot-offer-the-city of Hazel Dean Hunter since the cost of the project would be prohibitive.

They received permission to plant grass and trees in the area on 11th street formerly occupied by the veterans housing.

Robert Hamilton, Pocatello, reported on the progress of plans being drawn by his company for the long-range construction project of storm drains throughout the city area.

Don Dickson and Clarence Birrer, of the airport committee, requested \$10,000 to \$12,000 for the city for the purchase of suitable ground for an airport. The matter was tabled for further investigation.

Police Chief H. O. Willis outlined a plan for the use of his department instead of the outright purchase as has been the custom in the past. He gave some figures from local dealers, and explained how the plan is used by other police departments.

Charles Clark of Clark Motors appeared before the council to present the method of handling of wrecker service calls by the police department. He felt that his company was being discriminated against, and wanted the call allocated on a monthly basis between his company and Hazel Chevrolet.

Chief Willis explained that the value of the persons involved are carried out in determining which wrecker is called.

Two letters of application for the position of recreation director were read and discussed, including one from Omer Dockier, director for last year's program, and Lee Bartlett, Filer. No action was taken.

A building permit for Anderson Lumber for the construction of a storage shed was approved, and the installation of a sign for Andy's cafe for Charles Anderson was approved.

Agreement with the highway department for the installation of a water line to the new highway yards was announced, and the approval of the lease to L. Douglas for the land occupied by Andy's Chevrolet service was given.

There was some discussion of the 1960 budget, with a date for the public hearing to be announced at the next meeting.

Mayor Oliver Acock said the city offices will be closed in observance of Washington's birthday Friday.

Pancake Supper Slated by Youth

Annual pancake supper sponsored by the Junior High Methodist Youth fellowship will be held from 5 to 8 p.m. Friday at the fellowship hall of the church.

Niki Ronik is chairman of the entertainment committee, assisted by Cathy Harkness, Connie Myrna Finney, Patty Nelson and Denise Lee.

Marda Schmidt is directing publicity, assisted by Kathy Harkness, Linda McCoy, Janet Barton and Bruce Smith.

Decorations are being arranged by Allen Whicker, Charlotte Walsby, John Carrabrand, Kathy Harkness, Sheila Dryden, Sarah Harkness, Carol Graybill, Janet Motherland, Diane Westwood and Vicki Knight.

Maria Osteron is in charge of tickets, sales, refreshments and will be furnished throughout the evening, reports Mrs. John Rick, treasurer.

Peak in Defense Spending Appears to Be in Sight

WASHINGTON, Feb. 21 (AP)—The peak in defense spending appears to be in sight.

But there are unknowns and uncertainties that could prevent any substantial downturn or even a leveling off in the years ahead.

General administration officials, including Budget Director Kenneth Gordon, have been speaking optimistically of late. Pentagon authorities agree there is a basis for such optimism.

President Kennedy's proposed budget for the coming bookkeeping year contemplates record peacetime military spending of about \$15 billion dollars—more than half the total federal budget.

This is about \$1 billion dollars higher than the last military spending proposals submitted to Congress by President Dwight D. Eisenhower before he left the White House two years ago.

Much of the heavy increase comes from the Kennedy administration's urgent push to (1) speed jet transporters to the troops on its way to being overcom-

Powell Shouts Race Bias in Face of Fund Muff Charge

WASHINGTON, Feb. 21 (AP)—Rep. Adam Clayton Powell has accused Sen. John J. Williams of racial bias, but Williams says how government money is spent—not race—is the issue in his attack on the Negro congressman.

Powell accused Williams, R., Del., at a news conference Wednesday of following "the Hitler concept" of purchasing property that the New York Democrat said is under a restriction limiting its use to "Aryans." Asked if he felt there was a racial motive to Williams' criticism, Powell said he felt emphatically, "Yes."

The senator argued back at Powell Wednesday night, "I never have and never will refer to any man's race, religion or nationality in discussing a case on the senate floor or off it." Williams told a newsmen,

"I do intend to see that anyone who is a member of Congress or not, gives a proper accounting of his government—money—spent," he said. "We're going to keep right on the issue and will not be diverted."

French Probe New de Gaulle Death Plot

PARIS, Feb. 21 (AP)—Security forces were reported on the track yesterday of a possible new plot to assassinate President Charles de Gaulle.

Five rifles, two with telescopic sights, were stolen early yesterday from a gun shop in Poitiers, 60 miles southwest of Paris.

The weapons were similar to those obtained by the gang that planned to shoot de Gaulle when he visited a military school near the Eiffel tower last Friday.

Informed sources said the guns may have been stolen to prepare for a new attempt against the president. He already has escaped at least eight death plots since his return to power in May, 1958.

The sources said it appeared almost certain more attempts would be made on de Gaulle's life.

Powell said he used state department counterpart funds as do other members of Congress.

Discuss Speaker

OLIVIER PERRY, Feb. 21 —The senior class at Olivers Ferry held a meeting Wednesday to discuss selections of a graduation speaker. A committee of five, consisting of Becky Allison, Richard Sobochal, Terry Clark, Susette Williams and Ed Poppleton, was appointed to pick the speaker.

The class has chosen the motto "Education our tool; success our goal." The class colors for 1963 are red and white and the class flower is the red rosebud.

Sewer Installed For Fairgrounds

OLIVIER PERRY, Feb. 21 —Sewer lines for the Olivers Ferry fairgrounds at Olivers Ferry are being installed by county highway department and Olivers Ferry city street department workers.

This is one of the many improvements to be completed before the 1963 fair is held this fall.

25 Quartets To Compete At Festival

About 25 vocal quartets will participate at 8 p.m. Saturday in state-level competition in a church-wide LDS quartet festival in the Twin Falls state tabernacle cultural hall.

Winners in the three divisions will compete March 3 in regional contests at Burley. Divisions include senior, for persons 18 years old and over; junior, 14 through 17 years of age; and a third division for members of the Beehive girls and Boy Scouts, 12 through 14 years of age.

All 13 in the state will be represented and each quartet will sing two numbers — one serious or religious song and the other a novelty selection.

Important judges for the contest are being selected from the local music club and schools.

A highlight of the festival will be presentation of a one-act one-fifteen-minute drama directed by Richard Shepherd, state drama director. The play will be performed while judges are deciding on results.

The public is invited to attend and there will be no admission charge.

The stake festival is being sponsored by the Twin Falls LDS stake Mutual Improvement association, with Mrs. Lawrence Wiggins, stake music director, and Mrs. Larry Sorenson, stake activity counselor, in charge.

Man of Many Talents Dies In Kentucky

CYNTHIANA, Ky., Feb. 21 (AP)—"Dent" has ended the life of a man of many talents. Dr. Denton G. Graham, 50, who was in the nursery rhyme, was doctor, lawyer and musician but he had a memorable encounter with one.

Graham, 60, died Wednesday in a Lexington hospital.

As a youth in the Kentucky mountains, Graham learned to play the black and white piano. He held patients' teeth while the dentist worked, with his hands.

Graham became a doctor and later a lawyer in the state capital. He learned doctoring by heart. He wrote books on physics and reading his books when he was 10.

He passed out pills in Oklahoma for 10 years before an incident—a strong dose of calomel for an unwell child—led him to medicine.

Buhl Groups Set Benefit Auction

BUHL, Feb. 21—The Buhl Jaycees and Jay-G-Bites are conducting a benefit auction for the "Donate to educate adults" which is being sponsored by the two groups.

The auction project for Southern Idaho college, Buhl, will be held at the Teen-O Youth center building here March 3. The auction will be held with the exception of clothing, are being solicited.

Persons wishing to donate articles are asked to contact Mrs. Larry McDermid, phone 545-4669; Mrs. Jay Zieda, phone 545-5858; both Buhl; Mrs. D. Robert Johnson, P.O. Box 100, Buhl; Mrs. Larry Records, Twin Falls, phone 735-5185. Arrangements will be made to pick up the articles.

Last Honor Paid Russell Wilson

BUHL, Feb. 21—Funeral services for Russell T. Wilson were conducted at 2 p.m. Wednesday at the Buhl First United Presbyterian church by Rev. Sullivan C. Olson, pastor, assisted by the Rev. Delmar M. Talley, pastor of the St. John's Episcopal church.

Mrs. W. F. Clahman and Mrs. Emory Woodruff sang duet selections accompanied by Mrs. L. Kern, organist.

Funeral services were Ben P. Lemmon, J. F. Maters, William Dowd, Robert Goff, John Schaid and Edith Pihl.

Concluding rites were held in the Buhl city cemetery.

Last Rites Held For John Myers

GOODING, Feb. 21—Funeral services for John A. Myers, 67, Gooding, were held at 2 p.m. Monday at the Thompson chapel, Gooding, with the Rev. Harold Gooding, pastor.

Three songs were sung by Perdie Carmen and Lena Rice, as accompaniment.

Funeral services were Rob. Cloutier, Rob. Stewart, Tex. Wolfe, Paul H. Brown, Ray Wolfe and Loren Watson. Alternates were David Robbins.

Last rites were conducted at Elmwood cemetery.

Scouter Talks

MAITA, Feb. 21—Alan R. Anderson, district scout executive, Burley, was a special guest at a scout meeting held at the Maita BSA club house Monday evening.

Problems of local scouting, registration and annual charter review and applications were discussed. Clarence Barrett, neighborhood commissioner; Brent Udy, explorer leader; Jerry Udy, scoutmaster; and Mrs. Jerry Udy, state primary club scout representative, also attended.

PEG LEO PONY is Peggy, Shetland with only three legs who has been fitted with a new artificial limb. The pony lost its right foreleg in a fence some months ago. Her owner, Charles Branson, Shawnee, Kan., spared her life and a veterinarian amputated a five-inch segment of the leg. A Kansas City company made the artificial limb which Harry Harris is shown fitting. The limb is of plastic and fiberglass and has a rubber tip. The pony was to be returned to her owner's home in Shawnee Thursday. (AP wirephoto)

Rehearsals on "Oklahoma!" PTA Selects Production Progressing

Members of the Dilatante group of Magic Valley are rehearsing this year's offering, "Oklahoma!" into shape for presentation at the PTA high school March 1-3 and 7-9.

This year Mrs. Tom McVey will sing the female lead of "Laurey." It is her first lead in a Dilatante production, but she has appeared in performances of "The Moonlight" in the Magic Valley, in college she was a soloist in the Dilatante group, and sang the lead in "Great Day."

Calvin Conner, veteran Dilatante star, will play "Curley," the lead in "Brigadoon" and also sang the part of "Curley" in college.

Mrs. Richard Cook, a newcomer to the Dilatante group, will portray "Aunt Eller." She studied dancing and voice locally and has several roles in PTA high school productions to her credit.

Mrs. Howard Harder plays "Ada Annie" in the production. She joined the group last year in the chorus of "Kiss Me Kate" and has sung in PTA productions.

John Eason, veteran of many roles with the Dilatante, will appear as "Jud Fry," the evil farm hand. His work also includes collegiate drama work.

Film-Shown To Murtaugh Farm Bureau

MURTAUGH, Feb. 20—The film, "The Stubbling Buck," was shown at the Monday night meeting of Murtaugh Grange by representatives of Mountain States Telephone company. The all-number dialing system was explained and a question period was conducted.

A report was made on several agriculture schools to be held in the area.

John Byer read a resolution pertaining to a change of plan on commodity controls. O. W. Johnson reported on proposed legislation changing driver licensing.

The home economics committee announced a goodwill supper had been tentatively scheduled for March 25.

It was noted two lights have been installed in the parking area around the hall and side-walks will be placed soon.

Guests at the meeting were Kenneth Poe, Pomona master, and Mrs. Poe, Twin Falls; Mrs. and Mr. Ward, Cedar Draw Orange.

Refreshments were served by Mrs. and Mrs. Tommy Shoup and Mr. and Mrs. Norman Freeman.

Seats Available For "Oklahoma!"

Many choice seats are still available for the Dilatante Group of Magic Valley's production of Rodgers and Hammerstein's "Oklahoma!"

All seats are reserved and can be obtained at the Chamber of Commerce office, Twin Falls; Sav-Mor drugstore, Buhl; Black and Reese company, Castleford; Modern Drug, Piler; Sullivan Music, Jerome, and Wendell Drug, Wendell.

An special reservation desk and telephone (732-3504) are located in the local Chamber of Commerce.

Performances are slated for 8:15 p.m. March 1 and 2, and 7-9 a.m. March 3. The play will be presented at 2:30 p.m. March 3. All presentations will be in the PTA high school auditorium.

White House Press Edict Bringing Upstairs

WASHINGTON, Feb. 21 (AP)—The White House said today it is taking a leaf from the Eisenhower administration's notebook concerning press coverage of President and Mrs. Kennedy's social events.

Press secretary Pierre Salinger said the administration has decided to change the way reporters to witness the arrival of guests and the Kennedys. They also will be allowed to observe the social events.

The question of coverage came up at a meeting today with a reporter asked the current status of negotiations of on-site inspection of diplomatic receptions.

The first lady's press secretary, Pamela T'Amara, announced earlier a clamp-down on reporters at social events. She told wire services later, however, that she had "misinterpreted" the situation.

Salinger declined to give an answer why President Kennedy and the first lady have decided to curtail coverage of their parties.

Since the Kennedys came into the White House, the administration has been allowed to cover the receptions from beginning to end and to mix with the guests. At formal dinner parties they have been allowed to come in late in the evening to cover the entertainment in the east room.

Salinger was asked, "Is this part of the new policy of managed news?"

"I don't know what managed news is," he replied. "Nobody has defined this to me."

Salinger also was asked to comment on the statement of Mrs. C. H. Toland, Wendell, 55, Rep. Abner W. Sibal, R. Conn., who said "The Kennedys are not the owners of the White House. Sibal said 'The American people own it and are interested in who is being invited and who is being by the first family.'"

Salinger said he had not seen the statement.

Sources said Mrs. Kennedy for some time has wanted to ban reporters from mingling with guests at social affairs. The President's wife, it was said, feels that women with their packs and pencils take away from the relaxed atmosphere of her parties.

Mrs. Kennedy also said to feel that reporters should not interview her parties.

Salinger said that from now on reporters will be permitted to witness the arrival of guests and the Kennedys. They also will be allowed to observe the social events.

"I don't know what managed news is," he replied. "Nobody has defined this to me."

Salinger also was asked to comment on the statement of Mrs. C. H. Toland, Wendell, 55, Rep. Abner W. Sibal, R. Conn., who said "The Kennedys are not the owners of the White House. Sibal said 'The American people own it and are interested in who is being invited and who is being by the first family.'"

Salinger said he had not seen the statement.

Sources said Mrs. Kennedy for some time has wanted to ban reporters from mingling with guests at social affairs. The President's wife, it was said, feels that women with their packs and pencils take away from the relaxed atmosphere of her parties.

Mrs. Kennedy also said to feel that reporters should not interview her parties.

Salinger said that from now on reporters will be permitted to witness the arrival of guests and the Kennedys. They also will be allowed to observe the social events.

The question of coverage came up at a meeting today with a reporter asked the current status of negotiations of on-site inspection of diplomatic receptions.

The first lady's press secretary, Pamela T'Amara, announced earlier a clamp-down on reporters at social events. She told wire services later, however, that she had "misinterpreted" the situation.

Salinger declined to give an answer why President Kennedy and the first lady have decided to curtail coverage of their parties.

Since the Kennedys came into the White House, the administration has been allowed to cover the receptions from beginning to end and to mix with the guests. At formal dinner parties they have been allowed to come in late in the evening to cover the entertainment in the east room.

Salinger was asked, "Is this part of the new policy of managed news?"

"I don't know what managed news is," he replied. "Nobody has defined this to me."

PTA Urging Driver Class At Shoshone

SHOSHONE, Feb. 21—Mrs. Van Dyke, who said "We're paying into the state fund to drive education, it will cost district nothing and several people have asked me why the program has not been instituted here."

Life memberships were presented by Mrs. Lucella L. Kinney, Mrs. P. R. Mahbutt, Mrs. Burton Thorne, committee chair.

Mrs. Kinney has reared children who had attended Shoshone schools and lived on a farm. She has been a PTA officer in various PTA offices throughout the years. She is a nurse and a club officer.

Mrs. Mahbutt, a teacher for the exceptional child school at Gooding, has served on the local PTA board for many years, has been a PTA officer and is now a state PTA officer.

For the Founder's night program, Mrs. Mahbutt will narrate for a novelty presentation entitled "Have a PTA Secret." Panel members were Mrs. R. G. Neher, chairman of the school board, Mrs. W. H. Neher, principal, and Mrs. J. Howard Manning, a past PTA president.

Constanta were Mrs. Debra Gehrig and Mrs. W. A. Hall, past presidents, and Mrs. Ralph Anderson, the local teacher. Mrs. Mahbutt is past PTA president.

Special musical selections were presented by the newly-formed Federated Women's club chorus. Mrs. Velma Allen directed the chorus and Mrs. Claude Chas. was accompanist.

One of the members of the women's club was Mrs. W. A. Hall, high school number introduced at the national PTA convention. Mrs. Mahbutt was narrator for the number.

Past presidents is recognized by the newly-formed committee for next year's officers were Kinney, Mrs. Marvin Paulson, Mrs. William H. Neher, hostesses were Mrs. Joe Parsons, Mrs. Charles Borden and Mrs. Sherman Sorenson.

Two Laugh Over "Spy" Fear of CIA

WASHINGTON, Feb. 21 (AP)—Neighbors of the central intelligence agency in suburban Virginia said yesterday the idea that they might spy on the spy agency was ridiculous.

"We're beginning to wonder what they can see through our windows now," said Mrs. Leonard Pullin, whose ranch-style bungalow is a few hundred yards from the main entrance of CIA headquarters in McLean, Va.

She and Mrs. H. H. Stetson, Jr., a neighbor, were amused by reports that the CIA was trying to buy their land for security.

"Even if we had very high-powered binoculars, we still couldn't see what was going on nor would we care to," said Mrs. Stetson. "It's ridiculous."

The controversy started when Robert L. Viner said last week he plans to build high-rise apartments on 12 acres he owns on a hillside facing the southeast side of CIA headquarters.

The general services administration promptly informed the landowners it intended to buy their property. Viner said he understood the CIA was afraid residents of the apartment buildings would be able to peer into CIA offices with powerful spy glasses.

The GSA said the government owns or controls the rest of the land surrounding CIA headquarters.

Talk At Filer

FILER, Feb. 21—Mrs. D. A. Parrot and Carol Mead were youth speakers at the Sunday evening sacrament meeting at the Filer LDS church. John Storm was in charge of the meeting.

Out of town speakers were Clark, Call and Lyman Shook, Twin Falls.

Founders Day Is Observed At Murtaugh

MURTAUGH, Feb. 21—PTA founders day was observed Tuesday night with a potluck supper served in the lunch room of the high school. Convocation was given by Gloria Kula.

Mrs. DeVon Anderson presided for the business meeting. In the presence of Mrs. A. K. Cummins, PTA president, a silver certificate was taken.

Plans to serve on the nominating committee are Mrs. Harold Savage, Mrs. Roger Tolman and Mrs. Alice Slaton.

Morris Lattimer, school board member, reported on the proposed consolidation of the high school.

A question period was conducted after the report.

The room count prize went to Mrs. Dreyer's first grade.

The fifth and sixth grade drill was performed.

Mrs. Truman Davidson and Mrs. Gilbert Quisenberry, high school mothers, and the PTA executive board made up the serving committee.

The PTA executive board meeting was announced for 7:30 p.m. March 4 in the high school.

Burley Votes Approval for Zoning Plan

BURLEY, Feb. 21—City council members approved a request to change three blocks of Overland street, from 31st to 32nd street inclusive, to a commercial zone Sunday night, despite protests.

About 20 residents appeared at city hall for a public hearing and both sides were heard by the council. Opponents of the change presented a petition opposing the change from residential to commercial.

Appearing in favor of the change was Willard Allen, who requested that the 2100 block be changed two years ago. He was represented by Attorney Robert J. Belderson, Twin Falls, who noted that he has "been on both sides of the zoning issue in many Idaho cities."

"Zoning is totally foreign to our nature, but in most instances the court will uphold zoning changes from residential to commercial," he said.

One man asked if the court had the right to tell the city council what to do. City Attorney Herman Bedde stated that the courts do not change the council's decisions unless the council has acted unconstitutionally. He stated that an individual or group of individuals would have to sue to take zoning cases to court if they wished.

One proponent said, "I spend my money in Burley, I want to see it grow, but when you destroy zones and beauty and things that grow, you destroy the democracy. If the council rescinds this area and destroys our zone they are destroying it."

The hearing ended after about two hours of discussion and the council retired to the council chambers to make the final decision.

In the unanimous ballot in favor of the rezoning, one council member noted he feels it is justified since the people who oppose it so strenuously still are receding to the court.

Completion date for the city sewer project being constructed by Davis Construction company was extended to March 15. The company representative explained that weather conditions had completely halted work for a lengthy period and requested an additional time without penalty.

Council members rejected a plan filed by Alma Clark, Burley, asking the city to pay him \$1200 for crop losses on seven acres of ground due to an easement the city had on the property for the sewer project. It was decided to make Clark an offer of \$275, which the council was a fair price for a half acre.

A request from Howard Shell to establish a trailer court in North Burley was granted.

A bid from Chisholm brothers for three Ambassador cars was orally accepted. The cars will be used by the police department on a lease basis at the rate of \$15 per month.

Mayor J. L. Salmon presented the 1953 budget of \$1,238,102.65. Salmon pointed out that the council coincides exactly with the anticipated revenue of the city. The budget was approved and there will be a public hearing on March 4 for any objections.

YOUR BIRTHDAY and HOROSCOPE

THURSDAY, Feb. 21 — Born today, you will have to be ever on guard that your communications are not being used against you. Don't think you "take off" one jump ahead of your opponent. The powers. Apt either to love or hate rather violently, you would do yourself and those associated with you a tremendous wrong by developing the attitude of "Stop look and listen" before acting or passing judgment on your own or other people's affairs.

Part of your nature desires and has the ability to be gay, charming, life-of-the-party type. Another part of your nature — perhaps the truer part — has the ability to be serious and to keep aloof from people for long periods of time. Understand and you will avoid much self-mortification. Allow others to understand and they will be able to know you better.

Your gifts are of the creative, artistic variety, and you cannot be completely happy if you don't have the opportunity to use them. If you have not been able to make an actual career in the arts, therefore, you must not neglect to fill at least some of your leisure hours with an artistically creative avocation.

Among those born on this date are: W. H. Allen, poet, critic; John Cardinal Henry Newman, churchman, author, critic;

Charles Scribner, publisher; Branden Matthews, author, critic.

To find what is in store for you tomorrow, select your birthday star and read the corresponding paragraph. Let your birthday star be your daily guide.

Friday, Feb. 22

PISCES (Feb. 20-March 20) — Self-study is the order of the day for Pisces. A few months alone may be worth hours spent with others!

ARIES (March 21-April 20) — Keep your temper far beneath the surface today. You may have reason to raise the roof — but don't!

TAURUS (April 21-May 21) — Financial problems that seem overburdensome can, with effort,

be made to yield before good judgment and reason.

GEMINI (May 21-June 21) — A day when it is wiser not to tell all you know, even if doing so would raise you in another's estimation.

CANCER (June 22-July 23) — Words can do harm. Be on guard on your tongue today. Judge if you wish — but silently!

LEO (July 24-Aug. 23) — Know precisely where you stand financially before committing yourself. Hate may make serious waste!

VIRGO (Aug. 24-Sept. 23) — Put yourself in another's place if you'd understand the good you've done — even though you may not think so!

LIBRA (Sept. 24-Oct. 23) — Partake wholeheartedly in another's joy. Avoid those who would have you eating sour grapes.

SCORPIO (Oct. 24-Nov. 23) — A day when investments can be made wisely only if the rules of reason are adhered to strictly!

SAGITTARIUS (Nov. 24-Dec. 23) — Take no risks other than those involved in normal, everyday living. Stick close to home at night.

CAPRICORN (Dec. 24-Jan. 20) — Avoid depression. Despite appearances, the cards are not stacked against you. Try a new, persuasive argument.

AQUARIUS (Jan. 21-Feb. 19) — Dispute only those questions that have a bearing on your employment future. Otherwise, avoid arguments.

Hiking Tops Fish Eating, Says Man 'Who Must Know'

SEATTLE, Wash., Feb. 21 (AP)—Irving Clark Jr., says he has no intention of going on a 50-mile hike, but "it's a lot better for you than eating goldfish."

Clark, a Seattle attorney, ought to know.

In 1939, as a sophomore at Harvard University, Clark swallowed 24 goldfish. His stunt touched off a nationwide fad.

Clark, 41, said Tuesday he still remembers how goldfish taste. "They taste just awful."
