

# Kennedy Predicts Communists May Die as Tyrants

SAN JOSE, Costa Rica, March 20 (UPI)—President Kennedy predicted today that in attempting to export communism into the Americas the Soviet Union will go the way of Latin America. Addressing students at the University of Costa Rica, the President stressed that the United States and Latin American countries share a common heritage of independence. "Too much blood has been shed over too many years to preserve our independence from foreign rule," he said.

Walker, an American soldier of fortune who proclaimed himself president of Nicaragua in this century, addressed the students in the window of his three-story flat to Costa Rica after he died during the day. He was one of six Central American nations.

At his meetings with the press, Kennedy sought to put in motion the "Declaration of American Unity" which was signed by 100 congresses yesterday and which pledged increased aid to new measures to counter communism from Cuba.

Although the Central American presidents were unanimous in their opposition to the "Declaration of American Unity," Kennedy said he was disappointed in the project. "I stepped up aid, and you were disappointed," he said.

He said that the first speech of any United States president before a student audience in Latin America was made in Costa Rica. "A nation so dedicated to democracy."

Reminding the students that the United States had been in vain, Kennedy declared that his efforts and those of the other leaders for tomorrow's hemisphere will be to a free and united world.

But, he said, we can and will succeed.

Little Leaguer Regaining Use of "Severed" Arm. BOSTON, March 20 (AP)—A 13-year-old little leaguer is regaining use of his right arm that was amputated after it was crushed in a fall from a tree. Massachusetts General hospital officials said yesterday that Evan (Eddy) Knowles, Somerville, 13, after a long and difficult operation, can move his hand in one direction and has feeling in his upper arm.

## Spud Group Schedules Meet at Paul

PAUL, March 20—All potato growers throughout Magic Valley are urged to attend a meeting at 8 p.m. Thursday in the Arvon theater, Paul, to discuss the proposed potato contracts with processing plants, Joe Houska, potato vice president of the Potato Growing and Marketing association of Idaho, announced Wednesday.

He said at a meeting of the Magic Valley growers' association Monday night, his members voted unanimously to reject the contract offered by the J. R. Simpson company.

The firm has offered a contract price of \$1.85 for No. 1's, 60 cents for tubers with 1 1/2 inch size to be considered later. There also would be no premium price for quality potatoes under the offer.

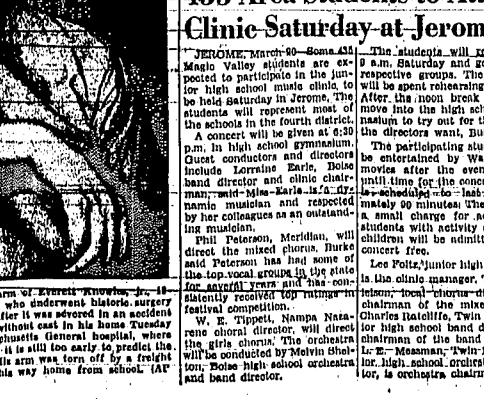

Houska said the growers are being asked to accept a contract price of \$1.85 for No. 1's, 60 cents for tubers with 1 1/2 inch size to be considered later.

Although the Central American presidents were unanimous in their opposition to the "Declaration of American Unity," Kennedy said he was disappointed in the project.

He said that the first speech of any United States president before a student audience in Latin America was made in Costa Rica. "A nation so dedicated to democracy."

Reminding the students that the United States had been in vain, Kennedy declared that his efforts and those of the other leaders for tomorrow's hemisphere will be to a free and united world.

But, he said, we can and will succeed.

Doctors said there was good reason to believe that the boy's hand would return to the arm.

# Smylie Points to Session's Good and Bad Aspects

BOISE, March 20 (P)—Idaho's 1963 legislature was described by Gov. Robert E. Smylie as "substantively" better than average. He said its "major fail ure" was the same as that of each session in the past 20 years, "failing to measure up to realistic appraisal" of the state's law structure. He said political controversy always enters into such consideration and the legislature "settles for what it can enact."

## U. S. Is Opposed To Commando Raids

WASHINGTON, March 20 (P)—The United States has put itself on record as being strongly opposed to law and commando raids on Cuba by anti-Castro exiles. But two exile group leaders said today that "our attacks will continue until the final liberation of Cuba."

## Cuba Blames U. S. for Red Ship Attack

HAVANA, March 20 (P)—The Cuban government blamed the United States today for the shooting Sunday night of a Soviet freighter in the sugar port of Cienfuegos.

The minister said nothing about an attack on Soviet military camp also reported by the exiles. It paid no attention to the fact that the U.S. state department had said the ship was being strongly opposed to the commando raids of the anti-Castro exiles.

## Area Senator Urges Effort For Economy

BOISE, March 20 (P)—The chairman of the joint finance committee today urged Gov. Robert E. Smylie on Tuesday to call on all state agencies to make every effort to increase their efficiency and save dollars for Idaho taxpayers.

Sen. Rodney Hansen, R., Minidoka, said to the senate the legislature had written to the governor.

## Arrest Order Is Issued for Peron Backer

BUENOS AIRES, March 20 (AP)—Peronist supporters were issued today by Andres Framini, a Peronist leader, on charges of sedition for an overthrow of the government.

The order appeared certain to touch off new political tensions. Framini was charged with sedition in consideration of the principal lieutenant in Argentina of ousted dictator Juan D. Peron.

The Casa Rosada, Argentine White House, disclosed the order for Framini's arrest. He was accused, specifically, of giving a fiery Peronist speech in the city of Punta Lara last night.

## Members of Lengthy 37th Legislature Are Returning Home; Work Reviewed

BY KEN ROBINSON. BOISE, March 20 (P)—Members of Idaho's 37th legislature were back at their homes from a long session today after a session of 72 days after enacting new courses in the areas of appointment, legislative process, election laws and children's legislation.

The lawmakers, who worked longer than any other legislature in the nation's history, except one, followed traditional paths, however, in increasing income, cigarette and liquor taxes to balance the budget of 10.9 million dollars. The budget of 10.9 million dollars was a new record for the state. It is a million dollars more than the 9.8 million dollar ap-

## Squirrels March Weather Rips Across U. S. Areas

Wild March-weather lashed parts of the East today and rising flood waters drove hundreds of thousands of people in the Midwest and East. The hard winter's latest outbreak—wind, flood-triggering rains, tornadoes and damaging snowstorms—was blamed for at least four deaths, three in Indiana and one in West Virginia.

A snowstorm that swept across areas from the Dakotas to Michigan, dumping a foot of snow in some sections, tapered off during the night as it moved across the Midwest.

## Man Stabbed In Back by Angle Iron

IRENEAU, March 20—Dennis Local 23, Paul, in a serious condition at the Minidoka memorial hospital after being injured in a freak accident in which he was nearly impaled on angle irons on a canal bridge two miles north of Rupert.

The Monongahela river flooded low-lying sections of several homes in southeastern Pennsylvania. Some families left their homes for higher ground.

## U. S., Reds Plan Space Program

WASHINGTON, March 20 (AP)—The United States and the Soviet Union agreed today to a joint program to explore outer space.

Health officials disclosed today that service station operator Valria (Pearlita) Lind, Boise, has contracted what appears to be paralytic polio.

## 435 Area Students to Attend Clinic Saturday at Jerome

JEROME, March 20—Some 435 Magic Valley students are expected to participate in a dental clinic at Jerome Saturday.

# Lincoln Fair Board Names B. R. Thorne

BOZEMAN, March 20—Burrton B. Thorne is the new chairman of the Lincoln county fair board.

Others elected to serve with him are Glen Ross, Richmond, president; Mrs. Raymond Bennett, secretary-treasurer; and Bernard Manning, general manager.

Thorne replaces Murdo Gage, who indicated he did not wish to serve as chairman another year.

Fair board members tentatively set Aug. 23-24 for the 1963 Lincoln county fair, but will change the date to Aug. 9 and 10 if enough requests are made for that date instead. The latter date, similar to last year, conflicts with other Magic Valley activities.

Deadline for receiving applications for concession sponsors for the fair book and awards for 1963 is June. The date has been shifted up from July 1 in order to get the fair book out sooner.

Floyd Silva was appointed to represent the fair board on a committee of the fairground, fair board and city of Shoshone. This committee will act on matters pertaining to the fairground, school athletic and city baseball fields.

Suggested as an improvement project at the fairgrounds this year is a bleacher stand. No decision has been reached.

Money set aside to cover expenses of this fairboard facilities if the amount does not exceed \$200.

Committees for the fair were appointed. They include Mrs. Walter Bennett, chairman; Mrs. Clay Burnum, secretary; Mrs. Lyle Gage, treasurer; Mrs. Gladys Gage, commodity or resource exhibit; Thorne, program and merchant displays; and Glen Ross, 4-H agriculture exhibit.

The Idaho Farmers of America club chairman will not be named until after the new agriculture instructor for Shoshone is named.

Shoshone Civic club will appoint the chairman for their flower show and the Bixbee club will appoint the lumber-chairman.

Chamber of Commerce will again sponsor the parade, sports and dance activities for the fair. The chamber also named its own committees.

**School Denies Lockup Over Non-Saluting**

DUNBERTH, N. D., March 20 (AP)—A school superintendent denied yesterday eighth grader Cheryl Weststad was locked in a dark room because she refused to salute the American flag. He said she was punished because she was disrespectful to her classmate.

State Atty. Gen. Meloy Johnson ruled yesterday that a student is not required to salute the flag if the action would be contrary to his religious belief.

Dunberth county State Atty. A. B. Peterson said Cheryl, daughter of Lawrence Weststad of rural Dunberth, was locked in a dark room for 20 or 30 minutes because she refused to stand during patriotic singing.

Johnson asked Johannesson whether a student could be punished for refusing to salute the flag.

Cheryl is a Jehovah's Witness.

## Officers Are Relected by Lutheran Layman's League

The Lutheran Layman's league re-elected its officers Tuesday night. The group discussed "The church in the community" as a program for the evening. The discussion was led by Bernard Hoffman. It emphasized what the church can do to counter communistic influences.

The group is currently having a "calf project" with proceeds to be donated to the new center. Thirteen calves were contributed by members and are being fed by other members.

A marked new restaurant project is being undertaken. The members of the league will mark passages in the New Testament and place the books in hotels.

Summer activities will be planned at the next meeting, April 16.

# Charter Fete Is Given by Bull Lions

BULL, March 20—The Bull Lions club held its eighth annual charter night banquet, program and dance with some 40 members and guests attending, their wives and guests.

Special guests introduced by Ed Olson, master of ceremonies, were Don Snow, Jerome, district governor; Ed Bossard, district chairman; Bob Baker, international counselor, both of Twin Falls; Carl Worthington, Jerome, international counselor, and Mr. and Mrs. Denny Weight, Durkee, Ore.

The program featured vocal selections by Bull's barbershop quartet, "The Nobles," which is composed of Dr. Charles Marx, John Crawford, Ormond Smith and Gene Todd.

Prizes went to Mrs. Vern Crane, Mrs. Alfred Iverson, Mrs. Mrs. Mrs. Elnor Kendrick, Bud Mottley and Carolyn Howard.

Decorations were carried out by the centennial theme and featured miniature covered wafers and spinning wheel lamps. Cowboy hats and old fashioned buttoned coats were at each place setting.

Edward Stahlman and Louis Mounin were co-chairmen of arrangements. Mrs. Stahlman and Mrs. Olive Olson were in charge of decorations.

# Vocational Guidance Panel Held

BULL, March 20—A panel discussion on "Vocational guidance in the local school" highlighted the regular Bull Chamber of Commerce luncheon meeting Monday noon at the R and B cafe.

Panel members included George Goodner, high school principal; Perry Hagerthofer, student guidance counselor; Leo Popplewell, principal of the elementary school; and Dr. Charles Collins.

Regarding career guidance the panel noted most students are dropping out of school in an easy task for them to choose in their early life some future career. It is felt if students had an opportunity to hear talks by people in various fields of career throughout the year, it would be most beneficial.

It was pointed out all the students want to start at the top and few realize there are many fields they can enter which do not require an expensive college education but with a little training can develop a career which is interesting and financially substantial.

A discussion on various scholarships available to students was held. It was reported about 10 per cent of the 1968 graduating class of the Bull high school will likely take advantage of these scholarships. A question period was held after the panel.

# Ski Patrol Goes to Top Of Soldier

FAIRFIELD, March 20—Members of the Soldier mountain ski patrol and ski members of the Bogus Basin ski patrol along with other interested persons, Monday at the lodge, the group left last week-end to conduct an avalanche control training session.

The group started from the Soldier mountain ski lodge early Saturday morning. The peaks of Soldier mountain rise about 4,000 above the lodge. The group left their lunch near the second peak of Soldier where snow measured five feet deep.

A cornice of overhanging snow was blown by dynamite. A probe line was set up to simulate an actual rescue of a skier buried beneath the snow. Howling winds and snow flurries didn't faze the hardy group. Skiing back on the powder snow was worth the effort of the climb, skiers said.

Participating were William Schmeling, district forest ranger; Leard Hansen and Stan Peterson, of the Soldier mountain ski patrol.

Eddie Orban, Zeng Miller, Omar Fricke, Hugh Pagsman, Gary Smith and Al Williamson of the Bogus Basin ski patrol, Boise.

# Costly

BOISE, March 20—Idaho's legislature authorized a grand total of \$32,845,949 in expenditures—an increase of more than 23 million dollars over spending approved by the 1967 legislature.

This includes \$207,000,000 in general fund revenue, financed by income, excise and property taxes compared to \$88,476,374 in the current two-year fiscal period.

All other funds, including dedicated tax revenue and federal grants totaled \$160,858,054, an increase from \$140,953,710.

# Observance Set

EDEN-HAZELTON, March 20—Valley students are preparing for Centennial day to be celebrated May 1 at the school. Students will wear centennial costumes and boys are nurturing beards in preparation for turning back the clock 100 years.

An assembly will be held with students presenting a program depicting the origin of the state.

# Solons Eyed Only 2 of 10 Amendments

BOISE, March 20—Only two of 10 proposals a bill for amendments in the state constitution won approval in the 31st Idaho legislature to go on the 1968 election ballot.

They would authorize four-year terms for sheriffs instead of two, and permit port districts to issue bonds and increase the period in which bonds could be retired from 20 to 30 years.

Amendments either adopted or not considered would have provided for annual legislative sessions, removal of the day limit on legislative pay, provided for four-year senate terms, made the state superintendent of public instruction appointive, made the state commissioner of agriculture, elective and authorized lotteries.

The legislature approved a resolution ratifying an amendment to the United States constitution prohibiting poll taxes as a bar to voting.

income and property taxes and spending at a level near to what the legislature had approved. The senate economy bloc, composed largely of Democrats, failed by two votes Tuesday to cut back all budgets by five per cent. Some state tax backers surrendered in the house Monday after budget alternatives were proposed to that point.

Republican leaders balked at the session as one of mutual accomplishment and defended the budget increases as necessary to provide for the state Monday.

Rep. Pete T. Conrath, R., Blaine, house speaker, said the legislature met in a "bitter mood" even though it was praised to increase taxes to provide more revenue.

"Notice is served on the federal government," said Conrath, "that we are ready to provide for our needs state-wide locally without inviting massive federal aid in such areas as education and medical aid to the..."

# News Around Idaho

**BOISE, March 20 (AP)—**The Idaho highway department named today a new superintendent for the planning project in Idaho and Powell. Deputy Road Construction Company, Twin Falls, with 32,000 was low among nine bidders in stockpiling work of resurfacing roads in Cramer county and covering material in stockpiles 20 miles east of Grangeville near state highway 14.

**ASHTON, March 20 (AP)—**Two bidders providing for construction of a sewage disposal lagoon at Ashton called to a top-adequacy victory today. The vote for the first, a general obligation bond, was \$460,000, passed 131 to 100. The second, a revenue bond, was \$100,000, passed 123 to three. Construction of the new sewage plant has been made mandatory by the Idaho state board of health in compliance with a pollution control time table established in August, 1961.

**POCAHONTO, March 20 (AP)—**The PocahonTO school board plans to vote a new superintendent within the next two months. Board Chairman Edwin Lusk said Tuesday that the trustees will be reviewing applications for the job. The school board is seeking a replacement for Superintendent R. W. Dyer, who was asked on Jan. 26 that he be permitted to resign. Dyer's contract runs until the end of the present school year, but the board is looking for a replacement by August.

**ST. ANTHONY, March 20 (AP)—**Two factions waging a bitter campaign over the division of Fremont county school district No. 213 met Tuesday night and came up with a compromise which seemed to satisfy both. The district board of trustees voted after a lengthy debate to split the district into two districts. A consolidated high school in Chester, about half-way between St. Anthony in the south and Ashton in the north. But a group pushing for division of the district, the North Fremont Citizens and several St. Anthony residents said they didn't favor the idea either. The proposal, which will be held in abeyance by the board, was suggested by Anthony Gardner, St. Anthony, a member of the board.

**MALAD, March 20 (AP)—**The Owyhee county school board has elected all teachers within the district \$200 per year salary raises. The wage hike was in addition to any increments due on the present salary schedule, the board said. Budget for the 1963-1964 school year was approved by the board, with a public hearing set for April 4.

**BOISE, March 20 (AP)—**Commercial hatcheries in Idaho produced an estimated 941,000 chicks during February, 8 per cent less than in the corresponding month of 1962, the U. S. department of agriculture reported today. The total hatchery production in the state totaled 1,000,000 compared with 1,035,000 a year earlier.

**RIGBY, March 20 (AP)—**Two mattresses, marked with what appeared to be blood stains, were shown to the jury today in the trial of 28-year-old Robert Smith charged with second-degree murder. Howard Shaffer, Jefferson county sheriff, testified that he obtained the mattresses from the first two bedrooms of the home of the mattress, the witness said, was found inside the van, and the other outside.

**BOISE, March 20 (AP)—**Savings bond sales in Idaho totaled \$469,000 during February, state chairman Charles C. Adams reported Tuesday. He said the total for the year is \$7,000,000. The total for the first 1963 is \$1,457,000. The quota for the year is \$7,000,000.

**BOISE, March 20 (AP)—**Idaho has agreed to provide 22 men from the state's National Guard to serve during May. Maj. Gen. John E. Walsh, state adjutant general, announced today. In May last year the call was for 19 men.

was killed by the senate after an attack by lawyer-members. Other bills will separate jurisdiction over neglected, abused and abandoned children, putting the former under the health department and the latter under the department of public assistance. A legislative council was created to continuously serve in two capacities between sessions and primarily work on research aimed at helping lawmakers do their jobs better.

At the time the job was given for its first run, a study of the tax structure, assistance to small business, and a study of the state's public accounts in order to provide a solid basis of state financial status. Proposals to re-align the congressional districts for closer population balance. A bill to amend the state constitution to allow for a state income tax. A proposed 100,000 program to initiate a nurse training program at Lewis-Clark state school, also died in the closing hours on a 33-21 house vote against suspending rules to continue the bill.

The legislature failed to establish a state parks department as recommended by a Republican bill. The house unanimously passed a Democratic-sponsored bill providing for a health director appointed by the governor. Board, but senate Republicans kept it in committee and passed one of their own that would create a health director appointed by the governor.

It was brought up in the house, but died in the Republican caucus for indefinite postponement in the face of Democratic threats to clear the bill of a constitutional convention. That prevailed in the lower chamber throughout the session. The health director's name was turned aside all proposals for governmental reorganization, and failed to pass the question of calling a constitutional convention on the ballot.

Schools of the 1962 gubernatorial campaign centered on the issue of the present open primary and runoff, getting the first total in nomination of congressional candidates in 1962. Ballots will nominate from two to five candidates at a June primary with voters given a chance to get on the ballot and the people will make their choice in August.

All but one of the major recommendations of the Idaho children commission were adopted. The report of the commission was adopted by a vote of 10-9. The study of laws dealing with children. The new adoption bill

# Use Prayer, Speakers Tell Stake Confab

**RUPERT, March 20 (AP)—**Members of the Malheur LDS stake were urged to use prayer in their daily lives and to use opportunities offered by the church program to improve their lives.

Visitors from the general assembly in Salt Lake City were Mrs. Zola McChie, Relief society, and Mrs. Lucy E. Dutton, Primary general board. The confab, departmental sessions Saturday and spoke at the priesthood in the morning. Mrs. McChie pointed out blessings gained by following admonitions of church leaders, and study and growth afforded through the church programs. The education opportunities as well as the social phase of the auxiliary organizations were pointed out by the speakers. These include home-making, literature and theology classes.

"It is our nature to be sympathetic and to feel mercy toward those around her," Mrs. McChie said, "and to pass on to others what she has learned."

Mrs. McChie pointed out the greatest gift to be given was to be merciful and sympathetic. The speaker explained that it was never wasted except when spent on oneself.

The opportunities for spiritual growth offered through the Relief society program are unlimited and opportunities to be gained in improving the home atmosphere for the family as a whole.

"Parents cannot change the color of the children's eyes but they can put the light of understanding there," Mrs. McChie stated.

"Discussion brought out the feeling that the home should be a place of not only love and security, but of protection and discipline. But it should be cheerful and pleasant with respect among the family members for each other and for themselves."

The importance of beginning a child's training early was stressed. It was pointed out that half of his faith is determined during the first five years of his life.

"A list of things wanted in the home by children included kind, loving and affectionate; minimum of quarreling; good examples, an interest in their personal activities and wishes, and a feeling of being wanted."

"Children are very sensitive to what they see, hear and feel," she said, "and parents need to show confidence in their youngsters, and to have a real interest in what they do. Children are very sensitive to criticism, but they are not to be criticized by the primary association and listed numerous teachings of the organization that give assistance

# Idaho Speech Is Given at GOP Parley

**BOZEMAN, March 20** — Mrs. C. D. Moore was guest speaker at the Snake River Republican Women's club meeting Monday at the home of Mrs. J. R. Moody at Bozeman. Mrs. Emma McCraw, program chairman introduced the speaker.

Mrs. Moore used Idaho as her theme and stated the Idaho territory was one of the largest in the Union, and that President Lincoln signed the papers that made Idaho a territory, March 3, 1863.

Mrs. Moore recalled the friarhood and had feeling between the north and south Idaho when the first congressmen from Lewiston spoke. She stated the militia had to be called to settle the dispute.

According to Mrs. Moore, William H. Wallace was the first territorial governor, and also the first congressman to go to Wash. D. C. Wallace and his wife were present as guests of President Lincoln at the night of the president's assassination. Wallace was a pallbearer at Lincoln's funeral.

# 380 Attend T. F. Dinner

A Full Gospel Businessmen's Fellowship luncheon, held Sunday at Franciscan cafe was attended by 380 persons.

— **Guests** — Father, pastor, and arrangements for the meeting and was master of ceremonies.

Special music was provided by four members of the Bible school at San Fernando, Philippines. They were in costume.

Bryon Klause, national director of Full Gospel Businessmen's Fellowship International and manager of Electro Mark appliances, Spokane, spoke on his experiences and explained the operation and aims of the Fellowship.

He then introduced Warren Durham, manager of KJNO station, Spokane, Wash., who gave a testimonial.

The Rev. David Duplessis, nationally known minister, spoke on "Persecution or Holocaust?"

# Mrs. Bert Tracy Addresses Ward

**ALAMO, March 20** — Mrs. Bert Tracy talked on the value of observation at the weekly LDS settlement services.

"Are we going through life just for the exercise or are we benefiting and enjoying ourselves by observing things around us?" she asked.

She also spoke on the opportunity to serve in the church and the desire to gain a testimony. Another speaker, Mr. E. R. King, spoke on "Faith in God from a scientist's view."

Lewis Barnes conducted the meeting. A sustaining vote was taken to advance Marvin Ward, Marjorie Ward and Dennis Erickson to the office of a teacher in the Alamo priesthood.

It was reported future MIA meetings will be held at 8 p.m. Tuesdays. Prayers were offered by William Jones and Thern Ward.

# Burley Holds Workshop on Cancer Drive

**BURLEY, March 20** — The goal of the American Cancer society is to help save lives by persuading men and women to consult their physicians regularly. Many men and women are curable — at the early recognition of a danger sign — and their health checkedup. James E. Worley, Boise, executive director of the Idaho division of the society told about 40 cancer workers at a workshop Tuesday at the Ponderosa Inn.

Workers from Twin Falls, Minidoka, Jerome and Cassia counties attended the day-long session where Worley and Milton Zimfelman and Mrs. Vernon Martin, local representatives, conducted the meeting.

— **Worley** — pointed out that in 1961, the American Cancer society had national research expenditures of \$11,549,598. The goal of research is to find what causes cancer, to find new ways to cure it and prevent it.

As a luncheon in the Ponderosa restaurant, local members and key volunteers were introduced. Mrs. Tom Ridinger presided at the luncheon. Mrs. Odell McLane, Minidoka county; Mrs. E. H. Kennington, Cassia county; and Victor Fillett, Twin Falls county.

— **Mr. Frank Spencer**, Burley, district lay chairman, made arrangements for the meeting and luncheon.

# Two Released At Hailey Ward

**HATLEY, March 20** — Two officers of the Mutual and one Fraternal lodge and one board member of the Hailey ward were released at the Sunday evening sacrament meeting.

Ralph Cisco and Abner Owens, counselors to Merle Croft, superintendent of the YMMIA, were released and Merrill Blighman and Doyle Stocking were sustained to the posts.

Mrs. Maurice Elsworth was released as counselor to Mrs. Anna Downard, president of the Primary, and Mrs. Carl Faulk was sustained for the position.

# Kiwanis Has Talk by Red Cross Leader

**DEOLO, March 20** — Ted Keiser, district chairman of the Cassia county Red Cross campaign, was guest speaker Monday noon when the Deolo Kiwanis club met for their noon luncheon at Min's cafe.

Keiser was introduced by Wayne Lewis, chairman of the Deolo community Red Cross drive.

Keiser said "more than half of the money collected by Red Cross will be spent in Cassia county to support the local programs and the rest goes for national disaster relief such as being administered in Potomato and Idaho Falls."

Many notable personalities including former President Eisenhower, President John F. Kennedy, David O. McKay, president of the LDS church, and Gov. Robert E. Smylie have endorsed the Red Cross cause.

Clifford Sutton was in charge of the meeting, the pledge was given by Nelson Taylor and the invocation by Burdell Curtis.

# Sister Killed

**KEETCHUM, March 20** — Mr. and Mrs. Fred Turner went to Weiler to attend funeral services for Turner's sister, Mrs. Lillian Jefferson, Tuesday.

Mrs. Jefferson was hit by a car on March 5 in Weiler and died early Saturday morning as a result of the accident.

# YOUR BIRTHDAY and HOROSCOPE

**WEDNESDAY, March 20**  
 Born today, you will probably have to work your way through a lengthy period of pleasure-seeking—and finding—before settling down to the serious business of getting along in the world. You are a person who settles down, however, you should—use—your more steadily ahead until your goal at the top of your chosen field has been reached. You have one trait that should aid you in your excellent, almost—fantastic—memory!

As you grow older, you should find your interests leaning more and more toward the cultural, intellectual side of life. If you take advantage of this ever-increasing tendency, you should eventually be able to take your place among the most highly respected—and interesting—people in your community—perhaps in the nation, or the world, if you work at it!

Because you will probably have had your fill of pleasure in your youth, your adult life may well see you turning to the pleasures of privacy—even for isolation—does not turn you into a recluse. You have a highly cultivated taste and could be satisfied living alone, but you would miss much as you would miss the company of others.

Among those born on this date are: Ozia Nelson, actor, producer; Daniel Douglas Home, spiritualist; mediator; William John Locke, novelist.

To find what is in store for you, consult your birth chart and read the corresponding paragraph. Let your birthday star be your daily guide.

**SCORPIO (Oct. 24-Nov. 23)**  
 Don't mistake a promise for a real thing. Continue in your own way until you're a bird in the hand!

**SAGITTARIUS (Nov. 23-Dec. 22)**  
 -Chance of ever making a high on all levels of business activity. Begin nothing new today!

**CAPRICORN (Dec. 23-Jan. 20)**  
 -Inability of financial speculation highly doubtful. Be satisfied with what you've got for now.

**AQUARIUS (Jan. 21-Feb. 19)**  
 -What you believe working for you may well be working against you. Look over the field with great care.

**PISCES (Feb. 20-March 20)**  
 -To act without forethought is to act without wisdom today. A high-risk day, so take no chances.

# States in Muddles Over Constitutional Changes

By The Associated Press  
 In December, the council of state governments agreed to change the Constitution. The council's proposal is to be adopted by the states in three significant ways.

Forty-seven state legislatures are in session this year. But so far, no more than nine have agreed with the council.

The three proposals would make it easier for states to change the Constitution, establish a court of the union to review supreme court decisions involving state rights and eliminate federal court jurisdiction over state appointments.

The first proposed amendment would modify article V, the constitutional provision for amending the document, itself. It would give states the authority to call a constitutional amendment. As things stand, the constitution provides that a two-thirds vote of congress is needed to initiate an amendment.

Also two-thirds of the states must approve any proposal which results from the convention to change the Constitution.

If the council's proposal is adopted, the convention would be held in 1964. The second proposal would give the court of the union authority to review and reverse supreme court findings where they bear on areas of state interest. The proposed court would sit in states' wishes in judicial decisions. Some people feel the supreme court rulings—especially the 1954 school desegregation decision—conflict with federal courts should a state by nine legislatures, three-fourths of the states and is pending before others.

The third proposed amendment would prohibit the federal government from re-appportioning states. Apportionment long a sore point in rural-congressional legislatures, can be ordered by federal courts should a state by nine legislatures, three-fourths of the states and is pending before others.

# Creativity Is Topic at PFA Meeting

WOODBRIDGE, March 20 — The creative child was the subject of a symposium conducted at a meeting of the PFA Monday evening at the elementary school auditorium.

Mrs. Helen Mabbutt was in charge of the discussion. Serving chairs of the discussion were Mrs. Frank and Mrs. Robert Bryant and Mrs. Delbert Beazard, all Woodbridge.

The group discussed creativity, how it is identified and how it can be nurtured.

Mrs. Mabbutt said, "I have to pick students and, therefore, few tests to identify the creative child."

Characteristics of a creative child are curiosity, flexibility, inventiveness, to problem, re-defining, self-esteem, originality and insight.

Educators have long been concerned with the creative concept. Mrs. Mabbutt said, first as a potentiality, and then with the actual possibility. Creativity can be expressed in the process of learning, she stated. She used to illustrate drawings by second grade students depicting their idea of something.

Mrs. Olander dealt with creativity in the younger child, and said it is much more easily observed in these children. They learn to put things together and to make a constant challenge. Teachers can stimulate and help, but they must never dominate.

Mrs. Bryant spoke from the viewpoint of a junior or high school teacher in dealing with students who are still children, but consider themselves grown-up.

She read several verses composed by her classes. The verses were written by Carl Schaeber, and dealing with subjects in school. Mrs. Bryant said the 1st verse is creative, but development takes time.

Mrs. Fitzgerald spoke on creativity in relationship to "art" in school science classes. She said science deals with the unknown and can be presented to curious students with curiosity. She showed several student research papers.

The room was decorated with a spring theme by Mrs. Mabbutt. The room was decorated with the use of paper, beads and artwork from various elementary school classes.

During the business meeting, Mrs. V. A. Thompson of the planning committee presented a list of officers for the coming year.

They are Mrs. B. A. Bodman, president; Mrs. Mike Sillman, vice president; Mrs. Lester Doherty, secretary; and Mrs. Paul Bishop, treasurer.

Elo L. Rogers of the LDS church gave the invocation.

Refreshments were served by the second grade mothers, with Mrs. Don Hall and Mrs. Robert Fields as co-chairmen. They were assisted by Mrs. Anton Gattak, Mrs. Gena Kelly, Mrs. Thornton Moxley, Mrs. Melvin Mohlwinke, Mrs. Duane Johnson, Mrs. William LaRue, Mrs. Bob Rogers, Mrs. E. Woodbury and Mrs. Elmer Parks.

CHAIRMAN Roger McKinstry, who presided at the centerpieces, also gave the serving table using the St. Patrick's theme.

**HOPING TO HAVE A BEAR!** Like the one of Don Matthews, left, is William Grainger, secretary-manager of Twin Falls Chamber of Commerce. Grainger is one of three Twin Falls aviators who must have a bear by March 30. A member of the Twin Falls Junior Chamber of Commerce took them in a wading trough. The other two men involved in the contest are H. L. Deffick, city manager, and John Angerbaner, city commissioner. Any other men in Twin Falls Saturday who do not have either a shaving permit or a beard, will be dunked in the wading trough. Shaving permits only be purchased from any Junior Chamber or from a booth at Idaho Savings and Loan association, 230 Shoshone street east. (Times-News photo)

## Alaskan Says Russ Flights Nothing New

JUNEAU, Alaska, March 20 (AP) — Russian planes have flown over Alaska soil on numerous occasions before last week, a member of the Alaska legislature said yesterday.

Sen. Peje Walsh, Nome, said Russian flights have been detected over Tin-Clay on the tip of Alaska'seward peninsula, over the village of Gambell and about 30 miles east of St. Lawrence Island.

Gambell is an Eskimo community. It is about 30 miles north of St. Lawrence Island.

"On one occasion," Walsh said, "a Russian four-engine jet followed an American pilot for about 30 miles on a flight from Gambell to Nome."

Walsh, a commercial airline official, said the air force station at Northport, Alaska, has frequently warned civilian pilots "You have a stranger on your tail," on flights from Nome to Gambell.

"Some people at Gambell have seen the red star on the side of the planes," Walsh said.

"I wish," he said, "the Russians didn't so carelessly intrude at bases on the Chukotka peninsula. He said one Russian base is at Chukotka, about 30 miles northwest of St. Lawrence Island.

Alaska air command officials at Elmendorf AFB near Anchorage maintain that any unidentified aircraft picked up on radar screens determined to be headed toward Alaska would be challenged by U.S. fighters.

But commercial pilots claim it would take almost 30 minutes for an American jet to reach the area between Nome and the St. Lawrence Island if it came from the nearest air force scramble base at Galena, 200 miles inland.

## Rough Flight

HILO, Hawaii, March 20 (AP) — A veteran navy pilot yesterday brought his plane and the 65 persons aboard to a safe landing at Hilo on little more than a wing and a prayer.

Lieut. Cmdr. Robert L. Ecklund flew his four-engine Constellation, 650 miles over the Pacific in darkness with two engines out, arrived at Hilo on the last of the fuel-fuel-own-leave show the plane touched down.

and then saw the third engine die during the landing run. The pilot admitted it was "a rough flight."

**Youth Conclave Slated March 30**

SHOSHONE, March 20 — A seminary youth convention will be held March 30 at Sun Valley, sponsored by Blaine state, with other states of the area invited to participate.

Arrangements have been made for the youth to participate in various sports at Sun Valley. They are to register at the chapel before going into various sports of the day.

R. V. Dudson, Rupert, area coordinator for the seminary, will attend, with seminary teachers and committee members.

meeting will follow at 6 p.m. at which special speakers will be featured.

# TELEVISION SCHEDULES

WEDNESDAY, MARCH 20

Wagon Train (6:30 p.m.) ABC — Western cook Charlie Wooster almost gets married in order to adopt four orphaned boys.

"The Book of David" (7 p.m.) CBS — Tonight's documentary, "Biography of a Book," is based on a Booth Tarkington story. A young woman of wealth interferes in the lives of others until she sees her own complicity.

"The Telephone Hour" (Color special, 9 p.m.) — Singers Ray Lawrence and Eddie Clarke. Metropolitan opera star Leon Tyne Price, multi-comedy star Carol Lawrence, and violinist Erica Morini are featured. "The Eleventh Hour" is preempted.

"Naked City" (9 p.m.) ABC — A woman who can't cope with the death of her father, but Miss Albright is largely wasted as the Parolee A Baby Is Crjning.

**BEST-WEDNESDAY NIGHT MOVIES**

"Alexander the Great" (1956) Richard Widmark, Fredric March and Claire Bloom (10:30 p.m. Channel 5) — Lavish spectacle that just missed being a truly great film. Burton and March are effective as the Greek father and son, but Miss Albright is largely wasted as the love interest. Burton is brilliant in several of his major scenes.

"The Adaptors" (1957) Victor McLaglen and George Macready (10:35 p.m. Channel 5) — Excellent good drama of an attempt at robbing President Lincoln's grave.

"Women's Prison" (1955) Ida Lupino and Howard Duff (Channel 4) — Poor and thoroughly routine prison film.

### Richfield OES Honors Member

RICHFIELD, March 20—R. J. Lemmon was honored on his 87th birthday anniversary by members of the Richfield Order of Eastern Star chapter at their meeting.

Mrs. Forrest Armstrong, associate matron, was in charge of the special ceremony.

The honoree is a 60-year chapter member and a charter member of the Richfield OES chapter, organized 84 years ago. A birthday card signed by chapter members and a candle-decked cake were presented him. Mrs. Gusdar Fiveland read a poem. Mrs. Ida Stuckney, Shoshone, reported on paper table cloths. Mrs. J. B. Mcintosh, and Mrs. Ralph Smith, served refreshments.

### Past Matrons Meet in Albion

ALBION, March 20—The Past Matrons club, Naomi chapter, No. 4, Order of Eastern Star, met at the home of Mrs. J. B. Goettche. Eleven past matrons were present.

Crissy, president, conducted the meeting. The members welcomed Mrs. Gail Mahoney, who has been unable to attend meetings since last August because of a fractured leg.

The president welcomed the business meeting and requested each member to be prepared with a "thought" for the next meeting. Club members prepared favors for the "Friendship night" of Naomi chapter, Thursday. Refreshments were served by the hostess.

### Mother's Club Holds Meeting

Mother's club of the First Christian church met at the home of Mrs. Don McDowell. Mrs. Joan Flynn was a guest. Mrs. Anne Evers, county home-demonstration agent, was guest speaker. The devotional service was given by Mrs. Maurice Allen.

Mrs. Don Hoffman brought the door prize, and it was won by Mrs. Gary Mullen. Refreshments were served by Mrs. Lonnie Wooten and Mrs. David Morris.

### Honor Beads Given at Event

An honor bead ceremony was held by Elba-Oak-Camp-Pine-Oak group at the home of their guardian, Mrs. J. J. Smith.

The whole call was given and the girls entered humming the Camp Fire law. After giving the hand sign each girl lit a candle representing a phase of the Camp Fire program. Gayle Eversman lit a candle for business; Carla Boyd, citizenship; Linda Smith, creative arts; Sherry Westbrook, frontiers; Lynn McIntyre, hunters; Karen Capps, outdoors; Patsy Edredge, sports and games; and Vickie Rudolph, road signs.

The girls answered roll call by giving her Camp Fire name and its meaning. Mrs. Smith awarded the honor beads, and Mrs. Edredge distributed membership cards and certificates. Cards of membership were given sponsor, Mrs. Don Kreiman, Mrs. Len Edredge, and to assistant guardian, Mrs. Carl Capps.

The girls served cupcakes that had baked in honor beads and passed "bagpans" decorated with tiny beads.

### Food for Americans

By GAYNOR MADDOX

The improved techniques in freezing vegetables make it easy to enjoy spring and summer vegetables during cold weather when March winds blow. This asparagus au gratin is a delicious example.

ASPARAGUS-AU-GRATIN  
2 packages frozen asparagus, either cut or spears  
1 cup sour cream  
1 teaspoon prepared mustard  
1 tablespoon lemon juice  
1/2 teaspoon salt  
1 tablespoon butter, melted  
1 cup bread crumbs  
Cook asparagus following package directions, drain and reserve 2 tablespoons of the cooking liquid. Combine sour cream, mustard, lemon juice, salt and the reserved cooking liquid. Combine melted butter with bread crumbs.

Arrange cooked asparagus in greased shallow baking dish, spread sour cream sauce over it and sprinkle top with buttered crumbs. Bake in a moderately hot oven of 375 degrees about 15 minutes or until crumbs are brown.

BACHELOR CORN  
(8 Servings)  
1/2 cup finely chopped onion  
1/4 cup butter

2 10-ounce packages frozen corn  
1 teaspoon salt  
4 tablespoons chili sauce  
1/2 cup onion in butter in thick aluminum saucepan for 2 minutes. Add corn, breaking block in several pieces; cover and cook 6 minutes over low heat, stirring once. Add salt and chili sauce.

### Testimonial Is Held for L. D. Larson

SHOSHONE, March 20 — A farewell testimonial was held during sacrament services at the LDS church Sunday evening for Elder Leslie D. Larson, son of Mr. and Mrs. Stanley Larson, who will soon leave for a two-year mission in Bolivia. He will enter the mission home in Salt Lake City March 25. Bishop's counselor Max Jensen presided over the meeting and represented the honorarium in a tribute to Elder Larson.

Other speakers for the evening were Francis Stimpson, who used the topic "That which is most worth bringing to the attention of the Lord," and D. B. Hiest, Blaine state president.

Remarks were given by the elder, his parents and his maternal grandmother, Mrs. Sam Gardner, Sugar City. Mrs. Velma Allen played the organ and the organists were accompanied for a vocal solo by Janet Croft, Joan Larson, and other young women.

Prayers were by F. N. Stowell and David Freeman. The Shoshone ward conference was announced for 7:30 p. m. on Tuesday, the Blaine state gold and green ball for April 12 at Halley with a youth meeting scheduled to be held at 7:30 p. m. prior to the dance.

### Youth Talks At Hagerman LDS Service

HAGERMAN, March 20 — Youth talks were held at the LDS church, Sunday morning. Lynn Wood conducted the meeting with Mrs. Vera Hines and Mrs. Neils Anderson in charge of the music. Mrs. Ed Larson and Joseph Olinas gave the reports.

It was announced this week that the Men and Children's work will meet on Wednesday evening, they will meet at the Jerome school on Thursday they will go to Twin Falls to bowl.

On Friday evening a barbecue dinner and party will be held at the Hagerman church and on Saturday evening they will attend the Blaine state dance. There will be a special fire drill following the evening church service at the Men and Children's church for the Men and Children's.

The evening sacrament service was conducted by Elder Charles Allan Marsh was sustained as a president of the youth missionary committee. The 40-45 age group was accepted for Roy Jolley and Jerry LeRoy Jolley. Theodore Gardner gave the invocation. The youth missionary committee was organized by Kralik Chubb.

Prayer was the subject used by Don Christensen, and Stanley Penfold gave the benediction. A freude for 100-150 groups was held after the sacrament service, with a sound film strip on "What is a Cigarette?" narrated by Elder Howard Jensen, a member of the council of the 12 from Brigham Young University.

Mr. Christensen conducted the freude. Refreshments were served by Terri Larson, Janice Maude and Arlene Zeller.

### Five Jerome FHA Girls to Attend Meet

JEROME, March 20 — Five members of the Jerome FHA and their adviser, Mrs. Ralph Dunn, will attend the FHA state district assembly at the Boise hotel, Thursday to Saturday.

Among the girls who will attend are: Anita Wain, a junior, who will represent the state at the national convention; and four other girls who will receive their state home-making degree Friday night. They are Helen Houston, Lynda Church, Carol Askew and Shirley Smith.

Lynda Church is a member of the state FHA chorus which will sing at the banquet. Mrs. Dunn said the state home-making degree is a valuable certificate and is received only after the candidate has completed the course in personal, general, home economics and community projects. Home responsibilities, and FHA goals on local, state and national levels.

Some of the projects in which the Jerome girls have participated include: planting and construction of a FHA booth at the county fair. The home-making degree is a valuable certificate and is received only after the candidate has completed the course in personal, general, home economics and community projects. Home responsibilities, and FHA goals on local, state and national levels.

They will attend the national convention at the Lincoln school in Lincoln, Mo. The girls have also helped with many community projects during the last year. Mrs. Dunn said.

Palbearers were Leonard Rodig, Vernon Rodig, Joe Ross, and Fred Wrennes. Interment was by Holmes and Jack Hyder. Concluding rites were held in the Buhl city cemetery.

### Pinch

BOISE, March 20 (UPI)—The agriculture will soon feel the pinch of the European economic situation, according to Dr. R. Wayne Robinson of the University of Idaho.

The national economist told a local club that European wheat and feed grains are supported at higher levels than those of the United States. Exports of U.S. grains to Europe will gradually decline, he said.

### 700 Bills Eyed in Session; About 400 Become State Law

BOISE, March 20 (UPI)—More than 700 bills were introduced in the Idaho legislature during its 1963 session and an estimated 400 of them became law.

There were major accomplishments in many fields with the session extended 12 days past its normal 60-day length. Both the house and senate virtually cleared their calendars of all bills which came out of committee. Many sessions, long lists of bills are left unacted upon at final adjournment time.

The legislature either killed or failed to act on bills which would have:

1. Established a state department of natural resources.
2. Set up a state board of natural resources.
3. Recreated state tests in all new automobiles.
4. Made the office of mine inspector appointive, instead of elective.
5. Made the state superintendent of public instruction appointive, instead of elective.
6. Called for a vote by the people on the calling of a constitutional convention.
7. Established a state parks bureau.
8. Requested most retail stores to remain closed on Sundays.
9. Revised boundaries of the two congressional districts.

Classified according to field, here is a summary of legislation approved:

**Government Affairs**  
Authorized the appointive authority to increase salaries of members of the public utility commission and industrial accident board at \$11,000, the other would make such salaries equal to those of district judges who now receive \$12,500 annually.

**Finance**  
Ratified contract for acquisition of Harriman state park.

**Education**  
Created a committee to study the use under which state agencies would publish their rules and regulations.

**Insurance**  
Established a retirement program for state employees.  
Created a legislative council.  
Prohibited private use of state-owned automobiles.  
Required annual inventories by each state department.

**Public Health**  
Established a pre-primary condition system for nomination of national and state candidates and reported the run off and call for ballot.

**Public Safety**  
Authorized counties to purchase and install voting machines.  
Implemented 1962 constitutional amendment, by authorizing transient and new licensees who are residents of the state 60 days before the election to vote on presidential and vice presidential elections.

**Schools**  
Created a new formula for allocation of state funds based on average daily attendance.  
Appropriated 40 million dollars to be allocated under the formula.

Lifted the 30-mile levy limit of school districts, but any increase above that must be voted in by a two-thirds majority of the district's taxpayers.

Adopted a new public school code, plus new codes for all state institutions of higher learning and junior college districts.

Gave Idaho State college university status effective in July. Expanded the Lewis Clark Memorial school at Lewiston to a four-year degree-granting liberal arts college.

Required school districts to publish annually a summary statement of their financial condition.

**Fish and Game**  
Increased both resident and non-resident fishing and hunting license fees.  
Prohibited hunting of big game from aircraft.

**Children**  
Established an interdepartmental committee on children and youth.

**Domestic Relations**  
Permitted husband and wife to testify against each other in cases of child abuse.

**Lowered age for procurement of tobacco by males from 21 to 18.**  
Permanently closed the Idaho youth conservation project on Lake Pelee Oreille.  
Provided for education of mentally handicapped children.

### High Councilmen Speak at View

VIEW, March 20 — Cassia state high councilmen Wendell Gibby and Lyman Krimber, spoke at the View LDS ward services Sunday night.

Gibby gave a brief history of Christianity and the Bible, warning his audience not to be like a sower and follow the ways of the world. Krimber warned the young people to increase their fortification against temptation.

**Agriculture**  
Established a new law governing sale and use of insecticides and so-called economic poisons.  
Established a new egg-grading standard.

Authorized new definitions and standards for ice cream, ice milk and related products.  
**Compacts**  
Ratified the Columbia interstate compact.

Authorized the state to enter into vehicle-equipment safety compacts.  
Authorized inter-state compacts on driver's licenses.  
**Public Health**  
Designated the state board of pharmacy and state health authority to name poisonous, habit-forming and dangerous drugs.

In addition, the legislature changed the name of the Soldiers' home to Idaho Veterans home and the state Industrial Training school at St. Anthony to State Youth Training center.

### Los Angeles Man Speaks at Bliss

BLISS, March 20 — Joseph T. O'Connell, coordinator of the All Peoples' Christian church and community center of Los Angeles, was guest speaker at the Bliss community church Sunday.

He was the missionary speaker at the Christian-church-state convention last week at Nampa, and was on route to the Utah convention.

He spoke on the home missions and the many races in the area he serves.

# Providence, Marquette Gain Semi-Finals for Invitational Tournament

**NEW YORK, March 20 (AP)**—Pop-shooting Ray Flynn led Providence as the Friars marked themselves as top contenders for the 28th annual invitational tournament title tonight. The Friars will play Miami in the quarter-final game Tuesday night. The Friars will go into Thursday night's semifinals against the Marquette Warriors, who overwhelmed St. Louis 84-49 with a hot-shooting display in the doubleheader opener at Madison Square Garden. Canisius and Villanova play in the other semifinal with the title to be decided Saturday.

Providence, which looked like a winner over Miami with a 90-71 win last night, lost 62-52 to the Friars in the first round. Providence, which looked like a winner over Miami with a 90-71 win last night, lost 62-52 to the Friars in the first round.

With 7-foot, 1-inch Mike McCoy hitting the rally, the Friars outscored Providence 21-4 in a span of 3:10 and trailed only 64-62 with 1:54 to go. But then the Friars drew key fouls and cashed in.

Vincent Ernst, 5-foot, 8-inch backcourt dynamo, hit the first four shots of the game, including a personal and technical foul situation, said Carl Spencer, Providence's head coach. He finished with 17 points and 10 rebounds.

Ernst's problem was his foul trouble. He was ejected from the game in the first round of the tournament. He was ejected from the game in the first round of the tournament. He was ejected from the game in the first round of the tournament.

## Liston Ordered to Return to Miami for Medical Examination

**MIAMI BEACH, Fla., March 20 (AP)**—The Miami Beach boxing commission ordered heavyweight champion Sonny Liston Tuesday night to return here Friday from Chicago for an official examination of his injured left knee. The decision was announced after Dr. Duke DeLoach, Miami Beach physician, said that he did not positively know that Liston had torn the cartilage on his knee. Liston's adviser, Jack Nilon, protested bitterly against the decision and asked that the examination be made by a physician in Chicago.

Liston left Miami Beach—some scheduled April 10 title defense against Floyd Patterson—when he was dejected—Sunday for Chicago—also by air. "Why don't you bring him down on a train?" Leo Colan, commission chairman, asked. "I don't want to risk him by putting him in an airplane."

## Grid Fix Charge Will Not Hurt Southeastern Loop

**HARLINGEN, Tex., March 20 (AP)**—The commissioner of the Southeastern conference said Tuesday he sees no trouble for the league from recent charges that two coaches conspired to rig last fall's Alabama-Georgia football game.

Commissioner Bernie Moore made the statement in a conference interview with Jim Cason, sports director of KOBT-TV radio station in Harlingen. Cason played on several of Moore's football teams when Moore was head coach at Louisiana State University in the early 1940s. Cason later played fullback for the San Francisco 49ers and the Los Angeles Rams in the National Football League.

### Solons' Work At Session Is Reviewed

BOISE, March 20 (AP)—Major accomplishments of the 1962 Idaho legislature, in brief:  
Increased general fund budget from \$84 million dollars to 101.9 million dollars.  
Expanded state aid for public schools from 83 million dollars to 40 million dollars.  
Financed increased spending with bonds in income, cigarette and liquor taxes.  
Established a pre-primary system for nominating state and congressional candidates.  
Reapportioned the state legislature by increasing house membership from 83 to 79.  
Approved pari-mutuel betting on horse racing.  
Turned aside all efforts at governmental reorganization.  
Defeated a proposal for a constitutional convention.  
Changed the name of the Idaho State college to Idaho State University.  
Enacted most recommendations of Idaho Children's State Conference.  
Authorized a legislative council.

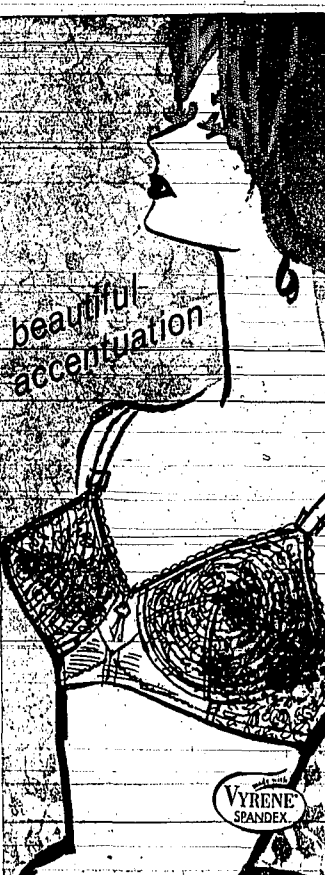

DISCUSSING NEWS FROM home at the American Legion National Commanders' dinner in the Sheraton-Corner hotel—Washington, D. C.—are from left, Sen. Frank Church, George J. Berry, Twin Falls, and Dudley Smith, Boise. More than 1,500 persons attended, including American Legion members from every state in the union, their senators and congressmen.

### Lodge Leader Talks to Buhl Encampment

—Buhl, March 20—Floyd Ommen, Nampa, grand patriarch of the state of Idaho, spoke at the various projects supported by the Odd Fellow and Rebekah lodges throughout the nation, when he addressed members of Colfax Encampment No. 20 Monday evening at the Buhl IOOF hall.  
Ommen spoke on the International rescue corps, youth program, the United Nations pilgrimage as well as the remodeling and modernizing program under way on the "Home on the Hill" in Caldwell.  
Ommen pointed out that out of all the 50 states, Idaho ranks first with a 90 per cent membership support of the eye bank program, which is the aim of the state to have a 100 per cent membership support of this vital aid project by July.  
Other officers indicated were Art Childers, Piler, grand marshal of the grand encampment of Idaho; Ted Blarer, Piler, lodge deputy of Colfax encampment No. 20; Vincens—Hardy, special deputy of Piler IOOF lodge No. 125, and T. J. Lindor, Twin Falls, past grand master.  
Merrill Porter, Twin Falls, high priest, presided in the absence of George Hatfield, chief patriarch. The charter was draped in mem-

### Holiday in Rome Turns Into Mystery

ROME, March 20 (AP)—The mysterious enemy of Roman red tape struck again today. "Hello, Police," a voice told the mobile squad over the telephone yesterday. "I fell bored today and I wanted the same thrill as the night I raided the registrar's office. Go to the automobile club and you'll be surprised." The police did and were. Driving licenses, applications and documents had been taken from filing cabinets and scattered all over the corridors. The night watchman had to be in disorder but not destroyed or stolen. Police said the man apparently confined to be locked in when the automobile club closed for the day and remained in a rest room for about three hours until the night watchman completed his round. The night he raided the registrar's office, the mysterious tel-

### Wink, No Drink

An empty wine vat for a nap (Don't snore where they make the booze—has the moral of this story). A winery apprentice, John M'Greehal, 18, climbed into an empty wine vat Monday and passed out from the fumes. Jean was found an hour later by a fellow worker, revived and taken to a hospital with a king-size hangover.

### Car Damaged

BURLEY, March 20—Mr. and Mrs. Frank O. Redfield, Burley, were not injured but the side of their 1961-Ford was damaged when a 1953 Chevrolet driven by Martin R. Manuella, Salt Lake City, hit a slick spot and veered into the side of their car at 1:30 a.m. Saturday. Redfield, manager of Burley Irrigation district and Mrs. Redfield, city treasurer, had just started to Phoenix, Ariz. for a vacation. They continued their trip.

BAR LEASED GLENNS FERRY, March 20—Rufus Esquiquia has leased the Derrill bar at Glens Ferry, formerly operated by Ross Motherhead, Mr. and Mrs. Aldrich are moving to Preston. They sold their home here to Mr. and Mrs. Bob Rhoads.

### Income Tax Hike Will Add Revenue

BOISER, March 20 (AP)—Income taxpayers will provide the bulk of the new revenue needed to finance the 10.9 million dollar general fund budget for the state of Idaho in the two-year period ending July 1. Of the 12.4 million dollars in new revenue authorized by the 1963 legislature, 10.2 million dollars will come from income taxes. The upward revision of the state percentage rates will produce an estimated 6.7 million dollars, the boost in the withholding rate will earn 1.1 million dollars and the elimination of the so-called "40-cent" tax will bring in 2.5 million dollars. The increase in basic rates for these percentage taxes: On the first \$1,000 of taxable income, the new tax will be 3.4 per cent, or \$34. Added to that will be 5.5 per cent, or \$55 on the second \$1,000; 7.2 per cent, or \$72 on the third thousand; 8.9 per cent, or \$89 on the fourth thousand; 9.5 per cent, or \$95 on the fifth thousand and 10.25 per-

cent on \$10,000 or more, thousands beyond that. These rates compare with the present percentage rates of 3.5, 5.5, 7.5, 8.5 and 9.5. The composite tax rate was increased from the present 8.5 per cent to 10.5 of all taxable income.

The increased withholding provision, from 15 per cent of the federal withholding to 18 per cent, actually does not represent an additional tax increase on the individual, although it will bring the state an additional 1 million dollars during the next biennium. The withholding merely represents an advance payment of the tax due on the following April 15. The other tax increases boost the levy on cigarettes from 6 cents to 7 cents per pack and increases the surcharge on liquor from 7.5 to 10 per cent.

MOVIE FINANCED HAGEMAN, March 20—"The Twelve Men," starring Greer Garson, will be shown at 8 p.m. Friday at Prince Memorial gymnasium for the PTA scholarship fund. Refreshments will be sold.

### WHAT IS IQ?

THE HIGHER THE IQ THE MORE KNOWLEDGE

### 1963: Year of the Billionth Dollar

In this day and age, it may be hard to get excited about a billion dollars... unless you realize you're talking about your own money. Then, frankly, you're wowed by all the ciphers. At least we are, as we report that by the end of 1963 we will have invested nearly one billion dollars in equipment and facilities over the past eight years to give you the kind of telephone service you want. Each year since 1956, our annual construction costs have exceeded one hundred millions. This year's estimated \$130,000,000 tops us out at one billion. A program of this kind is an expression of our faith in the future growth of this area. Our ability to carry it on depends on good earnings because we have to raise the necessary money... to do the job each year. Many of the dollars have bought the basics: more cable, more switches, more buildings to keep up with the record number of people moving into the Rocky Mountain West. The very part of the money has been spent to improve the service you already have: Today, it's faster (Direct Distance Dialing), easier (phones that dial calls automatically), handier (sidewalk telephones), even prettier (aurely you've seen the Princess phone). We honestly believe your telephone service is as fine as money and human skills can make it... for the time being. Next year it will be better. You can bank on it.
