SHOSHONE, May 14 — "You are a obligated group, seniors are graduating, and the baccalaureate class will be held by the Rev. Paul Winkler, Methodist minister, at the Shoshone baccalaureate service held Sunday evening at the high school."

The minister added, "unto the minister is given, much is expected. The baccalaureate service is a multi-level ranch house and a two-car garage, the pastor and the group of students and their parents will be looking for a motto for life 'look up'."

Professional and recreational were played by Mrs. Mary Pettit. The Rev. Paul Winkler, Baptist minister, gave the invocation and benediction and the Rev. John Shaw, Assembly of God pastor, gave the scripture. The LDS boys quire, directed and accompanied by Mrs. Velma Allen, sang. Members of the quartet are Melvin Trammell, Jack Kneiser, Dick Malen and David Freeman.

July Daniels, accompanied by Mr. Claude Chess, sang a solo. Under direction of Ivar Davis, high school music instructor, the senior choir sang. Supt. John Severson thanked Shoshone Floral for flowers provided for the event.

Commencement exercises will be held at 8 p.m. Thursday at the high school. State Sen. Jack M. Murphy will speak.

Demo Confab Discusses Racial Issue

WASHINGTON, May 14 (AP) — Racial troubles in Birmingham, Ala., were a focal point of discussion today in the weekly breakfast conference of President Kennedy and Democratic congressional leaders.

The senate leader, Mike Mansfield, Montana, said that the leaders and the President "hope that in that city the local elements will be able to bring about a solution of the uneasy situation existing at the present time."

Mansfield said there was no discussion of the propriety of the President's sending federal troops to the Birmingham area. He said the situation is serious and there is no question of the President's authority to act.

Confab Slated

SHOSHONE, May 14 — Fourth quarterly conference for the local Methodist church will be held at 8 p.m. Wednesday with the Rev. Charles W. Easley, district superintendent in charge. He will be a guest at the home of the Rev. and Mrs. Woodrow Harris Tuesday and Wednesday.

Coulee Crest Counts Noses Before Firing

YAKIMA, Wash., May 14 (AP) — A casual nose count of the 40,000 troops taking part in exercise Coulee Crest was the order of the day Tuesday prior to resumption Wednesday of more live firing.

A thorough accounting of all personnel was ordered to prevent a recurrence of last week's incident when a 17-year-old army private was awarded 30 hours in the field for being under intensive shelling and bombing.

The soldier emerged untouched, but a spokesman said additional precautions would be followed for Wednesday's firing.

Aircraft equipped with loudspeakers will fly over the range warning personnel to identify themselves so they can be picked up. Others, who must remain near the area, will be issued smoke grenades.

Operation headquarters said Blue forces were taking up firing positions along Squaw creek while the Reds were withdrawing near Calm Horn peak, away from the impact area.

U.S. Navy Men Face Stint of Slim Rations

WASHINGTON, May 13 (AP) — The navy locked up 23 college professors, scientists and technical men today without any advance warning to see how they will fare in an underground fallout shelter on a diet of biscuits and soup.

The high-level group of naval research reserve officers came to town from all over the country for what they thought was to be a seminar on fallout shelter problems.

The next thing they knew they were shut up in a shelter of corrugated steel under five feet of earth at the naval medical center in suburban Bethesda, Md.

They were asked to "volunteer" to remain in the shelter for a period of time which was not disclosed to them.

While they don't know it, the inhabitants of the shelter will be refused and examined at 1 p.m. EDT Friday.

During their stay, they will be given a lecture on the importance of rationing when they assembled for what they thought would be a lecture. Rations will be biscuits and soup. They will not be able to share or wash because of a water supply, but there are small moistened paper washcloths available.

If they smoke, they'll have to make what they had with them in the shelter is a supply of chewing gum.

"It will be up to them to learn how to make use of whatever they find there," the navy said.

Two members were in on the secret and will collect medical and psychological data. The highly-trained men came here for two weeks' active duty as naval researchers. The purpose of the surprise experiment, the navy said, was to gather knowledge of psychological reactions and physiological stresses on men of varying ages—29 to 57—and backgrounds, who were unexpectedly thrown together for a period unknown to them.

Rockefeller Is Seen as GOP Nominee

RICHMOND, Va., May 14 (AP) — Undersecretary of Commerce Franklin D. Roosevelt, Jr., is seen today to compare the New York Gov. Rockefeller with the New York Gov. Nelson Rockefeller would win the 1964 Republican presidential nomination.

"I don't believe you can compare the two administrations," said a news conference. "The only similarity is that the two are working for the best interests of the people."

He said the social and economic problems of the 1950's had undergone too much of a change to be used as criteria in judging the Kennedy administration.

Roosevelt, on hand to address a club meeting, said he doubted whether Rockefeller's divorce and remarriage had hurt his chances of winning the presidential nomination and all but ruled out Sen. Barry Goldwater, R., Ariz.

PEANUT BRITTLE GOOD FOR TEETH? That's what the Twin Falls Kiwanis club claims. Each year the local club sells peanut brittle to raise funds for dental care for needy children. Jack Shaw, left, in charge of this year's peanut brittle sale, is shown distributing boxes of the candy to three team captains.

Kiwanis Club Plans Sale Of Peanut Brittle in T. F.

"Use your teeth so that others may eat," is the theme of the annual peanut brittle sale, to be held from 5:30 to 9 p.m. Thursday.

The club's theory is that peanut brittle can be good for teeth—especially the teeth of needy children. Funds from selling the peanut brittle are used to provide dental care for needy youngsters.

Jack Shaw, chairman of this year's drive, points out that county health department funds do not provide for dental care other than extractions.

Members of the club, realizing additional and more extensive treatment is needed, arranged a program seven years ago in which the school or county health nurse would recommend youngsters to the youth service committee. Parents would send the children to the dentist of their own choice and the Kiwanis club would be billed for the charge.

When the project was introduced seven years ago, the club sold toilet soap. In 1961 an increase in the price of soap resulted in switching to peanut brittle, packaged by a Kiwanis-owned firm.

Nearly \$4,000 has been furnished in dental care since the program was instituted, with hundreds of children being cared for. With the backing of applications out of the way, the club still furnishes funds for dental care. So far this year, more than 215 have been paid for caring for dental patients.

The Kiwanis club and its high school affiliate, the Key club, will sell peanut brittle from door to door between 5:30 and 9 p.m. Thursday.

Parochial School Aid Bill Written

JEFFERSON CITY, Mo., May 14—Rep. Thomas A. Walsh, D., St. Louis, introduced a proposed state constitution amendment today to allow state aid to parochial schools for bus transportation.

His resolution, offered without objection in the house, would call for an election in 1964 to amend the state constitution, eliminating the present restriction against aid to parochial and private schools.

The move was the latest chapter in the Missouri school bus squabble. Earlier, Catholic parents enrolled their children in public schools to demonstrate against the legislature for killing a bill to allow the free bus service.

BILLINGS, Mont., May 14 (AP)—Magic Valley got nine runs off three pitchers in the sixth inning and won the game 11-2 Monday night. Alex Johnson hit a solo homer for the Cowboys in the eighth. Zeke Faulkner did likewise for Billings in the bottom of that inning. Mike Marshall batted in three runs for Magic Valley. In the big sixth frame he doubled with the bases loaded and all three scored. Marshall scored the first run of the game in the first inning after he tripped and came in on Johnson's single.

Sports

FROM ALL ANGLES

By LARRY ROVEY

The Borah Lions are officially the Borah Lions. The Idaho Intercollegiate Activities Association and the Borah Lions Association have agreed to change the name of the team to the Borah Lions. The change was made after the Borah Lions Association voted to change the name of the team to the Borah Lions. The change was made after the Borah Lions Association voted to change the name of the team to the Borah Lions.

It was reported last week one of the Borah Lions was injured and another slipped into his place without knowledge of the coach. What boils down to is the question the state board of control will have to find the answer to the mix-up in personnel on the Borah quarter. An honest mistake or was the player entered by a person running under an assumed name? This question will require a full investigation by the board and the answer won't be easily found.

It seems difficult to believe that Borah actually would stoop to such a thing. Winning certainly doesn't seem to be too much to ask of a team who has been able to beat the best in the state. It is hard to believe that the boys themselves would make the decision like that. The first impulse is to ask the coach for the answer.

Coming on the heels of the Borah basketball team on an eastern tour, however, this latest adds more to the growing legend of Borah high school—particularly in its sports. Borah now will be expected on everything for a long time.

This column has complimented the Borah in the past on the way it mixed leadership of athletes through leadership and school spirit. Monday night's victory was a testament to the team's power in football and track for the Southern Idaho conference and usually the state.

This column begrudges the Borah none of its successes as it has consistently turned out good athletes that have been always a little bit better.

Although the board may ponder the question searchingly, it is doubtful it can come up with an answer. Only a couple of people know for sure and you can bet.

Ex-Oriole Bonus Baby Blooms Into White Sox Power Slugger

NEW YORK, May 14 (AP)—The Baltimore Orioles gave up on Dave Nicholson, but the young outfielder is one of the major reasons the Chicago White Sox are flying high in the American league pennant race. Nicholson, who received a bonus of almost \$100,000 to sign with Baltimore, is batting only .248 for the league-leading White Sox. However, he is tied for the top spot in homers and runs batted in. Nicholson drove in seven runs in last week's games to tie teammate Floyd Robinson, for the league lead. Each had 24. Nicholson's seven homers put him in a first-place tie with Chuck Hinton of Washington and Tom Tresh of the New York Yankees. The White Sox got Nicholson in a six-player trade last week from the Baltimore Orioles.

Final chance to enter Twin Falls city "slow pitch" softball league will be 4-4-60 p.m. Wednesday at the Twin Falls city hall.

Recreation director Chad Browning said five teams have entered so far. Play will begin June 2.

Yanks Blank Boise Twice In Twin Bill

IDAHO FALLS, May 14 (AP)—The Yanks chalked up two victories Monday night by taking the Twin Bill in the first, and 5-0 in the second game.

Pitching was the strong point of both games. In the first, starter Bob Cervone hurled his way out of light spots, and the second winner Phil Landis kept the Broncos runless and knocked in one run.

The Yanks, in the first game, got their single run in the second when Pete Hall beat out an infield single, went to second on a wild pitch and scored on an error.

Billings scored three runs in the first inning, but the Yanks' defense held them to one run in the second. The Yanks' defense held them to one run in the second.

Sutton Claims Drag Strip Mark

BILOXI, Miss., May 14 (AP)—Houston's Charles Sutton claimed the world's drag speed record Monday, after roaring over a nearby dragstrip at 195.97 miles per hour.

Sutton made the run in a gasoline and alcohol fuel Dragster—a powerful blown engine mounted on a chassis with narrow motorcycle tires up front and nine-inch wide "slicks" on the rear wheels.

The Dragster, owned by national champion Don Garlitz, reached top speed from a standing start over the 410-yard (quarter mile) course Sunday.

A parachute, released to drag behind, helped brake the mechanical thunderbolt to a stop.

OUTPOINTS AUSSIE

SYDNEY, Australia, May 14 (AP)—Arthur Perry, a New York welterweight now living in Manila, outpointed Gary Cawthorn, Australia, Monday night in a 12-round fight at Sydney stadium.

They aren't going to jeopardize their position. They are the ones involved.

Palmer Retreats Homeward for Long Rest to Cure Golfing Ills

LATROBE, Pa., May 14 (AP)—Arnold Palmer, dog tired and bothered by a painful cyst on his back, came home Monday to rest up and to find out what's wrong with his sagging golf game. "I think what I need most of all is to get away from it for a while," the game's all-time leading money winner said. "For the next week, I won't touch a club. I'll just piddle around the house. Then next week I'll start practicing a bit. I won't play any more tournaments until just before the Open (the National Open at Brookline, Mass., June 20-22). I may play in the Buick Open (June 23-25 at Ft. Belvoir, Mo.), but I'm not sure I'll definitely play in the Thunderbird."

Pennel Ready To Vault in World Class

RUSTON, La., May 14 (AP)—High-flying John Pennel, his college career at Northeast Louisiana State behind him, pointed Monday toward track and field leagues where he faces a showdown with the nation's other 16-plus vaulters.

Red Sox Take Second Spot, Top Senators

BOSTON, May 14 (AP)—The Boston Red Sox exploded a barrage of extra-base hits, including three homers to beat the Washington Senators 4-5 Monday night and move into second place in the American league.

Bob Tillyman's three-run homer in the sixth inning proved the deciding blow for the Red Sox. He connected after a triple by Stuart and Roman Mejias.

Frank Malone and Stuart also homered for Boston. Carl Schilling doubled twice and Carl Yastrzemski added a triple to the hit attack.

Jimmie Foxx, who had hit 10 home runs in the first half of the season, hit his 11th in the second half. He hit a home run in the first inning and a double in the second.

Collegians Beat San Francisco

SANTA CLARA, Calif., May 14 (AP)—San Francisco rookie pitchers Monday lost to the University of Santa Clara, national collegiate runner-up, in 1962, beat the Giants 4-1 in an exhibition game.

Three Bronco pitchers held the Giants to seven hits while the defending National league champions allowed the college team now not to play baseball.

Santa Clara scored twice in the second on two base-outfield walks by Glan left-hander Al Glanek.

Senate Watches Lipscomb Probe

WASHINGTON, May 14 (AP)—Senate narcotics racket probes said Monday they are watching developments in the police investigation of the death of Gene (Big Daddy) Lipscomb, professional football star.

Sen. John L. McClellan, D., Ark., told a reporter the story of Lipscomb's death in Baltimore may figure, to some extent, in public hearings the senate investigations subcommittee plans to conduct this summer on the illegal traffic in narcotics and other drugs.

Lipscomb, a star of the Pittsburgh Steelers, was found dead in Black's apartment.

NEW YORK, May 14 (AP)—Chrysler Corp. today unveiled a new turbine-powered passenger car that "won't need no oil change or anti-rust treatment," it was claimed.

Chrysler said the car represents "a completely new idea in passenger cars." The car was shown at a special preview at Roosevelt Field on Long Island.

Chrysler executive research engineer George W. Spencer, Jr., said the car's simplicity, with no oil, and fewer parts than that of a conventional car, is the key to its v-4 piston engine, is in it is a fundamental change.

One spark plug, no tuneup in the conventional sense, no need for separate cooling systems of a separate cooling system with its requirements for water and anti-freeze, for example, for the electric simplification of the car's structure. All these have been cited as advantages.

Test Ban Plan

WASHINGTON, May 14 (U.S. Press) — A House Republican has suggested that the United States and the Soviet Union sign an agreement to test ban nuclear weapons in the air, under water and in space, but allowing a dozen or so tests underground yearly.

The proposal was made Sunday by Rep. Craig Hosmer, California, ranking House Republican on the Senate-house atomic energy committee.
