# GOP Aid To Demos Is Urged

SALT LAKE CITY, Sept. 20 (AP)—Edmund Brown of California told today's Democrats to join the Republicans in the West—and there are many more in the West—against racism, in violence and indifference.

Brown continued the blast against the right wing of the Democratic Party in the address Thursday by Frank Church, D. Idaho, at the opening session of the Western Governors' Association.

In a speech prepared for a special session on civil rights and the right wing, Brown said the Republican Party is just as effective as the Democrats in the fight against racism and violence.

Brown suggested the Republican Party should support the civil rights program of President Kennedy.

California governor said the state has had more than 100 deaths in the last year because of the super race war between the Democrats and the Republicans to come to the aid of the radical right.

Gov. Stanley Mosk of California said the civil rights program of President Kennedy is a noble one, but it is time to bid adieu to the party which has been so ineffective in the fight against racism and violence.

Brown said the Republican Party should support the civil rights program of President Kennedy.

WOMEN AND CHILDREN receive aid from British servicemen as they depart from a transport plane at a Singapore airport Thursday. The 71 British civilians on this plane were part of more than 100 who decided to leave Indonesia after a series of acts of violence against the British in the country. The violence has been a part of a series of Indonesian attacks on the British support of the formation of the new Federation of Malaysia. # Indonesians Mend Break With British

JAKARTA, Indonesia, Sept. 20 (AP)—Indonesia strove today to mend frayed relations with Britain, checking further demonstrations and announcing that it would protect foreign properties from seizure.

Government-controlled news and radio agencies said President Sukarno specifically barred the takeover of British companies without his approval.

The assurance appeared to meet a British demand that Sukarno appeal out what he intends to do about British properties seized by Indonesian workers in the wake of anti-British sentiment following the creation of Malaysia.

# Report Made On Suspect's Examination

The report of the psychiatric examination of George Olson, 40, charged with first degree murder in the slaying of Keith Childs, 22, has been received by Robert Rayburn, Olson's attorney, and probably will be released after Rayburn has had time to study it.

Rayburn said the contents of the report would be made public if he gives a copy of the report to Prosecuting Attorney James May. Rayburn said he had not had time to consult the psychiatrist, but hoped to do so early next week.

The preliminary hearing for Olson has not yet been set and May has said the hearing will be postponed until Mr. Melkman, who was wounded several times in the shooting, is well enough to testify.

# Tax Cut Plan Termed Way To Disaster

WASHINGTON, Sept. 20 (AP)—The Republican party's top spokesman on taxes tonight called President Kennedy's \$1 billion dollar tax cut a "disaster" for the country.

Rep. John W. Byrne, D., Wis., top GOP member of the tax-writing House Ways and Means Committee, made the charges in a "equal time" broadcast in which he sought popular support for a Republican proposal that would let the cut to accelerate curbs on government spending.

Without this, Byrne said, all signs are that the federal budget will continue to grow, leading to further inflation and inevitable "financial ruin."

Byrne was joined by the Republican Party's top spokesman on taxes tonight called President Kennedy's \$1 billion dollar tax cut a "disaster" for the country.

# Bomb Planted Under Steps Of Church

MINNEAPOLIS, Minn., Sept. 20 (AP)—A federal attorney said today the investigation on whether a high-order explosive planted under the steps of a church caused the blast that killed four Negro students and injured a score of others.

The disclosure by U.S. Atty. Gen. J. Edgar Hoover said today the bomb was tossed or planted.

Weaver said FBI and local officers had no evidence indicating the identity of the bomber, but he said the public will be informed of any arrest or charges.

Mayor Albert W. Weaver, who led the funeral procession, said the bombing was a "disaster" for the city.

# Fails

MINNEAPOLIS, Minn., Sept. 20 (AP)—Mrs. Violet Smith, 40, failed to win a seat in the House of Representatives in the election held on Aug. 20, 1962.

The incumbent was defeated by a close margin in the election.

Smith had been in the House for two terms.

# Harriman Plans Pocahontas Talks

POCAHONTAS, Sept. 20 (AP)—Robert Harriman, New York, chairman of the Union Pacific Railroad, will make his public appearance in Pocahontas tomorrow.

Harriman, who donated \$50,000 for the Pocahontas project, will be met by a delegation of local citizens.

The Pocahontas project is a \$100 million project to build a new bridge over the Mississippi River.

# Fire Probe Has 'Nothing New'

CHICAGO, Sept. 20 (AP)—The fire that broke out in the American National Bank today was not a "new" fire, but a "nothing new" fire, according to a fire official.

The fire broke out in the bank's vault, which was filled with cash.

The fire official said the fire was caused by a short circuit in the vault's wiring.

# Kennedy Notes Pause in Cold War Suggests Russia Plan Moon Trip

UNITED NATIONS, N. Y., Sept. 20 (AP)—President Kennedy today noted the apparent pause in the cold war and called for new U. S.-Soviet cooperation, including a joint expedition to the moon. He also urged new efforts to ban weapons of mass destruction from outer space.

The President addressed the U. N. general assembly which yesterday heard a policy declaration from Soviet Foreign Minister Andrei A. Gromyko.

Kennedy matched the moderate, conciliatory approach of Gromyko and hailed by U. N. delegates as a welcome change in the international atmosphere. The one baring note was a boycot of the Cuban delegation, whose seats were conspicuously vacant in the crowded chamber.

The President made no specific mention of Gromyko's proposal for an American-Soviet conference on disarmament in 1964, but he laid heavy stress on continuing arms negotiations. He cautiously followed his reference to "a pause in the cold war" by a reminder that this is not a lasting peace.

# Paint Bomb Hits Car of President

NEW YORK, Sept. 20 (AP)—A station wagon load of shouting teenagers tossed a paint bomb at President Kennedy's parked limousine Thursday night, splattering the hood and front fenders with white paint.

There was no indication that the youths who threw the missile knew their target was Kennedy's limousine.

The President's secret service driver, William Greer, was standing beside the car when the paint bomb was thrown. Greer said he was looking much like an egg-struck hen when the bomb hit.

The bomb was thrown from the front of the Kennedy's car and the rear of another car parked just in front of it.

# Quintuplets Are Weighed First Time

ABERDEEN, S. D., Sept. 20 (AP)—The five quintuplets "get this along good, very good," tipped the nursery scales in their first weighing today at eight ounces, to three pounds, 13 ounces.

Dr. James H. Berbo pronounced the quintuplets as very good in a news conference in the middle of their sixth day of life.

The quintuplets were born at 3:45 a. m. on Sept. 18, eight ounces, to three pounds, 13 ounces.

It is normal for babies to lose some weight after birth. Berbo, who delivered the quintuplets Saturday, said premature babies ordinarily lose weight.

# Jordan to Oppose Test Ban Treaty

WASHINGTON, Sept. 20 (AP)—Sen. Len B. Jordan, R., Idaho, said today he will vote against Senate ratification of the nuclear test ban treaty. He said, "I take the position with great reluctance," Jordan said, "because I had sincerely hoped that in good conscience I could support this treaty."

He said he would vote for it if it provided for full inspection. "In my opinion," he added in a statement, "the most compelling argument for the treaty is the contention that radioactive fallout will be reduced. With six grandchild children under your gaze, how could I fail to be moved by this argument?"

# U. S. Agencies Pose Disaster In Viet Nam

WASHINGTON, Sept. 20 (AP)—Sen. Mike Mansfield, D., Mont., said today that unless Ambassador Henry Cabot Lodge is given prompt and full support by all American agencies in South Vietnam, "we are face-to-face with disaster."

Mansfield, the Democratic leader, said the agencies should support Lodge's request for a "grave situation" in Viet Nam may well be lost unless there is an administrative discipline, coupled with a capacity to resist.

Mansfield said that whatever prospects there may be for changes in American policy to relieve the "grave situation" in Viet Nam may well be lost unless there is an administrative discipline, coupled with a capacity to resist.

# Advisers to Aid Senator In Decision

WASHINGTON, Sept. 20 (AP)—Sen. Barry Goldwater, R., Ariz., today announced creation of a staff of advisers to help him decide whether to seek the GOP presidential nomination after the California primary.

Goldwater said he has decided whether to seek the GOP presidential nomination after the California primary.

## Ballet '63 Sets Hailey Event Oct. 1

HAILEY, Sept. 20—The troupe of eight dancers known as "Ballet '63" will appear at the Hailey LDS church cultural hall this evening, Oct. 1.

Their numbers range from the classical "Les de Trola," a demanding ballet utilizing every step in a dancer's vocabulary, through the hilarious social satires "Cocktail Party," the modern and starkly moving "Prokofiev Waltzes" to Negro spirituals.

The program is being presented by the Wood River Concert Association as the first of three concerts for the 1963-1964 season.

A. W. Ensign, president, states this year's concerts are expected to surpass all former ones.

"Ballet '63" has had a short, but explosive history. It began back in the summer of 1960, when some dancers from the family San Francisco Ballet got together and presented a season of summer stock.

The group now has its own theater and performs every summer to sellout audiences. This fall the group will embark on a tour of the Columbia Artists management.

The troupe has been acclaimed a "triumphant success from every standpoint" throughout California and the West during its past three seasons, Ensign said.

World-famed choreographer and director of the San Francisco Ballet, George Balanchine, has invited some of the dancers they will present.

## 225 Attend Teacher Fete For Valley

EDEN-HAZLETON, Sept. 20—Approximately 225 people attended the ninth annual teachers' reception held at Valley High school Wednesday night. The polka-dotted luncheon was organized by the Valley PTA and honored teachers of the Valley, Eden and Hazelton schools.

Most of ceremonies was Walter Will, Mrs. Elwyn Allison, PTA president, welcomed the teachers and Mary Moore gave the featured response. Teachers were introduced by Dr. L. Thomas Uterback, superintendent.

A. D. Rogers, chairman of the trustees, presented the members of the board. Members of the PTA executive board were introduced by Mrs. Allison.

Theme of the reception was "Wheels of Progress," and many of those attending wore colorful wheel-shaped costumes.

Mrs. Glen Baum and Russell Dillinger presented a musical play accompanied by Glen Baum. Flag presentation was by Roy Boutts. Mrs. Clyde Kaserman was program chairman.

The Codea sang, accompanied by Mrs. Austin Matheny.

Mrs. Rod Overfield was hospital chairman. Mrs. Gene Balch and Mrs. Kenneth Martin in charge of decorations. Mrs. Larry Martin and Mrs. Verna Martin arranged corsages which were presented to the teachers.

Mrs. Royd Schwab and Mrs. Irving McDonald presented a musical punch. Mrs. Elmer Hagen was in charge of rolls. Mrs. Walter Shawne, Mrs. Royd Hagen were the kitchen committee, and Mr. and Mrs. Harold Ornt, cleanup.

The girls of the home economics classes assisted with serving food. Mr. and Mrs. Bill Brown were in charge of music.

Announcement was made that the next meeting of the Valley PTA will be held at 8 p.m. Sept. 27 in the high school cafeteria. Pending legislation includes support for a federal aid program to schools and international relations.

## Jerome Taxes to Be Some Higher

JEROME, Sept. 20—Taxes in Jerome county will be up slightly this year, according to Mrs. L. McVey, county clerk. The assessment last year was \$200 per \$100 assessed valuation and this year it will be \$2.0693 for the county levy.

Mrs. McVey explained that the local security for all school property is added this year and the levy for the county health activities also raised slightly. The total state and county levy is 2.0593.

This city of Jerome tax is 4.55 per \$100 assessed valuation. This includes 2.50 for the general fund, .29 for fire equipment and salaries; .130 for lighting, water, sewer and streets; .25 for the library and .30 for the parks.

MOUNTAIN HOME, Sept. 20—Cost of the trial at Court of accused slayer Theodore Thomas Dille is estimated at \$15,000. Taxpayers in Elmore county will pay the bill. County Clerk William Trail said the estimate of the cost of trying the 22-year-old Elmore laborer comes from officials in Pocatello county, where the case was transferred. But Trail said Elmore county must pay the cost and already has been asked for a advance of \$10,000 to finance preliminary costs of selecting a jury and trying prospective jurors. The trial is scheduled next month.

POCATELLO, Sept. 20—Idaho State university will celebrate its recent approval by the American Association of University Women with a public reception Saturday afternoon. The group is sponsored jointly by the university, alumni association and the local branch of the AAUW.

BOISE, Sept. 20—Idaho's 1963 loyalty oath was attacked today as being detrimental to the Gem state in six specific areas. In a brief filed in United States district court, Attorney Louis F. Baege, Jr., Pocatello, listed the "detrimental effects" he said enforcement of the law would have: Harassment of public employees, depressing effect on the teaching profession, lower level of teaching effectiveness, inhibition of search for truth in the classroom, loss of excellent professors who refuse to sign an oath of this nature and probable loss of future potential professors.

CALDWELL, Sept. 20—A 34-year-old migrant farm worker has been ordered held for trial in seventh district court on a first degree murder charge. Justice of the Peace Lloyd O. McClintock ordered Tio Vegas held for the higher court on the condition of a \$10,000 bond. The judge continued his order along a preliminary hearing. The defendant is being held in the Canyon county jail. Vegas is accused of killing Cesar Ramos Garza, 50, also a migrant worker, at the West Valley labor camp near Wilder, where both were living.

POCATELLO, Sept. 20—Pocatello's 1964 United Campaigns fund drive jumped off to a good start with an early report from Garrett Frighillines, Ted Bluffie, drive chairman for the motor carrier, said 282 of the firm's 380 Pocatello employees have pledged \$4,471, an average of \$11.77 each. Meanwhile, plans for the 1964 drive, which will start Oct. 1, started competition.

## Double Ring Wedding Rites Unite Couple

MURTAUGH, Sept. 20—Brenda Ann Hogue, daughter of Mr. and Mrs. Wayne K. Hogue, and Dennis E. Vittetoe, son of Mr. and Mrs. Aubrey Vittetoe, all Murtaugh, were united in marriage in an afternoon ceremony Sept. 8 at the First Christian church, Twin Falls.

The double ring ceremony was performed by the Rev. Donald Hoffman before a background of lighted candelabra and cathedral candles of white gladioli and blue chrysanthemums.

Given in marriage by her father, the bride wore a gown of white silk organza over satin. She carried a bouquet of white orchids surrounded by white butterfly and blue nylon net and eucalyptus leaves.

The four-length bouffant skirt was embellished with sculptured lace applique and fell into a chapel train. Her ebow-length veil was held by a crown of seed pearls. She carried a bouquet of two white orchids surrounded by white butterfly and blue nylon net and eucalyptus leaves.

For sentiment, she wore a blue garter, a penny in her shoe and carried a linen and lace handkerchief belonging to her grandmother, Mrs. Roberta Bailey, Hazelton.

Matron of honor was Mrs. Kenneth Hogue, Boise, sister-in-law of the bride. Bridesmaids were Joyce Vittetoe, sister of the bride; Cecelia Benckula and Dana Turner, each wore a dress fashioned and made by the bride's mother of heavenly blue crystal charm featuring a scoop neckline, short sleeves and a bell skirt. Each carried a white lace fan with blue carnations, bougainvillea and ribbon streamers and wore a lace garter, a gift from the bride.

Both brides were flower girls. The bride wore a full skirted dress of heavenly blue charm and scattered rose petals from a white basket trimmed with blue tulle. The bride's mother was a blue Jean semi-sheath dress with white accessories. The bride's mother was a blue Jean semi-sheath dress with white accessories.

# Food for Americans

By GAYNOR MADDOX

Booner or later some member of your family is going to want banana cream pie. It's bound to happen. It did in our house last week when our 200-pound nephew visited us for a few days. When he went home, he was very happy and hadn't lost a pound. If anyone has a better pie than this one, we'd like to try it.

**BANANA REFRIGERATOR CREAM PIE**  
(6 to 8 servings)  
2 1/2 cups unflavored gelatin  
2 1/2 cups cold water  
1/2 cup sugar  
1/2 cup water  
1 tablespoon fresh lemon juice  
1/2 teaspoon salt  
2 egg whites

# Sandra G. Hess Is Married to Franklin Ford

Friends and relatives gathered at the home of Sandra Hess, 315 S. 1st, for a brief home reception honoring Mr. and Mrs. Franklin Ford. The couple exchanged wedding vows at 10:30 a.m. in the home of Sandra Hess. The bride, Sandra Hess, is the daughter of Mr. and Mrs. J. W. Hess, 315 S. 1st. The groom, Franklin Ford, is the son of Mr. and Mrs. J. W. Ford, 315 S. 1st. The ceremony was performed by Rev. Mr. J. W. Hess. The wedding party included Sandra Hess's sister, Mrs. J. W. Hess, and several bridesmaids and groomsmen. The reception was held at the home of the bride's parents.

MR. AND MRS. FRANKLIN R. FORD

The bride, given in marriage by her father, wore a floor-length gown of white tulle with a high collar and long sleeves. She carried a bouquet of white roses and a small basket of bride-cakes. The groom wore a tuxedo and carried a sword. The ceremony was performed by Rev. Mr. J. W. Hess. The wedding party included Sandra Hess's sister, Mrs. J. W. Hess, and several bridesmaids and groomsmen. The reception was held at the home of the bride's parents.

Program Given At Aid Meeting  
GOODWILL, Sept. 20, 1963. George Jenkins presented the program at the meeting of the Senior Ladies aid of the Christian church at the home of Mrs. E. J. Bennett. The program included a musical number by the choir, a prayer by Rev. Mr. J. W. Hess, and a presentation of a certificate to Mrs. E. J. Bennett. The meeting was held at 8:30 a.m. and was well attended.

# Local Pythian Sisters Meet

By GAYNOR MADDOX

The Twin Falls Pythian Sisters met at the IOOF hall for their first fall meeting with Mrs. W. A. Elward, most excellent chief. The charter was drafted for a period of 30 days for supreme chief, Turla Jackson, and Mrs. Pearl Plamondon, past grand chief of Idaho. Plans were made for the official visit of the grand chief of Pythian Sisters of Idaho, Mrs. Minnie Aldridge, who will visit Oct. 10. The Pythian Sisters presented Mrs. Ed Maher her 50-year-pim. It will be given to her by her daughter, Mrs. Harold Morrison, as Mrs. Maher was too ill to receive it in person. Refreshments were served by Mrs. Elward and her daughter, Cheryl.

# COFFEE HOUR HELD

By GAYNOR MADDOX

PILER, Sept. 20—Mrs. Allen Rector was hostess at morning coffee hour for members of the Women's Society of Christian Service. She was assisted by Mrs. F. E. Albin. The Rev. Allen Rector presented the devotional service and gave a talk on summer school he attended at Stockton, Calif.

## U. S. Appears Near to Farm Produce Trade With Reds

WASHINGTON, Sept. 20.—U.S. officials of the United States appeared today to be on the threshold of a new era in cultural trade relations with the Soviet bloc.

Whether it will cross the threshold may depend more on the Soviet leaders than American. A friendly gesture in the form of a communist offer to supply the United States with expanded trade with the Soviet Union and its satellites.

Soviet purchases this week of \$5 million worth of Canadian wheat and 90 million dollars worth of Australian wheat has what the appetite of American consumers. It is a government officials for a piece of the big Iron Curtain market.

Lawmakers from farm and stock raising states want the United States try to cash in.

Actually, barriers to sales of

which have been more important than real. No laws or regulations in the Soviet Union to restrict communist countries in receiving a small quantity of goods from American source for their own consumption, tobacco and the like.

A major factor in this bidding Soviet trade is that the United States can get a large quantity of goods from the Soviet Union.

**Car Damage**

REPORTED—20 to 25 miles and side of a 1951 Chevrolet demolished in a car crash. The car was wrecked in a collision with a large truck in a busy city street.

About 200 feet of the car was pushed over the side of the road and crushed. The car was found in a pile of twisted metal in a busy city street.

## Mrs. Nhu Is Firm Backer Of Red China

REHOBOTH, N.Y., Sept. 19.—Mrs. Ngo Dinh Nhu, the politically powerful first lady of South Viet Nam, declared today Soviet Premier Khrushchev is more dangerous than Mao Tse-tung, the Red Chinese boss.

"We are for coexistence," she said in an interview at the close of a nine-day visit to Belgrade, "because of the geographical and strategic position of our country. But for genuine coexistence."

"The Khrushchev type of coexistence is not genuine. It is only a form of submission."

Elaborating, the sister-in-law of President Ngo Dinh Diem said: "Khrushchev wants world domination, just like Mao Tse-tung. But, while Mao is loud, beating the drums, Khrushchev pursues his aims quietly."

"The means of Khrushchev might succeed much easier than those of Mao."

"The violent tactics of Mao have resulted in the revival of Indian nationalism and in other parts of the world the reaction will be similar."

"Khrushchev looks to us more dangerous. His tactics of peaceful coexistence, which covers subversion, are more dangerous than the outspoken Mao."

"Mao is not more holy than Khrushchev, but Khrushchev is cleverer and therefore more dangerous."

## Delegates Report For Legion Meet

FILER, Sept. 20.—Gordon Storrs and Beve Annis, boys' state delegates, related their experiences at the sessions to members of the Filer American Legion and auxiliary at a joint meeting.

An ice cream social preceded the program and business meetings.

Mrs. Elmer Harshbarger and Mrs. James Glass were named co-chairmen of a membership drive for the auxiliary. All auxiliary members were urged to attend the district meeting to be held Oct. 6 in Oakley.

## \$750,000 Pay Set Over Crash

SALINAS, Calif., Sept. 20.—The state of California will pay more than \$750,000 to the families of the Mexican braceros killed Tuesday in a train-bus crash 13 miles south of Salinas, it was announced today.

Meanwhile, the death toll climbed to 30 when Juan Diaz Duchinas and Roberto Meza, both 22, died in Salinas hospitals. Two other men among the 27 still hospitalized are on the critical list.

Earl Howard, general manager of the state compensation insurance fund, said all 60 persons on the converted-bus, which was struck by a freight train, were covered by workmen's compensation insurance.

## Washington Warns About Rabid Bats

OLYMPIA, Sept. 20.—The state health department issued a new warning about rabid bats today after an Olympia fireman was bitten by one of the little flying animals.

Arthur R. Bergh, 34, said he was bitten on his arm as he sat outside his car after dark Wednesday.

Dr. F. A. Ager of the health department said Bergh was the third Washington resident bitten within the last 30 days.

He said anyone bitten by a bat should seek medical treatment immediately. If a person is not vaccinated, Dr. Ager said, there was a possibility of the individual contracting rabies.

Dr. Ager said he sometimes failed but who bites a person is rabid because they ordinarily do not bite unless they are.

He said the other two persons under treatment are Oraya Harbor and Oceanan county residents.

The bats were proved rabid. The last bat hit the Olympia fireman was not available for test.

## I. F. to Delay Power Contract

IDAHO FALLS, Sept. 20.—City officials said today they have delayed action on signing of a contract to purchase electricity from the Bonneville power administration.

The decision to delay the contract signing pending further study came last night after the city council heard protests from two Idaho Falls businessmen.

Beverage company operator W. C. Skinner said he believed the people of Idaho Falls should be able to voice an opinion on a contract before it is signed. Roger Rose urged a delay to allow time for the contract to be studied.

## Beet Dump Is Installed Near Curry

In the next 10 days the Amalgamated Sugar company will open its 1963 campaign. It is expected to last 140 days. During these last few days, final repairs and adjustments are being made to accommodate the thousands of tons of sugar beets that will arrive at the Twin Falls factory.

Each year the company reviews its plant operations and the operation of the beet dump located on Union Pacific railroad branch lines in southern Idaho. When a dump becomes obsolete and inefficient, it is replaced.

Typical of the replacement program is the new beet dump located at Curry.

A new dump-and-piler have been installed at the Curry siding.

One of the main features on the new machine is the ease in which the farmer can receive his dirt. When unloaded, he simply drives off the platform and under a conveyor. The unloading conveyor for dirt can accommodate trucks on either side of the dump.

A simple flip of the switch moves the entire machine to the left. In the old days a farmer would have to get out of his truck after making the swing to get under the dump and trip the hopper to get back his dirt.

According to Robert-Dave Amalgamated, the installation of a new dump at Curry will speed up operations considerably. Its actions, the new dump features stronger construction and easier moving ease.

## Weather

Continued rain could have some delaying effect on many Magic Valley crops, said Donald-Youts, Twin Falls county agent. Youts noted that a wet spring has already delayed corn and shortened the growing season. Beans, hay and potatoes could suffer if rain continues to fall.

## ASC Work Applications Announced

Farmers were reminded today that any eligible person may be nominated as a candidate for membership on an ASC county committee by a petition signed by six or more eligible voters. Such nominations are now being accepted at the county office.

Carl Boyd, chairman, agricultural stabilization and conservation county committee, points out that a special effort is being made to be sure that all farmers understand and take part in the committee nomination and election process.

"We've been holding these elections for 20 years," he said, "but each year new farmers become eligible to vote. We want all eligible voters to know that they have a right to nominate any farmer for a committee who is eligible and willing to serve."

If a person nominated by proper petition is found to be eligible and willing to serve on the ASC committee, his name will be included on the ballot. Any person who is found to be ineligible to serve on the committee will be notified of such a determination before the date of nominees is completed, and will be informed of his right to appeal to the ASC county committee.

## District FFA Meeting Held

The first South Magic Valley district Future Farmer of America meeting was held at Kimberly high school last week. After the meeting, an officers training session was held, with each district officer in charge of his group of chapter officers.

According to John Lawrence, Twin Falls high school vocational agriculture instructor, the meeting was well attended and interest was good.

In the matter of officer training Fred Walmsley is in charge of presidents; John Lawrence in charge of vice presidents; Russ Hall in charge of secretaries; Dave Jensen in charge of treasurers; Les Jackson in charge of reporters; and Norman Kessler was placed in charge of sentinels.

Lawrence reported that the course of study material has been forwarded to the state office for evaluation.

## Trend Indicates Pesticide Sales to Increase in U. S.

WASHINGTON, Sept. 20 (AP)—The agriculture department estimates a longtime upward trend will cause pesticide sales in the United States to increase 10 to 12 per cent in 1963.

In a review of the pesticide situation for 1962-63, the department said pesticide usage in the United States increased in 1962 over previous years. Exports of pesticides also increased.

The department said sales of synthetic organic pesticides at the primary producer level were up 14 per cent. The value of exports of all kinds of pesticides was up 23 per cent.

Infestations in the United States were average-to-below normal in 1962 with no major outbreaks of pests. A severe mid-winter freeze throughout the southern states early in the year,

turned to the farmer's truck. The dirt conveyor works right off the left and the farmer drives off the platform directly under the conveyor to receive his dirt. (Times-News photo)

The department said insecticides accounted for 59.2 per cent of pesticide sales, in pounds, in 1962. Fungicides accounted for 15.1 per cent, herbicides 13 per cent, fumigants, 9.3 per cent, and rodenticides 0.7 per cent.

## Humphrey to Spearhead Drive to Alter Wheat Ban

WASHINGTON, Sept. 20 (AP)—Sen. Hubert H. Humphrey, D-Minn., says he plans to take personal command of a drive to persuade the Kennedy administration to reverse its tough policy on farm exports to Russia.

Humphrey, as senate Democratic whip, is in a strategic spot for such an effort. He discussed the issue with President Kennedy and according to Humphrey, had an interested, attentive listener.

The Minnesota senator's campaign was touched off by Monday's announcement that Canada will sell more than 200 million bushels of wheat to the Soviet Union.

Humphrey later arose on the senate floor to announce that the U. S. government should now restrain the possibility of ex-

panding its own trade in food products with "the Soviet sphere." The Soviet wheat purchase from Canada coincided with reports that Russia's own wheat harvest is down sharply this year.

But agriculture department officials said the Soviets have no need to buy U. S. wheat.

If such a request should be made, government and congressional spokesmen agree the President legally could tell the commerce department to issue an export license.

But the question is far more complicated than that, involving domestic political considerations as well as foreign policy.

In 1961, congress adopted the so-called Latta amendment, amending the food and drug administration, sponsored by Rep. Delbert

declaration of congressional intent. The administration has the position, however, that the Latta amendment is a policy statement, not a law on a possible wheat ban to Russia. But Latta would have the legal right to approve such a step.

In any case, Canada does to sell massive amounts of wheat in a massive rearmament of U. S. policy on the issue.

COMBINATION GRAIN and stock rack for a farm truck won Ted Ketterling, Rupert, fourth place in the national Lincoln Welding contest. The James F. Lincoln Arc Welding foundation sponsors the contest each year for school shop students. Ten students won fourth place honors. Ketterling competed in the agriculture education division.

## Thain, May Herds Earn Top Honors

RUPERT, Sept. 20 — Holsteins owned by Richard May and John Thain were top producers in the annual \$15,000 school shop welding competition sponsored by the James F. Lincoln Arc Welding foundation.

The herd owned by May consisting of 44 cows produced an average of 45 pounds of butterfat and 1,450 pounds of milk during the month to barely edge out the Robert E. Crosby herd of Holsteins which averaged 44 pounds of butterfat and 1,340 pounds of milk.

Individual production honors went to Holly H. a Holstein owned by Thain. The cow produced 2,765 pounds of milk at a test of 3.0 on 83 pounds of butterfat. Next was No. 44, another Holstein, owned by Hillcrest Dairy farm, with 22 pounds of butterfat.

A total of 595 fresh cows from their herds in the unit produced a total of 728,521 pounds of milk and 23,672 pounds of butterfat for averages of 1,114 pounds of milk and 26 pounds of butterfat per cow, according to Crandall.

A total of 245 cows produced 40 pounds or more butterfat during the month. Other high producing cows including cow, milk, test, butterfat and owner are: No. 14, 2,310, 3.4, 70 pounds; No. 17, 2,570, 2.9, 75 pounds; No. 19, 25.0, 3.0, 75 pounds, all owned by Richard May; Patch, 2,230, 3.2, 74, A. W. Overman; No. 79, 2,108, 3.5, 74 pounds, John Thain.

No. 10, 2,288, 3.2, 73 pounds, Hillcrest dairy; Gladys, 2,289, 3.0, 72 pounds, Jack Hildebrand.

## Minidoka Youths Place In Arc Welding Event

CLEVELAND, Sept. 20 — Seven Minidoka county high school students made the award-winners list in the 1963 edition of the annual \$15,000 school shop welding competition sponsored by the James F. Lincoln Arc Welding foundation.

Two of them, Ted Ketterling, Rupert, and Mike Manning, route 1, Paul, won fourth awards of \$150 each in the agricultural education division of the competition. Ketterling built a combination grain and stock rack; Manning built a stock rack.

Ketterling's project was built under the supervision of agriculture instructor Vernon MacNeil while Manning's was completed under instructor Keith Merrill, Jr.

Sixth-place award winners in the same division include Timm R. Adams, route 2, Paul, with a platform scale; and Frank Dean Garner, route 2, Rupert, with a stock trailer. They each won \$50. Merrill was their instructor.

Other high Holstein herd averages with number of cows, milking, average butterfat and pounds of milk are the herd of Ralph Hargis, route 1, with 1,288, 3.5, 75 pounds, 1,268; Jack Hildebrand, 25-milking, 41—pounds, 1,267 pounds of milk; and A. W. Overman herd with 25 milking, 40 pounds of butterfat with 1,278 pounds of milk.

The net whole milk equivalent in manufacturing was up 10 per cent over 1961, to 64 billion pounds. Of this 52 per cent came butter, 22 per cent cheese, 15 per cent frozen dairy products and the remainder evaporated and condensed and other products.

CLOSEUP OF SOME of the detail of a big scales rack is displayed by Mike Manning, Paul, who placed fourth in the Lincoln Welding contest in the agriculture education division.

## 3 Accepted Into Holstein Group

RUPERT, Sept. 20 — Three youths from Minidoka county have all been accepted for Junior membership in the Holstein Praction Association of America.

Gary B. Bon and J. Alan Chugs, both Rupert, and Walter Lamont Smith, Heyburn, qualify for membership. Junior members must be under 21 and have completed one year of successful 4-H or vocational agricultural dairy project work.

They also must own at least one registered Holstein. Junior Holstein members may register and transfer their animals at member rates and receive regular reports of breed and association progress.

## Herbicides Are Tried in Nevada

RENO, Nov. 20 — Two herbicides showed considerable promise and two others showed limited possibilities for eradicating Russian knapweed and poverty-weed in tests by college of agriculture scientists here.

The most successful under all circumstances were Banvel D and TBA. Amitrole and 2,4-D supposedly eradicated poverty-weed when applied in the spring. However, ideal conditions for the action of these chemicals existed and these results may not always be obtained.

WINNING DISPLAY of vegetables at the 4-H district fair in K. W. state 4-H leader, right. Jerome county agent, left, holds out a pepper from the display for comment. (Times-News photo)

### Better Quality Is Feature Of Area District 4-H Fair

WINNERS, Sept. 20—Most of the youngsters showed up on Saturday for the final day of the 4-H district fair. However, a lot of the judging of exhibits was done the day before when they were studied by specialists. Some of the 4-H leaders and judges of the district fair, which was held at the Jerome county fairgrounds, said the quality was higher than it had been in many years. While the number of exhibits was small, the workmanship showed definite improvement. This is attributed to the fact that many exhibits were eliminated early at the county fairs, and only the winners participated. The judges and specialists were quick to comment on the high quality, and where interest and quality have been picking up in the field of forestry. This can be attributed to greater interest by 4-H leaders, said Vern Burleson, state extension forester. "According to Miss Dorothy Hole, assistant state 4-H leader, interest is picking up in girls' projects other than dressmaking and cooking. D. E. Warren, state 4-H leader, pointed out that the 4-H program is ideally suited to the people of Idaho. Both urban and rural youngsters participate. New interest is picking up in the urban areas in a field that once was primarily a rural affair. Warren noted that the 4-H program in Idaho has been growing steadily for the past few years. A five per cent increase is becoming common and at present some 97,000 Idaho youngsters are participating in the program.

### Good Yield

RICHFIELD, Sept. 20—Gaines wheat yield in the Richfield area has gone as high as 117 bushels per acre this year. A small field at the Gull McGee farm in Marley was reported by Earl Atkins, who, combined, the wheat, with the highest yield. Overall average of Gaines wheat yields at the Donald Walker ranch was 91 bushels to the acre. No attempt was made to find the highest yielding field, and any used for pasture without combining was averaged in with the rest. Past damaged most of Richfield's fields, except the rust-treated varieties. Highest yields from rust damaged fields was between 50 and 60 bushels to the acre, with the average 40 to 50 bushels.

### Richfield Horse Doesn't Like to Have Spectators

RICHFIELD, Sept. 20—Prince, riding club horse owned by Wendell Johnson, Richfield, received a severe head injury Saturday night after the inter-state jamboree at Frontier field, Twin Falls. Prince, 18 years old, balked at entering his trailer in full view of a number of spectators. Jumping in his truck, usual mode of travel, had never bothered him but Johnson said the animal displayed eccentric feelings on entering a trailer. He likes no audience. However, he finally entered the trailer, then lunged backwards striking his head on a crossbar, practically scalping himself. The Johnsons hurriedly drove to Shoshone where more than 40 stitches were required by a veterinarian to "sew his head back on with twine," as a small visitor, Johnny Rose, son of Dr. and Mrs. Wesley Rose, Jerome, was heard to remark.

### Weed Control Plots Are Viewed on Gooding Tour

GOODING, Sept. 20—A weed control tour was held in the Gooding and Bliss areas recently. Assisting Gooding County Agent Ed Koester were Wally Higgins, county weed supervisor, and George Workman, of the American Chemical company. Various chemical weed control plots were viewed and results checked. Workman explained that fall weed control with chemicals is much more successful than early season control. Some experiments indicated fall application to be two and one-half times as effective. The first stop was a former large patch of morning glory that had been treated with Benlate in the fall of 1961. This year had been idle since and had been in the wheat program. J. M. James of the ABCS office explained the weed control program in his department. A roadside stop indicated a light application of 24-D on weeds have increased markedly ground cherries is not effective, all over this area and other as they last seeded. Another stated this year as a result of stop where 600 and Amtritol T. heavy rains this spring and negated had been applied three years ago. **PRICE RISES**  
WASHINGTON, Sept. 20 (AP)—The agriculture department said the retail price of frozen orange juice concentrate rose in each of the first six months of this year. This reflected the sharply reduced supply caused by the December freeze in Florida.

## Idaho Economist Stresses Changes in Wheat Standard

BOISE, Sept. 20.—Changes in the official U. S. standards for wheat competition, that will be discussed this fall, are important to Idaho grain standards, he said, feel that the growers. Wayne Robinson, marketing specialist of gain a bigger share of the market. The University of Idaho extension service, said today in the September issue of "Economics Facts for Idaho Agriculture."

The Pacific Northwest hearing will be at Portland, Oct. 8. "Wheat is an international commodity," Robinson said. "More wheat moves in world trade than any other single farm product. Wheat is used more widely throughout the world than any other food. Increasing competition in world markets has intensified the need for wheat, Robinson said, would wheat of more dependable quality change the name of Western

## Weapons of Democracy

## change with the times!

FOR DECADES IN OUR EARLY HISTORY, the dependable, accurate Kentucky rifle guarded the American home. It helped keep order, remedied injustices, protected the family against constant danger.

In this modern age, the Kentucky rifle is a museum piece, but its place has been filled by modern economic weapons.

One of these is the cooperative.

It helps bring healthy competition into the market place, assuring just prices for what you sell, and fair prices for what you buy.

Co-ops are a powerful means of protecting the American home and family, and they strengthen our American free enterprise system.
