

President Calls For Quick Action On Tax Cut Bill

WASHINGTON, Jan. 24 (AP)—President Johnson called today for quick senate action on history's biggest tax cut bill, saying each day's delay withholds from the economy billions of dollars.

Johnson stated in a statement commending the senate finance committee for its vote Thursday approving the 11.5 billion dollar tax cut. And he had a good word for Sen. Barry F. Chubb, D., Va., who, he said, exercised "impartial leadership" over the tax committee.

The senate finance committee has demonstrated the ability to respond clearly and promptly to pressing national needs, Johnson said.

Johnson's figure of 30 million dollars for the final action on the bill is based on the fact that withholding of income taxes from paychecks will be reduced once the bill is enacted. The withholding rate will be reduced from 14 to 12 percent.

The senate finance committee will report the bill to the senate Thursday after 30 days of executive sessions and well over the 60-day deadline.

But the floor debate cannot begin until congressional staffs complete drafting all of the language written into the bill by the committee.

They indicated today that the bill will be ready for the floor by the end of next week.

But the date probably will not be set before the bill is passed for floor action before the passage deadline of Feb. 11.

By Democratic leaders, the bill is the final enactment goal of 1964 to be achieved.

It is the major provision of the Kennedy-Johnson tax act passed by the House on Jan. 11.

The President won a 341-vote margin in the House when he passed the bill.

He said the bill will reduce the federal deficit by \$10 billion a year and get the bill passed in time for the 1965 fiscal year.

Judy Ann Budd Is Bride of Gerald Ennis

St. Paul's Episcopal church, Blackfoot, was the setting for the marriage of Judy Ann Budd, daughter of Mr. and Mrs. Dan B. Budd, Blackfoot, and Gerald Ray Ennis, son of Mr. and Mrs. Kenneth Ennis, Rupert.

The couple's wedding ceremony was in a candlelight ceremony performed by the Rev. Charles Wilson.

The bride, given in marriage by her father, wore a floor-length gown enhanced with embroidered scallops at the hemline and matching scalloped neckline and sleeves. The empire bodice was embellished with a satin bow. She wore a Juliet crown fashioned of tiny seed pearls with forward Pearl loops attached to a three-tiered chapel train veil of French imported silk tulle.

A colonial bouquet of white butterfly roses and feathered carnations interlaced with white satin streamers and lace formed her bridal bouquet.

Ada June Miller was maid of honor. She wore a tangerine colored crystal warm sheath dress.

She carried a colonial bouquet of tallian roses and tangerine carnations surrounded by white.

Jerry Merrill was best man. He wore a white tuxedo. Dan Budd, Jr., brother of the bride.

A reception was held in St. Paul's church, Blackfoot.

Mrs. Walter Budd, sister-in-law of the bride, was in charge of the post-poor. Mrs. Budd was assisted by Linda Ennis, sister of the bridegroom, assisted by Vickie Jones, Debbie Jones, Susan Jones, and Joelle Hald.

The couple will reside in Blackfoot, where the bride is continuing her education at Idaho State university as an elementary education major.

Ennis is a graduate of Idaho State university and is teaching at the Blackfoot junior high school.

Serving foods of 10 nationalities will be from 5 until 8:30 p.m. and will feature homemade native dishes of American, Basque, Chinese, French, German, Irish, Italian, Hawaiian, Mexican and Polish served by waitresses in native costumes.

Tables will be decorated in the international motif with many centerpieces having come originally from the "old country."

Mrs. Joseph Flood and Mrs. Gladys Hubel, general chairmen, announced the local committee.

Knights of Columbus will be in charge of serving coffee and dab-washing. Hostesses are Mrs. Ramon Golianda and Mrs. Gladys Hubel.

International Buffet Slated By Rupert Unit

RUPERT, Jan. 24.—The annual international buffet, sponsored by the Catholic women, will be held Saturday in the St. Nicholas parish hall, Rupert.

Serving foods of 10 nationalities will be from 5 until 8:30 p.m. and will feature homemade native dishes of American, Basque, Chinese, French, German, Irish, Italian, Hawaiian, Mexican and Polish served by waitresses in native costumes.

Tables will be decorated in the international motif with many centerpieces having come originally from the "old country."

Mrs. Joseph Flood and Mrs. Gladys Hubel, general chairmen, announced the local committee.

Knights of Columbus will be in charge of serving coffee and dab-washing. Hostesses are Mrs. Ramon Golianda and Mrs. Gladys Hubel.

Mrs. William Darrington, Declo, and Mrs. Kent Lyons, Burley, Relief society state board members, were guests. The social action lesson on church government will be presented Monday by Mrs. Robert Francis.

Along Fences and Canals

Moore Egg farm, Inc., Hagerman, is about through construction on another chicken house. This will make it houses in all. Each house is 100 by 110 feet. When this building is started with chicks, Moore will have 45,000 chickens. These are raised every seven weeks with the purchase of 4,000 new chicks, and the disposal of 4,000 older hens.

John Madariela, Castleford, has started lambing operations.

Mr. and Mrs. Erwin Fitch, Hill City, are taking advantage of the winter months by having an addition built to their front bedroom and adding a carport to their farm home.

Mrs. Esther Glesler, first grade teacher, and her family moved this week-end to their newly finished farm home, northwest of Fairfield on the Baseline road.

The water outlook is good on Camas prairie with 30 inches and more of snow on the valley floor. Deep snow this week-end stopped the logging trucks from hauling out of the mountains north of Portland.

Friends and neighbors of Mr. and Mrs. Willard Wilson, Corral Gorge, are a housewarming to their newly remodeled farm home.

Mr. and Mrs. Marvin Robinson, Tuttle, have had a new submersible pump installed in their well.

Mr. and Mrs. Loren Groves and Mrs. Greta Groves have had their waiting calves vaccinated for brucellosis. They live north of Tuttle across the Malad river.

Two Nampa hay haulers were impressed with Ritchfield's week-end snowstorm. They were trying to get out of the area with a load and semi-trailer of hay from the Fred Peterson ranch, Marysville. The young men spent much of the day stuck in drifts alongside the road, which they had missed.

The Ritchfield road crew pulled the hay truck out once and the other times Peterson managed to help them with his tractor. Young Freddy Peterson, enjoying the many trips his father made, however, as he was pulled on the hill behind the tractor. One day he was heard to remark, "It looks like fun to ride on those 'mule seats'."

Four coyotes were skinned in the rocky country east of Richfield last week. Farmers and sheep raisers haven't had any losses to date, but believe the coyotes are just coyotes and like to hang around the sheep. An abundance of rabbits at present keeps the wild animals well fed.

T.F. County Wheat Producers Might Change Timetable to Combat Rust

BY G. H. CHAMBERS
If the advance of Howard Rogers, extension agronomist, and Dr. Harry Fenwick, extension pathologist, is followed in Twin Falls county, there is a good chance that the business of growing wheat will undergo quite a change.
As in all dramas there has to be a villain and to date the villain is stripe rust.

Extension Is Granted for Bean Loans

Producers of dry edible beans in states west of the Mississippi river who use the price-support program on 1963-dry beans have an opportunity to request a price extension in the maturity date of the loan, according to information recently received by Carl Boyd, chairman, Twin Falls Agricultural Stabilization and Conservation county committee.

The maturity date for price-support loans on 1963-dry beans is April 30, 1964, unless a request is filed for extension of warehouse storage charges have been paid through the new maturity date.

Producers using the two-month extension of the loan period will have an opportunity to sell their beans during what is normally the more active marketing period in April and May.

Magic Valley's Week-End Farm Paper

SECTION

Jan. 24-25, 1964 Twin Falls Times-News 9

AGENDA FOR wheat clinic is studied by extension service personnel and Charles Conrad, Castleford. From left are Howard Rogers, extension agronomist; Conrad, wheat producer, and

Dr. Harry Fenwick, extension pathologist. The day-long session drew a capacity crowd at the Rogers hotel Roundup room. (Times-News photo)

variety. It isn't pasture wheat, but it is a good bread wheat. That's why it is almost immune to stripe rust.
Adding another variety—wheat could spell trouble for the millers. Instead of handling the one variety, there will be two varieties. Add to this the fact that many Magic Valley wheat growers are going to stick with Lemhi and Federation and take their chances with the rust.

Thus, the wheat growers could be doing a complete flip-flop in producing wheat. Lemhi and Federation were planted in the spring to furnish needed seed while wheat. Now Gaines is planted in the fall to furnish seed while wheat. Farmers now added and it is a bread wheat.
Thatcher may have one advantage and that could be in protein benefits and payments. There is still no approved chemical control for stripe rust.

The wheat clinic did, however, point out one thing. That growing wheat in Twin Falls county is no easy task. High yield is necessary to make the growing of wheat somewhat profitable. Minor threats must be met.

Stripe rust began in Magic Valley as a minor threat. In fact reason on the disease was dropped some years ago. It picked up when the Idaho panhandle counties began noticing small infections of stripe rust.

Idaho Cattle Feeders Set Date for Annual Meeting

BOISE, Jan. 24—Final arrangements for the fifth annual meeting of the Idaho Cattle Feeders association were announced today by Robert McMin, Pocatello, president.

The meeting is scheduled for Feb. 7 and 8 at the Hotel Boise. Idaho vice president, Ed Arnold, Caldwell, has been named general chairman of the two-day meeting and he is assisted by Cal Dodd, Nampa, and Robert Fields, Gooding.

Preceding the meeting, the fourth, quarterly board of directors meeting will be held Thursday night. Registration for the affair will commence at 8:30 a. m. Feb. 7.

The two-day meeting will be called to order by McMin, and the group will be welcomed to Boise by Mayor Eugene Ghisler. Scheduled as speakers are: Leland Jacobson, president, Arrow Meat company, Grange, Ore., whose subject will be "The Improved Beef Problem and the Hide Situation."

Dr. J. J. Luchford, speaker, Dudley Campbell is secretary of the American National Cattle-feeders association, who will review projects now under way by that organization. After a business session at which committee reports will be made, the feeders will hear Dr. James Williamson, manager, livestock show research, Ralston Purina company, St. Louis, Mo.

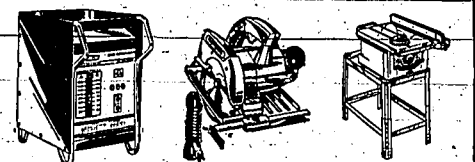

The annual Banquet will be held in the Crystal ballroom. The Banquet dancers have been engaged to perform the trade-in agricultural service at 17 national dances, and the Boise Latin dancers, and the Boise Latin dancers.

TRADE ESTIMATED
WASHINGTON, Jan. 24 (AP)—U.S. trade during the 1963-64 marketing year has been estimated at \$10.4 billion, the top of the range of \$9.5 billion to \$11.3 billion.

Minidoka Weed Committee Hears Report on Test Plot

Jan. 24-25, 1964
Twin Falls Times-News 11

RUPERT, Jan. 24 — Dennis Morrison, Minidoka, county weed supervisor, conducted an insect and weed committee meeting Wednesday afternoon at the courthouse.

Committee members present included Keith Thomas, Alton Lane, Jim Wheeler, Earl Spaulding, Ralph Maubach, Roy Hunsinger and Vance T. Smith.

Morrison reported on the test plot work that was set out last summer on the Croby place, on the Lamont Smith farm and also on a plot of ground east of Haysburn.

The committee agreed that farmers in Minidoka county generally did more of their own weed control work this year. It was felt that the Weed Minidoka Field day which was held last fall contributed to the change as well as the fact the county raised its price for weed work.

The committee suggested that more weed time be devoted to weed control information in the future and that greater emphasis should be placed on the continuation of the Weed Minidoka Field day.

Members also felt that work should be continued on plot testing work using recognized and newly formulated chemicals. It was decided that the weed ranking states were Idaho with 23 per cent of the total; Minnesota, 19 per cent; North Dakota, 17 per cent; and California and Colorado, three per cent each.

Ten leading varieties accounted for 83 per cent of 1963 production.

Spud Specialist To Address Meet

ABERDEEN, Jan. 24 — Walter Sparks, research horticulturist, of the University of Idaho experimental station here, will address the annual Washington Potato and Vegetable conference at Moors Lake, Feb. 8 and 9. His subject will be potato storage.

Sparks has written several bulletins on storage and conducts continuing research in that field.

The specialist assigned to weed control work.

NEWLY ELECTED officers of the Twin Falls soil conservation district look over a letter sent to Gov. Robert E. Smylie concerning irrigable water. From left are Glenn Nelson, chairman; Lyle Schmitzer, vice chairman; Donald Yovita, secretary; and Leo Eisenberg, treasurer. The letter asked consideration of new irrigation projects before any program to divert Snake river water is undertaken. (Times-News photo)

Twin Falls Soil District Asks Gem Chief to Consider River Diversion

The newly elected officers of the Twin Falls soil conservation district in a letter to Gov. Robert E. Smylie asked that the governor consider seven points before plan for diverting and storing Snake river water in the lava beds is resolved.

The board supported the state's chief executive in his attempts to secure and protect Idaho water. The letter, signed by chairman Glenn Nelson in behalf of the board, directed the need for full study and consideration of providing supplemental water for the Salmon tract.

The points for consideration are:

1. That all existing and future reservoirs of the Snake River basin be fully first and given priority over any movement of water into the lava beds; and that these waters will not be poured into an underground system that will make it less available on demand;
2. That it be ascertained that these waters which are diverted to the lava beds do not interfere with the current flow of water;
3. That the diversion of such waters in the lava beds on the north side of the Snake river does not have a permanent or even temporary precedence over the same canal system as is currently being studied by the Bureau of Reclamation;
4. That above-ground water rights be held with higher priority than the underground water rights, which will certainly come into being with the re-charging of the underground lakes on the north side of the Snake river;
5. That neither the study of the future and immediate utilization of Idaho waters by your agency, when it is formed, nor the act of its formation and organization, jeopardize in any way, now, delay, any irrigation projects now being studied and expected to be constructed within the near future;
6. That small water projects, like that on the area known as the Salmon tract in the south-east part of Twin Falls county, should be recommended on your committee, and that this representation should consist of a person or persons who have an active interest in the use of current flows of flood waters;
7. That any overall plan recommended and adopted by the committee on water resources in Idaho be plausible enough so that any future project now contemplated, but which may be planned in the later periods of this century, will not be hampered or harassed by legislation.

Crop Board Reports Spud Seed Total

WASHINGTON, Jan. 24 (UP) — The crop reporting board said production of certified seed potatoes in 1963 totaled 35,718,934 hundredweight.

This is three per cent above the 1962 total of 33,800,699 hundredweight and eight per cent above the 1957-61 average.

Main, with 49 per cent of the national total, was the unchallenged leader in the production of certified seed potatoes. Next ranking states were Idaho with 23 per cent of the total; Minnesota, 19 per cent; North Dakota, 17 per cent; and California and Colorado, three per cent each.

Ten leading varieties accounted for 83 per cent of 1963 production.

what's being done with LAND BANK LOANS

Thousands of Northwest ranchers and farmers every day are using the money-making potential of LAND BANK LOANS. What are they doing with it?

They buy land, livestock and equipment, construct buildings, level and improve land, install irrigation, they pay taxes and refinance, and improve methods of farming. LAND BANK LOANS are preferred for low interest, long terms, full repayment privileges (without penalty).

Get the facts from your near-by Land Bank Association office.

Gem Fat Lamb Total Climbs Above 1963

DOISE—Jan. 24—The number of sheep and lambs being fattened in Idaho on Jan. 1, is estimated at 119,000 head, 15 per cent more than a year earlier, according to the crop reporting service.

The bulk of lambs on feed Jan. 1 were in fair marketable condition. Fat lambs have been moving to market at a moderate to rapid rate in recent weeks.

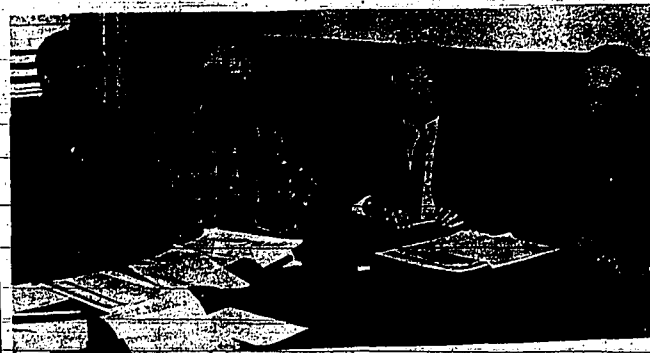

About 55 per cent of the sheep and lambs being fattened were in southeastern Idaho. Feeders in eastern Idaho were fattening 41 per cent of the state's total sheep and lambs on feed.

Sheep and lambs on feed nationally for market Jan. 1 in 26 states decreased 11 per cent from the number on feed a year earlier. This year's number, at 3,618,000 head, is 44,000 head below the Jan. 1, 1963 level of 3,662,000 head.

The market price of choice feeder lambs at Denver averaged \$17.44 per 100 pounds for the week ending Oct. 12, 1963 compared with \$18.60 for the week ending Oct. 19, 1962. In late December, Denver market prices were slightly lower and averaged \$17.25 during the week ending Dec. 28, 1963. Prices for the last week of December 1962 averaged \$18.15.

Generally favorable fall weather conditions promoted grazing of forage throughout the United States through Jan. 1 but snow cover halted grazing in some sections. Wheat pastures in the southern and central plains provided some grazing this fall, although grazing supplies were below the past two years. Corn belt feed supplies are generally good.

DONATIONS ARE DOWN
WASHINGTON, Jan. 24—Donations of food by the U.S. department of agriculture for domestic use were down during the first quarter of fiscal 1964 by four per cent under the corresponding July-September months a year earlier. The volume of all commodities was some 400 million pounds.

ANNUAL REPORTS are studied by the board of directors, Twin Falls Canal company. From left are Tom Olmstead, director; Edward Belcher, secretary; Saul Moore, chairman, and Al Kramer, director. The vice-chairman is Fay Frahm. These five have directed the activities of the company since 1960 and were reelected to office during the company's annual meeting. The board administers one of the largest irrigation projects in Idaho. (Times-News photo)

Same Crew Will Guide T. F. Canal Company During 1964

Succeeding Edward Belcher as chairman of the board of directors, Twin Falls Canal company, is Saul Moore. Moore was named chairman following election to the board at the company's annual meeting.

Since 1960, the same individuals have served as officers in the company, rotating duties. They are Tom Olmstead, Belcher, Al Kramer, Fay Frahm and Moore.

Since 1960, they have directed the activity of the company, one of the largest irrigation tracts in the Northwest. The earlier, the volume of all commodities was some 400 million pounds.

WASHINGTON, Jan. 24—Donations of food by the U.S. department of agriculture for domestic use were down during the first quarter of fiscal 1964 by four per cent under the corresponding July-September months a year earlier. The volume of all commodities was some 400 million pounds.

111 Angus Bulls Consigned For Gem Association Sale

GRANDVIEW, Jan. 24—The annual Idaho Angus bull sale at the Gem Association sale at the Twin Falls county fairgrounds will be one of the largest Angus bull sales ever held in the state of Idaho, reports Walter H. Yarbrough, president, Idaho Angus association here.

Some 111 top-grade bulls have been consigned from herds throughout Idaho, as well as Washington and Oregon.

The annual meeting of the Idaho Angus association will be held in conjunction, scheduled for the banquet, this evening of Feb. 13, at the Regency Hotel in Twin Falls.

Grading of the bulls starts at 10 a.m. Feb. 14. A big social get-together and dinner is scheduled for the same evening.

The bull sale begins at 11:30 a.m. Feb. 15. Auctioneers will be El Williams, Walla Walla, Wash., and Curt Rodgers, Denver, Colo.

WASHINGTON, Jan. 24—The 1963 reporting year estimated 2,548,000 head of sheep were raised in the United States during 1963, 15 per cent more than in any year of record. The board also indicated that eggs in incubators on Jan. 1, 1963, indicated that the hatch will be larger than in January 1962.

Cub Scouts Plan Part in PTA Meet

Members of Cub Scout pack 74 will join with Blue Birds and Camp Fire girls in presenting a program at the meeting of the Harrison school PTA at 8 p.m. Monday at the school.

The Cub and the Camp Fire girls each will give a skit, and all three groups will join in a mixed chorus.

Members of pack 74, who have received awards are Curtis Spain, Michael Anderson, Rodney Blier, Frank Cullinan, Richard Van-Charles Newberry, Charles Harper, Gary Crooks, Dwight Baker, Ronnie Taylor, Jeff Da-son, and Edward Cullinan.

For the first time at Harrison school a "Cub-dinner" skit has been awarded to Kyle Robertson and an assistant skit to Robert Kenney.

Don Pite, neighborhood committee, visited pack 74 at its meeting in the Harrison school Tuesday night. A film on child abuse was shown and home safety was discussed. Gerald Brown, institutional representative, conducted the meeting. Plans were discussed for the PTA meeting.

Jerome Eyes New Sewer Ordinance

Jerome, Jan. 24—A new sewer ordinance was read for the first time at the meeting of the council—city council Tuesday night. The ordinance will be read at two subsequent meetings before becoming law.

It provides for the sewer charge to be based upon the volume of water used. In determining the cubic feet of water used, sprinkling and irrigating will be excluded from the computation.

The charge goes from one dollar to 112. The minimum charge will be levied for up to 200 cubic feet of water used; \$1.25 for 200 to 250 cubic feet of water; \$1.50 for 250 to 300 cubic feet; \$1.75 for 300 to 350 cubic feet; \$2 for 350 to 400 cubic feet; \$2.25 for 400 to 450 cubic feet; \$2.50 for 450 to 500 cubic feet; \$2.75 for 500 to 550 cubic feet; \$3 for 550 to 600 cubic feet; \$3.25 for 600 to 650 cubic feet; \$3.50 for 650 to 700 cubic feet; \$3.75 for 700 to 750 cubic feet; \$4 for 750 to 800 cubic feet; \$4.25 for 800 to 850 cubic feet; \$4.50 for 850 to 900 cubic feet; \$4.75 for 900 to 950 cubic feet; \$5 for 950 to 1,000 cubic feet; \$5.25 for 1,000 to 1,050 cubic feet; \$5.50 for 1,050 to 1,100 cubic feet; \$5.75 for 1,100 to 1,150 cubic feet; \$6 for 1,150 to 1,200 cubic feet; \$6.25 for 1,200 to 1,250 cubic feet; \$6.50 for 1,250 to 1,300 cubic feet; \$6.75 for 1,300 to 1,350 cubic feet; \$7 for 1,350 to 1,400 cubic feet; \$7.25 for 1,400 to 1,450 cubic feet; \$7.50 for 1,450 to 1,500 cubic feet; \$7.75 for 1,500 to 1,550 cubic feet; \$8 for 1,550 to 1,600 cubic feet; \$8.25 for 1,600 to 1,650 cubic feet; \$8.50 for 1,650 to 1,700 cubic feet; \$8.75 for 1,700 to 1,750 cubic feet; \$9 for 1,750 to 1,800 cubic feet; \$9.25 for 1,800 to 1,850 cubic feet; \$9.50 for 1,850 to 1,900 cubic feet; \$9.75 for 1,900 to 1,950 cubic feet; \$10 for 1,950 to 2,000 cubic feet and over.

A separate ordinance is being drafted for non-residential use of city water.

Leon Smith, general manager of the Ida Gem Dairyman, Inc., Eliot Brown and Frank Rettig appeared before the council to explain how much the dairy's sewer-bill will be.

Ralph Peters, Jerome Abstract and Title company, and Lelloy Cate, Brooks and Cate, analyzed the insurance the city is carrying, and made suggestions for improvement. They also presented the cost of bonds for city officials.

The parking ordinance was read for second time. It provides for two-hour limited parking in the business district.

Dever McAfee applied for a taxi cab license.

Cutter Races Set at Bliss

BLISS, Jan. 24—Cutter races will start at 1:30 p.m. Saturday and Sunday. One-mile races on highway 30 and one-fourth mile south of Bliss. The races are sponsored by the Magic Valley racing association.

The racing program Saturday will include: 1000, 1200, 1400, 1600, 1800, 2000, 2200, 2400, 2600, 2800, 3000, 3200, 3400, 3600, 3800, 4000, 4200, 4400, 4600, 4800, 5000, 5200, 5400, 5600, 5800, 6000, OFFICIAL STATEMENT

OF THE CIVIC AUDITORIUM-CONVENTION CENTER CAMPAIGN EXECUTIVE COMMITTEE

The undersigned Citizens of Twin Falls interested in the Economic growth and cultural development of the City and Area of Twin Falls County and the well-being of its people, recognize a Civic Auditorium-Convention Center to be one of the great outstanding needs of the City. Appreciating our community's requirements in this respect, a committee of local citizens has been at work to ascertain how such a facility might be secured.

The Civic Auditorium Assoc., Inc., Board of Directors, after careful investigation engaged the Hockenbury System, Inc., of Harrisburg, Pa., to make a thorough and scientific study of the area situation and a detailed survey of Twin Falls in relation to all phases of the Auditorium business. Analysis of this survey established the fact that there is a very definite need for a strictly modern Auditorium with complete convention headquarters facilities, with a minimum of 1,200 fixed seats and related services to care for stage shows, concerts, speakers, public assembly, forums, etc.; the banquet ballroom and meeting rooms to accommodate 600 to 750 persons should also be designed for exhibits, trade shows, and similar local activities.

Vision and recognition that the desire for cultural progress in our community is steadily increasing will surely stimulate the sense of duty, obligation and responsibility of all community leaders to both themselves and their families.

The committee has studied the various means of developing such a project and has adopted what they believe to be the most efficient and most economical plan which they wish to place before the citizens of Twin Falls and area, as follows:

A voluntary organization, Civic-Auditorium Assoc., Inc., has been organized under the laws of the State of Idaho. It is proposed that the Auditorium Convention Center be financed on a community basis. However, the Auditorium will be self supporting after it is in operation.

A Campaign Executive Sales Committee has been organized and a large volunteer General Sales organization will be formed. The work of these groups will provide Twin Falls and its area with a 1,200 seat auditorium "Theatre" and 600 person capacity ballroom-banquet room in keeping with its needs at an estimated cost of \$500,000.

The citizens back of this project are Twin Falls business and professional men and women who believe in the future of Twin Falls and its area. They are giving their time and money without compensation in this effort. Every citizen will benefit directly and indirectly from the building of this facility. It is, therefore, a civic privilege on the part of every citizen to boost and subscribe according to his time and means.

There will be no gratuities or bonuses of any kind. Every citizen will subscribe on the same basis as every other citizen.

The terms of payment for the pledges will extend over a period of 36 months. The first payment of 10% will be due when the pledge card is signed, balance may be payable in monthly installments starting March 1, 1964, and payable each succeeding month until fully paid.

The Association will endeavor to secure the best possible management operations for the protection of the subscriber.

The members of the Campaign Executive Committee appreciate the need for the facility and believing that it will be a decided asset to the area and city, are themselves subscribing to the project as outlined above.

The Campaign Executive Sales Committee is offering the above information to the public in the belief that the opportunity to subscribe will appeal to the citizens of the Twin Falls area because:

- (1) The investment will be represented and protected by substantial assets in the form of a proper site and a substantial, modern, fireproof auditorium fully equipped and erected thereon.
- (2) A community auditorium-convention center in Twin Falls with 1,200 seats will add to our City's fine area-wide reputation and will help attract many new visitors who do not stop or reside here at present.
- (3) This project will be distinctly a community enterprise, meeting a definite need, which is of the greatest possible importance to the future growth of Twin Falls and area, and the development of a greater unity in our city and county.
- (4) This major development should create, as always, a greater unity of action among the people of Twin Falls.
- (5) The Auditorium will be of inestimable value in bringing new money to be spent right here in Twin Falls; it will also become a taxpayer.
- (6) Our geographic situation and conditions make this an ideal place for such a facility in attracting convention delegates, and out of town visitors. The Executive Committee pledges that all reasonable safeguards will be taken to protect the expenditure of the money subscribed to the enterprise so that full value will be secured by the corporation for every dollar invested.

Civic Auditorium-Convention Center CAMPAIGN EXECUTIVE COMMITTEE
