

"Fed up" Voters Will Help GOP Win, Says Miller

IDAHO FALLS, Sept. 23 (AP)—Voters in the North and South who are "fed up" with corruption, violence and civil disobedience will help Republicans win in November, Rep. William E. Miller said today. The Republican vice presidential candidate predicted the GOP would gain support from big city voters in the North who oppose "busing school children from one end of the city to the other just to provide so-called racial balance."

LEUT. ROGER H. CHAFFEE, U.S. astronaut, will speak at the annual Twin Falls Chamber of Commerce meeting Oct. 18. (AP wirephoto)

He told 350 Republicans at a breakfast in Idaho Falls that South Vietnamese would support the Republican party this year in record numbers but "we're not going to make our gains as a result of the Vietnam issue at all."

He said backing for the GOP would come from "Southerners who believe in fiscal responsibility, balanced budgets, constitutional government and a firm foreign policy."

Southwesterners "find a better home in the Republican party on these issues than they do in the Democratic party," Miller said.

He said the Republican national ticket would do better this year in Philadelphia, Detroit, Chicago and St. Louis as well as in other large cities.

The city voters are "sick and tired," Miller said, but this is not reflected in the fact that President Johnson has long led over GOP presidential nominee Barry Goldwater.

Miller said the polls also fail to reflect what he called a feeling of uneasiness—something the pollsters can't put their fingers on.

"No one loves Lyndon Johnson," Miller said to cheers and applause. "No one is enthusiastic about him. No one really wants to bother to defend him. No one ever says with fervor 'Isn't he great?'"

On the other hand the candidate yesterday indicated that the "Teamsters" are a "hard core," dedicated group willing to provide the money, muscle and enthusiasm to do the job come this November.

Miller addressed a crowd of about 2,000 on the Idaho Falls courthouse steps. He then flew to Ogden.

Astronaut to Be C. of C. Speaker Here

One of the 20 astronauts, Roger Chaffee, will be the special guest at the Twin Falls Chamber of Commerce annual meeting Oct. 18, according to William E. Miller, vice president of the Twin Falls Chamber.

Chaffee is expected to fly his 734 jet to the Mountain Home Air Force base and will be met by members of the chamber.

He will speak to Twin Falls high school students at 10 a.m. Oct. 18 and at 1:30 p.m. in the gymnasium to all high school students from surrounding school districts, with the exception of Boise.

In addition to the guest astronaut there will be four static displays also to be seen at the chamber meeting.

These include a scale model of the Mercury space craft and a life-size manikin in a complete space suit.

Between the two school assemblies these displays will be open to the public.

Astronaut Chaffee will speak to the approximately 300 local Chamber of Commerce members at their banquet that night.

Riots Pose New Threat in Viet Nam

RANGOON, Sept. 23 (AP)—Five thousand students in the northern coastal city of Qui Nhon staged anti-government demonstrations in a new threat to the shaky regime of Premier Nguyen Khanh, it was disclosed today.

The student unrest was related to the government action against a rebel revolt in Saigon and a red pocket rebellion by communist tribesmen in the central highlands. On the military side, the government claimed a victory but also disclosed a series of defeats.

Some 50 miles north of Saigon, 8,000 students there rebelled against the government Sunday and seized the radio station. They held it until Monday when they broadcast demands for the government to return to the people.

The power play began when the students decided to set up a local branch of the "people's committee" for national salvation. They demanded a return to civilian rule.

Probe Called Into Hoffa Prosecution

WASHINGTON, Sept. 23 (AP)—The House judiciary committee today called for an investigation of the justice department's prosecution of Teamsters President James H. Hoffa.

However, committee Chairman Emanuel Celler made it plain the "Teamsters" are a "hard core," dedicated group willing to provide the money, muscle and enthusiasm to do the job come this November.

Miller addressed a crowd of about 2,000 on the Idaho Falls courthouse steps. He then flew to Ogden.

Modified Senate Proposal Asks That Reapportionment Order Be Suspended

WASHINGTON, Sept. 23 (AP)—Senate GOP leader Everett M. Dirksen yesterday disclosed a slightly modified proposal to suspend the supreme court-ordered reapportionment of state legislatures.

FLAMES LEAP from a brush fire sweeping over a hill on the outskirts of Santa Barbara, Calif., where approximately a dozen homes were destroyed last night and today. The fire continued to blaze Wednesday. (AP wirephoto)

California Brush Fire Rages Through Big Residential Area

SANTA BARBARA, Calif., Sept. 23 (AP)—A brush fire, whipped by erratic winds, raged on today through a residential area of expensive homes with no immediate prospect of control. Scores of homes were evacuated during the night in the eastern part of Santa Barbara and the exclusive Montecito suburb. Evacuation centers were set up in the Municipal Recreation hall and Santa Barbara high school.

The fire began yesterday afternoon and today it was 20 and probably more and the U. S. forest service said at least 17. Ten airplanes dropped fire-retardant chemical solutions on the flames.

One dormitory housing 180 girls was evacuated at Westmont college, a private educational school, but the dorm was spared and the girls were expected to return today. However, the college canceled today's classes.

The fire began yesterday afternoon and today it was 20 and probably more and the U. S. forest service said at least 17. Ten airplanes dropped fire-retardant chemical solutions on the flames.

Power Plan For West Is Announced

ALBUQUERQUE, N. M., Sept. 23 (UPI)—A 10.5 billion dollar program to be powered at the start by coal and within 20 years by the atom was announced yesterday to provide electricity and water for nine western and southwestern states. The 20-year electric development is the largest ever planned. It will be paid for by private funds and will serve nine states—an area equal to one-fifth the size of the United States. The program will be run by the Western Energy Supply and Transmission Association, an organization of investor-owned utilities.

D. W. Reeves, president of WEST, said five or more local government-owned electric power supplies will join WEST to supply power to New Mexico, Texas, California, Colorado, Arizona, Nevada, Utah, Wyoming and Idaho.

Reeves said the program's generation capacity will be more than three times the capacity of the Tennessee valley authority. It will provide 17 times as much power as the Aswan dam project in Egypt. It will be as much as the Grand Coulee dam and eight times as much power as the Brak, largest power project in Russia.

The program will have an annual payroll of 40 million dollars in 1971, 114 million dollars in 1975 and 207 million dollars in 1980 when it is completed.

Reeves said the program will create more than 6,000 new jobs. See POWER, Page 2, Column 4.

Terrorist Is Major Threat to de Gaulle

BOGOTA, Colombia, Sept. 23 (UPI)—President Charles de Gaulle arrived here last night just two hours after Colombian authorities announced that a top member of the terrorist French secret army organization (OAS) was at large in Bogota. Police described the terrorist as "a major threat" to de Gaulle. The OAS has tried to kill de Gaulle several times. Extraordinary precautions against the possibility of assassination were taken. De Gaulle's arrival at El Dorado airport and a motorcade through the center of the city in an open car were uneventful.

An army of 8,000 troops and police were posted at the airport and strategic points around the city. All were given a photograph of the terrorist, Chevalier Robert, and told to watch for him.

Chateau-Jobert, 52, a World War II hero and former colonel in the French paratroop corps, was a key figure in the OAS terrorist campaign in Algeria. He is wanted by French authorities for desertion and participation in the OAS.

De Gaulle flew here from Caracas, Venezuela, the first stop on his 10-nation tour of Latin America. The 30-hour Venezuela visit was marked by new outbursts of pro-Castro terrorism.

Police detained 100 persons under preventive arrest for de Gaulle's visit.

The new lineup of violence in Caracas was attributed by police to the underground terrorist armed forces for national liberation (FALN). Massive security measures, however, kept de Gaulle far from the actual scene of violence.

Terrorists machine-gunned a police patrol in a Caracas slum district through which de Gaulle had to pass to get to the airport. They blew up a bridge on the city's outskirts, injuring three policemen. Three gunmen broke into a theater a block from where de Gaulle spent the night and forced the projectionist to show anti-governmental slides.

Despite the incidents of violence, de Gaulle rode through Caracas streets in a slow-moving open car in pre-departure ceremonies, landing up frequently to acknowledge cheers. He smiled and waved at street throngs.

In Bogota, Colombian police rounded up 252 persons for questioning prior to de Gaulle's arrival and an estimated 100 still were under preventive arrest Tuesday night.

De Gaulle's visit to Bogota was the last of his four stops in Latin America. He will arrive at a peaceful settlement which we believe is possible.

Rusk Has No Comment on Tonkin Event

WILL AIR FORCE BASE, Sept. 23 (AP)—Secretary of State Dean Rusk said today he had no further comment on the identity of craft which may have been sunk in last Friday's Gulf of Tonkin incident.

In a brief, early-morning news conference at Will Air Force base, Rusk said only that the vessels were "not British."

The secretary stopped at the Will Air Force base flight line for an unscheduled landing when his C-141 aircraft developed minor trouble.

Rusk was returning to Washington from San Francisco where he had delivered an address on weapons and modern politics.

Rusk said he had held hundreds of news conferences, but the five-minute conference today was the first he had held at 2:30 a.m. He talked with newsmen before boarding his plane to continue his flight.

Rusk said two U.S. destroyers had presumably hit four or five of the unidentified craft off North Viet Nam.

Soviets Help, Not Hinder NATO Drills

(See photo on page 11)
LONDON, Sept. 23 (AP)—Soviet bombers, fishing trawlers and submarines swarmed across the North Sea today to keep tabs on NATO exercises by seven Western allies. So far the Soviet presence seems to help more than to hinder.

The Russians would not learn anything even if they watched every move we made," a British naval spokesman said. "In fact, we learn more from watching them."

Intelligence chiefs said the rapid buildup of Soviet surveillance in the Atlantic was the heaviest they had ever seen. The forces were concentrated south of the British Isles in NATO exercise called "Teamwork."

Two Soviet Union bombers were spotted over the area and intercepted by fighter planes from the 70,000 U.S. aircraft carrier Independence. The fighters escorted the Russian bombers from the area.

A spokesman said part of the area is crawling with fishing trawlers. He referred to the massive Soviet fishing fleet, parts of which are often deployed for intelligence purposes.

The two Soviet Union submarines and surface vessels had been detected by NATO units. All indications are the detection of Soviet vessels was a result of the NATO exercise which includes detecting enemy vessels.

The warship exercise was top secret until it began Sunday. It is being carried out under war conditions and is aimed at upgrading NATO's naval defense in view of increasing Soviet sea power.

Mrs. Scott Goes To GOP Confab

Mrs. Ted Scott, Twin Falls, president of the Idaho Federation of Republican Women, left today for Lexington, Ky., to join 2,000 delegates at the 50th biennial convention of the National Federation of Republican Women.

Highlights of the convocation will be the Goldwater banquet and rally Friday which is expected to draw a capacity crowd of 10,000 to Freedom Hall in Louisville, an auditorium which is larger than the one in San Francisco.

Mrs. Scott has been active in GOP work since 1958. She is a past president of the Twin Falls County Republican Women and a member of the national women's federation.

PRESIDENT INAUGURATED
DEBUT, Lebanon, Sept. 23 (AP)—Charles Helou, a Beirut, Lebanon, lawyer known to few foreigners until last month, was formally inaugurated today for a six-year term as president of Lebanon.

Caldwell Men Facing Trial For Robbery

WENDELL, Sept. 23—Three Caldwell men charged with armed robbery of the Wendell Gas and Oil company service station early Tuesday morning were arraigned Thursday in court before Probate Judge C. E. Spencer.

Dean Crist, 17, Ronald Culley, 23, and Jess Squires, 24, all Caldwell men, were charged with armed robbery of the Wendell Gas and Oil company service station early Tuesday morning.

Officers said the three men were bound over to district court. Judge Spencer set bond at \$3,500 each and the men are being held in the county jail.

New 'Instant' Missile Shot Set Thursday

CAPE KENNEDY, Sept. 23 (AP)—America's newest ocean-spreading missile, the Minuteman-2 "instant ICBM," is scheduled to make its first test flight Thursday.

The three-stage solid fuel rocket, key to U.S. land-based missile forces, will be shot from an underground silo to an Atlantic target area, 5,000 miles southeast of Cape Kennedy.

With a more powerful second stage and a revolutionary new guidance system, the advanced missile has greater range, more punch and better accuracy than the Minuteman-1.

The Minuteman-2 is expected to be able to hit targets up to 9,000 miles away with the same size warhead that the Minuteman-1 can now hurl about 6,700 miles. At shorter ranges, the new missile will be able to carry bigger weapons.

The Minuteman-2 is expected to be able to hit targets up to 9,000 miles away with the same size warhead that the Minuteman-1 can now hurl about 6,700 miles. At shorter ranges, the new missile will be able to carry bigger weapons.

Mrs. Prather Resigns as C. of C. Aide

Resignation of Mrs. Rosa (Dorothy) Prather, office secretary of the Twin Falls Chamber of Commerce, was announced today. She has worked there for more than three years.

The chamber board of directors accepted the resignation at a meeting held Tuesday noon. Mrs. Prather started to work for the chamber in June, 1961.

Mrs. Prather said Wednesday morning she is resigning to help her husband in his insurance business and that they will stay in Twin Falls.

"She has been a wonderful and gracious right arm," stated William Grange, secretary-manager of the Twin Falls Chamber of Commerce.

Mrs. E. W. (Betty) McRoberts, 864 Piler avenue, will take her place.

Mrs. McRoberts has lived in Twin Falls all her life and knows a great number of Twin Falls residents and should make a good secretary," stated Mrs. Prather.

UAW Cancels GM Contract

DETROIT, Sept. 23 (AP)—The United Auto Workers union today formally canceled its contract with General Motors corporation effective at 10 a.m. Friday, setting the stage for two days of marathon negotiations, leading to a new contract or a strike by 300,000 workers.

GM Vice President Louis G. Besson said "we received notice this morning of contract termination Friday at 10 a.m. It is our intention to use the remaining hours to resolve our difficulties and arrive at a peaceful settlement which we believe is possible."

George R. Cooper, UAWO president, said the last of the four workers to be brought up on 1,800 foot elevator shaft which was jammed Saturday night when an auxiliary elevator cable snapped.

Cooper stepped foot on the surface shortly after 8 a.m. EDT. Arthur Nevins, North Las Vegas, Nev., reached the top about an hour earlier.

None of the men was injured. They enjoyed most of the com-

Arab Flies to Czechoslovakia

MOSCOW, Sept. 23 (AP)—Premier Alex Babry of the United Arab Republic flew to Czechoslovakia today with agreements for Soviet aid in his pocket. Premier Khrushchev saw him off.

The agreements cover use of 200 million dollars in long-term credits promised by Khrushchev in Cairo last May. They provide for Soviet participation in construction of an iron and steel plant to turn out more than a million tons of steel annually, a machine tool factory, a lubricants plant and a thermal power station.

BIG Savings

on ALL Food Purchases

The New Way at Okay!

NOW! BUY ALL YOUR GROCERIES

MEAT-PRODUCE-DRUG SUNDRIES-BAKERY-FROZEN FOODS-HARDWARE-AND HOUSEHOLD ITEMS

WHOLESALE PLUS 10 PERCENT

To Every Family in Magic Valley:

This week inaugurates Okay's new food pricing policy in Twin Falls. On Sunday night, all grocery items in all departments were marked down to the wholesale cost. From now on every item in the store will be sold on this "cost basis." You pay the 10 per cent markup charge when you pass through the check-out stand.

We believe this to be an entirely new concept of food retailing in Twin Falls and will result in truly lower food prices for the housewives of Magic Valley! We know you will be amazed when you visit Okay and see this new price policy in action. You'll be pleased at the really small 10 per cent mark up charge which must be made to cover the normal costs of operation such as, taxes, wages, heat, lights, etc.

Every item in Okay's enormous stocks have been marked down to the wholesale price and are guaranteed by a \$1,000 Surety Bond. This means our books are always open for your inspection and prices as marked are guaranteed to be no higher than the original wholesale cost.

This is our personal invitation to you to come and visit us at the Okay this week, participate in this new way of buying all your food needs. See the extra cash-savings you'll make when you play ONLY 10 PERCENT instead of the usual higher mark-up charges. This is truly the new way of shopping that actually saves you money!

The People's Food Bank Plan will allow your family to buy at wholesale cost plus a nominal 10% operational fee. Each of Okay's customers will be given an opportunity to participate. Until then your "courtesy card" entitling you to make all your food purchases at wholesale will be given you free of charge when you visit Okay.

Sincerely, Lee Fillmore

Nine Indicted For Planning Trip to Cuba

WASHINGTON, Sept. 23 (AP)—A federal grand jury indicted nine persons yesterday on charges of conspiring to organize and promote a trip of 84 Americans to Cuba this summer in violation of state department restrictions.

Acting Atty. Gen. Nicholas Katzenbach said two of seven named persons—Lee Levi Luby, 25, and Phillip Abbott Luce, 27, both of New York—were still awaiting trial on similar charges last year in connection with a trip to Cuba in 1962.

None of those named in the indictment made the trip to Cuba this year. But they were charged with conspiring "to induce, recruit, and arrange" for others to go in violation of state department regulations which require a specially validated passport for such travels.

Maximum penalty for conviction on the charges would be five years in prison and \$10,000 fine.

Equipment For Tillage To Be Shown

SALEFIELD, Sept. 23.—The Canada county soil conservation district-dryland tillage demonstration will begin at 9:30 a.m. at the Lawrence Davis farm at Corral.

Every major equipment company in the area will be demonstrating its latest tillage equipment in a field one mile south of Corral.

A luncheon will be held at noon at the farm of Mrs. Rosella Ashmead which is located east of the demonstration field. The fairfield American Legion auxiliary will cater the lunch.

A short program is planned after the lunch period. Robert E. Hamig, research soil conservation scientist, Pendleton, Ore., will lead a discussion on dryland tillage and stubble mulch methods.

Hugh McKay, superintendent of the Teton branch experimental station, will talk on dryland crop rotation and snowmelt. Other specialists will answer questions that anyone might have. The demonstration will continue during the afternoon.

County Agent Ray Atkinson and Leo Senten, Canada county soil conservationist, have made the arrangements. The public is invited to attend.

Salt Lake City Hotel Damaged

SALT LAKE CITY, Sept. 23 (AP)—Fire caused about \$2,000 damage to a Salt Lake City hotel yesterday but no injuries were reported.

Fire officials said the flames caught several persons from the third floor of the Plaza Hotel at 751 West second south and damaged one apartment.

The flames damaged an apartment of Leroy Cowles, 60, a janitor who had just left to do cleaning in other parts of the hotel.

Residents of four apartments and seven rooms of the third floor—mostly made their way to safety. They walked to the second floor and waited while firemen put out the flames.

STUDYING SCRIPT for the Dilettante Group of Magic Valley's production of "South Pacific" to be presented March 12, 13, 14, 15, 16, 17, 18, 19, 20, and 21, are from left, Roger Vincent, who portrays a French planter; Mrs. Lloyd Walker, who will be Nellie Forbush; and Helen Gee, who plays Bloody Mary. (Times-News photo)

Mrs. Lloyd Walker, Roger Vincent to Have Lead Roles in "South Pacific"

Mrs. Lloyd Walker, former Broadway musical comedy star, and Roger Vincent, well-known in this area for his performances in other Dilettante productions, have been chosen for the lead roles in the Dilettante Group of Magic Valley's production of "South Pacific."

The famed Rogers and Hammerstein Broadway hit will be presented here March 12, 13, 14, 15, 16, 17, 18, 19, 20, and 21.

Other leading roles cast for the production are Helen Gee as Bloody Mary, Ernest Willis as Lieutenant Cable, Ivan Squires as Billis and Mrs. Willis as Lint. Mrs. Walker will play Nellie Forbush, a part made famous by Mary Martin on Broadway and portrayed by Mitzi Gaynor in the movie.

Vincent, who has had leading roles in "Carousel," "Annie Get Your Gun," "Kiss Me Kate," and "The Sound of Music," will play Emile deBeque, French planter portrayed by Ezio Pinza on Broadway.

Other members of the cast are James Bennett, Stewart, Wendell; Peggy Mead, Nanni; Mrs. Squires, Marshall; Claudia; Hemplman, Manelli; Mrs. Robert Teter, Noonan; Mrs. Richard Cook, Whitmore; Mrs. Tom McVey, chorus; Kim Brumbach.

Rupert Sets Stake Confab On Week-End

RUPERT, Sept. 23.—Elder John Longden, assistant superintendent of 12 apostles of the LDS church, Salt Lake City, will preside at a quarterly conference of the Minkola stake, Saturday and Sunday in Rupert.

Also attending will be A. Parley Bates, a member of the Sunday school general board; Robert J. Beveridge and Katherine B. Cannon, representing the YM and YWCA.

General sessions of the conference will be held Sunday at 10 a.m. and 2 p.m. in the Minkola stake tabernacle with Rodney Hansen, stake president, conducting.

Meetings are scheduled at 2 p.m. Saturday for MIA and Sunday school stake executives with Elder Longden presiding. After this meeting stake board members of the MIA and Sunday school will meet separately with the Salt Lake visitor in charge of their group.

A general meeting for all MIA and Sunday school workers will be held at 7 p.m. at the tabernacle, with Elder Longden presiding.

Elder Longden was manager of an electrical supply company, and a Red Cross Community chest official when he was appointed to his church position in 1951. A native of England, he served the church as a mission-ary and regional leader.

He is the only one of the present general authorities of the church who was born outside the United States, coming to Utah when 10 years of age with his parents. He attended LDS high school and LDS Business college and the University of Utah.

Elder Longden fulfilled a mission in the Central states from 1921 to 1924. Upon his return to Utah he joined Jennings-Miller-Knowlton Insurance agency. He was a sales representative for General Electric company, and has been employed in the sales department of the Utah Power and Light company.

From there he transferred to Westinghouse Electric Supply company, becoming manager and at the time of his retirement was area manager for National Electric Products corporation.

Active in civic affairs, Elder Longden served more than 20 years on the selective service appeal board, was vice president of the Salt Lake Rotary club; president of Bonneville Knife and Fork club; president of Intermountain Electric association; president of Businessmen's Alliance, and served on the Salt

ELDER JOHN LONGDEN.

... assistant to the council of 12 apostles of the LDS church, Salt Lake City, will conduct the quarterly conference of the Minkola stake Saturday and Sunday in Rupert. General sessions in the Minkola stake tabernacle will be held at 10 a.m. and 2 p.m. Sunday with Rodney Hansen, stake president, in charge.

Lake County American Red Cross and Salt Lake Community chest.

Positions in the church include assistant superintendent of the Salt Lake stake MIA board; bishop of the 19th LDS ward; assistant superintendent and superintendent of the Valley MIA; member of the Minkola stake high council; Highland stake high council when he was appointed a member of the general welfare committee, a position he still holds.

As assistant to the council of 12 apostles, Elder Longden serves on the general priesthood, the Book of Mormon, and the Boy and girls work committees.

Elder Bates has been assistant professor of mathematics and education at Weber state college, Ogden, since 1957. He is a teacher, principal and superintendent in the public schools of Utah.

Dr. Beveridge, a thoracic and cardio-vascular surgeon, has held many church positions. He is an instructor at the University of Utah college of medicine and is active in local, county and state medical and educational organizations.

Mrs. Cannon is serving on the MIA maid committee of the board, and is active in civic, PTA and church activities. She has served in the South and West German missions and supervised the MIA program throughout the European missions.

Ex-Bolivian President Is Deported

LA PAZ, Bolivia, Sept. 23 (AP)—Former President Hernan Siles Bunzo and 40 opposition political leaders were deported yesterday. They were accused of plotting to kill President Victor Paz Estenssoro and topple his government.

The group was placed aboard an air force plane for Asuncion, Paraguay. The prisoners were guarded by 15 heavily armed policemen. A representative of the Paraguayan embassy here accompanied the men.

Strict security measures were enforced at the airport. Only Siles Bunzo was permitted to speak to newsmen. He said he planned to "continue to defend the people." He complained he had been held in a cell "with common delinquents" since his arrest Sunday.

Deported with Siles Bunzo was his personal secretary, former ambassador to Colombia, Mario Alarcon Lahore; a deputy, Antonio Anze Jimenes, and other opposition political leaders.

Paul Church Sets Mission Sunday

PAUL, Sept. 23.—Annual mission emphasis Sunday will be observed at the Paul Congregational church Sunday, reports the Rev. Edwin E. Huber, pastor.

Rev. Huber said that Sunday, Sept. 23, will be the featured speaker for the three services scheduled throughout the day. The denomination supports some 600 missionaries abroad, plus a number of mission churches among the American Indians and Negroes, 25 colleges and seminaries in the states and 12 homeland libraries. The Rev. Mr. Huber notes.

Special music will be provided by the church choir at the three services at 11 a.m., 2:30 and 7:30 p.m. Filmstrips on mission projects will be shown at the evening session.

Women of the church are planning a ham dinner to be served in the church annex.

How To Hold FALSE TEETH More Firmly In Place

Do your false teeth annoy and embarrass you when you eat, laugh or talk? Does a wobble make you self-conscious? This is the time to get a new set of your false teeth. This is the time to get a new set of your false teeth. This is the time to get a new set of your false teeth.

Plane Carrying Rusk Has Minor Trouble in Utah

SALT LAKE CITY, Sept. 23 (AP)—Secretary of State Dean Rusk made a safe precautionary landing yesterday when his C-140 aircraft developed minor mechanical trouble.

He was accompanied by three state department officials and four air force crew members.

Rusk was returning to Washington from San Francisco when the trouble occurred.

He left for Washington early today aboard another aircraft.

Why "Good-Time" Charlie Suffers Uneasy Bladder

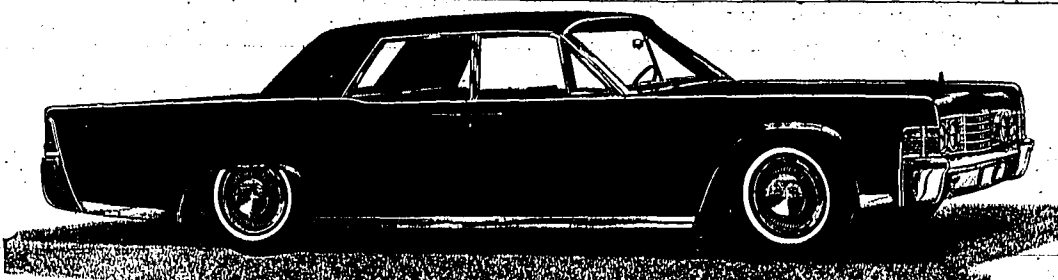

Unwise eating or drinking may be a source of mild, but annoying bladder irritation—distressing your confidence, and uncomfortable. And it results in nagging backache, headache or muscular aches and pains due to over-excitation, strain or emotional upset, are adding to your misery.

Steve Allen To Stop His TV Show

NEW YORK, Sept. 23 (UPI)—Comedian Steve Allen announced Tuesday he is discontinuing his five-nights-a-week late-evening television show because of the "heavy burden" of other commitments.

Allen's 90-minute comedy program will go off the air with the broadcast of Oct. 23, 1964, Allen and the Westinghouse Broadcasting company announced.

The show has been produced in Hollywood by WWC Productions, Inc.

The joint announcement said Allen was released from the remainder of his contract to be able to concentrate on the "I've Got a Secret" television program, seen over the Columbia Broadcasting System (CBS).

Allen said he originally wanted to appear on both programs but such a schedule would impose a "heavy burden" in that it required him to commute between the East and West Coasts.

"The Steve Allen Show" was first aired on June 23, 1963 and was distributed by videotape by about 47 stations. It also was seen in Canada and Australia.

NEWLY ELECTED OFFICERS for the Art Guild of Magic Valley, elected at an art mart held Sunday in the Twin Falls city park, are, from left, Mrs. Mae Jensen, treasurer; Mrs. Earl

R. Peck, president; Lawrence Culver, vice president, and Mrs. Kenneth Miller, secretary. The officers are inspecting Mrs. Peck's paint box and palette. (Times-News photo)

Eisenhower Dismisses as "Tommyrot" Charges That Goldwater Is Warmonger

Tea Set to Fete Demo-Candidates

Democratic Women of Twin Falls will hold a tea honoring the candidates for the state legislature from 2 to 4 p.m. Saturday at the YWCA hall.

Representative candidates Ken Rounsey, John B. (Jack) Swisher, Robert Stepanovich and Robert Harney, and the candidate for state senate, Roscoe Wagner, will speak on their qualifications and the issues confronting the state legislature.

The public is invited to attend, according to Mrs. R. L. Summersfield, president.

TRY TIMES-NEWS WANT ADS FOR FAST SELLING RESULTS

WASHINGTON, Sept. 23 (UPI)—Former President Dwight D. Eisenhower Tuesday night dismissed as "tommyrot" charges that Sen. Barry M. Goldwater is a warmonger.

Eisenhower made the comment during a televised appearance (National Broadcasting Company) with the GOP presidential candidate. The film was a half-hour commercial paid for by the Republicans.

The show, called "Conversation at Gettysburg," was filmed on the Eisenhower farm last Monday. It presented the former GOP president and the present Republican aspirant informally strolling around the farm. They chatted at a fence, talked on the porch of the Eisenhower home, and discussed major campaign issues in front of a barbecue.

It was Goldwater who brought up the subject of "warmonger." He told Eisenhower that this charge had been leveled at himself and his running mate, Rep.

William F. Miller, because in their campaign they were stressing the need for a "strong America."

Eisenhower replied, "Barry, in my mind this is actual tommyrot. Now, you know about war. You've been through one. I'm older than you. I've been in more. But I can tell you that no man who knows anything about war is going to be reckless about this."

The general added that the country has recognized in the Arizona senator "a man of integrity, good will, honesty, and dedication to his country."

Eisenhower himself defended the use of "brinkmanship" in foreign policy, which Goldwater also has advocated.

He added: "It is something that you do to show that you are not going to sacrifice a single vital interest of the United States."

Bluten—you are not going to be pushed around, but you're not going to take a step—that's not what you do."

"After all, brinkmanship is absolutely necessary in this troubled world of ours... but it must be used intelligently and not just recklessly," the general said.

He added: "It is something that you do to show that you are not going to sacrifice a single vital interest of the United States."

Washington State Prison Has Strike

WALLA WALLA, Wash., Sept. 23 (UPI)—Washington state penitentiary prisoners staged a strike Tuesday and warden Roy Rhay said he had identified a dozen probable ringleaders.

The entire prison population of about 1,200 inside the walls was "dead locked" in cells while Rhay and his officers conducted an investigation.

The 12 identified as ringleaders were sent to maximum security cells.

Rhay said the prisoners had listed a variety of "little complaints," but added, "I'm not too interested." He said most were complaints he had heard before, investigated and found without basis.

"Mostly they just don't like

15 Speeders Appear in T. F. Courts

Fifteen persons appeared in Twin Falls justice court Monday and Tuesday on charges of speeding.

Appearing in justice court were Clifford E. Johnson, 40, 1st, fined \$15; William J. Kramer and Cecil E. Hally, both 1800 Kimberly road, Twin Falls, each fined \$20; Allen M. Kelly, 1800 Kimberly, fined \$14; and Glenn Stimpson, Paul, 20. Each was assigned three violation points.

Appearing in police court were Carol Ann Loe, 11th; James A. Carr, 425 Fillmore street; and Joseph P. Burns, 1800 Kimberly, each fined \$11; Todd Bolton, 451 Pierce, and James L. Suggs, 305 Terrace drive, fined \$10; and Stephen E. White, 17, 1839 Alder drive, \$15. Each was assigned three violation points.

Morningside School PTA Holds Meet

"Home and school must work together," was the theme of the PTA as it met Monday evening at the school.

There are 15 children in Morningside school this year. Each one is an individual. Each has two common variables—a school life and a home life. Parent-teacher conferences are very important and help from home is necessary.

Teachers will confer with each parent at least once during the year and more if necessary, he said.

During a question and answer period, Messinger reported that each teacher is responsible for a minimum of 60 minutes each week devoted to physical education, in addition to an intramural program of football, basketball and other sports in the fourth, fifth, and sixth grades, and a tumbling program which is school wide.

He also said the activities provide for students who remain at the school during the lunch hour during inclement weather. Parents were invited to eat lunch with the children and see firsthand the quality meals being served. They were urged to visit classes at any time, to observe what is going on in the classes and to offer any suggestions they feel might help.

There, in the future, by Messinger, were presented corsages by Mrs. Ted Gardner and Mrs. Harold Cromwell, room parent chairmen. Courtesy PTA membership cards were presented to the principal, Mrs. Nancy Jensen, membership chairman.

Mrs. Jensen announced that plaques would be awarded each month to the upper grade and lower grade room best represented by parent attendance at PTA and that checks would be awarded to the rooms with the highest overall PTA attendance for the year. Winners for September were: Upper grade room, Mrs. Nancy Livingston and Mrs. Marion Gust and Mrs. Ruth Heman, who tied.

The first 30 minutes of the October meeting will be spent in the classroom where the teachers will give a resume of classroom functions.

The annual PTA fund-raising carnival, "Hawaiian Holiday" is to be held Friday evening.

The pledge of fidelity was led by Club Scout Dennis Wentworth. The invocation was given by Lyle Wing. Refreshments were served by the first grade room mothers.

Baby's Death Is Noted in Utah

MURTAUGH, Sept. 23—Word has been received here of the death on Saturday of the 3-month-old baby daughter of Mr. and Mrs. John LaJeunesse, Salt Lake City.

News Around Idaho

WRITER: Sept. 23—Residents of the Wiley school district voted 607 in favor of 424 against a proposed \$1,147,800 bonds issue in a special election yesterday. The affirmative vote was about 50 votes short of the two-thirds majority required. If approved, the bonds would have financed construction of a new high school building.

PAVETTE, Sept. 23 (AP)—Radio station KEOK was sold at a sheriff's sale yesterday to John K. Gatchel, Ontario, Ore., attorney. Gatchel, who got the property on a bid of \$5,000, said he acted in behalf of J. A. Beal and Howard Matthews, both Ontario. Sheriff Ray Stephens presided at the auction. The station has been operated by David Lawrence Lester.

IDAHO FALLS, Sept. 23 (AP)—Bonanza school district 93 has been allocated \$23,540 in federal funds for a new elementary school construction, according to L. L. S. Sen. Frank Church and U. S. Rep. Ralph Hurling. D. Ida. The U. S. office of education retained the money in a fund providing funds for school facilities in federally-impacted areas. Charles L. Clark, school district 93 superintendent, said that due to an increase in students whose fathers are employed on federal projects, such as the national reactor testing station, that he expects this federal amount will be liked.

DOWNEY, Sept. 23 (AP)—Idaho State Policeman Victor Harfux, who has been stationed in the Downey area for the past 10 years, has been assigned as a sergeant at Boise. The new job for Harfux will be an administrative position, over 25 or 30 patrolmen. Arlo Larson, who has been patrolling the Rigby area, will be assigned to Downey to replace Harfux.

RUGBY CITY, Sept. 23 (AP)—Marvin Smith, 20, Rexburg, was in a car accident today at Aradon Memorial hospital after the car he was driving Monday night hit a 17-car train on a dirt road south of Rugby City. Smith suffered a broken shoulder, cuts and bruises, cracked ribs and a badly cut ear.

BOISE, Sept. 23 (AP)—The state library board named Mrs. Helen Smith, Pocatello, chairman and completed plans for a series of six fall workshops yesterday at its regular monthly meeting in Boise. The workshops are scheduled for Oct. 1 at Grangeville, Oct. 2 at Coeur d'Alene; Oct. 3 at Rexburg; Oct. 7 at Pocatello; Oct. 8 at Twin Falls, and Oct. 17 at Boise.

CALDWELL, Sept. 23 (AP)—Justice of the Peace Lloyd C. McClellan set Sept. 29 as the date for a preliminary hearing for Frank J. Martinez, 19, Nampa, charged with second-degree murder. Martinez is accused of killing a 34-month-old Nampa boy, Michael Anthony Colson, by beating and kicking him last July 31. Martinez originally waived preliminary hearing and was ordered to face the murder charge in district court. However, the district court sent the case back to justice court after Martinez contended his constitutional rights had been violated because he lacked an attorney.

BOISE, Sept. 23 (AP)—James A. Leese, Pocatello, has been named Idaho's oil man of the year by the Idaho Petroleum council. Leese was honored last night at concluding sessions of the association's annual meeting in Boise. He was cited for his contributions to the community, including recreational, educational and youth activities and civic service. The citation also noted that Leese has been a candidate for the Idaho senate and the Pocatello city commission. New officers installed by the association were Henry Woodall, Twin Falls, chairman; C. V. Payne, Boise, secretary, and R. V. Berger, Boise, treasurer.

POCATELLO, Sept. 23 (AP)—The Pocatello school district, which is hard-pressed to make ends meet, has found a new way to save money. The district has been plagued for several years with a steadily rising enrollment and a relatively low amount of taxable property held each child. This year, the district expects to save over \$2,350 by calling for bids on coal. The school district and the city of Pocatello went together in asking for bids, and the resulting price was \$11.15 per ton, or \$2.10 per ton less than the district had been paying in the past. The bid was also about 80 percent less than the city had been paying. Just one of the eight coal dealers in the city bid.

POCATELLO, Sept. 23 (AP)—Officers credited a jail security system yesterday with thwarting an attempted jail break late Monday night by two teenage inmates, including one who was charged with first-degree murder. The pair overpowered a jailer and escaped from their cell, but they were unable to get through one of two doors leading from the second floor cellblock at the Blinnock county jail. Officers explained that one of the doors must be opened by a downstairs guard, and there was no way the escape could get it open. The two were identified as Carlos Lee Pitt, 18, Chicago, and Jimmy Earl Adams, 18, Pocatello. Four other inmates in the same cell refused to go along with the escape attempt. Pitt was awaiting trial on a charge of first-degree murder in the July shooting death of Downey town Marshal Daniel Woodland. Five other Chicagoans also are charged with the slaying. Adams was in custody for violating a three-year probation. He originally was put on probation for a charge of resisting arrest.

BOISE, Sept. 23 (AP)—Admission ceremonies are planned Oct. 2 in the state court at Boise when the state bar association will complete state bar examinations this month. Idaho State Bar association secretary James E. Lynch listed three successful applicants: Roger B. Ling, Rupert; Ronald P. Rainey, Meridian; Glen G. Utman, Moscow; Marilyn W. Clark and Robert P. Brown, both Lewiston; Gary D. Hocking, Shoshone; Day W. Helling, Pocatello; David E. Klamann, Homedale; Frederick C. Yen, Salmon; John A. Rotholtz, John E. Alexander and Larry K. Harvey, all Twin Falls, and Gary C. Randall, William A. Willis, Wayne L. Kidwell, Robert W. Galley and Donald D. McKee, Jr., all Boise.

Murtaugh Lions Project Ended
MURTAUGH, Sept. 23—The Murtaugh Lions club painting project has been completed, officers report. The paint, furnished by the village, was used to refinish the village firehouse.

Bohner Kouyoumdjian, French and U.S. history teacher at the Murtaugh school, was guest speaker at the club meeting. He told of his home in Egypt and his life in the United States since his arrival in 1957.

Farmer May Seek Lawyer Over Ticket

LITCHFIELD, Minn., Sept. 22 (AP)—Sylvan Millerbernd, 30, a farmer, is thinking about hiring a lawyer to fight a traffic ticket. It wasn't the ticket that irked him, it was what happened after he paid it.

Millerbernd, Coomes, Minn., was taken in a state highway patrol car 150 miles and jailed at Rochester for allegedly ignoring a traffic ticket issued in June. He paid it by mail Aug. 20.

Somehow, his name wasn't checked off the patrol's warrant list.

He was arrested Sunday night at his home, where friends and neighbors were visiting, he said, and whisked away despite his protests. A relay of six patrolmen took him to Rochester.

"They treated me like a criminal," he said.

Worse yet, Millerbernd said the ticket had been instrumental in ruining a \$1,000 engine and putting him out of the trucking business. He was given the ticket for having insufficient brakes on a pickup truck for towing a disabled semitractor. Driving the tractor home ruined the motor, he contended.

Millerbernd said he wasn't offered a ride back from Rochester, so he hitchhiked the 150 miles back home, letting off a hitchhiker on the way.

Cigars

LANSING, Mich., Sept. 22 (AP)—It doesn't pay for a woman to be seen with a handful of cigars—if she didn't pay for the cigars.

Helen Margaret Hall, 47, Lansing, pleaded guilty Monday to stealing five cigars—valued at 25 cents—from a gasoline station.

Municipal Judge Earl E. McDonald sentenced Mrs. Hall to a 60-day jail term and charged her \$50 fines and costs.

C. E. Spencer Assumes Post At Gooding

WENDELL, Sept. 22 — C. E. Spencer, route 2, Wendell, assumed the duties of Gooding county probate judge as an interim appointee this week. Emerson Pugmire, chairman of the Gooding county commissioners, administered the oath of office Monday.

Spencer, Wendell justice of the peace for the past two years, was selected as probate judge candidate in July after the resignation of James F. Gossett, probate for more than 15 years.

He is a retired lieutenant of the Los Angeles police force, department of Los Angeles city and was night commander for the detective bureau of San Fernando valley approximately four years.

Spencer attended schools in Oklahoma. He has studied criminal investigation law courses at the University of Southern California, Los Angeles, two years criminology; two years criminal law at Hills Law school, Los Angeles, and a year's criminology at the University of California at Los Angeles.

Spencer is the Republican candidate for Gooding county probate judge in the Nov. 3 election.

Police Step Up Fight on NFO Action

CHICAGO, Sept. 22 (AP)—Law enforcement officers today stepped up their fight against a new wave of violence, vandalism and bomb-throwing in the National Farmers Organization (NFO) livestock market rebellion.

Minnesota Gov. Karl Rolvaag issued his sternest warning yet in the 35-day-old "holding action" which stretches from Idaho to Pennsylvania.

"Events indicate that some completely irresponsible individuals or group has again embarked on a path of violence that can only lead to tragedy unless it is stopped," Rolvaag said. "I intend that they shall be stopped."

The NFO, youngest of the nation's major farm organizations, is trying to increase the on-the-hoof price paid to farmers by withholding cattle, sheep and hogs from market in 23 states.

Violence has periodically erupted during the campaign, although the NFO leadership has made repeated pleas for peaceful demonstrations.

EDUCATION REPORT
WASHINGTON, Sept. 22 (AP)—The census bureau reported today that sons are receiving more education than their fathers. But it said that how far the sons go is influenced largely by the schooling and occupations of their fathers.

Tax Experts Tell Targets Of Excise Cut

WASHINGTON, Sept. 22 (AP)—President Johnson's pledge to cut excise taxes next year is most likely to be aimed at ending levies on cosmetics, luggage, furs, handbags and jewelry.

Tax experts believe that these are the levies most annoying to the public because they are among the few excises actually listed in the purchase price of the article.

Excise taxes on liquor, tobacco and gasoline are considered "untouchables" and probably will remain a permanent part of the tax system.

The President told the United Steelworkers' convention in Atlantic City, N.J., yesterday that "we will cut excise taxes next year." Treasury Secretary Douglas Dillon had said previously that the excise levies would be the next target of a tax cut.

The excise taxes are left over from World War II and the Korean conflict. They are expected to bring about 14 billion dollars into the treasury this year.

The rates range from five to 20 per cent. Most are paid at the manufacturing level and passed on to the consumer in the purchase price. About 43 products and services are among the taxable items.

Tollefson Gets Pencil for Talk

BUTLEY, Sept. 22 — Walter Tollefson was awarded the blue pencil Monday evening for the best speech at the dinner meeting of the Turkey Toastmasters at Nelson's cafe.

Invocation was given by Jack

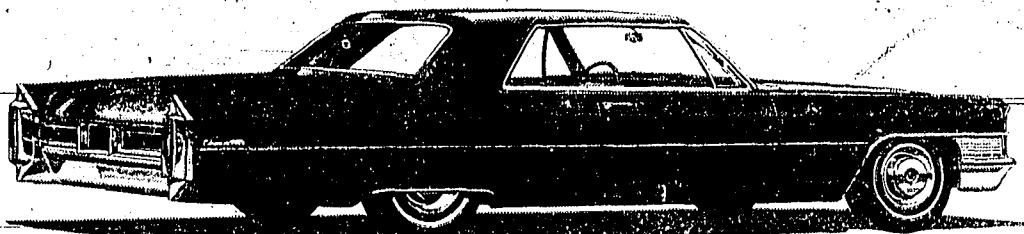

SURE WINNER is Rep. Silvio O. Conte, R., Mass., posing with symbols of both political parties. He is one member of congress who is sure of reelection. He has won both the Republican and Democratic nominations in his district in western Massachusetts and has no opposition for a fourth term in the house of representatives. (AP wirephoto)

Holland, Table topic chairman was Harry Post and the red pencil was awarded to Jack Holland.

Toastmaster was Dale Brooks. Speakers were Paul Reed using the title of "The look we sell and the look we keep" and Tollefson, who spoke on "The augustest fieldman."

Evaluators were Pat O'Bryan and Lester Trout. General evaluator was Les Morgan. Ted Kelsey, Jack Holland and Marvin Adumson were assigned to speak at public meetings on "Hire the Handicap."

James Walkington was a guest.

PRESENTING *Cadillac* FOR 1965

Above, the Coupe de Ville; below, the longer wheelbase Fleetwood Brougham.

SO NEW! SO RIGHT! SO OBVIOUSLY CADILLAC!

The 1965 Cadillac is the most dramatically new Cadillac in sixteen years; new from chassis to rooftop and new from start

to stop. Its remarkable styling—elegant, majestic and impressive as never before—establishes it instantly as an all-time Cadillac great. And not only is it an inspiration to look at—it is a revelation to drive! The marvelous responsiveness of Turbo Hydra-Matic is now standard on all eleven models. A new concept of frame and suspension gives the car incredible steadiness and levelness of ride—even under the severest conditions of cornering and handling. And there is quiet—quiet beyond anything you imagined possible in a motor car! Cadillac's new and more spacious interiors are marvelously rich and luxurious—and include such personal options as an exclusive tilt and telescope steering wheel. Cadillac owner or Cadillac admirer—you owe yourself a journey at the wheel without delay.

You will know at once that this is—in every way—the new Standard of the World!

Birch Society To Tell All Its Activities

NEW YORK, Sept. 23 (AP)—A group of national leaders with a \$500,000 war chest yesterday launched a radio-television campaign to "expose and correct" the John Birch society and other "ultra-right" organizations. A spokesman for the Birchers said later he was "delighted."

The committee of 80, called the Council for Civil Responsibility, is headed by Dr. Arthur Larson, former director of the U.S. Information Service (USIS).

John Stousser, national public relations director of the John Birch society, said in Pasadena, Calif., that his group was "delighted" and "welcomes the so-called 'exposure' of its activities."

Stousser offered to debate

Larson "on television or in public forum and let the American people decide for themselves which organizations deal in truth."

Larson said the committee's purpose would be to "expose and correct the principal errors currently propagated by radical reactionary organizations."

"It will be interesting to see," said Stousser, a former congressman, "if Dr. Larson and his committee will be equally desirous of 'exposing' the semi-secret activities of the Council on Foreign Relations, of which he is a leading member and which organization has been privately guiding our American foreign policy down the road to socialistic ruin for many years."

Larson said the committee's campaign would be conducted on radio and television.

"These organizations are beginning to get into the bloodstream of people who are not extremists at all," he said. "Their saturation program has

produced suspicion and fears that extend not only to the people in Washington but also to our own neighbors."

Larson, who used to write speeches for President Eisenhower, recently endorsed President Johnson. But he said the launching of the anti-Birch drive at the beginning of the presidential campaign was only a coincidence. He said the council had no political affiliation.

NFO State Conclave Set Tuesday in Burley

BURLEY, Sept. 23—Election of new officers will highlight the annual National Farmers Organization Idaho state convention to be held Tuesday at the Ponderosa Inn in Burley, announced today.

The event will begin at 7 p.m. to be followed with a banquet at 7:30 p.m. and business sessions at 8:30 p.m. NFO members, delegates and wives planning to attend the banquet are asked to make reservations with their county presidents by Thursday.

In addition to the election of new state officers a director also will be named to represent Idaho on the national NFO board. The ban program will be discussed, beef reports will be heard and

the dairy situation reviewed during the business meet, Jucker reported.

Correspondence will be read.

Wool Boots

LONDON, Sept. 23 (AP)—A British shoe firm has contracted to make 15,000 pairs of fancy wool-lined women's boots for Moscow shops to sell at about \$45 a pair.

from NFO members giving eye witness reports on the NFO demonstration in Wisconsin during which two members met their deaths when run over by a truck. These will be on-the-spot stories by witnesses who participated in the demonstration.

Jucker pointed out a memorial fund is being made available for the families of the two men who lost their lives in the Wisconsin incident. Contributions can be made to the Cummings-Falk memorial fund, Farmers State bank at Zachow, Wis.

Johnson, Senator Are About Even in South

ATLANTA, Sept. 23 (AP) — In the South today President Johnson and Sen. Barry Goldwater are leading for a neck-and-neck finish in the November presidential election.

The South alone, of all the regions in the nation, is split almost directly down the middle in the selection of the country's next president. As of this writing, Goldwater has the edge.

The heat in the kitchen gets hotter each day. This is tough on the candidates, on the political forecasters and on the puzzled voter.

Almost everyone in Dixie agrees on one thing—the two-party system has come south.

From Arkansas to Florida, Louisiana to Virginia, the political ferment is a sight to behold. Republicans are charged with a new strength—Goldwater strength. Democrats are grappling to hold what they have.

Both parties are tracking down voters as if they were going out of style.

United Press International correspondents in 10 Southern states—based on their own assessments and those of political leaders of both parties—give Goldwater a comfortable margin in Mississippi and Alabama. He holds a slight edge at this point in Virginia, South Carolina and Louisiana.

Johnson is given the edge in Arkansas, North Carolina and Tennessee.

Georgia and Florida are anybody's guess at this stage.

The contests in the 10 states are, for the most part, so close that anything might happen to either candidate.

Republicans in the South are, above all, Goldwater Republicans. These are the men and women, practically all political amateurs a year or two ago, who built a new party organization to fit their conservative Southern philosophy.

So closely does this philosophy cling, Southern thought that

many disaffected Democrats have joined the GOP and as many as 10 percent of the voters in the South have broken their traditional ties to the Democratic party because of their opposition to the civil rights bill and a centralized federal government.

They can be found everywhere in the booming new urban areas of Dixie as well as the red clay and branch-water rural areas.

Across the Southland scores of GOP candidates for the first time are running for local, state and national offices. With few exceptions they are banking heavily on a Goldwater win to sweep them into office and set the guidelines for a new political era.

It has 1,500 square feet of floor space which includes a large classroom, restrooms, office and a library.

The students elected their officers for the coming year, naming La Voll Darrington, Almo, as president; Trent Stephens, first counselor, and Verna Tracy, second counselor, and Paula Ellison, secretary, all Malta, with Marilyn Beecher, Elba, as historian.

Jay Cottle, Malta, is the seminary instructor. The building formerly used for primary has been purchased by the village to be used as an office building.

To do it, they've introduced a new political concept in Dixie—practical politics.

The presidential candidates who could skip the South in the past because it was solid Democrat or useless to the GOP, have changed their tactics today. At both party conventions, the national officers and Southern delegates played their most important roles for decades.

Recently a month has gone by without a Goldwater win to sweep them into office and set the guidelines for a new political era.

JoAnn Wike Will Direct Senior Class

WENDELL, Sept. 23 — JoAnn Wike has been elected president of the Wendell high school senior class. Robert Schrenk, vice president, will represent the class of 63 seniors in student council.

Harry Howden was elected secretary and Keith Adams, treasurer. H. B. Lamb will serve as class adviser.

Rick Downman was elected president of the junior class, composed of 60 students. Linda Johnston, vice president; Gayle Bennett, secretary; and Gray Burke, treasurer. Edward Otton was selected as class adviser.

Jerry Koll was elected sophomore class president of the class of 10 students. James King, vice president; Jerry Jones, secretary; and Sharon Gunning, treasurer. George Rogers was selected as class adviser.

David Ruby was elected president of the freshman class of 58 students. Other officers include Jack Lancaster, vice president; Eretta Cox, secretary, and Connie Wike, treasurer. M. L. Gates will be the class adviser.

Roger King was elected president of the eighth grade class of 24 members. Thomas Vaughn, vice president; Mary Lou Hingerman, secretary; Jeneal Jones, treasurer; and Elaine Ambrose, reporter.

Cheerleaders elected for this grade are Lea Claesler, Sylvia Durfee and Debbie Stockham.

Ralph King was elected president of the seventh grade class of 24 members. Maureen Francis, vice president; Greg Rost, secretary; Mary Dunn, treasurer; and Kenny Conner, reporter.

Cheerleaders elected were Jill Brunell, Debbie Rost and Carolyn Tronson.

Meeting Date Is Changed At Murtaugh

MURTAUGH, Sept. 23 — Murtaugh Grange members have voted to change the meeting days to the first and third Friday of each month.

The next meeting will be held at 8:30 p.m. Oct. 2 with Mr. and Mrs. Norman Petersen and Mr. and Mrs. Harold Kerner as hosts. Officers will be installed.

In making an agriculture committee report at Monday night's meeting in the Grange hall, Harold Kerner noted farm tenant and owner responsibility in case of hunting accidents on their property and stated the farmers should make themselves acquainted with the risks.

Mrs. Henry Petersen, home economics chairman, reported all projects and reports have been completed and sent in.

Mrs. Ann True was reported to be recovering satisfactorily from recent eye surgery.

A program of Quizzes, poems and joke articles was presented. Mrs. James Sargent, lecturer. Refreshments were served by Mr. and Mrs. Henry Petersen and Mr. and Mrs. Joe Tunaw.

Hunters

CHARLOTTE, N. C., Sept. 23 (AP) — Two footsore hunters used their shotguns to rob a farm worker of his tractor yesterday so they could ride to the nearest highway.

John Thomas Bennett, 34, said he was plowing in a field off highway 51 when two men approached him wearing hunting clothing and carrying shotguns. They said they had been out all night and asked directions to highway 51.

After Bennett had given them the directions they pointed their shotguns at him and one of the men pulled him off the tractor. The men then climbed on the tractor and rode away toward the highway.

Police found the tractor abandoned about half a mile away.

Pastor Is Reelected by Buhl Church

BUHL, Sept. 23 — Fred Koeh was reelected pastor of the Buhl Reorganized LDS church during the annual business meeting held Sunday at the church.

Raymond Zagata and Burton Baughman were retained as counselors to the pastor. Other new officers elected who will assume their new posts Oct. 1 are Burton Baughman, Sunday school director; Anita Baughman, Sunday school secretary; Mrs. Frank Zagata, branch clerk and statistician; Mrs. Raymond Zagata, branch treasurer; Mrs. John Hill and Mrs. Leonard Easterday, auditors.

Mrs. Frank Zagata, women's department leader; Sheila Baughman, music director; Raymond Zagata, Zion's League leader; Mrs. Burton Baughman, Junior League leader; Mrs. James Monroe, publicity agent; Mrs. Jess Nipper, historian; Fred Koeh, solicitor. The building committee, composed of Fred Koeh, chairman, Harmon Easterday, Leonard Easterday, Lynn Johnson, Raymond Zagata and Burton Baughman, also was retained.

In other business it was announced the men's retreat will be held Saturday at Camp Cascade.

Church activities noted for the local congregation for Sundays include church school for all ages at 10 a.m., regular morning worship service at 11 a.m., Zion's and Junior League meetings at 5 p.m.

Utah University Receives Grant

BALT LAKE CITY, Sept. 23 (AP) — The University of Utah has received a \$45,528 grant for federal-state cooperative research in education. It was announced yesterday.

The grant will be used by Dr. Norman E. Wallen, associate professor of educational psychology, to study teacher characteristics and student reactions according to Ben. Frank E. Moss.

Remodeling Of ID Store Is Completed

A new bridal salon highlights the remodeling that is being completed at the Idaho Department store, according to J. MacMullen, manager. A grand opening will be held Thursday to show the finished work.

In addition to the bridal salon, the whole upstairs has increased floor space, with the 8 and 11 green stamp department being moved to the lower level. The girls' line has been transferred upstairs and the ladies' foundation department has been rearranged.

The revamping of the men's section includes all new fixtures and a complete line of men's work clothes has been moved to the balcony.

The six-week remodeling program has enabled each division to carry more stock, said MacMullen. There also has been an increase in the standard line brands that are carried throughout the store.

MacMullen also noted that the enlarged floor space and clothing lines call for an increase in out-

EXAMINING THE NEW BRIDAL STOCK at the Idaho Department store is Mrs. Willa Dean Nielson. This is only one part of

the remodeling that has been done at the store the past six weeks. A grand opening will be held Thursday. (Times-News photo)

3 Youngsters Are Kidnaped In France

POITIERS, France, Sept. 23 (AP)—Police throughout France searched today for three small children kidnaped on their way home from kindergarten Monday.

The motive remained a mystery. The children all were from extremely modest homes.

Authorities identified the missing children as Patrick and Christine Guillon, aged 5 and 6, respectively, and Joel Blet, 6. When last seen they were walking through a forest outside the village of Marnay in central France.

Yesterday Patrick's school bag was found alongside the roadside with this note headed by a skull and crossbones:

"The children are in safe hands. We will be unscrupulous if the police interfere. Instructions in 24 hours."

Last night Mrs. Hubert Guillon, who has two other children, appealed to the kidnappers over the radio.

"I am not rich," she said. "We had a 60-acre farm. I am prepared to sell it and give you the money if you return my children, who are my reason for living."

Little Joel, whose mother lives in Paris, had been staying with his grandparents near here.

Authorities questioned a 24-year-old aunt of the Guillon children late into the night. The aunt, Marie-Claire Guillon, was released from prison Friday after serving time for burglary. She had asked for a photograph of Patrick and Christine while in prison.

Police were attempting to determine whether she had shown the picture to people who might have planned the kidnaping.

Jet Airliner Skids Partly Off Runway

SACRAMENTO, Calif., Sept. 23 (AP)—Western Airlines' jet airliner with 54 persons aboard skidded partly off the runway yesterday when its right main landing gear broke off during a landing at Sacramento Municipal airport.

Western Airlines spokesman Darrell McConnell said one passenger and one stewardess were taken to a hospital for a check-up, but no other injuries were reported.

The Boeing 720B, regularly scheduled flight 658 from Los Angeles, carried 48 passengers and a crew of six. The passengers slid down emergency chutes immediately after the plane was brought to a stop and fire equipment sprayed one engine with foam.

Witnesses said the plane appeared to bounce as it landed and the gear fell off. The plane was on a rest patch in the grass, with the landing gear lying far behind.

Senate Confirms Nomination of Sargent Shriver

WASHINGTON, Sept. 23 (AP)—The senate yesterday confirmed the nomination of R. Sargent Shriver to head President Johnson's anti-poverty program.

Sen. Jacob K. Javits, R.-N.Y., raised a brief protest about double job-holding. He referred to Shriver's dual role as Peace Corps director. But senate approval was by voice vote with no audible opposition. Javits said he had no doubt that Shriver has the ability to hold the anti-poverty post and he praised his work as Peace Corps director. But he questioned whether both jobs at once wasn't too much.

Hazard

NORTHAMPTON, Eng.—Sept. 23 (AP)—Truck driver Julian Vaughan, 18, was fined \$11.20 for inconsiderate driving yesterday because he sped through a 100-yard pool of water, breaching two roadside workmen.

Lost

GUERNSEY, England, Sept. 23 (AP)—Six hundred and fifty of 650 homing pigeons have failed to turn up and are feared lost after being released for a long distance contest last week-end.

Five Apply for Building Permits

Applications for five building permits were issued this week at the city hall.

Willis apartments, 1941 Sherry drive, applied for a permit to construct a 24- by 40-foot new

single-family dwelling on Washington street. Estimated cost is \$100,000.

Kirkman, 240 Sixth avenue west, applied for a permit to build an 18- by 100-foot cluster block addition with an estimated cost of \$2,000.

Carl Capps, 633 Jackson street, applied for a permit to build a 12- by 26-foot detached private garage to be moved. The cost has

A permit application was issued to Thomas Moore, 238 Blue Lakes boulevard, to build a new detached garage, 24- by 20-foot, estimated at \$700.

Bert A. Sweet, 540 Washington street north, applied for a permit to move a single family, wood frame dwelling. Cost was estimated at \$100.

The 17,200-pound "boiler plate" Apollo, of the same weight, size and shape as the spacecraft that will be used to carry three-man crews on lunar missions, was launched by a Saturn 1 rocket.

It went into the same type of parking orbit in which manned Apollo spacecraft will be placed to achieve the proper moment for kick-off to the moon.

U. S. Satellite Plunges Out Of Orbit

WASHINGTON, Sept. 23 (AP)—The spacecraft-like satellite launched from Cape Kennedy, Fla., last Friday, plunged out of orbit over the Indian ocean today.

It re-entered the atmosphere at 8:59 a.m. (EST), the national aeronautics and space administration said.

The 80-foot-long, 36,700-pound combination of a dummy Apollo spacecraft and the attached burned-out second stage of the Saturn booster was the third-heaviest object ever launched into space.

The huge craft was in its 50th orbit, and had been in flight for three days, 10 hours, 37 minutes.

NASA tracking stations recorded the re-entry. The agency said it had no immediate reports of any sightings of the fiery trail as the metal burned from friction with the air, nor any indication as to whether the spacecraft was entirely consumed or whether a part of it hit the water.

The 17,200-pound "boiler plate" Apollo, of the same weight, size and shape as the spacecraft that will be used to carry three-man crews on lunar missions, was launched by a Saturn 1 rocket.

It went into the same type of parking orbit in which manned Apollo spacecraft will be placed to achieve the proper moment for kick-off to the moon.

TV TODAY

WEDNESDAY, SEPT. 23
"The Presidency: A Splendid Misery" (Hollywood: 5:30 and 10:30 p.m.) CBS—Profile of a man who is not a man of this dramatic life of the office as seen through the words of some of the men who have been president.
"America" (Color, 6 p.m., Synd.)—Tonight's episode in the syndicated half-hour travelogue program is "Arizona Rocks" with scenes of the Grand Canyon, the Painted Desert and scenic spots.
"The Dick Van Dyke Show" (7 and 8 p.m., CBS)—Kicking off the third season, tonight's episode has two going to the hospital and trying a judo hold on a toy monkey.
"The Carole Williams Show" (Premier, 7:30 and 8:30 p.m. CBS)—This new situation comedy comedy about a wife who secretly works as a Frank Sinatra and both working in a company which bans office matrimony.
"Burke's Law" (8 p.m., ABC)—A dillikly comedian is exposing the how-how-bosses can be fatal and then involuntarily proves it by drinking a cocktail spiked with poison.
BEST WEDNESDAY NIGHT MOVIES
"To Catch a Thief" (Color, 1935) Cary Grant and Grace Kelly (8 p.m. KUTV and KIFI)—This fast-paced, suspenseful thriller mystery kicks off a new series of MGM and Paramount films to be telecast via the NBC network. Grant plays the role of a tired jewel thief who is prime suspect when several big robberies occur while he's vacationing on the Riviera. To redeem himself he sets out to catch the thief and in the process has an affair with Grace Kelly. Grant, as usual, is suave and chips in with a slick performance.
"Drive a Crooked Road" (1954) Mickey Rooney and Diane Foster (10:35 p.m., KCPX)—Excellent film about a little runt who robs cars and gets himself involved in a bank robbery and murder because of a girl.

Chevy Offers Luxurious Car for 1965

DETROIT, Mich., Sept. 23 — The regular Chevrolet is the top selling line in an entirely new category for 1965. It is the automobile for the car lover who wants a Chevrolet.

The new Chevrolet is longer by more than three inches. Interiors offer greater roominess, three more shoulder seats, plus increased leg room in both front and rear. Floor panels are substantially smaller. The luggage compartment has a flat floor for easier loading.

The styling features an entirely new look. Square front fenders sweep through the body into gracefully contoured rear quarter panels. The grille is framed by deeply recessed headlights. Chevrolet's traditional triple taillights are hooded and extend back from either side of the rear panel. All models have a low silhouette, rounded and curved side windows. Convertibles have tempered glass rear windows.

Beneath the new body is an equally new chassis. A number of improvements in greater ride and handling characteristics. The 115-inch wheelbase is retained.

A sturdy, new perimeter frame provides the structural platform for a new strut rod front suspension, new link-type rear suspension, and new parallel relay steering system.

Six engines (one six and five v8s) are offered, ranging in horsepower from 140 to 400 and incorporating a number of engine improvements. Four transmissions are available and there is a total choice of 16 power teams.

TWO SOVIET DESTROYERS are taking part in the NATO exercise in the North Atlantic between Iceland and Norway. The two destroyers, one of the Koltun class, foreground; and the other of the Riga class, are shown from the deck of the USS Independence. (AP wirephoto)

Citations Given In Buhl Mishap

BURLINGTON, Sept. 23 — Two citations were issued as the result of a bus-car accident at 8:20 a.m. today at the intersection of Poplar street and Ninth avenue north in Buhl.

Raid Williams, 65, Buhl, was cited for failure to yield the right of way and Terry Sloan, 14, Buhl, was cited for failure to obey the posted speed zone.

Williams, who was en route to school with a bus loaded with school children, traveling east, stopped at a stop sign, officers said.

He started up and the bus collided with a 1963 Plymouth which Sloan was driving north. No one was injured, according to Buhl city police.

Damage was estimated at \$80 to the 1960 GMC school bus and \$200 to the Sloan car.

Car Strikes Fuel Tanker, Driver Dies

POINT OF THE MOUNTAIN, Sept. 23 (UPI) — A passenger car slammed into a fuel tanker truck on U.S. 91 in front of Utah state prison this morning, causing an explosion and fire that was seen for miles.

The driver of the truck walked away just before the explosion and was not hurt. The driver of the car was burned beyond positive identification.

The Utah highway patrol said the automobile was registered in the name of Sam Miller, Pleasant Grove. It was prevented that he was driving and that no other persons were with him in the car.

Truck driver Daniel Milo Harris, 36, Salt Lake City, said he was going slowly up the hill on the four-lane highway when the car swerved across the highway and crashed head-on into his truck. Harris got out of the truck just before the explosion.

Wayne Roseman, a guard in the central tower at the prison, witnessed the explosion. He said he had his binoculars trained on the truck when it burst into flames. He said flames shot down the road several hundred feet.

It was nearly two hours before officers could find the burned wreckage for victims.

Flunked MOBILE, Ala., Sept. 23 (AP) —

Among the first ones to flunk in an official testing of a new city inspection law belonged to the police chief and fire chief.

One headlight on Police Chief James J. Robinson's car lacked sufficient candlepower, and another was out of alignment.

Lights on Fire Chief Dan Strimmon's car were found to be out of focus.

College Plan Is Outlined At Kimberly

KIMBERLY, Sept. 23 — Oren Fisher, Twin Falls, outlined present plans for the proposed community junior college during the Kimberly PTA teachers' reception held in the grade school cafeteria Monday night.

Fisher stressed any Twin Falls county residents over 18 years of age could attend the college with tuition expected to be between \$50 and \$75. Students living outside the county would possibly have to pay the actual cost of the instruction.

Fisher said there could be as many as 1,100 students in the county who could take advantage of the college, which would feature vocational and technical courses.

Twin Falls county residents who have been a resident of the island had the mainland to take off the plane passengers.

Plane Flips On Back At Salt Lake

SALT LAKE CITY, Sept. 23 (UPI) — A light plane flipped on its top yesterday evening while trying to land on a small island in the Great Salt Lake.

None of the three persons aboard the Cessna 172 were injured. They were taken off Carling Island late yesterday by the Tooele county sheriff's jeep posse.

The plane, on a flight from Ogden, flipped over when it caught in the muddy ground of the small island about 40 miles north of Tooele and 30 miles west of here.

Members of the jeep posse crossed the mud flats between the island and the mainland to take off the plane passengers.

Two other planes landed briefly on the island to check on the condition of the crashed craft's pilot and passengers, then took off after reporting they were all alright.

The Tooele county sheriff's office said the plane was piloted by Brent Stevens, Ogden. His two passengers, both men, were not identified.

Auto Industry Lifts Curtain On New Cars

DETROIT, Sept. 23 (AP) — The auto industry was in a holiday mood today as it lifted the curtain on the first of its 303 new 1965 models.

Ford Motor company unveiled its Lincoln Continental line today and American Motors put its Rambler on display.

All General Motors divisions will show their new products Thursday with Chrysler corporation and the rest of Ford's lines due for public view Friday.

Salesmen in 40,000 dealer showrooms across the country had their pencils sharpened to resume the fast selling pace which marked the 1964 model run.

One of the key questions was whether auto makers would hold the price line, in view of contract gains won by the United Auto Workers and increased costs of some materials.

A partial answer came Tuesday when Ford announced that 1965 Lincoln Continental prices would be unchanged. The four-door sedan, for example, was listed at a \$5,760 factory-suggested price, the same basic price the car has had since it was introduced in September, 1964.

General Motors announced today it was generally holding the price line for the seventh consecutive year on its five lines.

Basic prices of Cadillac, Buick, Oldsmobile, Pontiac and Chevrolet lines remained the same as last year, but there were some adjustments in prices of optional equipment.

In general, the trend in 1965 cars was towards longer, more powerful vehicles.

On the styling front, the most noticeable thing about 1965 cars is that they generally follow long, clean lines with a minimum of glimmerbread. More engine options and a raft of accessories are available.

The fastback, a straight sloping line from the rear window to the rear bumper, was noticeable on quite a few new cars.

The industry seemed to operate on the theory that customers had more money and wanted more than a stippled-down car.

News of Record

Jerome Follow Court
Glen S. Bidwell, 300 East avenue 7, Jerome, \$5 for a noisy muffler.
James P. Manning, 335 Jefferson street, Twin Falls, \$5 for an expired driver's license.

FUN AHEAD PLAN AHEAD

Take along plenty of Olympia. Your friends will applaud your good taste. Olympia's distinctive, light, sparkling character *never* varies — because our rare artesian brewing water just *naturally* brings out the flavorful best from premium grains and hops. That's why we say: *"It's the Water"*

Plan ahead to tour the Olympia Brewing Company, any day between 8:00 and 4:30, at Tumwater, near Olympia, Washington. *Oly*

Judith Haley, Webb Marry in T. F. Ceremony

The First Baptist church, Twin Falls, was the scene of the candlelight ceremony Sept. 1 which united in marriage Judith Ann Haley, daughter of Mr. and Mrs. Lorenzo Haley, Twin Falls, and Charles Gene Webb, son of Mr. and Mrs. Charles Webb, Hazelton. The double ring ceremony was solemnized by the Rev. John Garabrand.

The altar was flanked by large baskets of white gladioli with mint green satin bows, tall candles and bouquets of gladioli. The church windows were decorated with floral arrangements and lighted white tapers. The bride, given in marriage by her father, wore a floor-length gown of bowknot Chantilly lace which featured a chapel train and fully pointed sleeves. The high rounded neckline and bodice were accented with scalloped, imported lace. The fitted bodice dipped to a V in front and back. Miniature self-covered buttons enhanced the wrists and back of the gown.

Her veil of illusion cascaded from a crown of white lace complemented by a white rose, seed pearls and sequins. She carried a bouquet of white butterfly roses and variegated lilies.

Carolyn Haley, Castelford, cousin of the bride, was maid of honor. Her street-length dress of mint green brocade taffeta was fashioned with a scooped neckline, sleeveless fitted bodice and an off-gathered skirt. She carried a cascade bouquet of white gladioli and lilies.

Vicki Webb, Hazelton, sister of the bridegroom, and Mrs. Randall Brower, Elk, were bridesmaids. Their gowns of mint green brocade taffeta were made like that of the maid of honor. Each carried a bouquet of white gladioli and lilies.

Larry Webb, Hazelton, brother of the bridegroom, was best man. Robert Kincaid, Hazelton, and Ronald Jarvis, Pocatello, served as ushers and candlelighters.

Larry Bennett, Twin Falls, played traditional organ music and accompanied Mrs. Denny Patrick, Buhl, soloist.

The bride's mother wore a two-piece aqua dress accented by turquoise and white accessories and a corsage of feathered pink carnations and elfe roses. The bridegroom's mother wore a beige sheath dress with beige and cranberry red accessories and a corsage of white feathered carnations and roses.

Janet Haley, Twin Falls, sister of the bride, registered the guests. She wore a mint brocade taffeta dress similar to that of the bridesmaids. Gifts were displayed by Mrs. Michael Macaw, Linda Chandler, Ellen Chandler, Carla Chandler and Carol Swanson.

The reception was held in the church fellowship hall. The bride's table was covered with green silk over white nylon and was accented with oranges tied with green satin ribbon. The four-tiered square wedding cake was decorated with pink roses cascading down the side and was topped with a miniature cake covered with pink roses. Silver vases holding roses and baby breath flanked the wedding cake and a crystal punch bowl and

MR. AND MRS. CHARLES G. WEBB
(High Mottle photo)

silver coffee service completed the table decor.

Mrs. J. Roy Haley, aunt of the bride, and Mrs. Randall Brower, sister of the bride, served the cake. Mrs. LaMonte Haley, Mrs. Max Rector and Mrs. Ruth Bowler, all aunts of the bride, served coffee and punch.

For her wedding trip, the bride wore a white lace over mint green taffeta, two-piece dress with white accessories and a corsage of white roses.

The bride is a 1963 graduate of Castelford high school and attended Idaho State university, where she majored in elementary education. She was affiliated with Gamma Phi Beta sorority.

Webb is a 1964 graduate of Valley high school and was graduated from Idaho State university, where he majored in sociology. He was a member of Sigma Nu fraternity. He is employed as a manager for Saga Food Service.

The bridegroom's parents hosted a rehearsal dinner for the wedding party at Kay's Supper club.

Guests attended from Buhl, Castelford, Elk, Eden, Hazelton, Jerome, Pocatello, Boise, Nampa, Caldwell, Wendell and Gooding.

Units Sponsor Style Show In Shoshone

SHOSHONE, Sept. 23 — Through cooperation of the extension service and high school home-economics classes, a style show was held at the high school recreation room.

Designs from patterns of Simplicity were modeled by the high school girls. Their mothers and other interested persons were guests.

Home economics teacher, Mrs. Stanford Myers, and PFA president, Virginia Ross, were co-ordinators for the show.

Mary Broyles was narrator. Marilyn Manning provided the music.

Models include Ann Schoelcraft, Lilli Vinsant, Cleanie Cope, Glenda Guthrie, Becky Bhriley, Joan Larson, Georgia Depe, Gail Origes, Sue Jackson, Jeanne Coffman, Mistle Van Dyke, Renee Oneds, Louisa

Urrutia, Evelyn Vaden, Candace Jackson, Lolly Sotonga and Sherry Buhler. Other models were Renee Rosecrank, Abby Knowles, Jill Thorne and Robin Everett. Refreshments were served by Joan Larson and Louisa Urrutia committee members. Answers were given during the show on grooming and sewing.

Anniversary Is Observed

SPRINGDALE, Sept. 23 — Mr. and Mrs. James L. Stewart, former Springdale residents, were honored on their 40th wedding anniversary at an open house at their home, Logan.

The Stewart family lived in this area for several years and on a ranch in Carey, before moving to Logan.

They are active members of the LDS church and were married Nov. 4, 1924, in the Salt Lake City LDS temple.

Instructions Given at Parley

BURLEY, Sept. 23 — Instructions on how to make a hostess pillow were given at a work-day meeting held by members of the home-makers at the home of Mrs. Dorothy Macfarlane. Instructions will be given later this month for those wanting to learn to make ribbon flowers. Material will be ordered and members will be notified when it arrives.

The next meeting will be held at the home of Mrs. Louisa Meyers, with Mrs. J. M. Lison as co-hostess. The theme will be "Cooking and freezing for the holidays."

CONVALESCING SPRINGDALE, Sept. 23 — Mrs. Gertrude Price, Paria, is a house guest and is convalescing at the home of her daughter and son-in-law, Mr. and Mrs. Raymond Zollinger. Mrs. Price was injured in a car accident near Logan two months ago.

Magic Valley Favorites

MRS. K. V. TRINDALL
Route 1, Hayden

Crook Salad
2 cups cooked macaroni
1 tablespoon chopped onion
1 tablespoon chopped pimiento, optional
2 tablespoons chopped green peppers
1 cup diced celery
1 cup chopped dill pickles
1 cup French dressing
1 cup salad dressing
1 cup grated American cheese
2 chopped hard-boiled eggs
lettuce

Combine macaroni, pimiento, green peppers, celery and pickles and marinate them in the French dressing. Fold in salad dressing, grated cheese, hard-boiled eggs and seasonings to taste. Serve in salad bowl lined with crisp lettuce.

(The Times-News will be happy to work for the best recipe submitted. Magic Valley Favorites. If you have a favorite recipe, just mail it to the editor. The recipe becomes the property of the Times-News and cannot be returned.)

Books Displayed
MILNER, Sept. 23 — Old books were displayed and a history of each given at a meeting of the Friendship circle at the home of Mrs. Farnum Warr.

Mrs. Warr reported that a basket has been delivered to a needy family in Burley.

Mrs. Edwin Brune is working on the scrapbooks that club members donated to be used for the Nampa State school and colony.

Friendship Night Observed By Area OES

HAZELTON, Sept. 23 — Friendship night was observed by the Ingerman Valley chapter No. 78, OES, at the Masonic temple, with guests visiting from Jerome, Twin Falls, Buhl, Mountain Home, Wendell, Hollister and Gooding.

Mrs. Claude Allen, worthy matron, and Virgil Norwood, acting worthy patron, gave the welcome.

All special guests were introduced.

Invitations were extended to attend friendship night meetings, at Twin Falls Tuesday, Wendell, Oct. 7; Jerome, Oct. 20, and Mountain Home, Oct. 17. To attend visits of the worthy grand matron, invitations were read from Jerome, Oct. 8; Albion, Oct. 6; Twin Falls, Sept. 27, and Rupert, Oct. 8.

An address, "Friendship," was presented for the guests, with the group singing. Each woman guest was given a dish cloth and each man, a handkerchief, by the worthy matron.

The altar was draped in honor of Lura D. Wilt and Neil K. Irlan, both past grand matrons.

Following the meeting, refreshments were served by Mr. and Mrs. Virgil Norwood, Mr. and Mrs. Ed Neyman, Mrs. Charles Cary, Mrs. Alan Erwin, Mrs. J. R. Russell and Mrs. Al Karloff.

Mrs. John W. Jones arranged floral bouquets for the serving tables. Mrs. Grace Johnson, Twin Falls, and Mrs. Lillian Barton, Wendell, poured.

PLANS MADE
MILNER, Sept. 23 — Plans were made for the sale of miscellaneous and Christmas cards at a meeting of the WSP club at the home of Mrs. LaMar Egbert.

Janet Rodman

Mr. and Mrs. H. Jenkins, Mrs. James Glavin and Patsy Miller, Mrs. G. E. Edger, and Mrs. Frank McAtee presided at the coffee service.

Miss Jenkins, cousin of the bride, was in charge of the guest book. Gifts were arranged and presented by the home of the bride's parents.

Gifts at the reception were under the careful care of the candlelighters and Bill Fay, brother of the bridegroom.

Recessional music at the reception was supplied by James J. Kirkland, San Francisco.

For her traveling ensemble, the bride changed to a blue dress and jacket with white accessories and a white carnation corsage.

The couple will reside in American Falls, where the bride will teach school. The bridegroom will complete his schooling at Idaho State university.

The bridegroom's parents hosted the rehearsal dinner at the home of the bride's parents. The bride is a graduate of the University of Idaho, where she was affiliated with Kappa Kappa Gamma sorority. The bridegroom attended the University of Utah and is a member of Theta Chi fraternity.

Pre-nuptial events honoring the bride include a luncheon and miscellaneous shower hosted by Mrs. McAtee, a bachelorette party at the Jenkins home, and a patio and picnic shower hosted by Mrs. Augustus Pense and Mrs. James Sinclair at the Sinclair home.

Gordon Edgar and her daughter, Linda, hosted an evening personal shower at their home, and a no-host dinner and shower were given to the bride by her sisters at Moscow.

Guests attended from Pittsburg, Pa.; Spokane, San Francisco, Emmett, Boise, and Elgin, Idaho; and from Butte, Ketchikan, Moscow, Coeur d'Alene, Blackfoot and Twin Falls.

Smith Weds

CONCORD, Calif., Sept. 3.—Janet L. Rodman, daughter of Mr. and Mrs. Ralph H. Concord, was married to Donald M. Smith, son of Mr. and Mrs. J. M. Smith, Portland, Sept. 3, in a double ceremony.

Rev. Mr. Griffl performed ceremony at the St. Michael All Angels Episcopal church, Portland.

The bride wore a floor-length gown styled with a scooped neckline, long sleeves and a plait train of silk taffeta. Her veil was held by a crown of white pearls. She carried a bouquet of white carnations and roses accented with white vases streamers. She carried an ivory long-handkerchief belonging to the bridegroom's family and carried prayer book, given to her by the bridegroom.

Maid of honor was Laura E. Rodman, Concord, sister of the bride. Best man was Donald C. H. Roby, Santa Barbara, Calif. Mr. Donald Smith, Portland, and Holly Held, Beaverton, Ore., were flower-laden bridesmaids dressed in white tulle and red velvet. The brides carried single long-stemmed red roses. The maid of honor carried a dozen long-stemmed red roses. The bridesmaids carried a dozen long-stemmed red roses. The bridesmaids carried a dozen long-stemmed red roses.

Portland, brother of the bridegroom, ushers were Lieut. aid H. Rodman, Rapid B.D., brother of the bride; brother-in-law, Donald C. H. Roby, Santa Barbara, Calif. L. Samuel, Concord, brother of the bride.

TWIN FALLS

Mrs. Lloyd Johnson and Mrs. Russell Miller reviewed "Let's Grow Lilies," a North American lily society publication by the late Mrs. E. W. Twiss. The Twin Falls Garden club met at the home of Mrs. Floyd Bandy.

Mrs. Johnson talked on garden value and outlined cultural directions. "Lilies are never dormant," she purchased bulbs, and they must have an adequate root system," Mrs. Johnson said.

Mrs. Miller discussed propagation of lilies from seed and vegetative methods. For every bulb, a stem of lily stems in soft drink bottles in a box and wrap tissue around anthers to protect the flower from pollen stains.

A brief discussion on gardeners including alkaline loam, morning glories, golden chain (laburnum) and golden rini (coleurubra) preceded the program.

Mrs. Johnson, secretary, and Mrs. Edmondson, treasurer, gave reports. Mrs. B. W. Smith reported the club's flower booth at the county fair received first award in the quality division.

tion. Committee members were Mrs. Hicks, Mrs. Johnson, Mrs. P. G. Skrudland, Mrs. Howarth, Gillette and Mrs. Victor Nelsonson. Mrs. Bandy, civic beautification chairman, reported on the vineyard plan for the new V-V-C-A building.

A letter from Mrs. Emma Koehler, Boise, state president of Idaho Federation of Garden Clubs, advising of support for publication of state magazine "Miss Idaho Home," was read by Mrs. R. C. Lawton, corresponding secretary.

Club members voted to raise the dues to support the publication.

Course two of the nation-wide flower show and judging school will be held Thursday and Friday at the Southhouse, north Lincoln.

Jerome, Mrs. Smith, local clubman, announced.

Horticultural lecture will begin at 8 a.m., followed by flower show practice and point scoring by Mrs. R. L. Tuckey, Kentfield Calif. instructor. Mrs. C. Gregg, Eugene, Ore., will present flower arrangement, lecture demonstration and point scoring. Friday. The school, sponsored by the state federation, is open to all interested persons. A registration fee will be charged. Written examination will be held Saturday for persons studying flower show judges' certificate.

Mrs. Ivan Pierce was introduced as a new member—Garden Wood. Mrs. M. D. Sprue, Fort Hood, Tex.; Mrs. G. W. Spencer,

Open House
Spent in Valley

WENDELL, Sept. 23.—Relatives and friends of Mr. and Mrs. John Perry attended an open house in observance of their golden wedding anniversary at the Grange hall.

Arrangements for the event were made by the family of the honored couple all of whom were present with the exception of three grandchildren.

The family dinner was served in the Grange hall—dining room by the Grange women.

Dale Perry, Lewiston, was master of ceremonies. He read the original poem, "Congratulation," composed by Dee Perry.

Glen Dixon, Glendale, Calif., gave the life history of his grandparents, Mr. and Mrs. Perry. Other numbers on the program

Mrs. R. E. Wheeler, and Mrs. Robert B. Curtl.

Refreshments were served by Mrs. Leo Anderson, Mrs. Samuel Fortes, and Mrs. Homer Ramseyer.

The next meeting will be held Oct. 7 at the Sunny View courts recreation hall, Addison avenue east.

ding, and Mrs. Dee Collins, both recommended by Mrs. Ed Dixon, Logan, gave the program. Gladys and Bobby Langdon presented a tap dance number; "The Year 2000," was sung by Randy Hobday, Larry Hudey, Danny Hobday and Janice Hobday; Crofton, Larry Hobday presented accordion numbers. Helen Dixon gave the benediction. Mrs. Edna Emert, Omak, Washington, of Mrs. Perry, was in charge of the guest book. The refreshment table was covered with lace over gold and centered with a three-tiered wedding cake. The cake was baked and decorated by Mrs. Roy Ruby. The cake was decorated in white and gold with wedding bells and topped with a "50."

Mrs. Dale Perry cut and served the cake. Mrs. Eldon Okeberry presided at the coffee service and Mrs. William Rengsen served punch.

Guests were present from California, Utah, Washington, Oregon and Idaho.

Senator Hits 'Johnson Country'

ODESSA, Tex., Sept. 23 (AP)—GOP presidential nominee Barry Goldwater barnstormed in to Lyndon Johnson country, friendly with Texas last night with an attack on President Johnson's peace-keeping ability and his ethical standards.

The Arizona senator told 15,000 of Johnson's fellow Texans the chief executive has "lost the peace" passed on to him by the Eisenhower administration. He drew repeated cries of "No" from the crowd in Barrett stadium when he said Johnson says "Let us continue" present policies on Viet Nam, Cuba and other trouble spots.

Goldwater, winding up a three-state tour here on the night of his 30th wedding anniversary, also charged that the President is misusing "secret" government tax records for his own purposes.

Stumping from Tulsa, Okla., to Albuquerque, N. M., in the oil-rich Texas panhandle and plains, the GOP presidential nominee argued:

—President Johnson has ignored communism; he does not even mention it.

—This administration has hundreds of lives and hundreds of lies to answer for "in connection with the fighting in Viet Nam."

—The President has misused "secret" internal revenue tax files. Goldwater did not elaborate.

—The integrity of Republican vice-presidential candidate William E. Miller is "above reproach."

Goldwater stressed the issues of communism and the Vietnamese war as he flew into the airport serving the cities of Midland and Odessa for this final appearance of the day. He was speaking the night in Odessa, halfway point of his swing into Johnson's political backyard.

In Albuquerque, he warned there was no "pat solution" to the Vietnamese war.

"But I have a lot of ideas we ought to be thinking about," he said.

A group of University of New Mexico students picketed at Albuquerque. They said they had nothing against Goldwater, but were protesting U. S. nuclear policy.

Goldwater then flew into Odessa, where the Republicans succeeded in 1962 in electing conservative Ed Foreman to congress over a Democratic incumbent.

Some 1,000 people turned out under threatening skies to greet Goldwater.

"You remember that Khrushchev has promised to bury us," the GOP presidential nominee said in a campaign speech in their oil rich Texas region.

"The interim president, Lyndon Baines Johnson, apparently doesn't remember, it ain't even bother to mention communism in his acceptance speech."

"But we remember Khrushchev's boat and we don't remember his having taken it back," the Arizona senator said. "We know that communism today is the only real threat to the peace," he said in the President's home state. "We see it killing Americans in Viet Nam. We see it garrisoning the prison island of Cuba. We see it lighting the fuse of war in Malaysia. We see it fanning the flames of war in the Congo."

The Johnson administration, he said, "has failed utterly to bring us closer to peace."

"Instead, by a foreign policy that shifts with every breeze, by a defense policy that stresses one-sided disarmament, this administration has tempted communism to grow bolder, to shove us closer to the brink of disaster around the world."

In a day of vote seeking in the Southwest, Goldwater kept his campaign guns aimed primarily at Johnson. He also defended his vice presidential running mate, Rep. William E. Miller, against what he termed "reckless and infamous" charges of conflict-of-interest.

Opening the day's drive in Tulsa, Okla., Goldwater told 8,000 enthusiastic persons that Johnson "has hundreds of lives and hundreds of lies" to answer for in the "situation in Viet Nam seems to have deteriorated from

confusion to chaos in the past 24 hours," he said at the city's Civic auditorium.

"After a week-end marked by a shooting incident in international waters that took more than a day even partially to explain, the new onrush of events remains unlighted by a full report from our government," he said.

"The day of reckoning for Viet Nam must not be delayed. This administration has hundreds of lives and hundreds of lies to answer for in connection with the fighting there."

At Amarillo, he told about 8,000 persons "We are at war in Viet Nam... and it's time we talked about it as a war."

He also denounced charges

that Miller, a New York congressman, was guilty of conflict of interest in his relationship with Lockheed Pelt company in his hometown.

"But Miller's honesty is beyond reproach," Goldwater said. "The baseless and infamous attacks launched against him for purely political purposes do not reflect on him—they reflect on the political leaders who encourage them."

"I am completely satisfied by Miller's open and above board record, by the truth of his statements and the integrity of his personal and business activities," he said. "He has my full confidence and my full support. The attacks against him have my utter contempt."

Atkins Heads Fairview's Grange Again

DUIH, Sept. 23 — Harold Atkins was reelected master of Fairview Grange to serve for 1964-65, it was announced today by Grange officials.

Other officers elected during the regular meeting Friday evening were Anton Suchan, overseer; Mrs. Harold Atkins, lecturer; George Atkins, steward; T. W. Richmond, assistant steward; Mrs. Dick Atkins, chaplain; Marvin Noh, treasurer; Mrs. Chester Noh, secretary; Rudolph Peterson, gatekeeper.

The group voted on amendments slated to come before state Grange sessions in October at Boise.

The annual Idaho products dinner was served prior to the meeting under the direction of Mrs. Edwin Noh, home economics chairman.

Valley Man

Names Named to Sheep Board

Watkins was named to a five-year term running until Sept. 18, 1909.

The governor's office also announced the appointment of John Noh, Kimberly, as a member of the State Board of Sheep Commissioners. He fills a vacancy caused by the death of Robert B. Blawie, Piler.

ending Jan. 6, 1970.

Plan Unveiled to Help Shrinking Water Resources

WASHINGTON, Sept. 23 (AP)—A \$18-million-dollar construction program to continue development of shrinking Western water resources was unveiled yesterday by Interior Secretary Stewart L. Udall.

Udall said the bureau of reclamation program for the year ending June 30, 1965, would second only to the \$54-million-dollar program undertaken in the 1964 fiscal year.

The fiscal 1965 program will include six "new starts," Udall said. Of these, he said, the "most

exciting" would be the Pacific northwest-Pacific southwest electric transmission intertie. The intertie, to cost about 700 million dollars eventually, will link federal, public and private electric systems in 11 Western states.

Construction of the world's longest direct current transmission line will make it possible to carry surplus power from Columbia river dams as far south as Los Angeles and Hoover dam on the Colorado river.

The other "new starts" in the

bureau's program for this fiscal year include the Mann creek project, Idaho; Baker project, Oregon; Oroville-Tonasket unit of the Chief Joseph dam project, Washington; Tehama-Colusa canal, California; and Crystal dam in Colorado.

A recently approved appropriations bill provided \$5.5 million for the new starts. The legislation provided a total of 248 million dollars for construction by the bureau, with the addition of funds coming from other sources.

The bureau's program calls for construction totaling 23 million dollars on the Pacific northwest-Pacific southwest intertie in Nevada and California. A total of \$2,016,000 will be spent on the intertie in Arizona. Spending on

the intertie in the Pacific northwest will be by the Bonneville Power administration, rather than by the bureau.

A total of \$725,000 earmarked for the Mann creek project in Idaho will provide for start of construction on Spangler dam. The bureau will spend \$600,000 on the Baker project in Oregon, and \$400,000 on the Oroville-Tonasket unit in Washington.

Construction of the Tehama-Colusa canal in California will begin under a \$92,576,000 construction program for the entire

Central Valley project. Crystal dam will be started under a \$12,837,101 program for the Ororeant unit of the Colorado river storage project in Colorado.

NEW ENVOY
—CAIRO, U.A.R.—Sept. 23 (AP)—U.S. Ambassador Lucius D. Battle presented his credentials yesterday to President Gamal Abdel Nasser. He succeeds retiring John B. Bland. New British Ambassador Sir George H. Bushphrey Middleton also presented his credentials yesterday.

OUR BIRTHDAY and HOROSCOPE

WEDNESDAY, September 23
Born today, you have a great with a good listener. This is most important when it comes to choosing a mate. Make sure that you select a partner who can keep a conversation going, if need be, but who at the same time would rather receive than throw the conversational ball. You have a great zest for living. Adventure stirs in your blood even when you yourself are not stirring at all. If you never strayed a mile from the place where you were born, you would still give the impression of being

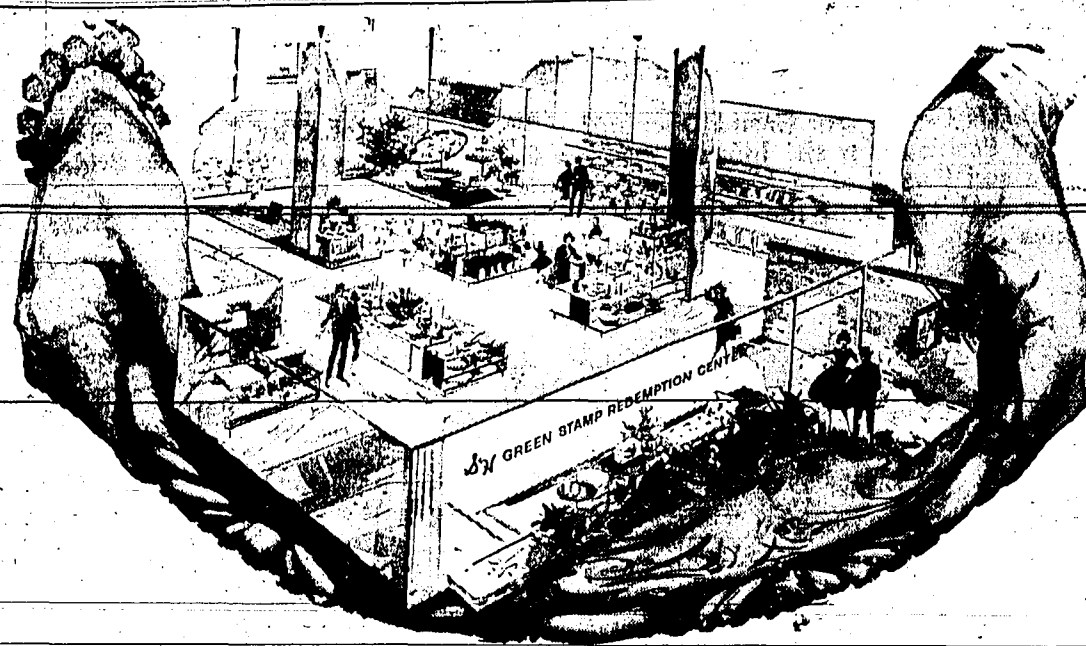

well-traveled and fully experienced. Reading and a keen imagination are your secret, of course.
Among those born on this date are: Euripides, Athenian dramatic poet; Ivar Aasen, Norwegian poet; Walter Lippmann, famed author, editor.
To find what is in store for you tomorrow, select your birthday and read the corresponding paragraph—Let your birthday star be your daily guide.
Thursday, September 24
LIBRA (Sept. 24-Oct. 23) — Use your ability to handle others to the fullest degree today. You can achieve your goal in short order if your directions are wise.
SAGITTARIUS (Nov. 23-Dec. 22) — Where another's error has caused you loss, avoid another or the ineffectual results of frustration.
CAPRICORN (Dec. 23-Jan. 20) — Though you may feel soured by the prospect of immediate defeat, your mood should change as

the outlook improves. Success ahead.
AQUARIUS (Jan. 21-Feb. 19) — The profoundness of your nature may cause you to be misunderstood today, even by those who know you best.
PISCES (Feb. 20-March 20) — Use your will power! You can quickly adapt to present surroundings if you will forget yourself and try!
ARIES (March 21-April 20) — A day in which you may need to make sacrifices for the ones you love. The willing, unselfish Aries wins the day.
TAURUS (April 21-May 21) — Make a point to be more demonstrative than usual in matters of affection. You can do much to soften a home situation.
GEMINI (May 22-June 21) — The Gemini who is not overly ambitious to possess much of the world's riches comes off best today. A give, not a take, day!
CANCER (June 22-July 23) — Though minor sorrows may come

Arson-for-Profit Is Fast Growing Crooked Business

NEW YORK, Sept. 23 (AP)—Arson-for-profit is a crooked business growing fast as the flames it feeds. One reason: the "torch." The torch is not a comic strip character, the professional fire-setter, the criminal who uses flame for gain.
To mark this as a not too pleasing day, nevertheless, there is growth through hardship.
LEO (July 24-Aug. 23) — The crystal-clear reasoning of the alert, farsighted Leo should make this a day to remember.
VIRGO (Aug. 24-Sept. 23) — The special aptitude of Virgo that enables you to seek and find the source of success should be employed consistently throughout the day.

The number of cases investigated by his agency during the year ended April 30 reached a record 904. They involved 36.5 million dollars in insurance.
The bureau's investigations did not include major metropolitan areas such as New York, Detroit, Chicago, Los Angeles and Philadelphia, which have their own fire investigating agencies.
But reports of fire officials in those areas indicate their problem is even more acute.
Since January 1962 there have been some 78 bombings and set fires in Chicago business firms.
New York City fire officials investigated 690 fires during 1963 that they termed suspicious and another 485 known incendiary cases including many for motives other than profit—revenge, mischievous pranks.
But it is a clue to the effectiveness of the professional torch that, of all the investigations, there were only six convictions of persons for setting fires to collect insurance.
Also, say the investigators, number of fires they suspect of being arson-for-profit is probably only a fraction of the actual total.
The reason is that the professional torch knows how to set a fire so that it looks accidental and fire tends to destroy the evidence of its origin.
How big a bite of fire insurance collection is taken by all arson for profit activity is unknown.
"We have encountered with increasing frequency intentional torches who have been given contracts calling for the destruction of business premises by first said Battle.

NOW OPEN! A BEAUTIFUL, NEW S&H GREEN STAMP REDEMPTION CENTER

OPEN EVENINGS

to Campaign in Behalf of GOP Candidates

OCK v. Rob-
campaign
weeks
legis-
s offer-
es the
in con-
nd per-
strength
itives.
1960 in
control
legisla-

ture from the Democrats. Party
and legislative leaders hope he
can give the same assistance this
year.
Bmylie, state GOP Chairman
John O. McMurray, senate pres-
ident pro tem Jack Murphy,
house speaker Pete T. Cenar-
rusa and former Sen. A. W.
Neagle plan to conduct campaign
conferences in four locations
throughout the state the next
two weeks.
In addition, Bmylie has offered

he campaign his own area and
taking with precinct workers.
Bmylie emphasized he would
not be campaigning full-time for
the legislators but added, "the
office of governor is indeed a
politically charged with abdication
of sorts if I didn't interest myself
in the biennial dialogue."
"Historically," he said, "it is
a widely accepted practice."
Republicans generally have
agreed their hold on the state
Senate, now by three votes, ap-

pears to be slipping. Bmylie, how-
ever, believes some inroads have
been made in some of the coun-
ties the GOP was expected to
lose this time.
In the house, where the Re-
publicans have held a wider mar-
gin of control, some observers
have seen a possible increase in
Democratic strength because of
an increased apportionment of
members. The house next year
jumps to 79 members from the
present 63.

"I don't think that the charac-
ter of the electorate has changed
so much it will make a difference
for us," Bmylie said.
But he said he felt it may be
wise when the legislature again
considers reapportionment, to
consider districting counties
where there is multiple rep-
resentation in the house.
"How many?" he said, "I plan
to hear down heavily on a public
education campaign on water re-
sources development."
