

Workers Strike at GM Plants

DETROIT, Sept. 25 (AP)—The United Auto Workers union struck General Motors corporation today when company and UAW bargainers failed to reach agreement on a new contract by a union-imposed deadline.

UAW workers walked off the job at GM plants across the nation at 10 a.m. (EST) when no deal was reached. The union's last-ditch negotiation session. The union previously negotiated three-year pacts at Chrysler and Ford Motor companies. The new agreement, completed only 45 minutes ahead of deadline at each.

The union took General Motors out of 1965 model production but announced its plants which build all parts to Chrysler and Ford would not be struck. Disclosure the strike was official didn't come until after workers already had walked out at Cleveland, O., Framingham, Mass., and elsewhere.

UAW President Walter P. Reuther announced at 10:30 a.m. that it was a "total" strike. "The announcement of a total strike was a surprise," he said. "It was a surprise because it was announced so late."

Death Probe Is Scheduled After Autopsy

Further investigation into the death of a 40-year-old California resident, who was found lying in Main street west in Buhl, was indicated after an autopsy showed he had been strangled.

Lester E. Tanner, whose only address was listed as California, was rushed to Magic Valley Memorial hospital Monday after he was found in a Buhl street. Tanner, who apparently was a transient worker, had high blood pressure and may have had a stroke and fell to the ground, striking his head and causing the skull fracture.

Tanner died Wednesday and an autopsy was held Thursday. Sheriff James Bonham reported Friday that the sheriff's office results and noted that the skull fracture at least contributed to Tanner's death.

"Quick Facts" Brochure About Proposed College Is Prepared

The Committee of 25 met Thursday night to approve the "quick facts" brochure on the proposed Twin Falls county community college, and to plan the public information campaign. The pamphlet has been engineered and has been asked most frequently about the junior college, and the responses given by the committee's speakers bureau. A reproduction of this information sheet will be published on page three of the Sunday edition of the Times-News in display form.

Youth Problems Are Studied at Conclave

GOODING, Sept. 25—Ways to obtain a cooperative approach in the community toward youth problems were explored here today at a conference in the Gooding courthouse. Some 60 persons attended by invitation, including mostly professional persons such as educators, juvenile judges, social workers, police officers and public health nurses, as well as representatives of the PTA. A mock court trial opened the session this morning.

Kevan Varin, was charged with robbing a liquor store. His mother was portrayed by Mrs. Aldrich Bowler. Andrew James Gooding, was the attorney, and Zoe Ann Warberg, Twin Falls probate judge, acted as judge. She placed the youth on probation with the stipulation he should be home from 8 p.m. to 7 a.m.

With his mother's permission and knowledge of where he would be he could be out one night a week. The mother also was requested to change her job so she would be home when her children were home from school.

Speakers at the morning session referred to the court case in their talks. Marvin Pitfield, Pocatello, educational psychologist, pointed out the importance of the schools and assisting other social agencies through identification and referral of the more severe emerging problems.

He said the school is the largest social organization contact essentially with youths and community needs can be reflected in the school program. The role of the social worker was explained by John C. Owens, Pocatello, Idaho department of health youth rehabilitation counselor. He noted most people associate a social worker with the handling of financial assistance.

Blaze Turns Away From Resort Town, 1 Killed, 36 Hurt

SANTA BARBARA, Calif., Sept. 25 (AP)—A fire which twice burned into the hillside suburbs of Santa Barbara turned away today and blazed into lightly populated inland valleys. It was the third time a fire seemed to be moving away from Santa Barbara. Firemen couldn't say whether it could turn and hit the city again. The fire has now blackened 40,000 acres, killed one man and injured 36 others, all firefighters. It has destroyed 78 homes and buildings, including the luxurious homes of Avery Brundage, president of the International Olympic committee, and Dr. Robert Maynard Hutchins, president of the Center for the Study of Democratic Institutions.

Santa Ana winds—the "devil winds" which sweep down coastal canyons to the sea—have three times turned the blaze burning toward Santa Barbara, a city of 65,000, nestled between the Pacific and the Santa Ynez mountains.

The fire started Tuesday afternoon at 3 p.m., was hit hard by fast-moving firemen and aerial tanker planes, and seemed headed inland at 9 p.m. Then came the devil winds. In an hour 12 houses were burned.

U. S. forest service firefighters, watered by county and city firemen, blocked it again. By 7 p.m. Wednesday the fire had covered 2,000 acres—but the blaze at dusk was cool, and the fire was again moving inland.

Again the winds struck. In eight minutes the temperature rose 12 degrees and winds of 60 miles an hour pushed flames toward the city.

To the east—the ocean lines to Santa Barbara's south and west—one tongue raced into Montecito—the home of countless millionaires and the most elegant. See BLAZE, Page 2, Col. 7

Report on Gem Traffic Safety Given

BOISE, Sept. 25 (AP)—Idaho got its annual traffic safety report card yesterday and was told it rated lowest in motor vehicle inspection and organization for traffic safety improvement.

The evaluation came from the national safety council. It was presented by council district director A. P. Henderson, Boise, at a Boise luncheon.

FAA Suggests New Airport for Burley

WASHINGTON, Sept. 25 (AP)—Construction of two new airports in Idaho and improvements to 40 existing ports are recommended in the federal aviation agency's 1964 national airport plan, Sen. Frank Church, D., Idaho, reported Thursday.

The proposal was submitted to congress Thursday, the first step toward making the airports eligible for federal grants. The new airports would be located at Burley and Shelley.

The report listed improvements for airports in major Idaho cities, including Joliet field at Twin Falls. Recommended improvements at Joliet field were acquisition of additional land, widening and extension of taxiways, restructuring the apron, construction of a holding apron, new lighting and removal of obstructions.

Similar improvements were suggested for airports at Boise, Caldwell, Coeur d'Alene, Idaho Falls, Lewiston, Nampa and Pocatello.

Land Board Demos, Smylie Are at Odds

BOISE, Sept. 24 (UPI)—A question of politics in the land board's proposal to cancel the lease on the campus of Magic Valley Christian college had Republican Gov. Robert E. Smylie and land board Democrats at odds Thursday.

Smylie charged that a Democratic statement of position on the proposal tended to bear out an allegation by former MVCC President George DeHoff the land board's recommendation was "political maneuvering."

The Democrats disagreed. Magic Valley Christian college has leased the Albion campus of the former Southern Idaho College of Education for \$100 a year since 1957. Democrats on the land board last Friday proposed the lease be canceled after Land Commissioner O. J. Buxton reported the campus in "deplorable" condition.

Rep. Miller Campaigns in California

FRESNO, Calif., Sept. 25 (AP)—Rep. William E. Miller campaigned for voters today in a hedge-hopping trip through California's lush agricultural heartland.

The GOP vice presidential nominee, planning a meeting in Merced and Stockton at the northern end of the rich San Joaquin valley.

Jitting hard at his theme that the Democrats, not the Republicans, have led the nation into war, Miller told a cheering partisan crowd at a \$100-a-couple dinner last night.

"Everybody knows that this business about Barry Goldwater leading us into war is a lot of bunk. The Democrats have led us into four wars."

He said American troops in Viet Nam were being told to "do enough to die but not enough to win," and said the war would never be won unless Goldwater is elected president in November.

Convenient

OXNARD, Calif., Sept. 25 (AP)—Carpenter David Orr, 40, broke his ankle Thursday when he dropped 12 feet to the ground after a scaffolding collapsed. Ambulance attendants placed Orr on a stretcher and passed him through a window into the emergency ward of St. John's hospital. The job Orr had been working on was the hospital's new west wing, 85 feet away from the emergency ward.

U.S. Officer Is Killed by Reds, 1 Hurt

SAIGON, Viet Nam, Sept. 25 (AP)—Communist grenades killed a U. S. army officer and wounded another American in a Jeep 12 miles northeast of Saigon today.

U. S. military authorities reported the wounded man, a representative of the agency for international development, was released after treatment at the U. S. air force hospital at Saigon airport.

The officer, whose name was withheld, was the 283rd American to die in Viet Nam in the last 34 months. Of these, 193 are officially classified as combat deaths.

U. S. army enlisted men attached to a special forces camp were hit by mortar fragments yesterday in Tay Ninh province, 40 miles northwest of Saigon. He was moved today to a navy hospital in Saigon, where he was reported in good condition.

T.F. Man to Pilot Officials On Gem Tour

Fred M. Frazier, Twin Falls, president of Sierra Life Insurance company and president of Idaho Investment corporation, will meet several Washington officials in Denver Saturday morning and fly them to Idaho for a tour and meetings.

Frazier will pick up Interior Secretary Stewart Udall, Undersecretary John G. Sawyer and U. S. forest service land manager Mike Kieran of Ohio in Denver and fly them to Pocatello.

After a stop in Pocatello the group will fly to Rexburg, where they will attend several meetings and float down the Teton river to visit the proposed site of the Lower Teton dam. Udall will address a Democratic dinner Saturday night in Teton.

Frazier was asked to fly the officials because he owns a two-engine Cessna 310 and the officials are not allowed to fly over the mountains in a one-engine craft.

Frazier has been awarded a "million-mile" safety award in flying. Sunday morning Frazier will fly the group to Salt Lake City where they will catch a flight headed for Washington.

L.A. Firm Asks About Sun Valley

The supervisor of the Sawtooth national forest said Thursday that the Janss Corporation of Los Angeles has made inquiries about forest service special use permits at Sun Valley resort.

"We have no application from them for a transfer, or other indication they are buying the resort," said Supervisor Max Rees.

He said most of Sun Valley is on private land, but a portion of the Baldy Mountain ski run is U. S. forest service land. If the firm were buying the big resort he said, "we would certainly expect an application sooner or later for a permit transfer."

Rees made the comment when asked about repeated reports that the Union Pacific railroad, which owns Sun Valley, is considering selling it.

French Head Makes Stop In Ecuador

QUITO, Ecuador, Sept. 25 (AP)—President Charles de Gaulle conferred with Ecuadorian military government leaders today before flying to Peru on the fourth stage of his 10-nation tour of South America.

The 73-year-old French leader was aboard an hour-long flight with the four-man junta headed by Rear Adm. Ramon Castro Jijon before his midday departure. Military and civilian authorities waited to greet him in the Ecuadorian coastal metropolis of Guayaquil, where he was in a 45-minute stop-off before leaving the airport on his way from Quito to Lima, the Peruvian capital.

Typhoon Wilda Sweeps up West Coast of Japan

TOKYO, Sept. 25 (AP)—Typhoon Wilda swept up the Japanese west coast today, leaving thousands temporarily homeless but Tokyo was spared the brunt of the storm.

Police reported 33 persons dead, 450 injured, nine missing and thousands homeless. Wilda, biggest storm of the 1964 Pacific typhoon season, hit hardest in southern and central Japan. It swept away 24 houses and flooded 8,533.

IDAHO FALLS, Sept. 25 (AP) — Dates for the potato harvest vacation in Bonneville school district 93 were moved up to Oct. 3 to Oct. 12, by district trustees Wednesday. Because of an earlier harvest than anticipated, the board moved the dates up from Oct. 3 to Oct. 12, when the vacation was originally scheduled.

BOISE, Sept. 25 (AP) — The U. S. bureau of public roads announced yesterday it will open bids in Boise Oct. 9 on a highway repair project needed because of flood damage last spring in north Idaho. The bids will be for removal of channel restrictions and repairing the roadway embankment washouts at a 20-mile stretch of highway. The damaged areas are located intermittently from a point 13 miles west of New London to about 100 miles east of Grandville.

POCATELLO, Sept. 25 (AP) — The U. S. census bureau says Idaho's population is growing—but at a rate that is slower than the national average. The bureau's current estimate of Idaho population is 686,000, compared with a 1962 census figure of 637,000. The increase of 49,000 per cent is just over half the national increase of 87 per cent. That places Idaho 40th in rate of growth among the states.

BOISE, Sept. 25 (AP) — Budget director Don J. Walker complained yesterday that space in the Idaho statehouse is going to waste and said the legislative council should decide what will be done with it. Walker said that "as a taxpayer" he could see no reason why rooms adjoining the legislative chambers and used by the lawmakers during their session should be vacant during the two sessions of a year. But his boss, Gov. Robert E. Smylie, expressed a different view. He said there was no reason for criticism of the council, and that space in the statehouse has been for years "systematically" over used.

IDAHO FALLS, Sept. 25 (AP) — A federal official says water resources are becoming more and more important in emergency planning. Paul Kavelle of the resource readiness office said there is a new federal program to aid states in preparing emergency water plans in case of war. He addressed 150 members of the Intermountain sections of the American Water Works association.

POCATELLO, Sept. 25 (AP) — A Salvation Army official says the home for unwed mothers in Boise needs new buildings and the state has been asked for financial help. Commissioner Glen Ryan, San Francisco, on an inspection tour of local stations, said the Booth Memorial hospital has been requested to help in the move to a new site. The station at Pocatello is being replaced entirely, he said. He said if it is closed, the 100 unwed mothers who use the facilities annually would have no place to go.

NAMPA, Sept. 25 (AP) — The agricultural stabilization and conservation service has arranged for the sale of 50,000 tons of wheat to India and nationalist China, Rep. Compton L. White, Jr., D., Idaho, reported yesterday. "This is the first breakthrough in the market for white wheat this year," White said. "And the action was in direct contrast with a 1962 request of 19 days ago to move this Pacific Northwest product through application of public law 480." White said he was informed of the prospective sale by Horace Godfrey, director of the ABCS.

ST. ANTHONY, Sept. 25 (AP) — James Thompson was being held in district court to face charges of first degree murder here yesterday. Thompson is accused of the slaying of St. Anthony police chief Kenneth C. Brower Aug. 18. Fremont county probate judge William Huskins ordered him bound over in a special hearing. Judge Huskins delayed his decision about 18 hours after completion of preliminary hearing Wednesday. No date has been set for the trial for Thompson. The district court calendar is full and trial may wait until early 1965.

IDAHO FALLS, Sept. 25 (AP) — The small but swift Teton river is in direct contact with the top reclamation official of the nation and Idaho water leaders inspect the stream. Secretary of Interior Stewart Udall will head a party which will take a 15-mile rubber boat trip along the river, followed by an open house and banquet in the evening at Rexburg. The event is to celebrate the approval by congress of the lower Teton dam costing some \$5 million dollars four miles northeast of Newdale.

IDAHO FALLS, Sept. 25 (AP) — A four-phase plea for equalization of Idaho taxes was made by Paul Ahlstrom, president of the Idaho Falls Chamber of Commerce, yesterday. Ahlstrom urged that relief for "the overburdened" real estate taxpayer be provided. He also asked for a reduction of income taxes. Calling the personal property and inventory taxes one of the greatest drawbacks to Idaho's industrial growth, Ahlstrom called for their elimination. He said that 70 per cent of county assessors' time is taken up by the two taxes, with possibly only a 15 per cent return.

BOISE, Sept. 25 (AP) — The public works department has named low bidders for construction of a new fish and game department headquarters and for grass seeding at the 1963 Girl Scout roundup site. Jordan Wilcomb Construction company, Boise, submitted a bid of \$74,400 lowest of 16 bids. The new building will be located at the site of the field of the defunct Boise Braves of the Pioneer league.

NAMPA, Sept. 25 (AP) — Executive secretary Elmer B. Crowley of the Idaho Education association has asked the Legislature to vote to join educators in working for better schools. Crowley told a league meeting last night that a sales tax or some other broad base tax is required to provide enough money for the schools, higher institutions and other essential agencies of government.

IDAHO FALLS, Sept. 25 (AP) — Idaho assessors were told yesterday changes in present laws are needed so that personal property taxes can be collected on unlicensed trailer houses. The need was cited by state officials who said trailer houses are often moved out of counties before property taxes are paid. George Denny, director of the state's motor vehicle department, said that assessors have several months to pay their taxes after they receive assessment notices. He said many owners have their trailers moved out of counties during that period. Trailers which are parked in one place for a year may be taxed, he said.

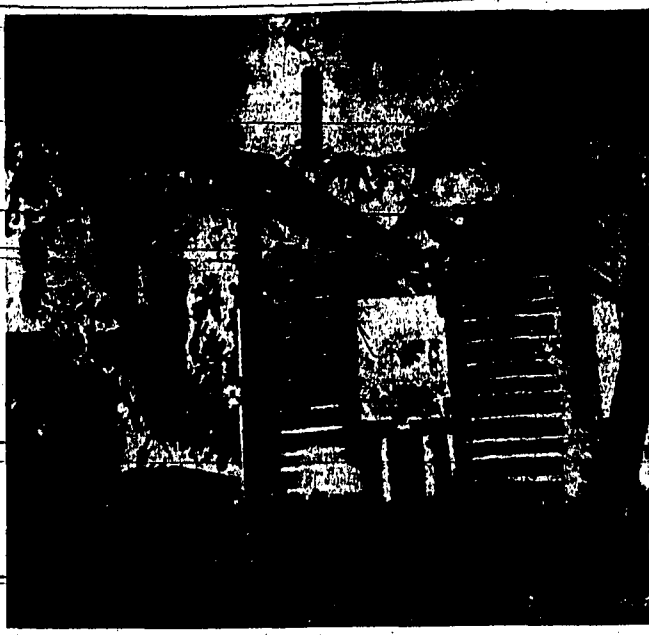

BOISE, Sept. 25 (AP) — State Republican chairman John McMurray yesterday said President Johnson "has deliberately misled the people for political purposes" by saying he had absolute control of nuclear weapons. McMurray said two national magazines reported this week that President Eisenhower, Kennedy "and even Johnson" have delegated authority for use of nuclear weapons.

FRESH RIVER, Sept. 25 (AP) — The chairman of the Idaho Goldwater-Miller committee said yesterday that the state needs new leadership in Washington if it is to grow and develop. David Little, executive director of the committee, said that will not fetter its development with timid federal programs and policies and sap the strength of its people. Little said he was in northern Idaho to officially recognize the organization of the West Bonner county Goldwater-Miller club, the first formed in Idaho.

As marketing manager of the firm's Oregon plant. Members of a committee representing Gov. George D. Clyde and a swarm of newsmen greeted Arnold upon his arrival.

First Easter Seal Hearing Test Is Held

The first hearing check-up under the direction of the Easter Seal center, with Mrs. Merle Stoddard as instructor, was administered at St. Edward's school Wednesday by six volunteer workers.

Students of the third, fifth and seventh grades were checked with the two audiometers Mrs. Stoddard has made available in the Eastern Seal center. Three students were found to have defective hearing through the examinations conducted at the Catholic school.

Tax Institute Is Scheduled For ISU Campus

POCATELLO, Sept. 25 (AP) — An intermountain tax institute will be held on the Idaho state university campus Oct. 2-3, ISU college of business administrators Dean Frank D. Beelye said yesterday.

Beelye said the institute will study tax laws and procedures, featuring tax aspects of depreciable property, income averaging under the 1954 tax law, estate planning, the 1954 revenue act, personal holding companies and impact of state tax laws on the business community.

Gov. Smylie To Address Large Party

TULSA, Sept. 25 (AP) — Gov. Robert E. Smylie, Idaho, whose term in office is the longest currently in the United States, will address a Gov. Tim Babcock birthday party in Tulsa Oct. 27. Ex-lor, former Gov. J. Hunt Aronson, Blakford, honorary state chairman for the Babcock birthday dinners, announced two other Republican-governors, speakers for similar affairs. Gov. Henry Bellmont, Oklahoma, will speak at a Billings celebration, where Babcock will be personally on hand, and Gov. Clifford P. Hansen, Wyoming, will address a Missoula gathering.

Aronson said seven other state chief executives were being sought as speakers for dinners on Oct. 27 at Bonanza, Glasgow, Great Falls, Helena, Kalispell, Lewistown and Missoula honoring Babcock.

Babcock will be 45 years old. He became governor on Jan. 19, 1962, when Gov. Donald Nutter was killed in an airplane crash.

Youths Act Out Shooting Just for Fun

LITTLETON, Colo., Sept. 25 (AP)—Two youths became embroiled in a bitter argument on a busy sidewalk outside of a restaurant. A crowd began to gather to watch the spectacle.
Finally one of the two drew a .38-caliber pistol, fired at the other, threw his body in the back of a car and drove off before a crowd of bystanders could stop him.
Yesterday the two, identified as Allen E. Bellah and Lloyd A. Wedell, both 18, were in justice court charged with disturbing the peace.
"We thought it would be fun to act like I shot Lloyd," Bellah explained to officials.
"I wasn't particularly amused," responded Littleton Police Chief John McIvor.
The youths, who recently moved to Littleton from Grand Prairie, Tex., were released on \$20 bond and ordered to stand trial Oct. 7.

Kiwanians Hear Junior College Talk

Jack Shaw, chairman of the Committee of 25 dedicated to the promotion of a junior college district in the county, was guest speaker during the Thursday noon meeting of the Twin Falls Kiwanis club in the American Legion hall.
Shaw explained the junior college system and how it evolved. He also explained why it is necessary to provide additional education to a "bumper crop" of high school graduates. Shaw discussed the need for higher education and the meeting was opened for a question and answer period.
It was noted that Ken Gibson, long time Kiwanis member, has been transferred to Tehran, Iran, with the department of agriculture.
Richard Cox and John Memmola were guests from the high school key club.

Man Pulls Cord On Train for Fire Warning

CHICAGO, Sept. 25 (AP)—A motorist turned his train whistle into a fire alarm yesterday, arousing sleeping residents of a burning apartment.
Paul Dugato, 51, suburban Cicero, saw flames whipping out of a bedroom window when his electric train passed about 4 a.m.
He stopped the train and yanked the whistle cord for several minutes. Lights went on all over the neighborhood.
Dugato then moved the train to the next stop and telephoned the fire department, which put out the flames.

T. F. Man Gets Master's Degree

Craig H. Neilson, 25, son of Mr. and Mrs. Ray Neilson, 1883 Alameda drive, received his masters degree in business administration in August from the University of Utah, Salt Lake City.
His thesis was entitled, "An Examination and Appraisal of Small Life Insurance Company Stock as a Desirable Investment."
A 1959 graduate of Twin Falls high school, Neilson received his bachelor of science degree in political science from Utah State university in 1963.
He plans to enter the University of Utah college of law.
Neilson was a member of Pi Kappa Alpha social fraternity.

Reactor Test Is Successful

MERCURY, Nev., Sept. 25 (AP)—An NRX-2A Nerva nuclear rocket reactor was tested successfully yesterday for the first time at the Jackass flats test site of the Nevada Test Reactor.
Plans for the Zion Laymen's rally and banquet to be held Nov. 22 in Burley also were discussed. Plans were made to take a "traveling gavel" to the Rupert

officials announced.
A joint engineering team operated the reactor at above 50 per cent power for six minutes. At one point the reactor attained 85 per cent power.
Harold Pinger, manager of the space nuclear propulsion office, said the successful test was proof of a major advance in nuclear rocketry.
Nerva is part of the Rover project, America's program to develop a nuclear propelled rocket for advanced space flight.
The NRX-2A combines advanced features developed in the earlier Kiwi reactor test series.

Rotary Club Has Talk by New Lawyer

SHOSHONE, Sept. 25 — Program at Rotary club Wednesday noon featured a talk by Larry Hansen, who recently passed his examinations to become an attorney. Hansen is associated with Murphy, Schwartz and Cunningham at the Shoshone office. He was graduated from Brigham Young university and the University of Idaho and is a son of Mr. and Mrs. D. H. Hansen, Shoshone.
Hansen outlined the exact steps taken in education for training in his field today. Additional data was brought out by Howard E. Atkins, local prosecuting attorney.
John Thomas was program chairman, Harrell Thorne, vice president, presided in the absence of Francis Bergin, president.
Ladies night will be held at 7 p.m. next, Wednesday at the Memorial hall.

Parents of Band At Wendell Meet With Director

WENDELL, Sept. 25 — Omaha Ross director of music for Dix Wendell schools, met with parents of band members Wednesday evening at the high school band room.
More than 35 parents discussed problems encountered and the future needs of the band organization.
An executive committee was chosen as a nucleus of an organization whose function will be to assist with the caring of the band uniforms and to help at other times when needed.
Members named are Mrs. Raymond Peterson, Mrs. Sfrn Willard, Mrs. Norman Miranda, Mrs. Glen Bright and Mrs. Harry Frith. They held their first meeting immediately after the open meeting.
Plans were made to examine the band uniforms and determine work necessary to be done before issuing them to the musicians. This work will be completed as soon as possible.
Another open meeting will be called soon.

Volk did, the mare died this week at the age of 40. It was said to be the oldest horse in Oregon.

Doctor From Nigeria Visits Relatives Here

Dr. Burton C. Newby, son of Mr. and Mrs. C. T. Newby, 135 Locust street, and family have been vacationing in Twin Falls while Dr. Newby is on leave from his position in Lagos, Nigeria.
He had been serving there as an educational adviser to the government of Nigeria with the United States agency for international development.
They have also been visiting Mrs. Newby's mother, Mrs. Ray T. Stone, Coalinga.
Prior to serving in Nigeria, Dr. Newby spent two years in Korea, where he also was an adviser in education.
Following their leave the Newby family will return to Nigeria for a two-year tour of duty.
Mrs. Newby will spend a month in Paris, France, visiting their 17-year-old daughter, Brooks, who is attending school at the Drew American high school. She will rejoin the family in Nigeria after her visit.

Builders of Church Hold Conference

LEWIS, Belgium, Sept. 25 (AP)—A three-day Morimon church builders conference under the patronage of Mrs. Carl Benson, former U.S. secretary for agriculture and now European regional mission president, ended yesterday with participants expressing enthusiasm for the missionary spirit in Europe.
Participants to the conference are building 18 chapels across western Europe. Three have just been completed, one is being finished here.
Mission church builders serve two years with no salary, housed and fed by the religious communities for which they work. They work in groups of four or five under the direction, usually, of an American supervisor, helped by community members in their spare time.
Morimon claim a new chapel is begun or completed every day throughout the world.
Missionaries said the LDS church is continuously expanding in Europe, with more than 50 per cent of the converts regularly attending church meetings.

Introducing Comet 1965:

livelier, more beautiful sequel to the World's Durability Champion

We couldn't make Comet much tougher, so we made it more beautiful. Made the outside sleeker, sportier—from every angle. Made the interiors more luxurious. Made every engine bigger, from the thrifty 200 cu.-in. Comet "6" up through the hotly new 289 cu.-in. Cyclone Super V-8 (225 hp). Made the ride even smoother, more solid and silent.
The one thing not new in this racy '65 sequel is the stamina that made Comet the World's 100,000-Mile Durability Champion. And you wouldn't want that to change, would you? It didn't.

Conferences Are Planned For Idaho

BOISE, Sept. 25 (AP)—Republican and Democratic leaders here yesterday laid out a series of candidate campaign conferences throughout the state beginning today at Moscow.

Sen. Jack Murphy, senate president pro-tem, and Rep. Paul C. Conrath, R., Idaho, senate speaker, said subjects will include working with county organizations and organizing legislative campaigns.

Gov. Robert E. Smylie and state GOP chairman John O. McCann will participate along with a number of county chairmen, past and present legislators and others.

Other conferences are scheduled in Boise next Wednesday, Twin Falls, Thursday, and Pocatello, next Friday.

Former Resident Taken by Death

Leonn W. Garlock, 77, former Magic Valley resident, died Tuesday in Portland, Ore. Funeral services were held at 2:30 p.m. Friday.

He was born in August, 1887, in Nebraska and came to Idaho with his parents to Idaho. He married Orena McNahan at Richfield and Gooding. In 1910 he married Orena McNahan at Richfield.

He operated his own CPA office in Portland, Ore., until his retirement three years ago. He held state offices in that organization.

Survivors besides his widow, are two sons, Thomas Garlock and Richard Garlock; Portland, Ore.; two daughters, Mrs. Dixon Jones, Mrs. Newell, Va.; Mrs. Gilbert McMill, Twin Falls; one sister, Mrs. Bert Bowler, Gooding; 17 grandchildren and two great-grandchildren. One son, Dr. Gordon Garlock, preceded him in death.

Miner Is Killed

LARK, Utah, Sept. 25 (AP)—A miner was killed in an industrial accident today at the Lark mine of the American Smelting and Refining company.

Dolph A. Asay, 57, Lark, was crushed to death between two mine cars in the main tunnel of the mine.

Asay had worked for the company 18 years, said Harold Wells, mine supervisor.

Remember When?

The giant silver dirigible was named the Hindenburg. She was the largest in the world, and this was her maiden voyage over the ocean from Germany. She arrived at Lakehurst, New Jersey, and began gently to settle toward the earth. The ground crew was alerted to meet the ship. Passengers gaily waved toward the balloon on the ground.

Suddenly there was a great explosion. Flames burst out from the tail of the ship as it tipped toward the ground. The blimp nose tilted up, hung suspended for a moment, then crumpled toward the field. As it crashed, crew and passengers were hurled from the ship by the impact.

The sudden, terrible horror of that event was caught by motion picture cameras in one of the most famous newsreels of all time. This was the end of the Hindenburg... and it marked the beginning of the end for the zeppelin as a means of flight.

Remember the year?

When you bought a car in those days, you expected to get a good trade-in allowance for your old car and to pay a fair price on the new one. A buyer didn't go for gimmicks or confusing talk.

The year was 1937.

You can go back to that way of dealing by seeing us. Take a drive in our new '65 Dodge or Chrysler... then check our price on the car, with the extras you want, and our higher trade-in. You'll like the way the deal adds up to savings at Bob Reese Motor Co., 500 Block, Second Ave., So., phone 733-5774, Twin Falls.

Girl Born to Quints' Family, They Had Hoped for Boy

ABERDEEN, S.D., Sept. 25 (AP)—A "bouncing" baby girl of 10 pounds plus was born last night to Mr. and Mrs. Andrew Fischer, 21, who gave birth to quintuplets little over a year ago.

The baby—who weighed 10 pounds, 7 ounces and measured 21 1/2 inches—and the mother were doing well at St. Luke's hospital, a spokesman reported.

The sandy-haired mother of 11 children lapsed into sleep shortly after the birth, and there was no immediate comment from her.

Andy Fischer, 30, was at the hospital and took the news in good stride, except for one thing: He said he and his wife, Mary Ann, had been hoping for a boy since the lads are outnumbered two to eight.

His reaction was relayed by Sister Richard, and the shy father secluded himself for the night, announcing he was not available to reporters.

Dr. James Hovland delivered the latest child and was assisted by two doctors who had attended Dr. James Berbos when her babies were in charge of the quintuplets' delivery Sept. 14, 1963.

The quintuplets weighed from two and one-half to four pounds and were kept in isolettes for days with careful check on temperature and humidity. They were fed through tubes put into

Burley Blood Drawing Planned

BURLEY, Sept. 25—A quota of 150 pints of blood is the goal for the Burley area when the Red Cross bloodmobile visits here from 10 a.m. to 2 p.m. Wednesday in the Burley Elks hall.

Mrs. Walter Toews, chairman of the drive, notes 486 pints of blood have been distributed to Burley in the past year. Eight units of serum albumin and 632 cc of gamma globulin have been administered to patients in the Burley area.

To make one unit of serum albumin six pints of blood is required, and one pint of blood is needed for every 4 cc of gamma globulin.

Blood used by county residents in other areas supporting the Red Cross program may be derived in Burley. Blood and blood derivatives are furnished without charge by the Red Cross blood bank at the hospital and the only cost to the patient is the fee charged by the hospital or doctor in connection with administering the products, Mrs. Toews explained.

Several children in Cassia county are receiving regular gamma globulin shots, which is the infection-fighting ingredient of blood plasma. Many children have blood that is deficient in gamma globulin, a deficiency which has become outdated or is otherwise unsuitable for whole blood transfusion is used for gamma globulin, explained Mrs. Toews.

Persons having the ages of 12 and 59 may donate blood, but unmarried persons under 21 must present a written consent of a parent or guardian. The interval between donations should be at least eight weeks and not more often than five times a year.

Donors should not give blood during pregnancy and not for 12 months after delivery. Persons should not give blood within six months after surgery or after transfusions. Also persons with a history of hepatitis at any time in the past are automatically excluded as donors.

Beverly Cook, Evans Wed in Temple Rites

PAUL, Sept. 25 — Beverly Ann Cook, daughter of Mr. and Mrs. Elias Cook, Paul, became the bride of Stephen Richard Evans, son of Mr. and Mrs. William A. Evans, of Altamont, Utah, July 31 at the Logan LDS temple. The double ring ceremony was performed by President George Raymond.

The couple was honored at a reception Aug. 1 at the Paul LDS second ward cultural hall. Guests were greeted amid a shower of carnations and roses over an arch with a drapery of green matching the material worn by the bride's attendants.

The bride wore a lace gown fashioned with fitted bodice, long sleeves and a rounded neckline adorned with beaded pearls. The floor-length skirt was enhanced with a large satin bow in the back.

A crown of seed pearls secured her bouffant elbow-length veil. She carried a cascade of carnations encircling rosebuds.

Barbara Olsen, a sorority sister to the bride, was maid of honor. She wore a green crystal street-length dress with large bow in the back. She carried a bouquet of gladioli. Bridesmaids were Kaye Thompson, Logan, a sorority sister to the bride, Sharon Albrecht, Sandra Cook and Carolyn Cook, sister of the bride. They wore coral crystalline dresses made like that of the maid of honor. Each carried a coral gladiol bouquet.

Christenson, Spanish Fork, Utah, cousin to the bride, was flower girl.

Best man was Lyle Aman, Altamont, Utah. Paul Gunderson, a college roommate of the bridegroom, was usher.

Lynn Garner, was master of ceremonies for the program. Carol Ann Doutré registered the guests. Margene Stapleton and Patsie Cook assisted with the gifts. Judy Evans was in charge of serving guests, assisted by sorority sisters of the bride from USU.

For her wedding trip, the bride attended a red-air two-piece suit with a carnation and rose corsage.

The bride was graduated from Minico high school in 1961 and is a senior at USU. She served as president of Sigma Kappa sorority and Maughan hall. She was a finalist for "Woman of the year" and "Achievement of the year" at the recent Robins award night. Evans was graduated from Altamont high school and is a junior at USU. The couple reside at Logan.

Prior to the wedding, the bride was honored at a kitchen shower by Lorraine Haasman; personal shower by Ruth West

Rena Nelson, Kortebein Say Wedding Vows

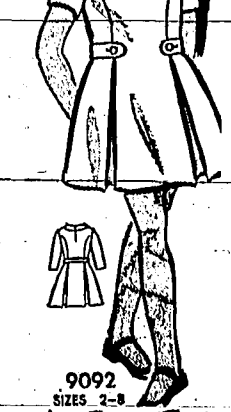

BUIH, Sept. 25—Rena Joyce Nelson, daughter of Mr. and Mrs. Bert L. Nelson, Buhl, became the bride of Donald Kortebein, son of Mr. and Mrs. Arthur J. Kortebein, Buhl, in a double wedding ceremony Sept. 8 in the Buhl LDS church. Bishop Herbert Lavern Schaal performed the evening nuptials before a background setting of beauty baskets of pink and white gladioli tied with white satin bows.

The bride, given in marriage by her father, wore a white floor-length gown of white Chantilly lace over bridal tulle. A scalloped, pointed neckline and pink point sleeves enhanced the fitted bodice. The bouffant skirt was accented at the back waistline by a large bustle bow revealing a cascade of ruffles of tulle to the hemline. Miniature self-covered buttons detailed the wrists and the back of the gown.

A wreath crown creation embellished with rhinestones and seed pearls released her waist-length veil of illusion. A cultured pearl necklace served as her only jewelry and she carried a cascade bouquet of pink roses and baby's breath tied with white satin bows and streamers.

Mrs. Neil Darrington, Las Vegas, Nev., sister of the bride, was matron of honor. She wore a pink lace gown designed with a high jeweled neckline and short party sleeves. She carried a short party sleeve. She carried a short party sleeve.

gle long stemmed pink rose adorned with a white satin bow and flowing streamers.

Mrs. Elaine Shaffer, sister of the bride, Phoenix, Ariz., and Mrs. E. Schuman, Twin Falls, were bridesmaids. They wore like-lace sheath gowns fashioned like that of the matron of honor and carried long stemmed pink roses adorned with white satin bows and streamers, from which they carried pastel tinted baskets trimmed with white ribbons and streamers, from which they carried pink roses, peonies, Jeffrey Hunk, nephew of the bride, as ringbearer, carried a bride-shaped white satin pillow edged with lace with pearl insects securing the rings.

Mrs. Fay Hunt, sister of the bride was soloist, accompanied by Mrs. RAYMOND Carlson, pianist.

The bride's mother chose a pale green silk sheath dress with white accessories and a corsage of white roses accented with silver bows and net trim. Mrs. Arthur Witt, sister of the bride, was matron of honor. She wore a pale blue linen sheath with white accessories and a corsage of pink roses.

A reception was held following the ceremony with background music furnished by Mrs. Dean Olson, organist. The bride's table featured a white nylon net over pink-tulle fabric. The bride's table featured a white nylon net over pink-tulle fabric.

Reception assistants were Mrs. Elwood Penrod, American Fork, Utah, sister of the bride, Mrs. Frank Carol, Mrs. Wilson Miller, Colleen Sullivan, Nelda Hitchcock, Kay Barrett and Carol Fawcett.

Gifts were displayed by Sally Grindstaff, Doris Seifried, Vicki Darrington and Mick Stanton. Nephews and nieces of the bride served as gift bearers. Carol Eschelman, Twin Falls, registered the guests.

For her wedding trip, the new Mrs. Kortebein changed to a pink wool two-piece ensemble with beige accessories. In place of the usual corsage, she wore a gold pin gift from the bridegroom. The couple will reside in San Francisco until December and after that will reside in Milwaukee, Wis.

Joyce Mesler, Snapp-Recite Nuptial Vows

HAGERMAN, Sept. 25—A background of floor baskets of yellow, white and pink gladioli flanked by two candelabras formed the setting for the double ring ceremony of Joyce J. Mesler and Bill D. Snapp, Hagerman. The ceremony was performed by the Rev. M. E. Bruner Aug. 19 at the Logan, Presbyterian church.

The bride, a former Twin Falls resident, is the daughter of Mr. and Mrs. H. L. Mesler, Logan. Snapp is the son of Mr. and Mrs. E. Snapp, Twin Falls.

Given in marriage by her father, the bride chose a street-length gown of light blue cliff-rose-over-tulle, with an embroidered beaded bodice. Her shoulder-length veil was held by a pearl tiara. She carried a bouquet of white roses and stephanotis, tied with white streamers and carried on a white Bible.

Mrs. Gene Snapp, Rupert, sister-in-law of the bridegroom, was matron of honor. She wore a white sheath dress with yellow accessories and a corsage of yellow roses.

Tandy Anderson, Redondo, Bonoh, Calif., nephew of the bridegroom, acted as ringbearer. Gene Snapp, Rupert, brother of the bridegroom, was best man.

The bride's mother chose a printed sheath dress with matching jacket, accented with white and yellow carnation corsage.

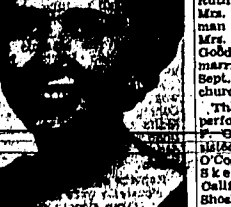

The bridegroom's mother wore a white and blue sheath ensemble with white accessories and a white carnation corsage.

A reception was held for the bride and groom at the home of Mrs. Hal Ross, with Mrs. William Haug as co-hostess. The Rev. John F. Turk will speak on mutual responsibility.

Mrs. Bert Larsen and Mrs. M. C. Parker, Twin Falls, were guests.

Both are teachers in the Hagerman school district. Snapp was graduated from Hagerman high school and attended Willamette university.

Barbara Tyler, Miller Wed in Catholic Rites

MRS. BILL D. SNAPP

GOODING, Sept. 25—Barbara Ruth Tyler, daughter of Dr. and Mrs. Kenneth A. Tyler, and Norman Dale Miller, son of Mr. and Mrs. John Miller, Boise, former Gooding resident, were united in marriage in a Catholic rite Sept. 4 at St. Elizabeth's Catholic church.

The double ring ceremony was performed by the Rev. William O'Connell, Gooding, officiating. The Rev. Jerome T. O'Connor, Buhl, the Rev. Thomas Skehan, MIHM, Los Angeles, Calif., and the Rev. Mr. Rafferty, Shoshone.

The church was decorated with gladioli in shades of bronze and yellow in altar vases. The bride, given in marriage by her father, wore a floor-length gown of white silk organza with a full chapel train and a cascade bouquet of tropicanna roses.

She wore a pearl necklace, a gift from the bridegroom, and carried a lace handkerchief belonging to her great-grandmother.

Patricia Leibold, Seattle, Wash., and Mrs. Robert Miller, aunt of the bridegroom, presiding at the coffee service were Mrs. B. W. Nelson and Mrs. J. W. Miller. Others assisting with the reception were Mrs. Joseph Oan, Mrs. John Becker, Mrs. Ernest Brown, Mrs. Sam Gardner, Mrs. Roland Miller and Mrs. D. O. James.

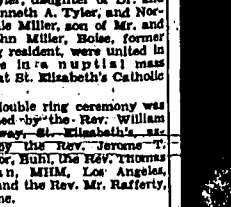

The new Mrs. Miller changed to a black silk suit and white accessories for her wedding trip. The couple will reside in Pocatello, where both are attending Idaho State university. The bride is a graduate of Gooding high school and attended Seattle university for two years, and is completing requirements for a degree in English and education.

Miller was graduated from Clatsop high school and is majoring in speech pathology at Idaho State university. He is employed in Pocatello.

Guests attended from Billings and Boulder, Mont., Santa Cruz, Calif., Pocatello and Blackfoot.

John Alexander was soloist and the St. Elizabeth's choir also sang. Dan Hysbaugh played organ music for the nuptial mass.

Towel Wardrobe Is Described By N. Y. Woman

MRS. NORMAN DALE MILLER

Her wardrobe is made of towels. So are numerous trunks worn by her sons and husband. The boys wear Terry trousers and pajamas. Her husband has a scarlet Terry slazer. And at 16 she has a boosting towel. Her clothing, the whole country one day look like it committed a mass onslaught on the bathroom.

"I'm busy on a book with sketches on what you call 'towel'," said Mrs. Miller. At the moment, the Queens, N.Y., woman was wearing a sheath dress in blue-green pattern, run up from a couple of towels at a total cost of six dollars and nylon facings for the hem and nylon zipper.

From scraps of towel not used on the dress, she had shaped a wide band for an off-face hat in green.

Mrs. Jermann's towel big as a trained designer and fashion artist, said Jermann. The towel was made on a tanning machine. She took two towel towels in orange and yellow floral pattern, attached them up and let the fringe act as the trim.

The pullover proved as practical as it branched out. The day she dropped by our office she had some samples—and she suit done in solid perian blue terry with jacket lined in nylon and skirt in nylon-to give shape—a red Terry dress with front trim of black grosgrain which she said was a copy of a Lanvin sweater number; a black and white checked a-line dress; and a long-sleeved dress with skirt slightly gathered made from the same toweling as the dress she was wearing but reversed for a different color effect.

Hanging in the closet at home, along with conventional clothes she also gathered made from the same toweling as the dress she was wearing but reversed for a different color effect.

The A. C. Bisswells who farm southeast of Buhl on the Clover road have completed threshing their pinto and white beans which they planted May 21 and June 23 respectively. They are also having their house and machine shed painted on their ranch southeast of Shoshone. Jim Taylor, Kimberly, is doing the painting.

The cattlemen and others who hold range permits have started to gather their range cattle and put them in special pastures in Circle, Flat and Cottonwood canyons where the cattle will be held until the first of October when the cattlemen will start bringing them into the valley fields or trucking them to ranches throughout the surrounding area.

Rodney Ruberry cut 10 acres of corn for silage last week at the Ray Thompson ranch south of King Hill. They yielded 240 tons, an average of 24 tons to the acre. One field went about 28 tons to the acre. The silage was hauled and put into silage pits for stock feeding this winter. Thompson cut five acres of clover seed Monday.

Rodney Ruberry is cutting his corn on his ranch south of King Hill this week for silage.

Beans are being combined and corn cut for silage at Tuttle. Roy Vreeland and Raymond Wright have finished cutting their red beans and Elmer Young and Eli and James Bennett are combining this week.

The first two weeks of September proved to be very busy and rewarding ones for Floyd V. Morrison, Mullanigh, breeder of beef Shorthorn cattle and Percheron horses. During the Twin Falls county fair his exhibit of Shorthorn cattle received a fair share of the ribbons awarded in the various classes. Morrison then left for the fair. Among the ribbons won were a first and a second in the stallion class, 1 to 2-year-old; stallion, 2 to 3-year-old; first, stallion, 4 years and over, first and champion with a trophy; two fillies placed first and second; mare, four years, fourth, and two classes of yearlings received a second and third place with a class of two animals receiving a second place.

The Idaho Power company employes from Boise brought in heavy equipment Tuesday to the Arthur Greer ranch south of King Hill to replace dirt near their irrigation pump that waters 12 acres owned by the Greers along the Snake river. The night prior to the spring runoff washed away dirt near the pump. The power pole was repaired.

Mr. and Mrs. Donald Engman and Mr. and Mrs. Clarence Heath and family, Shoshone, spent last Sunday at the home of Mrs. Sylvia Heath painting her house and other buildings at her home on Clover Creek east of King Hill.

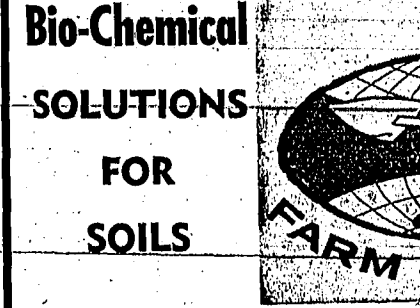

Speed Can Damage Potatoes At Harvest, Says Agent

BURLEY, Sept. 25—Speed may not kill in harvesting potatoes, but it has and will cost growers in the area several hundred thousand dollars says Virgil S. Cross, extension potato agent. After carefully growing a crop during the year many growers are going to lower the value of their crop from 10 to 50 per cent because of preventable harvest injury. There are a few simple rules and quality.

ASC Leader Reports 214 Farms Signed

Carl Boyd, chairman, Twin Falls county ASC committee, reports 214 farms have signed up under the 1955 wheat program. These farms have an allotment of 8,310 acres and contain 44,855 acres of cropland. Boyd said this program is strictly voluntary. He believes every wheat farmer should contact the county ASCS office and find out about the program. He again reminds the farmers Oct. 2, 1954, is the closing date for making applications this fall. Boyd also said anyone signing up this fall may change his application in the spring before the closing date of the spring wheat and feed grain sign-up.

Magic Valley's Week-End Farm Paper

Sept. 25-26, 1964 Twin Falls Times-News 11

LOOKING OVER partial line of equipment offered for sale last week is Clyde Bacon. The Bacon Reservoir ranch was sold last week along with all the equipment. The ranch has been one of the largest holdings in Jerome county since pioneer times. The Bacon family decided it "just isn't worth it any longer to try and comply with everything," so they unloaded the ranch which included 14 miles of fence to contain it. Some 3,700 acres are fenced. Economist Says Co-Ops Need Growth

WASHINGTON, Sept. 25—"Grow or perish" is the handwriting on the wall for dairy cooperatives in the belief of Frank Groves, University of Wisconsin economist. One reason for starting many cooperatives was to provide farmers with the means of balancing the power of large buyers, he reminds. Failure to keep pace with the concentration that is taking place in the market has meant that cooperatives are not providing as much counterbalancing power as was originally intended. "Many feel," said Groves, "that one of the reasons co-ops have failed to keep pace is that their merger policies have not been as aggressive as those of their competitors. Many cooperatives today realize that they must grow in order to survive. "A fairly constant growth rate is necessary just to hold their relative market position, and in order to increase their share of the market, they must grow at a faster rate than their competitors. Consequently, there is renewed interest in merger as a means of achieving more rapid growth.

Bacon Livestock Sells Sheep Business As No Longer Economically Feasible

BY MRS. EUGENE HITE Times-News Correspondent
JEROME, Sept. 25—Clyde Bacon, owner of the Bacon Livestock company, stated this week he has gone out of the sheep business because it is no longer economically feasible to operate with such a low percentage of profit on the investment. This decision resulted in an auction sale Sept. 19, considered to be one of the largest held in recent years, at which time the entire stock of sheep equipment, sheep wagons, work and pack horses and mules, camping equipment and guns, were sold to the highest bidder. Messersmith Auction Service was in charge of the sale. James Messersmith estimated nearly 600 people attended from Utah, Nevada, and Idaho. There were five wagon loads of miscellaneous items which sold and it was noted that one buyer purchased all the best traps at \$20 each, 1388 from Delaware and bought into the sheep business around brought \$75 and the top saddle

horse sold for \$200. Auction selling was one wagon load of horse collars and another load of harness. Messersmith stated that it was the largest group of horses he had ever sold at a one-owner dispersal sale. The Pleasant Plains Parents and Teachers club was in charge of the chuck wagon. They used 134 pounds of ground beef, an estimated 700 hamburgers, plus 13 cases of pop and an untold number of cups of coffee. The sale of the sheep, handled by Lafayette Realty, Twin Falls, created a much concern throughout Magic Valley. It is generally felt that if a cooperator such as the Bacon Livestock sells because it is not feasible to operate, what is to become of the small operators? The Bacon Livestock company has come down through three generations of the Bacon family. O. P. Bacon came to Idaho in 1888 from Delaware and bought into the sheep business around Boise and Mountain Home.

New Districts Are Formed For Schools Active in PFA

John Lawrence, Twin Falls high school vocational agriculture instructor and PFA district president, reports the southern Idaho area has been divided into two districts for the current school year. Last year there were three districts—East Magic Valley, North Magic Valley and South Magic Valley. The change came about as a result of Buhl high school's action to drop vocational agriculture from the schedule. Schools in the new eastern district include Twin Falls, Kinross, West Minico, Burley, East River, Donip, Oakley, Mullanigh and Valley. Schools in the new western district include Twin Falls, Kinross, Burley, Castleford, Jerome, Wentworth, Gooding, Hagerman, and Carey.

Get Ready NOW FOR NEXT YEARS Potatoes

If you grow potatoes, you probably have a crop rotation program and getting the soil ready involves plowing down stubble or other organic residue. Proper soil fertility and tilth are greatly aided by Fall fertilization of potato ground with Simplot Ammonium Phosphate fertilizer. The Nitrogen aids organic decomposition and the Phosphate is vital to profitable potato production. There are four ratios of N and P from which to choose so you can exactly fit the fertility requirements of your soil. Fertilize potato ground this Fall for more profit on next year's crop. J. R. Bacon Livestock Disposes Of Sheep Holding in Area

...from Page 11—
 years and the difficult depression years until 1940. Base property vital to a sheepman for winter feeding and lambing operations and Bacon acquired land holdings in Twin Falls and Jerome counties.
 T. C. Bacon bought the Bacon ranch or what was known for years as the Reservoir ranch in 1916 despite skepticism of associates.
 Approximately 1,500 acres of the Reservoir ranch were put under cultivation with teams of horses, mules and human drawn equipment and many man hours—23 a week of the land is still in brush but can be brought under cultivation as necessity demands.
 Approximately 25 feet of water is being used on the ranch for irrigation. Three hundred new acres are being tilled for cultivation this year. Bacon Livestock, Inc. will continue to operate the ranch property.
 However, when the ranch was first purchased it was primarily for stock raising and to give the Bacon Livestock company a base for its winter operations. It was only after World War II that the telephone and electricity were brought to the ranch.
 There are 25 acres of corrals used until now for handling sheep in addition to the necessary lambing sheds and other outbuildings.
 In the past there were six homes being utilized by couples who worked at the ranch, but at the present time only two are in use. Robert Pettigrew, foreman, and family occupy one of these.
 Most of the employees at the ranch are single men and for this reason there is a cookhouse and bunkhouse for those working in the farming operations. There are 15 men hired on a year-round basis for ranch work.
 The company also hired 12 men for work with the sheep plus approximately 35 seasonal laborers during lambing operations. There was a cookhouse and

ROW OF HAYSTACKS indicates the size of the operation needed to run the Reservoir ranch. The double row of haystacks are just a few of the many rows on the ranch. The ranch is an estimated 7,700 acres in size and was sold last week. (Times-News photo)

Population Growth Could End Threat to Beef Prices

AMES, Ia., Sept. 25—The prospect of beef price gains and a 20 per cent population increase over the next six years have already phased out much of last spring's worry over beef imports to the United States, claims Herrell DeCraff, president, American Meat Institute.
 He told 1,000 cattlemen here at the recent Iowa State University Cattle day that the present upward trend in beef demand and price seems to assure profits for both cow-calf producers and the cattle feeders over the next six years.
 "The exception," he suggested, "would have to be no less than a world-wide economic disaster."
 The concern of cattlemen for protection against imports of beef into this country is fading, he says. Cattlemen are recognizing the benefits of the international market and the exchanges

SOME 14 acres of sheep pens stand idle and empty on the Clyde Bacon Reservoir ranch, northeast of Jerome. During the lambing season the field was a sea of canvas as the sheds are covered to protect the newly born lambs. Clyde Bacon said the

sheep in a day. In the past 10 or 15 years it would be difficult to say when more than 10 cars of sheep had been shipped in one day.
 In the past, T. C. Bacon ran as many as 25,000 sheep but the last 15 years Clyde, who joined his father in 1934, has operated with 8,000 or 9,000 because of the gradual restrictions in grazing lands.
 Some of the other Idaho sheep owners who have sold out in the past 10 years are Gooding and Smith, Shoshone; J. W. Newmann, Twin Falls; and Dave Little, Emmett, whose father, Andrew Little, at one time ran as many as 100,000 sheep.
 Bacon stated that he paid a \$200 migratory sheep tax in Custer county, \$145 in Lincoln, \$450 in Blaine, plus property taxes of \$198 in Twin Falls, and \$900 in Jerome plus an approximate \$5,000-property tax.
 The number of sheep in Idaho and the nation is the lowest it has been for 30 years. The gov-

ernment considers wool a strategic commodity and feels it needs 365 million pounds per year from domestic growers but this quota has not been reached for the past several years, he said.
 Bacon stated, that in his opinion, within the next 10 years the biggest percentage of all livestock will be pushed off farms and ranches. The only people able to stay in this business will be those who have enough deeded land to maintain a complete operation, he says.
 Bacon said, "We are going out of the sheep business because our own judgment tells us it is the time to do so. When it is no longer economically feasible to remain in a business then it is time to do something else."
 "Any sheepman could have, in the past 10 or 15 years, plucked most any remaining flock on the market and made more return on his investment than has been made in this business with all the involvements the sheep business entails."
 "We feel that it is a trend of the times, another step toward socialism. Both political parties are threatened and powerless when the government is run by bureaucrats and pressure groups. It would seem that many agriculture and livestock enterprises are doomed because urban wage earners and dwellers know nothing of the problems of these enterprises."
 "It is interesting to note that the entire population of Idaho does not have as much voting power as the city of Los Angeles. Voting power forms pressure groups and ultimately controls less populated sections."
 "A great deal of land in the western states is owned by the federal government and few people realize that the laws governing the use of such land are made in Washington and administered here. With the law stating that the land be used for the good of the greatest number of people it is easy to see that any area with a large population could outvote the sheep industry and thereby gradually push it out of business."
 Bacon has sold his grazing rights. The bands of sheep were sold to Everett Campbell, Warrenton; John Archabal, Homeedale; Don Bappte, Glenns Ferry; Bralston brothers, Buhl and Hagerman; Wilbur Wilson, Hammett; Ralph Swisher, Gooding; and Domingo Solange, Shoshone.
 Bacon, a graduate of Stanford university, has two sons, Robert Clyde Bacon, who is employed by an electronics company in Salt Lake City, and Bruce Bacon, who is attending the University of California, Santa Barbara.

Days in grey were not suitable for fertilizer application.

So fertilize this FALL!

Last spring was a bad one. Stodgy weather in February, March, and April — right when you needed lime in the fields. Look at April — Twenty-one days when the weather was too bad to permit fertilizer application. Next spring may be as bad — or worse.

Why take a chance with the weather? — Fertilize this fall! There are many reasons for fall fertilization. You avoid foul spring weather, and the early season rush. Fall fertilization works for you all winter long, decaying soil residues, and crops get off to a fast start in the spring. Fall fertilization reduces soil compaction and makes plant nutrients available in the soil when they are needed by your crops.

For fall fertilization, insist on USS Nitrogen Fertilizers, made by United States Steel. And for information about fall fertilization, see the fertilizer dealer who handles USS Nitrogen Fertilizers.

Congress Prepares to Make Move to Activate Indemnity Payment for Milk

WASHINGTON, Sept. 25 (AP)—The house is preparing to activate a temporary new program of indemnity payments to dairy men whose milk is barred from market because of pesticide residues.

A supplemental appropriations bill including funds for the indemnity payments is scheduled for action on the house floor this week. It is expected to pass by a wide margin.

The measure includes an appropriation of 750 million dollars for President Johnson's new anti-poverty program, earmarking up to 68-million dollars of that money for the dairy payments.

The indemnities were authorized by a "rider," or amendment, attached to the anti-poverty bill in the senate. The law says payments can be made to farmers whose milk is banned from sale because it contains residues from government-approved pesticides.

The house appropriations bill would attach one restriction to the payments. They could be made only to farmers who followed government-approved directions in using pesticides. There would be no payments to farmers who got into trouble by mis-using chemicals.

The law authorizing the indemnities applies to farm losses between last January and next Jan. 31. The law allows indemnities at rates based on the fair-market value of milk which farmers were forced to dump because of pesticide contamination.

Congress authorized the payments after a number of dairy men in Maryland and several other states were temporarily barred from markets because of residue problems earlier this year. In many cases, the trouble was traced to the use of pesticide chemicals which had previously been approved by government agencies.

The appropriation to pay the indemnities was approved last week by the House appropriations committee without any formal administration request. The White House budget bureau had been studying a proposed request for several weeks but it never got around to asking congress for the money.

Over-Par Scores Are Cut After Second Round of Seattle Open Tournament

SEATTLE, Sept. 25 (AP)—Four golfers were seven under par and only those who scored par-140 or better survived the cut Thursday in the second round of the \$40,000 Greater Seattle open golf tournament. The cutoff point when the field was culled to the 70 low players and ties was the lowest of the season on golf's tour moment trail. The previous low mark was 142 at St. Petersburg in March.

Yankees State Plans For Series Tickets

NEW YORK, Sept. 25 (AP)—The New York Yankees, suddenly endowed with a four-game lead in the American league pennant race, announced plans Thursday for the handling of world series ticket applications. A limited number of box and reserved seats will go on sale immediately, by mail only, the Yankees said. There will be no over the counter sales of box or reserved seats.

Season box seat holders already have been sent applications and these applications will receive priority for the third, fourth and fifth necessary games which will be played in the home park of the American league pennant winner.

The Yankees, gunning for their 20th pennant and fifth in a row, said four types of tickets are available for order by mail. These are box seats, reserved grandstand seats, open stand reserved seats which are located in the right centerfield bleachers and standing room tickets.

Orders are limited to a maximum of two sets of two tickets each—prices for a set, two tickets for the three games in Yankee stadium are: box seats, \$72; grandstand reserved \$48; open stand reserved \$24.

Ticket orders must be accompanied by a certified check, bank order or express money order, the only acceptable methods of payment—and should include an additional \$1 for handling. These tickets are sold only in sets.

Standing room tickets at \$4 each may be purchased in any quantity for single games, but orders should specify date and day desired when ordering standing room tickets.

Filer Jayvees Tip Shoshone By 21-6

FILER, Sept. 25 (AP)—Ronnie Wyatt ran a bonding for a touch-down on the first play Thursday night in the Filer Jayvees' 21-6 victory over the Shoshone.

A pass from Wyatt to Dennis Lutz was good for 80 yards in the second quarter and set up the second Filer tally, an eight-yard run by Mike Haidley with Dave Wageman getting the extra point.

The final goal for Filer came in the fourth period on a 60-yard run by Nice and the extra point by Wageman.

Shoshone scored on the last play of the game on a Filer fumble. One of Shoshone's backs picked up the ball on his own 45 yard line and went all the way for the goal. The kick for the extra point failed as the time ran out.

Unreserved areas at \$3 each will be available while the supply lasts only on the day of each game in the stadium.

First, Third Heats Decide Trotter Race

DELAWARE, O., Sept. 25 (AP)—Vicar Hanover, a bay colt handled masterfully by Billy Haughton, followed in the footsteps of his daddy, Torpid, Thursday as he won the 10th annual \$60,000 Little Brown Jug for 3-year-old pacers over the Delaware county fairgrounds one-half mile oval.

It was the slowest Jug since 1960 but Vicar Hanover, owned by attorney Donald B. MacFarlane of Cross Pointe, Mich., proved 60-degree temperatures and a wind which mounted to 25 mph were no help.

Vicar won \$24,050, brooding his 1954 earnings to \$70,360. The speedy winner, son of the 1957 Jug champion, took the first heat of the divided feature in 2:09 and came back to win the third in 2:01.

Combat Time, owned by the Tamarack Farms of Painesville, O., and driven by Bruce Nickola of Orlando, Fla., took the second heat in the day's fastest time of 2:00 4/5, and had the deciding heat locked up until the last 80 yards.

Combat Time, son of 1949 winner Good Time, led all the way in the deciding heat until Vicar Hanover collared him late in the stretch and won by less than a length.

Thursday's race, witnessed by about 35,000, gave Haughton of Glen Head, N.Y., his second Jug conquest. He won in 1955 with Quick Omer.

ed no puts longer than 15 feet on any of his four birds.

Bruno got four strokes ahead of par on the outgoing nine and field even on the return joint.

At 10 years younger than Batdorf, matched the Pennsylvanian's 32-34 and said he "never hit a spectacular shot." Cumberger was one-over-par 36 on the back nine, but had a 31 on the first half for his 68.

Huskies, Bears to Match Guile Against Muscle and Postpone Seattle Open

SEATTLE, Sept. 25 (AP)—Guile will be matched against muscle here Saturday when the goliath Baylor Bears meet Washington's hard-hitting Huskies in a football game so eagerly anticipated locally it has blacked out a \$40,000 golf tournament. The big games of golf, playing in the Seattle open this week, will take Saturday off and play the final round of the 72-hole event Sunday. Most of their fans will be in the sellout crowd of 55,000 at Washington's football stadium.

Hansen Nips O'Leary Team On One Goal

HANSEN, Sept. 25 (AP)—Hansen, touchdowns Thursday, had one called back on a penalty and went on to defeat the O'Leary junior high school freshman team 6-0. The O'Leary team failed to make it within the Hansen 20-yard line in the penalty-marred game.

Paul Degner took a 45-yard carry past the O'Leary line in the third quarter but the run was in vain. The play was called back in the line for Hansen's only tally, that counted, came in the same period when Jerry Johnson took the ball 25 yards and gave the conversion their third straight out of the season and the second at 6-0.

Late Rally Carries Cubs Past Dodgers

CHICAGO, Sept. 25 (AP)—The Cubs on balls, an error and the Santo's sacrifice fly brought the Chicago Cubs to a ninth-inning rally and a 4-3 victory Thursday over the Los Angeles Dodgers. Dick Tracewaski's error opened the gates for the Cubs after the Dodgers had taken a 3-2 lead on first and second, Don Kessinger beat out a slow roller to Tracewaski, who threw wild to first and allowed Billy Cowan to score the tying run.

Cards Sweep Twin Wins From Pirates

PITTSBURGH, Sept. 25 (AP)—The hopeful St. Louis Cardinals swept a doubleheader from Pittsburgh Thursday night, winning the nightcap 4-0 behind RAY Sadecki's five-hitter after taking the first game 4-2 as Bob Gibson scattered nine hits.

Table with 4 columns: Player, Runs, Hits, Errors. Includes totals for both teams.

BETTERS RECORD DENLIN, Sept. 25 (AP)—East Germany's Ute Noack bettered the women's 200-meter butterfly record with a time of 2:33.3 Thursday on the eve of her departure for the Tokyo Olympics, the East German news agency ADN reported.

Finley Sets Sale Limit at Eight Million

KANSAS CITY, Sept. 25 (AP)—Charles O. Finley said Thursday that if Kansas City interests will not pay eight million dollars for the Athletics franchise he will retain the club.

"I make this announcement for the first time," the A's owner said. "The club will not be sold to outside interests. And if my asking price of eight million dollars is not met within the next few days by Kansas City interests the club definitely will be taken off the market and I will continue to own and operate the club and strive for a championship team."

The owner said that he had been approached by six different groups in Kansas City. Finley said that he was informing these interests that eight million dollars was his one and only offer.

The Yankees valued 100 per cent of their stock at 14 million dollars and sold 80 per cent to ONS for 11.2 million dollars. I am offering 100 per cent of my stock for eight million dollars, which is six million dollars less than the Yankees' established price."

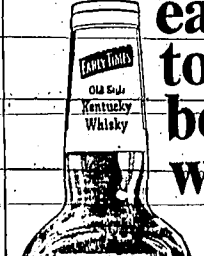

Finley said that he was pleased with the progress of the A's, last place team in the American league.

Ramos Could Be Eligible for World Series

NEW YORK, Sept. 25 (AP)—Only an injury to another New York pitcher could make Pedro Ramos eligible for the world series if the Yankees win the American league pennant, baseball Commissioner Ford Frick said Thursday night.

Ramos, the Yankees' current bullpen ace, is not eligible for the series because he came to New York five days after the Sept. 1 deadline.

There had been some speculation that if the Yankees and Philadelphia meet, they might work a deal, allowing Ramos and Phillie first baseman Vic Power, also ineligible, to play in the series.

Leader Patterson Wants in on Elimination

MIAMI BEACH, Fla., Sept. 25 (AP)—Floyd Patterson said Thursday that, if the World Boxing association holds an elimination tournament to select a heavyweight champion, he would participate.

But he said he hadn't been contacted about it. Patterson declined comment on the WBA action lifting Cassius Clay's heavyweight title on the return bout with Sonny Liston.

The former heavyweight champion said he didn't want "to get involved" in the coming Liston-Clay fight in Boston.

Patterson flew in from New York, looking trim and physically fit, as usual, and said he had been in training since his last fight.

He said he was here to negotiate for a fight "that will definitely come off this year."

British Athletes Patch up Row

LONDON, Sept. 25 (AP)—Britain's Olympic athletes patched up their row with their managers Thursday night and promised to go to Tokyo determined to win.

A 40-minute discussion ended with the announcement that Pat Egan stays as team manager, Robbie Brightwell as team captain and Jack Crump as secretary of the Amateur Athletic board.

Resignation offers and accusations of incompetence were thrown around by both sides Wednesday after an argument about television fees.

At the moment interview fees go to the board, who pass them on to deserving clubs. The athletes, barred as amateurs from taking fees, demanded a vote in distribution but didn't get it.

Osuna Is Upset By Bowrey

BERKELEY, Calif., Sept. 25 (AP)—Defending champion Rafael Osuna of Mexico was upset by Bill Bowrey of Australia Thursday in the fourth round men's singles of the 75th annual Pacific Coast International tennis championships.

Bowrey, seeded number nine, defeated top-seeded Osuna 6-3, 6-4 to move into the quarter finals of the tournament, being held this week at the Berkeley Tennis club in 90 degree heat and smog.

Minor Mishaps Noted at Buhl

BUHL, Sept. 25—Two minor accidents were investigated here Wednesday, reports Buhl Police Chief Charles Burbank.

Allen J. Willard, 18, Buhl, at 8:10 p.m. drove his 1953 Dodge into the rear of a 1958 International pickup truck operated by George Juker, 21, Buhl. Willard momentarily glanced away and failed to notice that the Juker vehicle had stopped and was waiting for a car ahead to get parked. Damages were estimated at \$50.

At 4:10 p.m. Earl Robinson, 16, Buhl, turned his 1961 Ford off Truck lane onto the south end of Broadway avenue and the car collided with an oncoming 1964 Ford pickup truck owned by the National Car Rental company, Portland, Ore. "Red" Brown by Fred J. Calhoun, 43, West Linn, Ore.

Damages to the right rear quarter panel and bumper of the car were estimated at \$100. No damages were reported to the truck.

TELEVISION SCHEDULES

SATURDAY, SEPT. 26

"Baseball" (10:15 a.m. CBS)—Braves vs. the Phillies.
 "College Football" (12:15 p.m. NBC)—University of Nebraska vs. the University of Minnesota.
 "Davis Cup Tennis." (Special, 2 p.m. ABC)—Highlights of the second day of competition in the Davis Cup tennis championship, taped earlier at Cleveland, O.
 "Gilligan's Island." (Premier, 6:30 p.m. CBS)—New comedy series of castaways on a lonely island, has Alan Hale, Jim Backus and Tina Louise as its inhabitants.
 "Mr. Broadway." (Premier, 7 p.m. CBS)—Craig Stevens plays a busy public relations man on the prowl in this new adventure serial. Buddy Ward and Steve Cochran head the guest cast for tonight's episode.

BEST SATURDAY NIGHT MOVIES

"The Tall Men." (Color, 1955) Clark Gable, Jane Russell, Robert Ryan and George E. Stone. A tale of KLUPT, KIFI and KDOU—legion, sprawling western of epic proportions covers a lot of territory and has a top-notch cast, but the script fails to generate much excitement. A couple of Texas gunfighters set out to commit a robbery, but turn honest and join a cattle drive.

FRIDAY, SEPT. 25

"The Entertainers." (Premier, 8:30-9:30 p.m. CBS)—New musical variety show headed by Carol Burnett, Bob Newhart and Carol Valente. Others are Art Buchwald, Tessie O'Brien and John Davidson.
 "Bob Hope Presents." (Color, 7:30 p.m. NBC)—Tonight's episode will be a video version of Bob Hope's "Flicker." The Seven Lively Boys featuring Eddie Foy, Jr., as his father, and Mickey Rooney. The Diamond Brothers singing group, who scored on ABC's "The TV set," play roles as the five little Foy children.
 "Gomer Pyle, USMC." (Premier, 7:30 p.m. CBS)—Jim Henson plays a naive recruit in the marine corps in this new situation comedy.
 "Smalltown, USA." (Color special, 9 p.m. NBC)—Five tiny small towns are studied in this one-hour documentary in an attempt to find out if small towns are destined to die away or sprawling, big cities.

BEST FRIDAY NIGHT MOVIES

"Oh, Men! Oh, Women." (Color, 1957) David Niven, Ginger Rogers and Tony Randall (10 p.m. CBS)—Hilarious movie involving psychiatrist, his client and their mutual girlfriend in a mad biggie. Based on the hit Broadway play.
 "Captain Horatio Hornblower." (Color, 1951) Gregory Peck, Virginia Mayo and Robert Bentley (11:30 p.m. KST)—Sprawling saga about the British captain of the Napoleonic wars—his own victories and his loves. From the novel by C. S. Forester. Really exciting, colorful.

"You'd better handle this, Charlie. The lady doesn't plan to keep any animals... she just wants to grow her own butter and eggs!"

"I don't see why they're in such a lather about his walking and talking. When he learns they'll just tell him to sit down and shut up!"

"I don't have any money either! I thought you were treating!"

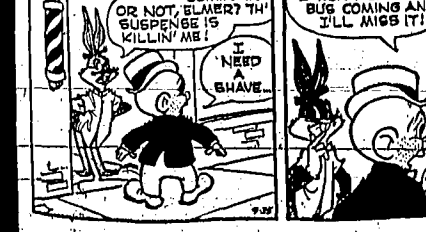

"I'll have to go to you, buddy! That big shot brother of mine was fished worse than a fish sinkin' his fangs into a plastic minnow! You shoulda seen how green he got when I told him I didn't want that phony stock you stuck him with! An' best fer good measure, I waltzed off with the best suit!"

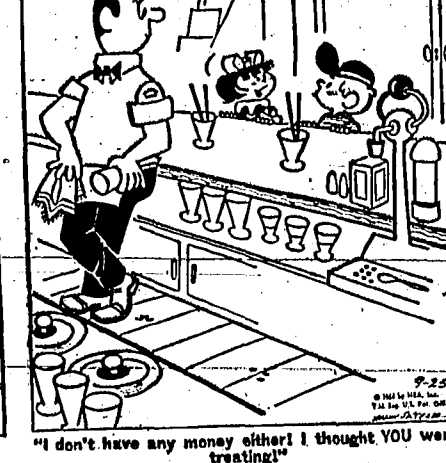

"I don't see why they're in such a lather about his walking and talking. When he learns they'll just tell him to sit down and shut up!"

"AN' AN' 'EM 'BOUT THAT EL-NASHUL! BUT DEAR-THAT MIGHT BE TOO LATE!!"

"OH MY STARS! DO US A FAVOR! LET'S FIND ANOTHER BAR!"

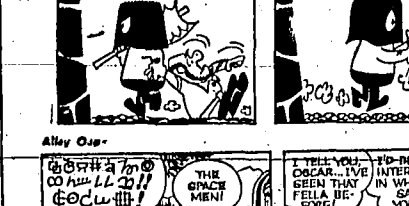

"HE'S NOT IN THERE EITHER, BAR-MOROSAN! BUT THE BARTENDER SAID SOMEONE WHO FIT RICKS DESCRIPTION WAS HERE! LET'S TRY HIM SERVICE AFTER A COUPLE OF DRINKS!"

"YOU KNOW HOW IT IS THE FIRST NIGHT BACK AT SCHOOL! UNPACKING, TALKING WITH OLD CHUMS—"

"I DON'T SEE WHY THEY'RE IN SUCH A LATHER ABOUT HIS WALKING AND TALKING. WHEN HE LEARNS THEY'LL JUST TELL HIM TO SIT DOWN AND SHUT UP!"
