Lyndon Baines Johnson Takes Inauguration Oath As 36th President of U.S.

WASHINGTON, Jan. 20 (AP)—Lyndon B. Johnson took the inaugural oath today, solemnly pledged to "lead as best I can," and then headed a grand parade down "The Thoroughfare of Presidents." At his side as he rode along Pennsylvania avenue from the stirring ceremonies at the U.S. Capitol to the White House parade-re-

Measure on Income Taxes for Out-of-State Firms Introduced

BOISE, Jan. 20 (UPI)—Rep. Don Pieper, D., Bonneville, today introduced a bill he said would bring in an estimated one million dollars additional income taxes from out of state corporations doing business in Idaho. Pieper's proposal sets out a formula whereby the tax collector would compute the state income taxes of such companies in relation to their Idaho sales. He said the measure is aimed particularly at corporations which pay only the \$10 filing fee but no other Idaho income taxes. Under his formula, Pieper said, one corporation that paid only \$10 in 1961 would have had to pay \$100,000.

Crash Kills Woman, Mother Is Injured

HUNT, Jan. 20—A Hunt woman was killed instantly and her mother critically injured in a head-on collision of two cars about 11:20 a.m. today northeast of the Hunt project. Mrs. Helen Pool was believed to have been killed instantly and her mother, Mrs. Christine Davidson, is in critical condition in St. Benedict's hospital, Jerome. According to Deputy Sheriff Gordon Newbry, investigating officer, Mrs. Pool's car collided at the top of a hill with a vehicle driven by Dr. Robert Thackeray, Jerome veterinarian. He was not believed seriously injured.

Fluff

WASHINGTON, Jan. 20 (AP)—Chief Justice Earl Warren made a slight fluff when he administered the oath of office to President Johnson today. Warren repeated the mistake after he executed the office of the presidency. He should have said "office of the president."

Dr. L. M. Neher, Jerome county coroner, was called to the scene and State Patrolman James Gierke also was assisting with the investigation.

T.F. Jaycee Award Event Set Tonight

The 1964 outstanding boss, young farmer and residents who have contributed most to the community, selected by the judges, will be honored at the T.F. Jaycee Award Banquet. The banquet will start at 8 p.m. in the American Legion hall. The junior award will be given to the outstanding young man or woman under 35 years of age and the senior award will go to a man or woman over 35 years.

Thousands Crowd Into Washington

WASHINGTON, Jan. 20 (AP)—Thousands of visitors crowded the nation's capital today for the inauguration, giving the city the aspect of a somewhat confused Texas-on-the-Texas. In the lobbies and corridors of the city's hotels and, indeed, in the hotels of Baltimore 40 miles away, 10-gallon hats and high-heeled boots predominated. In fact, it was reported, some of the important members of the inauguration committee had decided there was too much Texas in evidence and asked the Lone Star State's delegation to leave their boots and Stetsons at home. The memorandum was largely ignored.

De Gaulle, Erhard Seek Unity Meet

PARIS, Jan. 20 (AP)—West German Chancellor Ludwig Erhard and President Charles de Gaulle of France agreed today to call for a six-power European conference to explore the next steps toward European political union. Ending their two-day meeting at nearby Rambouillet, the French and West German leaders said they would contact the other members of the common market—Belgium, Holland, Luxembourg and Italy—on the proposed conference which they said should be held at various levels.

Job Corps Camp Site Is Rejected

NAMPA, Jan. 20 (UPI)—Federal officials have rejected the original proposed site for a Job Corps camp at Lake Lowell. It was disclosed today. But the Canyon county area may still get such a camp if a suitable site can be found that will overcome local objections. That was the word from Harold T. Nelson, regional director of the bureau of reclamation, Boise.

Big Statue of Churchill to Be Erected

WASHINGTON, Jan. 20 (AP)—A bronze statue of Sir Winston Churchill to be erected here soon will depict him with the characteristic cigar in the left hand. The right hand will be raised in the familiar V-sign. A proposal that the nine-foot statue include a cigar has been hotly debated for two months. It was resolved by the English speaking union after submitting the question to branches across the United States.

Radioactivity From Red Blast Detected

WASHINGTON, Jan. 20 (UPI)—The United States announced last night it had detected radioactivity in the air as a result of Russia's big underground explosion Friday. It asked the Soviets for a "full explanation." The announcement by the atomic energy commission said, "The amounts of radioactivity measured to date will not produce measurable exposure to persons." But in light of possible effects on the nuclear test ban treaty, Secretary of State Dean Rusk called in Soviet Ambassador Anatoly Dobrynin to seek information on the test.

Hearing Set Into Rupert Girl's Death

RUPERT, Jan. 20 (AP)—Preliminary hearing for Rex Quansrum, 32, Heyburn, will be held Friday before Probate Judge LeRoy Blacker. Quansrum is charged with manslaughter in the death of Yvonne Reynolds, 8, daughter of Mr. and Mrs. Carl Reynolds. The child was killed when she was run over by a bus driven by Quansrum.

Inauguration Cost Higher Than in 1961

WASHINGTON, Jan. 20 (AP)—The cost of installing a president is going up about 30 per cent in the four years from the inauguration to the Great Society. President Johnson's inauguration today will cost an estimated \$1,100,000, almost \$500,000 more than the 1961 installation of the late President John F. Kennedy. Only \$500,000 of the total will be paid out of tax funds. That was appropriated by Congress before the election, to pay for the one-hour ceremony in the Capitol which will be presided over by the President and Vice President.

67 Negroes Are Jailed for Vote Sign-up March

SELMA, Ala., Jan. 20 (AP)—Dr. Martin Luther King, slugged by a segregationist Monday, watched from a car yesterday as sheriff's deputies arrested 67 of his followers during a voter registration march on the courthouse. Two of those arrested were charged with criminal provocation and 62 others with unlawful assembly. Charges were dropped against three of the Negroes and shortly after nightfall all had been released under \$200 bond each.

Hospital Bill Okayed by Senate

BOISE, Jan. 20 (AP)—The Senate passed today a bill to permit formation of a hospital district in Shoshone county in northern Idaho. The measure previously was passed by the House.

Fight for Life by Churchill Goes on

LONDON, Jan. 20 (UPI)—A flurry of anxiety raced through London tonight because Sir Winston Churchill's physician, Lord Moran, made an unexpected call on him. But shortly after 6 p.m. (1 p.m. EST) Lord Moran's secretary told United Press International that the doctor planned to visit the 90-year-old hero of Britain again at 9 o'clock (4 p.m. EST). Inside the house in fashionable Hyde Park gate, for the sixth day Churchill fought death with the same bulldog will that brought him victory in many battles in his long and brilliant life.

Business Suit Worn to Fete By Johnson

WASHINGTON, Jan. 20 (AP)—President Johnson departed from custom and wore an oxford gray business suit and a dark gray fedora at today's inauguration ceremonies. The President's attire sets the style for all the officials attending the ceremonies. It is the first occasion in modern times that the occupants of the inaugural stand had not all been decked out in the traditional morning coat and striped trousers.

U.S. Senators Meet Briefly Before Event

WASHINGTON, Jan. 20 (AP)—Senators, complete with mufflers and sweaters, met to combat the inaugural chill, met for 15 minutes today before going out to watch President Johnson take his oath. Three former members—Ralph Flanders, R., Vt.; William Benton, D., Conn.; and Kenneth B. Keating, R., N.Y.—were on the floor during the short session which preceded adjournment until noon Friday.

Shades of Old West Are Added to Inaugural Parade

WASHINGTON, Jan. 20 (AP)—A colorful parade of the old west was added to today's big inaugural parade by Indians, a Colorado sheriff's posse, Idaho cavalrymen and Wyoming mountain men. About 150 Indians from 45 tribes, many wearing traditional costumes and feathered head-dresses, had roles in the parade. Leading them was Miss Indian America, Michelle Portwood, an Arapahoe from the Wind River reservation in Wyoming. Her pretty daughter, university student included Walter Wetzel, a Montana Blackfoot, and president of the National Congress of American Indians, and Joe Garry of the Coeur

Grand officers introduced and honored were Alva Knowlton, Fairfield, grand high priest; Leigh Nelson, Jerome, and Robert Bryan, Gooding, past grand patriarchs; Ralph Burr, district deputy grand patriarch; Martin Jewell, Bellevue, district deputy grand master; Walter Stockham, special deputy for encampment No. 46; Gene Fredericksen, Bellevue, special deputy for Ivanhoe No. 4; and Mary Obenchain, Ketchum, special deputy for Alturas No. 13.

Other members present were from Fairfield and Wendell.

In the absence of James Hartwell, Wendell, retiring chief patriarch, the meeting was conducted by Henry Thompson and Elmer Jordan.

Jehovah Witness Meet Is Held in Mountain Home

O. B. Doty, presiding minister of the Twin Falls Jehovah's Witness convention, said 858 persons were in attendance at the first session of the circuit convention held in Mountain Home over the week-end. Members of the local congregation participated in the meetings, he said.

In the final talk to the group, M. L. Hollen, convention chairman, said that causes of present world divisions are the same ones that have caused divisions for centuries—incompatible political ideologies, conflicting religious beliefs and racial discrimination.

Doty said that suggestions on improving ministerial activity were explained at the convention and will be put into effect immediately in the local congregation.

Short Cut

AURORA, Colo., Jan. 20 (AP)—Three junior high school students, who had seen under pressure from school authorities to get their hair like a "flat-top," came to school yesterday with scalps shaved like Yul Brynner.

"We have had a campaign on recently to get the boys to keep their hair neater and closer cut," said assistant principal M. C. Thompson. "We didn't think that things would go this far."

Buick Special V-6 goes easy on gas.

Its low price goes hard on your resistance.

We put 6 big reasons to buy a Buick Special under the hood. And another small one on the price tag. The six are a set of the liveliest, thriftiest cylinders that ever zipped you merrily on your way. They're all arranged in neat, smooth V-fashion. They add up to 225 cubic inches and 155 horsepower, and make other arrangements of 6 cylinders seem primitive. That's not all. Special sports Buick comfort, Buick style and traditional Buick quality. The price tag? We saved the best for last.

\$2343.00

Manufacturer's suggested retail price for Special V-6 2-dr. coupe. Price includes Federal Excise Tax and engineered dealer delivery and handling charge (transportation charges, accessories, other optional equipment, state and local taxes additional).

NATIONAL WHIRLIGIG

By ANDREW TULLY
HONOLULU, Jan. 20— I think I will buy Hawaii, thanks, and the back of my hand to... As a citizen whose trade has... I will leave Hawaii every... thing in my will because it is... populated by human beings who... do not regard a stranger as... though he had just crawled out... from under a rock. They treat... people like people here, and not... like a horde of wealthy Typhoid... Marys who must be fleeced at... arms' length and then ordered from the... premises.

FULL OF BENIGN SPIRITS—If I know the U. S. Chamber of Commerce, I will pass a resolution against Honolulu businessmen for... At customers, so I am going to hurry up and enjoy this unique experience. Mind, I still suspect a trick, but in two days' time everybody had been so nice to me any disillusionment will be a small price to pay.

GIVES \$1—Registering at the Royal Hawaiian, I was greeted by a desk clerk named Lila Chong who would be sacked by any mainland hotel for contributing to the happiness of a guest. First she advised against paying extra for an air-conditioned room "because it isn't that hot." Then, learning that I was taking a midnight plane to Saigon in a few days, she said she was sure the hotel would let me linger until takeoff time without extra charge.

PERSON, NOT PROBLEM—On Honolulu's streets, the cars stop the moment a pedestrian steps off the curb at a crosswalk. In the shops, smiling salespeople get lost when you tell them you're browsing. Nobody shoves anybody around. If Hawaiians ever get mad, they do it behind closed doors.

FEDERAL AID FOR STUDENTS
Senator Ribicoff has reintroduced his proposal to provide tax credits for college expenses. He would allow a taxpayer to deduct from his tax bill 75 per cent of the first \$200 of expenses for tuition, fees and books; 25 per cent of the next \$300 and 10 per cent of the next \$1,000. It is an attractive proposal, designed to appeal, as the senator states, to the average American family, which understandably is delighted to receive a tax break in such a worthy cause.

STRANGE TRUTH
The Regressive Sales Tax Truth committee of Weiser has announced a proposal to double Idaho's unpopular "head tax" as an alternative to what it calls a "regressive" sales tax. But figures in a recent news release by the committee's president, Harry N. Nelson, would lead one to believe that the "truth committee" has a purpose other than the one it announces publicly. The "truth committee's" proposal, when analyzed closely, would lead to a much more "regressive" tax than the proposed sales tax.

RIGHTFULLY PROUD
Pot Shots:
"I.M. Greene." I think the gifted person is justifiably proud in most cases. More often than not, the individual has practiced diligently to attain his (or her) gifted status. Realizing the effort involved, should we not regard his (or her) ability with admiration rather than jealousy? Provided the incentive and willingness to expend the effort, it is a rare individual who cannot become expert in some field.

Four pups 6 weeks old and all male (we think) have short hair are very cute and would be nice house dogs.

Dear Pot Shots:
A huge German pointer has come to our place and taken up residence in our dog's house. He is brown and has some white markings on his chest and is wearing a collar but no license. We think some hunter may have lost him during pheasant season as he is very thin and was nearly starved. I am feeding him but can't keep him as we already have two dogs.

When the kids are gone and the phone rings, I fully expect it to be someone informing us that one or both have broken their legs.

Religion in America

By LOUIS CASSELLS
United Press International
Protestants and Catholics in hundreds of communities are holding joint worship services this week. They are praying together for God's guidance in reuniting the divided Christian family. A Week of Prayer for Christian Unity is held each year during the period Jan. 18-25. The observance began on a very small scale about 40 years ago, and has grown into a Louis Cassells great international movement.

It is now sponsored jointly by the World Council of Churches and the Roman Catholic Association for Christian Unity. Catholic participation in ecumenical worship services with members of other churches was authorized and encouraged in the Christian unity decree adopted by the Vatican council last month.

One of the joint services planned for the coming week was held in Washington, D.C., Wednesday morning. Inauguration day. It was arranged by the Catholic Archdiocese of Washington and the Protestant Council of Churches, and was held in St. John's Episcopal church, the historic old "Church of the Presidents" across Lafayette square from the White House.

The ill winds that blow across South Viet Nam may help spur what already is an economic boomlet for South Korea.

Two of our children have taken up skiing and I'm considering asking the telephone company to disconnect our phone every week-end. When the kids are gone and the phone rings, I fully expect it to be someone informing us that one or both have broken their legs.

Two fertilizers plants and two more under construction soon will fill the country's total needs. A new power plant in Pusan gives South Korea more electricity than it needs. During the years of Japanese occupation and after, power plants in Manchuria supplied most of the power for all Korea. The Korean war left the south with a chronic power shortage.

By 1900, the figure had climbed to 36 per cent. It continued to rise slowly during the present century, reaching 49 per cent in 1950. It shot up to 57 per cent during the decade of World War II, and kept on moving up after the war until it reached its present record level.

The United Synagogue of America, principal organization of conservative Judaism, issued a plea this week for "dignity and simplicity" in Jewish funerals. It sent to all of its affiliated congregations a series of recommendations for avoiding ostentatious display and pagan practices in funerals.

When a death occurs, it said, the bereaved family should consult its rabbi first of all, and allow him to oversee the arrangements. It urged the use of simple wooden coffins, and disapproval of embalming, unless required by civil law. Floral displays, and opening of caskets.

A Lutheran official suggested this week that parents resort to boycotts to persuade advertisers that it doesn't pay to sponsor television programs featuring crime and violence.

The proposal was made by the Rev. Dr. Robert E. Van Deusen, Washington representative of the National Lutheran council, who charged television broadcasters with ignoring their own codes and breaking their promises of a clean-up.

TAYLOR'S VIEWS ON WORLD NEWS

BY HENRY J. TAYLOR
KEY WEST, Fla., Jan. 20— South of this peninsula Cuba's coastline cuts across the blue waters for 700 miles and a recent... death trap fans out to the edge of our nation.

I am with heroes of the island—Cuba's—background, who risk their lives traveling back and forth. Key West is also a U.S. coast-guard recycling center for desperate escapees who Henry J. Taylor break through Castro's "Berlin wall" in the Caribbean.

The coast guard is doing a double task. On one hand Washington orders it to restrain with its machine-gun alloy. The Cubans desperately trying to oppose Castro while with the other hand it is (magnificently) pulling out of the waters near here thousands who escape the tyrant's regime.

The coast guard sends in to Castro's patrol belt two Grumman Albatross planes and 13 cutters. But this limited allotment, with less than 2,000 officers and men, is too small for this vast area.

They have brought to safety, blessings be, more than 800 small craft escaping Cuba. But mostly they find pathetic little boats carrying the bodies of men, women and children riddled by machinegun bullets. The dead among the dead.

Castro's Russia-designed patrol boats, abundant and very fast, show up constantly on the radar screens. Our coast guard often sees gunfire in the distance. But when they reach the spot they only find more murder.

Describing to me his own escape by air, Castro's personal airplane pilot, Maj. Pedro L. Diaz Lanza, called this sea route "Machine-gun alley."

Somebody once wrote that we all have enough strength to bear the other man's sufferings. Yorick's skull was a place with only worms in it—nothing of humanity left but the smell. So is Cuba—if you oppose the red dictatorship. And maybe we distracted Americans might try these scenes of desperation on for size.

The Doctor Says
Q—I am in the late 60's and have a platelet count of 25,000. I get black and blue spots all over my body and have taken cortisone for two years. What is the function of the platelets? What are the dangers in having a low count?
A—You probably have what is known as thrombocytopenic purpura. This means purpura, or hemorrhages under the skin, due to a deficiency of thrombocytes or blood platelets.

Q—What harm can result from treatment of the sinuses with silver protein? There are any other forms of treatment for chronic sinusitis?
A—Prolonged use of excess amounts of silver protein will cause silver poisoning. Chronic sinusitis is often difficult to cure. It may be worse by over-treatment. It is essential to establish free drainage from the sinuses.
Q—My husband recently developed psoriasis. Can I help him?
A—The cause of psoriasis is unknown. We do know it is not contagious.

INFERIOR PLAY SOMETIMES WINS
Trials to determine the American team for the 1965 world's championship were held in Dallas last November. Eighteen of the best pairs on this continent qualified and each one played 340 hands under International Match Point scoring in 17 20-board matches. Thus, each hand was played at nine different tables and, showing the idiosyncrasies of duplicate, practically no hand produced nine identical results.

I will devote this column to discussion of a hand, with declarer in this case moved to the South seat, and without a name. Hand one of match one was an easy four-spade contract.

Library Bill Presented in Idaho House

Idaho House of Representatives today authorized to cooperate with neighboring states in setting up library facilities under a measure introduced yesterday in the state house of representatives. The measure sets up an interstate compact designed to promote the creation of library service on an interstate basis. The bill would also authorize the library board to accept funds in aid and to assist in the establishment and financing of special public library services. Under the compact clause, the board would be authorized to cooperate with neighboring states in setting up library districts on a regional basis. The districts would be governed by a board made up of representatives of all participating public and private library agencies.

RECOVERING IN HOSPITAL is Linda Lee Barnum, 21, Las Vegas, Nev., from a Sunday night attack by a 175-pound Asian spotted leopard named Rajah. Hospital spokesmen said more than 100 stitches were needed to close teeth and claw wounds. Rajah was inside a stationwagon while his owner, Mrs. Marie Dokolas, attended a party. Linda and other guests were looking at the animal when it slipped through a partially open door and attacked her. State fish and game officials were looking for Rajah and Mrs. Dokolas Tuesday, but neither were to be found. (AP wirephoto)

Editorial Comments in Europe on Viet Nam Listed

LONDON, Jan. 20.—Editorial comments in Europe about Viet Nam reflect a feeling that the American position is becoming untenable, that military victory is more distant than ever, and that President Johnson faces an almost impossible dilemma.

In Viet Nam the president has not himself more firmly on the hook than ever, says the London Times. "More is required than a blank commitment to stay. The trouble is that a new approach to Asia requires a new approach to China, and that re-

quires the difficult of any settlement. Some papers have accused President Johnson of the decision. Others illustrated magazine compared the in-erogation techniques of U.S. advisers in Viet Nam with their brutality in World War II.

The General Anzeiger of Bonn said of Johnson's state of the union message: "The storm signals are set in Viet Nam. What cause concern is the hesitation of the president to take the matter resolutely in hand, to be unpopular if necessary, and to end the confusion and disunity within his government."

Moscow's Red Star said the Pentagon and its generals seek to escalate the war. It promised aid for North Viet Nam.

Everyone Was Jumping on Inaugural Eve

WASHINGTON, Jan. 20.—Farmers clearly, even before the night, one to get the impression that the two-term limit on presidents might soon be in jeopardy.

There were two big dances of the night. The first was the Mayflower and the Willard. The second was the Lincoln. The first was the Lincoln. The second was the Lincoln.

enough for the Hubert Phillips to make an appearance. Noting all the expenses, he said: "The President, Mrs. Humphrey, the children, you have on a party dress every time I see you."

The parade today was notable for what was not in it, as well as what was. For example, there was no elephant, as there was in 1953, and no ark, as there was in 1948.

Inaugural Parade Gives President Johnson Outdoor Salute

WASHINGTON, Jan. 20.—The inaugural parade, the grandest in the history of the city, was held today in front of a crowd of 32,000 people.

The parade today was notable for what was not in it, as well as what was. For example, there was no elephant, as there was in 1953, and no ark, as there was in 1948.

Johnson's vice president, Hubert H. Humphrey, could take a look over the shoulders of those in front, were available from the crowd.

Damage to Reservoirs Is Reported

SHOSHONE, Jan. 20.—Damage estimated at \$500 resulted to reservoirs for livestock and wildlife in Lincoln and Gooding counties from the December floods, according to bureau of land management officials.

This damage occurred to overflow areas and spillways on 14 reservoirs.

In addition, 30 miles of road damage occurred on Clover creek, Canyon creek and Deer creek drainages. Roadway damage alone will amount to \$15,000.

The bureau states the hardest hit from flood damage was the Coeur d'Alene district where six miles of road in Rochat Divide area of Kootenai county was washed out.

Replacement and repair cost are estimated at nearly \$11,000 per mile.

An additional \$23,000 will be needed for bridge construction, road maintenance and drainage structure replacement.

Damage to some areas cannot be estimated, because of inaccessibility at this time. This probably be around \$50,000.

However, flood damage to roads, bridges and reservoirs on lands administered by the bureau of land management in the state will amount to more than \$185,000.

Idaho's Economic Growth Outlined at Buhl Banquet

BUHL, Jan. 20.—Robert K. Timothy, Boise, vice president and general manager of Idaho one of the largest of the Mountain States Telephone company and director of the Idaho State Chamber of Commerce, outlined Idaho's economic growth and economic future at the Buhl Chamber of Commerce annual banquet and installation of new officers Monday evening in the R and R cafe banquet room.

Timothy in using the theme, "Challenges to Realism" pointed out the challenges of our state offers special challenges to business people and gave three guidelines to this objective.

The first challenge is for business people to stop up economic growth. We have to get this down to "bite" size-down to specifics, and Chambers of Commerce throughout the state can be a real moving force in this endeavor," he stated.

Economic growth is important to our country's position in the world and to our state's position in the country he added.

"It is important to our morale, to our confidence in ourselves. But even more essentially we need it so that people will have a better life, economic growth pays for education, pays for government services, it makes leisure time possible for men and women, the chance to broaden their personal lives. In fact, we can state the need for economic growth much as we describe the need for growth in an individual," he stated.

Fundamental ingredients for economic growth is business growth, industry growth and agriculture growth. Business growth spells economic growth, and thriving cities and states depend on thriving industry and commerce.

The second challenge Timothy stressed was to work with our partner, Government, in providing the best possible profit climate.

The third challenge offered was to sell free enterprise system to the general public. We need to build a bridge of understanding between business and the public—a bridge where communications can flow freely, where business can explain its problems, and where the public can communicate back its requirements for business, he said.

Building that bridge of understanding is a task we need to work at every day in every contact with the public. Only then can we obtain that consensus of support for the free enterprise system, which in our society determines whether we shall keep it or lose it," Timothy said.

Idaho has some outstanding growth possibilities, Timothy pointed out. We have, for example, a golden opportunity to build a tourist industry far greater than its present scope. Our store of natural resources is fabulously large and these products could be developed for these products of this state. Another

Illustrated Talk On Membership Given to Grange
BUHL, Jan. 20.—An illustrated talk with charts on the membership drive being conducted among area Granges during January and February under the sponsorship of the Twin Falls County Pomona Grange was given during the Lucerne Grange meeting Friday night.

The presentation was by Mr. and Mrs. Herman Riedeman and Mr. and Mrs. Robert Rayl, representatives of MOUNTAIN ROCK Grange.

A report on the recent benefit supper sponsored by the Grange and Lucerne Social club for charities showed more than 90 persons were served with some \$153 netted.

TV TODAY

WEDNESDAY, JAN. 20
"Inaugural Highlights." (Special, varying times on various channels)—For those who missed viewing coverage of President Johnson's inaugural and parade, which were telecast live in their entirety earlier today, there are taped highlights of the event slated at 6 p.m. on KIFT, 8:30 p.m. on KCPX and 10:35 p.m. on KUTV. The inaugural event, held at four different locations, will be shown in progress at 11 p.m. on three NBC-affiliated stations, KUTV, KTVE and KIPY.
"The Dick Van Dyke Show"—(7 and 9 p.m.—CBS)—Beginning a two-partner with Dick's brother, Jerry Van Dyke, portraying Rob's brother in the series—a guy who's afraid of girls and announcing that he's going to wed someone he hasn't even met yet.
"Murk's Law"—(9 p.m.—ABC)—Suspects in the murder of a toy manufacturer, who dies in a dynamite blast, include Abbe Lane, Chill Willis, Joan Caulfield, Martha Hyer and Louis Nizer.
BEST WEDNESDAY NIGHT MOVIES
"Hell Is for Heroes." (1952) Steve McQueen, Bobby Darin, Fay Parker, Nick Adams and Bob Newhart (8 p.m.—KUTV, KIPY, KTVE)—Well-made war film involving a small unit of soldiers and their efforts to make the enemy believe they're really a large troop.
"Three Sailors and a Girl." (1931) Jane Powell, Gordon MacRae and Gene Nelson (10:30 p.m.—KSL)—Fairly good musical. Much plot and the songs don't tie in with the story, but it's entertaining.
"The Flying Missile." (1950) Glenn Ford and Viveca Lindfors (10:35 p.m.—KCPX)—Grim and superficial drama about guided missiles an die men who build and test them. Clipped script prevents actors from doing anything with their roles.

Gummerson, Russell Recite Wedding Vows

DECLO, Jan. 20—Pamela Kay Gummerson, daughter of Mr. Gummerson and Mrs. Charles Gummerson, and Daniel James Russell, son of Mr. and Mrs. Daniel James Russell, were united in marriage in a candle-light ceremony Dec. 25 in the Methodist church, Burley. The double ring ceremony was officiated by the Rev. Edward Dixon, formerly pastor of the church. The Rev. Paul L. Taylor, Burley, assisted with the service.

MR. AND MRS. DANIEL RUSSELL (Burley portraits)

Wedding vows were exchanged before a white arch decorated with Christmas greens and red tapers accented with red bows and flanked with baskets of white chrysanthemums and red carnations. Wedding and candelabra hold-lit white tapers completed the setting.

The bride, given in marriage by her father, wore a floor-length gown of white Chantilly lace over a gown of fashioned with a fitted bodice, long lily point sleeves and high neckline enhanced with lace of lace adorned with imported sequins and pearls. The full skirt fell into a chapel train. Her fingertip veil of white illusion was held by a tulle sequin and seed pearls.

The bride carried a cascade bouquet of white roses and red carnations, accented with silver satin, white and white satin streamers. She wore the traditional blue garter and a new gown in her shoes, borrowed from her mother.

Mrs. Phillip Dale Anderson, Mountain Home, sister of the bride, was matron of honor. She was attired in a sheath ensemble of red crystalline, styled with a boat neckline and long sleeves. The street-length skirt was enhanced with a floral print of the same material. She carried a bouquet of red and white carnations surrounded by a white fur muff.

Bridesmaids were Gloria Gummerson, sister of the bride, Julie Russell, sister of the bridegroom, Bonnie Emerson, San Francisco, Calif., sorority sister and roommate of the bride at the college of Idaho. They wore dresses identical to that of the matron of honor. Each carried a white fur muff adorned with baby carnations.

The bridegroom was graduated from the Newport high school, Newport Harbor, Calif. He is a senior at the College of Idaho, majoring in science. The newlyweds reside at 1608 Idaho street, Caldwell.

Golden Wedding Anniversary Is Observed

BUHL, Jan. 20—Friends and relatives attended the open house reception honoring Mr. and Mrs. Roy Hopkins on their golden wedding observance held at their residence.

MR. AND MRS. ROY HOPKINS

For the occasion, Mrs. Hopkins wore a black sheath dinner dress with a matching jacket and black accessories. Her jewelry of gold and pearls complemented her attire. She wore a corsage of gold-colored tulleman roses with white and gold bow trim accent, a gift from her children.

Greeters at the door were Vonley Hopkins, Craig Hopkins and Donald Waltman.

The reception table featured a white lace tablecloth underscored with gold with a three-tiered wedding cake centerpiece. The cake, iced in white, was highlighted with heart-shaped lattice work with gold-colored rosebud embellishments, gold doves bearing wedding bands and topped with a gold "50" against a background of tulle. Double crystal candelabra with gold-colored tapers flanked the cake.

Crystal and silver appointments completed the table decor. Floral arrangements, gifts from friends, decorated the residence.

Those who presided at the reception table and served cake and poured coffee and punch were Mrs. Lottie Bishop, Mrs. Donald Waltman, Mrs. Charles Adams, Mrs. Nel's Averill, Mrs. Wesley Fuller, Mrs. Jimmy Hopkins, Mrs. Harold Dial, Mrs. Vonley Hopkins, Mrs. Leonard Walcott, Nancy Hopkins, Stephanie Patterson, Janelle Hopkins, Linda Hopkins and Marianne Barker.

Kitchen assistants were Mrs. Blaine Ewell, Mrs. Walcott, Mrs. Orlin Freeman and Mrs. Pearl McCormick. Kathleen Milley, the couple's granddaughter, registered the guests.

The Home Builder's Sunday school class of the First Christian church, a class Hopkins taught for many years, attended the open house as a group.

Special out-of-town guests were Mr. and Mrs. Donald Waltman and family, Mr. and Mrs. Charles Adams and Mr. and Mrs.

Vivian Klink Is Special Guest at Meet

Alpha Delta Kappa sorority members were honored at their January luncheon meeting by the presence of Vivian Klink, retired principal of Bickel school.

Miss Klink recently returned from a four month world tour where she spent an extended time in the Orient. She gave a talk on points of interest showing pictures in which she emphasized home and living conditions, service memorials, plant life studies of the people. Two displays, tables of handicraft, brought back by her, showed the skills and workmanship of the lands she visited.

Mrs. R. A. York announced that the initiation meeting will be held in March.

Tables were decorated for the luncheon with white and red candelabra and lighted miniature snowmen.

Hostesses were Mrs. B. W. Jacobs, Mrs. Lee Gates and Mrs. James Hamilton.

Swimsuits for 1965 Season Are Described

By HELEN HENNESSY
NEW YORK, Jan. 20 (NEA)—Precious little stands between a girl in a swimsuit and her publicity. But in no past season have designers handled that little with so much imagination.

The sky is the limit as long as it's sunny for the 1965 resort season at the beach.

First there are the suits to be "seen" in. These have passed their swimming tests, but there's no doubt they will more frequently dot the sand.

One has a peek-aboo black lace top, strategically jeweled, and sleek jersey pants. Then there is a group of black lace discs, frankly inspired by the discotheque dress. These suits can be bikinis or one-pieces joined by a midriff of transparent black Lycra lace.

Opposite to the great expose is proof positive that the sexy swimsuit doesn't have to be bare. One such suit is a one-piece body-shaping number in glowing platinum jersey—for the girl who has everything.

Then there is the suit that doesn't hesitate to take the plunge. In weightless quilted nylon, it's cut bare and spare with a back that simply isn't there and a front that can make up its mind about how far to go by the flick of a zipper. Another with all the same attributes is in matte jersey and a white bow under the chin has been added for a disconcerting note of demureness.

The soft, refined fashion message for spring and summer has been translated for the beach in one-piece, screen-printed jersey suits with matching beach shifts. Color combinations are as bright as jewels—green with pink, blue opal with gold and orange with water blues.

This year, too, the two-piece suit and the bikini are having their season in the sun. But when you buy, remember that these demand a nearly perfect figure.

You can swim covered up or barely there this season. The choice is yours. If you bear in mind that a swimsuit should flatter your figure, you will have no trouble finding the one to do the job for you.

Mrs. G. Ulrich Honored at Lodge Meeting

RUIHL, Jan. 20—Mrs. Guy Ulrich, district deputy president of district No. 5, was given special recognition upon completion of her year's term during the Buhl Rebekah lodge meeting at the IOOF hall.

Mrs. Ulrich was presented the jewel of her office. Mrs. Paul Kennedy, in making the presentation on behalf of the lodge, read an original verse appropriate to the occasion.

Mrs. Adolph Machacek gave the auditor's report and Mrs. Ward Moffett gave the annual lodge report. Mrs. Kennedy reported on activities of the courtesy committee for the past year.

The courtesy committee report showed Mrs. Erwin Morrison underwent surgery at Magic Valley Memorial hospital; Mrs. Hazel Reeves is a patient at the Magic Valley Memorial hospital, and John Chapman has undergone surgery at the Magic Valley Memorial hospital.

Arthur Wilson has been admitted to Harold's Nursing home and Ellis Woodruff is a patient at the Boise Veterans' hospital. It was noted sometimes have been taken to four shut-in members during the Christmas holiday season.

Mrs. Stanley Babington, noble grand-elect, announced she had provided a suggestion box and urged members to submit suggestions for meetings. Mrs. Kennedy, lodge deputy, urged members to qualify in the unwritten work at the annual district meeting to be held in March at Pier.

Birthday anniversary greetings were extended to Mrs. Robert Maxwell, 87.

Refreshments were served by Mrs. L. Mason and Mrs. Babington.

Mrs. Irving Is Rebekah Lodge Noble Grand

OLENNS FERRY, Jan. 20—Mrs. Oral Irving was installed noble grand of Aileen Rebekah lodge, and Mrs. Lee Keiso, vice grand at the group's meeting.

Mrs. John Baple was installed junior past noble grand; Mrs. Wallace Rubocky, treasurer, and Mrs. Robert Robertson, recording secretary.

Installing officers were Mrs. William Hanson, acting as district deputy president, and Mrs. Addie Whitt, deputy marshal, assisted by Mrs. Lloyd Burgess, Mrs. Addie Tompkins and Mrs. Florence Greer. Officers appointed by the noble grand were installed.

Guests were Mrs. Lols Bayliss, Boise, and Mrs. Marsha Shriver, New Meadows.

A 15-year veteran jewel was presented to Mrs. Robert Robertson by Mrs. John Baple.

The noble grand announced her committees for the coming year. Plans were made for the assembly president's visit at the next meeting, to be preceded by a Swiss steak dinner at Hanson's cafe.

Refreshments were served by the hostess committee, Mrs. Oral Irving, Mrs. Florence Greer and Mrs. William Hanson.

Miss Carman, May Exchange Wedding Vows

First Christian church Star chapel, Boise, was the scene of the double ring wedding ceremony of Marilyn Jean Carman, daughter of Mr. and Mrs. Melvin Carman, Twin Falls, and Keith W. May, son of Mrs. Betty C. May, Boise.

For traveling the bride wore a two-piece walking suit of blue wool with black accessories and a corsage of five red rosebuds.

Out-of-town guests attended from Twin Falls, Hansen and San Francisco, Calif.

A miscellaneous shower was held for the bride at the home of Mrs. Charles Carman, Boise.

Mrs. May, a 1962 graduate of Boise high school, is a sophomore pre-law student at Boise Junior college and is employed at Kinney's Shoe store. The bride, a 1963 graduate of Twin Falls high school, is a sophomore business student at Boise Junior college and is employed as a secretary in President Chaffee's office, Boise Junior college.

The couple resides at 1010 North 24th, Apartment 4, Boise.

Matron of honor was Mrs. Charles Carman. She wore a mint-green street-length dress enhanced with a corsage of white rosebuds. Best man was Charles W. May, brother of the bridegroom.

Best man was Robert Mortinson. Traditional organ music was played by Mrs. Cameron. Ushers were William Kennedy and Lynn Johnson. Susan Carman, sister of the bride, was in charge of the guest book.

The reception was held in the fellowship hall of the church immediately following the ceremony. A three-tiered white cake with pink rosebuds and silver leaves was centered on the bride's table. The cake was topped with two white frosted bells backed by white lace and pink lilies of the valley. Pink candles flanked the cake.

The cake was cut by Linda Morgan and served by Mrs. Elva Knapp. Helen Carman poured the coffee and Lily DeCler served punch.

WCS Program Is Presented

RICHFIELD, Jan. 20—Rekindling life through prayer was the Women's Society of Christian Service program presented by Mrs. Robert Hoodenpile at the meeting at the home of Mrs. R. J. Lemmon.

Individual experiences were read by Mrs. Lester Ward, Mrs. C. M. Pridmore, Mrs. Albert Peley, Mrs. J. S. McIntosh and Mrs. Tillie Ponton.

Mrs. R. J. Lemmon conducted the devotional service, discussed medicare and read a humorous New Year's recipe. Dimensions of prayer were given by Mrs. Blanche Fiveland and Mrs. Pridmore.

Mrs. Pridmore gave the treasurer's report and 12 pair of pillow cases were purchased for bazaar making. Ten sick calls were reported made. Mrs. Luda Hansen was co-hostess.

The Tuesday meeting will be at the home of Mrs. Edward Schister.

Program Plans Made by Group

KING HILL, Jan. 20—Program plans for 1965 were made at the home of Mrs. Glenn McCleary when Home Improvement club members met for their first meeting of the year.

Mrs. Kenneth Ruby, home extension agent, assisted with the planning and succeeded lessons available. Mrs. McCleary, president, named the committee to help with the program books. They include Mrs. Anabel Criley, Mrs. Betty Allen and Mrs. John Davis.

Mrs. Robert Robertson is hostess for the February meeting at her home. Mrs. McCleary served refreshments.

Ladies of Elks Have Program

Willa Dean Nelson's school of dance provided the entertainment for the program at the Ladies of Elks meeting held at the lodge hall.

Spice at table went to Terri Thornock. Miss Physical Fitness Mrs. Thornock gave a talk on how she was chosen Miss Physical Fitness of the United States and gave demonstrations of exercises she had to perform.

Mrs. Thomas Wilkins presented exercises to new members, Mrs. Steve Olsen, Mrs. Steve Jensen and Mrs. Clifford Ed Johnson.

Refreshments were served by Mrs. Raymond Crumbless, Mrs. Lee Crumbless, Mrs. Richard Allen and Mrs. L. Dean Fenstermaker, chairman.

Magic Valley Young Wives Install Leaders

Officers were installed for the Magic Valley Young Wives at the Depot grill Caboose room. Mrs. Marvin Molyneux was installing officer and presented each officer a red rose.

Officers installed include Mrs. Ronnie Pope, president; Mrs. James Hall, vice president; Mrs. Kathryn Howard, secretary-reporter, and Mrs. Robert Moore, treasurer.

The rose was used to symbolize the deep loyalty each officer should have for the office of which she was elected. Mrs. Molyneux pointed out that it is the officer's responsibility to help build a fellowship of women devoted to the task of realizing ideals of personal and social living, to understand Jesus and His love for all people are to grow in the knowledge and love of God.

The group decided to have a box social for all women of the YWCA at 7:30 p. m. Feb. 9. Each person attending is to bring a box supper for one and it should be decorated in a Valentine motif.

Each box will be auctioned, with proceeds to go into the Magic Valley Young Wives fund to buy chairs and banquet tables for the YWCA building.

Mrs. Pope appointed Mrs. Hall and Mrs. Moore to be hostesses for the month of February. It was noted that anyone wishing to join the club, could contact Mrs. Pope at 733-1447, or Mrs. Moore at 733-1906.

Civil Defense Program Given For Auxiliary

SHOSHONE, Jan. 20—A program on civil defense was presented by Lincoln County Extension Agent Ivan Hopkins at the American Legion auxiliary meeting.

Mrs. Luella L. Kinsey was program chairman and introduced the speaker. Members of the American Legion joined the group for the program.

Hopkins told of the role of civil defense in the Alaskan earthquake and general defense work. There is no civil defense director for Lincoln county at this time. Need for one was noted.

A round table discussion was held after the presentation by Hopkins.

The Rev. and Mrs. Paul Winkler presented members of the Baptist church Junior Sunday school in two choir numbers.

During the business meeting, Mrs. Mary Peffick was appointed to represent the auxiliary in investigating cost of putting new drapes in the hall. The American Legion and Rotary club will assist with this project.

Refreshments were served during a social hour.

OFFICERS for the Magic Valley Young Wives were installed in ceremonies at the Depot grill Caboose room. Shown, from left, are Mrs. Kathryn Howard, secretary-reporter; Mrs. Robert Moore, treasurer; Mrs. James Hall, vice president, and Mrs. Ronnie Pope, president. Mrs. Marvin Molyneux was installing officer. (Times-News photo)

Tangled Cord Not Cause of Kansas Crash

WICHITA, Kan., Jan. 20 (AP)—Air force investigators said yesterday strips of parachute cord were found entwined in one engine of a KC135 jet-tanker that crashed into a Wichita neighborhood. But they said the cords did not contribute to the crash.

Brig Gen. Murray A. Bywater, president of the investigating board said the cords became entangled in the engine after the crash, not before.

Saturday's accident killed 29 persons, including all seven of the plane's crew and 22 residents of the northeast Wichita area.

An Oklahoma City newspaper reported in a copyrighted story that parts of a parachute were wrapped up in the engine.

Bywater said the cords were not hooked into the jet engine and did not cause the crash.

"The parachute reportedly attached to one of the jet engines was upon investigation at Tinker air force base found to be pieces of parachute nylon cord," Bywater said.

"These cords became entangled on portions of the aft section of the engine as it was extracted from the ground during salvage operations and thus could not have contributed to the accident," Bywater said.

The statement did not indicate how the cords got into the engine.

85 Attend Burley Meet

BURLEY, Jan. 20—About 85 persons from throughout Magic Valley and Boise, Pocatello and Salt Lake City attended the electric heating school Tuesday at the Ponderosa Inn.

Guy Hughes, Idaho Falls, Bonneville power administration official, introduced Mayor M. C. Crouch, who welcomed the group which included electric utility personnel, electric contractors, heating contractors, electric heating equipment dealers, home builders and insulation installers.

Towns represented were Rupert, Heyburn, Burley, Hazelton, Malta, Jerome, Declo, Oakley, Twin Falls, Shoshone, American Falls, Boise, Pocatello and Salt Lake City.

Speakers included Eugene Rogers, Portland, power utilization engineer; Richard O. Nyland, Portland, BPA; Gale Y. Anderson, Pocatello, and Wallace Ross, Seattle, General Electric company.

Harry D. Watson, Salt Lake City, Honeywell, Inc., specialist in automatic electric heating controls, concluded the heating school lecture. A question period was held after each lecture.

Pair Honored

FAIRFIELD, Jan. 20—Mr. and Mrs. M. L. Daniel have been awarded a bronze plaque by the Western Auto Supply company for having served 10 years in their town as a Western Auto dealer.

The award was made last week-end in Salt Lake City at a banquet at the Hotel Utah Motor lodge in conjunction with the spring merchandise show. Most dealers from Magic Valley attended.

OFFICERS WERE INSTALLED Tuesday noon at Koto's restaurant by the Twin Falls Committee for Employment of the Handicapped. Arizona Man Arrested on U.S. Charge

William George Delaney, 40, Scottsdale, Ariz., was arraigned Tuesday before a U. S. commissioner in Twin Falls on charges of unlawful flight to avoid a felony charge of auto theft.

Delaney was arrested in Twin Falls by city police and accused of attempting to steal license plates off a pickup truck owned by Franklin Murray.

Police Chief M. Frank Barnett said Wednesday that Delaney is wanted in several states for auto theft.

According to Chief Barnett, Delaney would rent a car then keep it for a long period of time.

He allegedly rented a car in El Paso, Tex., and abandoned it in Atlanta, Ga., where he again rented another vehicle then abandoned it later.

The Missouri highway patrol also wants Delaney on a charge of auto theft, Barnett reported. Sarasota, Ariz., and Fresno, Calif., authorities also want Delaney on charges of auto theft.

Barnett noted, although Delaney claims the charges in those two cities were cleared up.

The vehicle Delaney was driving when he was apprehended in Twin Falls apparently was one he rented for "four days" last spring, Barnett added.

El Paso authorities will notify Twin Falls department of their warrant and Delaney probably will be returned to Texas.

TV Sets

BOISE, Jan. 20 (AP)—Television sets were installed in the Idaho house of representatives and senate where legislators watched President Johnson's inauguration.

House Minority Leader Darrell Manning, D., Banock, made a brief address before the house recessed for the inauguration.

Officers Are Installed by Employ Handicapped Unit

The Twin Falls committee for Employment of the Handicapped met Tuesday noon at Koto's restaurant to install officers and have a general business meeting.

Job development plans were presented by Larry Huser, assisted by chairman, C. E. Bossard, to make personal contacts with employers in an effort to secure jobs for handicapped persons in the community.

In a discussion of the essay contest for high school junior and senior students, it was noted there was excellent participation from Kimberly, Buhl, Piler and Twin Falls high schools. Judging will begin soon under the direction of BET Lasso, committee member.

Guests at the handicapped meeting were William Gard, Burley, mail-office counselor, employment security agency, and Joseph Coates, a handicapped applicant seeking employment.

Future Events Planned by FFA

HARGERMAN, Jan. 20—Dates for coming judging events were reported at the regular meeting of Future Farmers of America Monday evening, according to Tony Anderson, president.

A meat, cooperative and dairy judging contest will be held Jan. 27 at Gooding. The parliamentary public speaking contest will be Feb. 17 in Shoshone.

The Union Pacific railroad car, showing meat and beef products will be in Gooding Jan. 30. Darrell Hatfield is the local unit adviser.

Meeting Set

SHOSHONE, Jan. 20—A meeting is being held at 1:30 p.m. Thursday at the courthouse here to form the Lincoln County Extension Advisory Council.

Purpose of the council is to formulate and coordinate extension programs carried out by the county extension agent's office and to better utilize facilities available through the office.

Good Liquor

DUNDEE, Ill., Jan. 20 (AP)—Treasury agents said Albert Meers, 32, arrested at a still in his farm near Dundee, told them he didn't sell his products, and explained: "I drink most of it. The rest I put in my car. It makes the car run good."

Harry Elcock to Talk in Jerome

JEROME, Jan. 20—Harry Elcock, Ogden, vice president and agriculturist for the Amalgamated Sugar company, will be featured speaker during a meeting at 6:30 p.m. Thursday of the Magic Valley conference of the National Association of Bankers and Comptrollers at Woda cafe, Jerome.

Elcock, a former Twin Falls resident, will speak on "The Beet Industry."

Welding Repair Shop to Open

SHOSHONE, Jan. 20—A welding and repair shop is being opened here by Duane Hubbs. Headquarters will be the former Rawson Chevrolet building.

Hubbs is now taking orders for work he will be doing over weekends through his parents, Mr. and Mrs. Lorin Hubbs, north Shoshone. The business will be opened fulltime the latter part of February when he will move here from Twin Falls.

Hubbs has worked in this business for a number of years, having worked with the late W. A. Hall prior to his death.

Supper Held by Hagerman Group

HARGERMAN, Jan. 20—Orange members held a potluck supper preceding their meeting Monday evening with Master William Scruggs in charge of the business meeting.

Noy Brackett of the legislative committee asked members to discuss the state tax and budget as he will be in Boise to confer with Gooding county representatives. The unit agreed that the governor's budget is too high and that if more funds have to be raised, members prefer a sales tax rather than the proposed Farm Bureau plan.

Five tables of pinocle were played with Percy Pollard receiving high honors. Mr. and Mrs. Samuel Thornton were guests.

The next meeting will be Feb. 1.

Closure of 7 Hospitals Is Planned

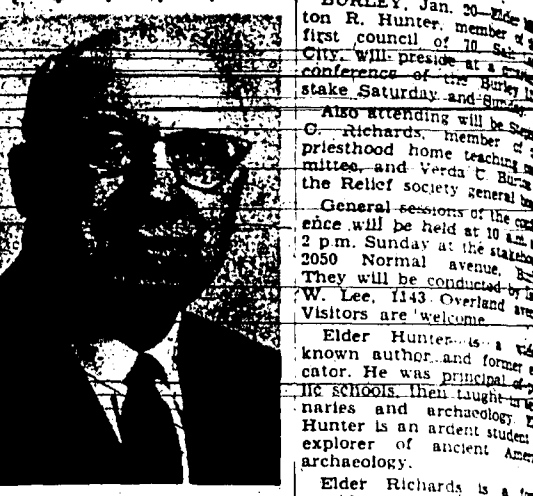

WASHINGTON, Jan. 20 (AP)—The public health service (PHS) plans to close seven general medical hospitals in the next few years.

The closures will involve about 1,500 employees, sources told UPI today. The hospitals involved are at Chicago, Memphis, Tenn.; Savannah, Ga.; Boston; Norfolk, Va.; Galveston, Tex., and Detroit.

Closing the hospitals, which treat certain beneficiaries specified by congress, would leave five PHS general medical hospitals still operating. They are at Seattle, New Orleans, San Francisco, Baltimore, and on Staten Island, N. Y. These hospitals will be expanded.

The Chicago and Memphis hospitals are expected to be closed this year, Savannah next year, and Boston, Norfolk and Galveston by mid-1967. The Detroit installation is expected to be shut down in 1968 or 1969.

His father's '65 Ford.....rides quieter than his father's Rolls-Royce

We know it's hard to believe a Ford could ride quieter than the famed Rolls-Royce. But it's a fact. Leading acoustical consultants conducted tests in which three V-8 powered Fords (Galaxie 500 Sedan, new Galaxie 500/XI, and LTD Hardtops) with automatic transmissions rode quieter than a new Rolls-Royce. The tests were certified by the U.S. Auto Club. Of course, the best test of all is to get behind the wheel yourself... and listen to a '65 Ford in action.

That's what Chuck's father did. Ford's quietness really impressed him. But it wasn't the quietness alone that sold him. He shopped around and found that Ford offers features and models and quality that simply aren't matched by other cars in its class. For example:

- 100% new body—strongest Ford body ever.
- New frame "tuned out" vibration.
- Decorator-appointed interiors in LTD's, thick nylon carpeting.
- More luggage space than in most competing cars—trunk holds four 2-suiters standing upright with room left over.

There's more... much more in a Ford than you'd expect for the money. Visit your Ford Dealer and take a test drive soon.

Some, but Not All, Taxes Deductible From Income

By RAY DE CRANE
Newspaper Enterprise Association

Many taxes on property, interest, dividends and alcoholic beverages and fees paid for auto license and drivers' licenses.

The treasury department also has reviewed the sales tax allowances in the 38 states having state, county or city sales tax. For each state internal revenue service now has a chart showing the optional amount of sales tax which may be deducted without any proof being required. These automatic allowances are based upon total income and the number of persons in the family.

In most of the state the sales tax allowances for 1964 returns are as liberal as those permitted in former years. There is no saving grace. Unlike the experience of post-war IRS will permit taxpayers who purchased an automobile in 1964 to deduct the allowance in the state schedule for sales tax the amount of state sales tax paid on an auto purchase.

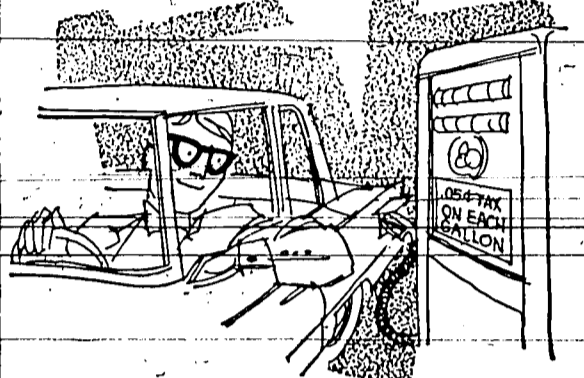

This probably will mean that the taxpayer who buys a car every year or two will have in the aggregate a higher allowance for sales tax than formerly. Those who buy a car no more often than every three years will have a smaller deduction.

Also deductible in the tax column are real estate taxes (but do not include special assessments for roads or sewers), state and local gasoline taxes, state and local income taxes and personal property taxes which many states have on investments and revenue-producing securities.

It is well to remember that NO federal taxes such as those based on transportation, utilities, admissions and the various license taxes are deductible.

Here is the gas tax for the various states:

Five cents—Illinois, Kansas, Missouri, Texas, Wyoming.
Six and one-half cents—Massachusetts.
Six cents—Arizona, Colorado, Connecticut, Delaware, District of Columbia, Idaho, Indiana, Iowa, Michigan, Minnesota, Montana, Nevada, New Jersey, New Mexico, New York, North Dakota, Oregon, South Dakota, Utah, Wisconsin.

GASOLINE TAXES are deductible, but amount varies by state.

Six and one-half cents—Arkansas, Georgia, Vermont.
Six and fifty-eight hundredths cents—Oklahoma.
Six cents—Alabama, California, Florida, Kentucky, Louisiana, Maine, Mississippi, Nebraska, New Hampshire, North Carolina, Ohio, Pennsylvania, Rhode Island, South Carolina, Tennessee, Virginia, West Virginia.
Seven and one-half cents—Washington.
Eight cents—Alaska.
Maryland was six cents to June 1, 1964, seven cents thereafter.

Former Idaho Governor Is Doctor for Legislators

BOISE, Jan. 20 (AP) — "Old Doc" Robins is handy with a prescription whether its for legislative advice, flu or nerves in the 38th Idaho legislature.

The doc is former Idaho Gov. C. A. Robins who has mixed a country doctor profession with politics since 1938.

He began permanent head of the legislative primary four sessions ago after fully recovering from a near-fatal coronary. Since the session started Jan. 4, Doc Robins has dispensed pills to about 30 legislators, the common problems during the session are from the simple cold and nerves, which often require tranquilizers toward the end of the session.

"The thing that precipitates most of the trouble is someone with a good soups cold, then there's one respiratory after another," he said.

"A lot of these men are used to different climates than the hotels and the statehouse," he added. "The temperature is never right in the statehouse either overheated or the humidity is too high."

Contrary to his appearance, Gov. Robins is 80 years old. He is the second oldest living Idaho governor, a year behind retired federal Judge Chase A. Clark.

As Gov. Clark is the typical looking lawmaker with his flowing white hair, Gov. Robins is the country doctor to the legislature and peppy, grey and Maries in southern Idaho after bidding, with the time-trying the county Robins grows complexion of the north has delivered more than a thousand outdoors where he practiced medicine and represented constituents for nearly 50 years.

"It's the story of the old firehouse, bellow and go," he said. "I've had a lot of pleasure out of being a country general practitioner, legislator and governor."

Gov. Robins expects to run the legislative primary for many sessions to come. He retired from his own practice after the heart attack several years ago.

Reserve Units Abolished at U.S. Capital

WASHINGTON, Jan. 20 (AP) — The army, navy and air force yesterday abolished capitol hill units they have maintained for members of congress and their staffs who belonged to the military reserves.

The units wiped out were the congressional command and operations reserve group, the naval marine corps reserve company, the company 5-48 and the 4th air reserve squadron.

One of the best known members of any of the reserve groups at capitol hill was former Sen. M. Goldwater, R., Ariz., who participated in the 9999th reserve major general in the air force.

Present congressional reservists include army Maj. Gen. Robert L. Stutz, D., Fla., and air force Gen. Howard W. Cannon, R., Nev. Both are senators.

There are several navy captains.

Yesterday's action was in line with Defense Secretary Robert S. McNamara's announcement last week that certain persons holding key jobs in the judicial, executive and legislative branches should be transferred from the reserve to the standby reserve.

Ready reservists usually are in organized units and may be called to active duty by the President. Standby reservists can be called up only on congressional authority.

Of 150,000 federal employees in the standby reserve, McNamara has said several thousand would be able to serve in the forces in time of mobilization because civilian positions were more important to national security.

Masterpoint Is Played by Club

Winners are reported for the Junior Duplicate Bridge club which met Monday afternoon at the Episcopal church for masterpoint play.

Arrestment In Rights Murder Set

MERIDIAN, Miss., Jan. 20 (AP) — A federal judge has set Jan. 27 for arraignment of 18 men charged with conspiracy in the murder of three civil rights workers.

U.S. district Judge Harold Cox, who will preside at the trial, ordered defense lawyers to get their various motions on file by next Monday. A hearing on them will be held Jan. 26.

Action by the judge, a sharp critic of the civil rights drive, came after several conferences in Jackson yesterday with John Doar of Washington, chief of the justice department's civil rights division.

Doar has been in Jackson since he assisted in presenting the case to the 23-member federal grand jury that later indicted 18 men on the conspiracy charges.

Two of the men — both reported to have given confessions to the FBI — were arrested and freed on \$5,000 bond.

Horace D. Burnette, 25, surrendered to an agent in Shreveport, La. James E. Jordan, 38, was picked up in Atlanta, Ga. They are former Meridian residents.

The three civil rights workers were killed near Philadelphia last June 21 in what the FBI calls a Ku Klux Klan plot. They had driven from Meridian into Neshoba county to investigate the burning of a Negro church.

They were Michael Schwerner, 24, and Andrew Goodman, 20, both white New Yorkers, and James Chaney, 34, a Mississippi Negro.

The FBI accuses the men of actually plotting to intercept the men and kill them. It includes Burnette, Jordan and Neshoba county Deputy Sheriff Cecil Price, 26, Philadelphia.

Sharp Enters Plea of Guilty To Four Counts

Jack Dean Sharp, 25, 1412 Fourth avenue east, pleaded guilty to one count of assault with a deadly weapon and three counts of malicious destruction of property when he appeared before Eleventh District Judge Theron Ward.

Judge Ward ordered that Sharp be sent to the state hospital south of Blackfoot, for evaluation and treatment.

Sharp was arrested Dec. 26 after he threatened Julie Campbell, 20, 1843 Maple avenue with a knife. Miss Campbell was reported not injured by Sharp who was apparently frightened away by an approaching friend of Miss Campbell's.

On Dec. 28, Sharp was arraigned for the one felony charge of

Local CAP Cadet Squadron Honored as Best in Idaho

Twin Falls cadet squadron has been selected by the Idaho wing of the civil air patrol as the most outstanding cadet squadron in Idaho.

A traveling trophy, an airplane propeller with an engraved plaque, was presented at the cadet squadron meeting Monday night.

The award was presented by Col. Dwight Shaw, Idaho wing commander of the cadet squadron.

The award was made on the basis of outstanding performance during 1962 in the fields of an average enrollment of 40 cadets, a high average of attendance, invaluable assistance to the Idaho wing and community, and a total

Tax Repeal on Oleomargarine, Cigarettes Eyed

BOISE, Jan. 20 (AP) — A move to repeal taxes on oleomargarine and cigarettes if a three per cent sales tax is approved has "not caught fire," according to the chairman of the house revenue said committee members had discussed the proposal briefly but generally felt the proposed sales tax would not bring in sufficient extra money to "allow relief in these areas."

Rep. Arvill Millar, R. Bingham, cussed the proposal briefly but generally felt the proposed sales tax would not bring in sufficient extra money to "allow relief in these areas."

Between them, Millar said, the oleomargarine and cigarette taxes bring in more than eight million dollars a year.

He urged all aliens who have not yet complied to go as soon as possible to the nearest postoffice or immigration and naturalization service office.

Parents or guardians must file the report for alien children under 14 years of age.

Hoffeller said the address report is required each year from all aliens except those in diplomatic status, representatives of certain international organizations and persons admitted temporarily as agricultural laborers.

Red Badges

BOISE, Jan. 20 (AP) — Opponents of Idaho's controversial reapportionment memorial showed up in the state house of representatives yesterday wearing "red badges of courage."

Rep. Herman McDewitt, D. Bannock, leader of the fight against the memorial, presented the red carnations to the 14 Democrats and 10 Republicans who voted against it.

McDewitt, author of the Idaho reapportionment suit, was also unsuccessful in his efforts to have the memorial set aside indefinitely.

The memorial, passed by the senate last week, was approved in the house by a vote of 54-24.

Brushfires in Australia Kill 8

MELBOURNE, Australia, Jan. 20 (AP) — At least eight persons were reported killed yesterday in a series of brushfires sweeping across thousands of acres of farm and grazing land in southeastern Australia.

The victims included a family of seven whose stationwagon was engulfed by flames as they tried to escape the area.

Bill Planned to Abolish Gooding State Hospital

BOISE, Jan. 20 (AP) — An eastern Idaho senator said yesterday he will have a bill drawn up that would abolish the state tuberculosis hospital at Gooding.

Sen. Jack A. Wood Jr., D. Bonneville, said the cost of the hospital is excessive. He said the one million dollars spent on its operation during the current biennium could better be spent on education.

In his budget message, Gov. Robert E. Smylie suggested the expenditure of 56.3 million dollars in state aid to public schools this compares to the present annual figure of 40 million dollars.

Wood said there is a group in the legislature which is trying to cut the suggested appropriation for public schools. He said the legislators who are in the group will "refuse again to face up to our real responsibility here in this legislature."

Wood contended the per patient cost of operation at the hospital is excessive. He said the hospital had 103 employees two years ago to care for an average patient load of 55 — almost two employees for each patient.

The state spent \$34,000 per year for staff doctors' salaries but has to hire physicians on a contract basis to perform operations at an additional cost of over \$18,000, Wood said.

He said the hospital could be done in private hospitals or "even

In Arizona hospitals specifically designed for purpose.

Wood said he is not "get with it" committee wants to "cut where needed" particularly in public schools higher education.

Action on Resolution

HOUSE, Jan. 20 (AP)—The senate legislative action yesterday on a resolution authorizing the house revenue and tax committee to spend \$7,500 on a committee of experts to aid in drafting tax legislation. The resolution was approved by the senate 77-0. The chairman, James McClure, said the committee, Rep. Arthur Hays Sulzberger, gave the committee that none of the money would be used to pay for the group's expenses. The chairman said last week his committee would hold a number of hearings over the state to determine the grassroots sentiment on the issue.

House Okays Memorial on Road Plan

BOISE, Jan. 20 (AP)—The house of representatives approved unanimously yesterday a memorial asking congress to include U.S. highway 90 in its proposed expressway program.

Rep. John A. Molyneux, R. Kootenai, who left the debate, said improvement of the highway from the Canadian border to the Oregon line would provide a much needed commercial route in north Idaho.

At present we can't even get Idaho potatoes to northern Idaho and I'm sure that if the route is improved southern Idaho growers will find a wide market for their products," he said.

Rep. Ar. Manley, D. Kootenai, complained that northern Idaho travelers often find it necessary to drive through Oregon or Montana to reach Boise.

Also speaking in favor of the memorial were Reps. Harold Snow, R. Latah; G. M. Brown, R. Canyon; Clay Sutton, D. Washington; Joe Preston, R. Cassia; and Edward V. Williams, D. Nez Perce.

The vote on the memorial which now goes to the senate for consideration, was 77-0.

Thanks for telling us, Dr. Fuddle!

It's nice to know that he's safe, but I could drain him for not calling!

He thinks it's agreeable to use the phone! Reax, Ned, and go to sleep!

Short Ribs

BEING AN EXECUTIONER MAKES ME VERY UNPOPULAR.

EVERYONE AVOIDS ME.

HELLO!

GOODBYE!!

Alley Oop

IF I HAD A BOY FRIEND WHO HAD A DINOSAUR LIKE YOU'VE GOT, I'D GET AWFUL MAD IF HE TOOK ANOTHER GIRL FOR A RIDE ON IT!

AW, MY GOSH, KOOZUH, THAT'S SILLY!

WELL, MAYBE, BUT I'LL BET YOUR OL' GIRL FRIEND WOULDN'T LIKE IT EITHER!

OOOOLA! AW, SHE WOULDN'T CARE...

...AS LONG AS TH' GIRL WAS JUST A KID... LIKE YOU!

Terry and the Pirates

BY ALL MEANS, MAJOR LEE! BETTER TAKE AN ARMED ESCORT THOUGH... EVEN IN BROAD DAYLIGHT.

HEY, TAD, WILL BE GLAD TO SEE YOU, WHATEVER PRESSURE IS SAPPING HER PEOPLE'S WILL TO FIGHT IS GETTING HER DOWN AS WELL.

...SOME THING'S HAPPENING ALL OVER YET NAM... STILL THIS VILLAGE IS RIGHT NEXT TO THE AIR BASE... WONDER IF SECOND SIGHT RUNS IN SHAPPER'S FAMILY.

WHY DO MORE PEOPLE BUY At Union Motors WITH FULL CONFIDENCE
IF A LARGE SELECTION of cars to choose from is important to you... then Union Motors is the place to buy your car. Shipping is best where the selection is greatest. Having a variety of models, makes and price ranges to choose from is important to every auto shopper; yet the really important aspect is the quality of the cars. Any dealer can load up his lot with inferior and worn-out autos, but we demand that every car offered for sale be in first rate condition. Our selection is good and only good cars make up our selection.

'Paul Drake' Is Arrested After Crash

OXNARD, Calif., Jan. 20 (AP)—Actor William Hopper, who is detective Paul Drake on the "Perry Mason" television show, yesterday was free on bail following his arrest yesterday on suspicion of drunken driving.

Sheriff's deputies said Hopper, 41, was driving south from Oxnard when his 1967 model sports car struck a parked car. He was treated for arm cuts at Ventura county hospital before being booked.

Two Solons Oppose Aid To Indonesia

WASHINGTON, Jan. 20 (AP)—Sen. Russell B. Long, D. La., and Rep. Gerald Ford, R. Mich., indicated yesterday that they were opposed to giving U. S. foreign aid to Indonesia and the United Arab Republic.

The issue will come up when congress begins work on President Johnson's \$2.8 billion dollar foreign aid program, which is sent to the house and senate last week. The United States has been having policy differences with both countries in recent months.

Long, the new senate Democratic whip, said he thought he would vote against granting aid to the U. A. R. and Indonesia. He made clear he was speaking as a senator from Louisiana, and not as assistant Democratic leader.

Ford, the new GOP house leader, said he believed the Johnson administration bore "the burden of proof" to convince congress that all aid and assistance should not be cut off to both countries.

Johnson, in the foreign aid message, did not mention directly the controversy over the U. A. R. and Indonesia. However, in a general policy statement, he said that to effectively use U. S. aid, developing countries must mobilize their own resources, "and they need to avoid spending their resources on unnecessary armaments and foreign adventures."

Twin Falls, a senior at Idaho State university, has been designated as a distinguished military student. He received the honor for outstanding qualities of leadership, high moral character and for having a definite aptitude and interest for the military service. Having attained a military science advance course standing in the upper third of his class, and a overall academic standing in the upper half of his university class, he will be given the opportunity to apply for a regular army commission.

Calf Killed

DEULO, Jan. 20 — Mrs. Dale Kidd, 37, Deulo, was uninjured Monday morning when the 1963 Chevrolet she was driving struck and killed a calf on highway 30 two and one-half miles west of Deulo.

She told officers she was temporarily blinded by the lights of an oncoming vehicle at 8:45 a.m. Her car veered through a fence. Mrs. Kidd was en route to work at Burley.
