

Johnson Names Goldberg as New U.N. Ambassador

WASHINGTON (AP) — President Johnson named Supreme Court Justice Arthur J. Goldberg today to be the new U.S. ambassador to the United Nations. In a quickly arranged ceremony in the White House rose garden, the President, with Goldberg at his side, named his choice to succeed the late Adlai E. Stevenson. Goldberg said the message of Adlai Stevenson to the world must continue — man's ancient supplication to "grant us peace." And he promised to attempt to bring "the rule of law to relations between the various nations — it is that or doom and we all know that," Goldberg said.

Appointment Surprises U.N. Envoys

The selection came as a distinct surprise. Speculation had centered on the idea of a Cabinet reshuffle. Congressional informants said Monday Johnson might offer the U.N. post to Secretary of State Dean Rusk, and they thought Rusk might be receptive. Some of the talk revolved around the idea of shifting Secretary of Defense Robert S. McNamara to the State Department. Goldberg was the late President Kennedy's first appointment to the Supreme Court. Before that he served in the Cabinet as secretary of labor, after a long career as a labor lawyer. Borrowing words Thomas Jefferson spoke on a similar occasion, Goldberg referred to Stevenson and said: "I succeed him. No one could replace him."

Vietnamese Situation Worsening

SAIGON, Viet Nam (AP) — Defense Secretary Robert S. McNamara said today the Vietnamese situation has deteriorated in many aspects in the last 15 months, but the picture is not all black. Then he headed home from his five-day survey to report to President Johnson. McNamara said nothing in a news conference statement about expectations that this report will form the basis for a sizable increase in U.S. military strength in Viet Nam. An apparent attempt to assassinate U.S. Ambassador Maxwell D. Taylor, a savage battle at a garrison post near the Cambodian frontier and a second Viet Cong attack on the U.S. 1st Infantry Division's 2nd Brigade at Bien Hoa were among highlights of the day. Four suspects, including two boys, were reported arrested after discovery and disarming of a claymore bomb planted at the entrance of a stadium where Taylor and senior Vietnamese officials were attending a Unity Day celebration.

House Passes \$601 Million College Bill

WASHINGTON (AP)—A \$601-million higher-education bill was rammed through a House committee in 20 minutes under White House orders, Republican members of the committee said. The rush action was taken, they hinted in a minority report, so President Johnson could point to the accomplishment in a speech that night in a \$100-a-plate Democratic dinner. The bill in question, which would provide a broad new program of aid for colleges, including grants for needy students, was approved 21-2 by the education and labor committee June 24. The vote was taken at a hastily called meeting, late in the afternoon, with only four of the committee's 10 Republicans present. Two voted for the bill. The other eight Republican members noted that Johnson, in his speech that night, listed the reporting of the bill by the committee at the top of nine congressional accomplishments that day.

Probe Continues Into Plane Crash

MALTA—Investigation was continuing Tuesday into the crash Monday of a single-engine Beechcraft plane which killed a 56-year-old Salt Lake City man, Leonard M. Slusser, was killed about 11:15 a.m. Monday when the plane he was piloting spun out of the clouds, hit a mountainside eight miles southwest of here and burst into flames. A witness at Malta notified Cassia county sheriff's officers, who said Mr. Slusser was en route from Salt Lake City to Boise.

Formation of Urban Renewal Unit OK'd

Resolution No. 909 was adopted Monday night by the Twin Falls City Commission to establish an urban renewal commission. Egon Kroll, commission chairman, announced the appointment of Voy Hudson, chairman; Vernon Riddle, vice chairman; and Joe Gilek, L. James Koutnik and John Wolfe to serve on the board. The names were submitted by the City Commission, the Twin Falls study group and the Chamber of Commerce.

Military Pay Raise Bill OK'd By House

WASHINGTON (AP)—The House passed today a bill to give 1.6 million uniformed military personnel a \$1-billion annual pay raise. The Senate has not yet acted. As passed by the House, the raise would average 10.7 per cent, with low-ranking enlisted personnel averaging 13 per cent and officers 7.2 per cent. Debate on the measure, twice as costly as proposed by the Johnson administration, was concluded Monday with no spoken opposition. Only the fact that some members were in Illinois attending Adlai Stevenson's funeral held up its formal passage. House leaders put off the roll-call vote to protect the absentees who want to be on the record in support of the bill.

Enthusiast New York (AP) — A young paddle-board enthusiast, Larry Capone, 22, set out Monday to propel himself 1,054 miles down the Atlantic Coast to Cape Kennedy.

Capone entered the water at Coney Island shortly before noon. He drives his 18-foot board by using his arm as paddles. He hopes to make 30 to 40 miles a day, spending the night ashore, and reaching Cape Kennedy in about a month. Deputy Sheriff Wes Woodall said Mr. Slusser also had been missed when he failed to check in at the Federal Aviation Agency office at Burley according to his flight plan. Dr. Leslie Fillmore, Cassia County coroner, reporting results of an autopsy performed on Mr. Slusser, said there was no evidence of a heart attack. The body of Mr. Slusser, a distributing agent for Ideal Industries, Inc., Salt Lake City, was found still inside the burned wreckage after officers arrived at the scene. One wing and part of the tail section were located about a mile and a half west of the crash site. Jack Pierce, Malta, used a four-wheel drive vehicle to take Woodall and Cassia County Sheriff Ray Mitchell to within half a mile of the wreckage. The plane was registered to Mr. Slusser. At the request of the FAA, which is still investigating the crash, Sheriff Mitchell posted a guard at the wreckage, which has not yet been cleared away. Leonard M. Slusser was born Aug. 7, 1908, at Logan, Utah, and married Alice Kimball May 4, 1932, in the Salt Lake City LDS Temple. He was a World War II veteran, serving as a major in the signal corps from 1940 to 1946. He belonged to the LDS Church and at the time of his death served as high priest in the Yale ward in Salt Lake City. Survivors include his widow, two sons, Leonard Slusser and Heber Slusser, and one daughter, Mrs. Marion K. Lindsey, all Salt Lake City; one brother, Bert Slusser, serving on an LDS mission in England, and five grandchildren. The body will be sent to Salt Lake City by McCulloch Funeral home for concluding rites.

"Gang" Plots Crimes for T. F. Event

That notorious band of outlaws, the Frontier Gang, has been showing increased activity in the past few days and local law enforcement agencies have been alerted to be on the look-out for any of the gang members. The outlaws have been meeting at their hideout, Frontier Field, and have been making plans for crimes which will be pulled off prior to Frontier Days, July 24-Aug. 1. According to vigilante members, it is expected that the "long arm of the law" will catch up with some of the desperadoes, and the proper punishment will be meted out in old time style. Vigilante members are fast closing in on one of the well-known local desperadoes and hope to have him captured Friday evening. In this event, shopkeepers in downtown Twin Falls will get to see the results, which should prove exciting. After all this hard work, vigilante members will rest up Sunday and Monday and start on the gang's trail again Tuesday, hoping to provide excitement each day until Frontier See FRONTIER, Page 2, Col. 5

Sen. Dirksen Stops Action On Proposal

WASHINGTON (AP) — Sen. Everett M. Dirksen, R-Ill., reversed his field today and blocked action by the Senate Judiciary Committee on his proposed constitutional amendment on legislative reapportionment. The Senate Republican leader indicated that, with the committee apparently deadlocked, he will attempt to by-pass it and carry the issue directly to the Senate by offering his amendment as a rider to other legislation. Dirksen vowed last week to force a showdown on his proposed amendment at today's judiciary committee session. But, with three supporters of his proposal absent, he used up time arguing for it until the Senate met and the committee adjourned. Lack of a majority vote would block Dirksen from getting his plan before the Senate by the regular committee route. He indicated Monday he was prepared for that. DIRECTOR IS NAMED WASHINGTON (UPI) — The Senate Foreign Relations Committee today approved the nomination of Leonard H. Marks as director of the U.S. Information Agency (USIA).

Mariner 4 Is Relaying Last Of Pictures

PASADENA, Calif. (AP) — Mariner 4 forged well into the homestretch today in relaying to earth a possible 21 photographs of Mars — pictures of what some scientists thought could be vegetation. Jet Propulsion Laboratory Director William H. Pickering said the rest of the Mars pictures would not be made public for "a matter of weeks" after the last picture has been received next Saturday. The path of Mariner 4's fly-by past Mars last Wednesday indicated its eighth and subsequent pictures, taken less than 8,000 miles from Mars, might show dark areas which some experts think could be some form of plant life — though one unknown on earth.

Goods Purchased Out-of-State Will Be Taxed

BOISE (AP) — Idahoans who buy out-of-state in an effort to escape the sales tax were advised today they will owe a 3 per cent use tax on such purchases. Floyd West, state tax collector, said Idahoans must remit by Oct. 15 the 3 per cent tax on such purchases and must make monthly remittances thereafter. The tax applies, West said, on all purchases made by Idaho residents who have paid \$1 for permits to buy in Washington State without paying that state's sales tax. "Idaho residents making purchases on the \$1 Washington permit," West said, "should keep a record of all purchases made in Washington." "On Oct. 15 and every month thereafter, all these purchases must be reported to the Tax Collector's Office, Box 38, Boise, Idaho. Three per cent use tax on the total purchases must be paid at that time to the tax collector's office."

Senate-House Conferees Bogged Down

WASHINGTON (AP)—Senate-House conferees trying to work out a compromise Social Security health care bill bogged down Monday over some of the major issues in dispute. Sen. Russell B. Long, D-La., chairman of the Senate conferees, told newsmen neither side had shown a willingness yet to yield on the big differences between the branches. The conferees began work last Wednesday. The Senate made 513 changes in the bill previously passed by the House to increase Social Security benefits by 7 per cent and to establish a health care program for the elderly. Long said the conferees had resolved about 80 per cent of their differences, but he said not more than 25 per cent of the big issues have been settled.

Gov. Coleman Is Appointed To U. S. Court

WASHINGTON (AP) — The Senate Judiciary Committee approved, 11-2, today President Johnson's nomination of former Mississippi Gov. James P. Coleman to be a judge of the 5th U.S. Circuit Court of Appeals. Coleman's appointment, under heavy attack from some civil rights groups because of his segregationist record, was unanimously approved by a three-member subcommittee last week after two days of hearings. The nomination now goes to the full Senate for a vote at a later date. Atty. Gen. Nicholas Katzenbach asked Senate confirmation of Coleman's appointment to the 5th South appellate court that handles a heavy load of civil rights cases.

Tax Service to Suspend Action Alertness of Adults Saves Life of Scout, 16

WASHINGTON (UPI) — The Internal Revenue Service has agreed to suspend action against Indians held liable for back taxes on income from lands, according to Gale McGee, D-Wyo. McGee also said IRS Commissioner Sheldon S. Cohen has agreed to meeting with a group of western senators on the problem. He said the commissioner acknowledged there was "uncertainty in the law" in connection with Indian trust income.

Eaton to Reveal SU President

Idaho State University's new president was selected Monday night in a statewide telephone referendum of the board members, according to Curtis Eaton, Twin Falls, president of the board. The announcement will be made Tuesday afternoon or Wednesday, he said, after the board selected accepts the position and education officials are notified. Donald E. Walker, former president of the university, resigned last summer to accept a position in California. There were four candidates for the position—one from Idaho and three from out of state. AUTHOR DIES TORONTO (AP)—Franklin D. Rowland, 77, author and award-winning novelist, died Monday after a long illness.

BIRTH REPORTED BOSTON (AP)—Mrs. Eunice Kennedy Shriver, 44, wife of Peace Corps Director R. Sargent Shriver, gave birth to her fifth child—a boy—by cesarean section today. A spokesman at St. Elizabeth's Hospital said mother and baby were doing well.

Governor Greet Brazilian Unit

BOISE (AP) — A group of Brazilian legislators were greeted today by Gov. Robert E. Smylie, then discussed law-making with Idaho state legislators. The Brazilians are on a 35-day tour of the United States under sponsorship of the state department.

Results of Questionnaire By Rep. Hansen Reported

Results of a questionnaire sent some months ago to voters in the second congressional district by Rep. George Hansen, R., Idaho, are reported by the congressman. He said the response was 10 per cent and many comments written on the questionnaires were helpful and "show the people of my congressional district take a keen interest in current affairs and are well informed on them." Among the 30 questions on which voters' opinion was sought were those dealing with welfare plans, proposed national park, constitutional amendments, immigration, and negotiations with Viet Nam. Floodwaters Sweep Parts Of Missouri

By The Associated Press
Roaring floodwaters created by rains of more than 12 inches over portions of northwest and west central Missouri swept through a number of small towns north and east of Kansas City today. Several persons were reported lost or missing in the floodwaters overnight in the Smithville and Holden areas. Homes were washed off their foundations at Smithville and Edgerton and at least two house trailers were washed away at Riverside. The Clay County sheriff's office said rescue crews in boats were pulling stranded residents of the community of Mosby to safety from trees and rooftops. A number of roads throughout the area were under water and several bridges have been washed out. Hardest hit were the valleys of the Little Platte and Fishing River, blanketed by massive thunderstorms that began Monday and continued through the night. The Weather Bureau said the rain is expected to continue intermittently through tonight.

Police Crack Canadian Robbery Case

FORT ERIE, Ont. (UPI)—Police cracked a \$1 million Royal Bank of Canada robbery case Tuesday with the arrest of four men suspected as members of the gang who used diamond drills to open 400 safe deposit boxes last April 11. An alert track cashier at Buffalo Raceway in nearby Hamburg, N.Y., was credited by police with giving the tip-off that led to the arrest of one man in Hamburg and three others at the Fort Erie Hotel where all had checked in Monday. Police said the men had gone to the raceway to play the horses with some of their loot. Authorities said a fifth suspect was arrested recently in London, England, but no details were immediately available.

Syngman Rhee to Be Honored by South Koreans

HONOLULU, Hawaii (AP)—Funeral services will be held here Wednesday for former South Korean President Syngman Rhee, after which his body will be flown to his homeland for a "people's funeral." The South Korean government decided today to honor the "Tiger of Korea" with the funeral, a ceremony ranking second only to a state funeral.

The cabinet decision recognizes Rhee's devotion to Korean independence and his "brilliant struggle against communism," said Hong Chong-chul, Korean information minister. The services Wednesday will be in a small Honolulu church Rhee helped found 47 years ago.

Dates Approved For Jerome Race

BOISE (AP)—The Idaho horse racing committee reported Tuesday approval of a four-day night race meet at Jerome. The event is scheduled Aug. 12-15. Executive Secretary Ken Hammond reported. The committee elected Robert W. Green, Boise, as its new chairman, succeeding Arthur Oppenheimer Jr., also of Boise. Oppenheimer resigned and Green was appointed to succeed him as a member of the committee, then was elected chairman of the group.

POSTPONEMENT SOUGHT WASHINGTON (AP)—The Organization of American States may postpone its Inter-American conference planned for Rio de Janeiro, Brazil, starting Aug. 4.

Weather, Temperatures

MAGIC VALLEY — Partly cloudy tonight and Wednesday with scattered showers of thundershowers, mostly in evenings. A little cooler Wednesday. High in 80s, low 56 to 63, except Camas Prairie highs in 90s, lows 42 to 48. Outlook for Thursday is partly cloudy with showers and cooler. Temperatures at 8 a.m.: 62 at Jerome, 68 at T.F. Weather Bureau with 68 per cent humidity, 67 at Rupert, 51 at Fairfield, 66 at Buhl, 64 at Castleford, 67 at Wendell and 70 at King Hill; at noon, 78 at T.F. Weather Bureau with 47 per cent humidity, Barometer: 29.99. Soil temperatures: At Twin Falls, four-inch 60, eight-inch 63, 20-inch 69 and 36-inch 69; three-inch level: At Buhl, 68; Wendell, 77, and King Hill, 78.

SYNOPSIS AND AGRICULTURAL SUMMARY Low pressure at the surface with its associated cold front still rests in Idaho as little movement has been associated with the surface systems. Moisture coming from the south has been in large enough amounts to set off showers and thundershowers with the greatest concentration of moisture in the Southeastern Idaho valleys.

Heavy amounts of rain fell in those valleys again yesterday afternoon with Pocatello measuring .98 of an inch, Rupert .541 of an inch, Aberdeen .48 of an inch and Burley .46 of an inch for some of the heaviest amounts. Rainfall amounts tapered off moving westward across Magic Valley with only a few sprinkles falling in the western end. Boise was the only reporting point in southwestern valleys to record and precipitation and that was only a trace.

Moisture ahead of the front continues to slip in from the south but behind the front the air flow is drier. Partly cloudy skies will continue over the valleys of Southern Idaho today and Wednesday with scattered showers and thundershowers possible in the afternoon and evenings. The southeastern valleys will again be subject to the heavier shower activity. Cooler air moving onto the west coast along with the eastward movement of the low pressure aloft should bring drier air into our valleys on Thursday with shower activity remaining more in the mountain areas.

Along with the drier air will be colder air with daytime temperatures expected to lower in southwestern valleys on Wednesday and over all valleys of Southern Idaho on Thursday. Little change in temperatures is forecast for today. Maximum temperatures today will be in the upper 70s and into the 80s and on Wednesday from the upper 70s to mid 80s. Minimum temperatures tonight will range mostly in the 50s to a few lower 60s.

Field work and haying operations will continue to be delayed in southeastern valleys due to already wet fields in some areas and the continued prospect of scattered showers in other areas today and Wednesday. In southcentral southwestern valleys less delay is being experienced except in the eastern end of Magic Valley. Second cutting of alfalfa and harvest of winter wheat in southwestern valleys can continue to make some progress.

First Born PITTSBURG (AP)

James Campbell, 41, was arrested when he refused to stop blocking traffic and then gave police trouble before being removed. Campbell told a police magistrate Monday he had over-imbibed while celebrating the birth of his first child—a daughter—in 19 years of marriage. The charges were dismissed.

Idaho Honored By Certificate For Auto Safety

BOISE (AP)—Gov. Robert E. Smylie accepted today a certificate honoring Idaho for its achievement in safety. It was presented by the Western Insurance Information Service, which noted that Idaho ranked second in the west in its safety record.

Smylie said that a year ago he accepted a third place certificate and added: "It will be an even greater honor next year when we accept the first place recognition plaque." Smylie noted that although the traffic toll now is greater than it was 30 years ago the death rate is considerably less.

New Campground Opens at Salmon

SALMON—A new public campground at the edge of the Idaho Primitive Area will open here this week with completion of installation of 29 family camping units including grills, tables and fire circles. The campground is at the end of the Salmon River Road at Corn Creek and is operated by the Forest Service. Also available in the area is a transfer camp for handling up to 20 head of horses or loading or unloading for trips into the primitive areas north and south of the river.

Student Injured In Auto Mishap

An Idaho State University student, Ronnie Carter, 26, Pocatello, was reported in good condition Tuesday morning at Magic Valley Memorial Hospital where he is recovering from injuries received in a one-car accident near Hollister Friday night. Carter was driving a 1953 MG sports car on U.S. 93 about two miles north of Hollister when he failed to negotiate a curve. The sports car struck a culvert and rolled over, causing about \$1,000 damage to the car.

Vacation Bible School Planned

HAILEY — Vacation Bible School for the Community Baptist Church will be held at 9:30 a.m. for weeks beginning Aug. 2 through Aug. 13, Monday through Friday, in the church annex. "My Saviour Teaches Me" will be the theme. Classes will be for children from 4 years of age through last year's sixth graders. Bible study, handicraft and recreation is planned by the staff.

Major General Takes Command

WASHINGTON (UPI)—Major Gen. Tom V. Stayton, a 1931 graduate of West Point, took over command as deputy commanding general and chief of staff of the Army Air Defense Command. Stayton will succeed Major Gen. D. B. Johnson who is leaving the ARADCOM center for Taiwan to become chief of the Military Assistance Advisory Group to the Republic of China.

Problems of "Little People" Are Discussed at Convention

GLOUCESTER, N.J. (AP)—Did you ever visit a hotel and find the shower spigots too high? Or have you tried to make a telephone call and found the mouthpiece too far above the floor? Most likely not. But then, you're probably not one of the "little people." Some 250 persons were expected today for the seventh annual convention of Little People of America Inc.

Frontier

Days comes to a close with the rodeo July 31 and Aug. 1. Sixteen queen contestants will be competing for the crown and prizes, will be judged on horsemanship at 1 p.m. Sunday, rather than going through lengthy maneuvers before rodeo crowds. Some of the top cowboys in the Northwest will compete for prize money on Jake Pope's Spur Rowel rodeo stock. The rodeo will begin both nights at 8 p.m. With a sharp bunch of vigilantes after the Frontier Gang, Magic Valley residents should be well aware of Frontier Days by the time July 31 rolls around, and committee members for the show, sponsored by the Frontier Riding Club, hope the week's antics will put everyone in a proper mood to enjoy the rodeo, parade and other activities.

Alertness

(Continued from Page One) he decided to leave immediately and see if the boy could be brought out before nightfall. Although the nature of the boy's illness was not then known the possibility of a ruptured appendix was felt to be great enough to warrant the flight. Butts was accompanied on the flight by Ronald Masoner, CAP operations officer and manager of West Coast Airlines in Twin Falls.

While Butts says that the field at the Flying B ranch is "Not a field for an inexperienced pilot," Butts and Masoner left Twin Falls at about 5:15 p.m. and returned here about 8:15 p.m. Sunday. Nelson was taken to Twin Falls Clinic Hospital where he was operated on for a ruptured appendix about 9:20 p.m. Sunday. Nelson was listed in good condition at the clinic hospital Tuesday.

Mazzone said the doctors felt that Nelson's life was saved by only a "matter of an hour or two." The constant safety precautions of the Scout organization, including five telephones along the route of the White Water trips and the attention paid to any illness, no matter how minor it may seem, and the willingness of Major Butts to be of service made the "hour or two" difference that saved the boy's life, Mazzone said.

Watermaster reports: Cut off 40 per cent of 1967 rights on Henry Fork and Fall River on July 15. Filled part of Aug. 6, 1920, right on main river and Teton River. The 1916 rights will be cut on July 21 in upper valley.

Series of Satellites Is Launched

CAPE KENNEDY, Fla. (AP)—Two SENTRY satellites and a tiny Pygmy satellite vaulted skyward today in a step toward development of a system to detect secret nuclear explosions anywhere from the surface of the earth to 200 million miles in space.

The launch had been scheduled Monday but delayed by mechanical troubles. The trio of radiation-sensing payloads rode atop an Atlas-Agena rocket which blazed brilliantly into the early morning darkness at 3:27 a.m.

The Air Force said the three satellites had been drilled into separate egg-shaped orbits within 10 minutes. Preliminary orbital figures showed the satellites were higher than planned, but the Air Force said it still was pleased. It said the satellites went into a highly elliptical orbit ranging from 132 miles to 69,570 miles from the earth. The planned orbit was from 121 miles to 63,250 miles.

Second

HAILEY—Mrs. H. T. Bickett, chairman of the Blaine county 1965 cancer drive, has received word the county is in second place for donations, with Camas topping the list. The county goal for the fund drive was \$1,050 and Mrs. Bickett has turned in \$1,370.72 to date.

Survey

(Continued from Page One) each state to determine whether or not both houses of its legislature should be apportioned solely on the basis of population. Reaction was about evenly divided on whether or not immigration laws should be changed from the present national origin quota system to a system based on job skills.

The question on whether to establish a comprehensive medical, surgical and hospital benefits plan under state administration 65 and over with voluntary, private insurance—and with premiums subsidized according to need—was answered 50 per cent yes, 38 per cent no and 10 per cent no opinion. Sixty-one per cent favored federal government financial assistance for local secondary and elementary school construction, but 74 per cent were against such assistance for local teachers' salaries, while 20 per cent were for it.

\$2.1 Million Apportionment Is Announced

BOISE (AP)—Apportionment of \$2.1 million in highway user tax revenue to cities and counties was reported today by State Auditor Joe R. Williams. He said warrants will be mailed Wednesday. Of the total, \$1,794,053 goes to the counties and \$316,597 to the cities. The distribution represents the allocation of revenue for the three-month period ended June 30.

Flags Raised At Scout Roundup

FARRAGUT, Idaho (AP)—Flags fluttered at the tops of flagpoles at the 1965 Girl Scout senior roundup today for the first time. They have been flying half-staff since the death of Adlai Stevenson last week, a day before the encampment opened. The scouts are flying 193 flags including those of all 50 states and 68 foreign countries. There are 292 girls and 2 buglers for the daily flag ceremonies.

Drug Reports Ordered By Government

WASHINGTON (AP) — The government called on the pharmaceutical industry today to furnish reports on the delay and effectiveness of 290 drugs which were originally cleared for safety between 1939 and 1963.

George P. Larrick, commissioner of food and drugs, made the demand in a letter to the Pharmaceutical Manufacturers Association in which he said the list includes two sulfa drugs labeling has been outdated since mid-1940s.

The letter was another round in a controversy in which the association and 41 individual drug companies went to court a year ago. The case is pending.

They are contesting a regulation calling for periodic reports on all drugs originally cleared for safety before a new law went into effect in 1962. They contend these are "old drugs" and that the regulation treats them as if they were "new drugs."

The association reportedly has advised its member companies not to provide the data pending adjudication of the suit.

Probation Is Rejected by 15 Students

BERKELEY, Calif. (AP) — Probation terms that would prohibit participation in "sit-ins, walk-ins, stand-ins or lie-ins" for varying lengths of time have been rejected by 15 defendants in the University of California sit-in trials.

Another 17 of the 62 defendants sentenced Monday said they want time to think over the probation terms set down by Berkeley Municipal Judge Rupert Crittenden.

In the next two weeks Judge Crittenden is to sentence 591 more defendants arrested on charges of trespassing, resisting arrest, or both, in the Berkeley campus administration building sit-in the night of Dec. 2-3.

Most of the 62 who faced Crittenden Monday received fines of about \$150, suspended jail sentences and probation.

The demonstrators occupied Sproul Hall to protest what they considered infringement on their right of free speech—in the form of political advocacy—by the university administration.

Shed Burns on Ranch at Buhl

BUHL—Damages were estimated at \$200 from a fire at the Doyle Anderson Ranch, six and one-fourth miles northeast of Buhl, when a small shed was destroyed around 11:30 p.m. Sunday.

Buhl volunteer firemen were able to control the blaze and keep it from doing extensive damage to a larger straw shed located nearby. Animals in the larger shed were removed as the structure was threatened and partially burned.

The Andersons were asleep when the fire broke out. A neighbor, Russell Wilson, discovered the blaze and alerted the local fire department. Cause of the fire was undetermined.

Buhl Class of 1925 Sets Fete

BUHL—The Buhl High School class of 1925 will hold a class reunion Sept. 4 in Buhl.

Anyone having the address of Ruth Wilcox, Lois Martin or Viola Landis is urged to contact either Mrs. D. M. Cheney, Route 2, Buhl, phone 543-4039, or Mrs. John Hahn, secretary, 435 Pierce St., Twin Falls, 733-3864.

Mrs. Cheney, chairman of the planning committee, notes anyone who attended school with the class and would have graduated in 1925 is invited to the reunion and is to contact either Mr. or Mrs. Hahn for arrangements.

Idaho News

CONVICTION REVERSED
BOISE (AP) — A burglary conviction against a North Idaho man has been reversed by the Idaho Supreme Court and a new trial ordered.

It was in the case of Joseph Martin Bitz, who police said they found hiding on the roof of the Montgomery Ward store in Lewiston after a burglary.

Bitz appealed the district court conviction on grounds he had filed notice of prejudice against Judge John W. Cramer but the judge did not disqualify himself. The Supreme Court also ruled that evidence found in Bitz' car was improperly introduced in court because the car was searched without Bitz' permission or a search warrant.

CONSTRUCTION PLANNED
BOISE (AP) — A review of working plans for a new Idaho veterans home and consideration of drawings of the first phase of construction of the new Idaho State Penitentiary were on the agenda Tuesday at a meeting of the permanent building fund advisory council.

THEFT PROBED
BONNERS FERRY, Idaho (AP) — Boundary County authorities continued today their investigation of the Saturday night theft of \$3,500 from the IGA Bargain Giant Supermarket.

The culprit apparently hid in the store and broke open a safe after the store closed. A routine police check later in the evening led to discovery of the theft.

NO WORD
POCATELLO (AP) — City Commission Chairman Earl Pond said Tuesday he still has had no word from the Army Corps of Engineers concerning his protest over the Corps' insistence that the Carson Street Bridge be replaced or raised.

Early this month Pond sent letters of protest to members of the Idaho Congressional delegation and the district engineer for the Corps in Walla Walla, Wash.

Weeks ago the engineers told commissioners that in order to complete a \$5 million flood control project on the Portneuf River, the Center Street Bridge would have to be replaced and the Carson Bridge either elevated or replaced.

HIGHWAY REFUSED
BOISE (AP) — Clearwater County commissioners asked the State Highway Board Monday to take a section of rebuilt road from Kendrick to Ahsahka back into the state system but the board refused.

The county agreed to take jurisdiction of the road in 1957. Robert Christensen, assistant highway engineer, said county commissioners fear heavy maintenance costs due to slides.

BOY IDENTIFIED
BOISE (UPI) — The body of a man who apparently shot himself to death then fell in the swift Boise River was identified as John Riebe, Boise.

CONFERENCE HELD
POCATELLO (AP) — About 70 Future Farmers of America state officers from seven western states are attending a regional leadership training conference at Idaho State University today through Wednesday.

The states represented are: Oregon, Montana, Wyoming, Colorado, Utah, New Mexico and Idaho.

TOUR CONDUCTED
BOISE (UPI) — Five members of the Brazilian Congress are touring southern Idaho irrigation and agricultural projects.

The U.S. Senate Department is sponsoring the group's countrywide tour, arranged by the Governmental Affairs Institute.

CHAIRMAN REPLACED
BOISE (AP) — Boise attorney Robert W. Green has replaced Arthur Oppenheimer as chairman of the Idaho Horse Racing Committee, which oversees the state's pari-mutuel racing.

Police Probe Slayings in New York

NEW YORK (AP) — Police say they have no solid clue in the slayings of a blond boy, 5, and his sister, 4, both of whom vanished mysteriously six days ago from their mother's apartment.

The investigation was intensified after the discovery Monday of the blanket-covered body of a boy, believed to be that of Edmund Crimmins Jr.

His sister, Alice, was found last Wednesday with a pajama bottom wrapped around her neck. Preliminary investigation showed she had been strangled.

The boy's body was found by a passerby on an embankment near the World's Fair. A medical examiner said the child had been dead from three to five days.

Police said there were no tangible clues to the reported abductions.

VACATIONS
CASTEL GANDOLFO, Italy (AP) — Pope Paul VI has arrived in the Roman hill town of Castel Gandolfo to begin his annual summer vacation. He is reported to be tired and has been advised by his cardinals to rest.

Cleanup Day Is Slated at Hailey

HAILEY — Sunday will be cleanup day for the Hailey City Park.

The event is a joint effort of The Days of the Old West committee, the Wood River Jaycees and the Hailey City Council. A free barbecue for all who help will be served at 5 p.m.

Because of lack of funds in the city treasury the park has been neglected. Mayor George Allen said it is hoped that future city budgets will include an amount to keep the park in good repair.

FLOOD TOLL RISES
SEOUL, Korea (AP) — The official death toll in floods last week climbed to 207 today as reports came in from isolated areas.

Kind Thief

BUENOS AIRES, Argentina (AP) — Oscar Ramallo, 5, fell asleep in the back seat of his uncle's car. He woke up while a thief was driving off in the vehicle.

The thief stopped the vehicle, bought the boy some candy, then phoned the child's parents to tell them where they could pick up the missing boy.

Oscar was safely recovered, but police have found no trace of the car or the thief.

Vocational School Offers Radio, TV Repair Course

One of the five courses being offered by the vocational training school of the College of Southern Idaho is radio and television repair work.

A study conducted by the college determined there exists a need locally for additional persons trained in this field.

In 1964 about nine out of every 10 households had at least one television set and one radio. With the popularity of portable television sets and transistor radios, and the increasingly complex features of these sets, the technical occupation of radio and television repair is highly in demand. As the population continues to increase, the employment opportunities will increase tremendously.

The use of closed circuit television is being expanded. Hi-Fi, stereophonic record players and transistor radios are in nearly every home where young people live. Most automobiles and many trucks are equipped with

Coeducational Sewer Bond Election Set For Aug. 3

GREENSBORO, N. C. (AP) — Greensboro College, a girls' school that went co-educational in 1964, is a happy exception to North Carolina's overcrowded colleges and universities.

"We can accept boys and now have space for about 40 in a brand new dormitory," said admissions officer Allen Kivett.

"Not only that," Kivett added, "but any boys who register here will be outnumbered by girls four to one."

Sewer Bond Election Set For Aug. 3

KETCHUM — A second city sewer bond election will be held here Aug. 3.

The question submitted to voters will be whether the city shall be authorized to issue general obligation sewer bonds of \$105,000.

Major K. W. Richey points out it is necessary for voters to have been an Idaho resident six months, Ketchum resident three months and a taxpayer.

Registrar for Ward No. 1 is John Harrison at Johnny's Super Service, and for Ward No. 2 Eugene Miller at Phillips 66 Station.

Veterans Group Has Area Picnic

HAILEY—Fifth district barracks, whose membership is made up of World War I veterans, held a picnic Sunday at Trail Creek forest camp. A potluck dinner was served.

Harold Chelene, Gooding, and Florence McCarty, fifth district auxiliary president, reported on the state department convention of World War I Barracks held in Boise June 23-28.

Wood River Barracks No. 1284 and auxiliary hosted the meeting, according to Joe Shipman, commander; H. R. Thomas, adjutant, and Fred Allen, quartermaster.

Intergration Problems Are Discussed

WASHINGTON (AP) — The White House Conference on Education tackles this thorny question today: "How do you go about integrating the schools in predominantly Negro South Chicago, Washington, D.C., and New York's Harlem?"

The problem was posed by Dean Roald Campbell of the University of Chicago's Graduate School of Education.

Campbell contends it can't be done.

The only practical solution to the problem, he said in a background paper distributed to all conference participants, is to upgrade the quality of education in all schools — white, Negro and mixed.

Campbell said he could not accept the view that only integrated schools can be good schools.

"While I think we must promote integration," he said "at the same time I do not believe we have hard data to support the point that only integrated education can be quality education."

Q. Some stock I own is traded in the over-the-counter market. Is there any other method I can use?

A. You can't place a "stop-loss" order in the over-the-counter market or any place else.

Business Mirror

By SAM DAWSON AP Business News Analyst NEW YORK (AP) — One of Wall Street's cherished traditions is the summer rally.

And they see the lazy trading and minor price variations of last week as a sign that the market at last may be immune to much of the nervousness which triggered the declines of last month and late May.

Often any little rebound, however technical and short lived, is termed a summer rally just to get that tradition neatly sewed up and out of the way.

Twins Manager Draws \$500 Fine And Suspension

MINNEAPOLIS-ST. PAUL (AP) — Sam Mele, manager of American League-leading Minnesota, said Monday he considers a five-day suspension imposed by league President Joe Cronin unfair, and plans to discuss the matter with Cronin. Coach Hal Naragon will be in charge of the Twins during Mele's absence. Mele, slapped with a \$500 fine in addition to the suspension for his run-in with umpire Bill Valentine in Sunday's Twins-Los Angeles doubleheader here, said:

Loop-Leading Twins Trim Angels 5-2

MINNEAPOLIS—ST. PAUL (AP) — Suspended Minnesota Manager Sam Mele watched from the pressbox Monday night as his first-place Twins trimmed the Los Angeles Angels 5-2 behind the four-hit pitching of unbeaten Jim Perry. Mele, suspended for five days and fined \$500 by American League President Joe Cronin earlier Monday for Mele's part in an altercation with umpire Bill Valentine on Sunday, saw Coach Hal Naragon guide the Twins to victory.

Perry survived solo homers by Joe Adcock and Jim Fregosi in the early innings and won his seventh straight this season. It was his second complete game in four starts since coming out of the bullpen July 5. The Twins beat Dean Chance, 6-6, on Harmon Killebrew's two-run homer in the first inning and Jimmie Hall's first-inning single in the seventh. Los Angeles 0-100-0-2-4-1 Minnesota 200-100-20x-5-9-0 Chance and Rodgers; Perry and Zimmerman. W—Perry (7-0). L—Chance (6-6).

Mets' Monday Magic Fails; Braves Win

MILWAUKEE (AP) — Ken Johnson's seven-hit pitching and a four-homer barrage overcame the Mets' Monday magic as the Milwaukee Braves defeated New York 6-0 Monday night. It was the Braves' seventh straight victory and the Mets' ninth straight defeat, but their first loss on a Monday since opening day. The Mets, winless since July 5, had won nine Monday games and tied another. Johnson, now 10-4, posted the first shutout of the season by a Braves' pitcher.

Alou gets the Braves rolling with a leadoff home run to left, also the first in the 18th, also the first in the 18th, also the first in the 18th.

Athletics Use Rally to Tip Chicago 6-3

CHICAGO (AP) — Dick Green's three-run homer capped a six-run, seventh-inning outburst Monday night that carried the Kansas City Athletics to a 6-3 victory over the Chicago White Sox and their fifth triumph in the last six games.

The Athletics' Rolfe Sheldon and Chicago's Joe Horlen were battling in a scoreless tie until Kansas City erupted. Mike Hershberger and Jim Larkin, a couple of former White Sox, started the seventh with Hershberger getting a single and Larkin drawing a walk. Tom Reynolds bunted safely, loading the bases, and Bill Bradley delivered a two-run single. The A's added another run on a suicide squeeze by Bert Campaneris before Green unloaded his three-run homer off reliever Greg Bollo. Cubs Break Loss String Over Giants

SAN FRANCISCO (AP) — Chicago lefty Dick Ellsworth didn't allow a hit until the sixth inning Monday, then weakened and had to have help to escape with a 6-2 victory over San Francisco.

The victory, Ellsworth's 11th of the season, broke a five-game losing string. Ellsworth, who faced only 15 Giants through five innings and struck out nine of those, including five in a row at one stretch, gave way to Ted Abernathy when the Giants' first two batters in the ninth reached base. Abernathy, making his 49th appearance, had a four-run lead at that time and had little trouble in making it stand up. Rookie Hurls Red Sox Over Yankees 3-1

NEW YORK (AP) — Rookie Jim Lonborg scattered five hits for his third victory over New York as the Boston Red Sox topped the Yankees 3-1 Monday night.

Lonborg, 6-10 over-all but 3-1 against the Yankees, blanked them on four singles until the eighth inning and drove in the second Boston run with a second-inning single. The Red Sox clipped Jim Bouton and knocked him in the fifth when they collected two singles and a triple but managed to score only one run. Spahn Is to Join Giants After Being Cut Loose by New York

SAN FRANCISCO (AP) — Warren Spahn, the 44-year-old former pitching star who was cut loose by the last-place New York Mets, will join the pennant-contending San Francisco Giants Wednesday. The Giants announced Monday they had reached an agreement with the veteran who has won more games than any other left-hander in baseball history. The high-salaried hurler was released last

innings but I'm ready to do anything Franks wants me to do." The San Francisco offer was one of three received by the pitcher. The Mets asked waivers on him last Wednesday. When there were no takers for the regular \$20,000 waiver price, the club put the veteran up for a nominal \$1 waiver fee for the purpose of giving him his unconditional release to make his own deal.

Giants' vice president Charles (Chub) Feeney said the club checked with several baseball men who had seen Spahn pitch recently and "we felt he can help us." Spahn has been in the majors since 1942 when he broke in with the Boston Braves. His lifetime major league record — is 360 victories and 241 defeats. He won 20 or more games in 13 seasons, a major league record for left-handers; pitched no-hitters against the Phillies and Giants, and in 1957 won the Cy Young Award as the outstanding pitcher in the major leagues.

ACTIVE AGAIN CLEVELAND, Ohio (AP) — Defensive halfback Bernie Parrish, who retired from professional football with the Cleveland Browns last Thursday, asked Monday to return to active duty and went back on the roster.

FAMED WILD ANIMAL TRAINER Clyde Beatty, above, died Monday in Ventura, Calif., of cancer at the age of 61. He had been ill for about a year. (AP wirephoto)

Clyde Beatty, Wild Animal Trainer, Dies

VENTURA, Calif. (AP) — "I want people to see me close," Clyde Beatty used to say. "I'll give them everything. I'll give them everything. But not that one thing...I won't give my life."

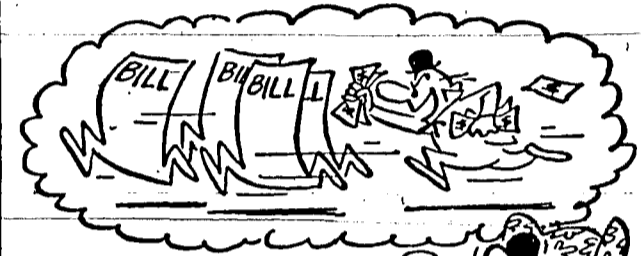

And he didn't. The famed wild-animal trainer, his body criss-crossed with claw and fang marks from 30 years of facing death in the ring, lost his battle Monday to an inner enemy — cancer. He was 61.

Chamber Head Will Be Chosen

HAILEY — A new president for the Hailey Chamber of Commerce will be named Monday. He will be picked from the newly elected board of directors, who include Ira Hoffman, current president; Keith Bird, Oliver Adams, R. C. Stephens, James Eakin, Savino Uberuaga and Leo Stavros.

AMANA FIVE-YEAR WARRANTY ON TOTAL APPLIANCE
This warranty covers free replacement or repair by an authorized dealer, including related labor, after delivery to the original purchaser. The owner is responsible for normal maintenance service, such as cleaning condensing unit, motor lubrication, and door alignment; for replacement of service items such as gaskets, rubber or plastic parts, light bulbs, and accessories; and for normal carriage or travel expense incurred in performance. This warranty does not cover labor, or normal wear and tear, or damage to the appliance caused by accident, misuse, negligence, abuse, or fire. This warranty is void if the appliance is used for commercial purposes, or if it is altered, modified, or repaired by anyone other than an authorized dealer. This warranty is extended by Amana Distributors and their Dealers, independently and not as agents of Amana Refrigeration, Inc., and covers Amana Upright and Chest Freezers. If any, may obtain service from authorized Distributors or their Dealers upon payment of their regular scheduled charges therefor.
