BUHL — Two persons were electrocuted Sunday morning five miles west of here on U. S. Highway 30 after a one-car accident. Twin Falls County Sheriff James H. Benham said high tension wires were knocked loose when a 1964 Ford driven by Lester J. Schallert, 50, Purdy, Mo., failed to negotiate a corner curve and slid off the right side of the road, knocking down a power pole and landing on its top in a field. Rescuers were attempting to carry one of the occupants, Edward Worm, 40, Monett, Mo., from the car in a stretcher when Delmar Skaret, 23, Buhl, an ambulance attendant, apparently failed to see the downed wires and was struck on the forehead by one of the wires.

## Billy Graham Plans Visit With Negro

MONTREAL, N.C. (AP)—Evangelist Billy Graham, concerned about the Los Angeles riots, boarded a plane bound for Southern California today and planned to confer with a Negro aide there. The rioting, which prompted Graham during the weekend to urge congressional action to curb violence, was to be the topic of a meeting with Ralph D., a member of the Graham aide team in Los Angeles. Sinister forces in the country are trying to set race lines and class against each other with the ruthless objectives of overthrowing the government," Graham said.

## Racial Peace Is Reported In Chicago

CHICAGO (AP)—Hundreds of police, supported by some 2,000 national guardsmen held in reserve, continued today to enforce racial peace in a largely Negro neighborhood where rioting erupted Thursday and Friday nights. There were no new outbreaks of violence Saturday or Sunday as police in the West Garfield Park area firmly pursued a policy of breaking up groups before they could become mobs. More than 300 policemen patrolled the troubled area around the clock. Additional police troops by in nearby police districts and National Guard units were on standby duty at five armories. This display of strength together with the strategy of banning groups and pleas from Negro leaders for common sense, were believed to be factors in easing the tense situation.

## 45 Chilean Navy Men Die In Shipwreck

SANTIAGO, Chile (AP)—Forty-five Chilean navy men perished in a shipwreck on the storm-battered Chilean coast, the navy reported today. It said 27 others were rescued. The victims were aboard the 850-ton cutter Janequo which was blown onto rocks Sunday and sank in Bahia San Pedro, 546 miles southwest of Santiago. The Janequo was attempting to rescue the patrol boat Leucoton which had blown aground in a storm raging in southern Chile for a week. The sailors' deaths brought the over-all storm death toll to 96. Others perished in avalanches in the Santiago and Concepcion areas. The navy said the death-toll at sea included one man from the Leucoton. Because of the high seas and winds, rescue ships were unable to reach the Janequo and Leucoton survivors until today.

A patient burglar with lots of time to spend on the job got away with an estimated \$600 from a fire-safe in the office of McVey's Inc., 161 Third Ave. W., sometime between 2 p.m. Sunday and 7 a.m. Monday. The safe-cracking was discovered Monday morning when Dave Morris, parts foreman, opened the store for business and found the door of the safe peeled open. T. F. police officers said the burglar apparently entered the building through an unlocked window and disconnected the burglar alarm system. He then removed several chisels and sledge hammers from the shop area and worked on the door of the safe.

## Guarded Wall Defied by East German

BERLIN (AP)—a young East German staged brazen high noon flight to West Berlin today by simply walking out of East Berlin past the wall dividing the city. He used a sightseeing bus returning to West Berlin as cover, coming across from opposite the U.S. Army's Checkpoint Charlie. While obviously a gamble, the walkover escape at one of the most heavily guarded border points had all the earmarks of a well-thought-out plan. The youth, described by witnesses as about 20, knew exactly what to do when his big move came.

## Six Days Of Rioting End in L.A.

LOS ANGELES (AP)—California Gov. Edmund G. Brown said today that Los Angeles six-day riot has ended. "The rioting and looting which the National Guard was called in to help suppress has now ended," the governor told newsmen. He said the 15,000 guardsmen would remain on duty for the time being, "but the first phase of the state's mission here has been successfully carried out in an operation that was a credit to both the Los Angeles law enforcement officers and to the National Guard." He cautioned: "The worst is over. But we must and will continue to deal forcefully with the terrorists until Los Angeles is safe again."

## Johnson Is Relieved by Calmness

JOHNSON CITY, Tex. (AP)—President Johnson has expressed relief at the easing of the Los Angeles riots and declared "there is no greater wrong, in our democracy, than violent, willful disregard of law." In a statement issued Sunday, he said the riots stemmed from a national problem — "unjust conditions from which disorder largely flows." In Washington, Republican House Leader Gerald R. Ford Jr. of Michigan expressed similar sentiments, saying: "These problems are not going to be solved tonight or tomorrow or the next day. Instead of trying to blame any political party, we ought to get to work to solve these problems."

The two astronauts took their first day off in several weeks and relaxed with sports Sunday. Cooper, an Air Force lieutenant colonel, and Conrad, a Navy lieutenant commander, today returned to the long hours of rehearsal for their flight, the longest yet planned by man. It will equal the time planned for the first U.S. manned lunar landing trip. Medical experts hope the flight will erase any lingering doubts that man will be able to survive long enough in space to rocket to the moon and back. Early in the flight, the astronauts are to attempt man's first rendezvous with another satellite. They will launch their own satellite from the spacecraft, back about 52 miles away from it and then use radar and other electronic aids to try to close within 20 feet of it. It will be a major test for the Gemini 6 flight scheduled in October during which an attempt will be made to rendezvous and link up with another satellite which will be launched by another rocket.

# Sales Tax Is Endorsed by Young Demos

COEUR D'ALENE, Idaho — Young Democrats endorsed the state's 3 per cent sales tax over the weekend despite protests the move put them against at least one Democratic candidate for governor.

A resolution endorsing the tax passed after a two-hour North-South debate at the Young Democrats' state convention. The endorsement received heavy support from the South and opposition from the North.

The issue was put to the convention by the resolutions committee. A minority report from the committee said the move would place the Democrats in favor of one candidate for governor and against another.

Both candidates to which the report referred addressed the convention Saturday—Sen. William Dee of Grangeville, a sales tax opponent, and Sen. Cecil Andrus of Orofino, who supports the tax.

The convention also urged Dale Higer of Emmett to become a candidate for president of the Young Democrat Clubs of America.

Mrs. Goff said they left Saturday night in Day's pickup truck and were to drive south from Skull Canyon to Look Point.

# 3 Climbers Are Killed In Colorado

ASPEN, Colo. (UPI)—A mountain climber slipped on a snowfield on South Maroon Peak 11 miles south of Aspen Sunday and he and two others roped to him fell 1,000 feet to their death.

A fourth man survived.

Dr. Harold Whitcomb of Aspen, who was called to treat the survivor, William B. Martell, said Martell told him either the second man or the man next to last slipped. All four were roped together.

"They slipped off this snowfield and then rolled and bumped down over a rocky decline for 1,000 feet," the doctor said. Martell suffered only sprains and bruises. Whitcomb said his condition was not serious.

The dead were identified by authorities at Los Alamos as Dr. Frank E. Pretzel, Dr. Herbert E. Ugnade and Dr. Robert Briggs Day. All were reported to be employees at the U. S. government's scientific laboratories at Los Alamos.

A fight broke out shortly after the drinking houses closed Sunday afternoon in the Bushbury sector. Police rushed up quickly to stop the fracas before it could spread. The trouble apparently started after a television crew interviewed whites and nonwhites on the tension here, which concerns the influx of nonwhite immigrants and their competition for scarce housing. A film was being made when a group of men gathered a scuffle and a big crowd started.

**Perfection Can Cause Trouble, Says Writer**

**NEW YORK** — The perfect woman, you'll be relieved to know, doesn't exist.

Even Eve had her flaws, which is fortunate, for Adam had some problems, too. But many of today's women strive for perfection in their homes, jobs and community and social activities. Not surprisingly, when perfection eludes them, they become frustrated, tired, tense and unhappy. Many find their way to doctors' offices complaining of a number of ailments, including depression and nervous tension headaches.

Are these women neurotic? Not at all. For the most part they are meticulous, outgoing and capable. They are, if anything, conscientious in the extreme. Their problem is that they make unreasonable demands on themselves; they expect to do everything with a perfection that their busy executive husbands would not demand of themselves, or their people.

In short, their problem is not so much the difficulty of the situations they face, as their inability to adapt to them.

Medical science tells us that the perfectionist is prone to nervous tension headaches. And when the would-be perfectionist is a woman the pain is likely to be more intense since her endocrine glandular system can intensify her emotional reaction to pain. Scientists now tell us what we have known all along: Women have more headaches and react to them differently than men.

A woman must solve her own inner drives that make her seek perfection. She must learn to adapt to her situations and be satisfied with the best she can do. Meantime scientists are developing a remedy that will relieve her everyday nervous tension headaches by easing the pain and the nervous tension that often causes the headache.

The unfortunate thing is that

the unrealistic demands a perfectionist makes on herself are often paid for by her family. Many women develop guilt feelings because they are not "perfect" wives, mothers and homemakers. Who ever said they must be perfect?

Perhaps the most difficult lesson these women must learn is how to run their lives... not vice versa.

MR. AND MRS. MARVIN ANDERSON (Shig Morita photo)

**Linda Phinney, Anderson Say Wedding Vows**

**FILER** — Linda May Phinney, daughter of Mr. and Mrs. William Phinney, and Marvin Anderson, son of Mr. and Mrs. Earl Anderson, Twin Falls, were united in marriage July 25 at the First Baptist Church, Twin Falls.

The double ring ceremony was performed by the Rev. Ernest Jasselblad before an altar decorated with baskets of lavender and white gladioli and gold candelabra holding lavender tapers.

The bride, given in marriage by her father, wore a floor-length gown of peau de soie and lace. The gown featured a scalloped neckline, lily point sleeves and a bouffant skirt of lace-trimmed tiers.

The bride's elbow-length veil of illusion fell from a pearl crown. She carried a bouquet of lavender roses and white orchids on a white Bible, and wore a pearl and diamond necklace, a gift from the bridegroom.

MR. AND MRS. DARRELL A. EDWARDS (Davis photo)

**Rita Riddle, Edwards Wed in Jerome Rites**

**JEROME** — A double ring ceremony united in marriage Rita Riddle, daughter of Mr. and Mrs. Leonard Riddle, and Darrell Allen Edwards, son of Mr. and Mrs. Allen Edwards, all of Jerome, July 9 at the Jerome Nazarene Church.

The rites were solemnized by Rev. Fred Hills Jr., uncle of the bridegroom, assisted by Rev. Paul Wolstenholme.

The chapel was decorated with baskets of white gladioli and white pompons flanked by white tapers. Huckleberry greenery adorned each window.

The bride was escorted down the aisle by her father. She was attired in a white floor-length gown of silk organza over tafeta, fashioned with long lily point sleeves and an A-line skirt.

The bodice was fashioned with re-embroidered alencon lace at the bateau neckline and lace at the front. The overskirt fell in a chapel train with a beauty bow at the back.

Her waist-length veil of illusion was held by a queens crown.

She carried a bouquet of feathered white carnations and pink elle roses with cascading white tulle satin ribbon streamers.

Mrs. Dave Kehler, sister of the bride, was matron of honor. Bridesmaids were Mrs. Dan Hess and Judy Justice.

Phil LaComb, brother-in-law of the bridegroom, was best man. Ushers were Dan Edwards and Ron Hills, cousins of the bridegroom.

Mary Edwards, sister of the bridegroom, and David Hills, cousin of the bridegroom, served as candlelighters.

A reception was held in the Fellowship Hall following the ceremony.

The bride's table was centered with a four-tiered cake surrounded with fern and white feathered carnations. Candelabra bouquets with white tapers

added the final touch to the table decor.

The tiered cake was topped with a nosegay of white feathered carnations and white roses interlaced with blue tulle and blue satin streamers.

Mrs. Duane Brake, aunt of the bride, and Mrs. Owen Marley, cut and served the wedding cake. Noel Nixon served the bridegroom's cake and Yvonne Randall presided at the punch bowl.

Karleena Hills, cousin of the bridegroom, presided at the guest book and Bonny Hills, Kathy Hills and Donna Bagley were in charge of the gift table.

The couple resides in Blackfoot.

Out-of-town guests attended from Pocatello, Boise, Nampa, Twin Falls, Heyburn, Paul, Richfield, Kimberly, Rupert, Wendell and Oregon.

The bride was honored with pre-nuptial showers given by employes of A and W Root Beer Stand; Judy Justice and Bonnie Hills, and members of the Nazarene Missionary Society.

LIGONIER, Pa. (AP)—Dave Marr, a tiring Texan and long time also-ran, struggled through the wilting heat of Laurel Valley with a pair of desperately scrambling pars on the last two holes and scored a two-stroke victory in the 1965 PGA championship Sunday with a final round 71 and a 280 total. Big guns Billy Casper and Masters champion Jack Nicklaus each made a run at the dapper 31-year-old Marr, but each faded back in the 93-degree heat and finished in a tie for second.

## Green Bay Squad Has One of Finest Games

GREEN BAY, Wis. (UPI)—It had to be one of the finest first games any Green Bay Packer squad has ever played. Coach Vince Lombardi—and his players alike—would like to remind anyone who's liable to get too enthusiastic, "this is still pre-season. It has a long way to go—and these games don't count." Lombardi's Packers, admittedly the best condition team he's had in his seven seasons, scored at will and rolled to a 44-7 exhibition game victory over the hapless New York Giants Saturday night. The sell-out crowd of 50,837, the largest ever for a professional football game in Wisconsin, watched the fifth annual Bishop's Charities Game.

"I'd be crazy if I said I wasn't satisfied," Lombardi said. "But don't get excited. Our timing wasn't good. We lacked polish. Our kickoff coverage and punt blocking was bad."

"On the other hand, he had a great deal of hustle. We got off the ball well, and we were able to use everyone. I think this is the first time since I've been here we've been able to do that in the first game."

Giants' coach Alie Sherman, whose team languished in the cellar of the National Football League's Eastern Division last year, could have been disappointed by his club's showing. But if he was, he didn't show it.

"Our defense played real well," Sherman said. "But we never did get good field position and our offense kept giving up the ball. I believe we did as well as our rushing defense against Green Bay as we've ever done, but we just couldn't stop that passing."

## New York Is Victor Over Astros 3-0

HOUSTON (AP)—Al Jackson pitched a seven-hitter and Ron Swoboda walloped his 18th home run of the season as the New York Mets blanked the Houston Astros 3-0 Sunday.

It was the Mets' second straight shutout victory in the Astrodome after they had lost their first seven games this season at Houston's new stadium.

Jackson was in trouble all the way but the Astros left 10 runners stranded as the little left-hander won his sixth game against 16 losses.

Swoboda connected with a 400-foot drive off Astro starter Bob Bruce in the second inning. Johnny Lewis' triple in the first and Charlie Smith's double in the sixth drove in the other Met runs.

## Casper Loses in Regional Event

PORTLAND, Ore. (UPI)—Casper got only three hits in two games Saturday and lost to Vancouver 6-0, and to Tacoma, Wash., 9-1 in the Connie Mack regional baseball tournament.

Eric Guthrie pitched a no-hitter to defeat Casper in the Vancouver game. The two losses eliminated Casper from the tourney.

SENDING UP A swirling column of sand as he blasts from a trap on sixth hole in Sunday's final round of the 47th PGA Championship at Laurel Valley Golf Club at Ligonier, Pa., is Dave Marr. Marr won the tournament with a final round 71 and a 280 total. He had won only three previous tournaments in 12 years as a pro.

## Football Programming Nears Television Saturation Point

WASHINGTON (AP)—Football's jackpot from television and radio has soared to \$37.6 million this year, Broadcasting Magazine said Sunday, and football programming "has come as near the television saturation point as anything can." for the same rights, college and professional teams received less than \$15 million in 1963, and \$29,419,650 last year. In its annual survey, the radio-television weekly trade magazine said radio and television networks will pay an estimated \$34,455,000 for television rights, to college and professional games.

In addition, the 14 National Football League teams collect an estimated \$1,070,000 from local radio rights, the eight American Football League teams get \$270,000 for radio rights and 148 major colleges get \$11,408,875 for local radio and delayed television rights.

Add to this the money the pros get for films of their games and fees paid to colleges and pro coaches and players on shows whose game films are shown, and you get a total of \$37,683,875, Broadcasting said.

Noting that the football schedule on television began last June 25 with the coaches' All-American game in Buffalo, N. Y., and doesn't end until mid-January, Broadcasting commented:

"Football, the high-priced baby that stations and networks court as a money-making, rating-building item, has come as close to the television saturation point as anything can. Although the season won't officially start for colleges or pros until mid-September, football already takes up more weekly hours than the combined three episodes of Peyton Place."

The magazine noted that on the first weekend in August, deep in the heart of the baseball season, "a true football fanatic in New York, Washington or Houston could have watched—if he had the endurance and blessings of his spouse—about 12 to 13 hours of professional football on television."

This included the College All-Stars-Cleveland Browns game in Chicago and three pre-season exhibition games.

Broadcasting said sponsors are expected to pay \$92 million to promote their products on the football programs this year.

It added:

"Although the cost to sponsors continues to grow, the sales position of networks and stations generally is a good one. There are scattered eighth, sixteenth, parts of pregame, post-game shows and adjacencies still unsold, but on the whole broadcasters don't anticipate any difficulty getting sponsors to pay about \$92 million to back anything connected with football."

Another big jump in television revenues is expected next year, the magazine said, because the rights to NFL and the National Collegiate Athletic Association games will end after this season and be up for bids.

CBS-TV now holds the NFL rights with a two-year, \$28.2-million deal which provides each of the 14 NFL teams more than \$1 million per year.

Broadcasting said, "Some sources say the NFL will get about \$32 million for a two-year contract, but no one will call this a ceiling figure."

NBC-TV now holds the NCAA rights for \$6.5 million yearly. With all three networks bidding, the magazine said, the NCAA rights are expected to go for \$7.5 to \$8 million.

NBC-TV is starting the first

year of a four-year contract with the AFL, proving \$7.2 million per year, about \$900,000 per team, so only CBS-TV and ABC-TV can bid for the NFL rights.

Last year, the Chicago Bears, New York Giants, Detroit Lions and Baltimore Colts all had some theater-television coverage of home games blacked out on home screens.

This year, Broadcasting said, only the Bears seem interested in theater television.

In the AFL, it added, "No teams has definite plans for the theater coverage, although the New York Jets are reportedly thinking about some this season."

The magazine listed network radio and television commitments this way:

ABC Radio—Coaches All-American game, \$50,000; College All-Star game, \$175,000; Liberty Bowl, \$100,000; Bluebonnet Bowl, \$125,000; North-South Shrine game, \$50,000; Gator Bowl, \$140,000, and Hula Bowl, \$50,000.

CBS-TV—NFL pre-season games, \$100,000; NFL regular games, \$14,100,000; Blue-Gray game, \$100,000; Cotton Bowl, includes radio, \$200,000; NFL championship game, includes radio, \$1.8 million; NFL playoff bowl, \$250,000; and NFL Pro Bowl, \$500,000.

Mutual Broadcasting System, Radio—Army season games, \$50,000; Baltimore-Detroit NFL games, \$5,000; NFL Playoff Bowl, \$5,000; and NFL Pro Bowl, \$5,000.

NBC-TV—NCAA college games, \$6,500,000; AFL season games, includes AFL All-Star game \$7.2 million; NFL championship game, \$1.2 million; East-West Shrine game, \$300,000; Sugar Bowl, includes radio, \$300,000; Rose Bowl, includes radio, \$750,000; Orange Bowl, includes radio, \$300,000; and Senior Bowl, \$35,000.

## Backfield Might Enable Dawson to Propel Chiefs to Division Title

LIBERTY, Mo. (AP)—The more than 450 pounds of protection in Kansas City's elephant backfield should enable quarterback Len Dawson to have less trouble with his trunk this season.

That will literally let Dawson breathe easier through the broken nose he suffered last year and possibly propel the Chiefs to the Western Division title in the American Football League after a second-place finish last season.

There is no doubt that Dawson, a nine-year veteran, has attained star status after years of apprenticeship. Despite the fact that Boston's Babe Parilli was picked on the all-league team, Dawson was the most efficient passer in the AFL, completing 56 per cent of his passes for 2,879 yards and 30 touchdowns.

He should get considerable help from the Elephant backfield of 232-pound Curt McClinton and 225-pound Mark (The Truck) Hill, who played together only sparingly last year.

McClinton, the Chiefs' regular fullback, was handicapped by a broken hand last season and gained only 252 yards after two 500-plus seasons.

Hill, who wears a quadruple E shoe, was a free agent from Southern University signed for a about \$300 who eventually cracked the Kansas City first team as a rookie last year. In less than a full season he raced for 567 yards and the league's top average—5.4 yards a carry.

"Hill was a sort of mystery to us," said Coach Hank Stram. "He was so good we kept looking for something to be wrong with him."

They didn't locate anything, and with Abner Haynes traded to Denver, there's little doubt that Stram is committed to go with size in his backfield regardless former Kansas star Bert Coan finally begins to hit his expected potential after three disappointing seasons.

The one major question mark facing the Chiefs is the condition of Fred Arbanas, the all-league tight end Arbanas was hit in the eye by a still unknown assailant on a Kansas City street last December and suffered a loss of visibility in his left eye.

Arbanas gained 686 yards on 34 receptions last year, and firmly states that the eye does not hamper him.

The rest of the receiving corps is strong with flanker Frank Jackson and split end Charles Burford. Veteran Tom Brooker and rookies Otis Taylor from Prairie View and Frank Pitts from Southern U. are the contenders should any of the start-

## Solons Snuff Out Rally to Edge Orioles

BALTIMORE (AP)—Ron Kline snuffed out a Baltimore ninth-inning rally Sunday, and Washington defeated the Orioles 4-2, completing a sweep of their three-game series.

Nine relieved starter Pete Richert after Brooks Robinson led off with his third single of the game and Jack Brandt doubled with two out. Pinch hitter Charley Lau singled in two runs, but Kline got pinch hitter Boog Powell on a game-ending fly ball.

The only hits off Richert now 11-9, until the eighth were singled by Robinson in the fourth and in the seventh.

The Senators scored in the second inning when Jim King walked, stole second and came home as Mike Brumley singled.

John Miller held Washington scoreless from then until the seventh. Woodie Held singled, Ken McMullen walked and Richert singled in Held.

Singles by Don Blasingame and Willie Kirkland sandwiched around a sacrifice bunt gave the Senators another run in the eighth, and Held homered in the ninth.

## Eagles Edge Lions 20-17 In Exhibition

PHILADELPHIA (UPI)—The Philadelphia Eagles outlasted the Detroit Lions 20-17 Sunday in a National Football League exhibition game played for the benefit of the Philadelphia Association for Retarded Children.

Quarterback King Hill, halfback Timmy Brown and place-kicker Sam Baker sparked the Eagles to their first pre-season win. The Eagles lost their opener to Washington last week. This was Detroit's season starter.

The Lions opened the scoring on a nine-yard field goal by Wayne Walker with 8:23 elapsed in the first quarter. The Eagles rallied to take a 7-3 lead later in the period and Detroit was never on top again.

## Indians Split Pair of Games With Twins

CLEVELAND (AP)—Leon Wagner's second two-run homer of the day climaxed a three-run rally in the 11th inning that gave Cleveland a 6-4 second-game victory and a split of a Sunday doubleheader with the American League-leading Minnesota Twins.

The Twins won the opener 4-3 with Jim Grant becoming the league's first 15-game winner. Minnesota took a 4-3 lead in the top of the 11th in the nightcap on Jerry Kindall's home run, but the Indians tied it in the bottom of the inning on Chico Salmon's single. Larry Brown's double and Bill Pleis' balk.

With a count of one ball on Duke Sims, Wagner batted for him and hit his 22nd homer over the left field fence.

The Twins were heading for a sweep of the doubleheader until the Indians tied the nightcap in the ninth. Brown singled with two out, and pinch hitter Max Alvis slammed a home run off Gary Roggenbuck. Rocky Colavito hit his 23rd homer in the Indians' second.

Grant, who has lost four games, needed ninth-inning relief help from Al Worthington in the first game after Vic Davalillo walked and Wagner socked his 21st homer. Worthington gave up a double to Colavito and a run-scoring single to Chuck Hinton before ending the game.

The Twins scored in the second off loser Luis Tiant, 10-8, on Jimmie Hall's double and Earl Battey's single. They added

blowing who joined the club, could figure in the battle. Buck Buchanan, 6-foot-7 and 276 pounds, and Ed Lothamer are the tackles.

The defense has undergone a shuffling that should make it stronger. The key to the situation is Bobby Bell, who played defensive end last year but has been shifted to a linebacking spot that should be more comfortable.

Jerry Mays, one of the top tackles in the league, moves over to one defensive end position with Mel Branch at the other. Alphonse Dotson, a No. 1 future selection from Gram-

Singles by Don Blasingame and Willie Kirkland sandwiched around a sacrifice bunt gave the Senators another run in the eighth, and Held homered in the ninth.

## Japanese Recall Surrender In World War 20 Years Ago

TOKYO (AP) — Some wept, some choked back tears. Others stood silently, sorrowing, remembering.

It was the 20th anniversary of Japan's surrender in World War II. And because it was an even 20 years it seemed fitting to make a special effort.

Emperor Hirohito, with empress Nagako at his side, led the main ceremony at Tokyo's packed Budokan Hall Sunday. Greyer, and noticeably older than the man who at 44 ordered his ministers to surrender, Hirohito stood before a wooden altar surrounded by white and yellow chrysanthemums, and spoke.

"I feel a pain in my breast when I think of the people who died in battle or at their duties during the Great War, and of their relatives. . ."

Three million Japanese lost their lives in the war.

Prime Minister Eisaku Sato, his ministers, and almost every important official in govern-

ment was present; each stepped forward in turn to lay a single white chrysanthemum before the altar.

Four thousand other spectators included parents who had lost sons, young men and women who had lost fathers, selected from throughout the country for the ceremony.

Many dabbed their eyes with handkerchiefs as the father of a Kamikaze pilot who crashed his plane into a U.S. warship off Okinawa recalled the hardships of the war.

Hundreds of similar ceremonies were held in other parts of Japan, many of them televised nationally.

A handful of survivors of a wartime navy unit spread their tattered unit colors over a railing by the Imperial Palace gates and bowed.

Everyone, it seemed, was caught up in the mood — even the postwar generation who know only peace and prosperity.

## Two Texas Families en Route To Canada May Reach Goal

NEWCASTLE, Wyo. (AP) — haying equipment, tools and household effects. Buildings reportedly had been wrecked.

Mr. and Mrs. Dow Cunningham and Mr. and Mrs. Curtis Freeman and eight children left six months ago from their homes near Bitter Creek, Tex., by wagon train.

The families were making about 20 miles a day on their 3,000-mile journey, but about a week ago they became stalled in Newcastle. They ran out of money and their equipment broke down.

More bad news reached them in Newcastle.

A representative of the Canadian Immigration Service advised them their homestead was not in shape for the winter.

Cunningham then learned from a friend in McBride that his homestead had been vandalized and all his equipment was stolen or destroyed. The equipment included a small sawmill,
