

Viet Cong Hunted In Highlands; Results Meager

SAIGON, South Viet Nam (AP)—Thousands of U.S. combat troops pressed their hunt for the Viet Cong in South Viet Nam's central highlands and the Communist Zone D but results today were meager. Communist gunners shot down one U.S. jet bomber over North Viet Nam and another in South Viet Nam. The pilots ejected and were rescued unhurt, spokesmen said. At least 75 guerrillas had been reported killed earlier in the two big ground operations.

U Thant Asks \$120 Million For Budget

UNITED NATIONS, N.Y. (AP)—Secretary-General U Thant today proposed a record \$120-million budget for U.N. operations in 1966. He appealed also for voluntary contributions to meet a current deficit of \$100 million.

In presenting his budget estimates to the U.N. Administrative and Budgetary Committee, Thant said, "I have not at any time concealed my concern over the present financial situation of the organization."

He said the financial crisis over peacekeeping operations "has by no means been dispelled" and that only about one-half of the organization's estimated 1965 expenses have been covered during the first nine months of this year.

Thant said 15 nations have pledged or contributed \$20 million in voluntary contributions towards the \$100 million estimated needed to liquidate the obligations currently outstanding against the organization.

"I have made, and I make again, an urgent appeal to all who have not yet done so to come forward with similar contributions," he said.

Funds Approved for Urban Renewal Study

Approval of a contract intended to finance a city planning project was announced Tuesday by City Manager L. (Bibb) Derrick. The contract provides for a federal grant of \$25,106 to be used in financing base map, a study of population, an economic analysis of the area, income levels, physical characteristics and development potential throughout Twin Falls, according to Derrick. According to Lloyd Howe, economic analyst for the Idaho Department of Commerce and Development, the contract is the third approved by the department under the 1965 law passed by the state legislature, enabling the Department of Commerce and Development to aid communities in planning urban renewal projects.

Cooperation Sought for Health Work

BURLEY — "If there ever was a time to apply the true test of cooperation and true cooperation between the Idaho Health Association and Idaho Department of Health, this is now," Dr. Gerald A. Burley, Boise, said Tuesday morning in Burley.

Addressing the fall conference of the Idaho Mental Health Association at the Ponderosa Hotel, the official noted "the building of President Johnson's Great Society are now at hand. How we work together in these together is up to us."

Reviewed legislation in this session the federal and state governments, emphasizing Community Health Center and Vocational Education in Acts of the Congress.

Community Health Center bill puts the state legislature in the hands of the community health workers, he declared, the idea of putting the care of mental health in the hands of the community.

Reviewed for conference the other federal legislation as Medicare, Vocational Rehabilitation and Manpower.

Mr. Moyher, New York member of the National Association of Mental Health, said the bill was expected to be passed later today or Wednesday.

Columbus Day Brings Vying of Many Nationalities on Who Was Here First

Yale historians said after eight years of study that the map was drawn about 1400 some 438 years after Ericson made his voyage and 52 years before Columbus made his. The map, which went on display today at the university in Haven, Conn., shows Europe, Greenland and an island called Vinland. This island also called Vinland and Vinlandia was North America, the historians concluded.

In Philadelphia, Pennsylvania Supreme Court Justice Michael A. Musmanno said the Yale scholars were prompted by

Entries still are being accepted in the Times-News Big Potato Contest. Prizes of \$10 each are being given for the heaviest and for the longest potatoes entered.

Anyone may enter a potato, whether he grew it or obtained it some other way. The grower's name must be submitted along with the entry, however. The contest closes Oct. 30.

Labor Heads Lose Battle

WASHINGTON (AP)—Labor leaders and President Johnson may have lost their battle for repeal of state authority to ban the union shop when they lost on a Senate debate limitation vote. The Senate's 47-45 vote Monday against invoking its cloture rule to kill off a filibuster against a House-passed bill of this nature indicated that organized opposition probably will be able to block a passage vote even in 1966 on the bill as it stands.

U. N. Asks Britain To Hold Rhodesia

UNITED NATIONS, N.Y. (AP)—In an atmosphere of urgency, the U.N. General Assembly today called on Britain to use force if necessary against Rhodesia in the event its white minority government issues a declaration of independence. By a vote of 107 to 2, with one abstention, the assembly adopted a resolution asking Britain to "take all steps necessary" to end what it said would be regarded as an act of rebellion by the central African colony against British rule. France abstained. Portugal and South Africa voted no. Britain did not participate.

Before the vote, U.S. Ambassador Arthur J. Goldberg warned that a unilateral declaration of independence would put Rhodesia on "a catastrophic course."

He declared the United States would not recognize any regime that would emerge after such a declaration.

He said the United States supported the resolution in the hope that its approval would persuade the white minority government in Rhodesia "to draw back before it is too late."

The resolution was approved both in the assembly and its trusteeship committee by an overwhelming majority.

Prime Minister Ian Smith returned home to an enthusiastic welcome today and declared it is an even bet Rhodesia will be independent by Christmas.

Hundreds of wildly cheering men, women and children—almost all whites—stood in drooping rain as Smith emerged from his airplane. Smith told a news conference he wanted a few days to collect his thoughts.

Java Forces Catch Leader of Aborted Malaysian Coup

KUALA LUMPUR, Malaysia (AP)—The leader of the attempted coup in Indonesia, Lt. Col. Untung, has been captured by army forces in central Java, Radio Jakarta reported Tuesday. The army-controlled radio in the Indonesian capital reported that Untung was arrested in the Tegay region of central Java with the cooperation of civilians in the area. The Jakarta broadcast gave no further details of the capture of Untung, an obscure officer of President Sukarno's bodyguard until he led the "30th of September" rebel movement which attempted to seize power on that date.

Early Vote Light in Municipal Election

Only a trickle of voters went to the polls Tuesday morning as balloting began to fill three city commission posts. Polls opened at 8 a.m. Tuesday, and by 1 p.m. four precincts reported that voting was "very light." Four candidates are on the ballot. They are Egon Kröll, John Angerbauer, Robert Warberg and L. L. Cunningham. Kröll, Angerbauer and Warberg are incumbents and all three said one of the main reasons they are seeking re-election is to be able to see the new water system project through to completion. Cunningham, retired lieutenant of the city fire department, said he felt he could do a good job of representing the people on the commission and would like to have the opportunity to serve the city.

3 Refugee Boats Wallow From Cuba

KEY WEST, Fla. (AP)—Three more refugee-laden boats walled from Cuba toward Key West today as U.S. officials awaited word from Fidel Castro on suggestions for an orderly migration.

The Coast Guard said all three boats were intercepted by its cutters. Darby and Diligence near Cay Sal, a small island some 40 miles north of Cuba.

The Coast Guard cutters rendezvoused in the Florida Straits and the Darby proceeded to escort the smaller boats through the choppy, shower-swept straits while the Diligence resumed patrol.

The Coast Guard said there were 47 persons aboard the boats—20 women, 25 men and 2 children. It was not known how many were refugees or if the boats were piloted by exiles from Florida.

The Communist party newspaper Granma reported in Havana that two of the boats, the Shark and F386, left the fishing port of Camaguey late Monday night. It was not known when the third, a 20-foot inboard-outboard, departed.

The newspaper said four more boats arrived in Cuba from Florida Monday, bringing to six the number of vessels waiting to take refugees to the United States.

Airlift for Dimes March Benefit Set

The Magic Valley Pilots Association will sponsor the annual March of Dimes Airlift from 9 a.m. to 5 p.m. Saturday and Sunday.

Prices will be \$2.50 for adults and \$1.25 for children under 12. There will be about a dozen aircraft operating both days.

The airplanes will fly over Twin Falls and many of the scenic sites over the canyon, then they will fly back to the airport. Virgil Malone, chairman of the Twin Falls County March of Dimes, said this will be the biggest fund-raising event the Twin Falls County March of Dimes will have and that all profits will go to the March of Dimes Foundation.

There will be other fund-raising events scheduled later, such as a Mothers' March which will be about the last week of January.

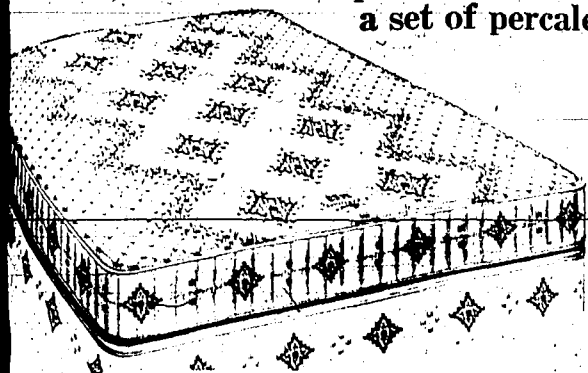

Also scheduled for about the last of January will be a March of Dimes Road Block. Just where this road block will be set up has not been decided.

MEET IN SECRET
MOSCOW (AP)—Cuban Armed Forces Minister Raul Castro and the Soviet defense minister, Marshal Rodion Malinovsky, met today for secret talks on military matters.

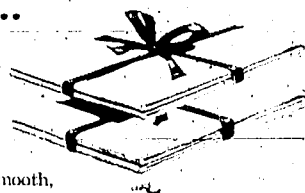

TWO OF THE PILOTS that will fly for the March of Dimes Airlift Saturday and Sunday are Maj. Edward Ruita, left, and Ronald (Hap) Masoner, next to a Cessna which will be one of the planes flown for the event. The Magic Valley Pilots Association will sponsor the airlift and all proceeds will go to the National Foundation of the March of Dimes. (Times-News photo)

Paul Plans Election For Trustees

PAUL—Three members of the village board of trustees will be elected at Paul on Nov. 2. Terms expiring are currently held by Arthur Ehrlich, Frank Paul and Tom Felton. To be elected are two 4-year terms and one 2-year term.

Felton, village mayor and band chairman, has served as trustee several years. Frank Paul completed the unexpired term of Jake Renz who moved from the village limits. Ehrlich was appointed to fill the vacancy left by Don Webster, who also left the village limits. Only one-half of the four-year term of Webster's has been completed, therefore a new trustee will be elected to complete the remaining two years.

Elmer Fetter, village clerk, sports petitions have been turned in to the village office and are required to be returned by Oct. 31. Voting registration will be held at the home of Mrs. Alma Stewart, deputy clerk and registrar, at 135 East Lincoln Street, between 1 p.m. and 5 p.m. On Oct. 23, 24 and 25 residents may register from 8 a.m. to 5 p.m. and from 7 p.m. to 9 p.m.

Absentee voting ballots must be turned in to the precinct by election day.

Don Paul, McGreggor and Lee Greenwell will be judges and clerks will be Mrs. Ruth Kraus and Mrs. Richard Ehrlich.

Party Is Set By Grange at Cedar Draw

BUILD—Members of Cedar Draw Grange voted to sponsor a Halloween costume party on Oct. 30 with all residents invited to attend, when they met in regular session Friday night.

The event will begin at 8 p.m. with arrangements under the direction of Mrs. Ted Hicks, lecturer, and Mrs. Henry Dahlquist, home economics lecturer. Final details are being worked out at the Oct. 22 meeting.

It was announced that Mrs. Dahlquist's entry, a pair of pillows, won second place in the needlework in the State Grange contest. Several resolutions were discussed but are slated to be presented during State Grange session slated for this month at Goshute.

It was noted Cedar Draw Grange meets regularly at 8 p.m. on the second and fourth Friday of each month.

For the lecturer's program, Mrs. Hicks read the Grange commands, Richard Morgan, new master, and other new officers presided at the meeting.

Refreshments were served by Mr. and Mrs. Gary Grindstaff and Mr. and Mrs. Valdene Anderson.

Film Slated at Meeting of Area Church Council

A film entitled "Give Us This Day" will be shown at a public meeting of the Magic Valley Council of Churches at 8 p.m. Thursday in the Church of the Brethren.

The film, produced by Church World Service, will highlight the concerns of the Council of Churches for local support for world relief.

President of the council, Rev. Robert C. Harvey, will conduct a business meeting during which progress of council projects and plans will be outlined. Attending will be pastors and lay delegates of member churches. This public is cordially invited to attend.

HIGHWAY DEPARTMENT MAP shows planned relocation of U.S. Highway 93 at Rogerson. The new route will bypass Rogerson, eliminating a dangerous curve just north of the town, at which there have been several accidents in past years.

Hearing Is Planned on Relocation of U.S. Highway 93 to Bypass Rogerson

A planned relocation of U.S. Highway 93 from Rogerson north to Deep Creek will be put before a public hearing, the State Highway Department reported Tuesday.

Connections to the existing highway would be provided both south and north of Rogerson for convenient community access.

Chief benefits of the planned relocation are expected to include removal of through non-stop traffic from Rogerson, including many trucks; reduced annual operating costs for the traveling public, and safer conditions for local pedestrian movements and vehicular operations.

According to the highway department, a study of accidents on this section of U.S. Highway 93 during the period 1959-1963 revealed that 92 per cent of all accidents involved single cars leaving the road.

The accident rate during this interval amounted to 7.32 accidents per million miles traveled, compared to the statewide average of 3.5 accidents per million miles traveled.

It is anticipated that the proposed movement will contribute materially to a significant reduction in accident rates.

The highway originally was constructed in 1920 and was paved in 1931. It has a 28-foot roadway width. The proposed facility will have a 34-foot roadway width throughout and will be designed for modern traffic speeds.

The average daily traffic using U.S. Highway 93 in the vicinity of Rogerson amounted to 1,100 vehicle trips in 1963. With in 20 years U.S. Highway 93 is expected to carry daily average traffic loads of approximately 1,800 vehicle trips.

Citizens interested in testifying at the public hearing are asked to write to Wayne Sum-

Insanity Plea Entered in Baby-Killing

JACKSON, Wyo. (UPI)—A farm laborer charged with beating to death the 5-month-old daughter of his traveling companion Monday entered a plea of insanity at his preliminary hearing in district court at Jackson.

Lee Wayne Daniels, 22, of Aberdeen, S. D., entered pleas of innocent to the charge of first degree murder as stated, innocent by reason of insanity, and not guilty to the charge of insanity.

Dist. Judge C. Stewart Brown ordered Daniels committed to the Wyoming State Hospital at Evanston for a period of not more than 60 days. He ordered the hospital's findings to be submitted to him in a written report.

His bond was set at \$25,000 and Daniels was returned to custody of Teton County authorities.

He is accused of the murder of Ella Mae Jones daughter of Pansy Imogene Jones.

The baby's body was found Aug. 7 near Swan Valley, Idaho, buried in a shallow grave just off the highway.

FBI to Sponsor Law Enforcement Confab Oct. 20

Robert W. Evans, special agent in charge of the Montana-Idaho Division of the FBI today announced that a specialized law enforcement conference will be sponsored by the FBI on Oct. 20 at Twin Falls.

This conference is designed to highlight the tremendous responsibilities facing all levels of law enforcement at the present time and how the profession can better equip itself to handle these responsibilities.

According to Evans, the conference will be attended by representatives of the FBI and law enforcement agencies in this area. The meeting is being held in connection with a series of several conferences now being held throughout the nation.

Evans said among those attending the conference will be Frank Barnett, Twin Falls chief of police; Twin Falls Sheriff James H. Benham, and Dean Bennett, lieutenant of the Idaho State Police.

California GOP Leaders Hit by Demos

RENO, Nev. (UPI)—The Western States Democratic Conference has criticized California's Republican leaders for opposing President Johnson's programs in Congress.

The group, meeting in Reno during the weekend, gave special emphasis to condemning California GOP Sen. George Murphy and gubernatorial hopeful Ronald Reagan for "disrespectful and unconstructive attacks on the programs of the highly productive 80th Congress."

The Democrats, from 13 states and Guam, said the current Congress brought federal health programs, aid to education, better housing and equal voting rights to all Americans.

The conference also condemned political extremists, calling it a "particularly malignant force in some Western states" and called on both Republicans and Democrats to "expose" it.

Ancient Map Excites Yale Librarian

NEW HAVEN, Conn. (AP)—Yale University librarian James Tams says an ancient map said to prove exploration in North America before Christopher Columbus sailed is "the most exciting single acquisition of the Yale Library in modern times."

The map will go on public display Tuesday, Columbus Day, in Yale's new Beinecke rare book and manuscript library.

The university announced Sunday the discovery of the map of the world that Yale scholars say proves that Erikson and other Vikings made pre-Columbian explorations of North America in the 11th century.

The university said the map was drawn about 1490, half a century before Columbus' first voyage to the New World in 1492. The map probably was the work of a monk in Basel, Switzerland, using source materials dating back at least to the 13th century, the announcement said.

The map, measuring 11 by 16 inches and drawn in brownish ink on parchment, was given to Yale by an anonymous benefactor.

"It first came to modern light in 1857. But it required eight years of research by British and American experts to establish the authenticity of the earliest and only pre-Columbian map now in existence showing part of the Western Hemisphere," the Yale announcement said.

30 Nations Represented In Post Tour

BILLINGS, Mont. (AP)—Representatives of about 30 nations toured the United States' new \$10 million listening post today.

The occasion was dedication of a complex of devices designed to help detect nuclear explosions and even earthquakes.

The 400-mile stretch of more than 10,000 square miles housing... 525 detectors may be one of the most important sections of earth in existence in the world," Montana Gov. Tim Babcock said in welcoming visitors.

"In Montana, our fervent hope and earnest prayer is that this enormous complex never will be called upon to record anything more world shattering than a minor earthquake, some typhoon blasts or a herd of antelope scampering across the Montana prairie."

"We pray, as well," Babcock said, "that this installation will be one of the keys to the negotiation, soon, of a comprehensive test ban treaty, serving to put the anxious mind of the world at ease for all time to come."

At least three foreign countries sent ambassadors to the dedication.

The dedication was sponsored by the Advance Research Projects Agency of the Defense Department. The complex, termed LASA, for Large Aperture Seismic Array, is the largest in the western world.

It consists of 525 seismographs buried up to 200 feet in the Miles City area. Data from the complex will be processed in Billings at a rate of 150,000 items a second.

BOISE (AP)—Groundbreaking ceremonies marking the start of construction of Idaho's new Veterans Home are planned for Veterans Day, Nov. 11. Larry Laughridge announced today.

Laughridge, home commandant and executive secretary of the Idaho Veterans Affairs Commission, said some construction work may be done before that time, since opening of bids is scheduled Oct. 25.

But he said the formal ceremonies will be a part of Boise's Veterans Day observance.

The split-level structure will have capacity to house 150 men and is expected to cost about \$655,000.

**School Board Has
Special Meeting**

RICHFIELD (AP)—A special meeting of the Richfield school board was held Tuesday evening to pass a resolution changing dates in the amortization table of the recent bonds passed for completion of the new elementary school.

Insprint in dates necessitated the passing of the resolution.

Bonds were voted in the amount of \$30,000. The meeting was called by Supt. E. R. Briggs in the absence of Chairman Clifford Comer.

October school trustee session will be held Tuesday.

3 SERIOUSLY INJURED
BLACKFOOT (UPI)—Three persons seriously hurt when two cars collided at a rural intersection eight miles west of Blackfoot Monday were reported "in serious condition but doing as well as can be expected."

Attendants at Blackfoot Memorial Hospital said Dale G. Taylor, 24, driver of one of the cars, and Dorothy Caldwell, 44, both Blackfoot, and Ruth Casper, 17, all underwent surgery Monday.

Taylor's car collided with a car driven by Donald Wadsworth, 16, Blackfoot. He was less seriously hurt.

IDAHOAN HONORED
HOUSTON, Tex. (AP)—Roger B. McGinnis of Boise, Idaho, was one of 34 recipients designated Monday as "honorary chamber executives" at the 51st annual management conference of the American Chamber of Commerce Executives.

The title is a new one based on rapid requirements of high performance in the chamber management field.

More than 600 chamber executives are attending the meeting which runs through Wednesday.

Thomas Brownlee of Orlando, Fla., was elected president Monday.

SHIRLEY ACCUSED
BOISE (AP)—An Ada County Democrat has accused Republican Sheriff Paul Bright of purchasing more than \$100 in badges and emblems "through his own company."

Ada County Democrat
Chairman Emmett Bennett said the bill from Bright Advertising Specialties was turned down by Ada County Commissioners, but was approved when later submitted by a Massachusetts firm.

Roy Murphy, chairman of the county commission, said the second bill—from the V. H. Blackett Co. of Attleboro, Mass.—was paid with the understanding that Bright Advertising received no commission.

"The first we know about the purchase," said Murphy, "was when the original billing was received. We advised Bright of the law and rejected it."

SPONSOR TALK
POCATELLO (AP)—The Pocatello Knit and Fork Club is sponsoring a talk by Herbert Philbrick, former comptroller for the FBI, Sunday at 7 p.m. in the Bannock Hotel.

Philbrick wrote a book "I Led Three Lives" on which a TV series was based.

UNDER ADVISEMENT
BOISE (AP)—Boise Municipal Judge Roger Borgynne took under advisement today a motion to dismiss a charge of violating the city's "Tells and Gongs" Ordinance on grounds the law is unconstitutional.

Ken Barth, 44, manager of Boise radio station KATN, was arrested two weeks ago and accused of violating the ordinance by operating a public address system on a city street.

Boise Attorney William Roden filed the dismissal motion, asserting Barth was deprived of due process of law.

PROPOSE MERGER
BOISE (AP)—A group of Union Pacific Railroad officers told Gov. Robert E. Smylie Monday that the proposed UP-Rocky Mountain Railroad merger will benefit Idaho shippers and businessmen.

George Baker of Portland, UP district general manager, outlined the proposed merger during a brief meeting with Smylie.

He said the merger will result in single-line service between Idaho shipping points and mid-west marketing areas.

PEDESTRIAN KILLED
BOISE (AP)—A seven-year-old Boise boy was killed Monday in a car-pedestrian accident.

The victim was identified as Joseph Barth, 7, son of Mrs. Joan C. Viker. Police said he was hit by a car driven by Bessie G. Rasmussen of Boise.

The death boosted Idaho's 1965 traffic death toll to 215, that compares with 198 on that date a year ago.

QUEEN AT COLLEGE OF IDAHO'S 75th anniversary homecoming weekend was Gloria Gunnerson, daughter of Mr. and Mrs. Charles Gunnerson, Declo. Her attendance included two Twin Falls girls, Betty Eilers and Cheryl Couch. Miss Gunnerson was crowned at the annual theater party in Jewett Chapel Auditorium. Gov. Nelson Rockefeller, New York, was guest speaker for the celebration.

States Ask Reinforcements In Fight Against Accidents

CHICAGO (AP)—Many states are sending reinforcements — more highway patrolmen — into the battle against traffic accidents.

An Associated Press survey also showed today that recent sessions of legislatures acted against drunken drivers, druggers, and junk heaps — and, in one capital, started a move to design a maximum safety car.

The increase of police forces look place against this statistical background: Motor vehicle deaths hit a record 47,700 last year, and seven out of 10 of them occurred in rural areas.

California lawmakers decided to double the size of the highway patrol to 5,200 officers.

Legislatures authorized an additional 200 state troopers in Michigan, 150 in Washington State, 100 in Iowa, Tennessee and Connecticut, 145 in Missouri and 50 in Kansas, Ohio and Wisconsin.

State police are seeking 400 more men in Kentucky on grounds that the present force is spread too thin.

Iowa's governor was empowered to declare a state of emergency on the road network during critical periods — such as holiday weekends — and to use state employees to help the patrol.

Some of the laws were aimed at the two-wheel set.

The Nevada Motor Vehicles Department requires all motor scooter drivers in the Reno and Las Vegas area to pass written and driving tests.

New motorcycle riders now must pass driving tests and obtain special licenses in New York. Scooter operators and motorcycleists must take examinations and get special licenses in Oregon.

Motor bikes of five horsepower or lower are barred from Ohio's freeways.

Colorado raised the minimum age for operators of motor scooters from 14 to 16 to 16 to 16, the same as for automobiles.

Wyoming boosted the minimum driving age for cars from 15 to 16 and for power cycles from 14 to 15.

Illinois prohibited motorists under 18 from driving after curfew — midnight on Friday and Saturday, 11 p.m. on other nights.

Iowa made racing on public roads punishable by a fine of \$100 and 30 days in jail.

Cowboy Confab Slated in T.F.

BOULDER—Plans for the 10th annual convention of the Idaho Cowboy's Association slated for Nov. 20-21 at the Twin Falls Moose hall were announced Tuesday by Bob Juker, Buhl, association president.

The two-day convale will begin on Saturday, Nov. 20, and will feature a business meeting with election and installation of new 1966 officers and board of directors committee meetings, concluding with a banquet and dance.

Highlighting the banquet will be the presentation of awards and trophies. Champion winners in the various events will each receive a saddle and buckle. Second place winners in each event will receive a trophy and third-place winners will receive silver spurs.

Sunday's agenda will call for a meeting of new officers and directors. The two-day meet will conclude at noon.

Current officers serving the Idaho Cowboy's Association in addition to Juker include Donald Wilberth, Rupert, vice president; Mrs. Robert Juker, secretary; and Mrs. Wilberth, treasurer.

K. C. Bartholomew, Jerome, is bare back director; Dick Anderson, Albion, saddle bronc director; Curt Bartholomew, Jerome, bull riding director; Tom Webb, Wendell, calf roping director; Gayle Bowen, Arco, bull dogging director; and Jasper Thomason, Twin Falls, team roping director.

MR. AND MRS. LIONEL HARMS (Shig Morita photo)

Clarene Coley, Harms Exchange Nuptial Vows

BUILT—Vows uniting in marriage Clarene Rabae Coley, daughter of Mr. and Mrs. Ivan Coley, Buhl, and Lionel De Harms, son of Mr. and Mrs. A. J. Harms, Wendell, were exchanged Sept. 26 in a Buhl ceremony.

President Delbert Alexander of the Castleford LDS Church solemnized the double ring nuptials. An ornate white archway enhanced with greenery and flowers flanked by gold baskets of yellow and orchid chrysanthemums formed the background setting for the afternoon ceremony.

The bride, given in marriage by her father, was attired in a floor-length gown fashioned of Chantilly lace accented with a scalloped bateau neckline and petit point sleeves. The bouffant tiered skirt cascaded into a chapel train.

A tiara embellished with seed pearls released her elbow-length veil of bride's illusion. The bride wore a Cymbidium orchid corsage adorned with dark purple ribbon bows edged with silver trim, and carried an array of orchid florettes detailed with greenery and flowing yellow satin ribbon streamers.

Mrs. Melvin Todd, sister of the bride, was matron of honor. Larry Harms, Wendell, brother of the bridegroom, was best man. Ushers were Danny Todd, nephew of the bride, and Wayne Eastman.

Traditional wedding music was played by Anne Van Sickle, organist. She also accompanied Laura Hoots, soloist. A reception was held immediately following the ceremony. The bride's table featured a white lace tablecloth centered with a three-tiered wedding cake. The cake, iced in white, was highlighted with orchid-colored roses and silver leaf adornments and topped with a miniature bride and bridegroom against a fan background enriched with rhinestone decorations. Gold candelabra with yellow tapers completed the table decor.

Couple Marries

SHOSHONE—Howard Horn and Mrs. Sharon Walker, Twin Falls, were married Sept. 13 at the Methodist Church, with Rev. Ralph Cairns officiating. Members of the immediate family attended.

After a wedding trip to McCall, Mrs. Horn will reside in Twin Falls until Horn returns from service with the Armed Forces. He is completing an extended furlough and will go by plane to the ship, USS Enterprise, which is on its way to Viet Nam.

The couple took a wedding trip to the Oregon coast. A rehearsal dinner was hosted at the Pleasant Room, Salem. The bride was honored at a shower given in Eugene at the home of Mrs. Charles McCarthy, and in Jerome at the home of Mrs. Howard McMillan, assisted by Mrs. Thelma Gibson and Trudy Gibson.

An open house was held at the couple's new home in Corvallis. Guests attended from Eugene, Hood River, Portland, Jerome and Twin Falls.

Miss Halstead, Hadley Repeat Wedding Vows

JEROME—Barbara Lee Halstead, daughter of Mr. and Mrs. Rufus Ray Halstead Jr., and Allan D. Hadley, son of Mr. and Mrs. Marilyn M. Hadley, Albany, Ore., were united in marriage June 25.

The double ring rites were solemnized by Rev. Harold Lyman at Court Street Christian Church, Salem, Ore.

Given in marriage by her father, the bride wore a street-length gown of white lace over satin. Her veil of French illusion was held by a crown of seed pearls. She carried a bouquet of blue and white daisies accented with blue and white shower ribbon.

Mrs. Larry Halstead, Twin Falls, was matron of honor. Richard Foster, Corvallis, was best man. Ushers were Larry Halstead, brother of the bride, and Macy Hadley, brother of the bridegroom.

A reception for members of the immediate families was held following the ceremony at the home of the bridegroom's parents.

The bride's table was covered with lace and centered with a tiered wedding cake made by Mrs. Larry M. Halstead. The cake was topped with a miniature bride and bridegroom and accented with blue and white flowers.

Mrs. Zeldin Porter, Hood River, aunt of the bridegroom, cut and served the cake. Mrs. Rufus Halstead Sr., grandmother of the bride, presided at the coffee service. Punch was served by Mrs. Darel Hadley.

The couple took a wedding trip to the Oregon coast. A rehearsal dinner was hosted at the Pleasant Room, Salem. The bride was honored at a shower given in Eugene at the home of Mrs. Charles McCarthy, and in Jerome at the home of Mrs. Howard McMillan, assisted by Mrs. Thelma Gibson and Trudy Gibson.

Mrs. Jack Allen gave the visiting teacher's message on "Commitments of Teaching," assisted by Mrs. D. H. Gold and Mrs. Dean Williams. Music was under the direction of Mrs. Joseph Haycock and Mrs. Ethel Boyer.

Prayers were given by Mrs. Isabelle Morgan and Mrs. Dean Williams. It was announced that mothers are asked to volunteer for the Stake Singing Mothers, and the unit will practice at the Wendell church each Friday evening, under the direction of Mrs. Forrest Weaver.

Members will hold a work day Tuesday and dish towels will be painted.

ADDRESSING INVITATIONS for the Magic Valley National Guard Dinner-Dance are, from left, Mrs. John R. Gentry, Mrs. Bliss Russell and Mrs. Tomamy Beams. The dinner-dance is set for 7 p.m. Nov. 13 at the Twin Falls National Guard Armory and is sponsored by the Twin Falls National Guard Auxiliary. Mrs. Russell is general chairman. (Times-News photo)

WARNING TO PROSPECTIVE GUITAR BUYERS
As a sideline to the great popularity of all types of guitars at this time, there are a great many cheap, imported guitars on the market being offered by people whose only interest is a quick profit. These instruments are poorly made and require much upkeep. Many of them are very difficult to play, thereby discouraging anyone who has a desire to learn to play. Some cannot be played at all.
If you can the average person who knows nothing about guitars be protected? Seek the advice of a professional, teacher or other qualified individual who knows and plays the type of guitar you are interested in. Buy your instrument only from a local dealer whose principal business is music and who will stand behind the instrument he sells you.
No one is better qualified to know guitars than a guitar teacher. He teaches and plays guitars six days a week and sees all types of the instrument. If, if anyone, would know the difference.
If you are interested in buying a guitar, we would be happy to talk to you and show our stock of all types of guitars. We are an authorized guitar dealer offering sales, instructions and repairs on accordion, guitar and piano. Sales by appointment only.

Boilermaker Strike Talks Are Resumed

SAN FRANCISCO (AP) — Negotiations between the striking A.F. of M. Boilermakers union and a contractors' committee resumed today after an additional 2,700 workers were idled in Eastern Washington.

The 12-day strike has closed projects with a total value of more than \$1 billion in California, Arizona, Washington, Oregon, Idaho, Utah, Nevada and Alaska.

More than 20,000 workers in the West have been idled, many because they would not cross picket lines. The latest walkouts involved an atomic energy project.

Federal Mediator Anthony Varvris said some progress was made in talks over the weekend.

The International Brotherhood of Boilermakers is representing 13 union locals in the strike. The Western Field Construction Negotiating Committee is spokesman for 150 contractors.

The most recent shutdowns were at the \$184 million Wells Dam on the Columbia River and two separate projects at the Hanford atomic works. All are in Eastern Washington.

A union spokesman at Seattle said pickets would be removed if the contractors signed an interim one-year agreement granting a 50-cent an hour wage increase.

Boilermakers currently receive a basic wage of \$3.75 to \$7.25 an hour in all of the states involved except Alaska. They began their strike in California Oct. 1 demanding \$1.50 hourly wage increases in a three-year contract. Boilermakers have turned down an offer of a 95-cent increase.

TEEN-AGE MONSTER MAKER Dale Kulpers, 17-year-old high school senior, handles one of the "monsters" he's made in the basement of his Green Bay, Wis., home. Dale and a teen-age friend are making a stop-action movie using Dale's model monsters. His models are made from junk—plastic bags, mattress stuffings, clothes hangers, rug padding, flash bulbs, etc. "They cost me nothing but paint," Dale says. (AP wirephoto)

Youth Models Monsters for Movie of Venus Inhabitants

GREEN BAY, Wis. (AP) — You look at Dale Kulpers and you think, now there's a good average 17-year-old American boy—white jeans, sports shirt, needs a haircut.

You'd be right thinking that. If you didn't follow him down to the basement of the Sylvester Kulpers home in Green Bay. But if you did, and caught him in his werewolf suit, you might have some second thoughts.

Then there are the eerie flesh-eating plants, ceiling high; the insect-creations, as big as a man, and various rejects from the age of reptiles.

"I know it's all stuff he's thrown together," his sister Donna, 10, says, shuddering. "He's got this drive."

Anyway, Donna doesn't go down in the basement much any more.

Not many people do. One who does is another good average looking high school senior, Chester Wallace, who has gotten involved in what Dale hopes will be his life work because Dale needed another artist and assistant cameraman.

The movie is about a party of earthmen who land on Venus in a time lapse which finds a superdeveloped Venusian civilization overlapped by dinosaurs.

The models can be moved only one-tenth of an inch for each frame of movie film exposed, and it takes seven hours to film a 35-second sequence.

Kulpers' compulsion for realism requires such things as a tube inserted into their paunches so they appear to breathe in the finished film.

Dale's monsters are made from junk—plastic bags, mattress stuffings, clothes hangers, rug padding, onion shoots, thistles, grapevines, linoleum paste, roofing tar, flash bulbs.

"They cost me nothing but paint," he says.

Richfield School Elections Held

RICHFIELD — John Lezamlz was elected president of the junior high school at the Richfield school election Friday. He is an eighth grade student.

Brent King was named vice president and Cathy Robinson, secretary. Both are seventh graders. Diana Timney, eighth grade, was chosen treasurer.

The junior high department is continuing its magazine sales contest for another week. Proceeds are used to finance the junior high physical education department. Outfits and other equipment have been purchased from the funds in past years.

House Breaker

INVERNESS, Scotland (UPI) — Ronald K. McGillivray admitted Monday charges of house breaking, including one in which he climbed 30 feet up a drain pipe and walked along a ledge.

McGillivray is blind.

SO THEY THINK THEY CAN OUTSMART ME, THEIR BELOVED LORD MAYOR.

THEY'RE STAGING THAT 'BEND-OVER' BECAUSE THEY THINK I'LL GIVE IN TO THE TEMPTATION TO KICK 'EM!!

HAI!! NOW CAN'T WEAKEN!!

GET MOSCOW ON THE PHONE!!

DO YOU KNOW WHAT WE'VE DONE IN THESE NINE YEARS SINCE JERRY'S BIRTH? WE'VE GRADUALLY CUT OURSELVES OFF FROM ALL OUR FRIENDS.

IT'S NOT BEEN THEIR DECISION, VIVIAN! IT'S BEEN YOURS! YOU'VE ASHAMED OF HAVING HAD JERRY, AREN'T YOU?

NO... I LOVE OUR SON...

BUT YOU THINK I DON'T? WE'RE SENDING HIM AWAY TO SCHOOL. I'VE SEEN WHAT THIS ISLAND FROM PEOPLE HAS DONE TO HIM! IT'S NOT GOING TO CONTINUE! TO BECOME A USEFUL-GUY!

What you aim to do first, Rufus? The drain or the faucet?

I figured I'd fix the faucet first!

If it was me I'd unclog the drain first!

I ain't you! I am me, and I aim to commence on the faucet!

I ain't goin' to butt in, but you is doin' it all wrong!

I know what I is doin', Joel!

HERE'S THE BULLET, DESMOND. I'M QUITE CERTAIN THE SNIPER MISSED US AND HIT THE VASE ON PURPOSE.

I SEE, SHOWING HIS MARKSMANSHIP AND TEASING US AT THE SAME TIME...

IF WE START FROM WHERE THE BULLET HIT AND SIGHT THROUGH THE HOLE IN THE WINDOW WE CAN GET A GOOD IDEA OF WHERE IT WAS FIRED FROM.

L. A. WHIPS TWINS TO TAKE SERIES EDGE

Koufax Pegs Four-Hitter As Fleet Dodgers Take 7-0 Fifth-Game Victory

LOS ANGELES (AP)—Sandy Koufax and Maury Wills took command of the World Series Monday as the fleet Los Angeles Dodgers humbled the tree-swinging Minnesota Twins 7-0 and took a 3-2 edge by winning the fifth game. Koufax allowed only four hits, struck out 10, and had a perfect game going until Harmon Killebrew got a single in the fifth on a ball that Willie Davis first misjudged and finally couldn't hold after a long run. The Twins' second hit was an infield roller that Joe Niekirk just beat out by a whisker in the seventh. Frank Quiliet and Sandy Valdespino singled in the ninth.

Twins Gladly Leave L. A. for Home Park

LOS ANGELES (AP)—Quiet and subdued, the Minnesota Twins gladly took leave of Dodger Stadium Monday, pondering a three-loss nightmare in the World Series and Los Angeles speed which routed them decisively. The Twins, virtually to a man, were happy to see the last of Chavez Ravine but admitted they faced an uphill battle in stopping the Dodger run-

Koufax Uses Fast Balls And Curves

LOS ANGELES (AP)—Sandy Koufax just pitched a four-hit shutout against Minnesota. He struck out 10. The Los Angeles Dodgers won 7-0, giving them a 3 to 2 edge in the World Series.

A fellow asked Koufax what he threw to the Twins. "Fast balls and curves. That's all I've got," answered baseball's best pitcher.

This is Sandy Koufax, who never has allowed the pugnacious in his arm or the swelling in his elbow to go to his head.

Koufax did not allow a hit until Willie Davis missed Harmon Killebrew's fifth-inning blopper to short center after getting a late start. Asked if he felt badly about losing his perfect game at that point, the 29-year-old south-

paw said: "Not at all. I didn't think it was going to be the only hit. I knew they'd make more. I didn't think I was pitching that strong a game. In fact, I was surprised they didn't make more hits than they did."

"I'm not disappointed with the way I pitched," said Sandy. "But I have pitched better. I was behind the hitters too much. I became awfully tired after the seventh inning."

"It's been a long season. I think I've pitched 350 innings this year, not counting exhibition games."

"The fact that we got some runs and I got a few breaks helped. They hit a few balls right on the nose but right at somebody."

The brilliant pitcher, who won 26 games during the regular season despite an arthritic condition in his left elbow, said he would not know what effect his latest effort would have on his arm until the next day.

"As soon as you guys leave," he smiled, "I'm going to have the elbow packed in ice to keep the swelling to a minimum."

Ramsey May Say No to Celtics

LOUISVILLE, Ky. (UPI)—Frank Ramsey said Monday that coaching the Boston Celtics would be "literally starting at the top," but he's not sure he wants the job.

The Celtics announced Monday that the former University of Kentucky star would be offered the job at the end of the 1965-66 season.

Coach Red Auerbach, in town for two days of exhibition games, said he had been trying to talk Ramsey into taking over the reins of the team next year.

"I definitely want to retire at the end of this season," Auerbach said.

Wills tied a Series record with four hits, including two doubles in the Dodgers' rout of 14 hits in the loss. Jim Kaut and Dave Boswell and Jim Perry.

The alert Dodgers stole four bases, three of them by Willie Davis. It was the first time a player had stolen three in a Series game since Ionus Wagner, the old Pirate immortal, did it in 1903.

After five games the Dodgers, derided for their peck and scramble attack, were hitting .302 as compared to their regular season average of .245.

Koufax, coming back with a strong effort after his defeat by Kaut in the second game last Thursday, appeared on his way to a no-hitter or a perfect game as he moved down the Twins in the early innings.

When Killebrew came up to open the fifth, Sandy had retired 12 successive batters.

The Dodger bandits who lost the first two games in Minnesota, were all over Kaut and his successors. They scored two in the first, but more in the third and fourth.

They now got back to Minnesota for a sixth game Wednesday afternoon and a seventh, if necessary, Thursday. There will be no game Tuesday, an open date for travel.

Wills opened the attack with a ground rule double that bounced into the stands in right in the first inning. Jim Gilliam, his old sidekick, singled him home.

Continued While Davis-trying to protect Sandy Koufax' up-to-then perfect game—goes all out to catch a fly ball by Twins' Harmon Killebrew in the fifth inning of Monday's World Series game in Los Angeles. He gets the ball in his glove, then is poked out for a single. The Dodgers won 7-0. (AP wirephoto)

ABC, NCAA Ink Television Pact

NEW YORK (AP)—The National College Athletic Association and the American Broadcasting Co. have agreed on a college football television program that could run as long as four years, starting in 1966, and bring the NCAA more than \$32 million.

ABC and the NCAA announced Sunday they had signed a contract for 1966 and 1967 at a price of \$15.6 million.

The Associated Press, meanwhile, learned from another source that the agreement also calls for an option that would extend the contract through 1968 and 1969 at an additional cost of nearly \$17 million.

ABC is the only one of the three major networks without a football program this season.

Hoopie in Slump; Names Jones to Select Winners

BY MAJOR AMOS D. HOOPLE
 (Egad! The 1965 football season is now at the midpoint and yet I'm unable to shake the early season slump! I missed only five, but I attained that goal last week and therefore must count this past week as merely a marking of time. Men of stature and ambition are not content with the status quo. Ahem! This week I am relinquishing my right to lead you Magic Valley prognosticators through the trials and pitfalls of high school and collegiate grid ups. I am turning the entire selection of games and predictions to my assistant, Oskar (Premontion) Jones. He has devised a method he is unwilling to explain to me, although I am sure it is one I have already developed, used to its fullest and gone on to more incisive formulae. However, he has been faithful these several years and I am not one to dampen enthusiasm. His predictions are found in today's sports page. This week, then, I join you in battling the anonymous experts! Harumph!

Meeting Set

JEROME — The Jerome County Rod and Gun Club will hold its first meeting of the fall season at 8 p.m. Wednesday in the basement of Woods Cafe.

All interested sportsmen are invited to attend and refreshments will be served.

The week was dominated by the fair sex with Leora Dwyer, Filler, being crowned our champion. She missed only three selections. That effort is worth \$10. Also, it should be noted that Mrs. Dwyer is a loyal and faithful participant in this contest. She has taken our money before.

Helen Ritchie, Twin Falls, joined with nine others in missing four but she was tops in point predictions and thereby claims the second prize of \$5. In third place, completing the staff sweep, is Jean Folkman, Jerome.

On the honorable mentions are Rachel Alvord, Twin Falls; Kelly Curfew, Kimberly; Leroy Jensen, Rupert; M. J. Reid, Jerome; Mrs. Ralnh Dunn, Jerome; Donald E. Watson, Heyburn; and Jim Wheeler, Castleford.

Egad, men! Do you realize five of the 10 are women, let us redouble our efforts this week!

Rulings Told On Football Inventions

NEW YORK (UPI)—Inventive football coaches won one and lost one Monday in rules interpretations by Eastern college officials.

It's legal for defensive backs to perch on the shoulders of linemen to try to block placekicks as Cornell attempted against Princeton last Saturday. It's illegal for a quarterback with a radio receiver in his helmet to get advice from the sidelines as Penn State has charged UCLA did two weeks ago. UCLA won 24-22.

"There can be no direct communication to players on the field," said Dick Wall of the Eastern College Athletic Conference. "Any such communication violates Rule 9, Section 2, Part D."

Wall, speaking at a New York football writers lunch, said Cornell's piggy-back defense is legal and not entirely new. Research indicated Oregon State used it three times against Oregon in 1933 with a center perched on the shoulders of two tackles. It worked once, resulting in a blocked placement.

Cornell, trying to stop Princeton's soccer-style kicking ace, Charley Gogolak, hoisted two

Tulsa's Anderson Is UPI Back of Week With Four Not Far Behind Him

By STEVE SNIDER
 UPI Sports Writer
 NEW YORK (UPI) — All-American footballer: Tulsa's Kai Anderson is the back of the week with four not far behind him.

Four wheelbarrows who accounted for 91 points last week were named Monday in the United Press International backfield-of-the-week with Tulsa's Billy Anderson in the No. 1 spot.

Selected with Anderson were Ron Landek of Princeton, Ben Woodson of Utah and Rodger Bird of Kentucky, all four for the first time this season.

Anderson was the top point producer with four touchdowns and two conversions in a 32-23 thriller against Memphis State. The other success to the graduated Jerry Rhonie clicked on 39 of 63 passes

backs on the shoulders of two tackles on three different occasions last Saturday.

The first time, Gogolak missed his try but Cornell was called for an off-sides and Princeton went on to score 3 touchdowns. Gogolak eventually kicked field goals of 54 and 44 yards as Princeton won 36-27.

Tips Given Hunters By Fish, Game Group

BOISE — The Idaho Fish and Game Department reminded all hunters today that meeting four basic requirements found in the regulations will keep them out of trouble in most instances. These are (1) to securely attach appropriate game animal tag to the carcass of game animal as soon as it is killed; (2) to immediately punch tag in the two appropriate places designating the correct day and month it was killed; (3) to stop and report at each checking station encountered en route to and from the hunting area; and (4) to produce license, tags and all game for inspection when requested by authorized representatives of the Fish and Game Department.

As usual, one end of the game tag, separated by a perforated line, contains the hunter report card. This should be detached, filled out and mailed postage free to the Department as soon as possible.

The purpose of the law requiring hunters to stop at check stations on the way to and from hunting areas is more to gather management information than to help conservation efforts. About one-fifth of all the elk and deer killed throughout the state each year go through check stations. This is enough to show the condition of the animals and other items.

Fishermen also are required to stop at checking stations en route to and from home.

Columbus Is Stopper in Speed Trial

DONNEVILLE, ILL. (AP) — A man who didn't go fast at all, and died more than 400 years ago, stopped Craig Breedlove from trying for any land speed records Monday.

The Los Angeles racer was to try with his "Spirit of America" — Sonic I jet car to better existing drag racing records over a kilometer and a mile.

But Columbus Day is Tuesday, and Utah highway crews don't work. So they graded the 10-mile long salt-paved raceway in Western Utah Monday.

Breedlove said he might make a few test runs Tuesday and if everything works perfectly, possibly try for a new world land speed record.

Art Arlons of Akron Ohio set the mark at 536.7 miles per hour last year. Breedlove thinks his new coke-bottle shaped car can top that, and maybe surpass the speed of sound, about 726 miles-per-hour at the salt flats.

Patterson's Trainer Dies

NEW YORK (AP) — Dan Florio, manager-trainer of former world heavyweight champion Floyd Patterson and a prominent boxing figure for 45 years, died Monday night in a New York hospital. He was 60.

Florio's death, a week after he underwent surgery for an intestinal ailment, will not affect Patterson's heavyweight title fight with champion Cassius Clay in Las Vegas Nov. 22, promoter Al Dolan said in Las Vegas.

Market and Financial Report

Stocks

NEW YORK (AP) — Heavy buying in speculative issues featured the close of a scrambled stock market session today.

The market advanced in early trading despite the natural tendency to take profits following a rise in Treasury securities. The bid was edging off irregularly, but amid great strength in the movement of high flyers.

These volatile issues gained increased strength later in the afternoon and many of them climbed the ranks of the very active issues.

Brokers saw the heavy buying as a symptom of strong public participation. But many of the market wheelers were doing very little.

Volume was big despite semi-holiday conditions prevailing because of Columbus Day.

Volume for the day was estimated at 8.9 million shares compared with 9.6 million Monday.

Here was the picture near the close:

Fairchild Camera dropped about 3 points of a 10 1/2-point gain Monday. Down more than a point were SGM Corp., International Addressograph, and others.

Losses of a point were shown by Du Pont, Westinghouse Electric and IBM.

As the market slid off its historic peaks made Monday there was resistance to a sharp drop. Speculative interest in the stock of the lower-priced issues, among them American Photocopy which rose 1 as the volume leader.

Consolidation Coal gained half a dozen points following a similar move Monday. News came out that it plans to join some of its activities with Continental Oil, which dipped fractionally.

Up about 2 were U.S. Smelting, Northwest Airlines, American South Africa Investment and Xerox. Donor Mines and Campbell Red Lake gained traction as gold miners showed a steadier tone.

M.A. Hanna, up more than a point, continued active.

Grain

CHICAGO (AP) — Soybeans and grain futures remained steady, selling pressure today generated by a government report indicating larger than expected soybean and corn crops.

Corn futures skidded to new seasonal lows and prices weakened again near the close after a feeble recovery attempt at midday.

Disappointing export business was a depressing factor on wheat prices.

Liquidation was steady in soybeans and the decline attracted some buying by commercial interests.

No cash receipts were reported today due to Columbus Day.

YOUR BIRTHDAY and HOROSCOPE

TUESDAY, Oct. 12—Born to today, you have the sort of magnetic personality that is the first asset of a natural-born leader. In spite of this, however, there is a certain timidity in your relationships with others and it may be, therefore, that you will never take the lead at all, but will be content to remain a follower. Even so, your loyalty, and your ability to carry out assignments without fail, will create a special place for you in the minds of others.

You have excellent judgment, particularly as it concerns the behavior of other people, and a firm sense of justice that is nicely tempered with mercy. Fully aware of your own shortcomings, it is easy for you to understand the shortcomings of others. You neither seek nor expect to find perfection either in people or things, and in this regard you are a true realist.

You also have your idealistic side, however. Your realism is not to fly right out the window when it comes to choosing a mate, for there you really do expect to find—and to keep—perfection. On the other hand, you are as willing to work toward perfection in marriage as you are to expect to gain it; this being so, your wish may well be granted.

To find what is in store for you tomorrow, select your birthday and read the corresponding paragraph. Let your birthday star be your daily guide.

Wednesday, Oct. 13

LIBRA (Sept. 24-Oct. 23)—Employment problems may come up for your consideration today. Make your own decisions.

SCORPIO (Oct. 24-Nov. 22)—Combine business and social engagements during the day, but avoid both when evening comes.

SAGITTARIUS (Nov. 23-Dec. 22)—The wise and efficient Sagittarius can solve business difficulties to the mutual benefit of all concerned.

CAPRICORN (Dec. 23-Jan. 20)—A wonderful day for one with the understanding of mind. Put your ingenuity to work for you.

AQUARIUS (Jan. 21-Feb. 19)—You should advance yourself professionally today if you couple fact with a display of knowledge.

PISCES (Feb. 20-March 20)—Best to table newly suggested activities for later. Today gather the loose ends of present projects.

ARIES (March 21-April 20)—Deal tactfully with competitors today. Take time out, however, to walk a while in another's shoes.

TAURUS (April 21-May 21)—Avoid misunderstanding today. Make your activities obvious, your thoughts clear, your explanations succinct.

GEMINI (May 22-June 21)—Concentrate on ways to augment your income. Take care what you consider, however, for your prestige may be at stake.

CANCER (June 22-July 23)—Do your part in the effort to benefit others. A donation of labor is often worth more than one of money.

LEO (July 24-Aug. 23)—Business associates and social acquaintances may have more influence on your success today than you think.

VIRGO (Aug. 24-Sept. 23)—Though there may be much opposition to your proposals, once you have made up your mind stick to your guns.

Senate to OK Cotton Farm Program

WASHINGTON (AP)—The Senate was set to give final congressional approval today to a four-year farm program that would include unprecedented direct Treasury payments to cotton growers.

Although there was some opposition to the compromise worked out last week by Senate and House conferees, final passage seemed assured. The House approved a 20-to-10 vote on the bill Friday.

Besides cotton, the program would set production and price controls for dairy products, wheat, feed grains, rice, wool and for retirement of surplus cropland. Cost of the program is expected to be about \$1 billion for the 1956 crop year, but the Agriculture Department says the total should be \$300 million to \$400 million lower than in recent years.

Jukebox Will Soon Be Used In Colleges

COLLEGE PARK, Md. (AP)—The jukebox, popular for years in bars and taverns, soon will be used in colleges.

Prof. Thomas Magoon of the University Counseling Service says he hopes to acquire a battery of recomended jukeboxes to place in various buildings at the University of Maryland next year as an electronic counseling device.

House Begins Battle of Sugar Quotes

WASHINGTON (AP)—The House begins the battle of the sugar quotas today with a midwestern Republican urging support for the proposed five-year extension of the sugar act.

Prof. Paul Findley, R-Ill., has charged the proposed five-year extension of the sugar act is "profiteering on a grand scale" and that consumers are forced to pick up the bill.

Last Rites Held For Mrs. Hogan

BAGERMAN—Gravestone services for Mrs. Marie E. Hogan were held Monday morning at the Jerome Cemetery.

Elder Charles E. Vreeland led the opening prayer and the organ played "The Rose Tree." A duet by Mrs. Lyle Gilmore gave the scripture reading and closing prayer. A duet composed of Mrs. Lyle Gilmore and Mrs. Dana Gilmore sang one selection.

FBI Asks for Officers in War on Crime

WASHINGTON (AP) — Taking its lead from President Johnson, the FBI is urging Congress to take emergency action on a base to train more officers in the war against crime.

Rather than wait for next year's budget, the FBI is asking for a supplemental appropriation of \$14,700,000 to expand training facilities at its National Academy at Quantico, Va.

Some members of a House Appropriations subcommittee who expressed surprise and noted that such a deficiency request was supposed to be something of an emergency nature were reminded of a paragraph in Johnson's special crime message last week.

"To meet their large and growing burdens, state and local enforcement agencies must have additional training and technical assistance from the federal government."

John P. Mohr, assistant to FBI Director J. Edgar Hoover, explained in testimony from a closed meeting made public today, "The urgency for the agency at this time is to gear it with the President's drive to do something about crime, to reduce crime, if possible."

As it stands now, Mohr said, the academy trains only 200 state and local police officers, in addition to the FBI's own trainees, at two six-week sessions each year.

"We feel with this new academy located at Quantico next to our firearms ranges, we can provide training for up to 1,200 police officers in our regular National Academy with another 1,000 per year getting specialized types of training," Mohr said.

Missionaries Urged for Red China

VATICAN CITY (AP) — A Chinese Roman Catholic archbishop urged today that his church immediately start preparing missionaries for the day when they might be able to return to the Chinese mainland, now ruled by communism.

Archbishop Paul YU Pin of Nanking, now living on Formosa, spoke to the Vatican Ecumenical Council as it wound up debate on its schema on missionary activity.

The 2,200 council fathers, besides debating the missionary schema, completed its voting on a schema on seminaries, giving it over-all approval. The schema focuses on problems in preparing young men for the priesthood — and especially for a life of celibacy.

Archbishop Pericle Felici, secretary-general of the council, also announced that the assembly will meet with Pope Paul VI in a public session Oct. 28 to promulgate several completed decrees. The decrees were not specified. Several now are ready.

War Shell Kills Five Children

WARSAW (UPI) — A World War II artillery shell that group of children had found and tossed on their campfire exploded Monday, killing five of the youngsters and injuring two others.

The children, between 7 and 14 years old, had found the shell in woods southwest of Warsaw.

Utility Companies Ask Court To Decree Tax Law Unfair

BOISE (AP) — Twenty-six major utility companies are asking Third District Court in Boise to decree Idaho's new tax equalization law unconstitutional on grounds it discriminates against them.

The firms—including the Union Pacific Railroad, Idaho Power Company, Mountain States Telephone Company, Western Union and other power, transportation and service utilities—asked the court ruling in a suit filed Monday.

The utilities said the law, added by the 1965 legislature, is the first in Idaho history to "impose discriminatory . . . and unequal taxation on a particular class of property owners."

The firms, in the suit filed against the Idaho Tax Commission, asked the court to restrain the commission from operating under the law's provisions to decree the law "unconstitutional, invalid, void and without force of law."

The law is designed to equalize over the next four years the

JAMES FIELDS
... son of Mr. and Mrs. W. Price Holloway, Ellor, will train with the Peace Corps for service in the Philippine Islands with a community development team. Fields is a 1961 graduate of Ellor High School and a 1963 graduate of the University of Idaho.

James Fields Training for Peace Corps

ELLOR—James Fields, son of Mr. and Mrs. W. Price Holloway, has been invited to train for Peace Corps service as a member of a community development team, scheduled to serve in the Philippine Islands.

Fields is a 1961 graduate of Ellor High School and a 1963 graduate of the University of Idaho.

He will participate in a 12-week training program at the Hilo campus of the University of Hawaii, beginning Saturday. While at the training session he will study the Philippine language, community planning and development, survey and research, training and teaching techniques, elementary surveying and mapping, rural sociological research and engineering related to community development.

Fields also will study the history, culture, geography, economy and government of the Philippines. Those who successfully complete the training program will be selected for overseas service as Peace Corps Volunteers. Trainees so selected will serve for two years in the Philippines.

Honored at Rites

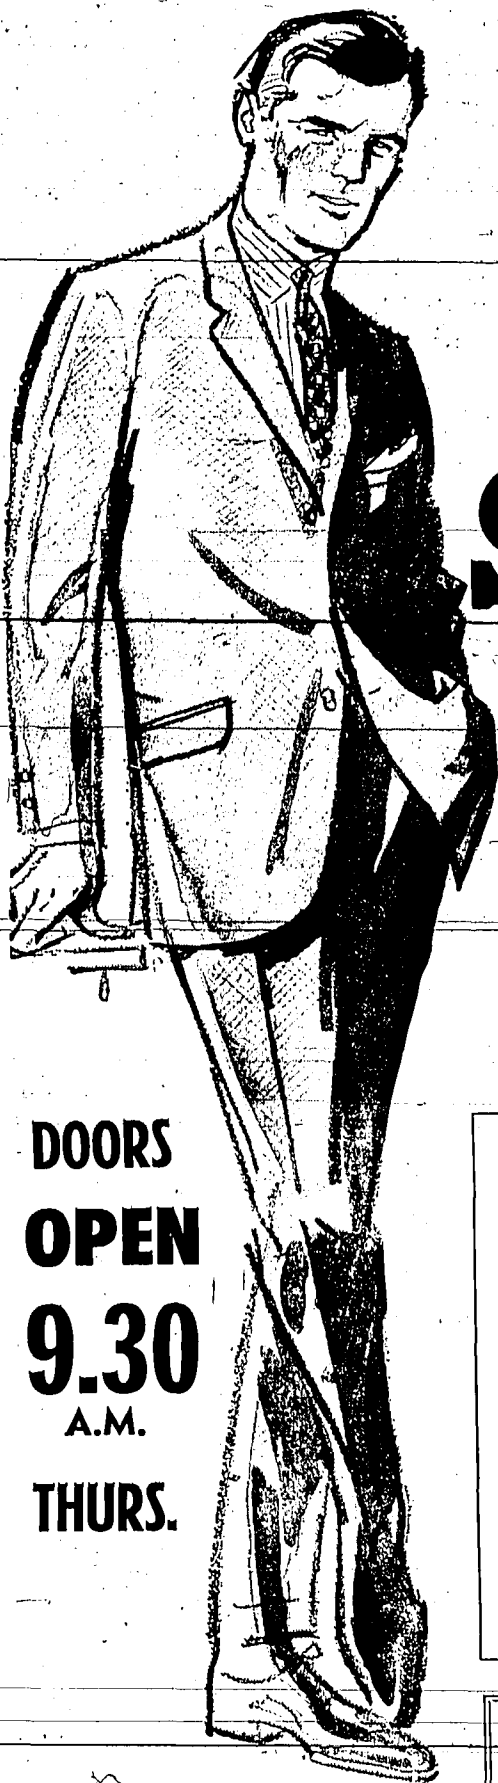

BURLEY — Funeral services for Phyllis Adams, 13-month-old daughter of Mr. and Mrs. Monroe Adams, were held Saturday in Pella LDS Ward Chapel with Bishop Thomas V. Geary officiating.

Meditation music was played by Beverly Coltrin. Family prayer was given by Donald Adams. Devotion was given by Gordon Walker. Bishop Geary read the obituary. Soloists was Rayola Crane and Grant Richins. Bessie Bigham, Maurine Beck and Myrtle Egan sang a selection. Accompanists were Marjorie Jarrett and Beverly Coltrin. Speakers were Reid Bowen and Floyd Pickett. Thomas Clark gave the benediction.

Fullbearers were Dee Rex Bingham, Willis Blauer, Newel Knight and Dean Simmons.

Ushers were Third Quorum of Elders. Flowers were arranged under the direction of Pella Ward Relief Society.

Final rites were held in Pleasant View Cemetery. Dedication prayer was given by Wade Baker.
