

Rains Are Moving Inland

By The Associated Press
Heavy rain which has drenched the Pacific Coast from Northern California to Washington the last three days is moving today into parts of Montana and Nevada.

Although the gale force winds diminished along the coast, the rain continued unabated and piled up in mountain sections.

Brookings, Ore., and Crescent City, Ore., reported more than an inch of rain in a six-hour period this morning while in Southern California it averaged about a third of an inch.

Snow peaks in the northern Cascades deepened as the rain moved inland. Nearly 40 inches of snow is reported in the mountains just west of Seattle.

Winds reaching 40 to 45 m.p.h. howled across many mountain peaks from Utah to southern California.

The three-day storm in the Pacific Northwest has caused considerable property damage. Power was knocked out in several communities. Many roads and some major mountain passes were closed.

Several major irrigation canals, swollen rivers and streams threatened some areas.

Winds reported in nearly every city from Puget Sound to Southern California. More than eight inches of rain. Cape Blanco on the southern Oregon coast.

Gunpowder Plant Strike Could Make Shortage in War

WASHINGTON (AP) — Secretary of Labor W. Willard Wirtz said today that "in theory" there is a chance U.S. forces in Viet Nam could run out of ammunition unless there is prompt settlement of a strike against the nation's only functioning gunpowder plant. "The public is entitled to expect that the strike be settled very promptly," Wirtz said at a news conference. AFL-CIO machinists Dec. 1 against the Olin Mathieson plant in East Alton, Ill., which the Pentagon says is the sole producer of gunpowder for rifle, machinegun, and 20mm shells used in Viet Nam.

Everything about the case was said to be worked up rapidly before any shortage develops, Wirtz said.

He said he did not know when a shortage might develop if the strike continued.

But he added that the nation's interest demands that the strike be settled today.

Wirtz's comments were an indication of the increasing governmental pressure for an end to the strike over wages, fringe benefits and working conditions.

Chief U.S. mediator William Simkin stated the case flatly Tuesday after reporting scant progress in the negotiations — "We want a settlement."

Wirtz said the government has taken no public hand in the dispute, but there were strong indications Wirtz was speaking for the White House.

"The Army will face a critical problem in supplying the ammunition requirements unless the strike is settled quickly," the Pentagon said.

While Simkin pressed for a voluntary settlement, the dispute over wages, fringe benefits and working conditions, the government would be ready to halt the strike with court action if necessary.

Simkin said he would have to sign a petition to a federal court for an 80-day "cooling off" injunction under the Taft-Hartley law.

The talks almost broke off completely Tuesday, sources said. Simkin was in Saigon and Wirtz was in his position.

Secretary of the Army Stanley T. Eberhart said today that production at the Illinois plant be resumed.

Buhl Man, 21, Dies As Car Skids on Ice

BUHL—A one-car accident on an ice-covered road about five miles south of here claimed the life of a 21-year-old Buhl man Tuesday night. Harvey Gene Parkison, who died shortly after the wreck about 8:50 p.m., was the son of Mr. and Mrs. Ray Parkison, Route 1, Buhl. He was a passenger in a 1956 Mercury driven by his 16-year-old brother, Robert. The driver, who said the car apparently hit a spot of black ice on the road, lost control and the car went into a borrow pit, throwing the victim from the vehicle. Parkison's right leg was nearly severed at the thigh, reported Sheriff James Benham. He was taken to the hospital.

JAMES T. SYMBOL, regional post office director, Seattle, Wash., who will preside for official dedication ceremonies for the new Jerome postal facility which will be held at 1:30 p.m. Thursday, Sen. Frank Church will speak.

The 31st traffic death of 1963 in Magic Valley occurred Dec. 23 as Buehler, a 21-year-old Buhl man, died in a car wreck on Highway 17, near the town of Buhl, Blaine County, Idaho.

Dedication Set for New Post Office

JEROME—Sen. Frank Church will be the featured speaker for the official dedication ceremonies for the new Jerome postal facility which will be held at 1:30 p.m. Thursday, according to W. Dale Vining, postmaster.

Dignitaries who will attend the ceremony are Jay S. Christensen, assistant to the regional director; Mrs. Ruth M. Purdy, the local postmaster; Clifford M. Placibo, regional director; and Earl C. Greenwalt, Jerome mayor.

Representatives of Marcell and Co., owners of the building, and Shearer Bros. Construction Co. are also expected to attend.

The Jerome High School Band, under the direction of Donald Dunkin, will present the musical program.

Postmaster Vining will give the opening remarks and welcome the guests.

Scientists Give Food Warning

TRACIA, N.Y. (AP)—Three Cornell University scientists warn — and the Army agrees — that a nuclear reactor accident could be deadly.

Their report Tuesday called for a ban on the sale of potatoes and other products for human consumption.

But the scientists said irradiation was a dangerous procedure for foods containing sugar.

Senator Asks Aid For War at Home

WASHINGTON (AP) — Sen. Clifford P. Case said today the conflict in Viet Nam must not be allowed to pinch off funds for the war on discrimination, poverty, disease and ignorance at home. But Sen. Republican Leader Everett M. Dirksen said that "we must fight the war first" and that domestic programs are going to have to be cut back to provide for sharp increases in the defense budget.

Case, New Jersey Republican who is a member of the Senate Appropriations Committee, called in a statement for increased federal outlays for education. He said that "the federal contribution has become a vital ingredient in our total educational effort and we simply cannot afford to scale back aid on any level, federal, state or local."

"There is a wide range of federal activities, many of them recently authorized or expanded, that bear importantly on national goals with the same top priority as our commitment to Viet Nam," he said. "The wars we wage against discrimination, poverty, disease and ignorance are also vital to our long-run security."

Case thus lined up with neighboring Sen. Robert F. Kennedy, D-N.Y., who said recently that Viet Nam costs must not be permitted to delay or diminish other programs. But he was cautious. Case was not in tune with Republican leadership thinking.

Case declined in a telephone interview to comment on Sen. Case's stand. But he made it clear he believes something has to give when it comes to balancing off domestic expenditures with the mounting costs of Viet Nam.

Bombing Lull Hoped To Bring Peace Bid

WASHINGTON (AP) — Washington hopes the lull in the bombing of North Viet Nam targets will produce a peace bid from Hanoi, but U.S. diplomatic sources said today they know of no response yet. At the same time, the Washington informants tended to rate, the announcement of a high-ranking Russian to Hanoi as having little immediate bearing on the fighting. Rather, they speculated that with Communist party leader Alexander Shelepin's forthcoming visit to Moscow late Tuesday, the Soviets may make a further bid for leadership of the Red camp in the face of their heavy losses in Viet Nam.

State Department press officer Robert J. McCloskey issued a statement today that Soviet Vietnamese aid U.S. jets are expected to offer the Viet Cong offer of a four-day truce Tuesday. The truce was announced Jan. 20-23. Similar lulls in the guerrilla war have occurred in the past.

Of greater interest now was what reaction might come from the Reds to the halt in U.S. bombing. The bombing of targets in the North which began with the Christmas truce.

A five-day pause in the air raids last May produced a truce which confirmed the bombing of U.S. jets to cover aggressive designs. Critics of the policy at the time suggested the air strikes would have given North Viet Nam a better chance to put out a peace feeler.

The White House, State Department and Pentagon have masked in secrecy the U.S. strategy at this juncture. Secretary of State Dean Rusk was reliably reported to have asked the premier, Alex. N. Khrushchev, to open diplomatic channels for a Hanoi response — but the State Department would not say so.

U.S. informants also denied that Moscow had been promised no resumption of bombing while Shelepin is in Hanoi. Secretary of State Dean Rusk was reliably reported to have asked the premier, Alex. N. Khrushchev, to open diplomatic channels for a Hanoi response — but the State Department would not say so.

Preliminary Repairs Under Way at Hotel

A \$75,000 building permit was issued Tuesday for preliminary repairs to the fire-damaged Rogerson Hotel. According to William H. Munger, hotel manager, the permit is the first of several to cover the early stages of renovation now progressing. Munger said first estimates of damage is at least \$500,000, of which more than \$300,000 was sustained by the Rogerson Hotel. Munger reported that work is progressing rapidly. The \$75,000 building permit includes masonry repairs, including rebuilding the roof cornice, and work on the cost of completely roofing the second floor of the hotel, and the building of the new weatherproofing on the second floor from the bottom of the hotel, weatherproofing.

More than 20 masons, carpenters, electricians and general construction workers are completing the renovation.

According to Munger, the Golden R. Lounge is tentatively scheduled to open Jan. 15, and the barber shop is expected to open in January. The hotel restaurant is slated to be open by the middle of February, when the main dining room is opened until March at the earliest.

By Munger's estimate, renovation of the hotel is now nearly half completed.

Death Toll for Weekend Is Estimated

CHICAGO (AP)—The National Safety Council estimated today that between 350 and 440 persons could be killed in traffic accidents during the three-day New Year weekend.

The holiday period begins at 5 p.m. Thursday and ends at midnight Sunday. The period actually covers 78 hours.

The council said some 350 persons are expected to die in traffic accidents this weekend if it was not a holiday.

The council said that in the three-day year-end period last year killed 474 persons, the highest toll on record for that holiday.

A record 720 persons were killed in last week's three-day Christmas observance, the highest number recorded for any holiday period since record keeping began.

Harriman Is In Warsaw On Business

WARSAW (UPI)—U.S. roving Ambassador W. Averell Harriman was here today for an official business announcement.

His arrival triggered diplomatic reports Harriman came to Warsaw to discuss the U.S. role as ambassador to Poland for talks centered on the Viet Nam war.

The embassy would say only that Harriman came to Warsaw for "official business."

There were reports Harriman, Washington's No. 1 diplomatic trouble shooter, was accompanied by Chiles Interpress. The embassy said this could not be confirmed.

It may expect a brief statement this afternoon on Ambassador Harriman's visit here, but it will not be a very subtle statement, "an embassy spokesman said.

8 Miners Killed

REDSTONE, Colo. (AP)—At least eight miners, and probably nine, were killed in a methanol gas explosion in the No. 1 Dutch Creek coal mine, 28 miles southwest of Glenwood Springs, late Tuesday night.

Officials said eight bodies have been found.

Missed

NAMPA (AP)—A bread truck bearing the motto "Bread for the People" was missed the table by at least 15 feet Tuesday when it crashed into a Nampa home.

Police said the truck, loaded with bread, was driven up in the living room of the Adolph Heidekoffers home.

The truck driver, 50-year-old Fred R. Blough of Caldwell, was treated for cuts and bruises but no one else was injured.

The first baby of the new year will be born in Nampa, Idaho, on Jan. 1, 1964.

Zambians Buy Bicycles as Gasoline Pinch Is Realized

LUSAKA, Zambia (AP)—Government officials here said today that Americans are buying bicycles for smaller models. U.S. Ambassador Robert G. Uss and other diplomats have bought bicycles. Work schedules have been altered to end lunch trips home.

"It's your journey really necessary?" That's the rhetorical question as gasoline rationing limits motorists to one gallon a week.

Zambia normally gets its petroleum supplies from Rhodesia, its neighbor to the south. The Rhodesian government has shipments to that rebellious central African territory. Rhodesia's white government cut off supplies to Zambia to conserve its own stocks.

Communication is not helped by Zambia's temperamental telephone system which now is overworked more than ever as the public tries to do more business over it. But people seem prepared to wait for nearly 30 minutes to make local calls.

British Royal Air Force pilots are flying a daily airift from Tanzania. Four Canadian air force transports begin a flight from the Congo this week.

More than 150 tanker trucks are making a round trip from the railroad in Tanzania, at Mikumi. The operation is not being made any easier by rainy season downpours which play havoc with the mud roads.

New Year Baby to Receive Gifts

The first baby born in Magic Valley Memorial Hospital after midnight Friday will receive a variety of gifts from Twin Falls and business men.

Offers range from milk and baby food for the infant to a baby carriage for the father.

To keep 1968's first baby growing and healthy, Safeway Stores, Inc., is offering a variety of baby items, including a box of Gerber's baby food.

Parents may expect a brief statement this afternoon on Ambassador Harriman's visit here, but it will not be a very subtle statement, "an embassy spokesman said.

Outer Space Is Theme of School Event

HOLLISTER—"Christmas in Outer Space" was the theme of the musical play at the Hollister School.

Up-to-date astronomical plays were composed and written into the Christmas play by the second grade teacher, Mrs. Grace MacMillen, who also was principal director of the production.

Students in the fifth and sixth grades under the direction of Howard Kinsfather, principal, and Mrs. Joy Riedeman, who are specializing parts of the astro-nomical, Martians, and space plays.

Students in the fourth and fifth grades were presented in the Nativity scenes and sang carols. Mrs. Homer Roberts is fourth grade teacher.

Mrs. Janaye Cox, first grade teacher, presented 15 little Santa Clauses in a drill and several songs.

Several groups of the upper grades presented Christmas sections, and then the choir sang "Merry Christmas Has Come to Hollister."

David Chadwick, disguised as Santa Claus, presented bags of candy and oranges to all the children present.

All 117 students attending the Hollister school were in the play and the auditorium was filled to capacity.

Woman Hunts For Jewels In Garbage

NEW YORK (UPI)—Mrs. Kwan Lee and nine of her friends and relatives will resume their search today for fortune in a garbage row.

The troubles of Mrs. Lee began last Sunday when she worked out a jewel safe for her \$3,000 diamond necklace, \$3,000 diamond ring and \$1,700 in cash, from that truck and 200 others.

She stuffed the goodies in a garbage bag, she said, police, another crack at the estimated seven-tons-of-rubbish garbage in a while, and figured a burglar's fortune hunt.

Seasonal Fete Is Held by Area Grange

HOLLISTER—A special Grange program was given at the Hollister-Grange-meeting by members, with the younger members participating.

The little Nelson girls, Shere, Debra, Colleen, dressed in Christmas nightgowns and holding lighted candles, sang a poem and sang several songs. The Flecker girls, Helen, Susan, Ellen, presented musical selections, accompanied by Irene Lanting on the piano.

History of various Christmas songs was read by Mrs. Lyle Schnicker, and as each history was given the song was sung by Grange members with C. M. Lanting leading the group.

Mrs. Donald Ryan, dressed appropriately, gave several home readings pertaining to Christmas.

Christina Chadwick and Lila Chadwick presented two religious poems. David Chadwick, accompanied by Lila Chadwick, sang several solos, including "Heavenly Father, Hear My Prayer." Other transfer agents explained the song was sung during the sinking of the "indestructible" ship, the Titanic.

Greg Lanting gave the closing thought for the Christmas theme.

During the business session, the building chairman reported, and Trouble with the Grange furnace, and Glenn Nelson reported on the business-farmer dinner he attended.

Loans Noted for Real Estate Jobs

Loans to finance \$332,470 of residential real estate projects in Twin Falls were disbursed by the western home office of the Prudential Insurance Co. during the 11-month ending Nov. 30, according to L. James Koutnik, Twin Falls investment manager for the company's mortgage loan department.

Total disbursements throughout Idaho amounted to \$4,781,000 for the 11-month period. Of this total, \$1,887,000 was for residential purposes, \$22,000 for commercial and industrial projects, and \$2,872,000 for farm uses.

The company disbursed more than \$200 million throughout the 13 western states during the period, of which \$117 million was for residential purposes, \$33 million for commercial and industrial projects and \$34 million for farm uses.

The Daily Investor

By WILLIAM A. DOYLE

Q. I sold some stock which was bought for me before I became 21. The stock was registered in ("My father's name) as custodian for (my name) a minor?

A. I delivered the certificate to my broker with my father's signature. He signed a stock power. The broker then told me that I would have to give him my birth certificate, so that he would send it along to the transfer agent to prove that I am now of age.

I maintain that the transfer agent would have no use for the birth certificate and that the broker just wants to protect himself. Who is right?

A. What difference does it make?

Some transfer agents do insist that a birth certificate be provided to prove that a former minor has reached the age of 21. Other transfer agents will accept a guarantee from a brokerage firm.

In either case you have to prove your age. Producing your birth certificate is the logical way to do it. Why all the fuss?

Before you became 21 and your stock was registered in the custodian form set up by the gift-giver's laws now in effect in all states, the custodian (your father) could have sold the stock for you. The custodian acts for the minor, but the stock and/or money involved belong to the minor.

Once you reach 21, you take over. The registration should then be changed to your name alone. You can sell the stock right then and there or at some future date.

But you have to prove your age. No broker is about to get jammed up by handling a transaction for someone who turns out to be under 21.

Q. I had a wonderful broker who worked for a brokerage firm which has an office near me. Recently he left that firm and went to some other firm. But I don't know the name of his new connection. His old firm will not reveal where he went, so I don't know how to get in touch with him.

Is there some rule against

him contacting me?

A. No. If you were a "good customer," it's a safe bet that you will hear from him.

"Customers' men" (registered representatives) is the term most of them prefer, switch from one brokerage firm to another with reasonable frequency. And a customer's man who moves usually takes his customers with him. Naturally, he judges the word to his best customers first. And, sooner or later, he lets all his former customers know.

Q. I have read a great deal about the pros and cons of stock splits lately. And brokers seem to talk up the split idea constantly. I feel that they do so because they make more in commissions on 200 shares of a higher-priced stock (\$40 a share) than they do on 100 shares of a lower-priced stock (\$20 a share).

Do you see any validity to my suspicion that brokers are a motivating factor behind some stock splits?

A. You know I do. The brokerage fraternity certainly has popularized the split idea. And the sliding-scale commission rate is based on the amount of money involved in each "round lot"—100 shares.

In your example you would pay \$30 in commissions to buy or sell 100 shares, at \$40 a share. If that stock is split, two for one, the commission bite for buying or selling 200 shares, at \$20 a share, works out to \$30.

Doyle will answer only representative live letters of general interest in this column. He cannot answer phone queries.

Q. I have read a great deal about the pros and cons of stock splits lately. And brokers seem to talk up the split idea constantly. I feel that they do so because they make more in commissions on 200 shares of a higher-priced stock (\$40 a share) than they do on 100 shares of a lower-priced stock (\$20 a share).

DECISION DISPUTED
BOISE (UPI)—A Valley County couple asked federal court Tuesday to overturn an Interior Department decision divesting them of the mining claims.

The Wicks and Hays first acquired the claim in Valley County in 1923 and 1924.

PARTY HELD
POCATELLO (UPI)—County officials held retirement party for Dr. H. J. Hartvigsen, Bannock County physician.

Dr. Hartvigsen has worked for the county since 1917, serving first as public health director while practicing medicine in Downey, Idaho, he moved to Pocatello and became assistant county physician.

In 1955, he became county physician—the post from which he was now retiring.

Dr. Emerson, Pocatello, was chosen to replace him as county physician.

WINS JUDGMENT
Caldwell (UPI)—A pupil blinded in one eye by accident in a school hallway Tuesday won a \$5,000 judgment Tuesday against School District 137 at Parma.

A jury in Seventh District Court deliberated three hours before finding for Jerry Anderson, who was represented in the action by Harold Anderson, a guardian.

The youth alleged he was blinded when hit by a golf club swung by another student in the Parma High School class in April 1964.

PAID LAST RITES
ABERDEEN (UPI)—Funeral services were held Tuesday for John Heer, 68, publisher of the Aberdeen Times from 1922 until poor health forced him to sell the newspaper in 1948.

Heer, who first went to work for the publication in 1917, died Christmas Day in the Veterans Hospital at Salt Lake City. Survivors include a widow and three sons.

POPULATION BOOSTED
BOISE (UPI)—Annexation of the Highlands Area in the North Boise foothills has boosted population of Idaho's Capital City to nearly 50,000.

That is more than twice the population within the city limits before the city council began an annexation program two years ago after voters revoked the restricting city charter.

The latest annexation brought into the city about 5,800 residents, 1,500 homes, 44 businesses

and assessed valuation of \$7,477,011.

SHEPARD UNDECIDED
BOISE (UPI)—Marty Gen. Allan G. Shepard said Tuesday he is "still cogitating" whether to file an appeal to the federal court decision striking down Idaho's Senate reapportionment plan.

"We should make up our mind pretty quickly," Shepard said, but he declined to say if the decision will be made this week.

Shepard has represented several state officials in the reapportionment case. Gov. Robert E. Smylie, however, has had his own attorney.

SERVICES SET
BOISE (UPI)—Funeral services are scheduled Friday in Boise for Elmo M. Steffensen, a Spokane resident and retired Utah insurance executive.

Steffensen died Sunday at the home of his daughter, Mrs. William Stewart Bennett, Boise. He was 68.

Steffensen was born at Murray, Utah, and married Lovell Hyer in 1921 in the Logan Mormon temple. He was a high priest in the Church of Jesus Christ of Latter-Day Saints, and was an executive with Reliance National Insurance Co.

PROGRESS TOLD
BOISE (AP)—The superintendent of the State Youth Exchange resident at St. Anthony told Gov. Robert E. Smylie Tuesday a building complex designed to replace old and condemned facilities at the center are now being completed.

Winston G. Taylor, in a letter to the governor, expressed appreciation for Smylie's support of the project.

ASSAULT CHARGED
POCATELLO (UPI)—An aggravated assault charge was on file Wednesday in the wake of a Christmas morning shooting incident on the east side of Pocatello.

The charge named Clarence Duke Scroggins, 51, Pocatello. He was accused of wounding Dennis Warren, Pocatello, with three shots from a .38-caliber revolver.

2 Exchange Pupils Speak Of Homeland

DECLO—Two exchange students from northern Germany told the Declo Kiwanis club members of Christmas customs in their country at the luncheon meeting at Min's Cafe Monday.

Heidi Rung and Sabine Hugel, who both attend Min High School, described the Advent season, Santa's arrival and decorations for the Yuletide season in Germany. The Germans, they stated, are much more conservative and make most of their Christmas gifts themselves.

Both girls said they feel Christmas is much too commercialized in the United States and said the real spirit enters into their homeland customs.

They entertained the Kiwanians and their wives, which were special guests, with Christmas carols sung in German.

Earl Darrington, president, announced club officers will be installed Jan. 11 at the Ponderosa Inn, Burley.

"The Christmas tree sales netted the club \$300, Darrington announced. A gift exchange climaxed the entertainment.

Guests at the meeting were wives of the members, the guest speakers, Susan Darrington and Bill Wilson.

WILSON VACATIONS
PENZANCE, England (AP)—Prime Minister Harold Wilson went to the Scilly Isles today, off the southwest tip of England, for a short vacation. He said he hoped to get in some golf, walking and reading.

Officers said the shooting apparently climaxed an argument, and they said Warren took the pistol away from Scroggins and beat him on the head.

Both men still were hospitalized. Scroggins is in fair condition and Warren in good condition.

Public Event Producer Is Philosophical

NEW YORK (UPI)—Many of your peacocks, parades, political conventions and other extravaganzas on television have left producer Paul Levitan philosophical about such assignments.

"Each year the parades become bigger—the parades—higher and the logistics more complex," said the CBS-TV director of special events. "But compensating for this, the feeling of accomplishment after a tough job is greater."

Levitan has about as tough an assignment as possible Saturday, New Year's Day, when he supervises the color telecasts of two parades for a total of three hours and 15 minutes. The first is the Ninth Annual Cotton Bowl festival parade in Dallas, Tex., from 9:30 to 11:30 a.m. Next comes the 77th Annual Tournament of Roses march—along in Pasadena, Calif., 11:30 a.m. to 1:45 p.m. EST.

Since the parades are held about 1,500 miles apart, doesn't this present some unusual problems?

"Not too many," Levitan replied. "I'll be in a command post in Pasadena with television hot lines connecting the three major control rooms—network headquarters in Hollywood, Dallas and Pasadena.

"I'll have 10 monitors and 10 directors to work with me. From this vantage point we'll select the 'best' and 'most colorful' pictures for our viewers."

Naturally, Levitan and staff have been working for months to work out the details of the operation.

"This year, we'll be in color. We've selected the top color technicians from New York, Chicago and Los Angeles to work with us," he explained.

"There will be about 75 of them in all."

"Everything is blueprinted to the second. For the Cotton Bowl, the production crew arrives at the scene at 6:30 a.m., and goes over the details once again, from 7:30 to 8:30 we'll hold a dry rehearsal for the cameras. The hosts, Allen Ludden and Marilyn Van Derbur, arrive at 8:30.

"For the Tournament of

Roses, the production crew is scheduled to arrive at 7:30 a.m. for a conference. At 8:45, Arthur Godfrey and Boss Hosserson, the hosts, will be on the scene and we will have a camera rehearsal."

"Each member of the crew, 105 persons will be involved in broadcasting the two parades above in the matter of work for CBS, and that about 1,500 miles of television cable will help there must like parades.

Family Sees War Film of Dead Son

BOSTON (AP)—Last Thursday night Leonard Drew and his family watched a Viet Nam television documentary in his son's, a Marine private, was featured.

A point of the film, entitled "This Day has 12,000 Miles" was the contrast in the life of Marine Pfc. Joseph L. Drew, 18, at war and his life at home.

There were film clips of him with his parents and four brothers, Leonard Jr., 21; Robert, 15; Richard, 10, and Paul, 6.

Then Monday night the family learned he would not be home with them again.

Drew was killed in action earlier in the day. He died of a bullet wound in the head.

ROSES, the production crew is scheduled to arrive at 7:30 a.m. for a conference. At 8:45, Arthur Godfrey and Boss Hosserson, the hosts, will be on the scene and we will have a camera rehearsal."

"Each member of the crew, 105 persons will be involved in broadcasting the two parades above in the matter of work for CBS, and that about 1,500 miles of television cable will help there must like parades.

School Board Plans to Hire 2 Counselors

A vocational rehabilitation service counselor and a job service and vocational counselor will be added to the guidance department of the Twin Falls School District 411 in 1966, Boyd R. Lowe, director of guidance, announced Tuesday.

The positions are not filled at the present time. The two additional staff members will be paid salaries between \$6,000 and \$7,500 annually, Lowe said.

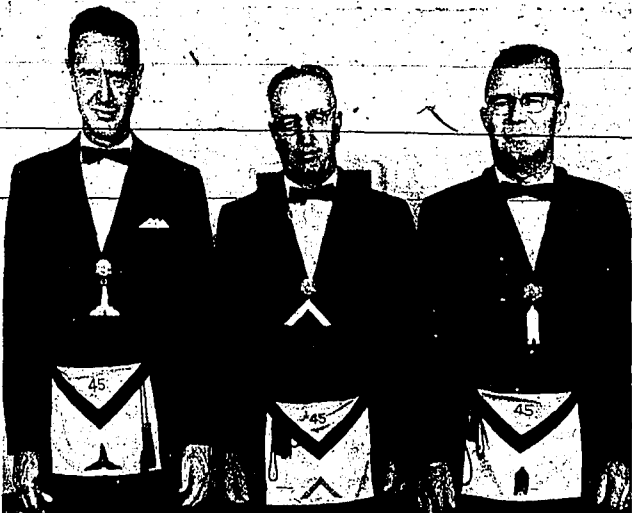

The two counselors will work exclusively with mentally retarded students in the Twin Falls school system under a program, the details of which have not been announced. It is financed jointly by the local school district and the State Vocational Rehabilitation Service, according to Lowe, the two additional staff members will set up a program combining on-the-job vocational training with academic studies. The program is designed to prepare the mentally retarded student to find and hold useful employment.

Utah Man Cited In Malta Crash

BURLEY—Western Alma Rawson, Salt Lake City, was cited for following another vehicle too closely as the result of a truck-and auto accident at 2:15 p.m. Monday three miles south of Malta on U. S. Highway 30 South.

Rawson was driving a 1961 Mack tractor and trailer, owned by Joe Doctormor, Salt Lake, north on Highway 30 when it collided with the rear of a 1964 Chevrolet stationwagon written by George Edward Stoddard, 44, Logan, Utah.

The truck skidded into a bridge abutment and overturned

for warden; Fred W. Higgins, worshipful master, and Hal Hill, junior warden.

Passengers in the stationwagon were Mrs. Stoddard, 33, and four children of the Stoddards and Ross Pecora, Boise. All were checked, treated and released at Cassia Memorial Hospital.

The accident was investigated by Cassia County Sheriff's officers.

TRUPE PERFORMS—ANY KHE, South Viet Nam (UPI)—Comedian Bob Hope and his cast traveled to the flooded home of the U.S. Army's 1st Air Cavalry Division Tuesday and played to an audience of thousands despite monsoon rains.

Final rites were held in Elmwood Cemetery.

Supervisor of Collapsed Rig Has Stroke

GRIMSBY, England (AP)—Dean Sutherland, an American supervisor who survived the sinking Monday of the oil rig Sea Gem in the North Sea, suffered a stroke in his hotel room Tuesday night.

He was taken to Scutrin Hospital in Grimsby where officials said today he was in "very poor condition."

Sutherland, 45, from Laurel, Neb., headed a small team of experts who went aboard the British Petroleum Co. drilling platform a few days ago to jack up the supporting legs and move it to a new location. Sea Gem apparently sank during the jacking operation.

Sutherland suffered the stroke only an hour after telephoning his wife in the United States. Earlier he told reporters: "I'm happy as hell to be alive."

Five of the 32 men aboard the rig died Monday and eight are missing.

Mrs. Burton Is Paid Final Honor

MR. AND MRS. GERALD PRINCE
(Tibby photo)

Miss Spencer Is Bride of Gerald Prince

HAGERMAN—A wedding reception was held at the home of Mr. and Mrs. Sylvan Clark in honor of their nephew, Gerald Prince, and his bride, the former Barbara Spencer, who were married Dec. 18 at the Idaho Falls LDS Temple.

The bride is the daughter of Mr. and Mrs. Philip Spencer, Las Vegas. Prince is the son of Mrs. Venice Prince, Boise, former Hagerman resident.

The bride wore a slipper satin floor-length gown fashioned with an empire waistline and a square neckline. The bodice was enhanced with pearls and long lily point sleeves. The gown back flowed into a chapel-length train. A tara of pearls and crystals held her elbow-length train of illusion. She carried a cascading bouquet of shattered white carnations and white rosebuds tied with white satin ribbons and centered with a white orchid.

The bride's table was covered with lace and centered with a round mirror which held a four-tiered all white wedding cake, baked and decorated by Mrs. Clark.

The cake was decorated with white lattice hearts, white sugar roses and bells and silver leaves. It was topped with the miniature bride and bridegroom in a circle of satin roses and lilies of the Valley. Mrs. Jack Martin and Mrs. William McKay, aunts of the bridegroom, cut and served the cake.

Mrs. Norman Prince, Pocatello, sister-in-law of the bridegroom, and Brenda Clark, cousin of the bridegroom, were in charge of the gifts. Christine Spencer was in charge of the guest book.

The couple will reside in Provo, where Prince is a senior at Brigham Young University, majoring in psychology. The bride is a teacher at the Franklin Elementary School.

Charge Planned For Photographs Starting Jan. 1

Effective Jan. 1, costs will be charged for all photographs printed with engagement and wedding stories.

Photocolors printed two-column size of the girl alone for engagement notices or for a wedding story. If the couple is to be featured, two-column pictures will be used of both the bride and bridegroom after the wedding. Cost for the one-column photos will be \$2.50 and for the two-column pictures, \$5. All photographs must be developed in two weeks.

No charge will be made for stories without photographs. The Times-News reserves the right to reject photographs of inferior quality or which are unsuitable for reproduction.

Also effective Jan. 1, no wedding stories will be accepted more than one month after the wedding. The Times-News reserves the right to crop all photographs and edit all stories.

FILM SHOWN—KIMBERLY—Members of the Singles Club of the Kimberly Methodist Church viewed a film, "Cuzins Kaga," at a meeting at the home of Deft Moore, Hansen. Several college students were guests.

BARBARA ANN DREES

Barbara Drees, Spencer Reveal Wedding Plans

Mr. and Mrs. Ralph H. Drees, Caldwell, announce the engagement and forthcoming marriage of their daughter, Barbara Ann, to John C. Spencer, son of Mr. and Mrs. A. Coyil Spencer, Twin Falls.

Miss Drees and Spencer are enrolled in the College of Pharmacy at Idaho State University. Spencer will receive his degree in June. He is affiliated with Psi Delta Chi Fraternity.

A June wedding is planned.

Social Events

Swinging Sixties will dance at 8 p.m. Friday at the Moose Hall. Anyone 61-years-of-age or older is eligible for membership in the group. Coffee and punch will be furnished.

Annual Holiday Event Reported

MURTAUGH—The 11 and N Club met at the home of Mrs. Arthur Lavery for the annual Christmas party and gift exchange. Holiday decorations were used throughout the home. A potluck dinner was served; Christmas ornaments were made and holiday ideas were exchanged.

Mrs. Harold Menser, Twin Falls, and Mrs. Raymond Asenstrup, Jerome, received birthday anniversary gifts from their secret pals and Mrs. J. W. Beck received a wedding anniversary gift.

MR. AND MRS. ELMER ANNIS
(Chih Morita photo)

Golden Wedding Open House Set

Mr. and Mrs. Elmer Annis will celebrate their Golden Wedding Anniversary with an open house from 2 to 5 p.m. Sunday at the Knoll Grange Hall.

Mrs. Annis was born in a homestead dugout near Stillwater, Okla., and Annis was born at a homestead near Guthrie, Okla. Their courtship began on a train when they were moving with their parents from Oklahoma to Twin Falls in March, 1915. They were married Dec. 23 of that year in Twin Falls.

Annis worked as a farm hand for several years and then went on his own as a renter. In 1925 they moved to their present home which they later purchased. He operated a grade "A" dairy and drove a school bus to Union School for 21 years. Mr. and Mrs. Annis retired in 1951.

Both are great lovers of the outdoors and have spent much of their time in the recreational development of the community. They have seven living children. Their son, Amil, was lost in the war. They have three daughters, Mrs. Etile Marsh, Burley; Mrs. Norene Davis, Hansen; and Mrs. Mona Jones, Colorado; four sons, Howard Annis, Filer; Wayne Annis, Charleston, Ill.; Clyde Annis, Rupert; and Wesley Annis, Twin Falls; 14 grandsons, 14 granddaughters, two great-grandsons and two great-granddaughters. All friends and relatives of the couple are invited to attend the open house. The couple requests no gifts.

Magic Valley Favorites

MONA LEWIS
Fourth Avenue East, Twin Falls

Favorite Slaw—tablespoons each of sugar, ice cold water and distilled white vinegar; teaspoon salt

2 1/2 cups firmly packed white or green cabbage, shredded

1/2 cup thin strands small peeled onion, cut into paper-thin slices and separated into rings

1/2 cup Paprika and minced parsley

In a salad bowl, stir together the sugar, water, vinegar and salt until sugar dissolves. Add cabbage and onions.

Toss together. Garnish with a sprinkle of paprika and parsley. Makes four servings.

DECLU—A pink and blue shower honoring Mrs. Denton Darrington was held at the home of Mrs. Robert Stevens with Mrs. Larry Stevens as co-hostess.

Games were played with prizes going to Mrs. Clifford Darrington, Mrs. Lyle Woodbury and Mrs. Robert Darrington.

Centering the gift table was a pink and blue cradle, with gifts attractively displayed in a bassinet.

Jackie Bodenhofer Is Selected as Junior Miss for Gooding County

GOODING— Jackie Bodenhofer, daughter of Mr. and Mrs. J. W. Bodenhofer, Gooding, was selected as Junior Miss in the annual contest held Tuesday night at the State School gymnasium.

She will represent Gooding County at the state contest to be held in Moscow in February.

Miss Bodenhofer received a dozen roses, a trophy and various merchandise prizes.

First runner-up was Kerry Dale McComb, daughter of Mr. and Mrs. Alan McComb. She also received a trophy and merchandise prizes.

Valerie Koester, daughter of Mr. and Mrs. Edward Koester, was second runner-up, and received a trophy and merchandise.

Kathie Johnson, daughter of Mr. and Mrs. Nephi Johnson, Gooding, was selected as Miss

Congeniality by the other girls in the contest.

Girls were honored at a tea held Tuesday afternoon, and they also conferred with judges at that time. They were judged on various phases, including deportment, personality, and ability to maintain a "B" or better average in school, and be a high school senior.

Each girl gave a talent presentation at the evening program, as well as modeling sports wear and evening gowns.

Tom Morrison, master of ceremonies, asked each girl two impromptu questions: "What would you do if you and your date went to a dinner in a very nice restaurant and you accidentally spilled your bowl of soup in your lap?" and "Who is the most interesting person in history for you and why?"

Harold LaCroix, president of 1965.

Jaycees, sponsoring organization, gave the welcome. Mrs. Jack Rice was mistress of ceremonies and William Mink was general chairman for the evening.

Mrs. Harold Klueber was organist, and judges included Mrs. Mary Knox, chairman of the Elmore County Fair queen contest; Darlene Utman, Pendleton; Doree, extension-homes agent, and Donald Youtz, Twin Falls County agent.

Teresa Harms, first runner-up from last year's contest, crowned the new Junior Miss and also gave an original poem.

Miss Lucht Is Queen of Prom

HANSEN— Charlene Lucht was named queen at the Junior Prom Monday evening at the school gymnasium.

Dennis Johnson was named king; Kenneth Johnson, prince, and Jennifer Brown, princess.

Blue and silver crepe paper formed a roof and streamers in keeping with the theme, "Crystal Mist."

During the intermission, Janice Walker played a piano solo, and a trio—Linda Biggerstaff, Vicki Larsen and Janice Boyer sang, accompanied by Rene Butler.

Carey Slates New Year's Carnival

CAREY— A king and queen will reign over the New Year's Carnival to be held at 8 p.m. Friday in the new Carey High School. The event is sponsored by the senior high school.

A record dance is scheduled to begin at 10 p.m. and there will be slow records as well as fast ones, according to Mary Ann Hennefer, school reporter. Admission is free.

At midnight balloons containing one dollar bills will be lowered from the ceiling. Horns, noisemakers and paper serpents will be in abundance to welcome in the new year.

Committee members and committees are Patsy Payne, Jane Peck and Chryse Orchard, Tiltons of boots; Scott Peck and Mary Ann Hennefer, king and queen contest.

The public is invited.

Gymnasium Open For Basketball

The O'Leary Junior High School Gymnasium will be open through Thursday for recreation basketball, according to Howard Johnson, superintendent of parks and recreation department.

The gymnasium will be open from 9 a.m. until 4 p.m. daily. Organized basketball teams will play and teams will be organized for youths wishing to play. Johnson noted that the dressing rooms will not be open. The truck entrance should be used to enter the building.

Royalty Is Named for Senior Ball

SHOSHONE— Beekie Nielsen was crowned queen and Mark Dille king of the senior ball held here Monday night. Attendees were Linda Johnson and Bernie Guenechea.

Theme of the dance, held at the Litchin school auditorium, was "Wonderland by Night." The entire auditorium ceiling was draped with crepe paper, with Christmas balls and lights highlighting the setting.

Class colors of lake blue and white were carried out.

Dale Chatterton, instructor

advised, introduced the seniors and their dates at the grand march intermission. Room mothers, Mrs. Robert Haddock and Mrs. Jack Hannah, assisted with supervision and preparations.

Dance Slated
RICHFIELD— The Richfield New Year's Eve dance will be held at the American Legion hall under the sponsorship of the Richfield Grange.

Music will be furnished by three Richfield musicians, Jim Capps, Martin Whitesell Jr., and Boyd King.

Members of the Grange dance committee are Glen Ross, Rupert Guiochea, Burt Atkins and Odel Chatfield.

College Pupils Give Program At Shoshone

SHOSHONE—College students here for the holidays presented the services at the LDS church Sunday evening.

The special service featured Marilyn Monson, George Trench and Karen Griggs as narrators for the Christmas message based on the Book of Mormon. Speakers were Michael Hess and Richard Stowell. Leslie Larson, who conducted the service, was represented in addition to the men in the chorus from the Armed Forces. Mrs. Velma Allen directed the singing group with Carol Wavra accompanist.

A dance will be held for primary age children at 8 p.m. Wednesday at the church.

The special Christmas service by the Sunday school was held at 10:30 a.m. Lorin Brazell conducted. Junior Sunday school members presented songs and recitations. L. O. Freeman was the speaker.

Food Abundance Will Continue in 1966

WASHINGTON (UPI)—Food abundance probably will rise further next year, but per capita consumption of red meat is expected to decline again in 1966.

Department economists insist that while overall retail food prices will increase in 1966, most people will be making more money, therefore they actually will be spending less of their take-home pay for food in 1966 than in 1965.

Food expenditures in 1964 took 18 1/2 per cent of income. The department said this percentage declined fractionally in 1965, and predicted another slight decline in 1966.

The supplies of red meat have been reduced. This means that consumption of a good part of 1966 prices for beef, pork, lamb, and mutton will increase. Potato prices will drop considerably under the impact of the big fall crop in 1965. The department said the price of citrus and poultry will be lower than usual in 1966, and that there should be lower price tags on frozen corn, peas, and snap beans. They predicted higher prices on most canned vegetables—except beans, peas and asparagus.

Canned peaches, pears, sweet corn, cherries, and fruit cocktail already carry higher price tags and will keep them at least until mid-1966. The price of frozen strawberries and possibly peaches will be up a little. Fresh grapes will cost less, cranberry prices will be about the same—fresh apples—and pears will be stable, or up slightly from 1965.

Milk prices are expected to change little. The price of cream will be down a little in 1966, and that of butter and cheese slightly higher. The price of eggs is expected to be about 4 per cent above the \$9.5 billion estimated for 1965, which was up nearly 6 per cent from 1964.

The 1965 food bill included about \$5.5 billion for raw and about \$12 billion for booze. The department said the sharp increase in the 1957 food bill over 1954 was caused by a generally expanding economy and a rising population—the same to expect in 1966.

The Agricultural Research Service predicted the nutritive value of the national average diet will be about the same in 1966 as in 1965 for most nutrients. Exceptions to this are a little less thiamine from meat and a little more niacin from poultry.

Per capita consumption of food in 1966 is expected to drop about 3 per cent from 1965. Consumption of poultry is expected to reach an all-time high in 1966.

Compared to 1964, ascorbic acid in the 1957 food bill over increased noticeably in 1965. Other nutrients showed little or no change. The small declines in calories, protein, fat, and thiamine were directly related to reduced pork consumption.

The increase of 5 per cent in ascorbic acid in 1964 was the result of an 8 per cent gain in per capita consumption of fruits, chiefly citrus, the department said.

Haskins Hits 37 As Idaho Rallies Past TCU 96-90

ALBUQUERQUE (UPI)—Host New Mexico drubbed Tulane University 78-56 Tuesday night in the second game of the Lobo Invitational Tournament at Albuquerque to gain the finals against Idaho. Idaho defeated Texas Christian University 96-90 in the first round game.

Short-Handed Carey Drops Wood River

CAREY—Carey got into four trouble and had to play the entire fourth quarter with four men Tuesday night but the Panthers still defeated the Wood River Wolverines 65-46.

Carey splits its squad between Jayvone and varsity but Tuesday couldn't hold out the usual varsity reserves long to preserve an extra quarter of eligibility. That put the varsity on the floor with seven men and the third one fouled out with seconds left in the third quarter.

But by that time the Panthers had fashioned a 48-29 lead and had an 11 point lead.

Then the 6-foot-7 Haskins, who had 14 points in the first half, started hitting and rescued his team.

Idaho took a 56-48 halftime lead and padded their lead in the second half despite Tulane's Al Andrews, who pumped in 22 points.

New Mexico was paced by 69 Mel Daniels with 13 points and Bill Morgan with 14.

Guard Ed Haskins pumped in 37 points to pace Idaho's win over TCU.

Cincinnati Puts Blot on Utah's Record

CINCINNATI (AP)—The Cincinnati Bearcats combined sticky defense with a disciplined attack Tuesday night as they whipped Utah, 64-36.

It was the lowest the Utes have scored this season and the second upset staged by the Bearcats. Utah came in Cincinnati with an average of 107 points a game after seven consecutive wins.

Roland West scored the first three baskets for Cincinnati, and Howard chipped in with a field goal and free throw to give the Bearcats a 9-2 edge after 15 minutes of play before 8,067 fans, the largest crowd of the season. UC never trailed.

Sportsmen Seek Curbs on Out-of-State Licenses

IDAHO FALLS (AP)—A committee formed in Idaho Falls Monday night is seeking changes in state fish and game regulations, one of which would require a guide for out-of-state hunters.

A committee spokesman, Dave Morse, said the group would meet again Jan. 6 with a representative of the Fish and Game Department for a panel discussion.

Morse said other states require native guides for out-of-state hunters, but Idaho allows them to hunt where they please and to purchase a license for \$100 and hunt where they please.

The committee also is concerned with the declining number of game in Idaho, Morse said, and the insufficient number of checking stations.

Pointing out that there is no checking station between Idaho Falls and heavily-hunted Highland Park 70 miles north, Morse said:

"How can you tell whether there have been 10 of 10,000 and male taken by hunters if no check is made?"

"Turning to another subject, he said: "The handwriting is on the wall with respect to the salmon. The closure of Idaho waters to salmon fishing last year is a cause of real concern."

Morse noted that Yellowstone Park has offered to give Idaho some elk, but the state would not take them, claiming it already has sufficient numbers.

"Where are all the elk, then?" he asked.

Wagnon Guns Bengals Past L.A. State

LONG BEACH, Calif. (AP)—Dave Wagnon scored 60 points in the closing minutes to help Idaho State edge Los Angeles State, 88-87, Tuesday night in the opening round of an inter-sectional basketball doubleheader.

Wagnon was high scorer with 31 points.

Los Angeles began the second half, down 46-34. The Diablos, playing without starters Charlie Thomas and Joe Barnes, tied the game 58-58 with 12 minutes remaining.

The lead changed hands five times, before Wagnon's accuracy provided the Bengals with the telling points.

Thomas and Barnes arrived one hour late and didn't suit up. One other Los Angeles starter, Bill Nolan, fouled out. ISU lost Len Frazier and Dennis Green on fouls.

Utah State, Stanford Post Tourney Wins

PORTLAND, Ore. (AP)—Utah State, once ahead by 22 points, had to survive a late rally by Oregon's sophomores to win the Far-West Classic basketball tournament Tuesday night.

Stanford defeated Washington State, 85-77, in the first game of the doubleheader.

Oregon's rally cut the Utah State lead to 67-62 with less than three minutes to go, but Utah State settled down and gradually increased the margin.

Oregon played without Jim Barrett, its second-leading scorer. His hand was badly bruised earlier in the day when caught in a closing door, and he is expected to be out for two weeks.

Nick Jones, 6 foot 2 Oregon speedster who led the press that almost snatched Utah State in the second half, scored 18 points for Oregon.

Denise O'Brien, 62 junior, had 18 for Utah State, and Larry Stanford used its height advantage to topple Washington State.

At the same time, Halas drafted signing of the club's No. 6 draft choice, Franklin McRae, a sound defensive tackle from Tennessee State.

In dropping negotiations with the 260-pound Rice, reportedly able to name his own terms with the Houston Oilers of the American Football League, Halas said:

"The Bears are withdrawing from the money derby which is getting ridiculous and is not conducive to good squad morale."

Rice, a No. 3 Houston draft choice, came a long way after his team plays Arkansas in the Cotton Bowl game Saturday.

Providence, Boston Gain ECAC Finals

NEW YORK (AP)—Bill Blair's tap-in Jim Walker's missed shot with three seconds to play gave Providence an 81-79 triumph over Illinois Tuesday night and put the Friars into the final against Boston College in the Holiday Festival Basketball Tournament.

Boston, fired by John Austin's clutch scoring, defeated Army 82-85 in the opener of the semifinal doubleheader. In an afternoon consolation twin bill, Villanova downed Colorado State 81-68-7 and Georgetown topped New York University 86-57. The championship game will be played Thursday night.

Illinois led for 10 minutes in the last part of the second half, but 10th ranked Providence, now 7-1, came back behind the all-around play of Walker.

Walker's driving layup cut Illinois' lead to 27-17 with about two minutes to go. Then Jim Benedict stole the ball from the Illinois Rich Jones near the key and fired to Blair, who tied the game on a layup with 1:32 left.

After Illinois missed a shot, Providence took the ball with 1:12 to go and held it until Walker fired a jump shot. The ball bounced off the rim, but Blair leaped high and tapped it in for the winning points.

Bratkowski Prepares for Title Game as Packers' Starr Remains Doubtful

GREEN BAY, Wis. (AP)—Edmund Raymond (Zeke) Bratkowski, a No. 2 boy for most of his 10 years in the National Football League, is quietly preparing for the most important day of his career. If Bart Starr's bruised back does not come around, it will be up to Zeke to carry the load Sunday against the Cleveland Browns in the NFL championship game as Green Bay's starting quarterback. Starr's chances of playing won't be determined until late in the week. He will try to throw Wednesday when the Packers resume practice after a two-day layoff.

Browns Expect Blend Of Dallas, Cardinals

CLEVELAND, Ohio (AP)—How do the Green Bay Packers look to Cleveland Browns' Coach Blanton Collier? "Their defense is something like that of the Dallas Cowboys," he said. "I'd say the offense resembles that of St. Louis, the one the Cardinals had before injuries hit the team." That means Collier thinks the Packers are tough both ways. Dallas had the stingiest defense (20 points) in the Eastern Conference of the National Football League.

Boise, Nampa Ferry in Glens Win Tourney

GLENS FERRY — Host Glens Ferry Lions fell before Boise Olympia on Tuesday night and Nampa Mountain Home 78-30 in the championship bracket of the Glens Ferry Holiday Basketball Tournament. The College Alumni and Boise will face each other for the crown at 8 p.m. Wednesday while Filer and Faux Cigar will meet in a consolation bracket game at 7 p.m. The tournament is sponsored by the Glens Ferry Lions Club. Filer dropped Bruneau 52-42 for the chance at the consolation trophy while Faux Cigar had an easy task in putting down Emmet 66-32.

PITTSBURGH, Pa. (AP)—Head Coach Mike Nixon of the Pittsburgh Steelers and all of his assistants were fired Tuesday by owner Art Rooney in the wake of a 2-12 National Football League season.

Warfield to Play in NFL Title Contest

CLEVELAND, Ohio (AP)—Paul Warfield, who was expected to be the Browns' favorite target in Cleveland's drive for the National Football League championship last year, is healthy again and looking forward to Sunday's NFL title contest at Green Bay.

Warfield's fine young flanker goes all the way against the Packers it will be the first time the star has led his team in a game. He started only twice. Warfield's collarbone was shattered Aug. 6 in the game against the Los Angeles Rams. He was out for 12 weeks before the 1965 campaign started. His roster was the second in the NFL in a ball.

Zeke's hair has gotten a bit thin on top in the year since he came out of Georgia as the Chicago Bears second draft pick in 1955. It is 24 now and has fared there a family of three boys—10, 6 and 4—who are more occupied with the electric guitars than with daddy's big test.

"Thank goodness the batteries are running down," said Zeke. "Bart and I are the closest friends," explained Bratkowski. "If he plays and does the job, it will be a great thing for all of us. If he can't play, then I have to try to do my best." "You work for this game, or any game, as though you are going to start, Bart and I and you, Dennis Clarke like to take at the films before the coaches give us the game plan. They usually do that on Wednesday, along with a lot of technical stuff." "You try to get the overall picture from the films and set the defense they use. Then, when you get the plan, you don't stumble over it." "I'm as far as Bart and I are concerned, I think he phrased it best after Sunday's game when he said the Packers are 40 men ready to play and not any one man." Bart did an excellent job for us all year and I did my best to help out when I got in there."

Rooney said he and Nixon went over the whole situation when "Packers" quit—and that there was an agreement between the two men that Nixon would serve as an interim coach for one year. Nixon, who had expressed the hope Rooney would give him another chance at the helm, said the dismissal came as no surprise to him. "How can you justify a 2-12 record?" he asked. The Steelers, in posting their worst record since 1944, finished last in the NFL's Eastern Conference under Nixon's guidance.

There was no immediate announcement on Nixon's successor. Nixon, 54, said he has no immediate plans for the future, but that he intends to stay in football. Earlier, the Los Angeles Rams dismissed Harland Sue, who had been the interim coach for the last two weeks of the season. Nixon, who had expressed the hope Rooney would give him another chance at the helm, said the dismissal came as no surprise to him. "How can you justify a 2-12 record?" he asked. The Steelers, in posting their worst record since 1944, finished last in the NFL's Eastern Conference under Nixon's guidance.

Boise Takes Win In Cage Tourney

EPHRAIM, Utah (AP)—Boise jumped to an early lead and held on to overrun Rangley of Colorado 87-78 Tuesday in the Snow College Invitational Junior College Basketball Tournament. Dixie of Utah picked up a big second-half margin to defeat Mesa of Arizona 95-88, and Manhattan Beach of California broke a dull-court press to dump Mesa of Colorado 105-90. Leo Harvey led Boise's display of accuracy with 26 points. Gary Chaffee was second high with 23, and Lane Broyles and Ned Lynch hit 14 apiece. Both teams scored 20 points for Rangley, and Roy Lesh hit 23 points—but Colorado could not match Boise's break and superior rebounding.
