VOL. 48, NO. 67

TWIN FALLS, IDAHO, TUESDAY, JUNE 21, 1966

TEN CENTS

BURLEY FIREMEN DOUSE flames of burning wreckage of a T-33 jet plane from Pease Air Force Base, N. H., which crashed about 6:30 a.m. Tuesday as it was taking off from Burley airport. The pilot, whose identity was withheld pending notification of next of kin, was killed. He had stopped at Burley to let off a passenger, a Col. Bushby. Eyewitnesses said the

plane apparently developed mechanical trouble and the motor stalled as he was taking off. The aircraft first hit a fence, then struck the railroad tracks, where it burst into flames. The plane then bounced across the highway, momentarily engulfing a pickup truck in flames, and landed in a plowed field. (Times-News photo)

CSI Trustees Adopt Budget of \$785,833

A tentative budget of \$785,833 was adopted Monday night for the College of Southern Idaho by the five-man board. The budget will include \$294,500 in direct tax money which will accrue from mill levies in Jerome and Twin Falls Counties. These funds will be used for maintenance and operation for the second year at the college. Last year's levy was 5.25 mills for Twin Falls County alone. The levy is expected to be less this year, probably under five mills, but will not be set until assessed valuation of the two counties is determined. The budget was set up on a basis of 900 students per semester. Dr. James L. Taylor, college president, said he felt this figure, which includes both academic and vocational students, to be a "conservative estimate."

There will be an increase of about 100 students in the 1966-67 school year, teaching staff. Dr. Taylor said he is three away from filling this teaching quota. Summer school at the college has 150 students enrolled in academic classes, during its first session. Two vocational programs, peace officer training and welding, are continuing through the summer, with a total of 34 enrolled in the two programs. In addition to the vocational and academic programs, the college is teaching 18 adults basic education which includes reading and writing. The program is financed partially by federal funds and is of aid to persons who have a record of unemployment because of deficiencies in basic knowledge.

City Asked to Help With Juvenile Home

Help in establishing a home for juveniles who are temporarily under court jurisdiction, but who have actually committed no crime, was requested Monday evening at an informal hearing before the City Commission. Ronald Booth, representing the Harbor House of Magic Valley Association, cited the present lack of facilities for young people, who, because of family crises, are without homes for a length of time ranging from a few days to several weeks. During the hearing, E. E. Marlow, Twin Falls Police Department juvenile officer, told the commission that in 1965 he handled more than 80 cases involving children between the ages of 3 days to 10 years who needed such a home as the association proposes.

Marlow cited two specific cases in the last week. He said at 1 a.m. several days ago he had to take three small children into custody because their mother had been arrested for disorderly conduct and the father was out of town. In the second case, two hitchhiking boys who had run away from home had to be held in jail until their parents could be notified. He also pointed out cases where children, who because of troubled home conditions, have committed minor misdemeanors.

Marlow said that at present these children must be retained in jail with seasoned criminals or returned to the same environment that originally spawned the trouble. E. E. Marlow, Twin Falls Police Department juvenile officer, told the commission that in 1965 he handled more than 80 cases involving children between the ages of 3 days to 10 years who needed such a home as the association proposes.

Air Force Pilot Killed As Plane Crashes Taking Off From Burley Airport

BURLEY—A spectacular early morning crash at the Burley airport killed the pilot of an Air Force T-33 jet plane Tuesday morning. Eyewitnesses said the plane apparently developed mechanical trouble after taking off from the airport where the pilot had stopped to let off a Col. Bushby. The plane was from Pease Air Force Base, N. H. Van Palmer, Route 3, Rupert, who was driving east on Highway 30 at about 6:50 a.m., told officers he saw the plane coming down the runway of the airport and realized it would not clear. The aircraft first hit a fence, then struck the railroad track. The impact caused it to bounce over the highway and land in a field where it bounced again before coming to rest in a "ball of flames."

Palmer said as the burning plane passed over his pickup truck, his vehicle became engulfed in flames. The driver crossed the railroad tracks and pulled his truck to the side of the highway. Palmer was not burned, but Palmer was not burned. The burning plane attracted many spectators as the crash occurred just at the time persons were driving to work and employees at local plants were changing shifts, officers said. State Patrolman Roy Thomas, who headed the initial investigation, said all Burley policemen, as well as state patrolmen and sheriff's officers from both Cassia and Minidoka Counties, were pressed into service directing traffic.

No debris was dropped on the highway, but the flaming plane left wreckage along both sides of the four-lane highway 30 and for about 200 yards through a field as it bounced to a stop. The Burley airport is located between the highway and the Snake river on the east edge of town, along a heavily traveled route.

The plane burned for about an hour before officers were able to remove the body of the pilot, whose name was withheld pending notification of next of kin. A wrecker was used to pull the plane wreckage apart so the body could be removed. Witnesses said the wreckage was torn apart by use of large cables, flames again shot up from the fuel tank.

All Burley firemen, whether they were on duty or not, were called to the scene to help control the flames. National Guardsmen were called to guard the wreckage until a team from the Mountain Home Air Force Base arrived before noon to take over details of the investigation.

Col. Bushby, who was standing by the Federal Aviation Agency building at the airport as the plane crashed, said he was in Burley "on business" and he could not give out any further information as to why the jet plane landed on the Burley airport, which is considered too small to accommodate large jet planes.

De Gaulle, Russian Discuss Relations

MOSCOW (AP) — President Charles de Gaulle of France and Soviet Communist leader Leonid I. Brezhnev discussed today East-West relations in Europe and German unification, a French spokesman said. The three-hour talks opened formal discussions between the French president, who arrived Monday with a call for France and the Soviet Union to join in seeking solutions to Europe's problems. Brezhnev, whose role as Communist party boss makes him the most important Russian, did most of the talking for his side. Premier Alexei N. Kosygin and President Nikolai V. Podgorny say him. Brezhnev's presence emphasized the importance the Soviet Union is giving to the discussions.

The French spokesman said the Russians called the talks "a tangible manifestation of the desire for consultations between our two countries."

De Gaulle emphasized the value of bilateral talks between the Soviet Union and other countries, not just France, the spokesman said. By mentioning Germany, he seemed to be saying Bonn should try to settle its problems directly with Moscow.

This differs from the North Atlantic Treaty Organization position that bilateral talks with the Soviet Union are inadvisable. De Gaulle came here as a dissident member of NATO seeking new understandings with the Russians.

A communique issued by the Russians after the meeting said the first of three formal sessions of talks during De Gaulle's 11-day visit — said they "were held in an atmosphere of frankness and cordiality."

De Gaulle's team included Foreign Minister Maurice Couve de Murville and Ambassador Philippe Baudet. Newsweek admitted briefly at the beginning of the session heard De Gaulle and Kosygin mention Stalin.

De Gaulle had dinner in this hall in 1944," De Gaulle said. "With Stalin?" Kosygin asked.

"Yes," said De Gaulle, pointing to chairs. "I was there and he was there."

De Gaulle issued his call for agreement between the two countries at a banquet in the Kremlin Monday night. "Without ignoring the essential role that the United States has to play" in the world, he said, France "thinks that the first condition for world progress is the re-establishment of Europe of fertile unity instead of having Europe paralyzed by sterile division."

It is up to France and the Soviet Union to start trying to solve European problems, he said. De Gaulle, pg. 2, col. 8.

Court Ends On Sour Note For 2 Groups

WASHINGTON (AP) — A year of Supreme Court decisions broadening individual and civil rights has ended on a sour note for civil rights workers and thousands of prison inmates.

In quick order Monday at its final session of the 1965-66 term, the high court:

1. Ruled 5 to 4 no federal law gives civil rights "advocates" or anyone else — immunity from state prosecution under state and local laws.

2. Barred 7 to 2 use of two historic high court confession rulings to retry or release convicted before the decisions were announced.

If the rulings were given retroactive application, Chief Justice Earl Warren wrote, "it would require the retrial or release of numerous prisoners found guilty by trustworthy evidence in conformity with pre-decision constitutional standards."

The court followed up the decision by turning down 124 individual appeals by prisoners who claimed the confession rulings — one in 1964 and the other a week ago — applied to their convictions.

(See Picture on Page 5) Ace Fred Kauer, 27, Roxburg, injured in a collision near the Hansen overpass Monday afternoon was listed in very serious condition at Magic Valley Memorial Hospital Tuesday afternoon.

A hospital source said Kauer sustained extensive chest and facial injuries in the wreck, and still is only semi-conscious. Twin Falls County sheriff's office said the wreck occurred about 1 p.m. when a truck driven by Harvey L. Stary, 38, Route 1, Twin Falls, slowed for a vehicle on U.S. Highway 30, prior to making a left hand turn onto the old Murtage highway.

Livestock truck driven by Richard A. Kauer, 27, Roxburg, was approaching the Stary truck from the rear. According to officers, Utlick saw the slowed vehicle and applied his air brakes. His vehicle left a 248 foot skid mark, and when Utlick saw he couldn't get stopped in time he attempted to go around the truck, going into the other lane of traffic.

Officers said Utlick's truck collided with the Stary truck, tipping off the truck's sleeper, and scattering bedding along the highway. Officers said Kauer tried to get his vehicle off the roadway, but "just didn't have enough time." Utlick's truck struck Kauer's front bumper, and pushed off the entire left side and knocked the car from the roadway. Officers said one tire on the Kauer auto was off the roadway at the point of impact, but no marks were visible until the car landed on the shoulder bank, across from the shoulder. Charges against Utlick are pending.

Buying Insurance WASHINGTON (AP) — Insurance companies across the nation report that millions of elderly Americans are buying additional health insurance to supplement Medicare benefits. "The complementary policies are selling very well, exceeding our expectations in many areas," said one insurance executive, Walter J. McNerney of Chicago, president of Blue Cross Association.

Ribbon Cut, C. of C. Now In New Home

The new Twin Falls Chamber of Commerce building, officially dedicated at 1:30 p.m. Tuesday with ribbon cutting ceremonies.

Egon Kroll, chairman of the city commission, cut the ribbon to the structure, which is located at 237 Shoshone St. N. Others on hand for the ceremonies included Douglas Kramer, retiring president of the chamber, and his successor, Earl Faulkner of the Paris Co.

Ray Rostrom, manager of the Chamber of Commerce, reported that his staff actually moved into the new building about a week ago and has been busy preparing the offices for the official opening.

The new office features adequate storage space for the many brochures the personnel handles, modern offices and a large conference room. With the new, convenient facilities, the staff will be better equipped to handle the influx of inquiries that arrive daily about Twin Falls and the Magic Valley.

Proceeding the dedication ceremonies, the Board of Directors met and elected Faulkner, president; Howard Allen, Sterling Jewelry, first vice president, and Robert Van Engelen, Van's Department Store, second vice president.

T.F. Man Named To State Heart Association Post

Dr. Roy O. Shaub, Twin Falls Clinic, was named president-elect of the Idaho Heart Association during a weekend meeting attended by 60 persons at Boise.

Dr. Shaub has served locally on the board of directors for the United Fund and has been associated with the Arthritis Foundation as local representative. He is associated with the Twin Falls Clinic.

Others elected during the meeting are Dr. Lester Crismon, Lewiston, president; Dr. Robert E. Ray, Nampa, vice president, and Ben Stenzkamp, Boise, secretary-treasurer.

West Plains Struck by Heavy Storms

By The Associated Press

Heavy thunderstorms struck parts of the western Plains this morning. But most of the rest of the nation enjoyed relatively clear skies and warm temperatures — a good opening for summer which officially begins at 4:33 p.m. EDT today.

A thunderstorm with winds up to 40 miles an hour and a half-inch of rain on Dickinson, N.D., and the Weather Bureau issued a tornado watch for much of North Dakota and parts of northern South Dakota.

Sunny skies were predicted for most of the nation but scattered showers and thunder showers were expected over the Great Plains, the Rocky Mountains and along the Gulf Coast.

Early morning temperatures ranged from 43 at Olympia, Wash., to 80 at Needles, Calif.

Magic Valley Funerals

KIMBERLY — Funeral services for Fred Heidemann will be conducted at 2 p.m. Wednesday in White Mortuary Chapel by Rev. Calvin E. Lichty. Final rites will be held at Sunset Memorial Park.

TWIN FALLS — Funeral for Mrs. Lucy Fierro Sosa will be held at 7:30 p.m. Tuesday at White Mortuary. Requiem Mass will be celebrated at 10 a.m. Wednesday at the Immaculate Conception Catholic Church. Buhl, with Rev. Jerome O'Connor, celebrant. Final rites will be held at Twin Falls Cemetery.

TWIN FALLS — Funeral services for Charles Bruggemann will be conducted at 10:30 a.m. Wednesday at the Twin Falls Mortuary Chapel by Rev. Dr. Harold N. Nye. Concluding rites will be held at Sunset Memorial Park. Friends may call at Twin Falls Mortuary Tuesday.

RUPERT — Funeral services for Mrs. Margaret Young will be conducted at 11 a.m. Wednesday at the White Mortuary Chapel. Final rites will be held at Pleasant View Cemetery. Burial, friends may call Tuesday afternoon and evening and Wednesday until time of services.

ORANGE — Funeral services for William H. H. will be conducted at 1 p.m. Wednesday at the Casa Santa House, Orange, with Bishop Gail W. Ockey, officiating. Final rites will be held at the Pleasant View cemetery. Burial, friends may call at the Casa Santa House Tuesday afternoon and evening and Wednesday at the Oakley church one hour prior to services.

TWIN FALLS — Funeral services for Donald Scott Miller will be conducted at 10 a.m. Thursday at Twin Falls Mortuary by Rev. Mr. Edmund R. Cody. The cortege will leave Twin Falls Mortuary at 9:45 a.m.

Senate Gives Approval to Safety Bill

WASHINGTON (AP) — The Senate Commerce Committee unanimously approved today an auto safety bill requiring mandatory federal standards for U.S. and foreign cars, trucks, buses and motor scooters.

The secretary of commerce was directed under the bill to set interim standards by Jan. 31, 1967, in the expectation that these would apply to 1968 model cars.

A year later, on Jan. 31, 1968, he would be required to prescribe final standards which would be revised and kept up to date every two years after that.

Chairman Warren G. Magnuson, D-Wash., described the bill as "much tougher" than the one originally proposed by Sen. Frank Lautenberg, R-N.J., and also the proposals made by auto manufacturers.

The President had sought only discretionary authority for the secretary to set standards.

Gravel Chips Are Stockpiled

RICHFIELD — Richfield highway district has been stockpiling 3,500 tons of 2-inch gravel chips for future use.

The gravel crushers have been located at Adkins gravel-pit in Marley. Gravel crushing for District highway is also ordered.

Richfield is now employed fulltime for the Richfield Highway District.

Two railroad flat cars have been purchased for installation as bridges in northeast Richfield this fall when water is turned off.

PROMOTED

CRYBURN — Dallas S. Winnett, 19, son of Mrs. Norma Davis, Tarzand, Calif., and Sidney R. Winnett, Cryburn, has been promoted to specialist fourth class in Germany while he is assigned to the Fourth Armored Division.

Weather, Temperatures

MAGIC VALLEY—Partly cloudy and a little cooler today and Wednesday. High temperatures 72-82 both days, lows tonight 48-58. Tomorrow, high 70, low 48. Winds light to moderate, 15-25 mph. Outflow showers likely Wednesday night or Thursday. Temperatures at 8 a.m.: 61 at Jerome, 67 at Kimberly with 54 per cent humidity; 68 at T.F. with 50 per cent humidity; 68 at Rupert, 58 at Fairfield, 58 at Hayles, 65 at Gooding; at noon, 78 at T.F. weather bureau with 52 per cent humidity. Barometer: 29.89. Soil temperatures: At T.F., four-inch 73, eight-inch 69, 20-inch 64, 36-inch 63; at Rupert, four-inch 82, eight-inch 78, 20-inch 74, 36-inch 71; at Castleford, 72; at King Hill, 85.

SYNOPSIS AND AGRICULTURAL SUMMARY

A large low pressure area off the West Coast is expected to remain nearly stationary during the next two days. A southwesterly low on the east side of this low will provide varying amounts of cloudiness today and Wednesday. A few widely scattered afternoon or evening thunder showers are likely today, mainly over the mountains and some of the eastern valleys. Showers reaching the ground should be mostly brief and light and, therefore, not a serious threat to hayting and other farm operations.

Little or no shower activity is indicated for Wednesday for eastern sections, but scattered thunder showers are expected to develop late Wednesday night in southwestern Idaho according to southeastern Idaho Thursday. There appears to be a good chance for measurable rainfall in valley areas Wednesday night or Thursday, possibly causing some delays in field operations Thursday. However, showers will likely be brief and followed by westerly winds and fairly rapid drying of foliage and soil surfaces.

TEMPERATURE AND PRECIPITATION

Highest temperature Monday, lowest temperature, last 12 hours, precipitation for 24 hours ending at 6 a.m. CST.

Oscar Ross, James Christian, Oscar Ross, Betty Buehl, all Rupert; Robert Buehl and Becky Robinson, both Heyburn.

Gooding Memorial Admitted

Sandra Sato, Gooding.

Vern Royce and Beverly Velasquez, both Gooding.

\$600 Damage Is Caused by Crash

SHOSHONE—More than \$600 damage resulted to two vehicles when they collided head-on at 10 p.m. Saturday one mile north of Shoshone.

Sam W. Caudill, 56, Twin Falls, was driving a pickup truck south when it collided with a 1955 Dodge driven by Gilbert Hogue, Farmington, N.M. Hogue was cited for drunk driving and his passenger, Henry Gilbert, also from New Mexico, was cited for being drunk in a motor vehicle.

The Dodge was demolished, according to Sheriff Thomas W. Conner, who investigated.

Nervous Bandit

KANSAS CITY, Mo. (AP) — A shaky bandit, so nervous he had to rest his pistol on a counter, pulled a \$300 holdup at a finance agency Monday.

After looking over the place, he pointed his gun toward the office of L. E. Spaulding, manager of the loan company branch.

"All right, mister, get out here," he said.

Two employees emptied cash drawers of money. The bandit, his gun still shaking, fled.

After ordering the office staff into a back room he fled.

Results Reported

Twin Falls Duplicate Bridge Club met Monday evening at the American Legion for a potluck supper, followed by bridge.

Winners were, north and south, Dr. Mrs. H. E. Burgess, first; Mrs. W. P. Haney and Mrs. N. E. Atkins and Mrs. J. S. Feldhusen, third.

East and west winners were Mrs. M. D. Hart and Mrs. W. H. King, first; Mrs. F. L. Thorne and Mrs. A. D. McMahon, second; and Mrs. M. A. Querry and Lowell Huber, third for third with Mrs. H. M. Proctor and Mrs. A. P. Russell. Trophies were awarded to Dr. and Mrs. Burgess as overall winners.

The next play will be June 27.

Girls Enter Queen Contest

Twin Falls County girls are entering the 28th annual throughout the state who will be crowned the title of queen of the Snake River Stampede, July 10-22, at Caldwell.

Doyle Cain said the winner of the contest will reign over next year's rodeo. Peggy Ann Scott, Hazelton, is the reigning queen this year.

Cain said this is the largest number of contestants to enter the competition, and is probably a result of the many new riding clubs in the state.

Dee Bligham, Twin Falls, is riding for the Twin Falls Junior Riding Club. Miss Bligham, a student at Twin Falls High School, has been a member of the club for the past two years. She said she has been riding since she was 13 years old. This is the first time Miss Bligham has entered the contest. She lists her hobbies as reading, swimming and art.

Susan L. Parvin, 17, Kimberly, is riding for the Twin Falls Sheriff's Mounted posse. Like Miss Bligham, she is in the first time Miss Parvin has entered a queen's contest. She listed knitting as one of her hobbies, and also plays in the high school band. She told Cain she has been riding since she was 5 years old.

Cong Hideout

SAIGON — South Viet Nam (AP) — American paratroopers smashed today into a jungle hideout where 600 Viet Cong threw up a bitter defense against the U.S. military.

At last report a pitched battle had been raging for 36 hours and 69 Communists were known killed.

Some 2,000 or more men of the 101st Airborne Division and the 1st Cavalry, Airborne, Division were battling the Viet Cong in the jungled highlands of Phu Yen Province, about 15 miles north of the American coastal enclave at Tuy Hoa.

It was the second major action for the 101st since it landed two weeks ago. From June 7 to June 14 the paratroopers battled North Viet Nam's 24th Regiment on the Kontum Plateau, 120 miles northwest of Tuy Hoa, and estimated they killed more than 1,000 of the 2,000 Red troops opposing them.

A military spokesman said the new battle resulted from an American sweep operation named Nathan Hale. Monday the Viet Cong attacked a paratrooper unit in a mountain valley and airborne paratroopers were rushed in as reinforcements.

During the night the combined American force hit fortified enemy positions. At least a battalion of hard-core Viet Cong was reported dead in and ready.

Heavy fighting continued through the night and today, the spokesman reported.

Juvenile

(Continued from Page One)

Kenneth Briggs, 14, Robertson is the group's legal adviser.

In other business to come before the commission, building permits and license applications were approved.

Fred O'Neill, representing Idaho National, presented a drawing of a proposed modification of the East side of the Rogerson Hotel.

He pointed out that the cinder block and brick siding would extend over four inches onto the sidewalk and would be necessary to get the commission's permission for such an encroachment before proceeding with the plans.

The commission gave permission, deeming it an advantage to the city to have a better looking structure in the downtown shopping area.

Proposed Ordinance 1310, providing for service delivery permits and meter hoods, was read for the second time. How- ever, the second reading of Ordinance 1320 was tabled because of the complaints received on the proposed ordinance during the first reading.

Ordinance 1320, dealing with licensing of taxicabs and drivers and providing for a better name and regulating zone.

An ordinance which would revoke Ordinance 1220 was tabled until the July 5 meeting. Ordinance 1220 was passed several years ago and provides for regulated use of the city's water during the summer months.

The commission felt it would be better to wait until the first phase of the water line is completed and officials have a clearer view of water pressure throughout town before revoking the original ordinance.

Preliminaries Start in Contest

BOISE (AP) — Twenty-three preliminary heats for the Miss Idaho began Tuesday the preliminaries that will climax Saturday night with the crowning of one of them.

The girls registered and were assigned numbers. Interviews with contest officials and judges were on the afternoon program in preparation for the beginning of rehearsals.

First round of judging is scheduled Thursday with a second round Friday. The finals are scheduled for Saturday.

The winner will represent Idaho in the Miss America contest in Atlantic City in September.

Calf Killed In Lincoln Crash

SHOSHONE—A 300-pound calf was killed when it was hit by a 1962 Mercury driven by Ralph J. Mitchell, Shoshone, 13 miles northeast of Richfield on state Route 20, Saturday.

Marvin Whitwell reported Monday.

Mitchell was en-route fishing at the time, going northeast. There were several dark colored animals on the road and it was 9:30 p.m. Saturday.

The owner of the animal was not known. Damage to the car was estimated at \$850.

Two Stop Signs To Be Installed

Two stop signs will be erected Wednesday morning at the intersection of Sunrise Boulevard North and Stadium Boulevard, according to Ronald J. Scheuffele, Twin Falls city engineer.

Scheuffele said that they will be placed so that traffic will be stopped on Sunrise Boulevard North and through traffic will be permitted on Stadium Boulevard.

REPORT SLATED

SHOSHONE—John Hadlock, son of Mr. and Mrs. Perry Hadlock, will report his mission to South America at the LDS sacrament services at 7:30 p.m. Sunday.

JUNE SPECIALS

Gardenias, 35c and up. Petunias and other small bedding plants, 60c a dozen — \$5.00 per 100. Cut flowers for all occasions.

ORLO WILLIAMS CITY FLOWERS

121 7th St. South — 733-4400

Twin Falls News in Brief

The Seventh Ward Relief Society will hold its annual rummage sale from 9 a.m. to 5:30 p.m. Thursday and Friday at 228 Second Ave. S.

Mrs. Kathy Mikl and daughter, Misha, have been visiting Mrs. Mikl's mother, Mrs. Marie Shodard. She will be leaving Wednesday to live in Hawaii. Her husband, Capt. J. C. Mikl is stationed in South Viet Nam as a helicopter pilot.

The Twin Falls Junior Club donated \$25 to help send a handicapped child to Camp Easter at Coeur d'Alene. The cost to send a child to camp for 11 days is \$70, plus transportation. Anyone wishing to help send a child to camp can send donations to the Easter Seal Center, or to Mrs. E. P. Messner, 951 Fairway Dr.

Paratroopers Smash Viet

SAIGON — South Viet Nam (AP) — American paratroopers smashed today into a jungle hideout where 600 Viet Cong threw up a bitter defense against the U.S. military.

At last report a pitched battle had been raging for 36 hours and 69 Communists were known killed.

Some 2,000 or more men of the 101st Airborne Division and the 1st Cavalry, Airborne, Division were battling the Viet Cong in the jungled highlands of Phu Yen Province, about 15 miles north of the American coastal enclave at Tuy Hoa.

It was the second major action for the 101st since it landed two weeks ago. From June 7 to June 14 the paratroopers battled North Viet Nam's 24th Regiment on the Kontum Plateau, 120 miles northwest of Tuy Hoa, and estimated they killed more than 1,000 of the 2,000 Red troops opposing them.

A military spokesman said the new battle resulted from an American sweep operation named Nathan Hale. Monday the Viet Cong attacked a paratrooper unit in a mountain valley and airborne paratroopers were rushed in as reinforcements.

During the night the combined American force hit fortified enemy positions. At least a battalion of hard-core Viet Cong was reported dead in and ready.

Heavy fighting continued through the night and today, the spokesman reported.

Child Dies of Asphyxiation

Donald Scott Miller, 14-month-old son of Mrs. Betty Miller, 253 Ninth Ave. N., was pronounced dead on arrival at the Twin Falls hospital Monday night from asphyxiation.

According to his physician, the child had slipped in the bathtub and had breathed in some water, which caused him to choke. The child's windpipe was filled with food and gastric contents, which stopped respiration.

He was born April 14, 1965, in Twin Falls.

Surviving are his mother, a brother, Richard Wade, Twin Falls, grandmothers, Mrs. and Mr. Donald Murphy, and a great-grandmother, Mrs. Ollie Howard, Twin Falls.

Funeral services will be conducted at 10 a.m. Thursday at Twin Falls Cemetery by Rev. Mr. Edgar R. Cody. The cortege will leave Twin Falls Mortuary at 9:45 a.m.

Barzel Is Given Confidence Vote

BOON, Germany (AP) — Leaders of the ruling Christian Democratic party gave Deputy Chairman Rainer Barzel a vote of confidence Monday but did not endorse his suggestion for a unification settlement allowing Germans to remain in a reunified Germany.

Party leaders said in a communique that Moscow's unfavorable response to Barzel's statement in Washington last week showed that German reunification was being impeded by Soviet disincination.

Calf Killed In Lincoln Crash

SHOSHONE—A 300-pound calf was killed when it was hit by a 1962 Mercury driven by Ralph J. Mitchell, Shoshone, 13 miles northeast of Richfield on state Route 20, Saturday.

Marvin Whitwell reported Monday.

Mitchell was en-route fishing at the time, going northeast. There were several dark colored animals on the road and it was 9:30 p.m. Saturday.

The owner of the animal was not known. Damage to the car was estimated at \$850.

Man at Chaffin Buys Air Service

SALMON — Ed Osterman, Chaffin, announced here he has purchased the Loening Air service in Salmon from Mike Loening, Boise.

Osterman said the service now will be operated as Ed's Air Service. John Prochko, Salmon, will continue to serve as manager here.

The purchase included the flight service from Salmon to Boise, the Loening charter, air freight, ambulance, primitive area transportation.

Osterman has been flying at Chaffin since 1961.

Two Stop Signs To Be Installed

Two stop signs will be erected Wednesday morning at the intersection of Sunrise Boulevard North and Stadium Boulevard, according to Ronald J. Scheuffele, Twin Falls city engineer.

Scheuffele said that they will be placed so that traffic will be stopped on Sunrise Boulevard North and through traffic will be permitted on Stadium Boulevard.

L. E. Clapp Asks Opinion Of Official

BOISE (AP) — An attorney general's opinion on whether an outright invitation to results of Idaho's political party assembly this month was to be asked today by Secretary of State L. E. Clapp.

Atty. Gen. Allan G. Shepard said his opinion would come this week.

The question was raised in an apparent effort to permit Boise businessman H. Westernman Willock to run in the primary election Aug. 7 even though the Democratic State Assembly did not endorse him as a candidate.

Boise attorney Gerald F. Schroeder said county assemblies had not been notified who gubernatorial candidates were, as required by law, when they selected delegates to the state assembly.

Schroeder, acting in behalf of the Willock for Governor Committee, asked Shepard if that would invalidate state assembly action and permit unendorsed candidates to run in the primary.

Clapp said he overlooked the provision of the law requiring him to notify county assemblies five days in advance of all candidates seeking state and congressional office.

Welcome Is Extended for King Faisal

WASHINGTON (AP) — Twenty-one guns boom out a Washington salute today for King Faisal of Saudi Arabia.

The ruler of the oil-rich desert kingdom flies to the capital after an overnight stay at Colonial Williamsburg, Va. President Johnson greets the king at the White House, then joins him in a parade through downtown Washington.

Faisal, 60, receives a key to the city from District of Columbia officials at Blair House, where he is staying during his three-day state visit, the luncheon with Secretary of State Dean Rusk.

The king returns to the White House for a late afternoon conference with Johnson, followed by a black-tie state dinner. The after-dinner entertainment will include military marching and music on the White House lawn by the Old Guard Fife and Drum Corps, The Army drill team and the Army band. A fireworks display will cap the program.

Wednesday, Faisal addresses a luncheon sponsored by Washington newsmen, holds separate conferences with Johnson and Rusk and gives a reception in honor of the President at the Saudi Arabian Embassy.

He leaves for New York Thursday afternoon.

This is Faisal's first visit to the United States since he became king in 1964. He is accompanied by a large entourage of officials but no members of his immediate family.

Food Prices Hold Living Costs Rise

WASHINGTON (AP) — Food prices dropped six-tenths of one percent last month, holding over-all living costs to a rise of only one-tenth of one percent, the Labor Department said Tuesday.

It was the first sign of a slowdown in the sharp price increases of the past several months.

The increase in over-all living costs boosted the government's consumer price index to 112.6, meaning that it cost \$112.60 to purchase items that cost \$100 in 1967, based on which the index is based.

The increase in May was caused primarily by higher costs of home ownership, furniture, medical care and women's clothing, the Bureau of Labor Statistics said.

"The most significant increases were for mortgage interest rates, doctors' and dentists' fees, hospital service charges, domestic service, house repairs and barber and beauty shops," the bureau reported.

The sharp drop in food prices was the first decline in eight months, the bureau said.

Royce Recovers From Accident

GOODING — Sheriff Verne Royce is recuperating at his home after being dismissed from Gooding Memorial Hospital Tuesday for injuries received when his horse fell on him.

The sheriff, who received two broken ribs and internal injuries, was working on a drill for the newly organized sheriff's mounted posse at the county fairgrounds.

It was reported the horse reared and then fell over on him.

Wendell Firemen Put Out 2 Fires

WENDELL — The Wendell Rural Fire Department put out two early morning fires Monday, both of unknown origin.

Firemen first responded to a call at 1 a.m. at the home of Mr. and Mrs. Chester Weight, one and one-half miles

Answers Are Many, but Unclear, About War

By TOM TIEDE

NEW YORK (NEA) — Viet Nam, the country of confusion. It's 10,000 miles from here. An ocean and an entire civilization distant. A slender finger of rain forest surrounded by sharks on two sides and an even more carnivorous predator on a third.

So, why us?

Why are we there?

And how are we ever going to get out?

Americans, like hibernating bears, have stirred from another cozy winter, hungry for answers that today directly affect more than 200,000 United States soldiers and, tomorrow, could affect 100 times that number of people all over the world.

Alas, the answers are more than plentiful.

Everybody seems to have at least one or two.

A lady from the state of Washington suggests that the United States switch its support from Saigon to Hanoi. "With our help," she figures, "North Viet Nam doesn't stand a chance."

A fellow in New Jersey asks that we reorganize the draft laws and call only volunteers from men who have been married at least 10 years. "You should get a kind of my wife," he pleases.

A California politician says we are spending enough money in the war to cover that entire nation with a solid concrete highway. He thinks, in fact, maybe we should begin construction. "It would cover all the jungle," he says, "and the enemy would have no places left to hide."

And, in New York, hot rodding teenagers have it solved. They are carrying bumper strips saying: "Send Batman to Saigon."

To be sure, it's not the solution we're shy of. It's the problem most of us can't seem to grasp. Unfortunately, the biggest problem in Vietnam is that the more clearly one sees the problem, the less clearly he sees the answer.

For example: the problem of the people.

Our job has been, is now, and will be, to make favorable contact with the people. Win them over. Convince them that the Communists are their enemies and that we are their friends.

This accomplished we would have a valuable ally. In fact, an absolutely essential one in this kind of war. A man whose simple eyewitness intelligence can color the entire combat situation.

So, the problem is to make friends.

And we give it a good go. We give food. We spend money. We put small children on their hands. We provide medical facilities where none before existed.

Only usually they don't.

They don't because, for one thing, we are foreigners, larger, louder and lighter-skinned than they. The Communists, on the other hand, are they themselves—relatives, merchants, even officials whom the peasants have known and trusted since infancy.

They don't, for another thing, because we come with guns and gifts at the same time. They stay for only short times. But the Communists have stayed for over two decades.

They don't because they are ignorant and impoverished and frightened half-mad from seeing their families slain or hurt in a war known pence for entire lifetimes.

They don't befriend us for a score of other reasons. Most of them good. But, primarily, they

don't befriend us because they have heard all our talk before. The promises, the visions of a new life, the guarantees of hope and a better tomorrow.

The Chinese, the Japanese, the French. They promised, also.

It never worked then. Why now?

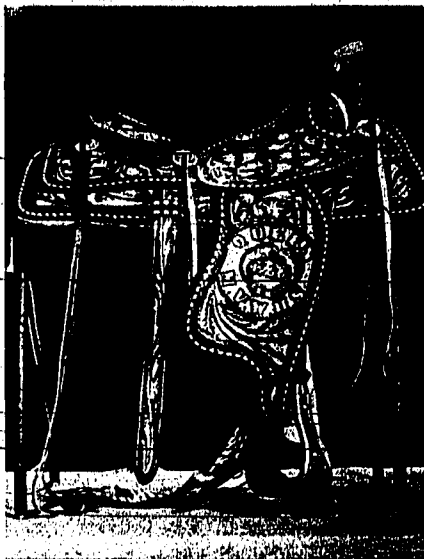

Thus, they don't befriend us because they don't believe us. They don't think we have the answer. Indeed, they don't think there is an answer.

And that is the problem. One of them, anyway.

PREACHES IN BUHL

BUHL—Harold Schroeder, son of Mr. and Mrs. Elmer Schroeder, Buhl, will be guest speaker for the 10:30 a.m. worship services at St. John's Lutheran Church—Sunday, according to Rev. Henry Teit, pastor.

Schroeder has been attending seminar at Springfield, Ill., and will serve as vicar this fall at Milwaukee, Wis.

THE 1966 MAGIC VALLEY Western Horse Show Queen will be awarded this custom-made saddle, handcrafted by Wesley Dotsen, Gooding. The saddle is decorated with hand carved designs and is buckstrapped with white latigo lacing. The saddle will be awarded at the horse show June 24-25-26 at the Fliter Fairgrounds. (Times-News photo)

Handcrafted Saddle to Be Given to Horse Show Queen

The girl selected as Queen of the Magic Valley Western Horse Show for 1966 will be awarded many gifts, with one of the most outstanding being the custom-made saddle, handcrafted by Wesley Dotsen, Custer, Idaho.

The saddle required many hours of work and features hand carved designs and an imported white fleece underpad, which resists sweat and moisture. The padded seat is of contrasting color and is artistically stitched. The entire saddle is buckstrapped with white latigo lacing and the swells have a white leather welt at the seams.

Castro Could Be Receiving Medical Care

MIAMI, Fla. (AP) — An American anti-Castro organization said Monday that it has been informed from inside Cuba that Fidel Castro is undergoing medical treatment in the Soviet Union or Czechoslovakia and that a double is taking his place in Havana.

The Citizens Committee for a Free Cuba, citing what it called excellent diplomatic and underground sources, said it was the prime minister left Cuba seven days ago.

The committee said in a news release issued by its executive secretary, Paul Bethel, that earlier Castro had undergone electro-shock mental treatments for three weeks in Havana.

The report followed a State Department statement last Friday noting that Castro "functionally has not been in the foreground of events since May 1."

The citizens committee said: "Castro has been reported seen at diplomatic receptions in Havana, but apparently this was a double. When asked to say something, 'Castro' would point to his throat, wave his hand across his face and turn aside, according to our information."

Ex-Hagerman Resident Dies

HAGERMAN—Word has been received of the death of Mrs. Leta Mariner Evans, Santa Cruz, Calif., and Kansas City, Mo.

Mrs. Evans moved to Hagerman with her parents from South Dakota in 1908 and lived here many years. She was a school teacher.

She is survived by a sister, Mrs. John (Clara) Wallace, Wooster, Ohio; four brothers, Claude Mariner, Carvallis, Ore.; Ward Mariner, Blythe, Calif.; Lawrence Mariner, Pacific Palisades, Calif.; and Guy Mariner, Santa Cruz, Calif.

She was preceded in death by her husband and daughter. Services were held in Santa Cruz, and the remains were cremated and sprinkled over the Mariner Ranch, southwest of Hagerman.

Larsen Will Remain in Bannock Jail

POCATELLO (AP) — John Dee Larsen, convicted of the 1962 slaying of Vicki Jo Quin, will remain in Bannock County Jail until the Idaho Supreme Court decides whether to rehear his appeal.

District Court Judge Arthur P. Oliver denied a prosecution motion Monday that Larsen be immediately committed to the state penitentiary in Boise.

The motion was filed after the court unanimously upheld Larsen's conviction of first degree murder. But Larsen's attorney, John R. Black of Pocatello, said he will ask a rehearing.

Black said the request for rehearing will be based on a U.S. Supreme Court ruling last week that suspected criminals must be protected against possible self-incrimination from the time of arrest.

Girls' softball results were announced Monday by the Twin Falls Parks and Recreation Department.

Atlantic League
Penny Wise Little Pills wiped out Houston 10-0. Little Splinters 27-2. Winning pitcher was Leah Duncan and the loser was Pam Ulrich. Rebecca Mishler got a homerun for Penny Wise.

BMA All-Stars outshone Western Music. Dead Beats 24-5. Winning pitcher was Denise Kenny and the loser was Debbie McBride. Leading hitters were J. J. Newberry and Cynthia Iben.

Penny Wise Little Pills won over Gene's Beauty Salon 24-7. Winning pitcher was Leah Duncan and the loser was Pam Ulrich. Rebecca Mishler got a homerun for Penny Wise.

BMA All-Stars defeated Little Splinters 11-8. Denise Kenny was the winning pitcher and Pam Ulrich was the losing pitcher. Karen Schow got a two-base hit for BMA and a homerun. Pam Ulrich hit a homerun for the Little Splinters.

Step-Ken overstepped Western Music 23-9. Denise Kenny was the winning pitcher and Pam Ulrich was the losing pitcher. Karen Schow got a two-base hit for BMA and a homerun. Pam Ulrich hit a homerun for the Little Splinters.

Pony League
Serpa's defeated Kemper's 6-3. Mark Falash was winning

Is Unaware
CHICAGO (AP)—One of a group of persons arrested during rioting in a North-west Side Puerto Rican neighborhood last week appeared in Circuit Court Monday on a disorderly conduct charge.

It was Mariano Ramos, 23, who pleaded through an interpreter that because he could not understand English he was unaware that police were ordering him to move off the street.

"What would you do if I sent you home right now?" Judge Saul A. Epton asked Ramos.

"Is it true? Is it true?" the delighted defendant responded.

"You can speak English," the judge concluded.

He found Ramos guilty and fined him \$100.

Mrs. Kennedy Sees Exhibit In Hawaii

HONOLULU (AP) — Mrs. John F. Kennedy and her children, Caroline, 9, and John, 5, were driven 40 miles from their beachfront home near Honolulu Monday night to a South Sea exhibit run by the LDS Church.

The Polynesian Cultural Center on rural Oahu Island features an outdoor stage show and a cluster of South Sea villages built as showpieces by natives from various islands of the Pacific who are brought to Hawaii by the Mormon Church.

During the colorful musical show, choreographed by Hollywood personalities but involving scores of native singers and dancers from New Zealand, Fiji, Tonga, Tahiti, Samoa and the Hawaiian Islands, young John Kennedy Jr. lost interest and went outside the amphitheater to play. A Secret Service man accompanied him.

Mrs. Kennedy, who is in Hawaii for a month, sipped a tropical fruit punch and enjoyed the two-hour show.

SEEK ACTION

BOISE (AP) — Twelve southern Idaho sheet metal firms are seeking court action to end a three-week-old strike they say is illegal.

Associated Sheet Metal Contractors, Inc., filed suit Monday asking more than \$500,000 damages against International and Local 213 officials of the Sheet Metal Workers International.

Contractors claim the strike violates a 1963 agreement against work stoppage during negotiations on new contracts. They ask Third District Court to restrain the union from violating the agreement.

The union represents workers in 20 southern Idaho and eastern Oregon counties.

FOUND DEAD

POCATELLO (AP) — An Indian woman about 37 years old was found dead Monday morning in a log cabin on the Fort Hall Indian Reservation.

She was tentatively identified as Ruby Ballard. Dr. John Bannock, county coroner, said cause of death had not been determined, but said there were no indications of violence.

The woman had been dead three to four days, officials said.

RECOGNIZED

BOISE (AP) — The Idaho Education Association says it recognizes the right of voters to repeal the sales tax in November — but says it still would urge temporary re-enactment to prevent "chaos in our public schools."

Wayne York, IEA executive secretary, said the association would urge re-enactment of the tax after repeal only until the end of the current biennium, on June 30, 1967.

He said that would finance programs dependent on sales tax revenue during the biennium and let the 1967 legislature decide on future spending. The alternative, York said, would be to sacrifice education and government programs immediately if the tax were repealed in the general election Nov. 8.

INJURED

POCATELLO (AP) — A 7-year-old Pocatello boy critically injured in an accidental shooting Monday night has been flown to a hospital in Salt Lake City.

The shooting victim is Charles William Michael Jr., son of Mr. and Mrs. Charles W. Michael. The boy was shot through the head by a .22-caliber pistol. "The shooting was accidental," officers said.

RESTRICTED

BOISE (AP) — Independent candidates — including any run by the pro-gambling Greater Idaho, Inc. — may not be nominated by citizens voting in the political party primary election Aug. 1.

This is the legal opinion of Atty. Gen. Allan G. Shepard, handed down Monday in response to a query by Greater Idaho president Philip Jungert of Lewiston.

Jungert contended primary voters should be eligible to sign nominating petitions for an independent so long as they did not vote in the primary for the office he seeks.

The attorney general said primary voters may not intermingle their votes between republicans and democrats. He said it follows that they may not intermingle votes between party candidates and independents.

HEARING ORDERED

BOISE (AP) — A hearing for an Idaho State Penitentiary inmate who claims he pleaded guilty to robbery under duress was ordered Monday by the State Supreme Court.

Henry W. Goff, who began a 20-year sentence in May of 1963 on the robbery conviction from Shoshone County, seeks freedom on a writ of habeas corpus.

Goff contended he was abused by the jailer and other prisoners while in the Shoshone County jail several months ago and was told he could get out of county jail only by pleading guilty.

His petition for a habeas corpus hearing had been denied by Third District Court. The Supreme Court reversed that denial and said evidence should have been taken to determine whether Goff's plea of guilty was voluntary.

APPROACH URGED

MECALC (AP) — A team approach to juvenile problems was urged Monday by a juvenile delinquency consultant of the U.S. Department of Health, Education and Welfare.

Jesse R. James of Washington, D.C., keynoting the Idaho Probation and Juvenile Officers Conference at Shore Lodge, also urged better training of juvenile officers.

"All disciplinarians must understand youth problems," he said. "Must use community resources effectively if we are to make any inroads in preventing delinquency."

Three young job corpsmen from the Mountain Home Job Corps Center spoke briefly at the conference on what they believe the center is accomplishing.

Richard Barnes, a counselor at Mountain Home, described the Job Corps Program at Mountain Home.

TWO DIE

GRANGEVILLE (AP) — Two persons died today in a two-car collision, boosting Idaho's traffic toll for the year to 106. That was five more than were killed in the corresponding period last year.

The drivers, both killed, were Wanda R. Glambo, 24, of Boise, and Earl J. Raymond, 23, of Kootenai.

One other person was injured.

ATTEND WORKSHOP

POCATELLO (AP) — More than 50 participants from throughout the region are expected to attend a two-day counselor supervision workshop this week at Idaho State University, according to Dr. Henry Brito, assistant professor of education at ISU.

Graduate students and employment counselors will spend Thursday and Friday in the College of Education Building, receiving training instruction on the use of video tape, case staffing and evaluative instruments. Brito said he is coordinating arrangements for the workshop sponsored by Region XI Bureau Employment Service which covers Oregon, Washington, Alaska and Idaho.

Humorist Concerned About TV and Schools

NEW YORK (AP) — Television supply the students with "preferred viewing later?" he asked. "Television supplies its own teachers for the children — the ones who want them to buy something. And, to me, the sad truth is that the schools, which have something exciting to sell, don't know how to do it as well as television does."

Levenson, surprisingly, does not worry about violence. "I don't think TV breeds violence," he continued with considerable firmness. "I think it breeds passivity. When kids see real violence, it seems like some thing they've seen on a TV screen, and instead of reacting to it they just watch quietly and wait for the commercial, knowing that it will turn out all right in the end with the good guys winning."

The evil in television, as Levenson sees it, is that practically the sole motivation in viewing is amusement.

"Does the industry — commercial television — have a right only to amuse?" he asked. "Maybe they have. But on the other hand, I as a father, have the right to refuse to let them educate my children."

Levenson may be disturbed by TV's incidental role in children's education, but the record indicates that the tastes of elementary school children has grown more sophisticated over a 15 year period.

In a study by Paul Witte of Northwestern University (made before the advent of "Batman") it was found that the most popular children's shows last year were "The Man from U. N. C. L. E.," "Bewitched," "Shin-ah," "The Addams Family," "Holloman," and "My Favorite Martian," every one, it should be noted, produced for the family audience, not particularly for young children.

Fifteen years ago the five favorite programs were "Cruiser," "Rabbit," "Hopalong Cassidy," "Wild Bill Hickok," "Howdy Doody," the "Uncle Mistletoe," all designed for the very young.

NEW FATHER Vernon A. Hoshins, Twin Falls, was presented an eight-pound beef roast by the Desert Gold Cowbelles Club, in honor of being the first father to have a child born on Father's Day at Magic Valley Memorial Hospital. Presenting the roast is Mrs. Thomas Olmstead, Twin Falls, chairman of the "Beef for Fathers Day" promotion for the club. The eight-pound, nine-ounce son was the Hoshins' first child and was named Anthony Wells. (Times-News photo)

Zooming Population May Mean Standing Room Only

SACRAMENTO, Calif. (AP) — California's zooming population some day may mean standing room only amid gray, sooty smog, but state officials report no plans to charge anyone admission.

A report released Sunday by a research group in Washington, D.C., "quoted suggestions that California charge a tax on new arrivals and curb planning of new highways, industries and water supplies."

"You can discourage population by planning the worst school system in the nation," comments Dr. Leslie E. Carbert, state planning officer. "But that is ridiculous."

"How can you tax people for migrating within the United States?" asked Walter P. Hollmann, chief of the state's population research. "That would be thrown out of the lowest court in the land."

The crowd-cut Hollmann works in a windowless office in the state library.

Gov. Edmund G. Brown once joked about barricading the borders against migrants but he has asked his staff to study the state to make room for millions more. Plans must consider everything from sewers to universities.

Hollmann didn't argue with

Executive Involved in Suicide Pact

GENEVA, Ill. (AP) — A well-known retired business executive died Monday of a gunshot wound, hours after his wife's death, in what a coroner said was a suicide pact.

Coroner J. Victor Peterson of Kane County said Walter E. Mathesius, 70, died in a Gonova hospital of a self-inflicted gunshot wound.

Mathesius and the body of his wife, Ethel W. 80, also a hotelier, were found last night in their home. Peterson said a note indicated the couple were dependent over ill health. He ordered an inquest.

Mathesius was former president of the Geneva Steel Co. in Provo, Utah.

He was an executive with U.S. Steel Corp. of Detroit, Republic Steel Corp. of Chicago and Carnegie-Illinois Steel Corp.

Mathesius was born in Germany and came to America in 1911. He was naturalized in 1919.

Lutheran Chorus To Sing in Area

BURLEY—The Lutheran Chorus, Sheboygan, Wis., will present a sacred concert at 8 p.m. Thursday in the Zion Lutheran Church, Burley, under the direction of Norman H. Wilbert. The public is invited.

The group will make a presentation in Murray, Utah, prior to coming to Burley. After the concert in Burley the group will appear in Sparks, Nev.

The 30-voice choir is in its 43rd season and has toured the United States, Canada, Mexico and Guatemala, England and the European continent.

"It's seldom that we have the opportunity to hear talent of such caliber and we hope that the citizens of the area will take advantage of it," states Mrs. Wilbur Biermann, chairman of local arrangements.

ATTENDS SCHOOL
FAIRFIELD—Dean Jewett, maintenance lineman for the Idaho Telephone Co., is to go to Victorville, Calif., for the next two weeks. He will attend a training school on dial telephone operation being sponsored by the telephone company.

figures published by Robert C. Cook, president of Population Reference Bureau, Inc., that California's net gain of 1,500 new residents a day may mean 1.5 billion people, half the world's current population — in 100 years.

"But any Californian can quarrel with his conclusions," Hollmann added. California's current estimated population is slightly more than 19 million, largest in the nation.

From stormy Watts in Los Angeles to the quiet northern redwoods, much of the current planning to cope with a growing population seems to be racing with no finish line in sight.

Some of the programs include:

—The \$2-billion state water project, approved by voters in 1960 to bring water from wet northern California to the arid south through 1960.

—The master plan for higher education, designed to expand the 18 state colleges and nine University of California branches with new campuses to handle hundreds of thousands of students.

—Rapid transit, already begun in the San Francisco Bay area with preliminary studies approved by the Legislature this year for Los Angeles.

Other plans involve shag control, freeways, conservation and business. Private firms continue to grow although aerospace shutdowns in the past in San Diego and Sacramento have caused problems for those cities' expanded populations.

"The fact is we're a growing, balanced economy," Hollmann said.

Solo Flight Is Completed By Ex-Model

LONDON (AP) — Sheila Scott, 38, an ex-model, touched down at London Airport Monday after flying solo around the world.

Miss Scott flew out of London on May 18 in a Piper Comanche 260B. She took 33 days to cover 28,656 miles at an average of 36 miles an hour and claimed records for both speed and distance.

Her record of 32.77 m.p.h. was set by American Jerry Mock in 1964, but her trip was considerably shorter. The only other woman to have circled the world was the late Joan Smith, American. A model, Earhart crashed in the Pacific during her bid before World War II.

Miss Scott's Comanche had been stripped of everything except the pilot's seat to make room for extra fuel tanks, oxygen, survival kit and maps.

During most of her solo flight she said she played taped music and studied Spanish.

Assassin's Widow Expects Child

DALLAS, Tex. (AP) — The former Marina Oswald, 34, is expecting her third child, and her first from her present marriage to Kenneth J. Porter.

The widow of Lee Harvey Oswald, named by the Warren Commission as the assassin of President John F. Kennedy, and Porter, 28, were married June 1, 1965.

Oswald, who was shot to death by night club operator Jack Ruby while in custody of the Dallas police last week, had two children, June and Rachel.

Refuses Gift

GENEVA, N.Y. (AP) — Miss Ethel Barnes, about to retire from her job as secretary to the Geneva, N.Y., Police Department, refused to accept a money gift collected among the policemen.

She also would not allow the officers to sponsor a dinner in her honor.

"We figured she couldn't refuse this," said one policeman as he and 11 other off-duty officers painted the Barnes home Monday while she was at work.

Wheat Crop Described by Soviet Press

MOSCOW (AP) — The Soviet press described today generally good prospects for this year's wheat crop without telling the public that history's largest wheat purchase has just been made from Canada.

The contract announced here by Canadian officials is for the Soviet Union to buy 250 million bushels of wheat and flour over the next three years.

This will raise to about 848 million bushels the total amount of wheat purchased by the Kremlin since 1963. A crop failure that year turned the Soviet Union from its traditional role of wheat exporter into an importer dependent upon Western countries.

Soviet papers have for weeks now been picturing the wheat campaign growing crops here is treated as a major campaign and reported like one—as going along well.

Today the paper Selskaya Zhizn (Agricultural Life), reported that the harvest of wheat planted last autumn had begun in southern parts of the Ukraine, about 650 miles south of Moscow. In the Voronezh region, 300 miles to the south, crop yield prospects are good, the paper said.

Another paper, Sovetskaya Rossiya (Soviet Russia), said hail and rain had knocked down the wheat and barley crops in the Krasnodar region of the north Caucasus, one of this country's richest agricultural areas. But it held hopes of saving the crop if hot weather did not follow the rain.

Despite the optimistic reports, prospects were not for such a bumper crop that the country could be assured of avoiding dipping into wheat reserves, observers said. Wheat reserves have been low to nonexistent since 1963.

Results Are Listed for Posse Meet

BURLEY—Results of the two-day Idaho State Sheriff's Riding Association annual convention Saturday and Sunday at the Cassia County Fairgrounds were announced Tuesday.

The event was hosted by the Cassia County Mounted Sheriff's Posse and attended by 300 riders.

Trophies awarded were in inspection—Ada, first; Jerome, second; and Bannock, third. Parade—Bannock, first; Cassia, second; and Ada, third. Drill—Ada, first; Cassia, second; and Bannock, third.

Trailer race—Cassia, first; Twin Falls, second; and Jerome, third. One-eighth mile race—Bannock, first; Bingham, second; and Cassia, third. Potato race—Twin Falls, first; Cassia, second; and Bannock, third. One-fourth mile race—Cassia, first; Twin Falls, second; and Bingham, third. Flag race, Bannock, first; Cassia, second; and Twin Falls, third. Baton race—Twin Falls, first; Bingham, second; and Cassia, third.

Three-eighths mile—Bingham, first; Bannock, second; and Cassia, third. Cloverleaf race—Bannock, first; Cassia, second; and Twin Falls, third.

Ten-barrel races—Cassia, first; Bingham, second; and Twin Falls, third. Scurry race—Bingham, first; Jerome, second; and Bannock, third. Keyhole race—Twin Falls, first; Cassia, second; and Bingham, third.

The scoop-shovel race resulted in thrills and spills. It involves a horseman lashing a shovel on which a man sits, dragging it around a barrel and back to starting line. The event was won by Cassia, first; Bannock, second; and Bingham, third.

Total points in race and field events were Cassia, first; Bingham, second; and Twin Falls, third.

Cassia also was highest in overall points, which made

PRIMING UP for Frontier Days, scheduled to start in about a month, are members of the Vigilantes, from left, Larry Motzner, Don Egbert, Virgil Olson, Kenneth Wolland and Jack Windsor. Boise, Pocatello Teams Top Pro-Am Prelude to State Women's Golf Meet

Teams from Boise and Pocatello walked off with top honors Monday in the pro-am prelude to the 1966 Idaho State Women's Golf tournament at the Twin Falls Municipal course. Giving an indication of the state battle Mrs. Marlon Undheim, Twin Falls, the defending state champion, and Ruby Stone, Boise, runner up to Mrs. Undheim a year ago, tied for low gross honors at five-over par 77. A total

Sports FROM ALL ANGLES

By LARRY HOVEY
It didn't take long for the pro-am tourney favorites in the Idaho State Women's golf tournament to show up. Mrs. Marlon Undheim, Twin Falls, the defending champion, and Ruby Stone, Boise, runner-up a year ago, tied for low gross honors at five-over par 77 during the pro-am tournament here Monday.

Only a teenager, Karrie Quinn, Boise, managed to break 80 with a score that was expected to be one of the better ones in the low 80s and will probably be heard from in the next few days.

Mrs. Undheim believes her game is ready for the biggest test of the year, although she could pick out several spots where she might have saved strokes Monday.

Mrs. Stone, a dental assistant, was pretty close to satisfied with her play Monday but doesn't feel she's coming into the tournament right on top.

"We've been under considerable tension the past three weeks," she answered a question and not elaborating. "In fact, it wasn't until a week ago Saturday that I thought I'd be able to play in the tournament this year. I didn't send in my entry until last Monday."

"But I think today my game was pretty good, everything considered," she added.

There's a politician in the field this year in Jean Smith, Boise, who's running for state treasurer on the Republican ticket.

She's in kind of a quandary. "I don't know whether I should tell people I'm in the tournament or not. They might think I'll spend all my time on the course and not in the office," she smiles. "Of course, I've not thought about the number of golfers I might influence to vote for me, too."

A bigger problem than that looms for Mrs. Smith. "I'm fighting a legend," she says. "Everyone thinks Marjorie Moon is Ruth Moon (who held the office a long time and was highly respected in Idaho). I'm trying to think of a nice way to let the people know that this Moon is the daughter."

No one wants to be in the position of fighting mother or country, it seems.

Vern Burks, the now professional in Rupert Country Club this year, found a satisfaction in playing in Monday's pro-am ladies tournament.

"I've been playing golf for 15 years and this is the first time I've been able to partner with my wife. In fact, I've never been in any kind of golf competition with her before."

More Catfish Are Now in Snake River

BOISE—Snake River catfish fishermen are dreaming bigger dreams. They are now including family outings with night-time beach fires, wieners and marshmallows, and even breaking the Idaho record of over 20 pounds for this species.

The Fish and Game Department spread the Snake River range of these night feeders last year by live-trapping and transplanting catfish from Brownlee Reservoir to points above and below the C. J. Strike Reservoir, and on through the Hagerman and Twin Falls areas. James C. Simpson, chief of fisheries management, says that the transplants are taking hold in their new homes. This gives more fishing opportunities to young and old bait dunkers alike.

Channel and flathead catfish, as well as some blues, were introduced into the Boise River as early as 1893 but they did not prosper. Other liberations followed nearly a half century later. In 1940 the Fish and Game Department released channel catfish in the Snake River between Glens Ferry and Weiser. Other plantings of blues and flatheads followed. Now good populations of these fish are found between Lewiston and Swan Falls.

Larger specimens of Idaho channel catfish have been measured than the 20-pound 9 ounce fish state record caught by Cecil R. Beckman of Meridian in 1953. But these were brought in by workers at Brownlee Reservoir, and later released.

Agee Guides Chicago Past Athletics 3-1

KANSAS CITY (AP)—Tommy Agee tripped across a run in the first inning, then doubled and scored in the eighth as the Chicago White Sox defeated Kansas City 3-1 Monday night.

Agee, who also singled in the third inning, belted the triple in the fifth after Ken Berry singled with one out and was sacrificed to second.

That gave the White Sox a 2-0 lead, but Kansas City cut it in the bottom of the fifth when Phil Roof homered.

Agee got the White Sox an insurance run in the eighth when he led off with a double, stole third and continued home when the throw from catcher Roof sailed into left field.

Chicago 100 010 010-3 7 0 Kansas City 000 010 010-1 4 1 Horlen, Locker (8), Pizarro (8) and Romano; Stafford, Sanders (8) and Roof, Suarez (9). W—Horlen 3-1, L—Stafford 3-1. Home run—Kansas City, Roof (3).

Track Stars Look Toward Future Meets

BLOOMINGTON, Ind. (AP)—Double NCAA winners Randy Matson of Texas A&M and Gerry Lindgren of Washington State will be looking to future meets as they lead the college contingent to the National AAU Track and Field Championships in New York this week.

UCLA's champions also will be well represented.

The first two in each AAU event, plus alternates, will form the American squad to face teams from Poland July 15-18 at Berkeley, Calif., and from Russia July 23-24 at Los Angeles.

"I'm looking ahead to the National AAU and want to make the U.S. team for the Polish and Russian meets," Matson said after setting a record of 67-1/2 in the shot put in the NCAA meet at Indiana University Friday.

"Yes, I also am looking ahead toward the 1968 Olympics," he added.

Matson made it clear that he wasn't just dreaming as he went on to set a discus record of 107 feet Saturday.

Lindgren, a 120-pound sophomore, missed the meet record by less than eight seconds in the six-mile run at 28:07 and set a mark of 13:33.7 in the three-mile.

Lindgren said after the six-mile: "It felt mighty good to win my first NCAA title. I have a cold and had some pain in my chest but actually coughing didn't bother me during the race. This was my first six-mile race of 1966."

Besides Matson and Lindgren, UCLA's 440-yard relay team set a meet record in at 30.9. Charlie Greene of Nebraska, one of only two defending champions who homered in the seventh inning, repeated, led the mark of 9.3 seconds in the 100-yard dash.

UCLA's drive to an overwhelming victory in the team contest actually started with the rules committee, which reinstated Ron Copeland as high

Boat Driver Was Looking For Victory

WASHINGTON (AP)—Speedboat racer Ron Manchester, who had become third in running second, said last week he was going to be a winner this season and expected his good fortune to begin with the President's Cup Regatta for unlimited hydroplanes.

His prediction came true Sunday but the 39-year-old former combat Marine from Seattle, Wash., who had never won a race in the big boat competition did not live to see it.

Manchester, runner-up for national honors in 1965 and second last week in Tampa's Sun Coast race, was killed during the regatta, along with three-time national champion Ron Musson, 38, also of Seattle, and Don Wilson, 37, Palm Beach, Fla., a substitute driver.

The race was killed in two separate accidents at speeds estimated at more than 150 miles per hour while driving their speedboats over the 2 1/2-mile course on the Potomac River.

Manchester, driving Notre Dame, and Wilson, piloting Miss Budweiser, were killed in the championship heat in the approach to the second turn, off National Airport.

Musson had just finished the first lap of an elimination heat when his radically designed Miss Bardsahl exploded in front of the judges' stand.

Officials ended the race immediately after the Manchester-Wilson accident and later declared the winner, based on points earned through the heat preceding the double fatality.

The results of the race with order of finish and points: 1, Notre Dame, 600, 2, Miss Budweiser, 700, 3, Tahoe Miss, driven by Mira Slovak of Reno, Nev., 600, 4, Gale's Roosterball, Bill Cantrell of Detroit, 525, 5, Miss Chrysler Crew, Bill Sterett of Owensboro, Ky., 405, 6, Miss Lapeer, Warner Gardner of Detroit, 450.

hurdles champion Saturday after he had been disqualified Friday for trailing one foot beside the hurdle.

Besides Copeland and the sprint relay team, Tom Jones in the 220 and 28.9 and the mile relay team at 307.5 contributed 10-point victories as UCLA piled up 31 points, far outdistancing the

Carlos Ortiz Scores TKO Over Bizzarro in 12 to Retain Title

PITTSBURGH (AP)—Carlos Ortiz, cut over the right eye, saved his world lightweight title by stopping Johnny Bizzarro, a bouncy hit-and-run artist, in 2:29 of the 12th round Monday night at the Pittsburgh Civic Arena. Ortiz, faced with the possible loss of the 135-pound crown, swarmed over the Erie, Pa., challenger in the 12th and dropped him for the mandatory eight-count after pounding

Bizzarro around the ring. When Bizzarro came up wobbly and took two more punches from Ortiz, referee John Buck McTiernan stopped the bout. It went as a technical knockout.

There were buses from the small crowd, which had sensed an upset victory for the 2-1 underdog, who was not even ranked in the lightweight class.

"He was standing with his hands down," said McTiernan. "I had to stop it."

All three officials had Ortiz in front by a slight margin. Referee McTiernan had it 51-40, Judge Ernie Sisto 52-50 and Judge Paddy Grimes 50-40.

There were no knockdowns in the contest until Ortiz suddenly opened up in the 12th. The Puerto Rico-born New Yorker hurt Bizzarro with a solid left hook to the head and then shot a right to the body.

Sensing that his opponent was in bad shape, Ortiz swarmed to the attack, throwing both hands with a fury. He landed two punches on Bizzarro and the challenger slowly sagged to a sitting position on the ropes near his own corner.

Bizzarro righted himself only to run into another fusillade of punches and went down from a zooming left hook to the body.

Ortiz, who just made the weight limit of 135 pounds at the noon weigh-in, had trouble untracking himself against his 133 1/2-pound opponent, who ran, slithered and bobbed around the ring.

They banged heads in the eighth and Ortiz came away from the collision with blood streaming from a gash over his

Cards Defeat Mets 4-2 for Four in Row

ST. LOUIS (AP)—Ron Hunt's error led to two unearned St. Louis runs in the first inning as the Cardinals stretched their winning streak to four by handing the New York Mets their fourth straight loss 4-2 Monday night.

Curt Flood's single scored Brock and when second baseman Hunt dropped the relay throw at second base, Flood was safe. Tim McCarver's sacrifice fly and Mike Shannon's infield hit accounted for the unearned runs.

New York 020 000 000-2 5 2 St. Louis 300 000 100-4 0 0 Setina, Bearnarth (8) and Taylor; Briles, Hoerner (9) and McCarver. W—Briles 2-5, L—Setina 3-3.

right eye. It bled on and off the rest of the way.

It was the 13th title fight for the 29-year-old champion, who held the junior welter crown before he moved up to the lightweight crown in 1962. Carlos lost the championship to Ismael Laguna in Panama April 10, 1963, but won it back by outpointing Laguna in San Juan last November 13.

Ortiz scored now in 46-5-1. This was his 17th knockout. Bizzarro, who now is 54-10-2, never before had been stopped and had been down only three times.

Boat Driver Was Looking For Victory

WASHINGTON (AP)—Speedboat racer Ron Manchester, who had become third in running second, said last week he was going to be a winner this season and expected his good fortune to begin with the President's Cup Regatta for unlimited hydroplanes.

His prediction came true Sunday but the 39-year-old former combat Marine from Seattle, Wash., who had never won a race in the big boat competition did not live to see it.

Manchester, runner-up for national honors in 1965 and second last week in Tampa's Sun Coast race, was killed during the regatta, along with three-time national champion Ron Musson, 38, also of Seattle, and Don Wilson, 37, Palm Beach, Fla., a substitute driver.

The race was killed in two separate accidents at speeds estimated at more than 150 miles per hour while driving their speedboats over the 2 1/2-mile course on the Potomac River.

Manchester, driving Notre Dame, and Wilson, piloting Miss Budweiser, were killed in the championship heat in the approach to the second turn, off National Airport.

Musson had just finished the first lap of an elimination heat when his radically designed Miss Bardsahl exploded in front of the judges' stand.

Officials ended the race immediately after the Manchester-Wilson accident and later declared the winner, based on points earned through the heat preceding the double fatality.

The results of the race with order of finish and points: 1, Notre Dame, 600, 2, Miss Budweiser, 700, 3, Tahoe Miss, driven by Mira Slovak of Reno, Nev., 600, 4, Gale's Roosterball, Bill Cantrell of Detroit, 525, 5, Miss Chrysler Crew, Bill Sterett of Owensboro, Ky., 405, 6, Miss Lapeer, Warner Gardner of Detroit, 450.

Sixth Annual Rupert Kart Race Slated

RUPERT—The streets around the Rupert Square and three adjacent blocks will be closed off Sunday as the sixth annual Rupert Street Race gets underway.

The race, sanctioned by the International Kart Federation and hosted by the Mini-Cassia Karting Association, gets underway at 12:30 p.m. with practice laps over the half-mile course.

Time trials begin at 1:30 to decide whether the karts will be in the "fast" class or the "slow" class. The karts will be split almost evenly between the two classes. Some 30-40 entrants are expected.

Last year's winner, Patricia (Pitt) Blackley, a 27-year-old Salt Lake City housewife, will be on hand when the starting flag drops, approximately 2 p.m., depending on the length of the time trials.

The Ogden Kart Club, high-point club for the past three years, is expected again to have the largest turnout at the meet. The Ogden club has retired the traveling trophy, but will bring it back this year, possibly to win it again.

Eight trophies will go to the top four drivers in each class and, according to Bill Schoen, president of the Mini-Cassia group, the trophies are "wonderful, beautiful, large marble" ones that were donated by Rupert merchants.

Except for the difference in classification the 1966 race will be much the same as last year with a Le Mans type start and 50 laps around the half-mile course. The pits, for maintenance, gas, etc., are located on the north side of the square.

One of the most noticeable changes this year will be that all karts are required to use mufflers. Schoen also noted that all karts will be put through a rigid technical inspection with Lee Mohler, ICR governor for Utah and Idaho, and Schoen doing the inspecting.

A large crowd is expected again (there was an estimated 2,000 last year) and Mrs. Blackley is favored to repeat her feat of last year. Mrs. Blackley has the distinction of being the women's champion for both Idaho and Utah and placed 13th out of a field of 650 in the nationals earlier this year in Broadhead, Wis.

Astros Down Dodgers and Drysdale 4-2

HOUSTON (AP)—Rusty Staub doubled home the tie-breaking run in the eighth inning as the Houston Astros defeated the Los Angeles Dodgers 4-2 Monday night and handed Drysdale his fifth straight defeat.

Staub's double followed a leadoff single by Jim Wynn, who raced to second when Willie Davis fumbled his hit. Staub scored on a single by Chuck Harris.

Drysdale, who allowed seven hits, now has a 4-9 record and has not won a game since May 30.

Drysdale was touched for an unearned run in the fifth inning after he dropped the ball while trying to tag Sonny Jackson on a grounder to first. Jackson stole second and proceeded to third when catcher John Roseboro threw wild. He scored on a single by Staub.

Los Angeles 010 000 100-2 4 3 Houston 000 000 100-2 4 3 Drysdale, Perranoski (8), Roberts, Cuellar (8), Owens (9) and Bateman. W—Cuellar 5-0, L—Drysdale 4-9.

Palmer Blows up While Casper Birdies to Win Playoff and U.S. Open

SAN FRANCISCO (AP) — Bill Casper struck back with birdie putts (25 and 35 feet and moved coldly through the wreckage of another monstrous blowup by Arnold Palmer Monday for a four-stroke victory in the 18-hole playoff for the 60th National Open Golf Championship. Casper fired a one-under 68 over the 6,719-yard, par 70 Olympic Lake course while Palmer, shaken and almost glassy-eyed by the collapse of his game, struggled in with a 73. The 34-year-old Casper clinched his dramatic comeback by lacing an approach shot to within 3½ feet and then sinking one putt for a birdie on the final hole.

HOPPING AROUND VICTORIOUSLY is how Billy Casper reacted when he ran a 25-foot putt into the cup on the 18th green for a birdie three during his playoff with Arnold Palmer for the U. S. Open title in San Francisco. Two strokes down at the time, Casper pulled even when Palmer bogeyed the hole. Casper went on to win the playoff by four strokes. (AP wirephoto)

Casper Not Sure Victory Is Real Thing

SAN FRANCISCO (AP) — "Is it real? Billy Casper asked after winning the U.S. Open Golf Championship in a playoff with Arnold Palmer Monday.

"It's like a dream," Casper said while the dazed Palmer stood morosely in the back of the room.

"I was 7 down with nine holes to go in regulation play," Casper recounted. "And to come from that and win the Open, well, it's just like a dream. It's something I've been hoping and praying for for so long. It's very, very rewarding."

Casper, who didn't get back from a church meeting until the early morning hours, said he felt his work for the Church of Jesus Christ of Latter-day Saints (Mormons) "has given me an inner strength."

He said 10 per cent of his \$25,000 winnings will go to the church.

"I said yesterday I was playing for second when we made the turn, and I was. But I was still charging for No. 1. I hadn't given up."

"This was one of my best putting tournaments in a long, long time. Not as good as 1959 (when he won his first Open Championship), but the best in a long time."

Local Winner

David Matsuo of the Twin Falls YMCA Judo Club won the first place trophy in the 125-pound class in a recent meet at Hill Air Force Base near Ogden.

The tourney was held to help raise funds for the 1968 Summer Olympics games. Approximately 70 were entered in the meet.

Mets' Stuart Is Now Free Agent

NEW YORK (AP) — Walver have expired on Dick Stuart, the New York Mets said Monday, and the veteran first baseman is now a free agent.

The 33-year-old Stuart was placed on waivers last Wednesday to make room for Bob Friend, acquired from the New York Yankees.

Stuart hit only .218 for the Mets who acquired him from Philadelphia last winter. He reportedly signed with the Mets for \$44,000.

TOP SEEDED Roy Emerson of Australia, the defending champion, smashes a return to Harry Fauquier of Canada in their first round match of men's singles at the Wimbledon Lawn Tennis Championships in London Monday. The champ took Fauquier's measure in straight sets, 6-0, 6-1, 6-2. (AP wirephoto)

SPORTS

Bryant in Hospital After He Collapses in Coaching Clinic

LOS ANGELES (AP)—Football Coach Paul (Bear) Bryant rested in a hospital Monday after he collapsed at the annual Pepperdine College coaching clinic. The University of Alabama head coach had just begun a speech when he clutched his chest and cried out: "I don't know what it is—is there a doctor in the house?" Then he collapsed. Bryant was taken to the college infirmary, then to View Park Community Hospital.

At the hospital, the wife of the 52-year-old coach said:

"He doesn't look like or talk like it's something real serious. They are giving him glucose and oxygen now and making electrocardiograms. He talks clearly, and his color is good."

There was no immediate diagnosis from the hospital.

Bryant came to California Sunday and was to have left Tuesday for New York City to join a group of Birmingham business leaders at a news conference announcing architectural competition for a new civic center in Birmingham.

Bryant, head football coach at Alabama for eight years, has a lifetime coaching record of 160-51-14. He directed the Crimson Tide to national football championships in 1957, 1958 and 1959 and was named coach of the year in 1963.

At Alabama, Bryant's squads have compiled a 60-12-6 record. Bryant has a reputation as a college football rejuvenator and reportedly has turned down

an eight-foot putt for a bogey. He trapped his tee shot at the 150-yard 15th — his jinx hole Sunday which he called the turning point of the final day — and blasted out 22 feet away. Another bogey, and he was now three down.

The gap was stretched to four at the 16th, cut back to three at the 17th where Casper had his second straight three-putt green of the tournament, and then increased to four with Casper's

of the same length after coming out a trap to save a par on the second.

Arnie, his stampeding army going wild, moved two ahead at the fifth, when Casper hooked his drive into a tree, pitched short and took a bogey 5.

Both players birdied the seventh with magnificent recoveries from the rough — Casper pitching to within four feet and Palmer to within 3½. A six-foot putt for a birdie at the 138-yard eighth for Casper cut the advantage to one, but Arnold got it back on the ninth when Casper took three from the fringe for a bogey 5.

Then the two moved into the backside stretch of holes, which may be christened Arnie's Nightmare.

There Arnie lost 13 shots to the rallying Casper in the last two days. Palmer skied to a 39 while Casper had a 32 Sunday. Monday it was 40 for the shaken Palmer and 34 for the steady, imperturbable Casper.

The abrupt turn came at the 44-yard 12th. Casper rolled in a 25-foot putt, while Palmer, whose approach landed in the left rough, missed a four-foot putt and settled for a bogey 5.

In one quick swoop, the match was even.

Casper, his putting stick hot, stroked in a 35-foot snake at the 13th to go 1-up and then he started cushioning his lead with Palmer bogeys.

At the 14th, Palmer approached short, left his chip

large offers to become a pro coach.

Bryant, who has taken Alabama to bowl games for seven straight years, directed his team last year to a 9-1 record.

On Jan. 1, the Tide defeated third-ranked Nebraska, 39-28 in the Orange Bowl. Top-ranked Michigan State and runner-up Arkansas were defeated the same day, and Alabama was named No. 1 in a post-bowl Associated Press poll.

Stargell Is Out of Dog House Now

By The Associated Press

Harry Walker didn't take to Willie Stargell's puppy but he certainly doesn't mind his being top dog.

Stargell was just that Monday after his leadoff homer in the 11th inning gave the Pittsburgh Pirates a 2-1 victory over Atlanta and gave him the National League batting lead over three teammates with a .328 average.

But it wasn't long ago that Stargell was in Walker's doghouse because of his puppy.

The Pittsburgh manager takes exception to a number of things, among them dogs at spring training. And he was particularly disturbed when Stargell went to meet Baron — his German shepherd — at the airport.

Stargell explained, "He might forget me if he doesn't see me for seven weeks."

So Stargell had arranged for the pup to be shipped to spring training. And Walker arranged for a conference with Stargell. The two eventually ended in a draw when Stargell boarded the dog with a veterinarian.

Stargell has avoided the doghouse ever since by taking steps toward the National League throne room.

Right now he's at the top but in a tight battle with three other Pirates — Matty Alou at .325, Manny Mota at .324 and Roberto Clemente, the littlest of the last two years, tied with Houston's Joe Morgan at .321.

Magic Valley International Is City Loop Leader

After four weeks of play in the Twin Falls slow pitch league Magic Valley International has come through with a perfect 8-0 record and holds first place one game ahead of two other teams.

Holding down second are YMCA and Clover Klub with 7-1 marks while OK Tires is 6-2.

Three teams have even records. Royal Lounge, Glen Jenkins Chevrolet and Penny Wise Drug.

Emerson Leads Six Into Second Round of Singles

WIMBLEDON, England (AP)—Roy Emerson, the tough and wiry Australian shooting for his third Wimbledon title in succession, led a procession of six other seeds into the second round of the men's singles Monday. It was a dull opening to the 80th tournament, with no upsets to raise the crowd's temperature on a chilly day. Only one seed—fifth-ranked John Newcombe of Australia—was in trouble. Newcombe trailed one set to two against countryman Ray Ruffels, but finally won 6-11, 3-6, 4-6, 6-4, 6-4.

The only seed who did not play was Tony Roche, the hard-hitting Australian left-hander who came here with the Italian and French titles in his pocket and was rated the most likely man to upset Emerson.

Roche sprained his left ankle last week, scratched from the men's and mixed doubles here, and got a dispensation from the Wimbledon committee to postpone his first round match against an unknown Briton, Ted Beards, until Tuesday.

Both U.S. seeds, sixth-ranked Dennis Ralston and eighth-seeded Clark Graebner — came through without difficulty.

Graebner, of Beachwood, Ohio, a surprise name in the rankings and listed third in the United States, ran up against Martin Mulligan of Australia, a former finalist, and tamed him easily 6-4, 6-4, 6-3.

Ralston, the No. 1 U.S. player from Bakersfield, Calif., dropped a set in heating U.S. junior champion Robert Lutz of Los Angeles, 7-5, 6-2, 3-6, 6-4, and found his service not working too well.

At one time Ralston had the crowd gasping by serving four double faults in a row, but he pulled himself together.

Of the other seeds, the only one who had trouble was Manuel Santana of Spain, seeded fourth.

He ran up against Isao Watanabe of Japan on a greasy court and dropped the opening set 5-7. The Japanese slipped in changing a cross court shot in the second set, strained a stomach muscle, dropped three games and was forced to retire.

Emerson had no trouble in coasting to a 6-4, 6-4, 6-3, 50-minute win against the Canadian Harry Fawcett.

Freddie Stolle, the beaten finalist here for the past three years and the fourth Australian in the seeded list, defeated the German Davis Cup player Ingo Budding 6-2, 6-2, 4-7, 6-2.

On Friday, the only South African to compete, defeated the unknown Czech, Jan Kodess, 6-3, 6-4, 7-5.

Other winners included Cliff Richey, of Dallas, Tex.; Stan Smith of Los Angeles; Charles Pasarell of Berkeley, Calif.; Jerry Cromwell of Long Beach, Calif.; Ron Holmberg of Dallas, Tex.; Marty Riessen of Evanston, Ill.; John Pickens of Tuscaloosa, Ala.; and Mike Belkin, a Canadian now living in Miami Beach, Fla.

Eugene Scott of St. James, N.Y., and veteran Gardner Mulloy of Miami, Fla., had their matches called in the evening gloom and will play them out Tuesday.

Dieringer to Pilot Comet At Daytona

DAYTONA BEACH, Fla.—One of the best driver-mechanic combinations in stock car racing will challenge for the Firecracker 400, a \$34,000-added purse in a streaking Comet when the summer classic is run at Daytona International Speedway on Monday, July 4.

A hard-drivng Comet, the NASCAR circuit will be at the wheel of the Comet ready for action by Bud Moore. These two top racing hands feel that they have a potential winner in the Comet, which they gave a severe test in a recent race. For several days the Comet, with Dieringer driving, went all out on the Speedway's 2.5-mile trioval in a test of tire wear, suspension, and engine performance.

Both Dieringer and Moore said they were eminently satisfied with the Comet's speed and handling and gave themselves a solid chance in the Fourth of July battle.

With the race several weeks away, 44 top late model stocks are entered with more coming. This means that there will be no laggerds in the qualifying trials which start on Thursday, June 30, and continue through Sunday, July 3, for only the 40 fastest cars will earn places in the starting lineup.

The Firecracker is a full International event, which means all qualified drivers are eligible, no matter what their affiliation. This has already resulted in the entry of two USAC's finest chauffeur Gordon Johncock and Don White.

Johncock, fourth to finish in the Indy 500 this year, will make his bid for the Firecracker's big money in a Chevrolet owned by Ken Rich of Dallas and prepared by that master of the minor, "Yonkers" Yonke. Johncock as one of the best all-around drivers in the

Dropped Ball Helps Angels Thump Twins

ANAHEIM (AP)—A dropped fly ball by center fielder Tony Oliva helped California rally for three runs in the seventh inning Monday night as the Angels defeated the Twins for the eighth time in nine meetings this year 5-3.

Singles by Tom Satriano and Paul Schaal plus a wild pitch by loser Jim Grant, 5-0, put Angels at second and third with one out in the seventh and imperiled the Twins' 3-1 lead.

Oliva then dropped pinch hitter Willie Smith's sacrifice fly and two runs scored on the error. Smith took second on the play and scored the tie-breaking run on Ed Kirkpatrick's single.

Norm Siebern added a homer for the Angels in the eighth. The victory went to reliever Lew Burdette, 4-1, who shut out the Twins in the sixth and seventh innings. Bob Lee finished up.

Minnesota 011 100 000—3 8 1 California 100 000 31x—3 0 0 Grant, Worthington (7), Klippstein (6) and Batten; Brunet, Burdette (6), Lee (6) and Satriano, W—Burdette, 4-1, L—Grant, 5-0.

Rupert Slates Match Play Golf Tourney

RUPERT — The first annual Southeast Idaho match play golf tournament will be conducted over the Rupert Country Club course July 3 through 4, announced Vern Burks, club professional.

Burks said entry deadline is June 29 and the field will be restricted to the first 128 entries received.

The field will be flighted and paired according to handicaps for the first round. There will be no qualifying.

Consolation flights will begin the second day.

Oliver Gives Braves Win Over Phillies

ATLANTA (AP) — Gene Oliver's two-run homer in the seventh inning, his second of the game, broke a 5-5 tie and gave Atlanta a 7-5 victory over Philadelphia Monday night.

The Phillies' Bill White had tied the score in the top of the inning with a three-run double after Tony Taylor reached first on a fielder's choice, John Callison singled and Richie Allen was hit by a pitch.

The Braves came back when Felipe Alou beat out an infield hit and Oliver followed with his home run.

Oliver hit his first homer in the fourth inning, and the Braves added two more runs on a walk to Denis Menke, a double by Felix Milian and a single by Tony Cloninger.

Philadelphia 100 010 300—5 7 0 Atlanta 010 310 20x—7 12 1 Short, Neuback (4), Ensminger (5), and Donnie Cloninger and Oliver, Torre (4), W—Cloninger 7-7, L—Fox 12-2.

LOSING MORE GROUND, Arnold Palmer sends the ball flying toward the pin from a trap alongside the 15th green during his 18-hole playoff with Billy Casper for the U. S. Open title in San Francisco Monday. He dropped another stroke to Casper by failing to get close enough for one putt and went on to lose by four. (AP wirephoto)

RECEIVING THE GAVEL from Mrs. H. L. Wurst, right, outgoing president of the American Legion Auxiliary, is Izzetta McCoy, incoming president, during the unit's installation ceremony at the American Legion Hall. Mrs. Raymond Treadwell was installing officer. (Times-News photo)

Officers for T.F. Auxiliary Are Installed

At the June meeting of the Twin Falls American Legion Auxiliary officers were installed by Mrs. Raymond Treadwell. Officers are Izzetta McCoy, president; Mrs. W. F. Salmon, first vice president; Clara Schultz, second vice president; Mrs. A. Wirsching, secretary; Mrs. Christina Petersen, treasurer; Mrs. H. L. Wurst, chaplain, and Mrs. Emma Stone, sergeant-at-arms.

After the installation, Mrs. Treadwell presented Mrs. Wurst as past president's pin. Mrs. Wurst in turn presented her retiring officers and committee chairmen emblem gifts.

Past presidents attending who were honored included Mrs. Grant Kunkle, Mrs. Esther Noble, Mrs. Petersen, Mrs. Treadwell, Mrs. W. L. Buchanan, Mrs. W. F. Salmon, and Mrs. Wirsching. A jeweled flag pin ensemble was presented to Mrs. Wirsching by the unit. Mrs. Wirsching is retiring as fifth district president.

Mrs. Petersen reported on the poppy sale held in May, stating that two awards were given for selling the most poppies. The first award went to Mary Murphy, a Camp Fire Girl, and the second to Tommy Turner, a Boy Scout.

Miss McCoy reported on the card party hosted the first of the month, stating that the parties will resume in September and will be held on the first Wednesday afternoon of each month. Members selected to attend

the American Legion Convention, set for July 21 through 24 in Coeur d'Alene, include Miss McCoy, Mrs. Wurst, Mrs. Petersen and Mrs. Rose Sinclair. Alternates are Mrs. Esther Noble, Mrs. V. R. Lawson, Mrs. Genevieve Wilson and Mrs. Stone. Hostesses were Mrs. Esther Noble, Mrs. Kunkle, Mrs. Salmon and Mrs. Petersen.

Sun Beam Girls Hold Flag Day Ceremonies

The Sun Beam Girls of The Salvation Army, Twin Falls Corps, met at Harmon Park for a Flag Day program.

Mrs. Richard Barton demonstrated preparation of individual steaks and biscuits on sticks. Carol Reppetto taught the girls fire-building and safety.

After lunch and camp cleanup, a patriotic court of honor was held to promote the Sunbeams into Girl Guides. Those promoted include Deanna Emerson, Zelta Gibson, Deborah Knutsen, Sandra Matlock, Ruth Parrott and Denise Wolf.

A poem, "Our Flag," was recited by Diane Robinson, JoAnn Cutler, Sherry Parrott and Pamela Robinson. Mrs. Barton conducted the court of honor ceremony for the graduating girls, and awarded the home-maker badge to Ruth Parrott.

Lidia M. Solis was inducted into the Roshad Band of the Sunbeam Troop. Vickie Scheele led group singing.

Mrs. Petersen reported on the poppy sale held in May, stating that two awards were given for selling the most poppies. The first award went to Mary Murphy, a Camp Fire Girl, and the second to Tommy Turner, a Boy Scout.

Miss McCoy reported on the card party hosted the first of the month, stating that the parties will resume in September and will be held on the first Wednesday afternoon of each month. Members selected to attend

Job's Daughters Installation Service Held

HAGERMAN—Open installation of International Order of Job's Daughters officers was held, with Kathy Miller, daughter of Mr. and Mrs. Forest Miller, installed as honored queen.

Others installed include Sandra Winegar, senior princess; Vayrieta Cook, junior princess; Rhonda Winegar, junior custodian; Kathleen Cady, senior custodian; Lynn Bennett, guide; Marie Slane, marshal; Sharon Goss, librarian; Bunny Brown, musician; Alinda Parlin, chaplain; Chylis Slane, recorder; Ruth Chick, treasurer; Cheryl Sandy, honor guard; Ann Gibson, outer guard; Karen Cary, flagbearer, and JoAnn Berry, choir captain.

Karla Bohrens is first messenger; Kelly Strawser, second messenger; Sandra Overlie, third messenger; Peggy Hogue, fourth messenger; Donna; Penny Hendrickson, fifth messenger.

Chairman of refreshments is Susan Brooks, chairman of club jar, Sonya Fairchild; chairman of entertainment, Bonnie Lonker, and chairman of pledge committee, Lynn Hogue.

Lynn Bennett was named "Jobbie of the Term."

Installing officers were Carol Frith, queen; Evelyn Boyer, guide; Shirley Sheppard, Jerome, marshal; Rose Hogue, junior custodian; Doris Graves, Bliss musician; Mrs. Thomas Frith, Wendell, chaplain; Mrs. E. L. Chaplin, installing guardian; and Raymond Clawson, assistant guardian.

The "Book of Gold" ceremony was used and Mrs. Roy Strawser was narrator. The recording angel was Debbie Morris, Bliss.

Introduced were Shirley Sheppard, honored queen, Jerome, and past honored queens, Rose Hogue and Evelyn Boyer. Hagerman, Miss Frith presented the new queen—her honored queen's pin and the queen presented Miss Frith her past honored queen's pin.

A corsage was presented to Lynn Bennett for Jobbie of the Term by Clawson who presented Kathy Miller a gavel, made by Oscar Anderson. Evelyn Boyer was soloist.

Miss Miller introduced her family.

Refreshments were served with Mrs. Boyd and Mrs. Bliss. Mrs. Raymond-Lower, Tuttle and Greta Graves, Bliss, pouring.

Mrs. Miller was in charge of serving.

Miss Brown played a piano solo. Eight Jobs' Daughters members will go to Grand Council in Caldwell June 23. The next regular meeting is June 22.

Social Events

Goodwill Club will meet at 12:30 p.m. Wednesday at Harmon Park to go to Twin Falls for a picnic. Hostess is Mrs. Edward Orndorff.

The Royal Neighbor Club will meet at 2 p.m. Friday at Harmon Park for the annual children's party. Each member is asked to bring one-half dozen sandwiches and cookies. Ice cream and drinks will be furnished.

The book, "Brides of Ponderosa," by Victoria Holt, was reviewed by Mrs. Gerald Harding at the Le Livre et La Plume Literary Arts Society June meeting at the home of Mrs. Robert Condie.

The guilded thought was presented by Mrs. James Dadds and the author's sketch by Mrs. Allen Bastow.

Books for the forthcoming year were presented and new members, Mrs. Edgar Dutry, were introduced. Co-hostesses were Mrs. Alton Alexander, Mrs. M. Van Noy and Mrs. Robert Siddaway.

The next unit meeting will be held in September.

Mrs. G. Harding Reviews Book

Robert Kennedy, D.N.Y., Reps. Donald Rumsfeld, R.Ill. and John Brademas, D-Ind., and Postmaster General Lawrence O'Brien, campaign organizer for Presidents Kennedy and Johnson.

Best Bets for Movies

8 p.m. Tuesday, 2, 8—"Arrowhead" (1953), a Western feature portraying the distrust of a white man toward the Apaches, who are finally talking peace. Charles Heston, Jack Palance, Kathy Jurado, (color)

10:30 p.m. Tuesday, 11—Bob Hope Drama, "Shipwrecked," the story of a ship's hard-drinking first mate and the widow of a missionary doctor who are marooned on a deserted island. Jason Robards, Hope Lange.

8 p.m. Wednesday, 4—"The Gene Krupa Story," (1960) the biography of drummer Gene Krupa's rise to fame—and his battle with narcotics. Sal Mineo, Susan Kohner.

7 p.m. Thursday, 2, 5—"The War Lover," an adaptation of John Hersey's best-seller about a bomber pilot's psychopathic love of war and violence which causes tension among the crewmen aboard his plane. Steve McQueen, Robert Wagner, Shirley Ann Field.

McGavin Is Starring in TV Show

Darren McGavin guest-stars in "The Married Bachelor" on ABC-TV's "Confidential for Women" the week of June 27 (2-2:30 p.m. PDT).

McGavin plays Andy Fisher, who seeks to relieve the monotony of marriage through extramarital affairs. His wife, Gail, played by Elizabeth Allen, comes to realize that Andy will never outgrow his playboy tendencies, and decides to let the marriage break apart.

McGavin was the first actor to star simultaneously in two TV series, "Riverboat" and "Mike Hammer." He has appeared in the motion pictures, "Summertime," "The Court-Martial of Billy Mitchell," "The Man With the Golden Arm" and "The Del-

Gets Orders

Henry Phylle is ordered to have a rendezvous with a dazzling foreign agent named Gina Bellini in her hotel, on "The Double Life of Henry Phylle" in color Thursday, July 7 (ABC-TV, 8:30-9 p.m., PDT).

In "The Old Flame," Henry does such a good job of imitating agent U-31, Gina's former sweetheart, that she smoothes him with affection and almost makes him forget that his mission is to get a new set of codes from her.

McGavin plays Andy Fisher, who seeks to relieve the monotony of marriage through extramarital affairs. His wife, Gail, played by Elizabeth Allen, comes to realize that Andy will never outgrow his playboy tendencies, and decides to let the marriage break apart.

McGavin was the first actor to star simultaneously in two TV series, "Riverboat" and "Mike Hammer." He has appeared in the motion pictures, "Summertime," "The Court-Martial of Billy Mitchell," "The Man With the Golden Arm" and "The Del-

'Young Lions' To Be Shown This Fall

In an effort to facilitate brighter eyes and more alertness for viewers on a couple of Monday mornings to come, ABC-TV will present the film dramatization of Irwin Shaw's novel, "The Young Lions," on successive Sundays as a two-part presentation on "The Sunday Night Movie" this fall, instead of running the film into the early AM hours in one showing.

Marlon Brando, Montgomery Clift and Dean Martin star in the film, the story of three sol-

diers in World War II, the girls they loved and what the war did to each of them.

"When we are faced with the problem of presenting an exceptional film which runs to considerable length," said Len Goldberg, ABC Vice President in charge of TV network programming, "we have two alternatives. We can schedule it to run in its entirety with a 9 p.m. start and an end somewhere after midnight, or we can follow the procedure we used in the 1965-66 season with Otto Preminger's "Exodus" by presenting it on successive Sundays."

Offered on Jan. 10 and Jan. 17, "Exodus" won wide audiences on both Sunday showings and also left viewers bright-eyed and alert for the Monday mornings.

Today's Market and Financial Report

Stocks

NEW YORK (AP)—The stock market closed higher today as fairly active trading.

After a mixed and uncertain start, the list moved steadily higher.

Glimmer stocks in aerospace, airlines, color television and electronics were the leaders in the early rise. Buying spread to rubbers and other groups.

Sperry, Rand, which introduced a new series of integrated computers, advanced fractionally and made another new high in very heavy trading.

Polaroid advanced 4 points or more and International Harvester tacked on a full point.

Key stocks throughout the list showed a generally higher trend.

Volume for the day was estimated at 6.5 million shares compared with 5.94 million Monday.

In a technical rally with no particular news behind it, the market moved ahead following an upward trend in the glass.

Stocks such as airlines, aerospace, color television, electronics, office equipment and photographic issues took their accustomed positions of market leadership.

Sperry Rand, looking again as the most active stock but this time it was unable to post any gain.

Taft Broadcasting, up nearly 2, also was very active, helped by a big block.

Fairchild Camera was up about points while gains of 3 points or so were made by Johnson & Johnson, Gulf & Western Industries, Delta Western common and its preferred, Northwest Airlines, spurred about 1 1/2 points.

Up about 2 were Continental Air Lines, Gulf & Western preferred, Litton Industries, Texas Gulf Sulphur, Texas Instruments, SCM, Admiral, Avon products, Beckman Instruments, Douglas Aircraft, Raytheon and Pan American and Eastern Air Lines.

Up a point or so were Eastman Kodak, Radio Corp., Goodrich, Jones & Laughlin and Burroughs (ex dividend).

Prices were higher in heavy trading on the American Stock Exchange.

Markets at a Glance

NEW YORK (AP)—Markets

At a glance

Stocks—Higher; active trading.

Cotton—Quiet.

Chicago—

Lower; active trading.

Corn—Mixed; general selling.

Wheat—Mixed; general selling.

Soybeans—Lower; heavy trading.

Hogs—50 cents to \$1 higher.

Slaughter—Fully steady; top \$20.00.

Grain

NEW YORK (AP)—Grain

Prices fell after having

been sharply higher on another

day of heavy trading.

Wheat and soybeans were

down about 10 cents a bushel

from their highs of the day.

Early afternoon transactions on

pressure described as mainly

profit taking. Dealers said

there apparently was a some-

what heavier volume of short

selling than on recent days.

At their peaks, most commodi-

ties again were at season high

levels.

Opening of the market was

delayed one hour to allow the

exchange's clearing house time

to record all the transactions in

Monday's late trading.

Wheat fell 10 cents in less than a

week that the opening was de-

ferred because of a heavy vol-

ume of business.

At the opening, wheat and soy-

beans were about more than 6

cents in spots and corn com-

modities in late dealings

both corn and soybeans were

as much as 4 cents under pre-

vious closes.

Carrot receipts: wheat none,

corn 124, oats none, rye none,

barley 5, soybeans 2.

CASH GRAIN

CHICAGO (AP)—No wheat,

oats or soybean sales. Corn

2 yellow 1.33-1.34.

Wheat—closed 14 to 15 cents a

bushel lower, July 1.05-1.06;

Dec. 1.04-1.05; lower, July

1.03-1.04; oats 1/2 lower to 3/4

higher, July 72 cents; rye 1 to

1 1/2 cents higher, July \$1.31-1.32;

soybeans 1/2 to 4 cents lower,

July \$3.38-3.39.

Grain

NEW YORK (AP)—Grain

prices fell after having

been sharply higher on another

day of heavy trading.

Wheat and soybeans were

down about 10 cents a bushel

from their highs of the day.

Early afternoon transactions on

pressure described as mainly

profit taking. Dealers said

there apparently was a some-

what heavier volume of short

selling than on recent days.

At their peaks, most commodi-

ties again were at season high

levels.

Opening of the market was

delayed one hour to allow the

exchange's clearing house time

to record all the transactions in

Monday's late trading.

Wheat fell 10 cents in less than a

week that the opening was de-

ferred because of a heavy vol-

ume of business.

At the opening, wheat and soy-

beans were about more than 6

cents in spots and corn com-

modities in late dealings

both corn and soybeans were

as much as 4 cents under pre-

vious closes.

Carrot receipts: wheat none,

corn 124, oats none, rye none,

barley 5, soybeans 2.

CASH GRAIN

CHICAGO (AP)—No wheat,

oats or soybean sales. Corn

2 yellow 1.33-1.34.

Wheat—closed 14 to 15 cents a

bushel lower, July 1.05-1.06;

Dec. 1.04-1.05; lower, July

1.03-1.04; oats 1/2 lower to 3/4

higher, July 72 cents; rye 1 to

1 1/2 cents higher, July \$1.31-1.32;

soybeans 1/2 to 4 cents lower,

July \$3.38-3.39.

Governor Is Renominated In Primary

PORTLAND, Maine (AP) — Gov. John H. Reed, renominated in the Republican primary, headed today for a state election battle with an aggressive young secretary of state.

Secretary Kenneth M. Curtis had two Democratic primary opponents but racked up nearly as big a percentage of the total vote as did the Republican governor.

Reed got approximately 60 per cent of the total vote in his primary; Curtis about 55 per cent in his.

Reed, chairman of the National Governors' Conference and a potato grower and shipper in private life, defeated State Rep. James S. Erwin, an attorney who attacked his record as too much like the Democratic program. Both are 45 years old.

Curtis, 35, a lawyer, trounced Senate President Carlton D. Reed Jr. and House Speaker Dana W. Childs.

A political figure who was not involved in either primary loomed large in the future of every major candidate.

U.S. Sen. Margaret Chase Smith was unopposed for the Republican nomination for her fourth six-year term.

Romney Gives Comments on Viet Nam War

CLEVELAND (AP) — America still has time to "find an honorable solution" to the war in South Viet Nam "without a wider war—and hopefully with a short one," Michigan Gov. George Romney said Monday.

It was his strongest statement to date on U.S. foreign policy in general and the Viet Nam war in particular.

Romney said in remarks prepared for delivery at an annual meeting of the Cleveland chapter of the National Conference of Christians and Jews:

"Most nations, even including our allies, no longer consider us dedicated to peace—what a pity and costly misfortune. Names—

"But it is not too late, we still have time to learn from our mistakes."

"We must neither repeat nor compound the errors of the past. If we can learn in time, we can avoid other Viet Nams—and even find in Viet Nam itself an honorable solution which will put the people of that unhappy country in control of their own destinies—without a wider war—and hopefully with a short one."

A praiseworthy but misguided desire to help emerging nations after the era of colonization put the "American presence" in all parts of the world, he said, adding:

"But too often, American arms shored up tottering and unpopular regimes."

Arizona Involved In Vote Dispute

WINDOW ROCK, Ariz. (AP) — A voter registration dispute between the Navajo Tribal Council and three Arizona counties is expected to come up for discussion during a special council session, which opened Monday.

The council is expected to pass a resolution opposing a U. S. attorney general's ruling re-establishing literacy tests in Navajo, Apache and Cococino counties in Arizona.

A council spokesman said Norman Little, general counsel for the Navajo Tribe in Washington, would receive authorization to petition the courts in Washington asking intervention.

FREDERICK R. MABUTT
son of Mr. and Mrs. Richard Mabbutt, Shoshone, has received the Hilden Gilson award, a \$3,000 grant for work on his master's degree. He was graduated from the University of Kansas, Lawrence, this month and will continue studying there this fall on a research assistantship. He is helping clean up after the tornado in Kansas this summer, as an administrative assistant with the Job Corps in Topeka.

Makes Profit

NOBLESVILLE, Ind. (AP) — An Internal Revenue Service agent interviewed a 7-year-old merchant Monday after receiving a telephone inquiry.

The caller reported a store had opened on the Larry Foettel property and wanted to be sure the bookkeeping was in order.

Foettel's son, Lelf, told the agency he had been selling radishes and turnips for a penny each.

In two weeks, he said, he had made a net profit of 7 cents.

Missionary Visits Area

DUHL — Rev. John Spreier, who has just completed five years of mission work in Taiwan, arrived in Duhl Tuesday with his family to visit with his parents, Mr. and Mrs. David Spreier, Duhl, and other relatives and friends.

During his stay here he will also make personal appearances throughout Magic Valley. His first scheduled appearance is at country in control of their own destinies—without a wider war—and hopefully with a short one."

A praiseworthy but misguided desire to help emerging nations after the era of colonization put the "American presence" in all parts of the world, he said, adding:

"But too often, American arms shored up tottering and unpopular regimes."

Draft Puts Crimp in College Recruiting

NEW YORK (AP) — The manager in Miami, said, "There is a large increase in the number of boys who are going to college schools to escape the war in Viet Nam. They are very frank about it."

An Associated Press survey of company officials and college placement directors found that number of graduates available for the draft, the rush to graduate at a time when the competition for jobs between firms for new men was stiffest.

"There were only about 30,000 men," a spokesman for Carnegie Tech in Pittsburgh said. "This has been one of the toughest years in recent history, awarded this year, a one reason: industry recruiting from the employer's standpoint hasn't changed in years."

Bill Herman, U.S. Steel Corp. college relations manager, said, "There are more jobs than qualified youngsters."

Robert Pease Corps and VISTA, as well as the military, said Mrs. Nanette Lewis Guthrie, International Company of America, Pittsburgh, said, "There are fewer people available for more jobs."

Peter Frederickson, Boston University placement counselor, said, "I have a drawer full of unfilled requests, and I understand the same situation prevails in practically all colleges in the country. There are more jobs than qualified youngsters."

"I don't know of any company able to obtain its quota of new men," a spokesman for Carnegie Tech in Pittsburgh said.

One reason: industry recruiting from the employer's standpoint hasn't changed in years."

California, the University of California at Los Angeles and Cleveland State University reported that, with the short supply of men graduates, companies were showing increased interest in women.

Salaries offered generally were up 4 to 10 per cent over 1965.

The college placement council in Bethlehem, Pa., reported the national average monthly salary offered chemical engineers

was \$677, up from \$673 last year.

Boston University reported engineering graduates were offered from \$6,500 to \$9,500 a year, economics graduates about \$6,200, and journalism \$3,200 to \$4,000 — and more.

"Grads are not asking for more, but the companies are more competitive," said J. William Paquette of Drake University, Des Moines, Iowa.

Companies reported students were less interested in fringe benefits.

Raytheon Co., Lexington, Mass., said only one boy asked about a profit-sharing plan, and that graduates generally give

only minor consideration to fringe benefits.

"Fringe benefits are of little concern to grads at this stage of life, but companies have to promise the best they can," they reported California State College at Los Angeles. "Our students won't leave California, and usually not even Southern California."

But at Georgia State College, Ben Upchurch, placement director, said: "Each year the students are becoming more mobile. We have a number of students working in the East now. Relocation is no longer a problem."

Many companies, as a result, stress the locations of their plants in the tons of recruiting booklets — and advertising — they distribute.

GREAT NEW BEER!

Lucky Genuine Draft Beer in bottles

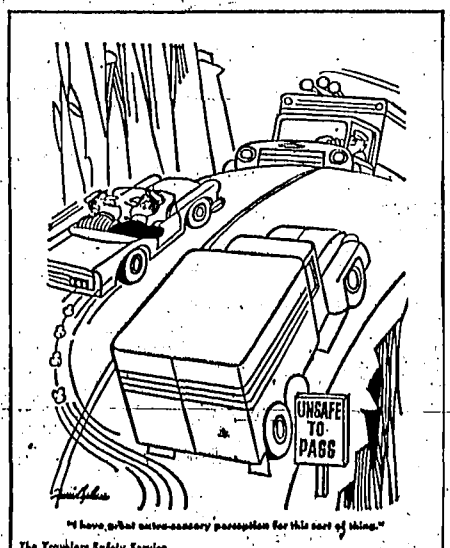

GREAT NEW TASTE!

Light, smooth and remarkably non-filling

Here's the secret of this breakthrough in brewing: It used to be impossible to put real draft beer in bottles or cans because all packaged beer had to be heat pasteurized so it would keep without refrigeration. But now Lucky's exclusive new MICROFIL® brewing process eliminates the need for heat pasteurization, making it possible to brew a 100% pure draft beer and put it into bottles and cans—a great new beer with a taste that's light, smooth and remarkably non-filling. That's right... remarkably non-filling.

This great new Lucky Genuine Draft is now at your favorite tavern or store... in bottles and in easy-to-carry six-packs.

You Bet Your Life
