Details Given on Contract to Close Airlines' Strike

WASHINGTON (AP)—Striking mechanics receive today details on a tentative agreement aimed at ending by Friday the shutdown of five major airlines. The idled airlines said they could resume some flights this week if the agreement is approved by the strikers at meetings across the nation Friday. The strike is now in its 40th day. P. L. (Roy) Siemiller, president of the APL-CIO International Association of Machinists, called

Mechanics' Gains Noted Under Terms

NEW YORK (AP)—Striking mechanics stand to gain from \$350 to \$470 a year each under terms of the tentative agreement to end their dispute with five major carriers, a union source said today.

The source, who insisted on anonymity, said that rescheduling of three wage increases of 5 per cent each during the three years covered in the new agreement would result in gains of from \$350 to \$470 for members of the striking International Association of Machinists, AFL-CIO.

He said the new agreement also gives the union's 35,000 striking members double time and a half for five holidays for which they would have received less under the agreement rejected by the members two weeks ago.

The cost-of-living escalator clause in the new agreement was described by the union source as another improvement.

Senators Urge Duty for Reservists

WASHINGTON (AP)—A determined effort to put Army Reservists and National Guardsmen on active duty in Viet Nam got under way today in the Senate. Up to now they have been exempted.

President Richard B. Russell, D-Ga., veteran chairman of the Senate Armed Services Committee, and Sen. Everett S. Simpson, R-Mass., teamed up in the effort.

They offered a rider to the pending \$58-billion defense money bill which would give the President authority to order these thousands of Reservists to active duty for not more than 18 months.

Secretary of Defense Robert S. McNamara has refused to call up any of the more than 600,000 Army Reservists and National Guardsmen.

Russell and Simpson said that President Johnson has given authority to order any Reservists—if they have had no active training duty—to active duty for not more than 18 months.

Russell and other senators protested it is unfair to send actions plans to the front line fighting while thousands of youthful Reservists and Guardsmen escape by joining the Reserves.

Middle Fork Trip Set by Goldwater

—CHALLIS, Idaho (AP)—Former Sen. Barry Goldwater of Arizona plans to lead a leisurely day float down the Middle Fork of the Salmon River in central Idaho this month.

His plans to arrive in Challis Friday, Aug. 19, and fly to the Middle Fork Idaho Saturday morning.

The 1964 Republican presidential nominee is expected to take time with him on the float that will wind up Sunday, Aug. 21.

Included in the party will be his son Harry Jr., another son, Mike, his daughter Peggy and her husband.

Challis will be the guide, Anderson first took Goldwater down the Middle Fork 10 years ago.

MAJ. MEYER, president of the

the settlement, reached about dawn Monday, "the best ever in one set of negotiations by any union."

Details of the contract were to remain secret until the 35,000 strikers received a letter from Siemiller in which he said he recommended ratification of the agreement reached with the airlines — Eastern, National, Northwest, Trans World—and United.

Informed sources said, however, the contract was a three-year package worth about \$30 million — an estimated 8 per cent increase for the machinists.

This would mean a \$1 per hour increase over three years for top mechanics now earning \$3.52 per hour plus benefits that bring the total to \$4 per hour.

The agreement is believed also to contain a cost-of-living wage escalator clause, a key union demand. Lack of such a clause reportedly was instrumental in union rejection of an agreement negotiated under the White House auspices July 29.

The White House said no comment on the new agreement.

Officials believe another reason for the 3-1 vote against the first agreement was lack of understanding of its provisions. After news of the new settlement reached Congress Monday, the House Rules Committee delayed action on a Senate-passed resolution to force the strikers to return to the jobs they left July 8.

No further congressional action on the measure is expected pending the outcome of the union strike scheduled to be held simultaneously across the country at 3 p.m. EDT Friday.

Results of the vote are to be telephoned or telegraphed to union headquarters here by 8 p.m. EDT Friday.

The strike is believed to be the longest, biggest and most costly in airline annals—technically would end if the union members ratify the settlement Friday.

MIG17s Fire On American Navy Planes

SAIGON, South Viet Nam (AP)—Two MIG17 fighters downed two American Navy planes today, the U.S. Navy said. The MIG17s were attacking a train 70 miles south of Hanoi today, but the heavily laden Skyhawks took damage, the U.S. Command announced.

The light attack bombers, from the carrier Oriskany, were reported to have downed four boxcars of the train.

Though each is ordinarily armed with two 20 mm cannon and various rockets, a spokesman said they did not fire at the Soviet-built MIGs. He said the 680-mile-an-hour Skyhawks are a shade slower and were in no position at the time of a successful fight. The four were operating without the normal top cover by Phantom or Thunderbolts.

The encounter came the farthest south that enemy jets are known to have ventured in the war. American pilots have reported the destruction of 17 MIGs. The enemy fighters have shot down five U.S. planes.

Strategists for Fair Housing Will Expand Demonstrations

CHICAGO (AP)—Strategists of the civil rights fair housing movement will send eight platoons of marchers into previously picketed areas today in a continued expansion of demonstrations. The Rev. James Bevel told a rally of 500 civil rights workers Monday night that three march units would go to Jefferson Park, a Northwest Side neighborhood area under the protection of 250 policemen. Five groups will picket at downtown locations including the Chicago Real Estate Board. A vigil Wednesday afternoon in drizzling rain at the Real Estate Board drew little attention.

Today's marches are scheduled to begin at 3 p.m. EDT. Other downtown targets are the Chicago Housing Authority, the Cook County Public Aid Office, City Hall, and a savings and loan association.

Albert A. Raby, convenor of the Coordinating Council of Community Organizations, said at Monday night's assembly: "We will not stop marching because verbal promises have been made. The marches and demonstrations will continue until Negroes can move into housing wherever they choose."

Civic leaders continued plans for a meeting on housing Wednesday. The American Nazi party, whose rally Sunday triggered a battle between white residents and police at Marquette Park, said they would hold a counterdemonstration at today's protests and future demonstrations.

Dr. Martin Luther King Jr., is expected to attend Wednesday's meeting convened by the Chicago Conference on Religion and Race. The Rt. Rev. James W. Montgomery, bishop coadjutor of the Episcopal Diocese of Chicago and chairman of the CCRP, has reiterated the conference was called to discuss open housing, not to call a halt to the marches.

Johnson to Talk — WASHINGTON (AP)—President Johnson will speak Wednesday at ceremonies marking the 4th anniversary of the Alliance for Progress.

The observance will be held at 11 a.m. EDT in the conference room of the Pan American Health Organization.

The chief justice was fly fishing for trout. He and a small group of friends arrived on the western slopes of the Grand Teton near Briggs Monday on an outdoor vacation that later was to take them into Montana.

United Nations Budget Proposed — UNITED NATIONS, N.Y. (AP)—A record budget of \$1,277,000 for United Nations operations for 1966-67 was proposed by Secretary-General U Thant.

The figure is \$6.6 million above this year's budget and \$1.7 million more than recommended by the General Assembly's Advisory Committee on Administrative and Budgetary Expenses.

Anti-Viet Nam War Hearing Explodes With Challenges

WASHINGTON (AP)—Hearings into anti-Viet Nam war activities erupted today with loud challenges to the House Committee on Un-American Activities. At least eight persons were carried and dragged from the hearing room. Rep. Joe R. Pool, D-Tex., presiding at the hearing, ordered removal of persons who disrupted the session. The eight were hauled away after standing at various intervals and shouting denunciations of the committee and the first witness, Philip A. Luce of Washington.

Luce, a pull-out from the pro-Communist Progressive Labor party, testified that groups control the executive board of the May 4 Movement, an organization established to organize protests against U.S. participation in the Viet Nam war.

He stopped his first testimony, shouting Jeffrey Gordon, a member of the Progressive Labor party.

"This sure is a funny hearing!" screamed another man. Both were carried out of the room which was packed with representatives of various peace groups, police, federal marshals and reporters. Outside the room, hundreds more milled in the corridors.

More protesters went the same route. The hearing got under way today, continuing a series of actions to stop the proceedings.

Only seconds before the start of the session a special three-judge federal court threw out a temporary restraining order granted Monday by a U.S. district judge in an action brought by the American Civil Liberties Union on behalf of two of the subpoenaed witnesses.

But the three-judge panel offered to hold a hearing on the constitutional issue at any time and the plaintiffs promptly took up the offer.

As the hearing at the Capitol got under way it was announced the tribunal will hold a hearing at 2:30 p.m. Wednesday on the challenge to the mandate setting up the committee.

Asst. U.S. Atty. Joseph M. Hannon said the issue will be a request for a temporary injunction, a step beyond the restraining order voided before. The restraining order is good for 10 days but is renewable. A temporary injunction remains in force until further order of the court.

\$370,000 in Stocks Taken By Gunman — NEW YORK (AP)—A lone gunman stole \$370,000 in negotiable stock certificates Tuesday as a Wall Street messenger was standing guard in a building of the financial district of Manhattan.

The gunman fled on foot. The theft occurred shortly before 10 a.m. when the streets were crowded with lunch hour strollers.

The messenger, Richard L. Barton, employed by Pelco, Webster, Jackson and Curtis Brokerage house, was not injured. The gunman forced Locicero into a hallway and took the bag containing the certificates.

U. N. Colonialism Committee Invited to Inspect Colony — UNITED NATIONS, N.Y. (AP)—The United Nations Committee on Colonialism is sending a mission to inspect a colony by invitation of the colonial power.

A seven-member subcommittee will leave tonight for Madrid to confer with authorities before visiting Spanish Equatorial Guinea, a small island in the Gulf of Guinea and Rio Muni on the west coast of Africa and three small offshore islands. The population is about 285,000, of whom less than 12,000 are Europeans.

The Trusteeship Council has often sent missions to report back on territories held under trusteeship by various nations. U.N. trusteeship by various nations, but never before had the Committee on Colonialism, established in 1961, received an invitation to send a mission to a territory under trusteeship.

In the early days of the United Nations, Spain was the most cooperative of all the colonial powers.

Moon Pictures Are Anxiously Awaited

PASADENA, Calif. (AP)—America's camera circling the moon—Lunar Orbiter—was scanning swiftly over the pock-marked lunar surface today as scientists prepared for the main payoff pictures. "We're just waiting now, planning to begin the picture sequence Thursday," scientists at the Jet Propulsion Laboratory said. The first pictures, taken by the craft's precision camera package and relayed to earth by radio, probably will be televised as they are received, said spokesmen for the National Aeronautics and Space Administration.

First target for the cameras will be the east edge of the moon, an area never seen by earth-based telescopes. Engineers expected the pictures to be televised first between 5:18 and 6:03 p.m. EDT, with later showings planned.

After the first series of pictures, Orbiter will be dropped into a lower orbit of the moon—28 miles by 1,150 miles above the surface—Sunday for its primary photographic goal.

That goal is to shoot more than 300 pictures of a 3,000-mile-long strip of lunar terrain along the equator where nine potential landing sites for American astronauts have been selected.

New donors numbered 14, which is also an unusual number, according to officials of the unit. A number of donations were replacements for various local people who have benefited from supplies available under the program.

Six points were replaced for Vera Romane; six for Mrs. Sadie Aizawa, who will soon need two more; two for Jeffrey Kehrer, who needs a regular stipend of \$100 a month; one for Mrs. Candy Edwards; 11 for Howard Magel; two for Delbert Crothers; one for Thomas Becker; three for George Jacobs, who had received four for Homer Cooper, who had required four; two for Bill Gough, who required four as the result of injuries received on the afternoon of the last sailing.

Wyoming and Montana Hold Elections

WASHINGTON (AP) — Wyoming Democrats and Republicans choose nominees today for governor and the state's lone House seat. Montana holds primary elections, too, but contests there have failed to attract national attention.

Five candidates are seeking the Democratic nomination for governor of Wyoming. Three regarded as the chief contenders are Ernest Wilkerson and Ray Whitaker, Casper attorneys, and Jack Gage, a former secretary of state.

Bidding for the Republican nomination are Stan Hathaway, Torrington attorney; M. Joseph Burke, Casper sheep rancher, and Arthur Linde, Laramie sports store operator and a political unknown.

Wyoming Gov. Cliff Hansen is expected to gain the Republican nomination for the Senate over F. W. Kinney, who has offered himself for various offices in the past, including the presidency as candidate of the Benjamin Franklin party which he has founded.

Rep. Teno Roncallo is unopposed for the Democratic Senate nomination.

Former Rep. William Henry Harrison, defeated by Roncallo two years ago, is seeking the Republican nomination but has opposition from Roy Peck, Riverton newspaper publisher. Harrison is a grandson of President Benjamin Harrison.

Montana also elects a senator this year but incumbent Sen. Lee Metcalf is unopposed for Democratic re-election and Gov. Tim M. Babcock has no opposition for the Republican spot.

Elderly Man Is Struck by Auto

An 87-year-old Twin Falls man, Louis Schwarz, was treated and released from Magic Valley Memorial Hospital Monday after being struck by a car.

City Police said the man was injured about 5:30 p.m. as he was crossing Main Avenue at the intersection with Shoshone Street.

They said a 1963 Chevrolet driven by Mrs. Ruth H. Nicholson, 87, Route 2, Filer, attempted to make a right turn from Shoshone Street onto Main Avenue. The right front fender of the vehicle struck Schwarz as he was in the crosswalk.

Mrs. Nicholson was cited for failure to yield to a pedestrian.

Agency Seeks Ghost Town Preservation

A request to withdraw approximately 29 acres of land in the Challis National Forest for the preservation of the old townsite of Custer has been submitted to the Bureau of Land Management.

Forest Service officials making the request point out that the old town of Custer, first established in 1878, contains many historical values. An old schoolhouse now serving as a museum, one dwelling and two older buildings, in need of repair, still stand.

More than 7,000 visits were recorded at the museum in 1965, according to Forest Service records.

Purchase of the museum, historical artifacts and other buildings on the site is now being negotiated by the Forest Service. Plans call for some restoration of the area and construction of a museum, two dwellings, a warehouse and a picnic area.

The proposal to withdraw the area for a historical site, temporarily bans prospecting and locating of mining claims pending action by the Department of Interior. A 30-day waiting period is provided during which written comments or objections may be submitted to the Land Office, Bureau of Land Management, Post Office Box 2237, Boise.

Sen. Robert Kennedy Is Silent After Nickerson Quits New York Demo Race

NEW YORK (AP) — Sen. Robert F. Kennedy, D-N.Y., remained silent today rather than assume the role of kingmaker — even after the man believed to have been his favorite to quit the race for the Democratic nomination to run against New York Gov. Nelson A. Rockefeller.

Eugene H. Nickerson, executive of Nassau County on Long Island, withdrew Monday night saying: "It is now apparent that I will not have the necessary delegate votes to win the nomination."

The withdrawal appeared to make Frank D. O'Connor, president of the New York City Council, even more of a front-runner for the gubernatorial nomination at the Democratic State Convention in Buffalo next month.

Nickerson had been considered the candidate likely to win Kennedy's backing if the senator decided to back anyone at all. But, with Kennedy silent, the failure of Nickerson's campaign to win widespread support led to the withdrawal.

A spokesman for Kennedy said O'Connor would meet with the senator today or Wednesday. The spokesman said: "Some people are saying we're trying to duck him. Well, it just isn't so." O'Connor made a telephone request last Thursday that Kennedy make public his thoughts on the nomination.

Sen. Robert Kennedy Is Silent After Nickerson Quits New York Demo Race

Most observers feel that only who beat Tammany Hall opposition by Kennedy and won a seat in Congress could now prevent O'Connor from a West Side Manhattan district in 1967. He was re-elected twice.

Howard J. Samuels, millionaire industrialist of Canandaigua, whose support is largely in upstate counties, was asked whether he was disappointed that Kennedy had not spoken out for him.

After a pause, Nickerson said slowly: "I'm disappointed whenever anyone doesn't support me. So I'm disappointed."

Sen. Robert Kennedy Is Silent After Nickerson Quits New York Demo Race

Nickerson is a pivotal factor in the political jockeying because he has steadily widened his influence in the state Democratic party since he burst upon the state scene in 1964 — giving up his Massachusetts voting residence and his Virginia domicile, becoming a New York resident and getting elected senator.

Nickerson, who announced his withdrawal at a hastily called news conference, was asked whether he was disappointed that Kennedy had not spoken out for him.

After a pause, Nickerson said slowly: "I'm disappointed whenever anyone doesn't support me. So I'm disappointed."

Kenya Warns Asians of Policy Change

NAIROBI, Kenya (AP) — Kenya's government news agency and radio have warned the country's 180,000 Asians that the government may change its policy towards them and follow a less generous way of thinking.

HEAR CLEARLY AGAIN With Nothing In Either Ear

Oshtemo, N.Y. — A patented invention now makes it possible for tens of thousands of people to enjoy hearing without yet putting anything in either ear, according to Oticon Listener Laboratories.

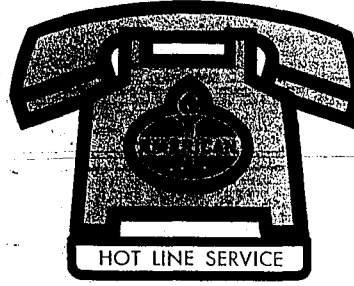

Instead of forcing amplified sound through the impaired outer or middle ear, the patented "Tympano Technique" conducts sound smoothly through the mastoid process directly to the "hearing center," the inner ear. This method is so different that no audiotape test can prove if you can hear with this new bone conduction aid. A test during the fitting is the only way you will ever know if this new Listener is for you. Instead of an aid that must use tubing, ear molds or ear buttons.

This hearing invention has no buttons, no tubes, no wires, no bulky batteries. You may wear it without even your closest friends realizing it's a hearing aid unless you tell them.

The invention is called RX-88 and is the result of 33 years of experience by Oticon's President. It is made possible by a development of the Bell Telephone Laboratories — the miracle transducer similar to those used in U.S. satellites. It is created by the inventors of the world's first eyeglass hearing aid.

The RX-88 is truly a dramatic step forward in hearing aid technology. It not only brings you a thrilling new world of sound, but also a privacy and confidence never before achieved. If you'd like to know more about this patented Listener and learn if it may help you, with no cost or obligation, write Oticon Electronics Laboratories, Box 7699, One Westley Road, Oshtemo, N.Y.

Miss Jankowski Is Bride of Douglas True

Jeanette Jankowski, daughter of Mr. Leo N. Jankowski, Twin Falls, became the bride of Douglas D. True, son of Dr. and Mrs. Delbert True, Fallbrook, Calif., and Santiago, Chile, during a Nuptial Mass Aug. 6 at St. Edward's Church, Twin Falls.

Rev. Edgar R. Edmund R. Cody performed the ceremony. The bride, given in marriage by her brother, Thomas Jankowski, wore a floor-length gown of honzidine and Chantilly lace trimmed with pearls and crystals.

Rita Jankowski, sister of the bride, was maid of honor. Bridesmaids were Judy Landkammer, Lewiston, and Judi Brodnix, Auburn, Wash., classmates of the bride. Julie Nash, Buhl, niece of the bride, was flower girl.

George Vreabie, Oceanide, Calif., was best man—ushers were Robert Mowitt, Chula Vista, Calif., and Thomas Nash, Buhl, brother-in-law of the bride. Altar boys were Mark Becker and Tim Becker, Genesee, nephews of the bride.

Soloist was Mrs. Arthur Gates Pocatello, accompanied by Mrs. Wayne Vaughn. After the ceremony, the newlyweds greeted guests at a reception in St. Edward's Parish Hall. Mrs. Ross Stoner and Mrs. Ralph Nelson cut and served the cake. Lorraine Cole presided at the coffee service and Carol Fuller and Mrs. Michael Worlerton poured punch. Diane Becker, Genesee, registered guests. Pre-nuptial parties honoring

OPPOSE TAX LAW.
SAMPUELSON, Idaho (AP)—The president of a group opposing Idaho's new property assessment equalization law asserted Monday the effect of the statute may be to "eventually discourage private ownership of homes."

"It is true," said H. F. Samuels, president of the Taxpayers Protective Association, "the intentions of the legislature were to equalize assessments of properties, a commendable thought."

"But as this law is being applied there can never be equalization of assessments but only eventual chaos."

GIRL SHOTS SELF.
RIGBY, Idaho (AP)—A four-year-old girl Rigby shot herself in the right leg Monday while playing with a gun with her sisters, according to Jefferson County sheriff's deputies.

Little Loma Davis, daughter of Mr. and Mrs. Percy Davis, was playing in the bedroom with her twin sister Tonna and seven-year-old sister Sheryl. There were two guns in the room, a .20-caliber rifle and a pistol.

She was taken to Sacred Heart Hospital in Rigby then rushed to a Salt Lake City hospital for further treatment.

Takes Refuge.
KREFELD, Germany (AP)—A lion escaped from his cage at the Krefeld Zoo and took refuge in a ladies' rest room for an hour. Zoo officials forced the lion out with water hoses and recaptured it without a struggle.

Samuelson Still Neutral On Sales Tax

BOISE (AP)—Republican gubernatorial candidate Don Samuelson of Sandpoint says he will maintain his neutral position on the sales tax despite the strong pro-tax plank in the Republican platform.

Samuelson made the statement after a closed session with party leaders in Boise. He said he will not alter the stand that brought him victory in the Aug. 2 primary election.

His stand was that he would let the voters decide whether to keep or repeal the sales tax by their referendum vote on the Nov. 8 general ballot.

"I have urged voters to be informed on both sides of the question," he said Monday. "I have said the state would have problems any way the referendum goes."

Samuelson said as governor his budget recommendations to the legislature would be "based on a balance between state need and the ability to pay."

He said the current \$135.5 million budget financed partly by the sales tax cannot be cut "without doing violence to state education and essential governmental services."

"It is unrealistic at this point," he said, "to attempt to predict exact budgetary increases necessary over the present \$135.5 million. This will be done after proper economic analysis of economic data as it becomes available."

Chemist Fails to Swim Water Span.
SAN FRANCISCO (AP)—A research chemist, trying to become the first to swim the Pacific Ocean from the Farallon Islands to the Golden Gate, was pulled from the water today, two miles from his goal.

Ted A. Erikson, 38, of Chicago, had been in the frigid water 17 hours when he was taken from the water two miles south-west of Point Bonita, the land that juts the farthest out into the ocean near the San Francisco Bay entrance.

T.F. Fair to Give Dog Premiums

FILER — This year for the first time premiums will be given on dogs at the Twin Falls County Fair Sept. 7-10.

Entries will be judged in six classes in the dog building. Previously dogs were not awarded prizes.

Bicycles
BERLIN (AP)—The Gorki Theater in East Berlin has joined a campaign by the Communist East German writers' union to send 1,000 bicycles to North Vietnam, the official news agency (ADN) reported.

"Bicycles mean maneuverability and swiftness for the North Vietnamese and with that a substantial increase in battle power," the theater group said.

The classes include sporting dogs, non-sporting dogs, working dogs, hounds, terriers and toys. First, second and third place ribbons will be awarded and the blue ribbon winners of each class will be judged for the Best of Show dog award.

Mrs. H. F. Easterday, Buhl, superintendent, state entries for dogs close at 6 p.m. Sept. 3 and animals must be on grounds by 9 a.m. Sept. 6 for the 11 a.m. judging. The dog building will be closed at 9 p.m. each night of the fair.

The Fair board states it would like to have a display of as many entries as room and pen space permits. Exhibitors' own display pens may be used if there is room and if the pens meet the approval of the fair management. Pens will be allotted after closing date of entries.

Dogs, when entered must remain all four days of the fair unless special arrangements have been made. Puppies may be sold but displays must remain complete. Owners are responsible for feeding animals.

Stars Listed For Stage 67 Production

Peter Noone — the Herman of Herman's Hermits — and Tippi Walker will be featured as the young romantic couple in the "ABC Stage 67" production of "The Canterville Ghost," in which Sir Michael Redgrave stars in the title role.

In this musical version of the classic Oscar Wilde story, adapted by Burt Shevelove with music and lyrics by Pulitzer Prize winners Sheldon Hackard and Jerome Rocco, Noone plays a very modern young Mod, the Duke of Cheshire, and Miss Walker is the very conservative daughter of the American Ambassador to the Court of St. James.

The score by Hackard and Rocco will range in its production from medieval forms for the 350-year-old ghost played by Sir Michael, to a contemporary "Honey West" for the character played by Noone.

As Herman Peter Noone has already established himself as a leading exponent of the new sound in music, "Mrs. Brown, You've Got a Lovely Daughter" and "I'm Henry VIII, I Am" are among the old English vaudeville songs he has revived and recorded in the contemporary style.

This will be his first appearance as an actor in American television, but long before his musical success he was known to English audiences as a child star in the long-running television series titled "Coronation Street."

Miss Walker, playing her first musical role, is the lovely daughter of the pretty, dark haired girl in "The World of Henry Orient," which starred Peter Sellers.

A trio of free-style short films celebrating the pains and joys of growing up, called collectively by "Triology," the American Boy, and hosted by Robert Young, will be presented on "ABC Stage 67." It was announced today by Hibbard Zerkow, executive in charge of production for the series.

"ABC Stage 67" premieres Sept. 14 with "The Love of Barney Karpinski," and will be presented in color each Wednesday from 10 to 11 p.m.

"Skateboarder," one of the three episodes of "Triology," this short film was described by a Time magazine critic this way: "Skateboarder" is a story of a "Skateboarder" simply happens like a green spring morning. It is the lyric cinematic equivalent of high verse."

The other two segments of "Triology" will also be written, produced and directed by Marshall Backler and Noel Black, the young filmmakers who made "Skateboarder," and will carry through the same theme of youth at the precarious moment of entering adulthood.

French Shoes Are Blamed For Accent

Leslie Nielsen, playing a scrawny New England farmer on "Bob Hope Presents the Chrysler Theatre," was unnerved by the French dialect that kept creeping into his characterization.

Unable to account for the unwelcome Gallic flavor, Nielsen was puzzling over the problem with the wardrobe man during the taping of the episode, "The Hell From," which airs on NBC-TV Aug. 19 (9:00-10:00 p.m. ET). The costume-keeper humorously suggested: "Perhaps you can blame it all on Charles Boyer. He wore the shoes you have on in three Universal pictures!"

Tabatha Receives Duplicate Gifts

Samantha and Darrin are caught in the middle of a touchy situation when the baby, Tabatha, receives duplicates from her grandmothers on ABC-TV's "Bewitched" Aug. 25 (9:30 p.m., PDT).

In "The Dancing Bear," Darrin's mother presents Tabatha with a teddy bear identical to one given by Endora. While Darrin and Samantha try calming his mother, Endora takes steps to make certain her granddaughter finds her gift irresistible.

Honey West Gets Blackmailers

Honey and her partner, Sam Bolt, set out to trap a ring of blackmailers who prey on rich, romantic, minded women, on ABC-TV's "Honey West" Aug. 19 (9:30 p.m., PDT).

In "The Swinging Mrs. Jones," Honey baits the blackmailers into action by posing as Mrs. E. J. Jones, a wealthy young woman and out for a good time, and Bolt, in the guise of a resort bum with a vast appeal to women, is enlisted by gang.

The 30-year-old Puerto Rican from Brooklyn, making the second defense of the title, encountered far more trouble from his older rival in the nationally televised bout.

The champion weighed 173 and Cotton 173½.

There were no knockdowns and all of the cheers from the 4,300 in the Las Vegas Convention Center went to the gallant old guy from Seattle.

Powell Lifts Orioles Over Red Sox 4-2

BOSTON (AP) — Boog Powell's third home run of the 1966 season lifted the Baltimore Orioles over the Boston Red Sox 4-2 Monday night.

Powell, whose ninth-inning homer tied the game 2-2, crushed his 30th homer of the season off reliever John Wyatt with one out in the 11th and Frank Robinson, who had drawn a leadoff walk on base.

Reliever Eddie Fisher, who came on at the start of the 10th, was the winner.

Powell's game-tying homer came off Boston starter Jim Lonborg with one out in the ninth.

Dave McNally, the Baltimore starter, allowed only two hits over the first five innings but was tagged for a two-run homer by Tony Conigliaro in the sixth.

Gentile put Cleveland ahead 2-1 in the fourth when he smashed his first home run as an Indian—a 408-foot blast over the center field fence—following a walk to Rocky Colavito.

Tenn Wagner singled with one out in the fifth and scored on Hinton's smash over the left center field fence.

Kosco Helps Twins Defeat Angels 5-3

MINNEAPOLIS (ST. PAUL AP) — Andy Kosco, given an extra inning by the Angels, helped the Twins defeat the Angels 5-3 Monday night.

Kosco, who pitched the seventh and eighth innings, struck out three Angels in the seventh and eighth.

Adding insight to Angel left-hander George Brunet, reliever Jim Kaat tripled home two more runs for the Twins in the seventh after Brunet had three-hit Minnesota for six innings.

Kaat's blow insured his 17th victory against nine losses as he scattered 10 hits to the Angels.

With the game tied 2-2 and one on, plate umpire Jim Odom called Kosco out as he swung at Brunet's pitch on a third strike.

But first base umpire Al Salerno ruled that Kosco had foultipped the ball and catcher Bob Rodgers did not hold it.

After a storm of Angel protest, Kosco took one ball, then led a line to center which Jose Cardenal couldn't hold in trying for a shoestring catch.

Joe Adcock hit two homers for the Angels.

L.A. Rallies In Fourth to Edge Redlegs

LOS ANGELES (AP) — Lou Johnson's two-run homer powered a four-run outburst in the fourth inning that carried Los Angeles past Cincinnati 4-3 Monday night.

Bob Miller choked off a Cincinnati rally in the seventh, and Phil Regan snuffed out one in the ninth, preserving Cincinnati's 13th victory against nine defeats.

Jim Gilliam singled before Johnson connected in the fourth, and the Dodgers added two other runs when Wes Parker singled home Tommy Davis and scored on John Roseboro's bunt single.

The Reds had two runs in and two on with two out when Miller ended the inning by relieving Deron Johnson on a fly ball.

But when Miller got into trouble in the ninth and gave up a run, Regan replaced him with two on and two out and ended the game by striking out Johnson.

Mathews gave the Braves a 1-0 lead with a run-scoring single in the first, then wiped out a 2-1 deficit with a mammoth two-run homer in the seventh following Cline's first of two singles.

The homer soared in the fourth level of the right field seats, a spot seldom reached at the Astrodome.

Toothaches Carry Man to Life of Crime

CHESTERFIELD, England (AP) — Ronald Botham, 17, took to a life of petty crime because he was plagued by toothaches and terrified of dentists.

The Magistrates' Court in this Derbyshire town was told that Botham began stealing after losing a series of regular jobs because his toothaches didn't allow him to concentrate.

Two weeks ago the magistrates ordered Botham to have his teeth fixed but his dental appointments ended in a scuffle with nothing achieved.

The court finally got Botham to agree Monday to enter a mental hospital for treatment aimed at conquering his fear of dentists.

Gov. Jack M. Campbell kicked off the society's 21st annual convention by paying the growing needs for municipal and industrial water in New Mexico and by met by acquiring water rights now allocated for irrigation.

It seems clear that the necessity to pay a fair price for redistribution of water from agricultural to industrial use should not be dependent to the encouragement of an industrial company," he said.

The convention, which is discussing the role of water in America's future, heard Society President John Bradshaw of Salt Lake City, Utah say there is an unlimited demand on water and land although the supply is limited.

He said agriculture might become the poor cousin of the water world since it cannot compete economically with industry, urban areas and recreation in priorities for water.

Beatles Are Popular on U. S. Tour

WASHINGTON (AP) — Steering steadily clear of amateur theology, the Beatles resume their American tour today, having spent thousands of the capital's teenagers' time on cheering fests.

Under elaborate police guard, the upstart quartet performed Monday night in D.C. Stadium. The turnstile ticket to a total of 32,184 and the affair went off practically without incident.

Five Ku Kluxers proclaiming their objection to Beatle John Lennon's remarks about Christianity, picketed the stadium.

But the nearest threat of violence was when a 16-year-old youth eluded the police cordon at third base, strangled to the bandstand at second base and tried to jump the fence before being collared. He explained that he just wanted to touch the musicians because he admired them so.

The concert, punctuated by piercing cheers and screams, followed a news conference.

Did Lennon feel, a newspaper asked, that the Vatican had made him feel better, had sort of got him off a hot spot? This was a reference to a L'Osservatore Romano article saying Lennon had spoken Saturday morning about thinking "offhandedly and not impulsively."

Lennon replied:

"It makes other people feel better. It will make me feel better."

Candy-Flavored Aspirin Eyed

WASHINGTON (AP) — Viewers were offered two views Monday on how to deal with the danger that little children might swallow candy-flavored aspirin to cause fatal or serious illness.

Rep. Leonor K. Sullivan, D-Mo., suggested that the candy-flavored aspirin not be offered for sale at all.

Industry spokesmen suggested that, if limitations are placed on the amount that can be sold, the limits should be specified in the law and not left to the commissioner of food and drugs.

More Funds Available for Home Loans

WASHINGTON (AP) — The House has passed a bill designed to loosen the tight housing financing market by adding more than \$3.75 billion to funds now available for home loans.

Handers of the House bill, adopted Monday by a 341-vote majority, said the Senate will accept their version. The Senate has passed a bill with the same purpose, but substantially different provisions.

Both versions would release funds for new mortgages by increasing the financial ability of the Federal National Mortgage Association to buy up existing housing mortgages.

YOUR BIRTHDAY and HOROSCOPE

TUESDAY, AUG. 16 — Born today, you are a person with both feet on the ground. Flights of fancy and taking refuge in the dreamer's world are absolutely foreign to your nature. Indeed, such a mental disposition is even foreign to your understanding, and it may be therefore, that you have very little patience with the person whose sense of reality and practicality is less than yours. Try to remember that there is room in the world for both kinds of people — and for those who combine both kinds — and make a habit not to judge others by yourself.

Your own practicality should be a great asset in the business world. On the other hand, you might be wise to develop what is most likely a creative streak within you, for it is creativity coupled with practicality that accounts for the really big success in any field. Open your mind to the fact that to be creative is not necessarily to be fanciful; even the most practical inventions were first ideas in the minds of their creators.

Although you find it difficult to form close emotional ties with other people, the casual friendship is quite easy for you to establish. Thus, although you may lack intimate associates on whom you can lean, or who can really lean on you, you should not lack for companionship.

To find what is in store for you tomorrow, select your birthday and read the corresponding paragraph. Let your birthday use be your daily guide.

AN EXAMPLE OF A 'GULPIC' BID

West's opening club bid is sometimes called a "gulpic." The name is due to the fact that a player who makes that type of bid is apt to

grip a little.

North chose to double rather than overcall with one no-trump or make a trap pass. East's diamond bid was natural expert procedure. He did not want to take the chance that his partner had bid a club on a weak four card or even three card suit and that South would convert the takeout double into a penalty double by passing.

The rest of the bidding was normal enough except that we don't approve of West's three club bid. His side wasn't going anywhere and there was no reason for him to stick his neck out.

What do you do?

A—Bid three hearts. You have forced your partner to bid and want to allow him to stop short of game with a blank.

TODAY'S QUESTION

Instead of passing, your partner bids one spade over West's one diamond. East bids two diamonds. What do you do?

District Central Units Meet

Newly formed Legislative District Central committees met Saturday throughout the Magic Valley area to organize plans for the fall election campaigns and to fill ballot vacancies through appointment.

Republican representatives of Minidoka, Blaine and Lincoln counties met Saturday night at the Lincoln County Courthouse, Shoshone, and elected three vice-chairmen to represent District 21. Ralph Smith was elected for Minidoka County; John George, Lincoln County and Everett B. Taylor, Blaine County.

In the primary election Aug. 2, Stephen W. Bolter was elected Legislative District Chairman of District 21. Roger Ling, Rupert, attorney, was elected secretary-treasurer.

Special guests at the meeting were Mrs. Gwen Barnett, national committee woman, House Speaker Pete T. Carranza, Carey, and Rep. Dale Garner, Rupert.

Herbert Love, Shoshone, was elected chairman of the Democratic Legislative District 21 Central Committee Saturday when they met at the Shoshone courthouse. Mrs. Phillip Bare, Rupert, is vice chairman. Betty McDonald, Bailey, second vice chairman, and Mrs. Odell Smith, secretary-treasurer.

District 22 Republicans met at the Gooding Courthouse and because of a lack of quorum, no officers were elected. Allen Bauser, Camas County, is new district chairman. Finances for the coming campaign were the main topic discussed. District 22 includes Camas, Jerome and Gooding counties.

Budget problems and plans for the November election were discussed by those attending the Democratic District 22 Central Committee meeting held Saturday evening at the Lincoln County Courthouse, Shoshone.

Present committee members from Camas, Jerome and Gooding counties attended the meeting.

Joseph McCarter, Corral, is newly elected chairman of the district. Merrill Summers, Jerome, is vice chairman, Mrs. Aldrich Bowler, Hagerman, is secretary-treasurer.

District committees are made up of precinct committeemen elected in the Aug. 2 primary election.

Friday night the committeemen met in organizing sessions throughout the state, principally to elect county chairmen and members of the State Central Committee for each party.

Nine Candidates Seeking Title of Queen for Cassia Fair and Rodeo

BURLEY—Cassia County Fair and Rodeo opens Thursday with nine candidates for 1967 Cassia County Fair and Rodeo queen. The new queen will be announced at the close of Saturday night rodeo produced by Swaney Kerby Productions.

Charlotte (Matthews) Wickel, Albion, is reigning queen. On opening night Thursday Mrs. Wickel will receive a Western hat and trophy and will reign until the new queen is announced Saturday. Mrs. Wickel is the daughter of Mr. and Mrs. Kelly Matthews, Declo.

Candidates are Lora Kidd, daughter of Mr. and Mrs. Bill Kidd, Burley, sponsored by Burley Lions Club; Gwen Jacobs, daughter of Mr. and Mrs. Don R. Jacobs, Declo, sponsored by Burley Kiwanis Club; Leslie Eames, daughter of Mr. and Mrs. Louis Eames, Elba, sponsored by Burley Jaycees; DeLoa Anderson, daughter of Mr. and Mrs. Bill Anderson, Declo, sponsored by Burley Rotary Club; Pat Reed, daughter of Mr. and Mrs. Gene Reed, Declo, sponsored by Burley Elks Lodge; Kristine Anderson, daughter of Mr. and Mrs. Bill Anderson, Declo, sponsored by Oakley Vigilantes; and Carol Burton, daughter of Mr. and Mrs. Max Burton, Burley, sponsored by Cassia County Posse.

The contestants are judged on horsemanship, personality, poise and regalia. Each night of the rodeo the candidates will be seen performing duties and exhibitions. A point system is used in selecting the queen by three judges.

All queen contestants will attend the Queen Dance at 9 p.m. Wednesday in the Declo High School gymnasium. The event is sponsored by the Big "D".

Framework Said Cause of Ottawa Bridge Collapse

OTTAWA (AP) — A failure in construction framework has been blamed for the collapse of a section of a bridge in northwest Ottawa last Wednesday that killed eight workmen and injured 50 others.

In a report Monday night to the Ottawa City Council, Work Director Frank Ayers said the temporary frame for the center of the span "apparently dropped vertically." An inquiry and a municipal-province investigation are scheduled.

Roping Club, T. C. and the Mechanics orchestra will provide the dance music.

Reserve seat tickets for the rodeo may be purchased from noon to 5 p.m. daily at a booth located in front of Bryan's Cafe, 1242 Overland Ave. Tickets may be purchased after 5 p.m. at the fairgrounds daily.

Parl-mutuel horse racing will begin at 1 p.m. Wednesday through Saturday. Horse racing fans are looking forward to cheering their favorite horse in the Cassia-Doka Futurity race Saturday.

Sniper Victim Continues Plans to Wed

GARLAND, Tex. (AP) — "You can't keep a girl down when she's getting married," said Janet Pauls, one of the Austin sniper's victims. She left her husband, bed to plan for her wedding next week.

Janet, 26, and Abdul Kashab, 26, of Baghdad, Iraq, postponed the wedding from Aug. 20 until Aug. 27, but they'll walk down the aisle without assistance and with no handmaiden showing.

The couple was walking toward a snack shop on Austin's main street by the University of Texas Aug. 2 when they were knocked down by Charles Whitman's bullets from the tower.

"We were some of the lucky ones," Janet said, adding that neither her left shoulder or her fiancé's right elbow would be permanently impaired by the bullet wounds.

Janet was hospitalized 10 days and her fiancé 11 days. Since her return home last Wednesday, Janet says she has been rushing around taking care of details for what she hopes will be a quiet, simple wedding in Dallas' First Unitarian church.

Her mother has a ceremony writing his dissertation for a doctorate in organic chemistry. They plan to live eventually in Baghdad.

PRODUCTION UP
WASHINGTON (AP) — The Federal Reserve Board says the nation's mines, mills and factories increased their production during July for the 10th straight month.

There are 27 horses in the arena qualified for the event. The new queen will be elected in the trials Wednesday evening following the pari-mutuel races. Entered in the derby will be the eight fastest horses from the Mini-Cassia area.

Horses eligible for the race were nominated in March and paid a subscription fee to the racing association. Owners and horses that qualify for the derby must be residents of either Minidoka or Cassia Counties, the horses must be 2-year-old registered quarter horses.

Also scheduled Saturday is the Tuff Matthews derby with a \$1,500 purse plus entry fees. At present there are 16 horses entered in the race. All eligible horses must be 3-year-old thoroughbreds. The derby was named for the many years of service given freely by Clarence (Tuff) Matthews to Cassia County Fair and Rodeo.

Ten pari-mutuel races are scheduled Wednesday through Saturday with 1 p.m. as past time. The race track has been widened to 50 feet all the way around, announced fair board officials.

Friday night is kids' night at the rodeo, stated Don Loveland, secretary-manager of the Cassia County Fair. In past years kids' night has been held on opening night of the rodeo.

Jungert Glad Swisher Is Candidate
LEWISTON, Idaho (AP) — Pro-gambing gubernatorial candidate Phillip W. Jungert says State Sen. Perry Swisher's entry in the running "virtually assures my success in a four-way race for the governorship."

Jungert, of Lewiston, said the "occasional state senator is an overrated figure in the sales tax program," he said, "and stands as the only one put forth to date which will be adequate for Idaho's needs."

Jungert claimed Idaho would need a 10 per cent sales tax to bring education up to the national average and predicted the 1967 legislature will boost the three per cent tax to five per cent.
