Disqualified Men To Be Accepted In Armed Service

NEW YORK (AP)—Secretary of Defense Robert S. McNamara disclosed today Pentagon plans to accept for military training in the next 10 months 40,000 men ordinarily disqualified because of education and health reasons. He said the number would increase to 100,000 in the next fiscal year and in succeeding years. The men would undergo intensive training using facilities of the Defense Department—"the largest single educational complex the world has ever known"—to become "fully satisfactory soldiers," McNamara said in a speech prepared for delivery to the convention of the Veterans of Foreign Wars.

Aides in Washington described the training effort as unique and said men taken into the program will, like draftees and enlistees, be under military authority of the services.

Pentagon spokesmen said 85 per cent or more of such trainees are expected to qualify for military duty. Those who do not qualify "will not be retained" in the service.

McNamara told of the program in a speech that otherwise touched more on the war on poverty than the war in Vietnam.

Blast Sinks U.S. Ship Near Saigon

SAIGON, South Viet Nam (AP)—A Communist mine explosion ripped today into the American freighter Baton Rouge Victory, laden with war supplies for the fighting forces in Viet Nam, and sank her to main deck level in the Saigon River 22 miles southeast of this city.

Seven of the 45 American crewmen were killed and another suffered a fractured arm as water flooded the ship's engine room from a gaping hole. The ship's bow was holed in the port side. The Baton Rouge Victory, which was carrying 3,000 tons of war supplies, was on its way to the Gulf of Tonkin.

As a security precaution the Vietnamese navy temporarily closed the channel, one of the two main channels of the river between Saigon and the South China Sea, though the ship was off to one side.

Guerrilla-infested mangrove swamps line the river there.

Planes Battle Encephalitis Mosquito

DALLAS, Tex. (AP)—Six Air Force planes took off early today in a heaped up insecticide war against the mosquito that spreads encephalitis.

One-third of Dallas County was sprayed with a mist of Malathion insecticide last Friday and Monday. Another third was projected for the low-flying planes today.

Three planes flew the original mission but after adverse weather grounded them Saturday and Sunday, three additional C-123s were brought in.

Health officials have recorded 83 encephalitis cases with five deaths.

They said that as many as 70 more cases contracted before the spraying began could be reported between now and September.

"Once bitten, it takes up to 14 days before a person develops the illness," said Dr. Jay Sanford, chief of infectious diseases at Parkland Hospital.

Tips Given to Beat High Cost of Living

WASHINGTON (AP)—Here are some tips, negative and positive, on how to beat the high cost of living:

Don't:

- Get sick, cost so many on-sets, hit a baby after an after, get a new hair-do before the old one looks real dowdy.
- Don't:
- Walk more instead of riding, try an art museum once in a while instead of a movie, think twice before borrowing money at today's rates, take up bird watching instead of polo.

Area Youth Wins National Cowboy Title

WETUMKA, Okla. (AP)—Wilson Pate of Gooding, Idaho, won all-around cowboy Sunday in the win-up of the National High School Rodeo, finishing first in saddle bronc riding and second in the bareback bronc event.

All-around cowgirl honors went to Trena Engenhauer of Pecos, Tex., who won the girl's breakaway roping and finishing second in pole bending in the last go-round.

The finals events of the day were held in pelting rain, but the youngsters stuck to the schedule to put the finishing touches on the competition which began last Tuesday.

The 372 youngsters entered made it the largest National High School Rodeo competition since the contest for teenagers began in 1949 in Hallettsville, Tex.

States earning the most points in the competition were: first, Texas; second, Arizona; and third, Idaho.

Funds Asked For Remedial Reading Plan

An application for Federal funds totaling \$35,000 to finance a remedial program in language arts for the Twin Falls Public School System was approved Monday night by a special meeting of the Twin Falls School District No. 411 trustees.

School Supt. Ernest H. Ragland was to present the application to the State Department of Education Tuesday in Boise.

The funds are available under Title I, Public Law 89-10. Title I, according to Ragland, is geared specifically to benefit economically disadvantaged and educationally deprived children. A large portion of the funds, should they be granted, will be concentrated in the Black and Lincoln Elementary Schools, he added.

The remedial program in language arts includes two general areas. The instruction is being broken down into the general field of language arts, and the specific field of reading.

Noted Actor, Bushman, Dies at 83

HOLLYWOOD (AP)—Francis X. Bushman, whose virile handsomeness made him one of the screen's first stars, died today at 83 after a fall in his home.

Bushman, who entered films in 1911 and was scheduled to star in a new movie, suffered a fall Sunday and was confined to bed with an injured right shoulder and hip. Another fall this morning proved fatal.

The actor cherished the billing he earned at the San Diego World's Fair in 1915—"King of the Movies." He retained the title through his lifetime, although he had not starred in films since the 1920s.

Bushman's heyday in films came in the first decade of the silent film era. He was one of the first to share the limelight with such stars as Mary Pickford, Charles Chaplin and William S. Hart. Bushman was the most romantic of the silent stars, famous for his figure with classic profile.

FIFTY YEARS OLD, the Twin Falls County Fair and Rodeo will go all out this year to celebrate the event. Looking at poster during annual advertising dinner Monday night are, from left, Cotton Ross, rodeo producer; Parley Harmon, fair board vice president; and Grover Davis, Filer. Davis is one of those responsible for organizing the county fair 50 years ago.

City's Government Slammed by Senator

WASHINGTON (AP)—Sen. Abraham A. Ribicoff charged today the Los Angeles City government as described in testimony by Mayor Samuel Yorty is inefficient and "doesn't stand for a damn thing." Ribicoff made the assertion after Yorty talked of divided responsibility and said he lacks jurisdiction over major social and economic programs. Ribicoff said the people who live in Los Angeles "aren't doing very much to prevent another Watts."

They can bring their hands and pray that it won't happen again," Ribicoff said. "They're closing their eyes to the great public responsibilities."

"We're a great city," Yorty protested.

But Ribicoff and Sen. Robert F. Kennedy, D-N.Y., joined in charging the government Yorty described is hapless and unable to cope with the afflictions of the big city.

"Ribicoff said Yorty, in two hours of testimony before a Senate subcommittee, had waived authority over education, welfare, health, transportation and employment."

He said that left ceremony, the police department, and recreation as the functions of the mayor.

Yorty added to the list the fire department and sanitation.

He said the city charter needs reform.

Ribicoff said Yorty has disclaimed authority over everything that makes a city move.

"I would say that the City of Los Angeles right now from what you've said doesn't stand for a damn thing," Ribicoff said.

The Connecticut senator said he expects an array of new programs to help troubled American cities in the next two years.

"I would say that the City of Los Angeles is not organized to do so," he said.

Argentine Students Set New Protests

BUENOS AIRES, Argentina (AP)—Argentine students launched fresh anti-government demonstrations Monday night, acclimating with police and storming a dean's office before police drove them off with tear gas.

About 45 students, including some cops, were arrested in clashes with police.

The new outbreak of violence came as the University of Buenos Aires resumed classes after five of its colleges under government demonstrations were to protest resumption of classes without the university's traditional autonomy, canceled July 28 when the government took over and charged the country's students with Communist infiltration.

The intervention by the military regime of President Juan Carlos Onganía triggered violence here and criticism abroad.

Police routed one group of 700 students with tear gas after they gathered on campus, following up a protest by an estimated 1,300 students.

2 Known Dead In Indiana Blast

FORT WAYNE, Ind. (AP)—Two persons were killed, at least 10 injured and an undetermined number of employees trapped today by a blast which destroyed part of a wire company complex.

Some 400 rescue workers, Army and Marine Reservists, and National Guardsmen were on the scene of the rubble of the personnel building belonging to the Indiana Road and Wire Division, Phillips-Dodge Corp., seeking workers thought to be trapped by the mainline explosion.

The actor cherished the billing he earned at the San Diego World's Fair in 1915—"King of the Movies." He retained the title through his lifetime, although he had not starred in films since the 1920s.

Bushman's heyday in films came in the first decade of the silent film era. He was one of the first to share the limelight with such stars as Mary Pickford, Charles Chaplin and William S. Hart. Bushman was the most romantic of the silent stars, famous for his figure with classic profile.

FEVER KILLS 19 MANILA

MANILA (AP)—At least 19 people have died and 239 have been admitted to hospitals following a outbreak of hemorrhagic fever in Manila.

The average housewife, though, cannot make a great bit in the cost of living by adjusting the food budget. For one thing, most folks have to eat. For another, Arnold Chase, a food commissioner of labor studies, cited figures to show that food prices are not the cheapest villana in the cost of living drama.

Press Dinner Marks 50th Year for Fair

Fifty years old and still going strong, the spirit and actuality of the Twin Falls County Fair and Rodeo was the main point of discussion during the annual fair board-sponsored advertising dinner Monday night. In addition to representatives from Twin Falls County news media, past board members and contributors for the first purchase of land gathered at the Rogerson Hotel Roundup Room to begin celebration of the fair's 50th anniversary. William Moore, board member from Hansen, presented a short history of the fair and its beginnings.

In 1915 a large harvest festival, complete with horse racing, was scheduled for the latter part of September, but the weather was so bad that the celebration had to be canceled.

Thus, the weather was responsible for several civic-minded citizens banding together to urge the county commissioners to provide a fair to display them, still are buildings and maintain an annual county fair.

The group proposed the purchase of 40 acres near Filer, with funds to be provided from donations. Records from the County Commission meeting show that action on the proposal was deferred 10 days because a group from Twin Falls was preparing to make a similar offer.

At the next County Commission meeting the Twin Falls citizens' offer was accepted and accepted on Monday when the temperatures dropped to 22.

The Filer group then set to work to raise \$10,000, a formidable amount of money in 1916. People from throughout the county gave their support. The project, the money was raised and the present site of the county fair was purchased.

A 1916 copy of the Filer Citizens' Record tells that a "better milking contest, a dairy milking contest and a men's free-for-all foot race were featured at the program for the first Annual Southern Idaho Fair."

Some livestock barns and other buildings were completed during that first year, with tents being used for other displays. As the years progressed and interest in horse racing waned, the rodeo was introduced, and the fair has thrived and survived many hard times.

From this beginning, with an estimated 4,000 people attending the 1916 effort, the celebration has grown to an estimated 1965 attendance of nearly 57,000. Of the 65 board members who have served over the past 50 years, only 26 are still alive, including the present board of seven. Most were present with See COUNTY FAIR, pg. 2, col. 6

The flag kits have been sold at cost over the last several years by the Times-News as a public service. The newspaper is discontinuing sale of the flag kits when its present stock is gone since similar kits now are available at local retail stores.

The last 20 kits will be sold on a "first come, first served" basis at cost, \$3.50.

King Rejects Request to Cancel March

CHICAGO (AP)—Dr. Martin Luther King Jr. has rejected a request to cancel a march to suburban Cicero, and other civil rights leaders have announced new demonstrations in support of open housing.

Aides of King, who was in Atlanta, Ga., met in early morning hours to discuss a march to a Southeast Side neighborhood. The Rev. Jesse Jackson told a rally Monday night that there would be a march today in the South Dearling area. Monday night, the plea from Sheriff Richard Ogilvie to halt the scheduled march into all-white Cicero Sunday was rejected by King.

"We fully intend to have the march," said King. "We have talked with Ogilvie about this and he has agreed to let us march. We have announced our plans last Saturday. We feel that we have honored in good faith his request for seven days notice. In fact we gave eight days notice."

Automakers Uneasy Over Contracts

DETROIT (AP)—The United Auto Workers Union gives every indication it is not taking as final the Big Three automakers' rejection of contract reopening to give wage boosts to skilled workers. General Motors, Ford and Chrysler are apprehensive as they shift into high gear on 1967 models, despite labor contracts which run until September of next year. Unrest within any major segment of their 700,000-man labor force holds the threat of work stoppages or slowdowns. None wants this in a boom market such as has existed last year and this.

GM, Ford and Chrysler separately turned down a UAW demand for immediate contract reopening to give skilled workers an immediate wage increase of at least 50 cents an hour.

The Big Three said reopening wasn't justified, pointed to upcoming automatic raises next month under current contracts and said, at least in effect, the union should abide by the three-year pacts signed in 1964.

The UAW contends its tradesmen working in plants are underpaid when compared with those of similar skills working elsewhere, particularly in the building trades. There have been demonstrations to emphasize this theme, and at least one factory shutdown.

Douglas Fraser, codirector of the union's skilled trades department, said the question of reopening now would be advanced to the top of the agenda for a meeting Sept. 7 of the UAW's international executive board.

President Expected for Ceremonies

BOISE (AP)—One of President Johnson's Air Force One jets, believed to have been in Idaho to prepare for a presidential visit Friday, returned to Washington today carrying Gov. Robert E. Smylie.

President Johnson is expected to participate in ceremonies at the National Reactor Testing Station near Idaho Falls Friday, although the White House has not confirmed such an itinerary.

The President's four-engine jet, which airport sources said carried an advance party of Secret Service agents, was parked overnight at Boise Municipal Airport.

The plane was understood to have stopped at Pocatello and Idaho Falls airports for inspection Monday before arriving at Boise. There has been no speculation about the picture included in the President's trip.

Smylie planned to fly to Washington by commercial jet Wednesday to attend a meeting of the President's Commission on State-Federal Relations in the White House.

The governor's press secretary, Norman Martin, said the White House authorized Smylie to travel instead with the returning presidential plane.

The plane, with big trimming and an American flag painted on the tail, is one of several that carry the Air Force One designation.

Idaho Crops Are Damaged By Frosts

By The Associated Press

Some potato and other crops were damaged by frost over the weekend and Monday, reports from throughout the area indicated today.

Temperatures dropped to 20 or below from the high 30s and 40s north to the Rexburg-St. Anthony area and throughout the Snake River Valley.

There was light damage in the Blackfoot area Monday when the temperatures dropped to 22.

Teton County Agent Wayne Cole said unofficial readings of 20 were reported in the Teton Basin. This, he said, probably would bring extensive damage to the Teton seed potato crop. He estimated a 40 per cent loss, comparing this frost with early spring freezing. He also said about half the pea crop was damaged. The peas had not yet been harvested.

At St. Anthony, E. M. Jergensen, volunteer weather observer, said the temperature dropped to 30 Saturday and 29 Sunday. He said frost damage was extensive on potatoes in the Teton and Newdale areas east of St. Anthony and the Ashton area.

Point damage also was reported in the Rockford area west of Blackfoot.

Blast Drops Church Roof On Meeting

PLAINVIEW, Tex. (AP)—A thundering explosion Monday night sent the roof crashing down on 200 worshippers in the Church of God in Christ. Falling debris killed a woman and injured 53 other persons.

Twelve persons were trapped for a time as a small fire broke out and was quickly quenched in the concrete block and frame building.

Investigators found no ready explanation. One fireman thought he smelled natural gas but officials said they had detected no evidence of it.

"The United Baptist choir was singing when it happened," said Elder Henry Jackson, 32. "The lights went out, then there was an explosion that blew the floor out of the building and then the roof fell in."

"It blew me up in the ceiling, then fell back in the chair where I had been sitting and turned over backwards," Recovered plodded through mud left by two days of rain to get to the wreckage, using a truck crane to hoist big pieces of the roof.

"They found the body of Mrs. Patricia A. Dukes, 44, of Paducah, beneath timber that crumpled down on the rostrum where she was sitting. She was the district president of the church's women's auxiliary."

CHECKS OF \$250 EACH are presented to Mrs. George H. Tate, Kimberly, and Gary Stroder, Jerome, by Times-News Managing Editor Lowell Dick. Mrs. Tate won the \$250 prize in the second annual Intern Prize Competition of the Newspaper Fund, Inc., supported by the Wall Street Journal, the

only university sophomore in the top 25 winners and the only winner in all of the Pacific Northwest and Intermountain West. Stroder's check is the second "installment" on a Times-News scholarship that probably will total \$1,000 before he completes college. (Times-News photo)

2 Times-News Employees, Both College Students, Presented Awards for Work

Two university students working the summer months at the Times-News have received checks of \$250 each. The students are Mrs. George H. Tate, Kimberly, and Gary Stroder, Jerome. Mrs. Tate's \$250 check is a prize in the second annual Intern Prize Competition of the Newspaper Fund, Inc., supported by The Wall Street Journal. Stroder's \$250 check is the second step of a scholarship from the Times-News, a scholarship that can total \$1,000 during his stay at college. He has worked at the Times-News the past two summers and received the first \$250 scholarship check at the end of his work last summer.

Both students were freshmen last year at Idaho State University, Pocatello. Mrs. Tate earned a 3.4 grade point average and Stroder had a 3.2 average out of a possible 4.

Mrs. Tate is one of 35 college students who won prizes ranging from \$100 to \$500 in The Newspaper Fund's competition. But she is the only sophomore among the top 25 students receiving \$250 or \$500. There are only two other sophomores on the entire list, including 10 winners of \$100 and 15 honorable mentions. Most of the winners are college juniors or seniors, although several are graduate students.

Mrs. Tate's first newspaper experience has been this summer with the Times-News. She has spent the summer writing stories and taking photographs for the Women's World special edition scheduled for publication in October.

She had planned to return to Idaho State for her sophomore year but now will enroll as a

sophomore in the College of Southern Idaho, Twin Falls. She also plans to continue working at the Times-News, at least part-time this winter. Mrs. Tate, a high school graduate from Seattle, is a granddaughter of Mrs. Mary Bolton, Twin Falls. She came to Twin Falls two years ago to stay with Mrs. Bolton, who had been in poor health. During the stay, she met George Tate and they were married. Last winter, both attended Idaho State University—and both worked every weekend at Club 93, Jackpot.

They piled in their Volkswagens every Friday afternoon and drove the 165 miles to Jackpot, worked three shifts and drove back to Pocatello, arriving around 3:30 a.m. Monday. Mrs. Tate had an 8 o'clock class, but Tate could sleep a little longer before heading for his 10 o'clock class.

Mrs. Tate's prize was awarded on the basis of a 750-word essay on what she had learned during her summer's work at the Times-News and what she hopes to achieve in journalism. She was nominated for the award by Managing Editor Lowell Dick who selected her from among four college students who have been working as reporters on the Times-News this summer. Mrs. Tate is the only winner on the list from the Intermountain West and Pacific Northwest.

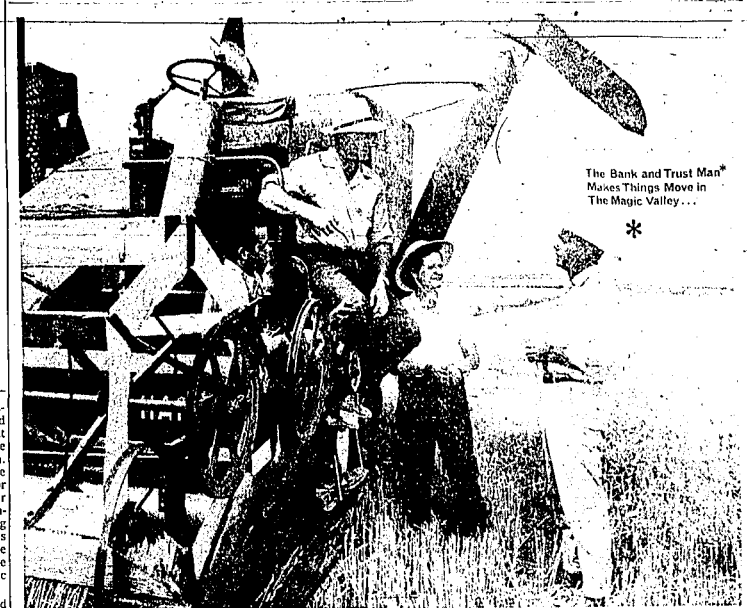

The Times-News has hired college students for summer

work for more than 20 years. In addition to Mrs. Tate and fall, Miss Williams, senior at Brigham Young University, and Miss Smith, junior at the College of Idaho, Caldwell. Mrs. J. T. Anderson, working her second summer, and Mrs. Victor Smith, Route 3, Twin Falls, Miss Smith has worked only on the proof desk. Miss Anderson will be a junior

Finding Time For Oneself Is Important

By RUTH MILLETT

NEW YORK — A woman should never tell herself that she is too busy and too burdened with responsibilities to others to—

Make time for maintaining at least a few friendships with other women.

Find time to keep herself well-groomed and neatly dressed.

Plan at least once a week to do something simply for her own enjoyment—something that she can anticipate with pleasure.

Read for information so that she knows more about what is going on in the world than she hears on brief newscasts on television.

Have a close companionship with her husband that doesn't include the children — perhaps getting away with him for an occasional weekend.

Develop at least one home-making talent in which she can take pride.

Even during the busiest years of her life a woman needs to remember that she, too, is an important member of the family and that if she is to be happy and contented she must always find a little time for herself . . . time for at least some of the things that give her pleasure and a feeling of accomplishment.

The woman who doesn't hold onto a little time for herself when the demands on her time and energy are the greatest, can feel suddenly lost when her children are gone from home.

The friendships she should have been making through the years haven't been made. The close companionship she could have found with her husband has been so neglected they have few interests in common. The talents she might have cultivated hardly seem worth bothering with.

For a woman, happiness in the middle and later years depends to a large extent on finding time for herself in the early years when it is so easy for her to push her own needs and interests aside until "later." But later is often too late.

Garden Wedding Rites Unite Valley Couple

RUPERT—A garden wedding ceremony united in marriage Bonnie Janice Keely and Gary William Rogers at the home of the bride's parents, Dr. and Mrs. Carl E. Keely, Rupert, Aug. 5.

The three-tiered wedding cake, decorated with cascading white roses and topped with fresh white carnations, centered the bride's table. The cake was accented with greenery and white carnations around the base. Mrs. George Pirie, Grandview, Wash., aunt of the bride, cut and served the cake and Mrs. Charles Henning, aunt of the bride, and Mrs. Al Aushall poured coffee and frappe.

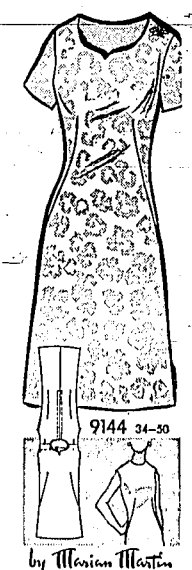

Guests were seated at round tables covered with white lace and centered with arrangements of white gladioli and blue baby's breath.

Out-of-town guests attended from Coupsville, Grandview and Seattle, Wash.; Batavia, N.Y.; Fairfield, Bellevue, Boise and Twin Falls.

The couple will reside in Boise, where Rogers will attend Boise College this fall.

Writer Notes Back-to-School Fashion Trends

By HELEN HENNESSY

NEW YORK — (NEA)—Back-to-school fashions this season have the double advantage of convenient wearability and a pert, amusing look. "They combine wear and flair," says the National Board of the Coat and Suit Industry. Getting the message are back-to-schoolers who crowd coat and suit departments.

Pea coats are in with the crowd without looking as though they were in last century's naval boudoir. Also updated are seven-eighths-length coats in low, buckled belts.

Fur is a must in fashion but so is convenience. The ease of the total look eliminates searching for matched parts. And designers in the know even match poor boy sweaters to coats and suits. Convenient, too, is the detachable hood that gives the brush off to kerchiefs.

Except for tent-coats, great for topping suits or blouses, coat shapes are skinny. Suit skirts often have pleats, but these are narrowed.

The fleet's in this season. Just as the militia was a few seasons back. Sassy looks feature Jack Tar collars, pockets, belts and epaulettes. The navy, too, inspires coats shorter than dress hems.

Fabrics are less bulky than last time around. Some are double-woven or bonded for more body and less bulk. Geometrics and black and white tattersall will be big factors.

Social Events

Goodwill club will meet at 2 p.m. Wednesday at the home of Mrs. Ronald Scherpp, 326 North Locust. The program will be hair and wig demonstrations.

Country Club Flower Club will meet at 2 p.m. Thursday at the Berger Community Hall with Mrs. C. M. Laning as hostess. The program will be making plaques of dried material.

Hemingway's Suicide Is Admitted

NEW YORK (AP)—Mrs. Ernest Hemingway, widow of the Nobel Prize-winning author, acknowledged publicly Monday for the first time that her husband committed suicide.

In an interview published in the current issue of Look Magazine, Mrs. Hemingway is quoted as saying:

"No, he shot himself. Shot himself. Just that. And nothing else. For a long time I refused to admit it even to myself, pretending it had been an accident. Admitting the truth would've snapped my nerves, so I kept my brain busy."

In the same article, Mrs. Hemingway disclosed that her husband had turned down a Soviet offer to pay royalties on his books with the comment: "I'll be happy to accept when you grant the same treatment to all American writers."

Hemingway's body was found in his kitchen, Idaho, hanging from a beam, on July 2, 1961. He had been killed by blasts from both barrels of his favorite double-barreled shotgun.

The official ruling was "death from self-inflicted gunshot wound in the head." No ruling ever was made as to whether the death was accidental or suicide.

Last January, in a New York court case, A.E. Hotchner, a long-time associate of Hemingway and writer of a best-selling book about him, said in an affidavit that the author committed suicide after psychiatric treatment failed to help him.

Hotchner said Mrs. Hemingway brought court action to ban his book, "Papa Hemingway," from publication and distribution "because she wishes to hide from them (the reading public) and perhaps herself the truth of Ernest's death."

Mrs. Hemingway lost the lawsuit.

Outbreak of Violence Seen In Capital

WASHINGTON (AP)—Scores of Negro youths—many of them teen-age girls—threw rocks and bottles at passing motorists and firemen late Monday night and early today in a section of northeast Washington.

It was the second such incident in the capital in seven days. One motorist was injured slightly during the three-hour disturbance which at its height, police said, involved nearly 200 riot-throwing youngsters.

Adult Negro leaders, summoned by police, were successful in dispersing "the youngsters." Nearly 50 policemen from Washington and Maryland stood by, ready to move in if necessary.

In addition to throwing stones at passing autos, youngsters pelted several District of Columbia fire department trucks when they responded to two false alarm calls in the area.

None of the firemen was injured and no damage was reported to their equipment.

Cause of the disturbance is not known, police said.

Cow Is Killed Near Shoshone

SHOSHONE—An 800-pound cow owned by Edward Sharp, Shoshone, was killed when it was struck by a 1965 Mercury driven by Maurice O. Ellsworth, 114, at 9 p.m. Saturday 15 miles north of Shoshone on U.S. Highway 89.

Sheriff Thomas W. Conner, who investigated the accident, said the driver reported he did not see the cow until it was too late to avoid hitting it. The animal was a black Angus.

Damage to the vehicle was estimated at \$2,000. One of the six occupants in the car, Kenneth Falkworth, 10, 114, was injured.

REP. WHITE SPEAKS
PRIEST RIVER, Idaho (AP)—"We owe both our mobile population and future generations a full share of enjoyment in Idaho's matchless outdoor beauty," said Idaho's Rep. Clapp, Monday.

The Idaho Democrat said development of the state's natural resources must include expansion of outdoor recreation facilities.

CLAPP WON'T RUN
BOISE (AP)—Secretary of State L. E. Clapp, who lost the Democratic nomination for the office in primary elections to Conley Ward of Caldwell, said Monday he will not be a write-in candidate.

"I believe the Democratic ticket has an outstanding slate of candidates," Clapp said in a statement, "and I intend to support all of them."

Clapp said he issued the statement to discourage rumors that he would remain in the running as a write-in.

ARTICLES FILED

Grandson Won't Attend West Point

NEW YORK (AP)—Mamie Eisenhower revealed today that her grandson David, 18, has decided not to follow the lead of his father and grandfather in attending West Point.

David, who was graduated from Phillips Exeter last June, will attend Amherst College, the former first lady said in a copyright article in the current issue of McCall's magazine.

"His parents felt that the decision should be David's alone, and was," Mrs. Eisenhower said, adding that she is proud of the decision.

Talking about romance and marriage, Mrs. Eisenhower criticized the modern trend toward casualness and informality.

She said she and former President Dwight D. Eisenhower recently saw a young couple, the girl with her hair in curls.

"I think the general was appalled," Mrs. Eisenhower celebrated her 70th wedding anniversary last July and will mark her 70th birthday in November.

She said, "I'm afraid that too many young people today are so casual and modern that they leave nothing to a man's imagination. Where is the glamour if all the artifice is out in the open?"

The Eisenhowers today live a fairly quiet life. According to Mrs. Eisenhower they rise early and the young go to his office. After lunch, she says, he returns to his office to work on a new book of reminiscences.

The former first lady said she does not miss the excitement of her earlier life.

"No one who has ever been in that terrible limelight would ever seek it again," she said.

The officer summoned another officer and city firemen, who helped him remove the youths and extinguish the blaze.

Both youths were jailed for intoxication.

2 Patrolmen Injured by Negro Youths

NEW YORK (AP)—Negro youths tossed rocks and debris at police Monday night, injuring two patrolmen in Brooklyn.

The youths, some of whom were armed, were seen in the area. Four youths were arrested and several others were taken to the hospital.

The incident followed the arrest of a Negro youth at a liquor store in the slum neighborhood. The scene of violent racial disturbances two summers ago.

About 800 youths from all parts of the city were sent into the area. Four youths were arrested and several others were taken to the hospital.

A patrolman, Robert Dunigan, the officer who attempted to make the arrest, received minor injuries and was treated on the scene.

Police said a group of about 300 Negroes had gathered on the street expecting an attack from a group of whites in reprisal for the killing of a white youth Sunday night by six Negroes.

Some store windows were broken, but police said over-all damage was slight.

LSD Worth \$140,000 Is Seized

NEW YORK (AP)—Police overpowered a self-described college teacher and seized LSD today, said a source.

The source said the LSD was worth \$140,000 on the illegal market—the largest quantity of the hallucinogenic drug authorities said they had ever confiscated.

Under arrest was Allen Sugerman, 28, of Springfield, Mass., who detectives said threatened to shoot them when they identified themselves as police.

Sugerman claimed to be a graduate of the University of Melbourne, Australia, and a teacher of history and English there.

According to detectives, Sugerman's arrest followed a tip he was supplying large quantities of LSD for sale in Greenwich Village and midtown Manhattan. A purchase was arranged and police said they had handed over \$10,000 to him when he allegedly pulled a gun.

The total amount of LSD seized was one quart, enough for 40,000 doses, each selling at \$3.50, police said Monday after the arrest.

Sugerman was charged with selling LSD, a crime in New York, violation of the weapons law and felonious assault.

Admission of Red China to U.N. Reviewed

WASHINGTON (AP)—U.N. Ambassador Arthur J. Goldberg says the United States is carefully reviewing its position toward admission of Communist China to the United Nations.

But as of now, he adds, the U.S. stand remains unchanged—the United States would never agree to Red China's stipulation that Nationalist China be expelled from the organization before the Communist regime would have any interest in joining.

YOUR BIRTHDAY and HOROSCOPE

TUESDAY, AUGUST 23—Born today, you have as your main character trait reasonableness. Emotional extremes, are quite against the grain of your basic nature, being neither quick to anger nor quick to know pure, unadulterated joy. Although you are aware of changes of mood in yourself, you are not one to be controlled by moods.

Indeed, your periods of depression or of elation are neither deep enough nor high enough to control your actions—even if you attempted to allow them to do so.

One who seldom hesitates to ask for aid if it is needed, you lack entirely the sort of false pride that hampers so many people on the road to success. Quite willing to accept a "leg-up" in your career, should it be offered, you are nevertheless too imbued with a sense of honor or to take such assistance at the cost of another's position or pride.

Although you are capable of deep and lasting affection and love, there are not many who realize this. To the majority of people you are friendly—but not too friendly—cooperative, and pleasant to be with, but you are not the embodiment of love and loyalty. To those special few whom you hold dearer than all the rest, however, you show great depths of feeling.

To find what is in store for you tomorrow, select your birthday and read the corresponding paragraph. Let your birthday star be your daily guide.

Wednesday, August 24
VIRGO Aug. 24-Sept. 23—This is no time to allow others to invade your private world. Keep entry into your innermost feelings a matter of invitation only.

LIBRA (Sept. 24-Oct. 23)—An excellent day for entertaining business associates and achieving your professional ends at the same time.

SCORPIO (Oct. 24-Nov. 22)—Take care not to be thrown off your budget by another's enthusiasm for something you definitely cannot afford.

SAGITTARIUS (Nov. 23-Dec. 22)—Morning despair should be your star.

“Discovery” Takes Look at City of Tokyo

An engrossing look at the teeming city of Tokyo, a metropolis of 10 million people, is a feature of a new series of television programs. The first, “Discovery ’69” Sept. 11.

Frank Buxton is the program host. In the first segment of a two-part program titled “Discovery Goes to Japan,” viewers will see Japan through the eyes of Japanese and the Hara, who live there with their three children in the Kanda Bunkyo District of Tokyo. The neighborhood is called that because it is the home of Tokyo’s sellers of old, rare and used books.

Hara is a real dealer, and one of the poems in his house holds the equipment and machinery he uses to convert used cars into Japanese cars. Several years from now, Hara’s eldest son, Shunichi, 11, will own the business because inheritance by the No. 1 son is traditional in Japan.

The “Discovery” cameras will also focus on Shunichi’s class at Tokyo’s Hinozaki Middle School, which corresponds to junior high school in the United States, and take viewers to a class on the Japanese language.

In addition, “Discovery” will take audiences to the famed Korakuen Amusement Center, which houses a baseball park, a roller and ice-skating rink, an Italian snack shop, an electric sports car track in the background and the sounds of recording artists Joan Baez, Chuck Berry and the Beatles.

Program Has Parody on War Camp

“Big Crosby Productions” “Hogan’s Heroes” begins its second season on Sept. 16, with a parody on life in a World War II POW camp called “Hogan Gives a Birthday Party.”

In one brief half-hour episode, Sgt. Hogan (Bob Crane) and his intrepid heroes bomb a suburban oil refinery in a stolen Hindenburg bomber, parachute safely back to Stalingrad, their POW bomb-throwing from Germany, capture a German general, and fly him to England in the aforementioned parachute plane.

It’s quite a day’s work, even for the heroes.

The opening episode also serves to introduce the newest member of the cast, a voluptuous, peasant-blonde blonde named Hilda played by Sigrid Valdez.

Miss Valdez’ initial scenes in the series are modest, but, as they say in show biz, she’s a stand-out.

Series’ co-stars are Warner Klemperer as Col. Klink, and John Banner as Sgt. Schultz. Featured players are Richard Dawson, Robert Clary, Larry Hovis, Ivan Dixon, and Miss Valdez. Producer is Edward H. Feldman.

Lorne Greene Carries Out ‘Operation Friendship’

HOLLYWOOD—Lorne Greene did not think twice when asked where, in the world, he would like to live.

“Among friends,” he said, adding, “People are nice if you let them be. If you treat them as human beings.”

Greene could live anywhere because he has made friends everywhere as Ben Cartwright, the patriarch of the NBC television network’s popular series, “Bonanza,” colorcast Sundays.

“I enjoy people,” Greene said candidly, in commenting on the tremendous public response wherever he goes, even on his vacation, like this last summer.

“I (my wife and I) were in a restaurant in Rome,” he said, “We tasted a Mexican family at a nearby table. Soon they and their teenage children came over and invited us to their home if we ever came to Mexico. A family from San Francisco sent over a bottle of champagne. A Japanese family came over, apologized for the interruption, and then said they wished to express not only their own appreciation of the series but also everyone’s back home. They asked if they might take our picture.”

Greene drew crowds, and stopped traffic, wherever he went — at Michaelangelo’s statue of Moses, along the Via Veneto on Easter Sunday and at the airport in Rome.

Astaire to Host ‘Palace’ Show

Fred Astaire is the guest-host on “The Hollywood Palace” ABC-TV colorcast Sept. 10 (9:30-10:30 p.m., PDT), and is joined by Ethel Merman, Marcel Marceau and Jack Jones.

Astaire opens the show with “Fascinatin’ Rhythm” and “Lady Be Good.” Ethel Merman, the first lady of Broadway, with 13 musical hits to her credit, solos “Some People” from “Gypsy,” her last and favorite Broadway show, and joins Astaire for a medley of his songs: “I’ve Got Rhythm,” “Everything’s Coming Up Roses,” “Let’s Face the Music and Dance” and “Anything Goes.”

Sections of the United States, and Canada, Latin America, the Pacific, and Europe will be in Williamsport for the finals Aug. 27-29.

Also to today the defending champion Windsor Locks, Conn. team is in contention for the eastern U. S. title. Only one city ever repeated in a bid for the Little League title — Monterrey, Mexico, which won in 1957 and 1958. The winning team, however, represented different leagues in Monterrey.

Flintstone Gets Date for Wife

Fred faces a headache to get out of attending a violin recital with Wilma, on “The Flintstones” in color Aug. 26 (ABC-TV, 7:30-8 p.m., PDT).

"Court Martial" Defender Named

Major Frank Whittaker is assigned to defend Capt. Anthony Merrill, charged with murdering a fellow officer, on "Court Martial," Aug. 26 (ABC-TV, 10-11 p.m., PDT).

In "Achilles' Heel," Whittaker leaves London for Italy, where Merrill and the victim, Lt. Jeff Amoley, had served together in a special intelligence unit, to conduct an investigation. Bradford Dillman stars as Capt. David Young and Peter Graves as Maj. Whittaker. Kenneth J. Warren is featured as Sgt. MacCaskay and Diane Clare as Sgt. Webb.

Stocks

NEW YORK (AP)—The profit sliced gains as the stock market closed in a water of plus and minus signs today. Trading grew heavier near the end.

In late dealings Xerox halved its 3-point rise, and Polaris slashed a rise of nearly 50 points to 3.

Volume for the day was estimated at 10.5 million shares compared with 8.9 million Monday.

There was the picture near the close:

Stocks rose in early morning, backed away from gains and showed a loss by noon, then after they recovered, wiped out their losses and moved higher late in the day.

Speculators were whipsawed by the up-and-down market action. Commander stocks in electronics, aerospace, office equipment and color television passed both rallies.

Some favored issues were passed on big blocks, reflecting a return of big investment money to some extent.

Many other issues continued steady, lower. Transworld Airline was off 4 1/2 points, Eastern Airlines almost 3, Chicago & North Western 3, and Union Carbide 2.

Analysts called the market action technical, since there was no special news to account for the performance.

Reactions to the action on the American Stock Exchange. Trading was heavy.

Four-Run Rally in First Inning Points Ogden to 7-2 Victory Over Cowboys

Ogden's Dodgers turned loose extra base-power in the first inning for four decisive runs and coasted past the Magic Valley Cowboys 7-2 Monday night. After Jim Hibbs, who collected four RBI's, swatted a two-run homer in the first, the Dodgers were home free although the Cowboys outlit the victors 11 to 10. Ogden started the assault on loser Ron Clark in the first inning when Bob Harvey walked with two out. Hibbs followed with his homer and Mike Crivione kept it going by being hit by a pitch. Bill Russell's single got two men on base and both scored on Walt Pierce's slashing double.

Lewiston Unbeaten In Legion Tourney

SHERIDAN, Wyo. (AP)—Lewiston, Idaho, took the inside track to the Region 7 American Legion baseball tournament Monday night by defeating Klamath Falls Ore., 13-2. Klamath Falls scored runs in the second and third innings for a brief lead, but came unglued in the fifth when the Idaho champions scored six runs on only one hit.

Contributing to the collapse by the Oregon team in the wild fifth inning were five walks, two wild pitches and three passed balls. Bob Moore was the losing pitcher and was relieved by Bob Grant in the fifth. The snappy Lewiston infield nipped two possible rallies by Klamath Falls with a pair of double plays.

Klamath Falls will play Billings, Mont., Tuesday afternoon in the fourth inning and five more in the sixth to defeat Billings 10-4. It was the first defeat for Billings.

Klamath Falls ripped Casper 10-0 on the strength of 11 runs in the fifth inning with two away. The loss ousted Casper from the tourney.

Billings kept its hopes alive by eliminating Yakima 3-2. Klamath Falls 000 000—2 7 1. Lewiston 000 252 03x—13 7 1. Bob Moore, Bob Grant (6), and Bob Williams, Bob McKinnon and Ken Ray, W-McKinnon, L-Moore.

Hundley Bats Chicago Past Mets by 8-4

CHICAGO (AP)—Randy Hundley continued his prodigious hitting against New York pitching, walloping his 18th home run of the season as the Chicago Cubs defeated the Mets 8-4 Monday.

Hundley's two-run homer in the second inning was his 18th hit in 30 times at bat against the Mets, a 444 pace.

Ron Santo's double and an RBI forceout by John Bocabella accounted for two Cubs' runs in the third.

Jim Hickman drove in the first two Mets' runs in the fourth with his fourth homer.

Ken Holtzman was the winning pitcher, giving him seven victories against 12 losses. Dick Selma, recalled from Jacksonville of the International League last week, was the loser.

New York... 000 200 002—4 8 10. Chicago... 022 013 00x—8 12 1. Selma, Friend (4), Helder (4), Terry (5) and Grothe; Holtzman, Hundley, W-Holtzman, 7-12. Selma, 3-5.

Carlton Halts Houston 3-0 For Cardinals

HOUSTON (AP)—Curt Flood drove in two runs and Steve Carlton pitched a seven-hitter, leading the St. Louis Cardinals to a 3-0 victory over Houston Monday night.

Carlton allowed only one Astro to reach third as he gained his first major league shutout. Ron Davis singled in the third inning and two outs inter Chuck Harrison doubled him to third. But Carlton struck out Dave Nicholson, ending the threat.

Harrison's error and singles by Orlando Cepeda and Flood brought the Cardinals their first run in the first inning.

Then in the fifth Julian Javier singled, Cepeda was hit by a pitch and Flood again singled for another run. Javier drove in the Cardinals' final run with the eighth-inning sacrifice fly.

St. Louis 100 010 010—3 11 0. Houston 000 000 000—0 7 2. Carlton and McCarver; Bruce, Taylor (2), Semblinski (4), Carlton (8) and Brand, W-Carlton, 2-1. Bruce, 2-10.

Pirates Rally In Fourth to Edge Phillies

PITTSBURGH (AP)—Bill Mazeroski's fifth-inning triple sparked a four-run rally and staked the Pittsburgh Pirates to a lead they never relinquished as they downed the Philadelphia Phillies 6-5, Monday night.

Pittsburgh pounded out 17 hits in keeping its one percentage point National League lead over San Francisco, which defeated Cincinnati 5-2.

Singles by Roberto Clemente, Willie Stargell and Donn Clendenon got the Pirates started in the fifth, cutting the Phillies' lead to 5-2. Mazeroski then boomed his triple to left field, driving in two runs, and after Ray Herbert relieved Bob Buhl, he scored on Bob Bailey's single.

The Pirates scored the eventual winning run in the sixth when Gene Alley doubled and raced home as Clemente singled.

Pittsburgh 030 001 100—5 11 0. Philadelphia 001 041 00x—8 17 2. Buhl, Herbert (5), Knowles (6), Culp (7) and Uecker, Darby (7); Fryman, Cardwell (2), Millick (2) and Condon (2). W-Cardwell, 6-6. L-Buhl, 5-8.

Baseball Isn't Fun, Games for Clemente

NEW YORK (AP)—Baseball isn't all fun and games for Roberto Clemente, the Pittsburgh Pirates' brooding super star. Clemente is a prime force in the Pirates' National League pennant drive. He's also in the running for a third consecutive batting title. But when he looks past the current season, as he did during a visit to New York, the proud Puerto Rican doesn't like what he sees for his fellow Latin American players.

Clemente is concerned about what he believes is the second-class status of the Spanish-speaking stars in this country, particularly during the winter months.

"The Latin American player doesn't get the recognition he deserves," Clemente said. "Neither does the Negro player... unless he does something really spectacular, like Willie Mays. We have self-satisfaction, yes. But, after the season is over, nobody cares about us."

"Zola Versalles was the Most Valuable Player in the American League, but how many times has he been asked to make appearances at dinners or meetings during the winter? Juan Marchal is one of the greatest pitchers in the game, but does he get invited to banquets?"

"Somebody say we live too far away. That's a lousy excuse. It cost \$50 round trip by air from Puerto Rico to New York. It cost more from California. And Versalles lives in Minnesota; so does Tony Oliva. "I am an American citizen. I

live 250 miles from Miami. But some people act like they think

I live in the jungle some place. To the people here we are outsiders, foreigners."

The intense, 32-year Pittsburgh veteran said he was speaking for the majority of the Latin players.

Four Jockeys Are Double Winners In Jerome Races

JEROME — Four jockeys rode to two first places each to highlight the second night of Jerome pari-mutuel horse racing. Vaughn Courtwright won in the fourth and eighth races; Dick Wright in the second and tenth; McClintick in the third and seventh and Vaughn Cunningham in the fifth and ninth. Courtwright got into the winning circle in five of the ten races. Besides the two first he placed once and had two shows. Wright had one place and one show as he rode four horses into the winner's circle.

Dodgers Nip Braves 4-3 In 12 Innings

LOS ANGELES (AP) — Lou Johnson rapped a two-out single in the 12th inning, driving in the run that boosted the Los Angeles Dodgers to a 4-3 victory over Atlanta.

Jay Ritchie started the inning by walking Jim Gilliam. Gilliam was sacrificed to second and went to third on a ground out. Ritchie then walked Willie Davis intentionally before Johnson stroked a single to center field.

McDaniel and Giants Drop Redlegs 4-2

SAN FRANCISCO (AP) — Reliever Lindy McDaniel shut out Cincinnati on four hits over the last four innings Monday as the San Francisco Giants trimmed the Reds 5-2.

Hal Lanier scored the tie-breaking run in the fifth inning and gave McDaniel a cushion in the eighth with a two-run single. McDaniel entered the game in the sixth after starter and winner Joe Gibbon left with a twisted right knee suffered tripping over first base while legging out a fifth-inning single.

After Jim Hart hit his 28th homer of the season in the second with the bases empty, Joear Alou ran hard for a two-out double and scored on Gibbon's single following an intentional walk to Lanier.

Errors by Gibbon and shortstop Tito Fuentes helped the Reds score unearned runs in the third and fourth.

Orlich Takes Trapshoot Singles Title

VANDALIA, Ohio (AP) — Dan Orlich, Reno, Nev., casino night manager with a long string of titles in trapshooting, added another in one Grand American event Monday while failing to make it four in four years in another event.

Orlich, 42, was the only runner in a record field of 1,032 in the introductory shoot to break 200 straight clay targets from 16 yards, earning the singles championship.

A onetime professional football player, Orlich won his first crown here 10 years ago in the North American Clay Targets Championship. The 6-foot-6, 230-pound marksman is the only man in trapshooting history to break three runs of 100 from 27 yards and in handclap firing to hit 100 in a row five times straight in doubles.

He won the champion's title here in 1963, 1964 and 1965 but relinquished that one Monday when he missed one of 100 targets. This event, also at 16 yards, for champions of their own states ended in co-winners-thudford C. Bailey, Big Springs, Neb., and Don Mackernack, Newton, Iowa, with 100 each.

Swimmers Expected to Top Olympics

LINCOLN, Neb. (AP) — What can United States swimmers do for an encore at the 1968 Olympics after winning 13 of 18 possible gold medals and breaking nine of 11 world records at the 1964 Olympics?

"I'd say our chances are excellent to equal that and maybe even better it," said William A. Lippman Jr. of Los Angeles, Olympic and National AAU swimming chairman, after the record smashing AAU National Outdoor Championships here.

"Age-group swimming is the answer," he said. "We have about a 10 year head start over Russia and the rest of the world in age-group programs. Our own program is growing tremendously."

Competition within age-groups provides the spark and incentive for American youngsters. The AAU compiles national records from reports submitted throughout the nation.

Lippman, a chairman of this international committee, said, "The competition is great," he said. "These youngsters are hungry and the older kids are driven to unprecedented heights to stay on top."

Ford to Enter Texas Hospital

NEW YORK (AP) — Whitney Ford, who has been placed on baseball's disabled list for the second time this season, will enter a Houston, Tex., hospital Tuesday for examination of his pitching hand, the New York Yankees said Monday.

The stylish left-hander is apparently suffering from a recurrence of a circulatory ailment in his fingers.

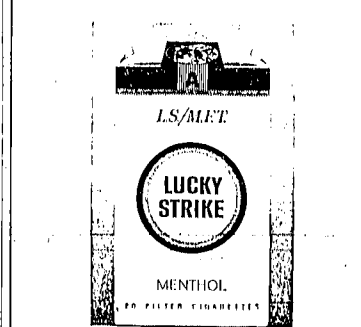

"It's not the shoulder, but I have cramps in my fingers," Ford said. He underwent shoulder surgery two years ago to correct a circulatory blockage.

Ford suffered a chip fracture on the ring finger of his left hand Saturday, but is expected to be out only a few days.

Minnesota's Tony Oliva regained the No. 1 batter, lifting his average five points to .322 by collecting 11 hits in 28 tries.

Frank Robinson held the No. 2 spot with .313 followed by Detroit's Al Kaline, .312. Robinson and eight hits in 25 attempts while Kaline raised his average five points with six safeties in 13 times at bat.

Hatfield Gives Views on Fish Problem

MADRAS, Ore. (AP) — Gov. Mark Hatfield says that he has tried to get the State Legislature to eliminate "the inevitable head-on clash of interests between commercial and sports fishermen."

Hatfield, speaking in Madras over the weekend en route to the National Stock Outboard Motorboat Championships in Princeton, referred to an extension by two days of the early fall Columbia River commercial salmon season.

In a joint decision Friday by the Oregon Fish Commission and the Washington State Department of Fisheries, the season's end was changed from Aug. 25 to Aug. 27.

Biologists said the run of fall Chinook started about a week later than usual and the extension would allow commercial fishermen to catch a reasonable portion of the run without endangering future runs.

"In granting two additional days for nets," said Hatfield, "the fish commission has been too narrow in its view. A greater service can be rendered by holding the line at a time when everyone's goal should be increasing the runs."
