

Hopes for Surveyor Disappear

PASADENA, Calif., (AP) — All hope of landing America's Surveyor 2 spacecraft gently on the moon disappeared today when scientists decided "there's not enough power left in the battery to complete the mission."

"We just kissed it goodbye," a spokesman for the Jet Propulsion Laboratory said early today. "Even if we got it stabilized there wouldn't be enough power left to operate the landing system's radar."

That means, he said, that the tumbling spacecraft will smash into the moon tonight and be destroyed.

"We tried one final time to jar the rocket motor into action," he said, "but all it did was make the spacecraft tumble faster."

Surveyor 2 was meant to land softly on the moon tonight to photograph the relatively level South Sea Central Bay — one of nine possible landing sites selected for American astronauts.

The spacecraft got into trouble late Tuesday night when it began tumbling after what should have been a routine mid-course maneuver. Scientists diagnosed its problem as a failure in the rocket control system.

The system, composed of three rockets, failed when one of the rockets fired and did not fire. Consequently, the other two motors made the spacecraft begin tumbling.

Water efforts to activate the battery rocket only made the two good rockets add more spin to Surveyor.

Surveyor 2 was launched Tuesday from Cape Kennedy, Fla., in what scientists were confident was perfect conditions for the 2,240-pound craft.

The 2,240-pound craft would have missed its target by only three degrees, with an mid-course correction.

Agreement Over Loan Firm Noted

BOISE (AP) — A committee representing shareholders of the closed Idaho Savings and Loan Association agreed Wednesday to prepare a plan for reorganization in cooperation with the State Department of Finance.

J. D. McCollum of Twin Falls, chairman of the shareholders group, said he believes reorganization — rather than sale of merger — will produce a larger return for the shareholders.

LOW BIDDER NAMED
IDAHO FALLS (AP) —

Adington Construction Co. of Idaho Falls was listed Thursday as apparent low bidder for construction of a study facility at the National Reactor Testing Station. The bid was \$92,000.

TWIN FALLS ARCHITECT Harald Gerber indicates the southern boundary of the new Twin Falls public housing project for low income, senior citizens. Construction on the 58-unit project is scheduled to begin by the end of October, with the bid opening date being set for Oct. 4. Cost of the project is estimated at \$300,000. (Times-News photo)

Housing Project Set For Senior Citizens

The ink is dry on architect Harald Gerber's drawing of the new senior citizens housing project and an Oct. 4 opening bid date has been set for the 58-unit development. The new development draws nearer to completion. The estimated \$300,000 project will bring the total number of units available for low income, senior citizens here to 108, a proportionately high figure for a community the size of Twin Falls, according to L. B. Harper, director of the Twin Falls Housing Authority.

Twin Falls has a total number of 114 public housing units now available. The new development will bring the total to 172, compared to a total of 76 units in Nampa, the only other Idaho city with public housing for low income groups at this time. Buhl is planning to build a project that will include 40 units.

The new Twin Falls project features 24 one-bedroom and 28 efficiency apartments. The one-bedroom units are designed specifically for married couples. Reasoning that widowed or single future residents of the project will live alone, have no actual need of a conventional bedroom, the Federal Housing Authority requires that efficiency apartments be built with an alcove for sleeping purposes.

The alcoves in the new housing project's efficiency apartments will be built off the living room and are to be sheltered by a folding door.

Application for rentals in the project have been trickling into the Twin Falls Housing Authority's office since 1963, even though formal applications for federal financing for the project was not made until November, 1964. The project received approval from the Federal Housing Administration in August, 1964.

Officers Installed, Masons End Meet

Installation of officers highlighted the final session of the 99th Annual Communication of the Grand Lodge of Idaho, Thursday at the Twin Falls Masonic Temple. Installing the new grand master, Arthur L. Dinger, Coeur d'Alene, was Elbert S. Rawls, Lewiston, past grand master. Installing marshal was Larry W. Brainard, Pocatello. After the installation ceremonies, A. Warren Cate, outgoing grand master, presented the grand master ring, which has been worn by every grand master since 1895. The grand master apron was presented to Dinger by Henry P. Glindeman, Coeur d'Alene, grand master 40 years ago.

Committee reports were given as the morning session started. The disposal of flowers was ordered by Cate and will be distributed to Magic Valley Nursing Homes.

The grand master thanked everyone in the area for hosting and helping with one of the best Grand Lodge Communications the Grand Lodge of Idaho has had in a long time.

The convention concluded with remarks by the new grand master. Wednesday evening delegates and their wives attended the annual Grand Lodge banquet at the Holiday Inn. Guest speaker was Dr. Herbert Richards, minister of the Cathedral of the Rockies, a Methodist Church, Boise. Toastmaster was William Grange.

The banquet was the climax of the three-day event. Some 300 "Masons" and their wives from throughout Idaho attended the convalescence in Twin Falls. A full schedule of activities was arranged for women attending.

U. S. Offers Halt Of Bombings If Hanoi Takes Steps

UNITED NATIONS, N.Y. (AP) — The United States offered today to halt the bombing of North Vietnam and begin a phased withdrawal of U.S. troops if the Hanoi government will take corresponding steps to de-escalate the Vietnamese war. In a major policy declaration, U.S. Ambassador Arthur J. Goldberg told the General Assembly that the United States is willing to take the first step if the North Vietnamese government will indicate by private or public response that it is ready to match the U.S. action.

2 Red MIGs Downed By U.S. Jet Pilots

(See Picture on Page 8)
—SAIGON, South Viet Nam (AP) — U.S. jet pilots shot down two communist MIGs over North Viet Nam Wednesday and damaged three others in the biggest day of air combat of the war. No American planes were lost in eight dogfights between U.S. Air Force F105 Thunderchiefs and communist jets in the "MIG Alley" area northeast of Hanoi, the Red capital, a U.S. spokesman said. However, two U.S. planes were shot down by ground fire Wednesday during raids over the North. Both brought the total of American planes reported lost over North Viet Nam to 370.

One plane downed was a Navy F4H Phantom from the carrier Coral Sea. Its two crew members are missing. The other was an Air Force F105 Thunderchief. The other two were damaged. The Red losses raised the U.S. score of MIG kills for the war to 21. Communist pilots have shot down five American planes. Both of the downed Communist planes and two of those damaged were MIGs. The third was an advanced model MiG-17, the fastest in the Asian Communist arsenal.

In the ground war in South Viet Nam, North Vietnamese tanks before dawn of Sept. 21. Marines who captured the heavily fortified village of Gia Binh killed more than 100 North Vietnamese after five days of fighting.

One attack caused casualties in a company headquarters area in the village just before the battle. The other came close but missed U.S. positions. Artillery and naval gunfire silenced the mortars as they fired from the North.

Frazier Told To Enter Plea In SEC Suit
—BOISE (AP) — Judge Fay McNichols refused in U.S. District Court Thursday to dismiss Securities and Exchange Commission charges against a Twin Falls man.

The distressed Fred M. Frazier to enter a plea to the charge within 20 days.

Frazier was accused in a civil suit filed by the \$300 jointly with the Idaho Investment Corp., of which he is president.

The corporation did not resist the charge that it violated SEC rules in the sale of its securities and it accepted without protest a permanent injunction forbidding further sales.

Frazier contended that although he was president of the firm he had not engaged actively in its management since last January. He moved for either dismissal or a judgment in his favor. The judge denied both requests.

McNichols' ruling followed a hearing on the motions last week.

Chrysler Follows Ford Price Hike

—DETROIT (AP) — Chrysler Corp. has followed the lead of Ford Motor Co. and raised new 1967 models priced from \$1,000 to \$1,500. President Johnson and Walter P. Reuther, United Auto Workers Union president.

The price boost was announced Wednesday less than three hours after Reuther called Ford's increased prices "shocking" and "a criticism on Ford's part."

There were indications General Motors would join the price raising parade today but American Motors said it would hold off for a few days.

At first glance, Chrysler's price hike was not quite as big as the one Ford announced Tuesday.

Ford's price increase, which it said was mainly to cover cost of new features, ranged from 4 to 11 percent on basic price. Chrysler's increase averaged out to 3.2 percent, which was just within the tight margin allowed by the industry.

Chrysler said 73 of the increased price packages covered safety items, with the remainder covering other items. See CHRYSLER, pg. 2, col. 8

Higher Food, Auto, Medical Prices Boost Cost of Living

WASHINGTON (AP) — The cost of living for food, auto and medical care boosted sharply rising living costs another fourth of one per cent last month, the Labor Department reported today.

The biggest August price hike was for food, up 1.3 per cent over all, the Bureau of Labor Statistics said. The increase brought the government's consumer price index up to 113.8, meaning it cost \$113.8 in August to purchase items that cost \$100 in the 1957-59 period on which the index is based.

OFFICERS OF THE GRAND LODGE of Idaho, AF and AM, are, from left, Adrian W. Dornert, Boise, senior grand warden; Arthur L. Dinger, Coeur d'Alene, grand master; Clifford R. Shaffer, Payette, deputy grand master, and Russell C. Walker, Arco, junior grand warden. The officers were elected Wednesday and installed Thursday afternoon. (Times-News photo)

Underwater Tests Will Be Executed

WASHINGTON (AP) — Official tests for the feasibility of studying the feasibility of distinguishing between underground nuclear explosions and earthquakes through the detecting location and tallying of seismic disturbances.

Authorities described the program as a major seismological field experiment to determine how far sound waves travel through the earth in a vast earthquake-prone area of the north Pacific Ocean 800 miles long and 80 miles wide.

This information is essential to the accurate location of earthquakes and other phenomenon, it was explained.

Sources said the series of one-tively on TNT blasts will begin in October under the direction of the Defense Department's Advanced Research Projects Agency.

The program is designed to study the feasibility of distinguishing between underground nuclear explosions and earthquakes through the detecting location and tallying of seismic disturbances.

Water Goes Into Berger Canal System

HOLLISTER — The Bureau of Land Management's national director, Roy L. Rasmussen, turned the valve that started water flowing through the distribution system in the Berger-Reservoir Conservator Area southwest of Twin Falls, the BLM reported Thursday.

The action came Wednesday, during the tour of rangelands conducted by BLM officials and local stockmen. On the tour were more than 100 cattle and sheep men representing committees of the American National Cattlemen's Association and the National Wool Growers Association.

The Berger Resource Conservator Area was established in 1954 as a cooperative project of local ranchers and the BLM. The area has been seeded with crested wheatgrass and other range grasses.

See BOMBING, pg. 2, col. 8

Airliner Explosion Kills All 24 Aboard

BRISBANE, Australia (AP) — An Australian airliner caught fire and exploded in the air northwest of Brisbane today, killing all 24 persons aboard. The bodies of two children were found in the scattered wreckage 12 miles from Winton; 75 miles from Brisbane. The plane was operated by Ansett-Australian National Airlines on a run from Mount Isa to Brisbane. The death toll was the second highest in the history of Australian civil aviation, surpassed only in 1960 when 29 persons were killed in a crash near Mackay, Queensland.

Rusk Plans to Sound Out Gromyko

UNITED NATIONS, N.Y. (AP) — Secretary of State Dean Rusk plans to sound out Soviet Foreign Minister Andrei A. Gromyko tonight for any signs of change in Kremlin foreign policy on Viet Nam and other outstanding issues.

Some U.S. experts believe Moscow may feel free to dig in its heels and refuse to discuss the purge in damaging Peking's standing in the Chinese-Soviet rivalry for leadership of the Communist world.

According to this theory, the Soviets have been locked into a rigid position toward the United States in recent times because of their alliance with Moscow's enemy — the United States. Now that the Kremlin's star is fading, the U.S. may be able to shake the Soviet Union's hold on the world.

See RUSK, pg. 2, col. 8

Powell to Be Stripped of Much Power

WASHINGTON (AP) — The House Education and Labor Committee voted overwhelmingly today to strip of much of the power of the House Education and Labor Committee's subcommittee.

The vote was 27 to 1, according to Rep. Dave Martin, R-Neb., a member of the committee.

The action came at a meeting from which another Republican member emerged voicing charges that Democrats were trying to Lynch Powell.

"There's a lynching going on in there," said Rep. Charles E. Goodell, R-N.Y., as he stormed from the closed committee session in protest. But Goodell and other Republicans left open the question of how they would vote to move to curb Powell's authority.

Democrats leading the fight to strip Powell of most of his power as chairman succeeded in a vote to strip Clayton Powell of much of his power to direct the committee's business. The vote was 27 to 1, according to Rep. Dave Martin, R-Neb., a member of the committee.

Steelworkers Approve New Bargaining

ATLANTIC CITY, N.J. (AP) — The United Steelworkers of America approved new collective bargaining procedures today designed to make the 1.1-million member union more democratic.

The changes, however, did not abandon industrywide bargaining but modified the procedure. The changes, first in 27 years, are to be subject to eliminating bickering among various factions in the steelworkers.

The 1,500 delegates attending the convention voted to set up conferences in four major industries — basic steel, aluminum, can making and nonferrous metals.

These conferences were given the right to ratify or reject contracts and authorize strikes with the approval of their respective memberships.

In the past, the International's wage policy committee ruled on all contracts.

The 163-member wage committee would be retained but to formulate bargaining goals and to negotiate with the 10 major steel producers.

Northwest Indians Set Conference

SPOKANE (AP) — Delegates at a conference of Pacific Northwest Indians here Oct. 17-19 will have a chance to discuss proposed federal legislation to solve Indian problems, Robert L. Bennett, a commissioner of the Bureau of Indian Affairs, said Wednesday.

The conference is one of nine held throughout the country, Bennett said. He asked that delegates at the Spokane conference be prepared to discuss general conditions of their people, their problems and recommendations on how to solve the problems through their own efforts.

Tribe men from Washington, Oregon, Idaho and Montana have been asked to attend.

Booster Night Held by Grange

HAZLEMAN — Forty persons attended the 4-H booster night supper and program sponsored by the Hazleman Grange Monday evening at the Grange Hall.

Mrs. William Scruggs was in charge of the program. Mrs. Gerald Duncanson's sewing class gave demonstrations of their year's projects.

Hanna Akers played two piano numbers and the club members sang several songs. Joint installation of Grange officers will be held Oct. 1 at the Gooding Grange Hall.

The next regular meeting will be held Oct. 30.

Unredeemed

RIO-DE-JANEIRO, Brazil (AP) — A gray circus elephant with just a trace of white in its coat is becoming a problem to a railroad station agent at Campina Grande in Paraíba State of northeastern Brazil, the paper Globo reports.

The animal was taken as a guarantee of payment for his freight car fare from Recife and has remained unredeemed while consuming huge quantities of hay and water, both scarce commodities in the drought region.

New Laws Are Asked to Deal With Strikes

WASHINGTON (AP) — Sens Jacob K. Javits and Wayne Morse proposed today that Congress ask the Johnson administration to recommend new laws to deal with emergency-causing strikes.

Javits, a New York Republican, and Morse, an Oregon Democrat, key men in the Senate battle over emergency legislation to end the recent airlines strike, sponsored a joint resolution which would require a report from the secretary of labor by Jan. 15.

Javits noted that a Senate-passed measure to limit the strike for up to 80 days included a call for administration proposals on new permanent legislation to deal with emergency strikes.

Among four Democrats and 11 Republicans who joined in sponsoring the resolution were Wallace F. Bennett, Ralph, and Frank E. Moss, D-Utah.

Blast Rips Cuba Embassy In Ottawa

OTTAWA (AP) — An explosion apparently caused by a device rigged up from a military anti-air rocket burst window and tipped up levers and slides walk in front of the Cuban Embassy building today.

No one was injured in the blast, which shattered windows in adjacent houses and sent a cloud of smoke billowing over the quiet residential section in the city's East End.

There was speculation that the device, apparently homemade, may have exploded before it could be placed in position near the front of the embassy building.

A newspaper carrier boy told police he saw a car with a suitcase in a top rack parked near the building entrance when he was delivering papers about 7:30 a.m.

After the blast, which occurred shortly before 8 a.m., shattered suitcase was found on the street near the embassy entrance.

Violence Dies In Dominican

SANTO DOMINGO, Dominican Republic (AP) — Rumors of imminent violence appear to have died down in the Dominican Republic despite the departure of the last troops of the American peace force.

About 40 soldiers of the U.S. 82nd Airborne Division left by air Wednesday, ending a foreign presence in the riot-torn island republic which began on April 30, 1965, when the first of more than 24,000 troops, including 22,500 U.S. soldiers, arrived to restore order.

ZIP Code Information To Be Offered

WASHINGTON (AP) — Do you often wish you knew Aunt Mabel's ZIP code?

Wonder no longer, help is on the way. The Post Office is going to receive a post card next month from the Post Office Department. The card will have several addresses for which you wish you knew the ZIP code.

Just fill in the address — no zip — just address — and mail the card. At the post office a ZIP-list crew will fill in the ZIP codes for the addresses listed and the card will be returned.

Postmaster General Lawrence F. O'Brien said some 57 million cards will be sent during National ZIP-Code Week, Oct. 10-15. And the Post Office Department will deliver them all postage free.

Harding Is Feted at Reception

WASHINGTON (AP) — A \$9-a-plate fundraising reception was given here Tuesday for Ralph R. Harding, Democrat, who is seeking to unseat Sen. Tom B. Jordan, Idaho Republican.

Sponsors said about 150 persons attended the affair at the Junior Club. The reception was given in the name of the "Harding for Senator District of Columbia Committee."

Chairman of the reception were Eugene M. Zuckert, former secretary of the Navy.

Harding, a former Idaho congressman, served in the Korean War and was an assistant to Zuckert for a year after he left Congress.

Other members of the committee include Stephen Ailes, undersecretary of the Army, and Michael V. Di Salle, former governor of Ohio. Honorary committee members include Sen. Frank Church, D-Idaho, Howard W. Cannon, D-Nev., Frank E. Moss, D-Utah, and Daniel K. Inoué, D-Hawaii.

Others attending the reception were Sen. Edward M. Kennedy, D-Mass., House Speaker John W. McCormack, D-Mass. and Rep. John A. Frey, Democratic national chairman.

Johnson Sets Pattern for Conferences

WASHINGTON (AP) — No doubt about it, President Johnson has fixed upon a semi-formal pattern for news conferences that offers something for everyone.

From all accounts he approached the ideal Wednesday at what was officially labeled as press conference No. 74. Everyone seemed to come away at least partly satisfied — the reporters who cover the White House daily, the newsmen who drop by occasionally and the radio-television networks.

President John F. Kennedy preferred more formal, televised news conferences, usually held in the State Department auditorium.

As a practical politician, Johnson knew news conferences were important. But he did not think — and perhaps rightly so — that the same formula would work for him.

Johnson's first inclination, as demonstrated at his first presidential news conference in December 1963, was to meet with the regular White House reporters in his oval office, perhaps over coffee cups, to "beat the breeze."

That was fine with newsmen covering Johnson on a full-time basis.

But the idea met with less than enthusiastic approval from the many reporters who must hop scotch all over town each day — and who aren't likely to be at the White House at the precise moment the President decides to have a coffee hour.

The format was resisted by the television and radio networks, accustomed since the Eisenhower administration to beaming news conferences live into homes all across the land.

Dissent Over War Backed By Humphrey

NEW BRUNSWICK, N.J. (AP) — Vice President Hubert H. Humphrey, speaking today at Rutgers University, defended the right of academic dissent over the Viet Nam war but declared that "military force, at this juncture, is necessary."

Addressing the 20th-anniversary celebration for the state university of New Jersey, Humphrey, a former college professor, praised Rutgers and Gov. Richard J. Hughes for defending academic freedom during a controversy a year ago.

Humphrey did not mention Rutgers Prof. Eugene Genovese by name, but referred to the public furor over the Rutgers teacher who stated that the 1965 Viet Cong victory in Viet Nam.

He said the support given to Genovese's right to speak his mind "has concrete meaning to the spirit of the Bill of Rights."

The vice president discussed the role of dissent and informed criticism aimed at high officials, said:

"If responsible political leaders do not always follow the advice of dissenters, it is not because such advice is ignored or summarily dismissed. It is because, in submitting the advice to the test of perceptible consequence, it may not at a given moment, make sense."

Government Deficit Noted For 2 Months

WASHINGTON (AP) — The Treasury Department reports the government ran a deficit of \$8.4 billion during July and August, the first two months of the current fiscal year, when tax collections normally are light.

Net receipts of \$12.9 billion compared with spending of \$21.3 billion, almost half the spending — \$10 billion — was for defense during the two months.

The deficit for the same two months of the last fiscal year was \$2.7 billion. Defense spending during July and August of last year totaled \$7.7 billion.

States Rights Cry of South Has Switched to 'State Responsibility'

By BILL RAWLINS

KENTUCKY DAM VILLAGE, Ky. (AP) — States' rights, once the rallying cry for the South, may be going out of style.

There were strong indications at the Southern Governors Conference just ended that "Dixie" has switched, instead, to "state responsibility" within the framework of a state-federal partnership.

Most conference speakers, including some of the states' rights hotly of the way the states can take part in federal programs — supported party of wholly by the federal government.

"We in the South resent the implication that our opposition to federal encroachment ends when federal funds are available," said Gov. George C. Wallace of Alabama. "This isn't federal money; it's taxpayers' money and the taxpayers of Alabama are just as entitled to it as anyone else."

Nonetheless, more than one election campaign has been conducted in the Southern states on the issue of which candidate can get the most federal funds.

The speakers, beginning Monday and ending Wednesday, seemed concerned mostly with the first business session of the Southern Governors' Association in the governors of new federal programs, with new federal funds, and how their states can qualify for their share.

South Carolina Gov. Robert E. McNair, who submitted a resolution protesting the civil rights

Calcutta Is Paralyzed By Strike

NEW DELHI, India (AP) — A leftist-called general strike for more food and government action against inflation paralyzed Calcutta, India's biggest city, and the rest of West Bengal today.

City officials halted local trains and streetcars to prevent their destruction by mobs in a 48-hour strike began.

Indian Airlines and the British Overseas Airways Corp. cut flight service to Calcutta, a city of seven million.

The strike was called by the Communists and supported by nine other leftist parties.

South-African Protest Rejected

WASHINGTON (AP) — The United States has rejected a South African protest by the U.S. position on a world court decision was "interference" and unwarranted pressure on South Africa.

The controversy involves the decision last July 18 by the International Court of Justice to reject a claim by Ethiopia and Liberia that South African rule over South-West Africa is illegal.

Sen. Dirksen Will Try Next Year to Pass Prayer-Ruling

WASHINGTON (AP) — Sen. Everett M. Dirksen says he'll try again next year to win approval for his proposed constitutional amendment to permit voluntary prayers in public schools.

Dirksen maintained that the people overwhelmingly favor the amendment, prompted by Supreme Court decisions prohibiting official prayers in public schools. The Senate vote was regarded by some colleagues as

injecting another issue into the fall election.

Voting for the proposal were 22 Democrats — all but six of them Southerners — and 27 Republicans. Against were 34 Democrats and three Republicans: Sens. Clifford P. Case of New Jersey, Jacob K. Javits of New York and Thomas H. Kuch of California.

Immediately after the vote, Dirksen told the Senate he would carry on his "crusade" for the amendment under which public school authorities could provide for and permit "the vol-

First Lady Is Honored at Hearst Castle

(See Picture on Page 5.)

SAN SIMEON, Calif. (AP) — Hearst's incredible castle provided a \$30 million backdrop for California's party honoring the nation's First Lady. But the old place wasn't what it used to be.

It took 20th Century-Fox caterers, gas heating experts, scores of workmen, truckloads of supplies and the Santa Maria Barbeque Club to get the dinner going Wednesday night for 450 guests.

Gov. Edmund G. Brown and his wife, entertaining Mrs. Lyndon B. Johnson, didn't quite know what headaches they were setting up when it was decided to throw a culture-beautification whing-ding at the opulent "enchanted hill" homestead of the

late newspaper tycoon, William Randolph Hearst.

They may even have opened a political hornet's nest by using the now state-operated museum showplace while a gubernatorial campaign is in high gear. It was rumored Ronald Reagan, the public-education opponent to Brown's re-election bid, might ask for equal partying time.

Versailles, the Louvre, the Smithsonian Institution and Mount Vernon have been used for official parties before — but never San Simeon, and it probably has some art-treasures that rival works of all these famous places.

It was a treat for the guests including Nobel Prize winners, educators, Hollywood stars and leaders in the conservation and beautification fields. They lined up in a receiving line beside the gleaming outdoor marble nat-

tune pool. With its stately, Greco-Roman temple, date palms and Italian cypress trees it once served as the setting for the movie spectacle Spartacus.

While Mrs. Johnson and the Brown greeted guests, a troupe of girls from the Santa Clara Aquacade performed a water ballet in fluorescent gold and orange scintillating swim suits.

Everything went off well considering some 10 days of turmoil were needed to get the place to work.

Fighting Marines See War, Filth, Death

By BOB POOS —
 GIA BINH, Viet Nam (AP) —
 "Hell, yes, we're moving," Sgt.
 Earl Landrege growled into his
 field radio.
 "Just because we've pinned
 down doesn't mean we ain't
 moving."
 The master sergeant from
 Bethesda, Md., a 20-year veter-
 an of the Marine Corps, was
 filthy with dust and sweat. He

flat on the ground as North
 Vietnamese machine-gun bullets
 snapped in the air just above his
 head.
 Landrege was with C Compa-
 ny of the 1st Battalion, 26th
 Marine Regiment, C Company
 and two others had been trying
 for five days to shoot their way
 into the heavily fortified village
 of Gia Binh, just south of the
 demilitarized zone which sepa-

rates the two Viet Namis.
 The Marines stopped by
 heavy automatic weapons fire
 Wednesday morning short of the
 North-Vietnamese fortifications.
 They resumed the attack in
 midafternoon after the enemy
 positions had been pounded by
 2,000-ton bombs, 8-inch naval
 shells and heavy artillery.
 C Company moved forward
 for several hundred yards with

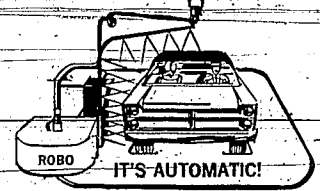

no opposition, then suddenly
 was raked by "automatic" weap-
 ons fire.
 Sergeants roared orders to
 their men — most of them 19-
 year-old privates. They moved
 forward, stood up, fired back at
 the enemy entrenched before
 them.
 "Get that squad over there!"
 a sergeant yelled. "Second
 squad, where are you? Com-

ing back, carrying a man in a
 bloody canvas bag. A fireman
 hauled to a halt, coughing from
 his position behind a tree and
 asked, "Is he hurt, bad?"
 "He's dead," one of the litter
 bearers replied.
 C Company moved on. Again
 firing broke out. C Company
 returned it but soon determined
 that it wasn't from the North
 Vietnamese. Another company
 of the 1st Battalion had bumped
 into C Company's flank and
 Americans were firing at each
 other.
 No one was hurt. It was a
 mistake frequently made before
 by inexperienced units in Viet
 Nam. The battalion had only
 one other combat operation be-
 hind it.
 After the linkup, exhausted
 men rested for a time along a
 sunken road, a road for which
 they had been battling five
 days.
 Their field radios told them
 another company which had
 also been bloodied in the fight
 for Gia Binh was moving their
 way.
 All three companies — Char-

Thursday, Sept. 22, 1966
 Twin Falls Times-News
 7
 Sgt. Bravos and Della — gained
 their objective just before dark
 Wednesday.
 The Marines evacuated their
 dead and wounded after day-
 break, then prepared to move
 out once more to hunt the North
 Vietnamese along the demilitar-
 ized zone.

Idaho News

BOOSTS TAX
WALLACE (AP)—Financial registrar for Idaho was predicted Wednesday by Jack Murphy, Republican lieutenant governor-candidate, will vote out the sales tax in November.

It is not a matter of liking or disliking the tax," Murphy said in speaking to the Wallace Chamber of Commerce.

INQUESTS SET
LEWISTON, Idaho (AP)—Some coroner's inquests into the deaths of two persons will be held here Monday.

Six-member juries will be called to hear testimony in connection with the deaths of Robert J. Clifford, 39, Lewiston, killed in a traffic accident Aug. 27, and Barbara Amos, 7, who died in a motel fire here Sept. 14.

The child was the daughter of Mr. and Mrs. Roland Amos, former residents of Bellingham, Wash., who moved here several months ago.

PLAN CONSIDERED
FOCATELLO (AP)—A suburban fire fighting plan, said to be inexpensive but adequate, is being considered by the Bonneville County zoning board.

The plan calls for a program of fire prevention, appointment of a seasonal county fire marshal, acquisition of Federal surplus fire fighting equipment and hiring of students to man the equipment.

The board's study committee on the problem of rural fire protection suggests the plan be financed by Bonneville County.

RECOMMEND REVISIONS
POCATELLO (AP)—Revisions in the layout of the Riverside Golf Course have been recommended by the City Parks and Recreation Board.

Several changes in the course are necessitated by the Portneuf Flood Control project. A plan which calls for the relocation of six new greens and the construction of two and a half new fairways has been drawn by Parks Superintendent Pete Hickey.

Bill Action Postponed For Holiday
WASHINGTON (AP)—House leaders today postponed until later in the session consideration of a bill aimed at curbing some critics of the war in Viet Nam.

The legislation had been scheduled for debate and expected passage today. The administration has opposed the measure.

Speaker John W. McCormack, D-Mass., said the change was made because the House plans no session Friday, a Jewish religious holiday.

He said the bill would be taken up later this session but did not give any date.

Opponents of the measure had planned to try to slow down action on the measure through dilatory tactics which would have delayed consideration of two other bills on today's schedule.

BARRISH RELEASED
HOUSTON (AP)—Bernie Parrish, an eight-year defensive halfback who was released last week by the Cleveland Browns, signed a contract Wednesday with the Houston Oilers.

Doors Open 6:30

POINTS OUT FIGURES
LEWISTON (AP)—Philip Jungert, independent gubernatorial candidate who favors casino-type gambling, said Wednesday the challenge to the sales tax is the secretary of the Idaho Education Association, to publish comparative figures between Nevada and Idaho in the area of educational standards after one year of Idaho's three per cent sales tax.

"I don't expect York to publish the statistics," said Jungert. "So I will Nevada stands in 11th place in the nation and Idaho 34th in average teacher salaries. Nevada is 18th and Idaho 41st in dollars spent per child for education."

NAVY-MAN SHOT
IDAHO FALLS (AP)—A Navy man assigned to the National Reactor Testing Station was shot Wednesday while rabbit hunting with five companions about eight miles west of Idaho Falls.

Bonneville County sheriff's office said William Fox, 37, 21, Jamesville, Wis., was killed about 3 a.m.

He said he was driving a pickup truck and his companions also servicemen, were in the back, when two of them opened fire on a rabbit. Fox opened the door and stood up, apparently to shoot, the said, but moved into the line of his companions' fire.

LOGGER KILLED
ST. MARIES, Idaho (AP)—Reginald L. Rayan of Plummer, Idaho, was killed Wednesday when struck by a falling tree in a logging accident near here.

Sheriff Robert Datz said Rayan was working with a chain saw when the log "kicked" back by disturbed children, exceptional children and families tormented by problems—emotional disturbances among other needs.

Group Discusses Need for Area Mental Health Center
The second stage in the program to obtain an area mental health center got under way Tuesday evening during a meeting of the area mental health center at the Episcopal Church.

The group met to discuss plans for acquainting the public with vital need for this center.

Rev. Warren Howell, of Twin Falls Episcopal Church, of the Ascension, leads the group, which includes Dean Van Engelen, Cassia County; Larry Duff, Blaine County; Robert Williams, Lincoln County; John Howard and Mrs. Richard Messersmith, both Twin Falls County; Jean Mizer, Blaine County; Dr. Bradley Jerome, County; Mrs. Floyd Goss, Gooding County, and Mrs. Peggy Lahey, secretary, Twin Falls.

Rev. Howell stated that in the last three-year comprehensive studies have been made throughout the state to determine the needs and the facilities that will be required. At the present time three such centers are in operation.

The state legislature during its last session adopted mental health policy recognizing the need for and authorizing the establishment of these centers.

Duff stated that an astonishing

Hailey Scout Troop Elects Officer Slate

HAILEY—Officers for Troop 6, Boy Scouts of America, were announced at a court of honor held Tuesday in the Baptist church annex.

They include Rely Knight, senior patrol leader; Jeffrey Garrett, assistant senior patrol leader; Jay Dorr, troop quartermaster; Randy Barber, troop librarian; and Lawrence Barber, troop scribe. They will serve for six months.

Steven Shirts and John Woodbury received the Eagle Bronze Palm, Jay Dorr and Jarvis Patterson, Life Scout rank; John Johnston and Randy Barber, first class; and Randy Bird, John Roodie, Timothy Schmidt, and Dan Schmidt, second class.

Twenty-two boys received hiking and cooking merit badges and 17 boys received camping merit badges.

Shirts received nine merit badges, giving him a total of 34 and Woodbury received three merit badges for his total. A total of 70 badges was awarded at the court.

Gene Gough, past district executive for the Wood River District, now of Twin Falls, was introduced by Scoutmaster Grant Patterson. He congratulated the troop and announced that Shirts and Woodbury will be interviewed as finalists for the six possible openings allowed the Snake River Council to send Scouts to the World Jamboree next year.

Troop committeeman Jim Dorr showed moving pictures of the jamboree he took members of the troop on last summer.

AIR FORCE LTS. Fred A. Wilson, 28, Mobile, Ala., left, and Karl Richter, 25, Holly, Mich., tell a news conference at Salgon's Tan Son Nhut Air Base how they each downed a MIG17 Wednesday, not far from Hanoi in North Viet Nam. The two fliers are stationed in Thailand and have been in combat for six months. These were their first kills. They hold a picture of a MIG17. (AP wirephoto by radio from Salgon)

Republicans to Plan Campaign

WASHINGTON (AP)—The 23-member Republican Coordinating Committee will meet in Washington Oct. 3 to survey the fall campaign, GOP National Chairman Ray C. Bliss announced today.

The committee is composed of all former Republican presidential nominees, Republican House and Senate leaders and representatives of the Republican Governors' Association, GOP National Committee and Republican State Legislators' Association.

CONFERENCE SET
SALT LAKE CITY (AP)—The 13th semiannual conference of the LDS Church will be held in the Tabernacle Sept. 30, Oct. 1-2.

Club Shown Display of State Meet

BURLEY—The Burley Business and Professional Women's Club held the first fall meeting Tuesday evening at the National Hotel.

Mrs. W. Gay Jones, president, conducted the business meeting. Mrs. Kenneth Grimsman gave a brief report of the state convention which was held at Coeur d'Alene in July. This was a special project which was sponsored by the Burley Business and Professional Women's Club in conjunction with the Easter Seal Foundation.

A letter was read from Kevin Wardle, a local youngster, who attended the Easter Seal Camp at Coeur d'Alene in July. This was a special project which was sponsored by the Burley Business and Professional Women's Club in conjunction with the Easter Seal Foundation.

Mrs. Grimsman was appointed as treasurer to fill the term of office which was left vacant by Mrs. Martha Carson who moved to Twin Falls during the summer.

The September social will be held at 8 p.m. Sept. 27 at the home of Mrs. Lorenzo Steelman Sr., 439 Wauna Vista Drive, Burley. Visitors are welcome.

Perspiring Not Problem With Soviet Spacemen

GENEVA (AP)—Soviet spacemen don't have the sweat problem which hampered a U.S. astronaut last week, says Dr. Boris Yegorov, the Soviet cosmonaut who was the first doctor in space two years ago.

Yegorov is in Geneva attending the assembly of the European Group for International Space Development.

He said the problem doesn't exist for the Soviets "because the atmosphere and environment of the Soviet space cabins and space suits are absolutely normal whereas the Americans rely on artificial air mixture."

Yegorov said the U.S. cabinets have a higher than normal proportion of oxygen. This, he contended, can cause heart and blood complications for the astronauts.

THE CHILDREN OF Mr. and Mrs. Stephen Shulman applaud Wednesday at the White House as President Johnson congratulates their father, who has just been sworn in as the new chairman of the Equal Opportunities Commission. Associate Justice John M. Harlan, left, administered the oath. The children, from left, are Dean, 5, hidden; Harry, 8, and John, 3. Mrs. Shulman is in left background. (AP wirephoto)

Freeze Put on New Federal Jobs

WASHINGTON (AP)—Acting on instructions from President Johnson, the Budget Bureau has ordered a freeze on adding new jobs to the federal payrolls through next June.

News of Record

CASSIA COUNTY Clerk's Office

Marriage licenses were issued to Darrell Roy Wilkinson, Burley, and Gloria Ada Bury, Paul, and to Charles Pat Ross, Cedaredge, Colo., and Nilla May Kniffin, Burley.

Big Game Guide Dies in Plane Crash

ANCHORAGE, Alaska (AP)—One of the nation's best known big game guides, Al Madsen of Kodiak, Alaska, was killed Wednesday in the crash of a light plane near Ugashik Lake on the Koni Peninsula south of Anchorage.

The Coast Guard at Kodiak said Madsen had just taken off from a hunting camp after dropping a hunter, Warren Scherf, and was reportedly flying over a caribou herd at the time of the crash.

The cause of the crash was not immediately determined. Madsen, about 45, had guided many prominent sports figures on Alaska hunting trips. He was known as an expert on the Kodiak bear, one of Alaska's leading trophy animals.

HEALTH IS GOOD

LONDON (AP)—Evangölist Billy Graham has been pronounced in good health after undergoing a series of tests at a London clinic. The only problem found was a minor urinary tract infection.

GAYLE COBB, daughter of Mr. and Mrs. J. H. Cobb, Filer, has left for Ecuador as a Peace Corps volunteer after completing 10 1/2 weeks of training at Montana State University, Bozeman. A graduate of the Filer High School, she attended the University of Idaho, Moscow, for two years where she was majoring in elementary education and biology.

T.F. to Host Conclave of County Aides

The annual state-wide convention of county commissioners and clerks from each of Idaho's 44 counties will be held in Twin Falls Sept. 27 through Sept. 29 at the Holiday Inn.

Gov. Robert Smylie will be a guest speaker. Registration will begin Sept. 27 at 5 p.m. and will continue Sept. 28 from 8 a.m. to 3 p.m. Morris Carlson, Twin Falls county commissioner, announced Tuesday.

The convention will get underway with a president's reception at the Holiday Inn at 7 p.m. Sept. 27. Earl Faulkner, president of the Twin Falls Chamber of Commerce, will welcome the convention delegates to Twin Falls at the next day's meeting, which begins at 9 a.m.

Other speakers slated for the Sept. 28 meeting include Floyd Snytte, Farrell Beck, president of the Idaho Association of Commissioners and Clerks, and Otto Brammer, director of the National Association of Counties.

Highlights of the Sept. 29 program include a panel discussion of the proposed revision of the Idaho court system, with Thomas A. Miller, member of the Idaho Bar Association, Glenn A. Phillips, president of the Idaho Magistrates Association, and Winston L. Benson, Blingbee County probate judge, acting as panelists.

Tom E. McElDowney, acting commissioner of the Idaho State Department of Finance, will speak during the closing meeting of the convention.

Erhard Walks Out of Meeting

BAD-GODESBERG, Germany (AP)—Chancellor Ludwig Erhard angrily walked out of a meeting of the Civil Service League today when the head of the organization criticized him. The incident came amid a wave of attacks on Erhard and his government. Usually the criticism is pointed at the chancellor's close advisors, not directly at him.

Erhard's criticism of the proposed revision of the Idaho court system, with Thomas A. Miller, member of the Idaho Bar Association, Glenn A. Phillips, president of the Idaho Magistrates Association, and Winston L. Benson, Blingbee County probate judge, acting as panelists.

Tom E. McElDowney, acting commissioner of the Idaho State Department of Finance, will speak during the closing meeting of the convention.

Miss Schmid Is Bride of Robert Jones

Katherine Schmid, daughter of Mr. and Mrs. J. Ted Schmid, became the bride of Robert L. Jones, son of Mrs. Wanda Jones, in rites Aug. 12 at the Kimberly LDS Chapel.

Bishop Ted Crockett officiated at the double ring ceremony. The bride, given in marriage by her father, wore a ballroom-length brocade gown enhanced with a fitted bodice and elbow-length sleeves. Her shoulder-length veil of illusion net was held by a tiara accented with a small butterfly ornament. She carried a bouquet of white roses and blue tipped carnations.

Bridesmaids were Lana Pries, Betty Lewis, Madeline Guyer and Sharon Butler. Flower girls were Connie Thompson and Debbie Thompson. They carried white baskets filled with rose petals.

Ringbearer, Tommy McBride, carried the rings on a small white satin and lace heart-shaped pillow.

Wayne Jones, brother of the bridegroom, was best man. Ushers were Jerry Jones, brother of the bridegroom; Ron McDowell, Michael McGrayer and Charles Gill.

Traditional wedding music was played by Denece Jensen. Mrs. Alan Bates was soloist.

After the ceremony, reception was held in the LDS Cultural Hall. The bride and bridegroom greeted guests before a white arch accented with bouquets of chrysanthemums and carnations in the bride's colors of white and blue.

The bride's table was covered with white and covered with the four-tiered wedding cake. The cake, baked and decorated by Mrs. Marvin Sheridan, was ornamented with blue arches, roses and blue bells, and topped with a miniature bride and bridegroom under a flowered

Clover Rites Unite Filer Miss, Newton

FILER—Diana Rose Aulderheide, daughter of Mr. and Mrs. Elmer Aulderheide, Filer, and Roger Lee Newton, son of Mr. and Mrs. E. M. Graesch, Buhl, were united in marriage in a candlelight ceremony Aug. 19 at the Clover Trinity Lutheran Church.

Rev. Thomas Johanson performed the ceremony before an arrangement of lavender and pink gladioli, flanked by tall baskets of white and lavender gladioli and pink lighted tapers in candleabra.

The bride, escorted to the altar by her father, wore a floor-length gown of wedding satin. The gown, made by the bride's aunt, was styled with a rounded neckline and lily point sleeves. A matching train of white satin was attached at the gown waist. Her elbow-length veil fell from a white floral headpiece. She carried a bouquet of pink and orchid roses and her only jewelry was a diamond necklace, a gift from the bridegroom.

Jeande Franz was maid of honor. Bridesmaids were Mrs. Harold Schroeder and Karen Aulderheide, both sisters of the bride. Flower girls were Naomi Aulderheide, sister of the bride, and Suzanne Graesch, sister of the bridegroom.

Lester Deimer was best man. Jerry Foster and Martin Aulderheide, brother of the bride, were groomsmen. Ushers were Harold Schroeder and Wayne Jangles. Candlelighters were Raymond Aulderheide, brother of the bride, and Arlyn Meier.

Mrs. Orville Graesch played the traditional wedding music and accompanied the soloist, Patricia Dierker, cousin of the bride.

A reception was held in the fellowship hall. Bud Smith regaled the guests and the gifts were displayed by Dorothy Dierker, Connie Aslett and Zandra Funke.

The bride's table was covered with a lavender lace cloth and centered with the wedding cake. The cake was topped with three

MR. AND MRS. ROGER LEE NEWTON
(Dudley photo)

pink bells and the base was encircled with greenery and lilies of the Valley and flanked by lighted tapers.

Cake was cut and served by Mrs. Arnold Aulderheide and Mrs. Lloyd Kuykendall, aunts of the bride, Mrs. Leland Stange, sister of the bridegroom, and Mrs. Leo Meier served punch and coffee. Mrs. Estel Meier served sandwiches.

Junior Music Clubs Slate General Meet

A combined general meeting of all the Junior Music Clubs of Twin Falls will be held at 20 a.m. Saturday at the YM-YWCA building.

A film, "Lonely Boy," the story of Paul Anka, will be shown and officers elected.

There will be three clubs this year. St. Edward's will continue as one. All elementary and students will be known as the Twin Falls Junior Music Club and Junior High and High school students will be members of the student group.

"Out-of-town" students will be registered according to age. There are counselors at each school to notify members of all meetings and to provide transportation to and from the meetings, held immediately after school.

Music counselors include Mrs. Robert Wilson, Bickel; Mrs. Kenneth Boyd, Harrison; Mrs. Steven Dierker, Elmwood; Mrs. Gerald Heidem, Memorial Lutheran; Mrs. Olean Seamons, members.

Assisting in the kitchen were Mrs. Gordon Schroeder; Mrs. Ivan Schroeder, Mrs. Paul Saenger, Mrs. Donald Martens and Mrs. Roger Clark. Reception hostesses were Wanda Schroeder, Priscilla Murrins, Susie Mein, Cheryl Kuykendall and Julia Meier.

Guests attended from Buhl, Teronite, Wendell, Filer, Twin Falls and Nebraska.

Morningside: Mrs. Joseph Mendola and Mrs. John Waters, St. Edward's; Mrs. Dolz Patterson, Washington; Mrs. Emmett Harrison, O'Leary; Mrs. Douglas Kramer, Robert Stuart, and Mrs. Luther Thompson, High school.

For meetings held in the evenings or on Saturday, members will be responsible for their own transportation.

Junior Music Clubs all over the nation are sponsored by the National Federation of Music Clubs. Their purpose is to promote interest among the youth of the nation in better music and to encourage them for musical instruments or vocal study.

A program of interest to the Juniors is the Marine Band set for Oct. 2 at the High school for two performances, 2 p.m. and 8 p.m. At the Twin Falls Symphony program set for Nov. 2, there will be a reserved section for all Junior Music Club members.

These programs will be counted as band and string programs for the year.

Future programs for the forthcoming year includes folk dancing in November; caroling party hosted by St. Edward's in December; American music program in February, and an opera program by students of Mrs. David Meade in April. All students interested in music are invited to join the groups.

Imported Holland Bulls here, many new ones at Globe Sec. Adv.

arch. The cake was flanked by blue and white candles.

Presiding at the bride's table were Mrs. Earl Frost, Mrs. Raymond and Mrs. Raymond Hanby.

Gills were arranged by Mrs. Larry Pries, Mrs. Leroy Peterson and Mrs. Kenneth Erickson. Guests were registered by Sandy Prentice and hostesses for the reception was Kaye Morgan.

Program Given

Mrs. Elmer Dossett, program chairman, introduced Mrs. Raymond Hepworth who demonstrated making crocheted yarn.

Members signed a card in honor of Mr. and Mrs. I. I. Holway on their 56th Wedding Anniversary.

Hostesses were Mrs. E. L. Rayborn and Mrs. Miller.

Tour the Orient with Northwest.

We fly there every day—by the shortest route there is.

The wayside shrines of Japan. The lush green of the Philippines. The cherry blossoms of Taiwan. Okinawa, Korea—the dazzling colors of Bangkok and Hong Kong.

You're just hours away from it all when you fly to the Orient on Northwest. We fly non-stop to Tokyo from the U.S. mainland every day.

And when you take off for the Orient on Northwest, you fly the shortest route there is—straight across the Pacific from Seattle. Hours faster than going by way of the mid-Pacific.

One more thing. When you fly Northwest to the Orient, you fly aboard a smooth, quiet Fan-Jet. We don't fly any other kind.

So, come to the Orient on Northwest. For reservations, call your travel agent or Northwest Orient Airlines.

Northwest flies direct to Tokyo from 9 U.S. cities—more than any other airline. New York, Washington, Philadelphia, Cleveland, Detroit, Chicago, Minneapolis/St. Paul, Seattle, and Anchorage. Services from 56 U.S. cities in all.

Miss Stuhlberg Is Bride of Jon Heitzman

JEROME — Beauty baskets and arrangements of yellow gladioli and bronze-colored chrysanthemums formed the background setting for the Aug. 26 marriage of Nancy Charlene Stuhlberg, daughter of Mr. and Mrs. Ed Stuhlberg, and Jon Edward Heitzman, son of Mr. and Mrs. Ed Heitzman, all of Jerome.

The double ring rites were solemnized by Bishop Grand Hieronimus at the LDS Church. Margaret Van Orman, organist, played the traditional wedding music and accompanied Keith Johansen, soloist, and Robin Hansen and Freddie Hansen.

The bride, given in marriage by her father, wore a gown of pearl de sole designed with a sapphire neckline outlined with re-embroidered alençon lace, tapered long sleeves and a sculptured bodice. Sequins and pearls accented the gown and alençon lace enhanced the beauty of the gown that was designed with a bow and bustle effect that swept into a swallow tailed chapel train.

Her veil of English silk illusion was held by a hat of pearl de sole designed with a sapphire and sequins and topped with tulle petals and a small pearl crown.

She carried a cascade bouquet of yellow roses and stephanotis centered with a white orchid. French tulle with beaded chiffon flower ribbons encircled the bouquet.

Her only jewelry was a necklace—a cross-centered with a small diamond, a gift from the bridegroom.

Matron of honor was Mrs. Grant Duncan, sister of the bride. Bridesmaids were Brenda Titus and Helen Robinson. Vicki Heitzman, sister of the bridegroom, was junior bridesmaid. Flower girl was Anna Kay Weigle, cousin of the bride, and daughter of Mr. and Mrs. Leo Roy Weigle.

Ricky Sterling, son of Mr. and Mrs. Richard Sterling, of Twin Falls, carried the rings on a white satin pillow. Michael Heitzman, brother of the bridegroom, was best man. Ushers were Charles Stuhlberg, brother of the bride, Arthur Johansen, and Vincent Alberdi.

A reception was held in the LDS Cultural Hall, where the newlyweds were greeted by a white wrought iron arch decorated with bouquets of yellow gladioli, bronze-colored chrysanthemums and bronze-colored pompons tied with white ribbons and wedding bells.

Guests were seated at quarter tables covered with lace and centered with arrangements of yellow gladioli of the valley accented with wedding bells and chartreuse-colored Birds-of-Paradise.

Guests were registered by Mrs. Royce Darling and gifts were displayed by Mrs. Thomas Davis, Mrs. Max Coy and Sandra Coz. Mrs. Clyde Hanson, assisted by Mrs. Joseph Putman and Mrs. Leo Olson, were hostesses.

The bride's table was covered with lace over chartreuse and

MR. AND MRS. JON E. HEITZMAN (Leyson photo)

centered with the wedding cake. Three heart-shaped cakes formed the base of the four-tiered wedding cake that was decorated with wedding bells and topped with a miniature bride and bridegroom. "Adiantum" fern, studded with yellow pompons, encircled the base of the cake. A nosegay of ribbon streamers draped to two sweetheart cakes.

Mrs. Darwin Shulsen poured and Mrs. Oscar Stuhlberg, aunt of the bride, assisted by Mrs. Roy Weigle, cousin of the bridegroom, and served the guests. Other reception assistants were Mrs. Raymond Ford, Mrs. Neil Perkins, Joyce Putman, Virginia Putman and Sandra Allen.

The couple took a honeymoon trip to Yellowstone National Park and Jackson Hole, Wyo.

Carolyn Park, Groves Marry

Mr. and Mrs. Kenneth A. Park, filer, announce the marriage of their daughter, Carolyn, to Richard Tim Groves, son of Mr. and Mrs. Richard V. Groves, Buhl.

The couple was married Aug. 31 at the Methodist Parsonage with Rev. Henry J. Gerhardt officiating.

A reception was hosted for the couple Sept. 4 at the home of the bride's parents.

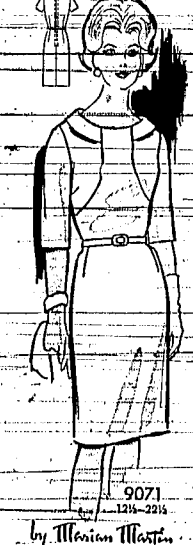

The bride was honored with showers hosted by Mrs. Robert Gillespie, Twin Falls, and Mrs. Richard Dwyer, filer.

Wendell Couple Is Honored

WENDELL — Mr. and Mrs. Arthur Koch, Wendell, were honored in observance of their 40th wedding anniversary.

Arrangements for the event were made by their children and

Arizona Coed Is Stabbed To Death

TEMPE, Ariz. (AP) — An Arizona State University coed was stabbed to death outside a downtown hotel Wednesday night.

The girl, Laura E. Bernstein, 21, of Fairview, Ariz., was a junior living off campus.

She was stabbed twice in the head and four times in the back and sides. A bicycle chain was clutched in one of her hands when children found the body under an arch in a darkened "corner" of the hotel's outside walkway.

Police said the girl apparently had been chaining or unchaining her bicycle to a post a few feet away.

There were no witnesses to the slaying, police said.

Court Shelves Merger of Railroads

NEW YORK (AP) — A three-judge federal court has temporarily shelved the scheduled Sept. 30 merger of the Pennsylvania Railroad, the nation's largest, with the New York Central.

The judges said, however, their restraining order Wednesday does not mean they will issue a temporary injunction against the merger. They said that decision will be made of their next week — when the merger was to formally take place — or the week after.

The Pennsylvania Railroad said it would have no comment on the court's action.

The court acted at its hearing on the request of nine other railroads to delay the merger until their protests were resolved by the Interstate Commerce Commission.

Earlier Wednesday, the judges rejected a request by the Justice Department to postpone the hearing so that federal lawyers could study an ICC report made Monday. The report promised new ICC hearings on ways to protect the smaller railroads from traffic losses as a result of the merger.

The three are the Erie-Lackawanna, the Delaware and Hudson and the Boston and Maine.

The other petitioners were the Chesapeake and Ohio, Baltimore and Annapolis, the Reading, Jersey Central and Western Maryland railroads.

At the four-hour hearing, however, all but the Erie-Lackawanna court they were not opposed to the merger in principle, but wanted to make certain their interests were looked after.

Actress Plans to Attract Villagers

LOS ANGELES (AP) — Actress Shirley MacLaine, national chairman of the Thomas A. Dole Foundation, has announced "Project Slowboat" — a plan to attract Lactian and Thai villagers to floating medical clinics through the use of American entertainers.

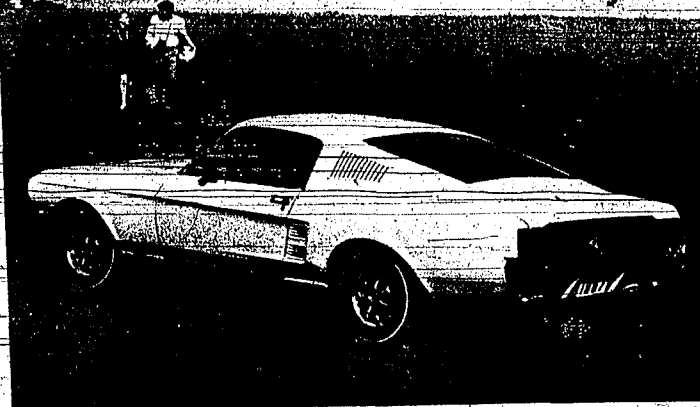

The boats will operate along the Mekong River in Laos and Thailand, offering shows and medical care.

Miss MacLaine said at a news conference in Los Angeles Wednesday that the foundation hopes to have three 35-foot American-built boats in operation in six months. Additional boats are expected, she said.

Son Honored

HAIYU — W. Martindale received word Tuesday that his son, Spec. 4 Alan Martindale, was awarded the Army Commendation of Honor for special action.

Martindale, who has been in the war zone the past 16 months, is adviser in Viet Nam, forces. He has been in the army over 20 years and served two years in Germany. He will receive his sergeant stripes this week.

FEATURING NEW SHEET metal for the first time since its introduction in April of 1964, the Mustang for 1967 is sportier in appearance and livelier than ever before. The 2+2 Fastback model has a new roof line and concave rear panel. All Mustangs for 1967 have two-inch wider front and rear tread for improved handling. Options for 1967 include a 320-horsepower, 330 CID V-8 engine and SelectShift Cruise-O-Matic transmission for manual or automatic gear shifting.

Major Body Style Changes Introduced in Ford Lines

Ford will smash the 1967 automotive market with more body styling, changes, bigger and better engines and transmissions and a full range of automotive safety features in Ford divisions' new Mustang, Falcon, Fairlane and Thunderbird.

The 1967 Fairlane, completely redesigned in 1966, has a host of performance options, numerous engineering refinements and important new styling changes.

Fairlane's styling for 1967 is highlighted by a dramatic new grille treatment. To attain a deep-recessed "air-scoop" look, bold bright horizontal bars intersected by three vertical bars divide the grille into eight symmetrical segments. This horizontal bars span each grille segment to create design unity and give the Fairlane a low, wide, strong countenance.

Fairlane's power-line up for 1967 includes the 170-horsepower 200 CID Six, which is standard on all by GT models; the 200-horsepower 289 CID V-8 standard on GT's, and the 270 and 320-horsepower versions of the 300 CID V-8.

Thunderbird, pacesetter in the personal luxury car field, will broaden its scope of appeal in 1967 with the addition of a four-door model, reflecting the greatest changes in its history.

The rakish, low, long-hooded "GT-road-car" look best describes the basic styling concept.

Upstaged

MONTREAL (AP) — Actors Burt Adams and George Alexander were in a scene of a comedy-mystery at La Poudriere Theater when a determined stranger and white cat that had been evicted three times in 15 minutes came back and deposited one of its new-born kittens on stage.

AGREE ON IDEAS

SEATTLE (AP) — Labor and management agreed here Wednesday on federal mediators' recommendations toward ending the 18-day strike against Battelle-Northwest at the Hanford Atomic Works.

Chinese Stone American TV Crewmen

MEDAN, North Sumatra, Indonesia (AP) — Troops fired over the heads of some 3,000 interned Chinese after the Chinese staged a National Broadcasting Co. television crew Wednesday.

Two policemen guarding the crew were injured by rocks and one of the NBC team was hit twice by stones.

The Chinese, confined to the grounds of a school, are waiting to be deported. Indonesia is deporting all non-Indonesian Chinese.

As they staged the television crew, they shouted "Crush America."

Lower Court Decisions Are Upheld

BOISE (AP) — The Idaho Supreme Court made public Wednesday several decisions upholding decisions of lower courts.

The conviction of Doris L. Little, an inmate of voluntary manslaughter was reaffirmed by the court. She was convicted in Kootenai County of the Jan. 14, 1965, shooting of her husband, Elmer Anstine.

Mrs. Anstine had contended she had picked up a rifle during an argument with her husband in their home, near Rathdrum, when the gun discharged and killed Anstine.

Another decision upheld a decision of District Judge Paul W. Hyatt, which said the State Dept. of Law Enforcement could not revoke the liquor license of a liquor dispenser who sold liquor to an out-of-state person who was under age 21, if the seller made a reasonable attempt to determine the buyer's age.

The case involved a Lewiston tavern called Bjork's, which allegedly sold liquor to a minor from Washington who presented false, Canadian identification.

EXPERIENCES ON THEIR LDS mission to Denmark will be given by Mr. and Mrs. R. Earl Sorenson, 227 Madison St., Twin Falls, at 7 p.m. Sunday at the Twin Falls stake tabernacle. Sorenson served as president of the Danish mission for the past three years. Family members will report on their experiences. They served from August, 1963 to August, 1965, according to Lloyd Hamilton, state president.

Stocks

NEW YORK (AP) — The stock market closed higher today, rising on an early rally and cutting a series of declines to three straight.

News of the United States of Vietnam and the Viet Nam war like steps was credited with halting a decline and bringing a rally.

Wall Street was encouraged to hope that various economic dislocations caused by the Viet Nam war might come to an end, providing a sounder background for the stock market.

Short covering was a big factor in the recovery. Many stocks and other high flyers recovered fairly heavily, however, taking in motors, chemicals, electronics and other groups.

Volume for the day was estimated at 5.6 million shares, compared with 5.3 million Wednesday.

There was the picture near the close.

The market overcame losses which threatened to bring about the fourth straight daily decline.

Minus signs were replaced by plus signs in many but not all of the Airlines, autos, trucks, motors, electronics and rails were mostly higher, oleiferous metals and chemicals were mixed.

Fairchild Camera recovered nearly 5 of the 14 points it lost Wednesday. IBM and Polaroid were up 1 1/2 and 1 1/2, respectively. KIM Airlines rose 4.

Gains of 1 or 2 points were made by Boeing Douglas Aircraft, United Aircraft, Zenith Raytheon, Control Data and Unix-Carbide.

General Electric and IBM Corp., General Motors, RCA, Western Air Lines, Schenck, United and American Airlines were up.

AMP Inc. dropped 3 points. Minnesota Mining 2 - Phelps Dodge about 1/2.

Prices rose in moderate trading in the American Stock Exchange.

Dow-Jones Averages: Industrial 1,418.48, 19.18; 20 Rails, 198.80, up .25; 15 Utilities, 127.49, up .27; 65 Stocks, 174.35, up .30.

Closing Quotations: NEW YORK STOCK EXCHANGE

Jerome Puts Undeclared, Unscored-Upon Record on Line Against Twin Falls

Undeclared and unscored upon, the Jerome Tigers will put their 3-0 record in the hands of a wiry defense Friday night when they travel to Twin Falls to test the twice victorious Bruins. It will be a Jerome home game, meaning all Twin Falls student-body and Bruin-Booster season passes will not be recognized. In other words, the Jerome juggernaut may help the athletic budget to its first \$1,500 plus gate. Game time is 8 p.m.

Persons interested in getting tickets prior to Friday night may do so at the Rogers Cotton and Twin Falls Students can pick up their seats at the athletic director's office at the high school.

This figure will be the big Class A game of the season. On paper Twin Falls rates the edge quite handsily because of its line. But that same size factor faced the Tigers against Minico and the defense came up with its usual job, shutting-out the Spartans.

Quickness has been the key to Coach Jerry Diehl's success. The Tigers have turned blocked punts into three touchdowns, fumbles and interceptions into a couple of more. The defense is anchored by three-year starter Vince Williams, end Mark Pierce and tackle Perry D.

Offensively the Tigers ride the running of Bill Bubak and breaker "Red" Fitzgerald. Both have broken long runs this year. Larry Hancock can provide aerials.

That will be aligned against the Twin Falls "Sevens" of Pat Touchette, Flint Carpenter and Chris Thompson, the middle of a starting Bruin line.

In the backfield the Bruins call on Dick Johnson, who has averaged eight yards a carry, and fullback Dan McGold, who has been worth six per try. The nod goes to Twin Falls because of its line, which has had two previous foes to 218 yards in 93 tries, or less than three per try. But the Bruins showed last week that good passing can give them life. A full win falls has seen four complete 11-0-0 passes for 131 yards. The Bruins have intercepted three passes.

Officials have kept Twin Falls in trouble.

"Last week we lost some scoring opportunities due to penalties," says Coach Jerry Diehl. "We are going to be a lot better in that respect."

Edie Feigner will show off his special football picking talent at an exhibit game against Magic Valley all-stars at 8 p.m. Monday at the Robert Fairgrounds. Feigner is the "King" in the "King and His Court."

'King and Court' to Stage Softball Exhibition Game

RUPERT — A group of Magic Valley all-stars will meet the Edie Feigner "King and His Court" in a special softball exhibition game at the Robert Fairgrounds at 8 p.m. Monday.

The "King" is well known Edie Feigner who is acknowledged to be one of the greatest underarm chuckers the world has ever seen. Feigner plays with a three-man team, a catcher, shortstop and second baseman and still wins over 90 per cent of his starts.

Wood River-Gooding and Musers-Richfield Games Highlight Weekend Slate

Wood River puts its championship hopes squarely on the line against Gooding and Carey travels to Grand View for a battle that will do a lot to settle another title question in the highlights of a 14-game high school football week-end. Only two non-conference games are set. But will travel to Elko while Twin Falls and Jerome collide at Bruin Stadium (in a Jerome home game) in a battle for class A undefeated and state ranked teams. It has been a long-time since Wood River was a contender in the Big Eight Conference and so far Coach Bill Bowman has his Wolverines riding a 3-0 crest. The Wolverines are big enough to give everyone trouble in the line but at Gooding they will run into a team that holds an edge in speed. In fact, Gooding won the conference championship on speed last year and while the coaches aren't as good this season—the Senators still aren't the slowest team around.

Sight-in Session Is Offered Area Hunters

The Twin Falls Rifle and Pistol Club will hold a sighting-in day for all hunters of the area Sunday. The club range will be open from 8 a.m. to 5 p.m. Members of the club will be on hand to help hunters properly sight-in their rifles. A public sighting-in session will be held during the day. The club is located on the south rim of the Snake River Canyon, 1/2 mile west of the north end of Washington Street.

The club is offering this opportunity as a public service to hunters in the area. The program, conducted by the National Rifle Association—Hundreds of NRA-affiliated clubs throughout the country are taking part in the program.

A correctly sighted rifle is an important step to safe and accurate shooting, and increases the percentage of clean kills, says Mr. John E. Brewer, president of the Twin Falls Rifle and Pistol Club. Familiarization with the rifle and knowledge of the points of impact of the gun being used are also important factors in the sighting-in process.

Detailed information on sighting techniques and bring points are available at the range. Hunters are required to have all firearms unloaded and action open when entering the range area.

Patterson Seeks Bout With German

LONDON (AP) — Floyd Patterson says he is on his way back to another title fight with Cassius Clay, but first he wants a crack at Karl Mildenberger.

Patterson knocked out British champion Henry Cooper in the fourth round in London's Wembley Stadium Tuesday night.

The former champion floored Cooper for a third time in the third round—this time in the fourth round by finishing off the Briton with a left-right combination.

"Every fight I have now I regard as one step towards another clash with Clay," Patterson said.

"An new looking forward to a fight with Mildenberger, I think the winner of that one should have another title chance. I think he would be just another warm-up for the champion. But I thought the Germans put up a genuine fight. I'd better than anyone expected."

"I thought even Clay was surprised," Mildenberger obviously knew Clay would be better than Clay should be in the 7th round of their world title fight at Frankfurt, Germany, Sept. 10.

Mildenberger, who was at the ringside Tuesday night, said, "I would be honored to meet Patterson in what would be a great fight. I would be glad to consider an eliminator for another shot at Clay's title."

Patterson said he is anxious to meet Clay again.

"Obviously, I think I could beat him, or I wouldn't be carrying on like this," Patterson said.

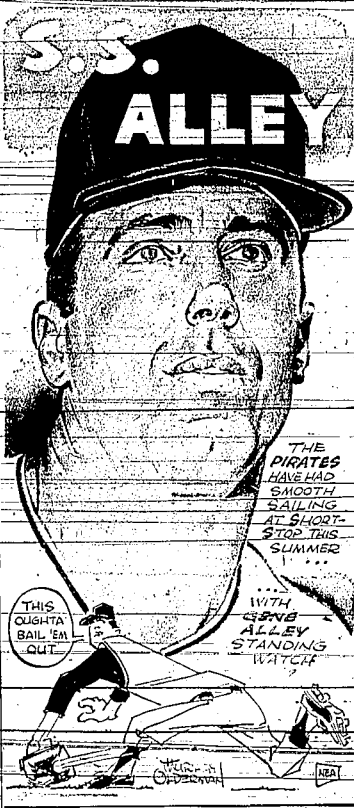

BYU Ready For Opener At San Jose

PROVO (AP) — Brigham Young University's football team prepared for its season opener Wednesday as the Cougars prepared for their season opener against San Jose State Saturday night.

Cougar Coach Tom Hudspeth stressed light contact work during the drills and let two separate offensive units concentrate on refining their technique. Hudspeth singled out quarterback Virgil Carter, split end Phil Ode and offensive guard Grant Wilson, with this year's defensive performers, as the stars in Wednesday's practice.

Hudspeth announced his probable starting offensive lineup for Saturday's game. Still to be called on the line are Dennis Palmer and Ode, ends Mack Newberry and Tom Batzer, tackles Wilson and Rich Lopez, guards, and Gordon Jennings, center. The backfield consists of Carter, Perry Rodriguez, Kent Olson and John Ogden.

CSI Sets First Hoop Tryout for Monday

The first tryout for the College of Southern Idaho Golden Eagle basketball team will be conducted Monday evening, announces Coach Eddie Sutton. Sutton noted that all male students of the college are invited to answer the call whether they are in academic or vocational classes.

Horton Bats Tigers Past Angels 2-1

DETROIT (AP) — While Horton's two-run home with two outs in the bottom of the ninth gave the Detroit Tigers a 2-1 victory over Dean Chance and the California Angels in the first game of a two-night doubleheader Wednesday night.

The second game was postponed by rain. The teams will play an afternoon doubleheader Thursday.

First Game: Horton 100 000 001-1 7-0
 California 100 000 002-2 3-0
 Chance and Rodgers; Wilson, Pena (2) and Krehen, W-Pena, 4, 2-1; Chance, Detroit, Horton (2), 2-1.

Pass Interception, Punt Return Net Defensive Honors for Byrd

NEW YORK (AP) — When Butch Byrd, Buffalo's veteran cornerback, was offered a congratulatory hand after the Bills' victory over Miami, he declined with thanks, pointing out: "I did so many things wrong out there it's unbelievable." And it may be just as unbelievable for Byrd to learn that he was selected Wednesday as the Defensive Player of the Week in the American Football League by the Associated Press.

Late Homers Lift Giants Past Pirates

SAN FRANCISCO (AP) — Ninth-inning home runs by Tom Haller and pitcher Juan Marichal lifted the San Francisco Giants to a come-from-behind 6-4 victory over Pittsburgh Wednesday, jolting the pennant hopes of the Pirates.

The loss dropped second place Pittsburgh two games back of first-place Los Angeles in National League race with the Dodgers playing Philadelphia Wednesday.

The Pirates had broken a 3-1 tie with a pair of runs on Bill Mazeroski's two-out single in the top of the ninth, but the Giants bounced right back.

Jesus Alou opened with a single to center. Haller followed with a two-out home run to start the season over the right field fence, tying the score.

After Don Nixon tied out the home run, ending it.

The victory kept the Giants' faint pennant hopes alive. San Francisco's lead over the Dodgers and 2 1/2 back of Pittsburgh.

Gene Allee opened the Pirates' top of the ninth, but Roberto Clemente singled him to third. But Marichal, who won his 23rd game, got the next two outs.

Marichal singled to center, scoring one run and when Mays bobbled the ball, another run scored.

 Home runs — Pittsburgh, Clemonson (2); San Francisco, Haller (2), Marichal (3).

Jets Pace In Statistics

NEW YORK (AP) — The New York Jets, one of three unbeaten teams in the American Football League, also are in the lead in passing and rushing statistics.

On the strength of their 52-13 romp over Houston, the Jets retained the league's defensive title, leading in rushing and offense and took over the offensive top in passing and total offense.

Only Kansas City, also 3-0, broke New York's hold by rushing its lead in rushing offense.

The Jets have allowed the opposition only 28.5 yards a game, 66.7 less than Oakland.

New York also has passed for 245.5 yards per game in a total offense of 368.5 yards per game. Kansas City has run for 152 yards per game.

Oakland is second in passing offense with 228.3 yards a game. The rushing runner-up is Buffalo, after pounding Miami 52-24, is second in total offense with 323.3 yards a game.

Frazier Has Verdict Over Bonavena

NEW YORK (AP) — Joe Frazier, the unbeaten 192-pound champion, bounced back from two round-robin knockdowns and won his 12th straight Wednesday night in a 10-round split-decision over Oscar Bonavena, the South American King from Argentina.

Frazier, of Philadelphia, weighed 203 1/2 pounds, Bonavena 205.

Referee Mark Conn scored it 6-4 for Frazier and Judge Joe Ephy saw it 5-4 for the Philadelphia boy. Judge Nick Gambo had it even in rounds 5-8 but gave Bonavena "his vote" on points 8-5, obviously because of the knockdowns "The Associated Press had — Frazier a 5-1 winner.

Frazier landed many borderline punches with his right hand and the South American's corner screamed about low blows. However, no rounds were taken away, and there were no warnings.

Frazier a pro for only 13 months, remained unbeaten with a 12-0 record.

It was the third defeat for the South American champ who now has a 21-3 record for 24 pro starts.

O'Leary Frosh Defeat Minico

O'Leary's freshmen scored four times in the third and early part of the fourth quarters Wednesday night to defeat Minico 32-18.

It was a 5-0 halftime tie. O'Leary stormed into a 22-0 edge on the running of Steve McClain and Rick Schum. Minico scored on a kickoff return by Tom Judd and a Randy Hulshelm sweep in the final minutes.

Stuart Hart posted their second victory Tuesday afternoon, defeating Castleford 24-14. Tom Cummins paced the victory with touchdown drives of 49 and 60 yards.

Steelers Climb To Respectability

NEW YORK (AP) — Pittsburgh's Steelers, with a win and a tie to show for their first two 1966 games, climbed to a 2-1 record in 1966, are becoming respectable again.

The second week's crop of statistics from the National Football League, issued Wednesday, showed Pittsburgh leading the pack in defense on the basis of several yards. The Steelers have given up only 218 yards a game which only 20 other teams have done in the league.

The club also ranks high on offense, sitting in a third-place 16 with 31, 70.6 at a 330-yard average.

Wage Law Signing Will Seal Pact With Organized Labor

WASHINGTON (AP)—When President Johnson signs the new \$1.60 minimum wage law he'll seal a peace pact with organized labor, says a leading labor leader.

Threats by union leaders to terminate their 30-year political partnership with the Democratic party, passed a bare 60 days before the November elections, wasn't the only thing that soured the union leaders, who were so angry six months ago that AFL-CIO President George Meany shouted: "I don't want the Democratic party because it can't deliver."

Johnson's refusal to support a congressional move to force striking airline mechanics back to work by law was the major turning point in labor's reconciliation with the administration.

Johnson's acceptance of defeat when the strikers rejected a settlement negotiated by the White House also improved his relations with labor.

And when the mechanists went on a wilder strike, one that uprooted the 34 per cent White House wage guideline, Johnson won more labor plaudits than he had in years.

Johnson's quiet and apparently without rancor.

The attempt to limit all wage hikes to 2.5 per cent a year had

Draft-Dodgers Train at Universities

BY TOM TIEDE
CHAMPAIGN, Ill. (NEA)—Thousands of college seniors are starting classes this fall under the assumption that, come next summer they'll graduate to join the military.

To enhance that possibility, they do one of several things during the interim months: destroy their Selective Service cards, seek a member of an Armed Forces induction board, plead illness, drug-addiction, religious opposition or homosexuality.

Some students may do all of these.

"Draft dodging knows few excesses," says one University of Illinois undergrad, "if I thought I would save myself or my friends from two years in the Army."

Actually, belief in the use of civilian force to object to the use of military force is not widespread among draft dodgers. On the contrary, most agree that nonviolence is the only hope for young men facing "ever Godawful" years in the combat arms.

Those who preach prudence have organized an increasingly popular movement to inform the nation's youth about the one way they can escape both the draft and the prison cell—that is, Selective Service classification 1-D, the exemption by right of conscientious objection.

This campaign fosters the idea that a conscientious objector "is not a coward, but a courageous man standing up for his beliefs." And its aim is to "deny the government the right to force young people to carry out violent acts."

Says Paul Booth, chairman of the Students for a Democratic Society: "The commitment of the generation we represent is clear. We are anxious to build villages, not to burn them; we want to teach, not to torture. We do in conscience object to the war in Viet Nam on the grounds it is immoral to its roots."

To spread this word to as many draft eligibles as possible, a number of books and pamphlets have been written. They make several general assertions. Among them:

"Do not fear your draft board. Fight it."

"Breaking unjust laws is morally correct."

"It's wrong to destroy human beings."

"Being in a prison is better than being in a platoon."

But the most pregnant point the propaganda promulgates is that a conscientious objector is not a coward, but a courageous man standing up for his beliefs.

that a man "is certainly not limited to any formal religion" to qualify for military escape.

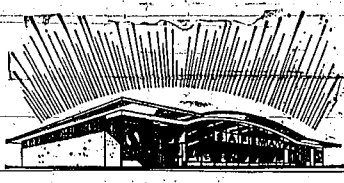

According to the "Guide to Conscientious Objection," a dodger "does not have to go to church to beat the rap. He may even be an atheist. The guide says that the trick is to indicate 'belief in a moral principle.' Courts have ruled that such can hold the same central place in life that the orthodox belief in God does. All of this, of course, is intoxicating for many university types. Fear of fighting in Viet Nam has reached epidemic proportions and students are looking for any out.

But even conscientious objection has its drawbacks. For one thing, it doesn't completely exempt an applicant. The majority must still serve two years as noncombatants. One such duty is with the Medical Corps where a draftee can quite easily find himself on a Vietnamese battlefield.

Such an alternative appeals to few. Prison is preferable. "I'm going to burn my draft card," insists one University of California chap. "That way I know damn well that they'll never get me close to the sinking war."

He, a member of the Young Socialists League and Campus Americans for Democratic Action, is a bit more candid than most draft dodgers. He says he has neither an overwhelming moral, religious, political nor

social objection to his country. Then, we'll wait and see. Truly, I'm

INSTANT MONEY MAN ARRIVES NEXT WEEK TO HAND OUT MONEY

Will Give Away \$10, \$20 from Instant Maxwell House

YOUR BIRTHDAY and HOROSCOPE

THURSDAY, Sept. 22—Born today, you are a naturally acquisitive person to whom both personal assets and material possessions should flow like water. You are not, however, one who takes your acquisitions for granted, rather you protect both your personal reputation and material goods for all you're worth, allowing neither to be come in any way tarnished by accident or loss. It is this attitude of quality that brings you the friends which natural jealousy of you might otherwise keep away.

You have excellent judgment when you make decisions least according to your emotional reactions and more to your intelligence. Somewhat inclined to feel things either too deeply or too shallowly, it is not easy for you to not waver in the absence of reason you would do well therefore never to choose a course of action without first weighing all the pros and cons, bringing into play all the logic you possess.

Although you may have many friends, you will be well along in life before you come to consider any one of them seriously enough in preparation for an acceptance of marriage. Only take care that you do not become panic-stricken as time goes by, and you remain single. You are not highly selective in your choice of a partner you will surely choose wisely.

To find what is in store for you tomorrow, select your birthday and read the corresponding paragraph. Let your birthday star be your daily guide.

Friday, Sept. 23

VIRGO (Aug. 24-Sept. 23)—It is the Virgo who best adjusts his person to his professional environment when he takes the lead among co-workers today.

LIBRA (Sept. 24-October 23)—Always content into one another at this time, whether professional or domestic. You need to be able to play a free hand.

SCORPIO (Oct. 24-Nov. 22)—Research increases with influence. Make a genuine effort to lead others along the path you would go. Take care, however, not to burn.

SAGITTARIUS (Nov. 23-Dec. 22)—Though some may admire and some may resent your present ideas, all must ultimately respect your judgment. Speak up.

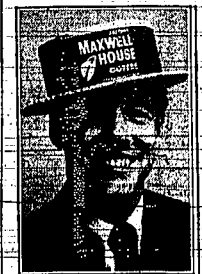

CAPRICORN (Dec. 23-Jan. 20)—Disappoint yourself before you disappoint others today, espe-

URGES VISIT TO STORE

In a special advance notice, the Instant Money Man advises local residents to pick up Instant Money Man Certificates at stores that carry Instant Maxwell House Coffee.

Way settle for just ten dollars when you can have twenty? he asks.

Having the free certificate on hand will mean an extra ten dollars when the Instant Money Man makes his call.

Original Coffee Drinkers Coffee drinking probably began in Arabia in about the Fourteenth Century.

Doorbell-Ringing Tour to Cover All of Twin Falls Area

Smart local housewives this week are preparing for a visit from the Instant Money Man.

He's coming to town to get more people to try Instant Maxwell House Coffee. "More people should know how delicious this coffee is," he says.

"Show me a jar of Instant Maxwell House or the letters 'IMH' handwritten on a plain piece of paper when I call on you and I'll give you ten dollars," says the Instant Money Man. No purchase is required.

If the Instant Money Man rings your doorbell, and you have what he's looking for, you get a check right on the spot.

Ten dollars if you have a jar of Instant Maxwell House Coffee, or the letters "IMH" handwritten on a plain piece of paper.

Twenty dollars if you also have the free Instant Money Man Certificate from your store.

People all over the area are visiting neighborhood grocery stores and supermarkets in readiness for the Instant Money Man's visit.

Housewives in Area Get Ready, Rush to Maxwell House Displays

A word spread that the Instant Money Man was expected in town next week, many a local housewife in the last few days has been talking excitedly to friends and neighbors on street corners.

"How wonderful to pick up the free Instant Money Man Certificate at the store. Just in case," she said.

"You never can tell. I'd hate to have the Instant Money Man ring my doorbell and find me unprepared. That would mean my missing out on a good thing. And twenty dollars is twenty dollars."

"She made more to pick up the free Instant Money Man Certificate at the store. Just in case," she said.

Money-Splendored Vehicle

The Instant Money Man is making his rounds with lots of noise and excitement. His red blazer jacket and "million dollar wagon" will let people know that the Instant Money Man is in town.

Reception Is Held by PTA At Gooding

GOODING—A teacher's reception was held Monday night at the elementary school.

Mrs. Jack Rice, president, introduced Mrs. Keller, superintendent of schools, who in turn introduced principals of the schools.

Reverend King, high school principal, introduced his teachers, Delbert Beazard, Robert Blessinger, Mrs. Blythe Clemons, Jack Janssen, Lawrence Johnson, Morten Krahn, Richard Lee, Mrs. Gary Major, Mrs. Lelene Meyer, Mrs. Elmira Morris, Toi Nehrliss, Darrell Schmitzer, Dean Sisson, Mrs. Robert Stuart, James Wallace, Ruth Meyer and Mrs. Matthews.

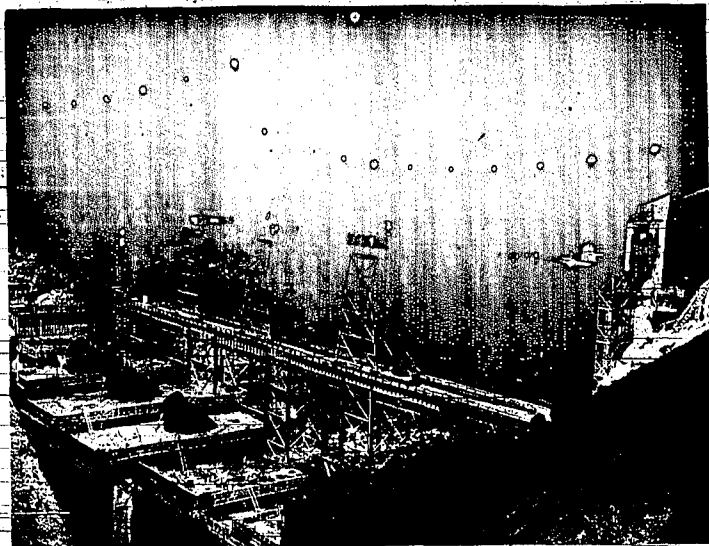

Paul Durrie, principal of Frahan Junior high school, introduced teachers from that school including Mrs. Dale Bickler, Mrs. Gordon Eisinger, Mrs. Stewart, Mrs. Robert Bryan, Mrs. Lawrence Hobson and Mrs. Matthews.

Rex Adamson, Margaret Gehrig, Mrs. Alan McCombs and Gordon Eisinger, Eugene Gibbons, elementary school principal, introduced Florence Frahan, Mrs. Lawrence Severe, Mrs. Everett Melles, Mrs. Jay Brown, Mrs. Doe Fahrwald, Mrs. Jack Byram, Mrs. Miss Reed, Mrs. James Kaneaster, Mrs. Lucy Oates, Mrs. Helen Harris, Mary Welch, Mrs. Lillian Osborne, Mrs. Harold Henderson, Mrs. Vernon Miller, Mrs. Morris Gerard, Mrs. Alice Cargill, Music teacher is Mrs. Virginia Allen and special education teacher is Mrs. Helen Mabbutt.

Keller also introduced school board members Tom Morrison, chairman, Richard Strickland, vice chairman, and trustees, Don Hawkes, John Varin and the Grand Woodbury.

Members voted to support the special therapy class in the elementary school. Mrs. Welliver Miller will conduct the class.

Mrs. Walter Nelson reported on membership; and Mrs. Jerry Egersdorf stated the need for room mothers of various elementary rooms, and asked for volunteers. Mrs. Leon Goodman, hospitality chairman, announced that Mrs. Miller's room won the attendance award for

NO "PAUSE" in the day's occupations" is observed at Idaho Power Co. Hells Canyon Dam project, as this spectacular night view of the huge construction undertaking in North America's deepest gorge indicates. Work on the 425,000-kilowatt project — Idaho's largest construction task by private capital — is being pushed around the clock, six days a week, with night-time operations performed under powerful floodlights. The lights, consisting of 56 mercury-vapor bulbs suspended from two cables spanning the narrow gorge, provide a

the elementary school; and Mrs. Matthews and Mrs. Butler tied in the Junior high attendance.

Rev. Warren McConnell announced that the sponsoring Community Mental Health Association will sponsor a legislative dinner Oct. 13, with political candidates of the Nordiste to attend.

J. Russell Major, associate professor of sociology at Idaho State University, will be guest speaker. Reservations should be made with Mrs. Harold Henderson by Oct. 10.

Mrs. Rice presented a past president's pin to Mrs. Lauren

total of 50,000 watts of illumination. That's enough to light 140 residential blocks adequately. At lower left in this view, partially embedded in the rising dam's concrete, are three 24-foot-diameter steel penstocks that will carry water from the reservoir to the generating units. A top-work-trestle at center are three cranes that place concrete for dam and powerhouse. Crane at left is buried as result of its movement during time exposure necessary to take photo at about midnight during so-called "graveyard" work shift.

Shaver.

Mrs. Gary Major, foreign language teacher in the high school, gave a demonstration of the new teaching machine, foreign language.

Stanford Rupert, program chairman, presented a short comic movie about the school. He announced that the program for October would deal with sales tax, and guest speaker will be Edrick Harwood, legislator from Jefferson County.

Mrs. Rice extended her thanks to the Garden Club for flowers and corsages donated for the

chorus. A fellowship noon meal will be served all members and guests.

The church will raise its suggested goal of \$10,000 for the budget for Christen World Mission of the United Church of Christ. The \$11,600,000 budget will support its over 500 missionaries in 30 countries and its 12 divisions of Home Ministries.

It also contributes to the budgets of its 14 seminaries and with other denominations maintains a campus ministry to students in institutions of higher learning.

Mission Fete Planned by Paul Church

PAUL — The Paul Congregational Church will hold its annual Mission Emphatics Sunday with three services.

Rev. Elmer A. Jeske, MCCall, will be guest speaker. The services are scheduled at 11 a.m., 2:30 and 7:30 p.m. with special music by the chancel choir and

Advice Given On Grocery Shopping

NEW YORK (AP) — A nickel on a can of beans or 20 cents on a pound of bacon — little things may add a lot to soaring food bills.

But hurried housewives may save \$5 on a \$30 bag of groceries by careful shopping. That is the penny-pinching advice from the President's Committee on Consumer Interests.

It is getting up a folder with some ideas for stretching food dollars, to be distributed at food stores across the country. Consumers are advised to spend more time considering their purchases and shopping.

High on the list is trying new recipes, new meal ideas. You can cut your food bill 20 percent by using lower-priced items.

Shop the specials. Check grocery advertisements, particularly for meat, poultry and fish, and plan your menus to include the week's special promotions.

Take special care with meat purchases. They may account for one-third of your food bill. Less expensive types or cuts of meat may be substituted without cutting nutritional values. Try more fish, chicken, turkey. Turkey production is heading toward a record; prices have been down.

That's another tip — shift your menu to reflect the supplies and season.

Fresh fruit and vegetable supplies change constantly, reflecting the weather. Harvesting problems — any of a number of things. Substitute romaine if Boston lettuce is high.

Watch when the price is right.

Hot Onions

ALBUQUERQUE, N. M. (AP) — Police have been asked to keep an eye out for someone trying to peddle "hot" onions.

An onion farmer in south-west New Mexico, Carmen Pacheco of Deming, said 22,000 sacks of onions valued at \$54,000 were stolen from his fields.

A representative of the firm which has underwritten Pacheco's onion crop, said he suspects the thieves made three or four trips weekly to Albuquerque markets to sell the contraband onions.

—beef or pork liver for calf liver, or bean and cheese dishes for meat.

Buy in quantity, but be careful. Select the amount that will avoid waste.

AIRMAN-SELECTED
JEROME — Airman Arthur S. Lopez, son of Mr. and Mrs. Joe M. Lopez, Jerome, has been selected for technical training at Chanute Air Force Base, Ill., as a U. S. Air Force aircraft maintenance specialist.

"Say PEPSI PLEASE"

new... one-minute Miracle

Now you can make Pillsbury's famous 14 egg-white angel in just 60 seconds! Everything comes in one pouch — no separate egg whites to mix or fold. Just add water and blend one minute — for the tallest, tenderest angel food ever; White, Raspberry Swirl, Cherry and Lemon. Pillsbury's new one-minute Miracle Angel. The 14 egg-white Angel. Easiest cake mix ever. A very fresh idea!

14 EGG WHITES RIGHT IN THE MIX! ONE-MINUTE MIXING!

Challenge Cottage Cheese

made fresher! stays fresher!

thanks to this exclusive inner seal!

Every time you open a carton of Challenge Cottage Cheese, you'll see why Challenge is always fresher... an air-tight, tamper-proof inner seal that guarantees the freshness and purity that Challenge packs into every carton. That good "dairy fresh" flavor's sealed in until YOU open it... another Challenge convenience for you.

MAGNAVOX COLOR TV:

FRENCH PROVINCIAL
MODEL-3-T597

1 You'll enjoy the greatest number of color programs ever! This Fall, all evening programs—90 shows on the three major networks—will be carried in color. In addition, daytime shows will be 100% color on one network, 67% and 50% on the other two.

2 Authoritative industry statistics clearly show that this fall's demand for color sets will far exceed their supply: over 2-million families will be disappointed when they are unable to get delivery on any Color TV—not even in time for Christmas!

3 Your family deserves the best! Magnavox is truly today's most advanced Color TV. Only Magnavox has Automatic Color, which gives you perfect color pictures automatically—without critical manual tuning. And, Magnavox also offers you many more "years-ahead" exclusive features... plus greater value... finer performance... and higher reliability than any other make today!

4 Our complete selection of new magnificent Magnavox models is on display at our store—now! Choose from today's greatest assortment of authentic fine furniture styles: 17 Consoles from \$439.50 and 12 Stereo Theatre entertainment centers—with Stereo FM/AM Radio-Phonograph—from only \$695.00. We sincerely urge you to act now and get immediate delivery!

- Big Picture 295 sq. in. rectangular TV
- Solid-State Stereo FM, Monaural FM/AM Radio
- Two 12" Bass Woofers
- Two 1000 Cycle Treble Horns
- Micromatic Record Player with Diamond Stylus—lets your records last a lifetime!

\$850

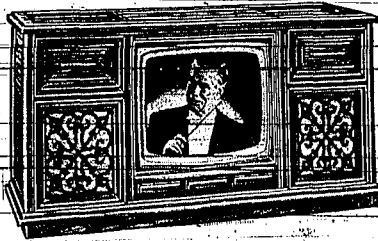

Revolutionary Astro-Sonic Stereo brings you the most beautiful music you've ever heard! Thrilling performance from glorious Stereo FM, noise-free, drift-free Monaural FM, plus powerful AM Solid-State Radio; 20-watts undistorted music power. Because highest-reliability solid-state components replace tubes and heat, they're guaranteed 5 years, other parts 1 year—replaced by us if defective in normal use. We also provide free service for 90 days. Model 3-T599 in Colonial fine furniture.
