Johnson, Russian Will View Plans To Improve Ties

WASHINGTON (AP)—Several proposals for improving U.S.-Soviet relations, in spite of sharp differences over the Vietnamese war, are due for discussion here today between President Johnson and Soviet Foreign Minister Andrei A. Gromyko. The White House announced the two men will meet at 5 p.m. shortly after Johnson's return here from a weekend at his Texas ranch. There appeared to be no doubt Johnson would urge upon Gromyko the U.S. view that the Soviet Union should do everything possible to bring the Vietnamese war to an end. The U.S.S.R. is a chief supplier of weapons to North Vietnam and recently concluded a new aid deal with that country.

Gov. Smylie Undecided on Tax Session

BOISE (AP)—Gov. Robert E. Smylie said today he was undecided on whether to call a special session of Idaho's legislature to revise the sales tax law.

But he told his news conference today that the situation "almost dictates" that the law be changed "if we can afford it, and I think we can."

Smylie said last week he is considering calling a special session to enact recommendations of the House Revenue and Taxation Committee's interim tax study group. The latter suggested repeal of the oleomargarine tax and removal of the sales tax from prescription drugs.

Asked about reactions to the proposal, Smylie said there has been little except that "it is being particularly by candidates for governor and State Sen. Jack Murphy of Shoshone, the Republican nominee for lieutenant governor."

Murphy, who was president pro-tem of the 1965 legislature, said nothing should be done that would close the people's right to vote on the sales tax in the Nov. 8 referendum.

Smylie said he agrees with Murphy and is confident that changes in the law which have been proposed would not invalidate the referendum.

Asked whether he thought the sales tax would be upheld by the voters, Smylie said he is confident the voters are "able to sustain the law any way."

Sen. Brooks Opposed to Special Meet

RUPERT—Opposition to a special session of the Idaho Legislature continued to pile up today when Sen. Brooks came out strongly against the session.

Gov. Smylie proposed the session to revise the sales tax law, which would be held in November. Brooks based his opposition to the special session on the fact that the legislature is in session.

Demilitarized Zone Given Reinforcing

SAIGON, South Viet Nam (AP)—The United States has agreed to reinforce the demilitarized zone today as 352 bombers raided North Vietnamese infiltration routes just above the buffer zone.

Simultaneously, U.S. Secretary of Defense Robert S. McNamara arrived in Saigon for a four-day visit to the battlefronts and a survey of the war.

U.S. military officials announced that the two Marine divisions already in the northern provinces were moved closer to the 17th parallel demilitarized zone which separates North and South Viet Nam.

Ike Insists on Measures to Win War Fast

GETTYSBURG, Pa. (AP)—Former President Dwight D. Eisenhower will insist "we must win fast" in Viet Nam, but he also said that the United States has no intention of using nuclear weapons to achieve a swift victory.

Politicians Admit War Isn't Congressional Election Issue

WASHINGTON (AP)—With less than a month of campaigning left, strategists of both parties are admitting privately they haven't found the Viet Nam war to be a congressional election issue. Most candidates interrupting their campaigning to check in now and then for major Senate and House roll-calls report the voters are disturbed about the ever-enlarging conflict and frustrated by the apparent failure of peace efforts.

Inez Hits Mexico, Misses Texas Crop

BROWNSVILLE, Tex. (AP)—Hurricane Inez smashed into the Mexican coast north of Tampico with 135-mile-an-hour winds today on a course that missed South Texas and its multimillion-dollar citrus crop.

Weather, Temperatures

MAGIC VALLEY—Generally fair today through Tuesday with some high clouds Tuesday. A little warmer, High 65 to 75, low 27 to 35, except Camas Prairie high, 63 to 72, low to low 20s.

Outlook for Wednesday is partly cloudy and cooler. Temperatures: High 50 to 60, low 27 to 37 at Ft. Wheeler. Wind from the south, 10 to 20 mph. Humidity, 55 to 65 at Ft. Wheeler. Humidity, 55 to 65 at Ft. Wheeler. Humidity, 55 to 65 at Ft. Wheeler.

SYNOPSIS AND AGRICULTURAL SUMMARY
Dry stable air covers the Intermountain Region today as surface high pressure continues to be quite strong. Clear skies are expected through the season in the valleys of Southern Idaho.

Last night was a clear and cold night in the valleys of Southern Idaho. Freezing temperatures were quite general in all valleys of Southern Idaho. Temperature changes from 3 to 14 degrees lower were noted in southern and Magic Valley with little change in the southern valleys. An exception to the cooling trend occurred at Boise where their overnight low of 29 degrees was 8 degrees warmer than the previous 24 hours and also the warmest spot in Southern Idaho last night. Fairfield and the area around it both had low temperatures of 19 degrees.

A low pressure center is moving across Western Canada with a cold front approaching the northwestern corner of Washington. High pressure will remain strong today in the Intermountain Region but will begin to weaken today and tomorrow. Fair weather will be the rule in the agricultural valleys today and Tuesday. Any precipitation from this storm will remain near the low-pressure centers in Canada but some increase in cloudiness is forecast in our valley today.

Warmer air from the west is moving into the Northern Intermountain Region and will bring a warming trend to our valleys today and Tuesday. Maximum temperatures today will be in the 50s to 70s and in the upper 60s to 70s on Tuesday. Nights will remain on the cool side with temperatures below freezing in eastern valleys to above freezing in western valleys. Winds tonight will range from the upper 20s in eastern valleys to mostly in the 30s in Magic Valley and southwestern valleys.

Forecast for Wednesday: Partly cloudy at the three and four inch depths were in the low to mid 50s.

FIVE-DAY FORECAST

Storm centers (from the Pacific) are forecast to remain to the north of here with cold fronts from Canada well to the east of the valleys. As a result, little rain will remain in the valleys of Southern Idaho through the next five days.

Temperatures in these agricultural valleys will average near normal through the week. Saturday, Sunday, and Monday today and Tuesday will give way to cooling around midweek followed by warming again into the end of the week. Some normal and minimum temperatures for this period are:

A weak front with cooler air behind it is expected to move into these valleys around Wednesday. This front is expected to weaken as it moves eastward and little if any precipitation is forecast in the Magic Valley through Saturday.

Sunshine should continue to be abundant but with prospects for some increase in clouds around midweek. Better than 70 per cent of possible sunshine can be expected this week. Soil temperatures will continue a slow decrease with no extreme cooling expected. Wind speeds should be stronger around midweek but otherwise light winds will be the rule.

Ideal weather for harvesting late season crops is forecast to continue through this week. Potato harvest should increase quite a bit. With final crops coming in irrigation water demand will be lighter but winter grain planting and germination will require some use of irrigation water. Soil moisture supplies in dryland range areas will continue inadequate through the week.

Ruling Given On Institute Attendance

Twin Falls District 41 teachers will be told today if they do not attend Teachers' Institute, Oct. 20 and 21 in either Boise or Idaho Falls by ruling of the State Board of Education, according to Ernest Ragland, superintendent of Twin Falls Schools.

Required attendance at the Institute is a condition of a Sept. 26 meeting of the state Board of Education. This is the first year that attendance has been compulsory, Ragland explained Monday.

After the state Board of Education ruling, the local school board checked with the school's superintendent, Ernest Ragland, and the Idaho State Department of Education on the question of withholding wages from school personnel who fail to attend the Institute. Ragland said that salaries for not attending the Institute will not be withheld.

The State District 41 will reimburse Institute registration fees to teachers when they turn in registration receipts to their principals. This will establish the Institute as a "mandatory" requirement for teachers.

Ragland suggested that teachers attend the Boise Institute as it will include organizational meetings in the different teaching areas such as "Administrative studies and science." Idaho Falls Institute will not include organizational meetings.

The state board ruled that teachers attending the Institute have rendered service and should be paid for that service. Teachers who do not attend the Institute have not rendered service and hence should not be paid.

The Institute will be held Thursday, Friday and Saturday. Teachers will fulfill their obligation by attending either Thursday and Friday or Friday and Saturday.

Politicians

(Continued From Page One)
Eisenhower has cautioned fellow Republicans against trying to make an issue of administration policy in Viet Nam. He said that the administration ought to stand squarely behind the commander in chief — the only person, he says, who ultimately has to be responsible for broad policy and grand strategy.

Johnson told a Newark, N.J., political rally last Friday that he had no intention of ending the war in Viet Nam, except to criticize the commander in chief. "While they don't admit it," he said, "they are generally acknowledging that it is their position."

Eisenhower says domestic issues such as government spending and inflation offer GOP candidates the better opportunity to capitalize on the administration's record.

Sen. Charles McNamara, D-Miss., chairman of the Senate Preparedness subcommittee, says the United States may be "losing the war" in Viet Nam. He said that the United States is "losing the war" in Viet Nam.

Red China Aide Missing in India

NEW DELHI, India (AP)—Sun Wei-tso, a 25-year-old official working in the Communist Embassy in New Delhi, was missing in India, Indian officials said today.

The informant said the embassy has a complaint with the Indian Foreign Ministry but so far no trace has been found of the missing official.

"We suspect it is a political case," one Communist Chinese official said. He did not elaborate.

PTA to Meet

DECILO — Supra Etra Moore and Dell Holland, representative of the PTA, will speak on the subject of "The PTA's Role in Education" at 8 p.m. Wednesday at the Decilo Grade School.

Joseph Gillett will conduct the program and question period which will follow the speakers. Mrs. Dale Kidd and Mrs. Glen Bywater, co-chairmen of the program committee, urged all parents to bring a child to the meeting. Refreshments will be served.

John DeVish, 76, Is Found Dead

WENDELL—John Robert DeVish, 76, was found dead at his home Saturday on a farm in the Orchard Valley district, about five miles south of Wendell.

Dr. A. B. Bodner, Gooding County coroner, said death was attributed to natural causes, but investigation is continuing by Sheriff Verne Royce, in an effort to locate relatives of the man.

Mr. DeVish was found dead in his bed by Mrs. Claudine Stranahan, Twin Falls, owner of the farm, when she went to the house Saturday morning. Mr. DeVish had operated the small farm for the past several years.

He was born Jan. 26, 1890, in Harlan, Iowa. There are no known survivors.

Cramer and daughter and Mrs. Marion L. Roberts, both Buhl, are relatives.

A son was born to Mr. and Mrs. Kenneth Royce Kimberly.

Death Claims T. Thompson At Age of 86

Theodore Thompson, 86, 618 Al St., died Saturday night in a local nursing home.

Mr. Thompson was born Dec. 17, 1879, in Norway. He had been a resident of Idaho for 42 years. He was a retired carpenter and a trucker and a member of the Jehovah's Witnesses.

Survivors include a sister, Mrs. Paul Anderson, Kanawha, and a brother, Mr. Harry Mathre, Northfield, Minn., and Mrs. Melvin Thompson, Kanawha. Three brothers and two sisters preceded him in death.

Funeral services will be held at 11 a.m. Tuesday at White Mortuary Chapel with K. D. McKelney officiating. Burial will be in the Buhl Cemetery.

President in Good Health Year After His Surgery

WASHINGTON (AP)—President Johnson apparently is in good health on the eve of the first anniversary of his gall bladder and kidney stone operation, and he is preparing for a Pacific tour.

There was no word from the White House on the presidential health status. But it appears obvious that Johnson's operation, which was performed last year, did not cause any complications.

The operation began at 7 a.m. and lasted two and a half hours.

Announcements prior to the operation, including one by the President, who personally gave the first word of the impending surgery, had referred to the "removal of the gall bladder."

But after the operation was over, White House press secretary Larry B. Myers told reporters that the President had "undergone a gall bladder operation."

In addition to the gall bladder, a ureter kidney stone had also been removed. The stone had been in the kidney for some time.

The ureters are tubes that carry urine from the kidneys to the bladder.

Just a year ago Friday night, the President checked into the Bethesda Naval Hospital for a "gall bladder operation."

Within 24 hours, it also was known that the President had a stone lodged in the body of his left kidney and that his doctors had known about it for some time.

It did not grow any larger, but it did interfere with kidney function, and had produced other symptoms, Mr. Johnson said.

On the day following the operation and had signed 14 bills into law before day's end.

Just before he left the hospital on Oct. 21—two weeks after he entered it—he stopped a few minutes in a neurological ward to tell U.S.-Marines in Vietnam that he was "back."

"I feel like a fellow casualty," he said, "I've been stashed up a bit, but I've gone through nothing like what you've been through."

Two Named To Give Scout Reports

Ferris Taylor, Heyburn, a member of the Snake River Council, has been named as a candidate from the Idaho Show for the position of delegate to the Boy Scouts of America Report to the Nation from Region 11.

Region 11 includes Alaska, Washington, Oregon, Idaho, Western Montana and Western Wyoming. Taylor will compete with delegates from each of the other shows in Region 11 for the position. The Report to the President will be given in February 1957. The report will consist of the activities that occurred the past year in Region 11.

Taylor was named as a candidate Saturday by the regional committee, which is composed of Dr. M. J. Sharp, Pocatello; Dr. Joseph Marshall, Twin Falls; and Rodney Pearson, Moore.

Ronald Kershaw, Blackfoot, was chosen by the committee as the Tendency Council representative for the Idaho Report to the Governor. Kershaw joins representatives from each of the five councils in the Idaho Show and the two councils in Northern Idaho which compose the delegation.

Both boys are Explorer Scouts and were chosen on the basis of scouting achievements, personality and intelligence.

Halloween Plans Made by Club

MILNER — Carol Warr was appointed chairman on the Milnerettes 4-H Club's Halloween party committee at a meeting Friday evening at the home of the leader, Mrs. Edwin Brune. Sheila Simpson and Myra Kirk will assist her.

Tina Bradshaw led the pledge of allegiance and Joyce Klier the 4-H pledge. Roll call was answered with "Awards that I won at the Fair." Mrs. Brune read a letter from Ann Jean Coltrin, Cassia county extension agent, thanking the girls who had assisted her on the serving committee at the awards assembly in Burley.

She explained about certificates of awards and demonstrated brushing hair. Carol Warr served refreshments.

RONALD KERSHAW, left, and Ferris Taylor, second from right, discuss Boy Scouting with two members of the regional committee which chose Kershaw as the delegate from the Tendency Council to the Report to the Governor and named Taylor as the candidate from the Idaho Show for the Report to the Nation. The regional committee men are Rodney Pearson, Moore, second from left, and Dr. M. J. Sharp, Pocatello. (Times-News photo)

Lin Piao's Leadership Resisted by Some

TOKYO (AP) — Red China's (ist Chinese newspaper reported today that some of the young Red army is still resisting Defense Minister Lin Piao's leadership, accusing Lin of "stealing things to eat" when he was a child. Reported some of the Red Guards have criticized Lin. Lin, boss of the Red Guards and No. 2 man to Chairman Mao Tse-tung, has issued new orders to the army to follow Mao's teachings. Peking News and China News Agency reported.

The instructions seemed to indicate that the army has not knuckled under to the Mao-Lin leadership and that Lin's position next to Mao has been questioned.

In Hong Kong, a pro-Nationalist

"In fighting a war," he said, "our armed forces have always relied on people's political consciousness, on their courage, on the political factor." Hsiao also said that Lin took charge of the party central committee military commission several years ago. The powerful commissariat, headed by Mao, wielded party control over the armed forces.

Portland Plane Crash Being Probed

PORTLAND (AP) — A pilot said he understood his instructions, a blip disappeared from the radar screen and the plane was never heard from again.

More than one week after a West Coast Airlines DC3 crashed in rugged mountains southeast of Portland, investigators were still trying to find out what caused the new craft to carry 18 persons to their deaths.

The Civil Aeronautics Board has released the last words of the pilots as recorded on tape at the Seattle Air Route Traffic Control Center.

The highly technical transcript shed no light on what caused the accident.

At 8:02 a.m., the Seattle center, directing the plane for a landing in Portland, told the pilot: "Report when on a steady heading 300."

The plane's last report, according to the tape, was: "Nine five six, Wilco."

"Nine five six" means the pilot understands the instructions and will comply.

After failing to get another reply, the Seattle controller sounded the alarm.

The sturdy jet was about 3,820 feet above sea level when it hit a ridge, but the runway's assigned altitude was 10,000 feet.

Why it was more than 6,000 feet below its flight plan is an unanswered question, so far as CAB investigators will say at this stage of their investigation.

Danger Seen In New Urge To Merge

WASHINGTON (AP) — The AFL-CIO said "Saturday" among America's giant corporations carried the danger of eventually turning the nation into one enormous company-owned store.

"Money is power," the labor federation said, and the billion-dollar sums of corporate giants are being used to shape political, social and cultural standards, as well as the nation's economy.

"The implications of the frantic merger kick upon which American business has embarked are profound," said AFL-CIO economist Irving Beller.

He wrote that view in the labor federation's magazine, the American Federationist.

Beller said a mere 100 of the nation's approximately 400,000 separately owned manufacturing companies owned well over half the land, buildings and equipment used in the U.S. production.

"If this rate continues," he went on, "America will be faced with a condition of super concentration within little more than a decade."

"By 1977, the 100 largest manufacturing corporations will control more than two-thirds of the nation's net manufacturing assets."

Beller said a tiny fraction of American business — a fourth of one per cent — had received 72 per cent of all industrial profits in 1965.

While conceding that "not every merger is an unmitigated evil," Beller said most corporate mergers were arranged for financial convenience alone — not to improve efficiency, create more jobs or reduce prices.

Wallace Campaigns Against Both Johnson and Nixon

MONTGOMERY, Ala. (AP) — "I'm not only against Lyndon B. Johnson, I'm against George C. Wallace. I'm against Richard Milhous Nixon."

Thus Wallace, campaigning for his wife to succeed him, has set the stage for another presidential venture. And he has answered Republican critics who have sought to tie him, through newly-identified-to-President Johnson's administration.

Johnson's demonstrated unpopularity in Alabama has become a major issue in a race which will give the state its first woman governor in history or its first Republican governor in almost a century.

Wallace's wife, Lurleen, is running as a stand-in for her husband because he is prohibited by law from succeeding himself — is a heavy favorite to defeat her GOP opponent, Congressman James D. Martin, and Independent Democrat, Congressman Carl Robinson, in the Nov. 8 election.

Martin says his own polls show Mrs. Wallace's margin is narrowing.

Wallace, a symbol of segregationist resistance in the Deep South, is counting heavily on his defiance of federal desegregation orders to put his wife into office. Again and again, as he

promised an unending struggle for "the right to run our own affairs."

He has never said unequivocally that he will run for president in 1968, as he did in 1964. But he has told campaign crowds that he "just might" be a candidate "unless the major parties give us someone (a conservative) we can vote for."

And then he systematically rule-out every Democrat.

Republican thus far mentioned as a nominee, including former Vice President Nixon, who is Rep. Martin's choice.

Wallace says Nixon was partly responsible for the use of troops to integrate Central High School at Little Rock, Ark., in 1957 and that Nixon supported civil rights bills.

"Nixon stands for the same things Lyndon B. Johnson is for," says the governor. "So what do you gain if you defeat Lyndon Johnson with Richard Milhous Nixon? You're jumping from the frying pan into the fire."

Martin, who almost defeated veteran Sen. Lister Hill four years ago, and then was elected to the House in the 1964 Alabama landslide for Barry Goldwater, has sought to make an

issue of Wallace's presidential ambitions.

He argues that a third party race for president would split the anti-Johnson vote and help re-elect the President.

Wallace's reply to that is, "Sure, we want to hurt them. We want to hurt both parties. Then make sure they will pay attention to us."

Solon Doubts Bread Prices Will Drop

WASHINGTON (AP) — Sen. George McGovern says he doubts whether bread prices will drop despite a 30-cent a bushel decrease in the price of wheat in recent weeks.

The South Dakota Democrat said the grain industry would earlier rise in wheat prices as an excuse for boosting retail prices for a loaf of bread two cents or more.

"But I have not heard of bread prices falling even one-tenth of the amount they rose when wheat went up," McGovern said in a speech prepared for the Senate but released Sunday night.

The senator challenged fellow senators to stop at their grocery stores and compare the price of a loaf of bread to that of several months ago when wheat sold for higher prices.

Twin May Be Mistaken for Bowl Queen

MIAMI, Fla. (AP) — Laura Beckwith, an imph-green-eyed blonde, will never be an Orange Bowl queen. But there's a chance she'll be mistaken for her highness.

Laura, 21, is a University of Miami senior who has a sister named Imogene. (Come to her friends.) Identical twins, they were princesses in last year's Orange Bowl pageant.

Both wanted to enter the competition for queen this year. But they didn't want to compete against each other, and princesses cannot succeed themselves.

They decided they would have a better chance if only one entered her candidacy.

One thing led to another and a coin was tossed into the air. As a result, Gene entered the race.

Daughter of B. Beckwith of Miami, the twins were born in Wisconsin but moved here in 1951 with their family.

They dressed alike until their senior year in high school when their clothes were stolen.

"We didn't have enough money to buy two of everything again so we just bought one set, and both used it," said Laura.

"Now we wouldn't think of dressing alike."

They will graduate this spring. Gene is a math major interested in computers and Laura leans toward psychology.

Most persons can't distinguish between the twins but the girls are astounded when somebody mistakes one for the other.

"We don't think we look anything alike," says Laura.

Prize-Winner's Daughter Jumps To Her Death

NEW YORK (AP) — Jane Pierce, daughter of Nobel Peace Prize-winner Ralph W. Borah, fell or jumped to her death from her apartment residence in the Riverside section of the Bronx.

The fully clothed body of Mrs. Pierce, 33, and mother of three children, was found early Sunday in the courtyard of the nine-story building.

It was not known from what height she fell. The Pierce life on the first floor. No notes were found. An autopsy report said she was killed by a fall from a "good height."

Glimpse Given Into What Life Will Be in 1980's

NEW YORK (AP) — If you house with three cars in the plan to stick around until the 1980's this may be your life:

Three-day weekends, three or four-month vacations, Southern California-type living with emphasis on family and home, high income, abundance of material things.

Sound good to you?

It will to many people, but some won't like it, says Herman Kahn, physicist and director of the Hudson Institute.

"So along with our barbecue society we're in for a lot of beatniks, revolutionary-type movements and withdrawals from society," he adds.

Kahn discussed the future Thursday in an interview before a speech to 200 women attending a "Quo Vadis, (Today's Woman)" seminar. His views mostly were based on a current Hudson Institute study speculating about the quality of life in the United States from 1976 to the year 2000.

Before he helped found the Hudson Institute at Harmon-on-Hudson, N.Y., in 1961 Kahn was associated for 12 years with the Rand Corp.

The Europeans may return to the tradition of the gentleman—the man with many skills, none of which are very useful," said Kahn. "They may take extra productivity out in great leisure or in avocations."

The Americans, on the other hand, are more likely to take it out in work and in increased material goods.

"People will live in 10-room houses," he said.

Shayler's

OFFICE EQUIP. CO. 218 Main N., Twin Falls

THE JUNIOR REALM with MARTHA LEE

Q. How old should a teen-age girl be in order for her properly to become engaged to be married? We are having quite a hassle about it at home and we all agreed that I should write to you. What do you think? Blanche, 16.

Panelists: Carol Okamura, high school, Hawaii; Susan Dale, business college, South Carolina; Bonnie Ratchford, high school, North Carolina; Karen Roark, high school, California.

We don't feel that you can set an age for engagement to be married. It depends more upon the situation at you and of your friend. If you have stayed away from sex and you are not pregnant, there is little hope for boys and girls at 16 years of age to enter into adult life.

Is your boy friend able to furnish and maintain a respectable home for you? Is he capable of earning enough money to pay for the babies which will inevitably follow? In purchase of life and health insurance, a car and to build security reserves for you and the children so that they can go to college and you will be protected under all circumstances?

If he is in such a position, he would probably be much older than you. Finished college with a profession and would be about 10 years your senior. We do not feel this is good, because while you are still young enough for romance, he may be too old for it. This would cause a great hardship for you and it would be associated with many important problems.

Furthermore, a man that much older than you would be that much more mature, and he may get tired of raising his wife in maturity. And, what would you do with this older friend? How would you entertain them and do justice to your husband?

Are you able to "decide" quickly mature and responsible that you could not depend on your mother-in-law in the future?

Are you a good cook, the kind that would intrigue the appetite of your husband. Are you a good chauffeur, a fine housekeeper, and can you be a good mommy to your children and at the same time be a good wife to your husband?

While marriage is based on love, love can come and go. It can grow weak and wait away on the air of disappointment, and without love you and your husband could be living an illegitimate life together.

We are all teen-agers, and we are living in that part of life where many changes occur in us, such as our physical, mental

Miss Thurman, Robinson Say Wedding Vows

Frances Thurman, daughter of Kern Thurman, Filer, and the late Mrs. Kern Thurman, and John Robinson, Twin Falls, son of Mr. and Mrs. J. R. Robinson, Boise, were united in marriage at a Nuptial Mass Sept. 10 at St. Edwards Catholic Church, Twin Falls.

The Rt. Rev. Msgr. Edmund Coy performed the double ring ceremony before an altar arranged with pink and cranberry gladioli. George Leonard and Michael Oschner, Filer, were altar boys for the wedding mass.

The bride, given in marriage by her father, wore a floor-length gown of pure silk, fashioned with a fitted bodice, long point sleeves and a chapel-length train. The material for the dress was brought from the Orient by the bride's uncle, Richard Jayo, Murphy, and was made by Mrs. Owen Eschmann, Twin Falls. Her bouffant veil of illusion was held by a beehive tiara and borrowed from Mrs. William Baldwinridge, Mountain Home.

SHE carried a titany design bouquet of white carnations, green velvet leaves and streamers and a rosary given her by her great-grandmother, Mrs. Leandra Letemendi, Boise. Her bouquet was designed by Mrs. Julie Filmore.

Mrs. Jerry Lawson, Alamogordo, Calif., was matron of honor for her sister. Bridesmaids were Mrs. Steve Thurman, Boise, sister of the bride; Mrs. Ralph Walker, Denver, Colo., sister of the bride; Mrs. Mrs. Hill, Kimberly, and Claudine Simpson, Twin Falls. Mrs. Thurman, sister of the bride, was junior bridesmaid.

ROBERT Cerna, Gresham, Ore., brother-in-law of the bride; Harry Turner, Twin Falls, and Richard Haggan, Payette, Junior groomsmen were J. D. Romay, Twin Falls.

Ushers were Glen Eaton, Joseph Mowry and Fred Harder, Twin Falls; Thomas Eggen, Ontario, Ore.; Tobe Maslingill, Cliff Maslingill, Payette, and Gene Ross, Baker, Ore.

Mrs. Brock was a soloist, accompanied at the organ by Mrs. Jack Cubit, Twin Falls.

Following the ceremony, a reception was held at the Elks Club, Twin Falls.

Sally Pierce, Filer, was in charge of the guest book.

The reception table was covered with lace and centered with a five-tiered white wedding cake decorated with white roses, birds and bells and topped with the Greek symbol for marriage in Christ. Arrangements of pink geraniums, pink candles and greenery flanked the cake. Mrs. Hubert Brinkman, Filer, baked and decorated the cake. Mrs.

Campus 'Top Look Features' Co-Ordinates

BY HELEN HENNESSY

NEW YORK (NEA) — Along with the three Rs, the three Ss are fast becoming a basic part of the school curriculum. For the sweater, skirt and skirt look has emerged as the readiest, writing and "rhythmic of fashion this fall."

And it won't take a hickory stick to convince dapper daddies that co-ordinated sweaters, shirts and skirts are part of the "top" look on campus.

Ribbed sweaters will be important, particularly in turtle-neck-pullovers. You'll see a lot of patterned sweaters with matching motifs at the neck, hip and cuffs. The primary colors are the heathers—toden, rust and champagne.

One manufacturer (Ladvy Hausen) is using button-front motifs in sweater designs. Cable, tight knits and novelties are styled as fashion cardigans or knit jackets.

There's plenty to view in the new styles too. A tailored look that's at once classic and subtly detailed is stellar this semester. Finely stitched placket fronts and trim cuffs, button-downs and lapel collars, open backs and generous back yokes are touches that shirt purists will relish.

There's no reason for serious students of fashion to press their luck in selecting back-to-school fabrics. Permanent press

Candy School

Magie Valley homemakers do not forget the free public-candy-making school set for Tuesday at the American Legion Hall, sponsored by the Twin Falls Times-News Publishing Co.

Two classes will be featured from 2 to 4 p.m. and from 7:30 to 9:30 p.m. with Remington Davenport instructing the classes. Davenport has taught thousands of people to put the professional touch on candy and will share his tricks-of-the-trade during the classes.

During the classes he will make three kinds of candy and explain the techniques of 10 relations.

The Twin Falls Times-News invites all Magie Valley homemakers to attend either of the two free classes at the American Legion Hall.

DELEGATE NAMED

RICHFIELD — The Rebekah Assembly at Pocatello was discussed at the Alta Rebekah Lodge meeting in the IOOF Hall. Mrs. Lester Johnson was elected delegate and Mrs. Rita Powell, alternate, to the convention which starts Oct. 17. Mrs. Fred Peterson was refreshment hostess.

Miss Honsinger Is Bride of Gareth Babel

Nuptial vows were recited Sept. 2 in the Oakland LDS Temple, Oakland, Calif., uniting in marriage Ann Vernel Honsinger, daughter of Mr. and Mrs. Marvin L. Honsinger, Santa Rosa, Calif., and Gareth R. Babel, son of Mr. and Mrs. Roy E. Babel, Twin Falls.

A reception was held at the home of the bride's parents after the ceremony. The bride wore a white crepe gown featuring an empire waistline and satin bows. Her three-tiered veil of white-illusion was held by a circlet of seed pearls. She carried a bouquet of yellow daisies and white chrysanthemums enhanced with green grape-leaves.

The bride was attended by Randy Prescott, Sun Valley, Calif., maid of honor, and Toni Honsinger, sister of the bride, junior-bridesmaid. Larry-Henrichsen, Pocatello, was best man.

After a wedding trip to California and Redfish Lake, the couple was honored at an open house Sept. 10 at the home of the bridegroom's parents.

The couple will reside in Provo, where both are completing their education and the bridegroom is teaching at Brigham Young University.

ORIOLES ARE NEW WORLD SERIES CHAMPS

McNally Completes Big Four-Game Sweep as He Blanks Los Angeles 1-0

BALTIMORE (AP) — Dave McNally completed a stunning four-game world series sweep by Baltimore's raggedly pitching staff Sunday, with a 1-0 victory over the Los Angeles Dodgers on Frank Robinson's towering home run. The shut-out stretched the Dodgers' record streak of scoreless innings to 33. Robinson, a refugee from the National League whose trade by Cincinnati last winter has rank with the prize boners of baseball, topped the trip to Baltimore by hitting a Don Drysdale pitch deep into the left field seats, a 410-foot blast in the fourth inning.

Robinson Says He Accomplishes Aims

BALTIMORE (AP) — Frank Robinson wouldn't say he was a superman but he was a hero in Baltimore's World Series triumph Sunday. Robinson, who stood jammed in his cubicle in the dressing room he acknowledged that he had accomplished his two aims — winning the old man and bad guy rap.

McNally, following the pattern of Moe Drabowsky, Jim Palmer and Wally Bunker, pitched the Dodgers in the books as the champs of a new sort of futility. The National League champions didn't score a run from the third inning of the series through the rest of the Series. The former Series record of 28 was set by the old New York Giants against the Pittsburgh Pirates in the Gaslight Era of 1905.

Hank Bauer's champs became the first American League team to sweep a Series since the 1950 New York Yankees won four straight from the Phillies. The old lightning-Marine Yankee outfielder on that team and eight other fly winners.

The roaring crowd of 54,458, which helped push the player pool to a record \$1,044,062, watched the Orioles win their first World Series on a beautiful afternoon. It was the first major league championship for Baltimore since the days of Ned Hanlon's old Orioles of the National League in 1894, 1895 and 1896.

The Dodgers had only 17 hits in the entire Series and scored only two runs. One of the runs was a home by Lefebvre, and the other was scored by a base-on-balls with the bases full. The Dodgers didn't get hit until Lou Johnson singled with one out in the fourth. Tommy Davis promptly rapped into double.

After Lefebvre led off the fifth with a single, Brooks Robinson began a wild time play on West. Parker hit a ground ball and turned it into a double play. In the sixth, John Kennedy singled while Drysdale was striking out. Baltimore had a threat going in the second when Brooks Robinson singled and Curt Blecher walked with one out. But Dave Johnson grounded into a double play.

Only one hit after Robinson's homer were singles by Luis Aparicio in the sixth and Powell in the seventh.

Frank Robinson, who led the American League in batting home runs and runs batted in, ripped into Drysdale's first pitch to him in the fourth. The ball was long one.

McNally Had Help From Curve Ball

BALTIMORE (AP) — Dave McNally didn't follow the scouting report on the Los Angeles Dodgers' pitcher, who was hitting National League Champions, just the same Sunday and clinched the World Series for Baltimore.

The 23-year-old Orioles left-hander, who was relieved in the third inning of the opening game, hurled a four-hitter and gave up only one run in the fourth inning.

"I don't have a fast ball like the other guys on our staff," McNally said, "but my curve ball sets up my fast ball."

In the first three games, reliever Moe Drabowsky and starter Jim Palmer and Wally Bunker blew the fast ball past the Dodgers, as the scouts had recommended.

Los Angeles didn't score a run after Drabowsky forced in a run with a base runner who was after reliever McNally in the third inning of the first game.

Palmer, Bunker and McNally followed with shutouts, extending the scoreless string to 33 innings. The old record of 28 was set in the 1905 Series by the New York Giants.

Both first-pitch and Robinson leaves no doubt he knows who the loser was in the exchange.

"It was the only fight I ever had," he said. "I lost. My left eye was almost completely closed. That was enough for me."

But he played the second game, hit a two-run homer, collected a second hit, made an outstanding catch and the Reds won 4-0.

get this kind of pitching," McNally said, "before it started, I thought Stu Miller would see a lot of action, and he didn't pitch an inning."

Miller, Baltimore's veteran reliever ace, warmed up in the bullpen each game and almost made an appearance in the ninth inning Sunday when pinch hitter Al Ferrara singled and McNally walked Marty Willis with one out.

But McNally retired Willie Davis on a fly to right fielder Fran Robinson and Lou Johnson.

Weber, Bears Share Big Sky Lead

By THE ASSOCIATED PRESS
Weber State College went to Missoula and beat Montana 28-0 Saturday, lining up with Montana State as a team to beat in the Big Sky Conference.

Meanwhile, Montana State tangled with North Dakota State and lost, 35-23, in a non-conference game between small college giants. The Association Press last week rated North Dakota State first among the nation's small-college teams, with Montana State second.

In the other Big Sky game, Idaho, which tied with Weber State for the conference title last year, defeated Idaho State 21-20.

Only one conference game is scheduled this weekend — Idaho State at Montana State. Idaho goes to Oregon State for an intersectional contest and Montana plays University of the Pacific at Stockton, Calif. Weber State is idle.

49ers Scramble To 21-20 Upset Of Green Bay

SAN FRANCISCO (AP) — The San Francisco 49ers played a scrambling offense led by George Mira and an opportunistic defense into the National Football League's top upset of 1966, a 21-20 victory Sunday over previously unbeaten Green Bay. The first triumph of the season for the 49ers showed the defending champion Packers into a Western Division tie with Los Angeles, each with 4-1 records.

Gabriel, Bass Lift Rams Over Detroit

DETROIT (AP) — Roman Gabriel's passing and the spinning runs of Dick Bass lifted the Los Angeles Rams to a 24-17 National Football League victory over the Detroit Lions Sunday.

The Rams stopped all but one Detroit drive and hammered for two touchdowns. Three long-range field goal attempts that went astray kept the Rams' score down.

Tom Moore scored both touchdowns, one on a four-yard run and one on a 39-yard pass from Gabriel. But it was the running of Bass that kept the crowd on its feet.

The Rams scored in the first period, going 91 yards in 11 plays. Gabriel hit Jack Snow and Bass with passes. Bass got 30 yards on one run and scampers 16 with a screen pass.

The second Ram touchdown came after Detroit's Tom Nowatzki fumbled and Ed Meador recovered on the Lion 48. A seven-yard penalty and an 11-yard run by Bass put the ball on the 30. Gabriel found Moore alone on the sidelines on about the 25 and he scampered in for the touchdown.

Detroit scored as the final period opened with a 16-yard drive in 15 plays. Nowatzki gained 36 of the yards in seven carries scoring on a three-yard run. The big game was a yarder pass from quarterback Milt Plum which Pat Studstill snared in a circus catch at the Ram 37.

Meredith and Hayes Guide Cowboy Win

DALLAS, Tex. (AP) — Don Meredith passed for five touchdowns and Bob Hayes caught three of them to the club records Sunday as Dallas crushed the Philadelphia Eagles 38-7 and set up a big showdown with the Cowboys next week.

It was the most points Dallas ever scored in National Football League play.

Meredith completed 19 of 26 passes for 334 yards and retired after three quarters, with the Dallas quarterbacking being taken over by Jerry Thomas and Craig Morton.

Philadelphia was quite impatient, threatening to score only once in the first half, but missing a touchdown in the final period. Danny Villanueva got off his only punt of the day.

Philadelphia hit the Dallas 43.

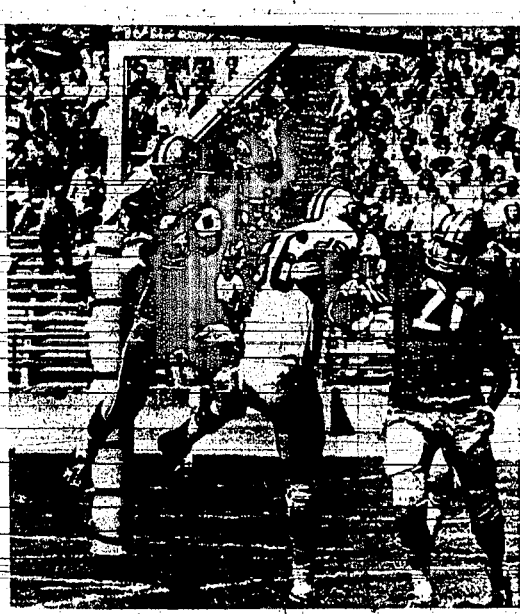

King Hill, who was much more successful than starter Norm Snead, threw a 17-yard pass to Ben Hawkins for 17 yards and to Pete Retzlaff for 16 to get the touchdown, made by Retzlaff.

Dallas then routed the Eagles, en-bomb in exhibition and regular season play.

Flores Leads Raiders Over Miami 21-10

OAKLAND, Calif. (AP) — Quarterback Tom Flores passed for three touchdowns Sunday but gave the Oakland Raiders a 21-10 victory over the winless but tough Miami Dolphins in an American Football League game.

Flores, making his first start of the season, hit Art Powell on a 25-yard scoring strike in the second quarter and later in the same period connected with Roger Klingberg for a 24-yard touchdown.

THE DEFENSE HAS HELP ON this Bart Starr pass intended for Green Bay's Boyd Dowler (86) as it hits the end zone crossbar in the first half Sunday at San Francisco. Protecting are Karmali Alexander (39) and George Donnelly (20). The 49ers eked out a 21-20 victory to hand the Packers their first loss of the season. (AP wirephoto)

Redskins Tip Defenseless Atlanta 33-20

WASHINGTON (AP) — Halfback Charlie Taylor scored two touchdowns — one on an 86-yard pass play — Sunday as the Washington Redskins took a 33-20 victory over the defenseless Atlanta Falcons in a National Football League game.

Taylor, who bruised his thigh earlier in the third quarter and was out the rest of the game, combined with Sonny Jurgensen on the 86-yard play in the second quarter and ran 12 yards for Washington's first score in the first quarter.

The victory was the third against two losses for the Redskins. Atlanta has not won in five outings.

The Falcons, led by quarterback Dennis Claxton who made his first start of the season and halfback Junior Coffey, made a strong showing in the first half.

Coffey scored twice on runs of four and three yards. The Falcons also got six points on field goals of 47 and 28 yards by Lou Krieger.

The Redskins also scored on a 16-yard pass play from Jurgensen to end Jerry Smith and on field goals of 10 and 45 yards by Charlie Gogolak — the accurate place kicker.

But the favorite of the crowd of 50,116 was Joe Don Looney, the controversial fullback acquired by the Redskins last week from Detroit.

Looney drew loud applause when he was used on the kick return but the crowd went wild when he was put into the game as a substitute for A. D. Whitfield with the Redskins on Atlanta's three.

He received a standing ovation as he came off the field after rushing over for the touchdown on the next down.

Sayers and Bears Trim Colts 27-17

CHICAGO (AP) — Gayle Sayers scored two touchdowns, including a 30-yard romp, and Joe Fortunato picked off a Johnny Unitas fumble and raced 24 yards for another 30 to power the Chicago Bears to a 27-17 National Football League victory over Baltimore Sunday.

The win was the second straight for the Bears, who lost their first two games. The Colts suffered their second defeat against two wins.

A brilliant Chicago defense kept Unitas and the Colts in check until the final period, when Unitas hit John Mackay, with a short pass and the Baltimore end went all the way for a 79-yard touchdown play.

Baltimore's other score came in the third period on a 37-yard pass interception by Bobby Boyd.

A 42-yard field goal by Roger Fore Boyd intercepted a Rudy Loeferer punt by the Colts and scored before Fortunato grabbed Unitas' first touchdown.

Unitas fumble and went for his touchdown to make it 10-0. A 13-yard field goal by Lou Michaels cut the Bear margin to 10-3 at the half.

The Bears took the second half kickoff and marched from their own 25 to the Baltimore 30 before Sayers set sail for his first touchdown. A 27-yard Loeferer field goal made it 20-3 before the end of the game.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new substance with the ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while giving relieving pain, actual reduction of hemorrhoidal tissue has been achieved.

Most amazing of all — results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem."

The secret is a new healing substance (Bio-Dyne) — discovery of a world-famous research institution. This substance is now available in a special cream — **Bio-Dyne** — under the name **Protopigment 712**. At all drug counters.

BATH COUP SAVES TRICK

The Bath coup derives its name from the resort town of Bath in England. Bath was a great whist center in the 19th century and the play was supposedly first used there. Specifically, it consists of

letting an adversary's king hold the trick when you have both ace and jack. If the adversary continues the suit you make both your ace and jack. If he shifts you may gain time to go after tricks somewhere else.

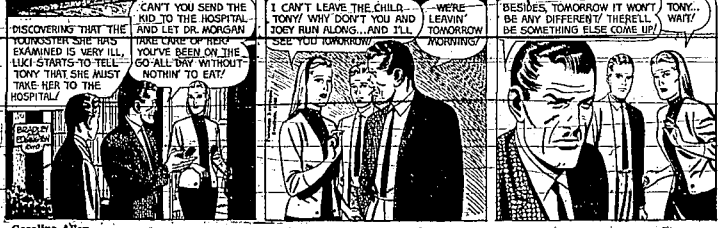

Today's hand which is taken from the Collier's Book Club illustrates an effective use of the Bath coup.
