TWIN FALLS, IDAHO, WEDNESDAY, JANUARY 25, 1967

TEN CENTS

Senate OK's Bill To Put Idaho On Mountain Time

By EARLE JESTER

BOISE (AP)—The Idaho Senate approved today a measure which would put all of Idaho on mountain time. Another measure, which would outlaw daylight saving time, was referred to committee. If the legislature gives final approval to both, the state will have uniform mountain standard time throughout the year. If the bill fails, the entire state will go on daylight time along with most of the rest of the nation in April, returning to standard time in the fall. If the memorial asking uniform mountain time fails to win approval in the House, or if Congress refuses to act, then Idaho would continue to be divided, with the north in the Pacific time zone and the south in the Mountain time zone.

Only Sen. Phil E. Batt, R-Wilder, voted against the memorial.

He argued that if all of Idaho is on the Mountain time zone, daylight time later is ordered by Congress regardless of a state's wishes, Idaho's time would be one hour ahead of its present Mountain standard.

Batt said that the natural dividing line between Mountain and Pacific time runs north and south through the Pocatello area of eastern Idaho. He said that on that basis Idaho should be in the Pacific zone.

Sen. Arthur Murphy, D-Mullan, sponsored the memorial on the Senate floor, arguing that "the change is needed to correct the anomaly of this situation."

He said the present dividing line between Mountain and Pacific zones follows the eastern edge of the state from the Canadian border south to a point near Salmon. It then cuts directly across Idaho and follows the western edge of the state.

The bill, retaining standard time for all of Idaho, regardless of which time zone it is placed in, was referred to committee for printing.

Eight bills and one proposed constitutional amendment were introduced in the Senate.

One proposed amendment substitutes for one withdrawal earlier, revising the method of making changes in the constitution. The resolution was referred to the language committee.

Among the bills introduced: See SENATE, Page 2, Column 3

Use Eyes

LOS ANGELES (AP)—The best thing for your eyes is to use them, not save them, an expert says.

And, contrary to some belief, reading in poor light doesn't harm the eyes.

Dr. Albert E. Sloan, who said this Tuesday, is an eye surgeon at the Massachusetts Eye and Ear Infirmary and chairman of the School Vision Problems Committee of the National Association for the Prevention of Blindness.

Sloan told a news conference that the belief still exists that reading in bed makes eyes weak.

The truth is that use improves the ability of the eye to use its potential fullest, he said.

More Rain Is Forecast For Brazil Area

RIO-DE-JANEIRO (AP)—More rainfall was forecast today after two days of heavy downpours which left at least 233 persons dead and thousands homeless in Rio de Janeiro and the surrounding area.

Searchers probed for bodies and survivors in the flood-ravaged areas, which also were suffering from acute shortages of electricity, gas and drinking water and were threatened with epidemic.

First estimates indicated 500 persons may have been killed in floods and landslides, but authorities scaled down the figure to between 200 and 300 after reports from the affected areas began coming in. No foreign victims were reported.

At least 200 persons were known killed in the city of Rio de Janeiro, 17 in Matamba, 13 in Volta Redonda and 4 in Sao Paulo.

A government spokesman in Rio de Janeiro, capital of Rio de Janeiro State, across the bay from Rio, estimated the statewide toll at 200.

Several thousand persons were reported homeless in rural areas and inland cities.

Infantrymen Move Into Mekong Delta

SAIGON, South Vietnam (AP)—American infantrymen moved into the Mekong Delta today, becoming the first large contingent of U. S. troops based in the area where some commanders say the Vietnam war will be won or lost.

Gen. William C. Westmoreland, headquarters announced that an artillery-supported battalion of the U. S. 9th Infantry division moved into a base camp near the delta city of My Tho.

The contingent—estimated at 200 men—also included elements of a brigade headquarters in the start of a buildup of American strength in the rice bowl which until now operations have been largely by South Vietnamese forces.

The infantry contingent, described by a U. S. spokesman as a "maneuver battalion," joined engineers and support units which had moved into the delta base camp Jan. 10.

Lani Bird Sends First TV Tests

WASHINGTON (AP)—The new Lani Bird satellite transmitted its first television tests between the United States and Japan with good results Tuesday, says the Communications Satellite Corp.

Comsat plans to inaugurate commercial service across the Pacific by the satellite early Friday morning.

Lani Bird, launched Jan. 11, is 22,300 miles above the Pacific Ocean at the equator, and is being nudged carefully toward its permanent station over the International Date Line.

State May Aid Schools, Provide Property Tax Relief

Tax relief, if voted in this session of the Legislature, probably will come in the area of property taxes, a group at the Twin Falls Legislative Luncheon was informed.

The information came from Rep. William Lanting in answer to a question from Corbin Vinters about the status of the inventory tax in this session.

Rep. Lanting said the inventory tax is one of the forms of property tax being considered for relief, but nothing definite has formed along that line.

He said the whole question of tax relief and what form it will take is of great concern to legislators in Boise. It appears that settlement is for a shifting of the local property tax burden, made possible by transferring state money into school funds.

This is the only way that state money could be used to help relieve property taxes, he explained. If state money is given for the schools, local property tax levies for school operation can be reduced.

This was the second Legislative Luncheon of this session sponsored by the Chamber of Commerce in Legian Hall. The luncheon guests and the mem-

TORNADO WHICH KILLED two children and injured more than 200 persons Tuesday night in the northwest St. Louis suburbs followed this street for three blocks. The houses along this street in Suburban Maryland Heights, Mo., were almost total losses. Residents returned to the scene Wednesday and started clean-up operations. (AP wirephoto)

\$12.3 Billion Request For War Gets Congress' Quick Attention

WASHINGTON (AP)—President Johnson's request for an extra \$12.3 billion to finance the war in Vietnam is getting prompt attention in Congress. The request reached the Capitol Tuesday. Today, the Senate Armed Services and Defense Appropriations Committees held a joint meeting to receive from Secretary of Defense Robert S. McNamara more details on why the money is needed and how it would be spent.

Nicaragua Takes Action

MANAGUA, Nicaragua (AP)—The Nicaraguan government has closed three opposition radio stations and a newspaper after the pre-election battle which left 41 persons dead and 69 wounded.

President Lorenzo Guerrero said the capital was "tranquil" again and that the 20-hour uprising would probably not cause postponement of the presidential elections Feb. 5. The government said the opposition radio stations and the newspaper La Prensa were shut down because they were inciting violence.

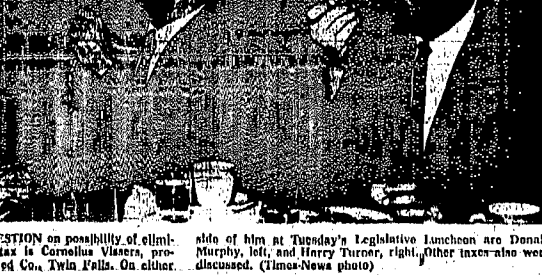

Political passions boiled up Sunday night after a rally at the Fernando Agüero, the presidential candidate of the opposition Conservative party, appealed for "free, just and honest elections with the fullest guarantees."

Lin Confesses Mao Forces In Minority

TOKYO (AP)—Defense Minister Lin Piao's propaganda unit confessed today that Mao Tse-tung's shock forces are in the minority. Lin's Liberation Army Daily directed the 2.5-million-man armed forces to stamp out Mao's enemies "with the sun."

The army daily said the minority force of Mao's forces was only temporary and that the 73-year-old Communist chairman himself had issued "a vital call" for military help.

The Peking People's Daily reported Tuesday that Maoist forces, with the decisive help of the army, had seized the government of Shansi Province adjacent to Peking and the capital city of Taiyuan.

ASKING LEGISLATORS QUESTION on possibility of elimination of the state inventory tax is Cornelius Vinters, production manager of Asarov Feed Co., Twin Falls. On either side of him at Tuesday's Legislative Luncheon are Donald Murphy, left, and Harry Turner, right, other taxpayers also were discussed. (Times-News photo)

Violent Tornadoes Erupt In Midwest Killing 6 Persons

By The Associated Press

At least six persons were killed and hundreds injured by tornadoes in Missouri, Iowa and Illinois. The violence erupted Tuesday as the Midwest basked in spring-like weather that sent the temperatures soaring into the mid-70s. It happened when a cold air mass collided with the unseasonably warm air. A teen-age boy and two young girls were killed in Missouri and a 3-year-old boy died in Iowa. A police-

Co's Ouster Sets Political Crisis

SAIGON, South Vietnam (AP)—South Vietnam's ruling military junta tried to end another political crisis today following the ouster of Lt. Gen. Nguyen Huu Co. He had been deputy premier, defense minister and the leading southern member in the junta dominated by refugees from North Vietnam.

Informed Vietnamese sources said 20 to 30 supporters of Co, most of them military personnel, had been put under house arrest, and assistants of his on the defense staff were being transferred or watched by security police.

SAIGON, although filled with rumors, was quiet and there was no indication that the directory of ruling generals was breaking up. But some disgruntlement at the ouster of the southern general was reported among southern leaders in Saigon who resent the northerners' domination.

No troop movements were reported. Some officers of the 7th Vietnamese Division headquartered at My Tho, 30 miles south of the capital, were among those arrested, sources said.

Chief of State Nguyen Van Thieu was reported traveling in the Mekong Delta. Premier Nguyen Cao Ky was winding up a four-day tour of the north and was expected back late Thursday or early Friday.

County Officials To Seek Legislation

JEROME — Under the impetus of Jerome county commissioners, the South Central Idaho Association of Commissioners will meet at 2 p.m. Tuesday in the Jerome county courthouse to map plans for obtaining legislation which will enable counties to contract for ambulance service. Jerome county commissioner chairman, Willard Lattimer, said Wednesday at present the only ambulance service available for county residents is emergency service from the local mortuary. Commissioners tentatively had planned to contract with Clayco Edwards, who operates a private ambulance service in Twin Falls, for \$1,800. This would have guaranteed ambulance facilities for the county, with residents also paying individual costs when they used the ambulance.

Snowstorm Covers Most Valley Areas

Sunshine and clearing skies were melting ice-slickened roads throughout Magic Valley Wednesday on the heels of a general snowstorm which ferred more than 10 inches of snow to Hailley and Ketchem.

Snow depth varied from five inches at Jerome, three inches at Shoshone, between two and three inches at Burley and Rupert to one inch in Twin Falls.

Most of the snow fell Tuesday evening and throughout the night, but the storm began at Hailley before noon Tuesday and dry, fluffy snow soon had cars, trees and other objects giving the appearance of a winter wonderland.

Six inches were reported at Galena and the road is open to one inch in the district office of the State Highway Department at Shoshone.

Fog was reported throughout the area Wednesday morning, but sunbines was shining in most places by noon.

Fairfield reported four inches of snow and Richfield had one inch. See SNOW, Page 2, Column 4

Wallace Asks Sparing Of Welfare Fund

WASHINGTON (AP)—Former Gov. George C. Wallace of Alabama told senators today "there is no discrimination practiced" in the federally assisted welfare programs administered by his state.

Wallace urged the Finance Committee to take action to void a decision of Secretary of Welfare John Gardner, directing that federal welfare funds to Alabama be terminated Feb. 28. Gardner said Alabama is the only state which has refused to give adequate assurance it will administer the public assistance and child welfare program without racial discrimination, according to the action of the 1964 Civil Rights Act.

Wallace, appearing as special assistant to the present governor, his wife Lurleen, said "Alabama may be the only state which has refused to buckle under to these requirements of the Department of HEW, but our commissioner tells us that at meetings of welfare commissioners from all over the country, they too are tired of these stupid regulations."

Boise OK's Bond For Air Terminal

BOISE (AP)—Boise property owners approved by a better than three-to-one majority a \$1.5 million airport bond issue to finance expansion.

Proposed improvements include expansion of terminal facilities to double the present size, increased parking space and a two-level concourse to permit entry to jetliners without exposure to weather.

Proposed Italy Divorce Law Causes Church-State Conflict

ROME (AP)—Pope Paul VI's opposition to Italian legislation to legalize divorce is being weighed into the most acrimonious church-state controversy in Italy in years.

Supporters of the proposed law which has divided Premier Aldo Moro's center-left coalition government—question the right of the Pope to exert influence on the work of lawmakers in this Roman Catholic country where the Vatican is established in a sovereign state of its own.

The pontiff two days ago vetoed "surprise and displeasure" after a parliamentary commission decided that a bill to permit divorce in certain cases did not violate Italy's constitution. The commission's decision means that the bill gets to the floor of Parliament, a simple majority rather than a two-thirds vote will be needed to approve it.

The Pope attacked divorce as a sign of "pernicious moral decadence." It amounted to the first papal criticism of a parliament since 1917. See ITALY, Page 2, Column 4

Circle K Club Formed By College

ALBION — Special guests at a Circle K Club meeting at Magic Valley Christian College Friday were Walter Tollefson, Burley Kiwanis president, and Ted Kelsey, lieutenant governor of division five of Kiwanis International.

Mr. Tollefson represented the newly organized college group's sponsors, the Burley Kiwanis. He assured the young club that their sponsor is standing squarely behind them to help in any way possible. He also presented a challenge to help in worthy causes of the community.

One worthy cause was accepted as a challenge by the Circle K Club. Mr. Tollefson explained the tremendous cost involved in the kidney transplant of Mrs. Cleo Larson, Burley. He told of a drive to help the Larsons with these expenses. The college club offered their services to the drive.

Quarterly Confab Set Feb. 4 By T.F. Stake

ELDER HENRY TAYLOR

Elder Henry D. Taylor, assistant to the Council of Twelve Apostles, LDS Church, Salt Lake City, Utah, will speak at the Twin Falls Stake Quarterly Conference Feb. 4 and 5 at 450 Maurice St. N.

Elder Taylor was a Provo, Utah, businessman before accepting his fulltime church position in 1958. He is a former California Mission president, and serves as managing director of the church's welfare program.

Meetings will be held at 10 a.m. and 2 p.m. Sunday. Stake President Lloyd A. Hamilton will conduct the meetings. Visitors are welcome.

Israel Asks Syria To Renew Vows

BNOT-YAACOV BRIDGE on Syrian-Israeli border (AP) — Israel proposed today that Syria join her in a renewal of their pledges to abide by the non-aggression provisions of the 1949 armistice agreement which ended the Palestine war.

The appeal was made as Syrian and Israeli armistice delegations met for the first time in eight years in an effort to settle one of the border problems which have triggered shooting incidents and violence along their frontier.

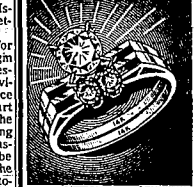

Moshe Sasson, head of Israel's delegation, told the meeting: "It would be appropriate for our two delegations to begin their work by renewed expression of the general armistice agreement. Israel for its part undertakes to abide by the cease-fire on an understanding of reciprocity and on the assumption that no hostile acts be conducted against us from the territory of the other signatory."

The Israeli delegate said if the two nations could agree on practical arrangements on cultivation problems along the border, "a peaceful atmosphere and good neighborly relations will prevail amongst all who live on both sides of the border."

Newsman were barred from the meeting. The text of Sasson's statement was issued by the Israeli Foreign Ministry.

PTA MEET SET
HANSEN — The regular Hansen PTA meeting will be held at 8 p.m. Thursday in the school lunch room; Legislature issues will be discussed with Robert Pettigrove in charge of the program and discussion.

Rupert Area Water Needs Are Discussed

RUPERT — A member of the Columbia Plateau Resources Council met recently with Rupert Community leaders at the Civic Building to discuss needs of the area in regard to the Columbia Plateau.

James Martin, Burley, told the civic leaders that the council deals with all resources in the plateau, but of primary interest at the present time are saving Columbia River waters for this area and not allowing it to be diverted to other areas.

Representatives of a user farm and civic groups were informed of the annual meeting to be held Feb. 23 and 24 in Spokane, and they were urged to send delegates to this session.

These expressing intentions of discussing the matter with their groups and trying to arrange for a meeting of the delegations.

State Patrolman Ronald Eggleston investigated the accident. David S. Mathis, Arco, driver, reported going around a curve, west-bound, hit the shoulder of the road and was unable to put the truck back. It went over an embankment and rolled over. The grain was thrown out.

Mathis was treated for minor lacerations.

The truck belonged to the C. L. Falksmann Grain Co., Terrellton.

There were no citations issued.

It was meant to destroy a Viet Cong tunnel complex in the area about 20 miles north of Saigon. The bomb was later exploded by the paratroopers in the area. (AP wirephoto)

President Kerr's Firing Condemned As Destructive Political Intervention

BERKELEY, Calif. (AP) — About 1,000 University of California professors and teachers have condemned the sudden firing of President Clark Kerr as a "destructive political intervention."

Gov. Ronald Reagan in a news conference promised the university "won't be sullied by partisan politics."

Sharply worded resolutions passed Tuesday by the Academic Senate at the Berkeley campus and at the campus at Santa Barbara were the loudest academic outcries since 14 members of the Board of Regents, including Reagan, voted last Friday to end Kerr's career as head of the 87,000-student, nine-campus university.

Reagan called the firing "ill-timed but necessary" and said that Kerr initiated the confrontation which led to the ouster vote.

Reagan, who had feuded with Kerr over proposals to cut the university budget and impose tuition, said the university "won't be sullied by partisan

politics because this government has no intention of ever overruling the regents."

Reagan in his campaign for governor last year charged that Kerr had permitted political activity on the campus in behalf of Reagan's democratic foe, then Gov. Edmund G. Brown.

The Academic Senate at Berkeley, a few hours later, passed a resolution by an overwhelming hand vote charging the Kerr firing was political intervention which "threatens the survival of the University of California as an institution of distinction." There were more than 1,000 members present.

The assembled regents then passed 428-246 another resolution charging the regents had "betrayed" the faculty trust.

"As of today no reputable educator would assume the presidency of that university which yesterday was the envy of every other state," the resolution said. "We, the faculty of the University of California at Berkeley, condemn utterly the dismissal of President Clark

Kerr by the Board of Regents." The Senate also opposed the tuition plan suggested by Reagan. It has asked the legislature to provide adequate financial support for the university and has demanded that the faculty have a voice in the selection of a successor to Kerr.

The Academic Senate at the Santa Barbara campus, on a 27-13 vote, charged Kerr's dismissal was "wrong and in the manner of it brutal." The resolution said the regents' action "constitutes a damaging surrender to political pressures on the affairs of the university."

Students at several of the other University of California campuses met during the day to plan ways to protest Kerr's dismissal.

Manhattan Car Towaway Protested

By RAY KOHN
NEW YORK (AP) — Protesters have mounted against the city's new auto towaway program, with the loudest complaints coming from the handicapped and doctors. But city aides, traffic cops and bus and taxi drivers are pleased over the unclogged streets.

More than 160 drivers with physical handicaps took advantage Tuesday of Mayor John V. Lindsay's offer of police taxi service to take them from work, but criticism flowed freely.

Attorney Daniel Fields, a polo victim who has held a special parking card for 14 years, said, "It's inhuman and it's not accomplishing anything."

But, said taxi driver Bernard Robins, "I used to wince when I got a cross-town job. Now I don't mind it at all."

Philip Guba, 43, a polo victim who drives to work from Garden City on Long Island, commented that "a car is more important to us than a car to a diplomat."

Arthur Palmer, Jr., city transportation administrator, said a plan might be worked out whereby handicapped drivers would be allowed to park in certain towaway areas. He said it would take considerable research, however, before deciding on a plan.

Diplomats and foreign consuls were among the first of the previously privileged to feel the ban on parking in restricted areas. Bond, at 34th and 66th streets and the East and Hudson rivers. However, those with diplomatic or foreign consular license plates need not pay the tow charges, which can amount to \$40 to \$50.

Newsmen with special plates were getting the towaway treatment, too.

Georgia Told To Give Bond His Back Pay

ATLANTA, Ga. (AP) — The State of Georgia has been ordered to give \$2,000 back pay to Rep. Julian Bond for the 1966 legislative session in which he was not allowed to participate.

The order came from three federal judges in a final judgment Tuesday on the suit over his seat in the Georgia House.

The U.S. Supreme Court ruled in December that members of the Georgia House denied Bond his rights when they refused to seat him because Bond had endorsed a statement by the Student Nonviolent Coordinating Committee describing U.S. policy in Vietnam as aggression.

Bond, an Atlanta Negro twice refused his seat in 1966, was re-elected in November and sworn in as a representative this month. The payment order refers only to back pay for the 1966 session.

The order was signed by U.S. Dist. Judge Lewis R. Morgan and U.S. Circuit Judges Elbert P. Tuttle and Griffin B. Bell.

Civil Defense Equipment To Be Set Up In Rupert

RUPERT — Radiological defense monitoring equipment will be received for use in Mitidoka County within the next 30 days from the State Department of Disaster Relief and Civil Defense, George Falkner, civil defense director for Mitidoka County, announced Monday.

He said the equipment will be used by personnel already trained within the county and will be for two mobile monitoring stations, the offices of the county sheriff and the city police.

"These two locations were chosen to enable the county to obtain twice the amount of equipment," Falkner said.

PRIVATE VISITS
ALMO — Pfc. Dennis Hall Erickson, Almo, recently left the Oakland Army Terminal for an overseas assignment to Thailand after spending a 30-day leave from Ft. Belvoir, Va., visiting his wife, Pauline, and son, Ken Emory, and his parents, Mr. and Mrs. Jack Erickson.

Fourteen country and western music groups will participate in the Sixth Annual Country Music Jamboree, scheduled for 7:30 p.m. Feb. 14 and 15 at the Eller High School Auditorium.

Proceeds from the jamboree will be donated to the Easter Seal Center by the Magic Valley participating musicians.

The fourteen groups are the King's Harvesters, Twin Falls; the Play Boys, Gooding; and Hagerman; the Rhythm Wranglers, Twin Falls; the Last Riders, Twin Falls and Filer; Johnny and the Missils, Burley; and the Versatiles, Twin Falls and Kimberly; the Melody Masters, Twin Falls and Eden; the Bar S Wranglers, Twin Falls and Jerome; the Walden Brothers, Twin Falls and Buhl; the Tune Twisters, Twin Falls; the Saints, Twin Falls, Jerome and Wendell; the Rhythm Rangers, Twin Falls; the Country Cousins, Twin Falls and Shoshone, and the M.C.'s, Twin Falls and Jerome.

The King's Harvesters is the only gospel group in the jamboree. They have appeared in concerts and evangelistic meetings throughout southern Idaho as well as Oregon, Washington and California where the group recorded its first LP record. The members are Wayne Duncan, bass singer, Leona Hills, tenor; Carole Shaffer, alto, and Dick Shaffer, lead.

Seven of the groups will play each night for approximately 20 to 25 minutes each. Two or three comedy groups will perform with the music groups. Al Lee, KART Radio, Jerome, will be master of ceremonies. Rudy Williamson, program chairman, said that no program would be printed and that each group would play the songs they like best. Gene Bosserman, Gooding, is the general chairman of the jamboree.

Mrs. Merle Stoddard, Easter Seal Center, will be in charge of ticket sales.

THE KING'S HARVESTERS will appear at the Sixth Annual Country Music Jamboree scheduled for 7:30 p.m. Feb. 14 and 15 at Eller High School Auditorium. Proceeds from the jamboree will go to the Easter Seal Center. The King's Harvesters are, from left, Wayne Duncan, Leona Hills, Carole Shaffer and Dick Shaffer.

Kathy Larson Wins Contest At Hagerman

HAGERMAN — Kathy Larson was named winner of the Lions Peace Essay contest Monday evening at the club dinner meeting at the Hagerman Hotel.

Second place winner was Arlinda Partin and third, Sharon Gossi. Alfred Sandy presented the cash awards from the local club and publisher Art Kacer presented Miss Larson with the plaque given by Lions International.

Miss Larson is eligible to enter the district contest, George Carlie and S. B. Goss were co-chairmen of the event and judges were Mrs. Robert Adolf, Mrs. Robert Gaston and Merle Owsley.

Wives of Lions club members were guests as were Maj. Antonio and A. L. Vandell, of the Air Force tracking station at Wendell. The guests showed a film and talked on the bombing practice that is done with the train at Wendell.

Merle Owsley reported on the mid-winter conference in Boise the past weekend.

WHITMAN COLLEGE, Walla Walla, Wash. — Whitman College president, Louis B. Perry, Monday announced the resignation of Mrs. Leonard (Loia Cockrum) Craig, former Twin Falls resident, associate professor of education, at the close of the first semester on Feb. 5.

She joined the faculty of the department of education in 1959, coming from Twin Falls.

Her work at Whitman has involved teaching and supervision of all elementary student teachers in Whitman's teacher education program.

"I have reached the goal I wanted most of my life — to train teachers," she said.

Mrs. Craig says she thinks it likely that she will return to part-time teaching, though not soon, and she plans to continue her interest in civic affairs.

Area Fireman's Ball Set Feb. 11

Dear Abby

BY ABIGAIL VAN BUREN

DEAR ABBY: I need your help right away. A neighbor (I'll call her Maria) with whom we are not very well acquainted, is begging my husband and me to help her win her husband back. It seems Maria's husband has gone crackers over an older woman and he wants to leave Maria—and their four small children. Maria wants my husband to take her to a night club where her husband and this woman will see her. She thinks if she can make him jealous it will bring him to his senses.

I suggested Maria let my brother (unmarried) take her, but she says he is not the type her husband would be jealous of—my husband would be perfect for the part. My husband is not at all keen on this idea. I can't see where it would hurt him. After all, a marriage involving four children is at stake. What is your opinion?

MARIA'S NEIGHBOR

DEAR NEIGHBOR: I don't blame your husband. His reward for an Academy Award performance could be a sound thrashing—or worse. If your neighbor wants to stage a scene to make her husband jealous, let her get an actor from central casting, or hire a professional escort. And if you really want to help Maria, discourage the phony act and tell her to fight on the level.

DEAR ABBY: Why don't you get a new picture taken? I hear

LDS Genealogy Lesson Given

DECLO—"An Introduction to Genealogy" was the lesson presented by Mrs. Alma Turner, Jr. when the Young Marrieds' class of the Declo LDS Ward met at the church.

Marian Martin Pattern

WRAP UP SPRING! Wrap up a little girl's spring gaily as a gift—see this exciting wrap in cool, cool cottons. No waist seams, fitting zippers, buttons—a real quickie! Printed Pattern 0180: Children's sizes 2, 4, 6, 8, 10. Size 6 takes 2 yards 35-inch.

you have a son who will graduate from Stanford University next June, and a daughter who is older than HE is. So who are you kidding with that high school graduation picture? I'll bet you're a fat, old, gray-haired bag. I would like to see what you REALLY look like. ROG

DEAR ROG: Vital statistics: Born 1918, Height, five feet nothing, Weight, 105. Married 1939 (still married to original husband), Son 22, daughter 24. And if you want to see what I REALLY look like, I'll be on Art Linkletter's Houseparty on December 28th.

DEAR ABBY: I need an outside opinion. My sister is a patient in the hospital. I went to visit her yesterday and while I was there, a nurse came in to give her a pill. My sister said a few words to the nurse, but she didn't introduce me.

DEAR ABBY: I need an outside opinion. My sister is a patient in the hospital. I went to visit her yesterday and while I was there, a nurse came in to give her a pill. My sister said a few words to the nurse, but she didn't introduce me.

DEAR "UN-INTRODUCED": If a patient were to say, "Miss Nightingale, I should like you to meet my Aunt Edith and Uncle Jake, it takes only a moment for the nurse to say, "How do you do?" Nurses may not feel slighted at having been "un-introduced," but visitors might.

Joint Program Is Presented

The Loyal Order of Moose and Women of the Moose met for a program presented by the child care committee, with Mrs. Lavon Martin as chairman.

Dennis Vollmer presented a film on "March of Dimes."

The Women of the Moose held their regular formal meeting, with Mrs. H. C. Thompson, sponsor, presiding.

Protem officers were Mrs. Ted Soper, chaplain, and Mrs. Paul Carlson, guide.

Mrs. Lavon Martin won 5 prize. Members drew names for their secret prize.

An announcement was made that the Women of the Moose district mid-winter conference will be held at 1 p.m. Sunday at the Bull Moose Home.

All Moose members are urged to attend.

Refreshments were served by members of the child care committee.

MIA Individual Awards Given

SHOSHONE—Individual awards were presented to girls of the MIA by Bishop D. H. Hansen at the Sunday service.

The awards are earned on church attendance, auxiliary attendance, and general activity for a year's time.

Donna Davis received a one year award; Lorinda Dillo, a five year; and Jill Thorne, a five year. Since Miss Thorne is at college, the award was presented to her mother, Mrs. Harrell Thorne.

An elders quorum waffle supper was announced for 7:30 p.m. Saturday at the Richfield Stakehouse. Wives are invited.

SANDRA BROOKS APPEARS surprised as she pulls a dress out of a can at a downtown Toronto department store. The canned dress can be stored in the container without becoming wrinkled. Also included with the dress is a flap-brimmed hat. No can opener is needed—the lid snaps open and shut. (AP Wirephoto)

Study Lesson Presented by Mrs. Sanderson

HANSEN—Mrs. Edith Patterson led the opening devotional service at the Women's Society of Christian Service meeting at the Kimberly Methodist Church.

Mrs. Bryan Harris reported members of the Hansen WPSM has underwritten the cost of the installation and first month's payment of a telephone for an ill member—and her family.

It was reported the Christian Church women have sent money to help defray the cost of sending soap to needy areas. A memorial honoring Mrs. Laura Patterson was given to the church memorial fund.

Mrs. Eugene Krueger, Mrs. Charles Pierce and Mrs. Hugh Sanderson are on the nominating committee for election of new office nominees.

The group discussed selection of cork molding and a permanent blackboard in the living room for classroom use.

It will be done after other remodeling phases of the church presently in progress are finished and if funds are available to install them.

The Hansen Circle meeting is Feb. 1 at the home of Mrs. Ralph Simmons. Mrs. Sanderson will have the lesson on "Christian Being and Doing."

Hostesses were Mrs. Kenneth Naylor, Mrs. Vance Naylor and Mrs. Donald Whitehead.

Budgeting Is Lesson Topic

DECLO—Mrs. Denton Darrington presented the lesson on budgeting at the Homemaking Day meeting of the Declo LDS Relief Society at the church.

The objective of the lesson was to show how a budget sets up guidelines which help solve financial problems. It was followed by a group discussion.

Demonstration on making tissue flowers was given by Mrs. Richard Wolf and Mrs. Clayne Zollinger. Quilting was under the direction of Mrs. Myron Okleberry.

An authentic Italian dinner was served to the group under the supervision of Mrs. Charles Clark, who spent several years in Rome. She distributed recipes of the dishes served. Assisting her were Mrs. J. Harry Darrington, Mrs. E. Taylor, Mrs. Seymour Osterhout and Mrs. Earl Darrington.

Refreshments were served by the hostesses.

Relicta Club Has Meeting

WENDELL—Hostesses for the Relicta Club meeting were Mrs. Bettie Benson and Mrs. Fern Harris.

Mrs. Lillian Darron and Mrs. Blanche Darron were guests.

The potluck dinner was served at 12:30 p.m. and plans were made for future meetings.

Mrs. Hazel Haverland and Mrs. Frances Davis are hostesses for the February meeting.

Mrs. Grace Urban and Mrs. Maude Marlow were in charge of the program. Mrs. Faith Eiston gave the prayer and Mrs. Agnes Higgenbotham read a parody.

History Read At Camp Meet

Mrs. Lydia Call read a history of her grandparents, John Hymas and Mary Ann Pliman Hymas, at the Camp Mary Louise, Daughters of Utah Pioneers, meeting at the home of Mrs. Dewey Skinner.

The lesson, "The Journal of Joseph Smith Black," was given by Mrs. J. H. Henry.

Prayer was given by Mrs. Violet Beas. Guests were Mrs. Emma Luke, county officer, Mrs. E. Kinghorn, Mrs. Ella Jane Briggs and her daughter, Ella Briggs.

Refreshments were served by the hostesses.

Naomi Circle Has Study Meet

DECLO—Mrs. Wilma Blanchard presided at the first study meeting of the Naomi Circle at the home of Mrs. Dale Brooks, Burley.

"Thank God for Partners" was the lesson given by Mrs. J. B. Goetsche from the study guide, "Joy for an Anxious World."

The devotional service was given by Mrs. Ambrose Moffitt. The least coin service was conducted by Mrs. Blanchard, with Mrs. Richard Kerbs as accompanist.

Plans were made for a potluck luncheon and quilting-bee to be held Feb. 2 at the home of Mrs. Nancy Dalton. Declo members will complete the quilt as an overseas project.

Prayers were given by Rev. John Pickrell and Mrs. Moffitt.

Mrs. Rickey Is President Of Area Council

WENDELL—Mrs. Lloyd Rickey, Gooding, member of the A-1 Home Extension Club, was elected president of the Gooding County Home Extension Council at the county council meeting at Wendell City Hall.

Other officers elected include Mrs. Paul Kearley, Wendell, member of Pollyanna Club of Orchard Valley, vice president; Mrs. Fester Andersen, Pollyanna Club, secretary; and Mrs. Phares Schiffer, Wendell Home Improvement Club, treasurer.

Mrs. Roy Graves, retiring president, conducted the election and introduced Mrs. Hyblich Beaver, Heyburn, district council president, who installed the council officers in a candlelight ceremony. She also installed officers of the extension clubs present at the meeting which included Mrs. Mattie Lorain, president, Mrs. George Hudson, vice president and Mrs. Ruth Wahler, secretary-treasurer of the Wendell Home Improvement Club; Mrs. Paul Kearley, president, Mrs. Leonard Scheer, vice president, and Mrs. Kirby Hill, secretary-treasurer of the Pollyanna Club; Mrs. Kenneth Strickland, president, and Mrs. Glenn Blakeslee, vice president of the Gooding A-1 Club, and Mrs. Charles Skinner, president of the Hagerman Valley Club.

Mrs. Ruth J. Shane, Gooding County extension home economist, requested the secretaries of each club to send a list of the club members to her office.

Announcement was made of the Community Thrift Store to be open now from 1:30 to 5 p.m. each Saturday at Wendell at the old LDS Ward House on East Avenue B. Articles donated by the community will be sold at a minimum charge and the money applied on a new football scoreboard. Mrs. Nelson King, Wendell, is chairman of this project and Mrs. Pearl Rich is her assistant.

The district meeting for extension members will be held March 23 at the Burley Elks Lodge.

Mrs. Rickey announced that there are 63 guests at Wendell Magic Valley Manor and the need of volunteer projects at the present time. She suggested tray favors and necessary plain sewing or urgent projects at the present time.

Mrs. Shane presented Mrs. Graves a miniature gavel. Mrs. Loyola Crosby was soloist.

Members of the Pollyanna Club were hosts for the refreshment hour. Mrs. Kirby Hill and Mrs. Leonard Scheer presided at the table centered in flags and flanked by blue tapers. Other room decorations were in a patriotic theme.

Daddy-Daughter Party Reported

DECLO—Fathers were special guests at the annual Daddy-Daughter party of the Lihona classes of the Declo LDS Primary held in the LDS Cultural Hall.

Teachers in charge of arrangements were Mrs. Lynn Taylor and Mrs. Barbara Ivy, Gaynote class; Mrs. Jay Kidd, Firelight class, and Mrs. Michael Matthews, Merryhands class. They were assisted by Mrs. Brent Peterson of the Primary presidency.

The theme, "Outdoor Sports Events," was used in the games which were under the direction of Mrs. Matthews.

Lyle Woodbury presented a "Tribute to a Daughter."

The guests were served a barbecue supper at tables decorated with miniature skiers and snowflakes, which were decorated by Mrs. Taylor and Mrs. Peterson. Mrs. Kidd was in charge of the dinner committee.

Prayers were given by Darla Hurst and Richard Morcan

Youth Banquet Scheduled By Area Women

KIMBERLY — The general meeting of the Kimberly Christian Women's Fellowship was held at the Christian Church, where plans were made for the youth banquet set for 7 p.m. Monday.

Groups No. 1 and No. 2 are in charge of arrangements with Groups No. 3 and No. 4 assisting.

Week of Compassion is set for Feb. 19 to 25, with a supper at 7 p.m. Feb. 19.

Mrs. Vernon Bell and Mrs. Doug Geer were appointed to the nominating committee. "Spend Your Heart" was the new book added to the church library by Mrs. Eldon Durk, book chairman.

The program chairman, Mrs. Radford Walker, introduced Mrs. Pat Pollard from the Department of Public Assistance. She told of the assistance given to various groups and the foster parent plan and the adoptive parent plan.

"Such as I Have, I Give" was the topic used in the worship service by Mrs. Walker. A cornucopia of fruit representing plenty and a crust of bread were placed on the worship table, along with a small group Bible. Members of Group No. 2 were hostesses.

Dish Garden Pointers Given By Mrs. Nelson

Mrs. Victor W. Nelson gave pointers for making dish gardens when the Countryside Flower Club met at the home of Mrs. Keith Fullmer, Kimberly.

The dish garden holds plants arranged in a design to represent a bit of landscape scene in miniature. Plants should be similar types and soil should fit the type as sandy soil for cacti and succulents and loamy soil for woodland plants. Desert plants are not grown in same container with woodland plants.

Any size container three to four inches deep and easily lifted may be used. Drainage is provided by using coarse material and bits of charcoal in bottom of container.

Scale is important. Any accessories — as figurines, animals, birds, rocks should seem true to the scene.

Dish gardens were displayed by Mrs. John Pastoor, Mrs. C. Lanting, Mrs. Lyle Schnitker, Mrs. S. W. Smith, Mrs. Fullmer and Mrs. Nelson.

Mrs. Schnitker, incoming vice president and program chairman, distributed yearbook. Several tours are planned for the coming year.

Refreshments were served by the hostess. The next meeting is Feb. 15 at the home of Mrs. Max Crothers.

MR. AND MRS. WILLIAM A. (Jack) BELL.

Local Couple Observes 50th Anniversary

Mr. and Mrs. William A. (Jack) Bell were joined by their children at an open house in honor of their 50th Wedding Anniversary at the home of their daughter and son-in-law, Mr. and Mrs. Roy H. Russell, Twin Falls.

Mr. and Mrs. Bell were married Jan. 5, 1917, in Twin Falls and have resided in this area since. Mr. Bell was an employe of the city of Twin Falls for 43 years until his retirement in 1961.

The couple's children and their families in attendance were Mrs. J. D. (Dorothy) Peck; Burley; William H. Bell, St. Anthony; and Mrs. R. H. (Ruby) Russell, A. son, James Duane Bell, Annapolis, Md., was unable to attend.

The couple has 12 grandchildren and four great-grandchildren.

The refreshment table was covered with a white lace cloth and centered with an ornate four-tiered wedding cake decorated with gold roses and white doves holding gold wedding bands. The cake was topped with large gold numerals "50".

Silver candelabra with gold candles flanked the cake. A silver punch bowl and silver coffee service were placed at each end of the table.

Presiding at the coffee service were Mrs. Wallace Smith, Mrs. Mae Deolite, Mrs. Clara Walters and Mrs. Ray Russell. Presiding at the punch bowl were Mrs. Eileen Cappel, Mrs. Georgi Martin, Mrs. Wilfred Benedict and Mrs. E. G. Bracken.

Guests attended from Twin Falls, Eden, Jerome, Burley, Rupert, Idaho Falls, St. Anthony and Utah.

ANNIVERSARIES OBSERVED — KING HILL — Mr. and Mrs. Sam Meyer hosted a neighborhood party and buffet supper at their home. The party was in honor of Mrs. Meyer and Mrs. George Meyer, who celebrated their birthday anniversaries. The evening was spent dancing and visiting.

Trays Presented To T. F. College

HANSEN — Mrs. H. H. Thieme read a poem to the opening exercise at the Excelsior Social Club meeting at the home of Mrs. Melvin Switzer. Trays, which the group purchased a few years ago for meeting use, were given to the Sonoga Fraternity of the College of Southern Idaho.

Mrs. Donal Kilborn was program chairman. She read articles on national parks and brought magazine pictures of the Sherra College in the Appalachian Mountains, a college for working students, and of the Huntington Library in San Marino, Calif. She also read miscellaneous poems.

At the Feb. 2 meeting, members are asked to bring homemade gifts for a Valentine gift exchange. Mrs. Kilborn is hostess and Mrs. Clara Thompson is program chairman.

Mrs. Donald Conner and Mrs. Lyle Jones received special gifts.

Talcum Powder Uses Discussed

HANSEN — Talcum powder used as a preventive for electricity in clothing was given as a part of the opening at the Friendship Club meeting at the home of Mrs. Gordon Hill. An article on "Henri-Matisse" and some of his paintings were shown.

A party honoring husbands will be discussed at the next meeting.

Mrs. Hill presented a program, with Mrs. Gene Johnson and Mrs. George T. Neuman Jr. winning prizes. She also read some short articles from the Good Housekeeping magazine and gave some humorous translation meanings. Relayed instruction recipes were read.

Mrs. Dora Daw received a special gift.

The Feb. 2 meeting is at the home of Mrs. Norville Reynolds.

Membership Certificates, Pins Presented

BURLEY — Mrs. Josephine Barry and Mrs. Ida Parke were presented honorary membership certificates and pins by Mrs. William Morgan during the luncheon meeting of the United Presbyterian Women at the Presbyterian Church.

Dick Whiting, Department of Public Assistance in Cassia County, was guest speaker. Programs of caring for the poor were outlined as aid to dependent children, aid to the permanently and totally disabled, and old age assistance.

Mrs. D. David Lewis, program chairman, announced the year's theme is "The Dilemma of Affluence and Poverty."

The devotional services were presented by Mrs. Dale Brooks on "The Good Samaritan of Modern Times."

Rev. John Pickrel announced the antique festival theater will present George Bernard Shaw's "Don Juan in Hell" at 8 p.m. Feb. 12 at the First Presbyterian Church.

Guests were Mrs. Tony Keidler and Mrs. Howard Hayden, both Burley, and Mrs. Mary Carey, Wasco, Calif.

Refreshments were served by Mrs. H. V. Beaver, Mrs. Fari Clayville and Mrs. Roger Brown.

Leaders Named, Dinner Served

Officers were elected and a potluck dinner served with bands of members as special guests, when the Emanon Club met at the Knoll Community Center.

Officers include Mrs. Harry Sharp, vice president; Mrs. Eymmer Dossset, vice president; Mrs. Walter Snow, secretary, and Mrs. I. T. Creed, treasurer.

Guests were Mr. and Mrs. Leslie Bowen and Mr. and Mrs. Lloyd Nicholson.

Hostesses were Mrs. Glenn Dossset and Mrs. Erma Tucker.

JUANITA RILEY

Juanita Riley, Black Disclose Wedding Plans

EDEN — Mr. and Mrs. Leonard Riley, Eden, announce the engagement and forthcoming marriage of their daughter, Juanita to Evan L. Black, son of Mr. and Mrs. LaMar Black, Hazelton.

Miss Riley will be graduated from Valley High School this year. Mr. Black was graduated from Valley High School in 1960 and is attending Idaho State University.

An August wedding is planned.

Social Held

VIEW — Mr. and Mrs. Jesse Seagle and Mr. and Mrs. DeWayne Lind were hosts to the View LDS Mutual Marrieds at a monthly social.

The group held a waffle supper, with the tables decorated with miniature snowmen trimmed in red. Jeff Lind was solo list and Vance Ling presented readings.

Prayers were given by Evarad Gibby and John Koyle.

Music Program Presented For Area LDS MIA

SHOSHONE — The MIA (time at the LDS Church was devoted to a special musical program. Mrs. May Heit was in charge of the program presentation.

Members of a Scout and Beehive Chorus were Dione Davis, Brian Stimpson, Clair Thorne, Bryce Stimpson, Arlin Stimpson, Cynthia Sorenson, Nancy Dewey, Ronald Scott, Frankie Garrett and Jacelyn Sorenson.

The Bishopric Chorus included members of the bishopric and chorists: D. H. Hansen, F. N. Stowell, Ferry Hadlock, Richard Fenness, Cecil Cone, M. J. Dille, Kenneth Blackburn and Howard Pittman.

Singing in a male quartet were Harroll Thorne, M. J. Dille, D. S. Hitt and Florin Rose. Kenneth Blackburn did a solo whistling number. A Pecos Hootie as organ accompanist.

Brent Hadlock and Perry Hadlock played an instrumental string duet.

Kathy Trenkle sang and played the guitar for several numbers. Playing in an orchestra were Blackburn, Layne Hadlock, Perry Hadlock, M. J. Dille, Richard Sorenson and D. H. Hansen, with F. N. Stowell, Cone and George Pittman singing.

Ruth Griggs and Mrs. M. J. Dille were accompanists for the singing groups.

The theme was led by Denise Blackburn, Marvin Rands and Cindy Stimpson gave prayers. The Stake Quartet Festival was announced for Feb. 15 and Handstands Night for Scouts and Preschoolers was announced for Feb. 8 at Hallett Ward Chapel.

Saturday night dances are continuing at the local church.

Dinner Held

FILER — Past Noble Grand Club met at the home of Mrs. Joe Lux for a potluck dinner.

Women's Section

Magic Valley Favorites

MRS. STAN VANDENBARK
Route 2, Kimberly

Candy "M" Cake
 1 cup sugar
 2 cups shortening
 1 unbraten egg
 2 cups sifted flour
 2 teaspoons baking powder
 1/2 teaspoon salt
 1/2 cup buttermilk or sour milk
 1/2 teaspoon vanilla
 1/2 cup chocolate chips
 1/2 cup miniature marshmallows
 1/4 cup brown sugar
 1/2 cup shortening
 1/2 cup chopped nuts
 Cream sugar and shortening. Add egg and beat well. Add all

ternately flour mixture, butter-milk and vanilla. Beat well. Blend marshmallows and chocolate chips into batter. Spread into a 13 by 9 by 2-inch greased and floured pan. Combine brown sugar, butter and nuts. Sprinkle over the batter. Bake at 350 degrees for 40 to 50 minutes.

Idaho Writers League Officers Are Installed

Officers for the local Chapter of Idaho Writers League were installed at a recent meeting at the home of Mrs. John Burkhardt, Buhl.

Officers include Mrs. Woodrow Ash, Buhl, president; Mrs. Laurence Campbell, Jerome, vice president and program chairman, and Ben Davis, Eden, secretary-treasurer.

Sales were reported by Elinor Van Houten, Mr. Davis and Pearl Campbell, and a poem by Les Williamson was recently published.

The president welcomed the guests, Mrs. R. C. Chamberlain, Buhl; Mrs. Sherman Miller, Kimberly; Mrs. Herman Prossett, Anaheim, Calif.; Mrs. Robert L. G. Cobb was co-hostess.

Plans were made for a dinner for husbands Feb. 11. Mrs. Carl Blass and Mrs. Warren Stroud received gifts.

Officers Named

CASTLEFORD — Officers for the FAS Sewing Club were elected at the home of Mrs. Ralph Hatch. Elected were Mrs. Elwood King, president, and Mrs. Wayne Keller, secretary-treasurer.

Mrs. J. Roy Haley was in charge of the program and gave a demonstration on smoking.

SUITED TO THE BRIDE'S DISPOSITION—Now days the bride may dispose of her wedding dress as well as tossing away her wedding bouquet. You may not believe it, but the model is wearing a paper bridal outfit, including paper lace panties. The outfit was designed by Ethna Dage from Hrotopf Kaycol fiber to sell under \$10. The dress was a sensation at the bridal fashion show at Hotel Pleru as part of the New York Couture Group's press preview. (AP wirephoto)

Need For Medics In Vietnam Stressed

EDEN HAZELTON—The need for doctors in Vietnam is tremendous. Dr. Lauren M. Nether, Jerome, told members of the Valley PTA Monday evening at the Valley High School.

The doctor, who recently spent two months in Vietnam as a volunteer, spoke of the terrific trials, sickness and disease that is prevalent among the people there.

"We focused our attention mainly on the sick children," he said.

"The people there are very uneducated; however, they do realize the need for schools and have begun construction on them only to have their efforts literally blown up by the Viet Cong at night," he declared.

Dr. Nether went to Vietnam along with three other doctors but each worked in a separate area.

He was assigned to My Tho, a town approximately the size of Jerome, with seven million people living there. Refugees pour into the town at about 1,000 daily and refugee camps were springing up everywhere.

The area was located within 25 miles of the actual fighting zone and they could hear the heavy artillery day and night.

The land itself is only eight feet above sea level and the temperature is never below 80 degrees, with an exceptionally high humidity. The main crop grown there is rice.

He mentioned that although there have never been a milk cow.

Dr. Nether also presented slides of the people, the land, air and naval bases and the medical buildings.

When asked if he would return to Vietnam the doctor answered that if his family would go with him he would go.

He recommended that everyone read the article "Suffer the Little Children" in the current issue of the Ladies Home Journal if they wished to learn more of the conditions overseas.

Refreshments were served by Mrs. Keith Munsee and Mrs. Mercer Stover.

The next meeting will be held Feb. 27. Mrs. Donald Black, Founder's Day chairman, will present the program.

NGUYEN HUU CO

Co had been deputy premier, defense minister and the leading southerner in the junta dominated by refugees from North Vietnam. (AP wirephoto)

Republican Women's Club Has Election

Mrs. Kenneth W. Marshall, 185 Blair Drive, has been elected president of the Twin Falls County Republican Women.

She succeeds Mrs. Horace Holmes as president for the coming year. Other new officers are Mrs. Richard Brizee, vice president, and Mrs. Delta Sidwell, reelected secretary, and Mrs. Harry Whitehead, reelected treasurer.

H. L. Derrick, city manager, addressed the Republican women, explaining the downtown planning program, in a recent meeting.

He emphasized the city is not engaged in urban renewal work and in any redevelopment program will not pay for improvement and changes.

"Rather," he said, "we will work with the property owners and assist them in planning their improvements and managing the program themselves."

Details on parking, walkways and landscaping called for in the

WATCHING AND HELPING along with the fun, Scott Fisher, 6, gets lost in the hat of his father, Air Force Maj. Bernard F. Fisher, Kuna, Idaho, during a ceremony at New York's City Hall. Maj. Fisher received the city's Gold Medal from Mayor John Lindsay. He and his five sons, 8 through 16, were present, but their mother, Realla, wasn't feeling well and didn't attend. Maj. Fisher received the Medal of Honor last week for heroism in Vietnam. (AP wirephoto)

Pentagon Centralizes News Flow To GIs For Efficiency

NEW YORK (AP) — The Pentagon is centralizing the flow of news to servicemen abroad, but says the move is a physical one, aimed at efficiency and not news management.

However, Rep. John E. Moss, D-Calif., chairman of the Special Government Information Subcommittee, was on record today as looking into the matter.

The New York and Los Angeles offices of the official Armed Forces Press, Radio and Television Service already have shifted to Arlington, Va., The New York Bureau of the Army newspaper, Stars and Stripes, was expected to follow.

"I have directed the subcommittee staff to look into the Stars and Stripes matter and I will keep you advised on developments," Moss wrote "Hu Blunk, managing editor of the Washington (Wash.) Daily World and chairman of The Associated Press Managing Editors' Freedom of Information Committee.

Blunk said he had received reports of a planned Pentagon centralization of news, and had written Moss about them.

In Washington, John Broger, civilian director of Armed Forces Information and Education, said creation of the Armed Forces News Bureau represented a physical centralization for

the sake of efficiency and economy.

"There will be no difference in the handling of news but simply an increase in the flow of news," Broger said. "I've been in the news field for 35 years and I hold the same views on news as most people in a free society hold."

Broger denied any plans for censorship. He said both European and Pacific editions of Stars and Stripes will continue to receive Associated Press and United Press International news reports at overseas offices in Germany, Germany, and Tokyo.

Wes Gallagher, general man-

ager of The Associated Press, said AP had informed the directorate for Armed Forces Information and Education that present AP news contracts would not be renewed until the situation was clarified. The contracts expire June 30.

Both AP and UPI have provided news to the Armed Forces Radio and Television Service and Stars and Stripes since the start of World War II. Throughout World War II, Gen. Dwight D. Eisenhower strongly defended the editorial freedom of Stars and Stripes from high-ranking generals who wanted to make it an official mouthpiece.

Broger and Lt. Col. William

Coleman, officer in charge of the Armed Forces News Bureau, told The Associated Press they had no knowledge of any Pentagon interference in the Army newspaper's editorial freedom.

Other sources with contacts within the paper indicated the Pentagon cabled instructions to the European and Tokyo editions of Stars and Stripes not to publish an AP Newswires story by Sid Moody on the Joint Chiefs of Staff early this year, and an AP story by William L. Ryan late last year on the new breed of Soviet leaders.

An informant familiar with military procedures said if such

cables were sent they likely would have come from another part of the Pentagon and not the Armed Forces News Bureau.

The Armed Forces News Bureau prepares news scripts for more than 300 overseas military radio and TV stations. It also prepares news for 1,400 troop newspapers at home and abroad, as well as a four-page commanders' digest for 75,000 officers who hold command positions.

Established in 1965, the 64-man bureau's overall mission, as outlined in an official fact sheet, is "to supply timely and accurate seat-of-government news and information, military

and general news, and sports and special events programming 24 hours a day to U.S. forces worldwide."

Centralization of the bureau was said in its fact sheet to have eliminated 24 jobs and saved the government \$153,000.

Kennedy Book Runs In Magazine

MOSCOW (AP) — A Soviet magazine today published excerpts from the uncut version of William Manchester's book "The Death of a President."
The Literary Gazette, a weekly put out by the Soviet Writers' Union, carried part of the text from the latest issue of the West German magazine Stern.
Stern refused to eliminate material that Mrs. John F. Kennedy objected to and was sued by Look magazine, which sold the publication rights to the German magazine, a Hamburg, Germany, court ruled Monday that Stern may continue to publish the unabridged serialization.

"The text which appeared in Look magazine has been changed on the demand of the Kennedy family," said a spokesman for the Literary Gazette.

"Stern magazine refused to make any changes. In spite of a suit by Look magazine, the editors of the West German weekly published the original version."
"Here we offer to the readers' attention some excerpts published in the latest issue of Stern magazine."

"The excerpts described events on the day before President Kennedy's assassination.
Evan Thomas, editor of the book, confirmed Tuesday in New York that he had requested Manchester to make some revisions in it."

"The Manchester book was revised in response to many of the editorial comments made by the Kennedy readers and my friend," Thomas said. "I am chairman of the editorial board of publishers Harper & Row."

Gary Lewis To Wed Filipino Girl

HOLLYWOOD (AP) — Gary Lewis, oldest son of comedian Jerry Lewis, will be married to a Filipino girl, his mother said Tuesday night.
Gary, 21, was drafted into the Army early this month. He has headed a musical unit called Gary and the Playboys.
Reports from Manila said the wedding will take place March 5 in Angeles. The bride is Sara Jane (Lucky) Susana, whose father is captain of the port of Manila.

YOUR BIRTHDAY and HOROSCOPE

WEDNESDAY, JANUARY 25 — Born today, you have a quick, retentive mind but are somewhat inclined to store up knowledge to no purpose. Learn to put what you know to good use. If you don't have to work hard for knowledge, you can't easily become an expert in more than one field, but you will have to be not only knowledgeable but practical. This does, of course, mean, however, that you cannot retain your idealistic outlook on life.
For best results in your working life, stick to related fields. You could easily be taking more than one career at a time so long as you choose areas of concentration that are not opposed to each other in any way. Your best bet would be a career that brings you into contact with others, for you have an intuitive ability for getting along with people.
Because of your phenomenal memory you may well put others to shame in conversation, filling in the gaps with information that others have forgotten. Take care, however, not to fall into the habit of taking over a conversation; others may not know as much as you do — but they won't appreciate being benched because of it.
To find what is in store for you tomorrow, select your birthday and read the corresponding paragraph. Let your birthday star be your daily guide.
Thursday, January 26 — AQUARIUS (Jan. 21-Feb. 18) — Get together with business associates at a social function if possible. An excellent time to make work and leisure.
FRIDAY (Feb. 18-March 21) — You should be able to get much of what you want out of life through friendship — and now's the time for it!
Saturday, March 22-April 20 — Don't allow social plans to interfere with business or professional duties. Postpone the former; stick absolutely to the latter.
SUNDAY (April 21-May 21) — Better-than-average chance for you to reach a goal in business today. Make sure not to concentrate step forward with real success.
MONDAY (May 22-June 21) — Unless an opportunity arises to put your capabilities and talents to the fullest use, you might be better off staying where you are.
TUESDAY (June 22-July 23) — Relationships with others take on special importance now. They are a definite link to progress in your career.
WEDNESDAY (July 24-Aug. 23) — Don't hesitate to accept financial aid from a friend should it be offered. Things look bright on the

VICE PRESIDENT Hubert H. Humphrey admires the Distinguished Service Cross after pinning the medal on the coat of Kenneth H. Dahlberg of Wayzata, Minn., Tuesday. In attendance are Dahlberg's daughter, Nancy, and his wife.

The DSC was awarded to Dahlberg on May 27, 1945. In command of an eight-spot flight of the 353rd squadron, he led an attack upon a force of 80 enemy fighters despite their numerical superiority. (AP wirephoto)

GOP Determined to Scoop In 30 Per Cent Of Negro Vote

By BILL NEIKIRK
NEW ORLEANS, La. (AP) — Republicans are determined to pick up at least 30 per cent of the Negro vote in the 1968 presidential campaign by waging what one party official called the "most dynamic, aggressive program ever put on by the GOP."

Clarence L. Townes, a special assistant to Republican National Chairman Roy C. Wilkins, mapped his plan to seek the Negro vote as the Republican National Committee closed a two-day meeting Tuesday.

"We had been rather ineffective in the past six years in attracting the Negro voter," Townes, a Negro, said in an interview. "I think it was because of an inability to articulate the Republican position (on civil rights)."
Townes' program calls for more contact between the Negro community and party officials and candidates through seminars and meetings with key Negro leaders.
He noted that the GOP captured 19 per cent of the Negro vote in last year's off-year election.
Townes said that, considering the 6 per cent Negro vote the GOP received in 1964, the jump

to 19 per cent was "phenomenal. I would have been surprised if we had received 12 per cent."
Townes said the Negro vote drive last year was a "guerrilla-type effort" that aided such Republican candidates as Sen. Howard H. Baker Jr. of Tennessee and Sen. Charles H. Percy of Illinois.

The main pitch of his program will be to "remind the Negro voter that the Republican party recognizes the equality of all men."
Townes said most of the "meaningful open-house laws in the nation have been passed in states where there are Republican governors and, in most cases, Republican-controlled legislatures."
The Negro voter drive will stress that Democrats have relied on "high-sounding words and catchy-title slogans" to attract the Negro voter, he said.

Scientists Study Data Of Payloads

CAPE KENNEDY, Fla. (AP) — University of Michigan scientists are studying data radioed to earth from six payloads hurled high above the earth during a flurry of rocket activity.
Six Nike-Tomahawk rockets sped away from a Cape Kennedy launch site during a 16-hour period Tuesday to investigate a region of space where most satellites and manned spacecraft travel. The payloads reached altitudes of 240 miles before plunging back to earth.
The region studied is called the thermosphere, extending from 75 to 230 miles high. The payloads recorded particle density, temperatures, pressures and wind variations — information that could help in predicting how long a satellite can remain in orbit.
Angelo J. Talani, project director for the National Aeronautics and Space Administration, reported good signals were received from all six probes during their nine-minute flights.
"Two other research rockets were launched Tuesday by the AFSC to gather weather data."
MEET SLATED
SHOSHONE-Non-Side Communities organization will meet at 8 p.m. Thursday at the local bowling alley.

De Gaulle Shutting Gates Of Common Market Indefinitely On Britain Again

By ARTHUR L. GAVSHON
PARIS (AP) — President Charles de Gaulle is shutting the gates of the European Common Market on Britain again for an indefinite time to come.
This seems the only conclusion to draw from his treatment of Prime Minister Harold Wilson's mission arguing the case for British entry.

The British are fairly sure they can count on the other five nations of the Common Market — West Germany, Italy, the Netherlands, Belgium and Luxembourg — to back any formal application they make to join their thriving customs union.

But the French hold a trump in the reality that the Common Market is a going concern in which all members are prospering and anxious to preserve that prosperity, while Britain is decidedly not prospering.

Wilson files home tonight with no more than an undertaking from De Gaulle to consult France's five Common Market partners but not before April, a month after the French parliamentary elections.

The encounter between the French and British leaders has been behind the formalities, a battle for the high ground of European politics.

Then the frost began to descend.
De Gaulle declined to comment on the broad themes made by Wilson. He asked a few pointed questions, then set the issue aside for three months, until leaders of the Common Market states hold a summit meeting in Rome.
Wilson characteristically took

A French-led Europe would tend to look inward, toward the Ural Mountains on the east. It probably would resist the capture of industry after industry by the Americans.
A British-led Europe almost certainly would gaze across the western and southern oceans, seeing the world as one, cherishing its links with the New World.

But the French hold a trump in the reality that the Common Market is a going concern in which all members are prospering and anxious to preserve that prosperity, while Britain is decidedly not prospering.

Plunge To Deaths

BOMBAY, India (AP) — A parapet rail on which eight persons were leaning gave way Tuesday, and all plunged to their deaths in the main canal of the big Nagarjunaagar Dam, the Andhra state government reported. It said the eight had been watching divers work near the dam 100 miles from Hyderabad.

Today's Market and Financial Report

3:30 P.M. SUMMARY NEW YORK (AP)—The stock market was lower late this afternoon in fairly heavy trading. Volume for the day was estimated at 9.3 billion shares, compared with 10.43 billion Tuesday.

The market looked as if it was about to test its first circuit cut loss of 1967. Up until today every session had more gainers than losers although there was nothing about the popular averages showed declines. Losses of about 2 points were taken by SGM, Du Pont, National Airlines and Texas Gulf. Fairchild Camera, General Motors, Boeing, Douglas Aircraft, Polaroid, Xerox, Control Data, Eastern Air Lines, Josten's, off a fraction, loomed as the volume leader, mainly on the basis of a single bid for 100 shares.

Consolidated Foods advanced about 1/2 but trading in Bigelow-Sanford was delayed following the two companies will meet today to consider merger. Johnson & Johnson advanced in continued response to stock split news.

Automotive Motors had a sudden burst of strength late in the day and ran up about a point. Prices were mixed in heavy trading on the American Stock Exchange.

Dow-Jones, 3 p.m. 30 Industrials, \$45.00 off 6.12 100 Stocks, 22.50 off 1.07 15 Utilities, 138.78 off 1.02 65 Stocks 303.93 off 3.77

The Daily Investor

By WILLIAM A. DOYLE Q. I have become interested in the stock market in recent months. Out of my income of \$80,000 a year, I would like to invest approximately \$500 a year, on a long-term basis, in some thing such as stocks or mutual funds. I am new to the stock market and would like to know what you would recommend for me. It is possible for someone in my circumstances to invest \$17,000 a year? A sure, Lots of people with incomes equal to or smaller than yours own stock and/or mutual funds. What has been the return on your investments? I have had a very good return on my investments. I have had a very good return on my investments. I have had a very good return on my investments.

CSI Jumps Into Early Commanding Lead, Rolls Over Treasure Valley

College of Southern Idaho, sparking from 11 early points by Howard Humes, rolled into a 31-7 lead in the first 10 minutes Tuesday night and walloped the cold-shooting Treasure Valley Chukars 87-62. In posting their 16th victory in 17 outings, the Eagles were tied briefly at 2-2 but reeled off the next nine points of the game. Treasure Valley, held to only 20 points in the first half, came back with some good shooting in the second to double its output. But after falling behind 50-25, the best it could do was cut the deficit to 19.

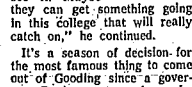

Europe Eyes One Big Olympic Team

BRUSSELS (AP) — West European nations should pool their resources, know-how and techniques in the field of sports to compete on an equal footing with the Americans or Eastern Europeans, Raul Mollet, president of the Belgian Olympic Committee said Tuesday. Mollet said that the Belgian and Luxembourg Olympic Committees are already closely linked, were planning in the spring of 1967 to call for a constitutive assembly in Brussels of the European Common Market of the Sports.

FROM ALL ANGLES

By LARRY HOVEY
Times-News Sports Editor

"That's a tough transition from high school ball to college ball," said Utah State coach Ron Adamson, Gooding, while knotting his tie after the game with College of Southern Idaho Monday night. "We didn't play very well, but we got something out of it."

It's a famous decision for the most famous thing to come out of Gooding since a governor. Ron's got to make a decision on whether he'll go football or basketball next year.

He has his choice. Utah State told him last summer he could participate in both his freshman year but after that would have to make up his mind.

"For Holland, for instance, it's swimming and diving for Belgium, ski and fencing for France, and fencing for Belgium, motor-paced cycling for Switzerland, shooting, and for Italy, gymnastics and hurdles."

Each specialist nation, he said, would be put in charge of the coaching camps for that sport, and would thus train the athletes of the other nations in that particular sport. In compensation, each nation could send its own athletes in other specialties abroad to improve their technique and know-how in a sort of clearing house of sports knowledge.

I was pleased that Coach (Murray) Satterfield (Boise College) is interested in a double home-and-home arrangement for next year. I think Boise is our natural rival, at least until it goes four years."

"We won't be rescheduling some of the junior varsities we had this season. We appreciate those schools giving us dates for this year since we got such a late start in scheduling, though," he added.

Sutton replied "We'd be happy to. Send us a couple of open dates and we'll see if we can fit it in." That would give CSI 31 games for the year.

The College of Southern Idaho has only three home games left and one of those will be played on the Murtaugh High School floor.

Coach Sutton's boys will be on the road for 10 games, playing Utah State here Tuesday night, the College of Idaho jayvees Feb. 21. The Murtaugh game will have the Eagles playing against the Weber State from Feb. 17.

Support of the Eagles has been very impressive this year. "We have been accepted much better than we deserved," says Coach Sutton. "We fell all along that we'd have to give the fans some fine basketball and a winning tradition over the next year or two before we started attracting 2,000 people." The boys are very appreciative of the reception we've been given this year. It's been great."

Dr. James Taylor, the college president, says "we're off on a real good start toward realizing our ambition of having the best junior college team in the nation."

Dr. Taylor is quite impatient to see the Eagles take the floor at Hutehson, Kans., in the national JC tournament.

Looking toward next year the Eagles might play a hundred and 11 games. That is if Coach Sutton has his way.

"We are already set up on home and home schedules with BYU, Utah State, Utah, Montana State, Idaho and Idaho State freshmen teams. We hope to keep North Idaho, Treasure Valley, Ripick, and Snow Creek and add one or two more to take in Columbia Basin (Pasco, Wash.) and a couple of Wyoming junior colleges. I understand they play very good junior basketball in Wyoming."

Most of Humes' early points came on drives and fast breaks and Ples Vann clipped in with seven straight points in helping the Eagles to a 23-7 margin. Seconds later Don Deuel hit a jump shot to extend that to 31-7 before Treasure Valley's Kreg Wisard took over. He jumped through five straight points before Brian Ward hit two from the foul line for CSI. Wisard came right back in a three-point play and added a free throw seconds later to haul TVCC to 20 at halftime.

Mike Moore opened the second half with a Treasure Valley free throw before CSI put together another nine-point flurry to break it wide open.

After Treasure Valley's shooting streak ended with about eight minutes left, the Eagles rebuilt their margin with Ward and Fred Trankle testing most of the points. Two Don Deuel free throws shoved the Eagles in front 82-51, marking the crest of their advantage with 3:39 remaining.

Although giving away some height, CSI dominated both backboards and benefited from the youngest age group.

CSI won the game 87-62. Rebounding Ples Vann rips the ball off the backboard during action against Treasure Valley Community College Wednesday night. Boo Glover, left, already is starting downcourt. At right are TV's Jordan Enright (44) and CSI's Don Deuel (22). CSI won the game 87-62. (Times-News photo)

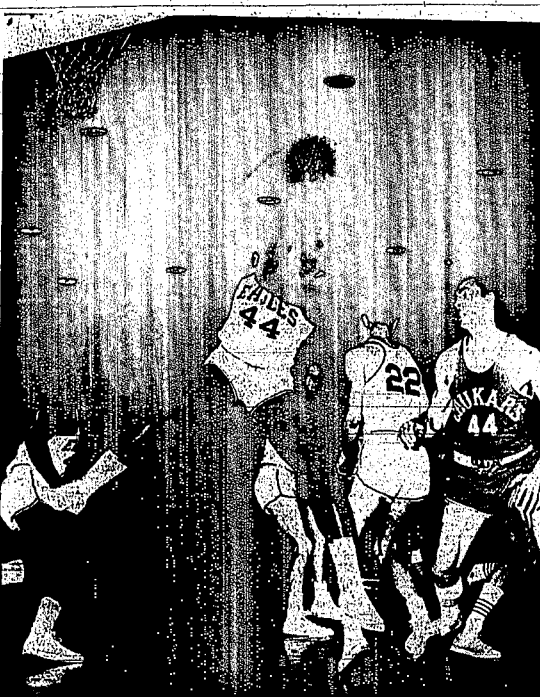

Wrestling Set
The Twin Falls Jayvees will host the Cascade Wolves in a wrestling program at 7 p.m. Thursday at the Twin Falls High School Gymnasium.

Pairings Set For Davis Cup
MELBOURNE, Australia (AP) — West Germany, last year's winner of the European Zone Davis Cup, will meet the Soviet Union in the first round this year.

The draw was announced by the Lawn Tennis Association of Australia Tuesday. Thirty-two countries have entered and are divided into A and B zones.

West Germany and Great Britain are drawn in A zone. First-round matches must be completed by May 7, second round by May 21, and the third round by June 21.

Finals are to be played by July 16.

Griffith's Next Title Defense May Be Against Benvenuti

By MURRAY ROSE
Associated Press Sports Writer
NEW YORK (AP) — A middleweight title fight between champion Emile Griffith and European challenger, appeared to be in the making Tuesday for March 22 at Madison Square Garden.

Griffith, fresh from his second straight decision victory over Joey Archer, said he'd like to fight the Italian and Benvenuti, ailing with the flu, said, "that's what I came over for."

"It's up-to-my managers," said Griffith, who showed up at the Garden unmarked from his 15-round victory over Archer Monday night. "You know, I'll fight anybody. I hear Benvenuti comes after you and that would be a pleasure after chasing Archer for 30 rounds."

Griffith's co-managers, Bill Clancy and Howard Albert, visited the Garden to pick up Griffith's check of \$75,000 and to talk about the next title defense.

"The terms have been pretty good so far, haven't they?" replied Harry Markson, director of boxing for the Garden. Clancy agreed.

"If they get Griffith to sign, I'll sign, too," said the 28-year-old Benvenuti.

The second Griffith-Archer title fight drew 14,838 customers who paid \$127,119. The fight was close, just as their first fight last July 13.

Because of their contrasting styles, the two probably could fight 100 times with the same result — a close fight with most rounds tight and very few dramatic.

"Off that fight, I think I could beat them both," said Benvenuti, beaten only once in an amateur and pro career of 200 fights. "Archer is a good boxer but he can't punch. Griffith could gamble with him."

"With me-it would be different. I can box and I can punch." When told of this, Griffith, smiled and said:

"It would be a pleasure to have some one else do the attacking for a change. It could be an interesting fight."

Carey Hands Gooding State 71-26 Defeat
GOODING — The Carey Panthers put 11 men in the scoring column Tuesday night and whipped past the Gooding State Redskins 71-26.

Carey had things well in hand in the opening quarter, leading 21-0. The Panthers, with 14, and 17, led the victorious Panthers while Swan hit eight for the losers.

Ranger's Wins Overtime Game
Ranger defeated the Cove 40-39 in overtime Tuesday night in the tightest game of the Twin Falls Recreation basketball league.

Tracy Schroeder paced the win with 13 but gave scoring honors to the Cove's Douglas at 15.

O'Donnell's 12 points helped Valley Nursing Home decision Bill Lakes Trip 63-53. Jim McClellan was top gun with 21 for the losers.

The College of Idaho jayvees Feb. 21. The Murtaugh game will have the Eagles playing against the Weber State from Feb. 17.

Support of the Eagles has been very impressive this year. "We have been accepted much better than we deserved," says Coach Sutton. "We fell all along that we'd have to give the fans some fine basketball and a winning tradition over the next year or two before we started attracting 2,000 people." The boys are very appreciative of the reception we've been given this year. It's been great."

Dr. James Taylor, the college president, says "we're off on a real good start toward realizing our ambition of having the best junior college team in the nation."

We hope to keep North Idaho, Treasure Valley, Ripick, and Snow Creek and add one or two more to take in Columbia Basin (Pasco, Wash.) and a couple of Wyoming junior colleges. I understand they play very good junior basketball in Wyoming."

Declo Rallies In Final Minutes To Nip Oakley 66-62

Declo — Four free throws by Chuck Gummerson and Mallory's tip-in in the closing minutes lifted the Declo Hornets past the Oakley Hornets 66-62 Tuesday night in a traditional intra-Cassia county rivalry. Oakley stunned Declo with a zone press in the early minutes of the second quarter and converted Declo's consternation into a 12-point lead. But before halftime Declo rallied back to within two points.

Oakley fought hard to protect that two-point lead and it was until a minute remained in the third quarter that Declo finally thrust ahead.

Oakley battled back in the next few minutes to tie the 60-60. Then Gummerson went to the line for his first two free throws and Mallory got his tip seconds later. Doug Craney pulled Oakley back to within 64-62 before Gummerson closed out the game with two more charity tosses.

FILED — Larry Eller put on another passing show in his Filer pressing defense in the final half Tuesday night and the Kimberly Bulldogs rolled to a surprisingly easy 63-40 victory. Eller, fresh off a big upset of Buhl, slowed the Bulldogs down enough in the first quarter to take a 9-7 edge. But in the second, he got a 10-0 Kimberly started rolling and thrust in front by four at halftime.

The third quarter saw Filer fall to only seven points, production as Kimberly moved in front by 11. The Wildcats then went out after Kimberly, opening up the middle. That's when Eller broke to his feet passing to break the game wide open, Larry Ritz benefiting most. The Bulldogs ended the game with a 26-point quarter.

Looking good for Filer was sophomore Bruce Anderson, who tanked 11 points.

Filer's jayvees took the preliminary 73-35.

Filer 10 10 10 10 10 10 10 10 10 10
Totals 33 17 63 40

Nebeker-Led Devils Tip Castleford
MURTAUGH — Billy Nebeker hit eight points in the opening quarter and kept right on scoring Tuesday night to lead the Murtaugh Wolves past Castleford's Wolves 63-46.

Murtaugh ran up an 11-point margin over the first eight minutes and Castleford never was able to get back into contention.

Nebeker wound up with 22 points while Paul Waggell jumped in with 13. Johns topped Castleford with 15.

Records Are Okayed By World Group
LONDON (AP) — American's Tommie Smith and Ron Clarke of Australia dominate the list of world track and field records officially recognized Tuesday by the International Amateur Athletic Federation.

Sprinter Smith of San Jose, Calif., voted Sportsman of the Year by the London magazine World Sports, appeared in the record list four times.

Clarke was listed seven times for distances ranging from three miles to a one-hour-run.

The list included three other individual records and three team marks set by the United States.

Among these were the 3:51.2 mile by Kansas' Jim Ryan; Bob Swagren's 17-foot, 0.4-inch pole vault and the 17-8.4 pole vault by John Penzel.

The records were officially recognized by the IAAF between Jan. 1 and Dec. 31, 1966. Some since have been listed in the official record books. They will be considered at a later date.

Smith's times of 19.5 seconds for the 200 meters and 220 yards on a straight course went into the official record books. The American set both records at San Jose, Calif., May 7.

His 19.5 of 20 seconds for the 200 meters and 220 yards on a curved track also were recognized. They were set at Sacramento, Calif., June 11.

Clarke's 12:52.4 for the three miles in London July 10, 1965, was recognized and that immediately was taken over by the Australian's 12:50.4 in Stockholm July 7, 1966.

Clarke also jumped into the records with his 13:16.6 for the 3,000 meters in Stockholm July 7, 1966.

This is not an offer of these Securities for sale. The offer is made only by prospectus.

FRED STEVENS, College of Southern Idaho guard, prepares to let fly with a drag shot after beating Treasure Valley's Gary Frank Tuesday night. Also pictured are TV's Moore and Bill Poo. CSI won 87-62. (Times-News photo)

Meridian Clings To Top Ranking In State Poll; Minico Is Rated Eighth

Only one Idaho prep cage team remained where it was last week and it was perfectly alright with the Meridian Warriors, for it was Coach Bob Perkins' club that retained the top rated spot, according to 16 sportswriters and sportscasters in the weekly Associated Press poll. The same number of voters ranked the Warriors ahead of all but the Moscow Bears who picked up four first place votes and moved from third to runner-up slot behind the Treasure Valley leaders. Other first place ballots went to third place Soda Springs (sixth last week) and tied for eighth Bonneville, which was in 14th place seven days ago. The Bees beat Burley and Minico easily but still had to settle for eighth with the Mindoka County quintet.

Mexico Says Olympic Site Will Be Ready

By JERRY LISKA
Associated Sports Writer
CHICAGO (AP)—The chairman of Mexico's Olympic Organization Committee submitted Tuesday what international Olympic Committee Chairman Avery Brundage described as a favorable progress report on the 1968 games. At a crowded news conference Pedro Ramirez Vazquez reported that Mexico City was well under way in preparation for the next Olympics, Oct. 18-27.

Rockland Has 74-49 Victory Over Hansen

ROCKLAND—The Rockland Bulldogs polished off the Hansen Huskies 74-49 Tuesday night to set the stage for a Magic Valley Conference showdown Friday night.

Rockland jumped in front 37-15 at halftime over the Huskies, who scoring improved in the second half but not enough to overtake the Bulldogs.

Rockland trails undefeated Murtaugh by one game in the conference standings and Friday's game should prove pivotal.

BUHL DEFEATS VALLEY 27-18
In Wrestling

BUHL—The Buhl Indians won the last four matches of the night to defeat the Valley Vikings 27-18 in wrestling Tuesday night.

BYU Controls Conference Statistics

DENVER, Colo. (AP)—Brigham Young, riding on the top of the Western Athletic Conference basketball standings, also leads in both offensive and defensive statistics in league games.

Baylor, West Score, But Lakers Lose

NEW YORK (AP)—Eight Baylor and Jerry West of the Los Angeles Lakers scored a total of 225 points in five games.

Bodell Decisions Ray Patterson

WOLVERTHAMPTON, England—Bodell, southpaw challenger for Jimmy Cooper's British heavyweight title, returned to a 10-round decision over Ray Patterson Tuesday night.

Pistons Defeat Bulls 108-95

CHICAGO (AP)—Bostko Dave Bing scored 23 points Tuesday night to lead Detroit to a convincing 108-95 triumph over the Chicago Bulls.

The Vikings of Coeur d'Alene jumped from seventh to sixth on the strength of a win over Wallace, while Mountain Home moved up from eighth to seventh with wins over Gooding and Glens Ferry.

Idaho Falls, losers to Minico, dropped from second to fourth, while Nampa, despite a loss to Capital, remained in fifth position, down from fourth a week ago.

The Vikings of Coeur d'Alene jumped from seventh to sixth on the strength of a win over Wallace, while Mountain Home moved up from eighth to seventh with wins over Gooding and Glens Ferry.

Borah slid from fifth to tenth after losing to Pocatello and just barely edging Capital to round out the first 10 ball clubs.

Meridian, at 12, and Soda Springs, at 13, for second place in the poll. These two clubs were the only ones with better than a century mark in totals.

Meridian, at 12, and Soda Springs, at 13, for second place in the poll. These two clubs were the only ones with better than a century mark in totals.

Bliss Strikes Early, Rolls Past Richfield

BLISS—The Bliss Bears stunned the Richfield Tigers for a 17-point lead in the second quarter and went into basket matching to claim a 65-53 Northside Conference victory Tuesday night.

With four men in double scoring figures, the Bears were the hottest in the opening two quarters. Richfield fell largely out of contention by scoring only six points in the first eight minutes.

Warriors Top Bullets By 146-125 Tally

SAN FRANCISCO (AP)—Rick Barry led scores with 35 points and Nate Thurmond dragged down 28 rebounds and blocked shots as the one-two punch of the San Francisco Warriors buried the Baltimore Bullets 146-125 Tuesday night in a National Basketball Association game.

The Bullets, playing without their leading scorer, Don Ohl, were led by Gus Johnson with 23 points and Kevin Loughery with 22. Ohl was suited up by Coach Gene Shue said he didn't want to risk further injury to his star guard's right knee.

With the Warriors ahead 42-34 early in the second quarter, seldom-used rookie Joe Ellis entered the game and connected on his first five field goal attempts as the Warriors spurred ahead 66-44.

Ellis, from the University of San Francisco, hit eight straight long field goals before missing a shot and finished with 20 points, his pro high.

The Warriors increased their Western Division lead to 10½ games over St. Louis.

Nelson or March 23; Marilyn Emerson vs. Credit Bureau of Jerome on March 30; Standard Time Co. vs. Idaho Electric or Intermountain Quarter Horse Assn. vs. Dean Earl on April 18; Lowell H. Hulbert vs. C. J. Marshall or Wesley Merman vs. Howard Johnson on May 10.

Court convenes at 10 a.m., Judge Theron Ward presiding.

Virgin Islands Have Had Fill Of Subsidies For Farming

By ROBERT BERRELLEZ CHRISTIANSTED, Virgin Islands (AP)—The Virgin Islands have had their fill of subsidies for farming and doesn't want any more of them.

Agriculture is being realigned in this prosperous U.S. territory, but Gov. Ralph Palewosky makes it clear there will be no more government-subsidized agriculture.

The government subsidies, either at the expense of the federal Treasury or the Virgin Islands' own exchequer. Otherwise, the government subsidizes farmers by getting all the cooperation they need.

The sugar industry, one of the oldest in the Western world, has been driven out of the Virgin Islands by low prices and high wages.

Chronic deficits, financed indirectly by local taxpayers for years, strangled an activity that remains the main support for the fragile economies of many small colonies and nations in the Caribbean. For centuries it was the No. 1 cash source here.

The relatively small local operation was centered on St. John's, the largest of the American Virgin Islands and the only one with any agricultural potential.

There is a firm decision yet on the future activity to which the land, most of it in private hands, will be applied.

Some of it is being sold for real estate development. There is talk of raising cattle or food crops to meet the demands of a tourists' shortage of water and of a limited internal market and expensive labor.

The \$1.25 U.S. minimum hourly wage applies here.

St. John is a thin silver of emerald hills and flats, 23 miles long, averaging some five miles in width. Less than a fifth of its 4,000 acres is under cultivation.

The development of agriculture involves formidable limitations as and St. John, are mostly mountains with beaches more profitably exploited as tourist attractions. They are 1,400 miles southeast of New York and 40 miles east of Puerto Rico. Tourism, the chief dollar earner, is big producers. The islands have chronic labor shortages. The too heavily on tourism, is handicapped by a combination that includes light industry, food crop and export farming, to make the islands' economy thoroughly workable.

BERRY'S WORLD

"NO MORE ALLOWANCES! Now's as good a time as any to learn how to spend more than you make."

Speaker Set For Rupert Beet Meeting

RUPERT—Dick Blake, Greeley, Colo., executive secretary of the National Federation of Beet Growers, will be the featured speaker at the annual meeting of the Minidoka County Beet Growers Association set for 7:30 p.m. Friday at the Christian afternoon meeting in Bliss.

Three directors will be elected to fill the expiring terms of Ernie Stitt, Wilbur Butler and Richard Blincoe.

Discussion will include the beet contract for the coming year as well as local problems. A meeting with company officials has been tentatively scheduled for the day following the meeting of the local association.

DOWNTOWN - TWIN FALLS

Jerome 4-H President Is Elected

JEROME — Robert Hutchison was elected president of Shady Rest 4-H Club when it met at the home of leader Mrs. Pat Hutchison.

Robin Hawes was elected vice president, Jeannie Dirk secretary-treasurer, Suzanne Van Lieshout reporter and Wes Hutchison song leader and photographer.

Projects for the new year were discussed and voted upon. A community service activity will be fixing and maintaining the grounds at the Appleton Grange Hall. This will include planting trees, cleaning grounds, repairing the stairs and making window curtains. The present Grange sign was painted by the 4-Hers in 1958. It is also planned to ask the Grange to hold a "slave auction" for the 4-Hers. A gift will be awarded to each boy and girl in the club who has a perfect attendance record. Another gift will be given for the most outstanding performance of club work.

Youth Ranch Social Staff Worker Noted

RUPERT — Mrs. H. E. King, Burley, who holds a Master's degree from the New York School of Social Work, has signed a contract for a year to do social work at the Idaho Youth Ranch, according to an announcement by the director, John McCollum.

Re-elected to three-year terms on the board of directors for the ranch at the recent meeting were Tom Mahan, Jerome, chairman; Lloyd Barron, Fair-Play, Arlo Montgomery, Heyburn; Mrs. G. M. Brown, Nampa; Roy Miller, Pocatello, and Earl Peck, Twin Falls.

Mrs. Helen Dickinson was named to audit the books for 1966. Two benefit pancake feeds have been sponsored in behalf of the ranch during the past week.

Mr. McCollum reported, including one by the Twin Falls Grange, and the Burley Odd Fellows Lodge. I. T. (Pete) Creed met with the board to report on the Twin Falls Grange event. McCollum reported that Twin Falls merchants sent a pickup load of oranges, apples and other food to the ranch for Christmas and new clothing was donated by merchants. Mrs. Boyd Martin, director from Moscow, also brought some clothing from Moscow merchants.

Area 100F Plans Public Card Party

WENDELL — Plans for a public card party were discussed recently at the Wendell Lodge No. 131 100F meeting. The party will be held at 8 p.m. Feb. 4 at the IOOF Hall. M. A. McCollum and Raymond Lancaster were appointed to the planning committee.

Visitors at the meeting included A. V. Carter, Gooding, district deputy grand master, and Robert Bryan, also Gooding. The guests were introduced by Melvin Gibson, noble grand. A communication was read from Royal J. Patterson, formerly of Wendell, now of Dawson Springs, Ky. Mr. Patterson is 87 years of age and transferred his membership to the Wendell lodge in 1911.

Mr. McCollum, who served as chairman of the recent pancake day, reported a successful project. Appointed to a committee to work with the Idaho Rebeckah lodge No. 98 committee were Mr. Lancaster, Mr. McCollum and Glenn Bright.

At the conclusion of the meeting Mr. Gibson, Noble Grand was host for a chill supper.

CONSTRUCTION SITE BOSTON (AP) — Boston University Hospital has announced it will begin construction of an \$8-million building in July to house the department of clinical research.

Friday, January 27 — 1:30 p.m., American Legion Hall — Twin Falls

DICK BLAKE, Secretary of National Beet Growers Federation will be present.

IMPORTANT BUSINESS WILL BE DISCUSSED. PLAN TO BE THERE!

CULTURAL REVOLUTION OR CIVIL WAR?

U.S.S.R. MONGOLIA KOREA PEKING NANKING SHANGHAI FIBET INDIA BHUTAN CHINA FOOCHOW CANTON TAIWAN BURMA THAILAND CAMBODIA SOUTH VIETNAM NORTH VIETNAM HAINAN BAY OF BENGAL

MAO TSE-TUNG LIN BIAO CHIANG CHING- KUO

LIU SHAO-CHI TENG HSIAO-PING TAO CHU

THE "GREAT PROLETARIAN cultural revolution" that has convulsed China for the past year could be developing into civil war. Clashes between youthful Red Guards, mobilized by Mao Tse-tung to "purify" China and bolster his own leadership, and workers have been reported in many cities. Leads of the turmoil appears to be a power struggle within the Red hierarchy. Key figures in one camp are Mao; Lin Biao, armed forces chief and Mao's heir apparent, and Chiang Ching, Mao's wife. The opposition is believed led by President Liu Shao-chi; Teng Hsiao-ping, Communist Party general secretary, and Tao Chu, chief party propagandist. Premier Chou En-lai is now reported throwing his support to Mao.

AIRMAN ATTENDS SCHOOL
JEROME — Airman Appren. Steven E. Klueder, son of Mr. and Mrs. Eugene Klueder, Jerome, is attending Photographic Intelligence School at Lowry Air Force Base, Colo. He attended basic training at San Diego Naval Training Center, Calif.

T. F. High School Students Taste Politics At YMCA Meet

More than 100 Twin Falls High School students got a taste of political procedure at the Southwest District Pre-Legislative Conference held at Boise College over the weekend. The conference is related to the Idaho YMCA Youth and Government program.

Nominations for officers for the Youth Legislature to be held in April were made, including speaker of the House, secretary of the Senate, Senate chaplain and assistant House floor leader. The local delegation nominated Dave McCollum for speaker of the House position, but he was later defeated by Pat Takasaki.

Tom Vissers, of the Twin Falls Hi-Y Club, was conference chair and presided at the session. The delegates were welcomed by Gideon H. Oppenheimer, district chairman, and the welcoming address was given by Justice Henry McDevitt, chairman of the State Youth and Government Committee.

Classes and lectures in parliamentary procedure were conducted by Sen Sam Kuffman. Bill-drafting classes offered material on sources of ideas for bills and procedures for drafting them.

A press conference was held by the candidates for election, enabling the delegates to ask their opinions on any subject of interest.

Local Hi-Y and Y-Teen groups will begin preparation of their bills for the State committee. On April 1, they will have an opportunity to present their bills.

BRIDGE BY JACOBY

TOURNEY BIDDING SKILL PAYS OFF!

Oswald: "Here is a hand which really shows the American team trials players at their best. Looking at all the cards one can see that North and South can wrap up either seven clubs or seven hearts and that it

West North East South
 ♠ A 8 10 8 4 3
 ♥ K Q J 9 4
 ♦ A Q 10 7 6 4 2
 ♣ A Q 8 3

Neither vulnerable
 South opens with one heart. See article for rest of bidding.
 Opening lead—♦ K

BRIDGE BY JACOBY

TOURNEY BIDDING SKILL PAYS OFF!

Oswald: "The next best East-West score went to Kehele and Murray. Kehele overcalled with two spades, which did not keep North and South from getting to seven but Murray showed why he is one of our most successful competitors by going to seven spades and taking the save for a profit of nine IMP's."

Jim: "The other three North-South pairs were allowed to play the hand at a grand slam. Roth and Root gained an extra IMP by getting to seven hearts while Freeman - Feldesman and Kaplan - Kay played in seven clubs."

CARD SENSE

Q—The bidding has been:
 West North East South
 1♦ 1♠ 2♣ 2♠
 3♦ 4♣ 4♠ 4♠
 Pass 7

You, South, hold:
 ♠ A Q 7 6 5 4 3 2 7 6
 ♥ A Q 10 9 8 7 6 5 4 3 2
 ♦ A Q 10 9 8 7 6 5 4 3 2
 ♣ A Q 8 3

What do you do now?
 A—The few have a trifle more than your minimum but not enough to move toward a slam.

TODAY'S QUESTION

Instead of passing, West bids three diamonds over two spades. North and East pass. What do you do now?
 (Answer Next Issue)

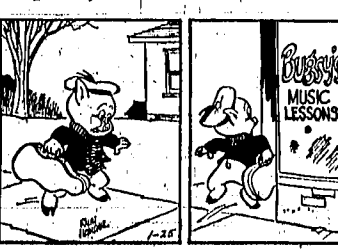

BRIDGE BY JACOBY

TOURNEY BIDDING SKILL PAYS OFF!

Oswald: "There was plenty of bidding stifle from East and West. The toughest series of bids came from Mike Lawrence and Lew Stansby. Lawrence overcalled with four spades. Marshall Miles bid four no-trump with the No hand and Stansby, sitting East, jumped to six spades!"

Jim: "This type of bid is known as a premature sacrifice."

Johnson's Budget Designed To Aid Freedom

By JOSEPH R. COYNE of them an appendix as big as a major metropolitan telephone directory.

WASHINGTON (AP)—President Johnson unveiled Tuesday a record \$135-billion administrative budget—designed to defend freedom abroad and promote dignity at home. It includes the largest request for military outlays—\$72.3 billion—since World War II.

Measured by other standards, budget spending could go as high as \$172.4 billion, but it's the administrative budget on which Congress will work.

The budget for the fiscal year beginning July 1 ranges from increased Vietnam spending to escalation—on a moderate scale—of the anti-poverty program.

Sandwiched between are what the President calls modest increases in other Great Society programs, the beginnings of a space venture aimed at an unmanned landing on the planet Mars in 1973 and possible first production of the Nike-X anti-ballistic missile.

The only major spending cut apparent in the budget comes in space, down \$30 million from the current fiscal year. Book-keeping techniques obscure total spending figures for some other programs.

Officials said spending for the Great Society is scheduled to increase by \$1.9 billion to \$18.3 billion in such fields as education, health, economic opportunity, welfare, regional development, pollution control, labor and community development.

Johnson asks sacrifice in the form of higher taxes and higher postal rates in the 46-page budget book and four other documents he sent to Congress, one

for individual growth and dignity at home.

"Under my budget proposals, we will move forward at a reasonable rate the programs to broaden opportunities for the poor or disadvantaged and continue the already advanced in their effectiveness achieved in the last three years."

In this vein, he suggested spending \$1.9 billion for the war on poverty, up \$200 million from the current year's spending.

Johnson speaks also of science and repeats his request, submitted to Congress earlier this month in his State of the Union message, for a 6 per cent surtax on corporations and most individual taxpayers.

But he requests also a \$700-million increase in postal rates, a speedup in corporate tax collections, new Social Security taxes to take effect next Jan. 1 and on Jan. 1, 1969, and renews his request of prior years for more transportation user taxes.

Measured in cash payments to the public, total federal spending during the next fiscal year will total \$172.4 billion, Johnson estimates. This so-called cash budget also envisions cash receipts of \$168.1 billion or a deficit of \$4.3 billion.

A third measure and one emphasized by Johnson is the national income accounts budget which calls for receipts of \$167.1 billion, spending of \$169.2 billion and a deficit of \$2.1 billion.

Both these measures include spending and receipts from the trust funds, including Social Security, unemployment compensation and highways. The discrepancy in the figures results from different treatment of

loans.

Johnson leaves the door open in his administrative budget to begin work on the super-sonic air-transport and nuclear space rocket.

The budget calls for \$400 million for unforeseen contingencies and the costs of programs on which definite decisions—such as the transport and nuclear rocket—have not yet been made.

About \$375 million would be spent for the first experimental production of Nike-X missiles, a system some experts estimate could cost as much as \$30 billion to \$40 billion if fully deployed.

In addition to the \$135 billion in spending, the administrative budget estimates income at \$126.9 billion for a \$8.1-billion deficit. The revised budget for the current fiscal year lists spending at \$127.7 billion, receipts at \$117 billion and a deficit of \$9.7 billion.

Johnson says he emphasizes the national income budget this year because it is the best measure of the economic impact of government programs.

The administrative budget, Johnson says, is becoming increasingly less complete and less reliable measure of government action.

Johnson says his budget contemplates an easing of inflationary pressures during fiscal 1968, continued economic expansion and a Gross National Product of \$177 billion during calendar 1967, of \$175.5 billion from 1966.

Gross National Product is the value of all goods and services produced in the economy.

A record \$73.2 billion from individual income taxes would be \$10 billion higher than the take-during-the-current-fiscal-year from this source, the budget notes.

The \$72.3 billion requested for military spending represents a \$5.4 billion increase over the estimate for the current fiscal year.

Johnson says that barring unforeseen developments, this should be sufficient to carry military operations through the full fiscal year. He seeks permission from Congress to spend more than \$9 billion additional for defense spending during the current fiscal year, raising total spending to \$68.9 billion.

For the second consecutive year, Johnson requests less money for the space program but says the \$300 million decline results primarily from a reduced need for money in the manned moon-landing program.

Space spending of \$5.3 billion would retain the goal of landing an American on the moon in this decade, Johnson reports, and would begin a new manned space program aimed at exploring the moon and using manned spacecraft for a variety of scientific and engineering experiments.

In other sections of his budget message, Johnson recommends benefits for Vietnam veterans equal to those awarded to World War II and Korean War veterans, creation of a national water commission, home rule for the District of Columbia and a nuclear power and water desalting plant in Southern California.
