Final Edition

The Magic Valley Newspaper Dedicated to Serving and Promoting the Growth of Nine Irrigated Idaho Counties

VOL. 64, NO. 138

TWIN FALLS, IDAHO, FRIDAY, SEPTEMBER 1, 1967

TEN CENTS

DETECTIVES OF THE Twin Falls Police Department look more like automotive warehousemen as they inventory some of the approximately \$2,000 worth of goods recovered through burglary investigations. Detective Chief Tim Qualls left, and Detective Gary Corder, stand through three and other items taken from the Texaco Bulk Plant in a recent break-in. In the past two weeks, detectives have solved six burglaries and two cases of grand larceny in Twin Falls.

## Loot Piling Up As Detectives Clear Up Series Of Burglaries

More than \$2,000 in merchandise, all in automotive supplies, has been recovered by the Twin Falls Police Department as a result of several weeks of investigation. Detective Chief Tim Qualls said the loot, temporarily stored in a white Roman Catholic church, represents the clearing up of two burglaries and one grand larceny case. All was recovered following the arrest of two 18-year-old Twin Falls youths earlier in the week. Most was stored in garages and sheds at their homes.

## Police Engulf Line Of Rights Marchers

By KEN HARTWELL MILWAUKEE, Wis. (AP)—Police engulfed a line of 400 civil rights marchers Thursday night backing a 30-day ban on street demonstrations. At least 125 persons were arrested, including a white Roman Catholic priest, the Rev. James Groppl.

## Chrysler Has Statement On Strike Action

DETROIT (AP)—Chrysler Corp. broke silence today with carefully worded statement in which it would not lock out United Auto Workers' Union members if the union strikes.

## Local Police Officers Urge Motorists To Use Caution

The coming week will be a busy one for law enforcement officers in Twin Falls County. State police and sheriff's officers will be out in full force during the coming Labor Day weekend and are expected to have little opportunity for time off before the opening of the Twin Falls County Fair at Filer which will require more special effort on the part of all local officers.

## China May Test Missile Soon

LEEDS, England (AP)—China may be ready to test her first intercontinental missile capable of carrying a nuclear warhead before the end of this year, a scientific conference was told here today.

# Red Terror Campaign Mourned In Vietnam

By GEORGE MCARTHUR SAIGON (AP)—The Communist terror campaign mounted sharply today. Meanwhile, the U.S. Command reported three more U.S. planes shot down over North Vietnam, raising the total to 22 in the past 11 days.

to emphasize Red strength during the night. The guerrillas were reportedly deploying numerous small units to disrupt traffic on Highway 4, the main road from Saigon south into the delta.

Three villages were hit by marauding units, and the guerrillas were reportedly deploying numerous small units to disrupt traffic on Highway 4, the main road from Saigon south into the delta.

## Court Asked To Act On Repeal Of Inventory Tax

BOISE (AP)—Fourth District Court was asked Thursday to declare unconstitutional a 1957 law repealing the so-called inventory tax in Idaho.

stock, timber products and business inventories were not necessarily distributed geographically in the same manner as sales tax personal property.

Washington (AP)—President Johnson said today there are "clear divisions" within the administration on Vietnam bombing policy.

## Morningside Overload Causes Transfers

The parents of nearly 80 Morningside School students have filed suit with the state to force the school to accept more children to the Harrison School as a result of excessive residential population in the area.

## Magic Valley Forecast

Chance of a few thunder showers tonight and tomorrow. Fair to cloudy. Thursday, not so hot today and Saturday, and 20 to 30 percent tonight. High 90 to 95, low 60 to 65. Forecast for Friday, Saturday and Sunday, mostly fair. Temperatures at 8 a.m.: 63 at Twin Falls, 57 at T. Weather Bureau with 68 per cent at night.

## Synopsis, Farm Summary

A trough of low pressure is deepening off the west coast. In advance of it cooler air is moving into Oregon and Washington. Some of this cooler air is expected to spread into Southwestern Idaho tonight or Saturday accompanied by an increase in cloudiness, scattered thunder showers with locally gusty winds and some relief from the heat. Showers are expected to be quite spotty and should be followed by good drying weather.

## Five-Day Forecast

The upper pressure ridge over the northwest is weakening and moving eastward. A trough of low pressure will be over the Pacific near the coast with a southeasterly flow prevailing over the Northern and mountainous regions during the next five days.

Temperatures Saturday though Wednesday will average four to eight degrees above normal, cooling five to 10 degrees after that with mostly small day to day changes thereafter. Afternoon temperatures will be mostly in the 70s in eastern valleys, Wood River Valley and Camas Overglade and in the upper 80s to 90s in the Magic Valley. Precipitation will be mostly in the 40s and 50s but may drop into the 30s in the eastern and central valleys. Light showers or rain showers and some thunderstorms are likely in the afternoon and evening. This will be a moderately windy period with afternoon winds at 20 to 30 miles per hour in the Snake River valleys.

## 30-Day Outlook

Warm dry weather will persist through September. Atmospheric pressure will be high much of the time over the Northwest and upper Midwest into this area or minimizing the effect of most disturbances from the Pacific.

## Park Shelter Is Dedicated At Shoshone

SHOSHONE—The new park shelter erected by the Rotary club was dedicated by Mayor Victor Bozoz during the program of the night for the city Wednesday.

## Seen Today

E. H. Ragland discussing "What's in a Name" at O'Leary Junior High. Mrs. Barbara Mikesh visiting with Goddard. Don Keith reading music to the Smith wearing white shirt. Jerome Tising visiting with Harold. Mrs. J. W. Foster wearing hat. Lancaster's glasses. Dr. C. F. Wurster playing with boys. Dick Ryle parking automobile. Glen Simpson working with Mrs. Pierce. Mrs. J. W. Foster making arrangements for picture. Jim Brennan and Bob Nelson wearing hats. Mrs. J. W. Foster wearing hat. Mrs. Carolyn Miller working on embroidery.

## ARTICLES FOUND

PARIS (AP)—Workmen excavating for a 300-car underground parking garage below Notre Dame cathedral in the city of the Cite, cradle of Gallia civilization, have found a Celtic bronze sword made to order and condus dating from 300 A.D. Gallo-Roman coins and what is believed to be a phoros circa 250 B.C. and a column cornice of the Merovingian period, 500-750 A.D. Efforts are being made to locate them in the garage structure.

REPRESENTATIVES of the Twin Falls County Committee for the Underprivileged, Inc., meet for an informal discussion after being elected as the committee's delegates to the Idaho County South Central Idaho Community Action Agency. From left are Roger Abernathy, Bob Davis, Edd Bossard and A. W. Morgan. Mr. Bossard is president of the CAA, which is directed by Mr. Morgan. Function of both groups is to help the underprivileged of Magic Valley "to help themselves."

## Shelby To Head Cassia Board

**BURLEY**—Cassia County Fair Board members elected Dale Shelby president and Glenn Park vice president during their meeting last week.

Mr. Shelby has been a member of the Cassia County Fair board for 11 years and Park has been a member for several years.

Ted Kelsey, retiring president, will remain a member of the board. Don Loveland was retained as secretary-manager of the group.

Heading the discussion by the fair board members was building a new 4-H exhibit building. The final decision will depend on a final accounting of the recent fair's finances. As soon as the figures are known, money is available, the board will study types of construction and size of the proposed building.

The election of a new president now, instead of in January as is the custom, will give officers more time to plan for the 1968 fair activities, Mr. Kelsey said.

Other items discussed in the review of the recent fair were the lower exhibit, Western Jam, horse program, opening night, parade date and several other items.

The next meeting of the fair board will be first part of October.

ber at which time a complete financial report will be given. Other members of the fair board are Clarence (Tuff) Matthews, William Beck, Joe Carlson, Dell Holland, Gene Rinebold and Robert Sagers.

## Democrat Leader Is Dead At 97

**WASHINGTON (AP)**—Mrs. Borden (Daisy) Harriman, who led a busy, zealous life from a box seat at the America of my times" and who became a well-loved figure in the Democratic party, is dead at 97.

Mrs. Harriman died in her sleep Thursday night in her Georgetown home, surrounded by the mementos of a crowded life as a socialite, campaign worker, crusader for social rights and pioneer woman diplomat.

"I hope," she once told an interviewer after detailing her life story, "I make it sound electric, for it was."

WASHINGTON (AP) — The Soviet Union, possibly fearing the United States seeks to spy on a major Soviet nuclear test site, has touched off a diplomatic battle by banning passage of U.S. American icebreakers through an Arctic strait.

The Soviet action drew a strong U.S. protest Thursday. But Washington canceled the planned Arctic excursion while claiming the Soviet blockade violated international sea law.

A State Department spokesman said the icebreakers Edisto and East Wind, ostensibly on the first leg of a scientific mission to circle the Arctic, were denied Soviet permission to pass through Vilkiitsky Straits.

The ships originally had not planned to travel through the straits, said State Department press officer Carl Barth, but were forced to seek an alternate route when blocked by massive ice jams. The area involved is within 500 miles of the North Pole.

Barth told newsmen the U.S. Embassy in Moscow notified the Soviets Aug. 24 of the planned change in course. He said the Soviet Foreign Ministry said the ships would be considered a violation of Soviet laws.

Observers noted that one of the islands in the area is Novaya Zemlya, a major Soviet atomic test site.

### Church Aide Has Received High Degree

ALFRED L. PACE III

Alfred Lawrence Pace III, presently serving as the principal of the Gooding LDS Stake Seminary and area coordinator of the Blaine and Gooding Stakes, recently received his master's degree in education from Brigham Young University.

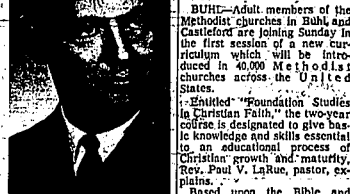

A son of Mr. and Mrs. Alfred L. Pace Jr., Provo, Mr. Pace ministered in Bible and modern scripture. He received his B.S. with a major in accounting and a minor in English from BYU in 1963.

He has been teaching in the LDS seminaries the past four years at Jerome, Rupert and Pocatello.

### New Material To Be Used By Methodists

REV. JAMES B. HUGHES

Adult members of the Methodist churches in Buhl and Castleford are to begin the first session of a new curriculum which will be introduced in 40,000 Methodist churches across the United States.

Entitled "Foundation Studies in Christian Faith," the two-year course is designed to give basic knowledge and skills essential to an educational process of Christian growth and maturity.

Rev. Paul V. LaRue, pastor, explained.

Based upon the Bible and Christian gospel, the course also draws upon the insights from psychology and contemporary thought in analyzing the human situation and communicating the meaning of faith.

Instructors of the course will be Ted Quigley, Castleford, and Mrs. Donald Dietz, Buhl, assisted by Rev. James B. Hughes, pastor of the First Baptist Church in Buhl.

Rev. Hughes and his wife and two sons have moved to Twin Falls from Tacoma, Wash.

### 2 To Attend LDS Meetings At Oakley

OAKLEY—Elder Donald Ellsworth of the LDS Church Welfare Committee and Mrs. Amy M. Castro of the Primary General Board, will represent church headquarters in Salt Lake City at a special conference meetings on the welfare and youth activities of the church Saturday and Sunday in Oakley.

Elder Ellsworth is active in ranching and land development, scouting and school board activities. He is a former stake president and was a member of the church's Priesthood Home Teaching Committee.

The Primary Association is responsible for the weekday religious education of the children of the church and their sisters.

Castro has served as an officer and teacher in most church auxiliary organizations, and was a missionary for two years in the East Indies. She has served as ward primary president and stake primary president.

General sessions will be held at 10 a.m. and 1:30 p.m. Sunday in the stake center, with Wade B. Smith, stake president, conducting. Visitors are welcome to attend.

### T.F. Baptist Church Has New Pastor

Parishoners of the First Baptist Church, Twin Falls, will hear the initial sermon of their new pastor, Rev. James B. Hughes, on Sunday.

Holy Communion will be observed in the First Baptist Church, 910 Shoshone St. E., at 8:30 a.m. and 11 a.m.

Rev. Hughes had completed a pastorate of seven years at the Sixth Avenue Baptist Church, Tacoma, Wash. In that area, he also served churches in Seattle, Richland and Bellingham, Wash., and in Eastern Washington.

He received his B.A. degree from the University of Idaho and a D.D. degree from the Berkeley Baptist Divinity School, Berkeley, Calif. He is an ordained minister of the American Baptist Convention and has just completed a term as president of the American Baptist Convention of the Pacific Northwest.

Rev. and Mrs. Hughes have two sons, John, a student at Stanford University, and Dick, who will attend Twin Falls schools in the ninth grade.

The family resides at 308 Shoshone St. E.

For his first sermon, Rev. Hughes will speak on "The Family: For Its Work." He will attend Twin Falls schools in the ninth grade.

PREPARED FOR HIS FIRST service as the new minister of the Twin Falls Episcopal Church of the Ascension is Rev. John Riley, who came here from San Rafael, Calif. Rev. Riley will present his first service Sunday.

### First Service By Minister Is Scheduled

A 35-year-old former California resident who holds a B.A. degree in history and a theological degree from the Episcopal Seminary in Berkeley, Calif., will present his first service as the new minister of the Twin Falls Episcopal Church of the Ascension Sunday.

Rev. John Riley was recently named as the successor to Rev. William Howell and begins his official duties Sunday.

He graduated from William Jewell College in Missouri and lived in San Rafael, Calif., before coming to Twin Falls about two weeks ago. He and his wife have three children. He previously served as minister of St. Paul's Episcopal Church in San Rafael.

**Colton Charmers:**  
Brenda Martin, Vicki Abo, Becky Hanks, Andrea Smith and Marcy Hayes, all blue; Nina Smith, all red.

**Rumors Are Spreading In Vatican**  
VATICAN CITY (AP) — Rumors spread in the Vatican today that all of the aged cardinals of the Curia—central government of the Roman Catholic Church—would submit their resignations by the end of the year.

The rumors said the Curia's 70-year-old half-brother, Cardinal Ciriaco De Vignati, had offered to quit on Thursday but that Pope Paul VI would not accept his resignation.

This would clear the way for the Jan. 1 start of the Pope's sweeping "reorganization" of the Curia to make more efficient and modern.

The Pope's Curia reform document, issued Aug. 15, did not mention that aged cardinals quit. But the pontiff already has asked diocesan prelates over 75 to submit their resignations and has several times indicated his wish that prelates in the Vatican-based Curia do the same.

The Pope has accepted some resignations and rejected others.

The average age of cardinals running the congregations or main branches of the Curia is 75.

The oldest of all the 116 cardinals is Italian Francesco Cardinal de Sotgiu, 82, of the 13 congregations. He is 95.

### Air Pollution Termed Major Catastrophe

LOS ANGELES (AP) — An air pollution expert says Los Angeles residents, choking and blinking after the worst smog of smog in the city's history, face "a major catastrophe."

To help prevent complete air contamination, he said, car emissions must be greatly reduced and anti-smog laws more rigidly enforced.

Louis Fuller, Los Angeles County air pollution control officer, said residents of the sprawling basin can expect to suffer for at least 10 more years unless stringent action is taken.

Complaints of smogging eyes and lung congestion poured into the county Health Department this week as the smog reached the second highest count of all time. Smog alerts were issued three straight days, ending Thursday after scientists and doctors feared further health problems.

The smog count at nearby Azusa was 24 parts per million parts of air on Monday, 70 Tuesday and 73 Wednesday. The highest count recorded was 90 at Vernon in 1955.

### Gov. Reagan Loses Battle On Tuition

LOS ANGELES (AP) — Gov. Ronald Reagan has lost by a 2-to-1 margin his battle to have the state Board of Regents impose tuition at California's universities.

But he claims victory today.

After a two-day meeting, the California Board of Regents agreed to allow an special committee to determine new student payments at an unspecified date.

Reagan said a number of the regents apparently had been "hung up" over the word "tuition."

By a 147-vote, with two abstentions, the regents rejected Reagan's proposed annual tuition increase of 10 percent for each student. Reagan proposed lowering this to \$200 before the regents agreed on a general "no charge."

The amount of the charge and when it goes into effect were left to the board. It is at subsequent regent meetings.

### Photo Contest Sponsored By Burley Co-Op

BURLEY — A local amateur photo contest is now under way in the Burley area sponsored by the Burley Co-Op Supply. Joe Burley is the contest photographer, will judge all photos entered.

Entries will be judged in three categories: action, family and scenic. A person may enter as many photos as desired in any given classification.

Burley photo fans may enter their favorite photographs until Sept. 2. Judging and awards will be made Sept. 3 at the Burley Co-Op Supply.

Photographs entered may be either black and white or color, however, no slides will be accepted. Professional photographs are eliminated from the contest as well as employees of the Pacific Supply Co-operative or employees of the local sporting firm.

Mr. Rosenthal, judge of the contest, is the celebrated press photographer who has had his world famous shot of the raising of the flag on Iwo Jima during World War II.

Each person entering the photo contest will receive a copy of the winning flag raising photo.

Mr. Rosenthal will print the official plaques to the winners in each classification.

### Sunday Evening Mass Is Set By Catholic Church

The St. Elizabeth's Catholic Church will offer mass at 8 p.m. and at 9 a.m. each Sunday with Father Edward Gr-Falk concelebrating.

Members from Fairfield will have mass at noon each Sunday and the evening mass in Gooding is designed to accommodate persons who work on Sunday of the week. Father Gr-Falk will attend the morning mass.

### Job-Computer Program Is Proposed

WASHINGTON (AP) — A national program to bring jobs and talents together has been proposed by the Republican Party.

The GOP's Coordinating Committee says a national job opportunity survey would collect data on job market conditions, unfulfilled jobs, developing job needs, regional and local job patterns and skills.

This information would be distributed by a national communications system, utilizing computer technology, to vocational counselors, placement personnel, the armed services, labor and business firms.

Many of the unemployed, the report said, lack necessary skills. The first step, it said, is to learn what skills modern industry needs most.

### Athletic Aide Addresses Filer Club

FILER — Al Musser, athletic director at the High School, commented on basketball and wrestling prospects for the coming year, when he spoke to Kiwanis Club members at their Tuesday luncheon meeting in the Methodist Church.

Mr. Musser was introduced by Tom Murren, superintendent of School District No. 413 and program chairman for the day, and in turn, presented Pat Angren, new football coach for the high school. The new coach explained game rules and discussed equipment issued players, noting that every effort is made to protect the boys when playing football. A film, "Know Your Football," was shown.

Rev. Joe Wynn was inducted as new member of the club. Mr. Leonard, president, announced the district convention will be held Sept. 8-10 at Twin Falls.

Guests were Dr. Raymond Herbert, Frank Squires, Buhl, and Mr. and Mrs. Dan Johnson and daughters, California.

### “Just Talked”

WASHINGTON (AP) — "We just talked," said the 20-year-old Oklahoma girl of her conversation with President Johnson. "We didn't make any earth-shaking statements."

The talk between Jane Ann Jayson, who happens to be Miss America, and the President was about the Monday trip she and five state queens from 1967 America centers made to Miss Nam.

### Kits Offered For Testing Of Diabetes

A sample kit which enables anyone to take a test for diabetes at home will be available to everyone in Magic Valley during the Twin Falls County Fair and Rodeo, states Larry Craig and Dr. C. R. McWilliams, head of the Diabetes Detection Drive here.

Called Dreyapak, the kit is distributed by the American Diabetes Association and used for diabetes detection in hundreds of communities. It consists of a chemically-treated strip of paper which comes in a return envelope.

Dr. William Kendall explained that Dreyapak, like any urine test, is only preliminary. People whose urine tests show positive should not think this is conclusive evidence of diabetes unless the results are later confirmed by a blood test.

Dr. Roy Shaub pointed out in a recent speech to the local Jay-C-ettes, that those most susceptible to diabetes are people past 40, particularly women, those who are overweight and those who have diabetes in the family.

Dr. Shaub said, "But diabetes does occur in people of both sexes at all ages, even when they know of no diabetic relatives. So testing for diabetes is a wise precaution for anyone."

## Idaho News

### PAPERS CONSOLIDATE

POCATELLO (AP) — The Intermountain weekly newspaper published by Perry Swisher, will be consolidated Sept. 9 with the weekly Boise Observer. Swisher said Sam Day Jr., Observer editor, will edit the consolidated paper. Swisher and Dwight Jensen, Boise, will be associate editors.

An independent candidate for governor in the 1968 election and a former state legislator, Swisher said he is withdrawing from politics. He plans to attend College of Idaho from next January to May, 1968, to work on a bachelor's degree in government.

### Two Resign

GLENN'S FERRY — Resignations of Mrs. Emma Patterson and Mrs. Julia Clark as Glenns Ferry Library Board members were accepted by the board this week. Mrs. Lucy Delby, librarian, reported that 500 Idaho State Library books have been shelved for six weeks, and that the last loan of 500 had a total circulation of 417. Several new books in the library are being processed.

### STAY-ON JOBS

MIAMI BEACH, Fla. (AP) — Union technicians stayed on the jobs at ABC and NBC radio and television networks early today, working without contracts, while union negotiators studied a 140-page offer from the networks.

### Retires

PHILADELPHIA (AP) — They held Ed and L. Clark's retirement party at the rush hour in suburban Swarthmore's Pennsylvania Railroad station.

That way he got to say goodbye to many of the busy commuters he's served in his years as stationmaster. A group of the commuters arrived at 7 a.m. Thursday to set up tables covered with bright red tablecloths and served coffee and doughnuts. By the time the last commuter train pulled out at 8:26 a.m., he had seen more than 500 well-wishers.

Women's Section

Dear Abby

**DEAR ABBY:** My EUREN sends our children big gifts every year for their birthdays, and she also sends my brothers and me a birthday card with \$20 enclosed, but she NEVER sends our wives anything. This makes them feel hurt, and starts fights in our homes.

It's not that mother doesn't know when her daughters-in-law's birthdays are because we know she does.

What can we do to keep peace in the family?

DEAR BROTHERS FOUR

DEAR BROTHERS: You could tell your mother that your wives are "hurt" at being overlooked on their birthdays, which would probably produce some forced and therefore insincere gifts.

For your mother to slight your wives deliberately is small. But it does not justify "fighting" in your home. A wise and considerate wife would not hold her husband responsible for what his mother does, or does not do.

DEAR ABBY: I know this letter has a very slim chance of getting in the paper, but with your answer it will surely help other teen-agers with similar problems.

My aunt (I'll call her Peggy) brings her two children (ages 4 and 6) to our house every Tuesday.

MR. AND MRS. GEORGE L. SHAFER (Latter photo)

Miss Converse Is Married To George Shaffer

SUN VALLEY—Diana Diane Converse, daughter of Mr. and Mrs. Charles W. Converse, became the bride of George L. Shaffer, Sun Valley son of Mr. and Mrs. George A. Shaffer, a chaplain, at a candle-light ceremony performed July 29 in the Mountain View United Church of Christ.

Rev. James W. Montgomery officiated at the double ring ceremony.

The bride, given in marriage by her father, wore an A-line silhouette gown of white linen with a full, white tulle train, from which a chapel train fell.

The bateau neckline of the bodice, the three-quarter-length sleeves and the train were trimmed with white Venise lace.

A Dior headband secured her silk illusion veil. She carried a crescent bouquet of yellow and white daisies.

Mrs. Gary Converse, Portland, attended as the sister-in-law as matron of honor.

Lorraine Carr, a former roommate of the bride at Eastern Washington State College, and Jeanie Bare, Sun Valley and Spokane, were bridesmaids.

Kimberly Ann Converse, a niece of the bride, was flower girl.

Gary Converse, brother of the bride, was best man, with Thomas Seavey, Sun Valley, as best man, and Brooks Ragan as ring-bearer.

The church sanctuary was decorated with mint green gladioli and white, yellow-centered daisies. White taper candles in candelabra of yellow daisies set in mint green.

As the bride left the church her bouquet was caught by Jerri Ann Baß, Spokane.

After the ceremony, a reception was held at the Converse home.

The bride's table was centered with a four-tiered wedding cake topped with a miniature bride and bridegroom. Wedding bells, rings and summer flowers were used as decorations.

Assisting with serving were Sue Furness and Nancy Fiegel, who cut the cake; Clarice Carr, who poured punch; and Jeanie Kloppeburg, who poured coffee. Jan Walker presided at the guest book.

After spending their honeymoon at Shore Lodge, the couple

Area Newlyweds Are Honored At Reception

BOISE—A garden reception at the home of Mr. and Mrs. Arnold Good honored the 17 newlyweds of the Boise area. His parents are Mr. and Mrs. Melvin Switzer Jr., Kimberly, immediately following their wedding Aug. 18 in St. Mary's Church, Boise.

The couple has gone to San Francisco on a honeymoon and will return to Kimberly to reside. She will be teaching first grade in Twin Falls, while he operates a farm outside of Kimberly.

The ceremony was performed by Msgr. J. L. Creagan. The bride's sister, Mary Helen Good, was maid of honor and Michael Shock, Lewiston, and Mrs. Gaylon Smith, Idaho Falls, were her other attendants.

John Switzer, Albuquerque, N. M., brother of the bridegroom, was best man with Mary Smith and Joe Good, both Boise, as ushers.

Among the guests were the bridegroom's uncle, sister and families, the John Switzers of Albuquerque and the Kenneth Marchos of Santa-Suzanna, Calif.

The newlyweds were graduated last June from the University of Idaho. The bride was affiliated with Pi Beta Phi and the bridegroom with Beta Theta Pi.

MRS. MELVIN SWITZER JR.

Hansen Women's Club Officers Are Elected

HANSEN—Mrs. Ray McKinster was elected president at the Rock Creek Worthwhile Club meeting at the Kimberly Park after the annual potluck dinner.

Mrs. Burton Hill is vice president; Mrs. Raymond Johnson, secretary; Mrs. Vernon Ball, assistant secretary and reporter; Mrs. L. P. Larsen, treasurer, and Mrs. Elsie Henry, assistant treasurer.

Since this was the last meeting for this year, the outline for the club yearbook was given and approved by the members.

The committee chairman were announced, with Mrs. Capitolia Larsen on cards; Mrs. Wayne Smith, flowers; Mrs. Berdine Brown, gifts; and Mrs. Nial Bradshaw and Mrs. Melvin Tolley, welfare.

There were several guests present. Mrs. Bert Brown was program chairman, and game prizes were won by Miss Gladys Stricker, Mrs. Monte Jenkins, Mrs. Ball and Mrs. L. P. Larsen.

The Sept. 13 meeting is at the home of Mrs. Capitolia Larsen.

Route 3, Twin Falls

Brown Pudding  
Combine 1 1/2 cups pan-  
1 cup brown sugar  
2 cups water  
Small lump of butter  
Bring these ingredients to a boil and set aside.  
Combine—  
1 tablespoon butter  
1/2 cup sugar  
cup raisins  
1/2 cup flour  
1/2 cup nuts  
1 teaspoon cinnamon  
1/2 teaspoon nutmeg  
2 teaspoons baking powder  
Drop by spoonfuls into the boiling syrup and bake in a quick oven.

Goodwill Club Members Meet

Mrs. Virgil Malone led the first meeting of the Goodwill Club at the home of Mrs. Otto Scherbiak.

Group singing was led by Mrs. Ronald Scherbiak and Mrs. Claude Severd gave the thought for the day. A special gift was presented to Mrs. Harry Esslinger, Buhl, daughter of Mrs. J. H. Carr. Mrs. Henry Wambolt brought an anniversary gift from her secret pal.

A recipe exchange was held. Mrs. Scherbiak played several selections on the chord organ and Mrs. Emery Trear conducted the program of games. Prizes were won by Mrs. Walker Carr, Mrs. Ted Soper, Mrs. Holmgren, Mrs. Claude Severd, Mrs. Wambolt, Mrs. Ed Orndorf, Mrs. William Owens and Mrs. Robert Engleman.

Patricia Armiga was a guest. The next regular meeting is set for Sept. 13 with Mrs. Owens as hostess.

Home Decorating Classes Planned

HAILEY—The second series of home decorating classes, under the co-operative extension service of the University of Idaho, will be given here as evening classes Nov. 14, 16 and 20.

Mrs. Mary Lou Ruby, extension home-economics agent, explains that only 20 out of the four classes will be able to take the class and that each home-maker must have attended all three classes of Home Decorating Series No. 1. A registration fee will be charged.

The class will be taught by Wilma Shryack, home furnishing specialist.

DOWNTOWN TWIN FALLS

LOOKING OVER premium book for the Twin Falls County Fair and Rodeo are, from left, Tom Shouse, Filer, secretary-manager of the fair board; Emil Jerome, Kuna, state grange master; and Cecil Calhoun, Buhl, fair board member. The fair board recently honored the grange at a banquet for their outstanding work and participation at the fair.

## T.F. County Fair, Rodeo To Be Outstanding

Idaho's most outstanding and best county fair and rodeo will be held next week at Filer, the Twin Falls County Fair and Rodeo.

This was the view expressed by fair board members during a recent banquet, sponsored by the fair board, honoring area news media and county grange members.

This banquet is given each year prior to the fair and rodeo for a group who have contributed to the fair to make it one of the most outstanding, and to the news media for helping in promoting it.

Among grange masters and wives honored were Mr. and Mrs. Nelson Ripa, Castletford Grange; Mr. and Mrs. Ted

Glassinger, overseer, Filer Grange; Mr. and Mrs. T. W. Richmond, Fairview Grange; Mr. and Mrs. Frank Sedivo, Lucerne Grange; Mr. and Mrs. Jess Howerton, Deep Creek Grange; Mr. and Mrs. Ralph Breeding, Murrain Grange; Mr. and Mrs. Burton Harmon, Kimberly Grange; and Mr. and Mrs. Dave Chadwick, Hollister Grange.

Mr. and Mrs. Tom Speedy, Twin Falls Grange; Mr. and Mrs. Don Dietz, Buhl Grange; Lala Ertar, overseer, and Mr. and Mrs. Raymond O'Dell, Mountain Rock Grange; Mr. and Mrs. Richard Morgan, Cedar Grove Grange; Mr. and Mrs. Harry Sharp, Knull Grange; Mr. and Mrs. Ed Ho-

## Fair Entries Deadline Is Announced

BUHL — Cecil Hendrix, agriculture chairman, asked members of the Cedar Draw Grange to have all fair entries at the fair booth by Monday when the Grange met last week.

Mr. Hendrix also announced that judging would be held Tuesday and asked help to carry the produce to the judges.

Mrs. Carl Hendrix, home economics chairman, announced the winners in the recent Pomona contest held Aug. 15 at the home of Mrs. Don Dietz, Mrs. Herb Cobb won first place for her potholders and third place for a crocheted afghan. Mrs. W. R. Ward was awarded first place for her crocheted edgings, second place on a crocheted tablecloth and dolly and first place on Idaho fruit bread. Mrs. Bill Zink placed second for a child's play outfit.

Master Richard Morgan reported on the fair board banquet he attended recently at the Rogers Round-Up Room in Twin Falls. All grange masters and their wives were present. Special guests were state grange master Emil Jerome and Mrs. Jerome.

Master Morgan presented a 25-year pin to Mrs. Emmett Bauer, Mr. Bauer was reported ill and his pin was sent to him. Kelly Burnett was also reported ill.

Mrs. Ted Hicks, lecturer, and Mrs. Carl Hendrix read articles. Watermelon was served to the group by the home economics committee.

Officers will be elected Sept. 15 and hostesses for the evening will be Mr. and Mrs. Ralph Anderson and Mr. and Mrs. Emmett Bauer.

EXAMINING NEW HORSE BARN for two 4-H horse clubs are three members of the Twin Falls County Fair Board. They are from left, Ben Mottern, Tom Shouse, secretary-manager, and Harold Howe, president. The streamers hanging from the ceiling of the barn were installed by members of the Saddle Tramps 4-H Club, headed by Mrs. Jackie Anderson. The club also decorated the stalls.

## 4-H'ers Are Busy Preparing Projects For Exhibiting At T.F. County Fair

About 700 4-H'ers throughout Twin Falls County are currently putting their projects ready for the Twin Falls County Fair and Rodeo.

More than 1,500 projects are scheduled to be exhibited during the four-day annual event which is a climax to a summer's work for the youngsters in 4-H clubs.

Olav Genn, extension agricultural agent, says these projects range from aprons to wool coats and evening dresses in clothing division; cooking to bread and fancy cakes in food division; beef, horses, dairy, swine, sheep, poultry and rabbits, in the animal division; and bobbinets, woodworking and welding, forestry, weeds, etc., in the home economics and miscellaneous divisions.

The most activity at the fairs where 4-H'ers, leaders and parents are preparing their stalls for their animals.

Great details of work is being done — painting, washing, crepe-paring and general decorating. Competition is great among the clubs in the animal barns because awards are given to best decorated and best cleaned areas, etc.

In the animal division there will be 124 beef projects, 89

horse, 67 sheep, 24 swine, some poultry and six rabbit.

The other 4-H projects will be exhibited in the Tom Park Pavilion, named in honor of the late Tom Park, who was secretary-manager of the fair for many years and who helped make the annual event grow bigger and bigger.

A total of \$1,800 will be paid to 4-H'ers who are top winners of each division. Fair week will be one hectic week for area 4-H'ers as well as for the judges.

HOLDING THE JOAQUIN Sanchez Memorial Award, which will be given to the cowboy who has been the top cowboy three times at the Twin Falls County Fair and Rodeo, is Harold Howe, right, president of the Twin Falls County Fair Board. Ben Mottern, left, board member, holds a replica award which will be awarded to the top cowboy this year at the rodeo. The cowboy who wins three of these replica awards will win the large memorial award.

## New Carnival Planned For T.F. County Fair

FILER — An all-new carnival, the first in 23 years, is planned for Twin Falls County residents this year during the Twin Falls County Fair and Rodeo next week.

Presenting this all-new carnival, complete with new rides and games for all, is West Coast Shows, San Francisco, the largest carnival company in the United States.

In the past 23 years Slebring Brothers have presented the carnival fun at the Twin Falls County Fair, but as times are changing, the fair grounds need for change is evident. So this year fair board officials decided to have a different and larger carnival.

According to Darlene Wimer, public relations aide for West Coast Shows, there will be 25 thrill rides for people of all ages and 25 fun games.

Miss Wimer said, "Many of these rides are new to this area and one outstanding part of the carnival is the top soldier kiddy land featuring 10 rides for the 'small set'."

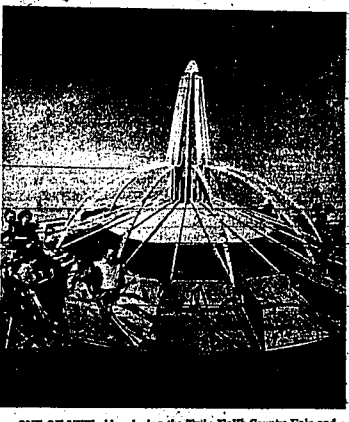

"Some of the thrill-rides include twin ferris wheels, scary scooter cars, thrilling trabant, gigantic giant roller coaster, terrific lip top and speedy scrambler."

"One of the newest rides is the trabant. This ride twists turns and rocks. Another is the lip top which operates on compressed air. This top like ride bounces up and down with spinning, around at a very fast speed."

She added that there also will be the standard rides such as the merry-go-round and ferris wheels.

In addition to these rides there will be two spectacular "surprise" rides," Miss Wimer said. "These are new rides cost about \$150,000 each and are brand new to the amusement world."

She said these surprise rides usually are for large fairs and usually only one per fair. However, she added, because of the Twin Falls fair is a go w i n g. "Two surprise rides will be here."

ONE OF NEW rides during the Twin Falls County Fair and Rodeo for area residents is the trabant. This ride, part of 25 carnival rides by West Coast Shows, twists, turns and rocks, giving residents a thrilling ride. This is one of several new rides featured by West Coast Shows.

**WASHINGTON** — Turkeys raised in 1967 are expected to total a record 125.6 million birds, eight per cent more than last year, says the USDA Crop and Livestock Reporting Board.

An increase in production of turkeys is expected in all regions except the North Atlantic and East North Central regions.

 543-4338 — BUHL  
 FEEDS, GRASSES, SEEDS, GRASSES

ERVINO AND LOIS DEWEY stand in front of the Dewey house in Marsh Valley Canyon where the Dewey Ranch is located. Over 20,000 acres are controlled by the ranch which has been in the Dewey family for over 62 years. The sale of the ranch to L. S. Skaggs is expected to be completed this weekend.

## Dewey Ranch, Declo Landmark, Being Sold

DECLO — Five miles east of 78 drug centers bearing his Dewey sits the Dewey Ranch. It is comprised of over 20,000 acres of land and enough side leased and BLM land is controlled to run that figure as high as 20,000 acres. But the Dewey Ranch, which has been in that family since 1864, will not be the Dewey Ranch much longer.

### Freeman Gives Unit New Rating

WASHINGTON (AP) — Secretary Orville L. Freeman has told the Agriculture Department to be more aggressive in efforts to promote competitive markets where the farmer can meet the buyer on equal terms. To help his department do this, the secretary has raised the status of a unit charged with enforcement of the packers and stockyards act. Formerly a branch of the department's Consumer and Marketing Service, the unit recently was given the rating of a separate administration.

The role of this unit was emphasized in a statement Freeman issued Sunday sharply criticizing the nation's poultry broiler industry. He said a study indicated many broiler growers have little chance to bargain with processors.

Arrangements for the sale have been made by Earl Barnes of Twin Falls, and Ed Bailey of Burley, both realtors specializing in farm and ranch property.

The property is being sold for more than three-quarters of a million dollars. Additional proceeds are expected to raise the figure to over a million dollars. There are written records in Cassia County dating back to 1869 on the land. The Dewey family, who came from Iowa, raised and built the ranch to its present size, were preceded in ownership of the original land by Mr. E. C. Wier, present living on the property currently until final arrangements are completed are Ervino Dewey and his wife, Lois. The Deweys intend on living in Burley after the sale, which is where Ervino's father, E. Lee, presently resides.

E. Lee Dewey is now nearly 82 years old. He is the only surviving son of Ervino's grandfather who settled here in 1864. Ervino was born on the ranch in 1913, and has two sisters, Mrs. Lowell H. Butler (Mattie), and Mrs. Stanley Higgins (Frances). Mattie Butler lives in Eugene, Ore., and Frances resides in Burley.

Ervin Dewey is now nearly 82 years old. He is the only surviving son of Ervino's grandfather who settled here in 1864. Ervino was born on the ranch in 1913, and has two sisters, Mrs. Lowell H. Butler (Mattie), and Mrs. Stanley Higgins (Frances). Mattie Butler lives in Eugene, Ore., and Frances resides in Burley.

### Golden Spike Livestock Show Is Set

OGDEN — Plans for the 49th annual Golden Spike National Livestock Show are being made. The show will be held Nov. 10-19 in Ogden and will feature 10 divisions.

There also will be five sales, the Fat Stock Sale, 7:30 p.m. Nov. 11; All Breed Bred Ewe Sale, 5 p.m. Nov. 13; Registered Hereford Sale, 12:30 p.m. Nov. 14; Registered Sale, 7 p.m. Nov. 14; and the Golden Spike Quarter Horse Yearling Futurity Sale, 7:30 p.m. Nov. 16.

Divisions this year at the livestock show will include beef cattle, sheep, swine, college judging, Apollonia horses, Quarter horses, rabbit and poultry, and a special junior division, featuring cattle, sheep and swine judging.

The Rocky Mountain Rodeo Association will have its annual championship rodeo during the livestock show.

The world championship milking and rodeo will be held Nov. 10 and 11 in conjunction with the livestock show.

### Boy, 10, Wins Tractor Event At Shoshone

SHOSHONE — The art and efficiency of driving a tractor was exhibited at the Lincoln County fair with both youths and adults participating. Youngest entrant was 10-year-old Cayton Edwards, son of Mr. and Mrs. Sid Edwards Jr., Dietrich.

Not only was he the youngest, but he came out with the best score and at a three-minute, eight-second time rate. His only infraction was giving no signal. The participants were judged on the way they handled the machine as well as whether or not they stayed within all stakes set up for the route.

rection changes gave a discount: jumping, racing the tractor and careless driving all gave discounts, to their point rating.

Participants were to give a starting signal to the timekeeper, then proceed through a set pattern. Manipulating a tractor and manure spreader backwards through stakes and then forward zig-zagging through the course while staying within a measured space. Points were given for infractions. The lower the points and time, the better the score.

## Use the Acre Maker

**VELSICOL Banvel D**  
HERBICIDE

Banvel D controls deep-rooted perennial weeds that disappears rapidly from soil

Your weed land can be made valuable, so don't sterilize it with harsh weed killers that remain in soil, sometimes for many years. Banvel D treats soil, kills deep rooted perennial and annual weeds, and does it well, without making cropland useless for 2 or 3 seasons. You save your land! Banvel D controls the toughest of weeds, such as Canada thistle, Leafy Spurge, Russian Knapweed, Morning Glory (field bindweed) and many others. It controls annuals too. In fact, Banvel D weed killer is doing such a consistently good job of restoring worthless, weedy land, that it's widely known as The Acre Maker.

Banvel D is a liquid that can't clog spray nozzles, is non-irritating to skin, kills weeds other weed killers such as 2,4-D mix. It's been proven on thousands of acres in this area.

## Along Fences And Canals

Mr. and Mrs. Jim Kast moved to Boise over the weekend and will attend Boise College for the coming year. Jim was helping his brother, Michael Kast, with farm work the past summer at the Stout Ranch east of King Hill.

Wesley Fink is at the peak of harvesting his watermelon and cantaloupe crop at his ranch south of King Hill. Mr. Fink has several employees working in the packing sheds, sorting melons and cans for shipment by truck to stores in Magic Valley.

Harvesting of the second crop of alfalfa hay in the Almo area of Cassia county is nearing completion. Some grain also is being cut.

Custom grain combining is being done in parts of Richfield by Fred Hainline, Bills.

Ervin Braun lost the ring (finger of his left hand as result of an accident at his farm north of Shoshone. He was unloading a truck load of grain—caught his foot on a chain and fell. His hand was cut by the auger in the grain and the finger had to be amputated at the Gooding-Memorial hospital where he was hospitalized two days.

Grain harvesting is well under way in the Declo area, with Charles Gunnerson, Don Whipple and Elmer Macklo doing custom combining.

Clarence Phillips and Bob Stevens, Declo farmers, are still cleaning up following the freak windstorm that hit their ranches last week doing much damage. It demolished two sheds, tore out a large tree and a registered Holstein cow belonging to Phillips had to be destroyed after a 2-by-4 board pierced her body.

Mr. and Mrs. Don Nussler have moved into the Schwagerl home in Declo, formerly occupied by Mr. and Mrs. Joe Harman, who have moved to Mountain Home.

Lester Jilboon, Declo farmer, has cut and raked his pine beans. He was the first in the Declo area to do so.

The Elba ranchers have finished stacking meadow hay and are now cutting and baling second crop alfalfa and combining grain.

Members of the Elba Cattlemen's Association rode the forest ranges last week gathering the cattle from the higher pastures and bringing them to the lower pastures, in the hills west of Elba.

A farm bridge collapsed under a truck load of grain Thursday at the E. D. Adkins Marley ranch near Richfield. Lester Molt, ranch lessee, was driving the truck and was unhurt. Considerable grain spilled into the ditch from which most of the water had been diverted for the hauling. The Sloger towing service, Twin Falls, hoisted the truck out.

all-cotton sewing contest, and Mrs. Henry Dahlquist, also Cedar Draw Grange, second place in the children's clothes-eve contest. Looking on is Mrs. Carl Hendrix, right, Cedar Draw Grange home economics.

## Ergot, Fungus Disease, Infects Some Wheat Fields

**BURLEY**—Ergot, a fungus grain is concerned, Mr. Boddy said. It could be greater and of economic importance; but, Ersson, Glenn L. Boddy, Cassia County Extension Agent, notes.

It has made its appearance mainly in the Lemhi variety, although it could be found in any variety of wheat or barley. As seen in the field at its most noticeable time, it appears in the head, replacing the grain kernel as a black hard horn-like substance several times the size of the normal grain kernel.

The disease is quite common on some native grasses, he said. It has been observed particularly on Cheat or Bronco Grass in the Cassia area for years. The spring and early summer were wet and cool and as a result the wheat reached the right stage of growth at the time the Ergot was producing spores.

The extent of the Ergot may not be more than 1 to 1 1/2 percent and may not represent great loss as far as the yield of grain is concerned, Mr. Boddy said. It could be greater and of economic importance; but, Ersson, Glenn L. Boddy, Cassia County Extension Agent, notes.

It has made its appearance mainly in the Lemhi variety, although it could be found in any variety of wheat or barley. ## T. F. County Fair And Rodeo To Be Outstanding

(Continued From Page 8)

Each year, starting next week, a replica of the large memorial award plus \$100 in cash will be awarded to the all-around cowboy at the rodeo. The Sanchee fund which will be awarded with the large memorial award.

The cowboy who wins three of these replica awards will receive the large memorial award along with the money that has accumulated in the Sanchee fund.

Also at the rodeo will be the Miss Rodeo Idaho contest. This year 16 rodeo queens from throughout the state are competing.

All in all an excellent fair and rodeo is promised to Twin Falls County residents as well as Magic Valley residents.

## Labor Day Feeder Cattle Sale Set

**ENTERPRISE, Ore.**—The 4th annual Labor Day Feeder Cattle Sale, sponsored by the Wallon County Stockgrowers Association, will be held at 1 p.m. Monday at the Enterprise Livestock Auction yard.

Special facilities have been provided to handle the cattle sold and plenty of railroad cars in addition to trucks will be available for immediate shipment.

This problem has appeared in our area to a limited extent, he said. It has been reported to be more widespread in the upper Snake River area of Eastern Idaho.

FOR FAST SELLING RESULTS USE TIMES-NEWS WANT ADS

California workers studied the effect of shade and breeze on cattle gains and found gains 1.63 pounds without shade or breeze, but 2.18 pounds with shade and fan, with the latter able discomfort, says USDA of cattle requiring 130 pounds less feed for every 100 pounds gain.

**Friday, September 1**  
**BEST BETS FOR MOVIES**  
 7 p.m. 2B, 3, 11, 8 p.m. — "The Rat Race" (1966) Debbie Reynolds presents one of her better performances in this story about a jazz musician from the sticks and a local dancer who decides to go to New York. The film attempts to encompass a lot of the seamy side of life in New York but ends up with a happily-ever-after ending that manages to eliminate any previous reality. Tony Curtis, Jack O'Connell, and Medford Cramer.

**SPORTS SPECTACULARS**  
 4:30 p.m. 3, 4, 11—Amateur Championships—Action at the three finishing holes of the 67th U. S. Amateur is telecast from the Broadmoor Golf Club in Colorado Springs. The entrants are survivors of nationwide qualifying tournaments. The last five amateurs to also qualify in 1967 were: Tom Weir, who won the tournament; Fred McLeod, who finished second; and three other amateurs who were runner-up in previous years. The 1967 tournament was won by a rising young amateur named Jack Nicklaus.  
 7 p.m. 25L, 8—"Ironside" (1967). Sample this made-for-television pilot movie to see if you want to stick with Raymond Burr's new series, set to debut Sept. 11. Burr plays a kind of detective who is crippled by a sniper's bullet and becomes a special officer for the San Francisco police. His first job: find the guy who fired that sniper's bullet.

## Reduction Of Some Acreage Is Forecast

By OVID A. MARTIN  
 Staff Writer  
 The Agriculture Department's 1968 feed grain stabilization program will require a reduction of 8 million to 10 million acres in planting of corn, sorghum and milo barley.  
 Influencing factors are a record production of corn and sorghum grain, declining grain prices and prospects that reserves will be enlarged. Smaller crops next year are considered in the light of interests of farmers and the nation.  
 Present plans call for farmers to hold around 30 million acres of feed grain land in reserve compared with 21.5 million in 1965 and 1966.  
 The department already has reduced the 1968 wheat program, jettisoning an allotment of 59.3 million acres compared with 68.2 million this year.  
 Lawrence Welk's department will seek the views of farmers, feeders, feed manufacturers and others interested in the program at a series of meetings in producing areas.  
 The program, like its predecessors, will offer price support payments in addition to price support loans.  
 The chances are the 1968 program will be announced in November because of its possible impact on the planting situation this year's weakened grain prices.

**GRAPES TROUBLED BY BEES:** Home gardeners who grow low-grape vines are known to keep bees. Wasps and hornets out of the fruit. Actually, these pests do not start the damage. First, they pierce the open and the sweetness attracts the bees and hornets.  
**Control:** First, keep the birds off by using a nylon antbird netting (if you send me a postal order with your name and address, I'll tell you where this can be obtained). You can also go to the trouble of putting a paper sack around each cluster to keep out the birds and the bees.  
 There is no chemical control for this problem. Some commercial growers use a plastic Cooper's Hawk, made of polyethylene in a gray color. The hawk is kept in natural motion by air currents, weighs 1/25 pounds and is 10 inches long.  
**The hawk** needs no batteries or power, and is easily suspended throughout an entire growing season. Birds get wise, though. A single hawk used every 6,000 square feet can help rid grapes, berries or sweet corn patch of worms.  
**Caution:** All effective bird repellents in the past have evened out. Birds get wise, though. "LUPINES OR 'BLUE-BONNET': Lupine or Lupin is a hardy, bushy plant, 1 to 2 feet tall. Right now your plants have dried seed pods on them. They can be started in a glass jar for next spring's sowing. If you want to start new plants, they can be started in late spring. Avoid mowing lupines as they have a fleshy taproot and resist pulling.  
 If plants have a ragged look on them, cut them back to healthy-looking stems. The ragged plants with cankers, Russell Hybrid have long spikes of superb beauty, coming in blue, white, purple, rose and various combinations. They are hardy and grow three to five feet high. All lupines like a deep, well-drained soil. They do well in partial shade or full sun. Grow them on the moist side until the native types will grow well on dry hillsides. In hot, dry areas, lupines might well be mulched with evergreens boughs.  
**Trouble:** Aphids, spray with malathion, or use a spray with Karathane and rot, keep center of plant and base dusted with sulfur. Avoid heavy clay soils.  
**AFRICAN VIOLETS:** Ever notice a violet with a water-soaked, glassy-looking leaf or stem? These stems quickly collapse, leaving the still-green leaf blades hanging.  
 Leaf-stem rot disease is associated with poor drainage, soils lacking in sand, humus or vermiculite, or overwatering. Send me a self-addressed stamped envelope for my illustrated booklet, "How to Live with Your Own Home." It's full of money-saving tricks you can do yourself. How to Live with Your Own Home, stamped envelope, please!  
**QUESTION OF THE WEEK:** E. W. Twin Falls: "Please tell me what should be done with my phlox. Should the flowers be cut or left on the stems to prevent seedlings from self-sown seeds? Self-seeded plants revert to a much less robust. Eventually they'd take over the parent plants. Control, now a good time to divide your phlox and give some plants to your neighbors. Loosen up the soil and plant the roots in about an inch below the ground surface."  
 Phlox had been hit heavy by mildew these years. Once the leaves get the "whitish" spots, it's gone from them. It's difficult to eradicate it, try dusting with sulfur or using Karathane. Early next summer plan on cutting the foliage before the disease sets in. It's unusual to see a patch of phlox which does not have some mildew on the leaves. Phlox thrives best in full sun. They will do quite well in shade. Tom Thresh favors the mildew.  
 D. E. of Jerome: "While riding one I heard a garden snail. I'm sure it was a garden snail. I'm sure it was a garden snail. I'm sure it was a garden snail."  
**CONTROL:** Scatter some small bait (found in garden centers) on the leaves of your plant. The bait (containing metaldehyde) attracts the pests and kills them before they can lay their eggs.  
**PICK PEARS—AT RIGHT TIME:** Ever wonder why the pears you pick from your own trees turn mushy or discolored inside? This is caused by wrong time for picking. Pick the fruit about a week or ten days before it normally ripens on the tree. Keep in a cool place until you're ready to eat it. Pears ripened in your cellar taste and smell better than fruit picked on the tree.  
**ROSE OF SHARON:** Many ask me how to grow the Rose of Sharon (hibiscus variety) sets a lot of buds and perhaps too many for the plant. Some naturally shed. The reason can develop. It's not a disease or a question of sex, as many suspect.  
 Often quite parts of the rose of Sharon will have its branches killed back by winter. Cut out the dead wood. If you want to do any pruning at all, better wait until spring, because blossoms are produced on wood of the current season. If you wait until summer or fall, you remove the buds. Most gardeners prefer to let their buds go unpruned and they get plenty of blossoms.  
**FREE:** Want a good guide for landscaping? Send me a self-addressed stamped envelope for my illustrated booklet, "How to Live with Your Own Home." It's full of money-saving tricks you can do yourself. How to Live with Your Own Home, stamped envelope, please!

## Resolutions Okayed By Pomona Unit

TUTTLE—Resolutions opposing the raising of the Control Law and urging cooperation of the Grange with other farm organizations were approved by the Pomona Unit of the Grange.  
 These resolutions were considered at a meeting of the Gooding County Pomona at the West Point Grange Hall on Monday evening.  
 Another resolution to oppose the raising of air mail and other postal rates was approved also and one concerning highway traffic meeting a funeral was approved. The Pomona Unit of the Grange will be holding a meeting at the West Point Grange Hall on Monday evening.  
 A report by Mrs. Ira Klauer, Pomona Grange Home economics chairman, announced judging of the needlework and state contest will be held at the Wendell Grange Hall.  
 A joint installation service for the Pomona and Gooding Granges was decided upon for Sept. 30 at the Gooding Grange. The subcommittee will be invited to participate and State Master Emil Jerome, Klauer is invited.  
 The next regular meeting of the Gooding Grange will be held Sept. 25 at the Wendell Grange. All officers will be elected. Fall officers will be elected.  
**\$50 MILLION BORROWED**  
 WASHINGTON—More than \$50 million in farm families borrowed \$120 million from the Farmers Home Administration—a record amount of farm borrowing and enlarge their farms or reliance debts during fiscal 1967.

**Missouri Researcher Gets Award**  
 DURHAM, N.H. — Dr. Boyd O'Dell, agricultural chemist at the University of Missouri, has been selected by the Awards Committee of Poultry Science Association to receive the 1967 AFMA \$1,000 award for the most outstanding contribution to poultry nutrition research.  
 Announcement was made during the 58th annual meeting of the Poultry Science Association, held on the campus of the University of New Hampshire. Presentation of the award was made by W. T. Diamond, secretary-treasurer, American Egg Manufacturers Association.  
 The Science Association credited Dr. O'Dell with contributing extensively to the advancement of basic knowledge of poultry nutrition through his fundamental approach to nutrition problems.  
 He has published describing factors affecting the availability of vitamins in extensive series of papers dealing with copper deficiency, essential amino acids, and synthesis in chick, and; and two papers dealing with arginine metabolism in the chick. In every case, the research was aimed at determining the underlying mechanisms behind the nutritional observation.  
 Dr. O'Dell was born in Carroll County, Mo. in 1918. He holds a B.S. degree in agricultural chemistry from the University of Missouri.

## Parlor Eating

SAN FRANCISCO — Some daylilies are putting a stop to eating in the parlor. It's almost as easy and a lot less messy to feed daylily cows in the parlor.  
 "Sure they have to chase a few cows into the milking parlors," Jean L. Ruble, animal feed specialist with Laramie Feed Co., said.  
 "But then there's no grain on the floor, there's less manure to clean up. And it's easier to see that each cow gets the salt and minerals and grain she needs when it's put out in buckets in the corral."

## TAP Panels Are Active In Area

"Technical Action Panels are active in the Twin Falls area," states USDA's William J. Fork, executive secretary of the state groups.  
 The agency has assisted in agricultural developments. They have aided Malita in reviewing the feasibility of improving their water system.  
 The agency has also assisted Pleasant Valley Grazing Association in closing their loan for the purchase of the Top Hat Ranch in Twin Falls County.  
 The Cottonwood Livestock Grazing Association in the Salmon Creek area is now ready to close their loan for the purchase of lands in the Salmon Creek area. The agency also has helped this group in their purchase.

TALL CORN. J. T. (Photo) Creek fields' Twin Falls, is known to have grown big produce items and corn is no exception. Here Mr. Creek shows how tall his corn stalks are. He says it is nine feet to the top of the top ear of corn.

### Charolais Cattle To Be Shown At Fair

FILER — Charolais cattle will be on exhibit throughout the Twin Falls County Fair Sept. 6-8, under the sponsorship of the Western Charolais Association. Interest in Charolais (Shae-Loy) cattle has grown rapidly the last several years and these white cattle have proved to cross well with conventional breeds, mature earlier, and produce a lean tender meat. More and more breeders are turning to Charolais, according to Gledon L. Andrews, president of the Western Charolais Association.

"Business is booming," says breeder, Tom Prescott, Jerome. The Western Charolais breeders have more than tripled in the past three years, according to Richard Getula, Brownmead, Ore., secretary-treasurer of the association.

One of the oldest known breeds, Charolais were found in France in the eighth century and were scientifically developed in the 17th century for their lean, tender muscled beef. They are, however, comparatively new in the United States, the first importations having been made from Mexico in the 1830's. Their ability to adapt to all climatic conditions, their resistance to disease and their capacity for tremendous growth secured immediate popularity. The American International Charolais Association set up strict supervision, and because of the small numbers of purchased imported animals in the Northern hemisphere, crossbreeding was encouraged. The breed was found to cross well with all beef-type cattle as well as dairy cattle.

Renewed interest in Charolais took place in 1866 and 1867 when purebred Charolais were imported from France by the Canadians, under strict supervision of the Canadian government.

While most of these animals are in Canada, several breeders in the United States own bulls and the Western Charolais Association has secured the services of Apollon, jointly owned by Birchfield Farms Ltd., Canada, with the Western Charolais Association having paid \$84,000 for one-half interest in the bull. Apollon is now being seen and the response, according to those who have observed them, is enthusiastic. Aside from their distinctive white color, Charolais are characterized by their length, heavy bones and muscling, and demonstrably heavy hind quarters.

### Milk Output By Rupert Cow Listed

RUPERT — Holstein-Friesian Association of America has reported a production milestone for a registered Holstein cow from this area. The career producer has been credited with more than 100,000 pounds of milk output under official testing supervision.

The owner, Louis Bott and Sons, Rupert, has been notified that La Mary Ideograph Fries 431285 (EX), has produced 108,509 pounds of milk and 4,221 pounds of butterfat in 3,629 days since becoming two years of age.

Because of current replacement heifer rearing and purchase costs, cows that stay in the herd longer and achieve high lifetime production levels have proven to be more profitable. The Holstein Association has more than 20,000 cows on file that have attained the 50-ton production milestone.

Production levels of this magnitude can be attributed to scientific advances in feeding and management practices, coupled with the genetic improvement and longevity of Registered Holsteins.

### Local 4-H Club Has Wiener Roast

The Twin Livestock 4-H Club had a wiener roast prior to a recent meeting at the home of Alvin Monroe, club leader.

During the meeting demonstration on fitting and showing a lamb was given by Debbie Monroe. Kathleen Wolf reported on summer camp. Plans for the fair exhibit were discussed.

### CLYDE'S RADIATOR SHOP

245 West St. 733-4000

"SUGAR," a 13-month-old Shetland pony, doesn't do much galloping, but she manages to get around on her artificial leg. The pony, owned by Mrs. George Donaldson, Filer, Ariz., lost her leg when struck by a car. Mrs. Donaldson says the pony got her leg fixed.

### Fair Booth Discussed By Knoll Grange

The fair booth for the Knoll Grange was discussed during a recent meeting of the Grange. Mr. and Mrs. Harry Sharp reported on the banquet sponsored by the Twin Falls County Fair Board, they attended along with other county Grange members and wives.

It was announced that three exhibits in the needlework contest would be entered in the state Grange contest. Elmer Annis, lecturer, lighted the centennial candle and Elmer Fouts read an article, "The Woman's Place in the Grange." Mr. Annis read the duties of lecturer, Norene Davis read a poem entitled, "Your Best." The next meeting will be held Sept. 22 when officers will be elected.

## Magic Valley's 4-H Scene

### Scholarships Are Available To 4-H'ers

WASHINGTON—Eight \$500 scholarships await 1967 national winners in the 4-H Home Management program conducted by the Cooperative Extension Service.

The 4-H member having the best home management project in the state will be named delegate to the National 4-H Club Congress in November, and receive an expense-paid trip to Chicago for the week-long session. Scores of 4-H'ers throughout the state will earn the county medal of honor for making good progress in the management program.

### 4-H Club Has Style Show, Mother's Tea

The annual Mother's Tea and Style Show of the Happy-Go-Lucky 4-H Club was held recently at the home of Beth Britt, Mariene Knefel, president, gave the welcoming address to the mothers.

Modeling Junior Jiffies outfits were Karen Roberts, K.A. Kelly, Grose, Mary Knefel, Mariene Knefel, Gail Peterson and Sandra McBride. Background music for the Junior Jiffies models was played by Beth Britt, Junior leader.

VISITING WITH Sen. Len Jordan in the Senators' dining room in the U.S. Capitol are Mr. and Mrs. John Breckenridge, Twin Falls. Mr. Breckenridge was in Washington to testify in favor of S1287, the Sawtooth Recreation Bill, before the Subcommittee on Parks and Recreation of the Senate Interior and Insular Affairs Committee.

### Production Of T.F. Dairy Cows Listed

Dairy cows on production testing in Unit 2 of the Twin Falls County Dairy Herd Improvement Association during August averaged 40 pounds of milk per cow and 1,184 pounds of milk, reports County Agent Donald Young.

Production figures include all cows on test, including dry cows. The August average for the 85 cows was 40.1 pounds of milk per cow. Thomas Bergstrom, Twin Falls, showed that 1,393 cows were on test, with 1,170 in production, and 1,170 in production, and 1,170 in production.

### Plans For Fair Exhibits Aired

HANSEN—Plans for the Twin Falls County Fair exhibits were discussed by members of the Hansen Hustlers 4-H Club during a recent meeting at the home of Darin King.

Several demonstrations were given. Grant Bodily gave a demonstration on how to ride sheep of flies. Darin King on how to groom and care for horses and Terry Sobotka for dairy cows and the importance of keeping a cow clean and cooling the milk fast to keep bacteria out.

### Club Meets

HANSEN—The Lucky Cloverettes 4-H Club members met at the home of Diane Bodily with Kathy Vawser presiding at the meeting. Audrey Geo. Jedd Higgins, Tammy Higgins led the flag pledge, and Teri Sobotka gave the 4-H pledge.

### Last Meet Held

The Classy Lassies held their last meeting recently at the home of Sharon Deagle. Pictures of each girl were taken for their record books. The record books were completed for fair.

### Hansen Raps Farm Plan By Freeman

WASHINGTON (Special)—Rep. George Hansen, R-Idaho, blasted today a proposal by Secretary of Agriculture Orville Freeman for a national farm marketing board.

Mr. Hansen said, "It would seem to me that Agriculture Secretary Freeman's proposal to create a national farm marketing board—with powers of mandatory farm marketing, similar to the powers of the National Labor Relations Board—is consistent with other attempts by administration planners to put a straightjacket on the American farmer."

### State Aide Proposes Modification Of Critical Groundwater Area

The State Reclamation Engineer, R. Keith Higginson, Thursday in Twin Falls announced plans to modify the boundaries of a "Critical Groundwater Area" in Cassia and Twin Falls Counties.

The area is known as the Goose-Creek-Rock Creek-Critical Groundwater Area and was given this designation by the State Reclamation Engineer on Jan. 16, 1962. Since that date no applications to drill wells in this area have been allowed in an effort to protect existing groundwater rights from reported declining water levels and increased pumping costs.

### Consumption Of Margarine Listed

NEW YORK—A report on "Margarine—The World Situation" published by the U.S. Department of Agriculture shows that the average consumer in Denmark, for example, eats 21.8 pounds of butter and 39.2 pounds of margarine a year. In the Netherlands, the average per capita consumption is 8.8 pounds of butter as compared to 42.3 pounds of margarine. In Norway, the figures are 8.1 pounds of butter and 47.3 pounds of margarine.

### State Aide Proposes Modification Of Critical Groundwater Area

The modification would divide the area into three small critical groundwater areas that would in the future be called the Arden City, the Cottonwood, and the Oakley-Kenyon Critical Groundwater Areas.

The state reclamation engineer held a public hearing Wednesday in the court room of the county courthouse in Burley, to accept statements and comments concerning the proposed modification of the area.

### Consumption Of Margarine Listed

It is proposed that the order for modification of the area be effective at 8 a.m., Sept. 9, 1967. This would mean on that date the state reclamation engineer would start to receive and process applications to drill additional wells in the areas re-

## Emerson, Mrs. King Take Easy Net Wins

By DICK COUCH  
Associated Press Sports Writer  
FOREST HILLS, N.Y. (AP) — Australian tennis ace Roy Emerson began his bid for a third net title with an easy first round victory in the U.S. National Singles Championships Thursday when he in 11 hours withdrew of Nanchi Richey, added steam to Billie Jean King's drive for the women's crown.

Emerson, who won the U.S. title in 1961 and 1964 but is seeded second in countrymen John Newcombe this year, overpowered 19-year-old Georges Goven of France, 6-4, 7-5, 4-5, as play began on the grass courts of the West Side Tennis Club.

The 30-year-old Aussie, who

## Law Leaves Pirates, Sets Retirement

PITTSBURGH (AP) — Veterinarian and pitcher John Law, who helped pitch the Pittsburgh Pirates to their 1960 world series victory over the Yankees, has retired after 16 years with the club.

The Pirates announced his retirement Thursday and said he was quitting the season early on the advice of his doctors. Law has been having trouble with a pulled groin muscle the past few weeks.

Law left little doubt that this time, though, his retirement was for real.

"I decided this day but knew it had to come sometime," he said. "It's a decision every athlete must make and I'm glad I can make it myself rather than have others make it for me."

Law's retirement left the Pirates with only three players left from the 1960 championship team — Roberto Clemente, Bill Mazeroski and Elroy Face.

Law said in Boise she had anticipated the announcement her husband would retire early.

She said as far as she knows he has no definite plans for the future but "is looking into" some business offers.

In 1960, Law also compiled a 20-9 record and earned the Cy Young award.

Arm trouble plagued him after that and he didn't have another winning season until 1964 when he retook the Comeback Player of the Year award for a 19-9 season and a 2.16 earned run average.

Law, who was known as "the Deacon" because of his unassuming demeanor and status as an elder in the LDS Church, compiled a 162-147 record in his 10 years with the Pirates.

## Valley's Hopes For Better Season Rest On Lettermen, New Prospects

VALLEY — Valley High School's hopes for an improvement of its five win, four loss and one tie record of last season will rest on the shoulders of the 11 returning lettermen and also the 200 prospects that coach Bob Brulotte says should help the team.

Returning at the center position will be Jim Ritchie, a 150-pound junior.

Battling for the guard spots will be Greg Watkins, a 150-pound senior, Mel Dille, 150-pound senior, and Bill Steiner, a 150-pound sophomore. John Robinson, a 155-pound junior, and Gary Vance, a 140-pound junior, will be battling for a tackle spot. Tackling for an end position will be Jack Giles, a 165-pound senior, and Don, a 140-pound sophomore.

Russell Jarvice, a 130-pound senior, will be vying for a quarterback spot. Ron Cline, a 145-pound senior, and Ron Estey, a 140-pound senior, will be vying for a halfback, 160 pounds, and Doug Str-

## Pinch Homer Lifts Twins Over Orioles

ST. PAUL, MINN. (AP) — Rich Reese's two-run pinch-hit homer in the fifth inning wiped out Curt Blefary's two-run shot in the top of the inning and vaulted the Minnesota Twins to a 1-0 victory over Baltimore Thursday.

The triumph, coupled with Boston's defeat by Chicago 4-2 later in the evening, moved the Twins to winning a half-game of the American League leading.

Reese's one-out blast off reliever Moe Drabowsky, 7-5, and the decisive factor in which each team collected 18 hits.

The Twins trailed 9-8 going into the last of the ninth, but Cesar Tovar beat out an infield single, and Reese, batting for Jerry Zimmerman, drove the ball 410 feet into the right-center field bullpen.

The Twins had taken an 8-4 lead with two runs in the eighth inning on doubles by Rod Carew and Tony Oliva sandwiched around Harmon Killebrew's single off Eddie Fisher.

But the Orioles came right back for three runs against reliever Vic Rozovsky, but Blefary smashed his 19th homer in the eighth, right field, 355 feet away.

Baltimore 010 010 103—9 18 1  
Minnesota 020 22 022—10 18 1  
Phobus, Dillman (5), Buzhardt (6), Fisher (7), Drabowsky (8) and Hamey/Merrill, Grant (9), Zimmerman (9), Oliva (9) and Nixon, Zimmerman (9), W.—Kline, 7-0. L.—Drabowsky 7-5.

MINN. RUNS: L.—Drabowsky 7-5, Zimmerman (12), Johnson (8), Bly (10), Minnesota, Reese (4).

## Solons Lost 6-0 Shutout Over Yanks

NEW YORK (AP) — Frank Bertain pitched a three-hitter Thursday as Washington defeated the New York Yankees 6-0.

Bertain, 4-4, allowed only three Yankees to reach second, and in two of those innings, the fifth and the seventh, he followed by ending the threat with double plays.

Washington 002 100 000—8 11  
New York 000 000 000—0 3  
Bertain and Casiano; Barber, Tillotson (7), Hamilton (9) and Tillman, W.—Bertain, 4-4, L.—Barber, 9-15.

## Cubs Rally In 11th Inning To Nip Mets

CHICAGO (AP) — Al Spangler pitched a three-hitter Thursday as the Chicago Cubs with a single and moved to second, Ferguson-Jenkins came in to run for Banks, and Ted Savage went to a count-of-one and two strikes before Spangler came in to hit for him.

His single to left won the game.

The Cubs scored an unearned run in the fifth after Don Kessinger reached second on first baseman Bob Johnson's tumble. Glenn Beckert sacrificed Kessinger to third, and he scored on Billy Williams' infield out.

New York pitched this effort in the sixth. Chon Jones drew Nye's first walk with one out. Johnson's infield out nudged Jones to second, and he scored on Tommy Davis' single up the middle.

## Chicago Uses Homers To Sink Boston

CHICAGO — Home runs by Tommie Agee and Paul Ward in the eighth inning gave the Chicago White Sox a 4-2 victory over the Boston Red Sox Thursday night and reduced Boston's American League lead to one-half game.

Ward socked Cisco Carrol's hold-Boston hitless for the first six innings but the Red Sox rallied for two runs in the seventh and led 2-1.

Agee's homerun tied the score at 2-2 and Ward contributed his two-run blast later in the same frame.

With Detroit idle Thursday night, the Sox took lefties Ben Withers and Jim Rice off the top of the Minnesota one-inning game back. Detroit a full game behind and Chicago one and one-half games out of first place, Minnesota stayed in second place by dropping Baltimore 10-9.

## Solons Lost 6-0 Shutout Over Yanks

NEW YORK (AP) — Frank Bertain pitched a three-hitter Thursday as Washington defeated the New York Yankees 6-0.

Bertain, 4-4, allowed only three Yankees to reach second, and in two of those innings, the fifth and the seventh, he followed by ending the threat with double plays.

# Swimmers Smash 3 More Records In College Games

**TOKYO (AP)**—Charley Hickcox and Mike Burton led an American cast in three more world records Thursday night in leading the formidable swimming and diving team to four more championships in the World University Games.

But a Japanese high diver and a British breaststroke snapper won the Olympic pool in the Olympic pool and a Ivory Coast sprinter upset California's Tommie Smith in the 100-meter freestyle relay team, longest his fourth goal medal, beat his 100-meter time and shared in a world championship in the 400-meter medley relay quartet.

The 29-year-old Indiana U. junior from Phoenix, Ariz., was clocked in a world record of 1:00.7 in the 100-meter freestyle relay team, longest his fourth goal medal, beat his 100-meter time and shared in a world championship in the 400-meter medley relay quartet.

Hickcox, winner of the 1960 Olympic 100-meter freestyle in world record time and a member of the victorious 800-meter freestyle relay team, longest his fourth goal medal, beat his 100-meter time and shared in a world championship in the 400-meter medley relay quartet.

The 29-year-old Indiana U. junior from Phoenix, Ariz., was clocked in a world record of 1:00.7 in the 100-meter freestyle relay team, longest his fourth goal medal, beat his 100-meter time and shared in a world championship in the 400-meter medley relay quartet.

Hickcox's backstroke in 1:00.7 wiped out the fresh standard of 1:01.3 he had established on Monday in winning the individual event.

The other members of the record-breaking crew were Ken Meritt, Pacifica, Calif., breaststroke; Doug Russell, Midland, Tex., butterfly; and Ken Walsh, East Lansing, Mich., freestyle.

Burton, a 19-year-old UCLA junior from Carmichael, Calif., won the 1,500-meter freestyle in 16:54.8 and was caught in a world record of 8:45.8 for 800 meters. He has a pending mark of 16:34.1 for the 1,500, set on Aug. 13 when he set a record of 8:45.8.

The Yanks also won their first freestyle relay in 4:01.2 and Peter Williams, a Michigan State senior, from beat Stan Harris, Stanford freshman, in the men's 400-meter individual medley in 4:47.7. Ferris' time was 4:51.7. This gave the U.S. 24 of the 26

# Tigers Buy Demeter, Add Four Players

**DETROIT (AP)**—The Detroit Tigers announced Thursday the purchase of outfielder Don Demeter from the Cleveland Indians and the addition of four other players to the roster.

The Tigers, fighting in the tightest race in years, restored pitcher Johnny Podres and outfielder Casey Brown to the roster. They have been on the disabled list.

Infielder Tommy Matchick, spring training phenom with the big club, was recalled from Toledo of the International League. Catcher Bill Heath, who previously was with the Tigers this summer, also was recalled from Toledo.

All five are to be in uniform for Friday night's game with the Twins at Milwaukee when the player count goes from 25 to 40 men.

Tiger General Manager Jim Campbell said third baseman Don Wert, out since Aug. 18 with a groin injury, will rejoin the Tigers in Minnesota.

Campbell did not announce the price for Demeter but said other players were involved.

# Two Rookies Qualify For 500-Mile Race

**DARLINGTON, S.C. (AP)**—Two rookies, one tagged as a future star, joined a 14-man Thursday qualifying for Monday's \$101,000 Southern 500-mile stock car race.

Cole Yarborough, a factory Ford driver, was the fastest of the second day qualifiers, turning four laps of the mile and three-quarters Darlington International Raceway at an average of 143.3 miles per hour.

Yarborough's time was the second fastest of the week, and was only a split half second off Richard Petty's pole or winning speed of 143.45 set in the first day of qualifying Wednesday.

Rookie Cliff Gilbert, driving a two-year-old Dodge, was the day's second best. He turned 142.394 to nose out Ford's David Pearson, who overcame handling problems to post 142.093.

The No. 12 spot in the 44-car field went to 26-year-old Bud Moore, an respected-rookie making only his second big track effort after four years of seasoning on short tracks.

Moore, who observers say will get a top factory ride next year, probably in a Dodge or Plymouth, was clocked at 141.665 in an independently financed Dodge Charger.

Other qualifiers were Jim Paschal, who has driven in each of the 17 previous Labor Day classics, 133.264 in a Plymouth; Bobby Isaac, 133.064 in a Dodge; and Bobby Johns, a 12-year Southern 500 veteran, 135.577 in a Chevrolet.

# Harris Decisions Rallies Barreto

**PHILADELPHIA (AP)**—Unbeaten Gypsy Joe Harris, the No. 1 ranked contender for the Welterweight crown, withstood a furious last-ditch effort by Hugo Barreto to secure a unanimous, lopsided decision over the Puerto Rican contender.

Harris, ranked No. 1 by Ring Magazine and the World Boxing Association, lashed the Puerto Rican welterweight champ with stunning rights in the middle rounds to carry the bout.

# Idaho State Welcomes 49 Men, 21 Lettermen, For Grid Team

**POCATELLO (AP)**—Players from 14 states and three Canadian provinces were on hand Thursday as the Idaho State football team began preparations for the 1967 campaign.

The Bengals finished fourth in the Big Sky Conference last year and had an overall record of 2-6-0. McKee says the concept in offensive thinking will have to be almost totally changed if the club is to improve.

He hopes to support Ingram's line passing ability by jacking up the running attack which was a bit impotent in 1966.

One newcomer who checked in this fall and who could be the partial answer is a p.e.d.y. halfback Ed Bell from Compton Junior College.

Should Idaho State get by New Mexico on Sept. 16, they would still have to meet two other tough foes, Utah and Tulsa, before getting into the heart of Big Sky Conference play.

**Game Tonight**

The Twin Falls Bruins will host the Jerome Tigers in the opening game of the football season at 8 p.m. today at Bruin Stadium.

Coach Merl Edson will be using a largely senior team against the Tigers as most of the juniors will travel to Glenn Ferry to help the Bruins begin their grid.

Since Jerome and Twin Falls played their grid rivalry in 1950, the Bruins had won all six games that went to decisions. The teams tied 6-6 in 1955.

# Sweepstakes Field Led By Dr. Fager

**SLEEM, N.H. (AP)**—Dr. Fager, a trim guy with a record of blazing speed, was unfurled at 1 1/2 miles, heads a field of five 2-year-olds named Thursday for the fourth renewal of the \$250,000-added New Hampshire Sweepstakes Classic at Rockingham Park Saturday.

The track handicapper last night making Dr. Fager favored for Dr. Charles Fager, a famed Boston neurosurgeon who performed brain surgery on trainer Johnny Nerud, the 1-2 choice to post his ninth victory in 11 career starts.

The Fager (a-bred son of Roub'n Tumble-April) is to be ridden by Brunello Rocco, actually has only one defeat to mar his brilliant career. He bowed to Succoroso, the 1960 2-year-old champion in the 1960 2-year-old of the Champlain at Aqueduct nearly one year ago.

In the \$100,000-plus Jersey Derby at Garden State Park May 30 he finished first, 6/2 lengths in front of Mrs. Frances Center's In Reality, only to be disqualified when the judges ruled interference early in the race.

# Ford To Become Yankee Coach

**NEW YORK (AP)**—Whitely Ford, who retired as a pitcher earlier this season, will be the New York Yankees' first base coach next season, the team said Thursday.

The 38-year-old Ford was in his 18th season with the Yankees when he left the active ranks last May because of hip trouble. He had compiled a 2-4 record with a 1.64 earned run average. He then undertook special assignments for the Yankees, traveling throughout their farm system.

### News Of Record

**GOODING COUNTY Probate Court**  
Frank A. Spencer, Twin Falls, was arraigned on a charge of criminal neglect of minor child. The defendant requested a court-appointed attorney and a bill was set at \$500. Phillip Becker was appointed attorney for the defendant and appeared on behalf of the defense and waived a preliminary hearing. The defendant was bound over to district court for further proceedings.

**WARRANTS** were issued—(1) James R. Pinker for driving without a driver's license, (2) F. Young on a charge of insubordination and for Paul Martin on a charge of issuing a no-account check.

Dale Stank, represented by his attorney, John Stushman, Twin Falls, waived preliminary hearing and was ordered bound over to district court for further disposition of the charge of \$322 count of forgery. Also present at the proceedings was Gooding County prosecutor, Andrew F. James. Stank is free on a \$5,000 bond.

Fourth District Court Divorces were granted to Kenneth D. Von Weller from Mrs. Dorothy Marie Weller, and to Zanne Madison from Robert J. Madison. Richard Rex Godwin, Fred and Freda Wender, Paul Goddard, Alfred Wayne Juries, from Mrs. Cary L. Juries, from Mrs. Patricia A. Jullian; Mrs. Patricia Jane Hall from Earl LeRoy Hall; Mrs. Dorothy Ellen Layman, John Weber Layne, and Mrs. Jolene Babcock from Carl E. Babcock.

**MARRIAGE LICENSES** were issued to Jerry Laughlin and Gussie, and Cathy Jo Brown, Hagerman; Howard M. Shaver, Goshute, and Mary Lou Unsicker, Danville; Phillip Wayne Wirt, and Jane Johnson, both Wendell. Warranty deeds were filed by Bill Dunn to James A. Benson; C. C. M. Munster to Walter Fletcher; Manning B. Peterson to Richard E. Dains; John W. Wender to Mrs. Edna Wender; Peterson Schouwerler to A. J. Hatross.

**DEATHS** were announced: J. Mankie to John Clayton Montgomery, George O. Low to W. A. Salisbury, Benjamin Warren Farnsworth to Benjamin Gray Farnsworth. Civil claim deeds were filed by Rodney T. Clark to Edward H. Taylor, and by Edna E. Bedline Shaver to Lauren Shaver.

### TWIN FALLS COUNTY Police Court

Fines and actions in Twin Falls Police Court included: Leonard Campbell, 208 1/2 Ave. E., \$10; Ernest Koto, 182 DuBois St., \$10; and Robert W. Taylor, 1000 1/2 Ave. E., \$10. Violation of the city dog ordinance—Leland A. Mort—\$10. FURIOUS DRIVING—(1) Bob Legend, 106 days in city jail, violation of the Green River Ordinance.

Fined for being drunk were John Hill, \$25; Walter D. Conner, \$15; Julian Swires, \$25; Arthur G. Warr, \$25. A 20-year-old boy, arrested by Ronald DeSantis, and Charles N. Idema, one day each, were granted a 30-day probation bond forfeited, residing at an officer.

### LINCOLN COUNTY Sheriff's Blotter

Douglas Hutchinson, 34, 207 Birch, was cited for failure to observe the basic rule and his grandfather, Earl Hutchinson, District Court, was cited for permitting a minor to drive, after an accident, even an one-half hour, on the Dietrich-Richfield road. The boy was driving a 1965 Chevrolet truck owned by Mr. Hutchinson. The truck was on a curve at a high rate of speed and lost control of the vehicle. It left the road and skidded 342 feet, ran off the road, and overturned on the right side. Damage was estimated at about \$10 and neither the boy nor his passenger, Donald Hutchinson, 12, was injured.

## School Disputes Simmering In Some Cities

By the backed-to-school days from most of the nation's youngsters, but in some cities local school disputes have been quietly simmering through the summer months. In some cases, the disputes have been over the teachers' salaries, but in other cases, the disputes have been over the school's policies, the school's hours, or the school's facilities.

The discord centers variously on teachers' salaries, desegregation, the omnipresent teacher shortage or simply overcrowding. One Delaware high school principal says even his school's rest rooms are going to be jammed.

In New York City Thursday the teachers union rejected the Board of Education's latest salary offer but submitted a new proposal of its own as negotiations on a new contract moved to the critical state.

More than 30,000 of the city's 150,000 classroom teachers have signed resignations which threaten to submit to the board if a new contract is not reached by Sept. 11 when classes are scheduled to begin.

In Clearwater, Fla., school officials and Pinellas County teachers agreed Thursday on a 4-point program calling for higher salaries to clear the way for resumption of classes in public schools.

Nearly 2,000 teachers had submitted resignations late Wednesday on the first day of the new school year. The agreement calls for salary increases ranging from 3 to 4 percent for new teachers with a bachelor's degree to more than \$1,000 for continuing teachers with doctorates.

Meanwhile in Broward County, a larger system than Pinellas, the school board voted to close schools next Tuesday; teachers may attend a county "professional day," called by their association.

The teachers have rejected the Broward board's promise of a 10 percent raise next year, holding to their request for \$5,615 for the school year beginning in August.

Pinellas schools were the first in Florida to be closed since teachers launched a statewide campaign for higher salaries and more money for education. Sanctions against the state.

## Lobbyists Told To Keep From Senate

WASHINGTON (AP)—Senate Democratic Leader Mike Mansfield has privately rebuffed the work of lobbyists and urged them to order lobbyists for government agencies to "keep their noses out of the Senate."

Mansfield is understood to have acted after intense lobbying efforts from the Federal Reserve and the Agency for International Development were blamed for losing a critical battle over foreign aid.

White House spokesman chief White House liaison man with the Senate, to advise the President's staff, "didn't want people from the agencies to lobby here, in other words, to keep their distance."

The problem, Mansfield suggested, was that officials concerned with legislation dealing with the activities of funds become overzealous and trample on needed congressional safeguards.

Another unwelcome byproduct of such lobbying was, he suggested, confusion and irritation among the Senate's Democratic officials are following the same road already covered by Mansfield, "they see senators 100 times a day, and they don't want to be seen and seen again."

Mansfield did not specify what incident caused his request to Johnson. Other Senate Democrats have frequently drum up senatorial support last month.

"We were scurrying around here pretty good," said one Democratic source.

Another, who has witnessed the Senate's activities, said the congressional and administrative sessions, observed with a private eye, "were crawling out of the woodwork."

And in Venice, La., Negro and white parents met to discuss the school committee met with them to discuss the issue. The school board voted to close schools next Tuesday.

## Ferries And Rafts Replace Trains As Supply Carriers

MANILA (AP)—Ferries and bamboo rafts on the river replaced the cover of darkness have replaced trains and trucks as supplies are moved across the river at Hanoi. S. U. bombers destroyed the Paul Doumer Bridge, a Filipino military spokesman reported from the North Vietnamese capital today.

Amando E. Doronila, diplomatic attaché in Manila, said destruction of the chief rail and transport link between the Red River created transport difficulties. But lorries, supplies and other vehicles were used to carry supplies across the river under cover of darkness on board numerous ferries. "In many instances improved bamboo rafts."

He said air raids on Hanoi and its suburbs Aug. 11 and 12 had caused the city to be empty. "were notably significant in the escalation pattern."

"The bombing here could be an American warning to the capital of the bombing terror in store if Hanoi does not give for peace. But there is no sign that Hanoi morale is suffering from the pressure," Doronila said.

"It is clear that bombs fell largely on civilian dwellings with no military targets," Doronila reported. "Five hundred yards from the Doumer Bridge, Hanoi, bombs dug craters and massive gas clouds. A long row of trail straw hats at Phuc Tan Street flanked by blast damage."

"A brick schoolhouse for grade two pupils is shambles. The school is empty when hit because the children were evacuated earlier."

"At noon time last Aug. 21, missile bombs hit a hospital with 50 beds, damaged three buildings and shattered stained with no military targets. The cathedral."

"One missile tore into a brick building which was used as a room for patients. It killed one doctor. In the next room, an assistant and injured three people."

"Aug. 22, bombs fell on populous Hue Street in Hanoi. A big pile of bricks and splintered wood is grim evidence of the destruction. A restaurant, drugstore, hardware shop, private services office and two trade houses."

**LEGAL ADVERTISEMENTS**  
INVITATION FOR BIDS  
The Board of Trustees of the College of Southern Idaho Junior College, is hereby invited to submit proposals for the construction of a new building of 100,000 square feet.

Bids are to be submitted on a per unit basis for the following approximate quantities:  
1. 100,000 sq. ft. of building space.  
2. 100,000 sq. ft. of building space.  
3. 100,000 sq. ft. of building space.

Bids are to be submitted on a per unit basis for the following approximate quantities:  
1. 100,000 sq. ft. of building space.  
2. 100,000 sq. ft. of building space.  
3. 100,000 sq. ft. of building space.
