

Eartha Kitt Has Confrontation With Lady Bird

By FRANCIS LEWINE
Associated Press Writer
WASHINGTON (AP) — Singer Eartha Kitt in an emotional White House confrontation with Mrs. Lyndon B. Johnson, said U.S. youth are rebelling because of the Vietnam war.

"Young men don't want to be sent off to die in a war they don't understand," Miss Kitt told the First Lady at a Thursday luncheon. "So they rebel in the streets and take pot," she added, explaining to Mrs. Johnson that she does not know the expression, that's marijuana.

Miss Kitt earlier confronted President Johnson, who dropped in to greet the 30 women Mrs. Johnson had gathered for a discussion of crime in the streets.

Mrs. Johnson told the women she hoped they would go home "ex-

posed enough to provide some leadership for programs we're trying so hard to develop."

At times Miss Kitt faced Mrs. Johnson directly across the dining table and the scene was electric.

Mrs. Johnson sat through it all, appearing disturbed but maintaining outward control. Finally she rose to regain command of her emotionally shattered luncheon.

As the President prepared to depart, Miss Kitt stepped in his path and asked, "What are we going to do with the children? We have to go to work and can't spend time with their children? What do you do with the children?"

Passing, Johnson told her quietly the 1967 Social Security Act provided millions of dollars for day-care centers. He said he

recognizes the problem and left the women with the suggestion that they "tell me what you think."

Miss Kitt was not among three scheduled speakers at the luncheon. But when the First Lady called for discussion, the singer rose and made an impassioned plea on behalf of American youth and their parents, who, she said, couldn't come to talk to the President and his wife.

"One of the speakers talked about working through the gutters," she said.

"Youngsters are angry," said Miss Kitt, "because their parents are angry, and their parents are angry because there is a war going on and we do not understand why."

She said she was a mother and knew "the feeling of a baby coming out of my guts."

"No mother wants to work to educate her child only to have him snatched away and sent off to Vietnam," she said.

Miss Kitt said youths have the feeling they may not be here tomorrow and believe it doesn't pay to be a "good guy."

"A bad guy gets thrown into jail," she said. "He gets a lawyer and the government takes care of him and they don't send him to Vietnam to get shot up. It pays to be a bad guy."

And that, she said, is where the real cause of juvenile delinquency lies. "They don't want to get sent off to get shot or they rebel in the streets. They take pot and they smoke a joint and

they will get just as high as they can," she said.

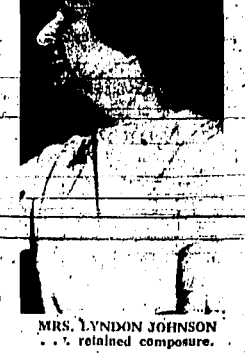

Mrs. Richard Hughes, wife of the New Jersey governor, jumped up to offer rebuttal.

"She said her first husband was killed while serving in the Air Force and her eight sons face going to Vietnam but are studying, not smoking marijuana," Mrs. Johnson added.

"Just because there is a war on and I pray there will come a just and honest peace that still does not give us a free ticket out to try to work on bettering things in this country."

Applause broke out as the First Lady concluded.

"Violence will not help. It will call attention to the problem, but violence alone will not solve it."

MRS. LYNDON JOHNSON retained composure.

Tax Report Wipes Out Fund Plans

By EARLE L. JESTER
BOISE (AP) — A revised fax report apparently wiped out today the prospects of a substantial general fund surplus which had stimulated efforts to obtain more state money for the public schools.

Clyde Kootz, State Tax Commission chairman said a change in tax reporting procedure was not reflected in figures used to compare actual collections with estimated revenues.

The result, he said, is that instead of general fund tax revenue running 2.8 per cent ahead of estimates — as shown by a report earlier this week — the actual revenue for the six months ending Dec. 31 was one-half of one per cent less than predicted.

If the 2.8 per cent had been accurate and the trend had con-

tinued, the state could have had a general fund surplus of about \$7 million by June 30, 1968.

Instead, Kootz said, if the trend shown by the revised report continues, the state could end the biennium with less than the \$3.6 million surplus on hand at the beginning of the two-year period last July 1.

Gov. Don W. Samuelson, who has announced he will call a special session of the legislature Jan. 29 to deal primarily with forest fire problems, had declined to say whether a public school financing would be on the agenda.

Board OK's Buffer Zone For Campus

By BONNIE BAIRD JONES
Times-News Staff Writer

Zoning and Planning Commission members of Twin Falls County voted, following a public hearing Thursday night in the county Judicial Building, to recommend to the board of county commissioners that a special residential zone be created around the College of Southern Idaho site.

The commission tentatively approved the new zone and the revised county zoning ordinance, Stewart Swain, chairman, said Friday morning. The revised ordinance included establishment of the new residential zone, zoning descriptions and other existing regulations.

An additional change, Mr. Swain said, was the creation of industrial zoning in the county, adjacent to the industrial zone in the South Park region within the boundaries of the city.

Mr. Swain said there was very little testimony during the hearing and only a small attendance. He said several residents in the vicinity of the college objected to establishing a residential zone that might prevent them from changing the use of their land at some future date.

"The residential zone was established as a 'buffer' surrounding the college property and was designed at the request of the College of Southern Idaho officials and through the cooperation of the city and county zoning boards."

Mr. Swain said it will permit single family dwellings or multiple family units and apartment type structures which might be needed to provide college housing. It will not, he said, allow for commercial or industrial buildings which could conflict with the college program.

A request for zoning property at the intersection of Washington Street North and Falls Avenue West as commercial was denied by the zoning board in earlier hearings. The proposal was for a restaurant, automatic laundry service, service station and similar business operation.

SETTING UP A SEISMOGRAPH in Twin Falls which measured ground disturbance from an atomic blast set off at 11 a.m. Twin Falls time in Nevada, is E. D. Sembera, seismologist with the Coast and Geodetic Survey Department of the United States government. Installations such as the one in Twin Falls were set up to investigate how much and how far disturbance will travel from the new site north of Tonopah.

Seismograph Measures Effects Of Nevada Blast On Twin Falls

By RUTH KOONCE MILLER
Times-News Staff Writer

A representative of the Coast and Geodetic Survey department of the United States government was in Twin Falls Thursday and Friday, manning a seismograph which was set up to measure effects of an atomic blast being set off Friday at a new site in Nevada.

E. D. Sembera, seismologist with the survey department, said the government is looking for a new, undisturbed site to detonate atomic bombs. He said a former site near Yucca Flats, Nev., has been nearly exhausted because of ground disturbance, etc., from previous blasts have undermined the area.

He said the one set off at 11 a.m. Friday is 50 times the size of the bomb dropped on Hiroshima, Japan, during World War II. He said the bomb is considered to be of intermediate size and through the tests, the government is trying to determine how much larger test blasts can go.

The blast, 3,200 feet below the surface, was designed to release energy equivalent to nearly 2 million tons of TNT, a government source reported. The one dropped on Hiroshima was equivalent to 20,000 tons of TNT.

The Atomic Energy Commission reported that a new site is being sought for a stepped-up test program.

Tremors from the blast were felt in Salt Lake City, sources here reported.

Disturbance was not noticeable in Twin Falls at the time of the underground blast in Nevada 400 miles away, but the sensitive seismograph, also used to measure disturbance from earthquakes, was expected to pick up important information here and at other installations.

The Twin Falls installation included a seismograph and recording device in the basement of the Idaho State Police office in the old hospital building, and three seismometers partially buried outside the building.

Mr. Sembera said the equipment would be moved out and results of the seismograph tests on the way back to Las Vegas by noon. He said Kenneth W. King, also, Las Vegas, is chief of party of the installations set up throughout four states, including Idaho, Nevada, Utah and California.

He and Arnold Engraff, also 34, had "shot a fellow in Idaho in the early part of September."

Amy said the victim was shot in the left arm and heart and that the two men had picked up Mr. Ray, who was hitchhiking, with intent to rob him, but when they found he didn't have any money decided to kill him.

The Oklahoma police further related to Sheriff Johnson that Amy said he and his companion were driving a car stolen in North Dakota through Idaho and went to Goldendale, Wash., where they were arrested for the car theft.

"They were extradited to North Dakota and Engraff was reportedly sentenced to the state penitentiary in Bismark for the theft. The charge against Amy was dismissed."

Sheriff Johnson said he was informed that Amy has signed a waiver of extradition to return to Idaho to face charges. A representative of the sheriff's office is expected to go to Oklahoma City next week to return the man here, the sheriff said, and warrants are being issued for his arrest.

Mr. Ray was not known for some time but finally was traced through fingerprints by the FBI. His body was found in an empty irrigation structure in a field north of Paul by a local farmer. He had been dead about 10 days.

Man In Oklahoma Reveals Details Of Paul Slaying

RUPERT — A 31-year-old man arrested in Oklahoma City, Okla., for drunkenness has told officers here that he and a companion were involved in the shooting of the man whose body was found in an irrigation structure north of Paul last Sept. 19.

Sheriff Theo Johnson reported Friday that he received a telephone call Thursday night from Oklahoma City police asking for verification of the details of the death of the man who was later identified as John Massey Ray, 71, Denver.

The Oklahoma City officers said after they arrested William "Big Boy" Engraff for drunkenness he began telling them that

he and Arnold Engraff, also 34, had "shot a fellow in Idaho in the early part of September."

Amy said the victim was shot in the left arm and heart and that the two men had picked up Mr. Ray, who was hitchhiking, with intent to rob him, but when they found he didn't have any money decided to kill him.

abroad and dampening inflation at home. One key source said "foreign-quantities-consider-the psychological symptoms in the budget, the administration is figuring on \$10 billion in revenues from the tax package during the current fiscal year which ends June 30 and \$12.5 billion during the next fiscal year."

This refinement of the figures the President outlined includes not only revenues from the surcharge but also from a speedup of corporate tax collections and the postponement of excise-tax cuts scheduled to go into effect April 1.

Administration Shoots For April 1 Date On Surcharge

By JOSEPH R. COYNE
WASHINGTON (AP) — The Johnson administration appears to be shooting for an April 1 effective date for its proposed 10 per cent income tax surcharge on individuals but a retroactive date for corporations.

This is possible, a schedule in the new budget figures—spending of \$186 billion and a \$3 billion deficit—contingent on the tax boost—for the next fiscal year. The figures were revealed by President Johnson in his State of the Union message.

Administration officials declined to say what effective dates they would seek in applying new law for adoption of the surcharge but the April-January combination reportedly is the most likely possibility.

The dates are expected to be discussed officially Monday when the House Ways and Means Committee reports public hearings on the surcharge bill. But in any case, the committee chairman, Rep. Wilbur D. Mills, D-Ark., says he wants a close look at the budget before he decides whether to support a tax increase.

Government witnesses will base their appeal for higher taxes on defense of the dollar

U.S. Forces Penetrate Cambodia

PHNOM PENH, Cambodia (AP) — American-South-Vietnamese forces penetrated Cambodian territory for a distance of more than 200 yards Thursday and killed three Cambodians and wounded one, well-informed sources said today.

The forces were said to have been supported by planes. The informants said the attack occurred on the Peam Moniea Cambodian frontier post in Preyng Province at 5 a.m.

The International Control Commission and newsmen were invited to go Saturday to the site of the alleged attack.

It was the first frontier incident reported here since the mission to Phnom Penh.

Heart Patient Undergoes Another Major Operation

STANFORD, Calif. (AP) — A doctor said Mike Kasperak, a rowing star, Oberhelman performed the operation.

Kasperak remained on the critical list.

Kasperak, who received the heart of a dead woman Jan. 8, had his gall bladder removed last Sunday. He has undergone three massive blood transfusions in the last week.

Slams Speech

WASHINGTON (AP) — U.S. Sen. Len Jordan, D-Idaho, called for priorities in federal spending in a roll assessment of President Lyndon Johnson's State of the Union message.

"You cannot," Jordan said Thursday, "dispel the harsh realities of war, rising inflation, unemployment, rising interest rates, and the economic plight of the American farmer by suggesting, as did the President, that these woes are analogous to the stirred and troubled water a great ship creates as it cuts through the sea."

It would have been more appropriate to picture that ship as foundering, Jordan said.

Jury Hears Alleged Murder Confession

By FRED DODDS
Times-News Staff Writer

JEROME — Three men testified during the morning session of the first degree murder trial of Michael Dillon, 18, but what jurors heard was in sharp contrast to testimony presented late Thursday.

The trial is in its fifth day at the Jerome County courthouse.

Testimony Friday was routine compared to a statement read to jurors Thursday by Twin Falls Police Officer Tim Qualls in that statement, allegedly given to Mr. Qualls on March 31 by the defendant, Dillon admitted killing Mrs. Alta Smerly, 68, Jerome. She was killed March 29.

"I hit her over the head and she asked, 'Why are you doing this?' and I kept hitting her and I don't know why I did it or how many times I hit her," Dillon was quoted as saying.

Statements presented to the jury by Mr. Qualls were admitted over an objection by Defense Attorney James May.

Mr. Qualls read one statement, played on a tape recorder, recordings of two other statements, the third statement presented in the jury. Three different versions of what happened the night of March 14 were given by Dillon, according to the statements presented in court.

It was the second statement, read by Mr. Qualls, that contained Dillon's admission of killing Mrs. Smerly.

At first, Dillon claimed he did not kill her, but did help an unidentified man dispose of her

Health Official Admits LSD Story Was Hoax

HARRISBURG, Pa. (AP) — A Pennsylvania health official's concern over the illegal use of LSD by children apparently motivated him to invent a story that six Pennsylvania college students were blinded by the sun after taking the drug, Gov. Raymond P. Shafer says.

Shafer said Thursday he could offer no other reason why Dr. Norman Yoder, 55, state commissioner for the blind since 1958, fabricated the story.

Yoder, suspended from his job by Shafer, collapsed after revealing the hoax, a state official said, and was sent to a psychiatric hospital in Philadelphia.

The governor requested the hoax to a news conference just a day after telling reporters he was convinced the incident occurred, based on information from Yoder's superior, Public Welfare Secretary Thomas W. Georges Jr.

Shafer said Yoder, legally blind since he was accidentally hit with a baseball bat 45 years ago, admitted the fabrication to Atty. Gen. William C. Sennett and Robert West, a Justice Department investigator.

Sennett said certain inconsistencies in the case records apparently doctored to fit the story—prompted the questioning of Yoder until he admitted the incident was false. Shafer added that a secretary in Yoder's office read the

records to Yoder and he told her what alterations, insertions and deletions were necessary.

The story was first disclosed Jan. 12 in an Associated Press dispatch from Washington. It quoted Yoder as reporting the story originally in a letter to the U.S. Department of Health, Education and Welfare official last November. The AP obtained the letter, then contacted Yoder.

Yoder claimed the youths took the hallucinatory drug together some 18 months ago, then lay down in a grassy area near their college and stared, unblinking, at the sun. Yoder, an expert in rehabilitation of the blind, claimed the retinas of their eyes were destroyed.

The story touched off a widespread search by newsmen for identity of the students. Yoder had refused to identify the college or name the students, but said all had resumed academic studies at different schools.

State officials, including Georges, backed his story, as did Joseph H. Schemm, spokesman of the administration.

Hunt said in Washington there was never any reason to doubt Yoder's word, that he was always "very careful and cautious in what he said."

Georges also noted Yoder's concern over LSD.

"He told me that he had attended a conference last summer where he heard a research ophthalmologist talk on the effects of LSD on the eye," Georges said. "He said he became very much concerned about the large number of youngsters exposed to LSD and felt there must be something he could do as an individual to emphasize the need for more programs to control it."

A 1934 graduate of braille classes in the Cleveland, Ohio, public school system, Yoder received a B.A. from Baldwin Wallace College, Berea, Ohio, an M.A. in political science from Ohio State University in 1938, and a Ph.D. in public administration at Ohio State in 1942.

Bill Vickers — an Idaho State University student and a former Twin Falls police officer, testified in court Friday that he told the jury he examined Mrs. Smerly's car after it was found abandoned in the 600 block of Jackson Street on March 12. Allegedly, Dillon took the body

Plan Proposed To Divert Flood

SHOSHONE—A plan to divert flood water from Shoshone without the expense that is proposed by the Army Engineers was presented to members of the Rotary Club Wednesday noon by Ed Smith, speaker.

Guests were R. N. Jensen, Veril Kelsey, Boise; Tom Morrison, Larry Robertson and Don Simis, Gooding, and high school seniors Mike Saras and Tom Race.

hazardous time would be over and it could be put back into the river channel.

The Army Engineer plan calls for a cost of one-half million dollars by the government plus \$22,000 from Shoshone, and would channel the river completely out of Shoshone.

Ed Smith reported that John Thomas is recovering after surgery in a Boise hospital. The birthday song was sung for Danna Nowby, Julie Copp and Steven Thorne.

New Post Is Created By Cassia Board

BURLEY—Cassia County School Board members created a new office of assistant superintendent and renewed contracts for 1968-69 term of all principals in the district, in a special meeting.

The renewal of Ezra Moore, Cassia county school superintendent's three-year contract does not expire until June 30, 1969. The board members decided against taking action on the renewal of the contract at this time.

Speech About Irradiation Of Food Set

The Twin Falls Chamber of Commerce in cooperation with Idaho Nuclear Energy Commission, (INEC) is sponsoring a speech by Carl Wooten at 7 p.m. Jan. 26 at the Holiday Inn.

Mr. Wooten, with Isotope, Inc., will be featured at a no-host banquet. His topic will be food irradiation and should be of special interest to people involved in commercial processing of wheat flour, potatoes, fish, seeds and meat.

Adelines At Burley Set Feb. 17 Event

BURLEY—A concert is being planned by the Sweet Adelines for Feb. 17 at the Burley High School Auditorium at which time the group will receive its charter.

The group will be inducted into the national association, the Society for the Preservation and Encouragement of Barber Shop Singing in America, by the Pocatello Harmonies, members of the Burley group. Clifford Mullikin is director of Burley Sweet Adelines.

Chamber Manager Roy Roemer said if enough interest is generated at the banquet meeting by commercial processors, the U.S. Atomic Energy Commission's 18-ton truck mounted portable cesium irradiator will come to Idaho this fall to demonstrate food preservation techniques to private firms.

The demonstrations will be under the sponsorship of the INEC, the University of Idaho and other interested organizations. The USAEC furnishes the irradiator and operator at no charge.

Death Of Child Is Investigated

BLACKFOOT, Idaho (AP)—It has been revealed the death of a 17-month old Blackfoot child has been under investigation since Jan. 2.

Bingham County prosecutor Tom Moss said Thursday the investigation has included an autopsy and an inspection of the scene of the child's death.

Shane Sanchez, son of Michael and Deanna David Sanchez, was dead on arrival at a Blackfoot hospital.

Firms furnish the locations and produce and conduct the test program, turning over data developed to the AEC.

Anyone interested is invited to attend the banquet and meeting. Reservations can be made by calling the chamber office at 733-3974.

RECIPIENTS OF TROPHIES during the annual United Fund banquet Thursday night are Jim Barnhart, center left, being congratulated by Mike Mazzone, and John Campbell, center right, being congratulated by John Roper. Mr. Barnhart received the United Fund outstanding award for his work

in soliciting city offices, and Mr. Campbell was presented the award for O'Leary Junior High School, of which he is principal, at the school with the highest gift amount per capita. The banquet was held at the Holiday Inn and drew an overflow crowd.

Overflow Crowd Attends United Fund Awards Event

An overflow crowd surprised officials of the Twin Falls United Fund during the annual United Fund recognition banquet held Thursday night at the Holiday Inn.

Table settings for an expected 100 persons had to be hastily reshuffled when 142 persons showed up.

Telephone: Bill Miller, Fidelity National Bank; Jerry Meyer, CSI; Roy Roper, International Amusement; Jay Fuhrman, Sears, Roebuck and Co.; Dorothy Peavey, Camp Fire Girls; Hazel Faulkner, Paris Jr.; Bob Bopp, City of Twin Falls; Wes Startin, First Security, and Don Wike, Boy Scouts of America.

Mr. Roper also extended thanks to those firms and organizations who gave 100 per cent Fair Share to the 1968 United Fund campaign.

The banquet, beginning at 7 p.m., was held to recognize officers and workers of the United Fund effort. The outstanding award was presented to Jim Barnhart for his efforts in soliciting all city offices for pledges during the last two years.

John Roper presented the award, a trophy, to Mr. Barnhart.

Daryl Ander was introduced by Bert Larsen, master of ceremonies, and gave a report of the 1968 campaign plans.

Mr. Ander also presented a number of "Oscars" to key personnel within the United Fund. Among those receiving the Oscars were Hugh Coats, vice chairman over commercial and government; Tom Kalaugh, commercial chairman; Stan Dunham, commercial division chairman, section one; Dean Fenstermaker, commercial division chairman, section two; Paul Jones, commercial division

Members of the \$300 club, those giving \$300 or more to the United Fund, also were recognized. These included Lyle Frantzer, Harry Eaton, John Breckenridge and John Bishop.

A traveling trophy was presented to John B. Campbell, principal of O'Leary Junior High School, for the school with the highest gift amount per capita. The award was presented by Mr. Roper.

Laird Noh was recognized for 1967 FORD GALAXIE 300-V8, Auto. Well equipped, less than 7,000 miles. \$2795

Lazy Newsmen

Gov. Samuelson's plan to provide a tri-weekly voice "Report to the People" for use by radio and television stations, simply by dialing a Boise telephone number, provided to them, is just one more indication of the burgeoning curse of government releases.

questions that will reveal the true picture of what is happening. The governor's plan may have been conceived with the best of intentions, but it's highly doubtful if it will work out to the best advantage of the people.

Medical Vistas

Science, which creates all sorts of social problems in its relentless advance across the frontiers of knowledge, also has a way of solving those problems. Since the first heart transplant operation was performed in South Africa a few weeks ago, much has been written about the potential ethical and legal dilemmas doctors could run up against in this new and rapidly progressing field of organ transplantation.

town University Medical School in Washington, D.C., has disclosed that he is working on a research project aimed at finding out whether the hearts of unborn calves can be pre-conditioned for transplantation into human beings.

"I Think I Hear Those Gentle Voices Calling"

ART BUCHWALD

About The Domino Theory

WASHINGTON — One of the most discussed political theories of our time is the so-called "domino theory" which the Administration uses to justify most of the reasons why we are in Vietnam. The domino theory is based on the premise that countries in Southeast Asia are like so many dominoes, and if one falls, the next one will fall until every country but there is down and taken over by Godless communism.

plates waiting for some chicken caeciliator when any uncle, who was first in line, slipped and fell backward. He knuckled over my aunt standing in back of him and she, in turn, knocked over my cousin, who knocked over my son and so on until all 20 people were on the floor. It suddenly occurred to me that if this could happen to people, it could happen to countries.

and he thanked me personally for bringing it to his attention. "How did he know it would work?" "He lined up 20 State Department employees in the cafeteria, and tried the same experiment. When the first one in line fell, the others fell behind him. This was a proof enough that it was a concern of the CIA as he was concerned about it."

real bigots from coddling their insecurity by the use of such terms as "dope" and "lunky" and "nigger." Calling ethnical names is one of the tactics employed by people who fear they're not important enough. Parenthetically, it is amusing to discover that some of our leading professional super-liberals wouldn't be caught dead saying nigger, but continue to refer to other Americans as dagoes or kikes. I suggest this is because they fear the competition of Italians and Jews but not that of Negroes.

throw a right cross at a meddling bystander may be judged as unpatriotic by some purple-lipped citizens. But these citizens have not been asked to invite Frank to dinner. Indeed, such a confrontation would be mutually disastrous. Because Frank is reputed to have a low point of boredom.

WAYNE BRANDSTADT, M.D.

About X-Rays

Most of us are familiar with X-ray films without knowing much about the rays that make them. X-rays cannot be seen, felt, tasted, heard nor smelled, but their presence can be easily detected by using a sensitized film. When they are directed toward the human body, they readily penetrate most of the soft tissues but not the teeth, bones or various contrast media used to study the stomach and other hollow organs. The images projected on film may reveal a great deal about the changes in the body produced by disease or injury.

is exposed. The average dose of radiation to the reproductive glands (testicles and ovaries) from the atmosphere in which we live, not including radioactive fallout, is twice as great in the course of a year as the average dose from X-ray examinations. This natural background radiation comes from cosmic rays, radioactive minerals in the water and the earth and radioactivity within the body itself.

JAMES MARLOW

Uncertain Year

WASHINGTON (AP) — As it opened this is perhaps the most uncertain political year in this century. First, there are the not unusual, strictly political uncertainties: It seems sure but is not positive President Johnson will seek re-election; right now it's anybody's guess who the Republican candidate will be.

In 1952 when Truman decided he wasn't running a second time, he didn't announce his non-candidacy until March 29, 1952, which was 18 days after he lost the New Hampshire primary to a fellow Democrat, Sen. Estes Kefauver of Tennessee.

Views of Others

Opinions Of Guest Editors

"THE PEOPLE LEFT BEHIND" The recent report of the President's National Advisory Commission on Rural Poverty calls attention to a situation that is too often overlooked in our current preoccupation with the slums and ghettos of the big cities. Rural poverty afflicts 14 million Americans; these are "The People Left Behind," to quote the title of the report. They were left behind in the post-war migration to the urban centers.

states, "most of the 14 million people in our poverty areas are outside our market economy. So far as they are concerned, the dramatic economic growth of the United States might as well never have happened. It has brought them few rewards. They are on the outside looking in, and they need help."

BRUCE BLOSSAT

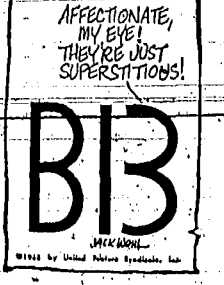

Is Primary Popularity Real?

WASHINGTON (NEA) — With the aid of Dr. George Gallup's polling organization, this reporter has pieced together some evidence which bears out an argument being used here and there to advance the presidential cause of Richard Nixon.

ly research on the question how party primary victories affect a candidate's poll status as measured against rivals in the opposite party. Hence this special inquiry.

by 54-46. But 16 days later this had closed up to 51-49 Kennedy and that ratio was not altered by his stunning West Virginia victory in which he won 67-33.

CHURCHES TO PARTICIPATE in the Magic Valley Council of Churches' pulpit exchange are represented by their ministers, from left, front, Rev. James Hughes, First Baptist Church; and Rev. Robert Harvey, First Presbyterian Church; from left, standing, Rev. Forrest Hibbard, Valley Christian Church; Rev. Harold Nye, First Methodist Church; Rev. Virgil Weimer, Church of Brethren, and Rev. John Riley, Episcopal Church of the Ascension.

T.F. Churches Will Take Part During Year Of Ecumenical Worship, Service

Christian churches locally, nationally and around the world will inaugurate a year-long program of ecumenical worship, action and service when they observe the annual Week of Prayer for Christian Unity Jan. 18 through Thursday.

Participating groups include Protestants, Eastern Orthodox and Catholics sponsored in the United States by the National Council of Churches, Faith and Order Department and recommended by the Roman Catholic Bishop's Committee for Ecumenical Interreligious Affairs.

The Magic Valley Council of Churches will begin the observance with a pulpit exchange between participating churches. Rev. Dr. Harold Nye, pastor of the First Methodist Church, will speak at the First Church Sunday, and Rev. James Hughes, pastor of the First Baptist Church, will speak at the First Methodist Church.

Rev. Virgil Weimer, pastor of the Church of the Brethren, will speak at the Valley Christian Church, and Rev. Forrest Hibbard, pastor of the Valley Christian Church, will speak at the Church of the Brethren.

Because of conflicts the date for exchange between the First Presbyterian Church and the Episcopal Church of the Ascension will be Feb. 11.

Rev. Robert Harvey, First Presbyterian Church, will be speaking at the Episcopal Church of the Ascension and Rev. John Riley, Episcopal

Plans Made By Burley

Zion Council
BURLEY—The first quarterly meeting plans of the Zion Lutheran Church were discussed by the Zion Lutheran Church Council under the direction of Immanuel Mafer.

New members of the council are George Toner, trustee, and Harvey Archer, elder.

Appointments announced were: Bill Hill, elder, to direct education; Glenn Hall, elder, to direct youth activities and evangelism; Mr. Archer, elder, stewardship; and Wilbur Biermann, elder, in charge of worship.

Chairman of the elders is Gene Hill. Bill Krizger was appointed chairman of the trustees and also in charge of maintenance supplies. Mr. Toner is in charge of insurance; Bill Jones and Paul Werner are in charge of building and grounds.

Edward Koris, a former trustee, attended the council meeting in his new capacity of financial secretary.

Recommendations were sent to the voters from the council setting a deadline on when the congregation should begin functioning under the proposed constitution, further development of the new constitution and that the congregation should add individual chalice at the communion services.

Church Plans Study Of Book Of Revelation

With the aid of a full-colored chart, special studies called God's Plan of the Ages are being given by Rev. Kenneth Himples, pastor of the Tyler Street Baptist Church, during the regular Sunday morning worship service at 11:00 a.m.

This study taken verse by verse from the Book of Revelation gives God's account as to events and happenings that will take place on the earth in the very near future.

You are urged to bring your Bible and join in these studies.

Montgomery Named Elder

EDEN—Clyde Montgomery was elected elder for a three year term and retained as treasurer of members of the Community Presbyterian Church held their annual congregational dinner and business meeting.

Reports of the year's activity were heard from the Sunday Church School, the Youth Group, the Women's Association, the Session, long range planning committee and from the pastor, Rev. Raymond L. Wilson.

Jim Grant presided over the corporation part of the meeting and gave the treasurer's report and the new budget for 1968 was adopted.

A decision was made to discontinue the plan of the unified worship services and return to the divided program with Sunday Church School at 10 a.m. and worship services at 11 a.m. This will begin Jan. 28.

This Sunday has been designated as Youth Sunday and the youth will be in charge of the worship service in both Hazelton at 9:30 a.m. and Eden at 11 a.m.

T.F. Episcopal Church Slates Annual Meeting

The Episcopal Church of the Ascension will hold its annual meeting Sunday at the Holiday Inn, beginning with brunch at 9:30 a.m.

The annual meeting will follow from the brunch and a celebration of the Holy Eucharist, also to be held at the Holiday Inn.

According to Rev. John Riley, pastor, the only activity at the church next Sunday will be the Christmas education program for children from nursery through high school age levels.

Psychologist Devises Test To Determine Suicide Tendencies

By ROBERT GOLDSTEIN, AP Science Writer
CHICAGO (AP) — A successful and seemingly well adjusted and contented man kills himself without warning. Why did he do it and could it have been prevented?
The why often differs with the individuals who kill themselves but a Chicago psychologist who has specialized in suicide studies believes much can be done to slash the annual toll of 20,000 or more deaths by self-destruction in this nation.
Dr. Misha S. Zaks, Ph.D., believes he has found a method to detect "suicide signals" in advance. He has developed a questionnaire called the Personal Opinion Inventory. It contains the Suicide Preoccupation Scale.
Zaks claimed his test shows which persons are suicide risks and determines the degree of such tendencies. He said that to his knowledge, his is the first and only copyright psychological test for the detection of suicidal tendencies.
He said many potential suicides are not fully aware of their intent self-destructive

tendencies and that the key to prevention is to find them and help them before they act.
Zaks said he feels that suicide prevention centers being set up in various cities are not the answer "because we can't get until the fire starts" if we're going to cut the losses.
A more effective system, he believes, would be to give suicide screening tests in high schools, colleges and universities, the military services and in industry.
"Young people who have suicidal tendencies are still very pliable if properly directed and can change with relative ease," he said.
Zaks believes the number of unsuccessful suicide attempts far outnumber the suicides. He estimates that from two million to five million living Americans have attempted suicide. In giving his Suicide Preoccupation Scale test to some 10,000 people, he reported 3 per cent of them admitted attempting suicide previously.
Zaks is an associate professor in Northwestern University's department of neurology and psychiatry. He also is associate staff clinical psychologist at Chicago Wesley Memorial Hospital.
The Suicide Preoccupation Scale contains only 25 questions. Zaks declined, however, to explain his method in detail. He said this would enable anyone with knowledge of the test to

unusual. However, when a significant number are clustered together—something the Suicide Preoccupation Scale is designed to spot—the risk of suicide increases.
Zaks was assistant director of psychology and research in the Psychiatric Institute of the municipal courts of Chicago from 1958 through 1961.
In this position Zaks had the opportunity to test persons who had attempted suicide and then were sent to the Institute for examination. He said his Suicide Preoccupation Scale was validated when their scores were compared with the scores of numerous other groups tested, including college students, YMCA groups and those enrolled in trade schools, barber colleges and secretarial schools.
Those who made serious attempts to kill themselves averaged much higher scores in the test than members of other groups, he said.

Mrs. Dayley Named Queen At Richfield

RICHFIELD — Richfield Diet Club held its three-month party and installation of officers at the Tuesday meeting at the Walters house.
Mrs. Clifford Dayley was recognized as queen for the year. She also was the three-month queen and best weekly loser for a trio of treasure chest gifts. She was division four best loser with Mrs. Ralph Riley Jr. as runner-up. Mrs. Carl Riley and Mrs. Ralph Riley were runners-up in the annual queen contest.
A silent auction was also part of the party. Meeting days have been changed to 4 p.m. Tuesdays at the Walters house. Any interested woman in the community is invited to attend.

fully answers and predicts detection of a high suicide risk. He said in an interview that an individual signal picked up by the test might signify nothing in the Roundup Room of the Rogerson Hotel. Reservations for the meeting may be made by calling Mrs. Betty Davy at 733-3438.

ABANDON HOMES PERIERO, Brazil (AP)

Snake River Trail Group Slates Meet

RUPERT — The Snake River Trail Machine Association will hold their annual potluck dinner at the Rifle and Pistol Club in Rupert at 7:30 p.m. Saturday.
President of the State Association, Harold Farlund, Pocatello, and State Secretary Robert Coates, Pocatello, will attend the dinner and will present a 30-minute program on trail riding. Plans will also be made for the Association's State convention which will be held in Rupert March 23 and 24 at the Elks Lodge.
The Association has accepted snowmobile owners as members and have contacted District Ranger Merlin Stocks, Burley, about the possibilities of forming a snowmobile patrol for policing purposes.

239 Injured OSACA, Japan (AP)

A five-coach electric train, traveling at 55 miles an hour with 1,600 passengers, smashed into an empty two-coach electric train near a railway station siding Thursday. Police said 239 persons were injured.

Burley Coop Supply Votes Positive On Contract Pact

BURLEY — Coop Supply Inc. has voted to accept a contract membership agreement with Pacific Supply Cooperative, a local association of farmers for supplies and services.
The members of the Burley firm voted recently, an overwhelmingly vote of 116 to 10, to turn over its operation under a "contract membership" agreement.
Under this agreement's terms — unique in farmer cooperative history in the Pacific Northwest — Pacific Supply Cooperative will assume responsibility for operation of the local association. Pacific Supply is a regional cooperative with headquarters in Portland.
Foye M. Trout, Pacific's general manager, said the changeover will be effective July 1. He also added that no changes in management or other personnel are contemplated at this time.
Russell Shockey, Coop Supply board chairman, said the "contract membership" agreement

with Pacific is designed to provide local member quality and service to Pacific Supply Cooperative. The association from the fiscal dilemma it has faced for several years.
Mr. Shockey and Dick Aldrich, Coop Supply manager, recount association activities of recent years, explaining that "cash flow" and "accounts receivable" problems had grown with increasing demands of farmers for supplies and services.
Equities of Coop Supply members are protected under the agreement and the Coop Supply board of directors will continue to function in an advisory capacity.

Burley VFW To Sell Magazines

BURLEY — Veterans of Foreign War Post 3043, Cassin County, is sponsoring a magazine subscription drive to raise funds for sick room equipment, and welfare.
Leo Fullmer, post commander, said, "Each representative on the magazine drive is registered with the Burley Chamber of Commerce and the Cassia County Sheriff's office."
Each representative will carry a letter of introduction signed by the local post officers. The officers are Fullmer, commander; Charles Shaddock, adjutant; Veri Martindale, quartermaster; Michael Hernandez Sr., vice commander; E. W. Coleman and Robert Stewart.
"No donations will be accepted during the magazine subscription drive," Fullmer stated.

Board To Meet SHOSHONE

The Advisory Board for Shoshone Grazing District will meet at 9 a.m. Jan. 25 at the American Legion Hall here.
Purpose of the meeting is to hear protests, act on Section III and Inter-district applications, grazing transfer applications, allotment and management plans for the Wendell Unit, and other business.

GOP Women To Hear Of Agencies

A. W. Morgan, director of the South Central Community Action Agency, and Mrs. Loretta P. Putzier, coordinator for the Neighborhood Youth Corps, an anti-poverty program, will meet with the Monday afternoon meeting of the Twin Falls County Republican Women's Club.

Display Set SHOSHONE

A junior-high art exhibit will be at the city library from Jan. 20 to Feb. 3. The display will include geometric designs, counter change, wood burning, pastel sketches and string prints.

Dear Abby

By ABIGAIL VAN BUREN wearing the ring—I should be picky about it. I also told him that most girls pick out their own engagement rings after the boy tells the girl how much he wants to spend. He doesn't agree with me and wants me to show him where to pick out her own ring. SAN MATEO

DEAR SAN: You two sound as if you're ready for a boxing ring, not an engagement ring. "Doesn't" say where that the girl or the boy should select the ring. Engaged couples usually select the ring together. That way the man is certain his sweetheart gets a ring she will enjoy wearing, which should please them both.

DEAR ABBY: Like so many of your correspondents, I never expected to be writing a "Dear Abby" letter—but here I am: "Tired!" school teacher who was given a farewell dinner and a gift by her colleagues; then changed her mind and returned to resume her duties. One of her colleagues wrote to say that he had collected the money for the "retirement gift" and dinner and was now red-faced because the teacher had not retired after all. It was even suggested that she return the gift.

DEAR ABBY: I am planning to become engaged in the near future, and my boy friend and I are having a big difference of opinion on something I want you to settle.

I would like to have an engagement ring made with yellow gold. My boy friend prefers white. He says that since he is paying for it, he should pick it out and I should take what I get and like it. I told him that since I'm going to be

OFFICERS OF THE Twin Falls County Extension Homemakers Council installed at the annual report luncheon in the Depot Grill are, from left, Mrs. Delbert Clamplitt, Kimberly, Kim-Sea Club, secretary; Mrs. C. J. Boss, Salmon Trout

Mrs. Boss Is President Of T.F. Homemakers Council

Mrs. C. J. Boss was installed president of the Twin Falls County Extension Homemakers Council at the annual report luncheon held at the Depot Grill.

Other new officers installed by Mrs. Anna Hayes, extension agent, were Mrs. Al Theener, vice president; Mrs. Delbert Clamplitt, secretary; Mrs. Earl Reed, treasurer; Mrs. Joyce Harding, citizenship chairman; Mrs. Doris Nelson, family life chairman; Mrs. Donald Lierman, civil defense chairman; Mrs. Richard Kirsch, health chairman; Mrs. Elwood McCalley, safety chairman, and Mrs. George Doolittle, publicity.

Mrs. Reed presented Mrs. Ben Eldredge, outgoing president, a memento for the work she did during her term of office.

The Sharp Achievement Award was presented to the Haus Frau Extension Club.

Mrs. Irene Childers, Mrs. Robert Norris and Mrs. Reed were appointed to the auditing committee.

The invocation was given by Mrs. Anna Hayes.

Mrs. Irene Childers, Mrs. Robert Norris and Mrs. Reed were appointed to the auditing committee.

The invocation was given by Mrs. Anna Hayes.

Social Events

BURLEY ELKS — The annual father-daughter banquet, sponsored by the Burley Elks Lodge, was held recently in the lodge dining room.

Earl Gerhart and his daughter, Betsy, 13 months old, received the honor for the youngest daughter attending.

SHOSHONE — Speaker for the Civic Club sponsored meeting at 2 p.m. Jan. 20 at the courtroom of the courthouse will be Al Morgan, Twin Falls, Community Action Agency director. Mrs. Frank Dallas, program chairman, announces the public is invited and urges all interested in education and the Headstart program, particularly to attend the meeting. Mrs. Rold Newby is chairman of the hostess committee.

PROGRAM GIVEN — FILER — Mrs. Joe Miller was in charge of the program of the Helen Jarvis Circle of the First Baptist Church. Mrs. Tom Lucas was hostess.

Burley Elks Host Banquet

BURLEY — The annual father-daughter banquet, sponsored by the Burley Elks Lodge, was held recently in the lodge dining room.

Earl Gerhart and his daughter, Betsy, 13 months old, received the honor for the youngest daughter attending.

Special entertainment was furnished by the "Neter Dawls," a singing group attending Magic Valley Christian College, Albion. Members of the group were Ken Jones, Carol Little, Terry Moulder and Ramona Miller.

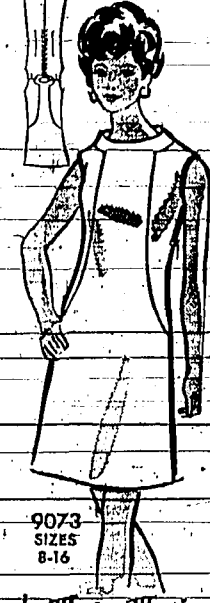

DEAR SHOCKED: I doubt that the dental association would do much about a dentist's choice of clothes, either.

DEAR SHOCKED: I doubt that the dental association would do much about a dentist's choice of clothes, either. I agree, you showed very poor taste, I wouldn't worry about the safety of my children. If you are concerned, have your children take their teeth elsewhere.

DEAR ABBY: I am planning to become engaged in the near future, and my boy friend and I are having a big difference of opinion on something I want you to settle.

Sixty-five cents in coins for each pattern—add 15 cents for each pattern for first-class mailing and special handling. Send to Marian Martin, Times-News, 385 Pattern Dept., 232 West 18th St., New York, N.Y. 10011. Print name, address with zip, size, and style number.

Choose one new spring pattern free—clip coupon in new Spring/Summer Pattern Catalog! Over 100 styles, all sizes. Dresses, costumes, sun-and-fun-wear. Special features! Send 50 cents.

Mrs. Allred Is Initiated By VFW Auxiliary

GLENN FERRY—Mrs. Audrey Allred, King Hill, was initiated into the VFW Auxiliary to the VFW Post 3646 at its last meeting in Memorial Hall.

Committee reports included the account of individual gifts purchased and delivered to the Elmore Memorial Nursing Home residents for Christmas.

A tea party is being planned for Valentine's Day in the home by the auxiliary, reports Mrs. Maxine Robertson, president, who invites any member who can go to Mountain Home that day to contact Mrs. Elda Clark at 9073.

Future plans include adoption of a student at Gooding State school, a 30th anniversary dinner in late February, and a reception for the Voice of Democracy contestants.

Name Selected By Area Girls

HAZELTON — "Karl Shu" was selected as the name of the Camp Fire Group, sponsored by the Hazelton Lions Club, at the recent meeting of members at the home of Mrs. R. C. Stepp, leader.

The name, Karl Shu, means Singing Together Outdoors.

Special attention was given to the requirements for rank. The girls voted on one of the requirements to have done before the next meeting. They were shown how to make their notebooks for recording their crafts.

Mrs. Eleanor Shauerman was a guest. Any of the mothers are welcome to come to the meetings. It was announced the next meeting is Jan. 29 at the home of Mrs. Milton Cunningham.

Meeting Slated By Economists

SHOSHONE—The Home Economics meeting for Lincoln-Gooding — Elmore and Jerome Counties will be held at 8 p.m. Jan. 31 at the home of Mrs. W. A. Carter, 1113 California St., Gooding.

Mrs. Bill Mink is in charge of the program, "What's New in Home Economics."

All home economists are invited to attend, reports Mrs. Mary Lou Ruby, chairman.

The Twin Falls Home Economist-Group has asked the four county home economist group to assist with its 1968 state convention, "Silent Auction," to be held in November in Twin Falls.

James Fields Is Speaker

FILER — James Fields, who has recently returned from the Philippine Islands where he served with the Peace Corps, showed slides and spoke of his experiences to members of the Baptist Women's Missionary Society.

Mrs. Lauren Butts was in charge of the devotional service, using the book, "The Secret Place."

A family-night potluck dinner will be held at 7:30 p.m. Feb. 1 at the church.

Mrs. Marshall Johnson and Mrs. Richard Morgan were hostesses.

Bridge Played

HAZELTON—The Tuesday afternoon Bridge Club members met at the home of Mrs. W. A. Baisch Jr., with two tables in play. Guests were Mrs. Richard Kunkle and Mrs. O. C. Burdick.

Winners reported were Mrs. Milton Shaeffer, Mrs. Burdick and Mrs. Kunkle. The next bridge play is on Feb. 1 at the home of Mrs. Bill Wright.

Magic Valley Favorites

MRS. WILFORD WILCOX
510 14th St., Wilcoy

Hooska
Scald 1 cup milk.
Add:
1/2 cup sugar
1/2 cup butter
2 teaspoons salt
1 cup lukewarm. Add one cup flour.
Soften one cake of yeast in one-quarter cup warm water. Add to first mixture.
Mix one teaspoon grated lemon rind, one-quarter teaspoon mace, two eggs, one-half cup white raisins, one-half cup chopped blanched almonds. Add flour and three-fourths cups flour gradually to make soft dough.
Knead and let rise in bowl. Punch down and divide into five parts—wait 10 minutes.
Roll each portion into long strand. Place three on greased baking pan and braid loosely. Tuck ends under and seal well. Twist two together and place on top of braided ones. Let rise. Bake at 350 degrees for 40 minutes. Frost and decorate.

(The Times-News will pay \$5 each week for the best recipe submitted for Magic Valley Favorites—if you have a favorite recipe, just mail it to the Recipe Department, Women's Page Editor. The recipe becomes the property of the Times-News and cannot be returned.)

Literary Unit Hears Review

Mrs. Larry Anderson was hostess for the January meeting of the LeLivre et La Plume Literary-Arts Society.

The book "Anatomy of a Phenomenon" by Jacques Valen was reviewed by Mrs. Anderson. It is a compilation of experiences of persons reputed to have seen flying saucers or other unidentified flying objects.

The author says that 98 per cent of the sightings are explainable by natural means. The other two per cent are still mysteries.

Mrs. Stanley Snow and Mrs. Mil-Van Noy were co-hostesses.

League Meets

FILER — Rocky Burkhalter was in charge of the devotional service of the Clover-Waltier League at the school. Yvonne Lutz led the topic study.

Carol Meyer, Wanda Schroeder and Roger Schroeder were in charge of recreation and refreshments were served by Ray Auferheide, LaDonna Schroeder and Clyde Schroeder.

Water Outlook For Idaho Below Normal

BOISE—The water supply outlook for Idaho as represented by snow-survey measurements, precipitation and soil moisture conditions is well below normal throughout the state, except along the southern edge of the border of Montana and the very southern edge of the state on the Nevada line.

According to Morlan Nelson, Boise, snow-survey supervisor in these areas the snowpack and soil moisture conditions are close to normal or slightly above.

Snow cover is spotted and varies from 41 per cent of normal on the Dalles River to 115 per cent on the Brunau River in Southern Idaho. Snowfall has been very disappointing to date even though there has been short periods of very low temperatures.

Early snow cover melted during December in a warm period which partially primed the soil. The combination of soil moisture conditions, snow cover to date and precipitation indicate a below normal water supply outlook, Mr. Nelson said.

On most rivers in Southern Idaho which are used for irrigation, unusually heavy snowfall will have to occur before April 1 to make up for the deficiency. Generally speaking, about one-third of the total snowpack for the year has accumulated by the first of January. This leaves the major snow accumulation period still unknown for 1968.

Reservoir storage is generally above normal although there are two notable exceptions in areas perennially short of water—the Salmon Falls Creek and Inflow to Oakley Reservoir south of Burley.

Flock Heads Water Board At King Hill

KING HILL—At the 1968 reorganization meeting of the King Hill Irrigation district board of directors, Donald Flock was elected chairman of the board and Ray Thompson was elected vice chairman.

John Wheeler was sworn in as the new director. He was elected in December. Ted Moore was re-elected as manager of the district. George Davis was re-elected as foreman of the maintenance crew and Mrs. Barbara Crane, secretary and treasurer.

The board discussed plans for a five-day work week for employees which will commence this fall. There will be six months with a five-day work week when the water is turned off in the fall. During the spring and summer there will be a six-day work week plan.

McCarter and Tuller engineers from Boise reported on the new construction work now in progress, installing the new Glenn Ferry steel siphon southwest of King Hill.

Returns Home

PAUL—James F. Horner has returned from Los Angeles where he and other members of the Board of Directors of Pacific Supply Cooperative attended the annual meeting of the National Council of Farmer Cooperatives.

Horner explained that the National Council was organized to promote the interests of cooperative business organizations of farmers in the United States.

Idaho '67 Pig Crop Totals 192,000 Head

BOISE—The 1967 pig crop (pigs saved, December, 1966, through November 1967) totals 192,000 head, reports the USDA Livestock Reporting Service for Idaho.

This is nearly seven per cent above the 1966 pig crop and the same as the 1961-65 average. The number sows farrowed in the fall of 1967 was 12,000, as compared to 11,000 a year ago and the five-year average of 12,000 sows.

The 1967 spring pig crop was 88,000 pigs saved, 3,000 more than the 1966 spring pig crop, but 3,000 less than the five-year average. The 1967 fall pig crop was 94,000, 9,000 more than the 1966 fall pig crop.

Based on reports from Idaho hog producers, intentions are to farrow 13,000 sows in the spring of 1968, an increase of 1,000 sows from the spring of 1967.

RE-ELECTED DIRECTORS of the Northside Canal Co. Ltd. are from left, Russell Woolley, Nick Trappen and Dale Dewey. They were re-elected during the firm's annual stockholders meeting earlier this week.

Northside Canal Co. To Have Good Year In '68

With near-normal precipitation the balance of the winter, 1968 should be an adequate water year for the Northside Canal Co., stated Douglas E. Finkelburg, general manager of the canal firm.

Mr. Finkelburg made the statement during the firm's annual stockholders meeting earlier this week in the Jerome Grange Hall. He added, however, "If precipitation is below normal and if the ice cover on American Falls remains late and does not allow for the filling of the reservoir, some curtailment of water may be necessary this year."

Mr. Finkelburg said a total of 1,168,321 acre feet of water was diverted throughout the project during the 1967 season, about 17,000 acre feet more than previous high in 1956.

The three reservoirs that store Northside Canal water are about 87 per cent of capacity, Mr. Finkelburg said, as compared to 65 per cent a year ago and 66 per cent in January, 1966.

Several repairs that were made during the past year were reported by Mr. Finkelburg. He also said the 218 miles of canals were cleaned and an excess of 370,000 cubic yards of silt were removed.

In moosing, he said that only chemicals were used and were quite successful.

Also speaking to the stockholders was John Roahall, Twin Falls, canal firm attorney. He told of major projects underway in this area and other parts of the country and of major legislation pertaining to water.

Three directors were re-elected by the stockholders. They are Dale Dewey, district three; Russell Woolley, district six; and Nick Trappen, director at large. President of the board of directors is C. J. Marshall.

Burley Man Disappointed In Proposal

BURLEY—Clarence Parr, Burley, president of the Potato Growers of Idaho Inc., expressed disappointment upon returning from Washington in the USDA's handling of a proposed potato diversion program.

Mr. Parr said, "Under the proposed payments for diversion of potatoes to starch and flour will be at the rate of 50 cents per hundredweight for January and February and 45 cents per hundredweight thereafter, until the program is ended."

"Payments for diversion of livestock feed will be 85 cents per hundredweight for January and February and 45 cents thereafter until the program is ended. The higher diversion rate for livestock feed is to provide for higher inspection and other costs inherent in this type of diversion."

President Parr wished to make it clear that the diversion program offered by the USDA is not available at this time to Idaho growers. Two things must happen before Idaho can be included in the program.

One, The Marketing Order Control Committee will have to change minimum size regulation on U.S. No. 1's to two inches or six ounces.

Two, it will be necessary that some responsible, representative group make an official request to the Secretary of Agriculture that Idaho be included in the program.

The potato growers of Idaho Inc. will abide by the decision of the majority of the growers as to whether a request for diversion is made. Mr. Parr encouraged all growers to return their poll card to the Idaho and Onion Commission immediately.

Charter Is Draped For H. Lehman

BUNN—The charter was draped in memory of the late Henry Lehman during a meeting of the Buhl Grange.

John Unsicker was elected treasurer to fill the vacancy caused by the death of Mr. Lehman. A memorial was sent to the Idaho Youth Ranch in Mr. Lehman's memory.

Plans were made for the pancake supper and auction to be held Feb. 18.

Mrs. Will Chambers, program chairman, read a poem, "Greetings" written by Mrs. May Burkhardt, Bunn. Mrs. Margaret Miller read a poem by Dean Mickelwait read an article on business forecasts for 1968, and Mrs. Mickelwait read an article on forecasts of past and future events. The program was closed with prayer given by Mrs. Chambers. Mr. and Mrs. Mickelwait were hosts for the evening.

Potato Diversion Plan Offered

WASHINGTON—Secretary of Agriculture Orville L. Freeman announces that the U.S. Department of Agriculture will assist potato growers in marketing the 1967 fall crop of potatoes.

He said USDA's Consumer and Marketing Service would include two programs—a payment program to encourage diversion of potatoes to starch, flour, and feed and a limited purchase program, under which potatoes would be bought and distributed to schools and other eligible outlets. Both programs will be operated, and funds for them will be provided, under terms of Section 32, Public Law 74-320.

Secretary Freeman said the programs are being initiated because grower prices are at distress levels. USDA's December 1967 report on potato stocks held by producers and local dealers indicates that supplies are 21 per cent above average. Excessive plantings are the primary cause of these price-depressing potato supplies. USDA economists report that State Agriculture Stabilization and Conservation Committees will handle local program operations.

To qualify for a diversion payment program, a potato producing State or area must develop an acceptable marketing plan under which only the best quality potatoes will be sold to consumers and lower qualities will be withheld from the retail market and disposed of in secondary outlets. Payments will be made to compensate growers for the lower prices received in the sale of potatoes to these secondary outlets, which include manufacture of starch and flour and livestock feeding operations.

An acceptable marketing plan will have to set these minimums for quality that can be marketed to consumers—for round potato varieties—U.S. No. 1 grade, two inches in diameter, and for long potato varieties; U. S. No. 1 grade, two inches in diameter or four ounces in weight, or U. S. No. 2 grade, six ounces in weight.

In a potato producing State or area having no secondary outlets such as starch or flour plants or concentrated livestock feeding operations, it is the purchase operation that is undertaken. Potatoes purchased under such programs will be distributed by CAMS to schools and eligible institutions within the State of purchase only. Purchases will be limited to the quantity which these outlets can use without waste.

Any such purchases will be on the basis of 50- or 100-pound bags (USDA option). Potatoes will have to meet requirements for U.S. No. 1 grade, Size A (two-inch minimum diameter), with not more than one-half of one per cent soft rot. Price paid will be \$2.00 per hundredweight, loaded on board trucks at shipping point. Purchases will be made only while supplies of potatoes remain at price-depressing levels.

Payments for diversion of potatoes to starch and flour will be at the rate of 50 cents per hundredweight for January and February and 45 cents per hundredweight thereafter, until the program is ended.

Payments for diversion to livestock feed will be 85 cents per hundredweight for January and February and 45 cents per hundredweight thereafter, until the program is ended. The high-

Pomona Sets Jan. 30 Meet At King Hill

KING HILL—Shoshone County Pomona Grange will hold an eight-day meeting Jan. 30 at the King Hill Grange Hall. It was reported at the local Grange meeting.

John Davis, master, reported on the Christmas project of buying clothes for a child at the Idaho State School for the Deaf and Blind at Gooding. Mr. and Mrs. Glenn McCleary were accepted as new members and will be given the fourth degree obligation at the next meeting.

Mrs. Joe Young, home economics chairman, asked women to participate in the sewing and needlework contests and home-made bread contest. Arthur Grange Insurance agent at King Hill, H. O. Lips, Pomona Grange master, announced a special meeting for all Elmore county granges to be conducted by Mrs. Ira Kistler, Gooding, state grange lecturer, in February.

Karl Anderson and Arthur Grange were appointed a committee to urge improvement in the mail-service, which will be sent to congressmen in Washington, D.C.

Speaker Set

SHOSHONE—Connie Meyer, Assistant State 4-H Club Leader for the United States, will present a lecture to the 4-H Leaders in Shoshone Jan. 23, and to the 4-H Builders Club on Jan. 24.

Meeting places will be announced later.

Swine Sale Is Set For Thursday

A total of 83 registered hogs will be held for 4-H and FFA members, Olan Gunn, Twin Falls 4-H club leader, and Darrell Schmitt, Gooding vocational agricultural instructor, are in charge of the contest.

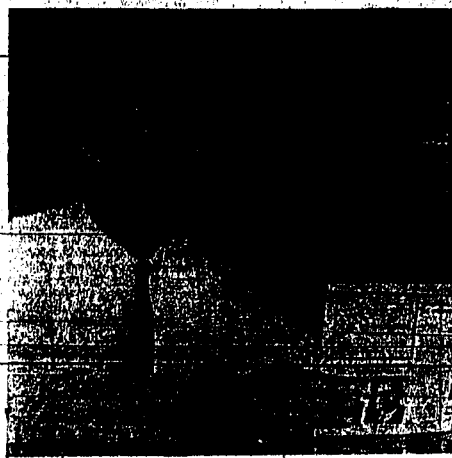

According to Mrs. Virginia Mink, Gooding, secretary of the Southern Idaho Swine Breeders' Inc., sponsors of the sale, the sale will begin at 1 p.m. on Thursday, Jan. 25, at the Rupert Farm Bureau.

Prize to the sale, starting at 9:30 a.m., judging contests will be held at 1 p.m. Monday the Market Hog Show will be held at Independent Meat Co., Twin Falls. Here the great champion hog at this show will be awarded a trophy by Rangens Inc. (Bull). A reserve ribbon and \$5 will be given to the second place hog and the third place hog will receive \$3.50.

The same hogs in the Market Hog Show will then be entered in the carcass contest, scheduled to be held at 8 p.m. Wednesday at Independent Meat Co. Judging this event will be Wade Wells, University of Idaho, animal husbandman, and Otto Florence, Independent Meat Co.

Prizes also will be given to winners of the carcass contest. A trophy, given by Independent Meat Co., will be awarded for the first place carcass, a reserve ribbon and \$5 for second place carcass and \$3.50 for third place carcass.

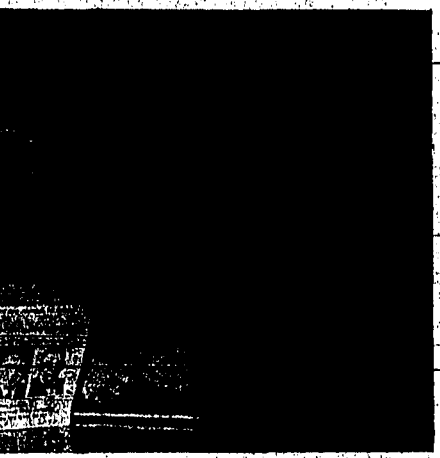

Independent Meat will purchase all carcasses if the quality is so desired, but in any case, a processing charge of \$1.50 per carcass will be paid by the exhibitor.

NEW OFFICERS of the Rupert Farm Bureau will be installed during the group's annual meeting Feb. 1. From left, are Ernest Thaele, president; Mrs. Carl Williams, secretary, and Frank Hunt, first vice chairman.

According to Calvin Gray, local association president, the meeting will start at 10 a.m. and a hot luncheon will follow. Afternoon speakers will be George Cleveland, University of Idaho, extension dairyman, and Denton (Joe) Hall, Idaho Dairyman Association.

All members are urged to attend and all interested in the dairy industry also are invited.

Ernest Thaele, president; Mrs. Carl Williams, secretary, and Frank Hunt, first vice chairman.

Meeting Set

The Twin Falls County Dairy News Improvement Association's annual meeting will be held at 10 a.m. Jan. 25 in the Regency Hotel Roundup Room.

According to Calvin Gray, local association president, the meeting will start at 10 a.m. and a hot luncheon will follow. Afternoon speakers will be George Cleveland, University of Idaho, extension dairyman, and Denton (Joe) Hall, Idaho Dairyman Association.

All members are urged to attend and all interested in the dairy industry also are invited.

Importance Of Livestock Is Reported

SHOSHONE — According to Ivan Hopkins, Lincoln County Extension agent's annual report, 20 per cent of the gross annual income is derived from the sale of cattle and calves.

The 89 per cent dairy range land in the county lends itself well to the beef industry.

"Thus indirectly a major role of any extension program is directed toward the assistance of the livestock industry," Mr. Hopkins said.

During 1967 a major effort was exerted in the production of beef cattle. Early in January a four-county workshop was held in the facilities of the Gooding Livestock Commission company. The workshop was sponsored by the Extension Beef Advisory Committee of Elmore, Camas, Gooding and Lincoln Counties.

The Shoshone Unit and Thorne County Cattlemen's Association have a bull grading committee held a bull grading tour where 100 bulls were graded.

In April another grading tour was held for Dietrich Butte, Richfield Unit and Star Lake Cattlemen's Associations; it took 300 miles and 175 bulls.

In early May a carload of livestock producers attended the annual Beef Field Day at Caldwell Branch Experiment Station, gathering information that would assist with individual operations.

The county beef advisory committee is composed of Glenn Nelson, Wendell Johnson, Alex Bilbau, Oscar Kerner, Don Sandy and Howard Hill.

Wednesday morning's program will consist of a panel discussion on the issue "The Small Acres

Potato Industry Meeting Set

POCATELLO — Idaho's fourth annual Potato Industry Conference will convene in Pocatello's Banquet Hotel for a two-day session on Jan. 29 and 31.

"Increasing Income by Maintaining Quality" is the theme of this conference which will concentrate on today's problems facing potato producers. All potato growers as well as others active or interested in the potato industry, are asked to attend. A full program is planned for the ladies, including a style show and tours.

The program will feature the president of the Potato Growers of Idaho, Inc., seven other successful Idaho potato farmers representing small as well as large potato acreages; two processor representatives; two shippers; a banker; a Farm Bureau representative, and two marketing economists from the University of Idaho.

Under the leadership of conference chairman Walter Sparks, Idaho's renowned potato research scientist from Aberdeen, the conference will open Tuesday at 8 a.m. with registration and at 9:30 a.m. with the keynote speakers. Introduced by economist Larry Summers, Joe Ackerman, Farm Foundation, will discuss "The World Food Situation" and John Moriarty, Arthur D. Little, Inc., will speak on "The Impact of New Technology on the Food Industry."

Tuesday afternoon will be devoted to a panel of growers moderated by Joe Allen, American Falls farmer, on the subject "Producing Quality Potatoes." Panelists will be Dell Raybould & Hilbard; Dick Kerbs, Blackfoot; Warren Helms, Rupert, and Tom Takatori, Parma.

Wednesday morning's program will consist of a panel discussion on the issue "The Small Acres

Farmer — His Future?" Forest-Severe, Idaho Farm Bureau Federation, will moderate and the panel members are Roger Black, Jerome grower; George Blick, Castleford processor, and Louis Rasmussen, Rexburg grower.

The afternoon session will be on "Programming — Financing, Production and Marketing." Quentin Banks, University of Idaho marketing specialist, will host the panel.

REMEMBER
WHEN YOU
CELEBRATE

EVENTS IN TWIN FALLS
50 and 30 YEARS AGO

as recorded in The Twin Falls Chronicle, Twin Falls News and Idaho Evening Times. Brought to you each week by **Bob Reese**

50 YEARS AGO
City Clerk W. A. Minnick is reflecting over the birth of a son last week.

Adjournment of the senate and house of representatives and half mending of the capital flags were the honors paid to Senator James M. Brady, of Idaho, who died at his Washington residence of a heart attack.

Assured by the representatives of the Midland Bridge Co. in Kansas City that it is possible to secure steel cable for bridge building the commissioners of the Hillsdale Highway District and Twin Falls County entered into a contract for a new set of plans and specifications for the proposed bridge across Snake River canyon near Hanish.

30 YEARS AGO
Utahsters swept down a treacherous stream course in a heavy snowfall to take the lead in a Tri State ski meet between Idaho, Montana and Utah. Despite the high speed performance of Keane Engen, number one man on the Idaho team, the 6 members of the Utah team placed close behind the leader to make 100 points.

A meeting of 30 Shriners was held at the Park Hotel. Officers elected were M. E. Dalling, President, to succeed Joe Kessler, who retired after 12 years service, Charlie Russell was elected vice president and W. W. Larverton, secretary, and H. E. Grant, treasurer.

Wool Growers Urged To File For Payments

BURLEY — Carl Osterhout, chairman of the Cassia County Agricultural Stabilization and Conservation Committee, urged growers to file their applications for 1967 marketing year payments under the National Wool Act before the last of January.

The payment on wool sold during 1967 represents the percentage necessary to bring the national average price received by growers up to the previously announced incentive level under the wool legislation. The level for 1967 is 6 cents a pound for short wool and the payment for pulled wool will be at a level comparable to that for short wool.

Payments on sales of five lambs that never have been shorn will be based on the payment rate for short wool, according to the average weight of wool per hundred weight of wool and the value of the wool relative to the value of short wool.

Since payments under the program are based on the national average price for marketing during the entire year, it is important that sales reports be as complete as possible before the average price determinations are made. This is why the ASCS is stressing application filings by Jan. 31.

Payments for the 1967 marketing year will begin about April. Marketing completed after Dec. 31, 1967, are considered as 1968 marketings and therefore will not be eligible for payments until early 1969, Osterhout pointed out.

Cattlemen To Meet Jan. 23

SHOSHONE — The annual meeting of the Star Lake Cattlemen's Association, Inc., will be held at 2 p.m. Jan. 23, in the Lincoln County courtroom in Shoshone.

Three members of the board of directors are to be elected. Other discussions will include finances, rider and bull grading. Ivan Hopkins, secretary-treasurer, states.

Pin Presented To Frank Karel

BUHL — The past master's pin was presented to Frank Sedivy at the Lucerne Grange's first January meeting. Frank Karel, master, reports.

Robert Tassar read "Things to Forget." A contest was conducted among the grangers and a reading given by Frank Sedivy. The closing thought was given by Mrs. Pete Tassar.

Lunch was served by Mr. and Mrs. Tom Hoytmanek.

Club Meets

SPRINGDALE — The Springdale Grangers club held its first meeting of the new year at the home of the leader, Mrs. Larid Burgess.

Members discussed projects, which include food, clothing, child care, knitting, safety, health and home improvement. Darle Wattle was in charge of games. Pannis Burgess and Susan Coffin served refreshments.

AIDES LISTED

GLENNIS FERRY — William Walker, Glennis Ferry, is a board member on the Hillsdale Elmore Soil Conservation District, and J. Wilson Steen, Glennis Ferry, is alternate supervisor, while Wes Lee Hoalst, Hammett, is vice chairman.

Output Down

BOISE — During 1967, Idaho farms produced 1,427 million pounds of milk.

According to the USDA Crop and Livestock Reporting Service for Idaho, last year's production was 1,432 million pounds and the 1961-65 average is 1,561 million pounds.

JOINS ASSOCIATION

Mike Holloway, Twin Falls, has joined the junior membership ranks of the National Association of America. Nearly 13,000 youngsters are now actively enrolled in the breed organization's program.

Area Farm Bureau Officers To Be Installed At Banquet

RUPERT — The annual Farm Bureau Banquet will be held at the Rupert Elks Lodge at 7:30 p.m. Feb. 1, it was announced at a recent board meeting.

New officers, Ernest Thaele, president; Frank Hunt, first vice chairman, and Garth Atwood, second vice chairman, will be installed at the banquet. Mrs. Carl Williams was re-elected as secretary.

The banquet will be a smorgasbord and the program will include musical entertainment. Speaking will be Robert Colner, Twin Falls. Holly Houburg will be the master of ceremonies.

Tickets may be obtained from any of the following board members, Richard Hanks, Ernest Thaele, Noel Croft, Frank Hunt, Ruben Weber, David Sprifer, Garth Atwood, Mr. and Mrs. Charles Garner or Mrs. Carl Williams.

The banquet is under the direction of Mrs. Frayne Shouse and Mrs. Carl Williams. Anyone who is interested may attend.

A nominating committee has been selected with David Sprifer as chairman and the election of community chairman will be held the night of the banquet also.

Noel Croft, membership chairman, reported that the membership drive is still going on with good progress.

Tax Report Is Given At Tuttle

TUTTLE — William Maude, master of the Tuttle Grange, reported on a tax and budget meeting attended by farm leaders of Gooding County when the Tuttle-Grange met recently.

The meeting was called by the Gooding County Commissioners to discuss the budget for the year and other matters.

Mrs. Ed Davis, lecturer of the Tuttle Grange, reported at the meeting, on planned activities for the county Granges, including friendship meetings, to be at Gooding and Hagerman this winter. A film was shown for the Lecturers Library program.

Mr. and Mrs. Raymond Wright served refreshments.

Contest Set

WENDELL — Elmer Johnson and Richard Jasper are captains of an attendance contest sponsored by the Wendell Grange. The insing team will provide the program and be in charge of food for a booster night.

At the last Grange meeting food was served by George Puller, Elmer Johnson and Mrs. Wayne Mathew. Violette Miller played two accordion selections. The program was arranged by the lecturer, Mrs. Ivan Miller.

SPOKANE, Wash.—The largest West Coast swine show ever to be held Wash. 8226, here has been predicted by Barrow carcasses will be Blaine Hinderer, Pullman, judged by Dr. Leon Orme, University of Idaho, and Clint Luce, Washington State University. The show will be held Jan. 30-31 at Bower Packing Co., North and Feb. 1-2 at three locations. 801. Freya, Spokane. Any hog the live barrow show will be raised or hog feeder is eligible judged at 7 p.m. Tuesday, Jan. 30 to enter market barrows in both live and carcass contests. Stockyard sales arena. Rolland Completa. Information will be Paul, executive vice-president of National Pork Producers Council, Des Moines, Iowa, will fat, ham size, rib eye measurement, etc.

The purebred part of the show will be at Spokane. Interstate gilts will be sold at auction at Fairgrounds at 10 a.m. Friday, Feb. 2 at Spokane. More than 100 animals have been consigned to the sale. Complete information and cat-judging contest with many slogs may be obtained free of prizes for winners. Demonstrations charge by writing Dr. Gil Kroetz, Washington State University, Pullman, Wash. 99162. 4-H members should apply for entry by writing Jerry Davis, of any state are eligible.

Along Fences And Canals

Mr. and Mrs. George Larson, Glenn Ferry, have purchased the Josephine Parish farm in Pasadena Valley, south of King Hill and are having a new three-bedroom home built at the ranch overlooking the valley above the Pasadena Valley school house.

Mr. and Mrs. Charlie Jaynes have moved into a trailer house which was brought from Rogerson to the Mark Jaynes Ranch, Richfield. The young couple had resided at the Ollieu Ranch since last summer.

Mr. and Mrs. D. H. Kelley, Dietrich, have purchased the home of Mr. and Mrs. Ben Gopp, Shoshone, and will be moving there soon. The Kelleys sold their farm at Dietrich to Mr. and Mrs. Edwin Smith, Mr. and Mrs. James Andrews, who have been running the Gopp home, have purchased the home of Mr. and Mrs. D. M. Lehman, who are moving to Coeur d'Alene.

Mr. and Mrs. Jim Reed, Tuttle, have prepared about 40 acres of former wasteland and dry pasture for production and seeded it to winter wheat at their farm southeast of Tuttle. This was done last fall and early winter.

Early lambs are frolicking in the yards at the Beallford ranch in Hagerman. Jones and Sandy will start lambing about Saturday. Mrs. Frank Holmes reports lambing will be starting at their place about Jan. 18.

Mr. and Mrs. David Giles and son, Bruce, Salmon, spent several days in Elba on business and stayed at the home of his uncle and aunt, Mr. and Mrs. Donald Chandler.

Elba well driller, Arlo Lloyd, finished a house well for Mr. and Mrs. Keith Darrington, Elba, and has moved his rig to the James Hill ranch in Malia where he will dig an irrigation well.

Mr. and Mrs. George Coote, Elba, are hauling baled straw from Emerson to their ranch in Elba.

Dr. Tom Blahny from the Burley Veterinary Hospital visited before calves on the Donald Chandler ranch in Elba last week.

Mr. and Mrs. Calvin Hoagland have bought the former Lloyd Mothershead ranch east of King Hill, owned by Mrs. Robert Floyd, Mountain Home. The Hoaglands plan to rent the land and have pasture for their horses.

Riverwood Ranch, Richfield, sold around 200 calves at the Shoshone and Jerome Sales Yards this week. Don Treoburg, one of the three ranch owners was here from Los Angeles for several days conferring with ranch manager, Rupert Golcochea.

T.F. Grange Sets Pancake Event Jan. 20

Plans for a pancake supper were made by members of the Twin Falls Grange at a recent meeting.

The annual event will be held at 8 p.m. Saturday at the grange hall.

It was announced that the youth program will be "New Horizons" this year and youth camp again will be held this summer.

Bean problems were discussed by Clifford Davis at the meeting. He said consumption of beans has dropped.

Thomas Speedy, master, will be in charge of the program at the next meeting.

New Local 4-H Club Organized

A new 4-H Club was organized recently in Twin Falls. The new club is the Gem State 4-H Knitting Club with Mrs. Warren Williams as leader.

New officers of the club are Glenn Ward, president; Shanna Thiel, vice president; Sally Ward, secretary; Vickie Ulrich, treasurer; Nancy Warner, reporter; Cheryl Armstrong, recreation leader; and Linda Armstrong, sergeant-at-arms.

Different ways of making knitted buttonholes were explained by Mrs. Williams.

The next meeting will be held at the home of Glenn and Sally Ward. All members are to bring needles and yarn.

USE TIMES-NEWS-WANT ADS FOR FAST-SELLING RESULTS

PRESENTING CHECK for \$75 to Mrs. Kenneth Poe, Twin Falls, right, for winning a national knitting contest is Mrs. Donald Dietz, Buhl. Mrs. Poe, a member of the Twin Falls Grange, was the national contest sponsored by Coats and Clark, Inc., yarn manufacturers, with a sweater she made. Mrs. Dietz was home economics chairman of the Twin Falls Grange at the time Mrs. Poe won.

Jorgensens Members Of Knull Grange

Mr. and Mrs. Howard Jorgensen became members of the Knull Grange during a recent meeting.

Mrs. Poe, Mr. and Mrs. Harry Sharp and Elmer Dosselt assisted Mr. Poe in demonstrating arts of the ritualistic work of the grange.

Thomas Speedy, master of the Twin Falls Grange, spoke on "The Good of the Order." Robert Rowe, assistant scoutmaster of the grange's scout unit, Troop 62, said the troop's winter camp will be held Saturday and Sunday in the South Hills.

Giving the agricultural report was Glenn Dosselt. He said a sugar beet processing should be finished in a few days. He also said that all trailers must have signal lights.

Mr. and Mrs. Elmer Debban, Mrs. Elmer Fouts and Mrs. Glenn Dosselt read a list on membership entitled "Quality versus Quantity."

The next meeting will be Jan. 28.

Terry Parish Will Head 4-H Club

KING HILL.—Terry Parish was elected president of the Pasadena 4-H Club members re-organized Sunday at the home of their leader, Mrs. Lee Trill.

Other officers elected were Rocky Trail, vice president; Larry Parish, secretary; Sheri Pruet, treasurer; Joan Trill, reporter, and Harvie Hanke, reporter.

Rocky Trail, Harvie Hanke and Terry Parish, are Junior leaders. Mrs. Trill asked each member to furnish their own projects this year for their own projects.

Terry Parish will give a talk and show a film on Animal Nutrition at the next meeting Jan. 21, at the home of Mrs. Trill.

New members are welcome to join.

T.F. Woman Gets \$75 For Winning Knitting Contest

Mrs. Kenneth Poe, Twin Falls, received \$75 during a meeting of the Twin Falls County Pomona Grange for winning a national knitting contest that was sponsored by Coats and Clark, Inc., yarn manufacturers. She made a sweater.

Mrs. Henry Takman received an electric knife from Mrs. Craig Dunlap, home economics chairman, for winning fourth place in the National Grange contest with her sampler.

Mrs. Dunlap said a joint meeting of county home economics chairmen and lecturers will be held at 2 p.m. Jan. 27 in the Idaho Power Auditorium.

A special meeting for state officers will be held at 8 p.m. Jan. 30 in the Mountain Rock Grange hall, state A. E. (EAF) Harper, grange master. Another state officers meeting also will be held in Castleford at 1:30 p.m. Jan. 31.

Mr. and Mrs. Lowell Wilson were given the fifth degree obligation and were accepted as new members.

Speaking to the grangers was Heber Loughmiller, chairman of the Twin Falls County Commission. He said the enlargement of the runway at the present Twin Falls airport would be adequate for this area for several years. He added that it would be much more economical than Twin Falls' share of a county airport that would run into a bill of several million dollars.

Mr. Loughmiller said Maglo Valley will always be a flyover area as far as supersonic jets carrying passengers is concerned. However, he said, "We must take a close look at the need for adequate runways for air freight using large planes in the future."

He said it was doubtful that a location for a regional airport could be found that would please all counties well enough that there would be a favorable vote in each county which is necessary for the establishment of a multi-county airport.

Another subject discussed was the consideration of a public defender for the county instead of the county employing different attorneys for individual cases. This should result in a savings to the taxpayers.

The County harbor house, hospital costs and county fair financing were discussed.

The February meeting will be held in Castleford.

Join the new club, according to Mrs. Trill. Refreshments were served by Mrs. Trill and daughter, Joan.

Legislation Is Outlined At Kimberly

KIMBERLY.—Leslie Lowe, chairman of the legislative committee, outlined the goals and expected legislation facing the Legislature during the Monday night meeting of the Kimberly Grange.

Mrs. Lowe, home economics chairman, reported the rules and entry blanks for the Grange-sponsored "needlework" contest that is being held.

It was reported there was a new rust resistant Federation wheat available in limited quantities for planting in this area.

The building committee reported they had decided the bad spots in the hall roof could be repaired saving the expense of re-roofing the entire surface. Lloyd Persons volunteered his services for the job.

The grangers decided to mount their Grange emblem roof in front of the hall. The construction of the highway is completed next spring.

Mrs. Dean Britt, lecturer, reporting on the recent officers meeting held in Twin Falls, said the Grangers have been asked to ratify their initial officers for the coming year. Officers of the Kimberly Grange will fill the officers' positions and conduct the meeting of the Castleford Grange Feb. 28.

The program featured a poem by Mrs. Grace Dusk and a humorous story by Mrs. Britt. A skit was presented by Burton Harmon and Ogle Wall.

Refreshments were served by Mr. and Mrs. Wall and Mr. and Mrs. Stanley Burdman.

Camas Soil District Has Annual Meet

FAIRFIELD.—William Crane, Montpelier, a member of the State Water Resources Board, was the featured speaker at the annual dinner of the Camas County Soil Conservation district.

Mr. and Mrs. Crane showed slides on slides. They had spent time around Palmer on a soil research program.

Dale Reedy was elected as the new chairman of the Camas Soil district. Hugh Koonce was elected treasurer. Holdover directors are Lowell Ruby and William Olsen. Alternate directors are Dwight Osborne, Lawrence Davis and Wesley Fields.

Mike Gill was presented a plaque by William Wilson as the winner of the district contest conducted by the district. Gwyn Rice, former Camas County and Idaho State Grassman of the Year, presented the county award and the state award to Everett Coates who is the present Idaho State Grassman of the Year.

A planned potluck dinner was served. Dale Reedy was master of ceremonies for the evening. The affair was held in the American Legion hall.

Attorney Protests Idaho Law

POCATELLO, Idaho (AP) — A Pocatello lawyer contends Idaho laws prohibiting possession and sale of marijuana violate the federal constitution. Attorney Ben Peterson made the argument Thursday in seeking dismissal of a Sixth District Court case against the state.

Dist. Court Judge Gus Carr Anderson took under advisement the dismissal motion based on the contention that marijuana is not a narcotic and is not habit forming. Peterson contends alcohol is more dangerous than marijuana.

"Yet the state of Idaho is pushing and selling whisky by the gallon," Peterson said, "while declaring possession and sale of marijuana a felony." Bannock County deputy prosecutor James B. Green countered Peterson's argument by citing a Massachusetts superior court decision which says marijuana has "serious effects on mental and personality disorders," and is particularly harmful to high school and college age persons.

Legislative Session Called "Stalling"

LEWISTON, Idaho (AP) — The assistant house minority leader says the proposal by Lt. Gov. Jack Murphy to call a one-day special legislative session to reauthorize emergency funds exhausted by firefighting costs "would have saved the state thousands of dollars."

House minority leader Ed Williams, D-Lewiston, termed Gov. Don Samuelson's decision to call a special session a "stalling tactic."

Samuelson said he will call the session primarily to consider problems resulting from last summer's forest fires. But, he said, he will not ask the legislature to appropriate money to pay bills totalling about \$3 million given the state by the federal government. Samuelson said these bills cannot be audited in time for consideration this winter.

Williams said that last fall the governor said he would delay calling the special session until the bills from the federal government were received.

It thus becomes apparent that the governor used the federal firefighting claims as a tactic, Williams said. He said Democratic legislators supported the one-day session proposal by Murphy, a Republican like Samuelson.

Declo Project Is Nearing Completion

DECLO — A project to provide Declo schools with a Physical Fitness Machine is nearing completion. The project is being headed by Bill Mathews and Dan Saxton are co-chairmen for the enterprise, with Bill Mathews as secretary-treasurer.

The facility is not a machine, but a complete unit consisting of 10 machines, each which a boy or girl can work out at the same time, at different exercises. There are bars for chin-ups, and weight-lifting devices, for example.

The weights are connected to the machine, similar to pulley weights, and are safe even for small children, as they cannot be dropped. Anyone from third-graders up can benefit from this equipment, and Mrs. Mathews stated that anyone who can lift five pounds or more can use it. The total cost of the apparatus will be \$2,400, of which half has been raised locally in the past six weeks, in a remarkable effort, Mr. Preston said. The proceeds of various athletic events, the sale of printed sports schedules, an auction at which a mere 20 cakes and pies were bought for \$200 were some of the fund-raising projects. The Declo PTA donated \$50. Delivery is anticipated in about a week, Mr. Preston said.

New Term

NAMPA (AP) — The president of the chemical division of United States Steel Corp., W. Kenneth Menke, has a new term for the farmer. He calls him the "agri-businessman."

Menke, speaking Thursday at a luncheon banquet of the Nampa Countryman's Club, said the "agri-businessman" is a capitalist who understands, accepts and cherishes the two symbols of the free enterprise system — profit and loss.

Filer Adds New Volumes To Library

FILER — A number of new books have been placed on the shelves of the Filer Public Library, according to Mrs. F. C. Albin, librarian.

The book, "At Ease, Stories I Tell to Friends" by Eisenhower, was presented in memory of Mr. and Mrs. Leo Ennis by Mr. and Mrs. William Winters, Jerome.

Other volumes include "Still-meadow Chelander," Taber (conclusion); "The King of the Castle," Holt; "Topaz," Uris; "Christy," Marshall; "I, Lord Jim," Conrad; "Thorpe," Dutton; "My Boy John That Went to Sea," Marshall, and "The Least One," Neal.

"To Be a Man" Decker; "All the Little Live Things," Stinger; "The Eighth Day," Wilder; "A Key to Many Doors," Loring; "The Secret of the Spotted Shell," Whitney, and "Kidnapped," Stevenson.

New non-fiction books are: "Twenty Letters to a Friend," Aitken; "Wandering Through Winter," Teale; "Autumn Across America," Teale; "Journey Into Summer," Teale, and "Travels Around the World," Weichert.

The following new books are available for younger readers: "Ghosts, Ghosts, Ghosts," Fenner; "Jokes, Jokes, Jokes," Hoke; "Kitty," Miller; "Daughter of the Mountain," Rankin; "The Tearless Inn," Singer; "Miss Hickory," Bailey; "Breed of Giants," Stinger, and "Dolphin Island," Clarke.

"Ironclads of the Civil War," A Heritage; "First Book of World War II," Snyder; "First Book of World War II," Snyder; "What to Do, Everyday Guides," Bendick and Warren; "Tatsinda," Enright; "The Christmas Pony," McCully and Crayder, and "The Cat Who Went to Heaven," Ward. This book received the Newberry award.

Library hours are from 3 to 6 p.m. Mondays, Tuesdays and Fridays. A story hour is held at 2 p.m. Saturdays, led by Mrs. James Page. Books are circulated from 2:30 to 3 p.m.

CHAMBER TO MEET
SHOSHONE — Chamber of Commerce will meet at 12:30 p.m. Monday at the Manhattan cafe. Committees for the year will be named at that time.

President To Propose Tapping Of Ocean Wealth

By FRANK CAREY
AP Science Writer
WASHINGTON (AP) — White House officials say President Johnson will propose a program of international cooperative effort by all nations to tap the staggering food and mineral wealth of the oceans.

The proposal, it was learned, will aim at:

- 1. Encouraging world attention on U.S. use of ocean research as an aid to achieving its international goals such as seeking to promote world order by helping feed the hungry, of all lands.
- 2. Forstalling any "colonial race" by the nations to exploit riches of the deep-sea bed for individual gains.

White House oceanography advisors told The Associated Press Thursday this is the import of a little-noticed sentence in President Johnson's state of the Union message Wednesday night in which he said:

"This year, I shall propose that we launch, with other nations, an exploration of the ocean depths to tap its wealth, and its energy, and its abundance."

It is estimated the oceans have such resources as 50 quadrillion tons of valuable minerals, immense oil reserves and the seaweed with which to furnish cheap "fish flour" to meet the protein needs of the world's hungry many-times-over.

It was also learned by The AP that, partly with the proposed

Wendell Leaders Assume Posts

WENDELL — Two new councilmen have assumed their duties on the Wendell City Council. John Wert and J. E. Barrus were installed at the January meeting.

Wert's report was given by G. D. Pierce, police judge. Other reports were given by E. E. Parr, fire chief, and Ed Johnson, water superintendent.

An interim budget was approved to provide money until the yearly budget can be prepared. Included in the budget are \$3,000 for general fund; \$400, library; \$4,500, streets; \$6,500, water-works and sewer; \$300, playground, parks and recreation; \$1,500 for lights, and \$2,900 for irrigation.

international stepup in mind oceanography. The President will shortly ask Congress for even more funds for U.S. marine sciences activities than the \$462 million he requested in last year's budget for ocean research, despite the message. Ten years ago only \$21 million was budgeted for funds, the sources said.

Exact details of the international sea-exploration proposal may be spelled out next month when the President transmits to Congress the second annual report of the National Council on Marine Resources and Engineering Development.

Dr. Edward Wenk, executive secretary of the council, told a newsman Johnson could be expected to call for:

1. More push than heretofore on the part of governments of the various ocean nations to promote and support an isolated expedition from time to time.
2. A more even flow of collaboration among the nations in ocean research "rather than in an isolated expedition from time to time."

Idaho State Takes Big Sky Conference Lead Into Weekend Series At Weber

By The Associated Press
Idaho State leads for defense of its Big Sky Conference lead against Weber State weekend while Montana battles with Montana State at Bozeman.

Idaho State's Gonzaga plays host to San Diego Saturday night in a nonconference contest.

A crucial series for Weber since the Wildcats currently are in third place with a 2-1 record, one game off Idaho's pace. A pair of victories would give Weber the lead and drop Idaho State into third. A split would leave Weber tied with Idaho.

For the Montana clubs there's little in the office but traditional rivalry. If Montana were to take both from the Bobcats while the Bengals fell, Montana's season still wouldn't earn an upper division berth even though the victories could help later.

Weber's Wildcats face a tough task in jangling with Idaho's 23 rebounds per game leads the nation and four are in on the rebounding.

Bobcat coach Roger Craft acknowledges the need for a double victory over the Grizzlies in order to have any chance at the league title. The loser may have a small consolation prize—a firm hold on the cellar floor.

"The Grizzlies proved by beating Weber at Orem (early in the season) that they can whip just about anybody on a

given night," Craft said.

The statistics reflected Idaho State's supremacy this week generally, but Montana's Ron Moore and Greg Hanson grabbed scoring honors and the first 11-11 tie in 100th free throw percentages.

Moore, however, is out with an injured knee and coach Ron Black figures that will cost the Grizzlies about 5 per cent of their scoring ability.

Twin Falls Tops Filer Matmen 41-9

FILER — The Twin Falls Bruins piled up seven wins and a pair of shutouts Thursday night to defeat the Filer Wildcats 41-9.

Twin Falls piled up 18 points before Filer got on the scoreboard.

The Bruins will host Mountain Home next Wednesday and Pocatello Jan. 29.

Results of yesterday's matches: Twin Falls wrestlers lifted first, include 99 pounds, Stone pinned Shetter; 106 pounds, Wonderlich pinned Griff; 115 pounds, Thompson decided Allen 6-3; 123 pounds, Plummer pinned Lutz; 130 pounds, McKain was decided by Dietrich; 136 pounds, Sommers was decided by Lutz; 141 pounds, Dean Qualls decided Henstock; 148 pounds, Buckendorf pinned Dixon; 157 pounds, Quenell won by decision; by Ulrich; 168 pounds, Kelly Qualls pinned Nelson; 183 pounds, Touchetto pinned Jesson, and heavyweight, O'Dell, pinned Ortel.

Cowboys Sink BYU 81-70 On Fast Finish

LARAMIE, Wyo. (AP) — The Wyoming Cowboys, trailing 32-25 at halftime, used a running game in the final minutes of Thursday night to halt upset-minded Brigham Young University, 81-70, in a Western Athletic Conference basketball game.

Wyoming held a 14-0 lead at 11:44 in the first half but BYU rallied for an 18-18 tie and moved on to a 10-point edge at 30:20 with 1:31 left.

The Cowboys, who hit only 24 per cent of their shots in the first half, outscored BYU 13-6 in the first five minutes of the second period and ended the evening with a 39.2 shooting percentage. BYU also had a cool evening with a 40.9 per cent.

The closest BYU could come after that was 55-53 with 7:14 remaining.

Harry Hall led Wyoming scorers with 23 points. Other Cowboys in double figures were Mike Thomas, 20, and Brad Jones, 14, and Carl Ashley, 14.

Fallick had 21 and Marty Lythgoe 17 for BYU.

Monroe Says Draft Threat Fight False

GREENSBORO, N.C. (AP) — Star rookie Earl Monroe of the Baltimore Bulls said Thursday "there's nothing in the air" that he vowed to refuse military service if he passes his induction examination.

"I plan to take my physical Tuesday in Philadelphia," Monroe told Gene Warren of the Greensboro Daily News. "I don't mind serving. Everyone else has to go."

Monroe was asked about a story in Thursday's Baltimore Sun quoting him as saying after Wednesday night's game, "I'm not going in the service, not for any two years. I'm very serious about it. I just know what I want to do."

The 6'3", 23-year-old guard, who is leading the Bulls in scoring with a 19-point average, said he was upset when he talked with Charles Rayman, who wrote the Sun's story.

Rayman was not available for comment.

Monroe, in the last seconds of Wednesday night's National Basketball Association game, missed an easy layup that would have tied the score and the New York Knickerbockers won 111-109.

"I was in another world doing something like that which goes wrong," Monroe said Thursday. "If I said anything, I don't remember saying it like that."

Reminded of fighter Cassius Clay's refusal to serve in the armed forces, Monroe smiled.

"I don't love his money," he said. Besides, Monroe said, he doesn't think he'll pass the physical anyhow.

"I have a knee injury and I had an operation on my back last year which has not completely healed. I have a soft cartilage, too, something like rheumatism or arthritis," he said.

Monroe attended Winston-Salem State College, about 20 miles from Greensboro, and last year won the college scoring leader with a 41.5 average.

"He was in" Greensboro for Thursday night's game against the St. Louis Hawks.

"He was in" Greensboro for Thursday night's game against the St. Louis Hawks.

Game Tonight

The Twin Falls Bruins will entertain the Boise Braves in a Southern Idaho Conference basketball game at 8 p.m. today in the high school gymnasium.

The Bruins will meet Caldwell at the same time Saturday here.

Twin Falls holds an overall win over Boise and bowed to the Cougars at Caldwell 63-57. The Bruins are rated third in the state. Caldwell fourth and Boise 11th. Caldwell currently shares the conference lead with Borah, Twin Falls one game out.

Javits Tells Track Units To End Row

WASHINGTON (AP) — If the groups that govern amateur athletes fail to end their bickering, Congress will be forced to intervene and force them only with authority to fight each other, Sen. Jacob K. Javits, R-N.Y., warned Thursday.

He said the seemingly endless threats and counterthreats voiced by the Amateur Athletic Union, the U.S. Track and Field Federation and the National Collegiate Athletic Association can no longer be tolerated.

Javits said he had been informed that an arbitration board authorized by the Senate to end the feud is on the verge of handing down a decision.

Javits reminded that the trials for the Olympic Games, to be held next October in Mexico City, are only a few months away.

For that reason, he said, the time has come for Congress to put it on the line to the AAU, the NCAA and the Federation.

Frost, Dark Frustrates Golf Tourney

By JACK STEVENSON
NAPA, Calif. (AP) — Frost at the start brought confusion at the finish of Thursday's first round of the \$125,000 Kaiser International Open Golf Tournament, with three first-place ties and 50 golfers caught on the course by darkness.

Dave Marr, Rex Baxter and Howie Johnson each carded four-under-par 68s on the Silverdude Country Club's North Course, where the start of play was delayed 90 minutes by frost on the greens.

After the weather warmed, golfers found the 6,849-yard layout not to their liking, but there wasn't enough daylight left for all 146 players to finish.

Those stranded will resume play tomorrow by teeing off, complete first round and then start the second.

Five were jammed into the back just a stroke behind the co-leaders. At 69 came PGA champion Don January, Jackie Campbell, Hawaiian Ted Makutana, Burt Greene and Jim Welcher.

Arnold Palmer came in the bunch at 70, while last Sunday's Crosby winner, Johnny Pott, scored a 74 and Billy Casper carded a 78 despite a bludge putt of 14 feet at the 18th in darkness.

UCLA Coasts To Win Without Lew

LOS ANGELES (AP) — The UCLA Bruins, playing without brilliant Lew Alcindor, methodically destroyed the Portland University Pilots 65-50 Thursday night at Pauley Pavilion.

With Alcindor sidelined due to an eye injury, the Bruins used a high post offense and pressing defense in recording their 47th consecutive victory.

Edgar Lacey and Lucian Allen led the Bruins, with 24 and 20 points, respectively, as UCLA warmed up for the showdown Saturday with unbeaten Houston at the Astrodome.

A Portland's scoring was led by Paul Gloden with 20 and Jesse Perry with 18.

The Bruins began slowly and built a 28-15 lead on the shooting of Lacey and Mike Watron.

Wimbledon Players To Get \$62,760

LONDON (AP) — Wimbledon, once the shrine of amateur tennis, announced that \$62,760 would be paid out in prize money at the first Open Wimbledon this summer.

Mr. David Mills, secretary of the All-England Club, who organizes Wimbledon, let the world know about the plans.

The decision to make Wimbledon an open championship was taken by the British Lawn Tennis Association in defiance of the International Federation.

The Wimbledon decision to go alone on open tennis means British players may be utilized from tournaments abroad. It also could mean banning of a British team from the Davis Cup.

Mills said entry forms for this year would refer simply to persons. The word amateur has been deleted.

Chouinard Wants Alcindor In UCLA Game Saturday

By BOB GREEN
HOUSTON, Tex. (AP) — Houston Rockets coach Chouinard wants Alcindor in UCLA game Saturday.

Right now he's worried that UCLA's Lew Alcindor won't be able to play in the climactic meeting of his second-ranked Cougars and the unbeaten Bruins, the nation's No. 1 team, in the Astrodome Saturday starting at 8 p.m. EST.

He's also worried about the sure-fire certainty that little Mike Warren will play.

"A lot of people overlook Warren," Lewis said. "But you can't do that. He's the guy that keeps them together and he's their leader and playmaker and ball-handling specialist. He works me a lot."

He worried Lewis a lot the last time Guy saw him, too. That was in the semifinals of the NCAA national championship last year when the Bruins casually rolled over the stricken Cougars 73-58 en route to their national title.

Warren, 5-10 and quick and skittery as a waterbug, tossed in 14 points in that game, bedeviled the uncertain Cougar offense with his ball-stealing tactics and chucked up a flock of assists.

Alcindor, UCLA's all-around, 7-1 center, remains a questionable starter. He's still recovering from an eye injury and Bruin coach John Wooden said he won't play unless he's at full capability.

"We want Lew to play," Lewis said. "We want to play them at full strength. If we played them and beat them without Alcindor in there, it wouldn't be very meaningful."

Wooden's better team now than when he led the semifinals. We want to have that aspect of fear that we had before. And we're strong. Real physical strong."

That strength centers around All-American Elvin Hayes, the Big E, the 6-8 forward, who forms the bulk of the Cougar attack and much of their defense.

If Alcindor is unable to play, Wooden has one of his best benchmen, ever, at hand. He has back the first seven players from the unbeaten team that won the 1967 national title plus two other starters from the year before.

The Bruins have an unbeaten string of 47, going into Thursday night's game against Portland in Los Angeles. Houston is 16-0.

The game figures to draw a record crowd of about 55,000 — some 35,000 more than any previous college game — and will be televised nationally.

Roche Frozen Out Of Challenge

HONOLULU (AP) — Red Roche, University of Hawaii basketball coach, has turned down a challenge to participate in a dog sled race in Fairbanks, Alaska, where his Rainbows meet the University of Alaska Jan. 26-27.

A two-block race between Roche and Al Svernlingson, Alaska coach, had been planned as a means of promoting the games.

"It was considering acceptance," said Roche. "But when I checked the temperature and found it to be 43 below zero I chickened out."

New Mexico Rallies Past Utah 72-66

ALBUQUERQUE, N.M. (AP) — Sherron Rourke, New Mexico, displaying a strong defense, came from behind and beat fifth-ranked Utah 72-66 Thursday night in a Western Athletic Conference basketball showdown.

Undefeated Lobos trailed 57-34 at the half but held Utah to two points within a seven-minute period in the second half.

New Mexico overcame a five-point deficit to take a 59-48 lead with about nine minutes left.

Utah tied the game to within 62-61 but New Mexico's half-court hitting thwarted the Redskins.

Utah found the balanced New Mexico offense hard to stop, with five of the Lobos scoring in double figures. They were led by Sanford and Howie Grimes each added 14.

The victory, witnessed by 14,855 fans, left New Mexico at 15-0. Utah now is 13-2 for the season.

The Redskins got a magnificent effort from Merv Jackson, who got 16 points in the first half and nine in the second to finish with 25 although the pressing Lobo defense was leveled on him. Walt Simon had 18 points for Utah.

Big O, Royals Edge San Diego

CLEVELAND (AP) — Oscar Robertson, who had met with shot in the last minute and 23 seconds kept the Cincinnati Royals just out of reach in a 129-126 National Basketball Association victory over San Diego Thursday night.

Robertson, who finished with 36 points, tossed in a jump shot to give the Royals a 128-122 lead. The Rockets came back on a hook shot by Dave Gambee and Jon McGlocklin's jumper to make it 128-126 with eight seconds remaining.

And with your Plymouth Dealer out to do most anything to win you over, the factory-reduced prices are only the beginning. Come on! Come on! The savings couldn't be better!

Tickets Go On Sale For Idaho-ISU Cage Contest In Twin Falls Jan. 30

Tickets for the Idaho State University vs. Idaho Vandals cage contest will be on sale at the Idaho State University gymnasium Jan. 30. The game is scheduled for Jan. 30 at 8 p.m. at the Idaho State University gymnasium. Tickets are \$2.00 for the general public, \$3.00 for students and \$4.00 for faculty and staff. The game will be the first meeting between the two clubs. The Vandals, coming into this weekend, is leading the conference with a perfect record while Idaho is right behind with one loss.

... leading scorer for the Idaho State Vandals, will appear in Twin Falls High School gymnasium Jan. 30, going against the University of Idaho Vandals. Boone, a 6-3 guard, is a native of Omaha, Neb., and transferred to Idaho State from Creston, Iowa, Junior College. He is averaging 22.3 points per game.

Tip From Coach's Father Brought Top Gun To ISU

POCATELLO—Take a friend of a former Bengal coach, and a son of that friend of a former Bengal coach and you have what? You have high scoring Ron Boone, that's what. Boone transferred to ISU because of Coach Jerry Mosser's father, Mosser's father, recommended Boone to Idaho State and Idaho State is very happy to did.

Brackett Is Council Head Of New Unit

U.S. Olympic Team Eligibility Jeopardized By Federal Prying

By WILL GRIMSLEY
NEW YORK (AP)—The U.S. government can jeopardize the entire American Olympic team if it sticks its nose into the continuing AAU-NCAA sports dispute, Avery Brundage warned.

Olympic team might be ruled ineligible," said the outspoken president of the International Olympic Committee. "One of our basic rules is that the various sports teams be selected by independent amateur federations. We don't permit any sort of government regulation."

Earning Limit In Social Security Program Has Been Raised Somewhat

BY BRUCE BOSSAT
NEA Publications
WASHINGTON (NEA)—Since the Social Security system is designed to reduce the income tax you may suffer as you get older, it should not surprise you that your earnings limit is being raised.

Up until this year's revision of the law, you could earn \$1,600 a year and still collect your full retirement benefit at age 65. From 1968 on, that dividing line is set at \$1,680.

The U.S. Senate wanted to put the figure at \$2,400 a year. It would have cost the system another \$375 million now—and even more later.

There is more than a little sentiment among legislators and elsewhere for doing away with this so-called "retirement test" altogether. But this proposition did not make much headway in 1967. It would have cost \$2 billion in the short run, more later.

This idea goes against the grain with those defenders of the system who want it to stay what it is—a program to protect people against the risk of old-age illness, disability, and death.

To go too far in liberalizing the retirement test, Social Security specialists argue, is to offer extra protection to the working-age and perhaps disabled beneficiaries who cannot augment their benefits by taking jobs.

It is estimated that maybe 16 million elderly people can benefit from the revision of lifting the retirement test from \$1,500 to \$1,680.

Some 200,000 people presently earning between \$1,200 and \$1,500 a year may have been consciously limiting their income to get the full benefits.

The other 1.4 million earn more than \$1,500 a year and have been getting either partial benefits or none at all.

Congress in 1967 gave another small lift to those who are completely retired—now the least want to count heavily on monthly retirement benefits.

No matter how much money you make in any one year, you can get the full Social Security benefit you're entitled to.

For instance, a man at retirement age who earns \$3,000 a year and works that \$1,200 annually will get nearly benefits of \$3,480.

Even a man in that benefit category who made \$6,000 a year would get \$3,000 in yearly benefits.

The month you reach the age of 72, the ceiling on earnings is lifted. Thereafter, you get your full benefits no matter how much you make.

However, if you then your earnings are not likely to be too large.

Two String Players To Be Soloists For T.F. Concert

The Twin Falls Civic Symphony orchestra, conducted by Del Slaughter, will present its second and final concert of the season at 8 p.m. Feb. 6, in the O'Leary Junior High School auditorium.

Guest artists for the program will be Lenny Bauer, violin, and Samuel Stimpf, viola, who will play "Konzertante Symphonie," a double concerto for violin and viola, by W. A. Mozart, with orchestral accompaniment.

Mr. Bauer, a member of the music faculty at the University of Idaho, is well known in Magic Valley since he has previously appeared as soloist with the symphony, and has on several occasions conducted music clinics and served as judge for musical events in this area.

He is a graduate of the University of Wisconsin and Northwestern University, and has had professional study under Pierre Monteux, Eugene Ormandy, and George Szell.

Mr. Stimpf, a member of the string faculty at Washington State University, Pullman, was born in London and educated there. He was a member of the Royal Philharmonic orchestra with Sir Thomas Beecham, with whom he toured America.

He studied viola under Lionel Tertis and William Primrose, and violin with Rostislav Plinkhan and William Steinberg, who is one of the greatest violins in the world made by Cassini of Modena in 1670.

Selections by the orchestra include "Rosaunde Overture" (Zauberharfe) by Franz Schubert, "The Swan" by Camille Saint-Saëns, "The Blue Danube Waltz" by Johann Strauss, and "The Love of the Three Oranges" by Sergei Prokofiev.

Tickets will be on sale at the Masonic Music Center, Warner Music Co., and at the Claude Brantley Music Co. Tickets are \$1.00 and \$2.00.

Initial citations in Twin Falls county under the new state law requiring all operators and passengers of motorcycles to wear protective safety helmets noted fines in local justice courts.

Justice of the Peace Fred P. Maughan said state police issued citations to three persons in the current week. The new law became effective Jan. 1, and requires safety helmets for both driver and passenger of any such vehicle.

Dayton J. Linn, chief of violation of the new law, was Larry O. Osterhout, 21, 330 Third Ave. N., his passengers John H. Strickland, 24, Second Avenue and Fourth Street North, and another, vehicle operator William R. Burks, 24, Treasurer, Ore.

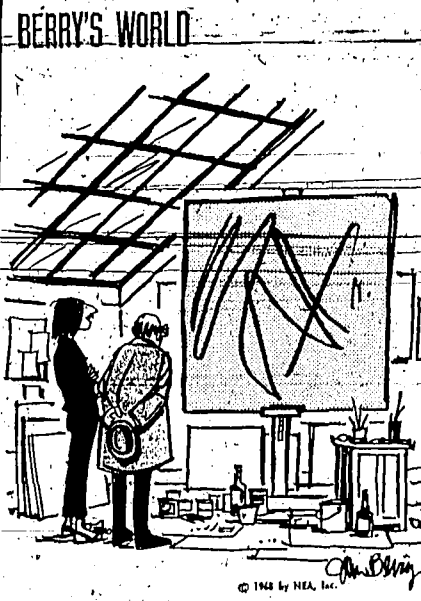

Justice Maughan suggested owners of the two-wheeled motor vehicles familiarize themselves with the state statute and be able to provide the necessary safety helmets for themselves and a passenger if they expect to carry passengers.

T.F. Education Association Has Regular Meeting
Sherry Holder and Dianne Cardwell, accompanied by planner Luana Stoker, sang duets for members of the Twin Falls Education Association during a meeting Tuesday at Morningstar School.

Report on the approximate 15 in charge of table decorations in the city park was given. The next meeting will be held Feb. 6.

Course On The Family Set At CSI

Dr. Donald Keith, academic dean at the College of Southern Idaho, reports there are still openings in a "Beginning the Family" course offered this semester.

The course is open to couples only, who are in the first few years of married life. The college proposes to introduce young couples to the resources of social and psychological sciences which may assist them in adapting themselves to the role of spouse and parent.

Although the course opened Jan. 15, there is still time to enroll, Dr. Keith said. Several area people who are experts in these fields will be instructing the many phases of the course.

Included on the course agenda are discussion type classes concerning roles in modern marriage, communication and conflict resolution, combined and passion, normal sexual functions in marriage conception, pregnancy and childbirth, the infant and pre-school child, the modern church and family life, employment prognosis and opportunities in career, consumer economics and major financial management.

The class meets on Mondays from 8 p.m. to 10 p.m. The college is also, through the cooperation of Boise College and the University of Idaho, offering two new extension classes this semester.

Secondary teaching methods, extension class from Boise College, meets from 8 p.m. to 10:30 p.m. on Tuesdays.

Intermediate language arts methods, University of Idaho extension course, meets from 8 p.m. to 10:30 p.m. on Thursdays.

Study Group To Explore Consolidation
GOODING — Gooding county educators and school trustees have formed a feasibility study group to explore consolidation of the Gooding County High School to be formed by consolidation of Gooding, Wendell, Hagerman and Bliss school districts.

The group, headed by Tom Morrison, Gooding, as chairman, will explore the many facets of the problem, both pro and con, and decide whether or not sufficient support would warrant the calling of a referendum to form such a district.

The committee, which met for the first time last week in Gooding, is made up of superintendent of the involved school districts and one member of each respective board of trustees.

Members of the committee, in addition to Morrison, Dick Morrison, assistant superintendent, and Frank Orth, superintendent, both Gooding.

Dumas Freeman, superintendent, and Marvin Francis, trustee, Bliss; George Carole, superintendent, and Frank Hensley, trustee, Hagerman; and Larry R. B. Beyer, superintendent, and Frank Orth, trustee, Wendell.

Yearly Queen Is Selected At Murtaugh
MURTAUGH — Mrs. Arthur DeGiorgio was named yearly queen for the past year and Mrs. Percy Christensen was named runner-up at the recent meeting of the Pounds Chasers T.O.P.S. Club.

Club members for the month of December were Mrs. Donald Conon, Mrs. Ronald Grossman and Mrs. DeGiorgio.

Plans for the club's yearly party with husbands as guests were discussed and the date set for Jan. 25.

Mrs. Grossman received a gift for having her name appear the most times on the club's honor roll which is maintained on a yearly basis. Members will have their pictures and measurements taken at the next meeting for the yearly records.

A new contest was started in which a member must lose weight in order to be eligible to place her name in the drawing. It her name is drawn she must have had a weight loss equal to the amount she has pledged to lose in order to claim the gift.

Program Set
Marion Morache of the Idaho man and Gabe Department will show colored slides Tuesday at 8 p.m. at the meeting of the Junior High School for members of the Twin Falls Historical Society.

Students At Hagerman To Visit Session

HAGERMAN—Permission for the eighth grade and the government class to spend one day at the Idaho legislature during their special session in February will be given by Hagerman School trustees at a board meeting Monday evening.

The day for the classes to attend the legislature will be selected by the teachers and transportation will be furnished by bus.

School trustees granted the students permission to participate in the March of Dimes and to "pass the blanket" at one of the basketball games.

A survey of the community will be made to determine the interest in a parent-financed week kindergarten during the coming spring. The kindergarten will be held at the grade school. Parents interested are asked to call the superintendent's office, Hagerman, for more information. The only Idaho owned company in the state.

Supr. George Carole was offered a contract for the coming school year to serve in his present capacity. Wages for the year agreed by the board, would be set when the new year's budget is completed.

State Agency Lists License Revocations
