Secrets Scuttled By Skipper

U.S. Applies Leverage To Regain Ship

THE U.S.S. PUEBLO, shown under way at sea, was captured late Monday by North Korean patrol boats and taken into Wonsan. There were 83 men aboard the vessel. This photograph was released in Washington by the Department of Defense. Commander of the ship ordered secret codes destroyed. (U.S. Navy photo via wirephoto)

WASHINGTON (AP) — The commander of the captured U.S. intelligence ship Pueblo ordered the top-secret codes and electronic gear destroyed as North Koreans boarded his ship Monday night, sources said today.

The disclosure came as a four-ship Navy task force including the carrier Enterprise cruised toward North Korea. The United States applied diplomatic leverage in a bid to recover its captured vessel and her 83 men.

The Pentagon knows the elaborate destruct procedures designed to prevent critical information from falling into enemy hands were initiated, sources disclosed.

It was not determined whether all the classified gear was burned or dumped overboard as the ship's crew fled. The Pentagon assumes that most of the valuable material was destroyed.

The procedure included the firing of explosive destruct devices around the communication parabolic antenna. There were reports the Pueblo's four wounded men were injured by the explosives but sources said, "We really don't know what happened" to them.

North Korea, in a monitored broadcast, said the Pueblo was being towed to Wonsan. Sources here said American authorities know that the North Koreans fired on the Pueblo when approaching or boarding the ship. They did not know just when the firing came or what the circumstances were.

Tuesday night the Pentagon said a message from the Pueblo did not refer to any enemy. The four-ship American force moved in high readiness through the Sea of Japan while the United States asked the Soviet Union to persuade North Korea to give up the 83-ton vessel, which had 83 men aboard.

The white House called North Korea's capture of the highly armed vessel "a very serious situation." The State Department viewed it "with utmost gravity."

President Johnson was to preside today at what was described as a regular meeting of the National Security Council. The ship incident was likely to be the No. 1 topic.

In Panmunjom, Korea, where the Korean War truce was negotiated, the United Nations Commission strongly protested the seizure and demanded immediate return of the ship. The command also demanded a North Korean apology.

But the head of the North Korean delegation there, Maj. Gen. Chong-kook, claimed the Pueblo violated North Korean territorial waters off Wonsan and was trying to "come closer to the land to perpetrate intolerable provocative acts" when North Korean navy vessels "returned fire."

Some discussion called the Pueblo's takeover an act of war and there were suggestions from Capitol Hill that the United States retaliate.

Sources said the nuclear-powered Enterprise was accompanied by the frigates Truxton and two other combat ships.

MRS. ROSE BUCHER looks at a picture of her husband, Lt. Cmdr. Lloyd Bucher, skipper of the Navy ship Pueblo, which was captured Monday by North Koreans. Bucher is a former Pueblo resident; Mrs. Bucher and their two children are in San Diego awaiting his return. (AP wirephoto)

2 Idahoans Were In Pueblo Crew

By The Associated Press
Two men from Idaho and one from Utah were among the crew of the Navy intelligence ship Pueblo which was seized by North Korean patrol boats. The skipper of the Pueblo was Cmdr. Lloyd E. "Pete" Bucher, 38, formerly of Pocatello, Idaho. One of the crew was Ralph D. Bouden, 40, whose parents, Mr. and Mrs. Grant M. Bouden, live in Nampa, Idaho. Another member of the crew was Dale Rigby, 20, of Ogden, Utah.

Rigby's wife told newsmen she received a telephone call from Utah officials in California late Tuesday informing her that her husband was aboard the Pueblo. Rigby's parents, Mr. and Mrs. Ray Rigby of Centerville, received a similar call. The Rigbys have no children. Relatives said Dale had been in the Navy two years.

At Nampa, Bouden's parents received a telephone call. They said Bouden has a wife and son living in Washington, D.C. He is a graduate of Boise High School and has been in the Navy 15 years. He has served aboard the Pueblo since it received its present assignment.

At San Diego, Calif., the wife of Cmdr. Bucher said she last heard from her husband in a letter from Japan dated Jan. 10. She last saw him in November when he took command of the ship.

An American crew has been kidnapped, an American vessel has been boarded in international waters and stolen away. This is intolerable.

Forer said he is satisfied he will take urgent action on the military and diplomatic fronts, to secure the immediate release of our sailors and their ship. He intends to obtain full satisfaction from the government of North Korea. In this he has my full and unreserved support.

Four local men will meet Wednesday night in Idaho Falls with a group of citizens interested in establishing a junior college district here.

Included in the Twin Falls delegation are College of Southern Idaho President Dr. James L. Taylor, CSI trustee board president Eldon Evans; Chamber of Commerce manager Ray Rostrom, and Bill Grange.

Dr. Taylor said he assumes the interest in the establishment of a junior college in the Idaho Falls area has been the offshoot of the area's economic growth.

Sen. Peter H. Dinkins, R-Colo., charged: "This administration has developed a strange new doctrine—that Soviet strategic equality is better than American superiority." He said that he can no longer fight.

Lid Lifted On Electronic Spying

By FRED S. HOFFMAN
AP Military Writer
WASHINGTON (AP) — Capture of the Pueblo by the North Koreans—and the Pentagon's acknowledgment the ship was a Navy intelligence vessel—lifts the official lid on a world-wide electronic spying by the major powers.

It marks a drastic change from the Pentagon's insistence that the Liberty, a spy ship shot up by the Israelis off Egypt last June, was a "technical research ship."

"Intelligence collection by naval vessels is a routine activity among major powers," a defense official said Tuesday, indicating a more relaxed attitude toward suggestions the United States engages in this kind of activity.

"It is common knowledge that for a number of years intelligence collecting ships have followed U.S. fleet activities in various parts of the world," he added. The official obviously was alluding to the Soviet Union's terrier-like electronic eavesdropping vessels which show up wherever U.S. fleets are maneuvering and near important Polaris submarine and other bases.

Such ships, in the guise of fishing trawlers, are in fact positioned in international waters off the shores of the United States and other nations right now, the official said.

The U.S. intelligence vessels—which listen in on the radio traffic of other countries, spot radar sites and gather information to permit jamming them—and the Soviet Union's deep sea intelligence ships are parts of an extensive electronic intelligence system which has grown up in the Cold War years.

There are spy-in-the-sky satellites, both Soviet and American, whirling about the earth with almost unbelievably accurate cameras and "ferret" listening devices for eavesdropping on radio communications.

There are unmanned "drones" with sensitive information-gathering equipment. There are destroyers carrying "black boxes" which ship close in hostile shores to intercept radio talk, record

messages and pick up other information. One of the two U.S. destroyers involved in the historic Tonkin Gulf attack by North Vietnamese patrol boats in August 1964 reportedly had been on such a mission.

The United States and Soviet Union, say nothing about what they know of the other side's electronic snooping from space. But the U.S. Navy complains out loud about the operations of the Soviet "trawlers," some of which get into the flow of fleet traffic and sometimes interfere with carrier and other operations.

Members of Congress also have expressed alarm about it. See LID LIFTED, P. 2, C. 4

in a sheriff's car early March 15 he saw a car similar to the Jerome woman's and it was "his impression" there were three persons in the car. One of them a female.

Mr. Rickey said he could not state positively if the driver was Dillon.

Ivy Green, Twin Falls, Dillon's aunt, said when she visited the youth March 3 in the Jerome police station he told his father, "I don't do; I don't remember doing it, but the police said I did it and I must have done it."

The youth is accused of killing Mrs. Simerly, putting her body in her car and disposing of it in a sand pit south of Jerome. He allegedly then abandoned the car in Twin Falls the evening of March 14 or early morning of March 15.

Other witnesses Wednesday morning included Lloyd Simerly, Wendell, former husband of the murder victim; Diane Cavin, Jerome police dispatcher; Mrs. Dorothy Bryson and Joe Boyd, both Twin Falls, who live near where the Simerly car was found abandoned; Lois Ovard, neighbor of Mrs. Simerly, and Sam (Dutch) Dillon, uncle of the accused.

More witnesses for the defense were scheduled for Wednesday afternoon.

Red Newspaper Says LBJ Wrong
MOSCOW (AP) — The Soviet government newspaper Izvestia declared today President Johnson was wrong when he said there has been some progress in U.S.-Soviet relations.

Subpoenaed

NEW ORLEANS (AP) — The widow of Lee Harvey Oswald was subpoenaed for grand jury testimony today by Dist. Atty. Jim Garrison, who doubts Warren Commission findings that Oswald alone assassinated President John F. Kennedy.

Garrison's office issued the subpoena for Marina Oswald Porter, now of Richardson, Tex., a Dallas suburb, to appear here Feb. 29 as part of Garrison's controversial probe into the assassination.

Asst. Dist. Atty. James L. Aleck said investigators want to ask her what she knew about Oswald's activities in New Orleans during the summer of 1963.

3 Post Falls Men Die In Auto Mishap

COEUR D'ALENE, Idaho (AP) — Three Post Falls men were killed Tuesday night when their auto slipped in to the path of a Union Pacific freight car on a foggy crossing about 10 miles northwest of here.

Officers said the car was dragged about two miles, along the track.

Killed were John Erickson, 25; Frank Oquist, 37; and Larry M. Murrell, 21.

Officers said one of the men was thrown from the car about a mile from the point of impact. Another was thrown out about 500 feet farther on, and the third was found inside the auto.

Defense Opens Testimony In Murder Trial Of Jerome Youth

JEROME — The defense in the first degree murder trial of Michael Dillon, 17, began Tuesday. It will prove a third person, not Dillon, killed Mrs. Alta Simerly, 66, last March 14, James May, Twin Falls attorney for youth Dillon, told the jury he will ask for an acquittal of the defendant and may place the trial, now in its second week, ends.

The prosecution rested its case late Tuesday. The trial is being heard before Judge Theron Ward.

Nine witnesses were called to testify Wednesday morning as Mr. May conducted questioning attempting to show that a third person was involved in the slaying of the Jerome woman.

Betty Thorpe, Shoshone, testified that on March 15, the day after Mrs. Simerly was reported to have been slain, she saw a car similar to Mrs. Simerly's

person to run for president as an independent.

The Idaho code section providing for that upon the filing of a convention of at least 200 persons — was repealed by the 1966 special session of the Idaho legislature.

Wallace cannot run as a candidate for the American Independent Party in Idaho, either, because the party's candidates did not receive at least ten percent of the aggregate vote for governor in the last Idaho general election, as law requires.

In fact, the party did not have any candidates in Idaho then.

Incorporators of the party in Idaho were A. Watson Connor, Riggs; Roy Brown, Emmett; and Ray Wilson, M. E. Woodard and Edgar Nelson, all of Boise.

Church Calls Boat Seizure 'Act Of War'

WASHINGTON (AP) — Sen. Frank Church, D-Idaho, Wednesday called the seizure by North Korea of a U.S. Navy ship "an act of war" and urged immediate steps to regain it.

Church was one of about 30 senators — a group of representatives called to a White House briefing Tuesday night on the incident.

Church said, "It is more than an act of piracy on the high seas. It is an act of war against the United States. The ship must be returned at once, with all American citizens. Our national honor is at stake here."

Another American crew has been kidnapped, an American vessel has been boarded in international waters and stolen away. This is intolerable.

Forer said he is satisfied he will take urgent action on the military and diplomatic fronts, to secure the immediate release of our sailors and their ship. He intends to obtain full satisfaction from the government of North Korea. In this he has my full and unreserved support.

T.F. Officials To Present College Talks

Four local men will meet Wednesday night in Idaho Falls with a group of citizens interested in establishing a junior college district here.

Included in the Twin Falls delegation are College of Southern Idaho President Dr. James L. Taylor, CSI trustee board president Eldon Evans; Chamber of Commerce manager Ray Rostrom, and Bill Grange.

Dr. Taylor said he assumes the interest in the establishment of a junior college in the Idaho Falls area has been the offshoot of the area's economic growth.

Battle Escalated By Red Gunners

SAIGON (AP) — Communist gunners escalated the battle of the Khe Sanh late today with a heavy shelling of the U.S. Marine regimental combat base in the critical northwest corner of South Vietnam.

The first attack with big guns on the base, on a red clay bluff three miles north of the town of Khe Sanh.

A Marine spokesman in Da Nang said 150 shells of tubs artillery ranging up to Russian-made 152mm — about six inches in diameter — and rockets and mortar fire rained on the base in a 30-minute barrage. There was no immediate word

of casualties or damage. About 2,000 of the 5,000 Leathernecks deployed in the hill country around Khe Sanh man bunkers and artillery batteries at the regimental base.

Marine outpost on Hill 881 and Hill 939, to the north, again came under sporadic enemy fire; newsmen were told.

North Vietnam was reported to have sent 10,000 more troops into South Vietnam's embattled northern provinces. A senior U.S. officer in Saigon said a defector says saying their goal is to wipe out American forces there to pave the way for negotiations.

GOP Replies To State Of Union Message

By CARL P. LEUBSDORF
WASHINGTON (AP) — Congressional Republicans charged today that President Johnson has prolonged the Vietnam war. On the home front, the GOP says administration policies have failed to combat mounting crime and inflation.

In their answer to President Johnson's State of the Union message, the Republicans called for "military success" in the war based on "effective utilization" of U.S. air and sea power.

And Republicans criticized "complacency, disunity and protest here at home" while warning the nation is losing the strategic superiority they claimed was built under Republican leadership during the 1950s.

The GOP spokesman also renewed calls for reductions in federal spending and transfer of programs from the national government to states and localities.

The Republican reply, featuring nine House members and eight senators, was carried live Tuesday night on the CBS radio-television networks.

Republican governors, numbering 26 of the nation's 50, were not included in the presentation, which was introduced by former President Dwight D. Eisenhower and had Sen. George Murphy, R-Calif., as master of ceremonies.

An audience of Republican congressmen and senators in the auditorium of a Senate of-

Forecast

CLLOUDY

Fair today. Increasing clouds tonight and Thursday with chance of scattered areas of rain or snow. Thursday, High in 40s, low in 20s, except Cassia Prairie High in 30s, low 20s to 10s. Windy at times. Thursday. Probability of measurable precipitation 10 per cent or less today and tonight and 20 per cent Thursday. Outlook for Friday: cooler and partly cloudy with a chance of scattered showers of rain or snow. Temperatures at 8 a.m.:

Summary, Extended Outlook

Early morning valley fog was a little more widespread in the western valleys of Idaho. Mainly was reporting fog again this morning. Low-level clouds in the valley, but showers in the mountains. Wind speeds are rather light and should not change significantly today.

Some change is occurring in the upper levels over the west. High pressure over the Intermountain Region will be broken by the next two or three days and this will bring some changes in the weather in our valleys. No drastic change to winter weather is indicated as yet. But there will be some cooling during the day Thursday and Friday and a chance for light precipitation associated with frontal passage Thursday afternoon and Friday. In particular, sunshine will become more limited and this will be a change from our weather the past few days. Weakening surface high pressure along with the movement of the front into our valleys will cause an increase in wind speeds Thursday and Friday.

Maximum temperatures today will be mostly in the 30s in the east to the 40s in Magic and western valleys. Cooling will begin in the west tomorrow with highs in our area mostly in the 20s.

Area Woman Dies In Boise

SHOSHONE—Mrs. Linda A. Livingston, 86, died Tuesday evening at a Boise convalescent home where she had been since August.

She was born Jan. 9, 1881, in Virginia. She was married to Henry C. Livingston March 3, 1901, at Mountain Grove, Mo. They came to Lincoln County and settled in Richfield in 1928 and moved to Shoshone in 1933. Mr. Livingston died in June, 1961.

Survivors include four sons, Carl, B. Livingston, Ross L. Livingston and Hatten Livingston, all Boise, and Burrell Livingston, Gooding; one sister, Mrs. Henna Coffman, Gooding; six grandchildren, and two great-grandchildren. She was preceded in death by four brothers and three sisters.

Funeral services will be conducted at 1:30 p.m. Friday, Bergin Funeral Chapel, Shoshone, by Rev. George Nottmurt, of the Shoshone Methodist Church. Final rites will be at the Richfield Cemetery. Friends may call at the funeral home from 3 p.m. Thursday until time of services Friday.

Twin Falls News In Brief Idaho Road Conditions

Knights will meet at 8 p.m. Wednesday at St. Edwards Parish Hall. An Idaho Power representative will present a report on permanent press fabrics. Members and guests are welcome.

A story hour will be held at 4 p.m. Thursday at the Twin Falls Public Library. This special story hour will be for boys and girls in the second through the sixth grade.

The Funship club will meet at 7:30 p.m. Saturday in Room 4 of the Y building. Cards will be played. Persons between 40 and 65 are invited.

Evangelistic meetings are being held at 7:30 p.m. daily at the Trinity Southern Baptist Church, 302 Third Ave. N., Twin Falls, with Rev. Henry L. Maxwell, Glenn Perry, as evangelists. The services will conclude Sunday.

Mrs. Maude Williams, 261 Quincy St., has returned home after spending several weeks with her son, Wayne Williams, and family in Boise.

Considerable improvement is reported today in condition of Idaho highways, with most major routes in the north and south in the north and along the western border in the south.

The Highway and Law Enforcement departments listed road conditions including:

U.S. 95 — Sandpoint summit, Coeur d'Alene, west and south; Caldwell Hill, Grangeville and Whitebird Hill, by spots; Midvale and Mesa hills, foggy; Marsing to Oregon, icy spots and foggy.

U.S. 95A — Entire route, icy spots.

U.S. 10 — Interstate 90 — Coeur d'Alene, foggy; Fourth of July Canyon, icy and foggy; Lookout Pass, icy.

U.S. 12 — Lolo Pass, icy spots; Idaho 55 — Horseshoe Bend to New Meadows, icy spots; foggy over Geodes Creek summit.

An Indian agency officer, Wilford Peil, said the body of Phyllis Hardy, age 23, was found before 7 a.m. in a cultivated field.

He said the victim had been beaten, but cause of death was not yet known. Exposure was not considered as a cause of death, he said.

The victim was the wife of Wallace Hardy of Fort Hall. They had one son.

Federal Bureau of Investigation agents questioned several persons late Tuesday, but no arrests were made.

Seen Today

Dennis Haynes making plans for weight lifting demonstration. Jim Purves looking for court reporter's office. Jill Miller asking directions to new county judicial building. Bill Van Dyke inquiring about parking tickets. Tom Alexander calling Dr. James J. Taylor about difficulty in finding legislative items. Irene Grisham copying radio message. Ted Kelsey, Burley, and Jack Snow attending breakfast meeting. Mrs. Afton Buckley, Oakley, discussing Rod Cronk. Bloodmobile visit with Mrs. S. H. Kunau. Burley. Jim Wilham cutting tree limb in city park. Everett Coates, Fairfield, walking through parking lot. Edis Sutton standing in highway. Ray Mastron making plans for banquet. Mrs. George Blackburn talking on telephone. Peggy Liley telling about how hard it is to become accountant to studying again. Mrs. Ronald Jones, Kootenai, wearing pretty white sweater. Glenn Norris making arrangements for college ski program. Tim Shearers preparing for distinguished Service awards event. And overheard, "yes is when you reply to any question the boss asks."

Reservation Death Being Investigated

FORT HALL, Idaho (AP)—Fort Hall Indian Reservation police and federal agents were investigating today the death of a young Fort Hall woman whose body was found in a field early Tuesday.

An Indian agency officer, Wilford Peil, said the body of Phyllis Hardy, age 23, was found before 7 a.m. in a cultivated field.

He said the victim had been beaten, but cause of death was not yet known. Exposure was not considered as a cause of death, he said.

The victim was the wife of Wallace Hardy of Fort Hall. They had one son.

Federal Bureau of Investigation agents questioned several persons late Tuesday, but no arrests were made.

Death Takes Mrs. Walker

BURLEY—Mrs. Vera Walker, 75, died Wednesday at Cassia Memorial Hospital of a lingering illness.

She was born July 14, 1892, at Provo, Utah. An Aug. 24, 1940, she was married to J. C. Walker at Provo. Their marriage later was solemnized in the Salt Lake City LDS Temple.

Mrs. Walker attended school at Provo and came to Idaho in 1910 from Provo, settling in the Burley area where she had resided since. She was active in the LDS church and served in the Relief Society for 40 years and was a member of the Relief Society resident for nine years. She also held many other church offices.

Survivors include her husband, Murray; four sons, Owen Walker, Murray, Utah; Wyman Walker, Smithfield, Utah; Murray Walker, Burley; and Gordon S. Walker, Layton, Utah; four daughters, Mrs. Ray (Winona) Goodfellow and Mrs. Victor (Maxine) Wheaton, both Salt Lake City; and Mrs. Eldon (Fay) Berry, Burley; and Mrs. Keith (Vivian) Darrington, Elba.

Three sisters, Mrs. Reva Hardy, Provo; Mrs. Doris Johnson, Marsing; and Mrs. Loren Bingham, Burley; 46 grandchildren and 67 great-grandchildren.

Funeral services will be conducted at 1 p.m. Saturday in the Burley Fifth Ward LDS chapel by Bishop's Counselor William Mathews. Final rites will be held in the Pleasant View Cemetery. Friends may call at the Payne Mortuary Friday afternoon and evening and Saturday until time of services.

Reservation Death Being Investigated

Federal Bureau of Investigation agents questioned several persons late Tuesday, but no arrests were made.

Reservation Death Being Investigated

FORT HALL, Idaho (AP)—Fort Hall Indian Reservation police and federal agents were investigating today the death of a young Fort Hall woman whose body was found in a field early Tuesday.

An Indian agency officer, Wilford Peil, said the body of Phyllis Hardy, age 23, was found before 7 a.m. in a cultivated field.

He said the victim had been beaten, but cause of death was not yet known. Exposure was not considered as a cause of death, he said.

The victim was the wife of Wallace Hardy of Fort Hall. They had one son.

Federal Bureau of Investigation agents questioned several persons late Tuesday, but no arrests were made.

Area Woman Dies In Boise

SHOSHONE—Mrs. Linda A. Livingston, 86, died Tuesday evening at a Boise convalescent home where she had been since August.

She was born Jan. 9, 1881, in Virginia. She was married to Henry C. Livingston March 3, 1901, at Mountain Grove, Mo. They came to Lincoln County and settled in Richfield in 1928 and moved to Shoshone in 1933. Mr. Livingston died in June, 1961.

Survivors include four sons, Carl, B. Livingston, Ross L. Livingston and Hatten Livingston, all Boise, and Burrell Livingston, Gooding; one sister, Mrs. Henna Coffman, Gooding; six grandchildren, and two great-grandchildren. She was preceded in death by four brothers and three sisters.

Funeral services will be conducted at 1:30 p.m. Friday, Bergin Funeral Chapel, Shoshone, by Rev. George Nottmurt, of the Shoshone Methodist Church. Final rites will be at the Richfield Cemetery. Friends may call at the funeral home from 3 p.m. Thursday until time of services Friday.

Pop Music From Classics

A noted Sun Valley musician, Johnny Lister, will present a program at 4 p.m. Thursday at St. Edward's Parish Hall, comparing today's pop and rock music to the more classical tunes.

Mr. Lister is being presented here by the Junior Music Club and all school students are invited.

"To be particularly pointed out are the Beatles, a group that Mr. Lister thinks are 'great'."

"The Beatles are young men with tremendously developed creative ability. It shows so clearly in the things they do. Contrast their most recent record with their early ones. You can hear great development in their first big hit, 'I Want to Hold Your Hand,' in 'Sgt. Pepper's Club Band,' their new, and very best."

"I think this Beatles record is better than all, but a few of the better Broadway scores."

Mr. Lister plays piano nightly at the Christiania in Sun Valley. Through his plans he will be showing Thursday how some of today's music has actually been derived from classical tunes.

WELL-KNOWN SUN VALLEY musician, Johnny Lister, will present a program Thursday on pop music, compared to classical. The Twin Falls Junior Music Club is sponsoring the show for all school students at 4 p.m. Thursday at St. Edward's Parish Hall.

Mrs. Mabbutt Addresses Valley PTA

EDEN-HAZELTON — "Your Child—Whose Responsibility?" was the topic at the Valley PTA meeting Monday evening.

Mrs. Richard Mabbutt, Shoshone, said in her speech on the subject, "We must turn a child's head from himself outward before we can accomplish emotional security. A child must experience love and be valued as an individual before he can have a 'heart at leisure from itself.'"

Mrs. Mabbutt's speech or lecture touched mostly on the mentally retarded children and ways to try to help them. "We certainly do not help them by telling them they are retarded," she said, "for they carry that with them the rest of their lives."

It was reported that the PTA women will play basketball with the Valley High School girls and will practice at 7 p.m. each Tuesday at the Hazelton gym. They need a coach and any man interested is asked to contact Mrs. Clark McClain.

The room count was won by Mrs. Hughes at Hazelton and Mrs. Julia Brown at Eden. On Feb. 26 the Founder's Day Program will be presented by Mrs. Clyde Kasterman at the Eden grade school. It will also be open house.

Charles Gordon, assistant Scoutmaster, and part of his Boy Scout Troop were guests and presented the flag service.

Snowmobile Rally To Draw Large Crowd

KETCHUM—All members of the Sawtooth Snowmobile Assn. and the Ketchum-Sun Valley Chamber of Commerce are working toward a successful third annual Snowmobile Rally to be held Feb. 10 and 11. Plans are to entertain some 300 snowmobile enthusiasts.

Working on the Queen Contest are Mrs. George Shoemaker, Bellevue; Mrs. Wayne Brown, Hatley; and Mrs. Jay Naglich, Ketchum. They report any merchant or dealer in the area may sponsor a queen.

The winner will be crowned together with her attendants at 8 p.m. Saturday at the airstrip north of the village. Judging will be on personality, appearance and ability to operate a snow machine.

Edmund Bennett, chairman of the entertainment committee, said a moonlight ride will follow choosing of a queen, and the group will stop at Boundary Sawtooth Forest camp a mile north of Trail Creek cabin at Sun Valley for a winner roast.

For those wishing to attend this event, who do not have snow machines, it will be necessary to walk about a mile on the hard packed tracks made by snow machines from the end of the road at Trail Creek cabin.

Ex-Resident Dies In Oregon

Word has been received by Mr. and Mrs. James A. Vandenberg of the death of Mr. Vandenberg's cousin, Mrs. Carolyn P. Pickett, Eugene, Ore.

The Pickett family had lived in Twin Falls for many years and left here about 25 years ago. Mrs. Pickett, the former Dorothy Wright, died Jan. 8 of a long illness.

She had been in a nursing home the past four months.

Survivors include her husband, a son, four daughters and 12 grandchildren.

Bad Idea

SPOKANE, Wash. (AP)—Maurice Reagan, 25-year-old daughter of California Gov. Ronald Reagan, said Tuesday she would not like to see her father become president.

"I like having my dad around," she said in a speech. "Being president of this country is a very killing job. No one would wish it on someone they love."

Church Sets Annual Meet At Shoshone

SHOSHONE—Annual meeting of Christ Church Episcopal, Shoshone, will be held Thursday following a 6:30 p.m. potluck supper to be held at the American Legion Hall.

Hal A. Ross, senior warden of the congregation will preside at the meeting during which reports will be presented by all parish officers and commission chairmen. Also the 1968 budget will be adopted and elections will be held for members of the Vestry and for delegates to the Diocesan Council and the Diocesan Convention.

A program of films will be shown to the church school children during the meeting. Ross and Mrs. Frank Dallard are in charge of the arrangements for the meeting.

Fidelity National Bank Has Annual Stockholder's Meet

The 60th annual meeting of the stockholders of Fidelity National Bank of Twin Falls was held Tuesday at the main banking offices in Twin Falls.

L. A. Frazier, president of the bank, made the report of the year's business to the stockholders. According to Frazier, the growth of the bank was very satisfactory with total assets attaining \$24,850,000.

This represented an increase over the year ending Dec. 31, 1967, of \$1,886,000. Frazier noted that it was difficult to assess the trend in the economy of the nation for the year of 1968. However, he did express confidence in the bank, the people and the economy of Magic Valley for the coming year.

The stockholders voted to increase the capital stock of the bank from \$100,000 to \$1,000,000 by a stock dividend of 5,000 shares.

Eight stockholders were elected to the board of directors of the bank for the coming year. They are: Clyde R. Bacon, John H. Breckenridge, L. A. Frazier, S. H. Graves, James S. Kinney, Jack F. Ramsey, Guy H. Shearer and Harold J. Stearley.

Following adjournment of the annual meeting, an organizational meeting of the newly-elected board of directors was held during which the following were elected to serve as officers of the bank for the coming year: Guy H. Shearer, chairman; L. A. Frazier, president; S. H. Graves, vice president; James S. Kinney, vice president and secretary; Jack F. Ramsey, vice president; Harold J. Stearley, vice president and cashier; William H. Miller, assistant vice president; David R. Mond, assistant vice president; William C. Flannery, auditor; Lewis A. Hack, assistant cashier; William E. Babcock, assistant cashier; Henry G. Westendorf, manager, Flir branch; C. N. Carlson, assistant manager, Flir branch;

L. W. Wright, manager, Hazelton branch; Harold J. Stearley, assistant manager, Hazelton branch; Don E. Anderson, assistant manager, Hazelton branch; Edward C. Shaff, vice president and manager, farm branch.

Prosecution For Stokely Carmichael?

WASHINGTON—An argument is being made in high government circles over whether Stokely Carmichael should be prosecuted for his various statements which allegedly advised evasion of the draft and incited his audiences to wage guerrilla warfare against constituted authority.

Spook, on charges of conspiring to encourage violations of the draft laws. Some law enforcement officials are complaining privately that the administration is discriminating in Carmichael's favor because he is a Negro.

The law was upheld in 1919 in a ruling by the Supreme Court which held that an individual could be convicted in such a case because his actions or speeches created a clear and present danger that as a result someone might violate the law.

Carmichael has been silent on the issue recently, but on various occasions during the past year, or so he has publicly advised youths to "say hell no" to the draft.

He was arrested in Atlanta in 1966 after a grand jury charged him with inciting to riot in connection with two outbreaks which caused injuries to 35 persons and resulted in 128 arrests.

The Export Drag

Commerce Department statistics on the export-import trade picture for November show exports climbing faster than imports over the previous month. On the surface, this would appear a favorable trend.

It is of course, but not favorable enough.

Economists figured November would show an increase in exports. After all, October exports were held down by widespread strikes.

But the November exports did not rise far enough to compensate for the October slump and also show a decided upturn in the month. Economists are worried any continuing slump in dollars returned through the trade balance could spell trouble for the dollar in 1968.

A profit in the trade portion of the international accounts is the only favorable aspect of all this nation's transactions with other countries. Tourism shows a loss.

But the largest drain of dollars from the U.S. is in the various aid programs administered by Washington. The Vietnam war, direct eco-

nomics and military aid and the maintenance of huge armies in Europe, in Korea and elsewhere require billions of dollars to be spent overseas.

Thus, the only counterbalance in the U.S. accounts is the trade surplus. Exports for the first 11 months of 1967 were up 5.5 per cent from the levels of 1966. Imports were up 4 per cent. The difference was not great enough to make up for October losses.

In 1968 the trade surplus dropped to \$3.7 billion, the lowest point in years. Early in 1967 it recovered and for months exceeded an annual rate of \$4.5 billion. But the annual rate fell below this figure in both October and November.

What further effect on the trade balance the President's attempts to discourage overseas American investment will have cannot be foretold.

But it is not a move calculated to improve either American penetration of foreign markets or foreign confidence in the dollar.

It can only stimulate reprisals which will have an adverse effect on the American balance of payments.

Opinions Of Guest Editors

MEDICAL SCHOOL FLIM FLAM

FOR SOME time it has been apparent Boise promoters are determined to saddle the people of Idaho with an unnecessary, expensive medical school regardless of the ultimate cost in dollars and irreparable damage to state prestige. That Idaho does not need and cannot adequately support a college of medicine now or within the next decade are among facts ignored or adroitly sidestepped by the Boise drumbeaters.

This to-hell-with-the-facts promotional campaign was pushed hard throughout 1967. Indications are that the barrage of bunk, half-truths and promotional gimmicks is being intensified this year in an effort to assure that the legislative committee studying the medical school question comes up with findings favorable to Boise at the expense of the rest of the state.

This was apparent even before 1967 ended. In the final weeks of the year some remarkable statements were made in Boise by a man representing the organization created primarily for the purpose of attacking a medical school down the throats of Idaho taxpayers at any cost.

It. Westman Whillock, a Boise businessman, is the figurehead president of the Idaho Foundation for Medicine and Biology. The foundation is a promotional-lobbying outfit set up and financed by Boise promoters who erroneously believe that a college of medicine will bring Boise economic and political advantages at the expense of the state's other communities. The promoters keep a few professional people on the foundation payroll to maintain its pseudo-scientific front.

Addressing a Boise Democratic luncheon club last month, Whillock demonstrated the technique that clearly indicates the foundation's true purpose. Among other unsupported allegations, he charged that the presidents of the University of Idaho and Idaho State University have opposed the medical school proposal "in the mistaken belief that it would curtail funds for higher education."

Quite aside from the fact that neither of the university presidents questioned establishment of a medical school if and when one is needed in Idaho, Whillock's use of the phrase "mistaken belief" is revealing. Anyone not aware of what a medical school would do to higher education in Idaho either is completely out of touch with the state's economic structure or chooses to ignore it.

If Idaho attempted to institute and support a college of medicine now—or at any time before closely approaching a population of approximately two million, public higher education would be virtually destroyed in the process. Higher education in the state lacks adequate support at present. The drain of a medical school would reduce this already scant support to token levels, thereby dooming the quality of higher education in the state for all time.

After his revealing comment, Whillock proceeded to bombard his audience with bunk intended to make it all sound so simple. He alleged that Idaho has the necessary population, clinical resources, number of hospital beds and necessary connections with the U.S. Veterans Administration

to establish "a small, high quality medical school."

All of these statements are unfounded. Some would not even apply in any truly objective consideration of medical education in Idaho. Whillock and other spokesmen for the Boise promotional foundation also like to cite the University of Vermont as an example of a public institution with a medical school in a state of less population than Idaho and he did not miss the opportunity with his Democratic audience.

The implication is always the same. If little Vermont can support a medical school with a few hundred thousand dollars per year in operating expenses, why can't Idaho do as much? The truth, as usual, is far removed from the sales pitch.

What the Boise promoters carefully avoid mentioning is the fact that compact Vermont has a single state-supported institution of higher education. Sprawling Idaho supports three. Vermont's teaching hospital facilities are made up of two old, established hospitals. One is privately endowed; the other is a self-supporting denominational institution. And Vermont's medical school annual operating costs is not a few hundred thousand dollars. It is in excess of \$1.5 million at present despite the advantageous teaching-hospital situation there.

Recent medical school experiences in western states, particularly in Arizona and New Mexico, also point up the fallacies of the Boise Promotional pitch. But these subjects are not discussed by the pluck men. All of which makes it clear that the boys from Boise are using every kind of film flim in pursuing their objective.

That objective is to establish a college of medicine in Boise regardless of cost, lack of need or the inevitable damage that an inadequately supported, poor quality medical school is certain to inflict within the state. That damage would be felt throughout the state's economy, within its public institutions of higher education and by the taxpayers of present and future generations.

Competent professional studies made in the western states in recent years clearly show that the cost of bringing a reputable, well equipped college of medicine into being is upwards of \$25 million, with operating costs thereafter ranging from \$6 to \$9 million per year. Federal assistance for construction is available at times—usually on a 1.5-to-1 matching basis—but operating costs remain the total responsibility of the state.

Even if Idaho could, in some manner, obtain a medical school at no initial cost, the state's taxpayers would have to support it with from \$60 to \$80 million in public funds in the first 10 years of its existence. And all of this merely to serve the specialized educational needs of five or six potential students at a time when the state's public higher educational institutions are in desperate need of additional facilities.

Every Idahoan would suffer in one way or another from such folly. Ironically, those in the Boise area would suffer most from an expensive medical education venture. Not only would they have to share the continuously mounting costs—they also would bear the dubious distinction of having fallen for the film flim of their own promoters. —The Daily Idobian, Moscow.

ART BUCHWALD

Are We Really Being Tricked?

WASHINGTON — My good friend Joe Wallstop, whom all of us in the column business look on as the opinion-maker's opinion-maker, was in a foul mood when I saw him the other day. "What's the trouble, Joe?" "I can't stand the fools who keep talking about peace in Vietnam."

before because they wouldn't discuss negotiations with us. They thought they were winning the war. Now that they're asking for peace, they obviously don't think they can win the war, and this is the time to let them have it."

"Sure," said Wallstop, "but they won't come to the conference table unless we stop the bombing. So why should we stop the bombing to appease them?" "I guess we shouldn't. Then you see peace as the biggest danger of the war?" "I certainly do. It's the one thing we can't afford to leave. When you start talking peace, you have to make concessions. We're in no position to make concessions to the Communists. After all, our obligation is to South Vietnam, not North Vietnam."

RAY CROMLEY

Sure Ways To Gurb Gold Drain

WASHINGTON (NEA) — Though calling for more exports, in the main President Johnson is attempting to solve the gold drain problem negatively by clamping strong controls on new U.S. investment abroad and on foreign travel by Americans for pleasure.

panies which are now noncompetitive in the world market. It would mean more jobs for Americans, and it would mean that the foreign firms could be lured to invest in the slumps of large cities and in poverty belts in parts of rural America, those investments by foreign businessmen could also help ease the strain in some of our social-economic sore spots.

return for which stocks of counterpart funds (equivalent amounts of local currency) have been set aside in these countries. "Some of this local currency has been used for further U.S. aid to the countries concerned, some used for U.S. government expenses in these countries. Sizeable amounts remain unused. Would it not be profitable, under present circumstances, for the U.S. government in some cases to sell this local currency to American tourists and thus add this mite to easing the dollar drain?"

Relatively Few Copper Strikers In Utah Are Receiving Public Welfare

By LARRY KURTZ
SALT LAKE CITY (AP) — Although the copper strike is more than six months old, relatively few strikers in Utah are receiving public welfare.

James Chapman, who handles public relations for the Utah Division of Public Welfare, says the strikers account for only a small portion of the total welfare outlay. He says the average number of persons receiving welfare in a month is 37,000. Less than 1,000 of these are strikers and members of their families.

Deann Baxter, assistant social service director in the Salt Lake County welfare department, says a majority of the strikers receiving welfare are paying back the aid by working on public projects. Each hour's work is worth \$1. The county department paid out some \$43,850 to the strikers and their families this month.

He said many people in Utah emphasize the role of the strike on the welfare budget because of their personal attitudes against both strikes and public welfare.

Baxter noted, however, that some copper strikers have taken jobs which normally would be filled by others, thereby adding to the welfare rolls.

Chapman says the welfare division foresees a deficit of \$1.4 million by the end of the fiscal year in June. He says the staff already has been cut by 35 and that some services have been reduced.

Chapman says the 4 per cent cutback in state spending, ordered by Gov. Calvin Rampton shortly after the start of the copper strike, actually has meant a 12 per cent cutback for welfare.

He says this is because the department receives \$2 in federal funds for each \$1 of state money.

The department receives its money at the start of a biennial

situation, he says, and reviews its status periodically. That is how it makes predictions on the status of its fixed budget in relation to the ever-changing number of recipients.

The welfare budget for the current biennium is about \$60 million, \$10 million of which is federal money.

Chapman says it is possible, but unlikely, that the welfare money will be gone before the end of the fiscal year. He says any one of three developments would most likely occur before the money ran out: further cuts in welfare staff and services, transfer of funds from another state department to the welfare department, or a special session of the legislature.

Conferences Proposed On Desert Land

WASHINGTON (AP) — Conferences between the Idaho Water Resources Board and U.S. Department of Interior officials concerning development of southwestern Idaho desert land have been proposed.

Sen. Lon B. Jordan, R-Idaho, and Frank Church, D-Idaho, said Tuesday the Idaho board would be asked to join the federal agency in a review of "alternatives and possible courses of action."

A number of desert land entry applications have been filed on southwestern Idaho desert land, and a large block of the land has also been set aside for future inclusion in the Southwest Idaho Water Development Project.

Congress has authorized a feasibility study of the Bruneau Division of the project.

"Of that portion of the Bruneau Division open to desert land entry, the family-sized farm applications are dwarfed by the large corporate farm idea with out-of-state backing," the senators said in a joint statement.

"The Department of Interior opposes this type of development."

Although doing every thing possible to move the Southwest Idaho Water Development Project ahead, the statement said, it would be years before it could become a reality.

losses in the welfare budget because of their personal attitudes against both strikes and public welfare.

GOVERNOR TALKS
IDAHO FALLS (AP)—Gov. Don W. Samuelson in a telephone message to a breakfast meeting of the Idaho Falls Chamber of Commerce Tuesday said he saw "no possible chance of including additional funds for education in next year's special session of the legislature."
 Samuelson said an analysis by the State Tax Commission shows that Idaho will not have the surplus which "some have speculated about without doing the needed research." This speech, he added, has created unnecessary confusion about the state's fiscal position.
 In a wide ranging discussion of state problems, Samuelson also disclosed he is meeting with West Coast Airline officials Tuesday to see if an intra-state airline system can be established.

Ex-Hansen Man, 73, Dies

HANSEN—Relatives here have learned of the death of an uncle, Landon Hollifield, 73, Dec. 26, at Burnsville, N. C., in a Duncombe County hospital after a long illness.
 Mr. Hollifield was a native of Mitchell County, N.C., and a veteran of World War I. He came to Idaho about 1910, after a brother, William M. Hollifield, now deceased, settled here in about 1905. He farmed in the Hansen and Twin Falls area and left here about 10 years ago to return to his native North Carolina.
 Surviving are one son, Gordon Hollifield, Jerome; one sister, Mrs. Thad Young, Newdale, N.C.; four grandsons, Clyde Hollifield, Jerome; Roy Hollifield, Little Switzerland, N.C.; Athan Hollifield, Malheur; and one grandchild, Clay Hollifield, Drexel, N. C., and three grandchildren.
 Besides his son in Jerome, he has several nieces and nephews still residing here, Clarence Hollifield, and Mrs. Grant (Dorothy) Carlson, both Hansen; Roy Hollifield, Gopling; Roy Hollifield, Bole, and Mrs. Lee (Geneva) Popplewell, Buhl.
 Final rites were held in Newdale Presbyterian Church.

Rooney III

SAN FRANCISCO (AP)—Actor Mickey Rooney is a patient in St. Francis Hospital, it was disclosed Tuesday, suffering from what was described as a slight liver ailment. He has been at the hospital since Jan. 14, a spokesman said.

Romney Enlists Allies To Aid In New Hampshire Campaign

WASHINGTON (AP)—Gov. George Romney is enlisting Michigan congressional allies to join his New Hampshire presidential primary campaign.
 Sen. Robert F. Griffin, R-Mich., said he plans to go to New Hampshire in Romney's behalf, and some of Michigan's now Republican House members also may go.
 Romney returns to New Hampshire Tuesday for his second campaigning stint in preparation for the March 12 primary. He will be there until Sunday.
 Griffin was elected to the Senate and five new Republicans went to the House on the Michigan ticket which Romney led with a landslide two years ago. Griffin said part of his New Hampshire mission would be to remind Republican voters that Romney proved in that race he can help other GOP candidates win elections.
 "We really got off to a great start in New Hampshire," Romney said Tuesday, "and we've reversed the trend up there." That trend, reflected in the opinion polls, favored former Vice President Richard M. Nixon, who has not yet announced his presidential candidacy.
 Romney declared during a day of Washington strategy talks, "I expect to win. And the campaign has just started."
 Wherever on the political scene—
 —Rep. Charles A. Halleck of Indiana, one-time Republican majority and minority leader of the House, announced he's bowing out of politics after his term in Congress.
 Halleck staged a GOP coup in the 1959 session, ousting Rep. Joseph W. Martin Jr. of Massachusetts from the minority floor leadership.
 —In Montgomery, Ala., spokesman for the Democratic party and former Gov. George C. Wallace's states rights faction predict the way will be cleared so political candidates in Alabama won't have to specifically promise to support Democratic party nominees in the November election.
 Abandonment of the loyalty oath would allow a choice between President Johnson, the expected Democratic candidate, and Wallace, a likely third-party presidential candidate.

WINE CONTEST
BOISE (AP)—The Boise Fire Department was announced Tuesday as the 1967 fire prevention contest winner among municipal departments in Idaho.
 The contest was announced by the National Fire Prevention Association International.
 Vost said the contest is to measure the success of the community in enlisting public participation for fire prevention.

Brochures Of Hailey Area Distributed

HAILEY—New brochures giving information on Hailey and the surrounding area were distributed at the Monday meeting of the Hailey Chamber of Commerce for the Mint dining room.
 The Big Wood River Valley and the Sawtooth Mountain country have always been popular vacation places, starting with pioneer days and today the opportunities for all members of the family to enjoy their favorite outdoor activities are attracting more visitors than ever before, reads one portion of the brochure.
 To verify this fact secretary, Mrs. Roberta McKeercher, read in a dozen letters received last week from all parts of the United States requesting information on living conditions here.
 Richard Zelco, Twin Falls, who owns the Sun Valley Credit Bureau, told of this new business for the community and explained the advantages it will give businessmen. Following his talk he answered questions.
 The Sun Valley Credit Bureau is \$8 a month and each subscriber is entitled to 10 free oral accounts over the telephone.
 He also told of a weekly bulletin published by the Bureau, and said his branch is a part of a nationwide business.
 He advised that Mrs. Richard Williams is local secretary treasurer for the Sun Valley office.
 A letter was read by the secretary from the Idaho Public Utilities Commission, in which they advised they are asking the postponement of a hearing requested by the Union Pacific Railroad to discontinue trains No. 17 and 18 (The Portland Zoo).

MEET SLATED

SHOSHONIE—Northside Community, Inc., will meet at 8 p.m. Thursday at the courthouse here.

Plan Banquet During Meet

Plans for decorating the Lincoln Day Banquet were discussed during the Monday meeting of the Twin Falls Republican Women at the Rogerson Hotel.
 The banquet will be held Feb. 9 at the Elks Lodge.
 During the meeting a legislative report was given by Mrs. Alice Jackson, Kimberly.
 Election of officers was held and the following were elected: Mrs. Robert Stephan, president; Mrs. Mike Eelton, Buhl, vice president; Mrs. Della Sidwell, secretary; and Mrs. Harry Olson, Twin Falls, treasurer.
 The outgoing officers were Mrs. Kenneth Marshall, president; Mrs. Richard Brizee, vice president; Mrs. Della Sidwell, secretary; and Mrs. Harry Olson, Twin Falls, treasurer.

Enters Hospital

MEMPHIS, Tenn. (AP)—The wife of entertainer Elvis Presley will enter a Memphis hospital about Feb. 1 to give birth to the rock 'n' roll star's first child.
 Vernon Presley, the singer's father, said the baby is due early next month. Elvis married the former Priscilla Beaulieu last year.

A YOUTHFUL VIET CONG suspect appears unimpressed as he is questioned at the point of a South Vietnamese interpreter's M16 rifle after his capture in a village about 35 miles south of Da Nang, South Vietnam. The boy was captured with an unspent U.S. smoke grenade by American troops. A POW tag is attached to the youth's shirt. (AP wirephoto)

LBJ's Employment Drive Backed

By JOE HALL
WASHINGTON (AP)—President Johnson's enlistment of private enterprise in a drive against hard-core unemployment has won broad endorsement from labor and industry. Congress seems friendly, too, but may balk at giving him the full \$2.1 billion he seeks.
 The National Association of Manufacturers, saying industry has achieved good results in this area, questioned the need for a federal program.

Johnson's goal, stated Monday, is to create 500,000 jobs for hard-core unemployed in the nation's 15 biggest cities. The three-year program isn't expected to have a significant impact on slum-restlessness this summer.
 Johnson named about a dozen top business leaders to a National Alliance of businessmen which will work with the government on the program. Henry Ford II, board chairman of the Ford Motor Co., will head it.
 Under the program, the government would pinpoint the hard-core unemployed and private business would provide the training, aided by federal funds. George Meany, president of the AFL-CIO, said the 14-million-member labor federation will support Johnson's manpower proposals. But he said that such the ultimate goal of full employment "the government must be the employer of last resort."
 He said Congress would have to enact legislation creating one million public service jobs if the problem of hard-core unemployment is to be solved.
 Meany also said the President's proposal needs "careful policing" to assure that federal job-training money isn't used as a "disguised wage subsidy" to business.
 Allan Shivers, president of the U.S. Chamber of Commerce, welcomed Johnson's "decision to try to develop job opportunities in private enterprise for the hard-core unemployed, rather than to create public jobs through government fiat."
 But Shivers added: "No job program should promise more than it can deliver."
 He said job programs "should not be promoted as guarantees against civil disorder. The facts from Watts, Detroit and other cities show there is not necessarily a correlation between unemployment and riots."
 W. P. Gullander, president of the National Association of Manufacturers, expressed hope

"Industry will have an equal voice in planning and managing the program."
 But he expressed reservations, saying industry "has achieved significant results in this field and can look forward to continued improvement."
 "We question the need of a major new federal program involving further regulations," Gullander added.
 In Congress, it appeared certain the Senate and House Labor Committees would endorse legislation authorizing Johnson's program.
 But the appropriations committee, which provides the actual cash, appeared likely to balk at the \$2.1 billion figure, especially if budget-cutting fever runs strong again this year.
 A substantial part of the funds will come under the antipoverty program, a big target of economy advocates last year.
 However, Senate Democratic Leader Mike Mansfield said he thinks Congress will support the full request.

Canterbury Archbishop Is Cheered

LONDON (AP)—About 50 angry Protestants outside Westminster Roman Catholic Cathedral shouted "traitor" but the congregation of several thousand inside applauded and cheered when the Archbishop of Canterbury arrived for a joint Anglican-Roman Catholic service.
 The primate of the Church of England, Dr. Michael Ramsey, joined Cardinal Heenan in praying for unity of their two churches, which split in 1534.
 The demonstrators outside sang hymns, waved banners and shouted that the Reformation was betrayed.

MEASURES ARE BEING taken by State Highway Department to avoid later serious breakup on Main Avenue, part of Highway 30 through Twin Falls. Here crack sealing with street materials applied at 250 degrees is under way to prevent moisture from soaking under the street and allowing

breakup. If funds permit, all of Main Avenue will be seal coated later in the season. Mild weather is giving crews a chance to catch up on street patching and repairs for protection against more freezing and thawing that may follow this year.

Train Change Is Opposed At Shoshone

SHOSHONE—Shoshone Chamber of Commerce members opposed discontinuance of Union Pacific trains 17 and 18 when they met Monday noon at the Minuhait Cafe.

Howard Adkins and Ivan Hopkins were appointed to a committee to draw up a resolution stating opposition to removal of the trains and send it to the Interstate Commerce Commission, Washington, D.C.

Opposition to removal of the trains had been voted at the last Chamber meeting, and a letter received from the Montpelier Chamber was read Monday in which they, too, opposed the removal of the trains and asked other chambers to voice such action.

Ray E. Oyer, county assessor, sent a letter to the chamber announcing a meeting at 7:30 p.m. Feb. 7, at the courtroom of the courthouse where members of the State-Farm Commission will be present. This meeting will concern an appraisal program for Lincoln County. All interested persons are urged to attend.

A denial of extended area telephone service between Gooding, Jerome and Lincoln counties was noted. The action was taken by the Idaho Public Utilities Commission.

The annual Boy Scout breakfast will be held Feb. 15 at E. Shaw and William Mahant are co-chairmen of the event with Francis Bergin, Reid Newby, Gilbert Pierson and William Harris assisting.

Cecil Cope again urged the chamber to have a Farmers Banquet. This was discussed and further action will be taken at the next meeting.

There was a lengthy discussion on number of merchants attending chamber meetings and participating in chamber activities. It seems that only about six or seven out of about 60 merchants in Shoshone are active in the chamber, officials advised.

Good Service

MOBILE, Ala. (AP)—Two armed bandits were holding up a gas station attendant Tuesday night when a customer pulled up to a pump.

One of the bandits quickly placed the gun in his pocket and walked out to the motorist. When the driver told him to fill it up, he collected the money and then returned to help his companion refill the register of \$142.

Father Hit By Double Tragedy

HARTFORD, Conn. (AP)—Vincenzo Strano was hit by a double tragedy today—one son was believed captured aboard the U.S. intelligence ship Pueblo, and another was reported killed in combat in Vietnam.

Strano could not hold back his tears when informed today that his 19-year-old son James, in the Army in Vietnam, died Tuesday of wounds received in combat.

Only Tuesday night, Strano said that he would do all he could to have James returned to this country because his older son, Scannan Angelo Strano, 21, was one of the crewmen aboard the Pueblo, which has been seized by North Koreans.

The family received its last word from Scannan Angelo Strano about three weeks ago from Japan. He has been in the Navy for more than two years. James entered the Army last month.

The possibility of changing the meeting date to either Thursday or Friday to help attendance was considered, and will be discussed further.

Roy Hichert was introduced as the new secretary, replacing Myron D. Johnson who has resigned after several years re-

OFFICIALS attending the Council 7 Toastmistress Club in the Holiday Inn at Twin Falls were, from left, Mrs. Leroy Arrington, Twin Falls, parliamentarian; Mrs. Douglas Vollmer, Twin Falls, vice chairman; Mrs. LePago Layton, Burley, council chairman; Mrs. John Burkhart, Twin Falls, treasurer, and Mrs. T. Wayne Woodland, Burley, secretary. Program planning was the theme of the meeting.

Burley, T.E. Toastmistress Clubs Are Given Awards

Awards for membership gaining at the club level for the past year have been presented to the Twin Falls and the Burley Toastmistress clubs by Mrs. LeRoy Arrington, Twin Falls, past Council 7 chairman.

The council speech contest will be held April 26 with the Magic Toastmistress club as hosts. It was reported at the Snake River Regional council luncheon meeting Saturday at the Holiday Inn, Twin Falls. Theme for the meeting was "Blueprints to Success."

A panel was given on "Pro-

Viet Cong Release Two American GIs

SAIGON (AP) — U.S. officials announced today that the Viet Cong had released two American servicemen who had been taken prisoner in South Vietnam.

A spokesman identified the two released captives as Marine Cpl. Jose Agosto Santos and Army Pfc. Luis Ortiz-Rivera.

The spokesman said Agosto Santos had been held by the Viet Cong since May 14, 1967, and Ortiz-Rivera had been a captive since Dec. 21, 1967.

The spokesman said both men were released Tuesday near Tam Ky on the coast 350 miles northeast of Saigon. He said they were taken to a hospital of the U.S. 1st Air Cavalry Division for treatment and will be evacuated shortly to the United States.

The spokesman said he did not have the ages or hometowns of the two men, nor could he give any details concerning the circumstances of their release.

It was the first known release of America prisoners since three U.S. servicemen were released by the Viet Cong through Cambodia last November.

The Viet Cong announced last week it had released 14 South Vietnamese officers on Jan. 8 in honor of the seventh anniversary of its political arm—the National Liberation Front.

Informed sources have reported the Saigon government will release 35 or 40 sick or wounded North Vietnamese prisoners, probably for Tet, the lunar new year Jan. 30.

School Survey For Wendell Is Finished

WENDELL — The task force headed by the local School Board of Trustees has concluded evaluation of the quality of our local school district.

"Profiles of Excellence," a recommended criteria for evaluating school quality designed by the National Education Association, was used as the guide.

Fifty-eight separate areas that embrace those readily observable aspects of school system operation are covered in the evaluation.

Organizations taking part include Wendell Grange, Chamber of Commerce, PTA, Orchard Valley Grange, Idaho Education Association and the Board of Trustees.

Individuals who participated included Frank Orth, Dr. Richard Hagerman, LaVar Peterson, John Newbrough, Farron Chandler, Ray Turner, Laurence La Rue, Clyde Peterson, W. Parr, Edward Otton, John Parke, Charles Miller, Arlin Dennis, George Holmes, Calvin Prestwich, John Conner, Kay Cutler, Carl Doramus, Mrs. Lay Peterson, Mrs. Dale Blterli and Mrs. Donna Weed.

The evaluation is being summarized and will be sent on to the state task force to be included with other districts of the state by Feb. 1.

The ratings and recommendation statewide will eventually be computerized to arrive at the final recommendations for the governor and legislators in the next regular session and for future use.

Wilson Says War Solution Imperative

MOSCOW (AP) — Prime Minister Harold Wilson of Britain said today a political solution must be found for the Vietnamese war, but he indicated his Moscow visit had failed to find it.

Neither the Soviet Union nor Britain changed its views on Vietnam in talks he had with Soviet leaders, Wilson told a news conference.

Neither nation has the authority to negotiate on Vietnam, Wilson said.

Wilson told reporters that both the Soviet Union and Britain supported the U.N. resolution on the Middle East.

The resolution called on Israel to withdraw its troops from areas conquered in the June war and urged Arab nations to end their state of belligerency.

Wilson paid tribute to what he said was the Soviet position of urging restraint in the Middle East.

Wilson discussed with Premier Alexei N. Kosygin for more than two hours what could be made public on their talks. He emerged late for lunch looking hot and flustered.

Dear Abby

By ABIGAIL VAN BUREN
 DEAR ABBY: I met this good looking girl who waits on tables in a place near where I work. She came on like a real sweet country kid who worked hard for a living and wouldn't let any guy get next to her, which I liked.

She already wore the clothes I gave her, so what do I do now? Three hundred bucks ain't hay.
 CHUCK

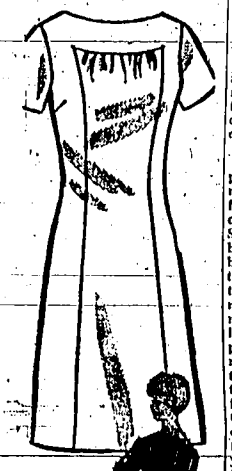

Well, I took her home from work a couple of times, and all she'd give me was a goodnight peck on the cheek at her door. I asked her what she wanted for Christmas, and she gave me a list of clothes to buy and where to buy them. I went around and bought all the things she wanted, which set me back \$300.

DEAR ABBY: I am a young clergyman who is new in this community. Someone told me that about four or five years ago you had a very good answer in your column for a person who wanted to complain because every time he turned around the church was asking for money. He wanted to know what the church did with all their money. I would appreciate it if you could locate that item and print it again. Thank you kindly.
 DES MOINES CLERGYMAN

After I gave her these gifts, I asked her how about driving somewhere with me for the week-end. She said nothing doing—she wasn't that kind of a girl.

DEAR CLERGYMAN: It was closer to EIGHTY years ago, but I have located the letter, and here it is:

Marian Martin Pattern

9015
 SIZES 10-18

by Marian Martin

VIBRANT VERTICAL.
 From the moment it came off our designer's drawing board, this sleek, vertical shape, won rave reviews! Make it for spring.
 Printed Pattern 9015: Misses Sizes 10, 12, 14, 16, 18. Size 14 (bust 34) takes 2 1/2 yards 39-inch fabric.
 Sixty-five cents in coins for each pattern—add 15 cents for each pattern for first-class mailing and special handling. Send to Marian Martin, Times-News, 395 Pattern Dept., 232 West 18th St., New York, N.Y. 10011. Print name, address with zip, size and style number.

DEAR ABBY: We are not overly religious people, but we do like to go to church once in a while. It seems to me that every time we turn around in church we are getting hit for money. I thought religion was free. I realize that churches have to have some money but I think it is getting to be a racket. Just what do churches do with all their money?
 CURIOUS

DEAR CURIOUS: Even priests, ministers and rabbis must eat. And since they work full time at their tasks, the churches must support them. Staff, professional choir members, and musicians must also be paid. Buildings must be maintained, heated, lighted, and beautified. (And, of course, that they must be built!) Custodial staff must eat and feed their families. Most churches engage in philanthropic work (aid to needy, missions, and education); hence, they have their financial obligations. Even orchids, contrary to folklore, do not live on air. Churches can't live on air, either. Religion, like water, may be free, but when they pipe it to you, you've got to help pay for the piping. And the piper!

DEAR ABBY: I would like your opinion of something new in our town. It's called the "COME AND GO SHOWER."

Here is how it works. The guests come, drop off their gifts, and then they go. They can't stay because so many people are invited—there is no room for them to sit down anywhere. There is a punch bowl and cookies around and everyone helps themselves.
 I don't see much fun in this kind of shower if you can't stay and watch the guest of honor wrap her gifts. The last one I went to netted 103 gifts from neighbors, friends, and relatives. It lasted 10 hours, and people were coming and going with gifts all day long—no-told-what-is-your-opinion-of-showers like this?

"COME AND WENT" IN HARRISBURG

DEAR CAME AND WENT: It's my opinion that anyone who would COME to a shower such as the one you describe, should GO and have her head examined. Showers are getting to be an out-and-out racket, but the

ACCEPTING THE GAVEL from Mrs. W. H. Sump, left, past president of the Fellows, by Mrs. Allen Betz, new president, during installation ceremonies held recently at the Rogerson Hotel Roundup Room. The officers were installed by Faren Faler. The Fellows meet the second Thursday of each month.

Holland Trip Is Topic For Jerome Confab

Rev. John Sears was guest speaker at the Jerome Civic Club meeting recently. He spoke on his recent trip to his home land of Holland.

Rev. Mr. Sears compared the life and thinking of the Dutch people to the people in the United States. He said, "the people there are very heavily converted to Communism by Russia. They believe Russia is their best friend and that the U.S. should not be in Germany with their air bases and occupation forces. They want our money, soft drinks, American cigarettes and American commodities."
 "They do not think we should be in Vietnam," he stated.
 On the other hand, Rev. Mr. Sears compared the Dutch women dressed for street, in favor of the Dutch. He stated one never saw the Dutch girls and women going around with the bedroom look, in hair curlers and boudoir bonnets.
 He compared the crowded streets in Amsterdam with traf-

fic here. He said they had invented a collapsible bicycle, with very small wheels, which is furnished with many models of cars to carry in their trunk. When they came to the outskirts of Amsterdam they would park their cars and travel the streets on the bicycle.

Rev. Mr. Sears touched on the confusion of religion over there. Hostesses for the day were Mrs. Clark Helms, Mrs. E. J. Bragg and Mrs. Sears. The table was covered with a blue and white Dutch tea cloth and centered with a little blue and white Dutch china.

In addition to Rev. Mr. Sears, guests were Norma Neher and Mrs. Jake Reichard. Mrs. Reichard showed her doll collection. She stated that doll collecting is the second largest collecting hobby in the world.
 Mrs. Oscar Fort was appointed secretary to fill out the unexpired term left when Mrs. Chris Fearheller moved to Caldwell. Mrs. Bud Howe was welcomed as a new member.

PROJECTS DISCUSSED
 FILER—Plans for money raising projects were discussed at the meeting of the Women's Missionary Society of the United Missionary Church. Mrs. W. E. Wood was in charge of the program. "Pioneer Missionaries" Mrs. Joe John was hostess.

 DOWNTOWN TWIN FALLS

Magic Valley Favorites

MARVEL HUNT
 614 4th Ave. W., Twin Falls

Hot Tamale Pie
 1/2 cup minced onion
 1 green sweet pepper minced
 1 tablespoon butter
 2 pounds ground beef
 2 cups cooked tomatoes
 1/2 cup finely chopped ripe olives
 2 teaspoons salt
 1 teaspoon sugar
 1/2 teaspoon pepper
 2 or 3 teaspoons chili powder and butter. Add ground beef and cook slowly, stirring often. After about 15 minutes add cooked tomatoes and seasonings. Simmer 10 minutes and pour into two-quart casserole lined with corn meal mush. Bake one hour at 375 degrees.

Make mush by adding one cup corn meal and one cup cold water into three cups boiling water and one teaspoon salt. Cook until thick.

(The Times-News will pay \$5 each week for the best recipe submitted for Magic Valley Favorites. If you have a favorite recipe, just mail it to the Recipe Department, Women's Page Editor. The recipe becomes the property of the Times-News and cannot be returned.)

Florists Host Social Event

BURLEY — A social evening was hosted by members and wives of Southern Idaho Florists Club, Wednesday at Ponderosa Inn. Special guests were funeral directors and wives from all Magic Valley.
 Welcome was given by Lorn Johnson, Buhl, president of Southern Idaho Florist Club. A superb dinner was enjoyed followed by dancing. Arrangements for the event were directed by Bill Jewell, Burley, assisted by Harold Jensen, Jerome, secretary-treasurer of the group.

Sisters Visit Buhl Study Club

BUIH — Sister Mary Morita, teacher of sociology, and Sister Lois Mary, vocational director, both from the College of St. Mary in Omaha, Neb., were special guests at the Inquirer's Study club meeting at the home of Janet King.
 In the course of study for the evening, each answered questions and talked about her respective field of study. Others present included Sister Mary Carolyn, Mr. and Mrs. Frank Karel, Mr. and Mrs. Kenneth Buell, Mrs. Guy Pehrson, and Miss King.
 The meeting was conducted by Mrs. Frank Karel, and refreshments were served by the hostess. The next meeting will be held at the home of Mr. and Mrs. Pehrson.

Club Convenes

FILER—Mrs. Clarence Peterson was hostess to Four Square Club members. Guests were Mrs. Howard LaPray and Mrs. Lee Sharp and daughters. Mrs. Sharp received a gift and Mrs. Morris Danlap was awarded a game prize.
 A sweetheart party for husbands will be held at 6:30 p.m.

Noble Grands Installed For Area IOOF, Rebekahs

BELLEVUE—Mr. and Mrs. A. M. Lajoie were installed noble grands of Bellevue Odd-fellow Lodge No. 9 and Mayflower Rebekah Lodge No. 4 respectively at a joint installation ceremony recently at the Odd-fellows hall.

Installing officers were James Etchison, Bellevue, district deputy grand master, and Mrs. Vaughn Murphy, Snowdrop Rebekah Lodge No. 71, Ketchum, district deputy president, together with their team of deputy grand officers. These included Pete Johnson, Bellevue, and Mrs. Frank Morrison, Ketchum, marshals; Mr. and Mrs. Halbert Hatch, Bellevue, wardens; Steve Dorchak, Halley, and Mrs. William Smith, Ketchum, secretaries; Mr. and Mrs. Ralph Burr, Ketchum, treasurers; Mr. and Mrs. Magin Young, Halley, chaplains; Lester Larsen, Bellevue, inside guard, and Mrs. Roberta McKercher, Bellevue, musician.

Other officers installed included Lester Larsen and Lester Larsen, vice grands; Halbert Hatch, who fills the offices of corresponding and financial secretary and treasurer for the men's lodge, and Mrs. Jerald Vile, corresponding secretary; Mrs. Chrystal Harper, financial secretary, and Mrs. Erwin Drusel, treasurer, for Mayflower Lodge.

William Williams and Mrs. Dorchak, chaplains; Mr. Dorchak and Mrs. Hatch, wardens; William Aitken and Mrs. Clay Esteridge, conductors; Mr. Etchison and Mrs. Charles Johnson, inside guardians; Ollie Disbennett and Mrs. Irving E. Kacalek, outside guardians; Martin Jewell and Mrs. Garth Sims, right supporters to the noble grands; Eugene Frederickson and Mrs. Walter Kohler, left supporters to the noble grands; Pete Johnson and Mrs. Mary Llyra, right supporters to the vice grands, and Woodrow Watts and Mrs. Iva Trowbridge, left supporters to the vice grands.

Additional officers installed for Mayflower Lodge included Mrs. Ingrid Albrethsen, colorbearer; Mrs. Everett Campbell, chief captain; Mrs. Johnson, lodge deputy; Mrs. Johnson, junior past noble grand; Mrs. Campbell and Mrs. Etchison, right and left aids to the chaplain; Mrs. Roy Fitz and Mrs. Ward Beck, right and left aids to the past noble grand; and Mrs. Johnson, outside guard.

Under the leadership of Mrs. Lance, Mrs. Jerald Vile, outgoing noble grand, was honored in a ceremony titled for her emblem, "Dove of Peace," and her motto, "Let there be peace in all the world and let it begin with me." She was presented a pink rosebud corsage and two ceramic doves.

Limerick Altar Society Meets

GLENN'S FERRY—The Our Lady of Limerick Altar Society will meet in the home of Mrs. Claude Shaeffer at 8 p.m., Thursday. Mrs. Dick King is president.

Mrs. James Carpenter is chairman of the nominating committee, which includes Mrs. Eddio Hostic and Mrs. Claude Egnuska. The election of new officers will be held in the February meeting.

BRIDGE PLAYED

DECLU—The N. and S. Bridge Club met at the home of Mrs. E. R. Kelsey for dessert bridge. High scorers were Mrs. Nell Matthews and Mrs. Neva Dalton. The next meeting is at the home of Mrs. M. H. Manning.

Hemlines Have Built-In Compromise In Fall Styles

By JEAN SPRAIN WILSON AP Fashion Writer

NEW YORK (AP)—Even as the word flashed around the world that the queen of England's couturier Hardy Amies has dropped the hemline modestly below the knees, Oscar de la Renta has hemlines with a built-in compromise.

Actually, his first few costumes show Wednesday—compromised—more than the matter of where the skirt edge shall rest, but also the dilemma of should ladies wear the pants of the skirts? Or should fashion abandon the hard chic of Frenchman Andre Courtois for marshmallow softness?

Not all, but the first of the pretty markings who opened the press preview at the American

of ostrich feathers that there surely must be a shortage of ostriches these days. Now that body-hugging styles are in vogue though the body may not be in shape for hugging, Warner's slimwear gave a

Philosopher To Talk Friday At Burley Knife, Fork Club

BURLEY — Dr. Orlo Brees, a rare combination of humorist-philosopher-teacher, editor-and-economist will be the featured speaker at 7 p.m. Friday during the Burley Knife, Fork and Club meeting in dining room of Rupert Elks Lodge.

The doctor degree is an honorary one of laws conferred upon him by Shurtleff College in 1955.

The Brees' business career is somewhat unique. It began in Illinois as a coal miner and recently terminated as a representative of the Western Division of the National Association of Manufacturers with whom he was associated in Public Relations work for more than six years.

In between was a stint of 21 years as a legislator in New York.

He has that peculiar ability to put people at ease and to make them thoroughly enjoy themselves.

He is perfectly content to let the State Department handle international affairs, the War Department take care of the Asian situation, and government economists balance the budget.

For himself, he wants only to help people enjoy life while he tells his funniest stories and creates impossible situations during an entertaining hour he hopes will be the most enjoyable they ever spent.

DR. ORLO BREES

Dismissal Of Suit To Integrate Harris Home Set

ATLANTA, Ga. (AP)—A motion has been filed to dismiss a federal suit to integrate the home of Joel Chandler Harris, author of the Uncle Remus stories.

The home, the Wren's Nest, is operated by a private association which said the suit, filed last November by a Negro minister who was refused admittance, failed to show the home is a place of public accommodation.

Brain Impulse Blocking Studied

By BILL LITTLE
OKLAHOMA CITY, Okla. (AP) — Medics are looking for ways to block brain impulses, which can switch off a healthy human heart and cause sudden death.

Studies on how to short-circuit the killer impulses are under way at the University of Oklahoma Medical Center.

Ike Presents Awards To Two Students

INDIO, Calif. (AP) — Former President Dwight D. Eisenhower presented heroism medals Tuesday to two high school students who rescued a service station attendant being beaten by robbers.

Eisenhower acted in behalf of the Palm Desert Optimist Club in making the presentation at his office to Paul Zinn and Gary Schaffer, both 17, of Indio High School.

"Nothing is as important today as law and order," the general said.

The students were driving by when they saw the four men attack the service station attendant, Raymond L. Ramirez. They drove off three of the assailants and held the fourth for police.

The others subsequently were arrested. All four are serving robbery sentences.

SEAT SOLD
NEW YORK (AP) — The American Stock Exchange sold a seat Tuesday for \$260,000, matching the record price paid for a seat Monday. The previous high was \$254,000 paid in 1929.

clude heart damage, chronic emotional states such as depression and discouragement or other factors, such as overwhelming or sudden fear," Wolf said. "We know it is possible to activate in animals the brain mechanism which turns off the heart. You can do it in a number of ways. We are experimenting in various methods of blocking the mechanism."

"The uncertainty of when it's going to happen," he added, is the biggest hurdle facing the researchers.

"We must reverse the long held general opinion that the heart controls the brain," Delgado said. "We're finding it is the brain which controls blood pressure, hypertension, heart rate, heart rhythm and electrocardiogram activity."

Beetgrowers In Minidoka Slate Meet

RUPERT—Visiting speaker at the Minidoka County Beetgrowers annual meeting at 7:30 p.m. Thursday in Minidoka High School will be Sen. Frank Church, D-Idaho.

An election also will be held for three directors' terms of three years each to fill the expiring terms of Clyde Greenwell, Sherman Saylor and Max Pile.

The beet contract for the coming year will be discussed. No percentage has been reached with the Amalgamated Sugar Co. as yet.

FRED PARKER, left, bishop of the Halley LDS Church, looking on at the recipient's parents, Dr. and Mrs. Alden M. Packer, Phil is an Explorer in post 180.

Nixon Is Expected To Reveal Plans

CHIENEY, Wash. (AP) — Former Republican presidential candidate Barry Goldwater said Tuesday he expects Richard M. Nixon to declare his candidacy for the presidency the next few days.

The former Arizona Senator told Eastern Washington State College students that a Nixon-Romney ticket would be the best GOP combination.

On the Vietnam war, Goldwater said the American public now knows he is more accurate during the last presidential campaign than was President Johnson.

Kindergarten Group Elects

FILER — Mrs. Lester Peterson was elected president of the Filer Kindergarten Association at a meeting in the new Elementary School.

Mrs. Dalmer Lowder was elected vice president; Mrs. Marvel Palmer, secretary, and Mrs. Russell Sheridan Jr., treasurer.

GROUP DISPERSED
LOUVAIN, Belgium (AP) — A demonstration by 200 Flemish students against French sections of the Roman Catholic University of Louvain was dispersed by police Tuesday.

Colorado Man Is Hired By Camas Board

FAIRFIELD—Mike N. Dakis, Iloilo, Colo., has signed a two-year contract as superintendent of the Camas County schools, according to Zane Harrison, chairman of the board of School District No. 121.

Mr. Dakis was granted a B.S. degree in 1958 from Westminster College, Salt Lake City, Utah. He received his Master's degree from the College of Idaho, Caldwell, and has done work toward his doctor's degree at Provo, Utah.

He taught one year at Mt. Vernon High School, Mt. Vernon, Ore., and three years at Nampa High School. He was superintendent at Leadore for four years and the past two years has been superintendent at Iloilo, Colo.

Sweden Has 19 American Deserters

STOCKHOLM, Sweden (AP) — The number of U.S. military deserters in Sweden grew to 19 Tuesday night when the Swedish Vietnam Committee said a soldier based in Italy had come in protest over the Vietnam war.

The committee identified him as Emnis James Dotson of Haltinger, Tex., and quoted him as saying: "I'm against the Afro-American fighting in Vietnam when his fight is right here in America. In my opinion we are only war puppets for

Old-Fashioned
HOLLYWOOD, Fla. (AP) — The "Vintage Blacksmith" in the nearby ranching town of Davie, advertised in a newspaper Tuesday that he does horseshoeing and general blacksmith work in the old-fashioned way, adding that his servicemen are "radio-dispatched."

Budget Has Bad Marks

By EDMOND LEBRETON
WASHINGTON (AP) — President Johnson's budget hasn't even been formally presented to Congress but already it has had marks from the committee its administration is trying hardest to win over.

Chairman Wilbur D. Mills of the House Ways and Means Committee told the administration spokesmen Tuesday they had better take a pencil to the spending side of the budget again if they hope to have his crucial support for a 10 percent income tax surcharge.

Johnson has said the budget will reach about \$186 billion, with an \$8 billion deficit—reaching \$21 billion without the tax boost.

Mills, who twice before has put aside the tax bill, pending more spending cuts, has effect postponed further consideration of it until March. He adjourned the committee until Feb. 5, when it begins hearings and executive sessions on balance-of-payments matters expected to consume the rest of the month.

Budget Director Charles L. Schultz, who had planned his hopes on a contention that the new budget—due to be submitted in Congress Monday—will show spending cuts of \$2.5 billion to \$3 billion, told newsmen afterward he wouldn't try to say just what additional reductions Mills may have in mind.

But he said the budget as prepared "fully justifies the tax increase." The bulky estimates of spending and revenues, he said, are already locked up and ready for the printer.

Mills did not bar the door irrevocably against further consideration of the tax increase.

At the very least, however, the committee action kills what ever slight chance there was for enactment of a tax bill by April 1, Johnson's latest target date.

That in itself throws the budget out of "alter, since his revenue estimates were based on three-fourths of a year's collections at the higher rates.

But he said the budget as prepared "fully justifies the tax increase." The bulky estimates of spending and revenues, he said, are already locked up and ready for the printer.

That in itself throws the budget out of "alter, since his revenue estimates were based on three-fourths of a year's collections at the higher rates.

Mia Farrow Flies To India To Seek Peace

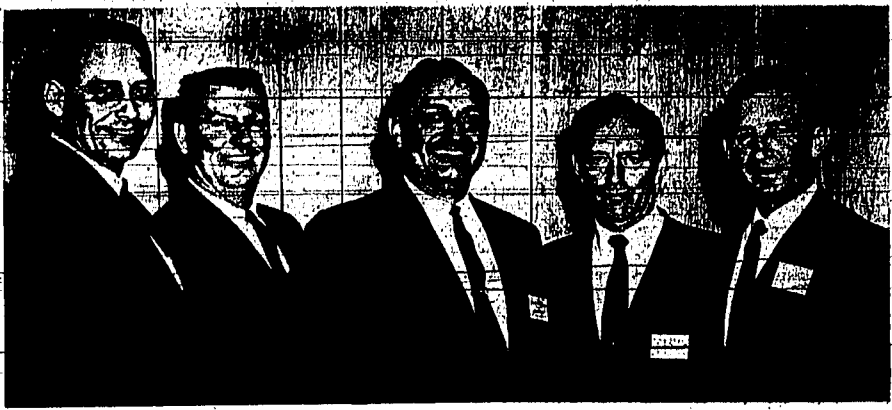

NEW YORK (AP) — Maharishi Mahesh Yogi Indian guru and spiritual adviser to assorted show business personalities, smiled at actress Mia Farrow seated beside him in a Kennedy airport lounge. "She will make a good disciple," he said. "I will guide her to higher spiritual experience."

Mia Farrow, estranged wife of singer Frank Sinatra, smiled shyly and told newsmen that she had decided to fly to India with her favorite guru to pursue inner peace through transcendental meditation.

"I want to be a better person," she explained before their departure Tuesday night.

The married Mia Farrow spoke to him Monday night about "higher spiritual experience which is common to the youngsters today" and indicated she wanted to go to India with him.

Miss Farrow, daughter of actress Maureen O'Sullivan and director John Farrow, was accompanied by her sister, Prudence, who will also study with the guru in Rishikesh, India.

OFFICERS OF THE Idaho State Elks are shown following changes in office during the mid-winter convention in Salmon. From left are Burt Russell, Grangeville, vice president, Idaho North District; John Leinen, Twin Falls, vice president, Idaho South District; Donald J. Rajpilla, Lewiston, president; Phillip West, Preston, vice president-at-large, and Bill Richardson, Blackfoot, vice president, Idaho East District. Mr. Rajpilla moved into the presidency from vice president to fill the post-vacated by Dan Turnipseed, Boise, who resigned because of ill health; Mr. West was named vice president-at-large, and Mr. Richardson was appointed vice president of the Idaho East District.

64-Year-Old Mexican National Cleared Of Murder Conviction Made In 1926

By TOM KUHN
FARMINGTON, Utah (AP) — Jose F. Rodriguez was tried and sentenced in Nebraska in one day in 1926 for a murder, he says, he never committed.

The 64-year-old Mexican National, a farm laborer, was cleared Monday of the conviction and a life sentence was vacated by a district judge in North Platte, Neb., who said records didn't show there was a jury.

However, Rodriguez remains in the Davis County jail at FARMINGTON, Utah, where he has been held since August. A Nebraska warrant for escape from Hastings State Hospital still is outstanding against the elderly prisoner.

The U.S. Immigration Service is investigating whether Rodriguez entered the United States illegally.

Chief Deputy Bill Peters said in Farmington, "We don't know what's going on. We're still holding him on the same charges."

Rodriguez's attorney, Maxwell Bentley of Salt Lake City, said he expects to get the escape charge dismissed this week, then appeal.

Rodriguez was held for Nebraska when police — after arresting him on a drunken driving charge — discovered during a routine fingerprint check he had escaped from the Nebraska hospital 29 years ago.

Davis County authorities say they are waiting word—whether to turn Rodriguez free or continue to hold him.

"I think I'm going to get out of jail this week," he said. "My lawyer called me from Nebraska and told me that."

orly, working outside the Hastings hospital and left "when nobody was watching me." He had been in the institution 13 years before his escape.

He plans to seek work when he is released from the Utah jail. During the summer, as a laborer, his best pay was \$12 per day, he said.

Rodriguez said he will ask the Utah Welfare Department to assist him in finding employment. He expects difficulty "because I am old and my leg is lame."

Bill Chapman, a welfare department spokesman, said Rodriguez and his family may be able to qualify for up to \$180 public assistance.

shot the other guy. It was night and we had been drinking." The murder conviction was dismissed by District Judge Hugh Stuart of North Platte, who ruled records also didn't show whether Rodriguez waived a 24-hour waiting period before his conviction.

No hearing date has been set for the escape charge.

Stuart called Rodriguez' conviction a "grave injustice against a human being."

Rodriguez said he was on lib-

Idaho State To Bring 8-4 Record Against Vandals In T.F. Battle Tuesday

With an idle weekend, the Idaho State Bengals are pointed squarely for the first meeting of the year with archival University of Idaho at 8 p.m. Tuesday in the Twin Falls High School gymnasium.

The Bengals, mugged twice on the home court and knocked out of the Big Sky Conference last by "water" last weekend, will carry an 8-4 record into the non-conference battle here.

ED WILSON

Rebounder Wilson Is ISU Clutch Scorer

POCATELLO—Ed "The Bopper" Wilson is well known throughout the nation as a top rebounding forward but it has only been lately that the 6-5 forward from San Francisco has been noted as a clutch point producer for the ISU Bengals.

Wilson, averaging better than 21 rebounds per game, is battling for the nation's individual honors among major college centers. At one point during this season, Ed actually led the nation. But wait just a darn minute!

Wilson is as good a shooter from the floor as he is a rebounder. Who says so? Idaho State statistics say so, that's who!

The Wilson rebounding specialist from Bengal Town is scoring an average of 18 points per game and ranks number two in scoring on the ISU squad. He is shooting 57 per cent from the field. Against the Hardin Simmons Cowboys, Ed poured through 55 points in two games including a 29 performance in the second game of the two-

game series. That 29 points represents Wilson's career high.

A former center for the San Francisco City College squad, Wilson came to ISU as a junior and averaged but 10 rebounds per game his first season. After being switched to forward because of his height, Wilson has become the Big Sky's leading rebounder and is well ahead of his nearest competitor, Montana State's Jack Gillespie.

Wilson will be in the starting lineup for Idaho State when the Bengals meet the University of Idaho in Twin Falls on Jan. 30.

Boosters Meet

The Bruin Boosters will hold their weekly meeting at 7 a.m. Thursday in the basement of the Elks Building. Topics of discussion will be the basketball and wrestling programs. The junior varsity wrestling team will be special guests at the meeting. All parents are urged to attend.

SLIP IN SOMETHING COMFORTABLE

The better the edge, the better the shave—smoother, closer, more comfortable. And Personna has the edge on everybody else when it comes to clean, comfortable shaves. Try it—today.

99¢
10-count Pack

SAFeway

Idaho State went into the season with the general consensus it could pick-up at least three wins at the Vandals' expense. But since the ouster of Coach Claude Retherford everyone has adopted a wait and see policy.

And that has brought considerable pressure on young Dan Miller, who now is varsity monitor after starting out as the frosh coach.

An indication of ISU thinking might be reflected in invitations sent to most Magic Valley alumni to attend a "victory" gathering at Kay's Supper Club following the game.

On paper Idaho will have the taller men underneath but practically ISU should grab the boards with such jumpers as 6-5 Ed Wilson of San Francisco. The Bengals also have a pair of scoring guards in Ron Boone and Charles Park.

It is far more that Idaho will have the smallest man, 5-10 Jim Thacker, a quick guard who currently is averaging 17.5 points per outing.

The Vandals also have a co-favorite of sorts in Steve Brown, the NCAA high jumping champion last spring.

Only two Magic Valley men will be brought home for the battle and both are from Twin Falls. They are brothers Kirk and Ned Williams, junior and sophomore, respectively. Neither has won much action this year.

The chief ISU center to bring a familiar face is 6-7 Tom Baird who played here twice for the Nampa Bulldogs against Twin Falls.

Idaho is expected to arrive in Twin Falls Monday with the Bengals announced as yet as to arriving time. It is anticipated they will arrive Monday afternoon to take a brief evening get-acquainted workout on the gymnasium floor.

Whips Detroit

OLEAN, N.Y. (AP) — Fifth-ranked St. Bonaventure, with Bill Butler and Bob Lander showing the way, coasted to a 102-74 basketball victory over Detroit Tuesday.

Skiers From Sun Valley Lead Races

ALTA, Utah (AP) — Skiers from Idaho—most of them from Sun Valley—took most of the honors in second-day action in Alta's Apple Beer Slalom races Sunday.

Pat Simpson of Sun Valley, defending national junior slalom champion, regained his form after falling in the Saturday race and won the Junior Expert A title. His times were 38.5 and 41.5 for a total of 80.0. Bruce Jacobson of Jackson was second in 82.6.

Other winners:

Senior A Men: Nick Lewis, Weber, 80.5.

Junior Expert B Men: Jeff Hamming, Bear Gulch, Idaho, 68.1.

Senior B Men: David Partenhelm, University of Utah 75.9.

Senior A Women: Carrie Amick, Sun Valley, 90.1.

Junior Expert Girls: Paula Kanerva, Sun Valley, 68.8.

Senior B Women: Leslie Rusclito, Sun Valley, 104.0.

Minico Downs Bonneville Wrestlers

RUPERT—The Minico wrestling team won its 38th consecutive wrestling match Tuesday night and clinched at least a tie for first place in the Eastern Idaho Wrestling Conference by defeating the Bonneville matmen 34-12.

The results of the matches, with the Minico men listed first are, 88, Stewart drew with Farmer 100. Also declined Oswald-115, Jensen declined Anderson; 123, Judd declined Anderson; 130, George drew with Prigger; 136, Grant was pinned by Anderson; 141, Evans declined Copp; 148, Montgomery pinned Hampton; 157, Rogers was declined by Serrano; 168, Rogers pinned Williams; 183, Riddick declined Stallings, and heavyweight, Mayer pinned Smith.

California basketball players, who declared Monday night they would not play again until administrative pressures were removed from Herrerias.

An athletic department spokesman said the Negro athletes' protest and basketball revolt were not related.

Basketball players were among the Negro athletes at the Tuesday news conference.

The Negro athletes' resolution said they were "sick and tired of giving our talents without appreciation and due recognition from the athletic department and mass media."

California has five Negro basketball players, 12 Negroes on the varsity football squad and others are on swimming, wrestling and baseball teams.

Negro Athletes Threaten Boycott If California Doesn't Fire 3 Coaches

BERKELEY, Calif. (AP) — Negro athletes at the University of California demanded Tuesday the replacement of three major sports coaches and improved conditions for themselves under threat of boycotting sports.

About 25 of the 40 Negro athletes on the Berkeley campus called a news conference and presented eight complaints and their boycott threat.

Bobby Smith, defensive halfback who was on the All-Pacific Conference team and chosen for the Shrine East-West and Hula Bowl games, was spokesman for the group.

Their protest was labeled "Resolution of Black Athletes of the University of California."

Those they said "must be replaced for reasons of their inability or unwillingness to relate to black athletes and their general incompetence" are Head Herrerias, head basketball coach; William Dutton, defensive football line coach, and Joe Marvin, offensive backfield coach.

The group of athletes said, "The university should make a minority background." They did not propose any candidates.

Athletic Director Pete Newell and Herrerias declined comment.

Their action was a quick followup to a resolution of 12 white

CSI To Entertain BYU Frosh Thursday

Eagles Look For Second Win Over Touted Yearlings

One of the features of the College of Southern Idaho's home schedule falls Thursday night when the Golden Eagles entertain the highly-touted Brigham Young University freshmen in the Twin Falls High School gymnasium.

The Eagles will stay at home to play Sheldon Jackson Junior College of Sitka, Alaska, Saturday and Monday and Coach Sutton hopes the return to friendly

T.F. Jayvee Matmen Down Minico JV's

The Twin Falls Junior varsity wrestling team defeated the Minico Junior varsity 25-16 Tuesday night. Minico won the first two matches, but Twin Falls came back and took the next three to take the lead. Minico won the next match to tie the score, but Twin Falls scrapped back and pulled ahead to stay.

The results of the matches with the Twin Falls men listed first are: 38, King was decisively won by Abot; 106, Ruppert was decided by Gomez; 115, Emmen pinned Box; 123, Carr decided Benn; 130, Sommers decided Williams; 136, Galloway was pinned by Rau; 141, Dehmer pinned Wright; 149, Quenell was pinned by Walton; 157, Huddleston pinned Freeman; 168, Buckendorf won by forfeit; 183, Touchette pinned Croft, and heavyweight, Borah pinned Torix.

Wichita State Picks Head Coach

WICHITA, Kan. (AP) — Eddie Kriwiel was named head football coach at Wichita State University Tuesday.

Kriwiel, who has been an assistant coach, signed a three-year contract at a reported salary of \$14,000 a year.

He replaces Boyd Converse, who resigned Monday after only one season.

Resignation of Athletic Director North Allen Converse and three of his assistant coaches came after the school disclosed an NCAA investigation of recruiting by the Converse staff. The investigation Jan. 6 staff.

Converse said the inquiry had nothing to do with his resignation, but Allen and the university both said Allen's departure resulted partly from the probe.

SPORTS

Greer's Hot Streak Leads East NBA All-Stars Past Westerners

By ED SCHUYLER Jr. MADISON SQUARE GARDEN, largest to see an All-Star game, saw Greer, the Philadelphia 76ers standout guard, set his single quarter scoring record and also win the most valuable player award.

The West never led until Bob Brozner of the Philadelphia 76ers led 7-0 with 8:53 left in the third period. The East then led twice before Elgin Baylor of Los Angeles put the West out front for the last time, 75-73 with 7:30 remaining in the quarter.

Greer then exploded for his 14 straight, seven in one minute, while the West was being held scoreless and the East opened up an 87-70 lead. The winners led 101-91 at the end of the quarter and turned the game into a rout in the finale.

Castleford Outhustles Murtaugh For 53-47 Win

CASTLEFORD — The scrambling Castleford Wolves outplayed the Murtaugh Redskins through three quarters Wednesday night, then put down a late Devil victory bid to claim a 53-47 Magic Valley Conference victory.

The win kept the Wolves all alone in second place in the conference, one game behind the Oakley Hornets.

Again Coach Marvin Cox came out in a zone defense that keyed on gunner Billy Nebeker. With it the Wolves not only picked off a couple dozen loose balls, but also held Nebeker to no field goals through the first three quarters.

By then Castleford was out to a 12-point lead, helped considerably when Murtaugh managed only two points in the third quarter and that was on a tip by Henace.

Twice in the first half Castleford seemed on the verge of breaking away. Late in the first quarter the Wolves, hitting three quick buckets, pushed into a 12-0 lead but saw Murtaugh come back within two just after the second period began. Early in the second period the Wolves flurried again for an 18-10 margin but within three minutes Murtaugh went on top for the first time 22-20.

The third quarter started out slowly with Murtaugh able to bid nothing and Castleford only slightly warmer. Four minutes and 32 seconds into period Henace hit Murtaugh's lone points to cut the margin to four. Then Herzinger and Ed Kinyon hit a field goal apiece and Bybee added two. Kinyon and Bybee opened the final period with another bucket each as Castleford stretched out to a 42-26 margin.

Then Nebeker got his first bucket of the night and Junior Gary Quesnell came in to help spark Murtaugh's late assault.

The Red Devils whittled the lead to six points at 51-45 and immediately took a press that blocked what appeared to be a cinch crippler with 1:50 left and after Alford rolled inside for another Wolf field goal the next time down, the floor Castleford was in full control again.

Murtaugh won the first game 51-47.

Blue Lakes Trout Farm Wins 49-37

The Blue Lakes Trout Farm defeated the Log Tavern 49-37 Tuesday night in the Twin Falls City League. Ken Henderson was high point man for Blue Lakes with 10 and Dan Blinnings hit 12 for the losers.

In other action, Faux Cigar Store downed Penny Wise 41-21. Keith Shark scored 16 for the winners and Gaylen Gordy added 10 for Penny Wise.

Valley Nursing Home dropped the Royal Lounge 50-37. Daryl Cammeron hit 18 for the winners and Jim Denton added 11 for Royal Lounge.

Medwick Makes Hall Of Fame In His Last Chance For Election

By BEN OLAN NEW YORK (AP) — Joe "Ducky" Medwick, the cocky, swaggering batting leader of St. Louis' "ambitious" Cincinnati Reds, made baseball's Hall of Fame in his last time at bat in the writers' election Tuesday.

The former star Cardinal outfielder was named on 240, or 84.8 per cent, of the 283 ballots cast by writers who have been members of the Baseball Writers' Association of America for a minimum of 10 years.

"It was necessary to get 213, or 75 per cent, of the votes for election. Roy Campanella, the one-time catching great of the Brooklyn Dodgers and a three-time winner of the National League's Most Valuable Player Award, missed election by only eight votes. He received 205.

"It's wonderful," said Medwick by telephone from St. Louis. "For one of the few times in my life I'm speechless."

Medwick's bat made considerable noise during a colorful career that spanned 17 National League seasons, 10 of them with the Cards and the others with the Dodgers, New York Giants

Carey Slips Past Camas County 58-53

CAREY — The Carey Panthers, with Jim Murdoch providing the scoring punch, slipped past the Camas County Mustangs 58-53 Tuesday night.

The Panthers jumped out to a commanding lead, but Camas County battled back and tied the score at 40-40 early in the final period. Murdoch pumped through 13 points in the last frame to keep the Panthers out of trouble.

The preliminary was won by the Carey Jayvees 51-38.

Oakley Coasts To 61-46 Win Over Declo

OAKLEY — The Oakley Hornets, after taking an early lead, coasted to a 61-46 win over the Declo Hornets Tuesday night.

Oakley kept at least a seven-point lead throughout the first three periods, and in the final frame pulled away to take the win.

The preliminary was won by the Oakley Jayvees 40-32.

You can get all this in the next pickup you buy:

You can get the smoothest truck ride that ever came between a road and a load. The only one that gives you friction-free coil springs—the best bump-lovelors known to man—at all four wheels.

Women tough coil springs, built for trucks. And they work in combination with an independent Front Suspension System that's been tested on more bumpy hauls than any other.

You can get the best power for your purpose—the right engine for your daily tasks or camper trips. The biggest standard six in any popular pickup. Or an even bigger six for heavier pickup work. Or, a choice of three power-packed V8s, up to 396 cubic inches big. Take your pick for great performance!

You can get construction features that keep your pickup working longer with less maintenance. Like double walls of steel, for strength, in the cowl, roof, and side panels of Fleet-

olds models. And outer body sheet metal that's specially put together so that rusting is reduced.

And you can get all this, to boot! A choice of Fleetolds pickup, body floors, steel or wood, depending on your kind of cargo. Plus the newest pickup styling... practical good looks that add to road-hugging stability and unsurpassed visibility.

Yes, you can get all this in the next pickup you buy...

But only in a '68 Chevrolet Job Tamer!

Foreground: Half-Ton Fleetolds Pickup. Background: Half-Ton Stepside Pickup

Twin Falls Regains Lead In State AP Prep Poll; Burley Drops To Eighth

By The Associated Press
Idaho's top school basketball ratings took another turn at the top this week as the Twin Falls Bruins, with a 77-54 win over Caldwell plus a 60-45 conquest of Boise,

Coach Named

SALT LAKE CITY, Utah (AP)—Bill Meek, assistant coach at Army, was named Tuesday as head football coach at the University of Utah.
Meek's appointment was announced by the board of regents following a meeting with the athletic board.
The regents voted to give Meek a three-year contract at \$18,000 a year and to allow him to appoint five assistants.

Valley Slips Past Buhl In Wrestling

EDEN-HAZELTON—The Valley matmen edged the wrestlers from Buhl 20-26 Tuesday night. Valley built up a lead in the early matches and went on to take the win.
The results of the matches, with the Valley men listed first are: 98, McClain pinned Jucker; 108, Waters was decimated by Hart; 115, Kroll pinned Stutzman; 123, Dean pinned Eckert; 130, Taylor decimated Palmer; 136, Munsee was pinned by Kuntz; 140, Waters pinned Eckert; 146, Dille decimated Brown; 157, McNurlin decimated Marlow; 168, Slijer was pinned by Turner; 183, Yost was pinned by Walker, and heavyweight, Sellers was decimated by Barron.

Robinson, Orioles Do Not Agree

BALTIMORE (AP)—Frank Robinson's double vision has cleared up, but he doesn't see eye-to-eye with the Baltimore Orioles over the size of his 1968 contract.
The slugger outfielder was examined Monday by an eye specialist who said Robinson should no longer be concerned about his eyes.
Robinson suffered a concussion in a baseline collision last June 27, then missed a month of action because of double vision. Robinson visited Memorial Stadium Tuesday for a negotiating session with Harry Dalton, Baltimore's director of player personnel.

Hogan Invited To British Open

LONDON (AP)—Ben Hogan, one of golf's immortals, was invited back Tuesday to the place where he won the British Open Golf Championship — at Carnoustie.
That 1953 victory for the "Wee Tee" added to the British Open to his successes in the U.S. Open and Masters.
The Royal and Ancient Club said it hoped Hogan would make the return trip to Carnoustie for this year's Open. "If only for sentimental reasons."
Hogan would be one of the players exempted from qualifying.

returned to the No. 1 slot ahead of last week's leader, Moscow High.
It marked the fourth time in as many weeks that the poll had a different leader.
Coach Chuck Farmer's Bruin quintet pulled down seven first place votes to eight for Moscow, but the Bears failed to pick up underneath points, and accumulated only 141 to 151 for Twin Falls.
Welsler, streaking to its 11th and 12th wins of the season, pulled the other two 10-winners and moved up from fifth to fourth behind the Lions of Borah who finished third, down from second of last week. Borah's 65-56 loss to Pocatello didn't help the Boise bench school.
A complete reshuffling of the next six places occurred as Caldwell dropped from fourth to fifth while Pocatello climbed from seventh to sixth with the Borah victory.
Bonneville beat Skyline of Idaho Falls and jumped from ninth to seventh while Burley, 69-40 loser to Minico, fell from sixth to eighth.
Newcomers this week include Shelley — 12th last week — and IIM Academy of Coeur d'Alene, which made it at 10th on an 11-0 record, up from 19th of last week.
Coeur d'Alene beat Sandpoint but lost to Pullman, Wash., and dropped from eighth to 11th to lead the second ten. Preston, 10th last week, dropped into a 15th place tie with Minico after losing to Bear Lake 58-53 but beating Snake River.
Nampa grabbed off 12th position and Boise was pegged at 15th. Others rounding out the second 10 include Madison, New Plymouth, Kendrick, Capital of Boise and Idaho Falls.

CASTLEFORD—The Castleford Wolves wrestling team and the matmen from Wood River battled to a 26-26 tie Monday night. The Wolves had a 26-21 lead going into the final match but Wood River picked up five points on a pair to tie the match.
The results of the matches, with the Castleford men listed first are: 98, Reinhold pinned Spronke; 106, Welch won by forfeit; 113, Ripa was decimated by Drexler; 123, Whiteley was pinned by Stormann; 130, Welch was pinned by Saffo; 136, Wheeler decimated Deckard; Reinhold pinned Torres; 148, Allred was pinned by Duffy; 157, Hepworth was decimated by Fife; 168, Frye won by forfeit; 183, Parkison decimated Nicholson, and heavyweight, Wright was pinned by Sims.

Castleford, Wood River Matmen Tie

HELMET LAW SOUGHT
ALBANY, N.Y. (AP)—Two New York legislators are drafting a bill that would require hockey players to wear football-style helmets, Sen. Harrison J. Goldin, one of the sponsors, said Tuesday.

Tigers Come From Behind, Edge Pirates

RICHFIELD—The Richfield Tigers came from behind Tuesday night to defeat the Hagerman Pirates 78-73.
The Pirates jumped out to a 18-0 lead by the end of the first period and kept their big lead until the last of the third period.
The Tigers stayed fighting back in the third frame and closed the gap to 54-52 going into the final period.
The score was tied several times in the fourth quarter, but with about two and one-half minutes left in the game the Tigers took the lead for the first time after using a zone press.
Richfield then went into a ball control game and the Pirates started to foul to try and get the ball. They fouled the wrong person, however, as Ken Peterson hit seven free throws in the final two minutes to pull out the win for the Tigers.
The Richfield Jaycees won the preliminary 64-55.

New Idaho Coach Plans Extensive Passing Game

MOSCOW, Idaho (AP)—C. McNease, new University of Idaho football coach, held his first press conference here Tuesday and announced:
"We're going to throw the ball at least 50 per cent of the time. That means 30 to 50 times a game."
When asked why the Vandals would pass so much, McNease replied: "It's the quickest way to score. I also think it's the only way you can play at Idaho. You need lots of great athletes to win by running right over them. We couldn't ever get enough at Michigan, with all of their scholarships. You can recruit passers and catchers. You can't always recruit the huge specimens."
McNease told reporters "I've had an opportunity to see a few films of last year's Idaho games and I know we have a real fine wide receiver in Jerry Henderson and pretty good passers, too."
"I like the looks of the wingbacks—they might be able to catch a few—and there are some good, big backs who'll be a lot like we need."
"My quarterback—he'll be a drop-back passer. I don't care to ever see him run."
McNease said he was going "to base his recruiting program in Idaho—get all the good kids

Declo Matmen Win Over Kimberly

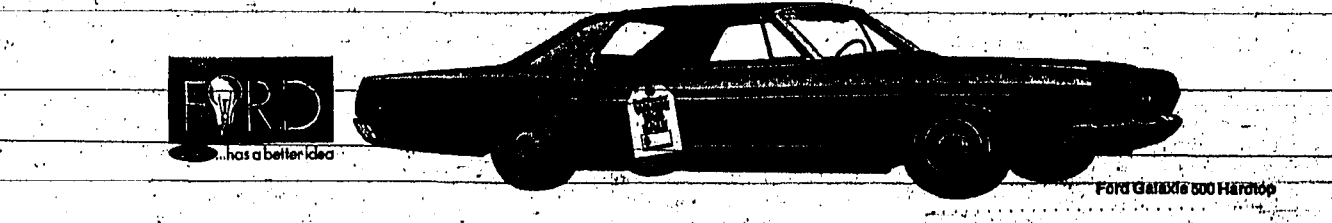

KIMBERLY—The Kimberly wrestling team, still plagued with the flu bug, went down to defeat at the hands of the Declo matmen 40-8 Tuesday night.
The results of the matches, with the Kimberly men listed first are: 98, Johnston was decimated by Mathews; 108, Mathews was decimated by J. Ousterhout; 113, Murphy decimated Singlet; 123, Kennedy was pinned by Anston; 130, Kenzie was decimated by Keiser; 136, Ledbetter was decimated by Mathews; 141, Born lost by default to Roso; 148, Felphusen was decimated by Klid; 157, Kimberly forfeited to G. Ousterhout; 168, Kimberly forfeited to Moseley; 183, Kilmes pinned J. Ousterhout, and heavyweight Steel was pinned by D. Ousterhout.
McNease, who succeeds Steve Musseau as Idaho head coach, said "I won't promise anything for this year or even next. But in 3 or 4 years, that's when we'll have to produce. And we'll have a winner—I guarantee you that, Idaho deserves a winner."

\$120 Million Cutback Set By Interior Department

WASHINGTON (AP) — The Interior Department has announced cutbacks totaling some \$120 million in its conservation and research obligations during the rest of the current fiscal year.

Secretary Stewart L. Udall, who announced the move, said new irrigation projects in the West would be most severely affected.

Some \$24.9 million in obligations planned by the Bureau of Reclamation will be deferred by delaying the start of some projects and by slowing down others already begun.

The cut in spending was ordered by Congress.

Also heavily hit are the Federal Water Pollution Control Administration and the Bureau of Indian Affairs. The announcement said the government will defer \$23.4 million of authorized waste treatment plants and \$4.3 million earmarked for research.

The Bureau of Indian Affairs is to postpone construction of schools costing \$18.1 million and a \$700,000 irrigation program.

The Office of Territories, deferring \$7.2 million in construction which includes \$4.7 million in the trust territory of the Pacific.

The National Park Service, postponing construction work costing \$5.6 million.

The Bureau of Commercial Fisheries, deferring \$3.5 million including \$2.3 million in federal aid and most of the balance in construction.

The Bureau of Sport Fish-

and Wildlife, putting off the spending of \$11.1 million on fish hatcheries, wildlife refuges and research.

The Bureau of Mines, cutting back work on a solid waste disposal pilot plant at Hibbing, Minn., the drainage of anthracite mines, and other research, for a total of \$3.4 million.

The Bonneville Power Administration, deferring \$3.6 million, all but \$200,000 of it in construction.

The Southwestern Power Administration, deferring some \$800,000 and the geological survey, deferring \$1 million.

The Bureau of Outdoor

White House Has Case Of Make-Believe Bongo

WASHINGTON (AP) — The White House, which in previous years experienced the Case of the Kidnapped Squirrel and the Case of the Distressed Starlings, now is involved in the Case of the Make-Believe Bongo.

Many will recall the mysterious disappearance from the White House grounds of its mischievous gray squirrel when Dwight D. Eisenhower was president.

Eventually the word leaked out: Groundskeepers were kidnapping the squirrels lest they disturb Eisenhower's backyard putting green, and were turning them to new woodland freedom in the Virginia country side.

Then, early in 1962, when John F. Kennedy was president, press secretary Pierre Salinger

was asked why many a startlingly noisy and giddy bird had disappeared from the stately White House.

Salinger owned up: A recording of a distressed starling being piped through the mounted loudspeakers, hopefully to warn fellow kurlings away.

As Salinger disclosed in his

memoirs, there was good reason for the effort—starlings respect neither historical landmarks like the White House, nor personages like the president.

"We all bought hats," he wrote.

The starling-in-distress recording has been resounding about the White House for more than five years—but the birds are still there in force.

So a White House groundskeeper has been dispatched at dusk to walk about the front lawn with a stiff cardboard carton in one hand and a stick in the other.

But the more he beats the carton, or so it seems to those who have watched him, the more the lofty starlings amplify their squawks and magnify their other activities.

Medical Deduction Rules Will Help Those Under 65

By RAY DE CRANE
WFA Publications
 The new rules for medical deductions this year help those under 65, but they take away a tax advantage formerly enjoyed by senior citizens.
 For the past several years all the medical expenses of taxpayers over 65 were fully deductible without reference to the 1 per cent and 3 per cent rules. This is now changed.
 Regardless of age, all taxpayers are treated alike on their medical deductions. This means that older folks will get a medical deduction amounting to 1 per cent of their payments for health and hospital insurance up to \$150, but to get a further medical deduction their total expenses must exceed 3 per cent of total income.
 The \$3 monthly Medicare insurance over 65 were fully deductible, but the hospital insurance tax which is included as a part of the Social Security tax is not deductible.

Valuable?

BOISE (AP) — Secretary of State Pete T. Conrussa said Tuesday he has been told two sheets of old six-cent stamps found in a vault in his office could be worth as much as \$42,000.
 The 200 orange-colored stamps of a 1913 issue were found when the vault was being cleaned during a remodeling project.
 Conrussa said a stamp dealer last week advised him they were worth about 25 cents each to collectors.
 But the secretary of state said a Boise broker has since told him that some six-cent stamps of the 1913 issue bring as much as \$210 apiece. He said he has no idea whether any of the stamps he has would qualify for that price.

Scottish Example Encourages Nationalism In British Isles

By TOM A. CULLEN
GLASGOW, Scotland (NEA) — Tiny, ash-blond Mrs. Winifred Ewing, newly elected member of Parliament, looks anything but a Scottish Joan of Arc.
 She is a member for Hamilton, having won a by-election there in the name of the Scottish National party.
 Mrs. Ewing's election victory at Hamilton has given the Scottish home rule movement its biggest shot in the arm since Bonnie Prince Charles invaded England in 1745. It means that after 30 years spent in the wilderness of fringe politics, the Scottish nationalists have at last come in from the cold.
 Encouraged by the Scottish example, nationalism is stirring elsewhere in the British Isles. In Wales the Plaid Cymru or Welsh National party, has announced that it will contest every one of Wales' 36 seats in Parliament at the next general election.
 Down in Cornwall, the home of Cornish pasties and clothed in a separatist organization called "The Sons of Cornwall Government for Cornwall 1884." The Sons claim 3,000 members, including one daughter, novelist Daphne du Maurier, who lives on the Cornish coast. They also have a national flag: a black cross on a white background.
 Separatist movements have also been heard recently in the Isle of Man, whose House of Keys is one of the oldest parliaments in the world. There is

Reports Given At BPW Meet

Reports on the mid-winter state board meeting of Business and Professional Women were heard Monday night by local club members meeting in the Sunny View Courts.
 Reporting on the meeting were Mrs. Grant Sanborn, Mrs. Doris Dwyer, state secretary, and Mrs. Doris Harber, club chairman.
 Mrs. Alda Strong, Mrs. Ina Knox and Mrs. Lucille Brizee. Mrs. Strong also reported that Doug Volmer has been selected as representative of the BPW Club in the selection of the annual Juvenile-sponsored citizenship awards dinner.
 The annual guest night and patriotic dinner of the BPW will be held Feb. 5 at the Regency Hotel. Mrs. Doris Harber, club chairman.

RIAD TOURS
KUWAIT (AP) — Egypt's Foreign Minister Mahmoud Riad arrives Wednesday in this realm that finances much of the Arab world's industry out of its oil wealth. After seeing the Kuwaiti chief of state, Sheikh Sabah al-Salem al-Sabah, Riad goes Thursday to Baghdad, Iraq.

Premier Of Denmark Challenged
 By JOHN GALE
COPENHAGEN (AP) — Seeking a mandate to combat inflation and hold down Denmark's soaring cost of living, Premier Jens Otto Krag's ruling Socialists face their strongest challenge in more than a decade in national elections today.
 Krag called the third national election since September 1967, after opposition parties combined to defeat the government 92-65 on a bill to freeze cost-of-living wage increases that now are automatic.
 Consumer prices have risen more than 40 per cent since 1961, and last year the nation's cost of living rose 6.3 per cent. The financial crisis grew grayer when Denmark was forced to devalue the kroner after the British pound dropped. Much of Denmark's foreign trade is with Britain.
 "If it had not been for devaluation of the pound," Krag declared, "this would not have happened in Denmark."
 Krag's Social Democrats were expected to remain the largest party in the 179-seat Folketing (parliament), but political observers seriously doubt that Krag could muster enough support from other parties to assemble a majority in parliament. The Social Democrats had 60 seats in the last parliament and led chiefly on support from the 14 members of the Peoples Socialist party, with occasional support from the Radical Liberals.

Sub Delivered
MONFALCONE, Italy (AP) — The first Italian submarine since World War II, the minisub-Foli, 550 tons and manned by a crew of 20, has been delivered to the Italian navy as the first of four in this Adriatic coastal city near Trieste.

Connection Of Hotspots In Asia, Viet War Analyzed

By WILLIAM L. RYAN
AP Special Correspondent
Korea ... Laos ... Vietnam
 Is there a connection between what is happening in these hotspots of Asia and the rising pressure for Vietnam peace talks? With the extension of the Vietnam war beginning to look weary and more like a reality, there could well be a line.
 Both the United States and Communist North Vietnam deny playing major military roles in Laos, but the activities of both obviously have been stepped up considerably.
 Thousands of North Vietnamese regulars are reported operating in Laos. On the American side, a major share of the air war is being carried out against Communist routes from North Vietnam through Laos along the Ho Chi Minh trail.
 At the same time the United States has conceded that "in the heat of battle" its troops penetrated 75 yards into Cambodia in pursuit of Communist forces. Washington long has complained of Viet Cong sanctuaries in Cambodia.
 Moscow has been issuing a series of runbling warnings, typified by a statement last month: If the United States stepped up its activities in Laos or Cambodia, the Americans would bear the entire responsibility for all consequences of such actions.
 Now in Korea comes new pressure. North Koreans infiltrate South Korea, their purported mission to assassinate its president and thus spread confusion. North Koreans, the United States charged, seized a U.S. naval intelligence ship and produced a very serious situation. And North Korea claimed "thousands of shells and bullets" across the demilitarized zone.
 All this builds up anxiety and creates the possibility of widened Asian war, which all sides profess to dread.
 The United States faces a presidential election campaign at a time when criticism of U.S. policy is mounting. Soviet and British leaders are talking about Vietnam.
 It should be no surprise if the Communists scent a political victory. This could be a key to what is happening in Laos, with events elsewhere adding to the general atmosphere of pressure.

BERRY'S WORLD

"Here we are watching the news during cocktail hour—why DO we PUNISH ourselves?!"

School Pacts Offered At Board Meet

Contracts for principals at the eight schools in Twin Falls School District No. 411 were renewed during a special trustee meeting Monday night.

The principals are John A. Lawrence, senior high school; John B. Campbell, Otis Junior High School; Jack B. Watters, Robert Slung, Junior High School; Clarence Parker, Bickel Elementary; Frances Anderson, Harrison Elementary; Keith D. Turner, Lincoln Elementary; Dennis Messenger, Morningside Elementary; and Mary Helen Perry, Washington Elementary.

Dr. Ernest Ragland announced that starting date for the fall, 1968, term will not start until after the Twin Falls County Fair and Rodeo, pushing completion date up to June 6-10, 1968. Starting date will be Sept. 9, 1968.

Meeting with the board were Reid Pfefferle, Round Finn and Lawrence Culver, representing the local education association in recommending a written professional negotiations agreement.

In other business, approval was given to cooperate with Idaho State University in a research project which will involve special education pupils in a heterogeneous classroom. The regular teacher and a special education teacher will be assigned to a single classroom under the project. Eight special education students will be enrolled in the room, with the nor-

Photographs Of Probe Are Made Open To Public

WASHINGTON (AP) — The space agency made public Tuesday photographs Survey VII relayed from the moon to earth showing a laser beam aimed toward it from the earth.

They showed a crescent of the earth, with two pinpoint of light flashed from Kitt Peak National Observatory, Tucson, Ariz., and from the Jet Propulsion Laboratory's Table Mountain Observatory, Wrightwood, Calif.

The National Aeronautics and Space Administration said the successful experiment in sending a concentrated and amplified light beam to the moon has helped scientists evaluate the techniques needed for pointing laser beams at precise locations on the moon.

The beams aimed from Kitt Peak and Table Mountain were photographed by Surveyor VII early Jan. 20.

To Buy Planes

SEATTLE (AP) — Western Airlines announced Tuesday it will buy six Boeing 727-200 long-body jets for about \$35 million subject to financing arrangements.

The 727-200s would be the first three-jet planes in the Western fleet. Delivery would be in late 1969. Western can cancel the order before Feb. 15 if satisfactory financing cannot be arranged.

Initial group of students. Any added cost of the project will be compensated by the university.

Farm Group Meets Here, Holds Talks

"Idaho has already experienced business expansion because of the Inventory Tax Phase Out, and we certainly can expect much more after the law is implemented."

This statement was made by J. Tim Brennan, executive director of the Idaho Retailers

Association, to delegates to the Idaho Feed and Grain Association's annual meeting in Twin Falls.

Mr. Brennan added that many large firms have built plants in Idaho which they wouldn't have if the inventory tax was still effective, and that some Idaho

firms have expanded their operations.

However, he said, if the inventory tax is reinstated, some firms have given notice that they will move their operations out of Idaho.

Mr. Brennan went on to say that "states surrounding Idaho

have either done completely away with the inventory tax or are in the process of doing away with it.

Also speaking Tuesday, the final day of the annual convention, was Horabel Ellis, Portland, USDA area supervisor, on "New Grain Standards Act and Automatic Sampling"; Dr. V. H. Bohman, chairman of the animal science division at Uni-

versity of Nevada, Reno, on "Recent Development in Grains 'Tidings'"; and W. A. McGregor, Bureau of Reclamation, area engineer for the Snake River Development.

The annual meeting concluded Tuesday with a luncheon by the Holiday Inn. Luncheon speaker was Jerry Tucker, Portland, who spoke on the world cereal grain outlook for 1968.

ELECTION SET

NICOSIA, Cyprus (AP) — Turkish Cypriots will hold a separate vice presidential election Feb. 25, the same date picked by President Archbishop Makarios for presidential elections, Vice President Dr. Fazil Kuchuk announced. By law, the president is a greek cypriot and the vice president is a Turk Cypriot.

TIME TO BREAK HABIT ARRIVES

Certain bridge habits are so deeply ingrained in us that it is almost impossible to break away from them. One of these habits is that you lead a low card from a long suit unless...

This might be a good idea if our diamond suit were something like ace-jack-nine-small but it actually is ace-tenace-ten-four. We aren't likely to get more than one trick there. Thus we decide to open a club. Habit tells us to lead the deuce...

| Opening lead—♠ K | | | |

Fourth best of four, as recommended in all books, is led by us year in and year out. If we follow habit and the rules, South has no trouble making his contract. Our partner wins the trick with his ace and leads back a low club. Declarer discards his small spade and now dummy's queen is the top club. No matter what we do, South will be able to draw trumps, knock out our ace of diamonds and make his contract. If we are really alert, we should defeat the contract by the irregular opening lead of the king of clubs. It won't make any difference whether South puts the ace in diamonds or spades. He will be faced by further club leads and will have to allow our partner to make a small trump in the cool of the evening.

CARD SENSE

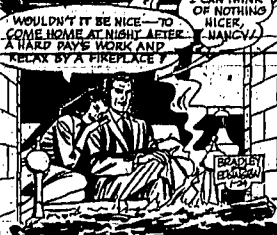

Q—The bidding has been: West—North—East—South—3♥—3♠—Pass—3♥—You, South, hold: ♠ A 5 4 3 2 ♥ A 8 5 4 3 2 ♦ A 8 5 4 3 2 ♣ A 8 5 4 3 2 What do you do now? A—Bid four diamonds. Your partner will read this call as showing the ace.

TODAY'S QUESTION You bid four diamonds and partner bids five clubs. What do you do now? Answer Next Issue

you have some special combination of high cards at the top. Now take a look at the West hand. You have to lead against four hearts and you have listened carefully to the bidding. South has a good hand. He opened with a forcing two bid. Also, South has two suits. He started with hearts and bid and rebid diamonds. North has a bad hand but he does have at least five spades. He also has at least as many hearts as diamonds. Should we open a trump in an effort to cut down dummy's ruffing power?

Tell Mama?

Not Everything

Dear Ele: I've always told my mother everything I did go to. It's sort of my personal fond of him and would really like to make a hit with him. Her my boyfriend, and I've French kissing, she blew her cool! Now I'm trying to decide how much I should tell her and how much I should keep to myself. I am not ashamed of anything I've done, but maybe times have changed so that it will be too tough on her. Anyhow haven't you said in your column "kiss but never tell?" Thinking It Over.

Dear Thinking: I believe that a mom should clue her daughter to the basic facts of life, which include the point that some kissing is explosive. Then the girl comes back to mama with any points that trouble her as she's growing up. But she does not check in each evening with a replay of her night's romance and sharing. Romance is for two people alone—Ele.

DUMB KID IS LOW-GRADED

Dear Ele: What do you do when you can't stand home life? This is not a case of my parents beating me, but in a way it's a beating of another kind. My dad is high-strung or something. He makes life unbearable for me. I can honestly say I've done everything I can do to chip in at home. Yet he ridicules even the simplest thing I do. I can't seem to please him. At first I thought it was simple teasing, but now I know it's not. I am so depressed all the time and feel like such a rotten person that I can't stand to sit in a room playing TV. I do, I can't help anymore. This bugs me because it's so abnormal. Sometimes I wish I could divorce

a dad. But I am still of dependent age and besides, I am really fond of him and would really like to make a hit with him. The Dumb Kid. Dear Kid: If you feel things can't get any worse at home, you're ready for a gamble. Clip today's column from the paper and take it to dad alone. Then tell him simply, "I wrote this letter, and it says just how I feel. Please tell me what I have to do to earn your love and good opinion." If he can, he'll give you an answer. If not, he'll be at least aware of the effect of his constant criticism, and that should give some measure of help—Ele.

Dear Walt: For the last three years I have been called a girl. I am only 13 years old and am in the seventh grade. The reason the boys call me "girl" is because I won't fight or play football with them. My best friend even turned on me this week because I wouldn't fight another boy. When they tease me about wearing lipstick, what should I do?—A Ladies' Man.

Dear A. L. M.: This has me stumped. I don't like to see a boy become a full-fledged outcast from the group ("my best friend turned on me..."). Nor do I like to advise him to conform to the rigid "masculine stereotypes" of his group and suffer a few bruises to win acceptance. I have no answer for Ladies' Man. Do you have any suggestions? Please give him a hand by writing Teen-Age Date-Line in care of this Newspaper.—Walt.
