

# LBJ Speaks Of Aiding U.S. Poor

WASHINGTON (AP)—President Johnson says those concerned about the nation's poor people should "make appropriate representations and certainly express their viewpoints," but only within the limits of Washington in a position to serve the people of this country are gathering they can do to aid the poor, the President said during a Wednesday news conference. He had been asked if any food program could be set up by the poor people's "People's Campaign" turning to civil disobedience.

The news conference was Johnson's decision to accept Chief Justice Earl Warren's offer to retire from the Supreme Court.

The President said he would nominate Associate Justice Abe Fortas to be Chief Justice, while federal Judge Thorne

DEBBIE THOMPSON, daughter of Mr. and Mrs. Robert Thompson, helps ready some of the tote bags given to each of the 1,100 registering jobs coming here for the State Grand Bethel Convention. The bags, made by ladies of the OES, are stocked with pencils, handcream, note pads, candy, comb, and other essentials.

# Johnson Proposes Voting Age Change

WASHINGTON (AP)—President Johnson says Congress should ignore any longer the reality that 18-year-old young Americans are prepared by education, by experience, by exposure to public affairs of their own land and all the weight to exercise the privilege to vote.

The President noted that young Americans at 18 today are called upon to bear arms, to shoulder family and civic responsibilities with their elders. Now they deserve equally the right to vote, he said.

"Reason does not permit us to ignore any longer the reality that 18-year-old young Americans are prepared by education, by experience, by exposure to public affairs of their own land and all the weight to exercise the privilege to vote," the President said in a special message to Congress.

The constitutional amendment he proposed would require approval by two-thirds of the members of the House and Senate and would then have to be ratified by three-fourths of the states—38 states—to become effective.

The amendment, White House spokesmen said, is the same as that already introduced jointly in the Senate by Sens. Mike Mansfield, D-Mont., and Everett M. Dirksen, R-Ill., the respective party leaders.

Johnson estimated that 10 million young people will be eligible to vote if the change goes into effect.

# Scenic Rivers Bill OK'd By Committee

By JOHN KAMPS  
Proposed for the initial system are portions of the Salmon and Clearwater Middle Fork in Idaho; the Rogue in Oregon; the Rio Grande in New Mexico; the Wolf in Wisconsin; and the St. Croix in Minnesota and Wisconsin.

The Clearwater Middle Fork segment is from Koskia upstream to Lowell and including the Lecha River from its junction with the Selway at Lowell forming the Middle Fork, upstream to the Powell Ranger Station and the Selway River from Lowell upstream to its origin.

The Salmon Middle Fork portion is from its origin to its confluence with the main Salmon River.

In the study group would be reaches of these 27 rivers: Idaho—Bruneca, Moyie, Saint Joe, Lost, and Snake; Oregon—Umpqua, Willamette, Rogue, and Klamath; Washington—Columbia, Lewis, and Cowlitz; Montana—Flathead and Missouri; Tennessee—Buffalo, Obed, Cumberland, and Clinch; Minnesota—St. Louis, Red, and Mille Lacs; Wisconsin—Koshong, Koshong, and Koshong; Maine—Penobscot; Pennsylvania—Susquehanna, Delaware, Florida-Georgia, and Susquehanna; North Carolina—South Carolina; and Georgia—Chattahoochee.

The Senate has passed a bill calling for a somewhat similar wild and scenic rivers system. Portions of certain streams are designated as wild and scenic and others as wild.

The Senate bill also provides for studies of additional rivers for possible inclusion in the system.

# Job's Daughters Gather Here For State Conclave

More than 1,100 young ladies began gathering at Twin Falls High School gymnasium Thursday morning for the 38th annual Grand Bethel Convention of Job's Daughters, to be held here through Saturday.

Representatives of more than 60 Idaho Bethels of the Daughters registered for the state conclave Thursday. All Magic Valley Bethels, including Hailey and Glenns Ferry, are acting as hostesses for the event. The jobs are being housed in Jerome and Twin Falls homes.

After registration, the girls practiced all afternoon for the evening's formal Opening which will include welcoming speeches by Mayor Egon Kroff and other individuals, as well as ceremonies conducted by the Grand Council and Grand Bethel officers.

After the formal opening, a reception will be held. Following this, the Rubber Band will be in charge of the evening's entertainment. The convention is Mrs. Marjorie Jenkins and Mrs. Lola Sontus. Before the formal opening, Grand Council officers and distinguished guests will attend a banquet in their honor at the Caboose Room of the Depot Grill. At the Elks Club is another banquet for Grand Bethel officers and their guests. Grand guardian for the session is Ila Remy and acting associate grand guardian is Lester Erickson. Distinguished guests include Herbert Spong, past associate supreme guardian; Mrs. Ina Erith, supreme guide; the grand guardian of British Columbia, Mrs. N. McDonald; and Colorado, Mrs. Nanette Eichorn; Mrs. Minnie Lea Hayes, past grand guardian of Colorado; Clifford B. Shaffer, worshipful grand master of the Grand Lodge of the Idaho Council; Merlin F. Purcell, illustrious potentate of El-Kor Temple; Mrs. Helen M. Thomas, junior past worthy grand master; and Walter Culbertson, junior past grand patron of Idaho's Grand Chapter of the Order of the Eastern Star.

# Economic Boycotts Planned By 'Poor' Campaign Leaders

WASHINGTON (AP)—A Poor People's Campaign leader said Wednesday that economic boycotts in about 40 cities will begin in downtown Washington next week in an effort to put new pressure on Congress.

The leader, Jesse Jackson, said the aim of the boycott against specific products will be to force businessmen to pressure Congress to use \$27 million for nutrition among the nation's poor.

Jackson did not name the other target cities.

In another new tactic, the campaign asked a federal court injunction Wednesday to force Secretary of Agriculture Orville Peterson to use \$27 million for food for the poor.

Freeman said the money is earmarked to support perishable food prices and is to be used to buy food for the poor. Treasury June 30 because he has no authority from Congress to use it for any other purpose.

In other developments:

The Rev. Andrew Young, a campaign leader, said the homes and offices of all 28 House Agriculture Committee members will be picketed over the week-end.

Although the committee voted Wednesday to increase the food-stamp program's authorized ceiling from \$2.2 billion to \$2.5 billion, it rejected a four-year extension of the program with no monetary ceiling.

About 50 demonstrators were permitted in the House gallery after they broke up into small groups and obtained passes from Rep. John Conyers, D-Mich. No demonstrations are permitted on Capitol Hill.

# HEW Funds Are Sliced, Restored

WASHINGTON (AP)—The House voted Wednesday to cut an additional \$100 million from the appropriation for the poverty program—then reversed itself and restored the funds.

The action, however, left the money for the Office of Economic Opportunity \$307 million under President Johnson's recommendation. The cause of slashes already made by the House Appropriations Committee.

The poverty program was allowed \$1.873 billion for the coming fiscal year, matching the amount appropriated for the past two years.

The cut was made on a non-record vote of 128 to 126. The reversal came on a roll call vote, with members recorded by name, 220 to 181.

# Back To Work

BOISE (AP)—Dr. C. H. Kennedy, dismissed more than a year ago as state medical inspector, reported for work Thursday but Commissioner of Agriculture Stanley Trenhelle again advised him to await official notification.

Trenhelle said he had given Kennedy that advice three times previously.

Following his dismissal, Kennedy appealed his dismissal to the State Personnel Commission under Idaho's new merit system law and won a reinstatement order. However the case was taken to court and additional legal maneuvers have been made.

The commission last week declined to again review the case. However, it has not yet issued its official order and Trenhelle said he gets that, nothing further can be done.

Trenhelle has indicated the case again will be taken to court.

# Paul Woman Hurt In Fall From Trailer

PAUL—Mrs. Riley Matheson, 41, is listed in fair condition Thursday at Cassia Memorial Hospital where she was taken Wednesday evening to be treated for head wounds received in a fall.

Family members stated that Mrs. Matheson was atop her mobile home, working on an air conditioner, when she apparently lost her footing and fell head-first onto a concrete patio.

Mrs. Matheson was knocked unconscious and sometime later regained consciousness and was able to make her way into the bedroom of the trailer home, where her husband found her about 8 p.m.

The accident happened about 6 p.m. at the Matheson farm, 4 miles northwest of here. Mr. Matheson, who had been working in a field, called a neighbor, Mrs. Joe Taylor, and the two drove for Mrs. Matheson until an ambulance arrived.

Mrs. Matheson is suffering from a severe skull fracture and bruises and lacerations on her arms.

# Gun Controversy In Critical Stage

WASHINGTON (AP)—Shifting public opinion, a delayed vote on the gun control bill, and a sudden call for stricter firearms laws have brought the gun control controversy to a critical stage in Congress.

The bill to control the sale of all weapons, including rifles and shotguns, was before the Senate Judiciary Committee today, for a vote originally scheduled a week ago.

A majority of committee members favored the measure then as the public outcry over Robert F. Kennedy's assassination created, but development since have clouded the issue.

Johnson pushed after the assassination for the ban on rifles and shotguns, then asked Congress in the past week to also enact legislation requiring registration of all guns and licensing of their owners.

Some gun control hawks want to tack that request onto the rifle-shotgun bill.

But public opinion has shifted dramatically, with a recent poll saying their mail is returning heavily against stiffer control laws, particularly those requiring registration.

The administration pushed its case Wednesday in a hearing before the Senate subcommittee on juvenile delinquency, the registration measure got a cool reception in the House.

Chairman Emanuel Celler, D-N.Y., of the House Judiciary Committee, who has backed enactment of mail order guns on long guns, said tacking on registration might endanger the measure.

At the same time, Chairman William M. Colmer, D-Miss., of the House Rules Committee rebuffed attempts to get the mail order bill to the House vote before the July 4 recess by scheduling a hearing to clear the measure for floor action the day before the recess starts.

# Lack Of Tax On Federal Land Protested

A classification hearing on 24,300 acres of public land in Twin Falls County was conducted Thursday in the county's judicial building and one of the county commissioners appeared to protest on taxes.

Heber Loughmiller, commission chairman, told BLM officials the government does not pay taxes on BLM land and "it's unfair to burden the taxpayers in our county." He proposed the government pay the taxes on the land.

Officials present with the government were presently studying this matter and a decision would be announced.

He classified the land in the county for multiple use management.

The area concerned is bounded by the Salmon River Reservoir on the west, the Nevada-Idaho state line, on the east by the Cassia-Twin Falls County line, and on the north by the Snake River.

All public land in this area is under the administration of the Burley District of the BLM.

Government officials present said they are studying the hearing was held to try to determine what the future of BLM land in the county would be.

Private land is not involved in the matter.

Lloyd Webb, Twin Falls attorney, appeared on behalf of the Salmon River County and asked for a clarification of the matters under consideration.

State Sen. John M. Barker, legislative district No. 24, appeared and said he would like to see the Idaho Water Resource Board study the land management proposal. Government officials said people have until Aug. 15 to file any protests on the issue.

Protests may be filed at the Burley BLM office.

The Twin Falls County classification program is part of a nationwide effort to classify all public lands.

Decisions are not expected to be reached for some time.

Officials of BLM have said the classification would provide guidelines for ranchers, miners, farmers and government officials and would set aside certain areas for recreational use only.

About 50 people appeared at the hearing, but only a few spoke, offering either protests or asking for clarification.

# Spokesman Confident Wallace Will Get Name On Idaho's Election Ballot

BOISE (AP)—A spokesman for George Wallace said today he is confident the former Alabama governor's name will be on Idaho's election ballot as a presidential candidate.

Tom Turnpseed, campaign coordinator for Wallace's headquarters in Montgomery, Ala., said one of two routes will be taken in Idaho.

"If the voters of a new political party, the American Independent Party, which then would nominate Wallace—and an independent candidate for other offices."

"Naming of presidential electors as independent candidates will permit party affiliation."

Turnpseed told a news conference Wallace backers favor the former route. He said the party was organizing a new party in Idaho law.

Theron Roberts, Boise, attorney for Wallace, contended in his supreme court argument that voters have an inherent constitutional right to be able to vote for any candidate.

Daniel Slavin, assistant attorney general, agreed, but said the right is contained in provisions in Idaho law permitting the writing in on the ballot of the name of anyone for any office.

District court ruled that all political parties have an inherent right to nominate candidates. But Judge A. C. Hagan said in 28 states law permitting the writing in on the ballot of candidates already have passed, a new party cannot now qualify its nominees for this year's election.

Turnpseed said Wallace has qualified as a presidential candidate in 28 states. He said he is confident Wallace's name will be on the ballots in all 50 states in the November election.

# 18 Senate Republicans Sign Petition Opposing Court Appointments

WASHINGTON (AP)—Eighteen Senate Republicans signed a petition opposing President Johnson's appointments to the Supreme Court, far short of the force they must marshal to block confirmation, but enough to make rough going if a filibuster develops.

Signers of the petition are 16 GOP members. More could sign.

If Southern Democrats, loudly critical of the court's liberal rulings, should join the opposition confirmation of Abe Fortas as chief justice and Homer Thornberry as an associate justice could be in doubt.

President Johnson Wednesday named Fortas to succeed the retiring Earl Warren and Thornberry to the vacancy created by Fortas' elevation. Fortas, fourth time to serve on the court, would be the first to lead it.

The President told a news conference he believed the Senate would confirm Fortas, but he tested the political winds in talks with Democratic and Republican leaders, as well as key committee chairmen, before making the decision.

The GOP petition, circulated by Michigan's Robert P. Griffin and California's George Murphy, takes a stand against letting a "lame duck" president fill court vacancies.

Both Griffin and Murphy said they are being on the liberal allies of Johnson's appointees.

In fact the petition was drawn up before Johnson made public his appointment with the object of opposing Johnson's move to name anyone to the court.

It is mainly mingling from the list of liberal wing leaders and Everett M. Dirksen, of Illinois.

Dirksen has refrained from taking a stand on the issue, raised by Griffin. But he would like to see Fortas confirmed under increasing pressure if the petition picks up more signatures.

The GOP leader, also top Republican in the Senate, Judiciary Committee which will consider the nomination, said both Fortas and Thornberry are able men and he has "no personal reservations" about their appointment.

Sen. Howard Baker Jr., however, the Tennessee Republican who is Dirksen's son-in-law and a signer of the petition, said "the mood of Congress and the country is in disagreement with the views of the Supreme Court."

"In this light," he added, "it is important that a new administration and the American people not be deprived of the right to fill these positions."

Baker also said that Fortas and Thornberry are "long-time political associates of the President" and that he therefore doubted "the necessary confidence in and respect of the high court can be established on that basis."

Democrats generally praised Johnson's selections, but the Southerners were silent on what course they would pursue.

Since Thornberry and Fortas have taken stands on the liberal side in cases involving such things as civil rights, they could be expected to side with liberals on the court.

Generally, and especially in Judiciary, Fortas was personal liberties, the court has voted 5-4 with Warren, Fortas, William O. Douglas, William J. Brennan Jr., and Hugo L. Black the majority.

If that trend holds, the addition of Thornberry would give the liberal majority a 6-3 edge.

No date has been set for the committee's hearings on the nominations, but indications are that none will be held until after Congress returns on July 8 from the four-day recess.

Griffin said in an interview that he felt a filibuster would be justified to block confirmation.

However, Majority Leader Mike Mansfield, D-Mont., said that, if necessary, adjournment of Congress will be postponed beyond the Aug. 2 recess date to win confirmation of Fortas and Thornberry.

He said Congress could return behind the privacy of that many of the Democrats are being asked about the timing of Warren's resignation and Johnson's attempt to make Supreme Court appointments before he leaves office.

He said there is likely to be a blowup that will force a delay in the adjournment of Congress.

Richard M. Nixon, the front runner for the GOP presidential nomination, said he anticipates substantial opposition to the nomination of Fortas but that he is likely to be approved.

The GOP senators joined in signing the petition against confirmation of Johnson's appointments, in addition to Griffin, Murphy and Baker.

# Russ-U.S. Relations Discussed

By WILLIAM L. RYAN  
AP Special Correspondent

The Soviet Union's foreign minister says there is reason to believe that American-Soviet relations can be improved, but the Soviet press reflects anything but enthusiasm for such a development. In fact, it indicates that the Kremlin is apprehensive about better relations with the United States.

Like an elephant among mice, the Soviet leadership seems to be acting the role of a frightened giant. The case of jitters displayed by commentaries in the press suggest that Kremlin worries about Western "bridge-building" and about developments in Communist-ruled Eastern Europe can prove a major obstacle to better East-West relations and a more peaceful world.

Foreign Minister Andrei A. Gromyko, addressing the Soviet Parliament, reported his government ready to exchange opinions with the Americans on curtailment of offensive and defensive rocket systems.

But Gromyko also insisted that the United States is to blame for cool relations, that it must "stop trying to bring the world inside out." The implication was that any real detente would be impossible until the Americans are out of Vietnam.

The tone of the Soviet press in recent days has, indeed, indicated that the Soviet leadership is far from in the mood for any significant cooperation with the United States and is suspicious of American moves in that direction. Press treatment of recent events indicates that Kremlin worries inhibit cooperation.

## Huge Traffic Jam Expected For Jamboree

SPOKANE (AP)—There'll be a mammoth traffic jam of airplanes, Boy Scouts and buses here next year in July when upwards of 30,000 youngsters arrive for the 1969 National Jamboree at Farragut State Park in Idaho.

Floyd R. Cressman, director of the Spokane International Airport, told the airport director Wednesday the arrival of Scouts from all over the nation will mean at least 100 additional aircraft landings each day.

He said the peak traffic could double the current landings each day.

The current landings average to 25 each hour, or one about every 2 1/2 minutes during the two-day arrival time.

The jamboree will be July 16-22, 1969, at Farragut State Park, site of last year's World Boy Scout Jamboree which attracted some 10,000 visitors.

In addition, Cressman said, at least 100 buses will be needed to provide a continuous shuttle service for the five-hour drive from the airport to the state park.

## Search For Plane Is Suspended

SPOKANE (AP)—Poor flying conditions Wednesday forced a 24-hour suspension of an air search for three Spokane residents missing since Saturday on a one-hour charter flight from here to Orofino, Idaho.

The Washington Aeronautics Commission said the air search for Mr. and Mrs. Armo B. Martin, both 49, and their pilot, Larry Peck, 20, will resume about 5 a.m. Friday. The ground search will continue.

## Negro Says Platform Won Him Election

HAMILTON, Ont. (AP)—Lincoln MacAuley Alexander, son of a railroad porter, says his platform and 500 youthful campaign workers—not his race—got him elected as Canada's first Negro member of Parliament.

"I hope they won't call me the Negro member from Hamilton West but simply the member from Hamilton West," he said Wednesday. "I hope my victory will give other people faith that in Canada anyone can win, no matter what his race, creed, color or religion."

A Conservative Alexander with his 268-vote victory kept the Liberal party from sweeping Hamilton's four districts. Hamilton West, where he won, was also the first Canadian district to elect a woman to Parliament.

The 46-year-old lawyer and former college football player said his race was never an issue in the campaign, but that he was proud to be the first Negro

elector to the Canadian House of Commons: Alexander maintained that issues and not personalities were the important factor in his election. However, he conceded that his appeal to his young supporters helped turn the tide.

# Sagebrush Days At Buhl Begin Friday; 7 Girls Vie For Queen

BUHL — Seven young ladies from throughout Magic Valley will be competing for the Miss Sagebrush Days title during the three-day celebration which begins here Friday.

The girls will be judged according to the rules of the Miss Rodeo Idaho contest and the winner of the Buhl contest will go on to compete in the state contest. Those seeking the crown are Donna Wells, 21, Jerome; Nelda Kulhanek, 20, Burley; Vicky Cobb, 18, Filer; Carol West, 17, Burley; Susan Parvin, 19, Kimberly; Jackie Bodenhofer, 19, Gooding; and Chris Anderson, 18, Burley.

The queen will receive a silver and gold inlaid buckle, a dozen red roses and her tiara. Trophies will be awarded to the first and second runner-up and a plaque to Miss Congeniality. The judging for poise and personality will be held at 2 p.m. Friday at the R-and-R-cafe and the judging for horsemanship will be held at 2 p.m. Saturday at the rodeo arena.

A Junior Princess also will be selected during the celebration. The girl selected as the Junior Princess will represent the West End at the county fair.

Entrants in the junior princess contest are Arlene Garrison, 15; Joyce Novak, 17; Lynn Sherry, 15; Susan Haviland, Debbie Wheeler and Marilyn Sisson, all of Buhl.

Judges for both queen contests are Jeanette Petersen,

Emma Robinson, Beverly Diehl, J. T. Storey and Jack Windsor. Kathy Hart, reigning Sagebrush Days queen, will present the trophies and awards to the new queen and princess.

The celebration will get underway at 10 a.m. Friday with the annual Sagebrush Days sale in downtown Buhl sponsored by the Buhl merchants. The sale will continue through Saturday evening.

The rodeo will be held all three nights with performances beginning at 8 p.m. on Friday and Saturday and at 7 p.m. on Sunday evening. Rodeo events include bareback riding, saddle bronc riding, bull riding, calf roping, bulldogging, team roping, cow cutting and barrel racing. The Jerome Sheriff's posse will provide special entertainment Friday night with the Filer Riding club on Saturday night and the Buhl junior and senior riding clubs Sunday night.

At 10 p.m. Friday night an adult Western dance will be held at the Buhl National Guard armory. Music will be provided by the Walden Brothers.

Events scheduled for Saturday are a daring bank robbery by the "James Gang" at 2 p.m. in downtown Buhl and a teen dance at 9 p.m. in the Buhl junior high school auditorium. Music for the teen dance will be provided by the "Syndicate" of Twin Falls.

The parade will begin at 3:30 p.m. Sunday. The parade will begin at the Buhl elementary school, go up Main street to the intersection at Main and Broadway and continue up Broadway to the rodeo arena where the judging will be held. Following the parade will be the beard growing contest and at 5 p.m. the free barbecue will be held at the rodeo grounds.

Local organizations will have food and game concession booths at the rodeo grounds and a carnival will be running all three days. The rodeo finals and

What's newest in the dairy business? Low-fat, flavored yogurt. It is the "gourmet" and/or dieter's delight. The flavor of the dairy product has been enhanced with fruit flavors, and its custard-like texture is velvety smooth.

It can be eaten plain or added to any companion food. Pineapple, peach, cherry, raspberry and strawberry are tempting flavors. Try them on their own or popped on a tempting wafer. Pop a big glob in a dish to be used as a morning eye-opener. If you prefer flat plain unflavored yogurt, place a dollop of this dairy product on top of a bowl of cream soup and sprinkle with chopped chives.

Idaho baked potatoes take on a new glamour when the contents are scooped out, mixed and mixed with plain yogurt and chopped chives and returned to the stove.

These are but a few suggestions for using a wonder-food that is 4,000 years old. Eat low-fat flavored yogurt for breakfast, lunch, dinner, between meals or before retiring.

Buy yogurt from your favorite grocer or home service delivery man.

# Thornberry Is "Overwhelmed" By Appointment

By ROBERT HEARD  
 ALISTON, Tex. (AP) — President Johnson telephoned one of the Texas Democrats he knows best Wednesday morning and said: "Homer, I'm sending in your name."  
 "I was just overwhelmed," said Judge Homer Thornberry of the 5th U.S. Circuit Court of Appeals.  
 A blocky man of medium height and wavy white hair, Thornberry alternately smiled and looked serious Wednesday as he discussed the appointment to the U.S. Supreme Court.  
 President Kennedy named Thornberry, who still held Lyndon Johnson's old congressional seat after 15 years, to the U.S. district court for the Western District of Texas in 1963.  
 President Johnson appointed him to the circuit court in 1965. Thornberry was sworn in at the EBJ Ranch.  
 Johnson called him Tuesday night and said he was being considered.  
 Thornberry said he told no one but his wife. "I didn't think I would get it," he said.  
 Johnson called him Wednesday. Thornberry replied: "I'll be grateful to you and I hope I can deserve this job."  
 Thornberry does not classify himself as a liberal or conservative. "I think a judge has to look at the law as it is and should be and does what he thinks right," he said.  
 Others have called him a liberal. He was a member of special three-judge federal courts that ruled the Texas poll tax unconstitutional (1966) and a Texas district judge striking the peace law (1968), calling the latter too vague.  
 Thornberry is a native of Austin. He graduated from the University of Texas at Austin with a B.A. and L.L.B. degrees at the University of Texas, working part of the time as

a chief deputy sheriff. He served in the Texas Legislature, where he was one of "the immortal 30" who blocked a state sales tax in 1959.  
 He served in the Navy during World War II and was discharged as a lieutenant commander.  
 He married Eloise Engle in 1945. They have three children, all attending the University of Texas: Mark, 22; David, 19; and Kate, 17.  
 After service on the Austin City Council, he succeeded to the U.S. House when Johnson moved over to the Senate.

## Wallace Says He Will Not Withdraw

MONTGOMERY, Ala. (AP) — George Wallace declared Wednesday that he will not withdraw from the presidential race under any circumstance.  
 The former Alabama governor told a news conference that even if candidates of the two major parties should advocate the idea Wallace is trying to put into effect, "it's too late."  
 Wallace said, "If we can make some more people say what I've been saying all along, it's more likely to come to pass."  
 He also stressed that he has not discussed politics with representatives of either major party and would not support any of their candidates even if he checked out of the race.  
 Wallace claimed that his movement "has already been successful" and some national politicians are beginning to support some of his ideas such as his determination to enforce law and order.  
 His newspaper will offer to pay for two state pilots being used on some of his out-of-state trips, the former governor said.  
 He said the pilots were offered by Gov. Albert Brewer and are used only when they're not needed for their regular state duties.  
 Wallace announced plans to speak in Minneapolis, Minn., at a rally July 3 and confirmed that he will go to Dayton and Columbus, Ohio, July 6 and 7. Wallace described the July 7 appearance, which is in contrast to his normal policy of avoiding campaign engagements on Sunday, as a patriotic rather than a political rally.

## Military Is Concerned About Morals

NEW YORK (AP) — A high-ranking Defense Department spokesman says the department and "responsible military" commanders are deeply concerned regarding moral conditions affecting U.S. troops in Vietnam and other countries.  
 Maj. Gen. William W. Berg, deputy assistant secretary of defense, made the comment in a letter to McCall's magazine regarding an article in its July edition by Robert Shaplen titled "The Girls They Leave Behind."  
 The article describes the state of romance between U.S. and Vietnamese girls, rattling romances that stem from "contract" relationships and casual affairs to marriage.  
 In his letter to Norman Hill of McCall's, Berg said, "The moral behavior of service personnel is a problem which should and does receive continuing concern and attention."  
 He said that "in general, service personnel are neither more nor less moral than when they are in the service. Unfortunately, some persist in engaging in immoral conduct despite counseling and advice to the contrary."  
 The article says that "Despite the fact that about 150 marriages take place each year between American servicemen and Vietnamese girls and there are other relationships, short of marriage, that are warm and genuine, the vast majority have by and large been more calculated, practical, and professional than during any previous war in which Americans have participated."  
 "Tens of thousands of young Vietnamese girls have become prostitutes or have contracted themselves to live with American soldiers on a temporary basis, usually for six or seven months," he says.  
 The reason more marriages don't result, the article says, is because of the relatively short duration of the service. In Vietnam, the language barrier, and red tape thrown up by the Defense Department. This includes the requirement that numerous documents be submitted, including police statements of good conduct for the girl, a church's consent, the GI's medical certificates and others.  
 The one-year relation system does not encourage marriage, McCall's says, "In placing the girls along to one-another, it does make for orderly arrangements."

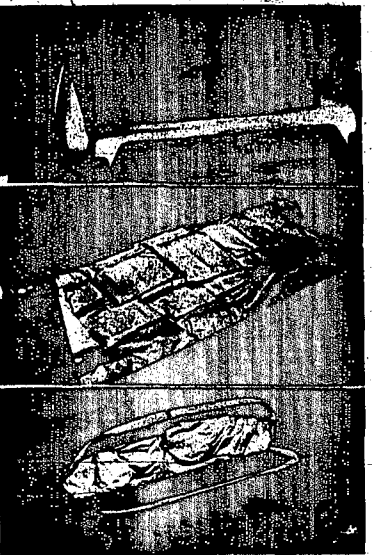

## Check Presented

BOISE (AP) — State Parks Director W. M. Becker turned over a \$10,017.23 check to Idaho County Wednesday. The money represents 50 per cent reimbursement for funds expended by the county on construction at the state fairgrounds.  
 The money came from the federal land and water conservation fund administered by the Idaho Department of Parks.

## Meeting Set

BOISE (AP) — The organizational meeting of the advisory committee to the state mines bill will be held Friday at the State Mine Inspector's office. The committee, headed by the state mine inspector, was created last week by the governor on recommendation of the Governor's Advisory Council.

## THE VANISHING CORNER GROCERY

SUPERMARKET CO-OPERATIVE

Year	Percentage
1956	~10%
1966	~50%

The independent neighborhood grocery appears to be on the way out, according to statistics furnished by the Progressive Grocer. In the 10-year period 1956-66, the number of unaffiliated independent grocery stores declined by 11 per cent while chain supermarkets and co-operative groups increased. Fastest growing segment of food retailing is the convenience or "bantam" store which has been accepted by consumers throughout the nation because of its accessible location, longer hours, drive-in facilities, and rapid checkout.

## Cattle Industry Would Like To Curb Meat Imports

By DON KENDALL  
 WASHINGTON (AP) — The cattle industry would like to curb meat imports, but the Agriculture Department isn't encouraging the idea.  
 Congress has been besieged by bills seeking tighter import quotas on a variety of products, accounted for 61 per cent of meat imports.  
 Beef comprises the bulk of foreign meat coming into the U.S., which totaled 1.8 billion pounds, carcass weight equivalent, Boneless beef, used largely for hamburger and processing, accounted for 61 per cent.  
 "Total red meat production — beef, veal, pork, lamb and mutton — totaled about 34.2 billion pounds in this country last year."  
 Cattlemen's groups favor amendments to the Meat Import Act of 1964 which would plug loopholes they feel allow foreign shippers an advantage in the domestic market.  
 The law provides for a quota system when meat imports attain a certain level.  
 Bill House, president of the American National Cattleman's Association, told Congress this week that supply has outrun demand and downward adjustments in beef production are needed.  
 The Agriculture Department has adopted a soft posture concerning changes in the act.  
 Agriculture Secretary Orville L. Freeman told the House Ways and Means Committee July 10 the existing law has allowed "orderly marketing of beef."  
 In other farm news, supplies of the important late-spring potato crop have moved to market faster than last year, the department says.  
 This movement, besides production 18 per cent below last year, is resulting in lighter supplies for consumers. The USDA said harvest of the early-summer crop is under way and will peak next month. Imported tonnage is about the same as for last year.  
 PROJECT SUPPORTED  
 WASHINGTON (AP) — Federal officials were urged Wednesday by Sen. Wallace F. Bennett, R-Utah, not to limit a solid fuel rocket motor development project.

# Ray's Lawyer Seeks Extradition Halt

By GODFREY ANDERSON  
 LONDON (AP) — Counsel for James Earl Ray, who is accused of slaying Dr. Martin Luther King Jr., indicated today he would seek a British order of extradition by contending that the assassination of the American civil rights leader was a political crime.  
 Under the U.S.-British extradition treaty, political grounds are a principal reason for granting asylum to anyone and barring extradition.  
 A hearing in historic Bow Street court was held under security precautions unprecedented in British judicial history. It took a dramatic turn as a lawyer representing the U.S. government gave evidence that

Ray's fingerprints were found on the rifle suspected of killing King.  
 Ray was in the murky court room under heavy guard and heard a Scotland Yard detective testify that shortly after he was caught he collapsed in his cell moaning: "My God, I feel so trapped."  
 The extent of King's involvement in American police was raised by a British lawyer defending Ray.  
 Attorney Roger Frisby closely questioned an American witness for statements on the political involvement into the court record.  
 At one point the witness, George B. Bonbrake, a former FBI fingerprint expert, admitted under questioning that there had been a certain amount of dislike for King in the United States.  
 Bonbrake said he found from the print on the rifle 14 characteristics the same as the prints on file for Ray, a fugitive from the Missouri State Penitentiary. He found 11 similar characteristics from the prints on the telescopic sight.  
 Cross-examined by Frisby, the court-appointed lawyer de-

fending Ray, Bonbrake agreed that King was a nationally known figure.  
 Bonbrake said he knew of King's movement, the Southern Christian Leadership Conference. But he said that, to the best of his recollection, he knew of no conference commitment to any political party.  
 When the court suspended session for a luncheon break, Frisby continued to question Bonbrake on the public were searched for weapons.  
 "The U.S. government was represented by a British lawyer, David Calcutt. He told Magistrate Frank Milton that Ray's fingerprints were found on the rifle which police recovered after King was shot in Memphis, Tenn., April 4."  
**Hansen Attacks Gun Legislation**  
 WASHINGTON (AP) — Rep. George Hansen, R-Idaho, says strict firearm regulation is not the answer to the crime problem.  
 Hansen said Wednesday registration of firearms could lead to taxation and then confiscation of guns.  
 He said Congress is being asked "to act on legislation of great magnitude under the stress of near mass hysteria."

## Bill Cleared For Floor Action

WASHINGTON (AP) — The Senate Public Works Committee has cleared for floor action a bill which would provide additional Federal money for schools at Orofino, Sen. Frank Church, Idaho, and Leo Jordan, R-Idaho, said Wednesday.  
 The public school system in the Orofino area has been overcrowded with the influx of children of workers on the Dworshak Dam and Reservoir project.  
 The money would come from a Federal impact law which has had its applications frozen by the Bureau of the Budget.

## State Hospital Receives Grant

WASHINGTON (AP) — A \$99,788 grant from the National Institute of Mental Health to State Hospital South at Blackfoot has been approved for a program for chronically ill mental patients, Sen. Frank Church, D-Idaho, said Wednesday.  
 The grant will finance the four-year use of a six-year demonstration program.  
 State officials said there had been concern the program might be cut in congressional economy moves.

### Wallace Orders Seizure Of News Film

NEW YORK (AP) — The fund-raising dinner in Eutaw, Ala., that former Alabama Gov. George C. Wallace ordered destroyed ABC TV news film and Wallace shaking hands with a man, the network said, was removed from one of its cameras Wednesday night at a network said in a news report from Eutaw by Sam Donaldson. Wallace was not reached immediately for comment. Shetlon said in Tuscaloosa, Ala., he attended the rally but he refused to say whether the film was taken by force by a Wallace bodyguard while Secret Service men assigned to guard the candidate and state police looked on.

"I don't see that there's any issue involved," Shetlon said. "I support him just like everybody else."

### Shades Of Difference In Union Membership Spell Discrimination

WASHINGTON (NEA) — After more than 20 years of service, Charlie is a union man, but with a paper mill in Louisiana, end, clean-up jobs with low pay and lower promise.

Charlie had the ability to take on the duties of the progressive jobs that could lead up the ladder to higher pay and more responsibility. But for all his seniority, he was constantly passed over for promotion by new men.

Beside Charlie's name on the progression list in the mill's personnel files is the name of a white man, Charlie Dunn, who has been handed the short end of the industrial stick. The case against Crown Zellerbach paper mill and its all-white local membership, Local 189 in the same plant is all-white, and represents both local and national unions.

The arrangement over the years has not been in favor of Local 189. Lower wages, separate locker facilities, and separate job progression ladders that put even the top-ranked Negroes below the bottom-ranked whites serve as evidence of discrimination against Negroes generally falls into four categories as recognized by civil rights groups, the Labor Department and, in some cases, by AFL-CIO officials themselves: (1) creation of segregated job categories; (2) maintenance of separate job progression lines and labor force on a construction project, therefore leaving union workers out in the cold. Among the most glaring of these is the "closed shop" practice, which requires that a Negro to a union is the case of Anderson L. Dobbin, experienced and capable electrician of Cincinnati, Ohio, who was laid off by the Tait-Hartley Act of 1947.

The reason is the union "hiring hall," a labor pool of skilled workers available for construction work. In many cases, contractors depend on the union halls exclusively for their skilled labor force on a construction project, therefore leaving union workers out in the cold. ### Nguyen Cao Ky Abruptly Shifts Style

SAIGON (AP) — South Vietnam's flamboyant Nguyen Cao Ky, who followed in the footsteps of his father, abruptly changed style and tactics. His ultimate objective—power—remains unchanged.

Instead of his famed Captain Midnight flying suit with lavender scarf and black baseball cap, the vice president now wears a Mao jacket.

Instead of cultivating friends in the U.S. Embassy, Ky has withdrawn into semi-isolation. In his new image, Ky wants to appear a nationalist hero, seeking to free his country as much from the threat of communism as from the threat of American imperialism.

He remains the most prominent and most determined foe of a kind of accommodation or discussion with the Viet Cong. American officials believe Ky has lost so much power and influence in the past two months that he is no longer a physical threat to Thieu.

Thieu himself and those close to him disagree.

Since early May, many of Ky's friends have been removed from important posts and replaced by Thieu nominees. Yet the more Thieu strengthens his position, the more he seems to fear that the vice president's supporters may resort to violent action before it is too late.

A get-away helicopter stands permanently on the lawn in front of the presidential palace. The president's personal security forces has been assigned to keep an eye on Ky and his entourage.

## Hanoi Admits Fighting In S. Vietnam

**HONG KONG (AP)** — A North Vietnamese army communique declared today that "the peoples and armies of our country are fighting shoulder to shoulder" to defeat the Americans in Vietnam.

A Radio Hanoi broadcast monitored here said the statement came from the top headquarters of the Peoples Army of North Vietnam.

This apparently was Hanoi's first public admission that its troops are fighting in South Vietnam. U.S. envoys in the Paris peace talks have been seeking such an acknowledgment as one step toward progress toward a de-escalation of the war.

"For the common destiny of our whole people, for the independence and freedom of our whole nation," the statement said, "the peoples and the armies of our whole country will continue fighting shoulder to shoulder to firmly inflict ever heavier blows and ultimate defeat upon the U.S. aggressors."

## Clergy Says Abortion Reform Needed

**NEW YORK (NEA)** — A few years ago, Jeanne L., a young mother of four and wife of a daily drinker and sometime worker died in her own home. She didn't plan to kill herself. She was pregnant again. The expense and care for another baby was more than she could face. Drugs and home poisons didn't help. She couldn't afford an abortion and didn't know where to go for one even if she could pay.

A friend told her how she could handle the matter at home. She did. She died. The arrival of a child at Lincoln Hospital in New York.

Today she could have dated local telephone number 212-477-0034 and received a recorded message giving her the names and phone numbers of the participating clergymen who form a consultation service to help women who are being driven into the world of criminality or the dangerous practice of self-induced abortion by the present laws.

The Roman Catholic Church takes the position that human life begins at fertilization and from the moment of conception. According to spokesmen, it considers abortion under any circumstances a crime.

Liberalized abortion laws permit termination of pregnancy on the premise that the fetal life be destroyed without taking a human life.

"The Tablet," a conservative Catholic newspaper, recently published a picture story of fetal development in which photographs of even a 14-week-old fetus looked like a baby. The photos would give anyone, however liberal, hard time deciding that what was being destroyed was a "nothing."

However, many priests feel that there should be a repeal of all abortion laws—that the practice of abortion should private but not a public crime.

At an international abortion conference sponsored by the Kennedy Foundation and the Harvard Divinity School, Father Robert F. Drinan, a Roman Catholic priest and dean of the Boston College Law School said

## ICC Describes U.S. Railroad Passenger Service As 'Grave'

**WASHINGTON (AP)**—The Interstate Commerce Commission described the nation's railroad passenger service as "grave—fatal—maintained intact over the next in some areas." It called for a sweeping congressional investigation.

The ICC urged a three part program in reports to committees in the House and Senate. 1. Congress should launch a comprehensive study on the need for a national rail passenger system and ways to develop a modern rail network.

2. Congress should amend the present law to preserve minimum level of service during the study. This would impose a moratorium of sorts in cases where railroads seek to eliminate passenger trains.

3. The Post Office should temporarily more mail by train to support the present level of passenger service.

The ICC said "we strongly believe that the present network of daily rail passenger service described the nation's railroad passenger service as "grave—fatal—maintained intact over the next in some areas." It called for a sweeping congressional investigation.

The report said in the past 10 years numbers of regular intercity trains declined nearly 60 per cent. There were 1,448 passenger trains daily in August, 1958; today there are 588. And in the past 12 months alone the number of trains proposed for discontinuance more than doubled.

Some sections of the nation are virtually without passenger service. The ICC found a critical problem "is presented by the recent receipt of several proposals to discontinue the last remaining rail passenger service between major areas in the country, particularly in the West."

**Repairs Needed**

**TRUTH OR CONSEQUENCES, N. M. (AP)** — City Manager Gene Foetz says improvements need to be made at the city's dog pound to prevent "depoundment" of canines caught by the dog catcher.

Goetz told the City Commission that dog owners had retrieved 41 of their pets by reaching over the pound's fence.

**229 U.S. Men Killed In War In Last Week**

**SAIGON (AP)** — The number of Americans killed in action in South Vietnam last week was the lowest for U.S. forces in two months, the U.S. Command reported today.

South Vietnamese forces reported a small increase in their casualties over the week before, while the U.S. Command said enemy casualties decreased slightly.

U.S. Headquarters said 299 Americans were killed in action and 2,220 were wounded in the week ending last Saturday. It was the lowest number killed since the week ending April 20 when 287 U.S. servicemen died in action.

The figures reflected a general increase in ground fighting but raised the number of Americans killed from Jan. 1 through June 22 to 9,370, or nearly equal the 9,419 killed in all of last year.

South Vietnamese headquarters said 355 government troops were killed last week and 1,149 were wounded, compared with 260 and 1,189 the week before.

The government headquarters also reported that 262 Viet Cong and North Vietnamese soldiers were captured or surrendered last week, probably the highest total of the war.

The U.S. Command said 1,818 Viet Cong and North Vietnamese soldiers were killed by allied forces last week, a decrease of exactly 200 from the week before.

Of the 2,220 Americans wounded last week, the U.S. Command said 1,184 were hospitalized.

The U.S. Command said the weekly report raised the total of American casualties since Jan. 1, 1961 to 25,367 killed, 62,672 wounded and hospitalized, 74,545 wounded but not hospitalized, and 1,200 missing or captured.

A total of 306,160 enemy have been killed since the start of 1961, the command said.

**Dr. Sonius Is Chosen Head Of Dentist Group**

Dr. Donald E. Sonius, Twin Falls, was installed as president of the Idaho State Dental Association at its annual meeting in Coeur d'Alene last week.

Other officers installed were Dr. W. Mark Smith, Boise, president-elect; Dr. Jack Smith, Twin Falls, secretary; and Dr. Stanley Kern, Buhl, treasurer.

Next annual meeting of the Idaho State Dental Association will be held in Sun Valley, June 22-25, 1969.

Dr. Sonius and Dr. Smith will be delegates to the House of Delegates of the American Dental Association in Miami Beach in October.

**Officers Are Installed By Twin Falls Coroptimists**

Officers were installed by the Twin Falls Soroptimist Club at a gala dinner and installation meeting at the Roundup Room of the Rogerson Restaurant.

Edythe Koonz, lieutenant governor of the Rocky Mountain Region of Soroptimist Clubs, installed officers, including Christina Petersen, president; Ruth Carter, vice president; Ruth Guyer, treasurer; Karen Griggs, financial and corresponding secretary; Helen Brown, recording secretary; and Nedra Greene, Betty Birrell and Helen Cannon, directors.

The retiring officers were honored and Mrs. Cannon presented the president's pin to Mrs. Petersen. The past president's pin will be given to Mrs. Cannon at a later date.

Helen Cannon, retiring president, conducted a short business session, during which thank-you cards were read from Cindy Runk, the club's representative at Girls' State, and Velma Guyer, first runner-up for Miss Idaho.

Mrs. Cannon, in giving her annual report, urged members to strive for a better attendance record, but complimented them for the projects accomplished with the \$725 spent. Projects for the year included outfitting two junior high school girls at Christmas and furnishing a family with food and clothing for Christmas.

Cosmetics and other items were sent to the St. Anthony School at Easter and nursing homes were supplied with cookies, fruits and candy on St. Valentine's Day. A \$100 bond was given to the winner of the annual citizenship award and sponsorship of the Golden Age Club, including providing a turkey at Christmas and ice cream and cake party in May.

Ruth Edmonds and Ina Howard were in charge of the arrangements and the program. Beautiful bouquets of roses and yellow candles adorned the tables.

Guests from the Burley Soroptimist Club were Evelyn Sherrod, Retta S. Payne, Helene M. Coffey, Alice Konrad and Lois Matheson. Guests of various members of the local club were Muriel Demer, Nancy Glasby, Sharon Ude, Jean Hazen, Nadine Ott, Elizabeth Nye and Mrs. Oliver Anderson. Louise Bush was re-instated as a new member.

**SESSION PLANNED**

WASHINGTON (AP) — Democratic National Chairman John M. Bailey said today that under plans all but formally adopted there will be only one daily session at the party's national convention, in the evening. That would put it in prime television time.

# Khe Sanh Abandonment May Hurt Propaganda

HONORED AS "Optometrist of the Year" by the Idaho Optometric Association is Dr. Orrin Fuller, Twin Falls. The formal presentation was made at the state convention at Coeur d'Alene. Dr. William Beuscher, Caldwell, last year's winner of the award, presented Dr. Fuller a plaque. The award reads, "For service to his profession, to his community and to his nation; and for his significant contribution to visual welfare."

## Nixon Says Both Parties Are Disassociated From Wallace

By The Associated Press  
Former Vice President Richard M. Nixon, replying to statements by GOP presidential rival Nelson A. Rockefeller, says he wants no support from third party presidential candidate George C. Wallace.

"I've been in politics for 22 years and I've never had a racist in my organization," Nixon said in New York Wednesday. "From what I've read, Wallace's appeal is in the direction of racist elements. Both major parties disassociate themselves from him."

Nixon said he hopes Vice President Hubert H. Humphrey, Democratic presidential aspirant, will make a similar statement "and that should clear the air."

New York Gov. Rockefeller had urged the Nixon camp of courting Wallace support to win southern votes.

Wallace, meanwhile, said he would not withdraw from the presidential race under any circumstances.

The former Alabama governor said he would not withdraw if he appeared candidates of either major party would adopt the policies he said America needs.

But now "it's too late," Wallace said in Montgomery, Ala. He said for any of the Republican or Democratic candidates to support his policies now it would only make them more likely to come to pass.

In the Democratic race, Humphrey said every able American child should be guaranteed an education from age four through college and Sen. Eugene J. McCarthy said he has no intention of "meddling" in the Paris peace talks.

Humphrey said in Denver, Colo., potential high school dropouts should be counseled on a case-by-case basis and new centers should be developed for students who go directly from high school to work.

McCarthy said he wants to meet with North Vietnam diplomats in Paris this summer only to "hear what the Vietnamese are saying with my own ears" and not to participate in any way in the peace talks.

"This would not be an official

## Idaho Board Of Education Sets Meeting

BOISE (AP) — Members of the Idaho Board of Education will consider business affecting all the board's divisions during a three-day meeting beginning July 10 at McCall.

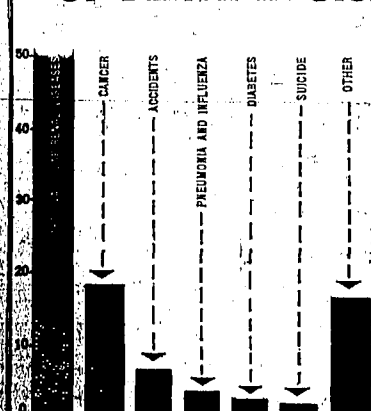

Agenda of the sessions was released today.

Business of the University of Idaho will be taken up the morning of July 10. The afternoon will be devoted to Idaho State University.

Affairs of Lewis-Clark Normal School and Boise College, which becomes a state institution Jan. 1, are listed for July 11.

The board also will consider business affecting the state departments of education, vocational rehabilitation, the State Youth Training Center, the State School for the Deaf and Blind, and programs of continuing education.

## MAJOR CAUSES OF DEATH IN U.S.

In the general population of the U.S., the death rate from all causes combined during the first 10 months of 1967 was 2 per cent lower than for the same period in 1966 and 2 per cent below the average rate for the like months of 1962-66. This shows a per cent distribution of major causes of death in the 1967 period, based on Metropolitan Life statistics.

By JOHN T. WHEELER  
SAIGON (AP) — The abandonment of Khe Sanh may be a propaganda setback for the United States, but it does not reduce the American military position significantly.

Khe Sanh is the first major U.S. base in Vietnam to be abandoned because of enemy pressure. During the 77-day winter siege of the base by two North Vietnamese divisions, it became a symbol of American determination to stand fast in Vietnam.

Top U.S. officials in Washington and Saigon said that the base would be defended at all costs. Spokesmen for the U.S. Marines pushed the line "If we leave Khe Sanh, where do we stop? The South China Sea?"

Hanoi can be expected to repeat the American statements on Khe Sanh to bring pressure on the Paris peace talks and to bolster the standing of North Vietnam and the Viet Cong in influential world capitals.

One U.S. Marine officer at Khe Sanh openly criticized the American propaganda during the siege, saying that the vulnerability of the position to North Vietnamese siege guns in Laos ended its usefulness.

## Personnel Of Firm Changed

IDAHO FALLS (AP) — The Utah-Idaho Sugar Co. has announced several top personnel changes following a board of directors meeting.

Included is the promotion of Peter H. Lott from general factory superintendent to vice president for factory operations. Reed Smoot, vice president for sales and traffic, was appointed to the board of directors.

The new western anchor of the allied line below the demilitarized zone is at Landing Zone Stud, a supply base with an airstrip 10 miles east of Khe Sanh. This area has been in Marine hands all along, and the base could have taken over Khe Sanh's activities at any time.

Operations against enemy units along the western portion of the DMZ can be launched as easily from Landing Zone Stud as from Khe Sanh.

In announcing its decision to abandon Khe Sanh, the U.S. Command cited not only a big increase in enemy strength and

## Church, Jordan On Committee

WASHINGTON (AP) — Sen. Henry Jackson, D-Wash., chairman of the Senate Interior Committee, has called on Idaho's two senators "to see to it that no diversion scheme on the part of the Colorado River states is approved."

Jackson named Sens. Frank Church and Len Jordan to a conference committee on the Colorado River Project Bill. He said he is relying on them to keep out of a Senate-House compromise the House-approved provision for a water diversion study.

name units regularly cross along virtually the entire length of the border.

One of the hardest things for the U.S. Command to explain now is if Khe Sanh is unnecessary in June, why was it so vital in January when the siege began. Senior Marine officers have said that the base was surrounded before the Leathernecks realized what was afoot. Any withdrawal would have meant a "lighting retreat" through some of the best ambush country in Vietnam. It was reckoned that the siege would be less costly than a fighting withdrawal.

FUNDS APPORTIONED  
WASHINGTON (AP) — The Interior Department has announced apportionment of \$20,097 for fish and wildlife restoration projects in Utah.

## Council Adjusts Major League Impasse On Slates, Expansion

NEW YORK (AP) — Baseball's executive council, headed by Commissioner William D. Eckert, stepped into the impasse between the National and American League Wednesday by recommending changes for each in next year's expansion setup.

The council unanimously recommended that the National League adopt a two-division setup and that the American League retain the present 162-

game schedule in 1969 when both circuits will expand to 12 teams.

At separate meetings last month, the National League granted franchises to Montreal and San Diego and said it would go with one division and a schedule of 162 games.

The American League voted to play with two divisions of six teams each during a 156-game regular season, followed by the playoffs for the right to play in the World Series.

The recommendations, which followed a day-long meeting of the council, will be acted upon July 10 in Houston, the day following the annual All-Star Game.

## T.F. Legion Sweeps Pair From Valley

EDEN — Homeruns by Larry Eller and Ron Blackwood backed the pitching of Jim Astorquia and Steve Soran as the Twin Falls Legion swept two from Valley 8-0 and 2-0 and streaked its win streak to two straight Wednesday night.

Eller homered in the first inning of the opener and Blackwood connected in the fifth. Mike Florence scored ahead of each. Astorquia took the shut out with a three-hitter.

Twin Falls got single runs in the second and seventh to win the nightcap. Steve McClain lived on an error and scored ahead of Mike Chandler for the first tally and John Giesler doubled and Florence singled to account for the insurance run.

Twin Falls travels to Burley Friday night and then moves to Tocoee, Utah, for a double-header Saturday and single game Sunday.

"I have always advocated that the two-league move forward jointly and present a united front with the common aim — what is best for the baseball public," Eckert said.

The American League will need unanimous approval of its club owners to switch to a two-division setup.

The American League has said it would go with Boston, New York, Washington, Baltimore, Cleveland and Detroit in an Eastern Division and Chicago,

## Ryun, 15 Men Allowed To Miss Trials

LOS ANGELES (AP) — Jim Ryun, the world record holder in the mile and half mile, and 15 other athletes were given permission Wednesday to bypass the U.S. Olympics Trials here and compete for the team in September.

An special board of the U.S. Olympic Track and Field Committee voted on petitions submitted by athletes with either injury or illness who said they could not perform to the best of their ability Saturday and Sunday in the Los Angeles Coliseum.

The 15 will be permitted to try out for the team at the high-altitude training site of South Lake Tahoe on Sept. 9-17.

## Reds Survive Jam, Outlast New York 7-6

CINCINNATI (AP) — Ted Abernathy pitched out of a ninth-inning jam Wednesday night and preserved a 7-6 victory for the Cincinnati Reds over the New York Mets.

Abernathy, after giving up a pair of singles and a sacrifice fly, finally got Cleon Jones to hit into a game-ending force play, thus wiping out the Mets' chance to reach 500.

The Reds led 7-3 going into the ninth but the Mets got a break when Lee May booted Art Shamsky's grounder.

The others besides Ryun given permission to bypass this weekend's trials were sprinters Oliver Ford and Willie Turner, middle distance runners Preston Davis, Jere Van Dyke and Ron Kutschinski, distance runners Billy Mills and Ken Moore, hurdlers Willie Davenport and Richmond Flowers, triple jumper Aaron Hopkins, shot putter Neal Adkins, pole vaulter Paul Wilson, waiter Larry Walker and decathlon performer Dave Thomson.

Also given permission to skip the trials was long jumper and world record holder Ralph Boston. But Boston told the group he may feel well enough to compete.

## Boycott Is Still On

SAN JOSE, Calif. (AP) — Harry Edwards, leader of the proposed Negro boycott of the Olympics, denied Wednesday reports the boycott might be called off if not enough athletes were in favor of it.

"There's no question in my mind that there will be a boycott," Edwards said at San Jose State College where he was an instructor in the school year just completed.

"I'm 100 per cent satisfied that the thing we have planned will be endorsed by the black athletes."

A meeting of Negro athletes was held after the Amateur Athletic Union track championships at Sacramento, Calif., last weekend and there were published reports that it was decided that unless 75 per cent of Negro athletes voted in favor of the boycott it would be dropped.

"No athlete knows anything about that," said Edwards. "It's just some nonsense dreamed up by racist pigs."

Edwards said a meeting would be held this weekend in Los Angeles where the Olympic trials will be held, and that a decision about boycotting the Mexico City games as a protest against American racial policies will be announced soon.

## Ralston Nips Richey At Wimbledon

WIMBLEDON, England (AP) — On yet another rain-plagued day, pro Dennis Ralston called two match points and went on to defeat amateur Cliff Richey on a controversial foot fault in Wimbledon's open tennis championship Wednesday.

Ralston, ninth seed from Los Angeles, knocked out Richey, the U.S. amateur from New York, 6-3, 3-6, 7-9, 6-3, 13-11 in a three-hour marathon second-round match that thrilled the crowd of 3,000 on the No. 2 court.

In another marathon contest, Briton Mark Cox beat American Herb Fitzgibbon, the tournament only slant-kicker so far on the center court 4-6, 6-3, 7-9, 9-7, 12-10.

For the third day in succession a cold and blustery wind and driving and intermittent rain wrecked the card and left more than half the day's 73 scheduled matches unplayed.

The girls fared even worse. So far only seven matches in the women's singles have been concluded.

## Restrictions Put On Antelope Hunting Permits

BOISE (AP) — The Idaho Fish and Game Department said Wednesday restrictions have been ordered in distribution of some big game hunting permits in an effort to broaden participation.

Winners of the permits to hunt antelope and moose and, in some instances, deer and elk, are determined at public drawing.

The department said since the number of persons applying for antelope permits has tripled in about four times the total permits available, no one may apply for permits this year who obtained an antelope permit in 1968 or 1967.

Applications for a moose permit usually are about 15 times the number of permits available, and no one may apply for a permit in 1968 who has ever killed a moose in an Idaho hunt.

## 7 U.S. Women Qualify For Meet

WALTON, HEATH, England (AP) — All seven American Curtis Cup golfers qualified Wednesday for the British Women's Amateur Golf Championship and nearly spread-eagled the field of 68 international competitors.

Peggy Conley, 21, of Spokane, Wash., led the qualifiers with a 2-over-par 77, followed by Mrs. Anne Weils, 31, of Mount Vernon, Wash., and Shelley Hamlin, 19, of Fresno, Calif., at 78.

The only intruder in this bracket were Mrs. Claudine Crox Rubin of France with 79 and Mrs. Jean Holmes of England with 78.

The other American girls who combined to beat the British in the Curtis Cup June 18 were well within shooting distance and completely certain to be within the ranks of the 64 who qualify for match play starting Thursday.

# THANK YOU, CALL AGAIN!

It's one of those signs you see so many times—you almost forget that it means anything. But it does. It's what America's business is all about.

Maybe a newspaper ad brought you to the store. Or perhaps a tv commercial persuaded you to whatever product you bought. But it was you who went there. You paid for the item with your money and you are going to take it into your home. And if you don't like it, there's no power on earth that can get you to go back to that store or buy that item again.

'Call again' is what puts you in control of the system. It keeps the people who make and the people who sell very very sensitive to the fact that "you pays yer money and you takes yer choice."

## Drysdale Stops Giants On Two Hits

SAN FRANCISCO (AP) — Don Drysdale of Los Angeles pitched no-hit ball for 7 2/3 innings Wednesday but his own costly fielding error and Dave Marshall's pinch-hit single forced him to settle for a two-hit 2-1 victory over San Francisco.

The 6-foot-6 right-hander, who will be 32 next month, walked Jackie Hitt to open the Giants' eighth, his third pass of the game. Rookie Bobby Bonds then bunted and Drysdale threw wide to first for an error which eventually extended the inning.

Drysdale then bore down and retired Hal Lanier on a pop foul and fanned pinch hitter Ty Cline on a 3-2 pitch. But Marshall, another rookie, batted for Ron Hunt and lined Drysdale's first pitch over second, scoring pinch runner Jim Davenport.

The Giants other hit was Jim Hart's two-out single in the ninth.

Despite the failure to pitch his first major league no-hitter, Drysdale recorded his 200th lifetime victory. He holds the Dodger marks for total victories, strikeouts, shutouts and innings pitched. He has a 10-4 win-loss record this season.

## Idaho Falls Takes Pair From Cubs

CALDWELL (AP) — Idaho Falls broke a 3-3 tie in the top of the seventh with a pair of runs off relief hurler Paul Starman and the Angels scored a 3-3 opening game victory of a Pioneer League doubleheader over the Caldwell Cubs Wednesday.

Idaho Falls won the second game 2-1.

Starter Paul Reuschel for Caldwell and Denis Heberlein for the Angels hooked up in a pitchers duel that saw Jim Bryan knot the count at 3-3 with his first homer of the season for the Cubs with a man on in the sixth.

Charlie Oakes had put the visitors ahead in the fourth with a two-run homer as the Cubs took a 1-0 lead with a single tally in the first inning.

Heberlein picked up his second win of the season as the Angels boosted their record to 5-1. Caldwell, which opened the season late was 1-1 after the game.

Clay Dalrymple led off the 11th with a double to right center off Braves reliever Jim Britton. One out later, Dalrymple scored on Gonzalez single to give the Braves a 2-1 lead. But the Phillies tied it in the eighth on single by Tony Taylor and pinch hitter Bill White's two-out triple, which chased Atlanta starter Phil Niekro.

# Beban Will Start Yaz Leads List Of 5 Repeaters For West Against East Grid Stars

ATLANTA, Ga. (AP) — Gary Beban, Helmsman Trophy winner from UCLA who will quarterback the West Friday night against the East in the All-American football game, isn't worried about the way he has looked in practice.

West Coach Dee Andros of Oregon State said Wednesday he isn't concerned, either.

"Gary just doesn't look like a great passer in practice," Andros said before sending his squad through a light workout. "He's not the type of passer who looks good just throwing the football."

"But he's a money player, and he'll throw the ball real well Friday night."

Beban, headed for the Wash-

ington Redskins, conceded he has not been impressive in drills this week.

"I'm offering no excuses," Beban said. "The game isn't until Friday night."

Beban admitted he is a little rusty throwing the ball, "because I haven't done anything sustained throwing since January."

"But when Friday night comes there will be some adrenalin flowing. I'm not worried."

Beban probably will have to do a lot of throwing in the drive because the West is not loaded with running backs.

"We haven't gotten anybody with a lot of power like the East has in Larry Csonka," Andros said. "Max Anderson of Arizona State could help us running, because he hasn't done anything ably have to do a lot of passing."

Backing up Beban will be Billy Stevens of Texas Tech, a dropback passer with a deft touch. Stevens was added to the squad when Wyoming's Paul Toscano had to skip the game because of personal problems.

East Coach John Pont of Indiana also is counting on his passing attack which will feature the throwing of Greg Landry of Massachusetts and Kim King of Georgia Tech.

"Landry will probably start, and he has been the best in practice," said Pont, voted the nation's top coach last fall. "King will help, too."

The East, which leads in the series with four victories to three for the West and lost last year 12-9, boasts the best-known runners.

Atlanta's 235-pound Syracuse fullback, will be helped by Tennessee's Walter Chadwick and Tulane's Bobby Duhan.

"I think that between the two squads we have 60 of the best athletes in the country," Andros said. "And their attitude in practice. In this heat has been terrific."

peaters did not fare nearly as well. Killebrew was hitless in six times at bat, Frechein in five. American League batting leader, was among five repeaters named Wednesday to the circuit's starting All-Star team.

The AL will seek to break a five-game losing streak against the National League the night of July 9 in Houston.

The others selected to start again in the annual classic were catcher Bill Freehan of Detroit, first baseman Harmon Killebrew and second baseman Rod Carew of Minnesota and third baseman Brooks Robinson of Baltimore.

Rounding out the starting squad chosen by a vote of league players are outfielders Frank Howard of Washington and Willie Horton of Detroit and shortstop Jim Fregosi of California.

Yastrzemski, the slugging outfielder who captured the Triple Crown last season, was one of the stars of the 1967 All-Star game. He collected three hits in four tries.

However, the other four repeaters did not fare nearly as well. Killebrew was hitless in six times at bat, Frechein in five. American League batting leader, was among five repeaters named Wednesday to the circuit's starting All-Star team.

## Gibson Posts Fifth Straight Shutout 3-0

ST. LOUIS (AP) — Strong-armed Bob Gibson unfurled his fifth straight shutout, giving the St. Louis Cardinals a 3-0 victory over the Pittsburgh Pirates, then Ron Kline rescued Steve Blass in the second game to preserve a 2-1 victory and give the Pirates a split of the Wednesday night doubleheader.

Gibson's four-hitter in the first game brought him to within one game of Don Drysdale's recently-set record of six straight shutouts. The Cardinals nine-game winner also has 47 scoreless innings against Drysdale's record 58 2/3 innings.

The Cardinals had a 1-0 lead off loser Al McBean, 6-7 going into the fourth when Gibson doubled with two out and raced home on Lou Brock's double. Mike Shannon added another run in the eighth with his ninth homer of the season.

Blass, 5-2, was coasting on a three-hitter in the second game until he ran into trouble in the seventh and ninth. Ron Kline came on to save the Pirates with a 2-1 victory and give the Pirates a split of the Wednesday night doubleheader.

## Solons Coast To 8-2 Win Over Indians

WASHINGTON (AP) — The Washington Senators jumped to an eight-run lead in the first two innings and coasted to an 8-2 victory over the Cleveland Indians Wednesday night behind the four-hit pitching of Camillo Pascual.

Catcher Jim French, recalled earlier in the day from the Senators' Buffalo farm club, delivered a two-run single in the first inning and the Senators exploded for six more in the second.

Cleveland starter Steve Hargan was clipped for three hits and a run in the first two innings and the Senators exploded for six more in the second.

Frank Howard drove in a run with a single, Ron Hansen sent home another with a sacrifice fly and Del Unser capped the uprising with a run-scoring single.

Pascual, Washington's biggest winner at 7-4, owns the Senator's only two victories in their last 13 games.

## Orioles Use Homers To Beat Sox 6-2

BALTIMORE (AP) — Boog Powell and the Robinson boys, Brooks and Frank, clubbed Baltimore home runs powered the Orioles to a 6-2 victory over the Boston Red Sox Wednesday night.

Brooks Robinson slammed his seventh homer in the fourth inning after Frank opened with a walk.

Powell hit his 12th homer leading off the sixth and Frank Robinson, who has missed 20 games with illness and injury, followed with his fourth.

Powell also singled home one of two Baltimore runs in the seventh. The other came on winning pitcher Dave McNally's walk and Fred Valentine's double.

# Senators Will Play Role In Water Fight

WASHINGTON, D. C. — Sen. Henry Jackson of Washington, chairman of the Senate Interior Committee, said Thursday that Idaho Sen. Frank Church and Len B. Jordan both will play key roles in efforts to protect Idaho water resources from diversion to the Southwest.

The House of Representatives passed legislation in May to authorize full-scale studies of diverting water from Idaho and other parts of the Pacific Northwest to the Colorado River Basin.

Referring to an upcoming conference between the Senate and House on this legislation, Sen. Jackson said, "Representatives from the House will be stacked against us."

Sen. Jackson added, "Our task is to have on the Senate side men dedicated to protecting the rivers of the Northwest. Fortunately, a senior member on the Senate side at the conference will be Sen. Church and this is where seniority pays off. And likewise, on the Republican side from Idaho, will be Sen. Jordan."

"We are determined to stay put on this issue to see to it that no diversion scheme on the part of the Colorado River States is put over," the Washington senator said. "Without Sen. Church and Sen. Jordan on my conference, frankly, we wouldn't be able to do it."

POINTING TO A LARGE MAP showing the threat Idaho faces from House-passed legislation to divert water to the Southwest is Sen. Frank Church, D-Idaho, a senior member of the Senate Interior Committee. As shown on the map, the nearest point of transfer to the Colorado River Basin is from the Upper Snake River in Idaho to the Green River in Wyoming. Looking on is Senate Interior Committee Chairman Henry Jackson of Washington. Both men will play key roles in the upcoming battle to stop the diversion scheme.

## Negro Crowd Dispersed By Tear Gas

DURHAM, N.C. (AP) — Police used tear gas to break up a crowd of more than 100 Negroes early today following a three-hour meeting between the group and the Durham Housing Authority.

Six firebombings were reported, but police said no one was injured.

The meeting had been called Wednesday night to air grievances of the Negro tenants.

The smaller groups began roaming the streets and scattered incidents of rock throwing and bottle throwing were reported. Police said damage was minor and no arrests were made.

When police and firemen arrived at one of the fires a group of between 100 and 150 Negroes refused to disperse and tear gas was used, police said. They said the blaze was started by a firebomb.

The fight between the Negro tenants and the housing authority has been going on for several months. A meeting three weeks ago ended in a demonstration in which an estimated 10,000 damage was done.

147. MAIN AVE. WEST TWIN FALLS

Miss Branfley Is Bride Of Fredric Otto

And Elizabeth Branfley, daughter of Mr. and Mrs. Roy Branfley, Atlanta, Ga., was married to Fredric Layne Otto, son of Mr. and Mrs. E. E. Otto, Twin Falls, in rites at the Mother of God Catholic Church, Denver, Colo., May 17. Father William E. Sievers officiated.

The bride's gown was fashioned of white crystalline with appliques of alencon lace. The name lace formed wrist-length bell-shaped sleeves. The cathedral train of her dress was also alencon lace. Her veil was a finger-tip silk tulle with a face veil attached to a white crystalline and lace bow. The bride carried a bouquet of white roses, stephanotis and lily.

Mrs. Ruth T. Branfley, sister-in-law of the bride, Charleston, S.C., was matron of honor. Maid of honor was Pauline Grimbald, Denver, with Mrs. Nancy Sangaline, Denver, and Diane Otto, Twin Falls, sister of the bridegroom, as bridesmaids.

Robert E. Lee was best man for the bridegroom, and ushers were J. Steven Ott, Ray P. Mullin and Thomas B. Harper, all Denver. Altar boys were Phil Fremin and David O'Day.

After the ceremony, a reception was held at the Welshire Inn Country Club, Denver. Large baskets of yellow and white roses and chrysanthemums decorated the ballroom, and the same colors were carried out in the table decorations. The table was centered with a three-tiered cake decorated with swans and roses.

Mrs. H. J. Fremin presided at the guest book, and music for dancing was provided by "Phil and the Fremins."

Guests attended from Charleston, S.C.; Atlanta, Ga.; Twin Falls, and Boulder, Colo.

The couple took a honeymoon trip to Las Vegas, Los Angeles, San Francisco and Lake Tahoe before returning to make their home at 12854 W. Virginia Dr., Denver.

The new Mrs. Otto is a registered nurse in Denver, and Mr. Otto is a graduate of the University of Idaho. He is associated with radio station KIMN in Denver.

MRS. LARRY SATTERWHITE

Melanie Young Is Bride Of L. Satterwhite

Melanie L. Young, daughter of Mr. and Mrs. Dennis R. Young, Boise, became the bride of Larry W. Satterwhite, son of Mrs. Frances Satterwhite, Twin Falls, in rites June 2 at the Wright Community Church, Boise.

Rev. Stacy Richards performed the double ring ceremony before an altar setting of floral arrangements of white daisies and yellow chrysanthemums.

The bride was escorted to the altar by her father, Mrs. Denise Mares, sister of the bride, served as matron of honor, with Sally Marrow and Bonnie Tolliver serving as bridesmaids.

John Astorquia was best man, with Stan Millard and Bob Walters as groomsmen. Ushers were Mike Sweeney and Clark Parker.

Solost was Gordon Eichman. After the ceremony, a reception was held in the church fellowship hall.

A rehearsal dinner was hosted by the bridegroom's mother. After a wedding trip to McCall, the couple will reside in Boise until fall when they will resume their studies at Idaho State University.

Secretary Hired

JEROME — Patricia Perry has been hired as secretary by the North Side Soil Conservation District, according to Alvin Chojnacky, board chairman. She is a daughter of Mr. and Mrs. Virgil Perry, Jerome. She is a Neighborhood Youth Corps

**Darice Toner,  
Jolley Recite  
Nuptial Vows**

**BURLEY**—Darice Toner and Wayne Jolley were united in marriage in a double ring evening ceremony June 7 in the Rupert First Christian Church.

The bride is the daughter of Mr. and Mrs. Cecil Toner, Burley, and the bridegroom is the son of Vern Jolley and Mrs. Alice Jolley, both Rupert.

Rev. Roger C. Aydelott performed the wedding ceremony before a background of white tapers in candelabra flanked by beauty baskets of white gladiol and blue carnations.

The bride gives in marriage by her father, recited her vows in a floor-length bridal gown of satin, fashioned with an empire waistline and round neckline edged with pearls and matching lace was used for her chapel train.

Her elbow-length veil of illusion was held by a satin pearl headpiece edged in seed pearls. She carried a cascading bouquet of red roses accented with pink carnations.

Barbara Edwards, cousin of the bride, was maid of honor. Bridesmaids were Rozanna Powers and Julie Smith. Flower girls were Lynn Toner and Cheryl Toner, nieces of the bride.

Dale Ulrich was best man. Ushers and candlelighters were Lynn Lawson and Fred Boyd, Jay Haubner, nephew of the bride, was ringbearer.

Mrs. Roger Aydelott played the traditional wedding music and accompanied Nan Thornton, soloist.

Following the wedding ceremony, a reception was held in the church recreation hall. The newlyweds greeted guests at a large white satin heart entwined with greenery. The entrance was outlined with greenery draped between white pedestals topped with ferns.

The bride's table was covered with a white cloth edged with greenery. The three-tiered white wedding cake was decorated with swans separating the tiers, adorned with blue flowers. Mrs. Hazel Janak, aunt of the bride, cut and served the cake.

Mrs. Lenora Miller, aunt of the bridegroom, served coffee, using a silver coffee service and Mrs. Nadine Edwards, aunt of the bride, served punch from a crystal punch bowl. Others assisting with the serving were Leslie Edwards and Renae Nelsen.

Guests were served at quarter tables covered with white cloths and centered with blue floral arrangements adorned with blue tapers.

Guests were registered by Dorothy Toner, sister-in-law of the bride, and Betty Haubner, sister of the bride.

Gifts were displayed by Susan Toner, Marjean Smith and Carol Janak.

After a wedding trip, the newlyweds will reside in Burley, where the bridegroom is employed at J. R. Simplot Co.

Pre-nuptial showers were hosted for the bride by Dorothy Toner and Rozanna Powers.

**Betty Canary's  
Wonderful World**

My apologies to farmers both in and out of the NFO. Several farmers said they thought I had, in a previously written column, tried to depict them as, well, less than intelligent. That was not my intention. As for my "not understanding the farmer's problems," I'm not going to pretend that I do, even though that might give him a laugh or two, which he could certainly use right now.

I am not a farm expert, only a writer, and I cannot type out in neat little lines solutions to his problems. Frankly, I doubt that a farm expert can come up with solutions.

As for what one gentleman calls my "urban attitude," I know what he means although I cannot agree that I have it. This "urban attitude" is what a woman had when she asked me once, "What is that?" as we were floating down the Mississippi River during a tour Mrs. Lyndon Johnson made of the Midwest. I looked at the name tag the woman wore and read "Voice of America." Would you believe "that" was a grain elevator?

She wasn't joking and, once I realized it, I explained to her the simple mysteries of a grain elevator. Then I stood watching the murky water and wondering how this writer could hope to interpret the feel, the wonder, the life of this country to others if she had never seen even a picture of a grain elevator.

To the farmers and their wives who wonder if I have heard such terms as "parity" and "soil bank" and "subsidize" the answer is, yes. When I ate homemade coffee cake in farmwives' kitchens, my interest was more than academic when they discussed egg production. When my newspaper beat was county news, I not only took pictures of the first tomato of the summer and had a squash that looked like a man plucked down on my desk, but I sat through many a long meeting while farmers worried aloud about their problems.

I am sorry to say that in that same county there are now only TWG full-time farmers because, in order to feed their families, the others have had to take either full-time or part-time jobs in nearby cities.

One National Farmer Organization man says I am paying 53 cents for a box of cereal and he gets only two cents of this. If it's true, then something is wrong with that. But, I don't think burning his wheat fields will give us a right solution, any more than burying animals is right.

Going down to the basics, Abraham Lincoln said, "That which is morally wrong cannot be politically or economically right."

The devotional service, "The Art of Living," was given by Mrs. Herman Grabert.

Group No. 1 met with Mrs. Christine Witzel, with Mrs. Frank Estlinger giving the lesson and Mrs. James Sharkey presenting the devotional service.

Members of Group No. 2 convened at the home of Mrs. Richard Wheeler, with Mrs. Wilma Allen presenting the lesson and Mrs. Grabert giving the devotional service.

Mrs. Ed Skinner was hostess for members of Group No. 3. The lesson and the devotional service were given by Mrs. Melvyn Estlinger and Mrs. Bob Myers.

**District No. 4  
Representatives  
Attend Assembly**

**WENDELL**—Representatives from District No. 4 of the Idaho Retired Teachers Association that attended the recent General Assembly at Coeur d'Alene were Mrs. Bernice Babcock, Twin Falls, state secretary; Mrs. Eliza Morgan, Filer, and Mrs. Lillian Barton and Mrs. Grace Urban, both of Wendell. Elfrida Reinsdorf, Twin Falls, accompanied the group.

They report the two main topics of discussion include No. 1 "shall the RTA join with the Idaho Educational Association?" and No. 2 "let us have an adjustment of the retirement payment for teachers who retired before 1965, to equal that of teachers retiring after that date."

Mrs. Barton was awarded a certificate to "The Hall of Fame." Others of District No. 4 who hold that award are Vivian Klink and Juanita Sutcliffe, both Twin Falls. The next assembly will be held in Boise.

The Sept. 20 meeting of District No. 4 is in Wendell at the American Legion Hall.

Mr. Alrman Harwood is stationed at Lockbourne Air Force Base, Columbus, Ohio. An August wedding is planned.

### Miss Chapman, Hill Disclose Wedding Plans

Mr. and Mrs. A. W. Chapman, Bakersfield, Calif., announce the engagement and forthcoming marriage of their daughter, Susanne D. Roger, Hill, son of Mr. and Mrs. Dalice Hill, Twin Falls.

Miss Chapman was graduated from East Bakersfield High School, attended Bakersfield College and Brigham Young University, majoring in sociology. In high school she belonged to Epsilon Beta Tri-Hi-Y and was active in student government.

Mr. Hill was graduated from Twin Falls High School and Merced College, Calif. He is attending Brigham Young University. He served a two year mission for the LDS Church in the West Central States Mission, and served four years in the Air Force.

An Aug. 5 wedding is planned at the Salt Lake City LDS Temple.

### Miss Morton Reveals Truth

RUPERT — Mr. and Mrs. Luther E. Morton, Rupert, announce the engagement and forthcoming marriage of their daughter, Patricia, to Bill Kersen, son of Mr. and Mrs. Jeff Kersen, Paul.

The bride-elect and her fiancé both were graduated from Minico High School with the class of 1968.

Mr. Kersen is employed at Joe's Tuneup and Repair Shop, Paul.

Tentative plans are made for an April wedding.

### Georgia Lish, Mackley Plan November Rites

RUPERT — Mr. and Mrs. George Lish announce the engagement of their daughter, Georgia, to Dave Mackley, son of Mr. and Mrs. Frank Mackley, All Rupert.

Miss Lish is a 1968 graduate of Minico High School and is currently employed at Ropers in Burley. Mr. Mackley was graduated from Minico High School in 1967 and will leave July 6 for Fr. Ord, Calif., for four months of basic training with the National Guard.

Plans are being made for a November wedding.

### NEW LAUNDRY TERM

This is a new term for your laundry. Tap temperature density, which is the amount of the cold-water faucet—usually ranging from 50 to 90 degrees—used to soak certain stains which are set by heat. The fabric is subsequently washed in warm water or hot suds as usual.

## Dear Abby

By ABIGAIL VAN BUREN

DEAR ABBY: I am in the service and have a little problem: The night before I left the States I surprised my girl with a diamond engagement ring. She acted like she was drilled to pieces, and of course I was happy, too. Her mother took me aside and asked me if I could get a refund on the ring—well, I couldn't.

Now I get a letter from my girl telling me that she and her mother "traded" in the engagement ring on another one which is bigger and much "nicer." She said her mother paid the difference and I can pay her back when I get home, but for me not to worry about it.

I am not exactly "worried" about it, but I don't think it was a very nice thing for them to do. If you were in my place, what would you do? G. I.

DEAR G. I.: Nothing for the moment. But when you get outside, size up the situation and make sure your girl and her mother don't have a WEDDING ring waiting for you that's big enough for you to jump through.

DEAR ABBY: I know you aren't a lawyer, so I don't expect you to tell me what the law would rule in a case like this. All I want is a common sense opinion.

We have a friend (a widow) who started taking dancing lessons last September at a well-known studio. Since September she spent \$18,000 on dancing lessons. (Yes, I said EIGHTEEN THOUSAND DOLLARS.)

This woman is not poor, Abby. She has had a lot of fun and met a lot of people, and she probably got more pleasure in the last six months from those dancing lessons than she got from that dress she was married to for 30 years. Yet, she is crying that she was had and she took them to court. I say, nobody twisted her arm to take those lessons; and if she wants to spend her money that way she shouldn't go crying to me. My husband says she is out of her mind and people who are batty have to be protected by law. What is your opinion?

ARGUING WITH HARRY  
DEAR ARGUING: I'm with Harry.

DEAR ABBY: I am 13 years old and my scout troop recently made a visit to a nursing home to cheer up the old folks there. We made some colorful flowers beforehand and sang some hymns to entertain them.

Abby, those elderly people are so hungry for company you wouldn't believe it. The first lady I handed a flower to, gave me a big smile, saying she didn't have any money to buy one. Then I told her it was free and her face lit up and she took such a long time trying to decide which color to take. I got the feeling that she was trying to detain me just to have somebody to talk to for a little while.

Can you tell you how much our visit was appreciated. When we drove off, we could see them looking from their windows and holding on to their paper flowers.

Please say something in your column asking people to go to visit their local nursing homes, whether they have sick relatives there or not. They are all somebody's grandmothers and grandfathers and they are human.

A TEEN-AGER WHO CARES

CONFIDENTIAL TO LIVING  
THANK YOU, ALL IN HARTFORD: "Hell is truly here, too late—duly respected in its season." (Tyron Edward.)

Everybody has a problem. What's yours? For a personal reply write to Abby, Box 6780, Los Angeles, Cal., 90008 and enclose a stamped, self-addressed envelope.

### Peggy Green, Whittekiend Say Wedding Vows

Peggy Ann Green, daughter of Mr. and Mrs. Arriel F. Green, Twin Falls, became the bride of Allan Whittekiend, son of W. B. Whittekiend, Kimberly, and R. B. Whittekiend, Twin Falls, in an evening ceremony June 6 at the LDS Stakehouse.

Traditional wedding music was played by Mrs. Norman Herzinger. The double ring ceremony was performed by Bishop Orvel B. Thampson before bouquets of yellow gladioli and white pompons.

The bride was given in marriage by her father, Dianne Cooper was maid of honor, and Rob Whittekiend, brother of the bridegroom, served as best man.

The bride wore her mother's wedding gown. It was made of silk jersey, fashioned with a long train, long sleeves and a high collar and neckline. The lace jacket was made by Mrs. Lynn Parker, and the matching lace veil was made by Mrs. Lynn Parker.

The reception was held in the cultural hall of the church. Mrs. Henrietta Jones, Her shoulder-length veil was held in place by a rhinestone crown tiara.

The reception was held in the cultural hall of the church. The bride's table held a large four-tiered wedding cake, topped with a six-inch bride's cake. It was decorated with yellow roses and ribbons and topped with a miniature bride and bridegroom. The table was covered with lace over yellow tulle.

Guest tables were covered with lace plastic cloths. Each table held a floating white rose and green fern. Artificial yellow and white roses adorned the gift tables, doorways and pillars in the hall.

Mrs. Larry Anderson, Marilyn Mildon, Carra Dodds and Mrs. Jones served the cake. Mrs. Rob Whittekiend registered guests and Mrs. Roger Parsons and Patty Green assisted at the gift tables. Penny Green, sister of the bride, and Susan Carlson were giftbearers.

After a short wedding trip the couple will reside in Twin Falls until late August. The bridegroom will resume his education at the Idaho State University. A pre-nuptial shower was given for the bride by Dianne Cooper.

Reports of committees were given. A note of thanks was read from the family of the late Mr. Roy Dean. Mrs. Olive Caldwell, Seattle, honorary member of the club, spoke briefly concerning her work. She was presented a linen handkerchief with hand-embroidered edging by Mrs. Barton.

A committee, Mrs. Phil Miral, Mrs. Fred Maltz and Mrs. Owen Bolan, was appointed to contact the Order of Eastern Star in planning something special to honor Mrs. Barton who was elected for her 20th year as treasurer of the Grand Chapter of Idaho.

### Pitch Fork Ranch Party Held

KING HILL—Mrs. Mary Sullivan Knox, King Hill, hosted the annual Pitch Fork Ranch party at her home north of King Hill for some 60 guests from Boise, Hammett, Glenns Ferry and King Hill.

Guests arrived by two chartered buses, sent to Boise by the hostess, for the cocktail supper held on the ranch house patio.

Among the guests were Gary Jewett, Fairfield, just back from Vietnam. He was a helicopter pilot and received a Bronze Star and two Distinguished Flying Crosses.

Other guests attended from San Antonio, Tex.—Denver, Colo., and Fairfield.

"The trouble with people today is—nobody wants to work!"

### News Of Servicemen

Army specialist four John Graybill, son of Mr. and Mrs. Carl Graybill, Las Vegas, recently visited his sister, Mrs. Richard King, Twin Falls. After his leave, he returned to Redstone Arsenal, Ala., Ammunition Depot School.

Pfc. Nick Clouter, son of Lewis Clouter, Twin Falls, and Mrs. Walter Shetter, Moses Lake, Wash., has been seriously wounded in Vietnam. This is the second time Pfc. Clouter has been wounded. He has been awarded the Purple Heart and the Bronze Star. Friends wishing to contact him may write to Ward 6A, Madagan Hospital, Ft. Lewis, Wash. He belongs to Regular Army Artillery. Army Pfc. David S. Robertson, 20, son of Mr. and Mrs. Calvin C. Robertson, Halley, completed a microwave radio

equipment repairman course June 12 at the Army Signal School, Ft. Monmouth, N. J. During the 26-week course, he was trained in the installation, operation and repair of microwave stations and transportable radio equipment.
