

U.S., Hanoi End Dispute; Peace Parley Will Begin

Round Table Approved By Both Sides

PARIS (UPI) — The United States and North Vietnam today settled procedural differences that have blocked the opening of a round-table conference with Vietnam for more than two months and agreed to begin the talks on Saturday.

The United States and North Vietnam will sit down with representatives of the Viet Cong and Saigon at a round table that carries no distinctive marks — a concession to the Communist demand.

The first meeting Saturday will be held at the Hotel de Ville.

The United States and its South Vietnamese ally had until the end held out for a table that followed the "inside your side" formula — with Hanoi and the Viet Cong on one side and Washington and Saigon on the other.

The North Vietnamese instead insisted the Viet Cong were a separate negotiating body. Although granting concessions on other procedural points they had called for a solid round table which would allow them to follow this formula.

The United States finally agreed to this demand.

At a news conference the top American delegation spokesman said, "The adjustment in the agreement has been reached on all procedural and the talks will begin this Saturday at 10:30 a.m. (4:30 a.m. EST)."

Jordan and the first record has been reached during meetings Wednesday and this morning between the number two U.S. negotiator, George B. Voyce, and his North Vietnamese counterpart, Col. Ha Van Lau.

American delegation officials drew on a blackboard a model of the agreed upon table. It is round with two small rectangular tables at a distance of 18 inches apart, positioned on two places opposite each other. The two small tables on either side will be used for secretarial and other equipment by the delegations.

There will be no "hampsters" used in the opening session, a concession to Communist demand for the granting of their undivided round table request. The first speaker at the opening session will be Nguyen Thanh Phong, deputy head of the South Vietnamese delegation. He will be followed by Vance.

There will be no "turnover" to the Communist side of the first speaker will be Lau, and the second Mrs. Nguyen Thi Thieu, deputy head of the Communist delegation.

Jordan announced, "The United States hopes all arrangements for Saturday will be worked out to further meetings which would continue next week. The meetings will be held at the International Conference Center, 8, rue de la Libération, Paris (N.E.)."

"ALL CLEAR" SOUNDED IN SINGVILLE, Ala. (UPI) — An all-clear was sounded today for this northeast Alabama town of 822 persons which was held in a state of emergency because of burning, derailed railroad tank cars set off a series of explosions.

A 4-YEAR-OLD BOY hands Maj. James N. (Nick) Rowe a miniature American flag as 10,000 people turned out to welcome the officers back to McAllen, Tex., and home. Rowe escaped from the Viet Cong last December after having been a prisoner for more than five years. It was the biggest welcome in the town's history. (UPI telephoto)

Collegiate District Urged CSI Measure Introduced

By O. J. SMITH
Times-News Managing Editor

BOISE (Special to the Times-News) — A bill that would establish the College of Southern Idaho-junior college district on a Magic Valley basis was thrust into the machinery of the 40th legislature Wednesday along with five other measures dealing with CSI operation.

The valley-wide district bill is an attempt to set up the college operation as a wide-based tax operation and relieve financial pressure on commissioners of Magic Valley counties not included in the junior college district.

The six bills were discussed Wednesday at a luncheon in the Capitol building by the legislators representing Jerome and Twin Falls counties, and

Dr. James Taylor, CSI president, and Robert Alexander, attorney for the CSI board of trustees.

Rep. Willard Lattimer, R-Harlem, former Jerome county commissioner, pinpointed the problem when he told those present that the Magic Valley county commissioners, at a recent meeting, recognized the need of all the counties in the area to be included in the junior college district.

Under the present set-up, counties not in the district must pay state liquor money to pay tuition for their students going to CSI. Because of the heavy enrollment, Rep. Lattimer noted, several of the counties have gone into the red to provide the tuition.

The new proposal would include the counties of this district and allow all students from the district to attend CSI for a \$50 tuition fee.

A possible hitch in the plans was brought out by Sen. Richard High, R-Twin Falls, who asserted that the administration of North Idaho Junior College is not in favor of such a plan and any legislation such as CSI proposals would have to be written so that it wouldn't affect NIJC, or it wouldn't stand a chance of passage.

Sen. High said he discovered this during a tour of the state wide finance appropriations committee just before the opening of the legislature.

There is a basic difference between NIJC and CSI in the philosophy of financing junior college education, he noted.

Where NIJC feels the junior college is a public good, CSI feels it is a private good.

Sen. High said he discovered this during a tour of the state wide finance appropriations committee just before the opening of the legislature.

Sen. High said he discovered this during a tour of the state wide finance appropriations committee just before the opening of the legislature.

Samuelson Asks Legislature To Approve Record Budget

By RICHARD CHARNOCK
BOISE (UPI) — Gov. Don Samuelson today put before the 40th legislature a record \$202.3 million general fund budget he said contains an average \$1,500 pay increase for all public school teachers and administrators.

Samuelson told a joint session in the hall of the House of Representatives his total budget of \$202.3 million in general fund and special funds represents a 19 per cent increase from the current biennium. He said the general fund budget he proposes is a 22 per cent hike from this biennium.

"A budget of this size provides for an enormous book yet practical containment with the state's financial obligations," Samuelson said.

He pointed out this spending can be accomplished within the present tax structure and warned that "I cannot approve budgets which in my opinion exceed this state's ability to finance them."

Devoting 4 1/2 pages of his 13-page budget address to education, Samuelson staunchly defended his recommendations, comparing them with state spending for education in prior bienniums.

"Both higher education and public schools need our attention and we can be fair to both," he said. "For these reasons, I am recommending a \$24.4 million increase for education."

The governor proposed a \$1.0 million increase for the University of Idaho, a \$1.4 million increase for Idaho State University, nearly \$300,000 more for Lewis-Clark Normal School.

For Boise State College, which joined the state system Jan. 1, Samuelson put forth the \$2 million approved by the board of education, saying the \$2 million increase from present spending was needed primarily to integrate the school into the system.

He proposed a \$15.5 million increase to \$22.2 million for the public schools. This is the amount recommended by the board of education. The Idaho Education Association has called for a \$19 million increase.

Samuelson also defended this proposal, saying total state spending for the schools would amount to more than \$28 million when retirement, Social Security and endowment funds are

considered. This, he said, would bring state spending very close to the 50 per cent total support for the public schools.

"I would like to emphasize here that this state appropriation will provide an average increase for each of Idaho's teachers and administrators of \$1,500 in the next biennium," Samuelson added.

All except three budgets were considered. This, he said, would increase in his proposals. Those he listed as the Western Interstate Commission for Higher Education (WICHE), the treasurer's office and the Agricultural Extension Service. WICHE has not spent for the appropriations in the past, the treasurer asked for a 10 per cent increase and the extension service has problems which kept its budget down, he said.

Samuelson also made good an earlier threat to call for an audit of the two state universities.

"Management of our institutions, as well as their funding, will be under my close scrutiny," he said. "Therefore, I recommend that this legislature that funds be made available to conduct an administrative and management evaluation of the universities to aid them in developing more efficient procedures."

"I feel such a study would aid in reducing the operating costs and enable them to get maximum use of their appropriations," he said.

See BUDGET, Pg. 2, Col. 5

Director

NOTRE DAME, Ind. — Robert A. Ekins, a 1947 graduate of the University of Notre Dame, has been elected to fill one of five seats on the board of directors of the 14-member Alumni Association Board.

Mr. Ekins is president of the Snake River Trout Club, the largest trout club in the world.

He will represent the university's region two, which includes the states of Idaho, Montana, Wyoming, North and South Dakota, Nebraska, Utah, Colorado and Kansas.

He was elected for a three-year term in balloting of Notre Dame's 3,000 alumni, which will attend next annual board meeting Jan. 23 through 25 on campus.

More Space

Because of a last-minute cancellation, two seats on a World Airways flight from Boise to Los Angeles are available on the Times-News sponsored Magic Fiesta tour to Spain and Portugal.

The seats will leave Twin Falls Feb. 8 and return Feb. 22 after having spent one week in Lisbon, Portugal, and one week in Madrid, Spain.

Norma Herzinger, Times-News society editor and hostess for the tour, stated she has reservations made for people from throughout Magic Valley, Lewiston, Portland and Nevada.

Six seats will be filled promptly. Anyone interested in obtaining further information on the tour is asked to contact Mrs. Herzinger at the Times-News or Joe Salisbury at Magic Carpet Travels.

Soviet Spacemen Link Ships, Complete 'Transfer' Of Crew

MOSCOW (UPI) — Two manned Soviet space ships linked together today and two cosmonauts from one promptly spacewalked into the other — two feats never before accomplished.

The new agency Tass halted the United Soyuz vehicles as the world's first experimental space station.

A British scientist said the Soviets could keep it aloft permanently as a jump-off point for flights to the moon.

"Within three hours after the successful hookup — two of the three cosmonauts aboard Soyuz 4 donned space suits and walked an hour outside their ship before climbing in with Vladimir Shtatlov, lone occupant of Soyuz 5.

Tass said the spacewalkers — Lt. Col. Yevgeny Khronov and Alexei Yeliseyev, a civilian — showed how spacemen could be transferred in rescues or relief operations.

"The new experiment gives the opportunity to change the crew of the ship and also rescue."

Naval Officers Query Crew Of Seized Vessel

CORONADO, Calif. (UPI) — Navy fleet officers have interrogated all but three members of the USS Pueblo crew in preparation for a fact-finding court of inquiry which convenes Monday.

Not all of the 82 surviving crewmen were expected to testify before the court, headed by Vice Adm. Harold G. Bowen Jr., commander of antimarine warfare forces, Pacific Fleet.

The lawyers were particularly interested in men who were on duty before the Pueblo was seized by North Korea last Jan. 23 to serve as witnesses in the inquiry.

Legislators Told To Fund Agency

BOISE (UPI) — Gov. Don Samuelson today urged the board of Public Accounts properly or contract for post auditing with an independent accounting firm.

Samuelson said the bureau is performing its functions in a reliable manner for the first time in many years. But he said the operation traditionally has been badly underfunded and understaffed.

Hughes Purchase Commended Airport Board Rakes Air West Service

Asserting that Air West Airlines and this, in some cases, the service to Twin Falls, deteriorated to a point "where it can almost be eliminated as a factor of our transportation system," members of the city organized city council today urged the Civil Aeronautics Board Thursday to make an early and favorable decision to permit purchase of the company by millionaires Howard Hughes.

Mr. Hughes, with headquarters in Las Vegas, Nev., has offered to buy the line and stockholders and members of the board have approved the offer. Before such a transfer is possible, however, it must be approved by the CAB in Washington.

Members of the existing program," the letter pointed out, "and the great dependence of our community on only one airline."

The letter, signed by Warren Cole, city manager, was presented in Twin Falls. It was pointed out that in the month of December just past there were 109 scheduled flights by Air West to and from Twin Falls. Through January 9 of this year, there have been 10 flight cancellations and the equivalent percentage of late flights.

"Our airport serves as a gateway to one of our nation's finest ski resorts at Sun Valley and many of our winter visitors have been disappointed in their attempts to visit this area because of the inoperative airlines," the letter stated.

"The morale of the Air West personnel is probably the lowest in the history of the company and the present management is unable to create any semblance of order in the present crisis."

The letter, signed by Warren Barry, airport board chairman, was also sent to Senators Frank Church and Len Jordan, Congressmen Orville Hansen and James McClure, as well as state and city officials throughout the state.

Derailment Spills Beets At Kimberly

KIMBERLY — Damage in the Wednesday night derailment of six loaded freight cars and a Union Pacific engine is expected to be in the thousands of dollars, railroad personnel said Thursday morning as they surveyed the scene of the mishap.

The accident happened when the seven-car train hit a derail in a siding next to the main track, where crosses Kimberly's main street.

It is believed that the switch pulling the train over onto the siding was inadvertently left open and the derail was left open.

The cars were loaded with tons of sugar beets bound from the Hays area to the Amalgamated Sugar Co., several miles west of the crash site.

It appeared that no damage was done to the engine, which plowed about three feet of dirt in front of it as it skidded for several yards off the tracks.

It is believed the cars remained on the tracks, but the rest were either partially or totally off of the rails.

Extensive damage was done to two or three of the cars, which buckled in a serpentine fashion off the tracks, knocking down utility poles in their path.

The weight of the shifting beets in some of the cars had buckled the framework, and several of the cars had wheels and hitches ripped off. Each car holds about 45 tons of beets, Union Pacific personnel said.

The derailed engine, a P-40, arrived about 9 a.m. Thursday, 12 hours after the derailment, to hold the derailed cars.

Personnel said that it probably would take most of the day to clear the scene. They said it is believed the cars can be set back on the tracks.

Damaged cars will then be taken back to Pocatello for repairs.

The derailment did not impede the progress of train traffic through Kimberly. The cars

Spending Boost Asked For Health

BOISE (UPI) — Gov. Don Samuelson today proposed increasing general fund spending for public health by \$1 million during the next two years.

Samuelson called for an appropriation of \$14.0 million from the general fund for that purpose.

"We have recommended this increase to provide for additional services, and the new child development and mental retardation program," he said.

THE SINGING RIVER!

Just two blocks from the Pocatello, Mississipi, coal house you can find the famous Singing River which sings a peculiar song that can be heard best during the twilight hours of mid-summer. Scientists say that the sounds are caused by fish, escaping gas, or possibly the motion of the sand on the silted bottom.

You'll recognize the success-filled sound of your television tonight after you've placed a fast-food Want Ad. Go on... try one soon!

Land Change Could Make You Shudder

By FRED DODDS
Times-News Staff Writer

People who've lived in Idaho for 10 years or more have noticed a change in the land and most of them shudder with regret because of the change.

The people who have lived here for more than 20 years, the changes are downright unpopular. Pioneers, who say they settled this land and say it grew, have given up.

But there is an effort today to keep some of this beautiful Idaho country in its natural state and the Twin Falls County commission, through its parks and recreation department, is contributing.

There are, on the drawing boards, two projects being planned. These projects are for the recreational use of people in Twin Falls County, and the valley and the tourists who come here each year.

The first is the Salmon Falls Creek project. It is near Balanced Rock. A total of \$30,000 will be required to turn this area into a public park in two years

time. This money is on a \$50-50 basis, with the county contributing half and the government furnishing the other half.

The county engineer, George Ottens, is working through the Idaho Parks Board on the Salmon Falls Creek project.

The other project is near Crystal Springs but on the south side of the Snake River. A purchase of 17 acres is required and as of yet the county has not bought the property.

Mr. Ottens said there is a chance some property in the Snake River Canyon area north of Filer, then "turn it into a private hideaway."

This, Mr. Ottens said, seems to be a trend in the county.

"People with money are buying up land either developing it into tourist areas or private use areas. It's getting so bad the ordinary citizen doesn't have a chance. He's losing ground to the rich."

Because of this, the county has decided to develop the Salmon Falls Creek area (including

20 acres around Balanced Rock) and the area in the canyon near Crystal Springs.

"Even if we don't develop it now, we will have the land and can set it aside for public use in the future," Mr. Ottens said.

Big business, industry, is interested in recreation. In fact, corporate executives to the extent that they will seldom come into an area that offers very little in the way of family recreation.

If an employee is not happy, he will move elsewhere. To big business, which often hires very skilled personnel, keeping the employee happy is of prime importance.

It has been estimated that 75 to 85 per cent of the people in Twin Falls live here because they like the area. They like driving to Sun Valley or the Stanley Basin. They like going to the City of Rocks or to a high mountain lake.

On a Sunday they like going to the Snake River to boat or fish, and they enjoy hunting in the fields in the fall.

"I know a lot of guys that could move out of Idaho and make more money, but they wouldn't be happy," Mr. Ottens said.

Twin Falls County offers plenty of recreation.

There is the Twin Falls Falls Park, maintained by the Idaho Power Co. and there is Shoshone Falls maintained by the City of Twin Falls.

There is also Murtaugh Lake and the secluded mountains near the Nevada border.

These are just a few. Each individual probably knows of a private spot within the county. And outside the county there are many places of interest, including Devils, Corral, Crystal Springs, the City of Rocks south of Oakley and the vastness of the Stanley Basin to the north.

Development of the Salmon Tract will also bring recreation.

tion, and the Rock Creek Watershed project is being designed with recreation in mind.

These are things of the future, but they are being planned with the idea of public recreation in mind.

"Even now, when the weather is good, I can go down to Salmon Falls Creek and see five or six cars parked there," Mr. Ottens said. "In the summer time you may have to eat your lunch on the hood of your car."

The county's parks and recreation budget for 1969 is \$20,860. This includes remodeling the old Union School building for use as a county historical museum.

In 20 years time this reporter has seen Idaho change. Ketchum 20 years ago was nothing more than a wide spot in the road. There was the Sun Valley ski area but little else. Now Ketchum is a boom town and land in the area is going for record prices.

Some of the finest homes in America can be seen in Ketchum and Sun Valley.

And 20 years ago, the drive from Ketchum to Stanley was a lonely, long drive with nothing but scenery out the window.

Now there are gas-station stops, motels, private homes and the threat of development going insane.

It is used to wander in the lowlands of the Stanley Basin, but today the sight of an elk is rare unless one gets away from the road several miles.

Salmon used to swim up Rock Creek near Twin Falls. But that's before the dams were put across the Snake River far downstream.

Catching a trout — an eatable trout — in the Snake River at the Twin Falls falls was once an easy trick. But not today.

The protection of Idaho's natural resources is a major job. One that requires the efforts of the federal government, the state government and the efforts of county and city officials.

It also requires the efforts of private conservation groups, and many are working hard today to keep Idaho green and beautiful.

Mr. Ottens said, "It's probably the best money we will ever spend."

Dissension-Mars Martin King Rites

By United Press International

He would have been 40 years old today—the man whose cry of "free at last" rallied so many black Americans to his nonviolent cause.

The nation paused today to honor the late Dr. Martin Luther King Jr.

Memorial services were planned in cities and towns across the country. But in some communities there was controversy over how best to mark the anniversary of King's birth.

The school board of Long Beach, N.Y., on Long Island, refused to declare a holiday to mark King's birthday following a stormy session Tuesday night.

James Graydon, president of the Long Beach chapter of the

Congress of Racial Equality (CORE), earlier had warned of "trouble" in Long Beach High School if the holiday were not granted.

In Pennsylvania, Gov. Raymond P. Shafer proclaimed today as "Dr. Martin Luther King Day" — "it is well that we honor the memory of this man who aroused a new pride and determination in the people of this race and who inspired the rededication of all Americans to those vital principles upon our constitution," said Shafer.

In New York City, special programs and ceremonies were ordered at all public and Roman Catholic schools in honor of King.

The school districts of Yonkers, White Plains and Central District 7 of Greenburgh, all in Westchester County, N.Y., suspended classes today for King's birthday. Special programs and services were to be held in all three districts throughout the week.

Newark, N.J., which has a predominantly Negro school population, refused to close its schools today as requested by a group of Negro parents.

Newark closed its schools to observe the birthday of Crispus Atticus, the first Negro American to be killed by a British in the Revolutionary War.

In Atlanta, King's birthday, scheduled as an announcement today on a memorial to her late husband.

Mrs. King planned to fly to New York later today for a plane flight to Italy, where she will have an audience with Pope Paul VI on Monday. She will return to the United States Jan. 27.

Services were scheduled in Atlanta at King's former church, the Ebenezer Baptist, with the principal speaker to be the Rev. Ralph D. Abernathy, King's successor as head of the Southern Christian Leadership Conference (SCLC).

Public schools and colleges were open in Washington, where King delivered his famous "I Have a Dream" speech from the steps of the Lincoln Memorial during the civil-rights march of August 28, 1963.

Officials at Federal City College, a new school started this fall that has about 80 per cent Negro students, said the school would be closed today in honor of King.

Judge Ousts Lawsuit By Reservists

HONOLULU (UPI) — A U.S. District Court judge has dismissed a suit by 283 Army reservists who claimed they were illegally called to active duty.

The soldiers, members of the 2nd Infantry Brigade at Schofield Barracks, alleged their mobilization was illegal because Congress had not declared a state of war in Vietnam and the President had not declared a national emergency was declared.

The reservists also said the government had breached the contract they had signed which said they would not be called to active duty unless war or a national emergency was declared.

Judge Martin Pence, in his seven-page written opinion, ruled the government had not breached its contract.

"The (soldiers) being members of the ready reserve, were prior to activation, members of the militia," he said.

"As indicated above, Congress has the power as an attribute of sovereignty to enact laws which in their effect may alter existing military contracts, such as we are herewith concerned," Pence said.

Pence also said the reservists entered into "an ordinary contract." He said they all "gave up some of the rights of a private citizen and became amenable to the laws applicable to the military" when they enlisted in the reserve.

Rogers Vows To Seek Peace In Viet War

WASHINGTON (UPI)

William F. Rogers, pledged to the Nixon administration will proceed "as fast as we can" to reach a negotiated peace in Vietnam.

Rogers, Richard M. Nixon's choice for secretary of state, told reporters after a closed session Monday that his appointment, "our objectives in Vietnam are limited. We want to prevent North Vietnam from taking over South Vietnam by force."

He added that "we want to work out a negotiated settlement on an honorable basis to arrive at an agreement that can be enforced."

"We will proceed with that as fast as we can," he said.

Rogers had asked for the closed session of the Senate Foreign Relations Committee on his appointment and Chairman J. William Fulbright agreed to make Rogers' first appearance before the group private.

The committee has been critical in the past of Secretary of State Dean Rusk and other State Department officials who requested closed hearings for foreign policy testimony.

Rogers was asked after his appearance to comment on President Johnson's statement Tuesday night that peace is closer today than at any time in the past four years. He replied: "I do not want to be involved in that kind of judgment. I do think there is a hope for peace; and that the world is realizing the U.S. is not a non-productive. There are indications the Soviet Union also feels that way more and more."

Rogers said he shared the view expressed by Secretary of Defense-designate Melvin R. Laird that it is important for the United States to negotiate from a position of superior military strength rather than parity with its adversaries.

James Graydon, president of the Long Beach chapter of the

The Future Light

"Lack of relevance" is one of the more polite epithets that rebellious youths are hurling at the beleaguered administrations of America's colleges and universities... One prominent educator admits that our educational system is not adapted to the needs of today...

WASHINGTON—There is now the first glimmer of a possible major policy disagreement within Richard Nixon's Cabinet... Laird has been quoted as saying his No. 1 goal as Defense Secretary will be to "get this thing (the war) over and done with."

Moreover, Laird's views are strongly influenced by his closest friends, the Republican liberal, John Gardner, former Secretary of Health, Education, and Welfare... Laird and Gardner also feel that the U. S. should not be held hostage by the South Vietnamese government.

"Do You Mind? I Can't Bear To Watch"

BRUCE BISSAT

The Truth Behind Ted's Move

WASHINGTON (NEA) — On the Monday before New Year's Day, Sen. Edward (Ted) Kennedy telephoned Sen. Russell Long to discuss his challenge to the latter as assistant Democratic Senate leader... Kennedy's move is a surprise to many of his supporters.

and here the staff pitched in. Some were scattered through vacation spots in the Caribbean and elsewhere... Kennedy's significant pickups among southerners and middle-road establishment types was the defection of three of the Southern liberals...

Taxes

It looks as if 1969 is not going to be a happy year for American taxpayers. Taxes at all levels are going one way — up... As if the new taxes were not bad enough, many taxpayers will find they owe something for 1968 federal income taxes because of the manner in which the 10 per cent surcharge was imposed.

MR. SPECTATOR

As Others See Us

It's always nice to get compliments and Twin Falls and this general area received a whole bagful from Mr. and Mrs. Howard P. Hunter who were here from their hometown of Tulsa, Okla... Mr. Spector has driver that road, and Mr. Spector has also wondered about it but because he, like others, see it often he tends to really not see it.

RAY CROMLEY

The Soviet's Economic Vice

WASHINGTON (NEA) — "The hard economic decisions the Soviet Union now faces likely will force Kremlin leaders to persist strongly in attempts to get arms control talks under way early in Mr. Nixon's presidency... The analysis of Soviet objectives is now changing. Growing concern is that the Moscow leaders are reaching the latest ruble requirements for armaments, a space, industrial expansion and consumer goods here as to Russian intent."

short of capacity in the chemical, fertilizer, petroleum, construction and electronics industries... The Soviet Union now believes to the United States, for military expenditures are believed to be roughly as great as U.S. spending, exclusive of Vietnam... Much of Soviet industry is obsolete or obsolete, some unbelieveably so, Russia is seriously short of capacity in the chemical, fertilizer, petroleum, construction and electronics industries.

GEORGE C. THOSTESON, M.D.

Frozen Meats

Dear Dr. Thosteson: We often hear that meats which have been hard frozen should not be refrozen, in what way may such meats be injurious to health? Is it safe to refreeze meat that has partially thawed but is still completely frozen?

Dear Dr. Thosteson: What causes underactive thyroid trouble? I have gained 15 pounds in three months. What can she do to get her normal weight back? Mrs. M.M. is a case of underactive thyroid. Do you know that this is a case of underactive thyroid? It is not as you just guessing? It is not usual for a thyroid condition to develop so suddenly. I can't give you any advice except to urge you to have a physician check her thyroid activity.

Dear Dr. Thosteson: I have a coproling damage? Some say it causes polio. Is this true? It causes brain damage. If so, shouldn't women be told? — H.R.F. Yes, I guess women "should be told," but it would be better if they'd stop listening to every wisecrack old scare story that comes down the pike. Has your doctor ever done a brain damage. Nor do they cause poisoning, with this exception: some skins are sensitive to certain foods. If you have any skin ailments, use a patch test to see whether a client is sensitive before applying the various solutions used these days to make women look other than the way they really are.

Dear Dr. Thosteson: I have Meniere's disease and would like to know if I can stand a plane trip across the Atlantic... With the medications you are taking, the plane trip should not bother you.

"You Can Stop Sinus Troubles" is the title of my booklet explaining the cause of sinus trouble and is encouraging sinus sufferers to do something about it. For a copy write to Dr. Thosteson, 1000 N. 1st St., Boise, Idaho, enclosing a 10¢ self-addressed, stamped envelope and 25 cents in coin to cover postage. Dr. Thosteson is happy to receive readers' questions, and whenever possible use them in his column. However, to the great volume of mail received daily, Dr. Thosteson regrets he cannot answer letters individually.

Few Changes Seen In Tax Projections

By RICHARD CHARNOCK

BOISE (UPI) — Members of the House Revenue and Taxation Committee so far have been unable to find "any significant changes" in the budget director's revenue projections for the next biennium.

That was the dinner hour report Wednesday from Chairman Allen F. Larsen, R - Blackfoot, after the committee completed a tour of the new tax commission quarters and a hearing with the state tax commissioner.

Tuesday, the committee heard reports from Auditor Joe Williams and Insurance Commissioner John Blaine.

Larsen said only Williams offered a report on revenue projections significantly from what the state administration spelled out in the governor's executive budget. That report said a projection of a general fund free fund balance of \$20 million at the end of this biennium, Budget Director James A. Defenbach projected \$15.7 million.

Clyde Koonitz, chairman of the State Tax Commission, told the committee he has found no changes in revenue projections from those the commission gave earlier to Defenbach's office.

"The amounts of general fund revenue in the executive budget are exactly the same figures on this work sheet of mine," Koonitz said.

France Urges U. N. Parley Over Mideast

By United Press-International

France called again today for big four meetings at the United Nations to find and guarantee a peaceful solution to the Middle East crisis.

But diplomats in London said no new developments in the proposals sponsored originally by the Soviet Union were expected until Richard M. Nixon takes office.

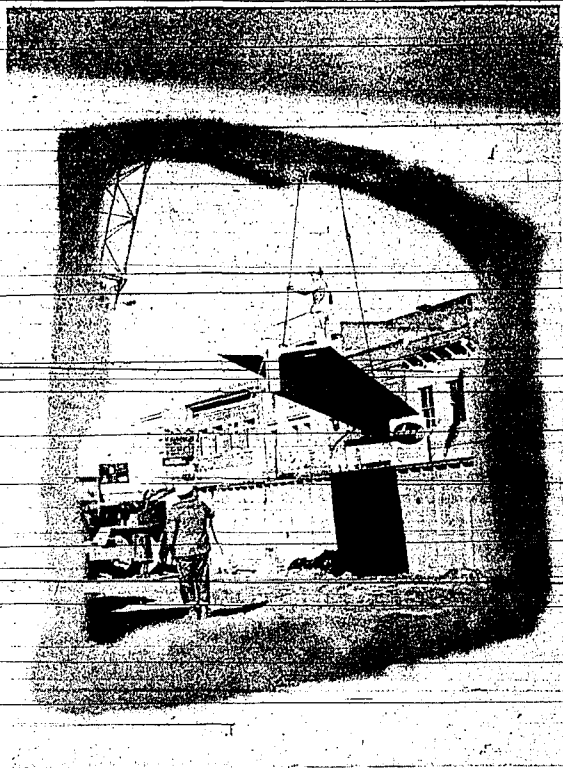

The new French call for meetings among the United States, Britain, France and Russia backed a recent Soviet note to President Charles de Gaulle.

Both the United States and Britain were reported seeking clarification from Moscow of the Kremlin's peace plan since diplomatic consultations have raised a number of vital questions.

Israel has already rejected the Russian plan and repeated its call for direct Israeli-Arab negotiations. Reports from Baghdad today said Iraqi Foreign Minister Abdel Karim Al-Shaikhal also rejected the Soviet plan by rejecting the U.N. Security Council resolutions on which it is based. Syria has rejected it and Egypt has not yet said anything.

Both the United States and Britain are firmly opposed to any big power Middle East peace plan that would impose a settlement. France meanwhile weakened its hand by imposing an embargo on arms shipments to Israel, an act considered essentially pro-Arab.

The delays in studying the Soviet plan were expected to delay U.N. mediator Gunnar Jarling's next peace moves. He had planned a new round of peace feelers later this month but this will be delayed indefinitely.

FIRST OF MANY "T" beams to be used in construction of the new Bank of Idaho building in downtown Twin Falls is swung into position shortly after arrival. This unusual photo, taken through one of the observation holes in the fence that permits sidewalk superintendents to view the progress, was taken by T-N Photographer Dan Johnson.

Governor Is Concerned Over Meat Inspection Programs

BOISE (Special to the Times-News)

Concern over problems Idahoans face in complying with the federal Wholesome Meat Act's inspection program has been evidenced by the office of Gov. Don Samuelson in connection with competition from imported meats, it was noted Wednesday.

Secretary of Agriculture, incoming Secretary of Agriculture, Gov. Samuelson declared that an unfair gap exists between state inspection standards of domestic meats and laxness of inspection of imported meats.

The governor pointed out that on Dec. 8, 1968, there were more than 3,000 meat packing plants in the United States under federal inspection of some form which could ship interstate. He said a conservative estimate of the inspection staff involved would be at least 6,000 persons.

"At the same time," said the governor, "there were 1,253 meat packing establishments in foreign countries eligible to ship meat into the United States and in interstate commerce. These foreign plants were under review of a team of only eight men. Three men, one in Washington and two in Baltimore, were reviewing foreign shipments into this country. The United States maintains no inspection service in any of these foreign plants. Gov. Samuelson asserted, however, he said last month the panel and poultry advisory committee

Hijacker's Wife Seeks Return Of Daughter

PHILADELPHIA (UPI) — Mrs. Joanna Washington

asked today for an answer to her second plea to Fidel Castro for the return of her 3-year-old daughter, Jennifer, from Cuba.

Mrs. Washington's estranged husband, Thomas, picked up their only child last Dec. 19 at her home but instead of returning her, he snatched a commercial plane and forced the pilot to carry him and his daughter to Cuba.

The following day Mrs. Washington sent her first plea to Castro, but she never received an answer. She made her second appeal in a letter sent air mail, special delivery to Castro Wednesday.

"It's nearly a month, the longest month of my life," she said. "I worry around the clock about my little girl." She said she prays Mr. Castro will bear my plea and send my Jennifer home to me right away.

Some Drive!

LIVERMORE, Calif. (UPI) — A lost ball and a nerve-racking experience shook up Russell Marley's golf game Wednesday.

While approaching the first green at Las Positas Golf Course, he drove the ball 75 feet in the air where it crashed through the cockpit of a light plane making a landing at nearby Livermore Municipal Airport.

The pilot, Navy officer Bryan Pownall, was hit on the head but landed safely. Marley, who usually shoots in the low 80s, finished with a 91.

CANCELED RICHFIELD — January meeting of the Richfield PFA was canceled following a meeting of the executive board. Founders Day will be observed at the Feb. 20 meeting.

Center Of Hope To Honor King

ATLANTA (UPI) — Mrs. Martin Luther King Jr. led the nation in paying tribute to her slain husband on his 40th birthday Wednesday and announced that a \$15-million center of "hope" will be erected in his honor in Atlanta.

"It will, like Martin Luther King, emerge proudly out of the heart of the black experience in America, but it will address the experiences of all people, especially those who are burdened and oppressed, those who desperately search for justice, liberation and peace."

King told a news conference, held in connection with a day-long tribute to King in Atlanta. The interim leader was killed by a sniper's bullet April 4, 1968, while standing on a motel balcony in Memphis, Tenn., where he had gone to lend his support to the city's striking garbage workers.

Utah Solons Mull Measure To Allow Abortions In State

SALT LAKE CITY (UPI)—A bill designed to liberalize state abortion laws was introduced today in the Utah Senate.

The bill would allow a woman to have an abortion during a mid-week lull in legislative action.

Sen. G. Stanford Rees, R-Quinn, dropped the bombshell when he submitted legislation that would permit therapeutic abortions when a pregnancy is caused by rape or incest.

The bill would also legalize abortions when the mother's physical or mental health is threatened or when a physician certifies the baby would suffer a serious or crippling deformity.

John Davies Reinstated In 'Security'

WASHINGTON (UPI)—John Paton Davies Jr., fired by the State Department in 1954 after the late Sen. Joseph McCarthy accused him of contributing to the loss of the Formosa Islands in China, has been issued a new security clearance, it was disclosed Wednesday.

The renewed clearance came after a 10-month investigation and on the recommendation of Undersecretary of State Nicholas Katzenbach. It will permit Davies to work on a disarmament research project at the Massachusetts Institute of Technology as a \$75-a-day consultant.

Davies was dismissed by Secretary of State John Foster Dulles 14 years ago "for the lack of judgment, discretion and reliability."

The dismissal came after McCarthy charged that Davies was among the "China Lobby" Department employees who undermined U.S. policy toward China and contributed to a Communist victory there.

After a series of public security hearings, none of which turned up any evidence he had ever been disloyal.

Robert J. McLoeskey, State Department press officer, said the new clearance was granted on the basis of a review of the "whole record, including not only the (1954) action, but also an investigation of Mr. Davies' covering the period since 1954."

Legislative action in both houses was curtailed about noon when the lawmakers took a trip to the Antelope Island to attend ceremonies commemorating the opening of Great Salt Lake State Park.

The Senate was in session long enough to have 10 bills including Rees' bombshell introduced. The House was bogged down in the morning session by a debate on what could be an important rules change proposal.

Speaker of the House Lorin N. Pace, recalled the House after the Antelope Island trip to introduce a bill on the lower chamber.

Senate bills introduced included:

- One governing enforcement of traffic and parking regulations at state institutions of higher education.
- A bill making it possible for colleges and universities to secure police assistance during campus disorders.
- Use of transplant operations in one that would enable a person to "make a gift" of any part of his body after death for use in transplant operations.
- One that would enable striking workers to receive temporary and general public assistance if the strike is caused by refusal of a state or federal law.
- And a bill that would legalize transportation of body parts in interstate commerce for use in transplant operations.
- Most of the remaining Senate bills and the House bills introduced were minor ones.
- The House considered a major rules change that would give standing committees the power to kill a bill before it reaches the floor for third reading.
- Rees' abortion bill is destined to become one of the more controversial issues in the 38th legislative session.
- A companion bill, also introduced by Rees, would legalize voluntary sterilization operations to preserve life or prevent physical health of a patient or spouse of the patient.
- Provisions of the abortion bill include performance of the operation in an accredited hospital at the written request of the pregnant female.
- The abortion must be certified by a three-man board composed of physicians who are members of the staff of the hospital.

Highway Department Lists Some Roads As Hazardous

BOISE (UPI)—The State Highway Department reported Wednesday that some of the state were still in hazardous condition.

The road by road report:

- U.S. 95—Bonners Ferry, Plummer, Grignon, Teton, Arco, Pocatello, Mica Hill, Sandpoint, Culeac, Hill, Whitebird Hill, Snowdon Hill, and snowing, Coeur d'Alene to Spirit Lake, Marsden, snowing, Oregon line, broken snow floor.
- U.S. 96A—snow, floor and snowing.
- Interstate 90 and U.S. 10—snow floor but chains required on look-out Pass.
- U.S. 21—Oronino to Koozila, snowing, Lolo Pass, chains advised.
- S.I. 55—Horseshoe Bend Hill, Banks Canyon to Cascano, Cascade to New Meadows, snow floor and snowing.
- U.S. 93—Haley, Icy spots, Galena to Stanley and Lost Trail Pass, snow floor and snowing.
- S.I. 68—Fairfield area, fog.
- U.S. 42A—Mackay to Craters of the Moon, icy spots, Challis to White Creek Summit, snow floor and snowing.
- S.I. 21—Idaho City to Lowman, broken snow floor and snowing.
- U.S. 20-26—Aren to AEC, icy spots, Swan Valley, snow floor.
- S.I. 31—Swan Valley to Victor, broken snow floor.

Purse Carries 'Tasty' Contents

DETROIT (UPI)—When the youth dashed past Mrs. Edna Jones, 66, and grabbed her purse Wednesday she just kept walking, hounded her bus and went to work.

It was the sixth time in the past two years Mrs. Jones' purse has been snatched.

This time she carried her money elsewhere and the purse held her lunch—a piece of chicken, cookies and a cupcake.

VOTE PLAN FAVORED

WASHINGTON (UPI)—Thirty-five senators announced support Wednesday for a constitutional amendment to provide for direct popular election of the president and vice president.

TWO FIREMEN FLEE from the back door of the Springfield, Ala., railroad depot on Wednesday as the fight to save the wooden structure from flames is abandoned. The depot and an adjacent liquid gas storage plant were destroyed in the fiery explosion of three storage tanks, following the derailment of 30 cars of an Alabama Great Southern freight train. Much of the area around the station was evacuated. (UPI telephoto)

Fire Loss

SCRANTON, Pa. (UPI)—A general alarm fire Wednesday gutted a large portion of a one and two-story cinderblock building in nearby Old Forge housing the Atlas Container Co. and four other firms.

More than 100 firemen battled the blaze which wrecked Atlas and caused heavy smoke and water damage to storage facilities of Popular Science Magazine Co., Simmons Mattress Co., Polaron Products Co. and Jacqueline Cochran Co. Building owner Myer Frink, Scranton, estimated replacement value for the complex at about \$2 million.

Explosions Jolt Wide Area

Derailment Triggers Inferno

SPRINGVILLE, Ala. (UPI)—A holocaust of derailed freight cars and butane gas storage tanks exploded today, blasting 2,000-foot high mushrooms of smoke and flame that lit the northeast Alabama sky and shook houses 30 miles away.

There were no reported injuries from the latest in a series of explosions in this crossroads town, much of which has been evacuated by the 322 residents.

At least four persons were injured Wednesday afternoon in three explosions touched off by the derailment of 30 freight cars, including tankers carrying compressed gas, into storage tanks of liquefied gas near the depot of the Alabama Great Southern Railroad.

L. F. E. Kiziah of the Alabama Highway Patrol made a close inspection of the fire at first daylight today.

"One car of gas is still on fire and the situation will continue to be dangerous until it explodes or all of the gas burns out," he said.

House Committee Ponders Changes In Vehicle Law

BOISE (UPI)—Members of the House Transportation and Defense Committee are considering several proposals to spell out more clearly the requirements of Idaho's controversial motor-vehicle-inspection law.

Rep. William Roberts, R-Buhl, said he believes the committee will move to amend the present law, but indicated a majority of his fellow committee members probably would not vote to repeal the statute.

However, some of the proposals discussed in the committee include a repeal of the act—a controversial statute that has produced numerous complaints to the legislators.

Legislation to amend the law may be introduced in the House next week.

Correction

It was erroneously reported that Alice Keeter, 21, Twin Falls, was charged in connection with a two-vehicle collision that occurred at Third Avenue East and Ash Street on Tuesday, Patsy Jo Anne Atkinson, 20, Twin Falls, the driver of the other vehicle, was charged by Twin Falls Police with failure to yield right of way. Alice Keeter was not cited in connection with the accident, police said.

Valley Traffic Courts

Ronald P. Sewald, 26, Pocatello, and Clarence L. Graham, Pocatello, were each fined \$20 by Bliss Justice of the Peace, Mrs. Ruth Parsons, for speeding.

Others fined by Mrs. Parsons for speeding were James K. Schaffer, 28, Paul, \$14; Raymond Neal O'Dell, 41, Twin Falls, \$18; Paul Mumford, 30, Pocatello, \$15; William F. Sparrow, 20, Jerome, \$19; and Claude L. Graham, 36, Moscow, \$17.

James E. Veenstra, 18, Wendell, was fined \$9 by Mrs. Parsons for failure to have a tail light on his vehicle.

Kolman To Open Office In Hazelton

HAZELTON—At a recent meeting of the Hazelton City Council S. A. Kolman, Jerome attorney, announced that he would establish an office in Hazelton.

The office will be located in the city hall with business hours on Mondays of each week. The remainder of the week will be devoted to his Jerome practice.

Composite telephone listings for city offices were announced.

The need for better garbage disposal service was discussed. Councilman Dick Bloxham states that no definite decision has been reached, but that several possibilities for improving this service are under consideration.

Thieves Snatch 'Good Footing'

MEXICO CITY (UPI)—Somewhere in a Mexico City some thieves are in good footing.

The purifiers show they reported the theft of \$1,000 worth of shoes.

Road Aide Asks Law On Tax

BOISE (UPI)—The Idaho Legislature Wednesday was urged to retain the current highway use revenues and enact legislation to prevent loss of all of them as of Dec. 31.

State Highway Engineer Ellis Mathes told a joint meeting of the legislature's finance and transportation committees the State Highway Board is not seeking any increased revenues to balance its 1969-71 biennium.

But he said the state highway program would be "trending" completely unprofitable if a 1967 law which increased the gasoline tax one cent a gallon—seven cents were not amended.

The law had a cutoff date of Dec. 31, 1969. And, since the gas tax increase and other tax adjustments were made in the basic law covering all highway user revenues, all of them would expire on that date.

The \$122.7 million budget compares with \$110 million for the current biennium—an increase of about 11 percent.

Mathes also said the federal aid funds accruing to Idaho in the 1969-71 biennium are estimated at \$75 million, of which about 75 percent will be used to finance interstate construction.

He also said all of the estimated state funds are needed to match estimated available federal funds for highway construction—figured to cost slightly more than \$100 million in the two-year period.

'SCIENTIST' BARRED

SAN REMO, Italy (UPI)—Richard Jarecki, 39, a psychiatrist from Heidelberg, Germany, was barred Wednesday from the casino at this Italian Riviera city. The casino management said his gambling system was too successful.

Jarecki was barred Wednesday from the casino at this Italian Riviera city, which operates the city council, which operates the casino, said he had won \$112,000 over the past few days.

PAST JAY-C-ETTE PRESIDENTS were honored at the Rose Banquet held by the Twin Falls Jay-C-Ettes Tuesday evening in the Idaho Room at Grigg's Motel. The past presidents are from left, in the back row, Mrs. Charles Steber, who presided in 1944; Mrs. Duane Serpa, 1962 president; Mrs. Rich-

ard Lennan, the 1961 president, and Mrs. Richard Messersmith, the 1956 president. In the front row from left, are Mrs. Artell Kelly, the 1968 president, and Mrs. Delbert McCuller, 1967 Twin Falls Jay-C-Ette president. Jay-C-Ettes from clubs in Rupert, Burley, and Jerome were present at the banquet.

Part Nine Of Series

Pensions Have Tax Rules

Editor's Note: It is time to think about the income tax again. This is Chapter Nine of a series reviewing the regulations, with emphasis on taking advantage of all exclusions and deductions legally due you.

By RAY DE CRANE, NEA Publications

Pension and annuity income may be fully taxable, partially taxable or tax-free, depending upon the source of the income.

There are three general types of pension and annuity contracts. They fall in these categories:

- 1. You contributed nothing and made contributions to the pension program. Your benefits are fully taxable.
2. You and your employer made contributions to the program and you will recover your entire contribution within the first three years of going on pension. Nothing is taxable until you have recovered tax-free your total contributions. Thereafter, all benefits received are taxable.
3. An annuity contract which you have purchased either with a lump sum payment or with periodic payments which guarantees you a fixed monthly benefit either for a fixed number of years or for life. A portion of the payment represents a partial return of your own capital and the remainder represents earnings on your investment.

This illustration will illustrate application of the rule: Assume a man has paid a total of \$15,000 into an annuity contract during his working years. Now 65, he is to start collecting the \$100 monthly pension for life. He knows his cost, \$15,000.

Actuarial tables, available either through the insurance company or Internal Revenue Service—based on the expectancy of a man, 65, to be 15 years. Therefore, his expected return is \$15 X \$1,200 yearly for a total of \$18,000. To arrive at his expected portion he divides his cost by his expected return and receives a factor of .833 percent. This means that 83 1/3 percent of the \$1,200 received yearly, or \$1,000, is excludable; only the remaining \$200 is taxable. Once the percentage is established it remains constant every year.

Viet Casualties Soar During Week

SAIGON (UPI)—Vietnam fighting killed 151 Americans last week as the casualty rate rose sharply following a year-end "holiday" truce period, U.S. military spokesmen said today. Another 1,398 Americans were wounded during the seven-day period ending last Saturday. During the previous week, American losses included 101 killed and 599 wounded. It was one of the lowest figures in two years.

American casualties in the war total 30,727 killed and 194,224 wounded. South Vietnamese losses last week were 183 killed and 827 wounded, compared to 150 killed and 620 wounded the previous week, government spokesmen said. About 75,000 South Vietnamese soldiers have been killed since Jan. 4, 1961. Communist casualties during the week ending Jan. 11 were estimated at 2,102 killed. The previous week's toll was 2,058.

Czech Trade Unions Continue Defiance

By PHIL NEWSOM, UPI Foreign News Analyst

Czech trade unions, by their continued defiance of the Soviet invaders, are illustrating—the depths to which the reforms and liberalization promised to them a year ago have penetrated. Czech workers would have borne the heaviest burden had First Party Secretary Alexander Dubcek and his deputy premier, Economist Ota Sik, been able to revamp Czechoslovak industry and make its goods competitive with the west.

Yet, with the Czechoslovak economy once more tied firmly to the Eastern bloc—and Czechoslovakia again under Moscow's thumb—900,000 railway workers dared to threaten a strike in support of Josef Smrkovsky, liberal chairman of the Czech parliament, and were dissuaded only by Smrkovsky's wife.

Czechoslovak printers further defied the hard-liners by refusing to set in type a

magazine carrying antireform articles. First the Germans and then the Russians imposed heavy industry upon the Czechs—the most skilled craftsmen in Eastern Europe. But Czechoslovakia had no economic base. They were 100 per cent dependent upon the Russians for crude oil and for an annual import of 100 million tons of wheat.

Their goods were not competitive with the West and the Soviet-imposed barter system gave them no chance to import new machinery from the West to replace equipment already becoming obsolete at the turn of the century.

This, Sik proposed to change. The totalitarian system gave no incentive to management. On the theory that "all men's stomachs are the same," a coal miner doing heavy labor received a higher wage than a skilled physician.

Sik proposed to give local management a greater voice in production with authority to fire unsatisfactory workers. Workers' councils would give labor a voice in management already.

Ousted Students May Take Exams

WEST CHESTER, Pa. (UPI)—Eighteen suspended students of Cheyney State College will be permitted to take their midterm examinations, but not on the college campus, under a Federal Court ruling.

Nine members of the black student league were suspended in an outbreak of vandalism at the predominantly Negro school following the first suspensions. U.S. District Judge Alfred L. Bruno Wednesday denied a plea by the 18 that they be permitted to take the examinations on the campus after an attorney for the state Department of Education explained arrangements had been made for them to take the tests at a motel.

The state attorney said the examinations will be offered the suspended students at the Holiday Inn at Lima, two miles from the campus, next Tuesday and Thursday. Six of the 18 students are seniors. Judge Bruno also turned down a request by the students for an injunction to force the college to admit them to classes for the examinations. He said their second appeal for their reinstatement as students will be heard next week.

GAME AIDE DIES SAULT LAKE CITY (UPI)—Owen Woodruff Hioris, former Idaho Fish and Game Department and U.S. Fish and Wildlife Service Agent in Utah, died Tuesday in a Salt Lake City hospital. He was 44.

House Fire Takes Lives Of 2 Girls

LANGHORNE, Pa. (UPI)—Two young sisters were buried to death and six other members of their families were sickened by smoke inhalation when fire gutted their two-story frame home Wednesday night.

The bodies of Susan Camarato, 8, and her sister, Alexis, 6, burned beyond recognition, were found in the debris after firemen from the four volunteer companies brought the fire under control after a one hour battle.

Their father, Paul, 38; grandmother, Mrs. Ann Camarano, 63; sister, Christine, 18; and Linda, 17, and brothers, Leon, 12, and Paul—11, managed to escape from the house but required treatment for smoke inhalation at Lower Bucks County hospital.

Fire Chief William Ott of the Parkland Fire Co. said the house was fully involved in flames when his company reached the scene and he called for help from Newtown, Penn. and Langhorne fire companies.

Two firemen were told the two young girls were inside the burning building but the flames and intense heat prevented them from reaching the girls. Several firemen had their hair singed in attempts to get close to the house.

BRIGHTEN RAINY DAYS —On dreary, rainy days, brighten up the scene with a colorful umbrella. Keep spirits unslugged with vivid-colored or translucent umbrellas.

SWENSEN'S MAGIC MKTS. FAVOR

SEX EDUCATION!

We feel that if it wasn't for sex education, some of our finest products would be in short supply. For example, we believe that sex education is largely responsible for our bounteous supply of top quality fish, meats, fresh eggs, cheese, and milk. (There's an obscure relationship between sex and homogenized milk that we won't attempt to explain at this time.)

According to our information, chickens learn about sex from filmstrips, cows learn from illustrated manuals (Dirty Books) and fish learn in school. Actually, what we're trying to say here is: Whether you're in favor of sex education or not, you can always save money at Swensen's Magic Markets. P.S. If you don't agree with our stand on sex education don't call us on the telephone, just write a letter to the public forum, and then buy your groceries at Swensen's.

Today's Market And Financial Report

Stocks

MID-AFTERNOON SUMMARY
NEW YORK (UPI)—Stocks fell Thursday following announcement that the expanded Vietnam talks in Paris will begin Saturday and a market on the Dow Jones average of 30 blue-chip industrial gained 6.72 to 837.47.

Volume after almost three hours aggregated 9,150,000 shares at the same time during the previous session.

Also of some influence in the market was the rapid climb in personal income in December, marking the second successive monthly rise, and prospects of a North Vietnamese offer of a President Johnson's State of the Union Message.

Successful Investing

By ROGER E. SPEAR

Q—Will you tell us, please, whether this would be the right time to start to invest? My husband and I are thinking about retiring. I'm 59 and do not work.

A—While I cannot deny that timing is vital to successful investing, I am bound to say also that once you decide to invest and have surplus capital for the purpose, you should take prompt action. Here are a few suggestions to help you get under way:

Since you read the Financial

Red Commandos Hit Laos Base

VIENTIANE, Laos (UPI)—Communist commandos broke into a triple ring of barbed-wire early today and destroyed more than two-thirds of the main Laotian army ammunition depot in a North Vietnamese attack.

Q—Your good advice is needed by a widow with no family who wants to travel but is afraid to dip into savings to do so. I own a \$25,000 house—no mortgage—\$20,000 in savings, in a Boston \$60,000 investment plan offered by some brokerage firm with New York Stock Exchange membership.

Experience comes from accident but study should precede all decisions.

Hickel Vows To Conserve Resources

WASHINGTON (UPI)—Walter J. Hickel told senators today that as interior secretary in the Nixon administration he would "assume major responsibilities" for the "wise use, management, development and conservation of our entire nation's natural resources."

The Alaska governor also told the Senate Interior Committee at a hearing on his appointment by Richard M. Nixon that he would dispose of any interests that senators felt might conflict with his post as head of the Interior Department.

Hickel is one of the president's more controversial appointments. As a result of a recent statement saying he saw little sense in "a policy of conservation just for conservation purposes."

He also has had oil interests in the past and there have been allegations that his former close ties with the oil industry might conflict with his duties.

"I'm not in the oil business," Hickel answered firmly when Sen. Henry Jackson, D-Wash., chairman of the committee, questioned him about the allegation.

Hickel conceded, however, that at one time he was in a company that had a gas distribution franchise for Anchorage. The company later merged with a pipeline company. But he said he had disposed of all interest in the company. He added "I will dispose of anything, else you think I should."

In a statement read to the committee before Jackson began his questioning, Hickel said he would "distinguish between the vastly different" responsibilities of the governor of Alaska and the secretary of interior.

"As secretary of interior, I will assume major responsibilities for the wise use, management, development and conservation of our entire nation's natural resources," Hickel said.

But he did not entirely back off from his previous statement about conservation. He said there should be emphasis on studies of population patterns and recreation needs in preparing for the future.

MARCH OF DIMES collection canisters are being distributed by the Twin Falls City Fire Department to cooperating stores and businesses in the area for display and sale. Cash registers, reported Edd Bossard, Twin Falls County March of Dimes campaign chairman. Firemen are seen placing a collection box at Alexander's Men's Store in Twin Falls. From left are Fireman Tracy Hansen, Edd Bossard, and Fire Department Lt. Jim Miller. The March of Dimes

is now primarily engaged in fighting birth defects since polio has been almost 100 per cent eliminated, stated Mr. Bossard. "On behalf of the March, I would like to publicly thank the Fire Department. Each year they distribute collection canisters and hang the March of Dimes banner across Main Avenue," Mr. Bossard stated. "Also, I would like to ask everyone to give whatever they can to this year's March of Dimes campaign," he said.

January District Court Jury Lists Announced Here

The jury list for the January terms of both District Court judges in Twin Falls were announced Wednesday by court officials.

Jurors named to serve the term in Judge James Cunningham's court include: Neil R. Alton, Mrs. Melvin Anderson, Mrs. Louise Arrington, Harry M. Beam, Lois Beck, Walter Beer, Boyd Brown, Mrs. Frank Carpenter, Hazel Carver, Richard Crandall, Mrs. Dean Fenstermaker, Leonard A. Fischer, Leroy Freeman, Mrs. Ellis Fuller, all of Twin Falls.

Also, James A. Gassner, Kenneth E. Gibson, Mrs. Don Gilpin, Kenneth E. Kail, Ed Lancaster, Jack Lawrence, Russell E. Lowe, Mack Maupin, E. W. McRoberts, Naomi Norris, Tony Russell, Eldon R. Smith, Mrs. Fred Thome, R. S. Toffemire and Violet Trail, all of Twin Falls.

Also, Mrs. Art Bully, Ferris T. Freestone, Lewis Jennings and Jud Pettigrove, all of Hansen; Mrs. Miles Votrubeck, Frank Pearson and Oliver Marsden, all of Buhl; Ada Albin, Homer Bean, Jay H. Cobb, Art J. DeVisser, Stanley Dexter and Ken-

neth T. Henderson, all of Filer; Timothy Bacon, Murtaugh, and David L. Caster and Mrs. Delbert Clamplitt, both of Kimberly.

For Judge Theron Ward, the jurors for the term are: Richard A. Barton, Vern Bates, Eva L. Berry, Ruby Black, Devote Brown, Robert C. Brown, Harlan L. Canfield, Mrs. Robert E. Davis, Earl F. Faulkner, David V. Fix, Mrs. E. M. Guest, Charles E. Harris, Marjorie A. Hawes and Belle Henderson, all of Twin Falls.

Also, Ray Jacobs, Naomi Johnson, Paul V. Jones, Sterling C. Larson, Lee R. McCrackin, Harold Mulder, Mrs. William H. Munger, A. D. Nye, Keith Rhodes, Richard M. Shotwell, Troy Sisco, Kirby Truett and Mrs. Richard Tucker, Ralph S.

Ward, Robert L. Wills, Margaret Wood and Mary Yost, all of Twin Falls.

Also, Richard Allen, LeRoy B. Arrington, Mrs. William J. Claborn, Dick Dean, Frank M. Drake and Mrs. Ed Gish, all of Kimberly; Donald D. Dean and Von Nebeker, both of Hansen; Gilbert Deklotz, Filer, and Donald Dietz and Joe Kudlic, both of Buhl.

STRIKE ENDS

PHILADELPHIA (UPI) — A strike by 5,000 operating and maintenance employees of the Southeastern Pennsylvania Transportation Authority was settled Wednesday only 3 1/2 hours after it began.

What's Cooking? Would You Believe Almost Anything

A personal loan company with offices in California, Oregon and Nevada asked its customers, almost casually, "What's cooking?" It took the officers two months to sort out the mail. "Do you have a prize-winning recipe?" asked the good-will ad placed in the tri-state area. The contest was designed to bring people into the branch offices to pick up entry forms. Lauretite Finance Corporation got far more than it bargained for. In fact, it got 4,685 recipes. They came from all 50 states, Samoa, Guam and South Africa.

Plea Given For Volunteers

HANSEN - Members of the Hansen Circle of the Woman's Society of Christian Service met at the home of Mrs. Thomas Strimling. Mrs. Bryan Harris made a special plea for volunteer help with the Special Education Classes at the Hansen School, a class combined in an effort to help Hansen and Murtagh children. Mrs. McParland expressed a thank-you for a flower sent by the group to her during a recent bereavement. Mrs. W. I. McFarland, assisted by Mrs. Bryan Harris, presented a program on "Working with Christians in South American Countries."

Dear Abby

DEAR ABBY: A year ago I started seeing a lady psychiatrist about my problems (I am a man). I have always had a "thing" about doctors, and I am going to talk about my innermost thoughts. I would like to know more relaxed feeling.

DEAR ABBY: I met this guy about a month ago and we hit it off right from the start. He's good looking, very successful in business, the most successful company. I flipped for him. So what's my problem? He smells like my ex-husband, and this turns me off. I haven't told him, but I have told to some other kind of cologne or after-shave, but so help me, Abby, when he gets close to me, the smell of him brings back so many memories, both happy and painful, that I am turned off.

DEAR ABBY: I have just two words to say to these awfully kind operators. The suggestion about the "with you" thing, husbands at work to talk about nothing: "SHUT UP!" It is none of their business. Besides, what

MR. AND MRS. MIKE HALL (Thayer photo)

Sally Harris, Mike Hall, Wed In Gooding Ceremony

GOODING - Sally Harris and Mike Hall were united in marriage by Rev. Harold Hake in a Christmas Eve ceremony at the First Christian Church, Gooding. The bride is the daughter of Mr. and Mrs. Walter Harris, Gooding, and the groom is the son of Mr. and Mrs. Joe Hall, Boise, former Gooding residents. The church was decorated in Christmas motif. Evergreen boughs and red Christmas ornaments accented the four wrought-iron candleabra holding red tapers. Red and silver candle arrangements illuminated the entry and the aisle. The double ring ceremony was performed by Rev. Harold Hake before members of the two immediate families. The bride wore a floor-length gown of candlelight linen. The elbow-length sleeves and hemline were accented with heavy Venice lace. Her three-tiered veil of bridal illusion was held in place by a cluster of white roses. Her only jewelry was a gold bracelet, a gift from the groom. Her bridal bouquet was of red carnations and red ribbon streamers carried on a small silver compote, an engagement gift from her parents. Maid of honor was Alice Lowman, Gooding. Bob Hall is best man for his brother, Mike. Officiating at the wedding was Rosanne Miller, who played preliminary music and the traditional marches. Tom Harris, brother of the bride, was usher, and Donna Hall, sister of the bridegroom, was in charge of the guest book. After the ceremony, a reception was held at the home of the bride. The bride's table was centered with a three-tiered wedding cake, baked and decorated by Mrs. Velma Bissett. Christmas motifs and ornaments encircled the base of the cake and punch bowl. Lighted red tapers in silver candleholders completed the table appointments. The cake was cut and served by Mrs. Wayne Cheney, sister of the bridegroom, and Janet Barbour. Others assisting were Jackie Bodenhofer, Krista Greenwald, Carol Robertson, Mrs. Robert Shaver and Mrs. Omar Melton, all Gooding, and Karlee Wylie, Twin Falls. Gifts were received by Kathy Hall, sister of the bridegroom, and Ron Harris. Mr. Hall attended Boise Junior College before entering the service. He will return to Boise on Jan. 16, where he is stationed with the 521st M P Detachment. His wife will join him after her graduation in June from the University of Idaho. Special out-of-town guests attending the wedding were Mr. and Mrs. Joe Hall and family, all Boise; Mr. and Mrs. Wayne Cheney, Caldwell; Janet Bar-

The New Year Is Reviewed At Booklore Meet

Mrs. Ila Olsen reviewed "The New Year" by Pearl Buck during the recent meeting of the Booklore Literary Art Guild. The book is a delightful story of a Korean orphan. Mrs. Rulon Carpenter gave the guided thought and Mrs. Lutz guided. Mrs. Ver Cox was hostess, assisted by Mrs. Garth Galloway and Mrs. Donald Grandjean. The Christmas party for the group was held at the Colonial House, with dinner served to members and guests. Mrs. Stanley Vandenberg retold two Christmas stories, "A Miserable Merry Christmas" by Linsell Steffens and "Christmas on the Prairie" by Bess Stretter Aldrich. Mrs. Vain McArthur gave the guided thought and Mrs. Jay Fuhrman sang Christmas carols in Spanish. Mrs. Ted Crockett, Mrs. Vandenberg, Mrs. Rnss Cook and Mrs. Lee McCracken were in charge of the decorations, favors and corsages.

SUNSAN METZ

Susan Metz, Joyley Reveal Wedding Plans

Mr. and Mrs. Meart Metz, Twin Falls, announce the engagement of their daughter, Susan, to Clyde Joyley, son of Mrs. Alice Joyley, Rupert. A June wedding is planned. The bride-elect was graduated from Twin Falls High School in 1966, attended the College and Southern Idaho and is a graduate of Beauty Arts Academy. She is employed at Idaho Frozen Foods. Mr. Joyley is employed at the A and P, Burley.

Benefit Card Party Held

HANSEN - Winners at the card party were Mrs. Ralph Reynolds, winning high score prizes, and Mr. and Mrs. Arthur Adamson winning both low score prizes. Mrs. Earl Tridley received the cake, and Norville Reynolds won the traveling trophy. There were five tables at play with Mr. and Mrs. Reynolds as hosts. Starting Saturday night, the games will commence at 8 p.m. At a previous game, the first one, Mr. and Mrs. William McFarland won both high score prizes. Mrs. Joe Hill and Wilbur Trout were low score winners. Mrs. Vergil Ball won traveling prize, and Mrs. Trout, the cake. There were four tables in play with Lydia Mae Pyron as the hostess. Net proceeds of the games will be used to contribute to charitable organizations.

Lady Trainmen Host Dinner

GLENNIS FERRY - There's always so much activity at Christmas time that the Lady Trainmen always have their holiday dinner in January, despite the fact that it comes just after the "storm" of yuletide guests and visits, dinners, parties and dances. It added to my fund of knowledge and subtracted from my ego. And I stand revealed. I may be the only one here who has been on top of the world's largest Oriental rug Art Museum, but it will be one of THEM who remembers the prize winners included Mrs. Liz Pharris, Mrs. Dorothy Doyle, Mrs. Jean Gerlach, Mrs. Johnnie Westling, Mrs. Anderson, Mrs. Dorothy Luckey, Mrs. Lillian Woolen and Mrs. Ruby Shillito.

Betty Canary's Wonderful World

There is rivalry in any household, but with a large family the competition can get really fierce. I don't mean that my children are always at war, but there are times when our house seems to be the set for "Can You Top This?" Living as I do, under the pall of one-manpower, I take consolation in thinking that perhaps somebody else is learning something. That somebody is usually the housewife. For example, the plasterers arrived at long last to do repairs in my bedroom. They were fine fellows and good workers and we smiled a lot at each other through the thick white clouds of dust they raised. "At least," I said when they left, "I have learned something about old-fashioned plaster. And my son remarked, 'But I was sure cleaner when all you knew about was the Jack-in-the-ceiling.'" Then my youngest daughter, the possessor of a penny bank, a replica of the Empire State Building, asked me just the other day, "Is it really the tallest building in the world?" "Yes," I replied authoritatively. "And I have been to the very top."

Mrs. Walker Hosts Brunch

DELOO - Mrs. Austin Walker hosted a brunch for members of the Naomi Circle of the United Presbyterian Women's Union when they met at her home for their regular meeting. The year's activities were planned and Mrs. Walker, chairman, read the meditations, "A Faith for All Seasons." Numerous needs of the community were discussed such as assisting with the Idaho Youth Ranch and with the Cassia County program in eye examinations and DPT shots, the new Migrant Center in Burley. Mrs. Clifford Sutton is hostess for the next meeting which will be held Thursday at her home.

YOU'RE LOOKING AT two spring outfits from the house of B. H. Wragge as they were displayed recently at the New York Couture Group showing. At left is a red, white and blue plaid cotton dress called "Americana." A broad-brimmed straw hat faced in matching plaid completes ensemble. At right is a fireman red jumper dress with long sleeves, high neck blouse and pants. (AP Wirephoto)

"Evangelism" Topic Presented For T.F. LWML

Using the text of First Peter, Chapter No. 2, Rev. Thomas Schoenborn presented the topic "Evangelism," to the Immanuel Lutheran Women's Missionary League at its first meeting of the new year.

Pastor Schoenborn discussed the various ways evangelism will be put into action during the coming year as the members of Immanuel will reach out into the community in their Christian calling.

Leslie Ude spoke to the group, outlining tentative plans of the 60th anniversary committee. He solicited and obtained the help of the LWML for activities of the anniversary year, particularly during the month of November.

The business meeting was under the direction of Mrs. Duane Einspahr, incoming president. She announced the appointment of new committee chairmen to serve during the coming year.

Committee members include Christian growth—Mrs. Gerald Reinke; Christian service—Mrs. Walter Lierman; good will, Mrs. Marlin Ruitter; courtesy—Mrs. Everett Malone and Mrs. Dale Taut; membership, Mrs. Arnold Werner; Concordia contact, Mrs. Harold Iben; Good shepherd, Mrs. Richard Cooper; altar guild, Mrs. Fred Theimer; wedding reception, Mrs. Monroe Dierker; boxes to service men, Mrs. Henry Maynard; book store, Mrs. Lyle Gullip; stamps for missions, Mrs. Anna Camvard; trading stamps, Mrs. Kenneth Hilland, and constitution, Mrs. Ella Amos.

The closing candlelight service was under the direction of Mrs. Reinke.

Miss Gardiner Competes In National Fete

MALTA — Cathy Gardiner, 15, daughter of Mr. and Mrs. Golden Gardiner, Malta, topped her many honors in sewing and fashioning contests by winning the position of alternate in the junior division in the national Make-It-Yourself-With-Wool contest. She won this title in the Idaho contest held in Pocatello and is now competing in the national contest in San Francisco.

Her entry in the state contest was a wool dress with a bodice of camel-toned wool and a coordinated skirt of camel and gray plaid. In order to qualify for the state contest she took first place in the district contest, junior division, held at Burley.

Miss Gardiner began her sewing career as a freshman at Ralt River High School in 1967 when she won the 4-H district fair contest in Jerome in 1967. Her mother says Cathy's success is due to the tutorage of Mrs. Carl Nelwirth and Mrs. Denton Whitaker, both teachers at Ralt River High School.

FAT OVERWEIGHT

Available to you without a doctor's prescription—Oxindin—our new diet pill. You must lose up to 100 lbs. or your money back. Oxindin is a tiny tablet and easily swallowed. Magic Valley Favorites

MRS. CARL BEAN
Route 2 Box 232, Jerome

Mock Mince Pie With Sour Cream

1 cup sour cream
1 cup chopped raisins
1/2 cup sugar
2 tablespoons vinegar
1 teaspoon cinnamon

1 teaspoon cloves
1/2 teaspoon salt
Pinch of nutmeg
1 egg

1 teaspoon vanilla
Mix well and pour into unbaked pie shell. Bake like a custard pie. Bake at 300 degrees for approximately 20 minutes or until knife inserted comes out clean.

(The Times-News will pay \$3 each week for the best recipe submitted for Magic Valley Favorites. If you have a favorite recipe, just mail it to the Recipe Department, Women's Page Editor. The recipe becomes the property of the Times-News, and cannot be returned.)

Gold And Green Ball Scheduled

DELO — "Stairway to the Stars" will be the theme of the DeLo LDS Ward Gold and Green Ball to be held at 9:30 Friday in the LDS Cultural Hall. During intermission there will be a floor show of ballroom dancing, under the direction of Mrs. Bruce Turner.

The Dale Platt Orchestra will provide the dancing music for the semi-formal affair.

Officers in charge are Brent Peterson, president of the Young Men's MIA, and Mrs. Clayne Zollinger, president of the Young Women's MIA, assisted by the teachers of the organization.

CAP YOUR OUTFIT
Colorful knit caps help keep heads warm through the winter months. For fashion diversion, try a cap of a different color to brighten up last year's outfit or to add extra spark to this year's ensemble.

Social Calendar

The Old Book Nook, operated by the American Association of University Women, is open from 10 a.m. to noon every Saturday. The Old Book Nook is located at 222 E. 2nd St. over the Western Union office. Books are sold or exchanged. All proceeds are used for the College of Southern Idaho student loan.

HANSEN — Mrs. Harold Wiedemann, Twin Falls, will be the guest speaker at the Latwath Club meeting at 2 p.m. Tuesday at the home of Mrs. R. F. Baily. Mrs. Wiedemann will relate some of her experiences during a recent visit with relatives in Czechoslovakia.

Royal Neighbor Lodge will have a regular meeting at 8 p.m. Friday at the IOOF Hall. Officers will be installed. It will not be formal.

GLENN'S FERRY — Lady Tralman will meet at 8 p.m.

Homework Deserves Quiet Place, Comfortable Desk

SHOSHONE — Homework for school children deserves a quiet place and a comfortable desk. Proper tools can mean the difference between a successful term and a failure, in the opinion of William Shrack, home furnishings specialist of the University of Idaho.

Look for three things in choosing a desk, she advises. It should have a large enough top for the student to spread out his work. It should have a drawer and storage space for his supplies. The chair should fit the child and be right for the desk. The "youths" should be taken along when buying, to fit chair and desk for size.

Blackfoot Pulls A Way In Closing 95 Seconds To Defeat Minico By 64-57

By LARRY HOVEY
Times-News Sports Editor

REPORT—A brief five-point hill in the space of 12 playing seconds broke the Blackfoot Broncos out of a 57-57 tie with Minico Wednesday night and sent them into a 64-57 Eastern Idaho Conference decision over the Minico Spartans.

The decision, coming at the

end of a tight game, saw the Broncos coming up with the hot man at the right time while Minico, suffering in scoring when Jim Boatwright fouled out late in the third quarter, could not find the basket. Still the Spartans staged a strong surge in the fourth quarter that succeeded in establishing a 57-57 tie after erasing a seven-point deficit.

The end game for Minico just after Terry Ketterling had hit five straight points tie at 57-57 with 1:48 remaining. Dennis Ellison scored the next time down the court and 10 seconds later Mike Rosen was fouled. He hit the first one missed the second but Packer got the rebound and was fouled. He pumped through the hoop but failed to clinch with five-point lead with 1:25 remaining. The final two Blackfoot points came on free throws by Ellison with one second left.

Minico's best moments came in the first quarter when Boatwright scored 10 points and set the tone for the game. Then Rose, a runner-puncher with a 20-point average, hit twice to start Blackfoot.

Boatwright hit a 33-33 shot with 5:07 left in the second period but Minico managed to stay a point or two ahead until late in the third quarter when he hit again at 29-29. With 15 seconds left, Cunningham got a four-point play to give Blackfoot a 33-29 intermission edge.

Ketterling hit a 33-33 shot and fired Minico into a draw 45 seconds into the second half and the teams staged another tight battle.

Control of the backboards, getting many second and third shots but failing to score.

Late in the period Greg High

recoiled off five straight points and Rose added a field goal to stretch Blackfoot into a 48-39 lead. Boatwright got a bucket for Minico and then fouled out. That appeared to clinch it for the Broncos but Ketterling and O'Donnell took control of the boards and although Minico kept shooting a poor percentage, it got most of the shots.

Hubschmidt and Schab chipped in with points before Ketterling hit a 33-33 shot and set the stage for Blackfoot's clinching flurry.

Baseball To Hold Free Agent Draft

NEW YORK (UPI)—Baseball will conduct its first annual winter free agent draft here Saturday, it was announced Wednesday by Commissioner William D. Eckert.

The agreement to speed up the game was made by owners at their December meeting, the newspaper said. Umpires have been instructed to use stop watches beginning with spring training games, according to the news report.

Individual American League clubs have received suggestions they should install visual timing devices, the paper said.

General Manager Ed Short of the Chicago White Sox, whose scoreboard includes a 20 second timing device, said either the second or third base umpire should be in charge of the clock.

"Enforcement of the rule should take a lot of wasted time out of the game," Short said.

National League umpires, the Daily News said, also have been instructed to be more rigid in enforcement of the rule, but there was no decision to install time clocks or require the umpire to carry stopwatch.

Deadline

Deadline for entering the 1968-69 Twin Falls Women's Bowling Association City tournament is Jan. 18. For more info, Mrs. Leona Hankins, association secretary.

Mrs. Hankins said the tournament is a 64 Eastern Idaho Conference decision over the Minico Spartans.

The decision, coming at the

Maravich Is Gunning For Second Title

NEW YORK (UPI)—Pete Maravich of Louisiana State is leaving little to chance in his bid for a second consecutive major college basketball scoring championship.

Pistol Pete went into his two-week semester break with an average of 45.5 points per game, the highest ever at this state of a season, according to official statistics released today by the National Collegiate Sports Services.

Maravich, who set an all-time major college record of 43.8 points last season, 10.5 points per game ahead of runnerup Calvin Murphy of Niagara, and this is the biggest lead ever held by a player in a season by an aspirant to the scoring title.

Should Maravich maintain his current average, Murphy, with a 24.9 mark, would have to average 55.3 points in his last 12 games to overtake the LSU sharpshooter.

There were three other 30-point scorers in the major ranks through games of Jan. 11—Ricker Mount of Purdue (32.2), Spencer Haywood of Detroit (31.6) and Bob Tatant of George Washington (31.3).

Haywood retained his lead in rebounding with a 22 average. Al Krotz of the Citadel led in his field goal percentage lead with a mark of .708 and Larry Ward of Tennessee led over at .862.

Greenberg Backed For Commissioner

CHICAGO (UPI)—Bill Bartholomay, president of the Atlanta Braves, said Wednesday he would nominate Hank Greenberg for baseball commissioner.

"It indicates he would accept the job," Greenberg said he was "available" for the post. He kept the door open for a draft.

"I know of nobody who could do a better job," Bartholomay said of that of former manager "Doc" Kessel.

"I know of nobody who could do a better job," Bartholomay said of that of former manager "Doc" Kessel.

Arthur Allyn, head of the Chicago White Sox, also indicated he would support Greenberg for the post as commissioner to succeed William Eckert, who was fired last month.

Greenberg, reached in New York, said he was most interested in his investment business now than in the job as commissioner.

"I have a good friend of mine and I'm highly flattered he would think of me as qualified to do a good job, but I'm not available for the job," Greenberg said.

But, asked if he would serve as commissioner should the major league owners draft him, he replied: "That's a different ballgame."

Bartholomay said he planned to discuss the matter with Greenberg.

Dallas Defeats Indiana 127-120

DALLAS (UPI)—Cinco Powell pumped in 26 points, including 12 in the overtime period, to pace the Dallas Chaparrals to a 127-120 victory over Indiana Wednesday night.

The Pacers overcame a 21-21 tie in the overtime period to notch their second overtime win in as many nights. Dallas won the first overtime by a 21-19 margin Tuesday night with Powell leading the way.

Indiana rallied in the fourth period but the game at 115-115 at the end of regulation. The Chaps had led midway in the second period.

HAS FIRST SHOTOUT

MONTREAL (UPI)—Goalie Roy Edwards made two saves to notch his first shutout in his National Hockey League career Wednesday night, leading the Detroit Red Wings to their fifth triumph in a row, 6-0, over the Montreal Canadiens.

SPORTS

Defense Doesn't Figure Into Thinking Of NFL All-Stars

LOS ANGELES (UPI)—The pinning that prediction on their coaches for the East and West in this Sunday's 19th annual Pro Bowl don't figure the game will be much of a defensive struggle.

East mentor Tom Landry of the Dallas Cowboys and the Los Angeles Rams' George Allen, the West coach, are both

pinning that prediction on their coaches for the East and West in this Sunday's 19th annual Pro Bowl don't figure the game will be much of a defensive struggle.

Umpires Told To Enforce Time Rule

CHICAGO (UPI)—American League umpires have been ordered to time and enforce baseball's rule requiring a pitcher to throw to the plate within 20 seconds unless runners are on base, the Chicago Daily News said Wednesday.

The agreement to speed up the game was made by owners at their December meeting, the newspaper said. Umpires have been instructed to use stop watches beginning with spring training games, according to the news report.

Individual American League clubs have received suggestions they should install visual timing devices, the paper said.

General Manager Ed Short of the Chicago White Sox, whose scoreboard includes a 20 second timing device, said either the second or third base umpire should be in charge of the clock.

"Enforcement of the rule should take a lot of wasted time out of the game," Short said.

National League umpires, the Daily News said, also have been instructed to be more rigid in enforcement of the rule, but there was no decision to install time clocks or require the umpire to carry stopwatch.

Stengel Leaves Hospital Bed

GLENDALE, Calif. (UPI)—Former New York Yankees skipper Casey Stengel Wednesday took a few steps and briefly sat up in a chair for the first time since he underwent surgery for a perforated ulcer Tuesday.

The 78-year-old Stengel, who guided the Yankees to 10 American League pennants in 12 seasons, remained in serious condition at Glendale Hospital but a spokesman said he was "making real good progress."

The clowning Hall of Fame manager remained in the hospital's intensive care unit but wasn't allowed visitors except for his wife, Edna.

Spurrer Hired By Alma Mater

GAINESVILLE, Fla. (UPI)—Steve Spurrer, Florida's Heilmann Trophy winner two years ago, has been appointed an assistant football coach at his alma mater, the University of Florida.

Head coach Ray Graves announced Wednesday that Spurrer will work during the off-season when he is not playing football for the San Francisco 49ers.

He will work as assistant offensive coach, Graves said, and will be concerned with recruiting players for the Gators and working with punters.

USE TIMES-NEWS WANT ADS FOR FAST-BEST RESULTS.

Penn Holds Ball, Upsets Villanova

PHILADELPHIA (UPI)—Sophomore Steve Bilsky's jump shot with three seconds remaining gave underdog Pennsylvania a stunning 32-20 upset victory over 10th ranked Villanova Wednesday night.

Penn played ball control the entire game and held the ball for the final three minutes and 35 seconds to get its final shot.

Penn led 19-18 at the half and played cautiously throughout while trying to work for the good shot against Villanova's tight zone defense. The decision snapped Villanova's five-game winning streak.

The score was tied at 23-23 with 8:17 remaining and at 30-30 with 2:54 left and stayed that way until Bilsky came through.

Villanova's Howard Porter was fouled with 3:35 remaining but missed his one shot and Penn got possession. The Quakers held the ball to the final shot by Bilsky.

The longest Penn held the ball was four minutes and 18 seconds at one point in the second half.

Barry Leads Despite Injury

MINNEAPOLIS (UPI)—Rick Barry of Oakland suffered last month, continues to pace the American Basketball Association by scoring with a 55.3 average Wednesday.

Barry totaled 1,096 points in 19 games before getting hurt. During his absence, Connie Hawkins of Minnesota, last season's scoring leader, has surged past Barry in total points with 1,027 for a 33.4 average. James Jones of New Orleans, with 1,037 points in 38 games for a 27.3 average, ranks third.

Gordy Retires

PALM SPRINGS, Calif. (UPI)—All-Pro guard John Gordy of the Detroit Lions announced his retirement Wednesday night to accept the job as executive director of the National Football League Players Association.

Gordy's announcement came as he stepped down from the post as president of the NFLPA at a banquet held Monday by the players' association annual meeting. This year's was the first joint convention between the National and American Leagues' players groups.

Grid Rules Group Makes Few Changes

PALM SPRINGS, Calif. (UPI)—The Football Rules Committee proposed alteration for at least a year in advance," he added.

Wednesday's meeting, however, was held in the present spirit of college football by making by taking serious note of the fewest number of rules which were considered minor.

"It was obvious from our outset that the individual factors in the schools' athletic programs."

The commission study will be conducted with the American Football Coaches Assn. and athletic director representation on the Rules Committee.

It was authorized in response to increasing opinion that the return to original football might be an important answer to the inflationary problem. But the substitution rule was left unchanged by the committee.

Three of the nine minor rules changes were referred to subcommittees for study during 1969. They dealt with better definitions or clarification of clipping penalties, forward pass completions and pass interference and a national governing body by the quarterback.

The other changes included alteration in field markings, maximum length of cleats to 3-4 of an inch and clarification of the rules governing roughing the kicker penalties. Assn. selected two minor changes dealing with non-contact versus contact fouls, the batting forward of a lateral and the addition of a signal to indicate disqualification of a player.

Higgins Is Sentenced

RUSTON, La. (UPI)—Former Boston Red Sox manager Michael "Pinkie" Higgins was sentenced to four years hard labor Wednesday in connection with an auto accident last year which killed one person and injured several others.

Higgins received the sentence almost a year after he crashed into a Louisiana Department of Highways crew on Interstate 20 near Lake Charles.

Killed in the crash Feb. 25, 1968, was George Killen of Simsboro, La.

At the time Higgins was a scout with the Houston Astros and was on his way to indicate disqualification of a player.

BRIDGE

By Jacoby

SOUTH NOT APT TO BE FOOLED

We are indebted to the staff of the Bridge World magazine for today's hand. A page and a half was used for theoretical discussion of which spades East should play from his queen-jack-10-eight combination.

NORTH 16			
♠	7643		
♥	QJ108		
♦	854		
♣	7543		
WEST EAST			
♠	AS2	♠	QJ108
♥	9	♥	52
♦	KJ1093	♦	Q72
♣	Q1092	♣	KJ88
SOUTH (D)			
♠	K9743		
♥	A		
♦	A		
♣	A		
Each vulnerable			
West	North	East	South
Pass	4♥	Pass	6♥
Pass	Pass	Pass	Pass
Opening Lead—♥5			

will be a clinch for East to see that he must win with a spade honor, not a trick.
Then he leads a second trump. South will win and lead a second small spade. He will ruff in dummy and East must play another of trumps in honor. South will enter his hand with a minor suit ace and will have a problem. If he plays another spade—this will knock out West's ace and make the hand, but if East has played the correct honors, South may decide that East has started with queen-jack-10 and lead his king in the hope of bumping the ace and the last honor together.

The Bridge World consensus was that East's best chance to get South to make that play would be to play first the queen, then the 10. Our own opinion is that the whole discussion is pointless. No matter which cards East plays, South's best line is to hope that the ace will drop and to keep playing low spades.

CARD-SENSE

Q—The bidding has been:
West North East South
Pass 2♥ Pass 1♠
Pass 2♥ Pass 1♠
Pass 4♥ Pass 4♠
You, South, hold:
♠K1054 ♥AKQ98 454 ♣2
What do you do?
A—Bid four no-trump. You will go to six hearts if your partner shows two aces.

TODAY'S QUESTION
You bid four-no-trump and your partner bids five spades to show three aces. What do you do now?

Answer Next Issue

North's four-heart bid was invented by the Four Aces back in the '30s. It shows good trump support but denies any ace of king. South's jump to six hearts is based on the hope that his partner will hold the queen of spades.
West gets off to the inspired lead of his singleton trump. South wins in his hand. If he makes the equally inspired play of the spade king, he will make his slam easily because West won't be able to lead a second trump. However, South leads a low spade and, according to the Bridge World experts, it
