Postal Plan Is Rejected

WASHINGTON (UPI)—The House Post Office Committee today rejected President Nixon's proposal to turn the Post Office Department over to a government corporation.

The vote in the 26-member panel was 13 to 13. A tie vote on a motion to pass Rep. Morris K. Udall, D-Ariz., had made the motion to proceed with drafting a bill along the corporate lines proposed by the administration.

Chairman Thaddeus J. Dulski, D-N.Y., said the 13-13 vote "effectively" killed the Nixon corporate proposal.

The panel now will proceed to draft a bill along lines, Dulski suggested.

The Dulski bill calls for a simple reorganization of the department rather than removing it from the cabinet and turning it over to a board of directors as proposed by Nixon. Udall insisted "the corporate concept is not dead by any means, and he would still believe that a majority of the committee favored a corporate plan."

Jerome To Vote On Dog Leash Law

JEROME — Whether Jerome will have dog leash law will be decided in part in the upcoming Nov. 4 election.

Jerome councilmen discussed the issue for some time at the City Council meeting here Tuesday, then decided to let City Attorney Richard Stealey work out the exact wording. The wording will be placed on a ballot and citizens will vote on the issue.

It will be an advisory vote, council President E. J. Beer said, with the council making the final decision after the people have indicated their desire in the matter.

In other business, councilmen welcomed seven Jerome High School government students. Two of them were late and Mr. Beer, in a joking manner, asked them to explain why they were tardy.

Voting precincts at the Pioneer Hall and at City Hall were established and clerks and judges picked. Councilman J. W. Weeks said there might be a heavy turnout at the election because of the dog leash law issue.

It was reported the library had a circulation of 2,756 books during September and collected \$83.26.

There were three fire calls during the month.

A second reading on an ordinance to establish a city zoning commission was read.

Councilmen were informed that a bridge at North Fry Street was crushed recently by a large truck. Reply to the bridge needed by Councilman Elwin Tinker was authorized to proceed with repair. Mr. Tinker said he preferred a metal support for the bridge, at a cost of \$500, rather than wooden supports for \$300.

He said it would save the city money in the long run.

It was also reported that the city of Jerome needs a public works director. Applications may be submitted to the city clerk.

Councilmen were informed their community improvement agreement with the Department of Housing and Urban Development expires next April and if the city wants to participate in any more federal programs, it should apply for a renewal.

The next meeting of the council will be at 8 p.m. Oct. 21.

Hearings In Army Scandal Continue

WASHINGTON (UPI)—Five sergeants already accused of bilking Army soldiers' clubs boosted their take by forming a California corporation that raked up \$1 million in sales before it was 11 months old, Senate investigators were told today.

Its customers were Army service clubs, sometimes managed by the sergeants themselves, investigators said.

Its five founders and stockholders included Sgt. Maj. William O. Woodruff, formerly the Army's top enlisted man, and four cronies who have been named repeatedly in testimony before the Senate permanent investigations subcommittee.

News Of Talks Withheld By Kremlin

MOSCOW (UPI)—The Kremlin withheld from the Soviet people today news of forthcoming talks with Communist China on cooling the United States' explosive border dispute.

Peking Radio said that the talks would be held soon and that Premier Zhou Enlai had proposed a military pact with the United States. Soviet sources in Moscow said they would meet Oct. 20 in Peking, with First Deputy Foreign Minister Vassil V. Kuznetsov representing the Kremlin.

Kuznetsov, 68, is a veteran troubleshooter and high in both government and Communist party rankings. He was ambassador in China from 1953-58 and was rushed to the Soviet Union during the 1962 Cuban missile crisis.

What Does An Eighth Grader Here Know About Drugs? Quite A Bit

Editor's note: This is the fourth in a series of interviews on drug abuse in the Twin Falls area. This interview was conducted with an eighth grade student in one of the city's junior high schools. The name is being kept confidential.

By FRED DODDS
Times-News Staff Writer

Q: Are you a student in one of the Twin Falls junior high schools?

A: Yes, I'm in the eighth grade.

Q: Do you know anything about drugs in the junior high schools?

A: I know of a lot of people that's taking them.

Q: How many kids are in your junior high school?

A: Five hundred and some-

MANY YEARS A NURSES HOME, the old building east of Magic Valley Memorial Hospital gets a final look from Mrs. Nell Wheeler of the hospital nursing staff. The building was closed Oct. 1 as a residency for nurses because only a few hospital employees were utilizing it. It will be part of the South Central Idaho Child Development Center, providing residency and training areas for retarded children of Magic Valley counties.

Child Center Gets T.F. Nurses' Home

Closed since Oct. 1, the old Twin Falls County Nurses' Home, adjacent to the old hospital building, will soon be put to a new use. County Commissioners announced Tuesday.

The building and most of the furnishings in the 18 rooms and kitchen and lounge area will be turned over to the local Child Development Center of Twin Falls.

Commission Chairman Hobert Loughmiller said the building was closed through agreement with the Magic Valley Memorial Hospital Board and Council of Commission because residency there had dropped to such a low level it is no longer economical to operate and best structure was a nurses home. It was erected when transportation was more of a problem and it was important to have nursing personnel available and close to the hospital. In the past few years only a handful of hospital personnel have desired to reside in the building, Mr. Loughmiller explained.

The building consists of a basement floor including the kitchen and several rooms, and the first floor with a large living room-type lounge with fireplace and rooms as well as glassed in porch area on each floor. The top floor is devoted to rooms only.

Under agreement with the Child Development Center Director Paul M. Burnett, the building can be utilized in the child development program for retarded youngsters of the area.

It will be in use in addition to the proposed new center, being built as one of three authorized for Idaho and to be located near the College of Southern Idaho campus on Falls Avenue.

Mr. Burnett has proposed the basement area be remodeled into a workshop where youngsters can receive manual training in the use of tools and items of wood or metal. The kitchen will be retained as will utility rooms and bathrooms on each floor.

The many individual rooms will serve the children requiring residency under the development program, Fr. 2, Col. 3.

Navy Gives Boats To Vietnamese

SAIGON (UPI)—In another move to "Vietnamize" the war, the U.S. Navy said today it is turning over 10 more river patrol boats worth a total of \$7.3 million to the South Vietnamese.

The turnover ceremonies Friday will be the Navy's biggest since the transfer of naval hardware from U.S. hands to the Soviet government, bringing to the United States 100 vessels given to South Vietnam.

Another part of the Vietnamization program continued today with the departure of 150 more U.S. servicemen for home—the Army's 237th Combat Support Company, bound for New York City, will be inactivated.

Assuming completion of the river patrol boats will be "South Vietnamization" of personnel who have completed a 12-week course on how to use them in river patrols and combat. It is Navy spokesmen disclosed the turnover as commingled with a report of 47 guerrilla soldiers killed in combat with 75 more killed of Saigon Tuesday—the only fighting reported.

Gen Turner's Service Medal Is Revoked

WASHINGTON (UPI)—The Pentagon announced today revocation of a Distinguished Service Medal awarded in 1968 to Maj. Gen. Carl C. Turner, a central figure in the Senate investigation of Army service clubs.

Turner was given the medal, the Army's highest award for noncombat service, when he retired a year ago as provost marshal. Early this year, he became chief of the service club he quit under fire six months later.

A Defense Department spokesman said the medal was revoked Sept. 26 because "information became available that his advice for the Senate (1962-68) did not merit the award."

Protesters To Be Heard

MADISON, Wis. (UPI)—Welfare demonstrators who swelled the assembly chambers 10 days ago won a major concession when the lawmakers promised them an special hearing today to present their views.

The assembly voted 77-19 Tuesday to meet as a committee of the whole today to hear testimony from 10 representatives of the protesters, who want restoration of welfare cuts in the state budget.

Opponents of the cuts also were invited to speak.

Two Killed As Las Vegas Has Third Trained Night

LAS VEGAS, Nev. (UPI)—Two men were shot to death on the predominantly Negro West Side of this glittering desert gambling city as disordered crowds gathered Tuesday for the third straight night.

The four-square-mile district—less than one mile from the neon-lit and brightly lit gambling casinos and five miles from the famed "strip"—was reported generally calm early today. One injury was reported. Police said a white youth was pistol-whipped by four black youths. He was hospitalized but reportedly was not seriously hurt.

Deputy Police Chief Elliott said there were 20 arrests during the night, most of them for violating the 7-p.m. curfew.

A private guard for a liquor store shot and killed a suspected looter Tuesday night as the man emerged laden with bottles. Earlier in the day, a salesman for a household products company was shot fatally in the throat as he made delivery. The assailant escaped.

The Nevada National Guard put on alert for the second time Tuesday by Gov. Paul Laxalt, after a black cab driver was released early today. The guardsmen were never deployed. Laxalt flew to the city Tuesday but did not make a statement.

The two victims of the shootings were Albert Jim Hayes, 32, a Negro, of Las Vegas, the looting suspect; and Carl Arthur Benson, 71, a white man from Henderson, Nev., the door-to-door salesman.

The arrests Tuesday night brought to nearly 200, the number of persons seized since the initial disturbance was triggered Sunday when two Negro policemen attempted to arrest a black cab driver for speeding.

Montreal Police End Strike

MONTREAL (UPI)—City police ended a strike early today after about a week of disorder out of the nightmare of gun battles, violence and looting that erupted during the 16 hours Canada's largest city was virtually without law.

Reports said several persons had been killed, but only one was confirmed, that of provincial police Cpl. Robert Dumas, 20. Hospital said 28 persons were injured, six with serious gunshot wounds. Scores were arrested.

Gasoline bombings and vandalism by marauding gangs of hoodlums left a wake of destruction through the center of Montreal.

The strike by the city's 3,700 policemen, later joined by a majority of the city's 2,000 firemen, ended at 12:30 a.m. when police union leaders bowed to emergency legislation passed unanimously by a hastily convened session of the provincial assembly in Quebec City.

As the first police sirens whirled through city streets in the early hours of the strike, trucks loaded of army troops in full combat gear rolled into the city.

The troops, an advance unit of 150 men drawn from a 600-man battalion of the Royal 22nd Regiment at Valcartier, Que., were flown to Montreal in response to an appeal from Quebec Attorney General Remi Paul.

The police walked at 8:30 a.m. followed contract settlement terms handed down by an arbitration board after a year of negotiations. The board's ruling would have put Montreal policemen almost \$1,000 below the annual wages paid police in Toronto, the country's second-largest city.

Submarine Freed From Entanglement

SAN DIEGO, Calif. (UPI)—The Nekton, a two-man mini-submarine, freed the research vessel Deep Quest early today from its entanglement 430 feet below the surface of the Pacific with four men aboard.

The navigators of the Nekton used a mechanical arm to sever a thick line which was caught in the propeller of the Deep Quest and entangled with a 1,600 pound metal cylinder on the bottom of the ocean.

The Nekton surfaced first followed by the Deep Quest a few minutes later at 3:55 a.m. PDT. The four men in the craft, which was trapped for more than 12 hours on the bottom of the ocean, were reported in good condition, although cold and hungry.

Senate Whip Opposes Haynsworth

WASHINGTON (UPI)—Senate Republican Whip Robert P. Griffin came out publicly today against President Nixon's Supreme Court nominee, Clement F. Haynsworth, saying the appointment was a mistake and that it would be a mistake for the Senate to confirm it.

The Michigan senator, who has formed opposition that led to the Ford resignation creating the court vacancy, said he had made his position known in a letter to Nixon. He did not make public the letter.

"Because public confidence in the judiciary is so important at this time in our history, I believe it was an unfortunate mistake for the administration to submit the nomination," Griffin said. "And I believe it would be an unfortunate mistake now for the Senate to confirm it."

Griffin said he disagreed with the theory that a presidential appointment to the court should be confirmed by the Senate.

Haynsworth has been accused of conflict of interest by critics owing to his ownership of stock in firms involved in litigation before the 4th Circuit Court of Appeals, of which he currently is a member. Haynsworth has promised to put all his stock holdings in unreachably trust.

Underground Blast Felt In Nevada

LAS VEGAS, Nev. (UPI)—An underground nuclear explosion with a force of up to one million tons of TNT shook the Nevada desert today and sent tremors through tall buildings in the gambling resort.

The Atomic Energy Commission said the 7.3-magnitude blast leaked no radiation into the atmosphere. The intermediate yield test was set off 2,600 feet under the desert floor on Pahute Mesa.

The latest test followed a one megaton hydrogen blast last April which yielded six times as much energy from a conventional AEC said today, an explosion released energy ranging from 500 kilotons to one megaton. One megaton is the equivalent of one million tons of TNT.

Guidance Group Meets In Burley

BURLEY — About 60 members of the Rocky Mountain Association for Consumers Education and Supervision opened a two-day meeting Wednesday in the Ponderosa Inn here.

Speakers were Don Twiford and Anthony Klein. Business meetings were scheduled this morning with discussion groups aimed for the afternoon. Purpose of the group is to advance the education and supervision of consumers in order to improve quality of products and student personnel services in high schools.

Report Is Given On Downtown Project

A four-part program designed to inform interested persons on what is happening in downtown Twin Falls was held Tuesday afternoon at the Rogers Hotel. Rudy Ashenbrenner was chairman of the informal gathering. Called an "up-to-date" meeting, Mr. Ashenbrenner told the 20 men attending, "We want to coordinate everything and get this information out to the public so they will know what is happening in downtown improvement."

The four-part program consisted of progress in urban renewal, the Local Improvement District, the design and planning end of the matter and the view from city officials.

Last year Twin Falls Futures Unlimited held monthly information meetings on downtown, but the meetings were canceled during the summer months this year.

Mr. Ashenbrenner said there is now a need for everyone concerned with downtown to get together and discuss their ideas. "We need to coordinate everything so we can get this modern shopping mall completed today but all secondary schools remained open."

The plan is to turn the core area of downtown Twin Falls into a modern shopping mall with plenty of parking space and trees for beautification. A joint effort, combining funds from the Urban Renewal Agency and a Local Improvement District of downtown business owners.

Voy Hudson, a member of the Urban Renewal Agency, told the gathering there are 32 parcels See PROJECT, Pg. 2, Col. 5

Increased Pensions Are Contemplated

WASHINGTON (UPI)—Big pensions are in the works for Social Security recipients, it may mean 15 per cent raise in the average monthly retirement check. A wife from \$150 to about \$175.50.

For congressmen retiring or retiring in the next few years, it means as much as several thousand dollars a year extra, for total pensions up to \$34,000 a year.

Government workers generally will get a better break on retirement, along with built-in protection to be provided also for congressmen against cost-of-living increases.

House Democrats in caucus Tuesday went on record unambiguously for a Social Security boost of "at least" 15 per cent to be effective "not later than" Dec. 1. President Nixon has asked for a 10 per cent boost, to take effect April 1.

The House Ways and Means Committee starts work hearings Oct. 15, with approval of such a raise by Congress a certainty, either this year or so drawn as to be retroactive.

Forecast

Mostly cloudy today and tonight. Showers this afternoon and tonight. Partial clearing with scattered showers Thursday. High 69 to 70. Low in 40s, except Cas. Fairly high in 60s, low 25 to 35. Wind 15 to 25 miles per hour and gusty today and tonight. Probability of measurable precipitation 50 per cent.

Weather Synopsis

An increase in high cloudiness associated with the next Pacific storm moved across Eastern Oregon and Southern Idaho yesterday. Temperatures were a few degrees higher over Idaho yesterday afternoon. Most readings in the upper 60s to the mid 70s. Mountain Home reported 75 degrees with a high of 80. In Eastern Oregon temperatures were nearly the same to a few degrees lower. The overnight temperatures have been mostly in the 50s under a cloudy sky from the Malheur Valley to the Southeast Idaho highlands. The Southeast Idaho highlands to the Southeast. Rain is occurring this morning in Eastern Washington from Spokane to the Walla-Walla-Pendleton area and south to Klamath Falls. The surface frontal system moved inland yesterday but has weakened and slowed in its progress. In Southern Oregon. This frontal system should move into Southwest Idaho late today with showers accompanied by a few degrees of rain. Temperatures this afternoon due to southerly wind will reach

to 70s across much of the region from Malheur Valley to the Upper Snake River. Clearing is expected. Cooling air pushing inland tonight and Thursday will lower temperatures to the 50s and 60s over this region Thursday. The extended weather outlook indicates temperatures Thursday through Monday will cool. Thursday and Friday will be warming over the weekend and turning cooler again on Monday. Temperatures will average from near normal to below normal to a few degrees below normal across Southern Idaho. Precipitation averaging 15 to 20 inches is expected for Thursday and Monday. Normal high temperatures during this five-day period in the upper 60s. Low temperatures 35 to 40. Delay in farming and harvesting activities will occur Thursday due to showers across Eastern Oregon. Low temperatures tonight and Thursday. Since amounts expected to be light, followed by partly cloudy skies and wind conditions should improve Friday so that most work can begin again.

3 Running For Shoshone Mayor's Post

SHOSHONE — Three men are running for the post of mayor here on Nov. 4, according to Mrs. Claude Chess, city clerk. Petitions have been filed by E. E. Werry, retired postmaster; Perry Hadlock, manager of First Security Bank, and Reid Newby, Waterman for Big Wood Canal Co. All three are newcomers, as Mayor Victor Bozzolo declined to run again. There will be no contest in the offices for three city councilmen. Wilson F. Churchman, manager of the Idaho Grange Co.; Frank Carothers, service station proprietor, and Dr. Paul Jacobsen, veterinarian, are running for the posts. Dr. Jacobsen is the only incumbent. Refiling councilmen are Doyle Bennett and Mr. Newby, who was appointed to fill out the unexpired term of Charles Bell.

Magic Valley Hospitals

Magic Valley Memorial

Admitted — Mrs. Allen Keith Jones, Mrs. Richard Teicher, Nathan Cooper, Mrs. Harold Platts, Mrs. Burk, Mrs. Harley Mathers, Deborah McDonnell, Michael Gardner, Mrs. Prentice Stowell, John Henstein, Mrs. J. Carter, Mary Brown, Bert R. Stevens, Ward V. Sonner, and Gerald Holman, all Twin Falls; Anna J. Wright, all Twin Falls; Dorinda Spruce, Rupert; George Bauman, Filer; Mrs. Floyd E. Dupps, Sun Valley; Claude Brown, Hazelton, and Claude Crum, Buhl.

Minidoka Memorial

Admitted — Mrs. Thomas Avelof, Mrs. Juan Torres, Len Haskins, Susan Long and Mrs. John Barnes, all Rupert. Dismissed — Mrs. Ellis Lloyd and Mrs. Calvin McCollum, Rupert. Births — Daughters were born to Mr. and Mrs. Thomas Avelof, Mr. and Mrs. John Carey and Mrs. John Barnes, all Rupert.

Gooding Memorial

Admitted — Mrs. George Daniels and Michael Ahren, both Gooding, and Debra Lowry, Wendell. Dismissed — Dewey Vick, Jerome; Howard B. A. Gooding, Charles Giles, Richfield. Births — A daughter was born to Mr. and Mrs. Allen Jones, Twin Falls.

Cassia Memorial

Admitted — Mrs. Violet Seeds, Mrs. Edna Dayley, all Burley; Glen Strubhaar, Mrs. B. Harding, all Buhl; Brian Williams, Sarah Carl Tales, Anna Tails, Sarah Mills, all Rupert; and Mrs. Albert Augustine, Buhl. Dismissed — Mrs. Orval Merrill, Mrs. Richard Young and daughter, all Burley; Larry Bigelow, Perry Horner, Mrs. Roy Fitzhugh and son, all Heyburn; Julie Hunter, Mrs. Anthony Hart, both Paul; Michael Tellers, both Marsden; and both Toms, Mrs. Gerald Wells and son, Oakley.

St. Benedict's, Jerome

Admitted — Loren Nelson, Wendell; Joseph McCaughey, Jerome, and Margaret Koch, and Mrs. William Eldredge, both Buhl. Dismissed — Dewey Vick, Jerome; Howard B. A. Gooding, Charles Giles, Richfield. Births — A daughter was born to Mr. and Mrs. William Eldredge, Buhl.

Auto-Dealers

Car Crashes On Dealer's Lawn

A Twin Falls resident was slightly injured when a car was found a familiar-looking car on his lawn. City Police officers said Mary Guy Rogers, 23, 875 Eastland Drive, attempted to swerve to miss a dog as she was traveling down the street. The 1967 Volkswagen she was driving went out of control, into a driveway across a lawn and crashed into a tree on Bob Young's lawn. The accident occurred about 7:15 a.m. Monday, just as Mr. Young, who owns the local Volkswagen dealership, was arising from bed.

Youth Treated For Gun Wounds

NAMPA (UPI) — Jerry McGoldrick, 13, Nampa, is under treatment for a 20-gauge shotgun blast in his right hand and leg. The youngster was shot accidentally at the home of Donald Parsons, Route 6, Nampa, Monday afternoon. Hospital officials said most of the boy's wounds were superficial.

Voting Site Is Changed At Richfield

RICHFIELD — Rolling place for Friday election was changed to the city office on Main Street. The IOOF hall was used in the past. Five men are seeking office. Three city council posts to be filled. Running for the two four-year terms are L. T. Sanders, James M. Brown, incumbents, and Wayne Schler, former board member. Vern Spencer is opposing John Lemmon, incumbent, for the two-year term. Named to the election board at the October city council meeting Monday night were: Lyle Piper, Mrs. Udell Robinson and Moore Smith. Mrs. Howard DeWitt and Mrs. Edward Schler named as alternates.

Members were slated to meet Wednesday noon with Chet Moulton, director of Idaho Aeronautics, to discuss proposed improvements in the Richfield area. Mr. DeWitt reported directory signs will be posted at the city dump grounds and the road has been rerouted from the railroad tracks to the grounds. Improvements to the bank and cemetery intersection were discussed following complaints of the road condition. Mayor Ward was authorized to attend a safety convention in Boise after he received an invitation from the governor.

Six Seeking Three Posts At Hansen

HANSEN — Six petitions have been filed with the Hansen city clerk, five for the three council seats and one for the mayor's post. The Nov. 4 municipal election, and one for clerk of the council. Last to file for the council seats were: Robert Perks, Ed Miller, S. Thomas R. Sanders and Donald W. Puder. Kenneth Mothershead and Allen Boun, incumbents, filed earlier.

Project of Land in Urban Renewal

Ed Peterson, of Jones-Pehleberg and Associates, architects for the project, answered the LID question when he said it is possible bids could be called for next March, "if everything goes all right." He said the design work should be done later this month. He also suggested downtown merchants start considering remodeling the faces of their stores. "And you might consider making everything uniform, even down to having the same size signs and painting the stores the same color."

Mayor Is Challenged In Gooding

GOODING — Incumbent Mayor Robert W. Steiner will face Harold Crispin in the Nov. 4 city election. Mr. Crispin filed his petition with the city clerk before deadline Monday. There are no other contests in the city election, with all three incumbent councilmen opposed. They are Eugene Kelly, Don Sims and Earl Greenwald.

Incumbents At Oakley Ask Vote

OAKLEY — Both incumbents are seeking re-election to the Oakley City Council in the Nov. 4 municipal election. They are: Roy Anderson, incumbent, for a two-year term, and W. B. Whiteley, who has served for several years, and then was elected to a two-year term. Both men are seeking four-year terms. Holdover councilmen are Denver Allom and Nathan Taylor, Nathan Tanner is mayor.

Magic Valley Obituaries

Funeral Services

Funeral services for Pfc. Allen T. Aslett, who was killed in action, will be conducted at 2 p.m. Thursday at West Mortuary Chapel by Rev. Eugene Tjarks. Military rites will be held by the Marine Reserve Training Center at the Sunset Memorial Park.

Albert Lierman

FILER — Albert Lierman, 75, died Tuesday evening at his home apparently of a heart attack. He was born July 27, 1894 in Friedensau, Neb. He moved from Minnesota to Idaho with his family in 1913. On Oct. 29, 1917 he married Betsa Luster at Clover. She died on July 18, 1942 and he married Hulda Viessmeyer on June 6, 1946 at Jerome. Mr. Lierman was a farmer in the area for many years and had worked parttime for Asgrow Seed Co. for seven years. He was a lifetime member of Lutheran Church and at the time of his death was a member of Peace Lutheran Church at Filer.

Urban Mason

RICHFIELD — Urban J. (Hap) Mason, 62, died suddenly on July 2, 1967, near St. Louis, Mo. He was a World War II veteran and belonged to the Richfield American Legion. Survivors include one son, Urban, and one daughter, Jean; one daughter, Mrs. Harold (Jean) Tanner, Denver; six grandchildren and one great-grandson, Mrs. Mathie.

Chamber At Burley Elects 5 Directors

BURLEY — Five directors, including one woman, were elected by the Burley Chamber of Commerce during the weekly luncheon meeting. Mrs. Theda Fink, manager of the Made O'Day, was selected director. She is the first woman to serve on the chamber board. Other directors were: Ernest Blum, an accountant; Truman Bradley, associated with Allied Agencies; Gene Rinebold, area potato specialist, and Bill McGilguy, owner and manager of "The Flower Pot."

Ray Gee

OAKLEY — Funeral services for Ray Gee, who was accidentally killed when his horse fell, will be conducted at 1 p.m. Friday in the Oakley LDS tabernacle by Dallin Elquist, counselor. Mr. Gee was born April 4, 1916, at Oakley and had lived here all his life. On Sept. 26, 1942, he married Cole Morgan at Rupert. He belonged to the LDS Church.

Project of Land in Urban Renewal

Ed Peterson, of Jones-Pehleberg and Associates, architects for the project, answered the LID question when he said it is possible bids could be called for next March, "if everything goes all right." He said the design work should be done later this month. He also suggested downtown merchants start considering remodeling the faces of their stores. "And you might consider making everything uniform, even down to having the same size signs and painting the stores the same color."

Discharged

TUTTLE — Tom Gibson, son of Mr. and Mrs. Thomas Gibson, has been discharged from the Navy after serving four years.

Bill Koch, wishing he could find a barber that puts hair back, says Joe Wallace making inspection at nurses home. Dale Davis talking about baby sitting jobs. Morris W. Carlson explaining about lost-in-60s grounds. John Nussbaum driving wrecker down Main Avenue. Ennis Schiffer washing windshield. Mrs. Kenneth Walker raising corn cobs to her young sons. Jesse Beran recalling early impressions of Twin Falls. L. L. Burgess and Robert Sasser, Ron Wyatt taking some friendly ribbing from fellow deputies. Eds Edmans talking about pretty yard. Mr. and Mrs. George Tate, Elko, Nev., looking forward to coming event. And overhead, wish that TV show came on later in the week. After it watch it on Monday. You never the same all week.

Twin Falls

News In Brief

A Columbus Day address will be given by the Knights of Columbus supreme knight, John W. McDevitt, head of the fraternal benefit society of Catholic men, will be carried over KLIH radio station at 7:30 p.m. Thursday. Past Noble-Grands Club of Primrose Rebekah Lodge will meet at 8 p.m. Thursday at the home of Mrs. O. H. Higgins.

Members of the Twin Falls Duplicate Bridge Club met Monday at Sunny View Courts. Winners were Mrs. A. P. Russell and Mrs. A. J. Lindemer, first; Mrs. Lewis Hack and Mrs. H. M. Proctor, second; Dr. H. E. Burgess and Robert Sasser, third; and Mrs. M. Tom Marzocco and Mrs. J. M. Kingsbury, fourth. The next meeting will be at 8 p.m. Monday at Sunny View Courts.

There will be an organizational meeting for Cub Pack 63, St. Edwards' Catholic Church, at the school luncheon, at 7:30 tonight. All interested boys and their parents are invited to attend.

Members of the Veterans of Foreign Wars Auxiliary will hold their regular meeting at 8 p.m. Thursday at the National Guard Armory.

Drive Slated

HAGERMAN — Doorbells will ring early this year for "trick and treaters" for UNICEF in the Hagerman area. Because of a football game scheduled Halloween night, Oct. 31, members of the MYF, FFA and 4-H, who have decided to combine forces to canvass the local area for UNICEF, will be out ringing doorbells Oct. 30.

Thefts, Pranks Reported By

Several thefts and pranks have occurred this week at local automobile dealerships. In Twin Falls Police report. A steering wheel was stolen from a truck at Bob Reese Motor Co. early this week. At the same dealership, a small foreign car was placed partially into the bed of a pickup truck, officers said. Several gas tank caps also were stolen at Reese's. A large quantity of gas tank caps also was taken from Best Buy Auto Sales, officers said.

WENDELL JOHNSON

BILL STRASSER

GROVER NEWMAN

Rupert Mayor Is Opposed By Strasser And Newman

RUPERT — Mayor Wendell Johnson is being opposed by Bill Strasser and Grover Newman in his bid for re-election in the Nov. 4 municipal election.

In addition to the mayor, three councilmen also will be elected from among the six candidates who have filed for the posts.

Mayor Johnson, who is completing his second term in office, was elected to the city council in 1957. He is a director of the Eastern Idaho Chamber of Commerce and has been named to the governor's judicial committee for appointment of judges for magistrate courts.

Born in Richmond, Utah, he moved to Rupert in 1920 and attended Rupert schools. He then farmed 14 years before entering the farm implement business. He has been a partner with John Trevino in Trevino and Johnson for 24 years and together they also operate 500 acres of farmland north of Rupert.

Mayor Johnson has served as president of the Idaho Municipal League, the Rupert Lions Club, the Snake River Council of Boy Scouts, director of Intermountain Implement and Hardware Dealers Association and director of the Association of Idaho Cities and a member of the Rupert Chamber of Commerce and American Field Service.

Mr. Strasser was born in Metolious, Ore., and attended Oregon schools. He also attended Reed College for a year and the University of Oregon a year.

He worked on water and oil rigs until 1942 and joined the Seabees in 1945. He later helped form a drilling company.

Mr. Strasser is nearly retired, presently and enjoys a hobby of flower and greenhouse work. If elected Mayor, Mr. Strasser said he would contribute his wages for a scholarship fund to be administered in Rupert by Rupert doctors for the education of doctors and nurses as they determine.

He is a member of the First Christian Church, Masons, Mindoka Memorial Hospital board, Rotary, Chamber of Commerce, County Club, Idaho Drillers and Oregon Drillers associations, National Water Well Drillers Ass., and eight garden and flower societies.

Mr. Newman, a native of Jerome, attended the University of Idaho, obtaining a bachelor's degree from Albion. He then attended a year of graduate studies in school administration at the Utah State University. In 1941 he joined the Air Force and served for two years.

He is currently a teacher in schools in Rupert since 1946. He is responsible for initiating the Rupert Company and was its

Harbor House Accommodations Nearing Completion As House Hosts Its First Two Temporary Tenants

Accommodations at Harbor House, 317 Shoshone St. N., are nearing completion and the house has hosted its first two temporary tenants.

Probate Judge Richard Reed, Harbor House chairman, announced Wednesday.

In a board meeting Monday afternoon, members began plans for an open house tentatively scheduled for Nov. 16, at which time they will inspect the new county facility. The home will then be closed to general public tours in order to allow house parents, Mr. and Mrs. R. West Schiffer and the young occupants an uninterrupted living condition.

Plans are also made for compiling a brochure for distribution during open house and to persons interested in the program.

Chairman Reed stressed the need for keeping the project operating and said there must be an assured continuing source of income.

With the most generous assistance of individuals, civic and service organizations of Twin Falls, he said, the Harbor House of Magic Valley, is now ready for opening, completely furnished and redecored for the cost of approximately \$5,000.

"When you consider the condition of the building when we took it over this summer, it is hard to believe it could be put in livable shape for that amount," Mr. Reed said.

Many items are still needed, such as small appliances and many of the furnishings are badly used but will serve at least for the time being.

A three page list of persons, organizations and business firms who contributed to Harbor House was presented board members Monday. More contributions are coming in, the chairman said. Among latest gifts was the cost of a new washer and dryer contributed by the Twentieth Century Club.

Rotary Club members have also announced they will contribute a sizeable item, possibly a dishwasher to meet health department requirements.

Fire inspection of the building

In opening the Northside, a councilman for six years, Mr. Newman is still working at holding the line on taxes as promised in his campaign speeches, he said.

He is a member of the Mindoka county Teachers Association, Toastmaster, VFW, and the Northside Extension committee, Idaho Education Association.

has been completed and board members plan a fire escape at the rear of the building to serve the upstairs portion of the house.

Another problem discussed by board members is storage of donated clothing. Newcomers Club members have volunteered to sort through clothing donations and classify them according to size for use by children who may arrive at Harbor House without sufficient clothes.

Judge Reed said there is still a surprising lack of understanding by the public as to what Harbor House's function in the community will be.

It is neither an orphanage or

a delinquency center, but a temporary shelter for the many youngsters of all ages who are temporarily taken from their homes by the courts or are abandoned or left homeless through some illness or other misfortune. These children are currently placed in the homes of area residents for a few days or weeks. There is a limited number of persons willing to act as foster parents on a temporary basis and at a moment's notice, Judge Reed explained, and often there is no place for the child. These parents are

paid \$4 per day and this amount will be available through the Probate Court foster child care program to help toward operation costs of Harbor House.

Meeting Set

Members of the Idaho Chiefs of Police Association will meet Friday in Twin Falls to formulate proposed legislation to present to the next session of the legislature.

Frank Barnett, Twin Falls Chief of Police, said all chiefs of police in the state are invited to the meeting which will be at 1 p.m. at the Twin Falls City Hall.

Voice Of Past

BOISE (UPI) — A voice from the past echoed momentarily Tuesday in the office of State Mines Inspector O. T. Hansen.

A woman who identified herself as Nellie Gray Payne, Lee's Summit, Mo., wrote Hansen about 1,000 shares of stock she held in the Idaho Mine Development Co., which was incorporated in 1921 in Clayton.

She said Robert N. Bell was president and W. M. Snow was secretary.

"I am a former employee of Mr. Robert N. Bell, secretary to Mr. Bell for 10 years when he was the state mine inspector," the woman wrote Hansen.

"I ran across this old certificate while going through some of my papers and wondered about the status of the mine."

Hansen advised the woman that the company was incorporated Jan. 21, 1921 and that its charter was forfeited in 1924.

Bell, he said, was inspector of mines from 1925 and again from 1931-1932.

first commanding officer. He was then a member until he retired, at which time he joined the reserves. He is presently a Lt. Colonel. He was also instrumental, as a member of the Northside Extension committee, Idaho Education Association.

The men, members of the local organization, will also be featured in a special fall show at the College of Southern Idaho in November.

Precinct Judges And Clerks For Upcoming City Election Are Approved By Council

Voters of Twin Falls will go to the polls Nov. 4 to elect three city councilmen, and for the first time will be voting in 10 precincts.

City Council members Tuesday had approved the appointment of judges and clerks for the 10 precincts.

These include the first precinct, voting at the county court house, Mrs. Robert J. Whitelz, judge; Ruth M. Figge, Elta O. Hill, and Mrs. M. L. Whitthead, clerks.

Precinct two voting at city hall, Laura Kloepper, Betty clerks, Ann O'Halloran, Judge P. Magaw and Erma R. Dalitz, Precinct three, voting at Lincoln School, Judge, Evelyn-LeCollier, clerk, Margaret Dunken, Mrs.

Christmas Preparations Are Under Way Presently At 'Y'

The YWCA already has started to think about Christmas preparations, according to Mrs. Marvin Molyneux, director.

The YWCA, one of the United Fund agencies in Twin Falls, serves as a clearing house for local organizations which help provide food and toys for needy families in the city.

Mrs. Molyneux said families or individuals referred to the YWCA by other agencies and organizations are personally checked.

Sex, age and size of children and the kind of assistance needed is determined. This information is then made available to groups desiring to prepare or purchase toys or other items.

Mrs. Molyneux said this activity of the YWCA requires the majority of her time during December each year. "I do think it's important, however, both for the sake of the families who might otherwise not have much of a Christmas, but also for groups or individuals who want to help make Christmas merry, because if we didn't check out these people, some who need assistance might be overlooked, while others might be getting

help from several sources," she said.

Dolls and doll clothes generally are provided by members of the YWCA, and Y-Teens help in sewing wardrobes for the dolls.

Last year a Y-Teen group helped children make Christmas gifts for their families and provided a pre-Christmas party for the children.

Baby It's Cold

Apparently the air conditioning and heating unit in the Twin Falls judicial annex got a little confused Tuesday.

It has been cold for the past few days and the heating was fine.

But Tuesday things warmed up outside. Just sweeter warm.

Not knowing which way to go, the unit spilled out cool air through the day and employees reported they were "freezing to death."

TOURS WITH TEAM GLENNIS FERRY - Sharon Rose, daughter of Mrs. Golda Rose, is a member of the Boise State College drill team which went to California for three days while others might be getting

Interest Reported High In Bidding On 2 CSI Projects

Considerable interest already has been shown by Intermountain contractors in two College of Southern Idaho projects which will be bid Oct. 20.

Oh, Pete!

BOISE (UPI) - Secretary of State Pete Cenarusa hobbled out of the statehouse Tuesday with his left leg in a cast - the result of "baling out" of his small plane while it was on the ground.

Cenarusa was preparing to leave for Hailey from Boise last Friday in his Cessna 210 when he discovered - after he was strapped into the pilot's seat - that his key still was in his pocket.

"He said he unstrapped the seat belt and then jumped out. In jumping from the plane, he struck one of the tires and pulled loose some ligaments."

Editors Named

WENDELL - Jill Brunzell and Debbie Rost have been named "Trojan" Annual editors for the 1969-70 year.

Assisting as co-editors are Vikki Pepper and Pat Scheel, both juniors - Julie Hansen will be senior editor. Greg Rost and Craig Hope will serve as sports editors.

Class editors are Debi Gilbert, juniors; Debbie Scott, sophomores; Lorna Johnson, freshmen, and Mike Strickling, junior high. Mrs. Frances Lamb, journalism instructor, is advisor.

Mr. Jones said plans for both structures are contained in the same book, so he is not aware of how many of those now interested plan to bid on just one or both of the projects.

Pre-bidding will be held Oct. 29. Mr. Peterson said. At that time sub-contractors will submit bids, with general contractors taking some shape, he said, as it has just recently started out from ground-level. Cost of that building is about \$1.14 million. Progress on the new health PE building at CSI is coming along well. Mr. Peterson said. The structure is beginning to take some shape, he said, as it has just recently started out from ground-level. Cost of that building is about \$1.14 million.

WE REGARD IT as our duty to serve our community and, thus... to obey the family's smallest wish, to attend its smallest need. We are proud that over the years we have offered our very best at all times and we pledge a continuance of this effort throughout 1969 and the years to come.

Committee Selects Firm To Set Management Information

By LINDY HIGH
BOISE (UPI) — A legislative committee voted by secret ballot to select a firm to design a management information system for the state of Idaho.

George East, director of the Committee on Data Processing and Uniform Accounting System, said the firm would design the system "to give top management the information they need in order to run an efficient operation."

Post said he was uncertain what the comprehensive study would cost, but said it would be less than \$250,000, because that was all the money he got from the legislature.

Dr. Sidney Duncomb, Univer-

Committee To View Import Ceilings

WASHINGTON (UPI) — One reason meat prices are soaring appears to have been a slip by the executive branch, House investigators intend to find out how it happened.

Members of a House government operations subcommittee agreed with a young economist organizer Tuesday that housewives deserve an explanation of sharply rising meat prices.

Chairman John S. Monagan, D-Conn., said one factor appeared to be import ceilings.

According to subcommittee figures, meat prices have risen 13 per cent this year while the cost of living has increased 4.6 per cent.

The government had the option to invoke meat import quotas for 1969 that would have given the President leeway to import more meat when supplies are "inadequate to meet domestic demand at reasonable prices," Monagan said.

LEGAL ADVERTISEMENTS

NOTICE OF LETTING
 Seal proposals will be received by the Idaho Board of Highway Districts at the office of the Department of Highways, 200 N. State Street, Boise, Idaho, until 2 o'clock P.M. on the 25th day of September, 1969. The project is for roadway drainage structures and approximately 6.33 miles of the Rogerson Highway, State Route 20, between W. and W. known as Idaho Federal Highway Contract No. 3-270(1) in Twin Falls County.

The State Highway Department, in accordance with provisions of Title VI of the Civil Rights Act of 1964, hereby notifies all bidders that no person shall be excluded from participating in the bidding process on the basis of race, color or national origin.

NOTICE TO FEDERAL AND AID CONSTRUCTION CONTRACTORS
 Proposal must be prepared and submitted in accordance with the requirements of Section 102 of the Idaho Standard Specifications of 1967.

The specifications, form of contract, proposal forms, and other information may be obtained at the office of the Department of Highways, Boise, Idaho, and from the office of the Engineer at Shoshone, Idaho.

The fee for each set of plans, payable to the Department of Highways, State of Idaho, is \$10.00. The fee is refundable if the contractor is selected to accept the proposal, or to accept the proposal if the contractor is not selected.

Proposals will be considered unless accompanied by an acceptable proposal guaranty in an amount not less than five per cent of the total amount of the proposal. This guaranty must be in the form of a Certified Check or a Cashier's Check drawn on an Idaho bank, made payable to the Department of Highways, State of Idaho, and held by the Engineer at Shoshone, Idaho.

The State of Idaho Standard Act of 1933, Chapter 41, Title 29, Part 201B, Chapter 8, shall apply in the employment of labor on this project.

It is the purpose of the Board of Highway Districts to build the improvement in the shortest time consistent with good construction. Necessary equipment and an effective organization will be maintained.

Dated 30 September 1969.

State Highway Engineer
 Published Oct. 7, 8, 9 and 10, 1969.

Traffic Courts

Larry Thomas Benally, 26, Sweetwater, Ariz., was fined \$125 in Glenn Ferry police court and sentenced to 30 days in jail and his driver's license suspended for 90 days for drunk driving. The sentence was suspended on probation for 180 days. Woody Hut, 49, also Sweetwater, was fined \$25 for being drunk in an auto.

Woman For Inquest

BOSTON (UPI) — The Massachusetts Supreme Court hears arguments today that an inquest into the death of Mary Jo Koepche must be delayed until Sen. Edward M. Kennedy is assured the constitutional safeguards of a criminal trial.

The foundation conducts research programs in all aspects of science and sponsors a score of educational projects to encourage young persons to enter the field.

2 Contracts Awarded For Interstate

BOISE (UPI) — The Idaho Department of Highways Tuesday announced the awarding of two contracts including some \$2,000,000 for interstate highway work in Elmore County.

Peizer Klewitz Sons, Inc., Idaho Falls, was the lowest of four bidders on the Interstate job. It calls for constructing a four-lane divided highway, with structures, underpasses and overpasses on 5.68 miles of Interstate 80 from the Seebree interchange to State Highway interchange, Reynolds Construction, Inc., Twin Falls, submitted a low bid of five at \$173,000 to build 36 foot by 173 foot brick, block and concrete in building and emergency operating center as an addition to the existing office building at Shoshone in Lincoln County.

Radio Equipment Contract Granted

WASHINGTON (UPI) — Sen. Len B. Jordan, R-Idaho, said Tuesday the Bureau of Land Management has granted a \$22,601 contract to General Electric for VHF-FM radio communications equipment to be used in Idaho.

The equipment is to be delivered within 90 days from General Electric's Portland, Ore., office.

Week Proclaimed

BOISE (UPI) — This week has been proclaimed "fire prevention week" in Idaho.

The proclamation came from the office of Gov. Don Samuel, who said that before three fires broke out across the state and caused more than \$300,000 in damages and claimed one life.

Arguments For Inquest

WASHINGTON (UPI) — The House approved a \$474.3 million authorization for the National Science Foundation Tuesday and provided that college science study grants in the measure should not go to rioting students.

The foundation conducts research programs in all aspects of science and sponsors a score of educational projects to encourage young persons to enter the field.

Israelis Attack Base In Jordan

Jordan said two civilians were killed and three wounded Tuesday in a Jordanian town. The jets went into action just after dawn, following up scattered overnight skirmishes along the Israel-Jordan frontier.

Israel said one of the skirmishes saw an Israeli army patrol "kill" five "Arab saboteurs" Tuesday night near the Abdullah Bridge in the Jordan Valley. No Israeli losses were reported.

Authorization

WASHINGTON (UPI) — The House approved a \$474.3 million authorization for the National Science Foundation Tuesday and provided that college science study grants in the measure should not go to rioting students.

The foundation conducts research programs in all aspects of science and sponsors a score of educational projects to encourage young persons to enter the field.

Authorization

WASHINGTON (UPI) — The House approved a \$474.3 million authorization for the National Science Foundation Tuesday and provided that college science study grants in the measure should not go to rioting students.

The foundation conducts research programs in all aspects of science and sponsors a score of educational projects to encourage young persons to enter the field.

Vallivue Trustees File Brief In School Bond Question

BOISE (UPI) — A brief filed in the Supreme Court Tuesday alleges non-property taxpayers are not discriminated against in school bond elections because they are "not directly concerned" with school construction.

The brief was filed by the trustees of Vallivue School District 129 in Canyon County and Wilma Law, clerk of the Board of Trustees, in answer to a brief filed earlier by Ernest G. Muench and Lloyd Taylor, both of Canyon County.

Muench and Taylor had asked the Supreme Court to prohibit any sale of \$805,000 worth of school bonds for construction of two elementary schools. The bond issuance had been approved in a bond election May 27, 1969.

Muench and Taylor's brief alleged that only those persons paying taxes on real property in the district were allowed to vote on the bond election.

They contended that the Idaho statute making payment of property taxes a qualification for voting in a school bond election was "arbitrary, capricious," and bore "no reasonable relationship to the interest of the state."

Their brief further alleged that non-property taxpayers are not in fact substantially less interested or affected by such election than those permitted to vote in the bond election.

In answer, the trustees of the school district asserted that the principal interest of the bonds would be paid by levies upon the taxable property within the school district and that "persons who are primarily interested in the purpose for the issuance of the bonds are the persons who are required to pay the amount principal and interest requirements for the funding of said bonds."

Agrees is a regional director for the Federal Water Pollution Control Administration. He met with Samuelson, Atty. Gen. Robert Robson and a member of Robson's staff behind closed doors in the governor's office.

While Agee indicated his agency was suggesting additional safeguards to the AEC, Robson said he also indicated he felt the AEC was not polluting the Aquifer at this time.

Robert Erkins, a Maple Valley fish hatchery operator, has questioned the practice of dumping the wastes near the Aquifer and has asked the governor and others to look into it.

Pollution Is Probed By Area Official

BOISE (UPI) — Regional water pollution official James Agee, Portland, told Gov. Don Samuelson Tuesday he doubted if radioactive wastes being dumped into eastern Idaho were polluting the Snake River Aquifer.

Agrees is a regional director for the Federal Water Pollution Control Administration. He met with Samuelson, Atty. Gen. Robert Robson and a member of Robson's staff behind closed doors in the governor's office.

While Agee indicated his agency was suggesting additional safeguards to the AEC, Robson said he also indicated he felt the AEC was not polluting the Aquifer at this time.

Robert Erkins, a Maple Valley fish hatchery operator, has questioned the practice of dumping the wastes near the Aquifer and has asked the governor and others to look into it.

Authorization

WASHINGTON (UPI) — The House approved a \$474.3 million authorization for the National Science Foundation Tuesday and provided that college science study grants in the measure should not go to rioting students.

The foundation conducts research programs in all aspects of science and sponsors a score of educational projects to encourage young persons to enter the field.

Authorization

WASHINGTON (UPI) — The House approved a \$474.3 million authorization for the National Science Foundation Tuesday and provided that college science study grants in the measure should not go to rioting students.

The foundation conducts research programs in all aspects of science and sponsors a score of educational projects to encourage young persons to enter the field.

Policeman Testifies During Trial For Riot Conspiracy

CHICAGO (UPI) — According to the prosecution, Abbie Hoffman tapped a black man on the shoulder in Grant Park during the Democratic National Convention, told him of a plan to capture a deputy police superintendent and asked: "Are you with me?"

The black man was a police undercover agent, the prosecution says.

Policeman Richard L. Thompson testified Tuesday during the trial of eight persons charged with conspiring to incite riots during the Democratic convention.

Thompson said he was dressed in jeans and a T-shirt for a rally in Grant Park across from the Conrad Hilton Hotel Aug. 29, 1968, the night Robert H. Humphrey was nominated for president. He said Hoffman, a leader of the Yippies, tapped him on the back and pointed to Deputy Police Supt. James Rochford.

"You see that cat with all the stars?" Thompson quoted Hoffman as saying. "If he don't talk right, we are going to hold him there and then we can do anything we want to and the police won't bother us."

Thompson said Hoffman then asked "Are you with me?" The policeman said he replied, "Yes, I'm with you."

Thompson said he slipped

United Fund What Does It Mean?

LOIS CAMMACK

United Fund is important to Camp Fire Girls and Camp Fire Girls has been important to us at the Neighborhood Center.

We needed a group activity of some kind for girls of the neighborhood. Some way to help them help themselves. The Camp Fire Girls Council was able to arrange for an initiation plan of registration and this enabled us to enroll several groups. With this advantage we were able to interest little girls and their parents in an activity they otherwise may not have enjoyed.

Teaching a little girl to like herself, and thereby be able to like and get along with others is important, but this is only a small part of what Camp Fire Girls does for a girl. Many of these girls in our groups come from such large families, their individuality may get crushed in all the activity. Camp Fire Girls gives an opportunity to find and develop their own interests and personality.

Six of the girls in one group and five in another were able to go to Camp Tawakani this summer, due to the generous donations of different service groups and individuals. How proud we were when both groups earned the honor of "Cabin of the Week", for all around good camping habits, and cooperative attitudes.

This year we would like to double the number of girls we had last year, but this can be made possible only through the support of the United Fund and the Magic Valley Council of Camp Fire Girls.

Lois Cammack

Fact, Rumor Not Similar In Area Drug Cases, Chief Says

"No one really knows the full extent of the drug problem in Twin Falls, except maybe the pusher himself."

Police Chief Frank Barnett made this comment Tuesday while speaking to members of the Twin Falls Exchange Club about the drug problem in Twin Falls.

Mr. Barnett said the drug problem "is not out of hand in Twin Falls as some would say, as the only drug use incident I know of are the ones I have evidence on and can take to court with." He said there have been six such cases.

Mr. Barnett said his department has heard of several rumors of illegal drug use, but "you can't take rumors into court."

He said marijuana and prescription-type drugs are being used to some extent in this area. He also said that less than one per cent of the youth in this area are actually involved to some extent in the use or selling of prohibitive drugs.

On commenting about the source of marijuana, Mr. Barnett said he knows where most of it is coming from, but not enough evidence to take into court.

He said large amounts of it are coming from Pocatello by students who are attending College of Southern Idaho, some from Sun Valley-Ketchum areas and some from California by young people who take vacations in California.

He added he has had no evidence of any hard drugs being used in this area. He said there "isn't a market here for the hard drugs, such as heroin, because it is expensive and there are not enough addicts here to support a market. However, the situation could work toward this."

Chief Barnett said the way to combat this is to get involved in the problem, to report all incidents, whether new or old. He said the biggest problem in investigating drug use, is the reluctance of anyone testifying in court. He concluded if everyone in Twin Falls would cooperate, "we can lick it."

Mosquito Fogging Unit, Slow-Moving Truck Blamed In 1967 Death Of Actress Jayne Mansfield; \$8.8 Million Asked In New Orleans Trial

NEW ORLEANS (UPI) — Attorneys seeking \$8.8 million in damage claims resulting from the 1967 highway death of Actress Jayne Mansfield said Tuesday the nighttime accident was "caused by a mosquito fogging unit and a slow-moving trailer truck."

The attorneys, in their opening statements to the federal jury, said the fogging unit, belonging to the city of New Orleans, "set the stage" for the pre-dawn accident. They said it was driving on the wrong side of the road.

Sam Brody, Miss Mansfield's Los Angeles attorney, and Ronnie Harrison, of Mississippi City, Miss., were also killed in the crash. Miss Mansfield's three children by Mickey Hargitay were slightly injured. Defendants in the case are the drivers of the fogging machine and trailer truck, the city of New Orleans and several insurance companies.

Arthur J. Crowley, a Los Angeles attorney representing Brody's estate, said the "concurrent negligence" of the fogging unit driver and that of the trailer truck driver was the "proximate cause" of the crash on Highway 90 on the outskirts of New Orleans.

Makes Eating With FALSE TEETH Easier and Faster

IRREGULAR?
DUE TO LACK OF FOOD BULK IN YOUR DIET

TRY **Hellogg's BRAN BUDS**

Clinical tests prove you can now eat and chew better—make dentures more effective—if you just sprinkle a little PASTETITE on your plate. PASTETITE is an easy-to-use powder that holds dentures firmly together—makes them feel more comfortable. PASTETITE is not acid—doesn't stain—there's nothing sticky, salty, nasty. Dentures that fit are essential to health. Get PASTETITE regularly. Get PASTETITE at all drug counters.

Candidate Was Burley's First Fulltime Mayor

BURLEY—Mack Crouch, one of three candidates for Burley mayor in the Nov. 4 municipal election, secured as this city's first fulltime mayor, with a two-year term in 1964-65.

MACK CROUCH

In addition to the mayor, three councilmen will also be elected by voters who have considerable choice, with eight men seeking the council posts.

"Since Burley has been my home for a good many years and does have a brilliant future, I am interested in its welfare and further development," Mr. Crouch said. "I feel I can provide progressive leadership and with the united cooperation of the people of Burley, will be able to conduct a sound, efficient city government," he added.

The candidate was born in Iowa, moving to Idaho as a child. He attended Emmett schools and came to Burley in 1923, entering the insurance and real estate business.

Later Mr. Crouch established his own business and operated under the name of Mack Crouch Agency which is still in operation today.

He is a member of Masonic Lodge, Scottish Rites Masons, Shriners, Order of the Eastern Star of which he's a past worthy patron; a member of Odd Fellows Lodge and is a past noble grand.

For more than 14 years he served as clerk of the Burley School District prior to the consolidation of all school districts in Cassia County.

He was secretary of the Minidoka North Side Extension Association for many years. This association worked to get the Northside Veterans' Reintegration Project approved by Congress. While working on this project Mr. Crouch made several trips to Washington, D.C., and attended several Reclamation Association meetings.

Mr. Crouch is a past president of the Burley Rotary Club; a past president of the Burley Chamber of Commerce serving 1952-53 and served for many years as secretary of the chamber.

He is presently serving as secretary of the Burley Rupert Knife and Fork Club.

An active member of the Methodist Church, he is treasurer of the board of trustees. Mr. Crouch and his wife, Florence, reside at 1710 Overland Ave.

Boise Bowling Alley Struck By Blaze

BOISE (UPI)—An unexpected fire broke out in the Hillcrest bowling lanes about midnight Tuesday and caused heavy damage despite efforts of approximately 30 firemen using six trucks.

Still smoldering with smoke pouring from all apertures at 11:30 a.m., the fire was reported at 9:53 a.m.

Fire Chief David Perry sent four pumbers and two other trucks to the scene and called in some off-duty personnel to assist in fighting the stubborn blaze.

He said firemen had to use oxygen masks because smoke was so dense in the interior of the building.

Nobody was believed to be in the building when the blaze broke out. Manager Glenn Whipple said the maintenance personnel left the one-story concrete block structure shortly before 8 a.m.

Job Center May Be Given To State

WASHINGTON (UPI) — The federal Job Corps Center at Mountain Home may be turned over to the state of Idaho. At least the Bureau of Land Management says it plans to recommend such a course of action.

Sen. Len Jordan, R-Idaho, said Monday that he had been advised by the BLM that they planned to make that recommendation.

The state has requested use of the surplus facilities for vocational, technical education, manpower and job training programs.

Jordan said the BLM evaluation requires additional action by the Department of Health, Education and Welfare and the Department of Labor before transfer can be made by the General Services Administration.

Jordan said he had also been advised that if the state proposal did not materialize, the BLM would recommend use for school purposes.

PAULA E. CARL — daughter of Mrs. Charlotte Carl, Salt Lake City, and Paul F. Carl, Twin Falls, will resume studies this month at the University of Utah after spending the summer in Washington, D.C., working with the Agency for International Development. Prior to returning from the nation's capital, Miss Carl traveled extensively in the New England States.

CRASH KILLS 4
MANILA (UPI) — Four persons, two of them children, were killed and 14 others injured Tuesday when the logging truck in which they were riding plunged into a 15-foot deep ravine in Pasigdan City on Mindanao Island.

Kimberly Meet

KIMBERLY — The Kimberly Recreation Department will hold its monthly meeting at 7:30 p.m. Thursday at the city hall.

T. F. High School Class

Officers Named For 1969-70

"I'm chosen I will do my best to serve you, the student body. I will make all of us one, so we can work together to improve the things we each want."

That was the final note heard last Wednesday as each candidate finished his campaign speech. Candidates have worked long and hard during the campaign. They made posters that were scattered from one end of the building to the other and campaign pins ranging in all sizes were distributed. This way everyone knew who was running for class officers. But that was just a little — the real test came last when the speeches were given. They would need an awful lot to show the students they would be someone who would work hard.

They had to be someone who had the respect of the faculty along with that of the students. They would have to be the ones who could better the school and make the students proud of it.

Friday brought the results of the new class officers who will have a lot of hard work ahead of them.

Twin Falls High School new class officers include for the sophomores: Larry Anderson, president; Alvin Connor, vice president; Jackie Hovey, secretary.

and Brenda Perrmann, treasurer.

Junior class officers are Mike Crandall, president; Gary Freeman, vice president; Debbie Mathis, secretary; and Lelliah Thornock, treasurer.

Senior class officers include Jim Baugh, president; Ted Inker, vice president; Suzi Payne, secretary; and Robert Milleson, treasurer.

State Lodge Supervisor Is Approved

A new state supervisor was recently appointed by the Supreme Camp, Rock Island, Ill., for the Idaho camps of the Royal Neighbors Lodge.

Mrs. Louis Bowne, Nampa, was selected for the high office. The announcement was made at a recent meeting of the local Royal Neighbors Camp at the IOOF Hall by Mrs. Earl Shobe, recorder pro tem for Myrtle Anderson.

She will pay her first official visit to the local camp at the next regular meeting, Nov. 7, at the IOOF Hall. A potluck dinner will be featured.

A social meeting is scheduled for Oct. 17 at the home of Mrs. Chris Sims, with Mrs. William Arms and Mrs. Don Treadwell as hostesses.

A bazaar, set for Dec. 4 and 5, was announced by Mrs. Velma Treadwell, ways and means chairman. It was reported Mrs. Lee Pursey is a patient at St. Benedict's Hospital. Cards were signed for her and Mrs. Sue Pratt and Mrs. Juanita Thorne, Sacramento, Calif., a member of the local camp.

Mrs. Chris Sims received the special gift. Mrs. Samples served refreshments.

Couple Weds

In Idaho Falls

Ceremony

'BUHL — Janet Ann Kleibach, Idaho Falls, became the bride of Edward H. Dahlquist in rites Sept. 6 at Christ the King Catholic Church, Idaho Falls. Rev. Myrwin F. Nuxoll solemnized the double ring vows.

Parents of the bride are Mr. and Mrs. Lawrence Kleibach, Idaho Falls, and the bridegroom is the son of Mr. and Mrs. O. H. Dahlquist, Buhl.

The church altar was adorned with baskets of orange, pink and white gladioli and daisies. White candles, white ribbons and blue ribbon-roses decorated the aisle. Traditional wedding music was played by Mrs. Leonard Mickelson and soloist was Maxine Frindstene.

The bride wore a gown of peau de soie featuring a scalloped lace neckline and bell sleeves ending in scallops. The gown was embellished with charantly lace insets, detailed sequins on the skirt and chapel-length train which was attached just above the empire waistline. Her three-tiered veil of nylon illusion, held in place by a white rose adorned with pearls, fell to waist length.

Red-rose petals and a white orchid to form the bridal bouquet. A family heirloom necklace completed her attire.

Mrs. Yvonne Ramos, sister of the bride, was matron of honor. Other attendants were Margaret Elg — sister of the bride — Joan Ingram, Twin Falls, sister of the bridegroom, and Marjorie Hubbell. Flower girls were Brenda and Annette Ramos, nieces of the bride. Michael Elg, nephew of the bride, served as ringbearer.

Michael Swendsen, Pocatello, was best man, with Jack Martinez, Idaho Falls, and David McElroy, Pocatello, as ushers.

A reception was held after the ceremony in the social room of the church. The newlyweds greeted guests before an Aust-

MRS. EDWARD H. DAHLQUIST (Bybee photo)

rian pouf backdrop. The color scheme of blue and white was carried out in the decorations. The bride's parents hosted a luncheon later the same day. The four-tiered wedding cake was made by the bridegroom's mother and sister.

Special guests at the wedding included Mr. and Mrs. O. H. Dahlquist, Mr. and Mrs. Oliver Ingram and son Jeff, Mr. and Mrs. Hicks Askew, and Mr. and Mrs. Tom Perkins and family, all Buhl; Mr. and Mrs. Henry Barber, grandparents of the bride; Mr. and Mrs. Henry Barber Jr. and family, uncle and aunt of the bride; Mrs. Alvina Barber and family — Mr. and Mrs. Larry Kleibach and Mrs. Frank Kleindl, all Billings, Mont.; Mr. and Mrs. Marvin Hanson, Salt Lake City.

The couple will reside at 912 10th St., Idaho Falls.

A reception was held for the couple Sept. 27 in Buhl, hosted by women of the Cedar Draw Grange.

Magic Valley Favorites

D. M. KNOEDLER Box 463, Twin Falls

Peachy Jam
5 cups cooked peaches
1 box peckin
1 box red gelatin, any flavor

Bring to a boil, stirring constantly. Add seven cups of sugar and continue stirring. Let come to a full rolling boil that cannot be stirred down for five minutes. Skim and pour into sterilized jars. Seal with caps or wax.

(The Times-News will pay \$5 each week for the best recipe submitted for Magic Valley Favorites. If you have a favorite recipe, just mail it to the Recipe Department, Women's Page Editor. The recipe becomes the property of the Times-News and cannot be returned.)

Hagerman FHA

Honors Teacher

HAGERMAN — The Hagerman chapter of the Future Homemakers of America hosted a surprise farewell party for Mrs. Leon Grievie at the Grievie home.

Mrs. Grievie, who has been the home economics instructor and FHA advisor at Hagerman High School the past several years, resigned to accept the position of home-demonstration extension agent for Gooding County.

Games were directed by Ann Geeson who also presented a novelty song. Other songs were sung by Cheryl Sandy and JoAnn Berry with Miss Berry accompanying them on the guitar.

Mrs. Grievie was presented a potted azalea plant from the chapter.

Refreshments were served by Susan Brooks, chapter president; Karen Barton, Barbara Lach, and JoAnn Berry with Mrs. Richard Hagerman, FHA advisor, and Mrs. Alfred Sandy assisting.

Other mothers present and helping to furnish transportation were Mrs. Tom Gibson, Mrs. John Barton, and Mrs. Leland Brooks.

Women's Section

Official Visit Is Scheduled

GLENN'S FERRY — Phyllis Johnson, worthy matron of Victory Chapter No. 69, Order of Eastern Star, announced during the recent meeting that Worthy Grand Matron Eula Chilcote will pay her official visit at a special meeting Oct. 20.

A new ballot box was presented by Mrs. Marsh Holals, secretary, representing Mr. and Mrs. George Ross, past patron and past matron, who have moved away.

After the meeting, two couples honored in the dining room were Fay Lawrence, past patron, and Hazel Lawrence, past matron, whose Golden-Wedding Anniversary was observed last month; and Mr. and Mrs. Ernest Messerly who will celebrate in November.

The honored couples were escorted to the head table by "flower girls," Ruth Wilcox and Theodora Henry, past matrons. They were questioned quite closely by "Judge" Lee Nichols, and found guilty by jury of

"having lived up to the vows assumed fifty years ago." They were "sentenced to live the rest of their natural lives together."

The Messerly's son, Dayle, and his wife, were present, with their five daughters, and the Lawrence's daughter, Mrs. Glenn Larson, attended with her husband. Mrs. Larsen read a clipping of 25 years ago telling of a surprise celebration of the Lawrence's Silver Wedding Anniversary, when the official visit of the worthy grand matron that year became an anniversary party for them.

A special cake, prepared by Clara Stone, past patron, and gold on table decorations by Kathryn Anderberg, past matron, carried out the half-century theme. Both couples received anniversary plates from the chapter.

ROPER'S

If It's From ROPER'S... It's RIGHT!
TWIN FALLS — BURLEY — RUPERT — BUHL

Dear Abby

By ABIGAIL VAN BUREN

DEAR ABBY: After sleeping with this 280-pound walrus every night for EIGHT YEARS—and that is 2,920 nights—count 'em, I am ready to call it quits.

From the day we were married my husband has insisted on a—DOUBLE—BED. Don't get the idea that he is some kind of sex maniac because he isn't. He's just afraid to sleep alone.

I mentioned getting twin beds once and he had to bite his lip to keep back the tears.

His side of the bed is swayed back just like a hammock. My side is all right, but all night long he reaches for me and pulls me over to his side. I have such a backache some days I can't stand it and I know it's from that "broken-down" mattress. Don't say get a new one. It would be just like the old one in no time.

Please tell me how I can get my husband to let me have twin beds. We can afford it.

ACHING BACK

DEAR ACHING: Where have you been? SINGLE "TWIN" HEADBOARD—with a queen-sized and queen-sized are available. Run, do not walk, to your nearest furniture dealer and let them show you their selection. They'll thank you—and you'll thank me.

DEAR ABBY: For two years now "Mr. X" has been living in our house. Some friends think he is my stepfather. Some don't even know he exists. Most of my friends know that my mom is a widow, but what can I say when someone takes me home and asks whose car that is in our garage? Sign me.

ASHAMED

DEAR ABBY: "SAM'S WIFE" asked what happened to husbands who worked night and day after having accumulated a fortune. You replied, "They usually leave rich widows."

Not necessarily. Her Sam may stay healthy "married" to his work, but SHE may not be so healthy if she doesn't learn how to cope with that kind of husband.

I've been married to a man like Sam for 37 years, and for

35 of those years, aside from raising five children all by myself, I've been nothing but a housekeeper with bedroom privileges on Wednesdays, and I mean that literally!

My husband has been a good provider, period. We have never gone on a vacation together, even though his net worth is how up to six figures. We have a nice home, nice clothes and our children (now married) are amazingly well-adjusted in spite of the fact that their father was always a stranger to them. (He still is.) He attended our children's—weddings—under protest, and then sneaked away from the receptions early to work.

He has no personal friends—only business friends. I gave up inviting people to the house because my husband always brought home a briefcase full of "paper work" to do.

So, tell wives with husbands who are "married" to their work to do what I did. Make your own friends on your own time, and good luck.

TOD'S WIFE

CONFIDENTIAL TO "STILL WAITING" IN BROWNSVILLE: Be a little more aggressive, and you will either hook him or lose him. You don't say how old you are, but six years is a long time to "wait" for a man to make up his mind.

Everybody has a problem. What's yours? For a personal reply write to Abby, Box 8700, Los Angeles, Cal. 90069, and enclose a stamped, self-addressed envelope.

Women Meet

RICHFIELD—Auxiliary members of the American Legion at Richfield made plans for collecting dues this week when they met at the American Legion Hall. Poppies were ordered for the annual poppy sale.

Officers recently re-elected include Mrs. Lester Johnson, president; Mrs. Jerry Davis, Pamela Appell, vice presidents; Mrs. Lyle Piper, secretary, and Mrs. Ray Appell, treasurer.

County Commissioners Hope To Get More Applications For Probate Judge's Position

A month from today Twin Falls County Probate Judge Richard Reed has held the post for a year and a half. He is hoping to get more applications soon. Heter Loughmiller, chairman of the county commission, said Monday "The Republican Central Committee meets next week and we hope to have some recommendations ready by then," he said.

Judge Reed said a successor should be named soon so the individual can work in the courts for several weeks. He became familiar with office routine. "We are looking for a highly qualified individual because of the new court system to go into effect in 1971," Mr. Loughmiller said.

He was speaking of the state's magistrate system, approved by the Idaho Legislature.

Under this new system, there will only be two court levels in the state. They will be the Supreme Court and the District Courts.

Presently there are the Supreme Court, the District Courts, and the various Probate and Justice Courts in each county and the city courts in the cities.

Courts are known as the lower courts. Under the new system, magistrates will work directly out of the District Court. Magistrates will hold office on a non-partisan basis.

They will also be given complex legal duties to perform, like handling certain divorce cases, arrangements of criminal suspects, and will be required to hold preliminary hearings and process legal papers now processed in the lower courts.

The pay will probably be in the \$14,000-a-year bracket, Loughmiller said, although he added he was not certain.

"Whoever gets this appointment to the Probate Court will be in line for the magistrates job when the new court system goes into effect," he said.

"Because of this, we want to appoint a well-qualified individual," he added.

It was reported only licensed attorneys will be able to hold posts as magistrates.

The present salary for the Probate Judge is \$9,000 a year. Commissioners will appoint the Probate Judge after recommendations have been made by the county's Republican Central Committee, Mr. Loughmiller said. He added he is hopeful more applications are received and action on this appointment can be taken by next week.

THE IDAHO DEPARTMENT STORE

Idaho Is Leading Major College Teams In Passing

NEW YORK (UPI)—This college football season is all the same to San Diego State. The Aztecs, small college national champions for three successive years, have moved into the major college ranks this year but are not having any difficulty adjusting to the change-in-stature.

Big 10 Chief Says Loop Is Alive, Well

CHICAGO (UPI)—Big Ten football is "not a disaster area," Conference Commissioner Bill Reed said Tuesday in discussing the losses by four conference teams to Big Eight teams last Saturday.

There had been published comments that the Big Ten could not compete with Big Eight teams because the latter can "red-shirt" players, holding them out of competition for one year, and have more grants-in-aid.

"We have two teams in the top 10 in the country," Reed said, "and over the last 10 years, we've had nine of our teams in the top 10 at the end of the season."

"What has happened is that the level of football competition is rising," he added. "The advantages of the past tend to be diminished by the development of more boys of greater ability, skill and stature."

Reed said there would be a "reassessment of the Big Ten's rule prohibiting red-shirting of players as well as the number of grants-in-aid permitted."

But he said "I wonder if we would be 45 or 65 teams, what would happen to the 30 or 35 kids who would come into school as marginal students."

Coaches Jim Wake of Illinois, Alex Agan of Northwest, Jack Mollenkopf of Purdue and Woody Hayes of Ohio State commented on the red shirt rule and the number of grants available. They agreed that the Big Ten rules were satisfactory.

However, the coaches also said they would like one set of rules for all major universities so that "inter-collegiate competition would be on an even plane."

Hendren And Phipps Honored For Olson Lead

U.S. Stats Play Against Indians

NEW YORK (UPI)—The play of Purdue's Mike Phipps is symbolic of the upward trend in offense among this season's college football teams.

The latest figures released today by the National Collegiate Sports Service show Phipps leading the nation in total offense with 1,046 yards—an awesome total. He already has accounted for 12 of his team's touchdowns.

Phipps is not the only player who is compiling staggering figures. Steve Olson of Idaho has accounted for 14 of his team's touchdowns so far and is a close second to Phipps in total offense with 1,043 yards.

The trend toward "total offense is predominant all over. Don Nottingham of Kent State, the leading rusher in the nation, has scored 68 points in four games; Jerry Hendren of Idaho has caught 38 passes and Jim Braxton of West Virginia has scored 68 points.

In other departments, Olson tops—the passers—with 80 completions; Ken Sanders of Tulane leads the punters with an average of 47.5 yards per kick; Billy Watson of the Citadel leads in punt returns with 12 for 216 yards and Frank Slaton of San Jose State is best in kickoff returns with 14 for 373 yards.

Richfield Canal Yields Usual Harvest

Fish poundage was about normal in the first day of the Richfield Canal salvage, district fish biologist Robert Bell reported Tuesday night.

Bell said about 1,800 pounds of trout were taken from the empty canal and replanted in Major Reservoir, Silver Creek and Big Wood, above the reservoir.

However, the distribution was a little different this year with the fish running slightly smaller while the number of fish taken was up. That combination resulted in the average poundage yield.

Bell said the size of the fish apparently was affected by an unusual number of planted fingerlings drifting out of the reservoir, into Big Wood River and then into the canal.

He added only one Coho was found Tuesday. Coho were not planted in the canal this spring but Bell said several thousand were placed in Major Reservoir and he had anticipated a little larger down-river movement.

The largest fish Tuesday were in the five to six-pound class, but the traditional "big lunker" holes usually are salvaged the second day.

Individually Orioles Are Favorites, But Mets Used Platoons To Gain Series

NEW YORK (UPI)—On paper, it looks so logical. The New York Mets didn't have a player who hit more than 26 homers this season and their leading RBI producer had just 76.

N. D. State Rated No. 1; ISU Is 16th

NEW YORK (UPI)—North Dakota State rolls along as No. 1 among the top small team in the country for the third successive week. The figure, however, was the lowest awarded the Bison this year by the 35-member United Press International Board of Coaches.

The unbeaten Bison, now 4-0, received 27 first place votes and 333 points today to gain the nod as the top small team in the country for the third successive week. The figure, however, was the lowest awarded the Bison this year by the 35-member United Press International Board of Coaches.

While Oriole manager Earl Weaver has gone exclusively with seven of his regulars (the club has pitched in 77 games where Elife Hendricks played 105 games), Hodges doesn't have the talented front line that Weaver has and has reverted to platooning.

SPORTS

Oriole Coach Predicts 4-Game Sweep Of Mets In World Series

BALTIMORE (UPI)—The Baltimore Orioles Tuesday took a well-deserved day off from the practice field after clinching the American League championship with a three-game sweep of their playoffs with the Minnesota Twins.

Oriole skipper Earl Weaver predicted a four-game sweep of the Mets in the World Series. He wouldn't predict how many games it would take to beat the New Yorkers but third base coach Billy Hunter said, "We are going to sweep the Mets," Hunter had publicly predicted the three straight victories over the Twins.

"The Mets have six good pitchers, I understand. Well, the Orioles have ten good pitchers. Tom Seaver is the best they have and Jerry Koosman is fast, but he's no Jim Palmer." Weaver continued.

Beatty Jumps To ABA, Joins Stars

LOS ANGELES (UPI)—Zelmo Beatty, the Atlanta Hawks veteran center, signed a four-year contract with the Los Angeles Stars Tuesday and became the third National Basketball Association player in recent months to jump to the rival American Basketball Association.

Beatty, who is 6-feet, 8-inches tall and weighs 235 pounds, will join the Stars for the 1970-71 season. He averaged 21.5 points a game for the Hawks last season, helping them to grab second place in the Western Division. Beatty was also the No. 2 rebounder on the team.

Mets Feel Their Momentum Is Strong To Be Halted

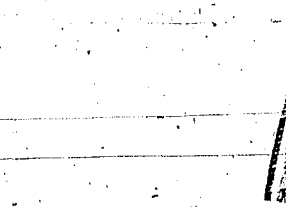

NEW YORK (UPI)—The New York Mets, listed as 8-5 favorites for the World Series beginning Saturday, took a day of rest Tuesday after sweeping the Atlanta Braves in three games for the National League pennant.

The Mets will probably switch to their "right-handed lineup" against Cuellar, a former National League who was 14-2 from the All-Star break to the end of the season, and McNally. The Mets' batting order against left-handers has Ed Kranepool, Al Wells and Ed Charles at third replacing Art Shamsky, Donn Clendenon at first base replacing Ed Kranepool, Al Wells at second instead of Boswell and Ed Charles at third replacing Wayne Garrett.

Pirates To Name Manager Soon

PITTSBURGH (UPI)—Joe L. Brown, general manager of the Pittsburgh Pirates, said Tuesday he "hopes" to announce the name of the new field manager of the team by Thursday.

Crisis. The market is still down and you need cash for his college expenses.

SWITCH TO HEARTS SAVES COSTLY SET

You don't win the finals of the National team championship event without some luck, but this year, "The Dallas Aces" seemed to do a lot about making their own luck.

The bidding started out tamely enough. Bob Humman's one-spade overall was normal expert American practice. East and West were playing the so-called negative double and so East had to pass. Mike-Jawrono passed also and, if West had let Bob suffer, he would surely have been set one or two tricks—but West reappeared with a take-out double. East was delighted to pass but Mike rescued to two hearts.

Bob's hand looked mighty good in support of hearts and, since the West was in a vulnerable game in IMP competition, he raised to three hearts. Mike had almost nothing

but his six hearts and 6-4-3-1 distribution looked so good to him that he went on to raise.

West doubled and opened the ace and another heart. This didn't worry Mike at all. Since East followed to both hearts, Mike was going to have time to ruff one diamond in dummy. All he needed for his contract was to find West with the ace of clubs and reasonably good diamonds.

He won the heart in his own hand and led his jack of diamonds. West's king forced dummy's ace. Since East had dropped the nine, Mike was able to play dummy's 10 and establish his eight. That didn't really matter. If the nine had not dropped, he would have come back to his hand as often as he wished by ruffing spades. He did use that procedure to get to lead a club toward dummy's king and round up scoring 70 points. At the other table, the Dallas West played two clubs and made three for a 900-point, or 14-IMP, gain.

CARD SENSE

Q—The bidding has been: West North East South
Pass 1♣ Pass 1♠
Pass 1♠ Pass 1♠
You, South, hold:
♠K876 ♠A2 ♣KQ4 ♠J853
What do you do now?
A—Pass or bid two diamonds. We have a slight preference for the pass but would have no criticism of a two-diamond call.

TODAY'S QUESTION

Instead of bidding two clubs, your partner has bid two diamonds over your one spade. What do you do now?

Checking Up

By L. M. BOYD

Cancer Girl Is Practical In Everything But Romance

At last report the men were buying about half as much body cologne as the women. What's odd about this is a dozen years ago men bought so much more stuff that nobody even kept statistics on it. That's not all. Nobody kept statistics a dozen years ago either on how much hair-dye-men bought. Now it's known they spend about 14 million dollars a year on that.

WHY THE MEN who stutter number the women who stutter by five to one is another peculiarity yet to be explained. I TELL YOU, the membership in the Proper Job Club is growing "mitigatedly." Now Dr. D. K. Root, a dentist in Casper, Wyo., has been nominated. A CASHIER of considerable experience says men often forget their change, but women never do. AM ASKED HOW LONG the average new-car buyer keeps his automobile before trading it in. Six years. The average used car buyer keeps it 10 years.

PLANET MAN — A Cancer girl tends to be practical in everything but romance. Given a good man named Wambly Bald would put such a question to a man named Birdseye. Let's say no more about it.

RAPID REPLY: Q—Mr. sir, never saw a white squirrel, but understand such things do. In fact, the town of Olney, Ill., is said to be the white squirrel capital of the world inasmuch as the little rodents are all over that place.

Prime Minister Wilson Has Reason To Be Confident

By JOSEPH W. GRIGG

LONDON (UPI) British Prime Minister Harold Wilson looks cocky and confident. He has just come through the annual ritual of a British Labor party gag-and-file convention, not only unchallenged again as the party's undisputed boss but as probably the smartest political operator in Britain today.

As one British columnist wrote, "The wizard's back is to the British Labor party has a long tradition of political infighting. Party conferences in past years often resembled night-and-days of the long knives.

Last week's Labor party conference at Brighton also had its share of political shenanigans. Wilson found himself in a behind-the-scenes fight that almost erupted into public verbal brawl with bosses of the country's biggest labor unions.

The row was over the government's decision to continue enforcing wage curbs after the end of this year. The unions want no government meddling in the unions' bargaining against the government but explaining when it comes to the crunch of general elections they

will vote any day for Labor rather than the Conservatives. The second party-splitting row was over Wilson's bid to get Britain into the "European Common Market."

This is a deeply divisive issue not only in the Labor party but in all three main British political parties.

A public showdown over this issue would sidestep by ingreccment not to vote at all on whether or not Britain should join the market. Instead, the vote was simply on a resolution calling on the government to get watertight safeguards for Britain's cost of living agriculture, food prices and a number of other basic matters before any decision is reached.

Since negotiations on Britain's entry are unlikely even to begin before 1971, this was easy for the government to accept.

Wilson himself was in what even anti-Labor British commentators have conceded was brilliant form.

He flayed the Conservatives unmercifully. He adroitly turned what could have been an embarrassing concession for him into a personal triumph.

Wilson's main object was to whip party rank-and-file into at least an appearance of unity in preparation for the parliamentary general election now generally expected in 1970.

News Of Record

MINIDOKA COUNTY
 Sheriff's Blotter
 Rupert Police Blotter

No citations were issued Wednesday night when vehicles driven by Sharon Holmes, 19, Burley, and Jerry Moore, 27, Paul, collided at F and Highway 24 in Rupert.

Miss Holmes was attempting to make a left turn from F street to 24 when her 1967 Mercury was struck by the 1960 GMC pickup truck driven by Moore. Damage was estimated at \$300 to the Mercury and at \$200 to the pickup truck.

Julie Broadhead, 14, Rupert, was cited for backing when not reasonable and safe to do so Thursday evening following a collision on F street in Rupert.

Miss Broadhead was backing a 1965 Buick, owned by Hanel's Chevrolet, from the curb when she collided with a 1959 Ford driven by Elmer Wolf, 39, Rupert. Damage was estimated at \$25 to the Buick and at \$135 to the Ford.

Vehicles driven by Carol Milton, 39, Heyburn, and Gary Lloyd, 38, Rupert, collided Thursday morning on Highway 24-25 in Rupert. Mrs. Milton was cited for failure to yield the right of way when she apparently made a left turn from Highway 24 to Highway 25 and was struck by Lloyd who was headed west on Highway 24-25. Damage was estimated at \$300 to each vehicle. Mrs. Milton was driving a 1965 Ford, and Lloyd a 1957 Volkswagen.

A black Angus steer, owned by James Gibson, was killed Tuesday night when it was struck by a 1962 International truck, driven by Lorraine Pena, 21, Rupert. Miss Pena was traveling seven miles northeast of Rupert on a county road when she crossed over a hill, and failed to see the animal in time to stop. No citations were issued.

Damage was estimated at \$100 to the truck.

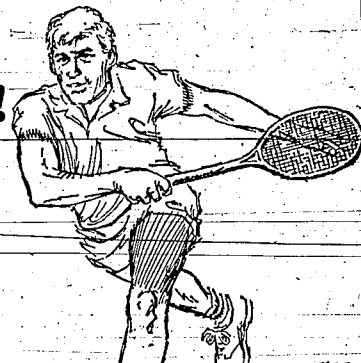

Vernon Merz, 48, Heyburn, was cited by failure to yield the right of way Wednesday morning a mile of Rupert following a two vehicle collision. Merz apparently pulled from a stop sign into the path of a 1964 Rambler driven by Rawene Jack, 33, Rupert, who was slightly injured. Damage was estimated at \$100 to the 1968 Chevrolet pickup truck driven by Merz, and at \$125 to the Rambler.

First Signers

WASHINGTON (UPI)—Three Intermountain area congressmen were among the initial 108 sponsors of the house resolution supporting President Nixon's combat troop reductions and encouraging their total withdrawal as soon as practicable.

Among the first signers—Republican Orval Hansen of Idaho and Democrats John D. Melcher and Arnold Olsen of Montana.

GREAT RETURN!

5%

Bank of Idaho's Premium Passbook Savings offer you a premium return on your savings with the convenience of a savings passbook so you know exactly where you stand on earnings. You have the complete record in your possession.

The minimum amount required to open a Premium Passbook Savings Account is \$500. You may make additional deposits at any time in multiples of \$50.00.

Interest is paid at the rate of 5% per year and is credited to the account at the end of each calendar quarter. In other words, interest is compounded quarterly.

Funds must be on deposit for 90 days to earn interest and may be withdrawn during the ten calendar days following the end of a calendar quarter without notice.

Funds may be withdrawn at any other time upon expiration of 90 days written notice.

If you desire to withdraw interest credited at the end of a calendar quarter, you may do so within the ten day period following that quarter. After that time, the interest is considered as a deposit.

In the event of a withdrawal which reduced the account balance below \$500.00, you still earn 4% (the regular passbook savings rate) on the remaining balance. When the balance returns to \$500.00, the 5% rate becomes effective.

Premium Passbook Savings are one of five convenient savings plans at

Planning For White House Education Meet Discussed

Preparation for the White House Conference of Education, scheduled for Dec. 1970, will begin in Magic Valley and the rest of Idaho in the near future, according to Dr. James L. Taylor, a member of the Governor's Advisory Committee for the conference.

Dr. Taylor said he will solicit assistance from members of area service clubs in preparing for the state conference, which will be in Oct. 1970. Dr. Taylor, who is regional coordinator for the state conference, said he hopes to have most preparations completed by early next year.

He said those working on the conference will attempt to work out a philosophy of the fears and concerns of the present adult generation and then work through students to try to develop a philosophy on their fears and concerns.

"I have a feeling," he said, "that both generations are just a little suspicious and afraid of what the other is thinking." What conference will try to accomplish, he said, is coming to a mutual understanding.

The White House Conference of Youth was begun during President Theodore Roosevelt's term of office. A conference has been held each 10 years since then.

Fire Prevention

Mayor Egon Kroll has officially proclaimed this fire prevention week in Twin Falls and urged residents to take advantage of the Fire Department's home inspection program.

"Don't give a fire a place to start," the mayor urged in his official proclamation of Fire Prevention Week.

He noted the week is designated nationally each year for the purpose of making the public aware of the need for greater fire prevention and safety.

"Fires," he said, "are failures."

CSI To Start New Hosiery Employee Class On Oct. 15

The College of Southern Idaho will begin a class in knitting machine fixing and sizing Oct. 15.

An organizational meeting will be held at 1 p.m. Monday at the CSI vocational school on Kimberly Road. Classes will meet at the old C. C. Anderson building six hours a day for several weeks.

This is the second class of this kind to be operated by the college and one of several which is being conducted for the knitting industry. Many of those who finished the first fixing and sizing course have been hired by the Kollwood Co.

Those who wish to enroll in the upcoming course should apply to the vocational school prior to the organizational meeting.

Aide Speaks

CAREY — John Barton, guidance counselor, spoke on the counseling program in the schools at the Carey PTA meeting. He was introduced by Ronald Peck, program chairman.

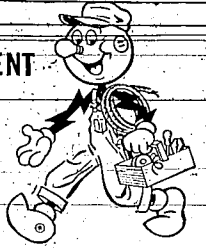

Vernon Jolley gave the invocation and the first grade won the room count attendance prize. Mrs. Boyd Stocking, president, reminded members of the workshop to be held in Twin Falls Wednesday.

Former T. F. Officer Gets Liquor Post

Former Twin Falls City Police officer Floyd Robinson will become Magic Valley enforcement officer for Richard Cade, director of the State Liquor Law Enforcement division.

He replaces Wayne Hankins, who died about a month ago.

Mr. Robinson came to Twin Falls from California about eight months ago and after leaving the police department worked for the Idaho State Police at the Hollister Port of Entry. He will live in Jerome. The area he will cover includes Twin Falls, Jerome, Minidoka and Cassia counties.

Mr. Cade said that during Mr. Hankins' illness and after his death this area was covered by investigators from Shoshone and Pocatello.

Another former city police officer, James Purdy, also will assume duties with the liquor department. He will live in Boise and cover Ada County, replacing James Purdy, who recently retired from the department.

4-H Confab Will Start On Friday

The second annual Idaho 4-H Community Pride conference gets under way Friday at the Holiday Inn, Twin Falls, concluding Saturday with a tour of the Snake River Trout Farm and a fish fry.

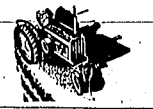

Themes for this conference, at which 50 4-H'ers from throughout Idaho will attend is "Strive for Community Pride."

Among the list of speakers at the conference Friday will be Miss Idaho, Diana Hopperstad; Twin Falls, and O. A. (Gus) Kelker, editor of the Times-News. Welcoming the 4-H delegates will be Egon Kroll, mayor of Twin Falls, and Heber Loughmiller, chairman of the Twin Falls County Commission.

The boys and girls will, during the two-day event, plant a tree at Shoshone Falls park, display projects, see results of clean-up efforts in various areas, visit the trout farm and have a fish fry.

DRAFT CALL SET
BOISE (UPI) Maj. Gen. George B. Bennett, state director of selective service, said Idaho's November 1969 draft call was for 26 men. The November 1968 call for Idaho was for 37 men.
